

**Personal Notes**

Mr. and Mrs. Lee Patrick and daughter Betty left last week for a weeks vacation in Denver, Colorado and other points of interest in Colorado. They will return this weekend.

Mrs. Thelma Briscoe who is part time secretary for the Sutton County TB association attended

the TB Seal Sales Convention in Lubbock this week.

Guests of Mr. and Mrs. Jack Mackey over the weekend where Mr. and Mrs. W. G. Bennett of Abilene.

Mr. and Mrs. W. E. DeMoss and children left last week on a vacation to Northern Oklahoma and Colorado. DeMoss is employed by Stanolind Oil and Gas Co.

**Anthrax Outbreak Causes Field Day Postponement**

The Range Field Day sponsored by the Association of Hill County Soil Conservation Districts has been postponed. The postponement was deemed advisable because of possibility of spreading Anthrax that is being so effectively controlled in the area in which the Field Day was to be held. The State Livestock Sanitary Commission made the recommendation after a survey of conditions in the area.

Future date for the Field Day will be announced after the quarterly meeting of the Association in August.

The officials of the Association want to express their appreciation for the wonderful cooperation they have received from newspapers and radio stations in publicizing the Field Day. They also want to thank the six International Harvest dealers in the Hill County area, Pat Higgins of San Antonio and Stull Chemical Company of San Antonio for their cooperation in offering prizes for the Range Management Contest. It is hoped the Field Day and contest can be held at an early date.

THE STATE OF TEXAS  
COUNTY OF SUTTON

Before me, the undersigned authority, on this day personally appeared Mrs. Thelma Briscoe, County Treasurer of Sutton County, who being by me duly sworn, upon oath, says that the within and foregoing report is true and correct.

MRS. THELMA BRISCOE, County Treasurer.  
Sworn to and subscribed before me, this 9th day of July 1951.  
(SEAL)

F. L. McKinney Clerk,  
County Court, Sutton County, Texas.

**Fire Destroys Tolliver Home Near Juno**

A fire starting in the bedroom of the W. N. Tolliver six room frame home in Juno Saturday morning at four o'clock, resulting in the complete loss of the house and all furniture and clothing. Their car which was parked in the driveway was also burned. Both the home and car were uninsured.

Mrs. Tolliver who was sleeping in the bedroom awoke and discovered the fire, but due to a shortage of water and water pressure the Tolliver's were unable to control the fire. By the time that it was realized that they were not going to be able to put out the fire it was too late to try and save any of the clothes or furnishings in the home, and Mr. and Mrs. Tolliver were forced to leave with only the clothes they wore.

According to Tolliver the fire started from matches stored in the closet.

Mr. and Mrs. Tolliver moved from Sonora to Juno about ten years ago. Two of their children live here at present, Mrs. Tom Guest

and Clayton Tolliver, who works on the Jap Holman ranch. The Tollivers are staying with the family of another son, Charlie, until other arrangements can be made.

**Personal Notes**

Mrs. Laura Trainer, has been a patient in a San Angelo hospital for the past week.

Pvt. Jack Henderson, son of Mr. and Mrs. Clyde Henderson, visited his parents last weekend. Henderson had as his guest Pvt. Jack Wynn of Roswell, New Mexico. Henderson and Wynn are stationed at Fort Hood, Texas.

Mr. and Mrs. Clyde Henderson and son, Gene, and Miss Carnie Sue Wyatt returned this week from a fishing trip to Presidio.

June Henderson returned home this week from a visit with her brother and his wife Mr. and Mrs. Perry R. Henderson, in Las Cruces, New Mexico.

Mr. and Mrs. Lum Trainer of Mertzton were visiting Mrs. Manilla

If you've got the **PRICE** of a car— you can afford this **BUICK**

Do you know what gas mileage owners are getting from its F-263 Fireball Engine—newest of Buick's famed valve-in-head power plants?

Do you know that this is the most powerful engine you'll find in any automobile of the same size and price?

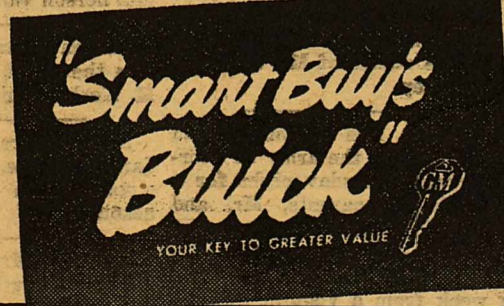

Do you know what headroom and legroom and trunk space this big and beautiful bargain gives you?

Do you know that this SPECIAL has the road-steady ride of soft-action coil springs on every wheel—and the firm keel of Buick's torque-tube drive?

Do you know the lift that you'll get behind the wheel of this trim and talented traveler—as it steps away from a traffic light or rolls up the miles on the open road?

Fact is—by every check, including price—this Buick's a buy too good to miss.

Come in, look it over, and you'll agree.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Miss Peggy Jean Matthews Bride Of J. W. Elliott In Livingston

LIVINGSTON, TEXAS July, 19- In a double-ring ceremony performed Thursday evening, July 19, at eight-thirty o'clock, Miss Peggy Jean Matthews became the bride of James Webster Elliott. The Reverend Elwood J. Birkelback read the ceremony at the First Methodist Church.

Palm trees, smilax and pom-pom mums provided the background for the wrought iron candelabras and archway where they took their vows. Floor standards of white gladioli and stock outlined the rostrum and shasta daisies and greenery tied with satin bows marked the family pews.

Pre-nuptial music was played by Mrs. S. Ross Smith, who during the ceremony, played "Clair-de-lune", "Liebestraum", and "Meditation From Thais." Mrs. V. H. Pritchard, soloist, sang "God Remembers Everything", "Because," and "The Prayer Perfect."

The bride, given in marriage by her uncle, James Newton Owen, wore an original gown of swiss organdy, trimmed with appliques of satin blossoms and iridescent beads. The full skirt flowed into a deep flounce which formed a full-length train. Her veil of nylon illusion was held by a Juliet cap of satin flowers, with seed pearl centers. She carried a bridal bouquet of stephanotis and white orchids.

The matron of honor was Mrs. Edna Ruth Towe, and bridesmaids were Mrs. B. C. Lively, Jr., Misses Martha Ann Peters of Timpson, and Ruth Marie Drew of Huntsville, cousins of the bride, and Mrs. D. H. Watkins of Huntsville.

Junior bridesmaids were Dianne Fain and Patricia Ann Pritchard. All of the attendants wore identical gowns of Nile green organdy, with matching stoles trimmed with ruching. Their headpieces were halos of shasta daisies and tulle, and they carried colonial bouquets.

Little Misses Judith Ann Windham and Suzanne Peters, cousins of the bride were flower girls. Their dresses were of white imported organdy, with sashes of green velvet. They wore bandeaux of shasta daisies and carried miniature baskets of white braided edged in tulle. James Newton Owen, Jr., dressed in white linen, carried the rings on a satin pillow edged in handmade lace.

Marion Elliott, of Sonora, brother of the groom was best man. Groomsmen were Floyd L. McKinney and Wesley E. Sawyer, of Sonora, Dr. Jack C. Manning of Dayton, and Pat Pace. Ushers were James M. Windham, B. C. Lively, Jr., and Frank Fain.

Mrs. Matthews wore a gown of blue chantilly lace, and her hat was of matching hue. Her corsage was an orchid.

Mrs. Owen wore a gown of pink chantilly lace, a hat of pink illusion and roses, and an orchid corsage.

Mrs. Monte Elliott, mother of the groom, wore a gown of toast silk chiffon, with chantilly lace trim. Her hat was a feather cloche, and her flowers were orchids.

Immediately following the ceremony, the reception was given at the home of Mr. and Mrs. Owen. The bridal party, Mrs. Elliott, Mrs. Matthews, and Mrs. Owen, received the guests. The yard was lighted with hurricane lamps, and magnolia foliage formed a background for the bridal party. Floor baskets of gladioli and stock were placed on either side.

The bride's book was presided over by Mrs. Preston Edward Lindsey, of Jasper. After the guests registered, they were shown to the bride's table in the patio. The table was laid with a handmade cloth of white swiss organdy, and centered with silver candelabras and white flowers in a silver bowl. The silver punch service and the

Eastern Star Holds Patriotic Program

Members of the local chapter, Order of the Eastern Star, met recently at the Masonic Hall with Mr. and Mrs. H. B. Smith, presiding. Mrs. Clayton Hamilton was initiated as new member, Mrs. Alfred Schweining, Jr., presented a patriotic program and led the group in singing. Mrs. W. L. Davis read two poems.

Hostesses during the social hour were Mrs. Dave Locklin and Kathleen Moore. Refreshments were served to 38 members.

Herbert Field is in Plainview this week contracting for hay.

When the couple left for a wedding trip to New Orleans, Mrs. Elliott was wearing a Ted Stein original suit of champagne militeen wool, and a black velvet hat. Her accessories were of black velvet, and she was wearing an orchid corsage.

The bride is the daughter of Mrs. Carl Matthews. The groom's parents are Albert Cecil Elliott of Sonora, and Mrs. Monte Elliott of Henderson.

The bride attended Sam Houston State Teachers College, and was graduated from the University of Texas, where she belonged to Chi Omega sorority. She has been teaching Home Economics in the Sonora Public schools for the past two years.

The groom attended the University of Southern California, and was graduated from the University of Texas School of Law. He is a veteran of World War II and is County Attorney of Sutton County.

They will live in Sonora.

**You Couldn't Make a Smarter Buy!**

BEFORE you make any deal on a new car, remember this:

One of the most important things you buy when you buy a new car is its name!

Just think for a minute what the Pontiac name means:

It means a car so thorough good it will give you years of carefree pleasure.

you will look forward to every minute behind the wheel.

It means a car so beautiful it stands apart from everything else on the road.

The name Pontiac on your car means you are buying from a dealer who takes pride in the car he sells, the service he provides and his place in the community.

Come on in and talk deal—see how easy it is to own a Pontiac.

**NEWS FLASH!**

**YOU CAN STILL GET GOODYEAR'S LIFEGUARD SAFETY TUBES**

U. S. Government regulations on rubber still permit Goodyear to manufacture LifeGuard Safety Tubes.

Yes, Goodyear's LifeGuard Safety Tubes are still the best blow-out-accident protection that you can buy for your car today. There is no such thing as a blowout-proof tire, BUT LifeGuard Safety Tubes make any blowout as harmless as a slow leak. Why not stop in and see about a set for your car?

Remember, you can't get better protection to save your life!

SAFEST in Any Tires—

You can put LifeGuard Safety Tubes in your present tires, whether they're new or used . . . are re-capped or still have original treads.

They're ECONOMICAL, too—

LifeGuard Safety Tubes will usually outlast at least three sets of the same size tires besides helping you to get the last mile from your present tires with safety.

**ORDINARY TUBE**—When a tire with an ordinary tube blows out, the single air compartment collapses—the wheel drops suddenly, usually throwing the car out of control.

**LIFEGUARD SAFETY TUBE**—When a tire with LifeGuard blows out, only the outer chamber gives way—reserve inner chamber supports car—deflates slowly. You can bring your car to a safe, straight-line stop.

STOP AT THIS SIGN OF

Our WASHINGTON Letter

By Congressman O. C. FISHER

BREAKING MODERN RECORDS for consecutive roll-calls, the House last week passed a badly mixed-up Defense Production Act. The action came long past midnight on Friday after 12 consecutive votes on amendments. The 13th record vote was for final passage.

The House had been debating the measure for most of three weeks. It now goes to conference committee where Senate and House differences are compromised and a final draft of the bill is written.

I joined with 8 other Texas Members in voting against the bill on final passage after our efforts to send it back to committee for needed correction and improvements was defeated. Actually, in the form in which it was finally passed the measure appeared to many of us as a piece of political hypocrisy. Sponsors of the legislation successfully fought off our attempt to freeze all prices and wages for a period of four months. This designed to get away from political controls and test the effectiveness of real legislation, with Congress spelling it out, to curb inflationary forces that are driving up living costs.

During the debate on the control Act, more than 100 amendments were offered. Here are a few of the actions taken:

1. The initial rollback on cattle, averaging 10 percent, was approved. The two additional 4 1/2 percent rollbacks projected for August 1 and October 1 were cancelled and prohibited. Actually, the 10 percent rollback to 18 percent on most Texas cattle, since range cattle are generally graded as "commercial" and as to that grade the initial order applied a rollback of 18 percent. I voted the additional rollbacks and for cancellation of the initial one.

On the effect of the cattle rollback on production and particularly on feeding (which accounts for one-third of the beef that goes into butcher shops) it is of interest to note that the Department of Agriculture has just announced that there are presently 9 percent fewer cattle on feed in Corn Belt

feedlots than was true a year ago. This means consumers will face a shortage of corn-fed beef in the amount of 117 million pounds during the Fall marketing season. And that means more inflationary pressure, higher consumer prices, possibly more black markets.

The Department points out that most of the drop in cattle numbers took place in the three months since March following the rollback order. Before that the number was increasing each month. It is obvious that many feeders reduced their operations and many quit the business because of the uncertainty of profits and the possibility of heavy losses, there being no rollbacks ordered on costs of production.

2. I voted for an amendment by Rep. Poage which would have prohibited increased manufacturing and other costs from being forced back on the original producer of agricultural products. The amendment was defeated.

3. An amendment was voted down which would have limited the Wage Stabilization Board to wage policy-making. At present that Board, in addition to policymaking, acts on thousands of requests for rounds of wage increases, and the public members of the Board are very much in the minority. This arrangement has the effect of By-passing the Taft-Hartley Act and its successful conciliation service. As presently operated, that Board has been admittedly inflationary in its actions and it is feared that the policy may lead to more and more inflation in the spiral of wages and living costs, with the unorganized workers and those with fixed incomes being hurt the worst. I voted for this attempt to limit the Board to the function intended in the law—that is, as a policy-making medium on the subject of wage increases in the overall stabilization program.

4. The House adopted an amendment, sponsored by the House Committee on Agriculture, which prohibits slaughtering quotas for processors of meat. The OPS has limited butchers to as little as 85 percent of what they handled a year ago, and this has interfered with the normal supply and flow of meat for the benefit of consumers. I voted for this amendment.

5. An amendment was adopted, for which I voted, which restricts the authority of the President, without the consent of Congress, in the acquisition of real estate for defense production purposes. There has been an inclination in recent years for Congress to delegate too much of its authority and responsibility to the President and to bureaus and agencies.

6. The House also adopted an amendment to the bill prohibiting the licensing authority of businesses, designed to give a club to the head of OPS for use over the heads of business men. In voting

KISER ATTENDING SIMMONS

H. E. Kiser, Jr. of Sonora registered last week for the second term of the summer semester at Hardin Simmons University.

Enrollment for the session totals 847, Registrar Alton B. Lee has announced. The number includes 348 ex-servicemen, the largest veteran enrollment in more than a year. The increase is attributed to the Veterans Administration ruling that veterans must begin their schooling before July 25 to receive GI Bill financial benefits.

Second term classes begin July 10 and will end with summer commencement exercises August 20. A special music recreation camp is scheduled for August 13-25.

Kiser, son of Mr. and Mrs. H. E. Kiser, is a freshman at the university.

SUBSCRIBE TO THE NEWS

against such authority, I felt that too much leeway would be granted to Mr. DiSalle to harass businessmen. We have courthouses to decide the rights of citizens in the pursuance of their business activities and I fear that too much control over them by a government agency in Washington would be dangerous. This proposal would give the OPS power of life and death over businessmen everywhere.

\$500

Reward

I will pay \$500 to any person furnishing information leading to the arrest and conviction of anyone stealing any kind of livestock from any ranch in which I am interested.

"My 2-ton dump hauls tough loads for less than 3 1/2¢ a mile!"

L. C. Clingan, of Lawton, Oklahoma, is a sand and gravel operator. He drove his Ford F-6 in the big Ford Truck Economy Run. He says, "In six months, I traveled 25,271 miles with an average load of 13,500 lbs., made 1,566 stops. Total spent for gas, oil and service was \$882.49—or 3.49 cents per mile."

Actual on-the-job records show...  
**FORD TRUCKS COST MIGHTY LITTLE TO RUN!**

Most power, least gas! The POWER PILOT gives you most power from least gas! It is standard on F-1 Pickup shown, and on all Ford's 180 models!

F.D.A.F.

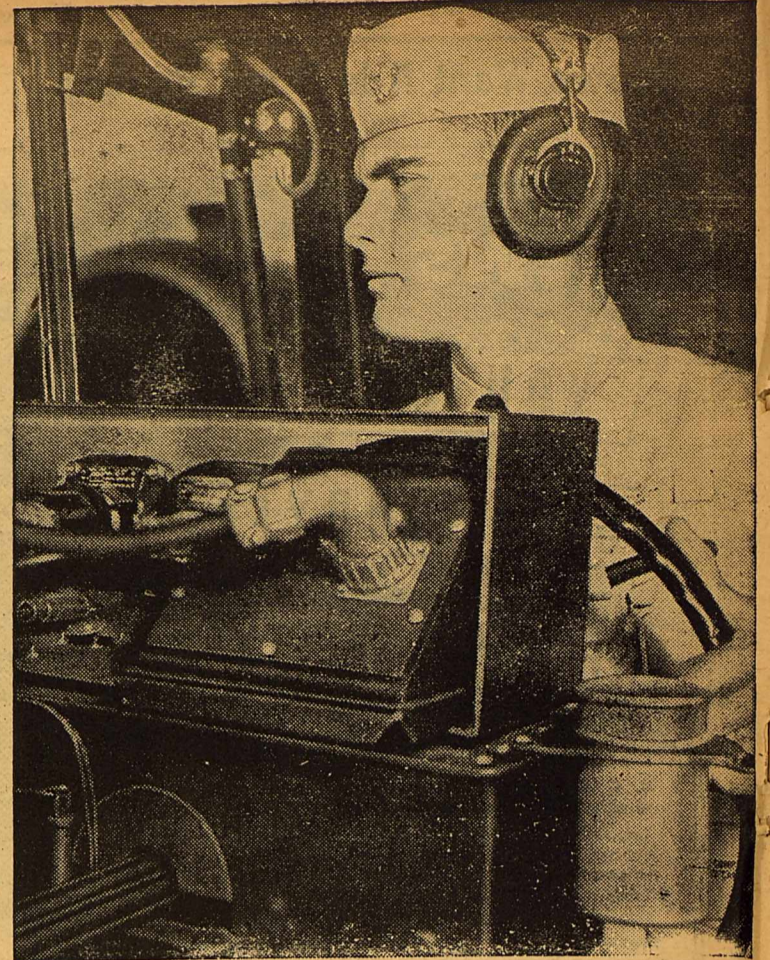

"I haul hay stacked high for only 2.34 cents a mile!" Stockman Alex Forshage, Jr. of San Marcos, Texas, says, "Hauling loads of 3,200 lbs., my F-5 Stake cost me only 2.34 cents a mile!"

Availability of equipment, accessories and trim as illustrated is dependent upon material supply conditions.

**FORD**

trucking costs less because Ford Trucks last longer!

Using latest registration data on 7,318,000 trucks, life insurance experts prove Ford trucks last longer!

**Defense is your job, too!**

Searching our coastal waters for unidentified submarines, this Navy blimp pilot is constantly on

the alert to protect American shores. His blimp carries the most effective airborne detection gear in the world, enabling him to pinpoint and track a target even when it is submerged. And he is doing a vitally important job in defense of America.

Defense is your job, too. And one of the best ways for you to do your part is by keeping yourself and your country economically strong. Buy U. S. Defense\* Bonds now and regularly. Go to the pay office where you work and sign up for the Payroll Savings Plan or join the Bond-A-Month Plan where you bank. But don't put it off—do it today!

The U. S. Defense Bonds you buy give you personal financial independence

Remember that when you're buying Defense Bonds you're building a personal reserve of cash savings. Money that will some day buy you a house or educate your children, or support you when you retire. Remember, too, that if you don't save regularly, you generally don't save at all. So go to your company's pay office—now—and sign up to buy Defense Bonds through the Payroll Savings Plan.

Don't forget that bonds are now a better buy than ever. Because now every Series E Bond you own automatically goes on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not \$25—but as much as \$33.33—if you just hold it the extra ten years! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's, too, buy U. S. Defense Bonds now!

\*U. S. Savings Bonds are Defense Bonds Buy them regularly!

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, the Advertising Council and
