

50 Years Ago

The fall clip will be of fine, bright long staple free from scab. The reduction in price of Cooper Dip has induced ranchers to use it exclusively, and the result is better wool and healthy sheep in the Stockman's Paradise.

Uncle Charley was in town Monday and promised to subscribe to the Devil's River News if we would say that the finest housekeeper in the land resides at the Middle Ranch Valley.

W. B. Silliman left for his home in Austin County Monday on receipt of a telegram stating that his father was ill and not expected to recover.

W. F. Decker, who ranches in the eastern part of Sutton County, was in town Monday. Mr. D. has commenced shearing.

Mr. and Mrs. Charles Sowell returned Sunday from a two week's visit to friends in Taylor County.

D. B. Cusenbary, sheepman and wool grower, mutton buyer and buck seller of the Stockman's Paradise, sold this week to N. G. King 13 bucks at \$20.

H. Knausenberger, the fine buck raiser of the Stockman's Paradise, sold 5 Ohio Merino bucks to E. N. Brant at \$15; to G. B. Huber 6 at \$18.

Mr. and Mrs. B. F. McDonald of Juno were in Sonora Thursday.

If you think this is not a paradise, take a trip through any other country you ever heard of.

The post office has moved to the drug store of Reynolds and Cusenbary. A handsome cabinet with lock boxes has been put in and the general appearance of the office is in keeping with the progressive strides of Sonora and the Stockman's Paradise.

Sol Mayer, partner and able manager of the ranch business of F. Mayer and Sons, cattle, horse and sheep raisers, of the Stockman's Paradise, was in Sonora Monday buying bucks.

E. N. Bryant, one of the new ranchmen, says he traveled over the entire range country of the United States and is perfectly satisfied that the Stockman's Paradise is the finest sheep country in America. So is the Devil's River News.

C. C. Leman, a prominent citizen of Edwards County, was in Sonora looking at bucks Monday.

Mrs. Ollie Gurley of Ozona and May Callahan, accompanied by Hon. B. B. Cusenbary, called at the Retreat Monday.

Geo. Allison, sheep, horse and cattle raiser of the Stockman's Paradise, was in Sonora Thursday. He sold 10 bucks to F. M. Sandherr at \$10.

P. H. Wentworth, one of the successful sheepmen of the Stockman's Paradise, is shearing 30,000 sheep. He employs 65 shearers who shear from 40 to 60 head a day. The scene is an interesting one.

Sutton County Man Appointed To Office

Governor Coke Stevenson announced his first appointments to state office, including a banking commissioner, three members of the Texas College of Arts and Industries board of regents, a member of the Texas A&M College board of directors, two members of the State Game Commission, and district judges at Laredo.

Gordon F. Stewart, Sutton County rancher, was appointed member of the six man State Game, Fish, and Oyster Commission, with term expiring September 1, 1947.

Mr. and Mrs. Ben L. Wheat and Mrs. Nannie Wheat were in town last Wednesday.

538 Students Enroll In Sonora Schools Wednesday

School Opens With Program At High School, Faculty Completed

With an anticipated better year than ever before, the Sonora Public Schools opened Wednesday morning at nine o'clock with a short program in the High School auditorium. Superintendent Noble Prentice, who presided, was introduced by Brayn Hunt, president of the Board of Trustees. After singing "America" the assembly heard the opening prayer by Rev. L. K. Brown.

Mr. Prentice then introduced members of the School Board Ralph Trainer, Mrs. George H. Neill, Mrs. Wallace Dameron, Joe Berger, Mrs. Ben Cusenbary, and Mrs. John Ward. Preston C. Lightfoot, principal of the High School, and Harvey H. Black, new principal of the Elementary School introduced their teachers.

Principal address of the program was made by Jodie Trainer, president of the Lions Club. Mr. Trainer welcomed the students and teachers back to school and stated that one of the Lions Club's main objectives was to promote to the fullest, the American educational system. The program was closed with the benediction by Rev. P. D. Fulgining.

Five hundred and thirty-eight students registered for school Wednesday. Ninety-seven enrolled in High School, 219 in the Elementary School, and the remainder in the L. W. Elliott School.

This total does not represent the total expected for the year, said Noble Prentice, superintendent, since many students do not register the first day. A breakdown summary follows:

High School	Elem. School

The Sonora School System faculty was reported complete late Wednesday afternoon, with one exception. Mrs. W. P. Truett is substituting at the L. W. Elliott School until this position can be filled.

Heading the roster of new teachers obtained since the last issue of this paper is Harvey H. Black, principal of the Elementary School. Mr. Black is a graduate of Howard Payne College at Brownwood, and has finished the classwork for his M. A. Degree at Texas A&M College. He has been principal of the May Elementary School for the past seven years.

Miss Maxine Speck of Lamesa, who received her B. S. degree from Mary Hardin Baylor College at Benton, will teach the second grade at the L. W. Elliott School and will have charge of the Junior and Senior Speech classes.

Miss Mary Hal Holland of Junction, a graduate of Hardin-Simmons University will teach the fifth at the L. W. Elliott School, and will assist in the Music Department.

Two resignations were reported last week. Miss Emma Lou Logan has taken a position in Rocksprings and Miss Mary Louise Mitchell has gone to teach in Marfa.

The Sonora Motor Company donated a new 1941-42 Texas Almanac and Guide to each teacher and room in the schools.

West Texas Utilities donated a book "Your America," a compilation of data concerning the nation, the constitution and valuable information for each teacher for use in developing Americanism in the schools.

Mrs. Archer's Brother Dies In Centerpoint

William Burleson, 58, of Centerpoint, died Monday of a heart attack. He is a brother of Mrs. G. W. Archer and George Burleson of Sonora.

Funeral arrangements are pending.

Survivors include the widow, two sons, Alfred and Ervin, two daughters and five grandchildren.

Mrs. Archer and daughters, Mrs. Henry Greenhill and Mrs. Cliff Johnson, left Monday for Centerpoint.

Lions See Social Security Movie

"Families Without Fear," was the title of a picture shown Tuesday noon to the Lions Club, by George Clark of the Public Relations Department of the Social Security Board in San Angelo. The picture showed how social security was double security against death and old age. Taking people from all walks of life the picture analyzed their respective positions today, when they reached the age of 65, and the positions of their families in case of their death.

Jodie Trainer announced that 16 Sonora Lions had attended the Group meeting at Ballinger, and that this was the largest representative from any town. The new program committee was also announced. It includes Rae Eastland, Pat Lyles, and L. L. Gulley, Jr.

The directors voted last Monday night to buy ten \$100 defense bonds. This purchase would call for an outlay of \$750 and would realize a return of \$1000 in ten years.

WHOOPIING COUGH EPIDEMIC

In answer to reports of a whooping cough epidemic in Sonora, Dr. J. Franklin Howell, City and County Health Officer, stated Wednesday that a child must have had the disease prior to eight weeks ago in order to go to school. That is, if the child has ever had the disease, he must have had it before July 3, 1941. This requirement is in strict accordance with state health regulations.

Services Held Friday For A. J. Burleson

Funeral services were held for A. J. Burleson, 88, at the home of his daughter, Mrs. G. W. Archer, Friday afternoon at four o'clock.

Mr. Burleson, who had been residing with Mrs. Archer, died Thursday night at 9:30 after a long illness. Rev. L. K. Brown, pastor of the First Methodist Church officiated. Burial was in the Sonora Cemetery.

Survivors are Mrs. Archer and George Burleson of Sonora; Luther and William Burleson, both of Center Point; Mrs. Milton Waters of London and Mrs. Matthews, who was unable to attend.

Frank Smith, Jodie Trainer, Alvin Johnson, Tom Driskell, Sam Hull and A. W. Await, Sr., were pallbearers.

RETURN FROM CALIFORNIA

Mr. and Mrs. Hix Hall and daughter, Cynthia Ann, returned the first of the week from a business trip to Los Angeles, Calif. Mrs. Hall's sister, Miss Emma Creagh of Commerce, and Vernon Eady of Nashville, Tenn. ran the La Vista Theatre while the Halls were gone.

Broncos Not Optimistic; Promise Plenty Of Action

With the football season opening in Sonora with the Bronte game on September 13, the Broncos were reported as fast rounding into shape. With the exception of one or two line positions, the team seems to have almost enough material for this year's ten game schedule. Naturally handicapped by the small number of eligible boys in High School, the Broncos have been making up for the shortage with hard work in blocking and tackling.

Although Coach Murray has never been boistrous in predicting Sonora's performance for the season, he nevertheless feels that opposing teams won't think it was the bus ride that caused all those sore spots.

Other West Texas teams reported beginning practice around Sept. 1.

JUNCTION—

Suits will be issued and the initial practice of the 1941 football season will be held in Monday, September 1st, according to Coach Frank Hubbell.

With ten lettermen from last year's squad returning this season, Hubbell is optimistic over prospects and expects to develop a club which will be a title contender.

The squad will have only 13 days of practice before the first game of the season, which will be played with the Paint Rock club on the Menard Field. This will be a night game and will be played Saturday evening, September 13th. The two schools have leased the Menard field in order that the game can be played under the lights.

OZONA—

Eighteen boys, prospective material for the gridiron squad which will do battle on District 8B fields this fall under the colors of Ozona High School, returned Thursday from a week of camping and preliminary training which has been under way at Ozona's second annual football camp since last Friday.

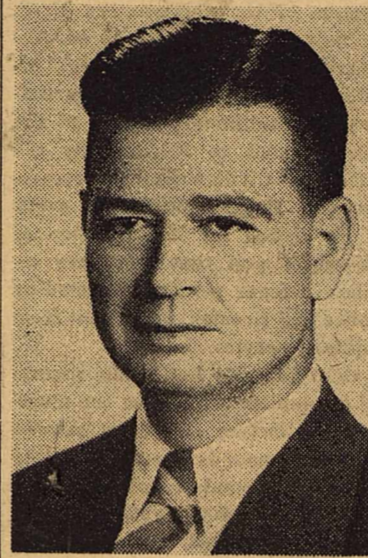

SCOUT EXECUTIVE

PICTURED IS Joe O. Galbraith, Field Executive of the Concho Valley Council, Boy Scouts of America.

The boys have been encamped at Bayer's crossing on Devil's River, with Coach Dan Patterson and Assistant Coach W. E. McCook in charge of the hardening process and general physical conditioning

SUPERINTENDENT

Noble W. Prentice, Sonora's new superintendent of schools, who opened his first school term here Wednesday morning.

Hon. Chas. L. South To Speak Wednesday

The annual Lions Club Teachers' Night will be held Wednesday night instead of the regular meeting next Tuesday. Members will be notified as to the place of the meeting.

Long a part of the Lions program, the entertainment is designed to form a closer relationship between members of the school faculties and citizens.

Star speaker of the evening will be the Honorable Charles L. South, representative in Congress for the Twenty-First District.

Novel entertainment has been planned for the speaker and guests.

GRAND JURY RETURNS TWO BILLS HERE

Two bills, one for swindling by writing a bad check, and the other for wool theft were returned Tuesday by the Grand Jury. Members of the jury were Dan Cauthorn, Glenn Reeves, J. V. Alley, Frank Bond, Cecil Allen, Joe Berger, Wallace Dameron, foreman, R. A. Halbert, Miers Savell, Louie Trainer, Libb Wallace, and Rip Ward. Ralph Crowe was bailiff.

The Boy Scout committee will meet Monday night at the First National Bank, according to Billy Penick, Scoutmaster.

SAFETY MEASURE TAKEN

The Lions Club is having posters on safety printed, and will deliver them to the schools in a few days. Students will be asked to paste them on the backs of their notebooks. In conjunction with this publicity, the Safety Committee of the club also plans a safety program in the auditorium.

in preparation for the beginning of serious football practice next week.

Boys of the local grid aggregation were given a week of pre-season training at summer camp last year and realized a great deal of benefit from the experience. The boys are given track work, enjoy swimming, hiking, and games and return in good physical trim for the grueling first training period on the gridiron.

BIG LAKE—

Jack Rhodes, former University of Texas grid star and who received his B.S. degree there in physical education, has been named athletic director of the Reagan County High School. Mr. Rhodes comes to Big Lake well recommended in both school and athletic work. In 1939 he coached in Orange and last year found him as physical education director at Regional Center, a NYA project.

Mr. Rhodes played three years of varsity football at the University of Texas, and was captain of the team one year. His position was at guard.

Sonoran's Father Dies In Fort Worth

James Timothy Hutcherson, 87, of Fort Worth died last Sunday at 5:20 A. M. at his residence. Mr. Hutcherson was the father of B. W. Hutcherson, sheriff of Sutton County.

On August 6, Mr. and Mrs. Hutcherson had observed their sixty-seventh wedding anniversary. Both he and Mrs. Hutcherson, 85, were born in Texas.

A native of Rockdale, Mr. Hutcherson engaged in farming in Milam, Coryell, Brown, Tom Green and Concho Counties prior to his retirement. He had resided for some time in Sutton County.

In addition to the widow, survivors are his son and five daughters: Mrs. J. T. Eubank, Roosevelt; Mrs. Ann Ross Hatch of New Mexico; Mrs. A. L. Wooten, Handley and Mrs. J. C. Heald and J. Y. Jacobs of Fort Worth; 23 grandchildren and nine great-grandchildren.

Funeral services were conducted Monday at 3:30 P. M. at the Phillips Funeral Chapel and burial was in the Garden of Memories.

Mrs. B. W. Hutcherson and Nonie left Sonora Sunday and returned Tuesday after attending the services.

BRONCO RIDES AGAIN

Yes, the Bronco will ride again this fall in the form of a four column, four page, bi-weekly newspaper published by the student body of the High School and Elementary School. The publication date of the paper will be every other Monday beginning September 22. The staff which will edit the paper will be elected by a general election. Miss Noble will sponsor the paper. We don't know who's riding the bronco pictured above, but we have a hunch it's the future editor trying to hold the job down.

NOV. 30 RANGE DEADLINE

November 30 will be the last day for the completion of the 1941 range programs, according to Clay Atchison, County Agent. Those who haven't had their first inspections should call the County Agent's office.

Mrs. H. E. Noonan and Miss Mary Noonan of San Antonio spent the week-end here guests of Rev. and Mrs. L. K. Brown.

NEW AWNING

The Sonora Tavern has been equipped with a new awning which stretches the length of the building lot. The awning, which was installed at a cost of over \$500 is designed to protect parked cars and the building from the heat.

Joe Brown Ross was in San Angelo Wednesday.

THIS WEEK IN DEFENSE

The President created by Executive Order a seven-member supply, Priorities and Allocation Board, with Vice President Wallace as Chairman and Donald M. Nelson, formerly OPM Purchases Director, as Executive Director. The Board will fix priorities and allocate supply of materials, fuel, power and other commodities of all kinds to meet the demands of the Army and Navy, the defense-aid program, the policies of economic warfare and the needs of civilian population. Members of the Board are OPM Directors Knudsen, and Hillman, War and Navy Secretaries Stimson and Knox, Price Administrator Henderson, and Lend-Lease Supervisor Hopkins.

Under the Order, the Office of Price Administration and Civilian Supply becomes the Office of Price Administration and a Civilian Supply Division is created in the

OPM to protect the interests of consumers. Both will be headed by Leon Henderson, who was OPACS Administrator. The Order also transferred Edward R. Stettinius from his post as OPM priorities Director to that of Lend-Lease Administrator and appointed Mr. Nelson as Priorities director.

Aid to Britain, China, Russia—

The President announced a military mission will go to China to study the need of China for equipment and materials and expedite lend-lease aid. State Secretary Hull stated the U. S. will maintain the policy of freedom of the seas in shipping supplies to Russia via the Pacific. The President told his press conference an organized campaign of rumors, distortions, half-truths and falsehood regarding misuses of lend-lease funds had been launched to sabotage the program of aid to opponents of the Axis.

Agriculture—

OPM gave priority to deliveries of materials necessary for the production of parts for the repair and maintenance of existing farm equipment and manufacture of new farm equipment. The President vetoed a bill to withhold from the normal channels of trade Government-owned cotton and wheat, because "in times such as these no one can foresee how soon these stocks may be needed."

Army—

The War Department announced creation of a third parachute battalion and a fifth armored division. The Army also amended its

regulations to permit discharge of enlisted men to accept Navy commissions when the Navy so desires.

Air—

Artemus L. Gates of New York, World War Navy flier, was appointed Assistant Secretary of Navy for Aeronautics. Twenty-eight new Army Air Corps units were formed, including 26 school squadrons of 200 men each. The Army Air Forces began tests of the P-40F, latest of a series "giving excellent performance abroad," and sent Maj. Gen. Brett, Chief of Air, to Africa and the Mediterranean area with a mission to study planes in action and needs of the British.

Civilian Defense—

The army announced it will test the air defense and air warning system of the northeastern U. S. in maneuvers October 9 to 16. Approximately 43,000 volunteer civilians in the system will participate. A preliminary report of the mission sent to England by the Office of Civilian Defense recommended fingerprinting of every U. S. citizen for identification of casualties and that necessary civilian defense personnel, including police and firemen, be exempt from military service.

OPM Director LaGuardia reported incomplete returns on the aluminum collection campaign showed 14,000,000 pounds of scrap, yielding 10,500,000 pounds of aluminum or enough for 2,800 fighting planes, had been collected.

Prices—

Associate Price Administrator Elliott suggested women can help check price raises by writing the Price Administration's consumer division in Washington of unreasonable advances in costs of living; by consulting city and county officials to see whether increases are justified; buying this winter's coal now; reporting rapid rises in rents to state and local housing agencies; buying defense bonds instead of new cars, refrigerators, washing machines or other household appliances. The Office of Price Administration set ceiling prices on animal hair used in mattresses, rayon grey goods, dimitives, voile and combed broadcloth—thus covering almost all textiles required for

women's dresses, men's shirts, underwear, coat and suit linings, handkerchiefs, sheeting and other items of cotton and rayon.

Conservation of Materials—

OPM requested bicycle and furniture manufacturers to conserve materials by simplifying models and designs, eliminating brass, chrome, nickel, copper and metallic finishes, white side-wall tires, and using reclaimed instead of raw rubber. The Division of Consumer Supply asked consumers to take special care of their cars, cut down on consumption of tires, gas and oil and offered a check-list to aid in conservation. WPA inaugurated a program to salvage steel from abandoned publicly-owned street car rails. The War Department reported it had found recapped and retreaded auto tires gave 80 per cent of the service of new tires at a cost 60 per cent less.

Doctors, Dentists, Nurses—

Federal Security Administrator McNutt announced an agency will be set up to mobilize physicians and dentists to meet special demands for medical care arising from the defense program. Plans will take into account distribution of doctors and dentists in relation to population, training, and experience and their availability for service. Red Cross Headquarters and the OCD announced plans to train 100,000 volunteers as nurses' aides with the help of local hospitals. Volunteers must be between 18 and 50, graduates of high school and physically able; they will be selected by local public health and nursing groups and serve as assistants to graduate nurse in hospitals without pay after 80 hours of intensive training over a seven-week period.

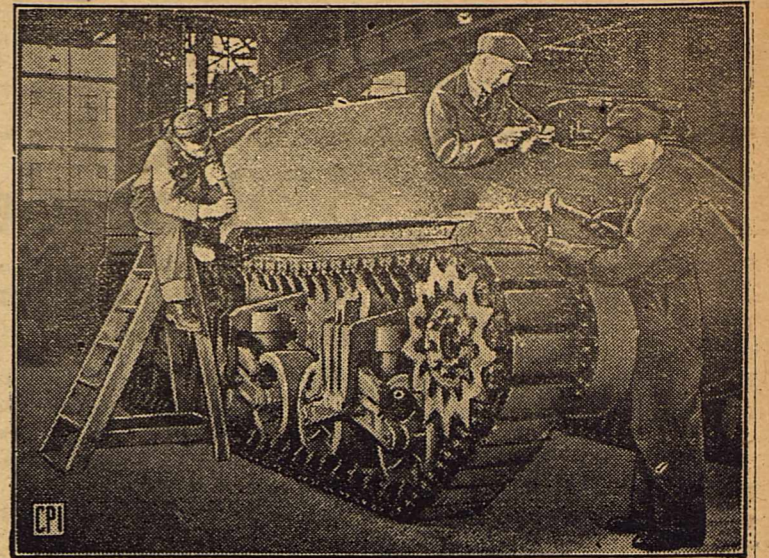

Selective Service—

Headquarters directed local draft boards to speed arrangements for aiding in the reemployment of soldiers the Army is planning to release beginning September 1 by getting in touch with former employers or finding other jobs for the soldiers. In the first case of its kind, a discharged selectee from New York was returned to his former job after the local U. S. attorney requested his firm to take him back although the firm said his job had been abolished while he was gone.

Oil, Gasoline—

President Roosevelt told his press conference the launching of many oil tankers already on the ways and the operation of two pipelines from the Southwest to the Eastern seaboard will materially relieve the gasoline shortage in the East by next spring. Price Administrator Henderson issued a table of fair maximum retail prices for regular gasoline in 40 major cities, and the Senate began an investigation of the shortage. Acting Oil Coordinator Davies said "sinister and planned" sabotage may lie behind the "multiplicity

Canada Is Building Tanks

—Passed by Censor.
Canadian industry performed a miracle when it fashioned its first heavy infantry tank. At the outbreak of war, the Dominion had no facilities for the manufacture of such military monsters as tanks and no means of making armor plate such as tank specifications call for. But brains, perseverance and expediency combined to make possible the overcoming of these serious obstacles and today, not only is Canada producing tanks at the rate of three per day but

of misinformation that there is really no shortage.

New Plants and Facilities—

The Government contracted for the following new plants: pig iron, Cleveland, Youngstown, Warren, Ohio, and Birmingham, Alabama, \$58,312,000; ordnance facilities, Chattanooga, Tenn., and St. Louis, Mo., \$35,965,999; airplanes and spare parts, Buffalo, N. Y., \$75,218,384.

Unemployment from Shortages—

OPM Labor Division began surveys of 20 communities in 10 States in which consumer-goods plants are threatened with curtailment of supplies because of defense needs. Defense contracts will be awarded where necessary to alleviate labor dislocation. The first such contract was awarded to a Manitowoc, Wis., company, with 4,000 employees facing shutdown because of aluminum priorities.

Market Reports . . .

HOGS: San Antonio, Sept. 2.—Hogs, estimated salable and total receipts 1,000. Tuesday's post-holiday market in the hog division found trade moderately active although prices ruled mostly 25c lower than last week Friday. The day's top of \$11.25 took most good and choice 180-270 lb. butchers. Comparable grade 160-180 lbs. cleared at \$10.75 while 150-160 lbs came in at \$10.25-10.75. Most sows averaging 400 lbs. and under cashed at \$10-10.25. Feeder pigs carried a firm price trend at \$9.00-9.50.

SHEEP: Estimated salable and total receipts 1,100. Sheep and goat sales were slow to develop but rounded out about steady. A load shorn medium grade aged wethers cashed at \$4.25. Medium and good selections were quotable around \$4.75-\$5.00. A few slaughter goats brought \$3.00-\$3.50. spread with a few closely sorted up to \$4.00. Spring feeder lambs earned \$7.50-8.00 and solid mouth breeding ewes moved on country account at \$4.50 per head.

CATTLE: Estimated salable and total receipts 1,900; Calves 2,600. Slaughter steer and yearling supplies Tuesday proved relatively small. Various lots common and medium yearlings sold on a steady basis at \$7.50-8.75 with little offered to exceed the latter figure. Medium grade grass steers cashed at \$8.75-9.25. Around 200 head 1168 lb. grass steers sold to arrive at \$9.25.

Slaughter cow trade proved

Did you know that the age of a rattlesnake cannot always be determined by the number of rattles on its tail. The age can be determined from the rattle only when the snake still possesses the first rattle, or true button, according to game department experts. The true button often is knocked off when the snake strikes its tail against some hard object.

more active than late last week with values ruling fully steady. Most beef offerings turned at \$5.75-7.25 and a few strictly good lots up to \$7.75. A spread of \$4.00-5.75 took most canners and cutters with only occasional shelly canners down to \$3.50. Sausage bulls found steady outlet at \$6.50-7.50, odd head strong weights to \$7.65. Cutter grade lightweights occasionally dropped to \$5.75. Killer calves found release at steady to strong rates with instances 25c higher on medium grade offerings. Most good and choice cleared at \$9.75-10.75 while common and medium earned \$7.50-9.50. Culls rarely dropped below \$6.00.

Generally steady rates took stockers and feeders. Good and choice steer calves earned \$10.50-

12.50 while choice under 300 lbs. lots cashed at \$12.75-13.00 Heifer calves were included at \$10.50-11.50. Mixed steers and heifers cleared \$12.25. Medium and good yearling stockers cleared \$9.00-10.00.

Traffic Tips...

Considering the facts that school has opened and that Sonora possesses an excellent traffic record, it seems doubly important to us that we maintain a consistent safety program throughout the year in order that no child leave school because of traffic injuries and in order that Sonora's record remain intact.

It was with this idea in mind that the Safety Committee of the Lions Club inaugurates a traffic safety program specifically designed to KEEP OUR CHILDREN FROM BEING HIT BY CARS. The program will begin with the distribution of circulars noting traffic rules and regulations, and will be followed up during the school year by talks, programs, and demonstrations.

Although psychologists say that the best way not to put your point over is to use the word "don't," we present four "don't" and four "do's" which we would like to equip every child with as he starts to school. The Lions Club and this newspaper feel that it is every bit as important for a child to be equipped with information which may save him from death or injury as it is for an aviator to be equipped with a parachute. In other words, the plane may not fall, but . . .

DO
Look to left and right before crossing a street or highway.

Walk on the left of a highway and in single file.

Keep close to the right side when riding a bicycle. Be courteous because courtesy means safety to everyone.

DON'T
Run into the street from behind a parked car.

We See By The . . .

Kerrville Mountain Sun that the local Junior C of C is organizing a Fans' Quarterback Club (Maybe the Kerrville ladies will organize a Back Seat Drivers' Club).

The Pecos County Commissioners' Court has agreed to buy uniforms for a Texas Defense Guard unit with headquarters in Fort Stockton, according to the Fort Stockton Pioneer.

The Junction Eagle reports that the Junction High football team will begin fall training on September 1 with ten lettermen of the 1940 team back on the gridiron. The Sonora Brones will meet the Junction eleven at Junction on October 11.

The Brady Standard has coined a new word: "Cricket-rieg." The Standard complains, "Monday morning's invasion was the worst et, with this morning's (Tuesday) cricket-rieg running a close second.

The Ozona Stockman reports the death Wednesday night of W. S. Willis, sheriff of Crockett County since 1928. Sheriff Willis, popular and widely respected as an officer of the law, had been in failing health for over a year.

State Representative Charles South was the principal speaker at the semi-annual meeting of postmasters of the twenty-first congressional district held in Eldorado Monday, according to the Eldorado Success.

You can't keep a good man down, and you can't tell a good peddler "No." The Brady Standard reports that a Seattle, Washington salesman offered "No Peddlers or Agents" signs for sale to housewives. To houses where he failed to make a sale he returned a few minutes later to offer some handy household gadget.

"Here is a strange paradox," writes the Rev. Dr. Eakin in the Bartlett Tribune. "Something that grieves my heart and tickles my funny bone at the same time. It is the following:

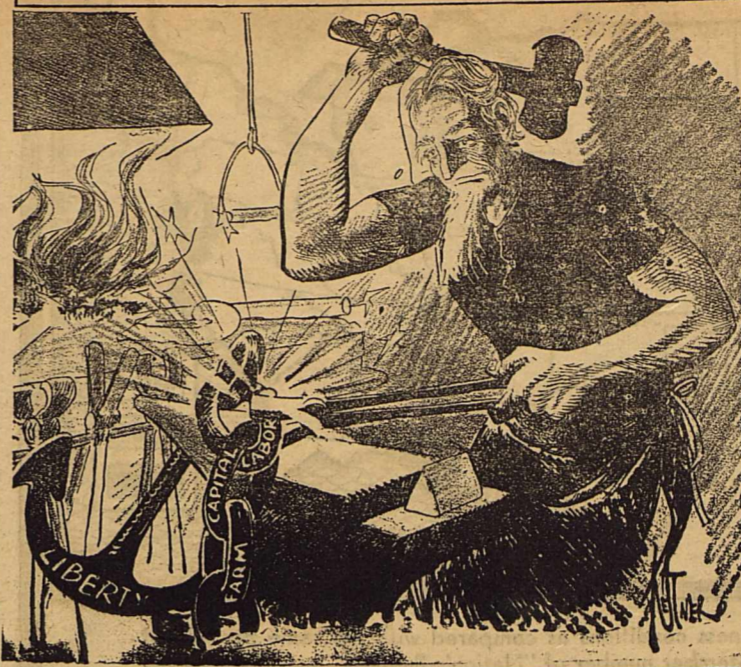

"A sour, crabby merchant who thinks he can pickle the people into buying."
"A hypocrite with a pious look on Sunday and a shameful life during the week."

Play games on the streets and highways. Use the playgrounds.

Roller skate on the streets or highways.

Run after a ball that rolls in the street. Stop and look—then WALK after it. A running child scares a driver.

Welded Together

I Give You TEXAS

By Boyce House

The changes that El Paso has undergone—and the picture is true in general of Texas cities and towns—is graphically set forth by William Moran, able editor of the El Paso Labor Advocate, who wrote this during Prohibition days:

When I first came to El Paso it had ten banks and, sixty-four saloons. Eggs were twenty cents a dozen. Texas street was an unpaved country road. Home buyers insisted on close-in locations. The valley struggled with Johnson grass, and dust storms made miserable the lives of the people. Road-houses were infamous.

The bungalow craze was just beginning. Beauty parlors, tourist camps, chain stores, auto laundries, bungalow courts, closed cars, home brew and bare-legged women were all unknown. Golf was at a minimum and bridge only understood in limited circles. Petting was done in the parlor and drinking was left to the men. Ash trays had achieved no gift popularity. The luncheon clubs were yet unborn. Self-expression was found in the kitchen and workshop. Daylight hours were filled with labor and night time was undisturbed by the moan of the saxophone.

Horses were still to be seen on downtown streets, and people carried packages unashamed. Installation buying was but faintly developed. Homes were furnished in tearful taupes and mournful mauves; jazz decoration, rich colorings and rococo styles were evidences of crudeness and barbarity. The bathroom was unholy unless in white.

Gin had not yet become a household word. The cocktail shaker never appeared except at stag suppers, and people quit dancing after forty. Divorces were spoken of in whispers. The speed limit was fifteen miles an hour.

Today, where the horse-wrangler lately plied his trade, we have city-planning and zoning, stop streets, through streets, one-way streets and loading zones, with electric traffic control. Movies, talkies, co-operative apartments, tabulated public endeavors and card indexed charities are the rule of the day. Rayon has displaced cotton, and ice comes by wire. Few

are too poor to ride, and all are to proud to walk. Potatoes are peeled by electricity and furnaces fired by electricity and furnaces fired whisked fifteen floors upward for a four-hour day in a five-day week. Surely civilization, on the border, has delighted, if not enriched the lives of the people.

"Cattle" will be the central theme of the 1941 State Fair of Texas, which isn't very far away—Oct. 4 to 19. Two national beef cattle shows will be the feature of the \$150,000 livestock division. In the National Hereford Show (the third consecutive year it has been held at the State Fair), \$30,000 in prizes are offered and awards in the National Aberdeen-Angus Show total \$10,000. The Hereford prizes represent the biggest amount ever offered by any fair in a single classification of livestock, it is declared by this columnist's old friend, E. Paul Jones, publicity director.

At least 400 head of Aberdeen-Angus are expected in Dallas for what will be the first national show ever held for the breed of black cattle.

But of course cattle are by no means all. When closely questioned, the officials will admit that the 1941 State Fair will be the biggest and best yet—and they point to \$17,500 in prize money for "the largest farm show ever housed under a single roof;" \$7,500 for poultry, besides the hobby show, culinary, textiles, flowers, pigeons, and others—the grand total of prizes reaching the breath-taking figure of \$150,000.

An Independent Midway, made up of the cream of the attractions of many exhibitors and not just one, including the popular Harley Sadler with two shows; Press Day when the editors of the State will be guests of honor; the Queen's

Pageant; University of Oklahoma against University of Texas on the gridiron, so President Harry Seay and Secretary Roy Rupard have good grounds for hoping to see a new attendance record set for the third straight year, the 1940 mark being 1,116,487, with 215,000 children on hand for Children's Day.

Sign in a cross-roads store: "If you spit on the floor at home, spit on the floor here. We want you to feel at home."

It'll soon be that time o' year when the following lines will be true:

"The naked hills lie wanton to the breeze;
The fields are nude, the groves unfrocked;
Bare are the shivering limbs or bare are the shivering limbs of What wonder is it that the corn is shocked?"

Schleicher County Has Had 9 Sheriffs

Eldorado, August 27. — Nine West Texans have served as sheriffs of Schleicher County since the county was organized in 1901. Of that number four are now deceased—Brice Dabney, who served by appointment, Dan Murram, Jim Craig and August Luedecke.

H. J. Y. Mills of Del Rio was the first sheriff of the county. His administration was probably the most colorful of all terms for it was during that time that land-rushes were common in the area.

Oldtimers here are still wondering how he averted the shedding of blood during those evicting days when the first through the door was the first to get the prized land. Although Mills carried a gun, friends here say he seldom made use of it. One of their favorite yarns they tell on this first sheriff is about the time he went over near Ozona to arrest a Mexican. When he found the man and informed him he placed the man under arrest, the Mexican made use of it. Instead of Sheriff Mills making use of his gun, he threw it down and captured the man barehanded.

Serving the county for the longest period was the late August Luedecke who filled the sheriff's office for 14 years. O. E. Conner served for 14 years. W. M. Holland of Fort Worth, formerly of San Angelo, and F. H. Watson also had their turn in the sheriff's office.

E. H. (Greasy) Sweatt is now sheriff, tax assessor and collector. He is known here as a "home town" boy, having come here with his parents when an infant. He states that he has made 40 or 50 arrests since he took office last January, but all have been due to petty thefts. R. L. Jones, formerly of Eola, is his deputy. Sweatt was among those attending the sheriff's convention in San Angelo last month.

Auxiliary Entertains Legionaires At Basket Supper

Members of the American Legion Auxiliary entertained their husbands and children at a basket supper Monday evening at the All-Nell Park.

Present were Messrs. and Mesdames Merton Shurley, Tom Davis, Hanie Davis, O. C. Ogden, Fred Simmons, Finis Hamby, Earle Duncan, A. B. Smithwick and children, Otto Mund, Joe Berger, Gene Lightfoot, H. C. Atchison; Mesdames William Allison, O. L. Richardson, Helen Berger; Misses Miller, Eunice Mund, Josette Boughton, Betty Jane and Frances Atchison, Flora Dell Davis; Rodney Davis, Wayne Ogden, O. L. Richardson, Jr., Glen Richardson, Wilfred Berger, Allan and Richard Boughton, Jimmy Lightfoot, Dr. I. B. Boughton, and Clay Atchison, Jr.

Founder's Birthday Observed By O. E. S. Wednesday Evening

Robert Morris' birthday was observed Wednesday evening at the Hotel McDonald by the Sonora Chapter of Eastern Star members. Mr. Morris was the founder of the Eastern Star organization.

A barbecued supper was served in the patio of the hotel.

Mrs. Gene Lightfoot gave the history of Robert Morris and the Eastern Star, which was followed by the group singing "The Battle Hymn of the Republic." Mrs. Laura Odom, chaplain, read the invocation.

Present were Mesdames Ruth Lea Eaton, Muriel Brown, Mary Lee Hull, Josie McDonald, Elvie Turney, Ardena Speed, Alma Ogden, Nannie Wheat, Guila Vicars, Winnie Fields, Mamie Awaft, Vida Lightfoot, Laura Odom; Messrs. and Mesdames Tom Davis and Rodney, W. P. McConnell, Jr., Ben L. Wheat, Joe Logan and Noble Prentice.

The swimming pool will remain open as long as the weather permits. adv.1tp.

Freddie Allen, who has been visiting relatives in Fort Worth and Dallas this summer, has returned home to enroll in the Sonora school this winter.

Lanier Youth Honored On Sixth Birthday At City Park Sunday

James Lanier was given a birthday party in the city park of Sonora August 31. He celebrated his sixth anniversary.

Jaems received gifts from Worth Fullingim, Mary Rose, Faye Marie Rose, Wanda Rose, Lewis Johnson, Harold Johnson, Shirley Johnson, Roger Wright, Houston Wright, Connie June Crumley, Delma Ray Odom, Clay Odom, Armilda Odom, Gail Mittle, Pauline Allen, Russell Johnson, Freddie Johnson, Hollis Long and Mickey, Rev. P. D. Fullingim, Lee Hart, Mr. Long, John Lanier, Mozelle Lanier, Sam Ray, Lanier, Mrs. Johnson, Mrs. P. D. Fullingim, Mrs. Wright, Mrs. C. D. Crumley, Mrs. Mary Shroyer, Mrs. Perry Mittle, Mrs. Lee Hart, Mrs. Bob Odom and Mrs. Juanita Lanier.

Young Women's Society Entertained By Mrs. E. D. Shurley

Mrs. Edgar Shurley was hostess to the Young Women's Society of Christian Service at her ranch home Monday evening. A picnic supper was served in the yard to the members and guests of the society.

The devotional was read by Mrs. L. K. Brown and Mrs. Babcock and Dee Word, guests, gave a report on the missionary meeting which was held in Kerrville. These women attended the meeting.

Guests present were Mesdames Babcock, Word, Ed Mayfield, Susie Blanton, Roland Howell, and Noble Prentice. Members were Mesdames W. H. Dameron, Ben Cusenbary, Rector Cusenbary, Brown, Maysie Brown, W. C. McMillan, Arthur Carroll, Rosanna Hildreth, the hostess and Miss Marie Watkins.

Friendship Class Has Social Meeting At Pope Linsey Home

Members and guests of the Friendship class met Thursday afternoon with Mrs. Pope Linsey, hostess, at her home.

The meeting was called to order by Mrs. Fullingim who also read the devotional. The minutes were read by Mrs. Gray Bean and the organization voted to have an annual banquet which will be held in October.

At the social hour Mrs. William Wright conducted several games.

Present were Mesdames Webb, Alfred Cooper, White, Lee Hart, Wright, Fullingim, Cockherm, Juanita Lanier, Bean, Linsey, members, and Lily Anthony and Walter Anthony, guests.

L. M. Rouche is the new manager of the Sonora Swimming Pool. adv.1tp.

West Texas Girls Enjoy Summer Vacation

Miss Ross Awarded Medal At Final Program At Camp

Days of fun and amusement and an interesting summer at Camp Waldemar for Kathryn Ross, daughter of Mr. and Mrs. Joe Brown Ross. After six weeks in camp, Miss Ross has returned home to enroll in the Sonora school.

Climaxing weeks of fun was the dinner on Thursday evening honoring eight hundred campers, guests and counsellors, at which time Kathryn was awarded the bronze medal for high individual achievement, for having made the required number of teams and for holding aloft the ideals of Waldemar. She has been an enthusiastic camper and has participated in numerous events and activities that have helped to make the term successful.

Summer last year enjoyed swimming at the Sonora pool. adv.1tp.

From Ozona Saturday was Bill Seahorn, who visited Mr. and Mrs. Batts Friend.

Cool off at the swimming pool. adv.1tp.

Leon Morris was in town from the ranch Saturday.

Come and enjoy a cool swim at the Pool. adv.1tp.

THIS PICTURE of Waldemar girls was taken during a lull in the round of activities in which these girls participated this summer. Shown above is Kathryn Ross, daughter of Mr. and Mrs. Joe B. Ross, who has had six weeks at Camp Waldemar and is this week returning to her home.

In the picture, left to right: Lou E. Whitehead, daughter of Mr. and Mrs. W. R. Whitehead of Del Rio; Sara D. Davis, daughter of Mrs. and Mrs. C. E. Davis of Lubbock; Kathryn Ross, daughter of Mr. and Mrs. Joe B. Ross of Sonora, and Gail Shook, daughter of Mr. and Mrs. C. A. Shook of Plainview.

Little Bridge Club Entertained Tuesday

Mrs. Howard Kirby entertained the Little Bridge Club Tuesday afternoon at her home. Cut flowers decorated the playing rooms.

High score for the afternoon was won by Mrs. W. P. Truitt.

Cookies and a drink were served to Mrs. Truitt, Mrs. Rose Thorp, Mrs. J. W. Taylor, and Mrs. Dewitt Lancaster.

Jack Runkles of San Angelo visited in the Jack Mann home over the week-end.

On hot days visit the swimming pool. adv.1tp.

Vander Stucken Home Scene Of Club Party Given Saturday

The E. F. Vander Stucken home was the scene of a party given Saturday when Mrs. Joseph Vander Stucken entertained the Girls Bridge Club. The hostess was assisted by Mrs. E. F. Vander Stucken.

Vases of queen's wreath and vari-colored zinnias were used as room decorations.

Miss Ada Steen won high club and Mrs. Lewis Stewart received second high. High guest award went to Miss Jean Evans of Austin.

Ice cream and cake were served to Mesdames Henry Decker, R. C. Vicars, Frank Bond, Lloyd Earwood, John Fields, Duke Wilson, Stewart, Lum Hines, W. B. McMullan, and Misses Alice Karnes, Steen and Evans.

Johnson-Miers Wedding Told

W. A. Miers announces the marriage of his daughter, Joe Nell, and Lem Eriel Johnson, son of Mr. and Mrs. L. E. Johnson.

Dr. Kenneth read the ceremony Saturday, March 1, 1941, in the First Methodist Church in Austin. Attending Mr. and Mrs. Johnson were Mr. and Mrs. H. C. Crawford of Austin.

Mrs. Johnson graduated from Hockaday Junior College in June, 1939, and would have been a senior at the University of Texas this fall. Mr. Johnson attended John Tarleton at Stephenville, before enrolling at A&M College.

The couple will live in Sonora.

University Students Promoting Good Will

Austin, Sept. 2.—To top off its summer goodwill broadcasts to Mexico, Radio House, University of Texas studios, brought three Mexican Air Corps officers to the campus last week for a radio interview on "The Significance of Inter-American Cooperation in the Military Defense of the Americas."

The three airmen—stationed at Randolph Field, San Antonio—are among 97 Latin-American air corps officers invited by the U. S. Government to enroll at U. S. air fields for "refresher" training.

Their broadcast concluded an eight-weeks' series of programs sponsored by Radio House and the University's Institute of Latin-American Studies, designed to test effectiveness of promoting inter-American goodwill by means of

UNIVERSITY STUDENTS BACK FROM GOOD-WILL TOUR

Austin, Sept. 2.—Back from a week's educational goodwill tour to Mexico City, 39 University of Texas students, ex-students and faculty members are expressing a new appreciation and understanding of "the good neighbor policy" with Mexico.

Sponsored and conducted by the University's Institute of Latin-American Studies, the trip took the tourists to such points of interest as the Pyramids of San Juan Teotihuacan, Xochimilco, Chapultepec Park and Cuernavaca.

UT RESEARCH BUREAU GETS NEW DIRECTOR

Austin, Sept. 2.—To serve as visiting educational counsellor for the National Institute of Public Affairs in Washington, D. C., next year, Dr. Stuart A. McCorkle, director of the University of Texas Bureau of Municipal Research, has obtained a year's leave of absence from his University duties. Aldro Jenks, bureau associate, will be acting director.

Mr. and Mrs. Jack Pfister have been visiting his mother, Mrs. Beulah Pfister.

radio. The series had the endorsement of both U. S. and Mexican governments.

Aberdeen-Angus Show In Dallas

The great "Lone Star State" will be host to the Texas State Fair, Dallas, October 4-19 to the first National Aberdeen-Angus Show ever held in this country. Mr. W. H. Tomhave, Secretary of the American Aberdeen-Angus Breeders' Association, Chicago, Illinois, reports that this show is expected to draw the largest Angus exhibit ever shown in America. Top show strings and herds from all sections of the United States and Canada will be on exhibition.

Ten thousand dollars in premium has been appropriated featuring both the breeding classes and the fat steer decisions. The Aberdeen-Angus judging dates are October 7, 8, 9, and 10, and a sale of the choicest breeding cattle will be held on Friday, October 10. A banquet for all Aberdeen-Angus breeders and friends will be held October 9 at six P. M. at the Baker Hotel.

The Texas State Fair Board has been busy during the past few months building new barns and making other arrangements to properly house the large number of cattle that will be shown.

Mr. Tomhave states, "Many large commercial and purebred herds have been established in Texas during the past few years. There is a great demand for Aberdeen-Angus in the Southwest. By bringing this show into Texas, we hope to better acquaint the people with the outstanding qualities of the Aberdeen-Angus breed."

Texas breeders who are expected to show are Tommy Brook, Brady; Essar Ranch, San Antonio; Marvin Beerwinkle, Moody; Ed Brewster, Temple; Mrs. Lee O. Gowdy, Jacksboro, Pat Jackson, San Angelo; A. T. MacDonald, Houston; The Texas A&M College,

List Accident Hazards To School Children

Apparently there is more danger for school kids wrapped up in the learning of readin', writin', and 'rithmetic than there is in chinning themselves or skinning the cat on school playground apparatus.

The new edition of Accident Facts, the National Safety Council's annual volume of accident statistics, reports that of all accidents (fatal and non-fatal) which were suffered during the 1940-41 school year of elementary, junior, and senior high school children, 21 per cent occurred in school buildings and only 16 per cent occurred on school grounds.

An additional 7 per cent of the accidents for this group occurred while the children were on their way to or from school.

Hazards that make the classrooms more dangerous than the sometimes rough and tumble playground activities produced accidents as follows:

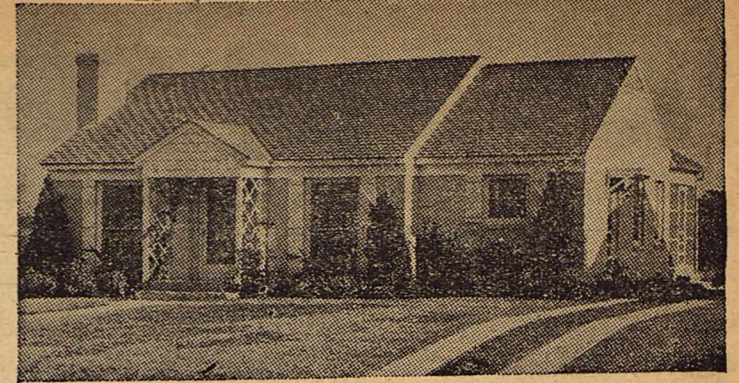

The gymnasium was the scene of 33 per cent of the accidents that occurred in school buildings. Halls and stairs produced 19 per cent, school shops 18 per cent, and classrooms 13 per cent. Seventeen per cent were unclassified.

Here is the distribution of playground accidents:

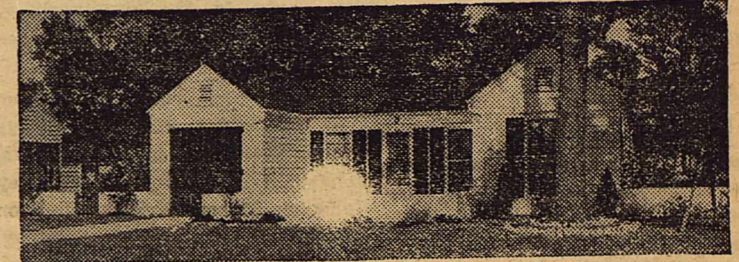

Unorganized activities, 42 per cent; football, 18 per cent; baseball, 11 per cent; other organized games, 21 per cent; apparatus, 8 per cent.

Among elementary and junior high school children exclusively, accidents resulted in 6,600 deaths during the calendar year of 1940. There are no accident fatality figures that include high school pupils.

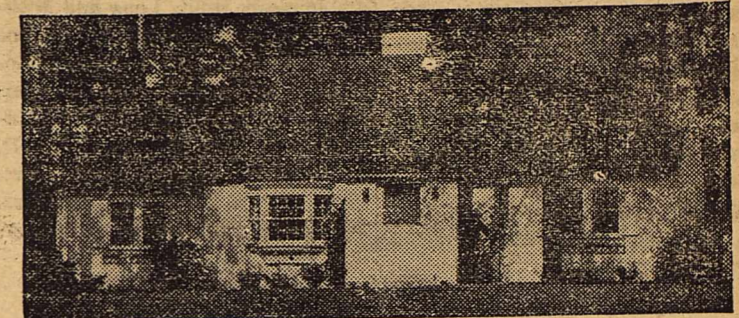

College Station, and the Texas Technological College, Lubbock.

This brick home is located in the Southwest where it is valued at \$4,000, including land.

In Texas this clapboard house is valued with lot at \$4,500. Its price, like that of other houses, will vary in other localities.

This property is almost out of the small house class yet its valuation is only \$5,750. It is located in a South Atlantic State.

These houses show that much has been done toward solving the problem of design for the inexpensive home. Constructed and located to conform to FHA requirements and financed under the FHA-insured mortgage system, these houses show that the attractive low-cost home has become a reality.

Mrs. George Cardwell and baby of Lockhart and her mother, Mrs. Harry Sharp and two sons of Alpine have been visiting Mrs. Joe Trainer and other relatives. The guests left Tuesday.

Albinos continue to appear in Texas, according to reports received by the game department. A few days ago a pure white humming bird was found near Brownwood. It was the first of the albino humming birds that the state game warden in that area has seen.

Joe Brown Ross was in San Angelo Wednesday.

Modernize YOUR HOME at Low Cost

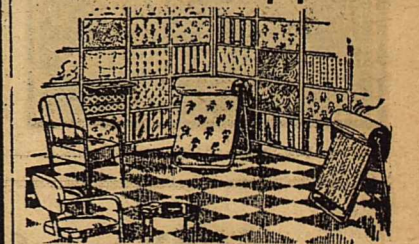

Your home can be made sparkling with new beauty—full of modern conveniences and work-savers—but at a very low cost payable in small monthly payments. Cameron's Complete Building Service does the entire job for you.

RECRUITS FROM OVER JORDAN

The Free French forces that lately, with the British, defeated the Vichy government's troops in Syria, were reinforced by these tough Circassians, who rode many miles over high mountain ranges and finally swam the Jordan before reaching the Allied lines. Their regiment was raised by Colonel Phillibert Collet, as famous among the Syrians as Lawrence among the desert Arabs. Colonel Collet could not stand the sight of Syria being converted into a Nazi base for use against France's former Allies, and led his men into Palestine, whence he launched a stirring appeal to the French Army of the Levant, not to allow itself to be made the tool of the enemy.

Convictions Increase Under New Law

Convictions for drunken driving in Texas have increased 340 per cent under the new law making this offense a misdemeanor, State Police Director Homer Garrison, Jr., reported today.

Two hundred and thirty driver's licenses were suspended or revoked upon conviction for driving while intoxicated between June 19, when the law became effective, and Aug. 22. This compares with 50 suspensions in the same period last year.

Law enforcement officers and safety officials contended that the old law, under which a first offense was a felony, was so strict that enforcement fell down through reluctance of juries and courts to send the defendant to the penitentiary. The recent Legislature enacted the new law which makes the first offense a misdemeanor punishable by automatic suspension of the driver's license for six or both. The second offense becomes a felony punishable by a one-year suspension of the driver's license and a penitentiary sentence.

Eight convictions under the new law were for second offense and one was for a third offense. "These figures do not give an absolutely clear analysis of results obtained under the new law," Colonel Garrison pointed out, "because many city officers now are filing first offense cases in state courts, whereas they were previously filed in municipal courts, whereas they were previously filed in municipal courts. Nevertheless, the increase in convictions has been so overwhelmingly largethat the new law apparently has already proven its effectiveness."

BARNES RETURN FROM TRIP

Mr. and Mrs. W. R. Barnes are at home after a vacation trip to Carlsbad and Santa Fe, New Mexico and Colorado Springs and Denver, Colo. They enjoyed a drink from the oldest well in the U.S.A. near Las Vegas, N. M., the rodeo at Carlsbad, and the Colorado State Fair at Pueblo, Colo.

VISITS IN 3 STATES

Mr. and Mrs. Hi Eastland and Mr. and Mrs. Bryan Newby and son returned Thursday after visiting West Texas, Arizona, New Mexico and Colorado. Mr. and Mrs. Newby returned to their home in Del Rio, while their son remained with his grandparents for a short stay.

NEW OPERATOR

Mrs. Jake Merck is the new relief operator with the San Angelo Telephone Co. The operating force consists of J. H. Brasher, Jr., Miss Jennie Murray, Mesdames Earle Duncan, Curtis Nichalas, W. R. Barnes and Jake Merck.

Mr. Brasher was in charge during Mr. and Mrs. Barnes' vacation trip.

Mr. and Mrs. Ben L. Wheat and Mrs. Nannie Wheat were in town last Wednesday.

DEFENSE BOND Quiz

Q. I would like to provide a regular income for myself when I retire. Can this be done by buying Defense Savings Bonds?
A. Yes. If you purchase a Bond for \$37.50 each month, each Bond will mature in exactly 10 years. Thus at the end of 10 years you will have \$50 payable each month as each of your bonds reaches maturity.

Q. But I will need more than \$50 a month.

A. Then you will need to invest a larger amount each month. Every \$75 you put into Defense Bonds will pay you \$100 ten years from now. Meanwhile, your money serves our Government during this period of national emergency.

Thorp, Caldwell Tie For Club High At Party Thursday

Mrs. Rose Thorp and Mrs. W. E. Caldwell tied for high club score when the Pastime Club met with Mrs. V. L. Cory at the Experiment Station Thursday afternoon.

Vases of summer cut flowers were used as floral decorations in the party rooms. High club award was won by Mrs. Merton Shurley. The hostess served pie a la mode to Mesdames Caldwell, Thorp, Joe Berger, Robert Rees, John Bunnell, Shurley, Paul Turney, Lewis Morris, Earl Lomax, Ralph Trainer, Rosanna Hildreth, and Joe Trainer.

Bobby Allison, who is working in Ozona was home over the week.

Mrs. Andrew Moore and Martha Jo have returned from Austin where they spent the summer.

"I INSTALL telephones . . . and for the last few weeks I've been mighty busy. Folks here in West Texas are realizing how much a telephone means . . . how it brings the doctor when baby's sick . . . calls the store for more groceries when company comes . . . and lets you talk to friends any time you please."

If you don't have a telephone, you're missing something. It gives pleasure and protection . . . for only a few cents each day. Have one installed in your home . . . now.

THE SAN ANGELO TELEPHONE COMPANY

Driver's Licenses Expire In November

Drivers' licenses with serial numbers from 1 to 450,000 expire December 31, 1941 and may be renewed after October 1, 1941. From 450 to 900,000 expire March 31, 1942, and may be renewed after January 1, 1942. On June 30, 1942 numbers from 900,000 to 1,350,000 expire. These licenses can be renewed after April 1, 1942.

Sonorans do not have to worry until July 1, 1942. Their license numbers are over 1,350,000 and do not expire until November 1, 1942. New residents are asked to notice their serial numbers and have them renewed before they expire.

Nazi air raids on England killed 41,230 persons in the year ended June thirtieth. Accidents in the United States killed 97,500 persons—more than twice as many—in the same period!

John Allen Ward Given Dance, Party

Mr. and Mrs. John A. Ward entertained their son, John Allen, last Thursday evening with a party and dance at their ranch home. The occasion was John Allen's om high for the boys. George D.

A barbecued supper was served to guests on the lawn. Bingo was played and Geraldine Morrow won high for the girls and Buster Odum high for the boys. Lila D. Chalk won the prize when the guests threw darts.

Others included were Sammie Jeanne Allison, Alain Boughton, James Leon Wheat, B. M. Halbert, III, Bob Hanie of Abilene, Clayton Hamilton, Mary Burtle, Truett Wilson, Bettye Fae Glascock, Jimmie Cusenbary, Lynn Morris, Donald Ray Behrens, Ethel Mae Alley, Peggy Dalton, Raymond Johnson, Lila D. Chalk, Martha Jo Moore, Jimmie Cook, Jan Caffey, James Theodore Hunt, Charles Lee Cusenbary, Albert Ward and Billy Shurley.

Bingo Played At San Souci Club

Bingo was played Saturday evening when the San Souci Club met with Mr. and Mrs. W. P. Truitt at their home. The hostess served a picnic supper to the guests on the lawn.

Mr. and Mrs. A. A. Murray had high score for the members and Mr. and Mrs. Rae Eastland received high for the guests.

Others present were Mr. and Mrs. Hillman Brown, Mr. and Mrs. J. W. Taylor, Mr. and Mrs. Howard Kirby, and Mr. and Mrs. Dewitt Lancaster.

Austin.

Mrs. Dee Word and Mrs. O. G. Babcock attended the Missionary Organization meeting in Kerrville.

Mr. and Mrs. Charley Hull are driving a new Ford.

Mrs. Thomas Espy and Mrs. Howard Espy were visitors in town Saturday.

Mrs. Mary Evans and Mrs. A. J. Smith of San Angelo are visiting in the Lem Johnson home.

Mrs. Harold Friess and Harold Turney were in from the hanch Friday.

Mr. and Mrs. Edgar Rees visited with Mrs. Rees' mother, Mrs. Pearl Martin, this week.

Miss Louise Briscoe, who is employed by the Nisbet Insurance Agency, has been ill this week.

H. L. Taylor is home after undergoing an operation in San Angelo recently.

Mr. and Mrs. Sam Karnes have moved to town to send their daughter, Anne, to school.

Mr. and Mrs. Jack Wardlaw and children and Mrs. Birdie Rutledge have returned from a trip through Colorado and other states.

Webb Elliott is working in the Corner Drug Store this week.

SHEEP SHIPMENTS GAIN

Austin, Texas, Sept. 2.—All classes of Texas livestock except calves in greater numbers to out-of-state markets and the Park Worth stockyards in July than a year ago, according to the University of Texas Bureau of Business Research.

Shipments totaled 5,427 cars, compared to 5,167 in July, 1940.

A gain of 59 cars marked cattle shipments, bringing the July figure to 3,060 carloads; hogs increased 64 cars to 645; and sheep gained 105 cars, to 947. A total of 775 carloads of calves was shipped, down 69 cars from July a year ago.

Mr. and Mrs. Henry Greenhill were on the Llano River Sunday.
