Robert Halbert, the Polled Hereford breeder, was in town last weekend. He and Mrs. Halbert observed their 40th wedding anniversary last Thursday. Halbert bought a place near Miller, Mo. about a year ago and just recently added 500 acres to it making the total 2,200 acres.

On 1,700 acres he has 750 (that's right-seven hundred and fifty) cattle, including calves. The cattle are grazing over 200 acres of Sudan, 80 acres of alfalfa, 200 acres of corn and sargo. There is quite a bit of orchard grass, lespediza, clover and bluestem, and some Kentucky fescue is being planted. Halbert also has 100 acres planted in soy beans. He said last month was the driest June recorded in that locality. No rain fell in June and many wells and creeks went dry. While in Sonora, he heard from Lee Fawcett, who is interested in the Missouri venture with him, that 2 inches of rain fell the first and second of July.

Received a note from O. H. Wright, who has been threatening to attend a Brady Jubilee and look up old friends: "Attended the races, rodeo, bright spots. Dodged lots of cars. Looked for old schoolmates the first day at races, but didn't find a one. Saw lots of Sonorites there. At least 8,000 attended the rodeo. Finally located two of the old bunch. In conclusion, saw plenty of green grass, believe it or not. Felt like trying to eat some of it. Had been 53 years since I attended a Jubilee."

Mr. and Mrs. E. F. Vander Stucken have as their guests, their son and family, Mr. and Mrs. Emil Vander Stucken and children, Emily and E. F. III, of Princeton, New Jersey. Accompanying the Vander Stucken family here is Miss Sally Tomlinson, also of Princeton.

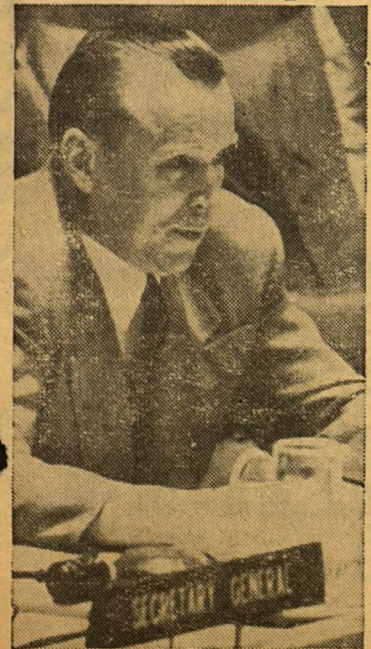

## Girl Scout Council To Meet Sunday

The Frontier Girl Scout Council will meet in regular session Sunday afternoon, July 13, at 3 o'clock at Camp Sol Mayer. Voting delegates who represent Sonora at these meetings are Mrs. G. H. Davis, Mrs. Travis Glasscock and Mrs. Chester Green.

The meeting is an area gathering of all families interested in Girl Scouting, rather than just a meeting of the board. Anyone interested in coming is asked to bring a picnic lunch for himself and party. The camp waterfront director will be on duty for supervised swimming during the afternoon.

Mrs. Ruby Puryear had as her guests last weekend, her sisters, Mrs. T. E. Yarborough of Odessa and Mrs. Ed. Pendleton of Stamford.

## Diplomatic Surprise

NEW YORK—Soviet delegate to the U. N., Jacob Malik, is shown at the U. N. Security Council as the Soviets scored a diplomatic surprise by keeping silent on the previous charges that the U. S. forces conducted germ warfare in Korea. Instead of repeating the propaganda blasts, the USSR spokesman urged the Council to induce other nations to ratify the Geneva Protocol against poison gas and bacteriological weapons.

## Rifle Club Opens Membership Drive

The Sutton County Rifle and Pistol Club, which enlisted 155 members during its first year of operation, a national record for a town of this size, this week published a report of its first year's activities and opened its annual membership drive.

The club, through Harold Scherz, its treasurer, handled nearly \$5,000 during the year and on June 1, had \$388.01 in the bank. In addition to this the club owns a small bore, large bore, trap and pistol range, a club house and a sizeable stock of ammunition.

In a letter mailed to all members, the executive committee stated:

"We would like to ask each of you to continue to participate in our club functions as well as to attend our monthly meetings which will be held the second Tuesday of each month. We had 155 members the first year, and if this enthusiasm continues, we will be able to build a club room onto our present building, or a porch or shaded patio, pits with targets that lower for our big bore range, or any other project that you think we should undertake."

This club was not organized for experts alone, but to allow all of us to participate in various phases of shooting firearms, to teach our children how to handle guns, and for us to enjoy ourselves while we improve our marksmanship. If sufficient interest is shown, I am sure that some of our good gun-handlers will act as instructors for children or adults who would like to learn how to use a gun, or even to become a sharpshooter. Please come out and enjoy yourselves and help us plan a program that will add to your entertainment."

## Rambouillet Men Convene July 22 In San Angelo

Members of the American Rambouillet Sheep Breeders Association will gather in San Angelo, July 22 for the 64th Annual Meeting of the Association.

Members and their wives, along with special guests of the Association, will attend a dinner at 7 o'clock in the Hotel Cactus Ballroom before the meeting starts.

Date of the meeting was set to coincide with the registered Rambouillet Ram Sale to be held in San Angelo July 21-23. For the past several years meetings have alternated between Salt Lake City, Utah, and San Angelo.

The regular meeting of the Executive Board will follow this meeting.

June 30 was the end of the Association's fiscal year, and the annual report will show another very successful year for the Association.

Of the past 10 years, only in 1946 were more sheep registered than in this fiscal year. This reflects the optimism of Rambouillet breeders, a large number of whom have been hard hit by the current drought in the Southwest.

This year, 67 new breeders joined the Association, and 7 members were reinstated. The report will also show the Association to be in a good position financially.

Officers to be elected at the meeting include President, Vice-President, and Directors of District Numbers 3 and 4. Officers whose terms are expiring are: Adin Nielson, Ephraim, Utah-President; R. O. Sheffield, San Angelo, Texas-Vice-President; John Williams, Eldorado, Texas-Director of District No. 3 (Texas West of the hundredth meridian) and Dr. J. H. Beal, Cedar City, Utah-Director of District No. 4 (the State of Utah). John Williams has served out the term of R. O. Sheffield after his election to the Vice-Presidency last year.

Other Directors are: E. H. Patterson-Mayville, New York; John V. Withers-Paisley, Oregon; and Clyde Thate-Burkett, Texas. Leo Richardson of Iran, is the immediate Past President.

A good turnout is expected for this meeting, and members who want Hotel reservations should write the Association Secretary, or direct to hotel headquarters—the Hotel Cactus, San Angelo, Texas.

Mr. and Mrs. L. A. Chastant and son, Lee, of Fort Belvoir, Va., have been the guests this week of Mrs. Chastant's parents, Mr. and Mrs. Joe Brown Ross. Mrs. Chastant is the former Miss Catherine Ross.

Cpl. Clay Odom, stationed at the Marine Air Base, Cherry Point, N. C., is here visiting his parents, Mr. and Mrs. Bob Odom.

## Many Students Pass Tests At Swimming Pool

A very successful six-weeks of operation of the swimming pool was reported by Coach Oliver Wuest, who is in charge of the pool under the Boys and Girls program this summer.

Registration for new classes is Monday at 11 o'clock.

Coach Wuest reported that since the opening of the pool 2,164 swimmers have used the pool. Total receipts were \$793.20, and nearly two million gallons of water were used. From a financial standpoint the pool just about broke even.

Those passing beginners tests and receiving Beginners Cards are Kay Shurley, Gene Smith, Bill Elliott, Betty Ann Patrick, Ann McKinney, Carolyn Cowert, Sarah Sawyer, Lu Ann Smith, and David Steen, Mary Tisdale and Barbara Spencer, all of Eldorado.

Those receiving Intermediate Cards are Harold Jean Moore, Kay Shurley, Yvonne Pennick, Sue Norris, Gene McCarver, and David Steen, Mary Tisdale and Barbara Spencer, all of Eldorado.

Six swimmers finished the Junior Life Saving Course, but are waiting for the examinations to arrive. When they complete the examinations, they will receive their cards. They are Kenneth Fuqua, Jim Ray Baker, June Rose Lyles, Jennell Mayhew, John Barton Dunagan and John Ed Neville.

Those passing tests and receiving Swimmer's Cards are Yvonne Pennick and Sue Norris. Other out-of-town student include Betty Ann Hunt, Jimmie Lou Jones, Mary Lee Jones and Trudy Gaynor, all of Eldorado.

Coach Wuest stated that each Monday between 45 and 60 Ozona swimmers enjoy the local pool.

## Sonora Loses To Ballinger 5-2

The Sonora baseball team slipped down to fourth place in the Concho Basin League Thursday night when Ballinger-Winters, which resides in the cellar, thumped the locals 5-2.

Frank Taylor, teen-age curve baller, had the Sonorans seeing circles while his mates were buzzing in five runs. Mabry relieved Thompson and held B-W scoreless, but Sonora hitters couldn't get going again.

A return match will be held here at Allison Field Sunday at 3 o'clock and Manage Pat Lyles thinks the Sonorans can find Taylor's curves this time.

## Girl Scouts To Attend Camp

Miss Gerene Stanberry, supervisor of the Frontier Girl Scout Council of San Angelo, was in Sonora Thursday making plans for the Girl Scout camp at Camp Sol Mayer.

Those attending the camp session which starts Monday are Miss Marjorie Dameron, counselor, and Rex Ann Baker, Clair Jones, Norma Lee Maxey, Lomalea Bridges, Lynn Kirby, Carol Bricker, Genette Bolt, Flora Mae Minnick, Aline Schwening, Georgia Sue Norris and Patsy Rode.

## SONORANS' MOTHER DIES IN SAN ANTONIO SUNDAY

Funeral services were held Monday afternoon in San Angelo for Mrs. Mary Osteen, 59, who died in a San Antonio hospital early Monday morning. The Rev. Ray Tatum, associate pastor of the Baptist Tabernacle, officiated. Interment was in Fairmount Cemetery.

Mrs. Osteen was born March 11, 1893 at McGregor and had lived in San Angelo for the last ten years. Survivors include four sons, one of whom, Floyd, lives in Sonora. A daughter, Miss Clyde Osteen, also lives in Sonora. Floyd Osteen is employed by the Great Western Drilling Company here.

## Congratulations

Mr. and Mrs. E. S. Mayer, Jr., announce the birth of a son, Ernest Ralph, born Tuesday in a San Angelo hospital. The baby weighed six pounds and 15 ounces.

Grandparents are Mr. and Mrs. Joe Blackburn of Seymour and Mr. and Mrs. E. S. Mayer of Sonora. Mr. and Mrs. Mayer, Jr., have another son, Stephen Kent, two.

Mr. and Mrs. Howard Espy had as their guests last weekend, his niece and family, Mr. and Mrs. R. C. Kramer and daughters, Kathryn and Judy, of Odessa. Judy will remain for an extended visit.

## Vander Stucken Well Shows Gas

Shell No. 1 J. M. Vander Stucken made gas at the rate of 510,000 cubic feet daily on a one hour drill-test Wednesday between 4,147 and 4,200 feet. The well is located five-eighths of a mile south and east of No. 1 Duke Wilson, shut-in gas discovery in the southeastern part of the county.

Gas surfaced in the Vander Stucken test in nine minutes. Operator was using a 5/8 inch by 1/4 inch choke at the beginning of the test. At the end of twenty minutes, the 1/4 inch choke was replaced with a 1/2 inch choke.

One hundred twenty-five feet of gas cut drilling mud was recovered with flowing pressure logged at 125 pounds and 15-minute shut-in pressure logged at 1,500 pounds.

The well is located 1,320 feet from the north and 1,318 feet from the east lines of section 37-14-TW NG.

Phillips No. 1-A Libb Wallace, south-central Sutton County well, tested through fractured perforations between 4,916-4,950 feet and swabbed salt water, with no shows of oil or gas.

Plugging back to 4,400 feet, operator perforated between 4,312 and 4,330 feet in Pennsylvania lime and will swab and test for gas. This is the same zone from which the gas production comes in Shell No. 1 Wilson, about 4 1/4 miles southeast.

## TEXAS TEACHERS AMONG BEST PREPARED IN NATION

Texas teachers now rank among the five top states in the nation in teacher preparation, according to Charles H. Tennyson, executive secretary of the Texas State Teachers Association.

Tennyson said that figures available from the Texas Education Agency show that more than 95 percent of the state's 58,513 public school teachers now hold degrees from accredited institution of higher learning.

During the school term just closed, only 2,299 or 4.5 percent of the white teachers in the state did not have degrees. Only 146 or 1.84 percent of the Negro teachers in Texas do not have degrees.

The school year 1951-52 also marked progress in another direction, Tennyson added. It was the first years in the history of the state that the schools did not have some people teaching with less than a high school education. The previous year 34 such people were employed as teachers.

Mr. and Mrs. G. C. Allison had as their guests last weekend, his mother, Mrs. E. S. Noelke of San Angelo and his sister, Mrs. J. Walter Smith and daughter of Odessa. Also their guests were Mrs. Allison's parents, Mr. and Mrs. A. C. Brewer of Coleman.

Mr. and Mrs. Lea Allison had as their guests, Mr. and Mrs. B. B. Noelke of San Angelo last week.

Mrs. W. H. Marshall is in San Antonio with her daughter, Mrs. Edwin A. Erdley, who is recovering from an operation.

## Local Scouts Leave For Ranch Camp In N. M.

Three Explorer Scouts from Post 19, Sonora, Eddie Smith, Joe David Ross, and Donald Fuqua, left Thursday for ten days of camping at Philmont Scout Ranch at Cimarron, New Mexico, where they will take in the ten-day Lucien Maxwell Trek. Besides those from Sonora, two will attend from Eldorado and six from San Angelo. Philmont is limited to Boy Scouts of Explorer age, 14 and older.

Joe Brown Ross will accompany the group to Philmont as advisor in charge. He has been active in Boy Scout work and is at present chairman of the West Ranch district, which is composed of Schleicher, Sutton, and Crockett counties.

Wednesday night the group met in Eldorado where final plans were presented by Jim Sheirer, executive from the Boy Scout office in San Angelo.

The Lucien Maxwell Trek features trapping for predatory animals and game and nature observation. This is a new trek being offered for the first time this year and will take the young Texans through the Rincon-Bonita area in the northern part of the 127,000-acre domain.

Philmont is spread out among the mountains and mesas of northern New Mexico and is a gift from Waite Phillips, "donated and dedicated to the Boy Scouts of America for the purpose of perpetuating faith, self-reliance, integrity, freedom, and principles used to build this great county by the American Pioneer."

To make this possible, and to bring the costs down within the reach of the average young man, Phillips also gave the Philmont Building in Tulsa, Oklahoma. The income from the rental of this building is used to subsidize the Philmont program, making it possible to lower the cost.

More than 6,600 experienced Scout campers from 35 states enjoyed rugged wilderness camping in 1951 at Philmont. Maintained by the National Council, Boy Scouts of America, it is the largest Scout Camp in the world.

## QUESTIONS AND ANSWERS FROM VETERANS ADMINISTRATION

Q - I have a permanent GI insurance policy which lapsed and which VA has been continuing in force as "extended term insurance." Is there any way I can reinstate my permanent policy? If so, is there any time limit?

A - Your permanent insurance may be reinstated at any time upon application. You will be required to pay all back premiums with interest. If you apply within five years from the time your extended insurance would expire, you won't need either a comparative health statement or a medical examination.

Q - I soon expect to finish high school under the GI Bill, and I have some entitlement left. Could I go to college, even though the July, 1951, cut-off date has passed?

A - Yes. VA considers that moving from high school to college is a "normal progression," and is allowed under its post-cut-off-date regulations.

Q - I applied at leading institution for a GI home loan, and was turned down. What should I do?

A - See another lender. The fact that one lender is not interested in making the particular type of loan that you want does not preclude the possibility that another may be.

Q - I am a World War I veteran drawing Civil Service retirement pay. Must I include this money in figuring out whether my total yearly income is below the ceiling for getting a pension for a total non-service-connected disability?

A - Civil Service retirement payments do not count as income until you have received the full amount you have contributed under the program. After that, the retirement payments are considered, in computing income for pension purposes.

Major and Mrs. Jimmie Taylor and children, Gregory, Calette, and Julie, who have been visiting Mr. and Mrs. Cashes Taylor here, left Monday for Germany, where Major Taylor will be stationed for three years. Mrs. Taylor and children are flying to London, while Major Taylor sailed from Camp Kilmer, N. J. Thursday.

Mrs. Troy Sprout and daughter, Susan and Linda of Fort Worth have been here the last two weeks here with her parents, Mr. and Mrs. L. V. Clark.

## Cedar Hill Exes. To Meet July 19

The Ex-Students and Ex-Teachers of the Cedar Hill School will hold their third annual reunion Saturday, July 19 at Camp Allison. A prize will be given for the oldest report card.

The reunion will be an all-day affair. Following supper a dance will be held with Johnny Martin and His Boys furnishing the music.

## BEEF CATTLE PREMIUMS TOTAL \$17,200 AT FAIR

Beef cattle will be spotlighted during the first phase of the 1952 State Fair of Texas livestock exhibition, with premiums totaling \$17,200, Livestock Manager Ray W. Wilson has announced.

There'll be \$7,500 in premiums for Herefords, \$4,200 for Brahman, \$3,000 for Aberdeen-Angus, and \$2,500 for Shorthorns. The beef cattle show will run Oct. 4 through 9, Judges and Judging date are: Aberdeen-Angus, A. H. Spitzer of Pleasant Plains, Ill., Oct. 6; Herefords, A. E. Darlow of Stillwater, Okla., Oct. 7; Brahman, John C. Burns of Fort Worth, Oct. 8; Shorthorns, Glenn Frank of Hume, Mo., Oct. 9.

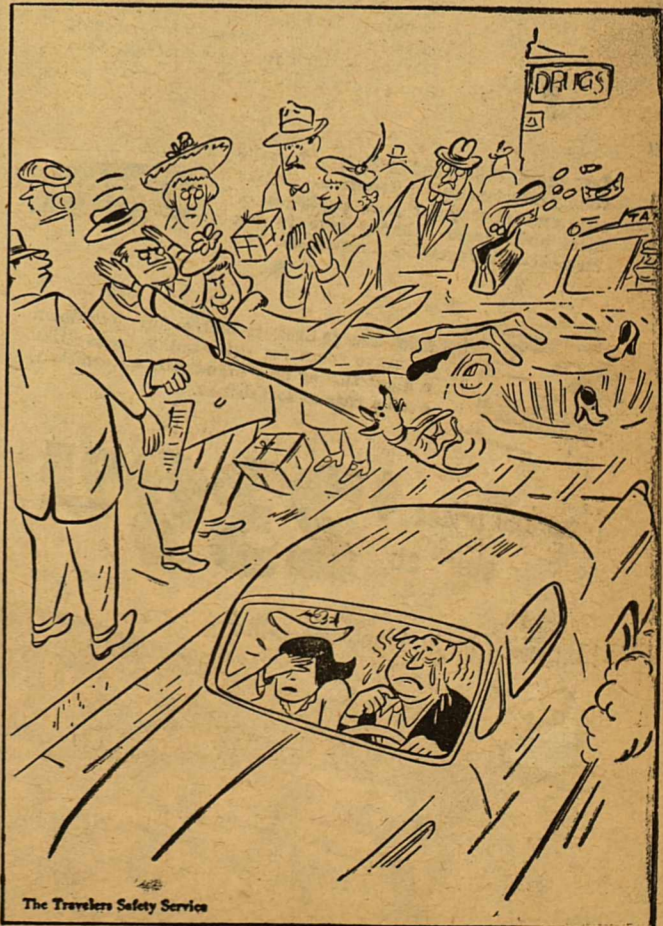

All beef cattle will be judged in the fair's new Livestock Pavilion, seating 3,200 spectators. Wilson said the fair's facilities for showing and judging were the best in the nation for a fall show.

The fair also offers breeders the opportunity to show before the county's largest potential audience, Wilson declared. Attendance during the 16 days of last year's fair totaled 2,320,129, largest in the nation. And on opening day this year, Wilson pointed out, beef cattle breeders will get a "bonus" attendance of more than 90,000 Four-H Club boys and girls, Future Farmers and Future Homemakers, who'll be taking in the fair on Rural Youth Day.

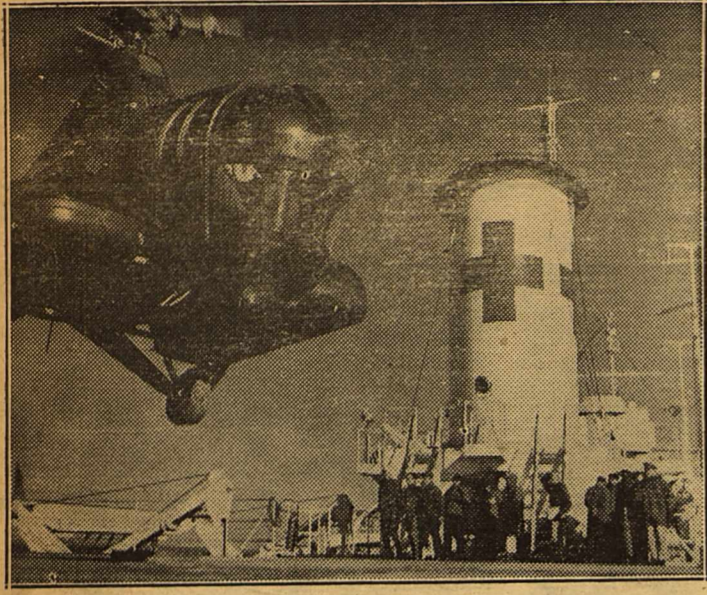

Orville Wright of Brady is visiting his uncle, O. H. Wright this week.

**BILL OF RIGHTS GUARANTEES INALIENABLE PRIVILEGES**

The American "Bill of Rights", consisting of the first ten amendments to our federal constitution, all adopted at one time in 1791 specifies in some detail a number of basic civil rights of the "individual citizen. Unaltered by subsequent amendments and jealously guarded by our courts, these privileges must still be respected by our governing bodies today.

Among the most familiar of our constitutional guarantees are those relating to freedom of religion, of speech, and of the press. The same article protects the right of peaceable assembly and the privilege of petitioning the government for redress of grievances.

Another amendment secures our persons, houses, papers and effects against unreasonable searches and seizures, and specifies that no warrants shall issue but upon probable cause, and unless supported by oath or affirmation.

The due process of law amendment encompasses not one but several guarantees. Every American is secured against being placed twice in legal jeopardy for the same offense; against being compelled to be a witness against himself in a criminal case; against having his private property taken

for public use without just compensation; and against being held for trial for a capital (death penalty) or other infamous crime, unless upon a presentment or indictment of a grand jury. And, of course, no person may be deprived of life, liberty or property without orderly court procedures, on due process of law.

The right to a speedy and public trial, by an impartial jury, in the locality where the crime was committed, the right to be informed of the nature and cause of the accusation, and the rights to compel attendance of defense witnesses and to have the assistance of defense counsel in all criminal prosecutions are secured by another section of the "Bill of Rights."

Excessive bail and fines, and cruel and unusual punishments, are prohibited in Amendment VIII. Other articles insure the right to bear arms and ban quartering of soldiers in private homes during peace time.

Then, to make quite clear to our governing bodies the underlying intent of the preceding provisions, the Ninth Amendment states: "The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the people."

The Tenth Amendment further emphasizes this theory by providing: "The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people."

Thus, that fundamental philosophy expressed in the Declaration of Independence, that men are endowed with certain inalienable rights, and that "to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed," has been carried forward into the highest law of our land.

**What's going on in Sonora . .**

Each Monday morning a busload of about 50 Ozona youngsters comes over for a swim at the city pool. The group swims all morning for a flat fee of \$10. . . . Incidentally, Ozona has recently installed a traffic light at the highway intersection. . . . The new game warden is T. F. Wheelless, who comes here from Llano. Wheelless is married and has a five-year-old son. Warden Burkett will be transferred to a larger district, probably the San Angelo district. . . . George H. Neill and Lin Turney enjoyed deep sea fishing last week as guests of the United Salt Corporation of Houston. . . . Dr. and Mrs. Robert Kokernot and daughter, Jan, arrived in Chico, Calif. for a visit with his parents, Mr. and Mrs. R. W. White. They will be at home in Berkeley after August 1. . . . Johnny Fields, 9, son of Mr. and Mrs. Herbert Fields, caught a 78-pound sailfish recently while family was in Acapulco, following the Lions Club convention in Mexico City. . . . Pvt. Rudolfo Guajardo of Sonora is now serving with the 25th Infantry Division in eastern Korea. He entered the army last November and trained at Camp Roberts, Calif. He arrived in Korea June 1 of this year. His wife, Feliz, and his parents, Mr. and Mrs. Eduardo G. Guajardo, live in Sonora. . . . The Texas Agricultural Experiment Station of Sonora had 27 steers on the Fort Worth market last Tuesday. Twenty-six of these

steers weighed 690 pounds and brought \$23, and the other one brought \$20. The Texas Livestock Marketing Association handled the shipment.

**WOMAN**- She's an angel in truth.

A demon in fiction- A woman's the greatest Of all contradictions; She's afraid of a cockroach, She'll scream at a mouse, But she'll tackle a husband as big as a house.

She'll take him for better, She'll take him for worse; She'll split his head open, Then be his nurse;

And when he is well and can get out of bed, She'll pick up a teapot and throw at his head.

She's faithful, deceitful, keen-sighted, blind;

She's crafty, she's simple, she's cruel, she's kind.

She'll lift a man up, she'll cast a man down,

She'll make him her hero, her ruler, her clown.

You fancy she's this, but you find that she's that,

For she'll play like a kitten and fight like a cat.

BRADY- America was founded upon the principle of Free Enterprise, Rep. O. C. Fisher reminded a 4th of July audience at Richards Park Friday. "And it has achieved greatness in a free economy by the creative genius and productive capacity of the American people. It can be seriously weakened by unnecessary regimentation and the perversion of Constitutional rights", he added.

Fisher arrived from Washington where he had remained for the closing days of the recent session of Congress. He spent Independence Day in Brady as a special guest of the Brady Jubilee Association.

The Congressman paid tribute to the American heroes through whose gallantry and sacrifices our freedom has been preserved. "It is your job and mine", he reminded, "to vindicate those sacrifices, and that can be done only if we maintain a strong, solvent Free Enterprise Nation under the Constitution. The liberties which so many of our citizens take so lightly today are blood-bequeathed legacies and were paid for by the lives of brave American patriots of the past."

Fisher lashed out at forms of creeping socialism which tend to paralyze initiative. "Why do we have to borrow discredited socia-

listic schemes, such as socialized medicine, socialized agriculture Brannan Plan, and socialized housing, from the bankrupt British system?" he asked.

This housing policy was borrowed from Britain, Fisher explained, and is now actually in use in this country—and is gaining momentum. More than 800,000 housing units are planned, with 200,000 already built or under construction. Tenants in these government-owned projects often pay only one-half of rental values.

"You, the taxpayers, are paying for this experiment in state socialism", he continued, explaining that he and many other Southern Congressmen have always vigorously opposed it.

"The taxpayers will eventually dig down into their pockets and pay upwards of \$20 billion for these socialized housing units. You will help pay the rent bills for those tenants every month for 40 years, just like the British government is doing for their public housing tenants."

Onyx Elephants

MADISON, WIS.—Exploring famous Cave of the Mounds, Jean Kieth discovers a tower of elephants in the cavern's Hall of Statues. Since nature fashioned these elephants in cave onyx over a period of many centuries, Jean assumes it would be unfair to read an election year prediction into the formation. The beautiful cave, located 25 miles west of here, is visited by over 100,000 persons each year.

Is the house getting a fresh paint job soon? If so, remember to protect the shrubbery from stray paint splashes. The best way is to tie it back with ropes, then cover carefully with cloths.

There's no good reason why clothes can't be passed on from one child to another as long as they don't look like hand-me-downs. Oftentimes, an old play suit or dress will look almost store new if given fresh color with all-purpose dye. Try it!

White organdy, so sheer and fragile, is very much in the summer fashion picture. It appears in collars of all sizes and shapes, fills in the necklines of suits, makes up bodice tops and shirtwaists. And some of the prettiest afternoon and evening dresses are also in white organdy.

Have you tried fried chicken in the oven? Yes, in the oven, like this: Roll cut-up chicken in seasoned flour, place in a shallow baking pan and dot generously with vitaminized margarine. Fry in a 400 degree oven 15 minutes on one side and then 15 on the other. So crisp and delicious!

To improvise a ring mold for rice, spinach, noodles or meat loaf, place a small pyrex custard cup, greased on the outside, in the center of a deep baking dish. This could also be used as a mold for potato salad.

**JANET KAY JOHNSON GIVEN BIRTHDAY PARTY**

Mrs. L. E. Johnson, Jr., honored her daughter, Janet Kay, with a party Monday on her fourth birthday at the home of her grandmother, Mrs. L. E. Johnson.

Toy horns were given as favors. Refreshments of cake and ice cream were served to Merry Lou Glasscock, Terry Trainer, Bonnie Glasscock, Mickey Hardegre, Jo Adda and Jessie Lem Johnson, Ricki and Sharon Logan, Sarah and Eddie Sawyer, Susan Allison, Bennie Davis, Brenda Browne, Bonnie Mc. Kinney, Yvonne Young, Cecelia Young, Jetty Young.

**MRS. MCGILVRAY HOSTESS TO FIREMEN'S AUXILIARY**

Mrs. Bill McGilvray entertained members and guests of the Firemen's Auxiliary Wednesday night at her home.

The party rooms were decorated with arrangements of cut flowers. High bridge score was won by Mrs. Tommy Smith. Mrs. Wesley Granger won high cut prize, Mrs. E. T. Smith won low and Mrs. S. M. Kerbow won the high score for guests.

In Forty-two, Mrs. Gwin Kring won high score, Mrs. J. P. Smith won low, and Mrs. Ed Grobe won high guest.

A salad plate and iced tea were served to Mesdames John E. Winslow, Jack Kerbow, S. M. Kerbow, Lee Patrick, J. H. Brasher, G. G. Bennett, Wesley Granger, Tommy Smith, E. T. Smith, L. D. Holmg, Artie Joy, Gwin Kring, Ed Grobe, James Wilson, Tom Sandherr and J. P. Smith.

**THIS TASTES GOOD IN TEXAS**

Texas Hash  
2 large onions, sliced  
2 green peppers, sliced  
3 tablespoons shortening  
1 pound hamburger  
2 cups canned tomatoes  
1 cup cooked rice  
1 teaspoon chili powder  
1 teaspoon salt dash of pepper  
Melt the fat in a skillet, saute the sliced green peppers and onions until tender. Add hamburger, and cook until there is no pink left in the meat, stirring with a fork to crumble the meat. Add tomatoes, rice and seasonings. Arrange in a greased baking dish and top with bread crumbs. Brown slowly in a 350 Deg. oven. Serves four.

Mr. and Mrs. Dave Barrett and Mr. and Mrs. Harley Brancel and son Bruce, all of San Angelo, were guests of Mr. and Mrs. Clarence Beyer Sunday.

**LUNCHEON BRIDGE CLUB ENTERTAINED THURSDAY**

Mrs. Charles F. Browne was hostess to the Thursday Luncheon Club last week at her home.

High score prizes were won by Mrs. Tom Ratliff and Mrs. W. J. Fields, Jr., Mrs. Louie Trainer won the slam prize and Mrs. S. H. Allison won bingo.

Bouquets of garden flowers were used in decorating. Luncheon was served to Mesdames George Brockman, L. E. Johnson, Jr., Ratliff, Fields, Allison, Trainer, Frank Bond, W. B. McMillan, E. S. Mayer, Jr., Joe M. Vander Stucken, Duke Wilson, Clay Puckett, Rip Ward, Rex Dullnig, Web Elliott, and Miss Annella Stites.

Doctor Thinks Most Adults Have Had Polio

It is believed that the majority of adults have at one time been infected by the virus of poliomyelitis, usually without manifestations, says Dr. George W. Cox, State Health Office. In view of the above it is expected that most of the recognized cases will be among children.

Only a small proportion of infected persons are clinically recognizable. When symptoms are manifested, they usually comprise an acute illness with fever, headache, and almost always a characteristic stiffness of the neck and spine. Some degree of paralysis may or may not occur during the first few days of illness.

During the poliomyelitis season the following measures are recommended:

1. Insist upon safe waste disposal so that human excreta is not exposed to disease transmitting vectors.
2. Insist on elimination of fly breeding sources and do not depend upon community wide airplane spraying or fogging machines as a substitute for basic sanitation.
3. Food supplies, including milk, must be protected against contamination.
4. Always demand safe water for drinking or swimming pools.
5. Insist that garbage be kept in covered containers and disposed of by incineration or sanitary fill.
6. Eliminate all unsanitary conditions on your own premises.
7. Practice good personal hygiene, with particular attention to personal cleanliness.
8. Avoid excessive physical strain during poliomyelitis season.

CAUSE AND EFFECT

By W. H. Marshall  
Whatever you experience in your life is really but the outpicturing of your own thoughts and beliefs. Now, you can change these thoughts and beliefs, and the outer picture must change too. The outer picture cannot change until you change your thought. Your real heart-felt conviction is what you outpicture or demonstrate, not your mere opinions or formal assents. Convictions cannot be adopted arbitrarily just because you want them. They are built up by the thought, you think and the feelings you entertain day after day as you go through life. So, it is your habitual mental conduct that weaves the pattern of your destiny for you; and, is not this just as it should be? So no one else can keep you out of your kingdom-or put you into it either. The story of your life is really the story of the relations between yourself and God.

"Most-Wanted" of Them All!

It will probably occasion no surprise on your part to be told that the Cadillac car is the most wanted and sought-after automobile on the American highways.

But you might be surprised to learn how widespread the desire to own this great motor car has become during recent years.

Statistics indicate, for instance, that there are more than twenty million motorists in America who would like to call a Cadillac their own. And were the whole of the world's motorists to be considered, this number would grow well-nigh beyond comprehension.

There is reason to believe, in fact, that Cadillac may be wanted by more people than any other product manufactured in America today. It might well be called the great desideratum of the American people.

Naturally, a motor car has to offer many wonder-

ful things in order to occupy such a unique position in the hopes and aspirations of so many persons.

It has to offer great and distinguishing beauty... luxurious comfort... brilliant, masterful performance... and wonderful prestige.

And, of course, in order to have become the logical ambition of so many millions, it would have to be practical to own, as well as wonderful to drive. And so, it would also have to offer—extraordinary economy!

If this sounds like the description of the car that you, yourself, would like to own and drive, then come in and see us—soon.

Perhaps the time has come for you to join the hundreds of thousands of motorists who have stopped wanting a Cadillac—and started enjoying one!

We'd be happy to see you any time.

Wonder Drug Increases Pork Production

You may have taken aureomycin for a strep throat, but pigs get this wonder drug\* to help them grow faster. There's no arguing the fact that the two pigs on the right side of the scales weigh almost the same as the three on the other side.

They're from the same litter, and received the same diet (peanut meal and corn), except that the two heavier ones also received aureomycin and vitamin B12. Farmers throughout the country are using seeds containing this antibiotic to speed up the growth of pigs, chickens, turkeys and calves.

County Sends 8 To Huntsville In Last 10 Years

Sutton County in the past ten years has committed 8 prisoners to the Texas Prison System.

This was revealed recently in a study conducted inside the prison by graduate student at Sam Houston State Teachers College, under the supervision of Dr. Rupert C. Koeninger, head of the college's sociology department.

In number of commitments per thousand population, the County ranked 115th in the State with 2.14 persons per thousand committed, the study further showed.

Ten counties during the period, 1942 to 1951, representing 41.73 per cent of the total population based on the 1950 census, a committed 50.27 per cent of the prisoners.

In the order of the number of commitments they were Harris, Dallas, Bexar, El Paso, Tarrant, Hidalgo, Jefferson, Travis, Cameron and Wichita. The counties committed 11,424 of the 22,705 total commitments.

Highest among them in percentage of population in commitments

was El Paso County, which sent 5.77 men per thousand and ranks ninth in the State in percentage of commitments. Next was Hidalgo, which committed 4.51 per thousand, nineteenth in the State. Others and the number per thousand committed were Harris 4.07, Wichita, 3.76, Dallas, 3.38, Cameron, 3.13, Jefferson, 3.18, Bexar, 2.87, Travis, 2.74 and Tarrant, 2.66.

In 1951, the order of number of commitments ran according to the ten year average, except that Nueces County was eight. Over the ten years, Nueces County, which ranks seventh in population, is twelfth in number of commitments.

In number of commitments per thousand, Culberson County heads the list through the ten years, having sent an average of 14.25. Next is Sterling with 11.7. Dallam County is third with 10.21. Fourth is Hartley with 7.32; then Stephens with 6.98.

Two counties—Kennedy and Loving—have not committed anyone to the prison in the ten years.

More persons were committed to the prison in 1951 than in any other year during the study. There were 3,056. The lowest year was 1943 when 1,579 were committed. The number has increased each year since, except in 1948 when the number fell below the 1947 mark.

There are Miles that Make You Happy

YOU'LL discover a lot that you like in this neat, fleet and nimble traveler the first mile you drive it.

Such things as cushions broad and deep—six-passenger room unsurpassed by any car in America—fabrics rich, soft, harmonious.

As you take it through traffic—breast a hill or two—try it out on back roads—you'll find that you handle Dynaflo Drive\* as if you had always used it—your ride is serenely level—and a great tide of power comes surging up as you need it.

This, you will say, is very Super indeed.

But no one-time sample can tell you the deep-down enduring thrill that is yours when you own this great middle series Buick.

How easy it is to park in round-town driving, especially if you have Power Steering.†

How relaxed you and the family will feel at the end of a long day's vacation jaunt—with Dynaflo Drive to let you drive at ease on the open road, without the tenseness of clutch-pushing in traffic—plus a Million Dollar Ride to protect the comfort of the family.

That ride is something to talk about. More than a dozen selected engineering features control roll and wander on curves—snub dip and sway before they get past the frame—carry you over all kinds of roads with lullaby smoothness.

And that Fireball 8 Engine—man, what a docile thunderbolt you'll find it to be! Here's a high-compression valve-in-

head that really wrings miles from a gallon of gas.

In other words, all the miles you travel in this Buick are going to make you gladder and gladder that you bought it—for comfort, for fun, for thrill and for thrift.

What are you waiting for? Come in and get your sample today.

Equipment, accessories, trim and models are subject to change without notice. \*Standard on Roadmaster, optional at extra cost on other Series. †Now available on Super as well as Roadmaster—optional at extra cost.

**Dear Folks—**

"Just a note to let you know I'm still o. k. Things aren't too bad over here but they keep us plenty busy and I'll sure be glad when my time for rotation comes! Well, it won't be too long now and after all, if you're going to keep a democracy I guess everyone has to pitch in."

Just a lonesome G. I. writing home.

He's helping in the armed forces. But there are things you can do to help, too. One of the most important of these is buying United States Defense Bonds.

Tens of millions of Americans own Defense Bonds now—more than 49 billion dollars worth! And every time you add to the total, you are helping to stabilize your country's economic power, making and keeping it as strong as the G. I.'s are keeping her military power. Remember, it's your bonds and other forms of saving that keep your country strong. And in these troubled times, *peace is only for the strong!*

So how about starting a patriotic program of regular savings now—by buying U. S. Defense Bonds through the Payroll Savings Plan where you work. It's one sure way to save!

**Here's how E Bonds now earn more money for you!**

Now safe, sure U. S. Series E Defense Bonds pay an even better return than ever before.

1. Now every Series E Bond you buy begins earning interest after only 6 months. And the interest it pays is now **bigger at the start!**
2. Every Series E Bond you own can now go on earning interest for 10 more years after it reaches the original maturity date.
3. During the 10-year extension period, every bond earns at the **new, higher interest** (average 3% compounded semiannually).

Start now! Invest more savings in *better-paying* United States Series E Defense Bonds.
