

# News From The Local Schools

## 1st GRADE

Mrs. Adam's first grade is just getting started this year. Gil Traimer was elected Student Council Representative from the first grade. Good Luck, Mrs. Adams, from the Sonora School Faculty.

## 2nd GRADE

Mrs. Bradley's second grade has lost three pupils already this year. They are: Charles Wilson, Martha Kanthon, and George Renney. Ray D. Lancaster was elected second grade representative. This grade is learning about wheat.

## 3rd GRADE

Miss Lewis' third grade is simply bursting with news this week. They have started this year off by really working hard. They have made an excursion to the grocery store. There they learned where the different foods come from. They saw Mr. Smith, the bread man, and learned how bread is made and delivered.

The excursion next week will take in the Fire Station since next week is Fire Prevention Week.

## 4th GRADE

The fourth grade has been studying the planets. There have been several plays demonstrating what scientists know about the different planets.

The boys in the fourth grade are planting lanyards. There has been a number of exchanges between the boys and girls. The fourth grade is also studying the famous explorers of history.

## 5th GRADE

Mrs. White's fifth grade is really wild this week. There has been a mystery man pasted in the corridors. Who can guess who it is? I can. Can you?

## 6th GRADE

Mrs. Elliott's sixth grade is making a study of the continent of Africa. On their bulletin board there is a good citizen chart. Mrs. Elliott grades by checks.

## 7th GRADE

Mr. King's seventh grade as usual is simply bursting with trite remarks. But, through the helpful teacher, I gained the following information: The class officers are John Ed. Nevil, president; Jan King vice-president; Addah Ward-

law, secretary; Freddy Fields, treasurer; Butch Baker, reporter. This week they had several plays, (1) Fooling the Agent; (2) Capturing the Burglar; and (3) Sutor Bold. Their new classmates are: Billy Hendrick, Jan King and John Barton Dungan.

If you see the football field is lighted up some Tuesday or Thursday night, don't get excited. It's not Coach Turner and his boys. It's the Bronco Band, practicing marching for that week's game under the direction of Mr. Bill Bradley, from Comanche, Texas. The marching theme at the Bracketville game was "Let's All Sing Like The Birdies Sing." Forming a musical note and then a bird's head with musical notes coming out of its mouth, the band countermarched and marched off the field. At the Big Lake game the theme was "Let A Smile Be Your Umbrella." For the Iran game the band used lights for the first time and made a stairway. While the twirlers were climbing the stairs with their blue lights, the band played "Stairway to the Stars."

At the Menard game the band put on an Old Fashioned Meller Drammer. Some students pantomimed the old "villian" and "hero" act. With much appreciation the band has been enjoyed drinks, sandwiches, and cakes after the half-time performance, thanks to some of the band mothers.

The officers for this year are: President Lois Lu Lomax, Vice-president, George Spinks, Secretary and treasurer, Cherby Turney, reporter-Betsy Ross. These officers, drum major-Ralph Copeland, and Mr. Bradley form the executive council. This council decides how many points are to given for participation, practicing, and so forth. Also how many point to fine a person for being late, etc. Band jackets are to be awarded this year to the ten members of the band having the highest number of points. So far this has worked out very well.

The band attended the Texas-Arkansas game Oct. 18 at Austin. The band went in private cars. Marching in the Satur-

day morning parade, the band attend the game in unison.

The Bronco Staff thinks that you will agree with us when we say the band has done more satisfactory work already. The Bronco wishes the Bronco Band the best of luck.

Friday night, after the Iran-Sonora game everybody gathered at the Parish house to eat, drink and be merry. The lights were low and everybody was in high spirits. Dancing to excellent records were: Jodie Minnick, Patty Hardesty, Jack Johnson, Vicki Savell, Bill Ratliff, June Henderson, Bobby Scott, Elsie Street, Joe David Ross, Nancy Hunt, Jimmy Green, Sammie Rader, Billy Scott, Lois Lu Lomax, Betsy Ross, Darcy Carroll, Cherby Turney, Hiram Sharp, Patsy Drennan, Eddie Smith, Jean Mawhon, Richard Miers, Cynthia Hall, Connie Mack Locklin, Dolores White, Jack Mackey, Vicki Archer, Frank Adkins, Kay Chalk, Donald Fuqua, George Johnson, Billy Bob Ellington, Ralph Copeland, Joe Morrison James Berge, and George Spinks.

Also attending were Mr. and Mrs. Bryan Hunt, Mr. and Mrs. Joe B. Ross, Mr. and Mrs. Tom Ratliff, Mrs. Savell, Mrs. Friend, and Mr. and Mrs. Bradley.

Friday night we had two of the old graduates back in our midst, Joe Morrison and Billy B. Savell, now freshmen at Baylor University.

This dance in the Parish House will be held after each home game.

\*\*\*

On Saturday, October 4, old "Leaping Lena" chugged off, happily loaded with kids. Her destination was San Angelo and her job, delivering the kids to Bobcat Stadium to see the Mams Wallop Victoria 34-6. "Leaping Lena" has served us faithfully for many years and I'm sure her heating system failed just to please the boys on the way back.

Taking in the game were: Joe David Ross, Dolores White, Bobby Scott, Elsie Street, Jack Johnson, Vicki Savell, George Wright, Vicki Archer, George Spinks, Betty Sue Allen, Richard Miers, Cynthia Hall, Rus Chalk, Sammie Radier, Tracy Crites, Marla Schwiening, Eddie Smith, Jean Nowlin, Tedlam B., Donald Fuqua, James McLaughlin, George Johnson, W. H. Hill, Coach Joe Turner and Coach Oliver Wuest.

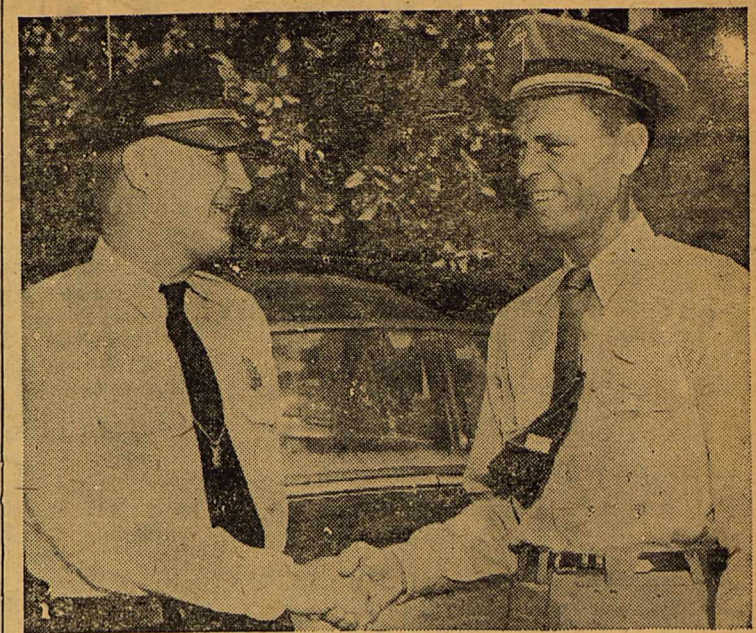

After the game everybody tried to carry off a piece of the cafe that unsuspectingly served them. But, all in all, the trip was a success and everybody is eager to go again.

\*\*\*  
Mr. William Daniel Bradley, Jr.,

was born at Electra, Texas on April 16, 1922. He teaches band and choral here in school. Some of his hobbies are Woodworking and playing the oboe. His favorite pastimes are hunting and reading. The colleges that he has attended are North Texas Agriculture, North Texas State in Denton, and T. C. U. in Fort Worth, which he still attends. When asked for a comment on this school, he replied, "It's an excellent school. I've never had so much fun since the old mare fell down the well". His favorite food is beef steak. "Sonora is a great town," he said. We welcome you, Mr. Bradley.

## HAPPY BIRTHDAY

BEING CONGRATULATED for quick-thinking that prevented a possible disaster is F. C. Marchbanks, right, a bus driver for Texas Motor Coaches, Inc. of Fort Worth. Chief Ott Cribbs of the Arlington, Texas, police department is shaking Marchbanks' hand because the 34-year-old bus operator displayed remarkable coolness and courage in swinging his bus, loaded with 33 passengers, out of the path of a passenger train at "Death Crossing" near Arlington. Marchbanks has been selected as one of the Texas Motor Transportation Association's "Driver of the Month" winners.

## Typewriter Repair At News Office

## I WANT MY KIDS TO GROW UP CLEAN—

but will they—if they keep on seeing shady operators prosper and nobody doing anything about it?  
I don't think there's anything funny about mink coats or deep freezes or "fixers" or tax collectors accepting favors from gangsters. How can I explain such things to wide-eyed kids who think our country is the finest in all the world? Kids whom I've taught to honor truth and decency?  
How can I expect them to believe me when the newspapers and radio and TV tell of investigations balked at every turn—of slippery, public officials who actually get better jobs—instead of going to jail?  
I don't know the ins and outs of politics. Being a good wife and mother takes all my time. But I do know right from wrong. I know corruption in office is wrong. And it

spreads—like rottenness in a basket of apples. And as it spreads, it can corrupt my children—and yours.  
In fact, from what I hear about the bribing of school basketball players—and selling narcotics on school playgrounds—and wholesale cribbings—and teen-age muggers—and all the other horrible forms of juvenile delinquency—the corruption is spreading already!  
So I'm going to do something about it before it's too late. I'm going to the polls on election day and prove to my kids that crime doesn't pay—anywhere, any more.  
I—and my neighbors—and decent people everywhere—know a crook caught red-handed will always promise to reform. This time, we are going to forget party politics AND HELP IKE CLEAN HOUSE!

VOTE FOR EISENHOWER AND NIXON  
and a Republican Congress

EISENHOWER FOR PRESIDENT COMMITTEE

**Samsonite**  
man, tailored  
*Luggage*

A B C

## big Business Asset for Busy Men

- Carries clothes wrinkle-free
- Easy to pack... easy to carry
- Looks distinguished en route

Inside and out, Samsonite is planned for the busy traveler. Special dividers separate shirts and suits...special hangers keep jackets in shape. Result? Clothes are smooth and ready to wear when you get there!

Samsonite is easy to pack because it opens flat... and every piece holds an astonishing amount. The better-than-leather finish resists scratching... wipes clean with a damp cloth...comes in hearty masculine colors.

It's a real business asset...and a mighty sound investment, because a matched set of TWO pieces of Samsonite costs less than you'd expect to pay for just ONE piece of such quality luggage!

- A. Quick Tripper.....\$19.50
- B. Two Suiter..... 25.00
- C. Journeyer..... 27.50\*

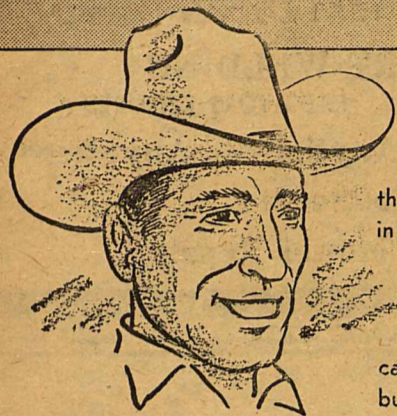

\*All prices subject to existing taxes.

Strong enough to stand on!

## The Crystal Ball

Predictions For Saturday's Collegiate Games  
By Ed Mayer, Jr.

Last week was almost as disastrous as the week before, but we did a little better and brought our percentage for the year to .679. There are two conference battles on tap this week; Texas A. & M. at Baylor, and Texas at Rice. The Longhorns looked like they had everything in the bag against Arkansas, and Rice fell down a little, but Texas-Rice battles in the past have been wild and woolly. Texas should win 21-14. Baylor don't look to impress against Texas Tech while the Aggies upset TCU's appecart. They ought to upset one again this week by beating Baylor 14-7.

Outside the Conference SMU takes on tough Kansas at the Cotton Bowl in Dallas. The Jayhawkers are still smarting from their loss to Oklahoma and will try to reap vengeance on the Mustangs. Kansas 20-SMU 7. Arkansas will be hosts to Mississippi. Uuff said. Ole Miss 21-Arkansas 7. The University of Houston is getting tougher by the week, but so is Temple State out at Flagstaff, Arizona. Temple has run over everyone so far, but the Cougars with their big tough line should get by 26-21.

Out in Los Angeles last week, the fans got treated to a battle Royal between UCLA and Stanford in a game that your old prognosticator finally called right. This week they have more fireworks when the University of California meets U SC in a game that should pack the Coliseum. This will be another thriller that could go either way, but I'll string along the favorite and pick California to win 26-20

Stanford's Indians have to face another toughie this week in the form of Washington. The Huskies found the range against Oregon last week, and it looks like Don Heinrich's passes are too sharp for the Big Red. In another close one, Wash. 21-Stanford 14.

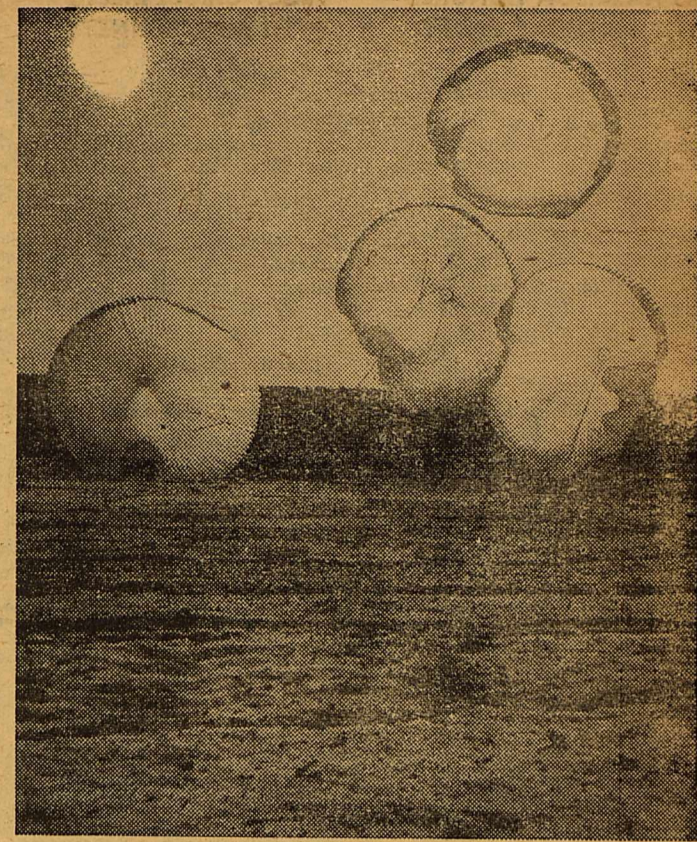

Colorado should keep it Big Seven hopes alive with a 21-13 victory over once beaten Nebraska. Oklahoma will have an easy time with Kansas State; about 47-7.

In the Big Ten Minnesota journeys to Ann Arbor to do battle with Michigan for possession of the Little Brown Jug. The Gophers took Illinois into camp last Saturday and will do so with Michigan also 21-13.

The other Big Ten slugfest will come at Champaign, Ill. where the Boilermakers from Purdue take on the Illini. Illinois has picked up steam since their loss to Wisconsin and should take the Boilermakers 28-13. Up at Madison, Wis. the Badgers play hosts to UCLA. and what a game this should turn out to be. UCLA by one TD 21-14. While all this going on, over in East Lansing, Michigan, two powerful undefeated teams will take the field against each other. I mean Penn State and Mich. State. Biggie Munn's Spartans have earned theirs at the top of the nations eleven and intend to stay there. Penn State; Well they should have played the Spartans some other year. Mich. State to win 34-13. There are good games all over the country this week, but this is the cream of the crop. The rest look like this:

- Notre Dame 28 North Carolina 7
- Duke 21 Virginia 13
- Maryland 35 LSU 14
- Georgia Tech 28 Vanderbilt 7
- Penn 21 Navy 14
- Princeton 48 Cornell 0
- Army 20 Columbia 7

DOING THINGS IN A BIG WAY! Four "king-size," 100-foot diameter G-11 cargo parachutes collapse with a sigh of relief as good old Mother Earth absorbs the dead-weight tonnage of Army gear descending via the aerial route at Fort Bragg, N.C.

Those who have forgotten what green grass looks like should visit Tom Davis and Edward Valliant. Both of these fellows are fast developing small grass nurseries at their ranch headquarters. Needless to say these grasses received water from the headquarters well.

A number of grasses both native and introduced have been planted at both ranches with the idea to try various grasses and to check their palatability. They also furnish small quantities of seed. Both nurseries will also afford 4-H boys and others an excellent opportunity to study grasses.

Among the grasses planted are Tuson sideoats, indiagrass, and lovegrass, orchardgrass, Harding-grass, blue grama, Canada wild-rye and others. Sam Allison has planted his irrigated farm in the District of Kentucky "31" rescue and clover. When established this combination should furnish some good cool season grazing.

## Says Wonderful Things About You!

The instant your beautiful Cadillac points its crest in view, it begins to say wonderful things about you.

It says, almost as plainly as if the words were written out, that you are a person of achievement in your own world of affairs.

It talks of your good judgment and your splendid taste—and indicates your sense of responsibility for those who ride with you as passengers, or drive beside you in the traffic lanes.

It speaks of your family and home and your way of life—and, in general, paves the way for the respect of those you encounter as you sit at its wheel.

This is true because those who own Cadillacs form a virtual "Who's Who" of America's highways. In almost every community in the country, it is obvious that Cadillac is the favored car of the leading people.

The reason for this, of course, is found in the history of the car itself.

For fifty years, it has been the unwavering purpose to make Cadillac as fine a car as it is practical to produce. Goodness has always been the watchword—craftsmanship has always been the creed.

As a result, Cadillac has long been known and accepted as—"The Standard of the World." And, inevitably, people who want and seek the finest have turned to Cadillac.

That's why the man who sits at the wheel of a Cadillac is an accepted member of the most distinguished motoring family to be found anywhere.

If you are ready for membership in this incomparable group, better come in and see us soon. We'd be happy to welcome you at any time.

Johnson & Granger Pontiac & Cadillac Co.,  
Concho And Plumb, Sonora, Texas

**MRS HARRISON HONORED WITH BIRTHDAY PARTY**

Mrs. H. V. Morris honored Mrs. Harry Harrison with a surprise birthday party Sunday afternoon at her home. The room was decorated with dahlias and marigolds. Cake, coffee and tea was served to Meses. Earl Duncan, Curtis Nicholas, J. H. Brasher, C. E. Stites, G. G. Bennett, B. C. McGilvray, Tom Sandherr, Wesley Granger, Lee Labenske, Nellie Allen, Theresa Friend, Annie Sharp and Carrie Petersen.

Mr. and Mrs. R. G. Nance spent the weekend in Port Lavaca the guests of Bill Amsler and family. While there they enjoyed some fishing. They returned by way of Shiner and visited a cousin, Leon Kurtz.

**TRULY CIRCLE MEETS WITH MRS. BENNETT**

The Truly Circle of the First Baptist Church met Thursday at the home of Mrs. G. G. Bennett. The meeting was opened with a prayer by Mrs. Fred Spinks. Mrs. H. V. Morris was elected as co-leader and Mrs. Earl Emith as secretary and treasurer. Mrs. T. L. Smith was in charge of the program and those taking part were Meses. Bob Odom, J. R. Sheppard and Fred Spinks. Cake and coffee was served to fifteen members.

Dr. W. T. Hardy reports drilling has started on a new water well at the Experiment Station.

Mrs. Robert Rees is in San Antonio with her daughter who is ill.

**- SOCIETY NOTES -**

Mrs. Artie Davis, Society Editor

Sonora, Texas, Friday, October 24, 1952

**RAY-BRYAN RITES READ IN SAN ANGELO**

Mr. and Mrs. William O. Ray are at home in Cheyenne, Wyoming, following their marriage October 4, at the home of the bride's parents, Mr. and Mrs. Charles A. Bryan, in San Angelo. The bride is the former Miss Charla Allis Bryan.

Ray is the son of Mrs. William O. Ray, Sr., of Sonora. He is stationed at Francis E. Warren Air Force Base at Cheyenne.

**MRS. BARROW HOSTESS TO THURSDAY BRIDGE CLUB**

**O. E. S. Honors Past Matrons And Patrons Sunday**

Mrs. Lee Munro, San Angelo, reviewed "The Silver Chalice" by Thomas Costain Sunday afternoon at a tea given by the Sonora Chapter of the Order of the Eastern Star honoring past Matrons and Patrons.

Receiving at the door were Mr. and Mrs. A. E. Prugel, Worthy Patron and Matron of the Sonora Chapter. Mrs. Rose Thorp, a charter member, presided at the registry. Mrs. Roy E. Aldwell and Mrs. E. S. Vander Stucken, also charter members, presided at the table which was centered with a silver arrangement in a silvered goblet flanked by blue candles in silver holders on a white linen cloth. The cakes were blue and white with small flower decorations on each cake. A silvered arrangement of leaves and twigs centered the registry table. Pyracantha berries were used as decoration about the room.

Past Patrons and Matrons presented with corsages and bautoniens were Messrs. and Meses. L. E. Johnson, W. L. Davis, J. C. Stephen, M. G. Shurley and Meses. Dave Locklin, A. W. Awalt, O. G. Babcock, Maysie Brown, T. R. Driskell, J. T. McConnell, Jr., Laura Odom, R. C. Vicars, E. S. Vander Stucken, Roy E. Aldwell and H. B. Smith.

Out of town guests were Mr. and Mrs. M. G. Shurley, of Christoval, Mrs. Glen Green of Baird, Meses. C. C. West, Palmer West, J. B. Montgomery and Miss Nettie Isaacs of Eldorado.

**MRS. WALLACE HOSTESS TO TWICE THURSDAY CLUB**

Mrs. George D. Wallace entertained the Twice Thursday Club at her home last week.

High club score was won by Mrs. Clayton Hamilton, low by Mrs. Truman Hines. High guest was won by Mrs. Carl Cahill and low guest by Mrs. N. J. Moore. Mrs. J. W. Neville won bingo.

A salad plate, cup cakes and spiced tea was served to Meses. Tommy Smith, Jack Kerbow, Wallace Denfroe, Clayton Hamilton, J. W. Pepper, Clinton Langford and guests Meses. R. W. Wallace, Gene Wallace, Shelley Lowe, Reggie Trainer, Carl Cahill, James Trainer, J. W. Neville, Sid Rogge, Ed Grobe, Harold Scherz, Sid Awalt, But Glascock and Ella Wallace.

**FIREMEN'S AUXILIARY MEETS WEDNESDAY**

Mrs. G. G. Bennett was hostess to the Firemen's Auxiliary Wednesday night at the Fire Hall.

Mrs. Bill McGilvray won high bridge score and Mrs. J. H. Brasher won low. Mrs. Wallace Renfroe won high score in '42' and Mrs. Gwin Kring won low. High guest was won by Mrs. D. C. Bruce and low by Mrs. Tom Sandherr.

A sandwich plate, cookies and coffee was served to Meses. Wesley Granger, Tommy Smith, L. D. Hollmig, Artie Joy, Tom Sandherr, Wallace Renfroe, Gwin Kring, J. H. Brasher, E. T. Smith, Lee Patrick, Bill McGilvray and D. C. Bruce.

**CHURCH OFFICIALS HOLD PROGRAM HERE WEDNESDAY**

Twenty-two members of the Women's Missionary Union met at the Baptist Church Wednesday afternoon for a business meeting and mission study. Mrs. Fred Spinks led the mission study on Hawaii. Mrs. J. E. Eldridge presided at the business meeting.

Mrs. J. P. Smith was hostess. Others taking part on the program were Meses. Reggie Trainer, R. M. McCarver, and Rip Ward.

Mrs. Leo M. Rowan, President of Baptist Churches of the Concho Valley District, and Mrs. George Bene, were here Thursday for luncheon in the basement of the Baptist Church. Mrs. Rowan, President of the W. M. U. in San Angelo, and Mrs. Bean held a school of methods and mission for the officers and members of W. M. U. About thirty were present.

**CHARLES CHENAULT GIVEN PARTY ON BIRTHDAY**

Mrs. Tommy Chenault honored her son, Charles, on his fifth birthday with a party at her home Monday afternoon.

Games were played and small animals stuffed with candy were given as favors.

Cake and orange soda was served to Sharon and Karen Mackey, Judy Smith, James King, Tommy Lin and Gene Turney, Butch Norris, Carolyn Duffey, Bennie Davis and Glen Chenault.

Mr. and Mrs. C. W. West and family spent the weekend in San Angelo with their daughter, Mrs. Donald Bennett, and in Mertzin with Mr. and Mrs. R. E. West and Mr. and Mrs. Gene Schultz.

**BRIDGE CLUB MEETS WITH MRS. E. S. MAYER, JR.**

Mrs. Ed Mayer, Jr., entertained the Thursday Luncheon Club with a Mexican Luncheon at the Ka-Bar last Thursday.

Mrs. Joseph Vander Stucken won high score and Mrs. W. B. McMillan won low. Miss Annella Stites won high guest, Mrs. J. A. Ward, Sr.

Mr. and Mrs. Glen Green of Baird spent the weekend with her parents, Mr. and Mrs. Alfred Schwiener.

Jr., won slam and Mrs. Duke Wilson bingo.

Others attending were Meses. Geo. H. Neilyl, Lea Allison, Charles F. Browne, John Bell, Robert Kelley, Jr., and Mrs. E. S. Mayer.

**When a young girl's fancy turns to Cooking**

On an Electric Range, cake icing can be prepared in a regular saucepan. No double boiler needed because the heat's so evenly measured and distributed. No scouring the bottom of the pan, either, because there's no flame or soot.

"Yes, Judy, cooking on our Electric Range is exciting! Electric cooking is so clean, so fast and so easy!"

"And we certainly make the best use of our Electric Range to cook complete meals... Dad sure loves those delicious roasts, tasty pies and cakes, and he's proud of those economy meals. Our food tastes better, cooks easier, and we save time and energy, too. By the way, dear—those cake layers should be ready by now. That bell you just heard was the automatic reminder. It's saying, 'Cake's done!'"

"You might say that our Electric Range is like an automatic cook. It does the work, and you don't have to worry about it."

"Another nice thing, you don't have to clean the kitchen so often, because there's no smoke and no soot. The kitchen stays cooler, too, because the heat goes into the food, not the air."

**DID YOU KNOW...**  
*with an Electric Range you can:*  
 Melt chocolate squares in waxed paper on a surface unit... save natural vitamins and minerals by cooking vegetables with very little water... roast meats perfectly with a minimum of shrinkage... pop corn or sterilize baby's bottles in the deep-well cooker... have delicious "charcoal-type" broiling with no flame? Did you know that housewives everywhere are switching to Electric Cooking, the modern way?

The modern Electric Range is truly automatic. The automatic clock timer starts the oven, shuts it off when things are done—while you are doing other work, or just relaxing.

For real convenience and economy the deep-well cooker can't be beat. You can warm rolls, make stews and soups, bake beans, even cook complete meals in this wonderful cooker.

*Mother Knows Best... of Course, it's Electric!*

# Biggest car buy in History

Never before has a car given you so much for the money!

VICTORIA AVAILABLE WITH V-8 ONLY.

Ford's 101-h.p. Mileage Meter Six is the newest high-compression, low-friction Six you can buy. Ford's 110-h.p. high-compression Strato-Star V-8 is the most powerful engine in a low-priced car.

Ford's new Automatic Ride Control brings a smoother, "heavy car" ride into the low-price field for the very first time. Takes bounce out of bumps, tilt out of turns.

While sidewall tires optional at extra cost. Equipment, accessories and trim subject to change without notice.

Yes, Ford's the very first car in America to give you so much style, so much comfort and so much power for the money. Only Ford in its price class is completely new in looks, for example, with wider, lower, longer, stronger bodies : : with new Full-Circle Visibility that lets you see in all directions : : and with a new steering system that makes steering easier, parking a cinch!

Come in and TEST DRIVE **FORD** You can pay more : : but you can't buy better!

## SONORA MOTOR COMPANY

### 61 Years Ago

J. M. Taylor was in town Thursday for supplies. If the Paradise had a few more such go-ahead, seven headed ranchmen, we would hear less talk of hard times.

School opened Wednesday with a good attendance, and Prof. Rutledge as principal with Miss Ollie Cusenbary as assistant. We are glad the discussion is ended and now if the patrons will give the teachers their support there is no reason why we should not have an excellent school.

County Attorney L. N. Halbert returned home Saturday. He has sold his property in Fayette County and says he will fix-up right in the trading center of the Devil's River Country.

Geo. Traweck has opened a new

meat market next to the Sonora House.

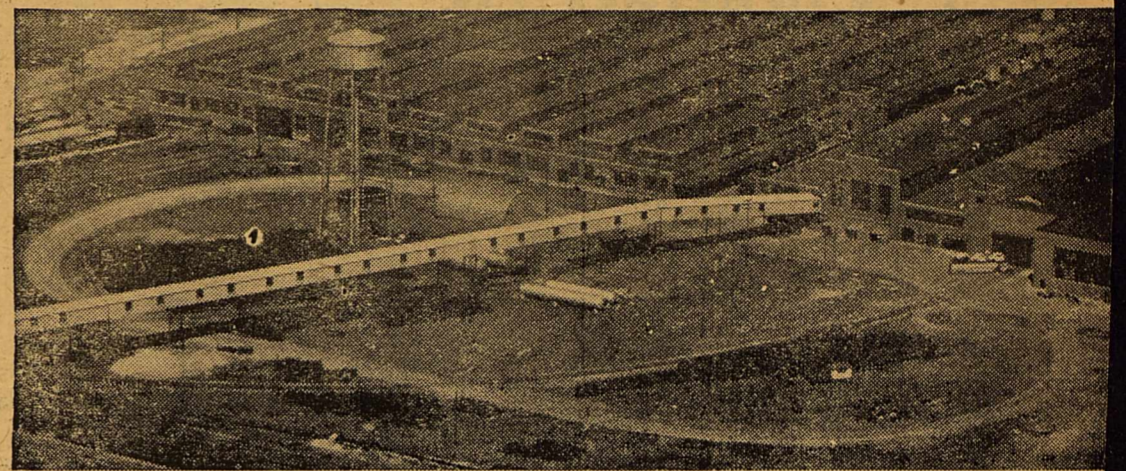

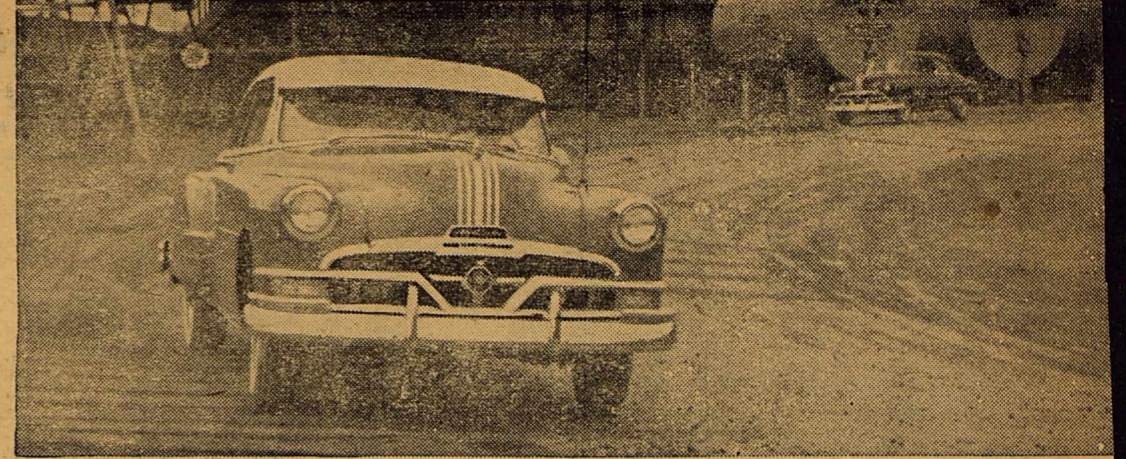

L. A. Leinweber of Kerrville was in Sonora Saturday on business.

Rocky Wilhelm one of the young sheepmen from near Gwynn, was in Sonora Saturday, buying bucks from T. T. Thomason & Bro.

The Edwards County authorities have sent Sheriff McConnell an attachment for Judge Dunagan. The grand jury wants to quiz him.

Tom McDowell came in Wednesday night with a Mexican horse thief in charge. The thief had taken one of Mr. McDowell's horses leaving in its place a rode down, foot sore pony, but it seems he got lost and about ten o'clock next day rode past the ranch. Mr. McDowell halted him and demanded the horse. The Mexican declined to give it up claiming it as his own, so Mr. McDowell very properly arrested him and he now has comfortable lodgings at the Hotel de McConnell. The Mexican had a letter on him directed to Martin Martinas and is supposed to be a professional horsethief. He will be taken to Menardville as the theft was committed in Schleicher County.

The person who pulled the plug out of the Wyatt tank and let all the water escape, deserves to be kicked until his is blue between the shoulder. Such acts are not only wanton mischief, but may lead to very serious results.

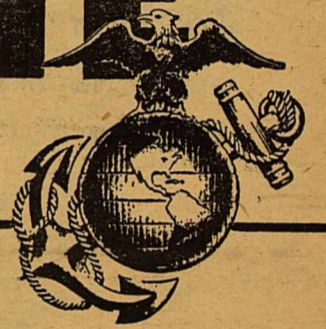

Pontiacs are double-checked. Hundreds of inspections on specific parts and assemblies precede delivery to owners. In addition to these inspections, every Pontiac leaving the final assembly line at Pontiac, Michigan, is driven on this special quarter-

mile track. Body, chassis and engine quietness as well as performance are checked in actual operation. Top photo shows a Pontiac Catalina on a rough stretch of track. Below is an aerial photo of the test track that ensures high quality standards.

## I'm proud to bear the Title-

# UNITED STATES MARINE

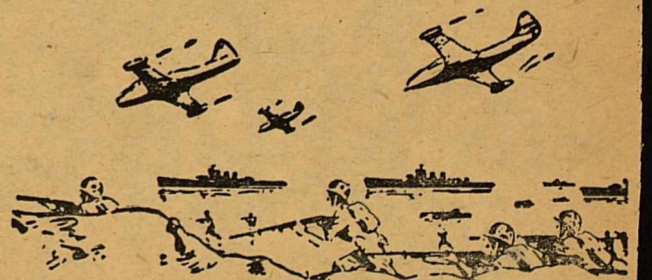

I figure it this way — when our country has a fight on its hands, I want to serve with the finest outfit there is. I want fighting men with me I can count on. I want to be backed up by an organization that teaches me what to do and how to do it when the going gets rough. And, believe me, that's the Marine Corps!

Marine Training is mighty thorough — I know because I've had it. I learned to think fast on my feet — to make split-second decisions that have brought me through many a tight squeeze. It's a good feeling to have the "know-how" to do a fighting man's job these days. That's important to you and your family!

You'll be proud to say "I'm a Marine" — When you wear the Marine Corps uniform, your friends, your neighbors, your fellow-countrymen will all know you belong to an outfit that has what it takes. I'm glad I'm a Marine. And if you're smart, you'll be a Marine, too!

JOIN YOUR COUNTRY'S FINEST FIGHTING TEAM!

### HERE'S WHY YOU SHOULD JOIN THE MARINES

**SUPERIOR LEADERSHIP** — The Marine Corps emphasizes leadership and teamwork. Every Marine is both a leader and a member of the team. It is no accident that 87.5% of the officers in the Corps today started out as enlisted men.

**BE READY — BE TRAINED** — Every Marine is trained to a fine edge — as an individual! He's ready to meet any foe. He's healthy, stands straight, looks neat, and has unwavering confidence in himself, his buddies and his officers.

**A MARINE IS AN EXPERT** — Every Marine is a recognized expert in the use of the weapons he uses to defend himself and his country. That's a Marine tradition!

**IT'S A LAND-SEA-AIR TEAM** — A complete, all-round fighting force — Marines are well-grounded in land tactics, serve aboard the Navy's powerful warships and operate their own tactical aviation squadrons. This is the triple-threat team you should join — this is the team that has earned the respect and admiration of the whole world.

## Right down to the smallest model Only GMC builds 'em "Big-Truck" rugged!

GMC is the only manufacturer to engineer its lightest-weight models with all five of the "heavy-duty" features most other manufacturers reserve for "big trucks" only.

Even in the lightest GMC pickup truck, you'll find a sturdy truck-built engine protected by many of the same extra-value features that go into the big 200-horsepower GMC's: Tocco-Hardened crankshaft, airplane-type main and rod bearings, full-floating piston pins, rifle-drilled connecting rods and full-pressure lubrica-

tion all the way to the piston pins. There's the same "extra" engineering that means extra years of trouble-free service in the chassis, too—a deep, rigid frame riding on long "pillow-action springs," and real "truck-size" brakes that respond to a nudge of the pedal.

Why not come in and drive one? Even the steering mechanism—which operates in a bed of recirculating ball bearings—is the best in the business. Whatever size truck you need, you can't beat a GMC!

**ADULT REGLIGION**

By W. H. Marshall

There is something always challenging about an inaccessible mountain peak. Men spend months, years, fitting and equipping themselves for the grand undertaking. The fact that such a peak never been scaled before, that others have tried, only to their lives in the quest, all to the zest and urgency of the tremendous effort.

Men feel this way about trying to scale Mt. Everest, for instance, merely because they may want to or acclaim but because here last is a challenging test of their powers. In measuring against mountain, they get some fleet-glimpse of their own basic fit.

In the realm of ideals and man's relation to them, we encounter the same mood. An ideal that men can never, can fulfill, is not worthy of them. It does not provide an authentic test. What men crave is to be faced with some impossible and, some challenge which leads them exhausted in the fulfillment. In the last analysis, men

have but contempt for that which is well within their powers of achievement. This is no test of their powers even when it is completely achieved. A religion that places before men goals that can be reached, ends that can be completely satisfied, is a bad religion.

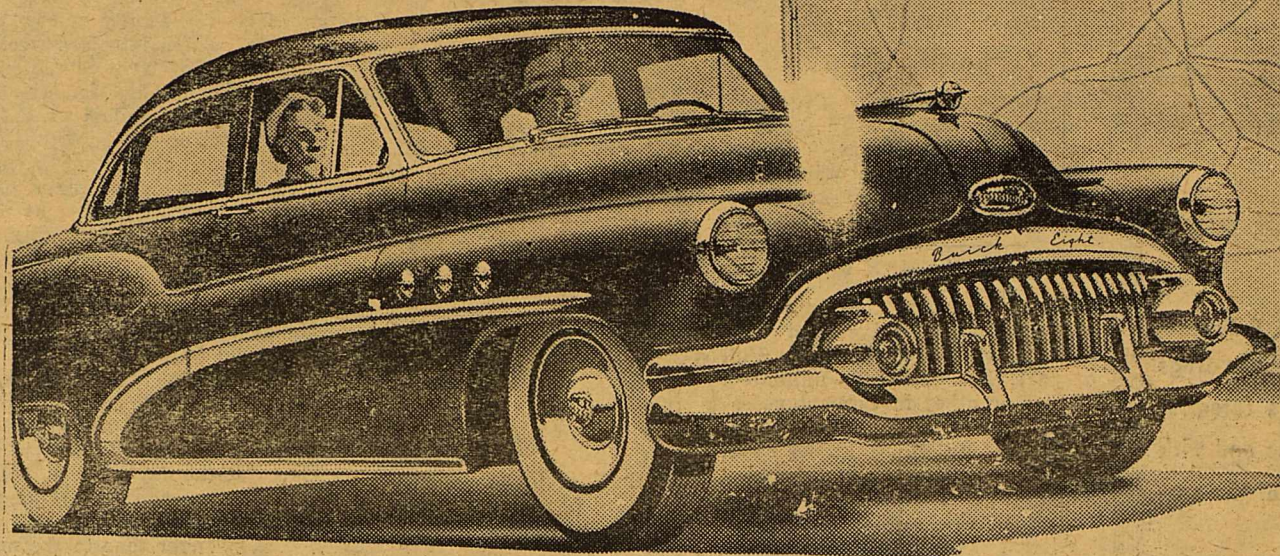

The glory of religion, even as of life, is the fact that when men have utilized their powers of the full, there remain stretching out before them vast reaches of the yet unexplored. At their best, men are willing to settle for the highest; anything less than that at last merely contributes to their delinquency and snatches from their hands the bracing vigor of infinite development and growth.

H. H. Lawler completed planting 34 acres of improved pasture consisting of orchardgrass, Hardinggrass and madrid clover. "The perennial rye, Kentucky fescue and clover mixture planted several weeks ago is up and doing fine", Lawler reports.

Elmo Mitchell was in San Antonio this week visiting his brother.

**Y**ou'll discover this about a Buick:  
The more you drive it, the more you like it; the longer your trip, the louder your praise.

That's what people tell us. And we'll tell you why.

*You can drive a Buick three, four, five hundred miles in a single day, and feel fresh enough to keep right on going.*

*You can romp up high hills, cruise straightaways, ease through traffic-tangled towns, clock off hour after hour of relaxed and pleasurable driving—and be no more tired than a neighborhood jaunt would make you.*

How come this comfort-rich ground-covering ability in a Buick?

There's the ease of deep, soft seats for one thing—and plenty of move-about room for arms, legs, shoulders.

There's Dynaflo Drive\* taking all the chore out of driving, and giving your whole ride a satiny smoothness without trace of jerkiness or driving tension.

There's a hoodful of thrilling, tireless power from a high-compression, valve-in-head Fireball 8 Engine that whips out miles like a tarpon reels off line.

There's the soft, steady, solid, swerve-free going of a coil-spring-cushioned ride that's well worth the million-plus dollars it cost to engineer.

There's all this and more—much more—that

makes your heart grow fonder of this trim and thrifty traveler.

But words can't do justice to a Buick in motion. Only you can.

When will you come sample this experience yourself?

Equipment, accessories, trim and models are subject to change without notice. \*Standard on Roadmaster, optional at extra cost on other Series. †Optional at extra cost.

## You Do Two Things And You Get Well

When you're sick, you first see your doctor. Next, you probably go to the pharmacy and fill his prescription. And you get well.

Ever think how many times this has happened in your own life? In your own family?

It's a tribute to your doctor—and more than a modest compliment to your pharmacy. For here we have all the drugs your physician may call for, made in the world's foremost pharmaceutical laboratories. From long experience and with infinite care, we compound them to precisely fulfill the prescription your doctor gives you.

So when you're sick, see your doctor; bring his prescription here—and get well.

## LET'S TALK LIVESTOCK BY TED GOULDY

Fort Worth—Most heartening news to livestock producers in weeks was the rally of cow prices at Fort Worth late last week and which carried over into Monday's trade. Cows sold Monday \$1 to \$2 above low time last week. There was a better feel to the trade, though stocker demand remained very dull, and some signs of improving stocker demand at northern points were encouraging.

Lighter runs of sheep around the market circle set off a little rally in the sheep yards at Fort Worth Monday. Some lambs and some ewes sold 50 cents higher.

Hogs opened the week with a 25 cents higher to 25 cents lower market to top at \$18.50 to \$19 at Fort Worth. It was notable that hogs closed at the day's low points here and at other major markets. Sows drew \$14 to \$17.

The stronger tone to the market at Fort Worth and at other points around the market circle was particularly good news since October's twin goblines, deteriorating ranges and heavy receipts, plumped calves and sheep to the lowest levels for the current crop and to the lowest point since OPA controls were removed in October, 1946, just a week ago.

Good and choice slaughter steers and yearlings sold for \$23 to \$31, and common to medium sorts sold for \$13 to \$21, with cutter grades at \$10 to \$13. Fat cows sold for \$12.50 to \$15.00 and some heiferettes topped at \$18. Cannors and cutters sold for \$8 to \$13, few under \$8. Bulls drew mostly \$10 to \$17, a few best to \$18 and above.

Good and choice slaughter calves sold mostly at \$16 to \$22 and a few fancy heavies of 500 to 600 pounds drew \$22 to \$26 and better in the baby beef class. Common and medium slaughter calves drew \$12 to \$16 and culls sold for \$10 to \$12. Choice stocker steer calves and steer yearlings sold at \$22 down, sparingly, mostly \$21 down. A few cows went back to the country at \$12 to \$16.

Slaughter ewes sold from \$3.50 to \$5.25 at the close, with old wethers from \$7 down. Yearlings cashed at \$6.50 to \$16, and fat lambs sold from \$23 downward. Feeder and stocker lambs sold from \$8 to \$17, with cull slaughter lambs from \$6.50 to \$8. Old Bucks from \$3.50 to \$4.50.

Cleburn Cochran spent last weekend in Midland on business.

# I think you're wonderful

says *Rosalind Russell*

I hope you don't mind if I take this opportunity to tell you what a wonderful person I think you really are. For I've just heard about the way you're planning for your future through Defense Bonds! And I can't help but admire you for being so farsighted, and so practical! And, it makes me proud, too. For I'm a regular Bond buyer myself.

Of course, you and I know what a wonderful buy U. S. Defense Bonds are. But don't you think we ought to let other people in on it, too?

If you'll help me, here are just a few of the things we can tell them:

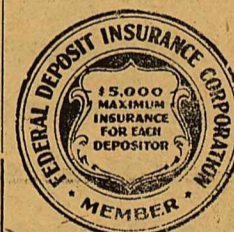

**FIRST**—Thanks to new Treasury regulations, every Series E Bond we buy begins earning interest after only 6 months. It earns 3% interest compounded semiannually when held to maturity. It reaches full maturity value earlier (9 years 8 months) and the interest it pays is now bigger at the start.

**SECOND**—Every Series E Bond we own can now go on earning interest for 10 more years after it reaches the original maturity date—without our lifting a finger!

**THIRD**—During the 10-year extension period, every unmatured bond earns at the new, higher interest rate (average 3% compounded semiannually). Our original \$18.75 can now pay us back \$33.67. \$37.50 pays back \$67.34. And so on.

**FOURTH**—When we make ourselves and our families economically secure through buying bonds, we're helping to build the great economic strength that backs up our national defense. And this is the best security our money can buy. For after two world wars we have found that peace is for the strong!

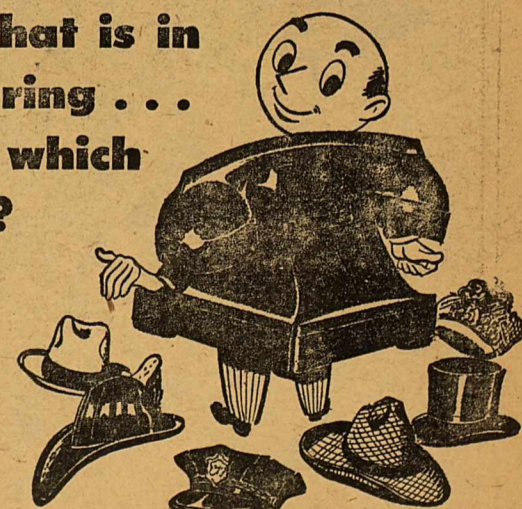

U. S. Defense Bonds are one of the easiest, most convenient forms of saving ever invented. For through the Payroll Savings Plan where you work, you can buy bonds on a time-payment plan. Just specify the payments, as large or as small as you like, and they will be automatically set aside from your salary. This way you save the money before you spend it. And millions of people have found this is one sure way to save.
