Top left is Calvin Ainsworth, followed by Orvell Rexroat on Lone Star's bulldozer. Bottom left is Featherlite's big dirt moving machine driven by Jack Bearden and bottom right is O. L. Jumper working on the near complete dam. The Ranger Scouts are giving an Appreciation Ceremony this Saturday, April 15 at the new lake site and everyone is invited to attend.

Boy Scouts Perform Appreciation Ceremony

The Ranger Boy Scouts will stage an Appreciation Ceremony in recognition of their newly acquired camp-site on Saturday, April 15, at 6:45 p.m., according to an announcement.

Everyone has been invited to attend the event that will take place at the new camp-site, located approximately five miles east of the Lake Leon Dam. The boys have placed markers in the shape of arrows along the highway, indicating the way — just take the Lake Leon highway to the first intersection, turn left and follow the arrows. It has been suggested that everyone bring a flashlight with them.

Boys from Cub Scouts through Explorers will be participating in the impressive ceremony and special recognition will be given the individuals and firms who helped make the camp-site possible.

"Friends of Scouting" gave the camp-site to the Ranger Scouts after sponsoring the building of a dam that will create a lake for the Ranger youth.

The dam was financed by the Ranger Jaycees with Featherlite Corporation, Lone Star Gas Co., Calvin Ainsworth and O. L. Jumper donating the necessary dirt moving equipment for the job. The dam was completed the weekend of March 18-19. All that is needed now is some good rains and the lake will be complete.

The grand jury will also consider some other cases Friday, and also several other people who were indicted last week will be arraigned, Judge Sparks said. If indicted on other charges, Bowles would not be arraigned before Monday, the judge added, because a two-day waiting period is required by law.

Mr. and Mrs. A. J. Williams and Cindy of Arlington were Monday guests of her sister, Mrs. M. E. Owen.

RJC Baseball Teams Loses 4-3 To Cisco

The Ranger Junior College Baseball team dropped a 4 to 3 decision to the Cisco Wranglers at Cisco, Saturday.

Errors plagued the Rangers and allowed the Cisco team to score four runs. The Rangers trailed until the eighth inning, when Mike Leach, Ranger third baseman, drove in two runs to tie the game. The Wranglers came back in the ninth to score a run and win the game on a hit by Terry Faulk.

Whitworth was the starting pitcher but was relieved in the ninth by Honeycutt who was credited with the win. Joey Partib was the Ranger loser. Leading hitters for Ranger were Mike Leach, Jimmy Skeins, and Joe Rayson. Leading hitter for Cisco was Terry Faulk.

The win allowed Cisco to take the Texas Junior College Association Conference baseball lead with a 3-0 conference record.

ARRAIGNMENT DUE Friday 91st Court On Kidnapping

Arraignment and possibly more indictments are expected Friday for Bryan W. Bowles, 45, presently under indictment for kidnaping in a Cisco morals case, officials reported today.

Bowles was still in the county jail at Eastland Wednesday in lieu of \$25,000 bond.

District Judge J. Frank Sparks reported that the grand jury will be back in session Friday, and District Attorney Perry Brown said that additional indictments may be sought naming Bowles.

The grand jury last week indicted the man for kidnaping and he probably will be arraigned Friday on that count, Judge Sparks said. His plea will be taken at the Friday hearing and an attorney named by the court in the event Bowles is not represented by counsel. Word was that the man expected to engage an Eastland attorney.

Mr. Brown indicated that additional indictments to be sought may not be of the sex violation involved in the previous charges. One could be indicting a minor for immoral purposes, apparently.

Mr. Brown would not admit that Abilene Attorney and former Taylor County District Attorney Bill Thomas had been asked to assist with the prosecution in the Bowles case.

A kidnaping conviction could result in up to 25 years in prison, Judge Sparks said. The grand jury will also consider some other cases Friday, and also several other people who were indicted last week will be arraigned, Judge Sparks said. If indicted on other charges, Bowles would not be arraigned before Monday, the judge added, because a two-day waiting period is required by law.

RIP GALLOWAY

Plans are complete for the 14th annual Eastland County Pecan Budding and Grafting School that will be held Friday, April 14, at the Cisco Junior College cafeteria. The event will open at 9 a. m.

A record crowd has been forecast by County Agent DeMarquis Gordon on the basis of response to announcements sent out in Eastland and surrounding counties.

The program will begin with a welcome address by Anton White, chairman of the agriculture committee of the Cisco Chamber of Commerce. Manager Jim Smothers of the CoC will be on hand to help with the program. Lunch will be served at the college cafeteria.

The morning program will be devoted entirely to lectures and demonstrations on how, when and where to bud and graft pecan trees. J. M. Cooper, former county agent who retired last year, is president of the Eastland County Pecan Growers Association and is the originator of the school. He will head the staff of instructors, which includes local pecan growers.

Mr. Cooper reported that pecan budwood of some of the better new varieties such as Choctaw, Apache, Sioux, Comanche and Barton along with budding tape and knives will be available for use of those attending the school.

After lunch, the school will move from the classroom to the orchard of B. T. Graham, located one mile west of Cisco on the old Abilene Highway, to give everyone interested an opportunity to practice budding. Plans call for those wishing to do so to re-convene at the orchard in about a month to observe results.

Mr. Gordon reported that his office has completed writing and memographing a paper of some 10 pages on "Guidelines for Pecan Production in Eastland County. This represents a continuing effort by the extension service to be sure that all pecan producers have the kind of up-to-date information that will enable them to continue to improve their level of efficiency of production, Mr. Gordon said.

The pecan growers association had an active part in developing the guidelines, Mr. Gordon said. Copies will be available to those attending the school, it was understood.

C. E. Smith of Rising Star and A. D. Ellington of Cisco and Oscar Schaefer of Cook, former presidents of the growers association, will assist with instructing in the school.

RANGER GARDEN CLUB "Ranger Garden Club will meet in the home of Mrs. W. A. Lewis at 9:30 a. m. Friday with Mmes. D. E. Pulley and Joe Dennis as co-hostesses.

Mrs. Lewis will present the program "Planning for Summer Bloom". Mrs. John Adair is chairman for the day.

ATTENDED SHOWER Mmes. Maurice E. Owen, David Alls up and Brenda, David Pickrell Jr. and Annette and C. J. Offield were in Woodson last week to attend a pink and blue shower honoring Mrs. Robert Owen.

Rev. and Mrs. L. R. Higginbotham have returned from Malden, Mo., where he was evangelist during a revival in that city. Mrs. L. C. Higginbotham of Malden and Roxie Temple of Waynesboro, Tenn., mother and cousin of Mr. Higginbotham, returned with them for a visit.

Rites Pending For Accident Victim

Donald E. Smelser, 28, truck driver from Jackson, Miss., was pronounced dead at the scene about 8.4 miles east of Ranger after being struck by a car at 9 p. m. Saturday.

William Watson of Big Spring, driver of the west bound car, was attempting to pass a car and did not see the victim in time to avoid hitting him. Mr. Smelser was lying in the middle of the inside traffic lane.

Ranger Justice of the Peace Milton Underwood said that unless new evidence to the contrary is produced, the death will be ruled accidental.

Funeral arrangements are pending arrival of Mississippi relatives at Edwards Funeral Home of Strawn.

Friday guest in the home of Mrs. E. F. Arterburn was Mrs. Maudie Ellis of Hamlin who also attended the Royal Neighbor's Convention.

Ranger First Federal Buys Commercial Bank Building

A joint announcement today from F. P. Brasher, Sr., President of the First Federal Savings and Loan Association and Glyn Gilliam, President of the Commercial State Bank of the purchase by the First Federal of the bank building. The amount of the transaction was not disclosed.

Under terms of the agreement which was a part of the purchase contract the bank will continue to occupy the property until their new building is completed which Mr. Gilliam indicated he anticipated would probably be around the first of 1968. The savings association was for many years housed in the May Insurance office; moving to their present location when the May Agency was sold in late 1953. The Association had purchased the corner lot at Austin and Main as a site for building an office building but when the bank building became available it was decided by the Board of Directors to purchase it rather than to build.

Mr. Brasher stated that when the First Federal took possession of the building which he expected to be in early 1968, some alterations would be made to make the building more suitable for the saving and loan operation.

Preserve Hunting License Is Urged

WACO—Preserving hunting licenses until Aug. 31, 1967 is recommended by the Texas Parks and Wildlife Department.

This is on the theory that sports might be storing their hunting equipment, come across the license and toss it into eternity.

And if they do hunt outside the county of residence a license is required.

Saturday Barbecue To Honor Speaker Barnes

The park is located on FM Road 2861. The Park Road intersects Highways 67 and 377 between Dublin and Comanche and Highway 16 between DeLeon and Comanche. Tickets to the noon meal

are \$1.50 and may be purchased at the Site. Everyone is invited to witness the presentation program in the afternoon after the barbecue.

At least a dozen charter buses will bring visitors from Austin and Dallas. Private planes will bring people from other points.

State officeholders, Senators, Representatives and former Speaker's of the House have been invited and will be introduced.

The barbecue and program at the park will be the sole events of the day.

Previously, events had been planned at other points in the district, but the difficult feat of moving hundreds of people from one place to the other caused the district steering committee to concentrate on only one site so that the large crowd could be easily accommodated.

Because a huge gathering is anticipated, planning officials urged folks to come early. The park is ideal for swimming,

BEN BARNES

Thousands of folks — including hundreds from distant points — are expected to gather at noon Saturday for the Ben Barnes Speaker's Day barbecue at Copperas Creek Park on Lake Proctor.

Gov. John Connally will head the delegation of top-ranking state dignitaries who will attend and speak.

TICKETS AVAILABLE

Tickets are \$1.50 each and are available from Bob Hammett, First National Bank in Cisco; from Mike Collins, Eastland National Bank; and from Glyn Williams, Commercial State Bank in Ranger.

skiing, boating and fishing. Speaker Barnes will be presented with a variety of gifts, all home-produced in his district. One of his gifts will be one he can't keep yet — a memorial quilt being embroidered by the ladies of De Leon, his hometown.

The ladies just haven't finished stitching on all the names of donors to the Ben Barnes Community Center and Library.

Visitors to the barbecue will be wearing their ribbon-decked tickets. Each ticket, which also serves as an identification badge, has a different-colored ribbon to denote the place of residence.

It took more than 1,000 yards of ribbons to decorate the tickets.

For Gov. Connally, Saturday's barbecue will be a chance to appear in person at a district function for Barnes.

In the fall of 1963, Gov. Connally was scheduled to appear at a Brownwood dinner honoring Barnes. He couldn't make

The 1967 Day Camp dates have been set for July 19 through July 30th. In making your vacation plans be sure to set aside this two week period so that your children can take advantage of this activity.

who would like to be counselors should contact Mrs. L.R. Gohlke, also any adult who could help out with the camp should contact Mrs. Gohlke.

A complete list of the activities, the cost and other pertinent information will be compiled and published at a later date.

because of wounds suffered in the Dallas assassination, but he did speak to the gathering via a special telephone hook-up from the Governor's Mansion.

This time, he'll be there in person.

Dr. Treadwell Is Speaker For Meeting of LVNs

The Licensed Vocational Nurses Association, Division 64, met Monday evening, April 10, in the Conference Room of the Eastland Memorial Hospital.

Dr. M. A. Treadwell, Jr., of Eastland, gave a very engaging talk, "The Thorny Growth of Childhood." With a large diagram of a thorny rose, he traced the child's behavior patterns from the

"thorny colic period" of 3 to 6 weeks old to the "full-bloom of a matured rose" of the matured, useful citizen. He cited the four points for parents to bear in mind are patience, repetition, guidance and discipline.

The regular business meeting followed. Mrs. Laverne Allgood, chairman of the education committee, read a medical article "Skin Cancers Being Cured By Drugs."

Refreshments of punch, coffee, and cookies were served to the following members: Alice Eakin, Lucille Broom, Laverne Allgood, Lillie Wilson, Juline Casey, Gene Cox, Naoma Mahan,

Annie Faye Foster, Christell Gaines, Emma Gregg, Marzene Robinson, Nettie Denton, George Stacey, Frankie Stacy, Gladys Edwards, Lorenna Kinser, Ima George Porter, Billie West, Truie Wilson, Louise Kimmell, Lillie Fricke and Josephine Wallbran.

RJC Musicians Entertain Public At Spring Concert

Ranger music lovers were guests of the Fine Arts Department of Ranger Junior College for the spring concert presented in the High School Auditorium at 8 p. m. Tuesday, April 11.

From the opening chords of the "National Emblem March" by the 36-piece band under the direction of Alton Roan, to the closing notes of "All In the April Evening" by the 12-voice choir under the direction of R. B. Golemon, it was a superb rendition of high class music.

Especially well received was the 16-member stage band which, directed by Roan, presented a group of standard favorites and current "top tunes." Coming in for the lion's share of applause was the Tijuana Brass, whose costumes and performance was definitely "in."

The concert was the fruit of long periods of individual practice and group rehearsal and was but one of many appearances whereby the college has projected its program into the community life.

The talented group with their capable and dedicated directors received a hearty vote of thanks from their audience for a delightful evening.
