SIXTY-FIRST YEAR

Sonora, Texas, Friday, March 9, 1951

TWENTYSECOND WEEK

... Son of a gun ...

Several have asked why so many Sonora lambs were sifted at the San Angelo show last week. Well, most of those sifted in San Angelo had already been sifted at the Sonora show in January and the best lambs had been shown and sold at Fort Worth, Houston and San Antonio shows. The only reason most of the lambs were taken to San Angelo is that a better price could be realized at a show than by waiting for a buyer to come here.

The other day we received a package from one W. F. Wiener of New York City. Attached to the package was an envelope marked "NEWS." The package contained a box of something called "Cheer," which we examined carefully. At first the stuff looked like soap, but a perusal of the voluminous notes contained in the envelope revealed that only when an insult is intended should "Cheer" be called soap. So it wasn't soap. It could have been breakfast food, except that when sugar and cream was applied to it it began to buzz, giving us the idea that perhaps it was fissionable and was possibly a dastardly Russian plot to blow Sonora off the map. So we buried it and went back to our file marked "Voluminous Notes In Envelope." Further examination of these showed that "Cheer" is like nothing you ever heard of.

At once, it is both animate and inanimate. It walks, it kneels, it has elbows and hands and fingers. And it even has hair which gets down in its eyes. And still, according to Mr. Wiener, you can put it in a box. In fact, Mr. Wiener DID put it in a box. Well, in case you are wondering how we found out all this stuff about "Cheer," here's what it says on the box: "Cheer cleans linoleum, makes windows sparkle, shampoos rugs, cleans woodwork and even dairy utensils." It's a miracle.

But a note of warning to the ranch people who keep milk cows: Don't let yourselves be trapped by all this twaddle about cleaning dairy utensils—because it doesn't say anywhere that "Cheer" will milk the cow too.

A note from Mrs. Eleanor Fields Hopkins encloses a clipping from the Sunday edition of the Denton Record-Chronicle, which features a column titled, "Teen Topics." We quote: "There is just one speech tournament left now, and that is SONORA! What a word! To any speech student in Denton High School that means heaven. All year long that's what we talk about. Seven months before, and two months afterwards, about the terrific time we had. So now, speech students, just one more week, and then Sonora."

We read somewhere that there might be a vote in a couple of years whether to keep the county option system or make the whole state dry. So we got out our Texas Liquor Control Board Review for February and checked up on things. During January, East Texas took all the captured still honors. Red River County, up near Texarkana, lost 3 stills, and Titus County (a neighbor) lost two. Leon, Wood, Marion and Smith Counties each contributed one still to the state revenuers. But the moonshiners must not use very modern methods because inspectors only found 10 gallons of liquor and 1,275 gallons of mash. Three arrests were made, so there are probably six new stills being set up right now.

State revenues during January from liquor, wine and beer were slightly under \$2 millions. Fines resulting from liquor violation were \$57,180.70.

## TWO LOCAL BUSINESSES TO CHANGE LOCATION

The West Texas Powder Company and the Davis Insurance Agency have leased office space in the Home Hardware and Furniture Building and will move in the next week or two. Both firms now have offices in the Stites Building. The new location will be on the north side of the building and will have a private entrance.

Harold Briscoe of Wichita Falls, was the guest of his mother, Mrs. Thelma Briscoe Wednesday.

## Wildlife Assn. Calls Meeting

Members of the Edwards Plateau Game and Wildlife Management Association will meet at 2 o'clock Saturday afternoon, March 17, at the Court House.

Purpose of the meeting will be to reorganize and elect new officers.

R. E. (Dick) Callender, wildlife specialist from A & M College, will be the guest speaker.

The following ranchmen are members of the association and are urged to attend this meeting.

Howard Espy, W. B. McMillan, Harold Friess, Thomas Espy, G. F. Stewart, Ed. C. Mayfield, Stanley Mayfield, Bryn Hunt, Gene Shurley, E. D. Shurley, Alfred Schwiening, Leonard Gibs, J. D. Cowser, Andrew Moore, George H. Neill, Dan Cauthorn, J. P. Reiley, Joe M. Vander Stucken, Joe B. Ross, Ranch Experiment Station, Libb Wallace, Lloyd Earwood, H. W. Evans, B. B. Dunbar, J. A. Sykes, Wesley Sykes, Tom Wilson, Aldie Garrett, Dantes Reiley, Mack Cauthorn, Sterling Baker, C. T. Jones, Jr., Mrs. J. T. Sellman, Edwin Sawyer, Mrs. E. E. Sawyer and Lea Allison.

## Sonora Loses To Melvin 43-14 In Tournament

The Sonora girls' volleyball team was eliminated in the semi-finals of the Paint Rock Invitation Tournament last weekend, losing to Melvin, 43-14. Anita Smith was named to the all-tournament team.

In their first game Friday night the Sonora girls won over Robert Lee, 52-23, Myrtle McKee was high scorer with 14 points.

Sonora's second victory came Saturday when the girls chalked up a win over Junction, 46-17. Zane Gardner took scoring honors with 11 points.

In the third game, played Saturday afternoon, Melvin took Sonora's measure with a convincing 43-14 thumping. Paint Rock beat Melvin in the finals to win the tournament and Eden defeated Lahn for the consolation cup.

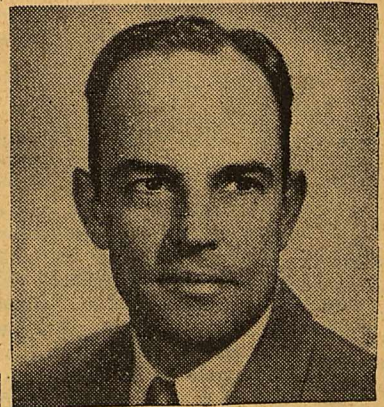

Sonora won its fourth district game Tuesday night by defeating Ozona 51-13. Anita Smith led scoring with 14 points. Sonora is undefeated in district games this season. The team is coached by Miss Jewel Pye.

4-H members will be glad to have every citizen of the state and nation join with them in the observance of their National Week and to put into operation their 1951 theme - "Working Together for World Understanding".

## Methodist Layman To Speak Sunday

Burgin Dunn, professor of mathematics at San Angelo College, will be the laymen's speaker Sunday, March 11, at the First Methodist Church in Sonora. Burgin is the son of Rev. and Mrs. S. C. Dunn of San Antonio. Rev. Dunn is a former pastor of the Methodist Church here in Sonora. Mrs. Dunn will be remembered by the old members of Sonora as an early teacher in the Sonora public school and as having operated a millenary business here in Sonora at the turn of the century.

Dunn started his public school education here. He completed high school at Yoakum, and was awarded the Bachelor of Science Degree

Burgin Dunn

by Southwestern University in June, 1932. The following September he entered Emory University, Atlanta, from which institution he received the Masters Degree in physics in June, 1934. Dunn returned to Southwestern University in September 1934 as instructor in Physics and Mathematics. He was the youngest instructor that institution ever employed for a full-time instructional position at that time. He was advanced to Assistant Professor of Physics and Mathematics and held that title when he volunteered for duty with the U. S. Navy in May 1942. In May, 1942 he was released to inactive duty with the rank of Lieutenant Commander. During the next three years graduate work toward the Doctor of Philosophy Degree was pursued at the University of Texas. Dunn also held an instructorship in the applied math department while at the university. He received the U. S. Navy Commendation Ribbon for outstanding contribution to the Naval Aviation Training Program in electronics and phases of ground training for aviators. This is his first year at San Angelo College.

Mrs. Francis Archer has resigned as bookkeeper at the Home Gas Company. Her place will be taken by Charles E. Bein.

## County Red Cross Quota Is \$550

Sutton County was well on its way this week towards meeting a \$550 quota in the National Red Cross funds Campaign, according to S. M. Kerbow, drive chairman.

Kerbow said money boxes, membership cards and buttons and literature were placed in several business houses Monday.

In addition to aiding the National Red Cross, which is currently engaged in the gigantic task of aiding both troops and refugees in Korea, funds raised here will aid the Sutton County Chapter of the Red Cross. The local chapter, of which Miss Nann Karnes is home service chairman, has aided countless travelers, both service-connected and civilian, as well as local cases. The local chapter expended nearly \$1,000 during 1950 alone and needs funds for further work.

Perhaps the most important work the national organization is doing, aside from relieving the homeless at scenes of disasters, is organizing and aiding in maintenance of blood banks. This service was invaluable to the nation during the last war and is proving its worth again during the Korean campaign.

## 4-H Boys Win Angelo Ribbons

Several Sonora 4-H Club members won ribbons at the San Angelo show last week, despite the fact that all had sold most of their lambs at the Fort Worth and San Antonio shows.

In the heavy crossbred class which had over 200 entries, Oscar Carpenter won fourth and John Ed Neville won fifteenth. John Mittel placed fifth in the light crossbred class.

Carpenter won ninth in the shorn fine wool class, and took second place in showmanship for the entire show.

Sonora exhibitors sold 8 lambs at an average of 52½ cents per pound.

## SONORAN'S FATHER DIES IN OKLAHOMA CITY

Mr. and Mrs. William L. Burge returned this week from Oklahoma City where they attended funeral services for his father, Fred Burge, 72, who died February 24. Rites were held Thursday.

Mr. Burge is survived by his wife, one daughter, Mrs. Frank Hinde of Fort Stockton, and three sons, O. D. Burge of New York City, John T. Burge of Oklahoma City, and William L. Burge of Sonora. Burge is administrator of the Lillian M. Hudspeth Memorial Hospital here.

## One-Act Plays Given Tonight

A series of five one-act plays will be presented at 7 o'clock tonight at the Elementary School auditorium. The public is invited and there is no admission charge.

The plays will be given by students competing in the annual Sonora Invitation Speech Meet. Representatives from Denton, San Angelo, Alice, Quanah, and Fort Stockton are taking part.

The meet will be concluded with a party Saturday night.

## Lock Buys County Line Store

Lock's Liquor Store, formerly Penick's, opened for business this week, 23 miles west of Sonora on highway 290. Formerly owned by J. T. Penick, the store, until its recent sale, was managed by Curtis Nicholas. Mr. and Mrs. Nicholas are now making their home in Fort Worth.

Lock, a native of San Antonio, has been in the liquor business both there and in Sonora. He formerly leased the Brushy Top store here.

## WCS TO BUY WINDOW FOR SANCTUARY

A window for the sanctuary of the Methodist Church will be purchased soon by the ladies of the Women's Society of Christian Service, it was decided at a luncheon and business meeting held last Wednesday at the church.

Mrs. H. M. Smith presided and Mrs. J. F. Howell told of the Mid-Century White House Conference held recently, and of the seminar for church women to be held in Austin.

Mrs. W. R. Cusenbary conducted the study on "We Seek Him Together." Mrs. E. E. Sawyer,

## Mercury Hits 92 Here This Week

Three successive days of 90-degree weather this week had Sonora sleeves rolled up and cold drinks were nudging coffee out of popularity.

Tuesday a high of 92 degrees was recorded by Bill Duckett, local Weather Bureau observer. The low Tuesday was 55. Wednesday also produced a 92 top, but a low of 49 was recorded. Thursday it had cooled off to a mere 91 for the maximum and 53 for the minimum.

A cool front moved in early Friday morning to give relief from the unseasonably hot weather. The northerly, which was expected Wednesday, is evidently still on its way here.

## TSGRA Directors Meeting Saturday

A further airing and discussion of sheep scab and a report on migratory labor will await all those who attend the spring directors' meeting of the Texas Sheep and Goat Raisers' Association to be held in Bandera Saturday.

Frank Roddie, Association President, stated the Dual David, Director of the Texas Livestock Sanitary Commission, was expected to tell directors and members at the meeting what has been done and what will be done in the future to rid the State of scab.

Other subjects that will have the attention of the Association are migratory farm labor, capital gains in sale of livestock and wool and mohair under the present price control restrictions.

Bandera people will give a dance Friday night and a barbecue dinner the next day for the visitors.

The standing committees will meet at 8:30 o'clock Saturday morning at the school house and the general meeting will get under way not later than 10:00 o'clock Roddie said.

## Law Change May Ease Bracero Situation

A recent interview reported in the March issue of the Sheep and Goat Raisers magazine presents several ways in which West Texas ranchmen will benefit from a law change in regard to Mexican labor.

In a telephone conversation with Congressman W. R. Poage, February 6, Texas Sheep and Goat Raiser Secretary, Ernest Williams, obtained first hand information on the U. S. - Mexico hearings regarding an agreement for the use of Mexican Nationals in this country. Congressman Poage had just returned from the Mexico City conference at that time.

He thought the American Commission made a good headway in the talks, although they did not get everything they asked for. The present agreement will be in effect until July 1. The permanent agreement will become effective July 1, if it is approved by the Congress.

Under the terms of the new agreement, Mexico would bring workers to reception centers in Monterrey and Chihuahua City, and U. S. Immigration personnel would go to those centers and screen the laborers for health, communistic leanings etc. Those accepted as employable would be transported by the Government to the American side of the boundary.

Employers would go to the border centers and employ whomever they wanted. Those not employed would be sent back to Mexico. When the employer is through with the laborer, the worker will be returned to the border. Advantages in the new plan over the present agreement are: (1) there would be no bond, and (2) employers would not have to go to Mexico.

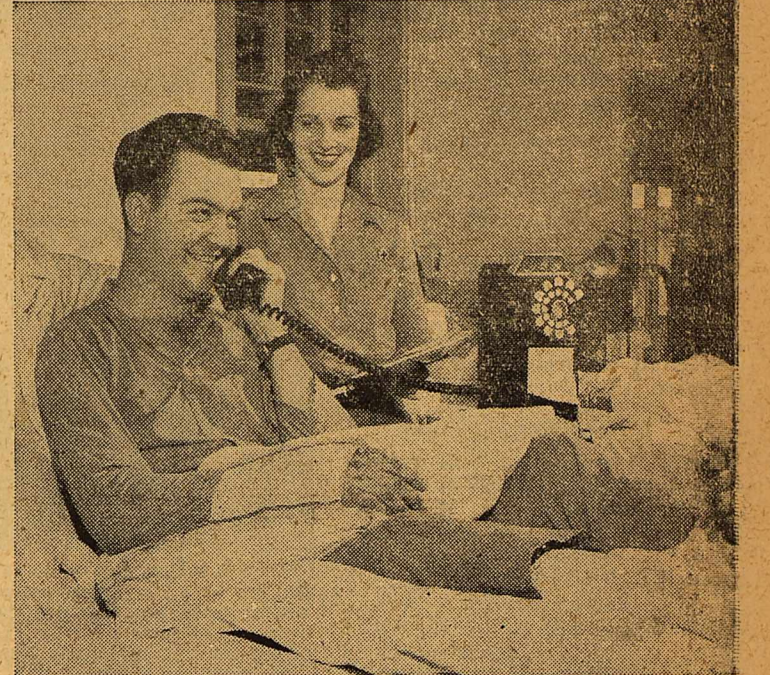

The term of employment will be six months. Mexico thinks that if the American ranchmen want men for longer periods, they should have those workers apply for citizenship.

Bill Bell has resigned from the Sonora Men's Store to take a job with the Caldwell-Keays Glass Company at the new hospital.

State Highway Patrolmen Hugh Shaw and Malcolm Bollinger attended a district meeting of the patrol at Lake Buchanan Wednesday and Thursday of this week.

After giving a summary of the study, announced the new subject, "The Far East" which was studied this week at the home of Mrs. Joe Brown Ross.

## RED CROSS CALLS HOME CHEER UP KOREA WOUNDED ARRIVING IN U. S.

"Mom, I'm in Texas—just flew in from Japan." Cpl. Bob Cronin's free phone call has been put through by the Red Cross hospital worker at his bedside, and the wounded Korea veteran enjoys a happy reunion with his mother in Hastings, Neb. Wounded flown to Lackland Air Force Base, Texas, are met by the Red Cross, official welfare agency of the armed forces, which provides many services for the evacuees at their first Stateside stop. The Red Cross free phone call rates tops with these men.

## 4-H Clubs Enjoy Steady Growth

Sgt. Jack Harmon, Marine recruiter, will be in Sonora at the Post Office March 28, to answer questions and aid any men who may be interested in enlistment.

## Congratulations To These New Parents

Texas 4-H Club members, 118, 237 strong, will join with the approximately two million others members in the United States to observe National 4-H week, March 3 to 11. They will be joined by the 250,000 volunteer local adult leaders, the more than 14 million former members, thousands of Agricultural Extension Service workers and their parents and friends.

According to the State 4-H leaders of Texas A & M College, the purposes of the week are to provide 4-H members a special occasion for checking their own efforts in relation to the needs of their community and country; to acquaint the public with the 4-H theme for 1951 "Working Together for World Understanding"; to inform all parents of the objectives of the 4-H clubs; to encourage the members to interest other young people in enrolling and in assisting the new members to get started in their 4-H work; and to enlist more public-spirited citizens as voluntary leaders or sponsors of 4-H clubs.

The 4-H members, with their leaders, have planned many activities for the week. There will be special public meetings; exhibits portraying the work of the members; and 4-H members will appear as guest speakers before civic clubs, farm organizations and other County 4-H Clubs. On March 3 groups.

Here are the plans for the Dallas County 4-H Clubs. On March 3rd they'll visit, 350 strong, a popular early morning radio show and several early will be interviewed. They'll put on two 15 minute radio programs later in the week and are hoping to get a television show lined up also. Every 4-H club in Dallas county will participate in the 10 night programs that have been arranged for the purpose of acquainting parents and the public with the local 4-H program. These nights programs will feature 4-H teams demonstrations, dress reviews, exhibits, along with fun and recreation. The assistant county extension agents are assisting the members and leaders with the plans for the week.

Texas 4-H members last year in addition to their regular demonstration work received training in fire and accident prevention, health, judging, recreation, leadership and conservation. Their regular demonstrations include crop, poultry and livestock production, forestry, wildlife conservation, gardening, foods, clothing, home management and improvement, agricultural engineering and home grounds beautification. Their total production when added together runs into millions of dollars and the livestock they own for breeding purposes is among the best in the country.

4-H members also find time for fun and recreation. They are strong believers in doing the job first, and hard work doesn't keep them from achieving their objectives. After work comes the fun and recreation. They attend county and district camps, the state 4-H Round-Up at Texas A & M College, the State Fair, visit the major stock shows, send their representatives to state and national meetings, and for the past three years they have been represented in the International Farm Youth Exchange Program.

Ceiling Prices Back Again

Fort Worth, Mar. Sonora is in the 53-county area of West Texas which will be served by the new District Office of Price Stabilization now open in Fort Worth, Acting Director Ellis H. Boyd announced. The immediate effort of the Fort Worth OPS office is to inform the public and effected businesses of the general Ceiling Price Regulation issued on January 26 and subsequent amendments. "It is important that all businessmen realize that their prices are frozen by the regulation unless their type of business is specifically exempt," Mr. Boyd said. "Many businessmen seem to be waiting to comply until they are told that their business is regulated, but in most cases they already

are effected by the order." Two important amendments to the regulation, Boyd pointed out, give retailers until March 22 to compile statements showing their highest costs and selling prices of all items during the base period of last December 19 to January 25, and place most goods sold in department stores, furniture stores, and men and women's apparel stores under a "margin" pricing formula based on mark-ups of February 24. Copies of the General Ceiling Price Regulation have been forwarded to George Wynn County Judge and are available there to businessmen who should study them in detail, Boyd said. "It is hoped that businessmen will take steps to comply with the regulations immediately in order to preclude enforcement action," said Acting Price Specialist Richard A. Martin in Fort Worth. The tentative 53-county district

served by the Fort Worth OPS office is bounded on the north by the Red River from Hardeman County on the west to Cooke County on the east. Crockett County forms the southwest corner of the district and Lampasas County is the southeast corner.

Sonoran's Brother Dies In Crash

Funeral services were held Thursday afternoon in Amarillo for David Hamilton, 28, brother of Norman Davis of Sonora. Hamilton died early Tuesday morning as a result of injuries received in an auto crash Monday morning near Bridgeport.

The accident occurred when Hamilton, the driver of the car, drove off the road to avoid collision with a truck on a narrow bridge. Three passengers with Hamilton escaped with minor injuries.

He is survived by his mother, Mrs. Edwina Hamilton, a sister, Mrs. J. D. Anderson, both of Bridgeport, 2 brothers, C. O. Davis of Eldorado and Norman Davis of Sonora.

Dr. Francis Pritchard, Presbyterian minister, conducted services, assisted by the Rev. Weldon Butler, Methodist minister.

When Nasty Colds Leave You WEAK AND RUNDOWN HADACOL CAN HELP

If Your System Lacks Vitamins B1, B2, Niacin and Iron, Which HADACOL Contains

When a nasty cold leaves you in a weakened and run-down condition, HADACOL can help build you up if your system is lacking in Vitamins B1, B2, Niacin and Iron, important elements contained in HADACOL. Many folks have found that this fine family formula helps overcome these deficiencies and soon they feel good again.

Mrs. A. Jiminez, 141 East 13th St., Port Arthur, Texas, gave HADACOL to her young son, Floyd, after he had recovered from a bad cold when she heard how HADACOL was helping folks suffering from deficiencies of Vitamins B1, B2, Niacin and Iron. It helped him so much in regaining his strength and energy that Mrs. Jiminez says she is always going to have HADACOL on hand for Floyd.

recovering from a siege of a bad cold.

He was very run-down, lacked an appetite, and I started giving him HADACOL. After about a bottle and a half I could notice an improvement. His appetite picked up and he had increased strength. I think HADACOL has done wonders for Floyd, and can't praise it enough. I have continued to give him HADACOL and intend to always have it on hand for Floyd.

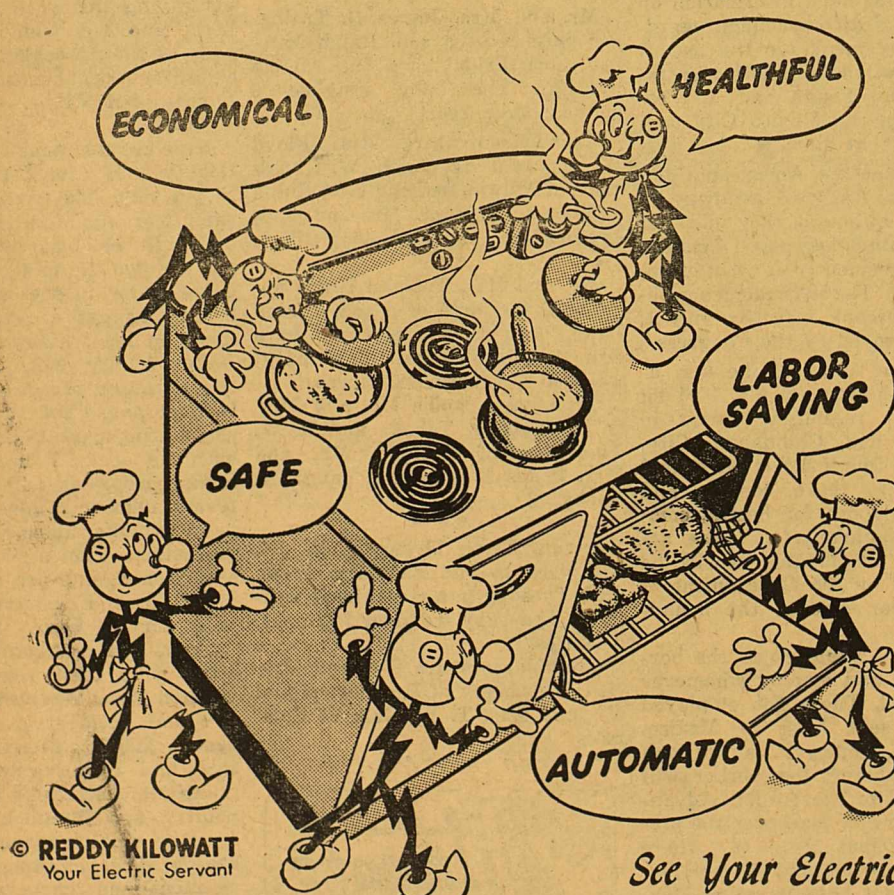

Here is Mrs. Jiminez's statement: "My son Floyd was very subject to colds. He's eleven years old, and he was run-down, didn't seem to have an appetite at all, and just simply lacked energy. I heard about HADACOL on the radio, and it was about this time that Floyd was just

Men, women and children of all ages are praising HADACOL for supplying Vitamins B1, B2, Niacin and Iron which their systems lacked. Don't let that "After-Cold Run-down Feeling" drag you down—HADACOL can help you, too, if you suffer such deficiencies. Sold on a strict money-back guarantee. ### MARINE RECRUITER TO BE HERE MARCH 28

A United States Marine Corps Recruiter, Sgt. Jack Harmon will be available at the Sonora Post Office during working hours on 28 March to enlist men for service with the Leathernecks.

Sgt. Purvis has announced in advance that men between the ages of 17 to 29 years with no prior military service are eligible to enlist. The 17-year olds must be able to obtain consent of their parents or guardians to enlist. Men 18 years old, upwards, registered with the draft, need only to show their draft registration cards in lieu of the consent papers. All such men must be able to show their birth certificates.

Military veterans, who had more than six months' service in any branch outside the Marine Corps, and were honorable discharged, can reenlist in special grade. Former Marines, honorably discharged, can reenlist at their former rate.

Applications are now being accepted from women for service with the Marine Corps. They must be between the ages of 18-29 years old, single, high school graduates, and in good standing in their community.

Further details can be obtained by contacting the recruiter in the Post Office.

In her talk, Miss Palmer emphasized training at home, training at school and training in the church as fundamental elements in the makeup of a good citizen. "In order to be a good citizen," Miss Palmer stated, "a person should be well-informed and broad-minded." A report from the finance committee on the food sale revealed that \$63 was made.

The nominating committee presented the following names for nomination: president, Mrs. Dan Cautron; vice-president, Mrs. Frank Potmesil; secretary, Mrs. C. T. Jones, Jr., historian, Miss Emma Hamilton; treasurer, Mrs. Pat Lyles; and publicity chairman, Mrs. Herbert Fields.

The Texas Day tea following the meeting was held in the school cafeteria dining room. The centerpiece was an arrangement of pink daisies on a map of Texas. White gladioli and daisies decorated the room. Mrs. W. R. Cusenbary and Mrs. Sterling Baker presided at the tea table.

Present were 30 members and several guests, Mrs. Audrey Bridges, Miss Emma Hamilton, Miss

**Spicy Cinnamon Drops**

These soft molasses cookies wear a spicy coat of cinnamon-sugar, and are delicious with fresh fruit.

"Come one, come all, for there are fresh cookies on the table!" You won't need to call twice, for that's an invitation no one can resist. Good cookies to serve for snacks or desserts are spicy Cinnamon Drops, which accent fruit flavors and are good with milk, coffee, or hot chocolate.

Molasses is behind the tangy flavor of Cinnamon Drops, which are made by a method that is standard for cakes. Drop teaspoonfuls of the dough into cinnamon-sugar for that sweet-and-spicy coat. The cookies flatten slightly into plump drops during baking.

Molasses combines with enriched flour in a nutrition special, too, since both have a generous quota of food iron to offer. Enriched flour also scores for its three B-vitamins. These food values are especially important in desserts which are served often on the family table.

**CINNAMON DROPS**

- 3/4 cups sifted enriched flour
- 1/2 teaspoon soda
- 1/4 teaspoon salt
- 1/2 cup shortening
- 1/2 cup sugar
- 1 cup molasses
- 1 egg, beaten
- 1/4 cup boiling water
- 1/4 cup Cinnamon Sugar

Sift together flour, soda, and salt. Cream together shortening and sugar until light and fluffy. Add molasses and egg. Beat thoroughly. Add boiling water. Add flour mixture to creamed mixture gradually, mixing well. Drop by tea-

### Our WASHINGTON Letter

By Congressman **O. C. FISHER**

STILL MARKING TIME until committee hearings are concluded on important measures, the House attended to routine business last week and listened to a special message from President Truman calling for cuts in the huge annual Post Office Department deficit by increasing and adjusting postal rates.

The House tackled that problem last year and succeeded in passing a bill in part modernizing postal rates as recommended by the Hoover Commission. The measure, if it had been finally enacted, would have raised revenues by \$130 million annually to partially meet the \$550 million annual Post Office deficit, the largest deficit in postal history. That bill included no increases for first-class letter mail, air mail, weekly newspapers of less than 5,000 circulation, daily newspapers of less than 10,000, religious publications, bulk mailings of seeds, plants, etc., and money orders.

It costs the Department 2.6 cents per piece to handle penny post cards, causing an annual loss in that item alone of \$57 million. The House bill upped the post card rates to 2c rates on second class mail were increased by \$15 million, and third and fourth class matter was hiked moderately. Other adjustments are overdue, and a new bill on the postal rate subject will probably be before the House before long.

IT'S EASY TO PREACH ECONOMY in general terms but it is quite another matter to get specific where particular groups are affected. Not long ago I announced that, in an effort to more nearly balance the budget and pay as we go for national preparedness, I favored cuts on all non-essential, including retrenchment on payments to farmers and ranchmen for certain range practices such as drilling wells, brush eradication, etc. However desirable these splendid practices are, this Federal help can be reduced and much of the program can be carried on by individuals and State agencies.

Following my announcement I have received scores of letters from farmers and ranchmen commending me for my stand. The Farm Bureau directors of Tom Green County unanimously endorsed my position. This is but one instance where savings can be had. There are many other nonessentials that

Uncl Sam can cut or reduce during this emergency when we are faced with higher taxes and a need for more preparedness funds. Unless and until new taxes are voted, a Federal deficit of more than \$16 billion during the next fiscal year is faced, if the President's spending program is permitted.

### YOUR HEALTH

Cold weather and influenza go hand in hand, so the proverbial "ounce of prevention" is especially timely. Influenza has many of the signs and symptoms of a common cold, and may develop from a cold. The popular nickname for the disease is "flu," according to Dr. Geo. W. Cox, State Health Officer.

The common symptoms of "flu" are well known. Fever at the onset, cough, and pains in the head, back and limbs have been experienced by many. This disease, which spreads rapidly, has a crippling effect on the community. Much time lost from school and work; therefore, its control is of economic and social as well as medical importance.

Since permanent immunity is not developed as the result of an attack of the disease, these epidemics continue to appear. Every-

one is susceptible. The fact that this disease is highly contagious makes isolation and personal cleanliness of utmost importance in its prevention and control.

## For a Lifetime.. If You Prefer !

Standard equipment, accessories and trim illustrated are subject to change without notice.

It is reassuring, when you buy a Cadillac, to know that you yourself will make the decision as to how long you wish to keep it—and how far you wish to drive it. The car will be at your service throughout your pleasure.

Give it reasonable care and reasonable usage, and there is no practical limit to a Cadillac's utility. Authenticated records show various Cadillacs well into their second five hundred thousand miles of service.

Of course, the original owner seldom has any requirement for such exceptional mileage. Being progressive, he

wishes to change his cars sufficiently often to keep pace with Cadillac's advancement in design and appearance.

But he benefits, all the same, from this wonderful capacity for service. It means that, month after month and year after year, his Cadillac performs magnificently—with the minimum of care and attention.

The great Cadillacs for 1951, now gracing America's streets and highways, are built in the finest traditions of Cadillac quality. If you have not inspected them, you ought to do so. We'd be happy to see you—at any time.

We are sorry indeed that delay in delivery of new Cadillacs continues unavoidable. Not only is the demand beyond all precedent, but much of the company's materials must, of necessity, be allocated to defense production. Thousands of Cadillac's craftsmen are already engaged in this effort. If you are waiting for a Cadillac, please be patient—but hold to your purpose. There is no substitute for the "Standard of the World."

NOTICE OF ADDITIONAL AD VALOREM TAX ELECTION THE STATE OF TEXAS: COUNTY OF SUTTON.

TO THE RESIDENT PROPERTY TAXPAYING QUALIFIED VOTERS OF SUTTON COUNTY, TEXAS:

TAKE NOTICE that an election will be held on the 17 day of March, 1951, at the places, in the manner and on the proposition set forth in the attached copy of an order for additional ad valorem tax election, duly entered by the Commissioners' Court of Sutton County, Texas, on the 12 day of February, 1951. Said attached order for additional ad valorem tax election is made a part of this notice for all intents and purposes.

F. L. McKinney, County Clerk, Sutton County, Texas  
**ORDER FOR ADDITIONAL AD VALOREM TAX ELECTION HOUSE BILL 107, 51ST LEGISLATURE, REGULAR SESSION, 1949 THE STATE OF TEXAS COUNTY OF SUTTON.**

On this the 12 day of February, 1951, the Commissioners' Court of Sutton County, Texas, convened in regular session at the regular meeting place thereof at the Court-house in Sonora, Texas, with the following members of the Court present, to-wit:

- GEORGE WYNN, County Judge
- D. L. LOCKLIN, Commissioner Precinct No. 1
- C. W. ADAMS, Commissioner Precinct No. 3
- DANTES REILEY, Commissioner Precinct No. 4
- F. L. MCKINNEY, County Clerk

and the following absent: Dan Cauthorn, constituting a quorum, and among other proceedings passed the following order:

WHEREAS, this Court has investigated the submission to the resident property taxpaying qualified voters the question of submitting to said voters the proposition of voting additional ad valorem tax as provided by House Bill No. 107, Acts of the 51st Legislature, Regular Session, 1949, and this Court after said investigation is of the opinion that it would be beneficial to this county to call said election.

THEREFORE, BE IT ORDER-

ED BY THE COMMISSIONERS' COURT OF SUTTON COUNTY, TEXAS:

That an election be held in said County on the 17 day of March, 1951, which date is sufficient to allow the posting and publishing of notices of said election as herein provided at which election the following proposition shall be submitted to the resident property taxpaying qualified voters of said county for their action thereupon:

PROPOSITION

To determine whether or not said county shall be authorized to levy, assess, and collect ad valorem taxes upon all property within said county, except the first \$3,000.00 valuation of residential home-stands, not to exceed 30 cents on each \$100.00 valuation in addition to all other ad valorem taxes authorized by the Constitution of the State of Texas, provided the revenue therefrom shall be used for the construction and maintenance of Farm-To-Market and lateral roads, or for flood control, either or both, as the Commissioners' Court of said County may determine as provided in House Bill No. 107, Acts, 51st Legislature, Regular Session, 1949.

That said election shall be held at the following places in said county and the following named persons are hereby appointed Presiding Judges for said election:

- No. 1 Court House L. P. Bloodworth, Jr.
- No. 2 Wool House Collier Shurley
- No. 3 Cedar Hill School Aldie Garrett
- No. 4 Owensville Buster Shroyer
- No. 5 Humble Station B Mrs. F. M. Ballard

The ballots for said election shall have written or printed thereon the following:

"FOR THE TAX OF NOT EXCEEDING 30 CENTS ON EACH ONE HUNDRED DOLLAR (\$100.00) VALUATION"  
 "AGAINST THE TAX OF NOT EXCEEDING 30 CENTS ON EACH ONE HUNDRED DOLLAR (\$100.00) VALUATION"

Each voter shall mark out with black ink or pencil one of the above expressions, thus leaving the other as indicating his vote. The manner of holding said election shall be

governed as near as may be by the General Election Laws of the State, except as modified by the provisions of House Bill No. 107, Acts, 51st Legislature, Regular Session, 1949, and none but resident property taxpaying qualified voters of said County who have duly rendered the same for taxation shall be allowed to vote at said election. Notice of said election shall be given by publication of a copy of this order on the same day in each of two consecutive weeks in a newspaper of general circulation published in said county, the date of the first publication to be not less than fourteen full days prior to the date set for said election. In addition thereto, a copy of this order shall be posted in each voting precinct in said County not less than fourteen full days next before said election.

The County Clerk is hereby authorized and directed to cause said notice to be published and posted as hereinabove directed and further orders are reserved until the returns of said election are made by the duly authorized election officials and received by this court.

The above order being read, it was moved and seconded that same do pass. Thereupon, the question being called for, the following members of the court voted AYE:

- D. L. Locklin, C. W. Adams, Dantes Reiley, and the following voted NO: None.

PASSED, APPROVED AND ADOPTED, this the 12 day of February, 1951.

- GEORGE WYNN, County Judge
- D. L. LOCKLIN, Commissioner Precinct No. 1
- C. W. ADAMS, Commissioner Precinct No. 3
- DANTES REILEY, Commissioner Precinct No. 4

ORDER FOR BOND ELECTION: THE STATE OF TEXAS, COUNTY OF SUTTON.

On this, the 12 day of February, A D, 1951, this, the Commissioners' Court of Sutton County, being in Regular Session, there came on to be considered the petition of R. A. Dullnig and fifty other persons, all being resident property taxpaying voters of Sutton County,

praying this Court to order an election to be held in Sutton County for the resident property taxpaying voters to determine whether or not bonds of Sutton County shall be issued to the amount of Fifteen Thousand Dollars (\$15,000.00) to mature not later than fifteen years from their date, for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof, and whether or not taxes shall be levied on all taxable property of said Sutton County, subject to taxation, for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity:

And it appearing to the court that said petition is signed by more than fifty of the resident property taxpaying voters of said Sutton County, and that the bonds proposed to be issued will not exceed one-fourth of the assessed valuation of the real property of said Sutton County:

IT IS, THEREFORE, considered and ordered by the Court that an election be held in the said County of Sutton, State of Texas, on the 17 day of March, A D, 1951, which is not less than thirty days from the date of this order, to determine whether or not the bonds of said Sutton County, Texas, shall be issued in the amount of \$15,000.00, for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, on in aid thereof, the said bonds to mature not later than fifteen years from their date, to mature serially, to be issued in such denominations, and payable at such time or times as may be deemed most expedient by the Commissioners' Court, and to bear interest not to exceed two per cent per annum, the interest to be payable semi-annually, and whether or not a tax shall be levied upon all taxable property within said Sutton County, Texas, subject to taxation, for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity.

Notice of said election shall be given by publication in a newspaper published in said County for three successive weeks before the date of said election, and in addition, thereto there shall be posted by the County Clerk notices of such election at four public places in Sutton County, Texas, one of which shall be at the Court House door, for three weeks prior to said election. Said election shall be held at various election precincts in said Sutton County, and at the voting places in said respective election precincts as follows, to-wit:

No. 1, Court House in the town of Sonora; No. 2, at the Sonora Woolhouse; No. 3 at the Cedar Hill School House; No. 4, at the Owensville School House; No. 5, at the Humble Pipe Line Station B.

And the following named persons are hereby appointed judges of said election in the respective election precincts:

- Judges of Election: No. 1 L. P. Bloodworth Jr., & Wilfred Berger
- No. 2 Collier Shurley & Hub Hale
- No. 3 Aldie Garrett & Miss Carmen Warren
- No. 4 Buster Shroyer & Jo Hardgraves
- No. 5 Mrs. H. M. Ballard & Mrs. J. D. Brodnax

Said election shall be held under provisions of Articles 752a to 752w, inclusive, of Chapter 3, Title 22, Revised Civil Statutes 1925, as amended by Chapter 116, Acts of

1943, 48th Legislature, page 198, being Acts 1926, 39th Legislature, 1st Called Session, page 23, and amendments thereof, and only qualified voters who are property taxpayers of said Sutton County, Texas, shall be allowed to vote, and all voters desiring to support the proposition to issue bonds shall have written or printed on their ballots the words:

"FOR THE ISSUANCE OF BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF."

And those opposed shall have written or printed on their ballots the words: "AGAINST THE ISSUANCE OF BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF."

The manner of holding said election and canvassing and making returns thereof shall be governed by the General Laws of this State governing general elections when not in conflict with the provisions of the laws governing County Road Bond elections.

A copy of this order, signed by the County Judge of said County, shall serve as proper notice of said election, and the County Judge is directed to cause said notice to be published in a newspaper published in said Sutton County, Texas, for three successive weeks preceding such election, and cause to be

posted by the County Clerk a notice thereof at four public places in Sutton County, Texas, one of which shall be at the Court House door, for three weeks prior to said election.

## AROUND THE TOWN—

Marvin E. (Gene) Alley arrived February 26 in Dhahran, Saudi Arabia, after a three-day flight from New York. He is employed by the Arabian-American Oil Co. as farm supervisor. . . . Dr. J. F. Howell flew to New Orleans Sunday to attend the 14th annual meeting of the New Orleans Post-graduate Medical Assembly. Meetings were held Monday through Thursday and consisted mainly of clinics and talks on latest developments in medical science. Dr. Howell is expected home tonight. . . . Mrs. Tom Womack was the guest of her mother, Mrs. C. F. Stubblefield of Goldthwaite Tuesday and Wednesday. . . . The Rev. R. C. Brinkley, former pastor of the First Baptist Church here, has been invited to become pastor of the Eldorado Baptist Church. Rev. Brinkley went from here to Immanuel Baptist Church in Eldorado, Arkansas. . . . Mr. and Mrs. Ray Stewart (he was formerly bookkeeper with Granger & Johnson here) were here last weekend visiting the Jeff Lamberts. Stewart, an Air Force reserve, is being called up to active duty Monday in San Antonio. He and Mrs. Stewart, who have been living in Crockett, have a new daughter, Donna born in November. . . . Jimmy Cusenbary is reported seriously ill in Lubbock with measles. Mrs. Fred Earwood, who has been ill for the past week with measles, is reported improving. . . . S. C. Gandre lost an oxygen drum off his truck, bought a want ad, and we lost the ad. So if you find it call him at 26941. . . . R. L. Scott, R. C. Vicars, and Scott's father-in-law, Joe Guthrie of Dallas fished at the upper Devil's Lake last weekend. Of 16 bass caught, Scott caught the largest, a 4-pounder, on a Midgerino. . . . Billie Dee Drennan reports to the army April 3. He is

busy these days breaking in Philip Cooper as telephone trouble shooter.

## HERE AND THERE—

Mr. and Mrs. Glenn Reeves of Mansfield, Arkansas, were here this week, the guests of her parents, Mr. and Mrs. D. Q. Adams. . . . Mr. and Mrs. Charles Oatman will move to San Antonio in a week or two. He will be market supervisor for the Hom-Ond-chain there. . . . The Robert Kelleys bought the Edward Tipton home here and Mr. and Mrs. Robert L. Wolff bought the W. F. Clendenon home. . . . The American Legion post at Rocksprings announced that it will sponsor a rodeo, barbecue and dance July 3 and 4. . . . Mrs. Bill Duckett left Monday for an extended visit with her sister and brother-in-law, Mr. and Mrs. Jess Stanley, at Bowie, Arizona.

## HORSE RACE STORY—

Overdoing a good thing or staying too long with one stock is one way of losing out on an advantage gained. It wasn't going to happen to a Dallas woman whose husband delights in telling the story as an actual happening. They were on their honeymoon in New Orleans and the wife had never attended the races. Her husband asked if she would like to place a bet. "I know nothing about the horses," she said; "how would I bet?" "Do you have a lucky number, one that you like to use above any other?" he asked. "Number four," she said. In the first race, number four won. It was the lucky number in race two and again paid off in the third race. "Would you like to bet on number four again in the next race?" the admiring husband asked.

## Soil Conservation District News

News of Edwards Plateau Soil Conservation District Prepared by Local SCS Personnel

In 1949 and 1951 soil conservation district cooperators in Texas and Oklahoma seeded 260,000 acres of little bluestem, big bluestem, Indiangrass, switchgrass, sand lovegrass, all good native tall grasses. These plantings were primarily on eroded cropland and on rangeland where these good grasses had been eliminated by over-use.

In addition to these native grasses, 75,000 to 100,000 acres have been seeded to King Ranch bluestem, a good vigorous introduced grass. These figures become more significant when we find that during the same two years, ranchers cooperating with the Edwards Plateau Soil Conservation District have seeded some 1,700 acres of old fields and depleted rangeland to good native and introduced, high forage producing grasses.

Since the planting of grass has proven such a popular land use practice in this district maybe it would be well to answer some of the questions connected with it such as why, where, what when and how to plant it.

Cooperators with this District have found that liberties or hazardous areas such as old fields or bare spots on rangeland can be turned into assets by returning them to grass.

Harold Friess has planted all of his House Field (14 acres) to native and introduced grasses such as K. R. bluestem, sideoats and slender grama, Lehmann's and Boer's lovegrass and Canada wildrye. In addition to harvesting some 300 to 400 pounds of high priced grass seed, Friess received the equivalent of 90 animal units per section, on a yearlong basis, of grazing from this field during 1951. This should answer the question of, "why plant grass?"

A number of good native and introduced grasses have been successfully planted and established in this district. They include sideoats and slender grama, Canada wildrye, K. R. bluestem, Lehmann and Boer's livegrass and Indiangrass. Several other species are being tried on a trial basis that may prove successful.

When to plant grass depends upon the grass itself. Warm grasses.

"No," answered his winning bride, "that little horse must be tired by now; let's switch to another one."

such as K. R. bluestem, sideoats and slender grama, and the lovegrasses should be planted in the spring, anytime from March until June seems to be satisfactory. Cool season grasses such as Canada wildrye should be planted in the fall. Sept. has proved the best month for fall plantings.

How to plant grass involves many things. First of all to consider is the seed bed. Since grass seed, as a rule, are very small, they must be planted very shallow or they won't come up. To avoid planting too deep, you must have a firm seed bed. This can be obtained by planting after a good rain or by planting on land that has been fallow for awhile. During dry years like we have now, grass should not be planted until after the first good rain. This will allow the ground to become firm and make a good seed bed for planting.

The amount of seed to plant per acre is another important item. In buying seed you should always check the germination and purity. Sometimes cheap seed proves to be expensive if the germination and purity percentage is low. As a rule it pays to buy good seed. This is one way of insuring a good stand.

It is not a good practice to graze

## '51 CHRYSLER WINS SPEED TITLE AT 100 MPH

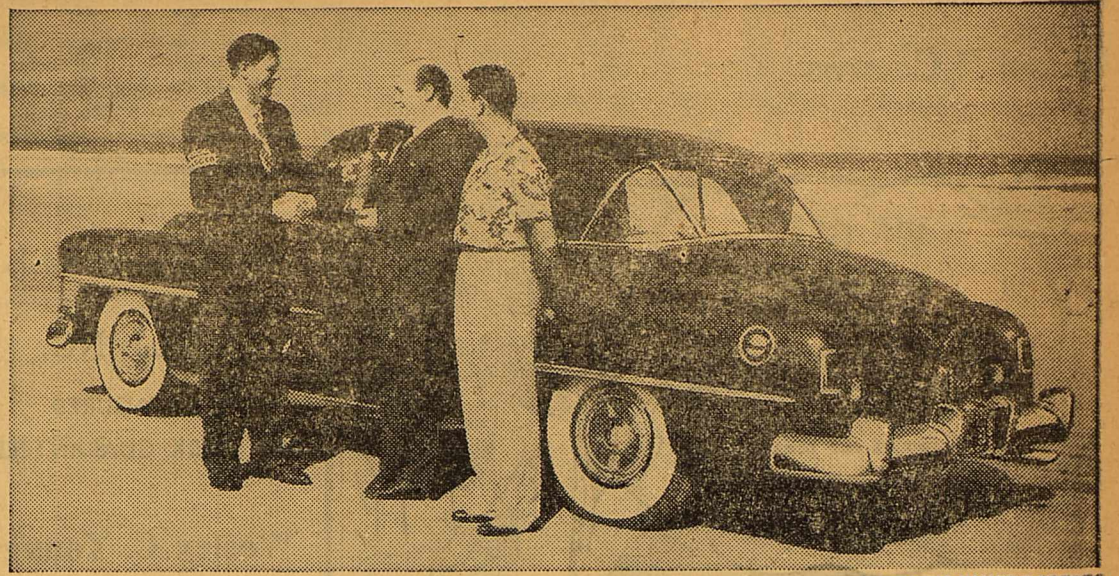

PHOTO BY JIMMY ROBERTS

Tom McCahill, featured automotive writer for "Mechanix Illustrated" (center), receives trophy emblematic of the 1951 official unmodified stock-car record from Bill France, President of the National Association for Stock Car Auto Racing. The record of

100.13 miles per hour was made at Daytona Beach, Fla., in a Chrysler New Yorker four-door sedan, powered by the new 180-horsepower V-8 FirePower engine. McCahill entered the trials on the spur of the moment with a car

that had been driven only 400 miles and that had been given no special tune-up. W. Brewster Shaw, Jr., Chrysler dealer in Daytona Beach, shown standing at the right, loaned him the vehicle, taking it off the showroom floor.

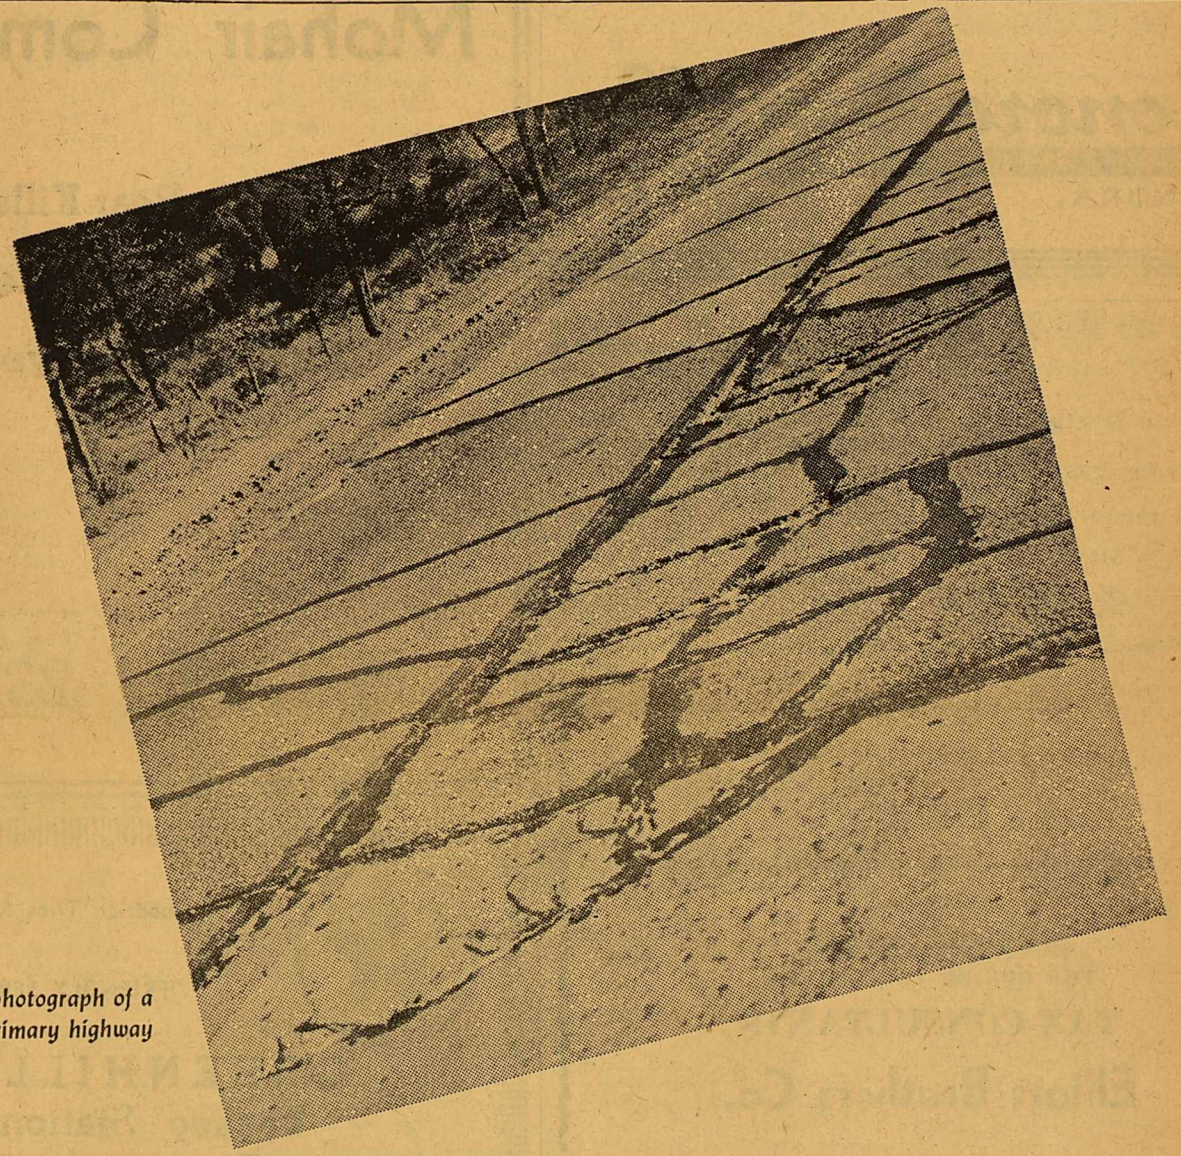

grass plantings the first year unless they do exceptionally well. In this district, cooperators are often faced with heavy weed competition in their grass plantings during the spring and summer. If equipment is not available to mow the weeds, they may be controlled by grazing with sheep. To control

weeds by grazing, requires a heavy concentration of sheep for short periods of time. This will penalize the weeds and give the grass a chance to grow.

To establish a good soil and water conserving cover of grass requires patience. Grass seed differs from the seed of cultivated

crops in that it does not all germinate at one time. It may require a year or more for all of the seed to germinate. Grass plantings should not be plowed up until they have been given a good chance to become established.

Drive safely! Observe stop signs.

Recent photograph of a Texas primary highway

# \$115,282,344

Damaged highways, such as the Texas highway shown in this picture, are a hazard to the safe operation of automobiles, farm trucks and other motor vehicles.

It costs three times as much to build roads that will withstand the loads of big trucks now being operated over them than it does for the smaller trucks and automobiles.

Latest records show \$115,282,344 was spent on Texas highways for the year ending August 31, 1950.

A bill sponsored by the big truck operators is before the Texas Legislature. This bill proposes . . .

- (1) to increase the load limit from the present 48,000 pounds to 72,000 pounds, and
- (2) to increase the maximum truck length from 45 feet to 50 feet.

Recent official highway tests at La Plata, Md., sponsored by the U. S. Bureau of Public Roads, the highway departments of eleven states and the District of Columbia, effectively demonstrated that as trucks increased in size and loads, roads cracked up and "died" more quickly.

We need to safeguard our highways for Civilian and Military use. "Increased heavy loading might seriously disrupt the effectiveness of essential routes in the event of an all-out war," according to T. J. Kauer, director of the Ohio Highway Department and Chairman of the La Plata road test committee.

The big truckers want the taxpayers to continue providing expensive highways for them to use as "rights-of-way" for their own, selfish, personal gain.

### THIS IS A TUG-OF-WAR BETWEEN THE BIG TRUCKERS AND THE TAXPAYERS OF TEXAS!

Automobiles and small trucks do not require extra strong, extra costly highways. The truth is, that the big truckers are putting the "pinch" on the pocketbooks of the Texas taxpayers.
