

... Son of  
a gun ...

March roared in like a lion Wednesday and we certainly hope it goes out like a lamb four weeks from today. This section has had perhaps the mildest winter in its history. Several old timers have told us that for a while it was a race between this winter and the winter of 1916 for the title of mildest winter, but along in January 1949-50, when a series of cold waves up north failed to materialize here, it became evident that this year would be the winner.

It was left to Dan Cauthorn to put the whole thing in a nutshell. Cauthorn said that although he was still hearing people say the real winter was yet to come, he didn't think it would. "You know," he added, "they have had a hard winter up north already, and there's no use in their having two winters just so we can have one."

We read a report a couple of weeks ago in the Rocksprings newspaper, the Wool and Mohair Weekly, in which a salesman traveling in that section reported seeing some flying saucers. Yesterday we noted in the San Angelo newspaper, the Standard, that a woman in the vicinity of Kerrville saw six flying saucers.

We believe, in spite of all efforts through magazine articles, etc., to debunk flying saucers, that the saucers are a fact, and are probably part of the Department of Defense's guided missile program. The people who keep reporting the things are neither crazy nor hysterical. After all, any object can be made to fly as long as it has two things -- a flat surface and speed. It doesn't necessarily have to have wings and look like a conventional airplane. Imagine a large discus containing a series of rocket engines firing in rotation and you have an idea of how a "saucer" could fly. But we don't want the government to say any more about it than they already have. The less Russia knows about our defense the better.

From time to time we've mentioned the progress of Sonora boys in college athletics. It looks like next fall there will be plenty to talk about. Dee Word brought in a clipping from the Houston Post showing a picture of Al Boughton and carrying the following caption: "MOVES UP AT RICE -- A. G. Boughton, a squadman end on the Cotton Bowl champs of the past season, has moved up to No. 1 right end in the early stages of Rice Institute spring practice. Boughton and Frank Allen, who saw considerable service in 1949, are the ends on the first owl team." Boughton has two more years of eligibility and probably would have played more last year except that the job was being pre-empted by All-America Froggy Williams. Bobby Allen, another Sonora ex, is also going out for end at Rice and his prospects are very good. He was working out in the backfield, but Coach Neeley switched him to end this spring.

Down at the University of Texas, Wayne Ogden, Bronco football and basketball star, made the freshman basketball first team and had a good year. Ogden will probably be up there on the varsity next year.

Starting Wednesday, we who "take the weed," as they used to say in the Nineties, began paying an extra cent per pack for our favorite brand of cigarettes. We wish it were a dollar. Then we'd have to quit smoking the things.

We're always hearing some comment on our weekly feature, "The Weather," which gives temperature and rain reports by Bill Duckett, official observer for the U. S. Weather Bureau. Somebody is always asking us what our prediction is, and, not wishing Bill to get all the credit, we are going to get into the weather predicting business. Of course, the accepted practice is to predict just for the next day or so, but we're going to streamline things and give you the dope for all of March and part of April. That way, we won't have to spend so much time with charts, graphs, slide rules, ouija boards and Dr. Sloan's Handy Almanac.

## Funeral Services For Mrs. J. L. Cook Held Wednesday

Last rites for Mrs. J. L. Cook, 80, who died here early Tuesday morning at the home of her daughter, Mrs. J. C. Stephen, were held at the Methodist Church Wednesday afternoon at 3 o'clock. The Rev. J. E. Eldridge, pastor of the Baptist Church, officiated assisted by the Rev. W. H. Marshall. Interment was in Sonora Cemetery.

Mrs. Cook suffered a heart attack a few weeks ago, followed by pneumonia and another heart attack Monday night.

She is survived by two daughters, Mrs. J. C. Stephen of Sonora, and Mrs. Troy White of Bellflower, Calif., ten grandchildren and four great-grandchildren.

The former Emmaline Tropps, Mrs. Cook was born August 30, 1869, in Wilson County. She was married to the late J. L. Cook in 1891. He was a deputy sheriff here for a number of years, and died in 1939.

Pallbearers were Robert Halbert, John Fields, G. H. Davis, W. L. Davis, A. W. Awalt and Mack Cauthorn.

## Ceremony Marks Start Of Mexican Baptist Church

Dedication ceremonies and services, marking the beginning of a project to build a \$20,000 Mexican Baptist Church, were held Sunday afternoon. The new church will be built on the site of the old one. About \$2,000 has already been contributed to the fund.

Taking part on the program were the Rev. G. R. Collmer, missionary at Pecos Valley and representative of the General Baptist Convention, the Rev. J. E. Eldridge, pastor of the First Baptist Church here, and Dr. D. D. Tidwell, professor of Greek and Religious Education at Howard Payne College at Brownwood. About 100 were present.

## Davis Manager Of Rogers Store

Russell Davis, assistant manager of Wm. Cameron Lumber Company here, has been transferred to Rogers, Texas, where he became manager of the store there March 1. Davis came here in 1941, served in the army during the war and was promoted to assistant manager after the war.

He will return here for Mrs. Davis and daughters, Diane and Susan, as soon as their new home is ready. Rogers is about 13 miles southeast of Temple and has about 1,000 population.

thunder and rain (may be confused with groans and tears of income tax payers). Remainder of March sunny and warm. April: Ice and snow on April 4 and 5. Weather clear by Easter.

If we so much as miss our predictions by one little bit, we will buy Sally Chalk all the black coffee he can drink.

—AND HE DID!  
A young man taking over a defunct weekly newspaper, discovered when he went out to solicit advertising, that one of the town's leading merchants—Josh Wetherby—didn't believe in newspaper publicity. The storekeeper said he never read the ads in the paper, and didn't believe anyone else did.

"Will you advertise in my paper if I convince you folks do read the ads?" the newspaper man asked.

"Yes," the merchant replied, "but you can't."

The next issue of the paper carried a small line in an obscure corner, reading: "What is Josh Wetherby going to do about it?"

The following day Wetherby burst into the office of the newspaper and demanded relief from the horde of wits and half-wits who had descended upon him to inquire what he was going to do about it. He promised to stand by any explanation the publisher printed.

Accordingly, the next issue carried the announcement: "Wetherby is going to advertise, of course."

A fellow just told us this one: "Definition of the upper crust -- A bunch of crumbs held together by their own dough."

Lea Allison, who has been replacing most of his Herefords with Anguses, recently purchased a purebred Angus bull from the Spur ranch at Sedan, Kansas.

## Busy Week For Fire Department

**FIRES, LOST CHILDREN CAUSE FOUR ALARMS**

The Sonora Fire Department had a busy four days this week, answering calls to fight a house fire, a grass fire and two calls to find lost children.

Saturday morning a small roof blaze at the home of Juan Gomez was put out before much damage done. A faulty flue was given as the cause of the fire. Sunday afternoon two children were reported lost in south Sonora but were quickly located. Tuesday morning a child was reported lost in the vicinity of the school, but was quickly found playing on the school ground.

Wednesday a grass fire on the Dan Harrison ranch burned off between two and three hundred acres before it was brought under control. Firemen and a large force of neighbors worked several hours to stop the blaze. Cause was not determined.

## 4-H Boys, Girls Showing Lambs In San Angelo

Twenty-one fat lambs are being shown by Sutton County 4-H Club members at the San Angelo Fat Stock Show Thursday through Sunday. Connie Locklin will show an Angus calf and Rodney Davis will show two Rambouillet breeding sheep, according to Clint Langford, county agent. Other club members showing stock include: Jim Baldwin, Joe David Ross, Oscar Carpenter, Birl Davis, Orville Anthony, Russ Chalk, Billie Bob Ellington, John Mittel, Rodney Davis, Ted B. Joy, Ben R. Mittel, Clay Odum, Benny Friend, Lynn Kirby, Tyree Hardy, Jack and George Johnson.

## My Soil Conservation District

By Roberta Doran  
First Prize Winner In SCS Essay Contest

The Edwards Plateau Soil Conservation District went into operation in April 1948. Conservation plans have been worked out with eighty three ranchers covering 690,421 acres of land. The conservation program in this district is a very democratic one. The interested rancher or farmer makes his application to the board of supervisors. The supervisors approve the application and go into the study of problems on soil, erosion, vegetation, water disposal problems, and other conservation problems. Then a plan is worked out showing the best treatment for each piece of land. This plan is completely voluntary and for the benefit of the landowners. This district was formed by a petition of fifty or more landowners requesting it. A meeting was then held and the landowners expressed their opinion as to the need of a district. An election was held in the Area of the proposed district. A two-thirds majority vote of landowners was necessary to form the district. This election favored a district with only one person against it. This district was called the Edwards Plateau Soil Conservation District, and it includes all of Sutton County and the northwestern one-fourth of Edwards County.

Productive land is not only necessary for the well being of landowners, but for every individual living in that district. Soil Conservation is the use of lands in such a manner as to promote the maximum return from the land and at the same time continually improve and better the land. It may serve to help the land by not over stocking it. The more grass you have the less bitterweed and brush you will have.

Since the Edwards Plateau is a ranching district, the richness and poorness of the schools and people depend on land yields. By enriching the land and giving it greater productive power it also increases in valuation. This valuation increase enables us to have better schools, homes, and civic enterprises. It enables us to have better employment which in turn produces better fed, clothed, and educated, young Americans which we hope shall build a better America for tomorrow.

Mrs. J. F. Nixon underwent an emergency appendectomy last week in a San Angelo hospital. She is recovering.

## Sonora Fire Loss Totals \$1,027.42 During Last Year

Sonora fire losses for 1949 totaled \$1,027.42, according to a letter received by Fire Chief Lee Patrick from the Texas Insurance Checking office in Austin.

Fire losses paid by various insurance companies were to the following: M. M. Stokes \$75; Hillman Brown \$259.95; G. H. Hall \$150; Mrs. Clyde Gardner \$54; E. F. Vander Stucken \$102.60; H. E. Glasscock \$46.95; Melvin Hearn \$40.20; Dick Morrison \$76.82; City of Sonora \$221.70. The city's fire loss occurred when the stove installed in the new fire station exploded.

## Roberta Doran Named Winner In Essay Contest

Roberta Doran, daughter of Mr. and Mrs. Bob Doran, a senior high school student, was named first prize winner in the essay contest sponsored by the Soil Conservation Service and the First National Bank. Subject of the 23 essays entered was "My Soil Conservation District." Miss Doran's prize was a check for \$10. Other cash awards, also donated by the bank, were made to John Stanley Hamby \$7.50; Joe David Ross \$5; Turney Friess \$4; J. R. Caldwell \$3; Norris Loeffler \$2; H. W. Kile \$1.

Other students submitting essays included Billy Savell, Greta Mae Shaw, Ester Chavez, Connie Mack Locklin, Tyree Hardy, Betsy Ross, Jack Ratliff, Eneida Chavez, Bill Ratliff, Nettie Kisselburg, Blanche Lavon Taylor, Albert Ward, Sonny Howell, Jackie Gwen Wardlaw, Billy Scott and Oscar Carpenter.

The essays were judged by Mrs. Ben Cusenbary, George Brockman and E. B. Keng, a committee appointed by the district supervisors. "All of the essays were of very high quality, and the competition was keen," the judges announced. The supervisors' objective in sponsoring the essay contest was to create interest among students in the vital problems of soil and water conservation. This contest will be held each year, and it is hoped that the entire student body will eventually participate.

All essays were entered in the statewide "Save the Soil and Save Texas" award contest sponsored by the Fort Worth Press. They will compete for an all expense trip to Colorado, \$250 cash, and 101 medals.

## Newt Potet Asks Constable Place

W. N. (Newt) Potet, constable, precinct No. 1, and local service station operator, announced this week that he will run for reelection in the July primaries. Potet has held the office since 1942.

"I will appreciate all support given me for the Democratic nomination in July," Potet said, "and will do my best to do the job like the citizens here want it done."

Mrs. Theo Cahill is recovering from an appendectomy performed in a San Angelo hospital last week.

J. Wray Campbell, who has been ill at home for the past six weeks suffering from an asthmatic condition, is much improved and was in town Wednesday.

## Bermuda Bound

Checks make fashion news this spring as this airborne traveler waits for a Colonial plane in her grey and white checked wool coat dress designed by Margi of A. Goodman.

## Asa Hallum Dies Suddenly Tuesday

Funeral services for Asa Hallum, 62, retired Sonora businessman, were held here Wednesday afternoon at 4:30 o'clock from the home of his brother, R. L. Hallum. The Rev. W. H. Marshall, pastor of the Methodist Church, officiated. Interment was in Sonora Cemetery.

Pallbearers were Bill Smith, Alfred Schwiening and his sons, Curt, Harold, Alfred Jr., and George S. Schwiening. Graveside services were in charge of the Dea Ora Masonic Lodge.

Mr. Hallum died here at 6 o'clock Tuesday morning. He became ill Monday night. Monday afternoon he had been in town attending to business matters.

Mr. Hallum was born in Independence, Washington County, Texas, April 11, 1886. He was a Mason and a Shriner. With his brother, R. L. Hallum, he owned the Humble dealership here, and later they built the Sonora Courts and Humble Station. This business was sold in 1946 to Rex Dullning and Curt Herweck. A few weeks ago, the brothers started work on a new store building on highway 290.

Survivors include the widow; two brothers, R. L. and Frank Hallum of San Antonio.

## 50 Years Ago

Ed Sawyer, the stockman, was in from his Fort Terrett ranch Monday to attend to some business, and ship out his bucks he recently bought from John Trent.

W. L. Aldwell, cashier of the First National Bank, last week purchased the Max Mayer residence for \$2,000. Mr. Aldwell has secured a very desirable property by this transaction.

The hop last Friday night was the most enjoyable had for a long time. There was plenty of room and the floor was in fine condition and the music better than at the preceding dances. The waltz and the two-step with an occasional schottisch and one or two round-ups completed the programme of dances. The ladies were unusually charming and the boys as gallant as ever. The following were present: Mesdames J. O. Rountree, C. C. Yaws, J. J. Ford, E. F. Vander Stucken, I. W. Word, J. L. Mayfield, G. B. Black, W. L. Aldwell, James Hagerlund, Misses Alice Brick, Mona Rountree, Dona Allison, Lula Causey, Sophie Vander Stucken, Pearl Mills, Monte Rountree, Myrtle Brown, May Wyatt, Miranda Sterling, Beulah Bruton, Annie Stokes, Louella Word, Ida Wilson, Maggie Word, Messrs. James Hagerlund, J. O. Rountree, E. F. Vander Stucken, J. J. Brumley, Mark Baugh, A. J. Swearingen, Max Vander Stucken, James Barton, Mark Wheeler, Otis Mitchell, Dudley Yaws, Frank McGonigill, J. E. Roper, G. B. Black, Hugh Yoas, James Alford, Mat Karnes, D. A. Cauthorn, W. L. Aldwell, Henry Bridge, C. N. Crawford, Lewis Mayfield, Max Logan, H. E. Sharp, Albert Bailey, Alex McGonigill, Charley Sharp, James Morris, Clint Sharp, Clyde Mills, Hollie Carson and Will Word.

Mrs. Raymond Morgan, who was ill at home last week, has recovered.

Enrolls At Kansas U.  
Jack O. Crites is among 484 new students enrolled for the spring semester at the University of Kansas. Crites enrolled in the college of liberal arts and sciences.

## 200 New Tags Sold This Year

Sutton County car owners have until April 1, to buy the 1950 auto, truck and trailer licenses, according to Mrs. L. E. Johnson, deputy tax assessor and collector. Mrs. Johnson said Thursday that 200 licenses have already been sold, and that these may be put on as soon as purchased.

License numbers for passenger vehicles in the county run from EJ-10, Andrew Moore's number, to EJ-750, and from EH9800 to EH9999. It was also announced that the automobile sales tax has been increased by one-tenth of one percent, thus making the state auto tax one and one-tenth percent of the value of the car.

## BITTERWEED SPRAYING DONE ON SEVERAL TEST PLOTS

Several patches of bitterweed have been sprayed here recently by the Gulf Coast Dusting Company of Houston, which sprays by airplane. According to W. A. Lewis, positive results will not be known for some time, but examination of plots sprayed indicates that results are going to be good. Lewis, who is here working with Jim Decker, said he has sprayed the following plots so far on a test basis: Aldwell Brothers 75 acres; Gilbert (Son) Allison 125 acres; Wayne West 100 acres; L. B. Wardlaw 100 acres; Fred Earwood 50 acres; Lea Allison 5 acres.

## Elliott School News

Kites of various sizes and shapes are a common sight around the L. W. Elliott School this week. The fourth grade, under the instruction of Mrs. Billy Willard, is having a kite contest. Prizes will be awarded for the prettiest kite and for the highest flying kite.

Also seen around the school are jig-saw puzzles of the United States. These are being made by Mrs. Wilson's fifth grade, after finishing a study of the geography of the United States.

The shop boys, under supervision of Carl Jones, have just finished a project of ash tray stands. In addition to having projects from time to time, the shop classes have been repairing home and school furniture. The boys are now underway on their latest project, bedside stands.

The Elliott School had 32 pupils on the honor roll the past six weeks. They are as follows: Pre-primar -- Nelda Leija, Herminia Mendez, Gumesindo Garza, Carlos Badillo, and Yolanda Sosa. Low First -- Belia Rodriguez, Augustin Chavez, Delia Gandar, Eca Castilleja, and Domingo Gutierrez. High First -- Israel Leija, Richard Garcia, Olivia Noriega, Yolanda Perez, Ana Maria Badillo. 2nd Grade -- Benito Castillo, Morin Gomez, Junior Castro, Amelia Guerra. 3rd Grade -- Linda Sosa, Samuel Galindo, Antonio Chavez, Rebecca Chavez, Johnnie Brown, and Eddie Sosa. 4th Grade -- None. 5th Grade -- Cresencia Hernandez, Sulema Castro, Elodia Flores, Maria Teresa Martinez, and Elida Reyes. 6th Grade -- Ofilia Ibarra. 7th Grade -- None. 8th Grade -- Norbert Brown.

## \$11,000 Building Program For Castle Courts

**WORK STARTS MONDAY ON IMPROVEMENTS, AND NEW TRAILER PARK**

An \$11,000 improvement program, including the installation of kitchenettes and the building of a trailer park, is planned by J. Wray Campbell, owner of the Castle Courts. Campbell said Wednesday that construction will start Monday. The Foxworth - Galbraith Lumber Company will be in charge of the work.

In an expansion program, a circulating heat system will be installed in all units, and complete kitchenettes will be placed in four of the large units. All units will be hooked on to the city sewer system.

The trailer park, which is expected to accommodate 20 trailers, will be complete with utility and sewage hookups, and will be built adjoining the courts, Campbell said. Also planned is a complete paint job, inside and out for the whole courts. Awnings and gables will be striped and structures will be white.

## Sonora Scouts Given Awards

Second class awards were made to eight Sonora Boy Scouts of Troop 19 Friday night in the Ozona Courthouse, where a district court of honor was held. Joe B. Ross, district chairman, made the presentations to Jack Adkins, Edward Aldwell, Raymond Darrow, Dan Eaton, Benny Friend, Turney Friess, Willis Minnick and Don Valliant.

Lea Roy Aldwell presided over the court. Also taking part in the ceremonies were Scouts from Ozona troops 63 and 53. The district first aid contest will be held March 24 in Eldorado, and the next court of honor will be held in Sonora.

## District Court Meets March 20

District Court, 112th Judicial District, Judge Coke Stevenson presiding, will convene here March 20. Judge Stevenson was appointed special judge to preside over this session during the absence of Judge J. B. Randolph, who is ill. Court was opened Monday in Junction.

## Heart Drive Here Nets \$40

The drive in Sutton County by the American Heart Association netted a total of \$40, Mrs. M. E. Genrich, secretary of the local organization, said Tuesday. Dr. J. F. Howell is county chairman.

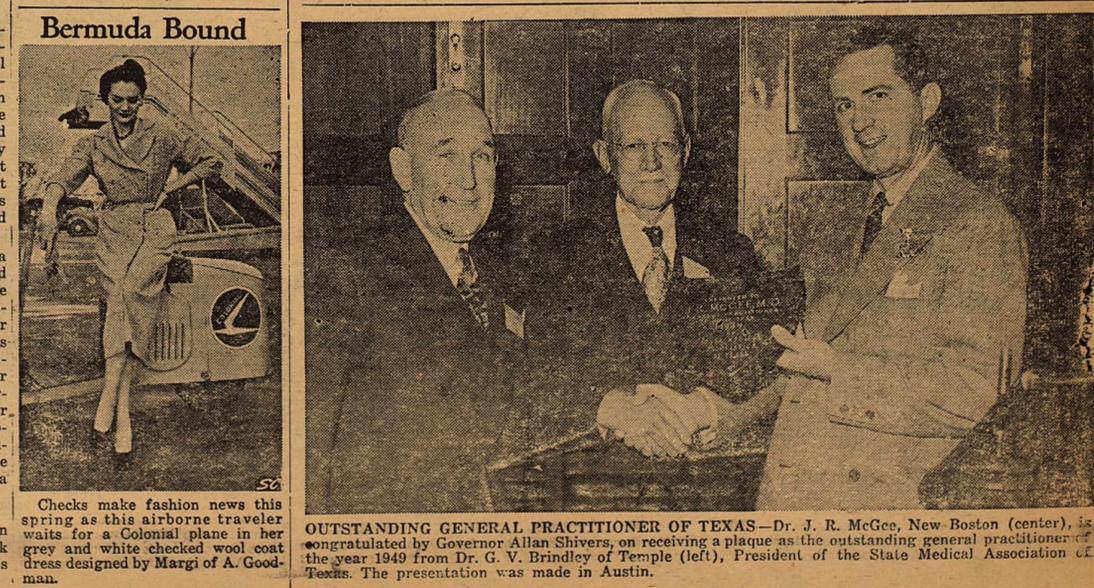

The basketball game played between the veterans' agriculture and business classes realized \$12.50, the Lions Club contributed \$7.52, and the remainder came in through the red heart-shaped receptacles placed in business houses.

## Operated On Monday

Sarah Lou Hardy, daughter of Dr. and Mrs. W. T. Hardy, is recovering satisfactorily following a tonsillectomy Monday in a San Angelo hospital.

## OUTSTANDING GENERAL PRACTITIONER OF TEXAS

Dr. J. R. McGee, New Boston (center), is congratulated by Governor Allan Shivers, on receiving a plaque as the outstanding general practitioner of the year 1949 from Dr. G. V. Brindley of Temple (left), President of the State Medical Association of Texas. The presentation was made in Austin.

**SUL ROSS PASSES 1,000 IN STUDENT ENROLLMENT**

The enrollment at Sul Ross College has passed the 1,000 mark for the first time in the history of the college for a regular term of nine months. The enrollment for this year is 1,021, and a few more people are expected to enroll before the week-end when registration closes for the spring semester.

The G. I. enrollment is approximately the same as last year.

**A LOOK AT THE BOOK**

By DR. BOB JONES, JR.

PRESIDENT OF BOB JONES UNIVERSITY GREENVILLE, SOUTH CAROLINA

It is a strange thing how often people accuse other folks of doing the very thing that they themselves are guilty of. Zophar, one of the three men who came to "comfort" Job at the time of his sorrow and poverty, thought he knew all there was to know about God, yet he accused Job of being guilty of this same presumption and asked him, "Canst thou by searching find out God? Canst thou find out the Almighty unto perfection?" (Job 11:7). Man by searching can find out much about God. The physical universe reveals a great deal of the power and skill and wisdom of the Almighty. "The heavens declare the glory of God; and the firmament sheweth his handywork. Day unto day uttereth speech, and night unto night sheweth knowledge" (Psalm 19:1-2). The ordered regularity of the movements of the heavenly bodies reveal to the searching telescope of the astronomer the attribute of perfection which God possesses. The complexities in the patterns of Nature speak of the infinite wisdom of God. The workings of God's moral law proclaim His justice. God "plants His foot upon the sea and rides upon the storm," and the searcher finds everywhere in creation evidence of Deity. Finding out the Almighty to perfection is another thing. But Christ is the end of that search.

**Happy Birthday**

- Friday, March 3—George Schwiening, Loy Gulley, Jr., Granville Barker
- Saturday, March 4—Turney Friess, Mrs. Fred Simmons, Charles Brent Allen
- Sunday, March 5—Harold Powell, Belle McKee, Mrs. John Shoemaker, Haynie Davis
- Monday, March 6—
- Tuesday, March 7—Mrs. H. V. Stokes, G. W. Archer, Sr., Ann Morris, Mrs. Tom Murray, Jo Bess Vander Stucken
- Wednesday, March 8—Mrs. Miers Savell, Rose Alice Turney, Mrs. Velma Shurley, Betty Rankhorn
- Thursday, March 9—M. C. Scott

PIANO: Practically new spinet piano going to sell in this community. Pay up back payments, and resume contract. Write credit manager, Ralph Nelson Piano Co., 209 W. Ferguson St., Tyler, Texas 2tc20

The man who finds Christ finds the only perfect revelation of God. "He that hath seen Me," said Jesus, "hath seen the Father" (John 14:19), and in Christ is found the only perfect revelation of Deity in all His attributes. "For in Him dwelleth all the fulness of the Godhead bodily" (Colossians 2:9). He is God Incarnate, and the man who finds Christ finds God perfect in power perfect in love, perfect in wisdom.

Job, looking forward with the eyes of faith through the years and seeing Him, exclaimed, "For I know that my Redeemer liveth, and that He shall stand at the latter day upon the earth and though after my skin worms destroy this body, yet in my flesh shall I see God" (Job 19:25-26). When we find Christ we find God and having our faith fixed on Him who is God the Redeemer, we share Job's assurance that some day, when our bodies have been transformed into the likeness of His glorious body—then in our flesh we shall see God.

**Won Opportunity-Took Advantage Of It**

FRANK CLELAND, Genoa

JOHN HUNT, Fort Worth

MARVIN MUELLER, Brenham

JOE MULLINS, Carrizo Springs

JIMMY MORROW, Grafado

In 1946 these boys won the first Opportunity Awards at the A. and M. College of Texas—four-year scholarships for outstanding Texas high school graduates who would otherwise be unable to attend college. This year they are graduating from Texas A. and M. with college records which prove they took advantage of the opportunity.

Honor graduates of Texas high schools in 1946, the boys were selected for Opportunity Awards by the college Scholarships Committee on the basis of scholarship, leadership, character and need.

Each of them received \$200 to \$300 a year plus a job to pay college expenses. The jobs they have held during school include those of waiter in the mess halls, fry cook in a cafe, stable boy, yard man, laboratory assistant, printer's devil and baby sitter. During summer vacations they have worked on farms and ranches, in offices, on the highways and as roughnecks in the oil fields.

Required to make above-average grades in order to hold their scholarships, they have ranked high in their classes. One has an almost perfect A average for his four years. The average of all grades made by the entire group in four years is above B.

They have won their share of honors in other campus activities. One was president of their Freshman class, another outstanding in intramural athletics, while another won a summer fellowship for leadership in campus religious activities. Five were elected to the top military honor organization, the Ross Volunteers, and six to top scholarship honor societies. Nine will graduate as Honor Military Students.

Since this "pilot" group entered school in 1946, the Opportunity Awards program has grown. There are now 148 boys enrolled at Texas A. and M. College on these scholarships, with sixty or more expected to be granted opportunities next September.

HOUSTON STILL TEXAS' FASTEST BUILDING CITY

Building activity in Texas as measured by the dollar value of permits issued in 47 Texas cities, increased sharply in January 1950 from January 1949, the Texas Bureau of Business Research reported.

January permits amounted to \$46,608,949, a 31-per-cent gain from \$35,662,844 granted during the previous month.

Permits more than doubled their January 1949 records in 25 Texas cities. The largest percentage increases were presented by Lamesa, Sweetwater, Kenedy, Texas City, Kerrville, Denison, Midland, San Angelo, Lubbock, Amarillo, McAllen, Corsicana, Laredo, Palestine and Pampa.

Only seven cities showed decreases in building permits from January 1949. Declines ranged from 10 per cent in Galveston to 76 per cent in Paris.

December-to-January gains in building permits varied from 3 per cent in Brownwood to 259 per cent in Midland. Other cities doubling the value of permits issued in December were: Denison, Waco, Beaumont, Texas City, Abilene, Laredo, Lufkin, Big Spring, Houston, Gainesville, Corsicana, Tyler, Denton and Borger.

On the other hand, building permits decreased from December to January in 12 Texas cities, with declines ranging from 3 per cent in Jacksonville to 95 per cent in Kenedy.

Houston ranked first in the value of permits issued during January with \$10,948,435. Dallas was second with \$6,699,320, and San Antonio, Waco, Austin and Fort Worth followed in that order.

**Soil Conservation District News**

News of Edwards Plateau Soil Conservation District  
Prepared by Local SCS Personnel

Planting of clover and grass seed was started this past week by cooperators of the Edwards Plateau Soil Conservation District.

These plantings are a part of the cooperators coordinated soil conservation plans on their ranches. The clovers are being used in rotations with small grains and row crops to improve soil fertility and increase moisture penetration.

The grass plantings are being made primarily in cultivated fields being retired to grass. The seed produced from these fields will be used in general range reseeding and in reseeding hazard areas that are now infested with bitterweed or other undesirable vegetation.

District cooperators are receiving the assistance of Soil Conservation Service technicians in planning and preparation for the plantings. The District Board of Supervisors took delivery Monday on a two row planter they had purchased in order to further assist cooperators in their grass and clover plantings.

Hubam and Madrid are effective in reducing soil and water losses. The deep tap root of these clovers opens up plow soles restrictive layers in the soil. It mellows the soil and lets it drink in more water.

Madrid clover is a leafy fine stemmed biennial plant which produces seed the second year. It is drought resistant and has a greater root system than annual clovers. It produces forage for grazing from May to December the first year and early spring and summer the second year. It may be harvested for hay.

Hubam is an annual clover that can be grazed or harvested as hay. It has an excellent record as stock feed. Both clovers may be planted in February or March, or in the fall of the year.

Clover plantings in other Soil Conservation Districts have resulted in increased yields in crops that

follow in the rotation.

Prior to planting, seed of these clovers should be inoculated with nitrogen fixing bacteria to insure the greatest soil building benefit.

By planting adapted grass seed in old fields, District Cooperators are killing two birds with one

stone. First, they obtain the increased grazing value from the plantings and secondly, they are able to raise their own seed for further plantings or reseeding work.

The next 30 days is the best time to make these plantings; for then they will be able to take full advantage of normal spring rains.

**Cub Scouts Hold Birthday Party**

Sonora's Cub Scouts observed their birthday Monday night with a dinner prepared by the mothers, and ceremony in the basement of the Methodist Church. Rev. Stanley Hauser, cubmaster, was in charge of the program. After dinner, the program, led by Den 1, in charge of Mat Adams and Lawrence Nichols, was put on. The boys demonstrated how a Den meeting should be held. The Cubs then made a campfire and roasted wieners. A display of things made in handicraft work was held and included a book rack, nail box and several stools.

George Caldwell was inducted into the Cub Pack and received his Bobcat pin.

The meeting was closed by singing "Taps."

O. L. Richardson was in San Angelo Tuesday to be with his father, S. F. Richardson, who was undergoing medical treatment in one of the local hospitals.

**Eric Sorantin, Concert Violinist, Coming For Music Club Program**

A famous figure of the concert stage who made his debut at the age of twelve when he played the Beethoven Concerto, Eric Sorantin, violinist, will appear here Friday evening, March 10, under the auspices of the Sonora Music Club. The concert will be held in the High School auditorium at 8:15 o'clock. Sorantin will be accompanied by Miss Marion Yeager at the piano.

In Vienna, Eric Sorantin became the favorite pupil of that famous teacher of artists, Ottakar Sevcik, at the Violin Master School of the

Eric Sorantin

State Academy of Music. An extensive concert tour of Europe and South America has brought him recognition as a brilliant virtuoso of magnetic personality who draws from his beautiful Stradivari violin a broad tone of rich warmth and glow, and whose technique is characterized by sparkling brilliancy. As a tribute to his triumphs Sorantin was called to the United States for a concert tour where he won the highest praise of New York critics as well as the most enthusiastic press comments throughout the American continent. He appeared with leading symphony orchestras, scoring many re-

engagements. Today, Sorantin is the favorite of concert audiences.

Comments from leading music critics include the following: Chicago Tribune (Cecil Smith)

"Last night's performance by Eric Sorantin and the Symphony Orchestra, conducted by Ricco Marcelli, was a major triumph. . . Sorantin repeated his virtuoso feat by adding encores by Wieniawski. . ."

Cincinnati Enquirer (William Smith Goldenberg)

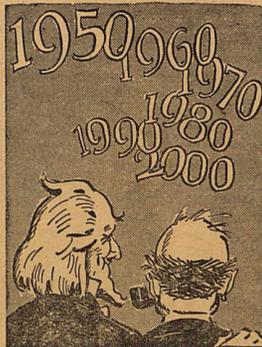

"Eric Sorantin unquestionably is superior in his own of expression to the majority of masters of his instruments. The Sorantin tone is full, sonorous, luscious and crisp. n it there is a depth of feeling consistent with the temperament of the artist."

Indianapolis Star (Lenora K. Ross)

"Sorantin plays not only as a brilliant violinist but as an artist, a poet — a dreamer who sees visions and feels very keenly the mood of the music. In the course of our work we have heard very many of the foremost artists, but we have seldom been made to feel so poignantly the subtle shades of meaning that Sorantin made apparent in his work."

**Mrs. Davis Feted With Luncheon**

A bridge luncheon and miscellaneous shower, honoring Mrs. Russell Davis, was given by Mrs. Edwin Sawyer Monday at her home. Mr. and Mrs. Davis will make their home in Roger's Texas, where he is manager of Wm. Cameron Co.

Cut flowers were used in decorating. Mrs. H. C. Kirby won high bridge score, Mrs. Joe B. Logan won slam prize and Mrs. Dewitt Lancaster won the bingo.

Present were Mesdames L. E. Johnson, Jr., Joe B. Logan, L. P. Bloodworth, Louie Trainer, Lee Fawcett, H. C. Kirby, Dewitt Lancaster, Sam Karnes, Dorothy Norris and A. E. Prugel.

**YOUR HEALTH**

Millions of flies help to cause the illness and death of thousands of children and adults each year in the United States. Hundreds of these casualties may in the State of Texas this year if residents fail in their responsibility for developing the best possible sanitation measures in the area where they reside. Typhoid fever, summer complaint, and other intestinal diseases can be traced to the common housefly as the carrier of infection.

Dr. Geo. W. Cox, State Health Officer, speaking in this connection recently said, "Be sure that your windows and doors are tightly screened so that stray flies from a careless neighbor will not endanger your family. Be sure that flies are kept away from food, drink, and utensils used in the preparation of food. Make sure, if you live in rural districts, that outside privy vaults are tightly covered so as not to permit the entrance of flies. Infections from this source can be picked up and spread to human beings through contact with food, drink, and utensils. Keep all garbage covered until collected or buried. Eliminate all breeding places for flies and you will be helping your community in its work of controlling communicable diseases and preventing unnecessary illness."

Dr. Cox said that the State Health Department would furnish upon request a pamphlet outlining safe and practical methods recommended for use in fly control.

**Former Sonorans Observe Golden Anniversary**

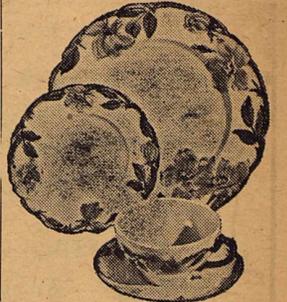

The Rev. and Mrs. F. L. Meadow, former Sonorans and now making their home in San Marcos, observed their fiftieth wedding anniversary Tuesday, January 31, according to word received here by Mrs. Lloyd McMullen.

Rev. Meadow was pastor of the Methodist Church here in 1941 and 1942, and since leaving here has retired from the active ministry. He and Mrs. Meadow, who were married in Cumberland City, Tennessee, were given a surprise party by their daughter. They also have a son, Max, who is married and has one child.

**Visiting In Ohio**

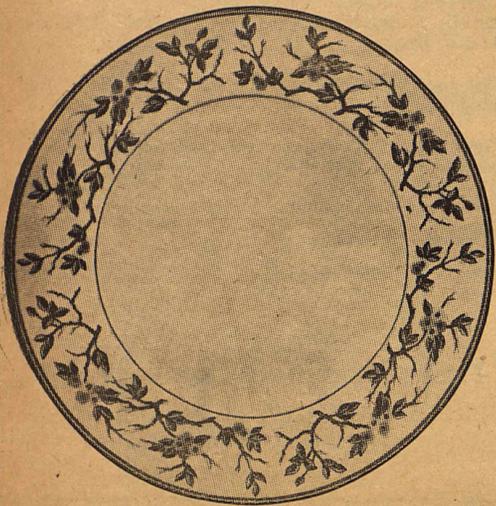

Mr. and Mrs. Wesley Granger left Friday for Crestline, Ohio, where they will be the guests of his brother, J. C. Granger, and visit other relatives. They expect to return next week.

MUSIC CLUB SETS NEXT MEETING THURSDAY NIGHT

Members of the Sonora Music Club are reminded by their president, Mrs. George Barrow, that a meeting will be held Thursday night, March 9, at the home of Mrs. Bryan Hunt at 7:30 o'clock. Subject for study will be "Texas

Seymour Visitors Here Mr. and Mrs. Joe Blackburn of Seymour were here last week as the guests of their daughter and son-in-law, Mr. and Mrs. E. S. Mayer, Jr.

Music and Composers." Mrs. J. A. Ward, Jr., will be co-hostess.

CAR-TUNES by SONORA MOTOR CO.

43. "SONORA MOTOR CO. is only half through with it -- I have to take it back tomorrow."

Motorists Warned About Purchasing Bootlegged Cars

Texas citizens were warned today by S. R. Hull of Sonora Motor Co. not to become victims by purchasing new cars from others than factory authorized new car dealers.

"Allegedly new automobiles are being offered for sale now in many places by unauthorized dealers but those who buy from these sources learn to their sorrow that they have sacrificed not only the manufacturer's warranty but all the maintenance service and protection to which a new car buyer is entitled.

"The established, traditional distribution of new automobiles through the years has been made by local authorized dealers franchised by the manufacturer," Hull said. "When cars or trucks are

not purchased through these legitimate channels, buyers may well be getting a 'pig in a poke.' "Even though a car may appear new, unless it carries with it a manufacturer's warranty, and has been given the recommended pre-delivery service, the purchaser may find he has made a sad and costly mistake when he goes back to the seller of the car for service. Authorized dealers give this service to their customers as a part of their fundamental philosophy that the sale of a car is merely the beginning of their efforts to provide service and satisfaction to all with whom they deal.

"A big risk taken by purchasers of new cars through other than factory authorized dealers is the possibility of improper or incomplete make-ready service before delivery. Authorized dealers can be depended upon to give all their new cars a double check before delivery to insure that they are safe for operation, that brakes, lights, and all other safety devices built into today's fine automobiles are perfect and in good working order. It's a serious risk to buy a new car without this assurance of proper service and inspection at the retail level and without a factory warranty to provide proper maintenance checks as mileage is put on the new car by the buyer.

"The factory authorized dealers of Texas are working with the State and National associations in the public interest to stamp out the so-called bootlegging of new cars and new trucks so that all buyers may receive the valuable services and protection to which they are entitled."

YOU'VE A DATE WITH SPRING

and your Buick Dealer

YOU read it on the calendar—and you feel it in the air.

Spring—and the outdoors calling—and that lively jubilation that comes with winter's passing.

And nowhere is the spirit more in evidence than at your Buick dealer's.

For it's Spring Jubilee time with Buick. Time to trot out and show off all the gay and brilliant beauties of his 1950 line.

Time for you to sample, in proper setting, all the new life and brilliance of Buick valve-in-head straight-eight power—time for you to meet the greatest cure for spring fever known—the easy, effortless, mile-mastering stride of a Buick under your command.

There are wonderful things for you to look into:

A Riviera at Sedan prices. Two-door Sedanets, four-door Sedans in a wide range of power and prices. Convertibles, Estate Wagons, a Coupe—cars for every taste and practically any budget.

There are even gay new spring colors to help you meet the season in proper garb. And of course, if you haven't yet done so, there's Dynaflo Drive\* for you to meet and sample.

\*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Yes, you've a date—right now—to meet spring at your Buick dealer's. A date not only to see pleasant things—but to hear pleasant news as well.

For Buick prices are something to jubilate about too. They start just above the lowest bracket—and they are accompanied by very easy-to-take arrangements as to the "deal."

How about today—at latest tomorrow—for keeping your date with your Buick dealer?

Features like these mean BUICK'S THE BUY

- HIGHER-COMPRESSION Fireball valve-in-head power in three engines, five hp ratings. (New F-263 engine in SUPER models.)
NEW-PATTERN STYLING, with bumper-guard grilles, taper-through fenders, "double bubble" taillights
WIDE-ANGLE VISIBILITY, close-up road view both forward and back
TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius
EXTRA-WIDE SEATS cradled between the axles
SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube
DYNAFLOW DRIVE standard on all ROADMASTERS, optional at extra cost on SUPER and SPECIAL series
WIDE ARRAY OF MODELS with Body by Fisher

Texas 4-H members last year exhibited about 22,000 head of livestock and poultry at 212 livestock shows and fairs.

from the ranch country

*Son of a gun*

More than 1,850,000 4-H club members in the United States will observe National 4-H Club Week -- March 4 - 12. They will be joined in their activities by the 225,000 volunteer local adult leaders, the 14 million former members, their parents and friends. According to the state 4-H leaders of Texas A&M College, the 113,514 4-H members in Texas will strive to increase their membership during the week and at the same time will show what they have accomplished during the past year.  
A summary of the reports from the county extension agents in the state show how important the 4-H program is to Texas. 4-H members grew crops on nearly 51,000 acres of land; everything from cotton and corn to soil improving crops; they planted and cared for more than 10,000 acres of home orchards, home gradens and truck crops; they carried out soil and water conservation practices on 29,300 acres and conducted pasture improvement demonstrations on 27,300 acres.  
They owned 58,893 head of livestock and they sold more than 23,000 head for approximately 2 1/2 million dollars. They exhibited nearly 22,000 head of livestock and poultry at 212 livestock fairs and shows and sold \$272,000 worth of poultry and eggs from their demonstration flocks.  
They were just as active in home economics work. In home improvement, they modernized almost 9,000 rooms and made about 36,000 articles that could be used in the home: 31,703 girls planned a lot of meals for their families and friends; 452,492 to be exact and they served a lot more -- 519,190; they preserved food too, 15,742 girls canned 504,406 quarts of food, froze 91,322 quarts and froze another 80,936 pounds of other foods; 37,397 chose clothing for their demonstration and during the year they made more than 106,000 garments and remade another 27,566.  
You might think that 4-H members do nothing except work but that is not true. They believe in doing the job first, but they also have their fun and recreation programs. They camp, attend meet-

affairs they have planned. You'll better living for a better world. be glad you did for here is a group that is leading the way to Attend SOME Church Sunday.

TOMATO AND CABBAGE SALAD  
CORN CHIPS - CRACKERS & SPREAD  
JELLY ROLL  
COFFEE, MILK

**WE'RE HAVING LADIES DAY TOMORROW!**

\* CALIFORNIA CHICKEN PIE  
(This recipe serves 8-10 people)  
1 chicken (3 lb.) 1/2 tsp. thyme  
2 green peppers 2 tbl. chili powder  
2 pods garlic 1 tsp. paprika  
1 1/2 cups celery 2 bay leaves  
1 can kernel corn 2 cups corn meal  
1 cup ripe olives 3 cups water  
1/2 cup Italian cheese 2 tbl. bacon fat  
1 med. can tomato puree salt  
pepper  
Cut chicken into small pieces, add enough water to cover, season with salt and pepper, and cook until tender (and broth has cooked low). Remove meat from bones, and cut into small pieces. Sauté chopped onions, garlic, peppers, celery, and spices in fat, and cook for 20 minutes. Add corn, chopped olives, and tomato puree, and simmer for 15 minutes. Cook corn meal in water with seasonings to make a thick mush. Line baking dish with mush, add meat and vegetable mixture. Cover with layer of mush, sprinkle with cheese, and bake in moderate oven 45 minutes.

**Tender Janes**

Bring delightful eating and good nutrition to your table with a basketful of tender Janes, tiny leaf-shaped sweet rolls.

Tender Janes are another of the excellent puffs and sweet rolls you can make from a beaten batter which requires no kneading. The main ingredient in the batter is enriched flour, which makes these rolls a good source of essential B-vitamins and iron.

These rectangular rolls will be as light and tender as their name if batter is beaten thoroughly. Allow time for batter to double, then stir down and drop by spoonfuls into greased pans. Tiny iron molds, two by three inches, were used to make the tender Janes pictured. If you do not have similar molds, bake batter in muffin pans. The rolls will be equally delightful.

The topping for these sweet rolls is as easy as the batter. To make icing, combine two cups sifted confectioners' sugar, two table-spoons hot milk, two teaspoons butter or margarine, and one-fourth teaspoon vanilla extract, and mix until creamy smooth. Spread on warm rolls, then sprinkle with chopped walnuts.

Tender Janes are excellent for breakfast, but try them at lunch-  
 eon, too, along with an omelet, stewed dried fruit, and milk.

**TENDER JANES**

- 1 package yeast, compressed or dry
- 1/4 cup lukewarm water
- 1 cup milk
- 1/4 cup sugar
- 1 teaspoon salt
- 1/2 cup shortening
- 2 eggs
- 3/4 cups sifted enriched flour (about)
- 1/2 teaspoon vanilla extract (if desired)
- Confectioners' sugar icing
- Broken walnut meats

Soften yeast in lukewarm water. Seal milk and add sugar, salt and shortening. Cool to lukewarm. Add one cup flour and beat well. Add softened yeast, eggs and vanilla extract. Beat well. Add remaining flour to make a thick batter. Beat thoroughly until smooth. Cover and let rise until doubled (about one hour). When light, stir down. Spread evenly into greased rectangular iron

molds (two by three inches) or muffin pans, preferably rectangular. Let rise until doubled (about 45 minutes). Bake in moderate oven (375 degrees F.) about 25 minutes. Brush with confectioners' sugar icing and sprinkle with walnuts.

Makes about two dozen three-inch loaves, or three dozen two-inch puffs.

**SOCIAL SECURITY TAX RAISE DOES NOT UP BENEFITS, SAYS CLARK**

Many inquiries have been received from beneficiaries wanting to know if the 50 per cent increase in social security taxes automatically increases their benefit, according to George Clark, manager of the San Angelo Social Security Administration office. "The increases in these taxes effective January 1, 1950, has no bearing on the present benefit payments," he says.

"Only an Act of Congress can raise the benefit schedule," Clark stated. "A bill which passed the House of Representatives last

year and is now pending before the Senate proposes many changes. If and when Congress completes any action raising benefit rates according to the present wording of the bill, those now receiving monthly payments would receive increases automatically. It probably would not even be necessary to call at our office."

Clark pointed out further that what the thirty-five million workers covered by the system and almost three million beneficiaries want to know is how much monthly benefits will be raised. Under the Bill passed last year by the House of Representatives, retired workers would receive benefits averaging more than 50 per cent

above the present scale.

Another change proposed is to permit an individual receiving benefits to earn as much as \$50 in wages in a month without losing his benefit for that month. At present he is permitted to earn up to \$14.00 a month.

The original Social Security Law provided for taxes on wages to be raised every three years until a maximum of 3 per cent for the employer and employee was reached, but this was deferred by Congress each year until 1950. The present tax increase is designed to help build a reserve sufficient to take care of the ever-growing number of persons over age 65 and the survivors of deceased workers.

**To Visit In Pecos**

Miss Marjorie Dameron, member of the Pecos schools faculty, will meet her parents, Mr. and Mrs. W. H. Dameron, in San Angelo this weekend to attend the stock show. Mrs. Dameron will accompany her daughter back to Pecos Monday for a visit.

"The Home Away From Home"

Sonora, Texas

From where I sit... by Joe Marsh

**"Curfew Shall Not Ring Tonight"**

Our ten o'clock curfew lasted for 50 years, but the town council voted it out. I dropped in at the meeting in Town Hall last week just in time to hear Smiley Roberts.

"The curfew is old-fashioned," says Smiley. "We ought to be grown-up enough by now to behave like grownups. Seeing to it that our kids get to bed is the responsibility of each family." Then Judge Cunningham adds, "Most of us are in bed when the curfew horn blows anyway. It wakes me up just when I'm getting to sleep!"

What the Judge said was good

for a laugh, but Smiley just about summed up how folks think in this town. We believe that the democratic tradition of "live and let live" is the only way to live.

From where I sit, it's not the American way to regulate your life by a horn—any more than it's right to criticize my caring for a temperate glass of beer now and then. Think what you wish, say what you wish, but don't ask your neighbor to do exactly as you do!

Joe Marsh

sion of the Congress. The bill may be called up for debate in the Senate late in March.

The House version would create a new bureau composed of five Commissioners, authorize them to subpoena witnesses to testify when disgruntled job seekers file complaints claiming discrimination because of race, color, religion or national origin. The Commission could then make findings, but would have no authority to force compliance by the use of injunctions and jails.

It is obvious, of course, that any version of FEPC is vicious and contrary to the traditional American way of doing things. It would permit substitution of the biased judgment of bureaucrats for that of employers in deciding who is the best fitted person to fill a particular position.

As pointed out by Donald Richberg, a noted lawyer, if the Government can by law force an employer to hire A, how long will it be before the Government will want authority to force A to work for that employer! Both are forms of involuntary servitude, yet one would seem to be as fair as the other.

**A NEW COOK BOOK**

The Department of Agriculture has just made available a brand new cook book called FAMILY FARE, food management and recipes. It offers a selection of more than 200 recipes from mainstay to special dishes. The cooking principles are modern - designed to conserve the nourishment as well as the appetite appeal in foods. While I haven't found any modern recipes that can compare in taste and appeal with the old-fashioned dishes of our mothers and grandmothers, the new publication claims to have some good advice on food planning so as to provide meals that contain the nutrients in the quantities that different individuals need, sections on food buying, storing, measuring foods and menu ideas.

This new publication sells for two bits, but each Congressman

**Our WASHINGTON Letter**

By Congressman  
**O. C. FISHER**

By a vote of 240 to 177 the House last week passed and sent to the Senate a "voluntary" fair employment practice bill, rather than one of compulsion which is advocated by President Truman.

The Southern Democrats joined with the Republicans in killing the compulsory or "police state" type of FEPC, and then the Northern Democrats turned around and formed a coalition with the Republicans to pass the watered-down measure over the united opposition of the Southerners.

But, thanks to the power of the Senate filibuster, it remains very doubtful that any type of an FEPC will be enacted at this ses-

While I am referring to available publications, I have a limited number of pamphlets entitled: "100 Things You Should Know About Communism." This issue is very interesting and easy to read. If you are interested in a copy of this, please let us know.

**PRISONER OF WAR CLAIMS**  
It has now been determined that our World War II veterans who were prisoners of war shall be paid a dollar a day for each day they were in prison. The payments are being authorized because at no time was sufficient food provided by either the Germans or the Japanese as required under the terms of the Geneva Convention of 1929.

Rather than attempt the difficult task of figuring out how much food the prisoners in each camp

were short-rationed, the War Claims Commission has established the "single yardstick" of one dollar for each day a prisoner.

In the event the prisoner died in camp or since, payment will be made to his widow, his parents, or his children, in that order. The deadline for filing claims is March 1, 1951. Application blanks may be obtained at any Veterans Administration office or by writing your Congressman.

**TELEPHONE TALK and TAXES**

In spite of its day-in-day-out usefulness, the Federal Government insists on taxing telephone service as much as 25%. This is higher than the 20% tax on luxuries.

Long distance calls costing 25c or over are taxed 25%. The Federal tax increases the cost of local service by 15%. Other forms of telephone service are taxed from 8% to 25%. This excise tax is imposed directly upon you. Your telephone company, at its own expense, acts as a tax collector. These excise taxes are in addition to corporation income taxes and other taxes which the company pays to the Federal Government either directly or indirectly.

We are sure that your Senators and Representatives in Congress would welcome your views on this continued peacetime tax of a necessity.

**The San Angelo Telephone Co.**
