## School Pupils From Four Counties Here For Two-Day Meet

Literary Contests Both Days With Track and Field Finals Saturday Afternoon

Sonora school children will enjoy a holiday today from their classroom activities but will find their time well occupied in competitive events with Schleicher, Kimble and Menard county students here for the 2-day 4-County Intrscholastic Meet.

Winners of literary and track contests here will be eligible to compete in the district interscholastic meet in San Angelo April 15 and 16.

F. T. Jones, superintendent, said this week that events today (Friday) will include the junior track and field meet, 10:30 to noon, literary events from 9 until noon, and tennis and volley ball matches beginning at 9:30 and continuing until completed. Playground ball for boys and girls will begin at one with the boys at the athletic park and girls on the school grounds.

Mr. Jones said yesterday that pupils of Hext schools will be in a number of the events and that pupils from London, Texas, schools will participate in the volley ball and tennis games.

### Track Finals Tomorrow

Tomorrow literary events will begin at 9 and track and field events at 10:30. Afternoon athletic events will be final ones. Awards will be presented in the auditorium at 4:30 by W. J. Fields, Jr., president of the Lions Club, which supplied awards.

Debate judges will be here from Sul Ross State Teachers College and from Abilene Christian College. Winners in extemporaneous speech, story telling and declamations will be chosen by Roy Bedichek, Rodney Kidd and Dean F. F. Shelby.

Judges who live in Sonora are: Mrs. Harold Friess, Mrs. Howard Espy, Mrs. H. V. Stokes, Mrs. Raymon Morgan, Miss Dorothy Penick, Miss Alice Sawyer, Miss Ches Thorp, Miss Zella Lee Thorp, Miss Mary Louise Gardner, Miss Joyce McGilvray, Miss Nine Rouse (Continued on page 4)

## ONE MONKEY BACK HOME; OTHER ONE STILL ROAMS

Mrs. J. O. Tanner of Telegraph, Texas, is a bit happier now than she was week before last.

In a note to the NEWS she tells that another of her Rhesus monkeys has been found. A Mexican sheep shear on the ranch of Roy Baker, in the Junction section, captured one for her. Mr. Baker is a former Sonoran.

Mrs. Tanner is still anxious about the third one of her pets which escaped after a cyclone demolished the cages. Asked by the NEWS for a picture of the monkeys Mrs. Tanner answered:

"I do not have any good pictures to send you. They move about too freely to be photographed with anything except a movie camera."

## Sonora Boy Scouts Win From Eldorado

First Aid Knowledge Gives Troop 19 Boys District Honors

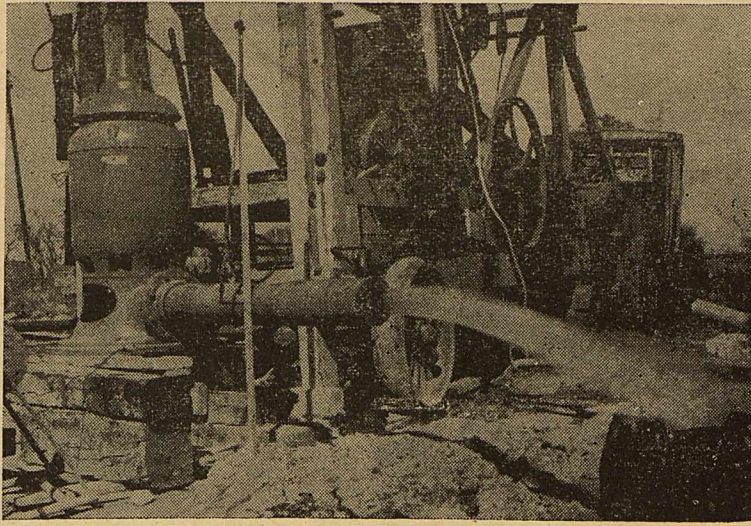

Sonora Boy Scouts of America Friday night upheld the reputation they have established in Scoutcraft contests in West Texas.

They earned 225 points in a First Aid contest with Eldorado Scouts who were able to make only 165 points. Because of their victory the Sonora Scouts will represent the Ranch District in the Concho Valley Council contests here April 2.

Members of the Sonora team in Eldorado were A. W. Awalt, James D. Trainer, Robert Kelley, Rex Hutcherson and Willie B. Ory (alternate). "Scouters" who were in Eldorado with the boys were J. D. Eaton, who has been training them, Scoutmaster A. W. Awalt and Joe Berger, member of the troop committee.

Points were given the boys for their ability in handling three specific problems of types that anyone may experience at any time. They were expected to know just what was wrong, the best means of handling the situation and the correct way of treating the injured person until a physician might be secured.

## As Sonora's New Well On Hill Gushed 425 Gallons Per Minute

A deep well turbine pump with motor is wanted by the City of Sonora and an advertisement to that effect appears in the NEWS today.

The picture shows the pump and motor being used in recent 12-hour and 24-hour tests which showed production 425 gallons per minute. The equipment is owned by Sherman Machine & Iron Works which has the contract for the city's water system improvements and extensions program.

W. C. Gilmore, mayor, said yesterday that very likely no announcement regarding a summer water rate for customers will be made until after construction work is completed.

Main laying is about ninety-five per cent finished, he said. Work

on laterals will be done later.

On the hill pouring will probably be under way next week, completing the new 100,000-gallon tank and the covering of the old, 200,000-gallon reservoir. The PWA granted a change request recently, allowing money for pouring of a new floor in the old reservoir. That has been done and uprights in both units are in place. The time required between pouring of floor and top is about over.

The contractor had 120 days—from December 8—to complete the work. A two-week extension was granted contractors on Texas PWA projects and the recent order for a floor in the reservoir gained another fifteen days for completion of the contract.

## Sonora Youth High Point Man Saturday

Track Team High Second in Meet at Barnhart Saturday

Securing of trophy given the runner-up in the junior division of the Range Country Meet and capture of two places in the senior division was the good day's work done in Barnhart Saturday by track and field athletes coached by O. P. Adams.

High score among the students from nine schools was earned by O. L. Richardson, Sonora athlete who garnered 9 1/4 points for his team. Richardson won first in the 50-yard dash, second in the 100-yard dash and was one of four Sonora boys who won the 440-yard relay.

The Sonora boys brought home three trophies and six ribbons.

In the senior boys' events Jim Taylor was third in the high hurdles and a team made up of Edward Archer, Jim Taylor, Web Elliott and Claude Thomas Driskell won third place in the mile relay. Web Elliott qualified in the 110-yard and 220-yard dashes.

The junior boys' total points (15 1-6) were only two and one-sixth less than that of the junior division winner—Iraan.

Juniors, other than Richardson, who won were:

100-yard dash—Rex Hutcherson, third; high jump—Basil Taylor and Leon Morris, tied for fourth place; 440-yard relay—first, team: James D. Trainer, Rex Hutcherson, R. W. Johnson, O. L. Richardson.

### Hix Halls Buy Residence

Purchase of the Shelton stone residence on the Junction highway by Mr. and Mrs. Hix Hall was recorded this week in the office of J. D. Lowrey. Seller was Iva Shelton. The residence, a six-room one, was built in the early part of 1936.

### Teacher Election Next Week

Election of teachers in the Sonora Independent School District for 1938-1939 will take place at a board meeting Thursday night, F. T. Jones, superintendent, told the NEWS this morning.

## Murder Trials Set for Tuesday; Grand Jury Called Back

Three Indicted by Investigation Group; Mexican Youth Must Serve Sentences

Members of the petit jury panel who reported Tuesday morning at nine o'clock found that there was little for them to do this week. All were ordered to return at nine o'clock Tuesday morning, March 29, for service as two special venirees for murder trials.

Judge Joe Montague indicated that cases of Thomas John Elsmore, Pecos county resident, and that of Ramon Herrerra and Juan Herrerra would be heard at the session of court beginning Tuesday.

Grand jury indictments returned were against the Herrerra men on the charge of murder and Richard Lou Williams, negro woman, on a charge of perjury. The grand jury ended its deliberations for the week Tuesday afternoon but was ordered to return for additional duty Thursday, March 31.

### Young Mexican Must Serye

Francisco Santa Anna, Mexican youth under 5-year suspended sentence given him September 14, 1936, on a charge of assault with intent to murder J. H. Brasher, Jr., went to trial Tuesday afternoon on a charge of driving a car while intoxicated.

Santa Anna entered a plea of not guilty and questioned a number of witnesses. The offense was alleged to have been committed in Sinaloa May 25, 1937. Arrest was made by the Sutton county sheriff and by Paul Garza. Santa Anna was alleged to have driven his car against a fence several times and of having hidden in the stock pens after the car came to a stop on a fence near his hiding place.

### Additional Punishment Given

Punishment assessed Santa Anna by the jury was ninety days in jail and a fine of \$50. By the conviction Santa Anna automatically is forced to serve the 5-year sentence assessed previously in addition to the one determined by the Tuesday jury.

Counsel was not available for the youth because of the suspended sentence given previously.

Jurors in the Santa Anna case (Continued on page 8)

# LESSON OF WILDLIFE VALUE GIVEN SONORANS ALL WEEK

Food and water, places for reproduction and sufficient shelter were named Tuesday noon by Dr. W. B. Davis as prime requisites in the successful conservation and propagation of wildlife.

Dr. Davis, professor of wild game, Texas A. and M. College, was the principal speaker at the Lions Club when members and guests enjoyed a special program in observance of National Wildlife Restoration Week, March 20-26. The game department was added to the College Station institution in September. Dr. Davis spoke to the school children while here and Wednesday was to speak in Bryan.

Depletion Causes Described  
The importance of wildlife both from practical and esthetic viewpoints was outlined by Mr. Davis. There are six million licensed hunters in the nation. In conservation and propagation work birds, trees and small mammals are also included.

Chief factors causing depletion of the nation's wildlife were named by Dr. Davis as being:

- Over-shooting.....of prime importance because today there are more hunters using modern shooting arms of high degree of efficiency than ever before.
- Removal of habitats.....caused by destroying of forests, draining of swamps, etc.
- Land cultivation....destroying of natural residence of many animals, particularly sharp-tailed grouse and prairie chicken.
- Pollution of streams....reducing available fishing and affecting adversely the number of water fowl.
- Over-grazing.....affecting both deer and turkey numbers.
- Improper lumbering methods....which drive out forest life.

Hunting Curb Not Solution  
Dr. Davis stated that closed seasons would help solve the prob-

lem but that such should usually be of short duration. The natural, yearly increase of game, he said, should be such that closed seasons are rarely necessary.

Efforts of the federal government in conserving and propagating migratory birdlife of Texas

and other states in similar work with other types of wildlife were described. At A. and M. is located one of twelve research units for the study of conservation practices. County surveys of game are made in various counties.

"Game management is sustained

yield," Dr. Davis said in conclusion.

"At present we are working to get started a study of the relationship of deer, turkey and grazing. You people may help by urging the Game, Fish and Oyster Commission to undertake such. As individuals you can also boost a

state-wide game law.

### Tribute Paid Theodore Roosevelt

"The federal government is engaged in a program of establishment of game refuges. Eventually there is to be seven million acres for such work. Texas has had only one refuge, known as a secondary

refuge. I understand another large one has been established recently.

"In all of this we must remember the teaching of Theodore Roosevelt, known as the father of conservation, who believed that all outdoors is an integrated whole, that conservation through wise use is a public responsibility and that science is a tool for executing practices of conservation and wise use."

Before introducing Dr. Davis, W. J. Fields, Jr., club president, told of the estimate that wildlife in Texas is worth 93 million dollars while the value of sheep may be estimated at only 72 million dollars. The value of wildlife, he explained, is estimated by the amount of money that it places in circulation each year.

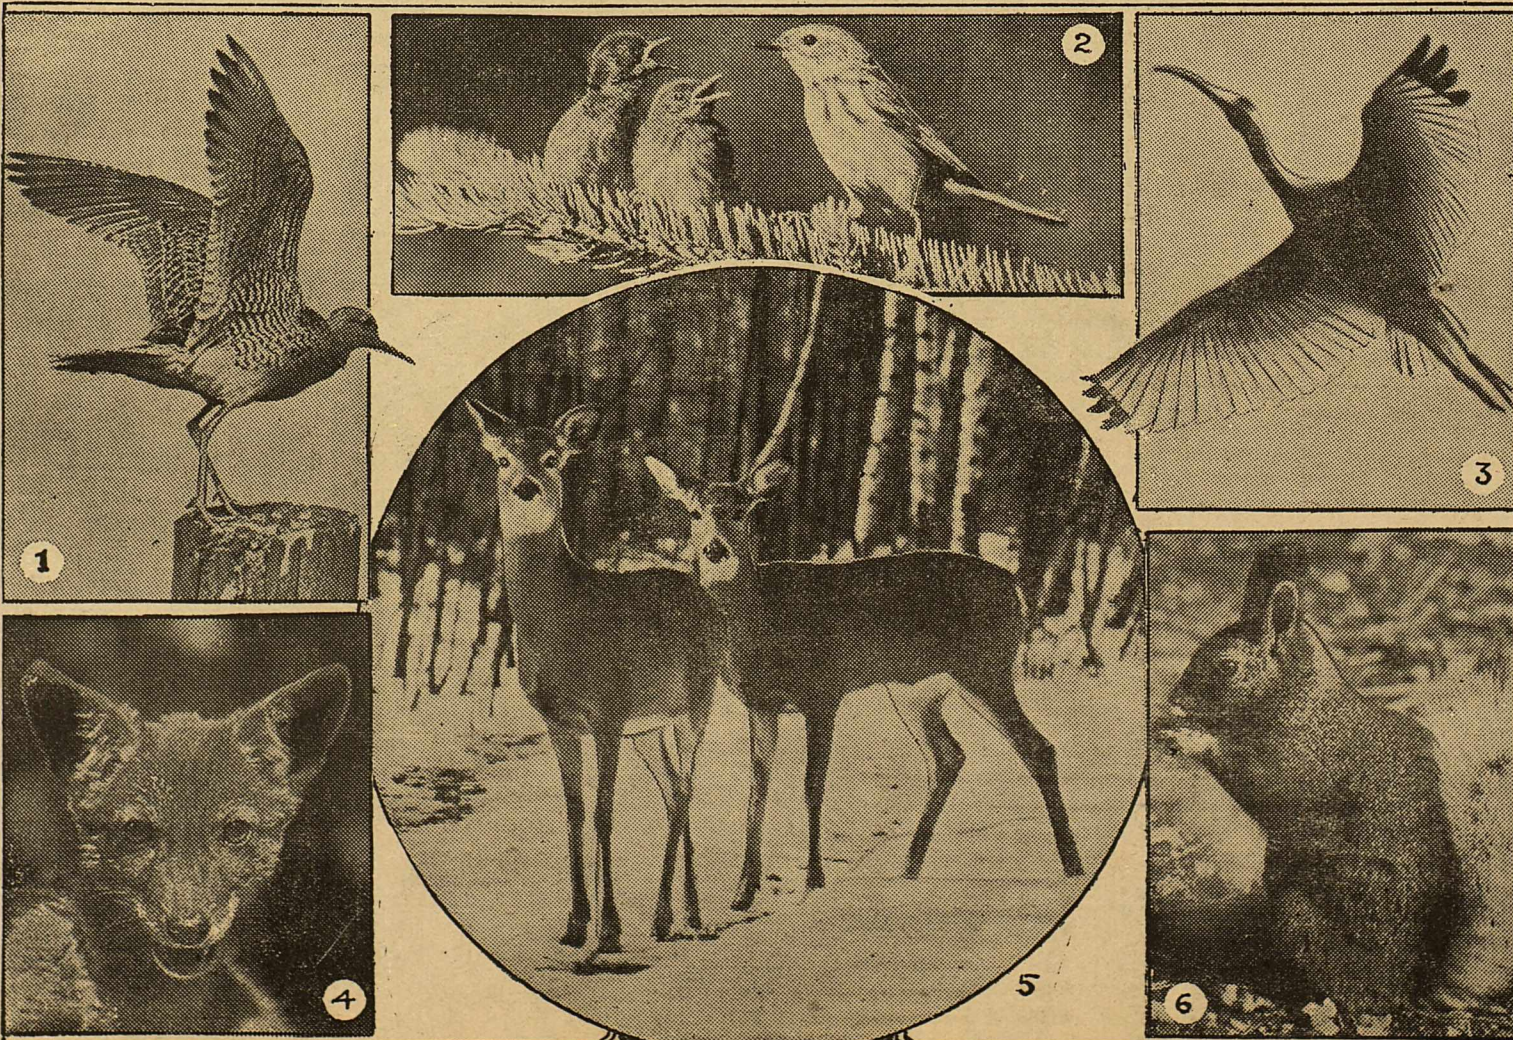

### Recognition for Sutton Enthusiasts

Joe Montague, district judge, commented that ownership of wildlife remains with the government although it lives on private property and for that reason cooperation of government and citizens is necessary in conservation. Weaver Baker, district attorney, expressed the hope that people would be made "game-conscious" and that Texas would "rid itself of its 536 game and fish laws and get a more workable regulatory system."

Tribute was paid by Mr. Fields to the following guests as having done creditable wildlife work: H. West Evans, Oscar Appelt, Tom Bond, Joe M. Vander Stucken, Howard Espy, Thomas Espy, Alfred Schwiening. Members of the Sutton county National Wildlife Restoration Week committee were also introduced.

### Stamps Sold in Sonora

Sheets of stamps, drawn by Jay N. (Ding) Darling, cartoonist and former chief of the Bureau of Biological Survey, were sold at the (Continued on page 4)

In the above picture of America's wildlife are: (1) Upland plover, frequenting

plains, grassy uplands (where they nest) and beaches—once near extinction, now rigidly

protected; (2) magnolia warbler and youngsters; (3) white ibis, a wading bird related to

the herons; (4) young coyote; (5) buck and doe, white tail deer, in winter coat; (6) Kai-bab squirrel.

## TENNIS MATCHES

Sonora had practice tennis matches with Ozona last Thursday. Those playing were:

Junior boys doubles—Sonora, Kelso Locklin and Dock Simmons; Ozona, Robertson and Dudley.

These boys played two sets and the scores were six love in favor of the Sonora boys.

Junior boys singles—Sonora, Myron Morris; Ozona, Bobby Lemmons.

They played two sets with Myron winning both 6 to 1.

Senior boys doubles—Sonora, E. Archer and T. Thorp; Ozona, Per-

ner and Taliaferro. They played two sets with the Sonora boys winning 6 to 3 and 6 to 1.

Senior boys singles—Sonora, A. Garcia; Ozona, Perner. These two boys played two sets and Garcia won them 6-1 and 6-0.

A. W. Awalt and M. Lemmons played only one set because they held the score at deuce for sometime at the end of each game. Lemons won the set 12-10 after a long hard fight.

## A. & M. Pupils and Livestock Winners

### Success in Fort Worth Outlined By State Institution

College Station, March 23.—Texas A. and M. College student teams won three out of four judging contests last week at the Southwestern Exposition and Fat Stock Show at Fort Worth.

Texas A. and M. livestock judging, dairy cattle judging and meat products teams were tops in their fields. The dairy products team failed to place among the first three for its full contest but was second in judging cheese and third in judging butter.

Nick H. Nance, of Lometa, made a clean sweep of individual honors in dairy cattle judging, ranking as high man for the contest and for judging both Jerseys and Holsteins. The Texas A. and M. team was first in Holsteins and second in Jerseys.

The college livestock team placed first in sheep, first in hogs, fourth in cattle and fourth in horses and mules. L. D. Buntin, of Plainview, was high man for all classes and was first in sheep and second in mules.

The Texas A. and M. meats products team won its victory by placing first in judging beef and lamb and second in judging pork.

Texas A. and M. livestock, exhibited either by the agricultural experiment station or the animal husbandry department, won one grand championship, three championships and a number of first places and lesser prizes.

## TEXAS AUTOMOBILE SALES DECREASE IN FEBRUARY

Austin, March 23.—Reports to the University of Texas Bureau of Business Research from sixteen representative Texas counties for February show total sales of 3,993 new automobiles, a decrease of 6.8 per cent from the month before and a drop of 22.3 per cent from February last year.

Aggregate sales during the first two months were 8,279 cars, a decline of 22.2 per cent from the corresponding period last year.

"The two highest price groups made the best relative showing," the Bureau's report aid. "Sales in the highest price group were 75.4 per cent above those in January, but 8.5 per cent below February last year; while sales in the price group just below the highest were 1.6 per cent below those of January but were 36.2 per cent above those of February last year."

## MISS JONES IN CHARGE OF ASSEMBLY PROGRAM

Pupils of the third grade were presented in a Dutch program Wednesday morning in assembly at the L. W. Elliott School, by their instructor, Miss Harva Jones. The program, "Broadcasting From Holland By Television," was announced by Salome Perez.

Singing, dancing and skating was given by the children, and each was dressed in a costume.

his General Science class in a clever one-act play. The play was well acted and the setting very cleverly arranged in the effect of a small country drug store.

The elementary school choral club sang two of the numbers they will sing in the 4-County Meet competition. Miss Rena McQuary is the director of the Choral Club.

SHS

## THREE PLAYS SOON

Monday, April 4, has been set by the Speeches Arts classes as the date for the annual open production. This year the performance will be three one-act plays. Each of the two classes will produce a play. "Dead Expense" is being produced by the first class. It is a comedy dealing with mountain life in North Carolina. The second is producing "Ashes of Roses," a poetic drama with the setting in England in 1741.

The third play of the evening will be the district contest play, "The Bathroom Door." It is a very amusing comedy, and has possibilities of being a success.

Popular prices will be charged. The plays are under the direction of Mr. Flathers.

## LANDOWNERS CARRY ON WILDLIFE CONSERVATION

Dallas, March 23.—The future of wild life in the Southwest depends largely upon changing tenants to land owners, or at last upon giving tenants a longer and more secure tenure, it was stated by C. M. Evans, Texas-Oklahoma director of the Farm Security Administration, as "Wildlife Conservation Week" was being observed.

Evans said information from the Soil Conservation Service shows that conservation of the soil and wild life are found to the least degree upon land farmed by the transient tenant who has no written agreement with the landlord, and who has no interest in the land other than to get all he can from it in one cropping season.

The Soil Conservation report was based on observation made at eight projects in varying types of soil—rolling sandy land, black land, west cross timbers, and rolling plains. The number of farms surveyed, 1,345, were divided approximately half and half between tenants and owner-operators.

## Display Arranged For Wednesday

A business visitor in Sonora Wednesday will be W. P. Russell of Cincinnati, Ohio, who will be in charge of a special showing of spring clothing samples at the J. W. Trainer and Son store. Mr. Russell is a representative of the Storrs-Schaefer Co. in the Ohio

## Ballinger Man Visitor Here

A visitor in Sonora Monday and Tuesday was Sam Bowers of the Wm. Cameron & Co., Inc., store in Ballinger. The Sonora store conducted its annual display of wallpaper and paint the first two days of this week.

Mrs. W. E. Corbin of Brownwood visited her daughter, Mrs. Richard M. Johnson, and Mr. Johnson this week.

## Baptists Planning San Angelo Meeting

Music Drama By Seminary Choral Club One of Features

The annual Baptist State Sunday School Convention is meeting this year, for the first time in the western section of Texas. The convention will convene with the First Baptist Church, San Angelo, April 19, 20, 21. Messengers will attend from over 3,000 Baptist Sunday Schools in Texas with a total enrollment of 481,006.

A pre-convention treat for early-comers this year, will be a special feature to be presented on Monday evening, April 18th. "Ruth," an elaborate music drama will be staged and presented by the Seminary Choral Club of Sacred Music of the Southwestern Baptist Theological Seminary of Fort Worth, directed by Prof. I. E. Reynolds and assisted by Edwin McNeely.

Convention officers are: President, Robert Jolly, superintendent, Memorial Hospital, Houston; G. S. Hopkins, Dallas, corresponding secretary-treasurer; Mrs. Julia Mae Slaughter and Mrs. Manon Seawell, Dallas, recording secretaries.

The morning and evening sessions will be devoted to special song service and inspirational addresses. Part of the morning and all of the afternoon sessions will be devoted to intensive conference work, touching every phase of Sunday School and Church work. Some of the inspirational speakers will be Dr. P. E. Burroughs and Dr. E. P. Alldredge of Nashville, Tenn., Dr. George W. Truett and Dr. R. C. Campbell of Dallas, Rev. Ramsey Pollard of Fort Worth, Rev. A. D. Foreman, Jr. of San Angelo will bring the address of welcome. A "get acquainted" period will be conducted by Rev. J. Ralph Grant, Childress. On Wednesday evening of the convention, sessions will be held in three different churches. Inspirational messages will be brought by Dr. Thomas Taylor, president of Howard Payne, Brownwood; and Drs. Burroughs and Alldredge. Other speakers will be Rev. Troupe Reid, Fort Worth; Rev. E. S. Hutcherson, Houston; Rev. Thurman Rucker, Greggton; Rev. C. E. Hereford, and others.

## Bill Drennan Suffers Eye Injury

An injury to his left eye was suffered Tuesday by Bill Drennan, employee of Sonora Motor Company. Mr. Drennan was injured when a valve-keeper hit his eye.

## Mrs. Kelley Recovering

Improving is Mrs. Robert Kelley who has been ill of pneumonia. Mrs. Kelley is ill at the home of Mrs. M. A. Valliant.

## Mrs. R. J. Ridley returned to Del Rio Tuesday after a visit here with her sister, Mrs. Robert Rees, and family.

## Special Promotion Worth While Here

Used Car Effort Places Dealers in Better Shape

Aware of the general interest in National Used Car Exchange Week which has just been concluded, Sam Hull, local Ford dealer, said this week that it had been of genuine benefit locally.

"A concerted action of this kind could not help but have a noticeable effect," said Mr. Hull.

"What is more, every owner of a car who contemplated purchase of a new 1938 car, will find that he has been benefited individually.

"Analysis of the situation will make this plain. When a dealer has too many used cars on hand he is unable to make acceptable allowances on cars offered in trade, but when his stock of used cars is reduced he can make more attractive allowances.

"This is the very pleasant state of affairs which followed in the wake of National Used Car Exchange Week."

Mr. Hull declared that the trading position of motor car dealers has been greatly improved and that people who have been waiting for the right time to buy new cars can now feel assured of an acceptable trade.

Scratch Pads, doz. 50c—NEWS.

## Sonora Visitors Return to Dallas

Mrs. C. W. McBride, Jr. and son, Robert Michael, of Dallas have been visiting her parents, Mr. and Mrs. R. A. Halbert. They returned to Dallas Wednesday night.

## NOTICE OF ELECTION

Notice is hereby given that on the first Tuesday in April, the same being the fifth day of April, 1938, an election will be held in the city of Sonora at the courthouse for the purpose of electing a mayor and two commissioners.

G. A. Wynn will preside as judge. Polls will open at eight a. m. and close at seven p. m.

Given under my hand and seal of office the 7th day march, 1938.

W. C. GILMORE, Mayor  
ALFRED SCHWIENING,  
V. F. HAMILTON, Coms.

GEORGE E. SMITH  
City Secretary.

## Noble Glutton

Audubon's caracara, also known as the Mexican eagle, is found in the United States only in the most southern portions, the Texas-Mexico border and Florida. It is the size of a large hawk, feeds on carrion, and makes the vultures stand aside. A caracara will sometimes eat so much that it cannot fly. Egg collectors have been a menace to this interesting bird, which is protected by state laws. Wildlife Week accents the importance of all wildlife, including nature's scavengers.

## FIRST MAYOR OF HILL COUNTRY TOWN BURIED

Seventy-seven years old, Henry Remschel, first mayor of Kerrville, a former county commissioner and a 32nd degree Mason was buried in the Kerr county town Tuesday.

Mr. Remschel, who retired several years ago after forty-five years in the lumber business, was a grandfather of the late Robert Remschel of Sonora.

## SEEDING OF TERRACES IN SUTTON COUNTY HELP IN CONSERVATION OF WATER ON RANGE, FIELD LAND

A trip over Sutton county will quickly convince anyone who might be skeptical that Sutton county ranch operators are taking advantage of all aid offered them in securing greatest value from the rain that falls on their ranches.

Terracing so far in 1938 has been done by Sutton county people in a measure that makes it safe to believe that the 1938 record of work of that sort will equal or surpass that of last year when 599,000 feet of terraces was built and 15,000 cubic yards of dirt for spreader dams moved.

**Dallas Grass Being Used** Recently on the Sawyer 12-Mile Ranch terracing and spreader dam work has been done to control water of a draw near the house. H. C. Atchison, county agent, estimates that twenty miles of terrace and dam work has been done there.

To make more certain the work of the terraces and to secure all possible use of the land, the Sawyer terraces have been planted with Dallas grass, a perennial that does well right through the winter. The grass is said to be palatable for sheep, cattle and horses, it grows the year 'round and can stand a temperature as low as eighteen degrees. The turf established by the grass permits the terraces to retain more water than they otherwise would.

**Field Will Be Helped** Dallas grass is also to be planted on one and one-half miles of range terracing recently completed on the Alvis Johnson Ranch. Another grass may also be planted there.

### MASON MAN CALF BUYER IN SONORA LAST WEEK

Six and three-fourth cents a pound was paid the latter part of last week by Jack Richardson of Mason for nineteen head of mixed calves.

G. G. Stephenson, Sutton county ranchman, was the seller of the livestock which was shipped Saturday. The calves averaged about 400 pounds.

Auther Simmons sold eighteen head of mixed calves to the same buyer last week.

### Sutton Lambs To Ryan Buyer

One hundred and twenty-two mixed lambs were sold by Dantes Reiley last week at 6 cents a pound. Sale was through Johnny Hamby who shipped them to Worth Evans at Ryan, Texas. Shipment was made Thursday of last week.

## Five 4-H Club Boys' Sheep-Lambs Seen On Trip Saturday

Work of Ranch Boys Inspected By County Agent and By W. R. Nisbet

Progress of Sutton county 4-H Club boys engaged in work with sheep was reviewed Saturday morning by H. C. Atchison, county agent, on a trip of inspection to see the sheep and lambs belonging to several of the 4-H boys.

Mr. Atchison was accompanied by W. R. Nisbet, sheep specialist, Texas Extension Service, and several of the boys.

At the ranch of Mrs. Velma Shurley the twenty-three ewes being handled by Gene Shurley were seen. One ewe has been lost since the work began last fall. There are seven lambs now. Lambing began about March 1.

Billy Shurley's thirty ewes have been lambing two or three weeks on the place of his father, E. D. Shurley. There are nineteen lambs. He has the same number of ewes as at the start.

Although R. W. Johnson was in Barnhart with the high school track squad his father, Alvis Johnson, told of the boy's work. He has twenty-four ewes, four less than when he started. Lambing began about February 10 and he has seventeen lambs now.

Demonstration flock owned by Mankin Stokes and Robert Kelley were seen shortly before noon and in the afternoon.

Mankin has twenty-four ewes, having lost one since the work started. Lambs are with the other animals in the pasture and were not available for count. Record will be kept when marking is done.

Robert has lost two of his original flock of twenty-five. Lambing began about March 10 and he had three when the inspection was made.

They boys are enthusiastic about the June wool show in Sonora and several of them took wool samples to compare with the wool on ewes they own. Those making the trip Saturday were Billy Shurley, Gene Shurley, Robert Kelley and Mankin Stokes. Flocks of other boys of the Sutton county organization will be looked at soon.

### JUDGE TAYLOR'S SISTER AGAIN IN U. S. WORK

Re-appointment of Mrs. Nellie Taylor Ross of Wyoming as director of the mint was recommended Monday by President Roosevelt when he sent Mrs. Ross' nomination to the Senate.

In most cases the President's recommendation to the Senate is tantamount to appointment.

Mrs. Ross, former governor of Wyoming, is a sister of Judge S. G. Tayloe of San Antonio, a former resident here.

## To Policyholders and Stockholders of the Southland Life Insurance Company and the Insuring Public of the Southwest

One of the most important financial transactions in the history of the Legal Reserve Life Insurance business in Texas was consummated in Dallas March 8, set by law as the annual meeting date for life insurance companies. At that time a greater, bigger, and stronger life insurance company to better serve the Mighty Empire of the Southwest was created and destined to make more secure the futures and lives of uncounted thousands.

At that time a new and greater Southland Life Insurance Company was born with the consolidation of the business in force of two of Texas' most progressive Life Insurance Companies... a proposition previously that day given unanimous approval by the Stockholders and Board of Directors of the Gulf States Life Insurance Company and its Executive Committee and by Stockholders and Directors of The Southland Life Insurance Company. During its twenty-nine years of faithful service to the insuring public, The Southland Life Insurance Company had built up a total of insurance in force of \$118,433,196 and the Gulf States Life Insurance Company, during a ten-year brilliant career, had on its books a total of \$65,197,422 insurance in force—making a total of \$183,630,618—contracts guaranteed by total assets of \$28,506,067.96, according to their reports of December 31, 1937. Since their inception, these companies paid beneficiaries and policyholders in excess of \$35,000,000.

A meeting of the Stockholders of the newly-constituted Southland Life Insurance Company was held and a new Board of Directors elected. These Directors immediately placed responsibility for management of the greater Southland Life Insurance Company in the hands of the following Executive Committee: John W. Carpenter, A. Morgan

## BULL BOUGHT THURSDAY BY SUTTON COUNTY MAN

Delivery of a registered Hereford bull was made Thursday morning in the Mertzson section to Dave Locklin, Sutton county ranchman.

The bull, sold by Halbert and Hoggett, was brought here the same afternoon. Mr. Locklin said that \$250 was paid for the animal which is fifteen months old.

The bull weighed about 1,200 pounds, Mr. Locklin said.

S. H. Patton accompanied Mr. Locklin on the trip to Mertzson.

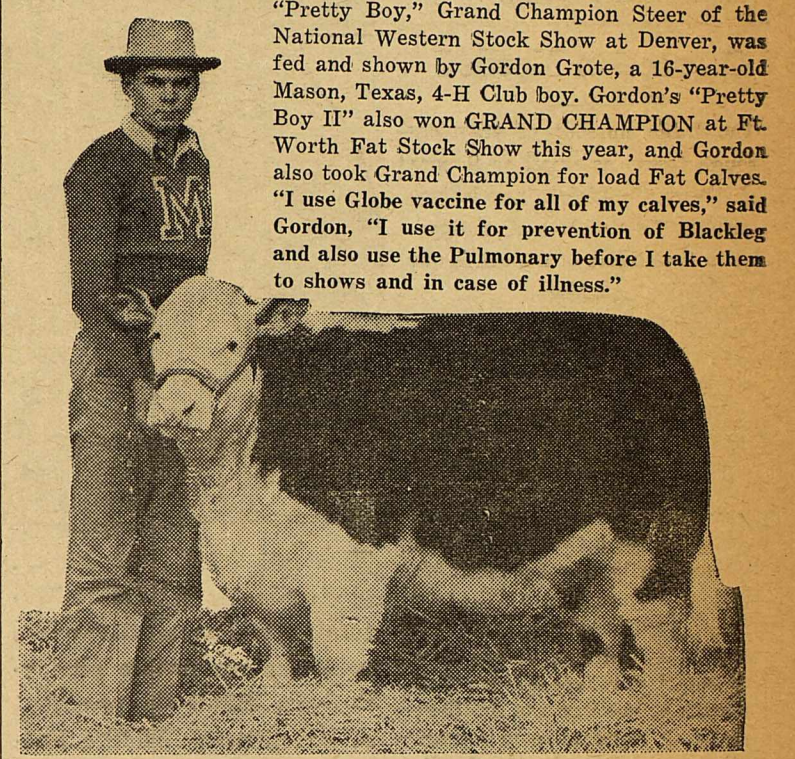

The NEWS will print it for you.

## Globe Vaccines in GRAND CHAMPION

"Pretty Boy," Grand Champion Steer of the National Western Stock Show at Denver, was fed and shown by Gordon Grote, a 16-year-old Mason, Texas, 4-H Club boy. Gordon's "Pretty Boy II" also won GRAND CHAMPION at Ft. Worth Fat Stock Show this year, and Gordon also took Grand Champion for load Fat Calves. "I use Globe vaccine for all of my calves," said Gordon, "I use it for prevention of Blackleg and also use the Pulmonary before I take them to shows and in case of illness."

**GLOBE BLACKLEG ANTIGEN** We sincerely believe Globe Blackleg Antigen to be the best product ever offered to the cattleman, and to be the last and final step in the development of blackleg "vaccine."

**GLOBE PULMONARY MIXED BACTERIN** (Bovine) Especially recommended shortly before feeder animals are to be shipped and again on arrival at destination. A great aid in the prevention of diseases and troubles incident to shipping.

ANY erroneous reflection upon the character, standing or reputation of any person, firm or corporation will be gladly corrected if the matter is brought to the attention of the publisher.

**Correction Needed**

The large number of travelers through towns as small as Sonora who flagrantly violate regulations regarding the turning of automobiles in the middle of a block is one that should be curbed.

Just why it is that a traveler from Ypsilanti, or Philadelphia, or San Antonio, will commit a traffic violation that he would not consider committing in his home town is something that cannot be understood. It may be that he thinks he is privileged because of halting his progress for a time in the town which ordinarily does not merit his attention.

The NEWS believes that the tourist is a desirable visitor in a town but it does not believe that he should be granted the privilege of violating regulations in a manner that endangers the town's citizens and property. He certainly should be reminded that he is expected to conform to traffic regulations just as he does when he is at home.

Anyone who observes the driving habits of the many who go through Sonora will realize the need of some sort of correction effort.

**BAPTIST LADIES GIVE ROYAL SERVICE PROGRAM**

Mrs. Joe H. Brasher was leader Wednesday afternoon when the Baptist Woman's Missionary Society met for a Royal Service program.

Those taking part were: Mesdames T. L. Harrison, Joe Hull, G. G. Stephenson, R. C. Brinkley; Miss Viba Holland.

Others present were: Mesdames O. C. Ogden, H. V. Morris, Lee Holland, Alfred Cooper, W. R. Wells.

After a short business meeting Mrs. Brinkley and Mrs. H. P. Largent served refreshments.

**POLITICAL Announcements**

The following candidates have announced themselves as candidates for the office indicated, subject to the action of the Democratic primary election July 23, 1938:

For Representative, 86th Legislative District:  
MARVIN E. BLACKBURN, JR.  
C. H. GILMER

For Sheriff-Assessor-Collector:  
B. W. HUTCHERSON

For County Judge:  
ALVIS JOHNSON

For County and District Clerk:

luncheon and to business firms Tuesday. Thursday morning Alfred Schwiening said \$25.00 had been secured from the sale of stamps.

A display of live and mounted animals in the windows of the E. F. Vander Stucken Co. store this week attracted much attention. Shown were a mounted turkey and deer belonging to Ed L. Mears of Menard, a deer head owned by Mrs. Joe M. Vander Stucken, and a pair of buffalo horns given Alfred Schwiening recently.

**San Angelo Man's Birds Shown**  
In another window one of Joe M. Vander Stucken's chukors associated with a ring-neck pheasant, a California mountain gambel, a mourning dove, a bobwhite quail and a blue quail. The latter birds were loaned Mr. Vander Stucken by H. L. Youngblood of San Angelo who has an extensive collection of wildlife at his home there.

Those, other than club members, at the luncheon, were:

Ben F. Gaddy, Lea Allison, Dave Locklin, S. H. Patton, Howard Espy, Thomas Espy, L. E. Johnson, Tom Bond, Marion Stokes, Oscar Appelt, H. West Evans, Carl Gardner, Leonard Gibbs, F. J. Wood, George Barrow, A. W. Awalt, Cashes Taylor, Ben F. Meckel, Mrs. W. B. Davis, College Station;

Weaver Baker, Junction; H. R. F. Helland, San Antonio; Joe Montague, Fort Stockton.

**35 Years Ago**

Dan Parker was in Sonora this week talking trade.

Wm. Drake sold to F. Mayer and Sons 20 yearling steers at \$15.

Will Whitehead bought 200 yearling steers from J. B. Neuman at \$15.

Joe Ross sold his yearling steers to W. A. Glasscock of Sonora at \$15.

A. F. Thurber sold 24 head of stock cattle last week to H. W. Skidmore at \$15.

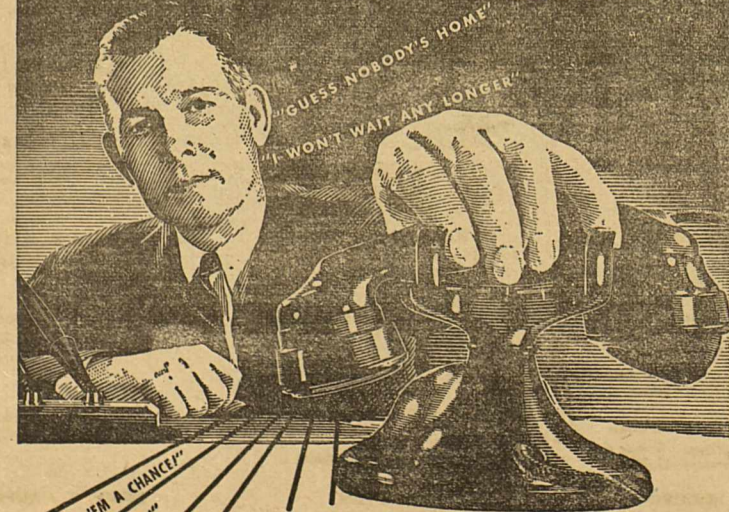

John Allison the ranchman was in Sonora Thursday. The rains have fixed him in good shape.

Tom Jones a young stockman from Brackett was in Sonora Friday and met several old friends.

Miss Buella Smith returned to her home in San Angelo Friday after a visit with her brother, Ed Gardner.

Mrs. J. W. Reiley of the White House ranch was in the trading center Tuesday accompanied by her son, John.

Help yourself to better service...be slow to hang up when calling...be quick to answer when called.

**SONORA YOUNG PEOPLE ENJOY WEEK-END TRIP**

Spanish students of Sonora high school, their teacher, Miss Johnnie Allison, and several other Sonorans enjoyed a trip to Laredo and Monterrey last week-end.

Sessions of the third state convention of the Pan American Student Forum were attended in the border town and Saturday an all-day trip to Monterrey was made by bus. Denton was selected as the 1941 convention city.

By resolution the delegates endorsed the Big Bend Park project. Rena Glen Shurley, delegate from Sonora, was appointed a committee member of the organization which during the last year accepted six new chapters.

The Sonorans returned late Sunday night.

Mrs. Morgan Honored at Tea Monday Afternoon

Outstanding among the week's social affairs was the shower Monday afternoon at the clubhouse of the Sonora Woman's Club...

Hostesses were Mrs. Batts Friend of Ozona, Miss Joyce McGilvray, Miss Mary Louise Gardner.

Bouquets of bridal wreath added attractiveness to the clubhouse. The tea table was laid in a lace cloth over yellow. Yellow and white are the bride's chosen colors.

In the receiving line were: Mrs. Morgan, the hostesses, Miss Alice Karnes, Mrs. Earl Merck, Mrs. Sam Karnes and daughter, Ann Marie. Mrs. Fred Simmons presided at the bride's book.

Mrs. Robert W. Jacobs, Mrs. Friend and Cathryn Trainer played piano selections during the afternoon.

Those in the house party were Misses Cathryn Trainer, Kathryn Brown, Elizabeth Elliott, Dorothy Penick, Nina Rouche.

Members of the receiving line, house party, and Mrs. Mike Murphy were present when Mrs. Morgan opened her many gifts.

Punch, angel food squares with yellow icing, and yellow and white heart-shaped mints were served.

Attending the delightful affair were:

Mesdames R. A. Halbert, B. M. Halbert, Jr., W. J. Fields, Jr., Joe R. Hull, W. E. Corbin of Brownwood, Richard M. Johnson, F. T. Jones, V. F. Hamilton,

E. E. Sawyer, Harold Friess, Richard Vehle, Earl Duncan, J. S. Glasscock, A. W. Awalt, H. V. Morris, Thomas Espy, Lula Karnes, Clyde Gardner, Gertrude Reming, Vernon Marion, B. W. Hutcherson;

Misses Alice Sawyer, Muriel Simmons, Harva Jones, Ches Thorp, Guyon Shurley.

Mrs. Nisbet Club Hostess Wednesday Night

A program on Texas composers was given Wednesday evening when Mrs. J. L. Nisbet was hostess to the Sonora Music Club.

Mrs. W. E. Caldwell spoke of the lives and works of composers whose compositions were heard. Mrs. Robert W. Jacobs played "Passing Clouds," by Reuben Davies; Lavelle Meckel sang "White in the Moon the Long Road Lies," by Oscar J. Fox, accompanied by Miss Marie Watkins.

Miss Elizabeth Caldwell played an arrangement by David Guion of "Turkey in the Straw," "Red-buds," by W. J. Marsh, and "The Hills of Home," by Oscar J. Fox, were sung by Miss Watkins, accompanied by Mrs. E. D. Shurley. A double quartet sang "Rounded Up in Glory," by Oscar J. Fox, directed by Miss Watkins. Those in the group were: Boyd Caffey, Lavelle Meckel, Edwin Sawyer, Preston C. Lightfoot, Peter A. Chase, Jennings Flathers, the Rev. R. F. Davis, E. D. Shurley.

Punch, cookies and salted pecans were served from the tea table. Mrs. Rosana Hildreth poured and Marjorie Nisbet and Flora Jean Hildreth assisted.

Others present were: Misses Harva Jones, Annie Duncan, Margaret Grantham, Nan Johnson, Alice Sawyer, Mary Ruth Quisenberry, Leeta Mae Garrett, Johnnie Allison, Thelma Rees, Pauline Davis, Maggie Stuart; Mesdames Belle Steen, C. E. Stites, R. F. Davis, Maysie Brown, Sterling Baker, E. E. Sawyer; Mr. and Mrs. O. G. Babcock, Aldwell Nisbet.

Just-Us Club Entertained By Mrs. J. A. Cauthorn

A delightful spring party was the one given Wednesday afternoon when Mrs. J. A. Cauthorn was hostess to the Just-Us Club.

An ice course was served at the tea hour. Corsages of spring flowers were given for plate favors.

Club guests were: Mesdames Earl Duncan, N. B. Wilson, R. C. Vickers, Richard Vehle, J. A. Ward, Jr., C. W. McBride, Jr. of Dallas.

Club members were: Mesdames Robert W. Jacobs, E. E. Sawyer, Paul Turney, J. S. Glasscock, R. A. Halbert, G. H. Davis.

Mrs. Ward won high guest and Mrs. Sawyer high club. Mrs. Glasscock received the cut award.

Sonoran Hears Grace Moore Mrs. W. P. McConnell, Jr., returned from San Antonio last week where she attended a concert given by Grace Moore, operatic and screen star.

SCHOOL BAND'S PROGRAM SHOWS PUPILS' PROGRESS

Instrumental music presented by Sonora high school pupils, trained since last fall by Peter A. Chase, new member of the faculty this year, pleased many Sonorans who heard them in their spring concert Wednesday night at the high school.

Assisting in the program were the Rhythm Band members, elementary school pupils directed by Miss Rena McQuary. They played the following numbers with the simple instruments provided for such groups:

"Shoemaker's Dance," Danish folk song; "Minuet in G," Beethoven; "Onward Christian Soldiers"; "Song of the Bells," Vandevere.

All Players in Uniform Boys and girls of the high school band wore white shirts and blouses with dark trousers and skirts. Rhythm band children wore white trousers and shirts, with red capes, and perky caps of "bell-boy" variety. Redbud was used in decorating the stage in the auditorium.

The program by Mr. Chase's pupils was:

"Beautiful Heaven"; march, "Welcome To Our Concert"; group of old favorites; "God the Mighty God"; waltz selections; march, "Our First Parade"; "Rejoice, O My Soul"; overture, "Press On."

Solo numbers were played by the following:

Willie Nell Hale, trumpet; George S. Schwiening, saxophone; Mary Burtle, clarinet; Patsy Gilmore, trombone; Ray Wallis Stephenson, baritone.

Thirty Play Instruments Band members other than those mentioned above, are:

Clarinets: Jamie Trainer, Dock Simmons, Myron Morris, James D. Trainer, O. L. Richardson, Wirt Ellis Stephenson, Sue Glasscock, Mary Gwendolyn Wyatt, Pat Reiley;

Cornets: Cathryn Trainer, Robert Allen Simmons, Jack Shurley, J. C. Norris, Wilfred Berger, Glen Richardson, George D. Wallace, Euene Shurley; Saxophones: Miss Leeta Mae

Garrett, Peggy Gilmore, Marjorie Nisbet, Betty Lou Shoemake, S. H. Stokes; Melophones: Betty Grace Vehle, Margaret Fay Smith; flute: R. W. Johnson; drums: A. W. Awalt, Raymond Shroyer; bass horn: Robert Kelley; trombones: Wynona Hutcherson, Eugene Neuberger.

Those who played in the Rhythm Band are:

George D. Chalk, Billy Wright Taylor, Frank Leslie Moore, Sadie Lee Hill, Flora D. Kisselburg, David Shurley, Kathleen Schwiening, Jerry Shurley,

Tina Ann Taylor, Katherine Ross, Jean Lindsey, Florence Whiddon, Lila Mae Wilson, Duane Trainer, Charlie Andrews, Tommie Bond,

Martin Carroll, Basil Halbert, Clay Atchison, Tony Adams, J. D. Cook, Leslie B. Fambrough, Hazel Caldwell, Billie Jean Cobern, Frances Jane Drennan, Billy Jo Barker.

Ranchman Praises Band

The way in which one Sutton county citizen thinks of the band is expressed by Harvey Walker, Sutton county ranchman, who recently wrote this letter:

"To the NEWS:

"Being a reader of the NEWS I knew that the Sonora school had organized a band and had employed an instructor at the beginning of the school term.

"Until last Tuesday (March 15) I had no idea that as a body the organization could do better than make a hideous noise. I have no relative in the band, in fact, I could not name one of the members. I have never met the instructor. I am not a capable music critic but I can say that for their age and the brief training they have had their renditions speak volumes for the members and their leader.

"Sonora and Sutton county should give them whole-hearted and substantial encouragement. Sonora needed a band, Sonora has a band and should be proud."

(Signed) HARVEY WALKER.

Girls' Club Entertained By Mrs. Frank Bond

Pastel colors prevailed extensively Tuesday afternoon when Mrs. Frank Bond was hostess to the Girls' Club. Poppies, irises and other spring flowers were placed at vantage places in the Bond home.

Club members attending were: Mesdames Duke Wilson, Joe M. Vander Stucken, J. A. Ward, Jr., W. P. McConnell Jr., Sam H. Allison.

Club guests were: Mesdames Lea Allison, William Allison, Joel Shelton of Sapulpa, Oklahoma, A. B. Hays of Big Lake, Jax Cowden, Rip Ward, B. M. Halbert, Jr.

After several games of bridge, a salad plate was served.

Mrs. Vander Stucken won high club and Mrs. Ward second high. Mrs. Hays won high guest score.

Bridge Party Given Saturday By Mrs. McConnell

Complimenting Mrs. A. B. Hays of Big Lake, Mrs. W. P. McConnell, Jr., assisted by her mother, Mrs. Josie McDonald, was hostess at a party Saturday afternoon at Hotel McDonald.

Amid a profusion of spring wild flowers, guests enjoyed an afternoon of bridge. Colors of blue and silver were used extensively.

At the tea hour a sandwich plate was served.

Guests were: Mesdames Henry Decker, A. B. Hays, John L. Nisbet, Joe M. Vander Stucken, Robert W. Jacobs, Rip Ward, J. H. Trainer, Jack Mann, E. D. Shurley, P. J. Taylor, R. A. Halbert, C. W. McBride, Jr., of Dallas, Stella Keene

Mrs. Decker won high score and Mrs. Mann second high. Mrs. Hays was presented a gift.

Mrs. White Party Hostess Tuesday Afternoon

Yellow flowers added a pleasing note to the party Tuesday afternoon when Mrs. Tom White was hostess to the Jolly Joker Club members and guests.

Club guests were: Mesdames Ira Shurley, W. R. Parsons, J. H. Trainer, W. E. Corbin of Brownwood, C. W. McBride, Jr., of Dallas.

Club members were: Mesdames Henry Decker, Ernest McClelland, W. J. Fields, Jr., Andrew Moore, Richard M. Johnson, George E. Bean, R. A. Halbert.

Mrs. McClelland won high club award and Mrs. Bean second high. High guest score was held by Mrs. Parsons and the slam award was presented Mrs. Moore.

A sandwich plate was served.

Mrs. Nisbet Club Hostess Tuesday Afternoon

Mrs. P. J. Taylor was the only club guest Tuesday afternoon when Mrs. John L. Nisbet was hostess to the Idlehour Club. Amid a setting of spring flowers, guests enjoyed an afternoon of bridge.

A salad plate was served to: Mesdames J. S. Glasscock, Richard Vehle, J. Franklin Howell, Sterling Baker, Hix Hall, N. B. Wilson, G. H. Davis.

High score was held by Mrs. Hall, and low by Mrs. Davis.

Woman's Club Planning Opera Review in April

Mrs. J. Franklin Howell was leader of English Lesson 2 Thursday afternoon of last week when the Sonora Woman's Club met at the clubhouse. "There Is No Santa Claus In Housing," a lesson from the Atlantic Monthly, was led by Mrs. Velma Shurley.

Plans are being made for an opera review in April, with Mrs. Hix Hall as leader.

Members attending were: Mesdames W. E. Caldwell, Duke Wilson, J. L. Nisbet, W. J. Fields, Jr., J. Franklin Howell, Velma Shurley; Miss Nann Karnes.

Bridge Club Entertained By Mrs. H. V. Morris

Mrs. Arthur Simmons won high club score Tuesday afternoon when Mrs. H. V. Morris was hostess to the Blue Monday Club.

Other members present were: Mesdames Lee Labenske, George Trainer, Sr., J. W. Trainer, W. E. James, C. E. Stites, Rose Thorp, W. E. Caldwell, Robert Rees.

Club guests were: Mesdames F. T. Jones, A. W. Awalt, V. F. Hamilton.

Mrs. Awalt won high score for the guests.

Refreshments of ice cream, cake and punch were served.

**OLD ART FOLLOWED BY BELL CASTERS**

**Expert Declares Real Secret Lies in Tuning.**

Vancouver.—Frank C. Godfrey belongs to one of the most ancient and rarest professions in the world. He designs, tunes and installs church bells.

Godfrey recently visited Vancouver to supervise the installation of eight new bells presented to St. James Anglican church. No one on the North American continent had the experience to undertake the job so Godfrey made his twenty-first transatlantic trip from England to hang the chimes in the tower of St. James.

The young bell expert represents John Taylor & Co., of Loughborough, England, one of the few firms of bell foundry in the world. The foundry had been making bells since 1360.

**In Family Since 1780.**

The Taylor bell foundry was established in medieval days by Johannes de Stafford, but since 1780 has been conducted by the Taylor family, and has supplied bells, chimes and carillons to all parts of the world.

According to Godfrey, there has never been any real rivalry for the English product. He says that the whole secret lies in tuning. To tune the notes in each bell of a carillon is a long and costly process and is regarded as the apex of the bell foundry's art.

Godfrey describes the bell casting process as follows:

"The molds are made from a porous mixture of loam, specially made at the Loughborough works. The loam must be perfectly dry to prevent an explosion. The boiling mass of bronze is poured into the mold from a huge ladle of 20 tons capacity. Pouring of the molten metals takes only four minutes, but seven days are allowed for cooling.

**Gases Seep Out.**

The boiling liquid generates numerous gases which are not allowed to bubble to the surface, but seep out through the porous loam core of the mold into a pipe, emitting an unpleasant odor.

Godfrey says that only three bells have had to be recast during his time with the firm.

Before the Vancouver job he installed a 47-bell carillon at Luray, Va., and last year he installed a carillon of 53 bells at the University of Michigan, Ann Arbor.

The carillon comprises at least two chromatic octaves of 25 bells and may be extended to a range of five octaves, or even more.

The chime is a limited number of bells, which play single-note melodies. The minimum range of the chime is the eight bells of the diatonic scale. They may be increased to a carillon. The bells may be operated by a hand clavier connected to the clappers by wires, from an electric console or even by player rolls like a player piano.

**Muscles and Menus to Be Streamlined in Britain**

London.—The British government's national fitness campaign is going to affect not only muscles but menus.

Much of the physical unfitness of the English people is attributed to unsuitable and badly cooked food. The ministry of health and the board of education are considering how the better and wide teaching of cookery can be linked with the physical culture movement.

It is expected steps will be taken to encourage the provision of more evening cookery centers for adults and the better patronage of those already in existence.

Many girls now go from school to work in shops, offices, or factories. By the time they are married they have forgotten most that they learned about cooking and dietetics at school. It is this gap between school life and marriage that the ministry of health and the board of trade will attempt to bridge.

**NOTICE TO BIDDERS**

Sealed Proposals, addressed to W. C. Gilmore, Mayor of Sonora, Texas, for the purchase and installation of a 400 g.p.m. deep well turbine pump with motor, for the City of Sonora, Texas, hereinafter called "Owner," in accordance with specifications and contract documents, prepared by and may be obtained from H. R. F. Helland, Engineer, will be received at the office of the City Secretary, City Hall, Sonora, Texas, until 2 P. M. April 12th, 1938, and then publicly opened and read aloud. Any bid received after the closing time will be returned unopened.

The Owner expects to have available not to exceed \$4,000.00 for this contract.

A Cashier's Check, Certified Check, or acceptable Bidder's Bond payable to the Owner, in an amount not less than Five per cent (5 per cent) of the largest total for the bid submitted, including consideration of the additive alternates, must accompany each bid.

Attention is called to the fact that there must be paid on this project not less than the prevailing rates of wages which have been established by the Owner as the following:

You are Paying for this . . .

**WHY NOT OWN IT?**

YOU can buy, own and operate a Servel Electrolux—the Gas or Kerosene refrigerator—for what your refrigeration costs you now. In other words, you are paying for it now. Why do without it?

We can show you this, with actual figures. They will open your eyes.

Servel Electrolux actually pays for itself in your home—in cash, in dollars and cents—and then pays you a profit besides. What other home equipment does that?

Of course, Servel Electrolux is a different kind of refrigerator. Entirely different from all others. And the only one of its kind. Its freezing unit has no moving parts. Think what that means—no pistons, gears, wheels, belts, bearings. Not one single thing to wear. And no noise. It can't make a noise.

For a tiny gas (or kerosene) flame does all the work. And does it for just a few cents' worth of gas or kerosene a week. A small down payment puts it in your home. You're paying for it anyway—why not own it? Why not NOW?

**SERVEL ELECTROLUX THE Gas REFRIGERATOR (OR KEROSENE)**

★ ★ ★

8 Years' Service—Not 1 Cent Repairs!

"Eight years ago when I was looking for the best refrigerator to buy, a friend said: Buy a Servel Electrolux and your worries will be over for all time. There will be no noisy motor to disturb you; there will be only a slight difference in the amount of your gas bill; and not a cent for repairs. He was right. I call the Electrolux 'my household magician', so quietly, perfectly and inexpensively does it work—and with nothing to wear out. It has brought the luxury of perfect refrigeration into my home in a way anyone can afford."—MRS. F. M. BELL, 1527 Owasso St., Fort Worth, Texas.

### Personals

Mr. and Mrs. J. T. Penick spent Monday in San Angelo.

Mrs. Birdie Rutledge returned Sunday from San Angelo.

Mrs. Ira Shurley and daughter, Guyon, spent the week-end in San Angelo.

Mrs. Maude Taylor returned Sunday from a ten days' visit with relatives in Sherman.

Mrs. Lee Labenske and daughter, Mildred, returned Sunday from a business trip to San Antonio.

Mr. and Mrs. Richard Vehle and daughter, Betty Grace, spent the week-end in Menard with Mr. and Mrs. Oscar Vehle.

Don Miller and Bill de Frenne returned to Austin Wednesday after a visit at the home of Mr. and Mrs. C. T. Jones.

Mrs. W. H. Queen and daughter, Mary Jane, returned Monday from a visit with relatives in Nacogdoches county.

Mr. and Mrs. Dee Lyles and Lenoy Lyles returned Monday from East Texas where Mrs. Lyles has been visiting several weeks.

### Story of Rise of Texan, 47, One of Type in Fiction

A. Morgan Duke Just A Salesman in 1928; Now President of Large Company

Dallas, March 23.—The man who last week engineered the deal whereby Southland Life Insurance Co. and Gulf States Life Insurance Co. were consolidated—taking the former's name—celebrated his forty-seventh birthday Thursday of last week.

That man—A. Morgan Duke—is inclined to dismiss it as "good fortune," but his associates say that plain, old-fashioned "hard work," coupled with a genius for salesmanship and organization, is the reason Duke became the president of the fourth largest life insurance company in Texas. The Dallas Dispatch recently had this to say about him:

If there was ever a modern prototype of a Horatio Alger hero, A. Morgan Duke is that man.

At 19 he abandoned his academic schooling in Tyler, where he was

A. MORGAN DUKE

born, to enter the insurance business. His father, an attorney, was an executive in one company, but Duke, disdaining paternal help, got a job as agent with a rival concern.

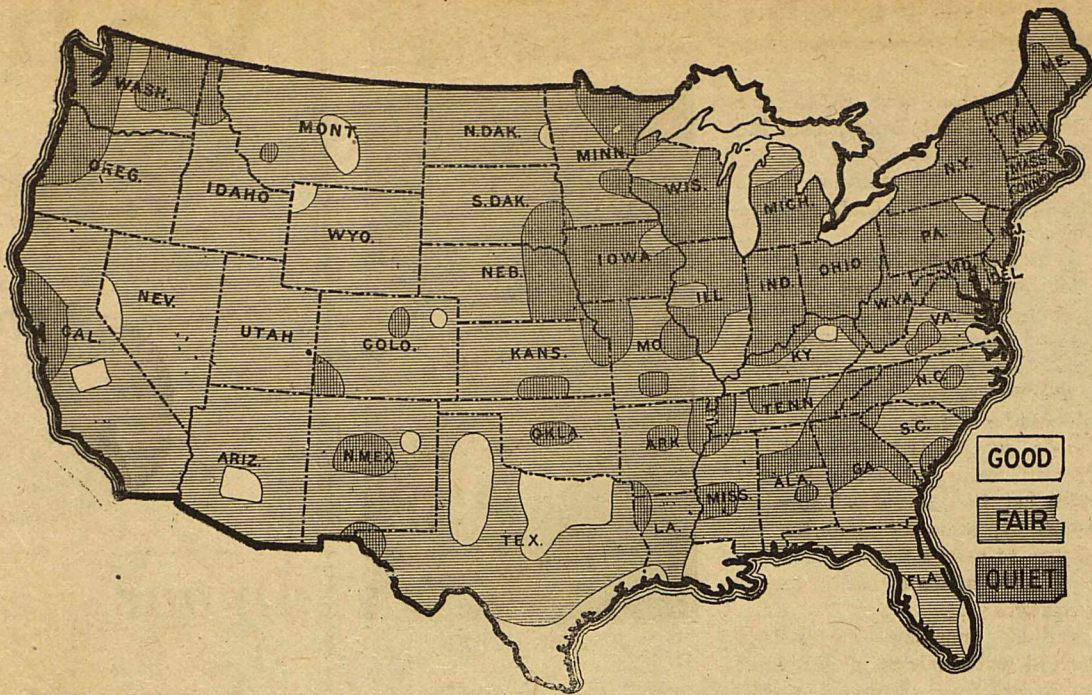

He came to Dallas as an insurance salesman and in seven years had advanced to the post of general manager for Texas, Oklahoma, Missouri and Kentucky. But Duke was not content long to work for the other fellow.

In August, 1932, he organized the Trinity Life Insurance Company, and sold its first policy. This proved the stepping stone. In 1935, with associates, he acquired control of the Commercial-Standard, Fort Worth, a fire and casualty company, which he still heads as president. The same year he and associates acquired the Gulf States, which absorbed his Trinity Life.

A bespectacled, round-face man of average size, with dark hair, his outstanding characteristic seems to be his eyes. They are compelling and with his straightforward, direct approach, are credited with his huge success as a salesman.

He is a tireless worker; in fact, he has been so busy all his life that, his friends say, he has had little time for play or diversion. But of recent years, he has found pleasure in entertaining his close friends at a large ranch which he owns between Dallas and Fort Worth. He lives there with his wife.

## TEXAS PORTION STILL "IN THE WHITE"

This map represents business conditions as of March 1, 1938, as shown in "Nation's Business", official publication of the United States Chamber of Commerce.

### BUSINESS OF FORT WORTH INSTITUTION INCREASING

Fort Worth, March 23.—An annual business of around \$400,000 is reported by Globe Laboratories, which produces more than 200 animal and poultry products.

Texas owned and operated, the Globe institution has factory and general offices here and branches in key cities over the state. It occupies fifteen acres of ground in Fort Worth and its investment is estimated at \$300,000 after nearly twenty years of serving livestock

and poultry raisers. Seventy-five per cent of its business is said to come from states other than Texas and from foreign countries.

### Texas Charters Decreasing

Austin, March 23.—Data compiled by the University of Texas Bureau of Business Research from records of the Secretary of State show a total of 120 new charters was granted during February, a decline of 13.7 per cent from the preceding month and of 7.7 per cent from the corresponding month last year. Capitalization totaled

\$1,804,000, a drop of 20.4 per cent from the preceding month and of 15.5 per cent from February last year.

River "Moves" Texas Town  
Denton, March 23.—Two distinctions belong to the town of Ysleta, that of being the oldest town in Texas and also of having moved magically across the boundary line between Mexico and Texas without changing the location of a single building. Founded in 1682 on the Mexican side of the Rio Grande, the town changed banks in 1850 when the river unexpectedly transferred its channel and detoured around to the other side of the town.

Mrs. Turney Ill This Week  
Mrs. Frank Turney, who has been ill several days, is better.

## SICKNESS takes a Holiday!

## Their Health is Protected by Electric Refrigeration

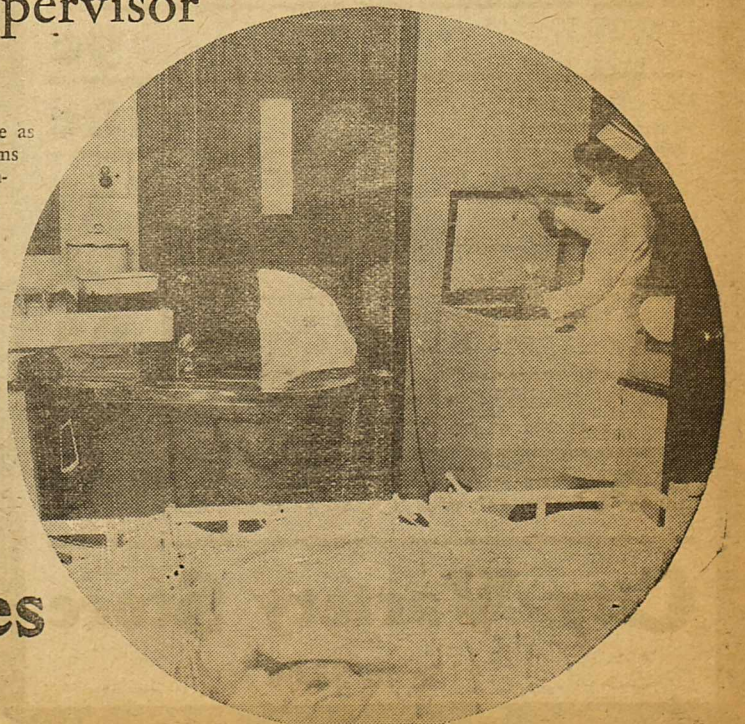

### Hospital Obstetrics Supervisor Says: "It's Safest"

Economy in operation and safety from food spoilage are as important in your home as in any hospital! Therefore, it seems amazingly significant that most all hospitals, including Hendrick Memorial Hospital in Abilene (see photos), depend largely on Electric Refrigeration for these two necessary performances. Miss Vera Smith, obstetrics supervisor, says: "We now have eight Frigidaires in use, one of which is in the maternity ward. I know of no better method than electric refrigeration as a means of providing one of many safeguards for the health of these babies." So when buying a refrigerator, please bear in mind that responsible persons, qualified to exert expert choice, everywhere are choosing Electric Refrigeration. Especially is this true in West Texas, where torrid summer heat makes it impossible for other types to maintain 40- to 45-degree temperatures—necessary for complete food protection. Electric service for refrigeration costs as little as 2 3/4 cents a day!

### IN THE PICTURES

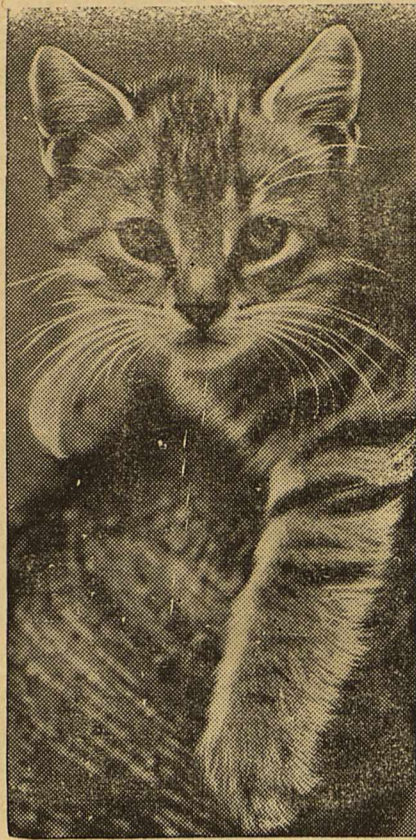

Snoozing peacefully are these youngsters, undisturbed by the electric refrigerator which protects their liquids. One yawns, another blinks big, blue eyes as Nurse Vera Smith makes a routine inspection. Below: Miss Smith stands at the Frigidaire, whose silent operation is essential; in foreground beyond the baby cribs is the hospital's new "incubator."

## MURDER TRIALS--

(Continued from page 1)

were: S. H. Patton, John Eaton, Earl Lomax, H. West Evans, Tom McKee, Ben F. Meckel, J. T. McClelland, R. L. Hallum, Frank Smith, J. C. Norris, O. L. Richardson, J. B. Heflin.

### Damage Suit Next Week

Motions were heard Tuesday morning in the suit for \$1100 damages of Cleofus Mendez versus the Sovereign Camp of the Woodmen of the World. Phil Foster, Del Rio attorney, and Robert Hughes, San Angelo, represented defendant and plaintiff, respectively. Judge Montague set the case for Thursday, March 31, allowing time for the defense to secure depositions from the Omaha office of the insurance company.

Tuesday morning A. M. Iley, charged with driving a car while intoxicated, was assessed a \$50 fine, a 6-month suspension of driving license ordered and given a 6-month jail term, the latter of which was suspended. Petition for suspension of sentence was made by Johnny Andrews on a charge identical with that of Iley's. No judgment was entered in the case.

Disposition of other cases by the court was as follows:

C. V. McKnight vs. F. B. Williams, suit on note, continued on motion of plaintiff; Ed Roe vs. L. W. Elliott independent administrator, suit for expenses, salary, and services, dismissed at plaintiff's cost;

Theo Savell vs. Charles A. Brown, suit on note, continued for service on defendant; Mrs. Pearl Tanneberger vs. L. L. Massey, suit for damages, and Mrs. Quinta Maria Wilson vs. L. L. Massey, suit for damages, both suits continued by agreement; Norman Glen Kirby given temporary custody, Jimmie Frank Stilley, minor, adjudged a dependent;

Divorces granted: Eliseo Buenida vs. Trinidad Zumor Buenida; Iva Shelton vs. Joel Shelton.

In county court this week Weatherby Kenser was fined \$25 and costs on a charge of aggravated assault. Raymond C. Johnson, soldier, was tried on a similar charge and the case taken under advisement by Judge Alvis Johnson.

## SUBJECTS OF 2 SERMONS ANNOUNCED BY PASTOR

The morning sermon subject at the Methodist Church was announced this week by the Rev. R. F. Davis as "Our Glorious Hope." In the evening he will speak on "The Comfort of the Gospel."

Sunday School convenes at 9:45; the minister reminded, with class-

es for every member of the family.

Two pleasing congregations last Sunday were reported by the Reverend Mr. Davis and he is urging that many attend the two services Sunday.

The Young Woman's Guild wants to see you Tuesday! Food sale and sandwiches; Vander Stucken's; March 29.—adv.

## Happiness Secret Subject of Sermon

Baptist People From Sonora in San Angelo This Week

A cordial invitation to attend the Sunday services of the Baptist Church was expressed this week by the Rev. R. C. Brinkley, pastor, who said that he will speak Sunday morning on the subject—"The Secret of Happiness."

Four were baptized Sunday night at the church. The Reverend Mr. Brinkley said this week that his church has had more baptisms since the association meeting than it had all last year.

Seven Baptist Church members from here attended the Workers' Conference Tuesday in San Angelo. It was decided there that there would not be a conference in April because of the State Sunday School Convention in San Angelo April 19-21. A detailed story of the convention appears elsewhere in the NEWS today.

Those from here who attended the San Angelo meeting this week were: Mrs. H. P. Largent, Mrs. Will Perry, Mrs. M. A. Young, Mrs. Lee Holland, the Reverend and Mrs. Brinkley and daughter, Kathaleen.

## SCHOOLGIRL HURT FRIDAY IMPROVING THIS WEEK

Steady improvement is being made by Billy Cartwright, school pupil who was wounded in the check Friday morning of last week by a bullet fired from the hill near the elementary school building.

A 15-year-old schoolboy admitted to B. W. Hutcherson, Sutton county sheriff, after questioning that night and last Saturday morning, that he had fired the shot. He said that he was shooting at a rabbit. The sheriff took a statement from the youth and presented it to the grand jury, he said this week.

PRINTING is a BUSINESS that demands efficiency and good paper. We use HAMMERMILL on jobs that require excellence.

THE DEVIL'S RIVER NEWS
