SIXTY-FIRST YEAR

Sonora, Texas Friday, September 21, 1951

FIFTIETH WEEK

... Son of  
a gun ...

Why are some of this week's papers printed on white paper and some on colored? The newsprint shipment was late and we had to dig into our poster stock. Newsprint is still allotted to most newspapers, particularly the smaller ones, but we can easily see why paper is short when we go to the post office. Form letters, government alphabet agency releases, etc., adorn the tables in the lobby and the wastebaskets, are overflowing.

A card from Mrs. C. L. Brown, Algoa, Texas, states: "Please send me one of your papers. I once lived in Sonora when everybody lived in tents. My dear husband, Jack Leman and his partners furnished the sand, lime and rock to build the court house in 1891. I knew Pat Murphy when I was a girl." Some of the old timers here may remember Mrs. Brown. We are sure she would like to hear a word from Sonora.

Our roving reporter, Cadwallader, whom we have kept hard at work on a scientific project for several months, reports that his experiments have been brought, through no small effort on his part, to a successful conclusion.

States Cadwallader: "Have found the denture cream that will do the job. Have tested it on upper plates, lower plates, bridges, and upper and lower plates together. Had twenty representative citizens ride across U. S. Highway 290 railroad crossing and not one denture fell out, even though speeds up to six miles per hour were attained. One man said he felt bridge slip as car jounced over crossing, but later found man had mouth open. Instructions were to keep teeth clenched tightly. Feel new denture cream revolutionary due to extremely hard test given. Cream that will hold denture at 6 mph over THAT crossing is cream of the future. Space ship pilots will want it; racetrack drivers, wrestlers, tank crews, Jackhammer operators, all will cry for it. So will pass on to you suggested name for this dental sensation - U. S. Highway 290 RR Crossing Denture Adherent-It Sticks."

Thank you Cadwallader. You may start on our next project, which also involves the safety of our citizens - the development of a back brace designed to minimize shock to the spinal column when driving across U. S. Highway 290 railroad crossing.

Meanwhile, a last-minute inspection of the crossing in question reveals it to be approximately in the same condition it was last week, or last month or last year-Lousy. An excellent example of the punishment a state highway can endure without maintenance. Its general appearance still resembles a relief map of the Rocky Mountains after a heavy rain. We will let you know as soon as we hear from Cadwallader or the State Highway Department.

Miss Jane Neill was home this week visiting her parents, Mr. and Mrs. George H. Neill.

## Methodists Plan Mission Oct. 7

An evangelistic program, part of a state-wide program among Methodist Churches, will get underway here Sunday, October 7, according to the Rev. W. H. Marshall, pastor. Mr. Marshall said Thursday the Rev. A. A. Kendall, pastor of the Methodist Church at Canadian, will assist the local church in the forthcoming Texas United Evangelistic Mission. Mr. Kendall will preach Oct. 7, and services will be held each evening throughout the following week.

The United Evangelistic Mission will be carried on simultaneously in each of the Methodist Churches in Texas, Mr. Marshall said. The program is under the general chairmanship of Bishop William C. Martin of the Dallas-Fort Worth area, Bishop A. Frank Smith of the Houston area, and Bishop Robert N. Brooks of the New Orleans area.

The Rev. Dawson Bryan of Houston and the Rev. Leslie Ross of Nashville, Tenn., are executive co-chairmen of the Houston area. The Rev. Howard Ellis and the Rev. Joe Edwards, both of Nashville, are co-chairmen of the Dallas-Fort Worth area, and the Rev. J. W. Golden of Memphis is chairman of the New Orleans area, Central Jurisdiction.

Committees from the local Methodist Church have been named to assist the Rev. Marshall in the various phases of the campaign. Local church committees are preparing lists of prospects in behalf of Christian commitments and membership in the church. A warm invitation is extended to everybody to attend these services.

## Brackettville Winner Over Sonora, 21-12

Outclassed by a team vastly superior in both numbers and experience, the Sonora Broncos gave the visiting Brackettville Tigers their money's worth Friday night, although defeated 21-12. The difference was Henry Talamentez, fleet Brackettville back, who was a constant scoring threat during the game.

Bobby Scott opened festivities for Sonora on the opening play when he got away on a 63-yard run. George Wright plunged for the touchdown and the point after was missed. The Tigers came back to score and added the point for a 7-6 lead which they held at the half.

Two more scores in the third and fourth quarters against one for the Broncos wound up the frolic.

Considering the fact that the Broncos lack experience as well as reserves and that Brackettville fielded an all-senior team, the locals gave a good account of themselves.

## LOCAL CATTLE ENTERED IN HEREFORD SHOW

Halbert and Fawcett of Sonora have entered eight head of Hereford cattle in the Pan-American National Hereford Show, State Fair of Texas, Dallas, Oct. 6-21.

The big Hereford show, with \$25,000 in premiums, is set for Oct. 6-11 with judging the Oct. 8-9 and a spectacular Parade of Champions the evening of Oct. 9 in the fair's new \$120,000 livestock pavilion.

## Colts Coast To 54-0 Win Over Ozona Juniors

The Sonora Colts, completely outclassing the Ozona Cubs, coasted to an easy 54-0 victory here last night. It was the second game of the season for the Sonora junior team. The first game ended in a 0-0 tie with Junction.

Reason for the big score was the fact that ninth graders were barred from playing in this game, making fewer substitutes available. Several of these did not know the plays and ruled themselves out of play.

During the first and third quarters, Ozona played good ball and allowed only one touchdown in each quarter. Throughout the first quarter it was anybody's game, although Sonora was the more consistent ground grainer.

Ozona received the opening kickoff but could not gain. Benny Friend, a former Sonora junior player now living in Ozona, got off a beautiful punt which went spiraling down to the Colts' 20, where Adkins fumbled and recovered. A steady drive downfield carried to the Cubs' 10 and Adkins, who was to score 27 points before the game was over, carried around end for the initial score.

In the second quarter Sonora opened up with three touchdowns, one on a pass from Johnson to Chalk. Nice runs by McLaughlin and Johnson added to the scoring. Sonora line play was good on offense and defense. Downfield blocking was a little ragged, but in all the line did what it is supposed to - play team ball and make it possible for the backfield to operate.

## JOE BURKETT, JR., IS CANDIDATE FOR STATE REPRESENTATIVE SEAT

Joe Burkett, Jr., Kerrville attorney, announced his candidacy for state representative in a special election to be held in connection with the Constitutional Amendments November 13. The representative election was called by Governor Allan Shivers to fill the vacancy occasioned by the resignation of Rep. Callan Graham of Junction after Graham moved from the 86th Legislative District.

Burkett is a native Texan, born and raised in Eastland County. He attended public school at Eastland and graduated from Peacock Military Academy in San Antonio. He graduated from Cumberland University, Lebanon, Tenn., with a law degree in 1933.

Burkett launched his public life in Kerr County where he served two terms as Justice of the Peace. He was appointed Kerr County attorney to fill an unexpired term. This was followed by two elected terms to the office, from which he resigned in 1949. His services were once again desired by the citizens of Kerr County, who recalled him by appointment to fill the vacated office of County Judge, January 1, 1950. Burkett retired to private practice at the completion of that term of office.

A sound believer in the principles of Democratic government, Burkett no less is a firm adherent to local self-government. He is convinced that State taxes should not be increased for any purpose except as the people of the State voluntarily authorize tax levies upon themselves for a specific purpose. He has lived in the hill country for 21 years, and feels that he can properly and sympathetically represent the people of the hill country and the entire district in an integrated legislative program.

The S. M. U. - Georgia Tech meeting will be described by Ves Box and Jerry Doggett, from Grant Field, Atlanta, Georgia. Broadcast time is set for 1:20 p.m. on stations KRLD, Dallas; KWFT, Wichita Falls; KTRH, Houston; WOAI, San Antonio.

## Special Election To Name Graham Successor

Sec. State Shepperd recently mailed to the County Judges of Bandera, Crockett, Edwards, Kerr, Kimble, Mason, Menard, Real, Schleicher, Sutton, which composes the 86th Representative District of Texas, the Governor's Proclamation ordering a Special Election to fill the unexpired term of the Honorable Callan Graham resigned. This Special Election will be held jointly with the election on constitutional Amendments on November 13, 1951.

Sheppard stated in a letter to the County Judges that it was the duty of each County Judge to get together and set a final filing date. The Judges of each County must make provisions for drawing for places on the ballot and all other necessary arrangements.

## Bishop E. H. Jones To Visit Here

The Rt. Rev. Everett H. Jones, bishop of the Diocese of West Texas, will arrive here Saturday for a two-day visit. Saturday night Bishop and Mrs. Jones will be guests of honor at an open house given by the Rev. and Mrs. J. E. Winslow. All members and friends of St. John's Church are invited. Sunday morning, Bishop Jones will preach and conduct the Order of Confirmation.

## SWC Swings Into Action Saturday

Humble Oil & Refining Company launches its eighteenth consecutive season of football broadcasts this weekend with five big inter-sectional games. The Texas Aggies open Southwest Conference fire on the rest of the nation Friday night when they invade U. C. L. A. Southern Methodist tangles with Georgia Tech on Saturday, as the University of Texas takes on powerful Kentucky. Saturday night Baylor engages the University of Houston, while T. C. U. and Kansas square off in another night contest.

All five games will be broadcast over the Humble networks of radio stations which dot most of Texas. Listeners will hear familiar voices describing the action as the veteran Humble announcers return to the microphones for the 1951 season.

Charlie Jordan and Eddie Barker will broadcast the A. & M. - U. C. L. A. tilt from Los Angeles Memorial Coliseum, Los Angeles, California. Broadcast time will be 9:20 p.m. (CST) on stations KPRC, Houston; WFAA-WBAP-820, Dallas - Ft. Worth; WOAI, San Antonio; KRIS, Corpus Christi; KVAL, Brownsville; KORA, Bryan.

## Burglars Get \$50 From Motor Co.

A loss of \$50.30 from the company safe was reported by Marion Elliott, manager of the Elliott Motor Company, Sunday morning.

Elliott said the burglar or burglars entered the building sometime Saturday night through a window in the paint room. The safe was opened without damage, all the money taken was in cash, although several checks were in the safe. Two rolls of nickles were also left.

## Grandstand Roof Nears Completion For Race Meet

The new roof on the grandstand at the racetrack will be completed in time for the fall racing meet September 28, 29 and 30, according to R. M. McCarver, secretary of the Sonora Park Association, owners of the park.

McCarver said that it was doubtful that the new section of seats will be finished in time for the meet, although six carpenters are now working on the project.

Horses are arriving daily for the meet, among them Patriotic L. owned by Alton Hightower, My Question, Bob White, owned by Noble Corner of Del Rio; Patsy Jo, and Salty Star. Pair of roses, owned by J. F. Hamby, is now racing in Ohio, but is expected here for the meet.

In all probability, a race will be matched between Major Mike and Flying Dutchman. In their last meeting at the spring meet, Flying Dutchman won.

Officials at the meet are to include: Judges B. W. Hutcherson, Dan Cauthorn, L. E. Johnson; Foul Judges: S. M. Loeffler, R. M. McCarver. Time keepers: H. T. Espy and W. B. McMillan; Announcer, L. P. Bloodworth; Starter, R. M. McCarver.

The Sonora High School will have charge of cold drink and food concessions.

## Ft. Worth Show Increases Money

Premiums offered for the 1952 Southwestern Exposition and Fat Stock Show at Fort Worth amount to \$153,000, the largest in the history of the show, officials announce. This figure represents an increase of approximately \$7,000 over the preceding year, which was the previous all-time high.

Livestock at the Fort Worth exposition (Jan. 25 through Feb. 3) will compete for \$103,000, which includes approximately \$25,000 for the horse show. The chief increases are:

Polled Herefords (breeding) raised to \$5,000 from \$2,000; Dairy cattle, advanced to \$5,637 from \$3,958, due to the addition of Holsteins; Junior dairy calves, hiked to \$2,000 from \$535.

Premium for carload-and-pen bulls have been raised to \$6,335, an increase of \$335. Other premiums include: Herefords (breeding) \$13,800; Shorthorns (breeding) \$7,000; Abredeen Angus (breeding) \$7,580; Brahmins (breeding) \$2,000; open steer show \$5,045; sheep and goats \$4,245; boys steers \$3,187; boys' lambs \$1,128; livestock judging contests \$1,500.

## Nance Completes Course

Pvt. Cleveland G. Nance, husband of Mrs. Mildred Nance, Box 5662 Sonora recently graduated from the Far East Command Chemical School at Camp Gifu, Japan.

Pvt. Nance was presented a Certificate of Completion by Maj. Fred Mitchell, Chemical officer, Southwestern Command, in a graduation ceremony at the Post Theater. He arrived in Japan in April of this year and was selected to attend this special course.

Camp Gifu is part of the Southwestern Command which has the mission of furnishing supplies and service to the United Nation troops in Korea and the Occupation Forces in Japan.

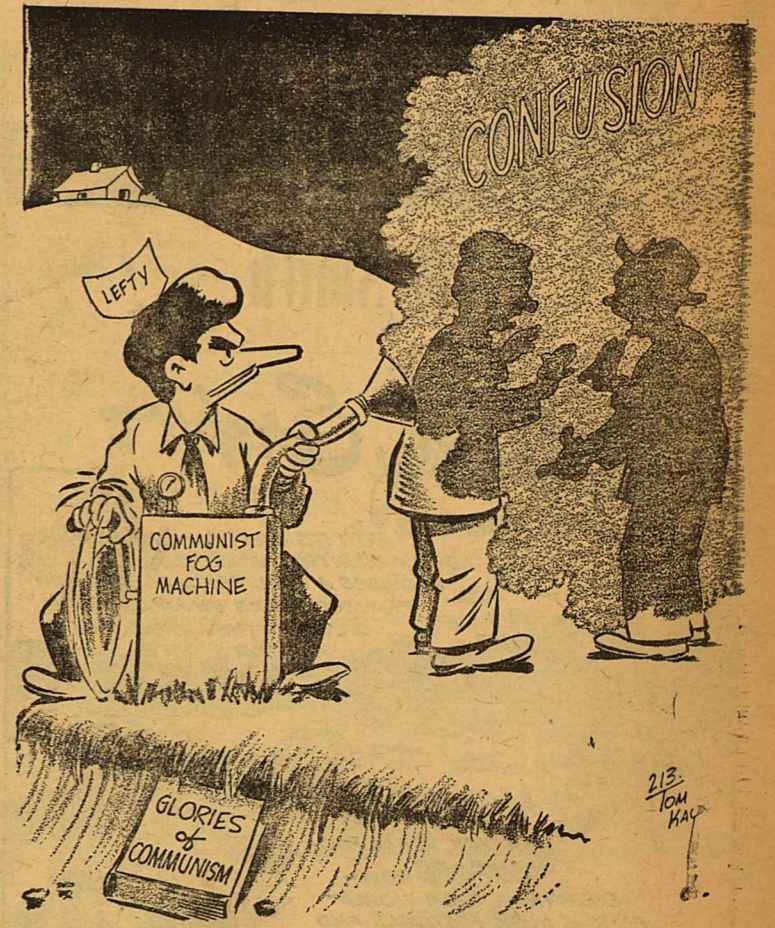

Mr. and Mrs. Ben Meckel, and Mr. and Mrs. Jimmy West of Elmirado were in Mineral Wells last week to attend a cattle sale.

Mr. and Mrs. Russell Lewis plan to return to Austin this weekend on a business trip.

## Record Tonnage Of Feed Sold In State During Past Fiscal Year

A record tonnage of commercial feeds was sold in Texas during the past fiscal year, according to F. D. Bronk, director of the Feed Control Service, Texas Agricultural Experiment Station. From September 1, 1950 to August 31, 1951, an estimated 3,853,600 tons of feed were sold in Texas. This was an increase of 617,250 tons over 1949-50 and 525,600 tons more than was sold in 1942-43, the previous record year.

Although the exact tonnages sold for the various classes of livestock, poultry and so forth are not known, Brock said the largest increase occurred in the use of range feeds.

There are 888 active commercial feed firms doing business in Texas, 217 of which are located outside the state. These firms sell thousands of different feed formulations; several have registrations covering as many as 150 different products each.

These figures do not include farmers who are exempt under the law. Although farmers may process feed they grow, they are not required to register or tag it.

During 1950-51 the Feed Control Service sold 87,000,000 feed tags each tag issued for an amount ranging from 5 to 125 pounds of feed.

Brock expects the tonnage of feed sold in Texas to decrease sharply during 1951-52 because of the large number of cattle now going to market. Sales of feed for poultry and swine probably will increase, Brock said.

## Girl Scouts Plan Organization

The Girl Scout Council met Monday afternoon at 6 o'clock in the scout hall to discuss the organizing of scout troop. Brownies will be organized next Wednesday at the scout hall. There is to be an Area Council meeting held here October 7 at 3 o'clock at the scout hall.

## IMPORTANT 4-H MEET WEDNESDAY NIGHT

An important meeting of the Sutton County 4-H Club will be held Wednesday night, September 26, at 7:30 o'clock at the court-house, according to D. C. Langford, county agent and sponsor of the club.

Langford said that several things relating to the annual lamb show will be discussed at the meeting.

Mr. and Mrs. J. H. Cartwright from Santa Ana, California are here for a few weeks visiting his parents, Mr. and Mrs. Bill Cartwright and family.

Mr. and Mrs. Harold Saunders Jr., have spent the last two weeks in Kerrville visiting Mrs. Saunders' parents, Mr. and Mrs. Dan Auld and in San Antonio visiting friends.

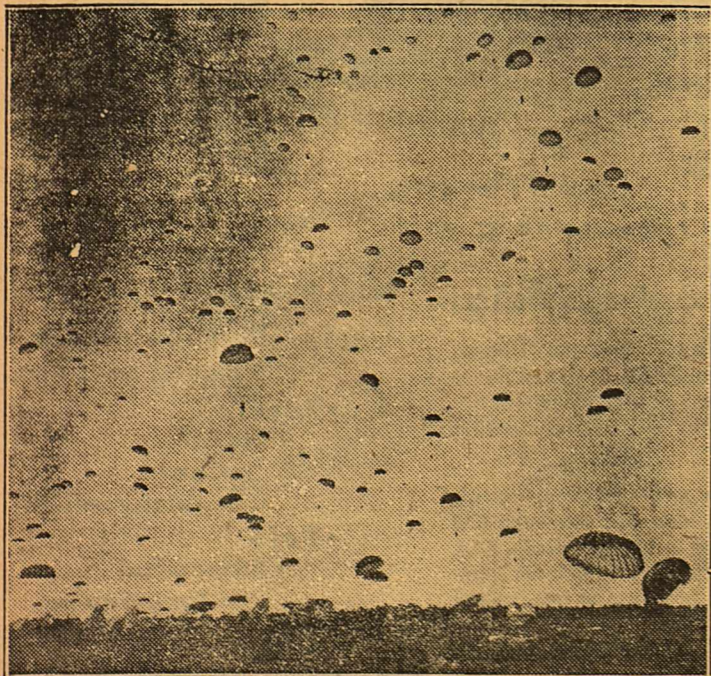

## To the American People ...

Probably never before has there been so much at stake in the preservation of the freedom which we have enjoyed since the birth of our republic. All of us that possibly can do so, should participate in its defense and this we can do by regularly purchasing Defense Bonds, thereby maintaining a strong economy essential to our free way of life.

Faithfully yours,

**SERVE GLAZED COTTAGE HAM**

Glamorize economical cottage ham butt for company dinner by basting with a tangy and glistening glaze. Served with the foods so traditionally good with ham—browned pineapple slices, scalloped potatoes, green peas, crisp cole slaw, dill pickles, rye bread and cold beer—it makes a festive meal for any occasion.

Shaped like pork tenderloin, and sometimes called by that term, cottage ham is rolled smoked shoulder of pork. Weighing from one to three pounds, the meat is solid without bone or waste and cuts easily for serving into evenly shaped slices. Serve the meal smartly by having the host carve at the table while the hostess serves the vegetables and salad. Add a gala

atmosphere by pouring the beer into tall, tapering pilsener glasses and passing the relishes in gay, attractive dishes.

**Glazed Cottage Ham**  
 3 tablespoons brown sugar  
 1/2 teaspoon kitchen mustard  
 1/4 cup beer  
 2 tablespoons ketchup  
 1/2 teaspoon grated onion  
 1/2 teaspoon kitchen bouquet  
 1/2 cup beer  
 Par-boiled cottage ham butt

Combine brown sugar and mustard. Stir in ketchup, onion and kitchen bouquet. Add beer slowly, stirring smooth. Put cottage ham butt in baking pan; pour glaze over ham. Bake 45 minutes in moderate oven (350° F.), basting every 10 minutes with drippings in pan.

Those assisting in the serving were; Mary Puckett, Tommy Espy, Johnny McClelland, Pascal Alison.

**Mittel - Clarke Nuptial Read Here Saturday**

At 12 o'clock noon Saturday in the St. John's Episcopal Church of Sonora, Miss Laura Clarke became the bride of Howard William Mittel.

The Rev. John Winslow, rector, read the double-ring ceremony before an altar enhanced with baskets of white gladioli and asters.

Frank Clarke of Eldorado gave his daughter in marriage. She wore a navy blue suit designed with straight skirt, and matching accessories. Her blouse and hat were white. She carried a prayer book topped with white gardenias.

The bride had as her maid of honor, her sister, Miss May Josephine Clarke of Waco. Neville P. Clarke of College Station, brother of the bride, was best man. Ushers were John Oschner of Eldorado and Henry Mittel, Jr., of Waco.

Traditional wedding marches were played by Joe Kreglow, who also played "The Lord's Prayer."

A wedding reception was held at the home of the bride's parents, Mr. and Mrs. Frank Clarke of Eldorado. Baskets of cutflowers decorated the rooms. Mrs. N. P. Clarke served the three-tiered wedding cake, topped with a miniature bridal couple.

After the reception, the couple left for August Ga., where the bridegroom is stationed with the U. S. Army. He is the son of Mr. and Mrs. Henry Mittel of Eldorado. He attended Texas A. & M. College after being graduated from Eldorado High School. The bride-elect is also a graduate of the El-

dorado High School. She is a great-granddaughter of the late Gov. Sul Ross.

Those attending the wedding from out of town were Mrs. George S. Allen and Mr. and Mrs. Austin Kinser of Burnet; Mrs. Lillian Beasley, Miss Elizabeth Clarke, and Mrs. Fred DeFord, Mrs. L.

Nethery, and Miss May Clarke, all of Waco; Mr. and Mrs. L. S. R. Clarke of Uvalde; Mr. and Mrs. N. P. Clarke of College Station; Mrs. Leo Tyaan of San Antonio.

Shirley Whittemore of Newton, Kansas is here visiting her sisters, Mrs. Roy Cooper and Mrs. Jack

Ellingson.

Mr. and Mrs. George H. Neill spent the weekend at Hunt, San Antonio, where they attended the Detroit Lions Chicago Cardinals football game. From there they went to Cuero where they were guests of Mr. and Mrs. Fielding

Breeder.

Jess and W. C. Bricker spent the weekend in San Antonio this week. They went down to get Mrs. Jess Bricker, who has been visiting relatives there.

# Chrysler

**can give you!**

**✓ COME FEEL 180 V-8 HORSE-POWER!** Chrysler's revolutionary new Fire-Power V-8 engine develops more power, gives smoother, more flexible responsiveness than any other engine ever put into an American car. Even on non-premium grade fuel, its built-in "Mechanical Octanes" enable it to outperform any other engine in any other car!

**✓ COME FEEL HYDRAGUIDE\* POWER STEERING!** For the first time in any U.S.-built car, hydraulic power supplies four-fifths of the energy needed to park or steer... makes driving literally a brand new experience... gives steering ease and the safety of swift, sure steering control like nothing you've ever felt!

**✓ COME FEEL CHRYSLER POWER BRAKES!** Feel for yourself the new sense of security that comes when power from the engine helps your foot apply the brakes. Gently, smoothly, easily, swiftly, you "feather down" your Chrysler's speed... or bring it to a standstill, with as little as one-third the foot pressure you're used to!

**✓ COME FEEL WHAT ORIFLOW DOES TO ROUGH ROADS!** Chrysler this year uses a revolutionary new type shock absorber with over twice the ride-steadying power of those previously used on any cars at any price. Come feel for yourself what a difference this makes... come feel what happens when bumps disappear!

\*Hydraguide standard on Crown Imperials, optional at extra cost, as production permits, on other Imperial, New Yorker, and Saratoga models.

**ATTEND SEMINAR**

Nine ladies of the Women's Society of Christian Service of the Methodist Church attended the Missionary Education Seminar held Sept. 12 in Eden. Lectures and discussions were held on Latin America, The Book of Acts, and "Family Life - A Christian's Concern." Those attending from Sonora included Mmes. W. L. Davis, W. H. Marshall, H. M. Smith, Dee Word, Joe B. Ross, E. E. Sawyer, C. T. Jones Jr., W. R. Cusenbary and Norman S. Davis.

**WCSA HOLDS PROGRAM AT CHURCH WEDNESDAY**

The Women's Society of Christian Service of the First Methodist Church met Wednesday afternoon at the church for regular meeting and program. Mrs. E. D. Shurley was in charge of the program and read a meditation titled, "Goodness, a Fruit of the Spirit." A skit, "More Power To You," was presented by Mrs. E. A. Brodhead, Mrs. Dan Cauthorn, Mrs. C. T. Jones, Jr., Mrs. Joe B. Ross, Mrs. DeWitt Lancaster, Mrs. L. E. Johnson, Jr., and Mrs. Norman S. Davis. The society voted to contribute ten cents per member toward a fund to buy a life membership pin for Mrs. Edward Geeslin of Brady. Others attending the meeting included Mmes. W. L. Davis, Dave Locklin, B. W. Hutcherson, Sim Glasscock, Ella Wallace, Dee Word, Robert V. Kelley, J. T. Sellman, A. W. Awalt, H. M. Smith, E. E. Sawyer, J. V. Alley, W. H. Marshall, Rose Thorp, C. W. Taylor, and J. C. Stephen.

**LINK VISITATION PLANNED AT COFFEE**

A coffee was held Tuesday morning at the home of Mrs. W. H. Marshall to formulate plans for "Link Visitation" among Methodist Women of Sonora.

It is planned that on Wednesday, October 3, from 10 to 11 o'clock, the women will gather in groups of five or seven in the homes of key women, designated as hostesses for the purpose of fellowship and instruction in the work of the Women's Society of Christian Service.

Those attending the preliminary were Mesdames Dee Word, Dave Locklin, W. L. Davis, J. F. Howell, H. M. Smith, M. E. Genrich, A. W. Awalt, A. E. Brodhead, Dan Cauthorn, Norman S. Davis, Joe B. Ross, J. T. Sellman and W. H. Marshall.

**CARD OF THANKS**

Recently I was confined, seriously ill for 17 weeks - in the Shannon Hospital in San Angelo. I wish to express my deepest gratitude for the courage and help that the prayers of the Rev. W. H. Marshall, of his wife, of his church, and of Sonora Christians afforded me during that illness. Also the cards, flowers and visits from several Sonora citizens which gave me both pleasure and courage. -Mrs. Seleta C. Felps.

**QUESTIONS AND ANSWERS FROM VETERANS ADMINISTRATION**

Q - - What is the difference between a lapsed GI term policy and an expired GI term policy? Which one means that I, as a veteran, may not get any more GI insurance?  
A - - A lapsed GI term policy is one on which premiums have not been paid, but for which the term period covered by the policy has not yet expired. These may be reinstated or converted. An expired policy is one on which the term period has expired. This means the holder no longer is entitled to GI insurance as a veteran.  
Q - - I have a small loan on my home which is located on an unpaved street. My neighbors and I would like to pave the street and pay for it ourselves. We already have approval of the local government. May I use the remainder of my GI guarantee to get a loan for my share of the cost?  
A - - Yes, if the project complies with the loan guarantee provisions of the GI Bill and VA regulations. Check it with the loan guarantee officer in your nearest VA office.  
Q - - May a burial flag, which drapes the casket of a deceased veteran, be given to the veteran's friend after burial?  
A - - No. The flag is to go to the next of kin.  
Q - - I am considered totally disabled for insurance purposes, but receive only 20 percent for service-connected disability compensation from VA. Can my VA award be increased?  
A - - Only if the service-connected disability is shown to have may include other disabilities, not service-connected.

Joy has enrolled at the University of Wyoming at Laramie. Sonorans attending San Angelo College are Miss Carlene Peoples, Leon Brown and Fred Adkins. Miss Nancy Neill is completing her last year of high school at Hockaday at Dallas.

**J.F. HOWELL HONORED WITH BUFFET LUNCHEON**

Dr. and Mrs. J. F. Howell honored their son, John F. Howell Jr., Sunday with a buffet luncheon at their home. Howell left Thursday for New Orleans, where he enrolled in Tulane University. Those attending included Jack and Bill Ratliff, Jimmy Morrow, Tyree Hardy, John Stanley Hamby, Billy and Bobby Scott, Billy Bryan Savell, Jackie Mackey, Leroy Valliant, Joe David Ross and Charley Watt Howell.

**YOUR HEALTH**

Because of the economic losses they cause to industry and commerce and the annoyance they create in homes, rats have been considered a serious menace to mankind since long before their role as vectors of disease was understood. Today at least six diseases which are transmitted to man by rat are known to medical science, according to Dr. Geo. W. Cox, State Health Officer. These diseases include the dread plague, typhus, trichinosis, a form of jaundice, tapeworm, and food poisoning. The whole history of the rat as play in the transmission of disease remains as yet unknown.

"It is necessary to public health," Dr. Cox said, "that a continuous rat control program be maintained in every urban and rural area throughout Texas. This is of especial importance on farms where rats may flourish by feeding on grain and other farm products. The doctor pointed out that rats, like other living things, require food and shelter if they are to propagate and increase in number. Destroying their shelter and breeding places includes the employing of ratproof design in buildings, the use of ratproof materials in construction, employing ratproof methods of construction and installation, and providing for periodic inspection of buildings to insure permanent safety. This program will force the rat out into the open where its destruction may be accomplished.

Of equal importance as a control measure is the elimination of all food supplies. This consists of storing all foods in ratproof buildings or in rat proof containers, the proper storage and disposal of garbage, and careful feeding of stock to prevent waste feed from being picked up by the rats. By observing these control measures, the community will benefit not only in the eradication of a nuisance and economic menace but in improved health conditions and the prevention of rat-borne diseases.

"As scarce as frog's hair" is an old expression. But the Trichobatrachus robustus is one frog with skin filaments resembling hair.

**HIGH SCHOOL GRADS ELIGIBLE FOR ARMY O.C.S.**

"Now you can be an officer" is the theme of the U. S. Army's new drive to secure large numbers of urgently needed officers, Sgt. George L. Fike, U. S. Army Recruiting Officer for the Sonora area, announced today. Young men and women with a high school education may now enter the Army's Officer Candidate Schools directly from civilian life. The first step is to contact the local recruiting office where applicants will be told how to submit applications and take the required physical and mental examinations. Those who pass these examinations may enlist specifically for the Army Officer Candidate School. The civilian status of those who are not accepted will not be affected in any way.

**MRS. SANDHERR HONORED WITH BIRTHDAY PARTY**

Mrs. Nellie Allen and Mrs. G. G. Bennett were hostess in the home of Mrs. John Bunnell where they honored Mrs. Tom Sandherr with a birthday bridge party Tuesday September 11. A sandwich plate with ice tea was served. Fall cutflowers were used as decorations.

**CAROL BRICKER GIVEN PARTY ON BIRTHDAY**

Mr. and Mrs. W. C. Bricker honored their daughter, Carol, with a party on her tenth birthday Monday September 17. Cakes and cookies were served as refreshments. Favors of bubblegum were given to the following: Jetty Young, Earline Smith, Joe Coleman, Norma Maxey, Albert and Alfred Sykes, John and Jack Moore, Jess Peitchinsky, Thelma Jo Lurton, Jimmy Smith, Pete and Jack Skains, Gene Brodhead, Larry Kiser, Dan Cauthorn, and Martha and Lynn Bricker. Mrs. George Powell and Mrs. Jess Bricker assisted the hostess.

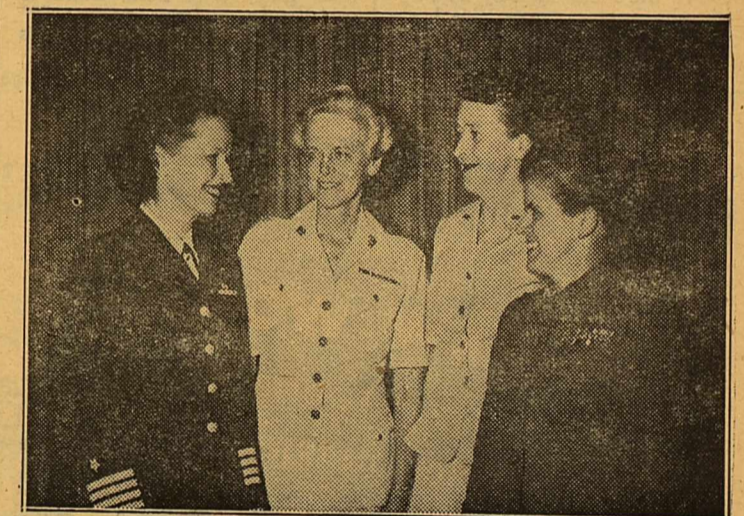

Miss Ethel Alley was here last weekend visiting her parents, Mr. and Mrs. J. V. Alley. Miss Alley is teaching school in Big Lake.

Mr. and Mrs. J. M. Rabon and family, former Sonorans, of San Angelo were here visiting Mr. and Mrs. J. W. Neville this week.

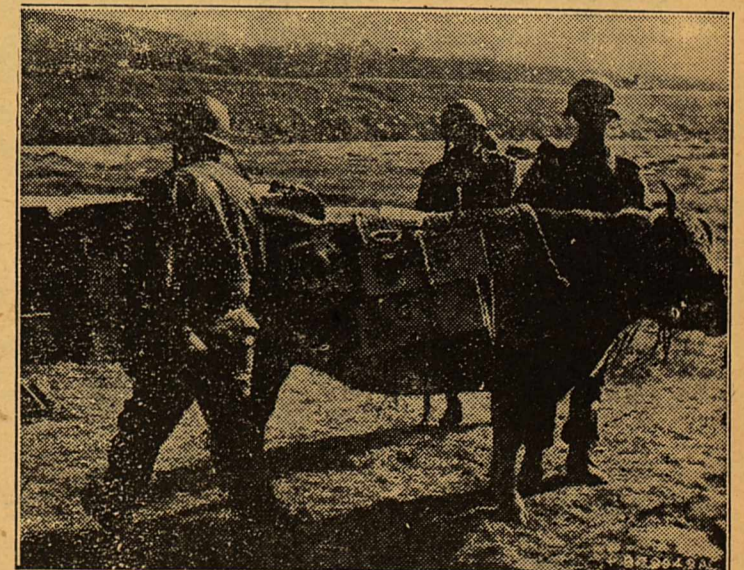

Mrs. Andrew Wood and family of Junction visited her sister last weekend, Mrs. Harvey Cooper.

Mr. and Mrs. H. V. Morris had as their guest this weekend their daughter and family, Mr. and Mrs. Jack Whitley and son, Jeffrey, from Colorado City.

Those who complete the 6 months training and study as an officer candidate will be commissioned second lieutenants in the organized reserve corps of the United States Army. To qualify men must be 19 but not more than 28, and women 19 but not more than 27 when they enter Officer Candidate School. Officers commissioned under this program will serve at least 2 years active duty with the army. They will be assigned as officers to the army units in this country or overseas. Sgt. Fike urges interested young men and women to visit the local U. S. Army and U. S. Air Force recruiting station located at 15 East Concho Street, San Angelo, where they will receive prompt attention and be given full details of the Army Officer Candidate Program, or see Sgt. Fike, your local recruiter, in Sonora each Tuesday at the Post Office from 9:30 o'clock to 1:30 o'clock.

**WOMEN CHIEFS IN THE ARMED FORCES**—At the Pentagon, Capt. Joy Hancock, USN (left), Director of the Waves, was congratulated on the ninth birthday of the organization by Col. Katherine A. Towle, USMC (2d from left), Director of the Women Marines; Col. Mary Jo Shelly, USAF, Director of Women in the Air Force; and Col. Mary A. Hallaren, USA (right), Director of Women's Army Corps. WAVES (Women Appointed for Volunteer Emergency Service) first joined the Navy on July 30, 1942, when Congress authorized enlistment and commissioning of women in the Naval Reserve. With passage of the Women's Armed Services Integration Act in June, 1948, women for the first time became an integral part of the regular army.

**OX-POWER**—Enterprising paratroopers load cases of C-Rations on this primitive means of transportation, a far cry from jet propulsion and the faster than sound speed of the Navy's sonic research plane. The cases of rations were airdropped by the Far East Air Force C-119 Flying Boxcars. Bridging the past with the present is often necessary in modern warfare when battles are fought in far off corners of the earth. American industry and the Armed Forces are teaming up with technical know-how and Yankee initiative to keep the nation fully prepared for defense.

**A Day Worth Waiting For!**

Standard equipment, accessories and trim illustrated are subject to change without notice.

There are but few times in a man's life when he gets a thrill that matches the one he gets when he takes delivery of his first Cadillac.

We've watched it happen many, many times—and it never ceases to be a heart-warming experience.

You see—a man isn't simply buying a motor car when he gets his first Cadillac. He is marking a milestone in his life.

For years, he has been saying to himself that, some day, he would step up to a Cadillac.

All this time, he has seen it as something he wanted to do for his family . . . and as a sort of personal reward for the effort and planning that have gone into his own work.

And when you watch him slide over behind the wheel

—well, it's a thrill just to be there. He's a proud and happy man as he turns the key in the ignition switch—and hears the deep-throated answer of the powerful engine.

If you are one who has been looking forward to a Cadillac—we think you would be well advised to come in and place your order now.

There's a little delay these days before a Cadillac can be delivered—and obviously, the sooner you place your order, the sooner you'll get your car.

And when the great day comes, you'll know at once that it was well worth waiting for—because all the things you've heard about a Cadillac are doubly true.

It isn't just a motor car. It's a wonderful contribution to a wonderful way of life!

### Uncle Sam Says

The moral fibre of our Americanism is today on trial. The dark clouds of aggression are still ominous. In the defense of our freedom two things are essential—preserve our national economy and utilize to the fullest America's tremendous productive power. The purchase of U. S. Defense Bonds gives every American the opportunity to share directly in strengthening our economic power. Make today your "D" Day with Defense Bonds!

**SOCIAL SECURITY STATUS OF DOMESTIC WORKERS CLARIFIED BY CLARK**

The San Angelo social security office is still receiving inquiries as to the status of household workers under the Social Security Act, according to George Clark, manager of that office.

"Just about a year ago, Congress amended the Social Security Act to provide that beginning January 1, 1951 regularly employed household workers would be covered by the old-age survivors insurance program. Workers in this group include maids, cooks, gardeners, children's nurses, chauffeurs, and other engaged to work in a private home," said Mr. Clark.

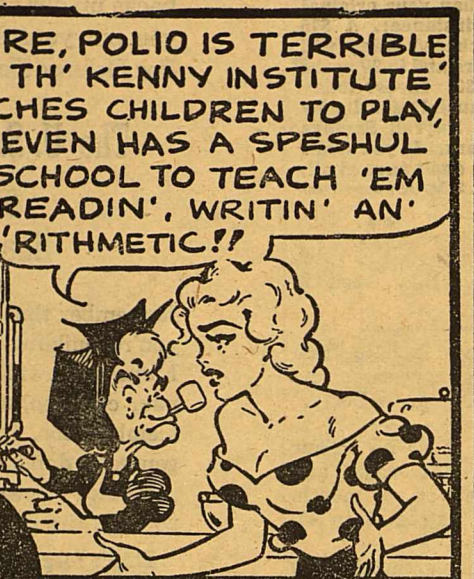

"If such a person works as many as 24 days in a calendar quarter

and earns \$50 or more in cash wages, the employer files a quarterly return with the Bureau of Internal Revenue. The report form is simple and easy to prepare. It calls for the worker's name, social security number, and amount of wages paid during the quarter."

Both the employer and the worker should be certain that the worker's social security number appears on the return and that it is correctly shown. Incorrect or missing numbers mean additional work for the Government and the employer to insure that the worker gets credit for the wages.

Mr. and Mrs. S. M. Kerbow spent the weekend in San Antonio, where they attended the Detroit Lions Chicago Cardinals football game.

**Soil Conservation District News**

News of Edwards Plateau Soil Conservation District  
Prepared by Local SCS Personnel

J. V. Drisdale of Juno has completed clearing and leveling 103 acres of deep, bottomland soil in preparation to installing a level border irrigation system.

Prior to the clearing, Soil Conservation Service technicians made a soil study to determine the depth and water infiltration rate. The rate soil takes in water influences the length and width of the borders. After the area was cleared, a topographic map was made to show elevation or lay of the land. This information gives the technician a guide to follow in laying out the

irrigation system. In addition to this new acreage, Drisdale, at the present time, has 45 acres under level border irrigation. This new irrigated land will be good insurance against drought years. By having this additional feed source, it will permit the resting of more native pastures for improvement.

For security in your future, buy U. S. Defense Bonds.

The Board of Supervisors announced that an election will be

held the first week in October to elect a supervisor in Subdivision No. 3 of the Edwards Plateau Soil Conservation District.

Frank Bond is now serving as Supervisor from this area which comprises all the land in Sutton County east of the San Angelo highway and north of the Junction highway.

The landowner elected as a supervisor from this area will serve for five years on the District Board of Supervisors. Only landowners who live in Subdivision No. 3 are eligible to vote. The exact time and place if the election will be announced next week.

Save for a "rainy day". Invest part of your income in U. S. Defense Bonds.

Bledsoe and Rudd, cooperators of the Edwards Plateau Soil Conservation District, are going to establish permanent stock water on the North portion of their Juno ranch. The area is abundant in good grasses such as sideoats grama, little and silver bluestem.

The new stock watering will permit more even distribution of grazing on the two north pastures and will aid in managing livestock to bring about range improvement.

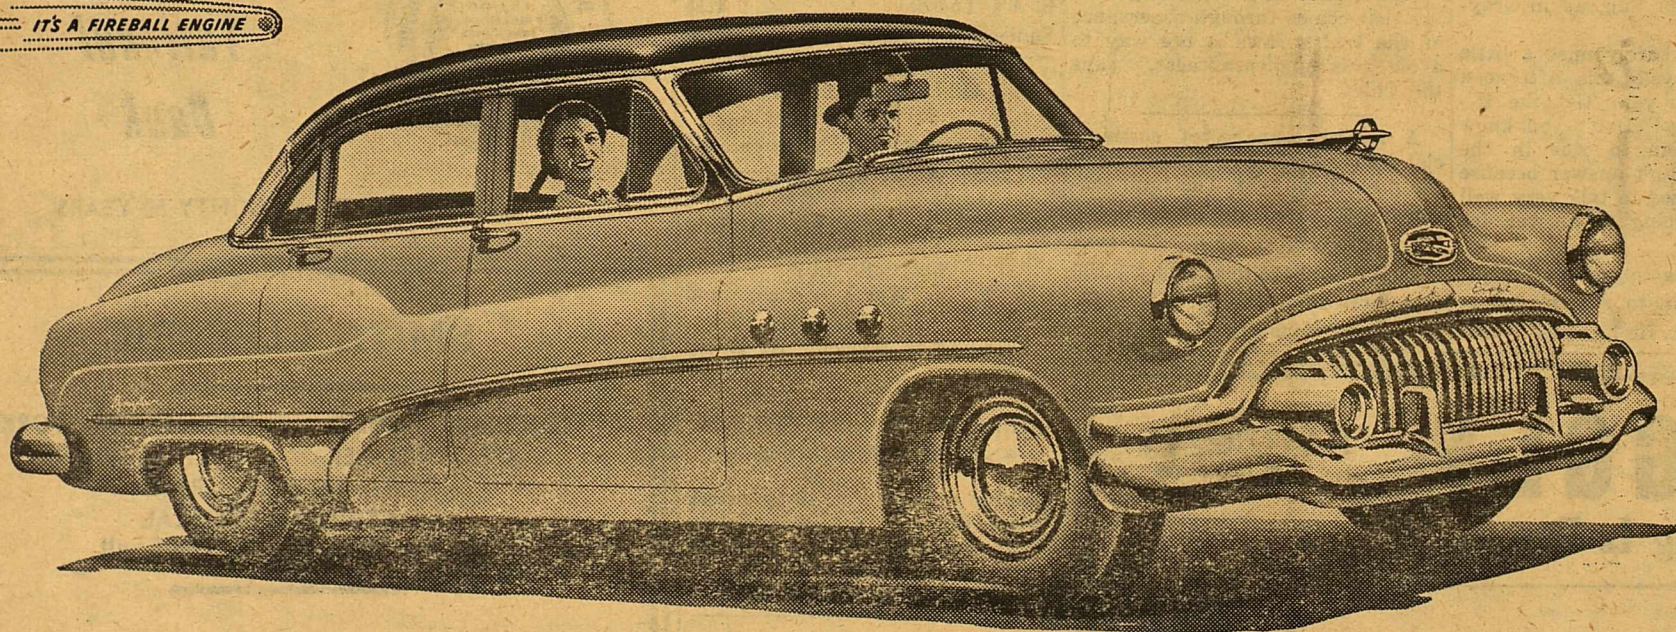

Bledsoe and Rudd had considered the construction of an earthen tank in the area but decided against it after no suitable site could be found. The requirements for a good tank call for a good water holding soil that will permit construction to a depth of 6 to 8 feet. Soil Conservation Service techni-

cians assisted the cooperators in looking for a tank site.

**J. P. Court Fines**

Fines assessed in Justice of the Peace Alfred Cooper's court during August included: Carl Douglas Chadwick, driving without tail light; Charles Wayne Williams, endangering lives on the highway; Bill Civey, drunk; Harold Killian, drunk; John William Lambert, overlength trailer; Hilary Jack Dawson, overlength trailer; Tom Tice, simple assault; George Rawls, driving on left, not passing; Ray Liveless, drunk; Pedro Dominguez, drunk; Pedro Martinez, drunk; Miguel Perez, drunk; Albert F. Maibes, overlength trailer. All fines were for \$14.

IT'S A FIREBALL ENGINE

**Maybe you're missing something BIG**

WE know how you feel when a car has given you faithful service. You like it. You're loyal to it. And that's only human.

But just suppose you found out that some other car could make familiar roads seem a lot smoother.

Suppose some other car held the curves in a way you'd never felt before.

Suppose some other car had more thrilling power—steered like a dream—held its course like an airliner on the beam—and let you finish a long day's drive feeling daisy fresh.

Wouldn't you feel you're missing something big unless you tried it out?

There is such a car. Its name is Buick.

It has big soft coil springs on every wheel. It has a Fireball Engine. It has a "front-end geometry" that does miracles with steering. And it has Dynaflo Drive.\*

And incidentally, it wears a price tag

**NO OTHER CAR PROVIDES ALL THIS!**

- DYNAFLOW DRIVE\* • FIREBALL ENGINE
- 4-WHEEL COIL SPRINGING • DUAL VENTILATION
- PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE

that makes it a very smart buy compared to anything else you own.

We'd like to have you try this car. You'll never know what you're missing till you do.

### What's going on in Sonora . .

#### HERE AND THERE—

The new journalism teacher at the high school is Julian A. Golsen of Healdton, Okla., and the new band instructor is Russell Lewis of Carrizzo Springs. . . . Mrs. Glenn Crites recently underwent an appendectomy. . . . Mrs. George Barrow received a severe cut over her right eye when she fell against the corner of the drain-board in her kitchen. . . . Tom Guest and family escaped serious injury last Sunday night when a car of soldiers struck the back of the car in which they were riding. The cars were going west about 4 miles out on the Ozona road at the time of the accident. . . . The "Bronco" Sonora's latest drive-in theatre, being built by G. H. Hall, owner of La Vista Theatre, at the edge of town on the Ozona road is slated to open sometime within the next week. The drive-in will handle 200 cars, have individual speakers, a concession stand. It is almost complete as this addition goes to press. Hall is also building a drive-in in Eldorado where he owns another theatre. . . . O. L. Richardson has sold his Gulf Station, completed in July, 1950, at the intersection of highways 290 and 277, to Joe Brown Ross for an undisclosed sum. . . . Curry Motor Freight Line of Amarillo is seeking to establish a daily freight service between San Antonio and Amarillo which would come through Sonora. At present, the Railroad Commission is conducting hearings. . . . The North Electric Manufacturing Co., which installed the dial system here, has sent two men, J. J. Tompkins and Warren Hrach, here to install a line finder, selector and conductor for each group of 100 telephone lines. There are, at present, seven such groups, and the new equipment makes it possible for 800 calls to go through the switchboard at the same time. Previously, only 700 calls could be handled at one time. . . . Pvt. Orville Anthony, son of Mr. and Mrs. Walter Anthony, and Pvt. Oscar Drennan, son of Mr. and Mrs. Bill Drennan, completed their basic airman courses at Lackland AFB, San Antonio last week. . . . The Texas State Fair has designated October 16 as Edwards Plateau Day and the agricultural activities of this area will be given special recognition that day. . . . Miss Edwina Cardona, daughter of Mr. and Mrs. Secelo Cardona, has been employed by the government Civil Service as a stenographer in Yokohama, Japan.

ed not to, but little boys don't always heed warnings. Some adults don't either, especially traffic warnings; for example, the one limiting speed of automobiles.

I'm going to tell you something about that little boy. He has a mother who endured considerable inconvenience, anxiety and suffering to bring him into the world. He has a father who has worked hard and made many sacrifices to make him healthy and happy. The supreme purpose of their lives is to have their little boy grow up to be a useful man.

Now stop a minute to think. If you would kill a child, how would you feel facing its parents? What excuse could you give them for having robbed them of their dearest possession? More important, what excuse could you possibly offer Him whose Kingdom is made up of little children?

Children, my speedy friend, were here long before you or your automobile were thought of. All the automobiles on earth are not worth the life of one little boy or girl. We don't know what that little boy may some day be; but we know what you are, and it's unimportant. We could get along without you, but we can't spare a single little boy on the street.

Yours truly  
M. B. HASTY."

#### HIGHWAY WARNINGS

Remember that last Highway Patrolman who stopped you for a traffic violation and warned you but didn't write you a ticket because you "talked him out of it"? Well, don't, be so sure that you got off scott free!

W. J. Elliott, Chief of the Texas Highway Patrol announced in Austin that every time one of his men stops a motorist and lets him off with a warning the officer makes out a warning ticket which contains the operator's name and address, his driver's license number, the vehicle type and registration, the date, location and nature of the violation. The motorist doesn't get a copy of this ticket, Chief Elliott says, but a copy of it is forwarded to the headquarters of the Texas Department of Public Safety where it becomes a part of his permanent driving record.

And, here's the hitch - too many of those warnings, just like too many arrests or traffic accidents will bring the motorist up on the carpet to see whether his driving privileges should be revoked.

The procedure was placed into effect on September 1st and according to Elliott the best way to avoid having your record catch up with you is to refrain from having accidents, from getting tickets, or getting warnings.

"Safe, sane and courteous driving that comes through observance of the traffic laws is the way to avoid this unpleasantness," says the Chief.

A record tonnage of commercial feeds was sold in Texas during the past fiscal year. The total tonnage was estimated at 3,853,600 tons. An increase of 617,250 tons over the previous year and 525,600 tons more than were sold in 1942-43, the previous record year.

#### LETTER TO DRIVERS

The following open letter was written by M. B. Hasty, editor of the Whitewright Sun, up in Grayson County:

"I saw you barely miss a little boy on a tricycle this afternoon and heard you yell, 'Get the H-out of the way!' Don't you know any better than to ride in the street?" He didn't answer because he hadn't learned to talk very well yet. So I'm going to answer for him.

No, the little boy doesn't know any better than to ride his tricycle in the street. He has been warn-

#### DRIVERS REMINDED OF INCREASED LICENSE COST

Homer Garrison, Jr., Director of the Texas Department of Public Safety, announced today in Austin that a survey conducted at the end of the first week of the increased fees for driver's licenses indicated that 48% of the applications for renewal of operator's and commercial licenses failed to include sufficient money.

This, Garrison pointed out, was in spite of the fact that newspapers and radio stations cooperated wholeheartedly in publicizing that the cost of both of these type of licenses were doubled by the 52nd Legislature and become effective September 7th.

The Public Safety Director again reminds Texas motorists that the fee for an Operator's License is

\$1.00 and for Commercial License, \$2.00. The price for a Chauffeur License remains at \$3.00. As before the Operator's License is valid for a period of two years and the latter two for a one year period each.

Remitting of the proper amount with your renewal application will expedite a more prompt return of your new license, Garrison said.

## Defense is your job, too!

JUST one minute before this picture was taken you would have seen nothing here but waving grass, pine trees, and blue sky. For in only 60 seconds this alert Marine gun crew has landed by helicopter, set up its 75mm howitzer, and is ready to fire!

Precision training and maneuvering like this means that these men stand ready at a moment's notice to protect you and America. That they're doing their job for defense.

But, defense is your job, too! And one of the best ways to do your job is by buying Defense\* Bonds regularly. For by buying bonds you help build the great American economic strength that backs up our armed forces. And at the same time you put your money in the world's safest place. For Defense Bonds are as safe as America!

The U. S. Defense Bonds you buy give you personal financial independence

Remember that when you're buying Defense Bonds you're building a personal reserve of cash savings. Money that will some day buy you a house or educate your children, or support you when you retire. Remember, too, that if you don't save regularly, you generally don't save at all. So go to your company's pay office—now—and sign up to buy Defense Bonds through the Payroll Savings Plan.

Don't forget that bonds are now a better buy than ever. Because now every Series E Bond you own automatically goes on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not \$25—but as much as \$33.33—if you just hold it the extra ten years! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's, too, buy U. S. Defense Bonds now!

\*U. S. Savings Bonds are Defense Bonds Buy them regularly!
