Of course - it's Electric!

LADIES... is your kitchen a "Turkish Bath"? The kitchen in many an otherwise modern home is often turned into a regular "steam-bath" by the use of old-fashioned cooking stoves. However, many housewives are finding these hot August days that Electric Cooking makes their kitchen work cooler, easier, faster, and cleaner.

And when it comes to that important item of economy, the cost of Electric Cooking is amazingly small, considering the marvelous conveniences and the extra leisure time it brings.

Stop in at the West Texas Utilities Company... see a demonstration of modern electric ranges. Ask questions, look them over thoroughly... then you, too, will prefer electric cooking.

Advice Given On Trimming Shrubs

If you plan to cut back overgrown trees or shrubs, do it now or wait until winter. Large limbs removed later may lead to winter injury.

Sadie Hatfield, extension specialist in landscape gardening of Texas A&M College, says cutting back a plant during the growing season starts new growth and this new growth does not have time to harden before frost. Then the tree or shrub is killed back. Heavy frost often kills large shrubs or even trees.

Fertilizing and watering in late summer stimulates new growth, adds Miss Hatfield, and this growth may also be damaged by cold weather if it doesn't have time to harden before the cold weather hits.

Badly injured plants may not die but they will look sick for a year or more. Blooms and fruit may be light on the injured plants next year.

Miss Hatfield says cut the limbs off smoothly. Don't leave stubs. A tree or shrub will heal quickly if the cut is smooth but a stub will not. That may take years and it leaves ugly lumps along the trunk branches.

Investigate thoroughly anyone who represents himself as an expert and wants to trim your trees and shrubs in late summer or early fall. She says some plants can survive such rough treatment but all of them will not.

Dead limbs may be cut off at any time without risk. Injured or diseased limbs may need to come off even at a risk but, she cautions, always use a sharp pruning saw and if the wounds are covered with clear shellac, they'll heal faster.

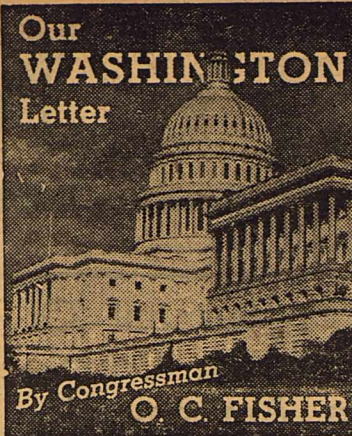

THIS TASTES GOOD IN TEXAS

Melba Sauce  
1/2 cup sugar  
1 tablespoon cornstarch  
Salt  
1 1/2 cups raspberries (fresh, canned or frozen). Other berries may be substituted.

Combine sugar, cornstarch and salt. Place berries in a saucepan and bring just to a boil. Stir in the cornstarch mixture and cook slowly until sauce is clear and thick, about 10 minutes. Strain out the seeds.

By Congressman O. C. FISHER

By an impressive majority of 273-to-116 the House last week passed the perennial anti-poll tax bill, and thereby accomplished exactly nothing except to kill two days in debate and to doctor up political platforms in districts where the civil rights agitators hold forth.

It was the fifth time in the past ten years the same thing has happened. Usually authored by the left-wing Congressman from New York, Vito Marcantonio, the anti-poll tax bill had about as much enthusiasm among its supporters as a termite during a cyclone. But members who vote for it know the Senate won't let it pass anyhow, and they want to curry the favor of the minority groups who advocate it and whose votes might come in handy during a close election.

After all, the Southerners don't vote in their districts. There are only seven states that now impose a poll tax. The Constitution itself provides that the individual States shall be the judges of the qualifications of the voters in the election of federal officials in such States. But those who favor the anti-poll tax ban by the Congress aren't concerned about the Constitution and the rights of the States to determine such questions.

Texas and the other poll-tax States are quite capable of deciding whether they do or do not want to continue to impose a poll tax, and they need no help or interference from the Federal government in carrying out that responsibility which is delegated to them by the Constitution of the United States.

The Bureau of Mines has just given me a report on investigations that have been made of soapstone deposits in Gillespie County and vermicolite deposits in Llano County.

The mineral known as vermicolite is found extensively within a radius of twelve miles of the town of Llano. Most of this is now under lease. Commercial production has been limited, and the extent of its future will depend somewhat upon a possible increase in demand.

The vermicolite is a highly desirable material for insulation against heat, cold and sound. It is also used as an aggregate in plaster and as an aggregate in concrete.

The Bureau reports on a survey of soapstone formations on the Alfred Davis Ranch near Willow City in Gillespie County. Considerable deposits were found to exist. Right now about 20 tons per day are being mined. This mineral is used principally in the manufacture of roofing paper, foundry facings, insecticides and as a filler in asphaltic paints. Copies of these reports may be obtained by writing to my office.

A hundred years ago the first settlers came to Kendall County and named their settlement on the banks of the Cibala, Boerne. So this year on August 26, 27 and 28, the citizens there will celebrate this Centennial year "in a manner that is befitting a town and its people that are proud of their heritage."

Tom Roberts, the Centennial Chairman, has sent me an invitation to attend and I shall certainly do so if at all possible.

A measure designed to go a long way toward meeting the need for more adequate rural telephone service passed the House last week.

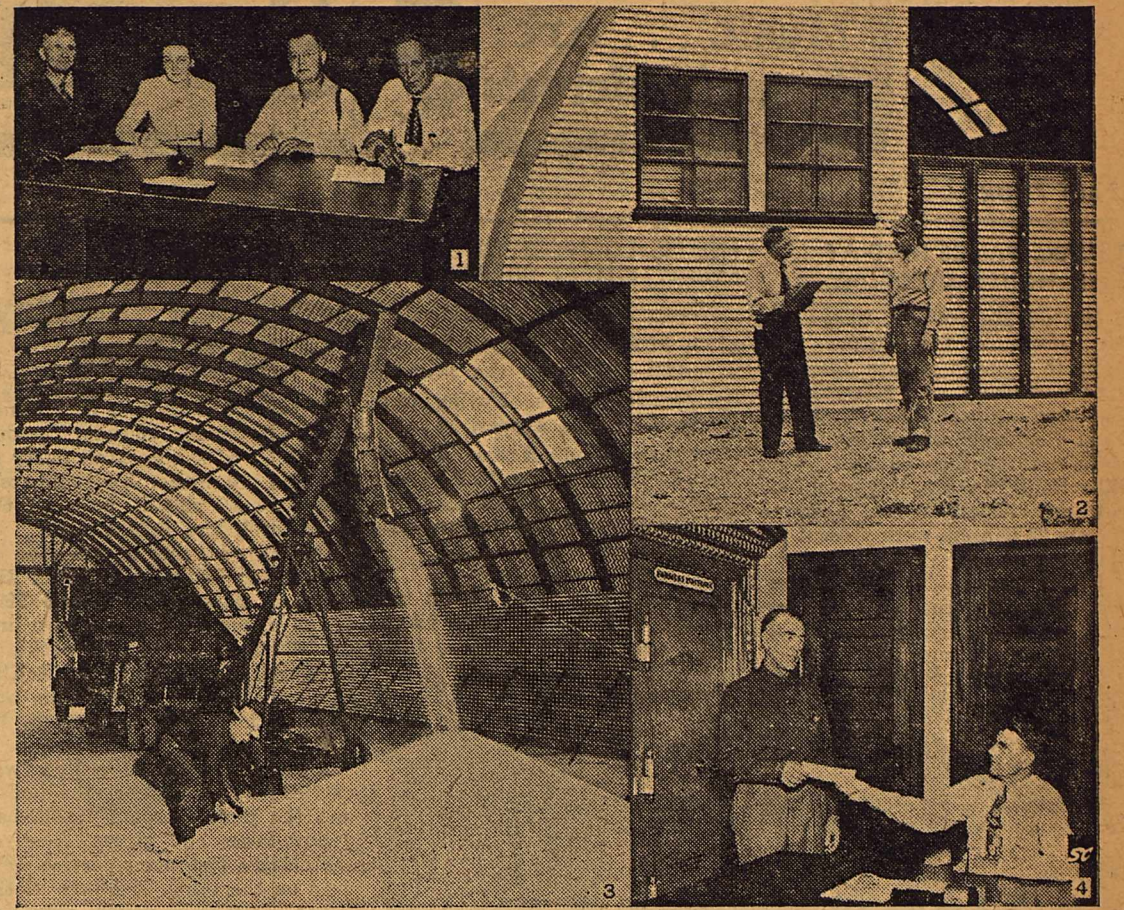

The bill authorizes the Rural Electrification Administration to make loans for the expansion and improvement of rural telephone service under the same terms and conditions which REA has employed for many years in making loans for rural electrification. It is not a bill for government ownership or operation of telephone facilities.

Here's How New CCC Crop Storage Loan Program Works

One of the Nation's first farmers to purchase new crop storage facilities through the CCC financing program is Irvin McKibben of Maddock, N. D. Steps by which he completed the transaction form a pattern of experiences which will be shared by thousands of wheat and corn growers this Summer and Fall as their own applications are processed. They are shown in the photo-story above.

1 - After pricing the building he wanted, McKibben submitted application for the loan to his County Production Marketing Committee. Such loans may be for as much as 85 per cent of the desired structure's cost. Members of the Benson County PMA Committee which approved McKibben's application are three fellow farmers who meet once a week, and who are assisted by a full-time secretary. They are (left to right) K. B. Sandven of York; Margaret Scott, secretary of Minnewaukan; Albert Thompson, chairman, Sheyenne, and I. J. Leier, vice chairman, Esmond.

2 - His application approved, McKibben arranged with Agsco Steel Buildings, Inc., Quonset dealer at Grand Forks, to construct one of these multi-purpose farm buildings on his land. Upon its completion some 10 days later, the structure is inspected by PMA Committeeman Leier (at left, with McKibben). Leier certifies that it meets CCC requirements for crop storage.

3 - The first truck load of McKibben's wheat crop is dumped into the newly-completed building, which can be used for other small grains and also will be useful to shelter machinery or livestock when cleared of grain. Had McKibben's requirement been for ear corn, he could have obtained a Quonset equipped to dry as well as store that crop.

4 - A few days later, a check payable to the building supplier is handed McKibben by V. A. Heiberg (right) president of the Farmer's State Bank at Minnewaukan. The check represents proceeds of the bank's loan to McKibben, who is to repay in five years at 4% interest.

Angelo. The Cantrells were accompanied by Miss Pearl Curry and Mrs. Mostella and Jimmie Curry of Paint Sock. Their tour took them into Canada and thence back to New York where Mr. Cantrell will attend the Lions International convention.

Some higher, some lower prices appeared at southwest farm markets during the past week, the U. S. Department of Agriculture's Production and Marketing Administration reports.

Weekly Swing of SOUTHWEST FARM MARKETS

Dressed meat sold largely steady to higher at eastern wholesale markets.

More livestock arrived at mid-west markets last week than a week earlier, but sheep decreased by a half at Texas and Oklahoma terminals.

Most cattle sold steady to 50 cents higher for the week at Texas markets, but calves and stockers declined at San Antonio and Fort Worth. Cattle advanced mainly 50 cents to \$1 at Oklahoma City.

Choice steers and heifers set new highs for the year of \$28.40 and \$28.35 at Denver, but other grades and classes lost 50 cents to \$1.

Spring lambs declined mainly 50 cents to \$1 in the southwest, while ewes sold mostly firm to slightly stronger. Top springers cashed at \$22.50 at Fort Worth Monday and \$24 at Denver. Goats lost 25 to 75 cents for the week at San Antonio.

Some territory wool sold at Boston, and some grease wool moved in Texas and New Mexico last week. Mohair continued to sell at steady prices.

**NORRIS LOEFFLER GIVES FRIDAY BUFFET SUPPER**

Norris Loeffler entertained a group of friends Friday night with a buffet supper on the lawn of the Loeffler home. Movies were shown following supper. Present were Royce Regeon, Blanche Taylor, Joe Neil Smith, Carlene Peeples, Ernest Stephen, Flora Dell Davis, Tyree Hardy and Johnnie Ottenhouse. Mr. and Mrs. Carl Cahill and children and Mrs. D. Rape visited with friends and relatives in Junction over the weekend.

**Aldwell Home Scene Of Tuesday Cocktail Party**

Mrs. Roy E. Aldwell entertained a group of her friends Tuesday afternoon with a cocktail party at the Aldwell home. Approximately 120 guests called between the hours of 5 and 6:30 o'clock. Guests were met at the door by Mrs. Amer Whitehead of Del Rio, sister of Mrs. Aldwell, and Mrs. W. T. Hardy, and were shown into the dining room, where cocktails were served by Mrs. F. L. McKinney and Mrs. Russell Davis, and punch was served by Mrs. L. W. Elliott. A color scheme of yellow was carried out throughout the house, and the dining room table had yellow roses and tapers. A silver centerpiece and silver service were used on the table. Members of the house party wore yellow corsages. Mrs. Joe Brown Ross, Mrs. Bryan Hunt and Mrs. Edwin Sawyer assisted in the dining room.

**Engagement Of Junction Couple Is Announced**

Mrs. Robert Hunger of Junction was hostess to a coffee Saturday morning announcing the engagement of her daughter, Fern, to Duane Dutton, son of Mr. and Mrs. Harold Dutton, also of Junction. The ranch theme was carried out for the coffee, which was held at the home of Mrs. Kitty Schrier, grandmother of the bride-to-be, whose colors of yellow and green were carried out in the floral decorations. Names of the engaged couple and the wedding date, September 4, were burned on miniature leather saddle blankets, attached to a large figurine horse. In the receiving line were the hostess, honoree, Mrs. Harold Dutton, Mrs. W. F. Dutton of Brady, and Mrs. D. Rape of Sonora, grandmother of young Dutton. Presiding at the guest table were Miss Margaret Helen Browning and Miss Patsy Price and Mesdames Blake Brown and Ralph Murr and Miss Betty Carpenter and Miss Ann Blackburn served in the dining room. Assisting in the dining room were Mesdames Roy Murr, Preston Wright, Morris Murr and Debs Boone, and the Misses Joanne Murr, Theola Hunger, Irene Hunger and Nettie Hunger. Other out-of-town guests included Mesdames Carl Cahill of Sonora, G. B. Awalt of Brady, Lewis Wilkins of Rocksprings and Walter Jordan of Brady.

**Louise Hankins, Bill Morriss To Wed October 1**

Announcement has been made of the approaching marriage of Miss Louise Hankins, daughter of Mr. and Mrs. Lowell Hankins of Rocksprings, to William L. Morriss, son of Mr. and Mrs. Thomas Morriss of Sonora. The engagement was revealed at a tea given last Monday morning, August 15 at the Rocksprings Women's Club. The wedding will be held Saturday, October 1, at the Rocksprings Baptist Church. Guests were greeted by Mrs. Hankins, and the announcement was made when guests were served from a large table, set with a replica of a pirate's chest in a setting of river fern, sand and drift wood. The chest contained jewels, "Pieces of Eight" and small treasure maps, rolled and tied with ribbons, in approved pirate style. Each guest was presented with a map, which revealed the location of the Morriss ranch, with the inscription "Louise and Bill - October 1, 1949."

Mrs. T. C. Barnes presided at the bride's book, and the Misses Lorelei Hankins, Betty Ruth Franks and Jessie Lee Hankins and Mrs. Claude Erwin alternated at the silver service. Assisting in the serving were Mesdames Jess Hankins and J. C. Hankins. Included in the out-of-town guests at the tea were Mrs. J. L. Hankins of Abilene and Mrs. S. S. Boutwell of Terrell, grandmothers of Miss Hankins, and Mrs. Amp Miller and Mrs. T. S. Williams, both of Dallas and sisters of the bride-to-be. Attending from Sonora were Mesdames Thomas Morriss, A. G. Morriss, W. H. Dameron and Ben Cusenbary.

**Layette Shower Given Wednesday**

Mrs. Tommy Thorp was the honoree at a layette shower given by ladies of the Firemen's Auxiliary Wednesday night at the home of Mrs. Bill McGilvary. "Bridge and 42" were played by the guests, with high prizes being won by Mrs. Lee Patrick and Mrs. Gomer Minnick, low prizes by Mrs. Thorp and Mrs. Loy Gulley and deuce prizes by Mrs. Wes Granger and Mrs. Shelby Kerbow. A salad course was served to guests following the games. Gifts were received from the following: Mesdames George Barrow, G. G. Bennett, Stanley F. Hauser, Lee Patrick, B. C. McGilvary, Tommy Smith, Wes Granger, J. A. Martin, Jr., Jack Hite, Ford Allen, Gomer Minnick, Loy Gulley, Lawrence Nichols and Dayton Cain.

**Plans Completed For San Angelo Yearly Festival**

San Angelo officials are completing plans for their annual two-day festival, which is to be held Monday and Tuesday, August 22 and 23. Program for the festival will include everything from free balloons to trapeze acts and a West Texas square dance. Arrangements committee is expecting some 1,500 people for the square dance alone, with 21 callers due to be present. Jimmy Jefferies, top MC of the Southwest, will arrive in San Angelo on August 19, to get acquainted with the city, and will serve as Master of Ceremonies during the two-day festival. The Light Crust Doughboys will be in the Tom Green city to perform in downtown areas during the show, officials state. Plans for the first evening include a style show, to be staged in the Central Fire Station Park. San Angelo merchants have cooperated to make the show possible. Wesley Tuttle and his Frontiersmen, top-flight recording Western band, will furnish music and stage a musical revue of western songs after the style show. Entertainment during the two days will last from 9 o'clock in the morning until 10 o'clock that night. During the day a ferris wheel, pony, train and other kiddie rides will be available in the city park, free to all youngsters. Tickets may be secured free of charge from any participating merchant. The second night will feature the square dance jamboree, with the Dude Ranch Buckaroos from Station WFAA in Dallas to furnish music for the dance. Dancers from all of West Texas are expected to attend the gigantic dance, which is to be held in San Angelo streets.

**Baptist Rally Set In Angelo Aug. 23**

In eighty-one mass meetings, Texas Baptist leaders will cover the state between August 22 and September 2 to explain the denominational education, hospitalization and evangelization program, and the need for the \$10,000,000 budget next year.

Teams of eight, composed of well-known pastors, representatives of the Women's Missionary Union, the Brotherhood, Sunday School and Training Union will conduct the one day meetings.

The meeting for this area is to be held at the First Baptist Church of San Angelo on Tuesday, August 23, beginning at 10 o'clock in the morning.

This year's budget, which is to go before the general convention at El Paso in November, will be divided equally between worldwide and state use. At present the convention operates nine colleges and universities, one academy and six hospitals in the state of Texas. The Sonora Baptist Church is expected to send a sizeable delegation to the San Angelo meeting.

**Come see this Stunning New Buick SPECIAL—big in room, big in valve-in-head straight-8 power, easy to manage in size and price**

Yes, we know it looks like a lot more money. That stunning new front end — those graceful, tapering fenders — those bigger interiors and high-visibility windows add up to a car you'd expect to wear a pretty fancy price tag. But come in and see for yourself how right we were when we said this new beauty was priced right down your alley. Come try the comfort-patterned seats, handle this easily managed wheel, lift the hood and see the bonnet-filling valve-in-head straight-eight power plant you command, measure the shorter bumper-to-bumper length.

Then do a little hard-boiled matching-up of price tags. In particular—compare this beauty with the sixes—and ask yourself why you should pay for straight-eight power and not get it. You have, remember, three smart body types to choose from—the tidy, three-passenger Coupe shown here, a neat 2-door, six-passenger Sedanet and a smart 4-door Sedan with the roomiest interiors ever found in a Buick SPECIAL. They're going fast, as you might expect. Getting a firm order in is a smart move just to insure early delivery. How about dropping in—the first minute you can?

**TEN-STRIKE! Only Buick SPECIAL has all these Features!**

# Ecnomics Is Easy

Ain't sayin' I understand these here price spirals, and leveling offs, and things that the ecnomists are always talking about. But when it comes to savin' money and making every dollar count, I could tell them a thing or two. Take my Jensen Pump Jack as a fer-istance.

My Jensen don't even know inflation's going on. Low initial cost . . . easy, inexpensive installation . . . and efficient use of fuel, have made it real, down-to-earth, practical economy. The kind ranchers understand.

It's worth a heap more than the price of a Jensen to have plenty of dependable water for house and stock. It's good ecnomics for any rancher with a well 100 feet or deeper to find out about Jensen from

### YOUR HEALTH

With the alarming total of 922 Texans having been attacked by the dread disease poliomyelitis, 1949 bids fair to be the worst polio year the State has ever experienced, and health officials in every section of the State are exerting every effort to bring the disease under control.

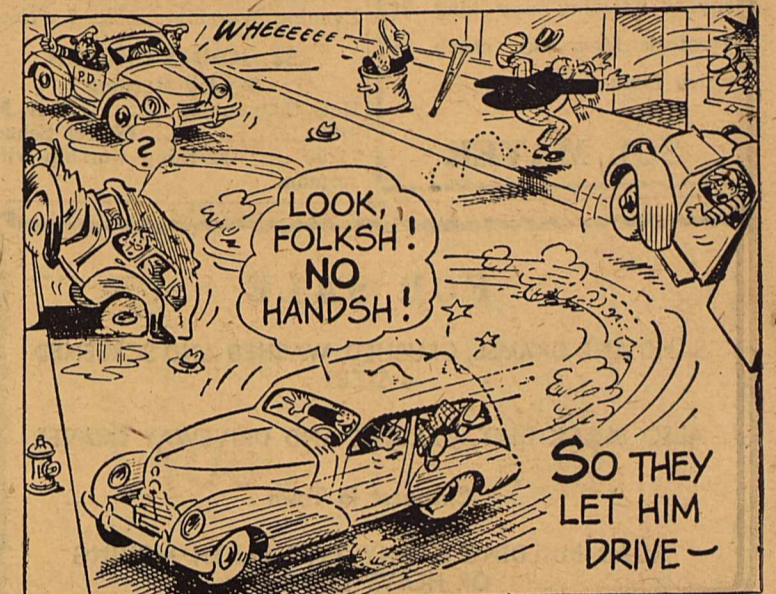

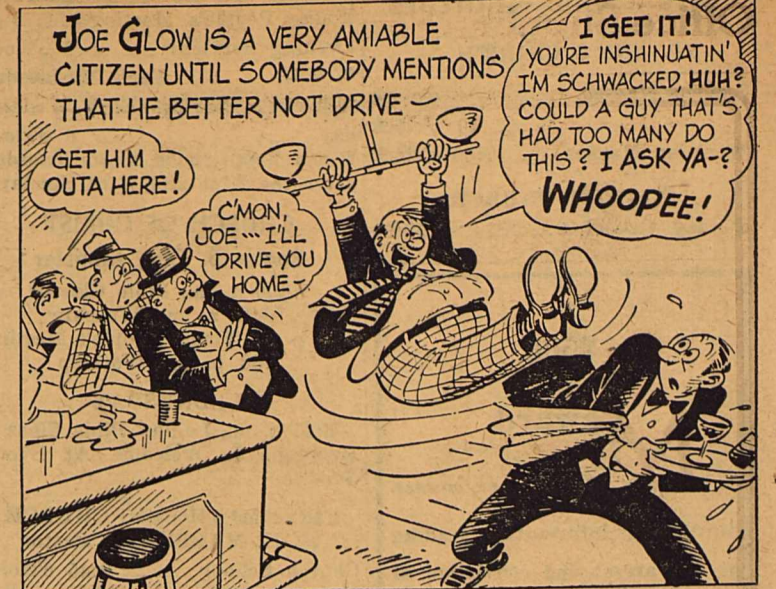

Dr. Geo. W. Cox, State Health Officer, has reiterated his appeal for every citizen to cooperate in a continuous clean-up program, ridding their premises of all rubbish and trash piles, and any such filth as will afford breeding places for flies and other disease-spreading insects.

"This polio situation will never be controlled without the observance of stringent basic sanitation measures," the State Health Officer declared. "The filth on your premises may cause the disease to attack your neighbor; and the same condition on his premises may cause polio in your home. This problem of controlling polio is one demanding the closest possible cooperation, and until a program of continuous cleaning up is instituted and stringently enforced, we shall continue to face the menace of polio in all sections of the State."

Dr. Cox emphasized to parents whose children are suffering from poliomyelitis, the comforting knowledge that about 60 per cent of all cases of recognized polio recover completely, and at least 25 to 30 per cent of recognized cases recover with only minor disabling paralysis.

"Only about 8 per cent of polio victims develop the dealy bulbar type, which affects the nerves at the base, or 'bulb' of the brain," Dr. Cox said. "Most patients suffering from bulbar polio die within a very short time. But it is a comforting thought that 92 per cent of polio patients never develop bulbar polio, and make a partial,

or in many cases, complete recovery and are restored to health." There is no more emphatic proof of the power of ignorance and carelessness to spread disease than is shown by the continued ravages of tuberculosis, which is responsible for more deaths between the ages of fifteen and forty-five than any other disease. Despite the knowledge of its cause, spread, and curative procedures, tuberculosis continues to be a grave public health problem, and today it holds fifth place among the killing diseases in this State. This fact exists even though the majority of tuberculosis patients could have their condition arrested, if it were recognized early and proper treatment applied. EVEN ALL THIS...

# Won't prevent one kind of wrinkle!

All the beauty care in the world can't prevent those unpleasant little wrinkles that grow deeper and deeper—every time we worry about money.

Every time we worry about the expenses, bills and debts tomorrow might bring... the financial insecurity of the future!

But millions of wise women have discovered the way to prevent these financial worries (and the ugly, aging marks they leave).

The answer lies in regular, automatic saving the safe, sure U. S. Savings Bond way! Then too it's just as easy as this...

Buy U. S. Bonds on the automatic Payroll Savings Plan at your place of business. Or...

If you're not on a payroll, ask your bank about the Bond-A-Month Plan.

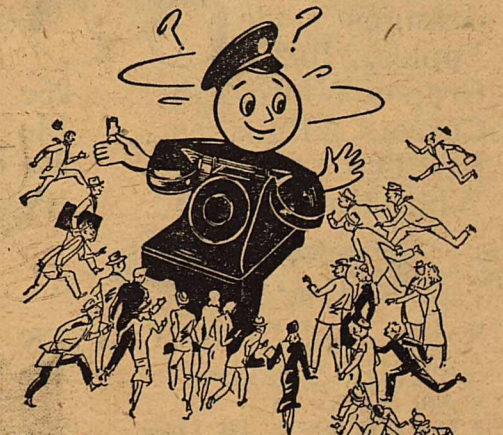

Remember every \$3 you put into U. S. Bonds today will be \$4 in 10 years.

### TRAFFIC IS TERRIFIC!

Local and long distance telephone traffic have reached an all time high today. The demand for new service is at an equally high level. We still cannot obtain much of the equipment we need to handle this tremendous traffic as well as the demand for telephone service. Yet we are installing more telephones and servicing more calls than ever before. Yes, traffic is terrific in every phase of telephone service today. And we will continue to keep our service expansion "terrific" as well.
