THIRTY-NINTH WEEK

## Junction Sheep Sale Thursday

Two hundred registered and purebred rams and ewes including Suffolks, Rambouillets, Corriedales, Delaines, Southdowns and Hampshires, will be offered at the first annual Hill Country All-Breed Sheep Sale Tuesday, July 20 at 10 o'clock. Held at the fairgrounds, the annual affair will be sponsored by the Hill Country Fair Association. Lem Jones is auctioneer.

A partial list of consignors to the sale includes:

H. C. Noelke and Son, Sheffield; Truett Stanford and Son, Eldorado; Millard L. Bennett, Junction; J. B. Miller, Ozona; Paul Gass and A. R. Rees, San Antonio; F. M. Bierschwald, Segovia; R. T. Reynolds, Menard; John Powell and Son, Menard; Victor Marshall, Harper; J. F. Duke, Kerrville; David Watters, Goldthwaite; C. O. Bruton, Eldorado; Harrison Davis, Dorchester; K. K. Gleason and W. C. Warren, Garland; Carlos B. Parker, Knoxvillle, and Louie Ragland, Junction.

## ANGELO SHEEP SALE TO START WEDNESDAY

John Williams and C. O. Bruton of Eldorado are among the consignors entering Rambouillet Rams in the Twelfth Annual San Angelo Sheep Show and Sale, according to James Grote, secretary-manager of the sale.

Bruton has entered 12 head and Williams 11 head of their registered rams. They will be auctioned in the ring starting at 9:30 a. m., Wednesday, by Col. Walter Britten, famous auctioneer from College Station who is returning for his third time to this sale. Wallace Dameron, superintendent of the Ranch Experiment Station at Sonora, will judge during the show Tuesday afternoon during which prizes totaling \$285 will be awarded.

Other consignors of the 481 sheep being sold at the San Angelo Fair Grounds during this sale from this vicinity include: J. B. Miller, 25; Miles Pierce, 29, both of Ozona.

## Schwienings Hold Family Reunion At Camp Allison

Camp Allison was the scene of the Schwiening family reunion for the eighty descendants of Mr. and Mrs. Fritz Schwiening, who came to Texas from Germany in 1876 and to the Hill Country nine years later, met on July 3-4.

Mrs. George Riley, a granddaughter of the pioneers, served as secretary-chairman and read the family history. During a business session it was decided to continue the affair annually on the same date and at the same place.

Otto Schwiening, a grandson, made moving pictures of the guests who were entertained with fishing, swimming, boating, dancing and a barbecue.

Today there are four generations who are descendants of the Fritz Schwienings. Seven of the 10 children are still living; namely Fred Schwiening of Fredericksburg; Mrs. Adolph Lange, San Antonio; Mrs. Hy Martin, Goldthwaite; Mrs. Otto Thiers, Roosevelt; Mrs. Alma Brockman, Fredericksburg, and Alfred Schwiening, Sonora.

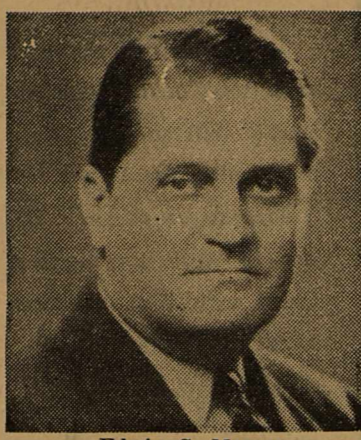

Mr. and Mrs. Schwiening settled on a farm near Austin when they and seven children arrived in Texas. In 1885 they moved to a ranch in Mason County where they lived for 14 years. They lived in Kimble County seven years and later lived with some of their children in other parts of Texas. Mr. Schwiening, a native of Ronnenberg, Hanover, Germany, was born in 1831. He made one trip back to his native land. He died January 3, 1908. His wife, Sophia Small Schwiening, died in October 1934 at the age of 90.

## Return From Trip

Mr. and Mrs. J. V. Alley returned home Sunday from a two weeks' trip to Colorado, Utah and New Mexico.

Guests of Mrs. Margaret Tipton and Mr. and Mrs. E. D. Shurley last week were Mr. and Mrs. Howard Tipton and children, Howard Lee, Jr., Joyce, Celene and Susan, of Monrovia, Calif. Tipton is a nephew of Mrs. Tipton.

Mr. and Mrs. Bob Teaff arrived Thursday from Lovington, New Mexico. They plan to be here about two weeks.

## Edwin S. Mayer To Head Drive For Boys Ranch

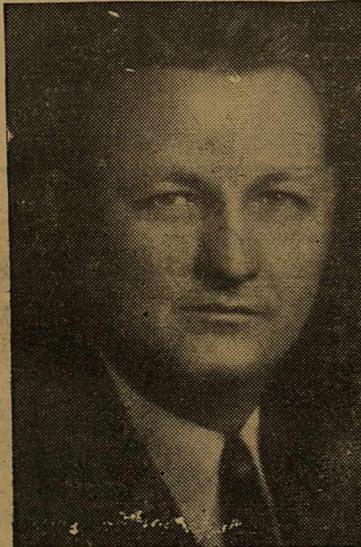

Edwin S. Mayer of Sonora and San Angelo, member of one of West Texas' oldest ranch families, has accepted regional chairman-ship of the funds campaign to establish a Boys' Ranch at Tankersly, Texas. E. E. Armistead, director, announced.

Set aside for the Ranch are 965 acres of productive ranch land.

M. D. Bryant, San Angelo oil man, ranchman, and financier, will be regional big gifts chairman.

The Ranch will be a foster home for dependent or neglected boys from 32 counties of West Texas from Fort Davis to Brownwood.

"It is highly essential that West

M. D. Bryant

Texas take care of its own boys in this particular field," Bryant said. "Other such homes in Texas are filled and there are long waiting lists.

"In the entire 32-county area which Boys' Co-Op Ranch is to serve there is not a single home to care for boys in this category," he added.

"Prevention of crime and the apprehension and detention of criminals costs West Texas millions of dollars," Mayer stated, "yet this one measure of prevention of crime at its source, the rearing of children, has gone neglected. When juvenile first offenders appear before court, there is often no recourse but commitment to the hardening influence of a reformatory.

"There are other such ranch homes in Texas, but the fact that they have long waiting lists of boys recommended by juvenile authorities for such homes makes it even more imperative that West Texans take care of their own. West Texas, the state and the nation as a whole will feel the benefit of such a home for many years after most of us are gone."

The 32 counties from which boys will be taken upon recommendation include Sutton County.

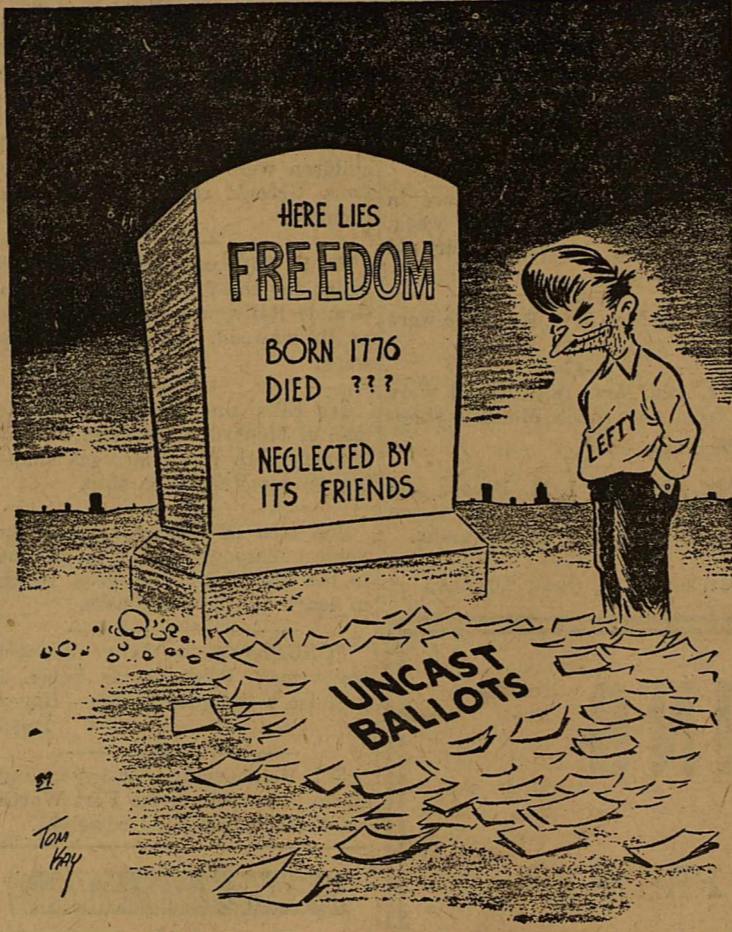

## Vacationing In Mexico

Dr. and Mrs. Tom White and John I. King of Eldorado left Saturday for Mexico City where they will spend their vacation. They plan to stay two weeks.

## County Buys Dirt Movers, Tractor For \$47,000

A total of \$47,000 was spent Monday by the county when the Commissioners Court voted to buy two DW-10 self-propelled dirt movers, each capable of carrying over 8 yards of material, and a Caterpillar Tractor. The contract was awarded to the W. K. Holt Machinery Company of San Antonio. The old tractor owned by the county was traded in on the new equipment and its allowance will be deducted from the \$47,000.

The dirt movers, which cost \$13,500 each, are capable of picking up their own dirt with the aid of a tractor, transporting it under their own power, and spreading it on a job or dumping it. They are mounted on rubber tires.

The tractor, bought at a cost of \$19,000, is rated at 130 horsepower and is adaptable to all types of road work.

## FIRE REPORTED SATURDAY

Although the fire siren sounded Saturday afternoon, an electric motor blaze at the West Texas Utilities Company was brought under control quickly and fire trucks were not driven to the scene. The only damage was done to the electric motor that powers a compressor.

L. M. Roueche, Jack Ellingson and James D. Trainer spent Sunday fishing on the Llano.

## Soil Conservation District Ranchmen Progress In Soil And Water Saving

Edwards Plateau Soil Conservation District ranchmen are making progress in soil and water conservation, recent visits made to Sutton ranches by Soil Conservation personnel reveal.

This fact is borne out on the W. L. (Tom) Davis ranch where sideoats grama and silver bluestem are showing signs of increasing. This improvement has been made following a considerable reduction in livestock numbers and the practice of short pasture deferments of from 2 to 3 weeks. For the past two years, Davis has been gathering seed from desirable native grasses along the highway and planting them on his ranch. A good many of these grasses have come up since the recent rains.

Blue grama, sideoats grama and silver bluestem were found to be making considerable seed out in the open in the Hull pasture on the Frank Bond ranch. Bond has recently given this pasture about a six weeks' rest.

A trial spraying of brush and weeds with 2,4-D was made on the Rip Ward ranch last week. Most of the spray was applied on mesquite. A small amount of lote, cat-claw, prickly pear, tasajillo and liveoak was also sprayed. Several species of weeds were sprayed including horseweed, mealycup sage, croton and white horse-nettle. The

## CORNER DRUG HANGS ON TO BOWLING LEAGUE LEAD

The Corner Drug bowling team maintained its supremacy Monday night by beating the SSC team 2333-1987, and at the same time amassing the highest team score of the evening. The Corner Drugers took over the league lead last week when they squelched the Firemen's team by three points.

The Fire Department hung on to second place Monday night by defeating Joseph's Department Store 2030-1927.

In the Scotch Couples bowling Wednesday night, in which members of the couple team bowl alternate balls, the following scores were reported.

Carolyn Johnson and Don Medler, 618  
Mary Belle Bein and Nelson Stubblefield, 548  
Wilma and Batts Friend, 484  
Johnny Logan and Mrs. Pug Roueche, 469  
Helen Martin and J. V. McCarty, 461  
Sid Awalt and Mrs. Willie Andrews, 453  
Margaret and Duane Prater, 430  
Edward Kring and Corky Mendenhall, 428.

## HENRY DIEBITSCH IN HOUSTON AFTER OPERATION

Henry Diebitsch, local ranchman, is recovering from what doctors termed a "successful" eye operation performed in Houston two weeks ago. Diebitsch is convalescing at the home of his daughter, Mrs. Jimmy Holt in Houston.

## VETERANS CAN REINSTATE INSURANCE UNTIL JULY 31

The San Antonio Regional Veterans Administration Manager, Leon P. Howell, reminded veterans today that July 31 is the last day for reinstatement of lapsed National Service Life Insurance on a "Comparative Health" basis. Before August 1, an eligible veteran may reinstate any amount of term insurance (from \$1,000 to \$10,000 in multiples of \$500) regardless of the length of time that has lapsed and usually without a physical examination. He need only fill out a simple application form in which he certified his health is as good as when the policy lapsed and pay premiums for two months.

The privilege of reinstatement on this basis will be available after July 31 only to veterans whose policies have been lapsed for less than three months. Where the period of lapse is three months or longer the veterans will be required to take a physical examination and qualify as an insurable risk.

## First Primary Scheduled For Saturday, July 24

Polls will be open for all qualified voters Saturday, July 24, from 8 a. m. to 7 p. m. in this year's first democratic primary election, Joe B. Ross, county democratic chairman, reminds Sutton residents.

Every qualified voter may cast his ballot in the box of his residence if he has not cast an absentee ballot. A prerequisite for voting is a residence of 12 months in Texas and six months in the county.

The residence of a single man is where he usually sleeps at night. That of a married man is where his wife usually resides unless they are permanently separated. In that case, his status is that of a single man.

A college student or clerk or officer in one of the departments of government at Austin may claim his residence and voting place where his home was before entering college or office.

Every person who was 60 years old, on or before January 1, 1947, or who is blind, deaf or dumb, or permanently disabled or has lost a hand or foot shall be entitled to vote without paying a poll tax. Young men and women who were not 21 in time to pay a poll tax before January 31, 1948, may vote if otherwise qualified.

The presiding judge may require an affidavit before a ballot is cast if there is any question in his mind as to the eligibility of the voter.

If the voters in Sutton County are now living in the precincts in which they paid their poll tax it will not be necessary to bring their receipts as the presiding judges have the certified poll lists of their respective precincts. If the poll tax was paid elsewhere the voter should present his or her receipts when applying for a ballot. Otherwise he or she may be asked to make an affidavit that he or she is qualified.

In casting a ballot voters should mark a line through the names of all candidates except those whom he desires for office nominations. No other mark should be made on the ballot. It should not be signed. If these requirements are not met the ballot will not be counted.

No voter should carry to the polls any memorandum or marked ballot of any kind. Sample ballots, candidate cards and anything else that will aid the voter in marking his ballot should be destroyed before reaching the polling place.

In this election as in all others no voter shall be entitled to receive a new ballot in lieu of one mutilated or defaced until he first returns such mutilated or defaced ballot. No voter shall be supplied more than three ballots in succession when they are mutilated or defaced.

Judges of the election are authorized to administer oaths to ascertain all facts necessary to a fair and impartial election. The presiding judge of the elections while in the discharge of his duties as such shall have the power of the district judge to enforce order and keep the peace at the election.

## Visiting C. E. Browns

Visiting Mr. and Mrs. C. E. Brown over the weekend were their granddaughters, Elizabeth Ann and Linda Sue Williams of Midland, and Mr. and Mrs. Joe Williams of San Angelo.

W. W. Wendt and Sue Wendt left Thursday for a trip to Austin and San Antonio. They will return the first of the week.

## Lets Prevent Polio In Sonora

In view of the dangerously high incidence of polio in Texas this year, city authorities this week appealed to citizens to cut weeds and spray vacant lots they may own as well as their own premises.

Anyone who knows of any place where flies or mosquitos are breeding is asked to call the city hall and report the location of such a place, so that the city may spray it.

As this matter is of the utmost urgency, every citizen is requested to do his part in preventing a polio outbreak in Sonora.

## Mrs. T. J. Cochran Buried Monday

Funeral services for Mrs. T. J. Cochran, 81, who died in a San Antonio hospital early Sunday morning, were held at the Baptist Church here Monday morning at 11 o'clock with the Rev. J. E. Eldridge officiating. Burial was in the Sonora Cemetery.

Mrs. Cochran was born in East Texas July 15, 1867 and was married to the late Mr. Cochran in 1884. For the past 16 years she made her home here with her daughter, Mrs. G. B. Rankhorn.

Survivors include two other daughters, Mrs. Burkhead, Muleshoe; Mrs. G. H. Riddle, Mt. Pleasant; and a son, L. J. Cochran of Muleshoe. There are also 12 grandchildren and eight great-grandchildren.

Pallbearers were Harry Harrison, Hillman Brown, Bill Smith, Bill Drennan, Bill McGilvary and S. M. Kerbow.

## Five More Years Added To Vets Insurance Set-Up

Veterans carrying National Service Life Insurance term policies will be able to renew them for an additional five years upon expiration of the present term period, under Public Law 838 passed by the last Congress, Leon P. Howell, Manager of the San Antonio Regional Veterans Administration Office announced today.

Term insurance taken out before January 1, 1946, carries a term period of eight years from date of issue. Policies issued after that date are for a five year term, Howell said.

Prior to the new amendment to the law, it would have been necessary for veterans to convert their policies to one of the six available permanent forms before the end of their term period, or their insurance would have expired. Now they may renew for another five year term at the premium rate applicable at the time of renewal.

The first National Service Life Insurance policies were issued to men in service in October, 1940. Therefore, the first term periods would have begun to expire in October of this year, according to Howell.

Those who renew their term insurance will pay a higher premium than their old rate. For example, a person who was 25 years old when he took out term insurance in 1940 has been paying 67 cents per month per \$1,000 of coverage. When he renews this year, it will be at his attained age of 33, for which the monthly premium is 74 cents per \$1,000.

## SONORAN'S GRANDFATHER BURIED IN SAN ANGELO

Funeral services for B. N. Weatherby, 83, who died at his home in Sanderson Monday, were held from the Johnson Chapel in San Angelo Tuesday afternoon. The Rev. Thomas Sterck of Fort Worth officiated and burial was in Fairmount Cemetery in San Angelo.

Surviving are the widow, three daughters, two sons, one of whom is R. W. Weatherby of San Angelo, and a granddaughter, Mrs. Bill Fields of Sonora.

## Returns From Visit

## PRICE DANIEL TO SPEAK WEDNESDAY NIGHT

Attorney General Price Daniel, candidate for re-election without opposition, has announced that he will make a report to the people over a state-wide radio network July 21 at 7:30 P. M.

Daniel, now serving his first term as Attorney General of Texas, is the youngest Attorney Gen-

Price Daniel

eral in the United States. He was elected two years ago in a vigorous campaign less than 60 days after his discharge from the Army.

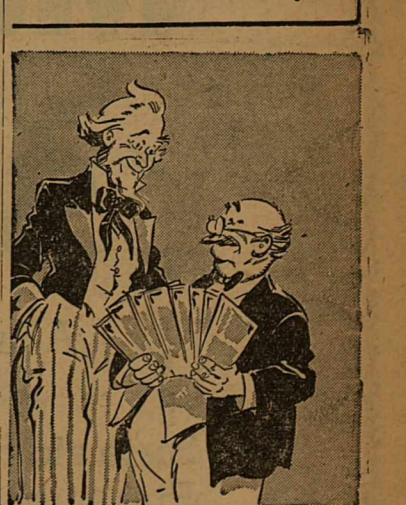

"Although I have no opponent this year, I want to thank the people of Texas for letting me serve another term and report to them on the work of my administration," Daniel said. "I will review the Sweatt case, antitrust suits and investigations, the tidelands fight, and other matters which might be of interest to the citizens of Texas."

The address will be carried over all stations of the Texas State Network and KRLD at 7:30 P. M., July 21.

## H. L. TAYLOR'S CONDITION SAID SERIOUS THURSDAY

A report was received here Thursday afternoon, that H. L. Taylor, State Highway Department district maintenance superintendent who suffered a stroke last Thursday, has developed double pneumonia and is in serious condition. Taylor was stricken as he was getting out of bed last Thursday morning and was rushed to St. John's Hospital in San Angelo. His right side was paralyzed.

## Uncle Sam Says

Millions of Americans are reeducating themselves to the support of our Government by word and action. Nearly 10 million of them are doing their share through the purchase of U. S. Savings Bonds on the easy, automatic payroll savings plan. They realize that a dollar saved is a dollar fighting against inflation. And some day, these dollars saved, will be returned to them with interest, \$4 for every \$3 invested. These bonds are truly security bonds as they help to stop spiraling prices. You too can become an investor through the steady accumulation of Savings Bonds. If self-employed, an automatic bond buying plan is available to you through the Bond-a-Month plan at your bank.

CHICAGO RAILROAD FAIR

You'll think you are really on an Indian reservation in the Southwest—when you visit the Santa Fe Village at the Chicago Railroad Fair this summer (opening July 20).

You'll see Navajos, Apaches, Hopis, Zunis, San Juans and Jemez—125 colorful Indians living in pueblos, hogans and wickiups.

You'll watch ceremonial dances seldom seen away from the reservations, and see Medicine Men make their famous sand paintings and destroy them every day at sundown.

Indian craftsmen weave rugs, make moccasins, baskets and jewelry. In fact, in

the Village you actually see a faithful portrayal of costumes, ceremonies and living quarters of Southwestern tribes. Their way of life today is noticeably unchanged from that of their ancestors who inhabited the Southwest years before Columbus discovered America.

**A LOOK AT THE BOOK**  
 By DR. BOB JONES, JR.  
 PRESIDENT OF BOB JONES UNIVERSITY GREENVILLE, SOUTH CAROLINA

The heart of the Christian doctrine is the incarnation of the Lord Jesus Christ—that He who is God became man, that He who was from the beginning the creator of all things became flesh and dwelt among us. If Jesus Christ is not the Son of God, His death on the cross could have no atoning value because He, then, is just a man born in sin like other men. But He is not just a man; He is the Son of God. The helpless Babe upon the breast of the virgin mother is the God who upholds all things; the tiny hand against the cheek of Mary is the hand of the God who sustains the universe. The Infant, dependent upon the tender care of a mother, is the God who gave to the sun the power to draw water from the sea; and from Him the moon derives its power over oceans' tides. The little Lad toddling about the carpenter shop at Nazareth and playing in the sawdust on the floor is the God who stood at the head of creation, and the Child who holds in His hands curling wood shavings from Joseph's workbench is the God who created the elements from which the wood is made. The little Boy just learning to talk and lisping His first baby words is the God who created all things by the Word of His power, who said, "Let there be light: and there was light" (Genesis 1:3). The child who grows "in wisdom and stature, and in favour with God and man" (Luke 2:52) is the very One who made man in His own image and breathed into his nostrils the breath of life.

God became man. Hungry, He breaks off the grain as He passes through the field; but He is none the less the God who hid the life within the seed and established the law of growth and the season of the harvest. Weary and thirsty, He asks drink from a woman of Samaria; but He is none the less the God who stores the waters in the hillsides and causes every river to flow down the valleys. He entered into all the fellowship of human suffering and sorrow. Shedding His tears before the grave of Lazarus, He is the none the less the God who can bid the dead come forth and restore the brother to the weeping sisters. He, the Eternal God, "is our refuge and strength, a very present help in trouble" (Psalm 46:1). He, the Incarnate God, having been tempted "yet without sin" (Hebrews 4:15), is able to succor them are tempted.

**Cody - Long Rites  
Read Saturday**

Weddings vows were read at 10 o'clock Saturday morning for Miss Dorothy Long, daughter of Mrs. H. G. Long of Commerce, and Angus Cody, son of Mr. and Mrs. A. E. Cody of Dallas. The Rev. J. E. Eldridge officiated at the double ring ceremony in the First Baptist Church.

The bride wore a navy blue faille suit with navy blue accessories and a gardenia corsage. Mrs. Reggie Trainer, the bride's sister, was matron of honor and she wore a green and white crepe print dress with black accessories. Her corsage was of carnations. Reggie Trainer served as best man.

Immediately following the ceremony the couple left for San Antonio, and later will go to Commerce, where they are students at East Texas State Teachers College.

**Mrs. Wallace To California**

Mrs. Ella Wallace left this week for Uvalde, where she will join Mrs. W. C. Bryson for a trip to Pasadena, Calif. They will visit with Mrs. Rita Ross, a niece to Mrs. Wallace.

A beach picnic is always fun, and doubly so when someone like Virginia Mayo, starring in Samuel Goldwyn's "A Song is Born", is around. Of course, there's usually a photographer on hand to take a picture! In this one, Virginia has just unpacked the food and the paper napkins; and wisely holding a paper napkin around a "hot dog", she prepares to enjoy her favorite picnic snack.

# Treasured moments of Texas History

As early as 1823, Stephen F. Austin employed a small body of Rangers to protect frontier colonies against marauding Indians. Since then their record of service has been glorious. Always champions of law and order, their missions have been to combat Indian raiders, freebooters, threats of foreign invasion, outlaws, and to serve as scouts for, and as combat troops in the Army of the U.S. and the Confederacy. Although they have served under many flags, their deeds of valor have been innumerable and Texas will always be proud of its Rangers.

From these treasured moments in Texas history has grown a great State in which the good things of life are enjoyed by millions. Three generations, for instance have enjoyed the fine quality of Texas' Own PEARL Beer. In those treasured moments of relaxation, it has become traditional to say, "Bottle of PEARL, please!"

## YOUR HEALTH

According to the morbidity report for the week ending July 3, more than 463 cases of diphtheria occurred throughout the state so far this year.

The morbidity report is released weekly by the Texas State Department of Health. It shows the prevalence of communicable disease by counties.

"In the light of our present knowledge regarding the control of diphtheria, it is unfortunate that the disease is allowed to flourish," Dr. George W. Cox, State Health Officer, said.

For the week June 26 to July 3, Nueces County reported four cases; Hopkins, Tarrant and Val Verde Counties reported one each. For the year 1947, seventy-seven deaths from diphtheria were reported.

"A life-time immunity may be established in 90 per cent of the children receiving the diphtheria toxoid," the health officer said. "If all parents of children over six months of age would have their children inoculated, the incidence rate of the disease would be rapidly reduced."

The administration of toxoid causes little or no discomfort in the child, Dr. Cox added, and a positive immunity can be determined by a Schick test conducted four to six months after the final dose of the toxoid has been given the child.

Leaving this week for Los Angeles to spend a two weeks' vacation with relatives, are Mrs. H. V. Morris, her granddaughter, Ann Morris, of Hobbs, N. M., her son-in-law and daughter, Mr. and Mrs. Jack Whitley and son, Jeff, of Monahans.

Sonora's first and probably only street-corner political speech of the year was heard Tuesday afternoon when Charles L. South, congressman from this district for eight years prior to 1942 and now running for that post against Congressman O. C. Fisher, made a 30-minute talk in front of the barber shop. Old timers here say that years ago all candidates made public speeches in every town in their district and that here the district courtroom or court house lawn was used for that purpose during election summers. The radio, however, has outmoded, to a large extent, the personal touch in campaigning.

Nowadays most candidates spend a day or so in a town, plaster it with posters, visit all city and county officials and the Democratic committeemen, people they know, and do the rest of their campaigning by radio.

Personally, we are backers of the theory, "The Radio Is Here To Stay, And Why Not?" but we are for a return to the personal touch in campaigning, with speechmaking, barbecues and all that goes with it. In other words, when we buy something we like to examine it closely; very few articles are bought

sight unseen.

These observations are purely general and are not to be taken to mean that the campaign of O. C. Fisher in this county has been lacking in any way because he hasn't made a street speech.

Wayland Stubblefield, Lions Club secretary, has a letter from a Goosecreek citizen, M. L. Deason, asking if the Sonora Lions Club would like to sponsor a donkey baseball game Thursday night, August 5. Brother Deason advises that he will furnish the donkeys and softball equipment, will charge 25 and 50 cents for admissions and will split the proceeds with the club after federal tax is taken out.

Sounds like an interesting proposition. There's only one thing -- why should Deason have to furnish all the donkeys? Deason states that two of his donkeys can talk, and that one was heard to ask the other where they might go next.

"Oh," said the second donkey, "we may go to Sonora and make Lions of ourselves." Well, we'll leave that one hanging. Somebody else may want to kick it around awhile.

## SWING OF SOUTHWEST MARKETS

Livestock experienced another week of rising prices on lighter marketings. Slaughter lambs advanced \$1 to \$2.50 and ewes and replacement stock 50 cents or more. Denver paid \$32 for good and choice spring lambs, while Oklahoma City and Wichita gave \$30 to \$31 for the same grades. San Antonio bought common to good lambs at \$20.50 to \$23.50. Fort Worth took medium and good at \$28 to \$30.

Cattle prices climbed unevenly 50 cents to \$2.00 for the week. Choice to prime fed steers sold at \$38.60 at Denver Monday, a new record high at that market. Good steers brought \$32 to \$35 at Kansas City, and good yearlings \$35 at Wichita. Medium and good heifers made \$27 to \$30 at Oklahoma City, and steers and yearlings \$28 to \$32.50 at Fort Worth. San Antonio bought medium steers at \$30.25.

Hogs reached new high levels at San Antonio, Fort Worth and St. Louis this week. San Antonio bought good and choice medium weight butchers at \$29 Monday, as Fort Worth paid \$28.50 to \$28.75, and St. Louis \$29.50 to \$30.25. Kansas City reached a top of \$29.75. Denver \$30.50 and Oklahoma City \$29.50.

A truly great man in a great position is J. E. Hickman, chief justice of the Supreme Court of Texas. I have known other chief justices personally but it was after they had attained that lofty place. Of Judge Hickman, however, it is my privilege to say, "I knew him when --"

And there has been no change in his geniality and consideration for others from the days when he practiced law in Breckenridge, a good many years ago. There, he taught the Morning Tower Bible Class -- (in the oil fields, the two shifts were known as morning and evening towers. The class was inter-denominational and was attended by men of all creeds and by men of no formal creed. The class met in a motion picture theater Sunday mornings and drew many oil field workers and cowboys that you would have had to rope and hog-tie to get into a church-house. So human, down-to-earth and yet inspiring were Judge Hickman's messages that the class membership reached way up into the hundreds.

When he was elected to the Eleventh Court of Civil Appeals, he moved to Eastland, where the court sits. In Eastland, he taught the 9:49 Bible Class and his religious presentations were a great influence on the lives of many men.

In 1935, Judge Hickman became a member of the Commission of Appeals of the State Supreme Court and moved to Austin, and he teaches the largest Sunday School class in that city. He be-

came a member of the Supreme Court in 1945, was elected in 1946, became chief justice last January and is up for re-election to the full term in the July primaries.

Judge Hickman was born at Liberty Hill in Williamson County in 1883, attended the University of Texas, taught public schools and was principal of Lampasas High, returned to the State University, where he received his law degree, then practiced law in Erath and Stephens Counties. He is a trustee of Southern Methodist University and a member of the Masonic order.

Great in physique--six feet, three or four inches tall; great in powers of mind as lawyer and judge; and great in character--democratic and friendly and eminently fair to all--such is Chief Justice J. E. Hick-

man of the Supreme Court of Texas.

**"SPEED KILLS - TAKE IT EASY" IS MOTTO OF TEXAS HIGHWAY PATROL**

Would you drive your car off a 10-story building?

Well, that's what it's like to hit a solid obstruction when driving 60 miles an hour, according to Colonel Homer Garrison, Jr., Director of the Texas Department of Public Safety.

"Speed kills - take it easy" is the slogan of a traffic campaign the Texas Highway Patrol is conducting during July as part of a continuing program to save lives on the streets and highways of this community. The year-round program is part of a nationwide traffic safety educational promotion of the National Safety Council.

"Just remember, when you find yourself driving a little too fast, that the faster you go the greater is the destructive power of your car," W. J. Elliott, Chief of the Texas Highway Patrol said. "And remember, too, that the higher your speed if you have an accident, the greater are your chances of being killed. In fact, the chance that an accident will be fatal is eight times as great at a speed of 60 miles an hour or more than at 20 or less."

Speed is a contributing factor in two out of every five fatal motor vehicle accidents, state traffic authorities report. They interpret "speed" as "violation of speed limits" and also "speed too fast for conditions."

Pour used fat into your fat salvage can. You can sell every pound you save for good, hard cash.

Save and sell fats no longer needed in your kitchen. World supplies of fats and oils are still critically short of total requirements. Salvaged fat takes the place of other fats and oils needed in industry. Keep that can marked "Used Fats" in a handy place where it will never be forgotten.

**Home Bonus**

Fat salvage is an opportunity to turn a waste product into cash. This is the only food conservation measure that actually pays money. Your meat dealer will buy every pound you turn in.
