Veterans Day ... Nov. 11

GRATEFUL NATION HONORS THOSE WHO SERVED

Wherever they were called... from the Argonne to Vietnam... our veterans served the cause of freedom well. We salute them on this day and with them, pray that peace will ultimately prevail. Veterans Day, Nov. 11, is a day dedicated to world peace, a day to recall past achievements and attempts to bring peace to the world. A breakfast, free to all veterans of Foreign Wars who are eligible to join the organization, was to have been served at 6 a.m. today at the White Elephant Restaurant. One of the truths which can be recalled on Veterans Day is that Americans are capable of greatness when it is demanded of them. Nearly 22 million veterans are living proof of it. This national holiday, now known as Veterans Day, was first observed in 1918 as Armistice Day. Americans can never forget those dead whom the first Armistice Day commemorated. They are revered in our inmost thoughts as we pay tribute to all living veterans on Veterans Day. Veterans are performing top urgency jobs, in the difficult peace as in wartime, ranging from the Chief Executive to the Chief Petty Officer on a Coast Guard Cutter patrolling the Vietnam coast.

Uncle Cited In Shooting Of Nephew Doctor Sunday

A 91st District Court grand jury is expected to be convened as early as possible this month to consider a murder without malice charge filed in a justice of the peace court naming Ivan J. Allen, 70, Eastland County-District Attorney Perry T. Brown says. Allen is free on \$5,000 bond, charged with the shooting of his nephew, Dr. Albert F. Reidel Jr., 37, of Dallas, eight miles south of Ranger near FM 517 Sunday afternoon, on the Allen ranch. Dr. Reidel, of Dallas' Timberlawn Hospital, died of a wound in the side from a 250-300 Savage rifle, used for hunting deer and big game, about an hour after being taken to the Ranger hospital. The shooting happened about 2:30 p.m. and the young physician lived for about an hour. County law enforcement officers have been noticeably silent concerning the incident, pending completion of the investigative work. Consequently these officers have been "taken to task" by out-of-county news media during the week. Statements from six eye witnesses taken by law enforcement officers, reportedly indicate that the uncle shot his nephew. The three couples, and five children, all of near Levelland attended a family reunion in Ranger Sunday and were driving around Sunday afternoon and were picking up pecans just before the incident happened, Sheriff L. E. Sublett said. He said the group had picked up some pecans from four trees alongside the road, and were sitting under one of the trees eating the pecans when Mr. Allen and his doctor

Fight County High Schools Get Approval For Work-Study Funds

Eight public high schools begin in the next few days, in Eastland County have been approved for a \$123,000 federal work-study program to

News of Federal approval was received from Congress a n Omar Burleson of the 17th District.

Mr. Stamey's office will supervise the program in the high schools of the county. Approval was given for the various schools as follows: Cisco, 95 students; Eastland, 40; Ranger, 30; Rising Star, 20; Gorman, 20; Carbon, 10; Olden, 10; and Desdemona, 5.

R. B. Golemon of the county superintendent's office, who was assisting in setting up the program, said the project is part of the Department of Labor's economic aid program for underprivileged youths.

Eligible for the jobs, which will pay \$1.25 per hour for a maximum of 10 hours per week, are students between the ages of 16 and 21, inclusive, whose family incomes do not exceed a certain bracket. Applications for the jobs will assist supervisors in determining individual eligibility, Mr. Golemon said.

The job classifications include custodial aids, cafeteria, library, office and bus duty workers.

Interested students were asked to make application for the jobs to their high school principal or superintendent. Mr. Golemon said that each applicant would be interviewed by the county coordinator.

The program provides for the employment of a county coordinator and an office secretary-bookkeeper. It was understood that the individual schools would pay ten per cent of their program with the balance or 90 per cent coming from the federal program.

The colleges in Cisco and Ranger have been approved for work-study programs for the past year.

Armed Robbery Trial Now Nov. 22

The trial of Hester Breeden and Tommy Smith, indicted for armed robbery, has been reset in 91st District Court from Nov. 15 to Nov. 22.

The charges concern the Sept. 10 robbery of Fritz Jones, Eastland taxi driver. Two men entered Jones' taxi in Eastland and had him drive them to Olden, four miles east on U. S. 80, where Jones was robbed and abducted with the car. At the Brazos River Bridge on U. S. 80, Jones eluded his captors and reported to Weatherford police.

Breeden and Smith were arrested the next day in Louisiana after Jones' car had been found abandoned west of Weatherford.

Now! '66 Chevelle Malibu by Chevrolet

'66 Chevelle Malibu Sport Coupe (foreground) and new 4-door Malibu Sport Sedan.

Two racy new hardtops

A clean-sculptured new sport coupe with recessed rear window, and—for the first time—a 4-door Chevelle Sport Sedan. Pick from 12 racy-looking new Chevells in all for '66.

Not only will you find more variety in the '66 Chevelle lineup, but even more of what makes a Chevelle a Chevelle.

Say you pick a new Malibu Sport Sedan and specify the new 220-hp V8. You've got yourself quite a machine.

Or pick a Malibu Sport Coupe, equip it with the new Strato-bucket front seats, and order the new 275-hp V8. You've got yourself even more machine.

Or maybe you'd like to pick a new black-grilled SS 396 Coupe or Convertible. (Standard engine is a Turbo-Jet 396 V8 with 325 hp. And there's also a 360-hp version you can specify.) Now you've got yourself the most.

Which '66 Chevelle for you? The answer to that covers a lot more ground than we can here. And that's where your Chevrolet dealer comes in.

Sharon Harbin, Andy Hamilton Are Named Gold Star 4-H'ers for Eastland County

The 1965 Eastland County 4-H Gold Star Girl is Miss Sharon Harbin of Eastland 4-H Club, daughter of Mr. and Mrs. L. A. Harbin of the Flatwood community. Andy Hamilton, son of Mr. and Mrs. W. P. Hamilton of Ranger, of the Ranger 4-H Club, is the 1965 Gold Star Boy.

The Award is presented by the Texas Agricultural Extension Service and is the highest 4-H honor on the county level. It recognizes outstanding achievement, leadership, and contribution to the 4-H program.

Sharon, age 16, has been a 4-H member for six years and is a junior in Eastland High School. As a 4-H member, she has completed demonstrations in clothing, livestock, foods, food preservation, oil conservation, and gardening. She has received many 4-H honors and awards such as a blue ribbon in the District Favorite Foods Show, and a blue ribbon in the State Favorite Foods Show; first alternate in state with food preservation record book; and an alternate to the National 4-H Club Congress. In clothing, Sharon was a blue ribbon winner in the district Dress Revue which entitled her to represent the district at a 4-H Eastland County in the State Dress Revue.

Hamilton, age 17, an active member of the Ranger 4-H Club for seven years, was elected club reporter in 1962 and club president in 1963 and was reelected again this year. As president of his club he also serves as a member of the County 4-H Council. Under the leadership of the adult leaders and through

the efforts of active 4-H members such as Andy, the Ranger Community Club is now one of the more progressive clubs in the county.

Andy's projects are in dairy and fat lambs. He bought his registered dairy heifer with a certificate he

Plentiful Stock Of Turkeys Are Ready For Month

COLLEGE STATION—November in the United States traditionally has been "Turkey Month."

Turkey Month 1965 will be just that, for turkeys are plentiful, says the Texas Agricultural Extension Service.

Also termed plentiful this month are onions, cabbage, rice, split peas and sweet potatoes, as well as apples, prunes and frozen concentrated orange juice.

Potatoes, onions and rice all are scheduled to be on hand in abundance, reflecting record crops. The fall potato crop is estimated at 20.9 billion pounds, 22 per cent above last fall, according to the U. S. Department of Agriculture. Production of late summer onions for storage is set at over 20 billion pounds.

Better than average split pea supplies this November should make excellent low-cost food buys, while cabbage is expected to be in better supply than last year—about 8 per cent more.

Apple production this year is expected to rank second largest since 1949, with a total

won in the San Antonio calf scramble, and the heifer won her class at the county livestock show last year.

As Eastland County representatives, Sharon and Andy, their parents, Mr. and Mrs. Jasper Williamson of Ranger, and the County Extension Agents attended the District Gold Star Banquet in Stephenville, Saturday, when Congressman Omar Burleson was the speaker at the banquet at Tarleton State College.

The Gold Star winners and the other 4-H award winners in the county will be honored at the Annual 4-H Awards Banquet at 7:30 p.m. Saturday, Nov. 13, in fellowship hall of the First Baptist Church, Eastland.

At the Boston Tea Party 342 chests of tea were cut open and emptied into Boston Harbor.

Alexander Hamilton was the first secretary of the treasurer. Broadway avenue in New York City is the longest street in the world.

commercial crop estimated at 133.2 million bushels.

And with USDA's Consumer and Marketing Service adding prunes and frozen orange juice to the list of plentiful foods, lots of good fruit and fruit juice buys should be in the offing.

Food shopper also will find sweet potato stocks well above last year. In fact this year's crop is expected to run about 200 million pounds more than in 1964.

So for wise November hopping, shop plentiful foods.

Miss Kile And Mr. Elliott Are Wed In Sunday Afternoon Rites

Miss Genetta Joan Kile of Cisco and James Lee Elliott of Winters were united in marriage in ceremonies performed Sunday, November 7, at three o'clock in the afternoon in the East Cisco Baptist Church. Rev. Mart Agnew, Baptist minister, read the double ring vows.

The bride is the daughter of Mrs. Cecil A. Kile, and the late Mr. Kile, and parents of the bridegroom are Mr. and Mrs. Buster P. Elliott of Olden.

Homer Terry of Eastland, organist, accompanied Miss Cynthia Broyles as she sang "Whither Thou Goest" and "The Wedding Prayer." Marvin Elliott of Olden served as his brother's best man. Guests were seated by Leon Boles and Harold Johnson, both of Cisco.

Miss Tommie June Sharpe of Olden, maid of honor, wore a blue peau de soie dress with floor length bell-shaped skirt and sleeveless, fitted bodice with scooped neckline. Her waist-length jacket of blue embossed organza featured three-quarter length sleeves, and bows enhanced the back closing. She wore a white picture hat with blue velvet bow and streamers, white wrist length gloves, and matching peau de soie shoes, and carried a single white gladiola.

Flower girl, little Miss Sheila Kay Johnson of Cisco, wore a street length dress of blue peau de soie with a full skirt and round neckline. Her jacket was like the one worn by the maid of honor, and she had a blue velvet bow with streamers in her hair. She wore white gloves, and carried a lace basket filled with flower petals.

The bride, given in marriage by her uncle, L. A. Kile of Galena Park, wore a formal gown of silk organza over peau de soie. The fitted bodice featured a Sabrina neckline banded with Alencon lace that formed a scalloped edge at the neckline. Long sleeves extended into points at the wrists. The full-skirt was accented by a panel of Alencon lace down the front, extending into an apron effect. The back was enhanced by three tiers of silk organza edged in Alencon lace, which fell into a short chapel train. Her three-tiered bridal veil was attached to a pearl tiara, and she carried a bouquet of white gladiolas surrounded by white poms atop a white Bible. She also wore a pearl pendant, a gift of the groom, and carried out the traditional something old, something new, something borrowed, and something blue.

A reception honoring the couple was held immediately following the ceremony in the Fellowship Hall of the church. Miss Sharon Johnson presided at the guest book, and punch was served by Mrs. Leon Boles, sister of the bride, and Miss Dixie Duncan. The four-tiered wedding cake was cut by Miss Wanda Boles. Other members of the house party were Mmes. J. E. Johnson, Rosa Lee Broyles, and Wayne Johnson.

The couple will be at home

SOME NAMES DO DOUBLE DUTY FOR TEXAS PLACES

AUSTIN—Names sometimes have to do double-duty in Texas, especially on the Official State Highway Map published by the Texas Highway Department.

You'll find Dallas in Dallas County, El Paso in El Paso County, Lubbock in Lubbock County, Nacogdoches in Nacogdoches County. But that doesn't prove a thing.

You might suppose that Huntsville would be in Hunt County. But it isn't. It's in Walker County. And Jefferson, the town, should be in Jefferson, the county. Actually, it's a good 200 miles north of Jefferson County, in Marion County.

Jefferson County does include the community of Sabine, but Sabine County is about 75 miles away. Sabine County, on the other hand, is the site of a town named Milam—but Milam County is a far piece west in central Texas.

Cameron is the county seat of the county—Milam County, that is, not Cameron County. Brownsville is the county seat of Cameron County and Brown County is hundreds of miles north in west central Texas. Oddly enough, Brownwood is its county seat.

Not confused enough? Okay, let's look again. Start with Caldwell County. Don't bother to look for the city of

Caldwell there. It's in Burleson County. Burleson, the town, is in Johnson County; and Johnson City—you've heard of this place—is miles away in Blanco County.

Or take Houston. Houston is in Harris County, but Houston County is three counties north, and the city of Crockett is its county seat. Crockett County is in far west Texas.

Look up Dimmitt County on the map. It's in south Texas. But the town of Dimmitt (with an extra 't') is in Castro County in the Panhandle.

Yes, Castroville is back down in south Texas, in Medina County. Medina is in the next county north, Bander.

If you still aren't dizzy, check Smithville—in Bastrop County. Smith County is in east Texas and includes the City of Tyler. Tyler County is further south, and it includes the town of Woodville. Wood County is further north, in east Texas next to Smith County.

There are others, but by now you should have got the idea. You can find them all on the Official State Highway Map. And at the same time you may want to start planning your next vacation or week-end outing in beautiful Texas—America's Fun-Tier.

A copy may be obtained by writing the Travel and Information Division, Texas Highway Department, P. O. Box 5064 (78703). Ask for specific travel information about the area you wish to visit.

Uncommonly good cooks use cool, modern gas

When you turn on a modern gas range it starts cooking—instantly. There's no warm-up period. When you turn off a gas range it stops cooking—instantly. There's no hangover heat to heat your kitchen or burn your food. And when you broil with gas you can keep the door closed because the gas flame consumes the smoke. You and your kitchen stay cooler, cleaner. Uncommonly good suggestion: see the modern gas ranges now on sale at Gas Appliance Dealers—or Lone Star Gas. **Super Chef Gas Range Sale**

RJC, Blinn In Saturday Night Clash

Coach Jack Duvall and his 1965 Purple & White Ranger Junior College Rangers wind up their autumn grid campaign in RJC Stadium here Saturday night when the tangle with Blinn Jr. College in a conference contest. Opening kickoff for the clash, a highlight of the Ranger Junior College Homecoming Saturday, has been set for 7:30 p.m.

The Rangers, underdogs in the Texas Junior College Athletic Federation scrap, hope to wind up what has been a disappointing season with an upset win over favored Blinn.

The hapless Purple & Whites lost their eighth game of the season at Corsicana Saturday night when they were outscored by the Navarro Jr. College Bulldogs, 33-12. The

Navarro triumph put the Bulldogs in second place in the TJCAF standings with a record of four victories against two losses.

Blinn turned on the power Saturday to blank the Texas Lutheran B team, 35-0.

Saturday night's homecoming battle will be the eleventh meeting between the Ranger and Blinn teams.

In their first meeting in 1958 and their last meeting — last fall — the two junior collegiate elevens fought to scoreless ties. In the intervening other eight duels, Ranger has won three and Blinn has racked up five wins over the Purple and White.

Ranger won 25-0 in 1959, 19-13 in 1960, and 16-15 in 1961.

Blinn holds triumphs of 33-0 in 1961 (they met twice that year), 21-7 and 23-0 in 1962 and double shutouts, 14-0 and 35-0, in 1963.

The Rangers haven't defeated Blinn since their 1961 victory.

Here are the current TJCAF standings:

James Jackson of Wharton and Jerry Hinto of Navarro were selected back and line man of the week. Two RJC backs won honorable mention.

Passing for two touchdowns of 13 and 14 yards and scoring on a 62 yard run, Jackson led Wharton over Lamar Tech's junior varsity 42-24. Jackson also accounted for 134 yards rushing to give him a total offensive showing of 172 yards in 20 plays. For the season he has accumulated 820 yards total offense and has been accurate with 51 per cent of pass completions.

Hinton had a perfect night by catching four out of four passes to lead Navarro by Ranger 33-12. He caught two touchdown passes of 33 yards each and took in a 19 yard pass which he lateraled off to Ed Bell for a 45 yard touchdown run.

Making honorable mention backs were Robert Pearce, Cisco; Norman Smitherman, Ranger; Rosevelt Bonner, Henderson; Larry Hullett, Navarro; Wayne Williams, Blinn; Randy Jones, Wharton; Mike Walker, Navarro; and Joe Fitzgerald, Ranger.

Lineman honorable mention went to Bobby Husband, Blinn; T. A. Stuart, Henderson; Roy Lee Fry, Tyler; Harry Rejcek, Navarro; Danny Potts, Cisco; and Bill Groberg, Wharton.

Has a 5th Floor Toad Outdone Old Rip?

FROG IN THE COURTROOM — Mrs. Mineola Varner of Lake Leon and stenographer for the 11th Court of Civil Appeals, contemplates the tiny toad found this week in the fifth floor courtroom, an 11-year-old toad who she stood and watched Old Rip taken out of the cornerstone of the courthouse where he had been for 31 years, and how that frog gained world acclaim. The toad found Tuesday in the Appeals Court was bleached, but very much alive and hopping, with bright eyes flashing.

Another Frog Hopping Into History!

A froggie went a courtin' Tuesday afternoon in the 11th Court of Civil Appeals and he may have outdone even Mark Twain's famous jumping frog as well as Eastland County's equally famous Old Rip.

As court stenographer, Mrs. Mineola Varner, calmly typed in the courtroom (because of general repair work now being done throughout the floor) she suddenly looked down and saw a frog jumping across the floor. Astonished by such a sight in the fifth floor court, she immediately picked up the little feller and showed him to one of the men working on construction.

The question was asked, "How did such a tiny frog get up onto the fifth floor of the Eastland County Courthouse?"

Speculation is that the hopper could have been in the plaster that is being razed from the building, or could he have come up a wall?

Judicialies Clyde Grissom, Cecil Collins and Esco Walter saw the creature and attest only that it is a toad frog. The frog will be on display in the fifth floor court and can be seen without charge, the judges report.

The office employees hope their frog brings as much or more notoriety as did that told by Boyce House on Old Rip, — and he might because he thinks big. There is a big "HOW" the leaping toad frog got to the top floor of the Courthouse, and that's "starting-at-the-top" ambition.

Oaths weren't asked, but Clerk Homer Smith, Deputy Oleta Mosely, Mrs. Varner and Jo Jones all vow that neither of them took the pale, but plenty-jumpy little frog up stairs conventionally.

Old Rip is on view in the lobby of the courthouse. He survived 31 years in the construction of the old Courthouse. But of course that was on the first floor.
