SIXTY-SECOND YEAR

Sonora, Texas, Friday May 9, 1952

THIRTY-FIRST WEEK

NEW GUN CLUB HOME-The Sonora Rifle and Pistol Club recently completed work on this clubhouse located on the Stanley Mayfield ranch. Although future plans include further expansion of facilities, water, electricity and rest rooms are now available. Targets may be seen in the distance.

What's going on in Sonora

Park Inn Cafe was burglarized early Monday morning of about \$300. . . Mr. and Mrs. Dick Morrison bought the Mrs. Rita Ross home. . . Alfred Schwiening moved 350 cattle to Arkansas last week. His place is near Fort Smith. . . Louis Davis and A. E. Prugel have moved their offices to the new Sonora National Farm Loan Association building and C. E. Scott has taken over the old association building. The National Cutting Horse Association moved its offices into Davis' old insurance office, and, so far, no one has moved into the NCHA office. . . Lot's of activity at the school. The Bronco Band and the High School Chorus gave a concert Tuesday night, and the Elementary School held its May Fete last Friday night. The traditional Maypole dance is always nice to see. . . Mr. and Mrs. B. W. Babb and children, Kirby Lee, Rebecca and Bill, moved Sunday to Eden to make their home. Babb is taking over the Schlitz Beer dealership there for Menard and Concho counties, and will maintain his distributorship here. He has named Vernon Luckie local manager. . . Truman Hines and the Explorer Scouts spent the weekend at Camp Sol Mayer. . . Mrs. T. K. Neville, Mrs. J. A. Nunley and Mrs. Rena Trainer were in Houston last week with their sister, Mrs. Beryl Shanks, whose son, Paul, recently underwent a major operation. His condition is serious. . . Flying Cadet John Allen Ward, son of Mr. and Mrs. J. A. Ward, Jr., will receive his wings and second lieutenant's commission Saturday at ceremonies at Reese AFB, Lubbock. Accompanying Mr. and Mrs. Ward will be Mr. and Mrs. Jeff Haynie of Abilene. . . Mrs. Kenneth Graves and new son are home from the hospital in San Angelo. . . The Cleve Joneses and the E. A. Brodheads went fishing on the Devil's River last weekend. . . Turney Friess, George Spinks and Harold Schwiening, Jr., were initiated into the Order of Demolay Tuesday night in San Angelo. . . A busload of boosters for the third annual Ozona Quarter Horse Show will arrive Wednesday night at 6 o'clock for an hour's advertising and merriment. The show will be held Saturday, May 31 at the Ozona fairgrounds, according to Evert White, Ozona editor. . . Local Shriners attending the Spring Ceremonial in San Angelo included R. C. Vickers, J. D. Lowrey, Edgar Shurley, Edgar Glascock, Travis Glascock, Jack Kerbow, S. M. Kerbow, F. M. Ballard, C. E. Scott and W. P. McConnell. . . Mr. and Mrs. Davis Truman plan to make their home in Sonora. Mrs. Truman is the former Miss Namiko Uchida of Tokyo. Truman, who was recently honorably discharged from the Army, arrived home December 12, and his wife arrived April 6. . . Taking their first airplane ride last Sunday at the San Angelo airport were John Jackson, Alma Jackson, Louise Wall, Garland and Ed. Wall. They reported an enjoyable ride. . . Mrs. Harold Friess entertained her son, John Paul and his kindergarten classmates with an ice cream and punch party Tuesday evening. . . The Sonora School recently installed Weekly Defense Stamp Days. . . The Club Cafe will open Monday morning after being closed a week for remodeling. The owner, Seth Lancaster, has recovered from his recent illness and will be back on the job.

Mr. and Mrs. Jim Luckie were the guests last weekend of Mr. and Mrs. G. D. Crowley in San Angelo. This week Mr. and Mrs. Luckie had as their guests Mrs. Luckie's brother and wife, Mr. and Mrs. Marion McKinney of Brackettville.

Funeral Services Held Monday For Sue Ellen Shults

Last rites for Sue Ellen Shults, 2, daughter of Mr. and Mrs. Glen Shults, were held Monday afternoon at the First Baptist Church in Rising Star. The Rev. Mantooth of Junction officiated. Sue Ellen died Sunday morning in a San Angelo hospital. Death was attributed to complications which developed from an anesthetic received Saturday morning prior to a tonsillectomy. The operation was never performed. Survivors include the parents, a sister, Janet Elaine, 5, and the grandparents, Mr. and Mrs. A. T. Shults of Rising Star and Mr. and Mrs. J. E. Morrison of Carrollton. Shults is a stock gauger at Station B.

SERVICES FOR MRS. GOLDEN IN WINTERS THURSDAY

Funeral service for Mrs. M. J. Golden, 76, step mother of Mrs. Ben Berry of Sonora, were held Thursday afternoon in Winters. The Rev. Bruce Weaver, pastor of the First Methodist Church, officiated. Burial was in Fairview Cemetery. Mrs. Golden died at her home in Winters Wednesday. Her husband died April 18, at their home. Mrs. Golden was born Nancy Ella Phillips in 1874 in Alabama. She married Mr. Golden there in 1901 and they came to Runnels County in 1906. Survivors include two daughters, one other stepdaughter, Mrs. Eula Hurt of Maverick, two sisters, ten grandchildren and 16 great-grandchildren.

Glasscock Asks Precinct 2 Job

W. A. (Bud) Glasscock announced his candidacy Monday for County Commissioner of Precinct 2. No other candidates have filed for this office. Dan Cauthorn, who has served two terms, indicates for reelection. Glasscock is a ranchman and contractor and was raised in this county. He attended local schools and graduated from Sonora High School in 1935. He is married to the former Miss Louise Briscoe, and they are the parents of two daughters, Merry Lou 4, and Bonnie, 18 months. In a statement to the News Glasscock said, "I will appreciate the vote and support of the Precinct 2 voters. If elected I will do my best to fulfill the duties of the office."

Sonora Wins State Debate Championship

Sonora brought home another state debate championship last week, when Tyree Hardy and Billy Scott defeated the Schulenburg team to win top honors at the State Interscholastic League Meet. Hardy and Scott also defeated teams from Valley Mills and La Feria. Other winners from Sonora included Joe David Ross, who won second in boys extemporaneous speech, Ralph Copeland, who won fifth in feature writing, and Dick Stephenson, who placed 7th out of 32 entries in the discus throw.

Mr. and Mrs. Pat Hines of Tahoka spent the week here with their son, Truman Hines and Mrs. Hines.

Wirt Stephenson, who suffered a heart attack last week in Carizzo Springs, has been brought to Hudspeth Memorial Hospital for treatment. He is reported to be improving.

Attend SOME Church Sunday.

Congress Clarifies Authority Of Border Patrol

During March, 1952 Congress passed Public Law No. 283 which is entitled "An Act to assist in preventing aliens from entering and remaining in the United States illegally."

Argyle R. Mackey, Commissioner of Immigration and Naturalization recently commented: "With the approval of this Act it is now a felony, punishable by a fine of as much as \$2,000 and imprisonment not exceeding 5 years, to bring or attempt to bring into the United States aliens not inspected or not entitled to enter, or knowingly to transport aliens who have recently entered illegally, or willfully or knowingly to conceal, harbor or shield from detection any alien who has unlawfully entered the United States. It is also a felony to encourage or induce the violation of the Immigration laws by any such alien. The new legislation also clarifies the authority of immigration officers to enter upon private lands in border areas for border patrol purposes."

Public Law No. 283 referred to, reads as follows:

An Act to assist in preventing aliens from entering or remaining in the United States illegally.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section 8 of the Immigration Act of 1917 (39 Stat. 880; 8 U. S. C. 144), is hereby amended to read:

"Sec. 8 (a) Any person, including the owner, operator, pilot, master, commanding officer, agent, or consignee of any means of transportation who—

(1) brings into or lands in the United States, by any means of transportation or otherwise, or attempts, by himself or through another, to bring into or land in the United States, by any means of transportation or otherwise;

(2) knowing that he is in the United States in violation of law, and knowing or having reasonable grounds to believe that his last entry into the United States occurred less than three years prior thereto, transports, or moves, or attempts to transport or move, within the United States by means of transportation or otherwise, in

furtherance of such violation of law.

(3) willfully or knowingly conceals, harbors, or shields from detection, or attempts to conceal, harbor, or shield from detection, in any place, including any building or any means of transportation; or

(4) willfully or knowingly encourages or induces, or attempts to encourage or induce, either directly or indirectly, the entry into the United States of any alien, including an alien seaman, not duly admitted by an Immigration officer or not lawfully entitled to enter or reside within the United States under the terms of this Act or any other law relating to the immigration or expulsion of aliens, shall be guilty of a felony, and upon conviction thereof shall be punished by a fine not exceeding \$2,000 or by imprisonment for a term not exceeding five years, or both, for each alien in respect to whom a violation of this subsection occurs: Provided, however, That for the purposes of this section, employment (including the usual and normal practices incident to employment) shall not be deemed to constitute harboring.

(b) No officer or person shall have authority to make any arrest for a violation of any provision of this section except officers and employees of the United States Immigration and Naturalization Service designated by the Attorney General, either individually or as a member of a class, and all other officers whose duty is to enforce criminal laws.

Sec. 2. The last proviso to the paragraph headed "Bureau of Immigration" in title IV of the Act of February 27, 1925 (43 Stat. 1049; 8 U. S. C. 110), as amended by the Act of August 7, 1946 (60 Stat. 865), is hereby further amended so that clause numbered (2) shall read:

"(2) within a reasonable distance from an external boundary of the United States, to board and search for aliens any vessel within the territorial waters of the United States and any railway car, aircraft, conveyance, or vehicle, and within a distance of twenty-five miles from any such external boundary to have access to private

lands, but not dwellings, for the purpose of patrolling the border to prevent the illegal entry of aliens into the United States, and".

The Commissioner also stated that, "under Sec. 16 of the Act of February 5, 1917, as amended, immigration officers are authorized and empowered to board and search for aliens any vessel, railway car, or any other conveyance in which they believe aliens are being brought into the United States. By the same section they are empowered to interrogate persons concerning their right to enter, reenter, pass through, or reside in the United States. The same statute provides for punishment by imprisonment for a term of not more than 1 year, or by a fine of \$2,000, or both, for any person who shall assault, resist, prevent, impede, or interfere with any immigration official in the performance of his duty. If any person uses any deadly or dangerous weapon in resisting any officer in the performance of his duty the section provides that he shall be deemed guilty of a felony and be punished by imprisonment for not more than 10 years."

Charles E. Kirk, Chief Patrol Inspector of the Del Rio Sector, comprising approximately 1-3 of the state of Texas, stated that arrangements are now being made for the opening of all lands within the Border area for regular patrolling by Border Patrol officer, as required by Public Law 283.

Labor Talks Resumed Tuesday In Mexico City

Encouraging signs that a more equitable and workable labor agreement may be reached between the United States and Mexico were reported by Rep. W. R. Poage of Waco after observing preliminary conferences between the two countries' representatives in Miami, Fla. recently. Negotiations were resumed at Mexico City on May 6. Poage represented the House Agriculture Committee of which he is vice chairman.

In quite as desperate need of Mexico as American farmers are not can workers as they usually have been during such negotiation, Mexican workers have never needed employment as badly, Poage reported. He said he believed the U. S. Government can, "with a little firmness," have a new agreement include responsibility upon the part of the worker to perform his part of the contract. He also said he felt it should be possible to have Mexico recognize livestock and dairy production as agricultural work.

"I believe the United States can get Mexico to agree not to act unilaterally to blacklist any individual or community," he wrote.

Poage said it appeared clear that a 75 cents per hour minimum wage would not be placed in the contract. The veteran representative of the 11th Texas district expressed his views on the U. S.—Mexico agreement now in effect and provisions he considers desirable in a new agreement in a statement to the San Angelo Standard-Times. He commented as follows:

"I fear it will never be possible to get either our government or the Mexican government to accept the practical purposes which we all know should be in such a contract.

"The present contract makes the American farmer pay Mexican workers' transportation, provide him with living quarters and guarantee him employment for full prevailing wages for at least three-fourths of the term of the contract regardless of weather conditions. Thus, the Mexican is assured far more favorable conditions than are assured to native workers.

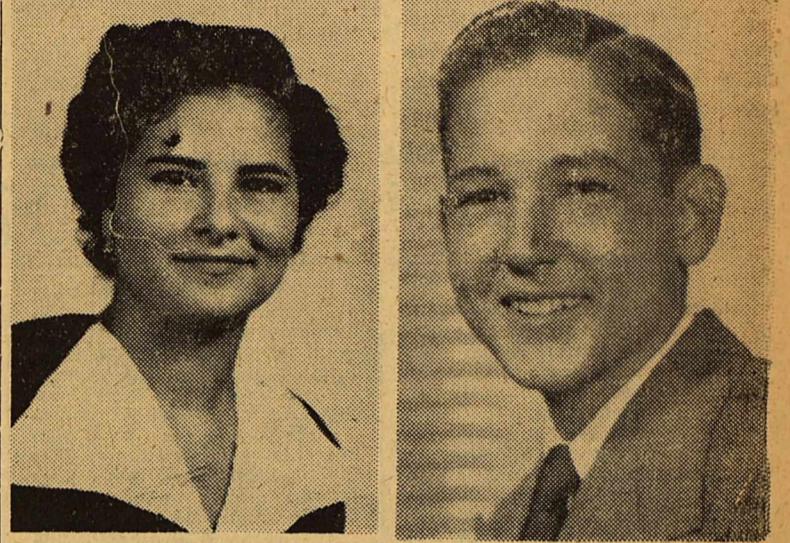

"Another serious defect is that the American farmer, must, for all practical purposes, take any worker the Mexican government sends to the recruiting station.

"Mexico does not recognize ranch work and dairy work as being agricultural labor, and our Department of Labor does not recognize work in a cotton yard or compress as agricultural work. I think we should try to get more reasonable definitions on both sides."

Jim Daniels of Big Lake was in Sonora Sunday to speak to the Men's Bible Class at the Fire Hall. He was accompanied by Kelly King.

Mrs. B. G. McPherson spent the weekend with her parents, Mr. and Mrs. J. O. Lanier.

Mr. and Mrs. Ray Baker and children spent the weekend in Menard, the guests of Mrs. Baker's mother, Mrs. Mattie Spoon.

TOU STUDENTS. Esther Chavez, daughter of Mr. and Mrs. Antonio Chavez, is valedictorian of the Senior Class of 1952 at Sonora High School, and Jack Ratliff, son of Mr. and Mrs. Tom Ratliff, is salutatorian. Miss Chavez' grade average for her four years in high school was 93.28, and Ratliff's was 93.20. Graduation exercises are to be held Monday night, May 26, at the high school auditorium.

County Political Conventions Vote Uninstructed Delegates to State

The Sutton County Republican convention Tuesday elected officers and voted to send an uninstructed delegate to the state convention in Mineral Wells May 27.

Hub Hale was elected temporary chairman and George D. Chalk was named secretary. E. S. Mayer was elected delegate and Edwin Sawyer is alternate delegate. No resolutions were adopted.

Those present at the county convention were Hale, Chalk Mayer, Sawyer, Pete Ballard and A. E. Prugel.

The Sutton County Democratic party convention held Tuesday at the Courthouse voted to send an uninstructed delegate to the state convention. Joe B. Ross is county chairman and A. C. Elliott was elected delegate.

MOTHERS OF NEXT YEAR'S FIRST GRADERS TO MEET

All mothers of prospective first grade pupils next September are asked to meet Monday at the Elementary School cafeteria at 9 o'clock to discuss information pertinent to their children's first year in school. Registration for next year will also be held at this time. At present, there are 39 prospective first grade students next year. Coffee and cookies will be served following the meeting.

Personal Notes

Mr. and Mrs. Charles Andrews and daughter of Monahans spent the weekend here as the guests of his mother, Mrs. Willie Andrews.

Mr. and Mrs. J. P. Smith were guests of Mrs. Smith's sister and husband, Mr. and Mrs. Robert Willis, in Del Rio last weekend.

Evert Jones of Coolidge, Arizona is visiting his sister, Mrs. J. P. Smith, here this week.

Mr. and Mrs. Dock Simmons, Mrs. N. J. Moore and son, Joe, Mr. and Mrs. Alfred Schwiening Raymond Lee Hull and Mr. and Mrs. Glen Green of Baird attended the bull fight in Ciudad Acuna Sunday.

4-H Parents To Meet

Parents of 4-H Club members will meet Monday evening, May 12, at 7:30 o'clock at the Courthouse. All parents are urged to attend this important meeting.

Castilleja Gets Term Reversed

Ben Castilleja, Sonora shearing captain given a 50-year penitentiary sentence in the slaying of Miguel Gonzales Aug. 19, 1951, has won a reversal of his conviction.

His attorney, Clayton Bray, received the Court of Criminal Appeals opinion holding that the state was permitted to introduce prejudicial testimony to the effect that Gonzales had discovered Castilleja parked in Castilleja's truck on the highway with the wife of a brother of the slain man.

The appellate court cited testimony that there was a self-defense consideration, noting that Castilleja testified he fired his pistol into the ground twice "as a warning to deceased to leave him alone" and "a witness corroborated that defense." Two bullets struck Gonzales.

M. C. Gonzales of San Antonio was special prosecutor in the case, assisting Hart Johnson, 112th District attorney. Judge Garland Casabier of Fort Stockton heard the trial.

Sonora Masons attending the lodge meeting in Junction Thursday night were Paul Turney, Leonard Gibbs, A. E. Prugel, Edgar Glascock, W. L. Davis, S. M. Loeffler, Ray Baker, Dr. W. T. Hardy and H. B. Smith.

Mr. and Mrs. S. M. Loeffler and grandson, Bobby Dean, were guests of Loeffler's parents, Mr. and Mrs. A. C. Loeffler, in Mason Sunday.

Mr. and Mrs. Carl Cahill and Mr. and Mrs. Harold Sherz attended the races in Del Rio Sunday.

Mr. and Mrs. Sidney Awalt and children and Mr. and Mrs. A. W. Awalt were in Junction Sunday visiting relatives.

Little Known Facts about your navy

BLACK SURRENDER FLAG ONE OF THE FEW TIMES IN HISTORY A BLACK FLAG WAS USED TO SIGNIFY SURRENDER INSTEAD OF THE TRADITIONAL WHITE WAS ABOARD GERMAN SUBS. THE BRITISH ADMIRALTY AND U.S. NAVY AGREED.

THAT A BLACK FLAG WAS EASIER TO SEE AND DISTINGUISH FROM WHITECAPS.

AGUILLETES THE AGUILLETES WORN BY NAVY AIDES WERE ORIGINALLY A HANGMAN'S ROPE. SPANISH TROOPS UNDER THE DUKE OF ALBA WERE REQUIRED TO CARRY A NAIL AND ROPE ON THEIR SHOULDER SO THEY COULD BE EASILY HANGED IF THEY DISOBEYED AN ORDER. THEIR CONDUCT BECAME SO BRILLIANT THAT THE ROPE BECAME A BADGE OF HONOR.

H. Welge of San Angelo was here this week on ranch business and a visit to his ranch in the South Llano country.

Mr. and Mrs. Thomas Quick, Misses Mary Hobbs and Margaret Smith, Hicks Allen, Wm. Harter and M. A. English were here from San Angelo Monday for the dance at the Club.

Mr. and Mrs. J. T. Evans, Miss Elma and Worth Evans visited in

San Antonio last week. Miss Evans remained in Del Rio for a few days visit to the Menzies ranch and returned Wednesday accompanied by Russel Menzies.

Miss Estelle McDonald returned Wednesday from a visit to Del Dio. D. K. McMullan of San Angelo

passed through town Sunday on his way to the ranch in the Beaver Lake country.

The Baptist ladies did so well in their Spring Sale and luncheon Saturday, they are planning to serve refreshments again on July 27—election day.

Miss Lula Womack of Meridian, Miss., is the guest of Mr. and Mrs. Hi Eastland. Miss Womack is a cousin of Mr. Eastland and is expected to remain indefinitely.

James Russel and Houston Cal-

lan of Menard were here a few days this week. They went to the D. K. McMullan ranch Sunday to pass on some cattle they recently bought.

A. C. Comenford of Boston, who buys in Arizona for the wool house of Crimmins & Pierce Co., of Boston, is here to assist Messrs. Lea and Ahern in the purchasing of the clip of the Sonora country and West Texas.

The Single Smith Jazz Band of Fort Worth furnished music for two dances at the Sonora Club

SUNBEAM CLASS HONORS MEMBER WITH PARTY

The Sunbeam Class of the Baptist Church honored Salley Glasscock on her sixth birthday Wednesday at the regular meeting of the class.

Games were played following the meeting. Refreshments of cakes, punch and candy were served to twenty-one members and guests.

Mr. and Mrs. S. M. Loeffler have as their guest, Mrs. George Burnam of Marble Falls. Mrs. Burnam is Mrs. Aubrey Loeffler's mother.

Mr. and Mrs. Bryan Hunt and daughter, Nancy, attended the races in Del Rio Sunday.

Hall Monday and Tuesday nights. There was a large attendance Monday night and a very enjoyable time Tuesday night. Numbers of young people were here from neighboring cities.

MRS GRANGER HOSTESS TO FRIDAY BRIDGE CLUB

Mrs. Wesley Granger entertained the Friday Bridge Club at her home last week. Mrs. John Bunnell won high score and Mrs. Robert Kelley, Sr.

Refreshments of strawberry shortcake and punch were served to Mmes. J. H. Brasher, Tom Sandherr, H. V. Morris, G. G. Bennett, Nellie Allen, Kelley and Bunnell.

MRS WESTON GIVEN SHOWER

Mesdames Claud Sloan, Earl Smith and Kenneth Doyle of Eldorado honored Mrs. James Weston with a miscellaneous shower Thursday afternoon at the Baptist Church.

Mrs. Weston's sister, Miss Dorothy Miller, presided at the guest book. Cake, tea and coffee were served to twenty-five guests. Mrs. Weston, the former Miss June Miller, is now making her home in Ozona.

How to Save Time, Money and Energy by Kitchen Planning

More families are remodeling their kitchens this year than ever before. This is a logical place to start home modernization since the homemaker's workshop should be one of the most efficient and pleasant rooms in the house. A new kitchen has many automatic devices that will free you from manual chores such as dish-washing and there is a wide price range in the cost of equipment, but all of it can be bought out of budget. The modern all-electric kitchen has a life of at least 15 years, and it can be financed over a 30-month period.

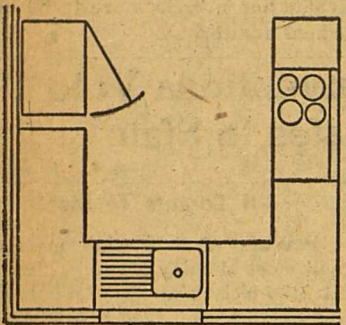

Kitchen planning service is available through many dealers and department stores. Trained personnel will "build" your ideas into a scale model kitchen with miniature appliances and you can make as many changes as you wish until you settle on a plan that best fits your needs. This method permits you to see your kitchen as it will look, long before workmen start the actual job.

You can acquire a fine kitchen piece by piece, if necessary. Authorities suggest that you select the most needed appliance first, then add the others later. Trained kitchen planners also show you how to make preparations for the gradual addition of your other appliances which will give you an efficient work center.

range or refrigerator. Ranges with lighted pushbuttons and automatic oven and timing controls will speed your work. They cost from \$350 to \$500, have one or two ovens. If you have a small kitchen, you may want an apartment size range with a full size oven and four surface units, at a price of about \$200.

You should have cabinet storage for pots and pans, baking dishes, and condiments at your cooking center. Adjacent counter space is also important.

Refrigerators come in many sizes and styles, from four cubic

"U" SHAPE

The U-shape kitchen is ideal for larger homes and lends itself to plans which include breakfast rooms.

A basic kitchen can be installed for under \$1,000; a more complete kitchen for larger families costs about \$1,500; and the "de-luxe" model can run to whatever the homemaker wants. The extent of remodeling, amount of space and the models desired will determine the costs.

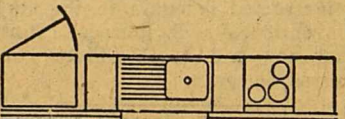

Planning Service Available
Hotpoint, planning specialists, recognized as the most skillful in the design of kitchens, suggest careful study of your needs before you select new appliances or start to remodel. You want the kitchen which will do the best job at a price you can afford to pay.

Many Choose Dishwasher

Many families choose an automatic dishwasher as the center for their new kitchen. This appliance alone will save you eight hours a week. You can select from models which are combined with sinks or machines that fit under a counter top. Those which load from the front like an oven are recommended because they leave the top free for added counter surface.

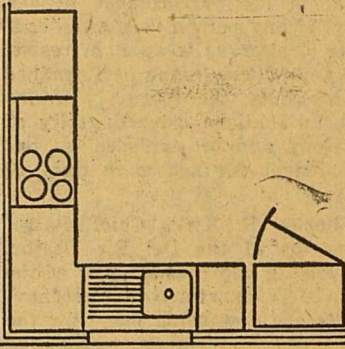

A good dishwasher ranges in price from around \$300 for the separate unit, to \$500 for the 48-inch sink type. If you prefer the sink type, investigate a garbage disposal which will cost about \$125.

The size of one's family, the amount of entertaining you do and the size of the kitchen will determine your selection of a

ONE WALL

The One-Wall kitchen is suitable to the small home or apartment where space is at a premium.

"L" SHAPE

The L-shape plan is suitable for either the medium size or large kitchen.

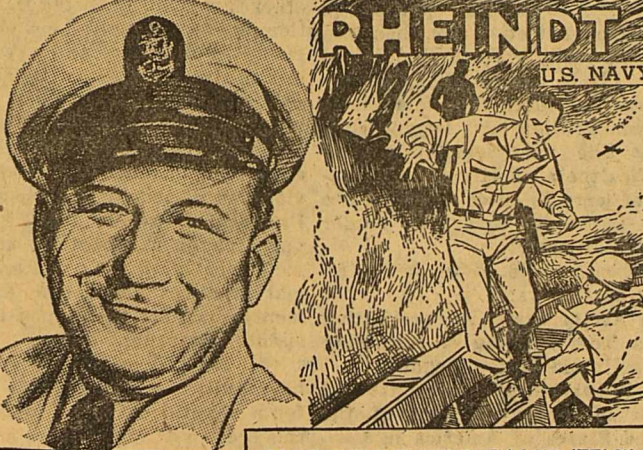

foot models that fit under a counter, to 10 cubic foot models with a separate freezer. Door shelves, adjustable temperature butter compartments and cold-wall refrigeration that prevents food from drying out are some of the features in top models. Prices range from about \$175 to \$500.

15 Year Investment

You will find that an electric kitchen is one of the soundest 15-year investments you can make. Leading brands should give at least 15 years of good service. Hotpoint specialists recommend that you shop carefully before buying and that you select appliances with a reputation for high quality.

YOUR HEALTH

Poison ivy infection varies according to Dr. Geo. W. Cox, State Health Officer. Sometimes there is only a slight redness of the skin, at other times there will be aggravated swelling and blisters covering large areas of your skin. In mild cases the skin is covered with numerous small blisters.

Poison ivy flourishes in the woods or in the open, in dry or

moist locations, and it is particularly abundant along fence rows, paths, and roadways, often climbing posts and trees to considerable heights. While there are a great many plants which may irritate the skin of susceptible persons, most of the cases of plant dermatitis in Texas are caused by poison ivy.

It is impossible for the average person to learn to recognize all the plants which are known to be skin irritants but, many cases of plant

Personal Notes

poisoning could be prevented if the public would learn to recognize and avoid contact with poison ivy.

Dr. Cox gives these points to remember about poison ivy: (1) You can recognize it by its leaves, which are grouped in threes. . . two of the dark green leaves are on short stems and the center one is on a longer stem; (2) The plant appears as a low shrub, a vine hanging over fences or trees, or in a heavy thicket; (3) When you have come into contact with poison ivy, be sure to wash the spots with soap and water several times, as the soapy water removes most of the poisonous material; and (4) If the infection causes much discomfort, see your family doctor.

**It Will Be in Demand When
It's 10 Years Old!**

Take a new Cadillac home with you—use it with common prudence and give it reasonable care—

—and ten years from today, there should be many, many people anxious to drive it and call it their own!

The soundness of this prediction is attested on used car lots throughout America. Every day, buyers are taking possession of Cadillacs built before the war—and are doing so with pride and anticipation.

There are many and vital reasons for this enduring value of a Cadillac car.

First, of course, is quality. Cadillacs are built to the highest standard it is practical to enforce in the production of a motor car.

The watchword and the goal of those who design and build for Cadillac are one and the same—*how good and how enduring can this car be made?*

Year in and year out, the search for improvement goes relentlessly ahead.

Small wonder that the car keeps its youth and its performance—far, far beyond the normal span.

And then there is its sound and enduring beauty. Cadillac styling is a *development*—with continuous improvement and refinement. Older Cadillacs, of course, are not to be mistaken for the current ones; but, regardless of age, they are *still Cadillacs*—and are distinguished and dignified in their own rights.

And then, of course, there is the wonderful Cadillac name—which never loses its significance, no matter how old the car which bears it. Year for year and age for age, a Cadillac is always aside and apart from other cars.

It is not unusual for a Cadillac to pass through four or five or even six different families—each one owning it with pride and driving it with pleasure.

Think of this when you buy your next car. If you get a Cadillac—there can be no doubt that others will be eager to own it when it has served you the normal span.

Why not come in—and see and drive this wonderful car? We'd be happy to welcome you any time.

THE GOLDEN ANNIVERSARY

**Johnson & Granger Pontiac & Cadillac Co.,
Concho And Plumb, Sonora, Texas**

Congratulations To These NEW PARENTS

Mr. and Mrs. Don Nicholas are the parents of a son, Nicky Don, born Thursday morning at Hudspeith Memorial Hospital. The baby weighed 6 pounds, 9 ounces. Grandparents are Mr. and Mrs. Granville Barker and Mr. and Mrs. Curtis Nicholas of Odessa.

Boyd W. Jones and children were guests last week of his sister Mrs. Boyd Moore.

MISS WATKINS TO PRESENT STUDENTS IN RECITAL

Miss Marie Watkins will hold her annual piano and voice recital Wednesday, May 14, at 8 o'clock at the Elementary School auditorium. Those appearing in the recital are Kay Shurley, Rodney Davis, Nancy Eaton, Yvonne Penick, Dolores White, Cynthia Hall, Mrs. Jack Ellingson and Rex Lowe. The public is invited to attend.

Mr. and Mrs. Rip Ward had as their guests last weekend Mr. and Mrs. Ralph Winton of San Antonio.

- SOCIETY NOTES -

Mrs. Artie Davis, Society Editor

Sonora, Texas, Friday May 9, 1952

RECITAL SUNDAY FOR MRS. LOEFFLER'S STUDENTS

Mrs. S. M. Loeffler will present her music students in recital Sunday afternoon at 4 o'clock at the Elementary School auditorium.

Students appearing on the program are Kenneth Fukua, Jo Addah Johnson, Jessie Lem Johnson, Joyce Chappell, Janice Glascock, Kay Kiser, Katherine Taylor, Betty Ann Patrick, Joe Gail Willman, Earlene Smith, Linda Wardlaw, Addah B. Wardlaw, Patsy Ann Rode, Rex Ann Baker, Mary Lois Hull, Peggy Sloan, Glenna Heflin, Candace Cauthorn, Dan Carter Cauthorn, Alice Clare Jones, Maria Chavez, Nancy Anthony, Armilda Odom, Georgia Sue Norris, Jan Smith, Anna Rose Glascock, Ann Morris, June Rose Lyles, Barbara Wilson, Betty Sue Fields.

The public is cordially invited to attend the recital, Mrs. Loeffler said.

Angelo Club Presents Music Program Friday

A reciprocity program was presented by the San Angelo Philharmonic Society Friday night at the Sonora Woman's Club honoring members and guests of the Sonora Music Club.

On the program were Mrs. Paul Davis, Mrs. Dallas Goss, Miss Alma Goss, Mrs. Claude Collins, Jr., and Clyde F. Smith. A duet was sung by Mrs. Davis and Smith. It consisted of "Love Divine" from "The Daughter of Jairus" by Striner; "Wanting You" by Romberg; and "I'll See You Again" by Coward.

Miss Goss sang "The Musical Adventures of Jack and Jill." Mrs. Collins presented the following piano solos: "Rondo Capriccioso" by Mendelssohn; "Run, Run," "Sleepy Time," and "Hobby Horse" by Pinto. Mrs. Davis sang "A Memory" by Ganz; and "Come Back to Sorrento," an Italian Song.

Piano duets played by Mrs. Gross and Miss Gross were "Minuet from the L'Arlesienne" by Bizet; Gershwin's "Prelude in E Flat Minor"; and "Malaguena" by Lecuona.

Mrs. Gross furnished accompaniment. The program was directed by Miss Marie Watkins. Other attending the Sonora meet were Mrs. Clyde F. Smith, Dallas Goss, and Capt. Paul A. Davis.

"Club members and guests thoroughly enjoyed every moment of the program and agreed it was one of the best heard by this club in many years," commented Mrs. Louie Trainer, club president, following the program.

At a business meeting after the program, it was agreed to finish paying for the piano purchased last winter. Members also voted to postpone the May meeting until May 15. At that time officers will be installed and a program of young artists will be presented.

The Annual Mother's Day Cake Sale will be held by the Firemen's Auxiliary beginning at 9 o'clock Saturday morning at the Sonora Gas Company.

Installs Officers Woman's Club

The Sonora Woman's Club held its final meeting of the year last Thursday when a luncheon and style show were held at the home of Mrs. Charles F. Browne.

Hostesses were Mrs. Duke Wilson, Mrs. Sears Sentell, Mrs. Danes Reiley, Mrs. Sterling Baker, Mrs. Robert Kelley, Jr., and Mrs. Sammie Jean Espy.

The luncheon table was centered with an arrangement of mixed garden flowers and "spring bonnets" marked the places. Models for the style show were Mrs. George Barrow, Brenda Browne, Mrs. Rip Ward, Mrs. Sam Jones, Mrs. Lea Allison and Miss Carnie Sue Wyatt.

New officers installed included Mmes. Charles F. Browne, president, George Brockman, vice-president; Armer Earwood, recording secretary; Carl Cahill, corresponding secretary; Clay Puckett, parliamentarian, and J. T. Ratliff, auditor. Miss Annella Stites was installed as new treasurer.

MRS. CRITES GIVEN GOING AWAY SHOWER WEDNESDAY

The Fidelis Class of the First Baptist Church honored Mrs. Pearl Crites with a going away shower Wednesday at the home of Mrs. Nora Sofge. Mrs. Fern McGhee and Mrs. Sofge were hostesses.

Refreshments of cake and punch were served to Mmes. J. E. Eldridge, G. B. Rankhorn, G. G. Bennett, J. K. Lancaster, B. C. McGilvray, J. H. Brasher, T. L. Harrison, W. K. Regeon, Bob Odom, W. O. Crites and Miss Nettie Word.

Mrs. Crites will make her home in Graford, where her son, B. H. Crites, and family live.

Faculty Holds Picnic

The Sonora Schools faculty enjoyed a picnic Monday afternoon at Simmons Park. Mrs. Rex Lowe, Mrs. Norman S. Davis and Miss Emma Hamilton were in charge of arrangements. About 50 attended.

For Mother and all the family, stainless steel knife and fork steak set, housed in a beautiful walnut case. See them at your Sporting Goods dealer, G. E. Ellis.

ART CLUB ELECTS NEW OFFICERS THURSDAY NIGHT

The Sonora Art Club held a family picnic and election of officers Thursday night at Simmons Park.

Mrs. O. C. Ogden was elected president, Mrs. Loyd McMullen vice-president, and Mrs. A. E. Newton secretary-treasurer.

Mrs. Sim Glascock, Mrs. V. J. Glascock, Mrs. Fred Spinks and Miss Betty Rankhorn are new members of the club.

Miss Annie Duncan was a guest at the meeting.

Band Holds Picnic

Members of the Sonora High School band were entertained by the Band Parents Club with a picnic Wednesday afternoon at the Ranch Experiment Station.

Swimming and dancing were enjoyed by about fifty guests.

W. O. S. S. SHIPS CLOTHES TO KOREAN CHILDREN

The Women's Society of Christian Service met in the basement of the Methodist Church Wednesday afternoon. Members packed a box of children's clothing to be shipped to Korea.

Mrs. A. W. Awalt was program leader and conducted the worship service. Mrs. O. G. Babcock told of the work of the WSCS in supporting homes and training centers for women and children in different countries. Mrs. W. R. Cusenberry, a past president of the society, was made a life member.

An offering of \$5 was voted for the Texas Mission and Training Home. Mrs. J. F. Howell gave a report on the district meeting of the Wesleyan Service Guild which was held here two weeks ago.

At the close of the program Mrs. W. L. Davis served cake and tea to twenty members.

The Lions Roar

Programs centered around National Music Week and National Soil Conservation Week were presented at the Lions Club meeting Tuesday at the Methodist Church.

Miss Nancy Royster presented the Chorus Club in two numbers, accompanied by Mrs. E. D. Shurley. Guests were Joe B. Ross and Hardin Tobin of Rocksprings.

On the soil conservation program several awards were presented. George H. Neill presented Joe M. Vander Stucken with a certificate for being the outstanding district supervisor in Region II, which consists of 59 counties. Tom Darrow, local Soil Conservation Service head, made awards to Jack Ratliff for writing the best theme on soil conservation in Region II, and the fifth best in the state; to Elsie Street, whose theme placed 15th in Region II, to Cleve Jones for being the best conservationist in this district; and to the Devil's River News for publishing the best special edition on soil conservation in the state. Andre Truden presented George H. Neill with an award given to the businessman who has done most for soil conservation in this district.

Personal Notes

Mr. and Mrs. Tommy Seals returned this week from Galveston with their niece, Mary Ellen Stephenson, who has been receiving medical treatment at John Sealy Hospital.

Mr. and Mrs. Bob Arnold of Los Angeles visited several days this week in the home of Mr. and Mrs. L. E. Johnson, Jr.

Mr. and Mrs. Robert Barr recently returned from a two-week's trip to Emory, where they visited his parents, Mr. and Mrs. W. C. Barr, and to Midland, where they visited her parents, Mr. and Mrs. C. D. Willingham.

Mr. and Mrs. Joe Brown Ross have as their guest, her mother, Mrs. Dave Briggs, Sr., of Lampasas.

Special Mother's Day services will be observed at the Methodist Church Sunday morning at 10:50 o'clock. You are invited to be present.

For that high school graduate; a rod and reel. G. E. Ellis, your sporting goods dealer.

Chrysler V-8 Saratoga Sedan, gasoline economy winner in Class "F". Entered and driven in the 1952 Mobil Oil Gas Economy Run by Chrysler Dealer Mel Alsbury, Hollywood. It was one of three Chrysler FirePower V-8's to win in their respective classes.

180 HP CHRYSLER V-8 FIRST IN 3 CLASSES IN ECONOMY RUN!

Here is truly dramatic proof that Chrysler's great new FirePower 180 HP V-8 engine design sets an entirely new standard of efficiency among American passenger car engines!

In this annual economy test, rigidly supervised, and limited strictly to stock car entrants, cars competing are divided, by price and size, into 11 standard classes. The route, from Los Angeles to Sun Valley, covered 1,415 miles of every possible kind of driving. Average speed for all cars was just under 41 miles per hour.

And in 3 of the 11 classes, the Chrysler V-8 engine was best for gasoline mileage.

In Class "F", this magnificent new engine won first place for a Saratoga 6-passenger sedan (125 1/2-inch wheelbase, 4010 pounds). In Class "H", it won first honors for a Saratoga model 8-passenger sedan (139 1/2-inch wheelbase, 4510 pounds). And in the top price and size, Class "I", it was again first, in a Chrysler

Crown Imperial Sedan (145 1/2-inch wheelbase, 5360 pounds).

To travel these substantial cars at this speed under these conditions gives additional proof, we believe, that here in the FirePower V-8 engine is the finest and most efficient engine ever put into an American passenger car!

WE INVITE YOU TO DRIVE THIS ENGINE, YOURSELF...

The same engine which has just scored these remarkable accomplishments is no farther from you than your own Chrysler Dealer. He will welcome the chance to let you take the wheel and feel for yourself what Chrysler has done... not only in engine performance, but in power steering, power brakes, new shock absorbers, passenger comfort... to deserve the title: "Finest Car America Has Yet Produced!"

CHRYSLER the finest car America has yet produced

OVER THE ROAD or OVER THE ROUGH -you can't beat a GMC!

KNOW why, more and more, GMC's are becoming first choice of so many cost-watching truck operators in every type of hauling?

One of the big reasons, they will tell you, is they can always get a GMC that's exactly "engineered" for their particular kind of work.

There is no need for a GMC owner to strain away with an underpowered truck—or lose profit to a gas eater unsuited to its job.

That's because GMC builds the widest range of truck engines in the industry—GMC famed valve-in-head gasoline engines from 100 to 200 H.P.—GMC

exclusive 2-cycle Diesels from 110 to 225 H.P.

And it's the kind of power you don't have to pamper!

Each GMC engine is specially lubricated against wear, specially ventilated against acid-forming fumes even when idling—specially designed for truck duty!

Why not let us recommend the GMC truck, tractor or six-wheeler perfectly powered for your job? It will be a real truck all the way—exactly the right combination of engine, axle, transmission and frame blended by the world's largest exclusive manufacturer of commercial vehicles!

ELLIOTT MOTOR COMPANY

You'll do better on a used truck with your GMC dealer.

Our WASHINGTON Letter

By Congressman O. C. FISHER

cost. Twelve years ago money to run the Agriculture department represented 13 percent of the Federal budget, exclusive of national defense; today, exclusive of the national defense and payment on the debt, the cost is three percent. The employees in that agency, it was developed, have been reduced by over 41 percent since pre-war.

Among other facts developed during consideration of funds to run this agency during the next year, were these:

Only 175 years ago we had in this Nation 500,000,000 acres of fertile soil. Since then we have wasted 200,000,000 acres of that land, and there is another 100,000,000 that is washing away today.

By 1975, according to the present rate of increase in population, we will have a population of 190,000,000. Unless we make advances in science it will take 115,000,000 more acres to maintain the present high standard of living.

The Pink boll worm has shown

up in many Texas counties. It spread to 17 new counties last year. Annual losses on cotton alone due to insects and diseases exceed \$1 billion.

The annual loss from insects to timber and to crops is in the billions. Since colonial days, insects and fire have destroyed 6,750,000,000 board feet of timber, which is nearly equal to our original stand.

On agricultural research which results in new methods to cope with pestilence and disease—we actually spend each year only a little more than the cost of one destroyer or the cost of 12 B-36 bombers.

Through research, for example, the Department of Agriculture has developed an entirely new poultry industry. The annual cost of this scientific discovery has been equal to only 12 percent of the cost of a medium size tank. The Bureau of Animal Industry has found by adding vitamin B-12 to poultry feeds we can produce 9-pound broilers in 9 weeks on 9 pounds of feed. This represents a saving at least \$80,000,000 tons of feed worth \$80,000,000.

Other items for which funds were appropriated or loan authorizations provided included 4-H club work, vocational agriculture, forest service, soil and water conservation, Federal crop insurance now on an experimental basis, Farmers Home Administration, school lunch, rural electrification and rural telephone loans, etc.

A recent letter from a friend in Junction referred to the cost of the support program as applied to potatoes, eggs and butter. Actually, there has been no price support program of any kind on potatoes since such support were prohibited by Congress in 1950. In the case of butter, there has been no price support on that commodity within the past twelve months, and

A LOOK AT THE BOOK

By DR. BOB JONES, JR.

PRESIDENT OF BOB JONES UNIVERSITY GREENVILLE, SOUTH CAROLINA

World War II has given abundant proof of the fact that God answers prayer. The successful evacuation of Dunkirk, a strange and miraculous feat, came hard upon the heels of a wave of deep and earnest prayer on the part of God's people in England. The story told by Rickenbacker and his companions of their days adrift at sea and their final rescue is full

of the same is true of eggs.

The egg and potato programs were scandalously expensive in the past, both being perishable in character. The cost of the two amounted to 63 percent of the total cost of the government support program. In the case of potatoes the Secretary of Agriculture designated potatoes as a basic war commodity several years ago which enabled the extravagant price support program to be applied. Many of us questioned the judgement of the Secretary in so designating potatoes. When the exorbitant cost resulted, the Congress took the action which eliminated potatoes from the purchase and support program.

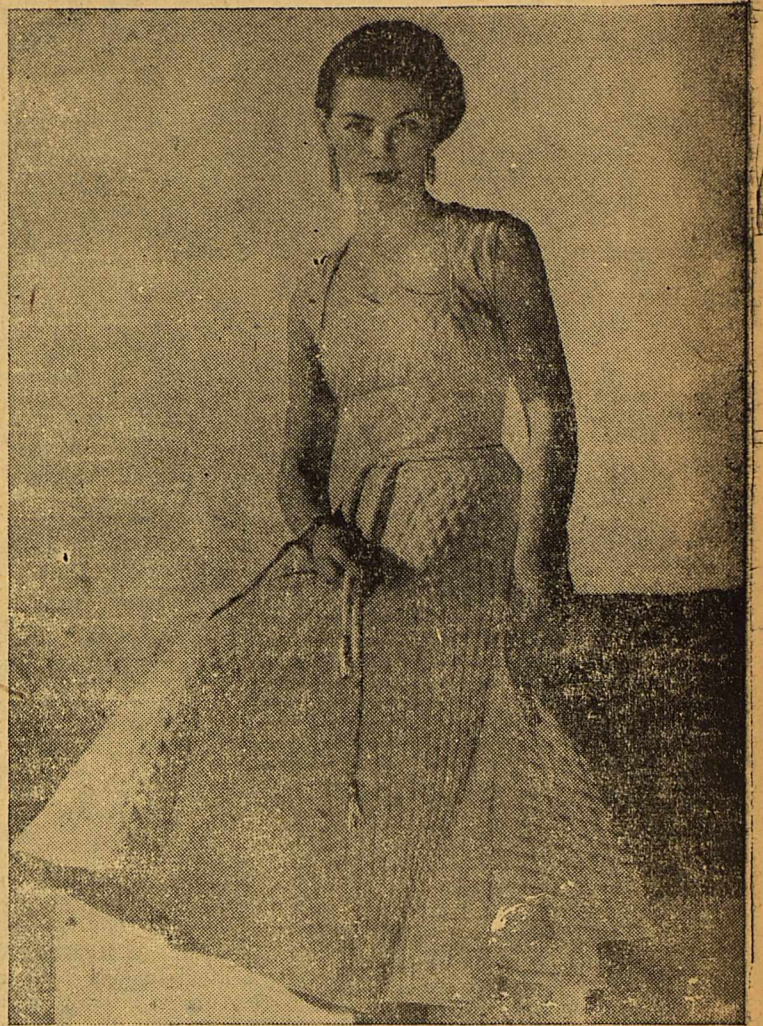

Most of the other so-called support programs on farm products have fared better. Both cotton and wheat have made the government money—the government purchasing on depressed markets, then holding to sell on rising markets. Cotton alone netted the government nearly a hundred million dollars.

of testimony to the fact that God hears prayer and answers it. More than one plane returning from a mission over enemy territory has come in "on a wing and a prayer."

During those tragic days of war an army transport loaded with evacuees arrived safely at a home port. On board were many missionaries from India, the East Indies, and China, who gathered together daily in little groups of prayer. On a number of occasions during the voyage they were stalked by Japanese submarines and menaced by enemy aircraft. Following a night when an enemy submarine had fired two torpedos at the transport, both of which had missed by only a few yards, a missionary said to a young Chinese pilot on his way to the United States for special training: "Were you afraid last night?" The young pilot, who knew very little English, replied, "No afraid, too much prayer. This boat not able sinkee."

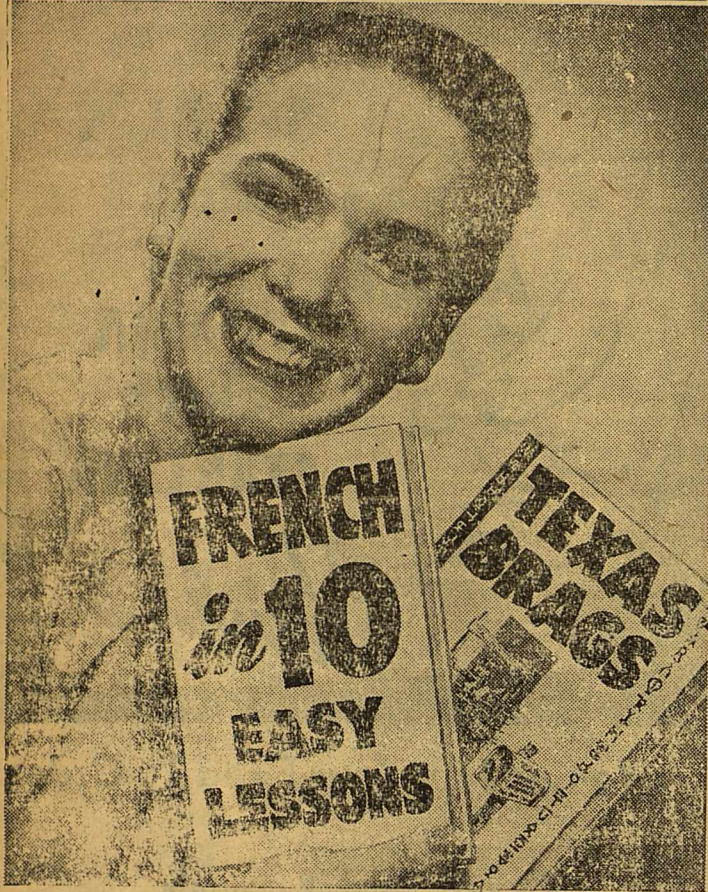

Prayer can do more than cause a torpedo to miss its target. Prayer can do more than hold a damaged plane aloft. Prayer can support a soul in the time of its greatest trial and hold up a nation in the hour of its danger. In spite of all evidences of the power of prayer manifest in those months of war, most of us have not yet really begun to pray and some who have cried out to the Lord in a moment of danger or distress have not cultivated the habit of daily communion with God.

Turkish Inspired Fashion

Turkey—that country that lies part in Europe, part in Asia—inspired this pebbly crepe dress with a crescent neckline in a bright clear yellow, thickly quilted all over. The waist cord is wound in silver gray and tasseled in silver. Featured in Harper's Bazaar, the dress is by Carolyn Schnurer, in Burlington Mills fabric of Celanese acetate. About \$40.

France To Hear Texas Tall Tales

Texas sailing to Europe for "Texas Week on the French Riviera" July 12 to 20, will carry along these props so they can talk about their home state in French, suggests Alice Duke, of San Antonio. The Riviera celebration is sponsored by the French Government Tourist Office as a salute to Lone Star visitors and marks the first time any state has been so honored. Cote d'Azur, fashion shows, parades and nautical races will be given in Monte Carlo, Nice, Cannes and other famous resorts on the Riviera from there during the festive week. All Texas residents and tourists this summer are invited to be guests of

NOTICE OF ROAD BOND ELECTION
THE STATE OF TEXAS
COUNTY OF SUTTON

To the resident property taxpaying qualified voters of Sutton County, Texas:

TAKE NOTICE that an election will be held on the 17 day of May, 1952, at the places, in the manner, and on the proposition set forth in the attached copy of an ORDER FOR BOND ELECTION, duly entered by the Commissioners' Court of Sutton County, Texas, on the 21 day of April, 1952. Said attached ORDER FOR BOND ELECTION is made a part of this notice for all intents and purposes.

F. L. McKinney
County Clerk, Sutton County, Tex.
ORDER FOR ROAD BOND ELECTION
THE STATE OF TEXAS
COUNTY OF SUTTON

On this the 21 day of April, 1952, the Commissioners' Court of Sutton County, Texas, convened in Special session at the regular meeting place thereof at the Court house in Sonora, Texas, with the following members of the Court present, to-wit:

- George Wynn
County Judge
- D. L. Locklin
Commissioner Precinct No. 1
- Dan Cauthorn
Commissioner Precinct No. 2
- Aldie Garrett
Commissioner Precinct No. 3
- Dantes Reiley
Commissioner Precinct No. 4
- F. L. McKinney
County Clerk

and the following absent: none, constituting a quorum, and among other proceedings, passed the following order:

There came on to be considered the petition of Bryan Hunt and 59 other persons asking that an election be ordered upon the question of issuing bonds of Sutton County, Texas, for the purpose of constructing, maintaining, operating macadamized, graveled or paved roads and turnpikes, or in aid thereof in said County.

It appearing to the satisfaction of the Court that said petition is signed by more than 50 of the resident property taxpaying qualified voters of Sutton County, who own taxable property in said County and who have duly rendered the same for taxation and is otherwise in conformity with law.

It further appearing to the

Court that the amount of the bonds to be issued will not exceed one-fourth of the assessed valuation of the real property of Sutton County, Texas.

It further appearing to the Court that it is advisable to issue said bonds and that said petition should be granted, and said election as prayed for shall be ordered:

THEREFORE, BE IT ORDERED BY THE COMMISSIONERS' COURT OF SUTTON COUNTY, TEXAS:

That an election be held in said county on the 17th day of May, 1952, which is not less than thirty days from the date of this Order, at which election, in accordance with said petition, the following proposition shall be submitted to the resident property taxpaying qualified voters of said County for their action thereupon:

PROPOSITION
"Whether or not bonds of said Sutton County shall be issued in the amount of \$75,000.00, bearing interest at a rate not to exceed 4% per annum, and maturing at such times as may be fixed by said Commissioners' Court, serially, or otherwise, not to exceed twenty years from date, for the purpose of constructing, maintaining, and operating macadamized, graveled or paved roads and turnpikes, or in aid thereof; and whether or not an ad valorem tax shall be levied and collected on all taxable property in said Sutton County for the current year and annually thereafter while said bonds or any of them are outstanding sufficient to pay the current interest on said bonds and to pay the principal thereof as the same becomes due."

That said election shall be held at the following places in said County and the following named persons are hereby appointed officers for said election:

1. Election Precinct No. 1, at the County Court House, in Sonora, Texas, with L. P. Bloodworth as Presiding Judge, and Wilfred Berger and _____, Clerks.
2. Election Precinct No. 2, at the Sonora Wool Warehouse, in Sonora, Texas, with Hub Hale as Presiding Judge, and Collier Shurley and _____, Clerks.
3. Election Precinct No. 3, at Cedar Hill School House, Sutton County, Texas, with Miss Carmen Warren as Presiding Judge, and Oscar Adams and _____, Clerks.
4. Election Precinct No. 4, at Owensville, Sutton County, Texas, with Buster Shroyer as Presiding Judge, and J. W. Hardgraves and _____, Clerks.

5. Election Precinct No. 5, at Humble Pipe Line Co. Station B, Sutton County, Texas, with Mrs. F. M. Ballard as Presiding Judge, and Mrs. J. D. Brodnax and _____, Clerks.

The ballots of said election shall have written or printed thereon the following:

"FOR THE ISSUANCE OF THE BONDS AND THE LEVYING OF AD VALOREM TAX IN PAYMENT THEREOF."

"AGAINST THE ISSUANCE OF THE BONDS AND THE LEVYING OF AD VALOREM TAX IN PAYMENT THEREOF."

Each voter shall vote on the proposition hereby submitted by placing an X in the square beside the expression of his choice, or said voter may scratch or mark out one of said expressions, thus leaving the other as indicating his vote.

The manner of holding said election shall be governed, as near as may be, by the General Election Laws of this State, except as modified by the provisions of Chapter 3, Title 22, Vernon's Annotated Revised Civil Statutes of the State of Texas, Revision of 1925, as amended, and none but resident property taxpaying qualified voters of said County and who have duly rendered the same for taxation shall be allowed to vote at said election.

Notice of said election shall be given by publication of a copy of this Order in a newspaper published in said County for three successive weeks prior to said election. In addition thereto, a copy of this order shall be posted in four public places in said County, one of which shall be the courthouse door, at least three weeks prior to the date of said election.

The County Clerk is hereby authorized and directed to cause said notice to be published and posted as herein above directed and further orders are reserved until the returns of said election are made by the duly authorized election officials and received by this Court.

The above order being read, it was moved and seconded that same do pass. Thereupon, the question being called for, the following members of the Court voted AYE: D. L. Locklin, Dan Cauthorn, Aldie Garrett, Dantes Reiley; and the following members voted NO: none.

PASSED, APPROVED AND ADOPTED this 21 day of April, 1952.

George Wynn
County Judge, Sutton County, Tex.
D. L. Locklin

Commissioner Precinct No. 1
Dan Cauthorn

Texas Futurity Set For Saturday

Seventy-one 2-year old horses from three states are eligible for Saturday's (May 10) running of the Texas Horse Breeders Association, "Texas Futurity" in San Angelo.

The Fair Grounds track, unused for the past several years is again in top condition to accommodate the best of the current crop of Texas horses. The full mile oval will be used during the three day

meet with races carded at all distances.

Futurity trials Saturday will eliminate nominees in each of three divisions; 300 yds. 1 mile and 1/2 mile, to a gate of eight finalists who will vie for purses expected to exceed \$14,000.00 when final stakes are run May 17.

Many of the youngsters saw action in the Del Rio Futurity Friday when Dandy Dutchess, owned by Finley Ranches of Gilbert, Arizona, upset the favored Little Raff, les Joe, owned by Jack Hughes of Junction to win the 330 yard division.

In the longer division Star K, owned by Roy Gains of Sinton, outlasted Moondeck owned by J. B. Ferguson. Wharton to win the 3 1/2 furlong sprint.

QUESTIONS AND ANSWERS FROM VETERANS ADMINISTRATION

Q - I wear an orthopedic brace on my right leg because of wounds I received during World War II. Can I get emergency repairs to my brace without prior approval from VA?

A - You can get emergency repair to your brace up to \$15 from any commercial brace or repair shop without prior VA approval if you have the new "Prosthetic Service Card—Orthopedic Braces." VA Regional Offices are now in the process of issuing these cards.

Q - I'm eligible for a 1952 dividend on my National Service Life Insurance. In my case, VA is holding the money to pay any premiums that I miss paying. When does this system start?

A - VA can pay your premiums out of your dividend money only after the anniversary date of your policy has passed. Be sure to pay your own premiums until after the anniversary date; otherwise you're taking a chance that your policy will lapse.

Q - I am on active duty, and I have an NSLI term policy which is under waiver. However, the term period of the policy is about to expire. Is there any way I can keep my insurance protection after it expires?

A - Yes. Under the law, your term policy will be automatically renewed for another five-year term. Premiums on this new insurance also will be waived during the remainder of your service and for 120 days afterwards. But when you start paying your own premiums again, the amount will be higher—based on your age at the time the new term went in effect.

BOOK ON RANGE GRASSES PUBLISHED BY UT PRESS

"Texas Range Grasses," new University of Texas Press publication, is a survey of the distribution and relative abundance of the 168 species of grasses which have the greatest commercial importance for Texas ranchers.

The book represents more than 30 years' study of the composition and distribution of the native vegetation of Texas by its author, Dr. Benjamin C. Tharp, professor of botany and director of the University's Herbarium.

Five maps and 25 drawings illustrate the volume. Drawings are by Clare Y. Whaley, wife of the University's Plant Research Institute director, Dr. W. Gordon Whaley, professor of botany.

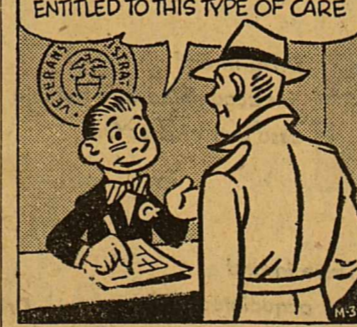

"Texas Range Grasses" initiates a series of studies looking toward the conservation and improvement of range cover, projected by the Plant Research Institute under its Grass Research Project. The University's Herbarium, containing 150,000 sheets of plant specimens, reinforced Dr. Tharp's field investigations.

This summary of conditions now prevailing on Texas grasslands is a necessary and appropriate starting point for a program of improvement. Although designed primarily to form the basis for further research, it is of obvious interest and value to anyone dealing with grassland problems. To facilitate use by laymen, non-technical language has been employed throughout.

The book sells for \$4 a copy.

With most of the 53 nominees to the Del Rio Futurity eligible for the San Angelo event plus the additional nominees received the "Texas Futurity" remains wide open in all three divisions. Both Del Rio Winners as well as all finalists but two in the two divisions there are eligible and expected to be starters.

The annual membership convention of the Texas Horse Breeders association will also be held in San

Angelo beginning Friday. J. R. Dilard, Big Spring, association president, will preside.

Wanted: a new kind of Crusader

to help fight the strangest, strongest foe the world has ever known—cancer.

Cancer that will kill 22 million living Americans . . . unless it is controlled.
Cancer that will cause untold suffering . . . unless it is checked.

This crusader's name? It could be your own. He is any generous person, fighting cancer by giving freely to the American Cancer Society's Cancer Crusade.

- ◆ He believes the light in the "lab" must not be extinguished.
- ◆ He believes his fellows must learn to recognize the symptoms of cancer and the need for early diagnosis.
- ◆ He believes more doctors, nurses and research scientists must be trained.

Will you be that kind of crusader? Will you help us fight cancer? Remember—a victory now may mean protection for you later. Without your support we may be defeated. With it, there is nothing we cannot do. Won't you help us by giving now... giving generously?

MAIL THIS COUPON TO "CANCER" C/O YOUR LOCAL POST OFFICE

Mild Winter Has Increased Cases Of Screwworm

Surveys made in Texas by the Bureau of Entomology and Plant Quarantine, in cooperation with other state agencies, show the mild winter has permitted the screwworm to overwinter as far north as Crockett, Schleicher, Menard and Lampasas Counties. However, the number of reported cases is not numerous, says A. C. Gunter, entomologist for the Texas Agricultural Extension Service.

He points out that there is danger ahead for the livestock producers unless they treat infected animals at once and avoid using practices that may leave wounds on the animals. Recent rains over much of the state have produced favorable weather conditions for the pest and stockmen are warned to be on the alert. The destruction of the worms before they mature will not only stop further injury to the animals but will help reduce further infestations.

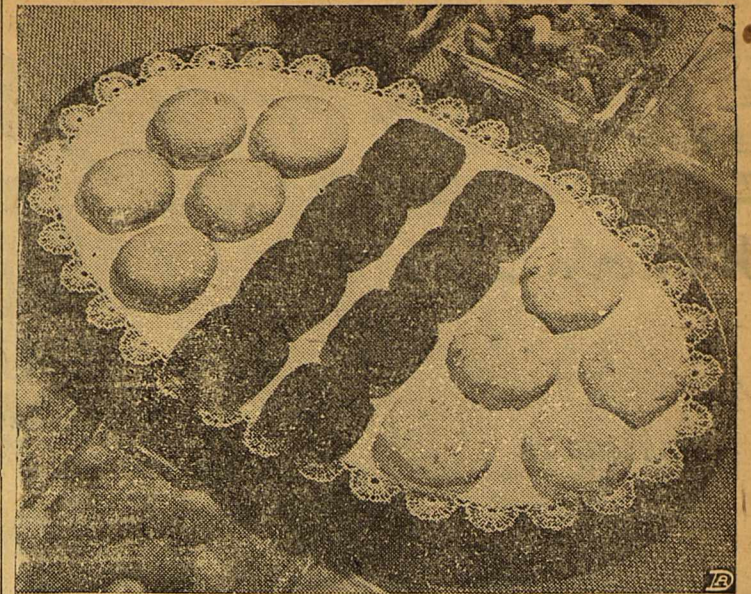

To prevent and cure infection caused by the screwworm, Gunter recommends the use of EQ-335, a medicine which was developed through BEPQ research. EQ-335 is applied to the wound as a smear. It contains lindane, a chemical insecticide, which has a lasting effect as a screwworm killer. One application per week, except in severe cases, is sufficient. This is a time saver because other medicines must be applied twice per week. Another big advantage for EQ-335, says Gunter, and it stems from lindane's residual killing power—is its ability to kill female screwworm flies that attempt to feed or lay eggs in the wound.

Livestock producers are urged to carefully examine all animals before shipment and again when they are unloaded. This is very important since many cattle are now being shipped from Texas to pastures in other states. All scratches, sores or wounds of any type that might possibly be infected by the worms should be treated for screwworm eggs might be present and thus would be shipped with the livestock to the new areas.

Screwworms can increase very rapidly in numbers if allowed to do so, says Gunter. As weather conditions become favorable, the pest will move northward at the rate of 25 to 35 miles a week.

Stopping the worms before they get started will head-off lots of trouble later, says the entomologist and at the same time, the use of prompt control and preventive measures will increase the market

Three-In-One Cookies

One batch of refrigerator cookie dough produces three different flavors—vanilla, chocolate and orange—for an attractive cookie assortment.

Desserts are never a problem when you keep the cookie jar well stocked. That's easy to do when you depend on your baker for a tempting variety of cookies, or make your own at home.

Home baker's choice are cookie doughs which make up into two or three or even four different kinds by the simple addition of flavorings, nuts or coconut. In this class is today's featured refrigerator cookie. Flavor one-third of the batter with melted chocolate, another third with orange juice and rind and leave remaining third plain vanilla.

Chill the dough thoroughly for several hours or overnight. It keeps well when wrapped in waxed paper or pressed into a cookie mold, so that you can make up just the number of cookies needed at one time.

With a full cookie jar, you can dress up servings of fruit sauce or ice cream at a moment's notice, and have a ready accompaniment to hot chocolate or tea. Cost of these cookies is only about one-half cent apiece.

Sweets can be good for you as desserts made with enriched flour prove, for they provide protein, essential B-vitamins and food iron.

THREE-IN-ONE COOKIES

- 1/2 cup shortening
- 1 cup sugar
- 1 egg
- 1 tablespoon milk
- 1/2 teaspoon vanilla extract
- 2 cups sifted enriched flour
- 1 teaspoon baking powder
- 1 teaspoon salt
- 1 square chocolate, melted
- 1 tablespoon orange juice
- 1 tablespoon shredded orange rind

Cream together shortening and sugar until light and fluffy. Add egg, milk and vanilla extract. Beat well. Sift together flour, baking powder and salt. Add to creamed mixture and mix well. Divide dough into thirds. To one-third add melted chocolate, mixing it in thoroughly. To another third add orange juice and rind, mixing well. Leave remaining third plain. Shape each third into a roll. Wrap in waxed paper. Chill until very firm. Slice thin and bake on greased baking sheets in moderately hot oven (400°F.) 10 minutes. Makes about 6 dozen small cookies.

MRS. MORRIS HOSTESS TO THURSDAY BRIDGE CLUB

The Thursday Bridge Club met at the home of Mrs. H. V. Morris last week. Mrs. J. H. Brasher won high score for guests and Mrs. Lee Patrick won low. Mrs. B. C. McGilvray won the bingo and high club was won by Mrs. R. G. Nance.

Cut flowers were used to decorate the game rooms. A salad plan was served to the following: Mmes. McGilvray, Nance, Patrick, John Bunnell, Brasher, O. G. Babcock, C. E. Stites, Lee Labenske and S. M.

ALWAYS BE CAREFUL DRIVING

It makes each drop of gas say uncle

ACCORDING to combustion experts, there's as much energy locked in a drop of gasoline as there is in a drop of nitroglycerine.

But the problem is to put that energy to work.

So Buick engineers aren't content just to mix that drop with air and touch it off. They've designed an engine that brings it catapulting into a cylinder head where it strikes a turbo-top piston—gets whipped into a churning, swirling ball of tight-packed energy.

Then it's fired. And when that happens, a drop of gasoline certainly lets loose power.

This isn't something that happens in a "car of the future."

It happens in a Buick Fireball 8 Engine today. It's a high-compression engine. It's a valve-in-head engine. But it's also a Fireball in performance as well as name.

And it puts extra power under the hood—and extra miles in the fuel back in the gas tank.

Now, power is great, but what goes with it?

Mister, that's something you ought to find out—and soon.

What goes with it is an automobile as sweet-handling, eager and willing as anything that ever made your pulse leap to a faster beat.

It's a car that seems to know what you

want it to do—true and sure in its course on a straightaway—beautifully balanced on curves.

It's a car with Dynaflo Drive* to feed power with infinite smoothness—and a road-hugging levelness of ride that took a million in cold cash to perfect.

And it is, with all this, a very tidy bargain. Why not price it, drive it, know it for yourself? We'll be glad to arrange a demonstration.

Equipment, accessories, trim and models are subject to change without notice. Wheel Crests standard on Roadmaster, optional at extra cost on other Series. *Standard on Roadmaster, optional at extra cost on other Series.

NATIONAL PRESS BUILDING
WASHINGTON, D. C.

By Anne Goode

Cellophane tape is a marvelous kitchen accessory. Lots of uses for it! Use it to mend small tears on cook books, plastic aprons, food pages, etc. Recipe cards will last longer when edged with it. Easy, too, to tape shelf paper in place.

Before you refresh your summer curtains with a tint bath, remember to launder them first to remove all spots, mend them, if necessary, and choose an all-purpose dye which is guaranteed to work on all types of fabrics—synthetic or not.

Crisp up salad greens after washing by wrapping in a clean cloth. Or, if there's time, place in a bowl and refrigerate for an hour or two.

There's a good reason for storing eggs with the large ends up — it keeps the yolks centered. Incidentally, have you seen those handy plastic containers especially designed for refrigerating eggs?

IN BITING WIND AND COLD AND SNOW... his numb fingers bent around an M-1 rifle... this soldier is living with the same hardships suffered by General Washington's troops at Valley Forge 174 years ago.

His equipment is immeasurably better than any those first Yankees could have dreamed of. His chances of survival are equally improved. But, like them, he is doing a grim, hard job for the defense of his country.

Defense is your job, too. It is your job to maintain and support America's economic strength as this soldier is supporting her military strength.

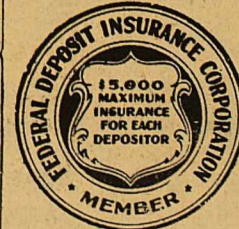

It's an easy job...and one of the best ways to do it is by buying United States Defense Bonds regularly. For with bonds and other forms of savings you are making yourself and your country stable and strong. And America must be kept strong—economically as well as militarily. For we must always remember... in this cold-warring world, peace is only for the strong!

The U. S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because now every Series E Bond you own can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.33! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's too, buy U. S. Defense Bonds now! Bankers recommend them as one of the safest forms of investment.

Peace is for the strong... Buy U.S. Defense Bonds now!

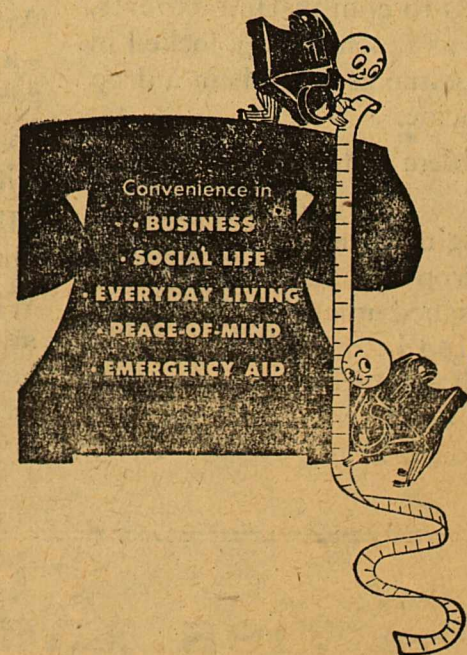

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, the Advertising Council and

First National Bank
