WHAT'S...

COOKING?

By NORMAN WRIGHT

The Baptist denomination of Texas has decided to build a Junior College in Dallas, to be affiliated with Baylor University, and to be ready for its first term of school in 1960.

That's what we have been telling you. The trend all over the state is to Junior Colleges. The various denominations are going to build a lot of them, and so is the State of Texas.

The big Universities just flat don't want these high school graduates. They don't have room for them. And they are making it harder every year for a high schooler to get in by requiring stiffer entrance examinations, and they're making it harder for him to stay in after he gets in.

This is not just a temporary trend. It will be here from now on. There are already enough children born now, starting to school next year, to maintain this crowded condition for another generation at least even if people quit having kids.

Simply by reason of its location, the new Baptist Junior College in Dallas will start off among the biggest in the state in enrollment. That is why the people of Ranger should be forever on the alert to look after the interests of Ranger Junior College, which could very well become the biggest asset the town has.

One of these days in the not too distant future, Ranger citizens may be able to look out across the area now occupied by Ranger Junior College and see the campus filled with beautiful brick buildings, but there by a tremendous increase in enrollment, if we continue to support the school as we should.

This portion of West Texas MUST have a Junior College and a big one, and it might just as well be right here in Ranger as somewhere else, and more so, with the start we've got. Abilene is already college poor, and Ranger already has the 10th biggest Junior College in the State, and this is the one to keep before the educational authorities of the State of Texas night and day. It should be rammed down their throats every morning for breakfast.

And there is one wonderful thing about Ranger and the advantage it already has in Austin. There is seldom, if ever, a meeting held down there concerning Junior Colleges, but what every single member of the Ranger Junior College Board of Regents is present. Other college presidents have often asked Dr. Ashton how he manages to get the whole Board down there when it is all they can do to get one member to ride to Austin with them to keep them company.

Such loyalty as this has not passed unnoticed in Austin among Junior College moguls, and Ranger owes the present Board of Regents a standing vote of thanks for their loyalty to the college and (Continued on Page Two)

RJC Invites Public to MOD Party Tonite

Ranger Junior College faculty and students join in extending an invitation to the people of Ranger and all surrounding communities to join them in the Student Union Building tonight, Thursday, at 7:30, for a party to be given for the March of Dimes.

There will be cake walks, games, special music, dancing and plenty of fun and a hearty welcome awaits the public. Admission will be whatever anyone wishes to contribute at the door for the March of Dimes.

Taking off from the busy times of registration this week, faculty and students have busied themselves with arranging for a program that will be enjoyed by everyone, and they all hope to see a good crowd in attendance.

County Tops In Sale Of US Savings Bonds

Eastland County was the top ranking county in the 11 county Sixteenth District in sale of U.S. savings bonds during December, it was announced today.

The county had total sales of \$91,573 during December, pushing their total for the year to \$621,961. That is 102 percent of the county's \$610,000 goal for the year.

The 10 other counties in the district include Taylor, Stephens, Shackelford, Runnels, Nolan, Jones, Haskell, Fisher, Coke and Callahan. Nearest county in sales to Eastland was Taylor, a much lower populated county. Their sales totaled only \$70,695. Next in line was Runnels County with \$39,937. Stephens County had sales of \$12,540.

Guy Parker served county chairman. Besides ranking first in District 16, Eastland County also ranked third in area sales. In the area there are five zones, composed of 43 West Texas counties. Only counties to sell more bonds than Eastland County in December were Tarrant and Wichita counties. This also was the top ranking area in the entire state, and the only area to make its quota for the year.

Parker said the county deserved special praise for the job well done.

Santa Claus Ain't Up There On Purpose

If you are among several scores of other Ranger citizens who have been asking if Santa Claus is going to remain on his perch at the East end of Main Street until next Christmas, the answer is no, he ain't being left up there on purpose.

Whether he looks it or not, Santa is pretty much of a load, and it takes a special truck with a derrick on it to move him off of that thing he's standing on, and that truck has been out of town. When it gets back here, Santa will be moved.

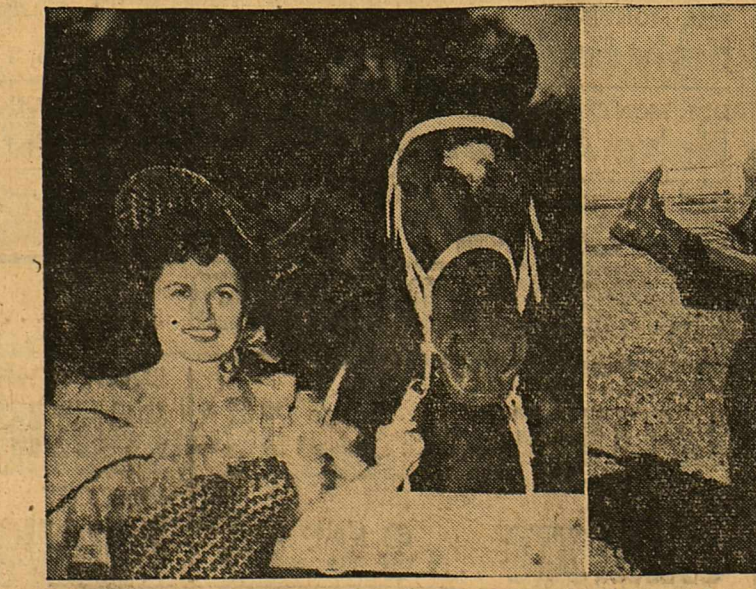

In the meantime, there is some talk of disguising him as a Ground Hog if he isn't down by February 2, and later as Cupid if he is still there by Valentine's Day. He also ought to make a pretty fair looking George Washington, given a touch here and there.

Camp Fire Girls To Baby Sit For March Dimes

Ranger's Camp Fire Girls were puzzled on how to raise some money for the March of Dimes so they will Baby Sit. This was decided at a meeting of the girls Monday at the home of Jill Watkins, whose parents are Dr. and Mrs. W. P. Watkins.

If you need a baby sitter any time between now and February 28, please call Connie Meadows at 903 and a Camp Fire Girl will be arranged for you. All of the money they take in will be given to the MOD. That number again is 903, so please jot it down.

President Patricia Eschberger presided at the meeting and others present were Jill Watkins, Bebe Nussle, Judy Bais, Sandra Holbrooks, Linda Warford, Patricia Baumgardner and Connie Meadows.

SPECIALTY ACTS at the Fat Stock Show Rodeo in Fort Worth from Jan. 25 through Feb. 3 include Lynn Randall and her superb dancing horse, and Clown Goldie Carlton disappearing into a barrel in the path of a charging Brahma bull. Other acts include the Colorado Westernaires, a 30-member precision riding team, and Ranch Girls' Barrel Races at each performance.

Bulldogs Lose to Bluecats But Still in 3-Way Tie for Second

In spite of the fact that Paul Hinds set a gym record at Coleman by sinking 17 free throws and making a total of 33 points, the Bulldogs dropped their first game with the Coleman Bluecats Tuesday night 75-66.

At the same time, however, Cisco scored an upset by defeating Winters 60-50, and that left Ranger, Winters and Ballenger, who was idle, in a three-way tie for second place in league standings. Coleman won undisputed possession of first place.

David Wharton was next highest man in the Bulldog scoring, chalking up 19, thus Wharton and Hinds combined accounted for 52 of the Bulldogs 66 points.

Instead of being in a three-way tie for second place, Ranger should be far and away out in front and would have been if all members of the team carried their load in scoring. The Ranger guards, as fine and excellent as they are, have not been driving for the goal and taking enough shots to make up the difference in losing by a narrow margin, or winning.

Guards are not expected to do as much scoring as the forwards, but at the same time, guards and other players are not watched as much as the forwards and many a time an opportunity presents itself for them to slip through and sink one. If each man on the team could come up with 5 or 6 points apiece, in addition to the big point makers, Ranger wouldn't be losing ball games. All of Ranger losses have been by very small margins, with the Coleman loss being about the biggest margin of all. Most losses have been by two or three points.

Although Coleman now has the inside track for the Class 7-AA championship, Ranger still has an excellent chance because it has the best ball club in the loop. There is no question but what the Ranger Bulldogs are the best team in the conference if all of them will do a little scoring and take a few shots and make a few drives for the basket. By winning all the rest of their games, Ranger can still cop the flag, but the Bulldogs can't stand another loss. They must take the rest of them.

Coleman also won the "B" game Tuesday night, 40-21, behind the 18 point shooting of Albert Tipton. Walter Hutchins hit 8 for Ranger. In the "A" Game, the box score was as follows:

COLEMAN: Norris 6-8-20; Alson 5-2-12; Hall 5-2-12; Helton 7-4-18; Byerl 4-3-11; Winstead 1-0-2. Totals 28-19-75.

RANGER: Hinds 8-17-33; Wharton 8-3-19; Tibbels 2-0-4; Shockey 0-3-3; Anderson 1-0-2; Jowers 2-1-5. Totals 21-23-66.

Score by quarters:

Coleman	16	32	54	75
Ranger	7	29	43	66

Willing Workers Supper To Be Monday Night

The Willing Workers Class of the First Methodist Church will hold a covered dish supper in the church kitchen at 7 o'clock Monday night, it is announced.

The hostesses, Mrs. Walter Daniels, Mrs. Arthur Deffebach and Mrs. B. S. Dudley, Jr., are to furnish the meats and drinks, and all other members of the class are requested to bring something else to contribute to the supper.

Moving to Ranger

Contractor M. L. Lawson, who is to begin building the GI Homes here soon, has rented an apartment from Floyd Killingsworth and is moving with his wife to Ranger within the next few days.

Lawson is the father of Jake Lawson, Manager of Lone Star Gas Co.

First Baptist At Breck Gets New Pastor

Rev. Byron Bryant, pastor of the First Baptist Church at Stamford, has accepted a position as pastor of the First Baptist Church of Breckenridge, and will begin his new duties about February 1, it has been announced.

The Rev. Bryant began preaching when he was a 17-year-old senior in high school. He is a graduate of Hardin-Simmons University and a trustee of that school. He is also serving on the executive board of the Baptist General Convention, and is president of the Lueders Baptist Encampment of District 17.

Gholson Hotel Site of Big Doings, 6 to 9

The Gholson Hotel will be the site Saturday evening from 6 'til 9 o'clock of two big events being sponsored for benefit of the March of Dimes in Ranger.

The Lions Annual Aunt Jemima Pancake Supper gets under way promptly at 6 o'clock and it is expected that somewhere between 400 and 500 plates will be served at 50c each, with ticket holders being allowed to eat all they can hold. Ticket sales have been brisk all this week, and those who do not have them can get them at the door of the coffee shop.

Running right along with the Pancake Supper out in the lobby of the Gholson will be a Bingo game sponsored by the Rho Pi Chapter of Beta Sigma Phi, and sorority members suggest that as soon as you have had your supper that you join your friends in playing Bingo.

Ranger merchants have been generous in their donations of prizes to be given away at the game, and also many of the sorority members have baked beautiful and delicious cakes that will be given as prizes. All of the money taken in at the Bingo game, as well as all of the Pancake Supper money, will be given for the fight against polio.

Manufacturing concerns throughout the country have contributed to the success of the Pancake Supper with Quaker Oats of Sherman donating the Aunt Jemima Pancake Flour. Other donors include Penick & Ford, Ltd., Vermont Maid Syrup; Illinois Meat Co., their Broadcast Canned Ham; C. D. Hartnett Co., real butter; and Holsum Products, Pickwick Coffee. All three milk companies, Foremost Borden's and Boswell, have joined in donating the milk to be used in mixing the pancakes.

Members of the Lions Club will do all the cooking, serving, table-hopping and dishwashing. The Gholson Hotel has cooperated in donating the use of their facilities.

Other events scheduled for the day Saturday include "Operation Parking Meters" which will be conducted by the city firemen. The City of Ranger will donate all the parking meter money taken in Saturday to the March of Dimes, and city firemen will levy "fines" for all parking violators.

A delegation of Rotarians and Ranger Junior College Co-eds will conduct a campaign on the highway, stopping all cars and selling souvenir crutches, and also Pancake Supper tickets to those cars passing through town while the supper is going on. Rotarians and Co-Eds will be scattered so far in both directions up and down the highway that windshield cards are being printed reading "March of Dimes Pass" so that occupants of cars won't be stopped all down the line in case they have donated at the front of the line. It will be quite a task to get all the way through town without giving something.

Cross Timber Shrine Club Meets In Ranger

Annual membership meeting of the Cross Timber Shrine Club was held at the Ranger Country Club Tuesday evening when 25 Shriners enjoyed a buffet supper and held a business meeting.

Officers of the club this year include Homer T. Ferguson of Cisco, president; Check Smith of Gorman, 1st Vice President; Henry Pullman of Eastland, 2nd Vice President, and W. E. Dean of Cisco, Secretary-Treasurer.

Entertainment Committee for the year includes R. N. Sneed of Eastland, chairman; Carl Garner of Eastland, Leo Phagan of Cisco, C. E. May of Ranger, Charles Rutherford of Rising Star, Thurman Jay of Gorman, and Warlick Jones of Moran.

Membership Committee includes Carl Garner of Eastland, Chairman; Cecil Cook of Cross Plains, Dr. Marshall Jolly of Ranger, James Thornton of Cisco, and Albert Hansen of Cisco.

Advisory Committee consists of T. C. Wylie of Ranger, chairman, L. E. McGraw of Eastland and W. E. Tyler of Rising Star.

Sick Committee consists of Dr. D. Ball of Cisco, Dr. James H. Cator of Eastland and Dr. A. W. Brazda of Ranger.

Ranger Auto Parts Getting Remodeling Job

Ranger Auto Parts, 319 Main, owned and operated by Gaston Dixon, is getting a complete remodeling job throughout that is going to make it one of the most modern stores of its kind when completed.

New shelving is being added throughout as well as new and modern display cases and racks in order to display a much larger stock of merchandise than heretofore.

All of the interior of the store has already been repainted and finishing work is being done on the floors. The outside of the building will also be refinished, making a bright spot on the west end of Main Street.

Dixon said when all the work was completed he planned to have an open house to show off the new store to his many friends and customers.

Harrell's Coffee Sales Friday to March of Dimes

Harrell's Cafe has announced that for one day, tomorrow, Friday, the price of coffee will be raised from 5c to 10c per cup and all coffee sales will be given to the March of Dimes.

Anyone in the vicinity of the cafe is invited to drop in and have a delicious cup of the brew in exchange for a dime donation to the polio fight.

RJC Takes On Arlington In Game Here Sat.

It will be Ranger Junior College vs. Arlington State College at the gymnasium here Saturday night as the two leading scorers in the Pioneer Conference square off against each other to see who comes out on top of the heap.

Ranger's James Tull has the top scoring average with 181 points in 10 games, followed by ASC's Cleo Haddock who has 195 points in 11 games. Tull's average is 18.1, while Haddock's average is 17.7. It will be the only league game anywhere this week.

Ranger has already dropped one game in conference play, while it is the first conference outing of the season for Arlington.

All of the money collected from all sources is to be turned in at the end of the month to Wilson Guest, general chairman of the drive, and the amount taken in by each organization will be announced in the Times when all of it has been tabulated and totaled.

Mrs. J. A. Bates, general county chairman, as well as March of Dimes leaders throughout the entire state and the nation, have emphasized that polio is by no means conquered and the need for money now is as great as it ever was in order to help care for patients who have been stricken with the disease.

It is also pointed out that the National Foundation for Infantile Paralysis, which is supported by the March of Dimes, paid for the millions of shots of Salk-Polio Vaccine given to school students last year and the year before, and in paying for these shots the Foundation's treasury was absolutely depleted. The Foundation spent all of the money it had in buying this vaccine and making it available free of charge to millions of children, and the effects it had on cutting down the number of polio cases was tremendous.

There is still much research to be done in the fight against polio, and still much hospital care to be paid for, and the need for nationwide, all-out support, is as great now as it ever was.

the town in taking the time and trouble to be present for these meetings when they are held.

The big universities are being crowded more and more with advance students doing graduate work, and they are head over heels with the task of preparing students in specialized fields where they are taking their degrees, to want to worry too much about high school students fresh from home and fireside taking required courses which are mostly an extension of high school work.

Those required courses are best disposed of in Junior Colleges where the pace isn't so fast and where more careful attention can be given individual students—and where the jump isn't so great from high school to University. The state knows this better than anybody else, and so do the leaders in the denominations that support such big schools as Baylor and TCU and SMU and others. And that is why they are now doing something about it by establishing more smaller colleges.

Ranger might just as well start being jealous of this school, and as protective of it as an old hen with one chicken, because the tragedy of the age would be the day when it might be moved somewhere for one reason or another. Perish the thought!

Ranger must be on the alert every day of the year to the presence of Ranger Junior College here, and what it means to this town and this section, and what a bunch of broken-hearted, down-cast sad-sacks we would all be if we should see a big fine school going up somewhere else.

It must never in this world be allowed to happen, because the institution we have here is to fine and splendid to ever be allowed to get away from here for any reason.

Ladies Bible Study Meets With Mrs. Cole

The Ladies of the Merriman Baptist Church met Tuesday afternoon at 1:45 for their weekly Bible study in the home of Mrs. J. C. Cole.

Mrs. A. E. Dawson gave the opening prayer and the devotional was the 35th chapter of Genesis. Refreshments were served to the following: Mmes Bonnie Rodgers, W. S. Vinson, Jack Walker, A. E. Dawson, Ruby Ainsworth and Mrs. Cole.

After presenting the gifts and a birthday greeting, the class was called to order by the first vice president, Mrs. R. E. Boucher. Mrs. Franklin Mears gave the devotional and a prayer was said by Mrs. Claxton.

The short business session and discussions of a project for this year were closed by Mrs. Jodie Grisham.

M. H. Fairbetter made pictures and he and Mrs. Porter rehearsed some of the past, her telling of some of the events of the Civil War days.

Mrs. Porter came to Texas in 1908 from Pontatac, Mississippi. With exception of nine years, she has lived in Gorman. She joined The First Baptist Church in Gorman and was a regular attendant until a few years back. She is able to get around in her home and she stated that she began washing dishes as a regular job when she was nine years of age and that she is still on the job. She is the head of five generations.

Members of the Royal Neighbors of America No. 9059 met Monday night, 7:30, at the IOOF hall with vice-orchestra, Eleonor Horton presiding.

Sick reports were made and Leona Arterburn and Della Rushing, who recently returned home from the Methodist Hospital, were reported ill.

The penny prize was furnished by Laura Todd. The charter was draped in memory of R. E. Harrell last week. There will be a covered dish birthday luncheon Monday night at 6:30. Those having birthdays are Laura Todd, Leona Arterburn, Callie Lee and Ellen Jones.

The honoree's bed was decked with an heirloom, a beautiful blue and white coverlet. When Mrs. Porter was eight years old her mother raised the sheep, sheared them, corded the wool, spun the thread, dyed it with indigo and wove the coverlet.

Pound cake and hot spiced tea was served to Mrs. Jodie Grisham, niece of Mrs. Porter, Mrs. V. W. Day, M. H. Fairbetter, Franklin Mears and the class members, Mmes. Vera Hamrick, Mears, Pittman, Boucher, Miss Baskin and the hostess.

1947 Club Meets; Mothers March To Be Jan. 31

The 1947 Club met Tuesday afternoon at the home of Mrs. Judson Hardy, at which time it was decided that the Mothers' March for the March of Dimes polo fund would be held on Thursday, January 31, the last day of the month.

The Mothers' March will be a fitting climax to a month of intensive activity for the March of Dimes and full details of the March will be announced in subsequent issues of the Times.

Mrs. Charles Milliken presided over the business session of Tuesday's meeting, after which Mrs. Alla Ray Morris gave an interesting review of the book "Bon Voyage," by Marjriane and Joseph Hayes.

Refreshments were served to the following: Mesdames Bill Anderson, F. P. Brashier, Jr., Morris Campbell, Bill Clem, Joe Collins, Virgil Elliott, Morris George, Tom Hestand, Dallas Hutson, Marshall Jolly, Calvin Lipkin, Ed Lumms, C. E. May, Charles Milliken, Alla Ray Morris, Ronald Pruet, George Rushton, W. P. Watkins and Fred Wier, and the hostess. Two guests were present, Mrs. Wilson Guest and Mrs. Earl Pittman.

Miss Rhelda Reed And Colonel Don Brashier, Wed

Mr. and Mrs. Clell W. Reed of Cisco have announced the marriage of their daughter, Miss Rhelda Reed, to Mr. Colonel Don Brashier of Fort Worth in ceremonies performed Saturday, Jan. 19, at Clovis, New Mexico.

The groom, son of Mr. and Mrs. W. E. Brashier of Eastland is employed by Convaair as a Chemist. The young couple will make their home in Denton while Mrs. Brashier completes work for a June degree from North Texas State College.

Mrs. Brashier is a graduate of Cisco High School and attended Ranger Junior College for a year before going to North Texas State College.

Mr. Brashier holds a BA degree from Baylor University and has done most of the work toward a master's degree. He taught school one year at Ranger Junior College before joining Convaair.

SUNDAY GUESTS

Mr. and Mrs. A. F. Masfield, Mr. and Mrs. J. S. Noel of Breckenridge and Mr. and Mrs. R. C. Edwards visited the Earl Horton's Sunday.

VISITING PARENTS

Mrs. McKinley Rhodes, Jr., and boys of Dallas are spending the week with her parents, Mr. and Mrs. D. E. Pulley.

Mid-Week Service Well Attended At First Baptist

The first "all-out" mid-week worship emphasis for the First Baptist was well attended from the Sunday school program of the teaching of the lesson, secretaries' meeting, and departmental superintendents, and the Royal Ambassadors, and then the worship services in the Sanctuary.

Supt. Lonnie Stephen, Jesse Sutton and Mrs. Ralph Perkins presented the Sunday school program and a high hour was laid for the worship services. The hour of power and prayer

found the congregation singing the old songs of Zion. Special prayers were made in behalf of the people of our community and even our "neighbors around the world."

A quartet composed of Mmes. Pete Brashier, Curtis Cox, James Eaton, and Jesse Sutton sang the "Shepherd of Love," they were accompanied at the piano by Mrs. Wayland Jowers.

The pastor brought the message using the "Doctrine of Judgment." This message began with the judgment passed upon the serpent, Adam, Eve, the Children of the world, when the peoples were destroyed by flood, and on through the Bible until the final judgment before the "Great White Throne." The pastor said, "Judgment is now, upon all peoples in their

transgression, but that final judgment would be the judgment at the resurrection.

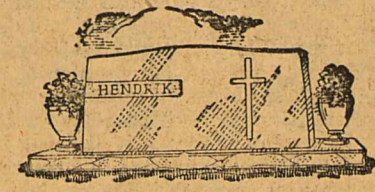

There is always a welcome extended to visitors and friends to worship with us in all our services.

Cecilia Mooney Receives Degree

Miss Cecilia Martha Mooney received her bachelor of science degree in the field of elementary education from the University of Texas January 20.

Miss Mooney, niece of Mr. and Mrs. W. N. Bourdeau of Ranger, is a graduate of Ranger High School. She plans to teach in the Midland public schools.

First Methodist WSCS Meets For First Session on Bible Study

Members of the WSCS of the First Methodist Church met Jan. 21 in the first session of the Bible study to be taught by Mrs. Herman Boyd and her assistants. The text was Paul's letters to Local Churches.

Mrs. A. W. Brazda, president, presided over a short business session.

The opening song was "Oh Spirit of the Living God" and the opening prayer was given by Mrs. Arthur Deffebach.

Mrs. Boyd gave the outline of Paul's childhood and origin of his name. While a minister at Tarsus he was present at the stoning of Stephen—his chief interest was always in the field of religion, but he was an advocate of Judaism before he was converted in Damascus where he preached the gospel.

Mrs. A. J. Ratliff described the

first missionary journey. He had trials and difficulties and was accompanied by Barnabas and John Mark. Paul was stoned at Listia and the main problem was the Jews and Gentiles, who's beliefs were grounded on faith.

Mrs. C. E. My, Sr., described the second journey called "Westward Ho." A call from the West. Decision by faith was his main object. He was an inspiration to the smaller churches as he visited them. At Troas he met Dr. Luke, his best friend, also Lydia and the slave girl and the Philippian jailer. He visited Corinthus, a commercial center, where he began his tent making.

Mrs. A. W. Brazda gave the third journey. Paul visited the

cities of South Galata and Ephesus, also Thessolico and then returned to Jerusalem.

Mrs. Boyd gave the devotion, meaning of the words of the hymn, "Oh Spirit of the Living God."

Mrs. J. L. Turner gave the closing prayer.

IN ALL SAINTS HOSPITAL
Mrs. J. C. Ownby was operated on in the All Saints Hospital in Fort Worth. She is in room 148. Mrs. Ownby is the daughter of Mrs. R. B. Patterson.

Looking Back on 1956—

... the inventory shows that the scales weighed out a good portion of the better things for us to enjoy. While the mistakes we made stick out like a sore thumb and our failures almost overwhelm us, yet these discouragements are small indeed when compared to the unhappiness and tragic experiences of some who happen to live in other countries. INCOME TAX AIDS

One of a Series of 12 Articles Prepared by The Internal Revenue Service

This is the eighth in a series of 12 articles prepared by the Internal Revenue Service to assist taxpayers in avoiding tax errors that cause "Pre-Refund Audits." Previous articles have set out the disadvantages of having your return contain questionable items that would require the Internal Revenue Service to select it for audit. Today we are presenting the five most common reasons for the Internal Revenue Service having to adjust Child Care Expense:

1. For a married couple, unless the husband is incapable of self-support because he is physically or mentally defective, child care expense must be reduced by the amount by which the combined adjusted gross incomes of wife and husband exceeds \$4,500. A joint return must be filed.

2. A man may deduct child care expense only if he is a widower at the time the expense is incurred.

3. To be deductible child care expense must be incurred while the taxpayers are gainfully employed or seeking gainful employment and is limited to the expenses incurred for child care prior to the time his child reaches twelve years of age.

4. Child care expense is limited to \$600.

5. The expense of a maid who cares for a child must be allocated

between child care and maid expense.

We are repeating again today the advantages of becoming better informed on income tax matters. The study of your tax instructions cannot be overemphasized. If you are interested in preparing a correct tax return that will pay the Government all the tax due but at the same time take all the deductions and allowances to which you are entitled, you should order "Your Federal Income Tax—1956" at the U. S. Government Printing Office, Washington 25, D.C. for 30c a copy. The amount of tax you pay is determined by your business and personal activities throughout the year.

The Internal Revenue Service feels that your being well informed on tax matters will be of benefit to you and to the Government.

In the next article, we will present errors taxpayers make in claiming miscellaneous deductions.

Eastland County Has Played Part In Highway Story

Eastland County citizens have helped to play a big part in the

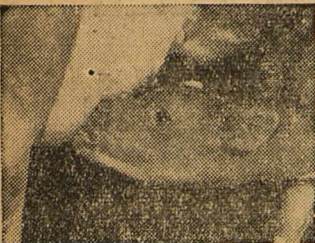

amazing success of the Texas Highway Department, a story in this month's Texas Parade magazine reveals.

The story, entitled "The First 40 Years," was written by William E. Alderman. It contains some historic pictures, and they, as well as the story, show that this county has played its part in the Texas highway story.

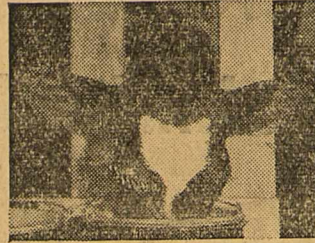

Two pictures accompany the story. One pictures Texans who attended the first public hearing of the Highway Commission at Mineral Wells on June 21, 1917, after the 35th Texas Legislature had created the commission in January of that year. Only 13 of the persons in the picture have been identified. Two of them, H. P. Bressford and Senator Joe

Burkett, at that time called Eastland their home. The story asks that any person able to identify any others in the picture write to the magazine. Since two of the men were from Eastland, it seems highly possible others may be. A copy of the magazine is at the Telegram office for anyone who would care to look the picture over.

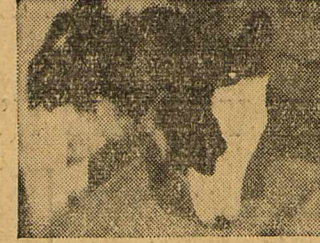

SIMPLE...EASY...COST-CUTTING CALF PROGRAM

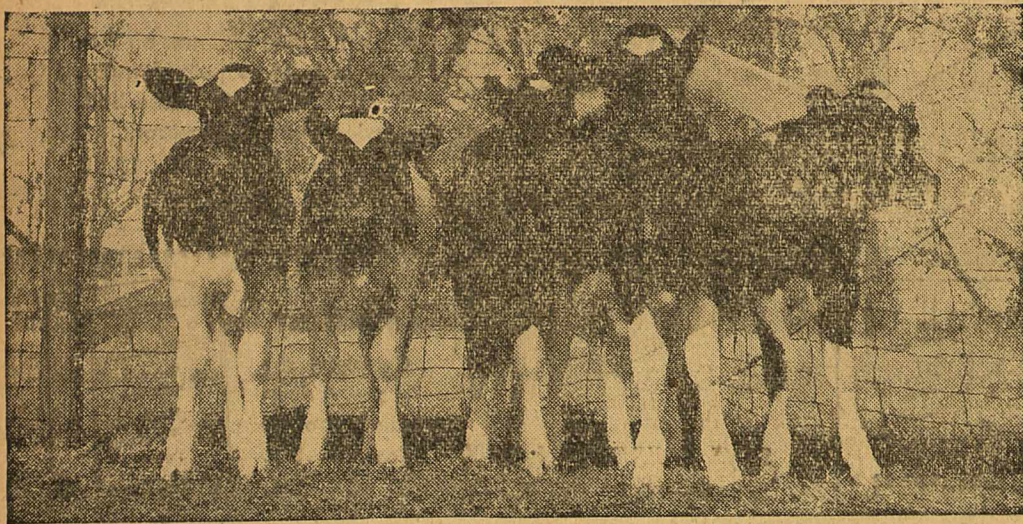

COLOSTRUM for first three days. Gives calf Nature's miraculous disease resistance factors. This storehouse of energy and antibodies has no substitute.

NURSING CHOW (Purina) for next 30 days, plus Calf Startena. Gives calf minerals, vitamins, energy and disease protection not found in whole milk.

CALF STARTENA (Purina) for next three months. Helps carry calf through critical period with proper levels of minerals, vitamins, and antibiotics.

just "replacing" milk isn't enough
**Raise 'em one-third bigger*
at one-half the cost****

During the past year, calves fed on today's Nursing Chow-Calf Startena Program at Purina's Research Farm have averaged roughly one-third heavier than the accepted Morrison's standard at four months of age.

At the same time, the cost of raising calves the Purina way has been consistently less than half the cost of raising the same calves on whole milk.

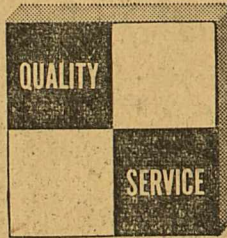

Purina's Calf Program is much more than a milk replacement, or milk-saving plan. The program takes advantage of the

miraculous protective and life-stimulating powers of the mother cow's colostrum milk.

After the calf has nursed the colostrum, the Purina feeding program takes over to provide extra vitamins, minerals, energy and disease protection not found in cow's whole milk.

Let us help you start raising your calves a third bigger... at half the cost... right away!

toughest truck run!**

That's the gas mileage reported by the Cameo Carrier after covering the entire length of the Alcan Highway in less than 45 hours! All six new Task-Force trucks that made the run turned in top scores for performance and economy!

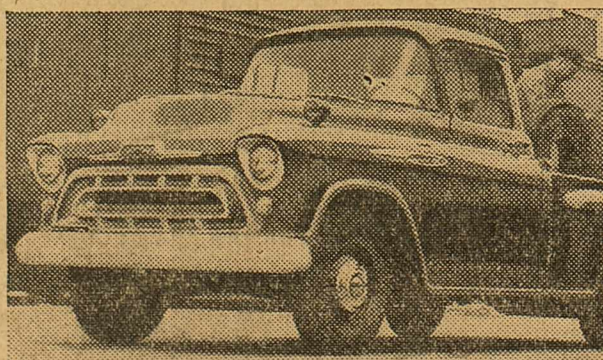

Supervised and certified by the AAA.

New Task-Force 57 Chevrolet Trucks

Six heavily loaded Chevy trucks ran all the way up the rugged Alcan Highway in less than 45 hours! That's cutting more than a full day off the normal running time! They ran right around the clock, stopping only to refuel.

But the important fact about this run was that it proved new Chevy trucks through and through. The Alcan Highway is a supreme test of every truck component. Engines had to

prove their power up high-climbing grades and through washouts. Frames and suspensions flexed their muscles over axle-deep ruts and miles of pounding gravel. "And not a single truck turned back or dropped out due to mechanical failure," states the official AAA report of the test. Every model proved its over-all economy by its ironclad ability to stay on the job! Stop by; we'll talk about it.

Choose your model from among Chevrolet's famous economy-proved Alcan Champs! Short-stroke V8's are standard in all heavyweight truck models and in many of the middleweights. They're loaded with modern features and built to take it!
