TWELFTH WEEK

Official Department Of Defense Photo

FIGHTING HIS THIRD WAR—No ordinary soldier is M/Sgt. Arne Stenslie, 60 years old, of Devil's Lake, a member of the U. S. 23rd Infantry Regiment, 2nd Division, just now slugging it out in Korea. He is a veteran of World War I and World War II, and two tours of duty in Korea. He resigned his commission of major to return to his comrades in the ranks when hostilities broke out last June. Here the Sergeant is recounting some of his experiences to William H. Burson, a press correspondent from Atlanta, Ga., during a lull in the fighting in North Korea.

Eight Months Wool Brings \$1.05 Here

Sale of 200,000 pounds of eight-months wool at Sonora for \$1.05 a pound was confirmed Thursday. The Sonora Wool and Mohair Co. has contracted that amount to G. W. Shield, San Angelo buyer for Hallowell, Jones and Donald, Boston.

Rumors were thick among West Texas wool men Thursday, but it appeared that few actual wool sales have been made in the last few days. There was a report of a higher eight-months price even than that here, but it could not be confirmed.

Reports from wool men Thursday indicated that many of them are in the market but that they cannot get ranchmen to price their wools. Feelers have gone out as much as \$1.20 a pound on 12-months wool. It was not believed that any bona fide offers has been made at that price, however.

City Adding To Water System

LARGER MAINS, NEW FEEDER ON PROGRAM

Construction has started on a new 8-inch feeder line plus several replacements and additions to the city water system, which should, according to City Manager R. M. McCarver, increase water pressure throughout the city. The new 8-inch feeder will go direct from the reservoir to tie into the hospital line, taking much of the strain off existing lines to other parts of town and boosting pressure in the neighborhoods of old US 290 where it enters town and the Lomax Addition.

In addition to this, McCarver said, water mains in the R. C. Vicars and J. F. Hambys neighborhoods and at the south end of Concho Street will be replaced with larger mains. These extensions in these key areas will double the water capacity, he added. The work is expected to be completed before spring.

NEW WRINKLE IN WILD HORSE RACE TO BE USED IN FT. WORTH SHOW

The skill and daring which the Comanches and rustlers displayed when they made a raid and rode off on the settler's best horses will be re-enacted in a new event in the rodeo of the Southwestern Exposition and Fat Stock Show in Fort Worth, Jan. 26 through Feb. 4.

This contest, announced this week by President-Manager W. R. Watt, will be a wild horse race.

It is much different from the event of the same designation which you may have seen at a few other rodeos where two men rope and hold a horse and throw a saddle on him for one to ride.

This is "sissy stuff" in comparison to the Cowtown version. Here's how it will go:

There will be a bunch of wild Mexican and Choctaw ponies in the arena. Twenty cowboys will run in, drive the mustangs into a corner and then climb aboard by grabbing a mane -- (there will be no saddle, no bridle; it will be Indian style). This is not a team or pair event but every individual for himself. While a cowboy is trying to get a horse in position to get on, another cowboy may take advantage of the situation and climb on the horse himself.

After a contestant has succeeded in getting on an animal, he rides alongside of another horse and jumps over to his back. The cowboy who changes from one horse to another the most times and puts on the best all-round riding exhibition will be the winner.

The ponies for the wild horse race are already at the Stock Show grounds.

4-H Club To Meet Wednesday Night

The Sutton County 4-H Club will hold its last meeting before the livestock show, January 20, at 7 o'clock Wednesday night at the Sonora High School. A calf fitting and showing demonstration will be held Saturday afternoon at 1:30 o'clock at S. M. Loeffler's barn. All club members who have calves are urged to be there, County Agent D. C. Langford announced.

Home Building Increases 25%

American homes have increased in number by 25 percent during the decade just ended, according to Joe Driskell of Fort Worth, president of the Texas Association of Home Builders.

"This period marks ten years of production and progress in home building never before equalled," Driskell stated, in releasing a study of population and housing based on 1950 census.

In 1949, for the first time in history, the homebuilders put up more than a million homes in a single year, Driskell said, and they topped that figure in 1950, adding nearly nine million homes during the decade. At the time of completion of the 1950 census, the study showed a whopping total of 46,151,000 dwelling units available for the estimated 43,468,000 households. The census, Driskell pointed out, includes only a small portion of the estimated 1,300,000 homes built during 1950.

While the population was growing 14.3 percent, from 131,869,000 to 150,556,000, the number of homes grew 23.6 percent during the same ten years. Starting with 37,325,000 homes in 1940, the

able to fill the March quota. So far we haven't failed the country," he said.

GI in Korea Receives 100,000,000th Copy

Air Force Photo

NASHVILLE, TENN.—When The Upper Room reached its one hundred millionth copy, a huge figure in the religious field, the decision was made to present it through a chaplain to a G I in Korea. Thus Sergeant Keith C. Heckel of Buffalo, New York, a radioman with the famous Mosquito Squadron, is shown receiving it from Chaplain Thoburn Speicher of Long Beach, California. The presentation of this copy, which marks a significant milestone in religious publishing, is symbolic of the many hundreds of thousands of copies that have been used by servicemen. Some are presented by chaplains and others come from loved ones and churches at home.

The Upper Room, published in fourteen editions and eleven languages, is the basis of a daily world-wide Christian fellowship. It provides a Bible reading, a meditation, and a prayer for each day and is used by servicemen as well as by those at home as a source of inspiration and courage to meet each new day with faith and peace of mind.

First Sutton Well Pumps 56 Bbls.

Sutton County's first oil well, C. L. Norsworthy, Jr., and Lone Star Production Co. No. 1 R. M. Thomson filed a 24-hour completion pumping gauge of 56.16 barrels of 38 gravity, pipeline oil from an upper Permian sand.

Production was from open hole between 930 feet, where 7-inch casing was set, and 1,016 feet, total plug back depth. The section was acidized with 500 gallons. Earlier the project found the Ellenberger barren in drilling to 7,441 feet and plugged back. It topped the formation at 6,904 feet on elevation of 2,340 feet.

The Permian strike is in the C SW SE 67-AHE&WT survey, 8 1/2 miles northeast of Sonora. Oil will be hauled by transport from the producer to Texas-New Mexico Pipeline Co. station about three miles east of Sonora.

FORMER RANCH WORKER HERE KILLED IN KOREA

Jack Turney, Sutton ranchman, was informed last week that his friend and former employee, Corp. Benjamin William Hulsey, USMC, was killed in action December 4, in Korea. Hulsey, who had no living relatives except a sister, came here in 1946 from California and worked on the Turney ranch. He had listed Turney as next best friend on his enlistment papers. He worked on the ranch until December, 1947, when he moved to town and worked for Jake Merck for a time.

He later enlisted in the Marines and was assigned to the First Marine Division. He was serving as a machine gunner when killed.

According to the telegram Turney received from Gen. C. B. Cates, commandant, USMC, Hulsey was buried in the locality where he fell, and that further details of his death would be forwarded as soon as available.

homebuilders completed more than 8,826,000 during the following decade.

Texas stood high in the homebuilding achievement during the year just completed, Driskell said, with estimates of new homes in the state running close to a quarter million during 1950.

Mr. and Mrs. Joe Norris had as their guests last weekend their sons, Woodrow and J. C. Norris, and families, all of Houston.

Louie Trainer and John McClelland spent Monday in Big Lake bird hunting.

Dr. and Mrs. Tom White had as their guests last weekend Mr. and Mrs. R. L. Curtis of Austin.

Wayne Ogden spent the Christmas holidays in Minneapolis, the guest of Mr. and Mrs. M. R. Malmbery.

D. C. Langford spent Christmas in Bandera with his mother, Mrs. John F. Langford.

Twelve Report For Induction; 17 Reclassified By Draft Board

Seventeen Sutton County men were classified and/or reclassified Tuesday at a meeting of Draft Board 110.

Another twelve from the five counties the board serves are to report for induction at Fort Sam Houston January 12. These are Lester Harlan Ford and Milton Robert Cavaness of Junction; Alfred Silas Garza and William Perry Hoover of Ozona; Presley Hatley and Roger Rudasilly of Rocksprings and Gordon Lacey of Barksdale.

From Sonora those going for induction are Elias Gandar Avila, Donald Ray Behrens, George D. Chalk, Jr., Jack Harrell Sharp and Byron R. Pierce.

John Andrew Long of Junction was also to have reported with this group of inductees, but was granted a delay until his graduation this semester from Stephen F. Austin College at Nacogdoches.

Among volunteers from Sonora are John Allen Ward, who was sworn in Wednesday at Goodfellow Field as an aviation cadet, and Jerrel Hardesty, Earl Johnson and Joe Neil Smith, who enlisted in the Navy.

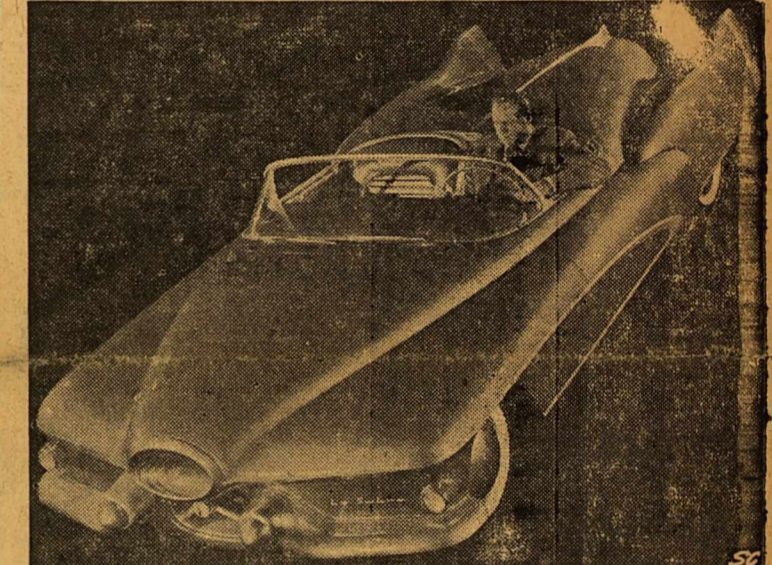

Those who were reclassified by the board are:

Jim Chadwick, Old Class IVF, New Class 5A; Cleveland Nance, Old Class 1A, New Class IC; John Allen Ward, Old Class 1A,

New Class 11A; Charles Lee Cusenbary, Old Class 11A, New Class ID; Pedro Valdez, Old Class O, New Class 1A; John Clay Odom, Old Class O, New Class 1C; Jerrel Reid Hardesty, Old Class O, New Class 1A; Jose Sandoval, Old Class O, New Class IA; Abilino Sanchez, Jr., Old Class O, New Class IA; James T. Hunt, Old Class O, New Class IA; Derrell A. Alley, Old Class O, New Class ID; Wayne Ogden, Old Class O, New Class IA; Antonio Berrera, Old Class O, New Class IA; Felipe Gonzales, Old Class O, New Class IA; Ines Avila, Old Class O, New Class IVF; Ramon C. Santos, Old Class O, New Class IA.

Key: IA — Available for military service; IAO — Conscientious objector but available for non-combatant service; IC — Member armed forces; ID — Reserve member or taking military training; IIA — Deferred because of civilian occupation, also college students; IIC — Agricultural deferment; IIIA — Deferred because of dependents; IVA — Completed military service — also only surviving son; IVB — Officials deferred by law; IVC — Aliens; IVD — Ministers and divinity students; IVE — Conscientious objectors opposed to all military service; IVF — Physically Old Class 1A, New Class IC; or morally or mentally unfit; VA — Overage for military service.

GM Unveils Futuristic Test Car

An experiment in the automotive future is the low, sleek Le Sabre, a custom built sports car General Motors has unveiled in full-size model form. When completed this spring the actual car will be a "laboratory on wheels" to test advanced design and mechanical features for possible future use on production models. Only three-feet high at the cowl, the Le Sabre has a standard 6-inch ground clearance and ample passenger leg and head room. Magnesium and aluminum alloys are substituted for steel on the body and engine of the car, thereby greatly reducing its total weight. Harley J. Earl, GM vice president in charge of styling, shown with the car, said that it has been under development the past four years. The dramatic, sweeping lines of jet aircraft are incorporated in its styling theme.

Texas Venture
In Education • 1876-1951
Our first state college—Texas A. and M. is now in its seventy-fifth year

"What a man hears he may doubt, what he sees he may possibly doubt; but what a man does himself he cannot doubt."

DR. S. A. KNAPP

When Dr. Seaman A. Knapp came to Texas in 1903 to conduct the first successful farm demonstration on the Walter C. Porter farm on Poetry Road near Terrell, he fathered the nationwide system of agricultural extension work which today has county agricultural agents and home demonstration agents throughout the nation and has done much for the development of our agriculture. In Texas today there are such agents working in 252 of our 254 counties. That first demonstration of methods to combat the boll weevil, which was threatening to wipe out Texas cotton, was successful. (The merchants of Terrell had put up a \$1,000 bond to protect the landowner in case it failed.) The federal government took over the work in 1904 and started the expansion which has developed into one of the most successful adult education programs in the world. A strong believer in the value of demonstration, Dr. Knapp always reminded his followers: "What a man hears he may doubt, what he sees he may possibly doubt; but what a man does himself he cannot doubt."

... Son of a gun ...

Tired of the drought? Well, so are we and we have good news for you. According to a local old Indian who was out burning leaves Thursday morning, it's going to rain here within three to nine days. This is because, the local old Indian says, smoke from the burning leaves went straight up, lingered a moment, then came right down and spread out on the ground. Besides proving that it's going to rain, it seems to us that this phenomena fairly well proves that there was little wind Thursday morning.

—?*\$%?—

Auto and truck licenses go on sale at the court house February 15 and must be on the vehicles by April 1, according to Mrs. L. E. Johnson, office deputy . . . Guess you noticed where extensions and additions to the city water system will boost pressure for spring and summer use. Water is one of three commodities that can be bought here for less money than before

Almanac

H. L. Taylor Home Wins Christmas Decoration Prize

Mr. and Mrs. H. L. Taylor were awarded first prize in the Christmas home decorating contest sponsored by the Lions Club, A. E. Prugel, secretary-treasurer, announced Thursday. Second prize was won by Lea Roy Aldwell and third prize by Mr. and Mrs. A. W. Awalt.

The Taylor home was decorated to represent Santa's workshop. Prizes were \$15, \$10 and \$5, in coupons redeemable in merchandise at Sonora stores.

Thank You

As an organization composed solely of ex-Service Men, the American G.I. Forum, we wish to thank the Home Hardware & Furniture Company, the Western Auto Supply, and the Morrison Variety Store for their generous contribution to the needy children of our town.

Due to the donations of these firms, we were able to deliver on Christmas Eve gifts of Toys and Candy to 46 underprivileged children, who would not have had Christmas otherwise.

As an organization and as individuals, we are deeply grateful.

Cesario Martinez, President, AMERICAN G.I. FORUM

Drive safely! Observe stop signs.

the war. The other two are electricity and sulphur, although sulphur really shouldn't qualify since it is the same as before the war — \$18 a ton. Sulphur would be up but for a new process which makes it cheaper to produce. Incidentally, Sonora has received no bad water reports for the past three years . . . T. C. Murray, former Sonora postmaster, reports that he is living at 308 Cottonwood Street, Fredericksburg, and is getting along fine . . . Sonora bank deposits gained nearly a million and a quarter dollars in 1950. The total in 1949 was \$3,116,957.81 and in 1950 this had risen to \$4,343,991.57 . . . The Rip Wards recently completed remodeling their ranch home . . . the Stanford Research Corporation has rented the old Bill Smith station. Building is owned by the Magnolia Corp., and the land by the Santa Fe Railroad . . . Get your December 25 copy of Life Magazine and look on page 18. The young doctor dressing the soldier's wound is Dr. H. E. Wood, Jr., of New York and a nephew of Mrs. E. E. Sawyer of Sonora . . . Lee Roy Valliant will be able to get around soon with the aid of a leg brace and a back brace. Valliant, who was injured in an auto wreck last fall, was notified that his ankle will not need an operation. He is in San Angelo undergoing treatment.

—?*\$%?—

Six months ago, the Ford Co. announced a truck economy test and we are happy to report the results. John Fields took a new Ford pickup and used it in the normal course of ranch business from June 30 until December 31. During this time he drove 18,519.6 miles, bought 1,351.8 gallons of gas and 44 quarts of oil.

He carried an average load of 310 pounds and repair and maintenance costs were .01 cents per mile. He averaged 13.7 miles per gallon of gas and 1,683.6 miles per gallon of oil. He stopped and left the engine running 378 times.

31 Years Ago

Miss Clara Allison returned from a business and pleasure trip to Angelo Thursday.

Mrs. Lem Johnson was in from the B. M. Halbert ranch Thursday shopping.

Doc Lacey, who has the Jim Merck ranch leased, was trading in town Wednesday.

Mrs. Martin Morris of San Angelo arrived here Thursday to be with her daughter, Mrs. Clomer Holman, who is ill on the ranch in Edwards County.

W. P. Caldwell, the builder and contractor, had the misfortune to have two of his fingers badly cut while working with a circular saw

last Saturday.

Geo. Allison was in from the ranch several days this week attending to business.

Mr. and Mrs. Sam Hull made a visit to Angelo this week.

Don Cooper made a business trip to Angelo this week.

Clomer and Homer Holman, Edwards County sheep and goat

raisers, were in town several days this week.

Mrs. T. A. Williams left on Tuesday for San Antonio where her husband is engaged professionally.

Bill Glasscock, who is ranching near Sanderson, was a business visitor in town Friday.

J. M. Stewart was trading in town Tuesday.

Mr. and Mrs. Tom Nolen of Ozona were in town Saturday on their way to San Antonio on a business trip.

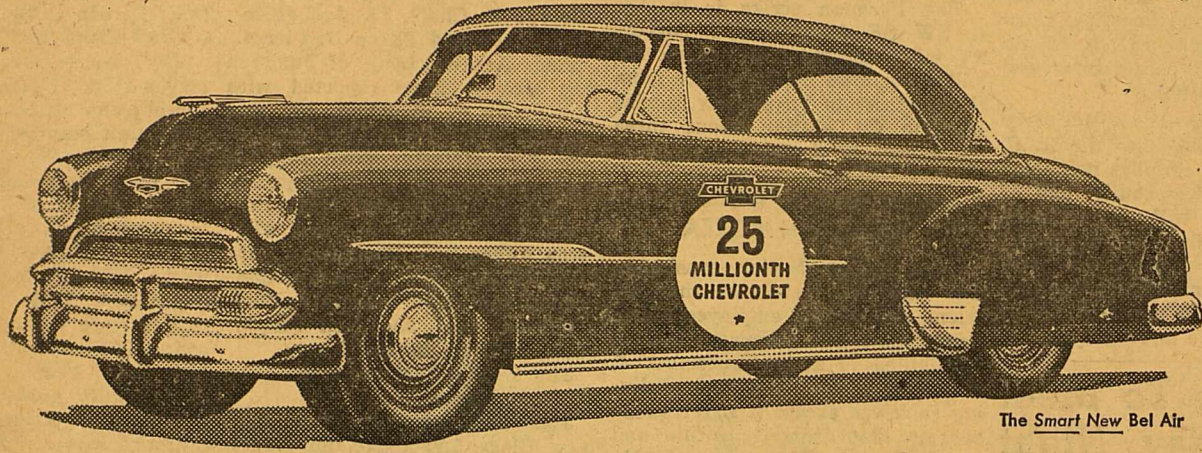

Mr. and Mrs. Lee Driskell of the Juno country were visitors in town Saturday.

FOR SALE: Good electric washing machine. Large circulating kerosene heater. Good as new. Call 4991 or see Mrs. Carl Cahill. 1tc12

YOUR HEALTH

What do you know about your heart? Do you know that the three major kinds of heart disease are: Rheumatic heart disease, high blood pressure, and coronary heart disease?

One of childhood's most dangerous foes is rheumatic fever, declares Dr. Geo. W. Cox, State Health Officer. A child is most likely to develop rheumatic fever when he is less than 10 years of age. However, the disease is not confined to children. "In World War II, about 40,000 men in the American forces developed attacks of rheumatic fever." This disease may damage the heart valves and muscle. Any child who has rheumatic fever should have the best of medical care, plenty of rest, a special diet, and be free from anxiety or worry. Just because a person has rheumatic fever, is no sign he will have rheumatic heart trouble. But it's important to keep in close check with the family physician.

Coronary heart disease strikes those from middle age groups and up, more than other forms of

Happy Birthday

heart trouble. And, it strikes men more often than women. Moderation in daily living is very important, for if a person worries too much, works too hard, exercises too frequently and hard, and eats too much his heart is overworked. Yes, one of the best checks against overburdening the heart . . . is moderation in all things -- and plenty of rest.

High blood pressure is another important cause of death. Naturally, the heart has to work harder to pump the blood, when blood pressure is high. An overworked heart needs the care of a physician.

Sometimes symptoms of heart trouble aren't so noticeable; that is why a regular physical examination is so important.

Heart disease caused by syphilis, congenital heart disease, and heart trouble resulting from an overactive thyroid gland, are a few other forms of heart disease.

Stop and think about it for a moment. Do you give your heart enough rest?

Presenting the New 1951
Cadillac

Far More Beautiful...Gorgeous New Interiors...and an Even Finer High-Compression Engine!

TODAY, we are privileged to present the new Cadillac for 1951—finer and more wonderful from every conceivable standpoint. . . . Numerous refinements in exterior design have made it more lovely to behold—while wholly new interiors, so rich in fabric and tailoring that they defy description, impart a sense of luxury that is simply beyond compare. . . . And, oh, the things that have been done to make it more gentle to handle—and more comfortable to ride in! The changes in this regard are manifold—and the results are a revelation. The car's quietness

is now akin to silence; driving is all but a response to your wish; comfort leaves literally nothing to be desired. To ride or drive is to relax—and to rest. . . . The great master engine has also been refined—down to the smallest details. Its voice is closer to a whisper; its power application is faster; and it's even smoother in operation. . . . And there is an even finer Hydra-Matic Drive—with a new reverse for easier shifting, and for "rocking" the car in sand or snow. . . . There is new steadiness on the road—better balance on turns and curves—easier and softer

braking. And throughout the chassis are vital improvements which add to endurance and dependability. . . . All in all, here is new lustre for the Cadillac name—and a far higher standard for the automotive world. . . . There are ten distinctive body types and four individual series—the "Sixty-One," the "Sixty-Two," the "Sixty Special," and the incomparable "Seventy-Five". . . . Why not come in and see them today? We'd be most happy to see you—and we are certain you'd find it an interesting and enlightening experience.

THE DEVIL'S RIVER NEWS

Sonora, Texas, Friday, January 5, 1951

Mrs. Johnson Has Rosses Hosts To
Bridge Luncheon Party Friday
Wednesday

Mrs. L. E. Johnson, Jr., enter-
tained the Wednesday Bridge Club
at her home this week. Luncheon
was served to the following:
Mmes. Edwin Sawyer, C. T. Jones,
Jr., Henry Greenhill, H. C. Kirby,
Rip Ward, L. E. Johnson, Lea
Allison, Dewitt Lancaster, Louie
Trainer, W. B. McMillan, Dock
Simmons, F. L. McKinney, R. C.
Vicars and Charles F. Browne.
Mrs. Sawyer won the slam prize,
Mrs. Jones won high club, Mrs.
Allison won the bingo and Mrs.
Vicars won high score for guests.

YEAR WOOD CIRCLE MEETS
AT GLASSCOCK HOME WED.

Circle Year Wood met at the
home of Mrs. Melvin Glasscock
with Mrs. Pink Glasscock as
hostess Wednesday. Mrs. Alfred
Cooper gave the opening prayer.
The devotional was given by Mrs.
W. O. Crites and the minutes read
and approved.

Those who took part on the pro-
gram were Mrs. Lawrence Nichols,
Mrs. Cooper, Mrs. Boyd Moore,
and Mrs. J. P. Smith, who was in
charge.

Refreshments were served fol-
lowing the meeting.

Personals

Mrs. J. A. Lambert returned
home Saturday from San Angelo,
where she had been receiving
medical treatment.

Dr. and Mrs. I. B. Boughton of
College Station were here visiting
friends last week.

Mr. and Mrs. F. O. Marvin and
children, Carol and Eddie, of Del
Rio were guests of Mr. and Mrs.
O. C. Ogden last week.

Mr. and Mrs. Harry L. Curtis
and son, Lamar, and daughter,
Miss Ann Curtis, of Brady were
guests of Mr. and Mrs. J. A. Ward,
Jr. last week.

John Allen Ward had as his
guests Christmas Toby Carleton
of Houston, Jim McAnelly of
Houston and Doug Ramsey of
Beaumont, all fellow-students of
Ward's at the University of Texas.

Attend SOME Church Sunday.

Mrs. Wallace Hostess
TO FORTY-TWO CLUB

The Forty-Two Club met last
Thursday at the home of Mrs. Ella
Wallace with twelve members and
guests present.

Pumpkin pie and coffee were
served to Mmes. John Bunnell, O.
G. Babcock, Lee Labenske, Claude
Stites, Lawrence Nichols, Robert
Kelley, Robert Rees, Joe Berger,
Glasscock.

Congratulations
To These New Parents

Mr. and Mrs. O. L. Richardson,
Jr., announce the birth of a son,
Michael, born December 31, in a
Kerrville hospital. The baby
weighed 6 pounds, 15 ounces.

Grandparents are Mr. and Mrs.
W. T. Hughes of Price and Mr.
and Mrs. O. L. Richardson of So-
nora.

Mr. and Mrs. D. L. Slone of
Stanton are parents of a son,
Davie Lee, born December 30, in
a San Angelo hospital.
Grandparents are Mr. and Mrs.
Luke Arnold of Christoval and Mr.
and Mrs. Sam Adams of Sonora.
The Slones also have a daughter,
Dixie Lynn.

Mr. and Mrs. L. E. Johnson had
as their guests during Christmas
Mrs. Mary Evans of San Angelo,
Mr. and Mrs. C. H. Evans and
daughter of Goldthwaite, Mr. and
Mrs. James Yantis and son of
Oklahoma City and Mr. and Mrs.
Dow Chapman and children of
Austin.

Brooks Douglas returned recent-
ly from Austin, where he visited
his sister, Mrs. W. C. Scott.

BOLTON CIRCLE MEETS
WITH MRS. CRITES

The Bolton Circle of the WMU
met Wednesday afternoon in the
home of Mrs. B. H. Crites for a
circle program. Mrs. J. E. Eld-
ridge led the opening prayer.

Plans were made and discussed
for the decorations and food for
the workers conference which will
be held here January 16. Mrs.
Fred Spinks was in charge of the

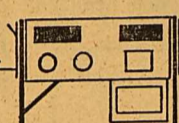

program. Mrs. W. K. Regeon gave
the devotional.
Mrs. Katie Brasher, Mrs. W. A.
McCoy and Mrs. Nance took part
in the program. The meeting was
dismissed by Mrs. Spinks.

Coffee and cake were served to
the following: Mmes. Brasher,
Spinks, Crites, Jim Cauthorn,
Nance, Eldridge, McCoy and
Regeon.

lective Service head-
pects about 7,500 doc-
ts and veterinarians to

register under provisions of the
medical draft law on January 15.
Brigadier General Paul L. Wake-
field, state Selective Service dir-
ector, estimated that about 10
times the number registered in
October will register in January.
The state Selective Service dir-
ector said that his estimate was
based on information received from

Maorj General Lewis B. Hershey,
national director, and Todd Bates,
executive secretary of the state
advisory committee created under
the medical draft law.
All physicians, dentists, and
veterinarians who have not reach-
ed their fiftieth birthday on Janu-
ary 15, except members of the
regular or reserve components of
the armed services, are required
to register on January 15.
Also exempted from this Janu-
ary registration, General Wake-
field pointed out, are those physi-
cians, dentists and veterinarians
who registered under the medical
draft law on October 16.
Less than 750 physicians, den-
tists, and veterinarians registered
in compliance with the law on
October 16. This figure exceeded
state Selective Service expecta-
tions, General Wakefield said. Only
those educated at government ex-
pense or who were deferred to
complete medical training were re-
quired to register in October.
There are approximately 10-
000 doctors, dentists and veteri-
narians in Texas. When the January
registration is complete, about
8,250 of them are expected to be

on local board records, General Wakefield said.

A LOOK AT THE BOOK

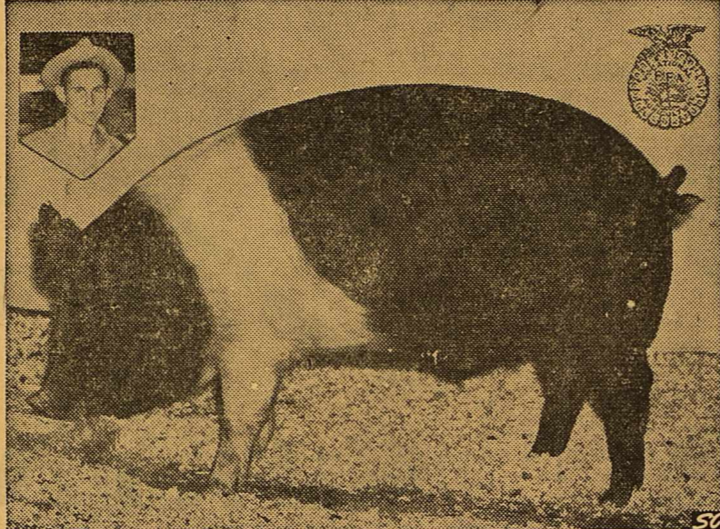

By DR. BOB JONES, JR.
PRESIDENT OF **BOB JONES UNIVERSITY** GREENVILLE, SOUTH CAROLINA

Wicked men were waiting at the gates of Damascus to kill the apostle Paul. Since it was impossible for him to get out of the city by means of the gates without falling into the hands of these men, friends let Paul down over the wall in a basket.
A man's life depended upon a piece of rope and a wicker basket. These were little, inexpensive things, but very important under the circumstances. They sustained more than the physical weight of the man. On that rope depended the future ministry of Paul to Israel and his preaching to the Gentiles. On that piece of cord hung suspended the blessing which was to come into thousands of lives through Paul's work and words. In that basket were all the churches Paul was to found in Asia Minor and in Greece. In that basket were all the converts Paul

was to make throughout the ancient world, and all the epistles which he was yet to write—full of instruction and blessing to every generation who have opened the Word of God and read them.
Little things—a life preserved in the reach of a drowning man, a glass of water to the desert traveler faint with thirst, a crust of bread to one dying of starvation—are tremendous things! A train may be wrecked because of a small flaw in the steel of the rail or because one spike has become loosened from the cross-tie; one match can start a fire to destroy a city. Trifles can change the course of history. A few words can ruin a reputation. One act can wreck a life.
A great universe is made up of atoms and electrons. The God who is the God of the universe is also the God of little things. The God

who used the rod of Moses to bring plagues on Egypt and who took five loaves and two fishes from the lunch basket of a little boy and fed thousands, can use our little talents and these poor

Record Hog Price To F. F. A. Boy

BUSHNELL, ILLINOIS—In his initial effort in big-time barrow competition, Joe Pecharich Jr., 19 year old FFA boy here, showed his middle-weight Hampshire to supreme grand champion honors over barrows of all breeds and weights at the 1950 International Livestock Exposition at Chicago. In the auction of prize winners this perfectly balanced, firm meated belted champion set a new all-time price record for this show when he was purchased by Wilson & Co. at \$3.10 per pound, bringing his youthful owner more than \$825.00. Joe is junior partner in the Hampshire breeding firm of Joseph Pecharich & Son, where his champion barrow, son of Mischief Choice, was bred.

SUBSCRIBE TO THE NEWS

lives. Upon one word of ours may hang the eternal destiny of some soul. Upon some thoughtless act may hinge the course of another life.
If we surrender to the hand of God all we possess, however weak and unimportant and useless it may seem to us, He will bless and use it beyond our expectation and in excess of all we can imagine.

Uncle Sam Says

January 29 is the birthday of one of the revered Presidents of this country, William McKinley. Pres. McKinley knew and practiced the habit of thrift. He realized that it was thrift which helped build this country. He advocated an early start in savings in the following words: "The little savings bank in the home means more for the future of the children of a family, almost than all of the advice of the world. It gives them the right start." Your right start is to sign up today for the Payroll Savings Plan for the purchase of U. S. Savings Bonds.

You bet there's a Santa Claus!

YOU may not see any fluffy white beards or gay red jackets in our showrooms—but we're playing Santa nevertheless. We're playing Santa when we offer these gay and gorgeous Buicks at the prices offered today. Where else can you find so much power and comfort and style and size and fun at comparable figures? Where else can you find high-compression Fireball power—Dynaflow Drive*—and the ever-level ride that you get in a Buick? What you pay for a SPECIAL buys an eight—not a six—but the price tags are less than many a six will cost.

What you pay for a ROADMASTER buys the standout performer in the fine-car field—at the lowest price per pound of any car near its size—and at hundreds of dollars less than you'll pay for others which match ROADMASTER's reputation. These are facts you can check in any Buick dealer's showroom—but the thrill of getting a bargain is nothing compared to the thrill you'll get out on the road. You have to feel for yourself the

eager take-off—the willing rush of power on the straightaway. You have to feel the supreme command that is yours with Dynaflow Drive—and the level-gaited stride of this bonnie beauty. So come in—and take out one of these star performers. Just a few miles with a Buick and we know what you'll say: "Christmas! What a marvel!"

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

ONLY BUICK HAS Dynaflow— AND WITH IT GOES:

- HIGHER-COMPRESSION Fireball valve-in-head power • NEW-PATTERN STYLING, with MULTI-GUARD forefront
- TRAFFIC-HANDY SIZE for easier parking and garaging • EXTRA-WIDE SEATS cradled between the axles
- SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steady torque-tube

SHIRTS REFRESHED \$1.50
... so some gentlemen wore dirty shirts!
During California's Gold Rush, a clean shirt was worth its weight in gold. Forty-miners gladly paid \$1.50 to have a shirt washed... and waited weeks for delivery!

Nowadays, you can wash two tubfuls of shirts—or anything else—for one penny. And in minutes! Easier washdays are just one of the many benefits of electric living.

Think about it for a moment. How many jobs has electricity helped you with during the last 24 hours? How many comforts, conveniences, and pleasures has it made possible? And yet your electric service is today's biggest bargain! It costs the average West Texas family less than a pack of cigarettes a day! Only experienced employees and sound business management can make such a value possible!

West Texas Utilities Company

QUESTIONS AND ANSWERS FROM VETERANS ADMINISTRATION

Q. I am a serviceman holding a \$5,000 National Service Life Insurance policy. If I go overseas, is my insurance automatically increased to \$10,000, or must I apply for the additional amount if I want it?

A. You must apply with your unit's insurance officer. The increase is not granted automatically under present laws.
Q. I intend to take GI Bill flight training, and I need affidavits from two "competent, disinterested persons" stating the training will be put to bona fide use in connection with my job. May my employer submit one of

the affidavits, even though he isn't necessarily a "disinterested person"?
A. Yes, so long as he can testify, by reason of personal knowledge and facts, that the flight training will be used in connection with your earning a livelihood.
Q. As a disabled veteran training under Public Law 16, I've been able to get along nicely on

Baptists Sponsor Young Evangelist

Billy Graham, dynamic young evangelist known for preaching to huge crowds from coast to coast, has added Dallas to the list of Texas cities where he will speak

January 8, to Wednesday noon in Dallas' First Baptist Church. More than 5,000 pastors and laymen from all over the state are expected to hear Graham and 30 other denominational speakers. The purpose of the conference is to explain to Texas Baptists the need and methods for winning 250,000 new Christians in 1951.

The goal of a quarter-million new Christians this year was set by the Baptist General Convention of Texas meeting in Fort Worth in November. This number does not refer only to new church members and will not include Baptists who move their membership from one church to another.

Since the largest number of converts ever won by Texas Baptists in one year was nearly 58,000 in 1950, the new goal is more than four times as many as they

have ever reached before. Dr. C. Wade Freeman, state superintendent of evangelism for Texas Baptists, is in charge of arrangements for the conference and for eleven regional evangelistic rallies to be held in Texas cities from January to March. The rallies will be patterned after the statewide meeting in Dallas. Three of them -- Houston, Waco, and San Antonio -- will feature Billy Graham. Rallies will also be held in Tyler, Beaumont, El Paso, Amarillo, Abilene, Lubbock and Electra.

WANTED BY THE FBI

money in trouser pocket, smokes and chews cigars, "southern accent," convincing talker. Remarks: Reportedly claims employment with Interstate Commerce Commission, U. S. District Engineers, U. S. Soil Conservation Service, U. S. Forestry Service, and U. S. Army, both as officer and civilian employee, when giving checks, usually to dealers in automobiles, tires, stock feed, grass seed, paint, and billiard supplies; sometimes exhibits badge or papers in support of claims of Federal employment.

CAUTION
Leak is armed and dangerous. A complaint filed before a U. S. Commissioner at Tampa, Fla., on April 24, 1950, charges Leak with violating title 18, U. S. Code, Section 912, the Federal Impersonation statute. In addition, Federal warrants are outstanding at Phoenix, Ariz., Austin, Tex., Texas, Tex., Fresno, Calif., Harrisburg, Va., Salisbury, Md., and Missoula, Mont.

Texas Quota For Reserve Officers Received

The Texas quota for recall to active duty of company grade officers has been received by the Texas Military District. Texas will furnish 32 captains, 170 lieutenants, 4 WACs (captains or lieutenants), 12 chaplains (captains or lieutenants), and 26 medical service corps officers of company grade. Reporting dates are scheduled for March, 1951.

Officers will be ordered to active duty on the following priority basis:

1. Volunteers.
2. Members of the ORC, commissioned from ROTC, deferred from selective service under an ROTC deferment agreement and who have had less than one year's active federal service as officers.
3. Members of the ORC, commissioned from ROTC, who did not execute a deferment agreement and who have less than one year's active federal service as officers, warrant officers or enlisted men.
4. Members of the Volunteer

DRIVE SAFELY! OBSERVE STOP SIGNS!

Reserve, and 5. Members of the divisional troop program units of the Organized Reserve.

Officers with four or more dependents will not be ordered to active service if they request exemption because of hardship. Officers who are drawing pensions, disability allowances or disability compensation from the government who have been exempt in previous calls may be selected and ordered to active duty provided they are otherwise qualified.

As in previous calls all officers selected will be ordered to serve for a period of 21 consecutive months or such other period as may be authorized by law. Under present instructions they will be given at least 30 days to close out their personal affairs unless they desire to report at an earlier date.

APPLICATION FOR THE PAYROLL SAVINGS PLAN U. S. SAVINGS BONDS

By signing this application, I authorize the _____ (NAME OF COMPANY OR ESTABLISHMENT) to deduct from my pay each pay day, beginning _____, 19____, the amount of _____ (AMOUNT) to purchase United States Savings Bonds (Series E), please have Bonds issued for the purchase price which I here check _____ (AMOUNT)

ISSUE BONDS TO THE NAME OF OWNER _____ (NAME)
Co-owner or Beneficiary

NOTE—The purchaser may, if desired, designate an individual as co-owner to be named on the bond—but not both. Married women should use given name, e.g., Mary Smith, not Mrs. John Smith.

This order will continue until I advise you to change or cancel it.

START ONE OF THE WORLD'S SAFEST, EASIEST SAVINGS PLANS!

Begin today to build the financial security you've always wanted—through one of the *easiest* ways in the world! Just sign this application form where you work. Enroll now in the Payroll Savings Plan that automatically takes care of saving for you before you even draw your pay—that systematically buys you U. S. Savings Bonds.

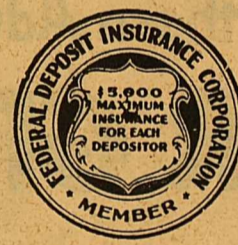

Right from the start you'll have the wonderful feeling that part of the money you work for is safely working for you. If you can set aside only \$3.75 from your pay each week, in five years you'll watch it grow into bonds worth \$1,004.20; in ten years, \$2,163.45! If you can afford \$7.50 a week, in ten years, you'll have \$4,329.02!

Bonds are like cash—only better!

U. S. Savings Bonds are safer than cash because if you should lose or accidentally destroy them, the Treasury will replace them free of charge. And any Series E Savings Bond you've had over 60 days may be cashed any time at any bank or other authorized paying agency.

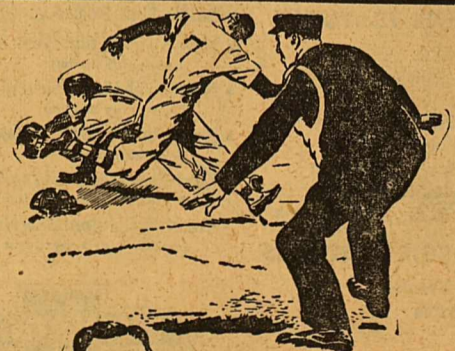

Pick the plan that suits you best—start on it today!	SAVE EACH WEEK	AND YOU WILL HAVE	
		IN 5 YEARS	IN 10 YEARS
	\$ 1.25	\$ 334.11	\$ 719.11
	2.50	668.97	1,440.84
	3.75	1,004.20	2,163.45
	7.50	2,009.02	4,329.02
	12.50	3,348.95	7,217.20
	15.00	4,018.67	8,660.42
	18.75	5,024.24	10,828.74

PARTY LINE COOPERATION
Also SCORES with everyone

If you want to make a hit with your telephone party line neighbors, just take these three steps:
1. Use the line sparingly.
2. Space your calls reasonably.
3. Be sure to hang up the receiver after calling.

This cooperation is team play that will help bring better service to everyone, including you. Why not help drive it home on your telephone party line?
