IT'S THE LAW in Texas A public service feature of the State Bar of Texas

ESTATE PLANNING IS TASK FOR EXPERTS

A lawyer can be of considerable assistance in advising a client how to bequeath his estate so as to take care of his loved ones and at the same time to effect maximum savings in estate taxes.

To illustrate, suppose John Doe and his wife have amassed community property worth \$200,000. John wants his wife to be well taken care of during her lifetime.

To save an attorney's fee he writes his own will leaving everything to his wife. He dies soon thereafter and his wife dies six years later. The federal estate taxes on his one-half of the \$200,000 estate amount to \$4,800.

When the wife dies her estate is worth her original one-half of \$200,000 (\$100,000) plus the estate she inherited from her husband, \$95,200. The federal estate tax on her estate, enhanced by what her husband had left her, is \$31,200. If instead of leaving the property to his wife he had left her the income from it for life (the remainder to go to their children upon her death), her taxable estate would have been only \$100,000. The federal estate tax thereon would have been \$4,800.

There would have been a tax saving of \$26,000 (\$31,200 less \$4,800, the tax on her \$100,000 estate). Yet the wife, during her lifetime, would have been well provided for. She would have had \$100,000 (her half of the community estate) plus the income from her husband's half of the community (\$100,000 less estate tax thereon of \$4,800).

Many a man has worked hard and lived frugally all his life in an attempt to provide for his loved ones long corridors of security stretching far into the future but has cheated them of the full benefits of his efforts by failing to plan properly. Perhaps he has failed to make a will. Maybe he has undertaken to write his own will with the result that it fails to take into account contingencies that did not occur to him, or he has prepared a will that is so artlessly drawn that those he loved most become involved in bitter lawsuits. Such legal controversies over estates are wasteful and often leave scars that rankle for years.

The drafting of a will involves the making of decisions requiring special judgment which can be obtained only by years of training and study. Only the practicing lawyer can avoid the enumerable pitfalls and advise the course best suited for each individual.

A free pamphlet containing useful information on wills and related matters may be obtained by sending your name and address on a postcard to State Bar of Texas, Austin 15, Texas.

(This column, based on Texas law, is written to inform-not advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts because the facts may change the application of the law.)

THIS TASTES GOOD IN TEXAS

Broiled Chicken

Use only young tender chicken for broiling. The popular size is 2 1/2 pounds and under. Follow range directions for use of the broiler.

1. Use chickens split in half lengthwise for broiling. Break drumstick, hip and wing joints to keep bird flat during broiling.

2. Skewer wing and leg to body to make a compact flat piece of the chicken.

3. Season each half chicken with about 1/4 teaspoon salt and 1-16 teaspoon pepper.

4. Place chicken on broiler (not rack). Brush with melted fat and then place skin side down.

5. Place in broiler 5 to 7 inches under heat source. Chicken should be broiled slowly. Regulate heat or pan position so that chicken just begins to brown lightly in 10 minutes.

6. Turn and brush with fat two or three times during broiling to brown and cook evenly. Total cooking time varies from 35 to 50 minutes.

7. Test for doneness: The chicken is done when meat on the thickest part of the drumstick cuts easily and there is no pink color visible.

JULY 2-3-4-5

Queen's Coronation Wednesday Night, July 1st \*Biggest 4th of July Celebration in Texas!

He's Done Something for Himself!

Only a few short minutes ago, the man you see in the picture above was handed the golden keys to his 1953 Cadillac—and now he's off on that first delightful journey behind the wheel.

And as he leans back against the deep, soft cushion, and looks out over that proud hood into the roadway beyond... well, he knows that he's done something for himself!

He knows it just from the way he feels there in the driver's seat—rested, relaxed, and at peace with the world... completely confident that he has made the wisest possible choice of a motor car.

He senses it in the marvelous way the car handles and drives and rides... so effortless and smooth and quiet that it's a joy and an inspiration just to hold the wheel in his hands.

And he knows it, too, from the feeling of pride and satisfaction he enjoys as he looks forward to the

delight of his family and the approval of his acquaintances and friends.

And how the miles and the years will bear him out in his conviction!

Let him arrive at a distinguished hotel... or an exclusive club... and he will find that his Cadillac constitutes the perfect "letter of introduction."

In fact, let him travel wherever he will in this broad land of ours... and he will find his Cadillac a trustworthy and unfailing companion, an inspiration to own and drive, a valued contributor to a magnificent way of life.

Yes, you're looking at a man who's done something wonderful for himself—wonderful beyond even his fondest dreams.

And if you think it's time you did something for yourself, then we suggest you come in and see us.

Let's make it "Cadillac time" for you!

# Chevrolet trucks must be the best buy!

Fleet operators, farmers, independent truckers—truck users everywhere—buy more Chevrolets than any other make. There can be only one reason for that: Chevrolet trucks offer more of what you want.

As the official registration figures keep rolling in, they keep telling the same positive story about truck popularity and truck value: Again in 1953, for the twelfth straight production year, truck buyers show a clear-cut and decisive preference for Chevrolet trucks. If you're a truck user, this fact is mighty

important to you. Why? Well, as you know, trucks are built and bought for just one reason—to do a job. So isn't it logical then that since Chevrolet trucks outsell all others, they must do a better job at lower cost? That's why it will pay you to stop in and see us before you buy your next truck.

### MISS PEGGY AMOS AND JIM HAWKINS TO MARRY SATURDAY IN PECOS

Miss Peggy Amos, daughter of Mr. and Mrs. O. R. Amos, will become the bride of Jim Hawkins, son of Mr. and Mrs. Jack Hawkins of Pecos, in a ceremony Saturday at 2 o'clock at the First Christian Church in Pecos.

Miss Amos attended Pecos High School until March of this year when her family moved to Sonora. She was homecoming queen of last year's football season and was previously a princess to the football court. She was runner-up to most beautiful girl in the high school year book this year.

Hawkins is a native of Pecos and graduated this year from Pecos High School. He was one of the football tri-captains and was class treasurer.

The couple plan to live in Colorado, where Hawkins will attend Fort Lewis A. & M. near Durango and his bride will complete her high school work at Durango.

Joe Russell, Billy and Sue Ann Oliver of Goldwaite are visiting their grandmother, Mrs. J. S. Glasscock.

M-Sgt. and Mrs. Odell Odom and children of Camp Polk, La., were weekend guests of his parents, Mr. and Mrs. Bob Odom.

Miss Jane Neill was the guest of Miss Sammye Capps in Mason last weekend.

### Turman - Roberts Nuptials Read Sunday, June 7

Miss Mary Turman became the bride of James V. Roberts, Jr., Sunday morning, June 7, at nine o'clock at the First Methodist Church, the Rev. W. H. Marshall performing the ceremony before a background of Shasta Daisies.

Miss Turman is the daughter of Mrs. M. C. Williams and the niece of Mr. and Mrs. J. M. Pharis. She graduated from Sonora High School in May.

Roberts is the son of James V. Roberts of Menard. He attended Sonora High School later joining the Marines serving part of the time in the Philippines.

The bride wore a ballerina length dress of white pique trimmed with sequined white lace flowers and a matching hat. She carried a small white Bible topped with white carnations.

Miss Daisy Martin of Del Rio, a cousin of the bride, was the bridesmaid.

Scott Roberts, brother of the groom, was the best man.

Pre-nuptial music was played at the organ by Mrs. G. H. Hall.

Immediately following the ceremony the couple left for a wedding trip to Buchanan Lake and Waco.

Mr. and Mrs. Roberts will make their home in Sonora where he is employed with his brother at the Roberts Drive Inn.

### Wanda Merriman Bride Tuesday

In a single-ring ceremony performed by the Rev. J. E. Eldridge Tuesday afternoon at 5 o'clock at the home of Mr. and Mrs. L. W. Elliott, Miss Wanda Lea Merriman became the bride of Albert Leon Burrow, son of Mr. and Mrs. C. C. Burrow of Midland.

The bride, who is the daughter of Mrs. Della Mae Merriman and Mont Merriman of Sonora, was given away by L. W. Elliott. Traditional wedding music was played by Mrs. A. C. Elliott.

Mrs. Rex Merriman was madron of honor and Rex Merriman, brother of the bride, was best man.

The bride chose a pink organdy ballerina length frock with black patent accessories. She wore a corsage of pink carnations. Her hat was of pink straw.

Following the ceremony, a reception was held at the home of Mr. and Mrs. Rex Merriman.

After a trip to New Mexico and Arizona, the couple will be at home in Midland.

The bride is a native of Sonora and attended Sonora High School. Burrow received his honorable discharge from the Army on June 12, following service in Korea.

Guests included: Mrs. Della Mae Merriman, Mrs. M. H. Voight and daughter, Nancy Kay, of San Angelo, Mrs. Pat Lyles and daughter, June, Mrs. L. W. Elliott, F. L. McKinney, J. W. Elliott, Mrs. Henry Decker and Mrs. Cherrie Johnson.

### MRS. CAUTHORN ENTERTAINS W S C S LADIES WEDNESDAY

The Women's Society of Christian Service met Wednesday at the ranch of Mrs. Dan Cauthorn for their annual pledge day service and a covered dish luncheon.

A worship program was given by Mrs. E. E. Sawyer.

Mrs. O. G. Babcock presided over the business session.

Plans were discussed for the years program.

Hostesses were appointed for the July meeting which will be a family night picnic on the Church lawn July 22. Hostesses for that night will be Mmes. W. H. Dameron, Baily Renfro, and Ben Cusenbary.

Mrs. A. W. Awalt presented Mrs. W. L. Davis with a life membership and pin.

Mrs. E. D. Shurley spoke on stewardship.

Mrs. A. W. Awalt was in charge of the pledge service assisted by Mrs. W. L. Davis.

The covered dish luncheon was served.

Names were divided for the circles. Each circle elected new leaders. In the Friendship Circle Mrs. Joe E. Ross was elected chairman, Mrs. W. L. Davis, secretary, and Mrs. Dewitt Lancaster as the telephone chairman. Mrs. Dan Cauthorn was elected chairman of the Sunshine Circle, Mrs. Baily Renfro, secretary, and Mrs. Tom Sandherr, Mrs. Joe Berger and Mrs. John Fields as the telephone committee.

### SANDRA NEWTON FETED WITH PARTY SATURDAY

Mrs. A. E. Newton honored her daughter, Sandra Lou, with a party on her seventh birthday Saturday afternoon at the city park.

Games were played. Humming bird ropes were given as favors.

Individual sack lunches of sandwiches, potato chips, cup-cakes, bubble-gum, candy and punch were served to Kay Campbell, Jimmy Wilson, Gail Mackey, John Paul Friess, Nancy Pearl, Linda Fuqua, Dick McMillan, Gil Allison, Jan McClelland, Cindy Galbreath, Diane Purvis, Janet Morrison, Linda Lambert, Kara Lynn Rogge, Kay Shurley, Shina Lee Jones of Dallas, Mrs. J. E. Riley, Mrs. A. P. Burns and Lila Ruth Burns of Hamilton.

Mr. and Mrs. Scott Roberts are on a vacation trip to Glenwood Springs and Gunnison, Colo.

Twenty members were present at the Pledge Service and one out of town guest, Mrs. Louis Stewart of Bryan.

### BIRTHDAY CLUB MEETS AT BUNNELL HOME TUESDAY

The Birthday Club met Tuesday afternoon at the home of Mrs. John Bunnell for their weekly party.

Mrs. Nellie Allen won the high score and Mrs. Louisa Martin low.

Lemonade and cold drinks were served to Mmes. Tom Sandherr, H. V. Morris, Robert Rees, J. H. Brasher, Louisa Martin, Nellie Allen, Lucile O'Leary, G. G. Bennett, Wesley Granger, and Miss Nettie Word.

Mrs. Bunnell's daughter, Mrs. E. J. Galloway, and daughters Mary Margaret and Ann assisted her.

Mr. and Mrs. A. E. Prugel and daughter, Nancy and Susan, were in Eden several days last week as the guest of his parents, Mr. and Mrs. J. A. Prugel.

Mr. and Mrs. Carl Taff of Bisbee, Ariz., were the guests Monday through Friday of her brother, D. C. Bruce, and family.

### RECENT BRIDE HONORED WITH COFFEE MONDAY

The Women's Society of Christian Service of the Methodist Church honored Mrs. James V. Roberts, Jr., with a gift coffee Monday morning from nine to eleven o'clock in the dining room at the Methodist Church.

Baskets of cut garden flowers were placed about the room.

Mrs. W. H. Marshall greeted the guests at the door.

In the receiving line were Mmes. O. G. Babcock, J. M. Pharis, Artie Mae Smith, Annie Sharp, and the honoree.

Miss Nettie Kieselburg was at the registry book.

Alternating at the coffee service were Misses Johnnie Johnson, Priscilla Winslow and Mrs. Joe Nance.

Mrs. James Wilson and Mrs. Louie Trainer played background music at the piano.

Others in the house party were Mmes. E. D. Shurley, J. F. Howell, Herman Smith, A. W. Awalt, Herbert Fields, W. R. Cusenbary, J. T. Davis, E. E. Sawyer, C. W. Taylor and W. L. Davis.

Come in and ask us about the low delivered price on this **1953 Buick SPECIAL** 2-door 6-passenger Sedan

**WE** make that statement for a mighty good reason. A lot of people have no idea that this big, roomy, sweet-riding 1953 Buick SPECIAL costs just a little more than the so-called "low-priced" three. Maybe you're one of them—and we'd like to clear the picture for you. We'd like you to know that you can buy the most beautiful, the most comfortable, the highest-powered SPECIAL in Buick history for a lot less than you may think.

But there's more to this great automobile than just more room and power and thrill per dollar—more than just the solidness of Buick structure, the pride of Buick styling, the steadiness of Buick riding.

There's wallop and big value above all this.

For here you get as standard equipment a host of other things that most other cars of similar price charge as extras—things like twin sunshades, lighter, automatic glove-box light, direction signals, dual map lights, trip-mileage indicator, oil-bath air

### YOUR HEALTH

If your work is such that it causes excessive perspiration, add a pinch of ordinary table salt to each drink of water you take to help prevent heat cramps. This is advised by Dr. Geo. W. Cox, State Health Officer, is prevent a possible increase in the number of heat victims as the Texas thermometer hits 95 degrees and above. Laborers, mechanics, farmers and

collar workers whose work causes them to sweat profusely, are in danger of having their body salt content become deficient with resulting heat cramps or heat fag. Salt is a prominent constituent of sweat; the body may lose as high as 40 to 50 grams of salt during hot days. In industry, a method of preventing heat cramps is to take a tablet of pure salt or a mixture of salt and dextrose with each drink

of water. Workmen whose duties require muscular exertion should be especially careful to add more than the usual amount of salt to what they eat and drink.

Salt deficiency may be prevented by taking salt in various ways. Where prepared tablets are not available, table salt may be added to each drink of water. Milk is a source of salt and will help to make up for the deficiency caused by sweating. Alcoholic drinks should be avoided.

Heat cramp is characterized by pains (cramps) in the abdominal region, headache, and in severe cases, by nausea and vomiting. The body temperature remains

about normal, likewise the pulse rate. Body salt losses occur without the knowledge of the individual until there is a deficiency; then the abdominal muscles begin to cramp.

Mr. and Mrs. Wes White were in Abilene Monday the guests of his sister, Miss Caroline White.

### QUESTIONS AND ANSWERS FROM VETERANS ADMINISTRATION

Q - About two years ago, VA asked a veteran to come in for a physical examination on a claim he had filed for disability compensation. He never showed up. Now, he has decided he would like to follow through on his application. Can he do so?

A - He can't follow through on his original claim. His failure to get in touch with VA within one year after he was asked to report for an examination constitutes an abandonment of his claim. In order to get further action, he'll have to file a new application. Should his claim finally be approved, compensation may begin from the date he filed his new application, not his original one.

Q - I am drawing compensation, and I feel that my disability has taken a turn for the worse. Will VA accept a statement to that effect from my private physician, in considering my claim for increased compensation?

A - Yes. A statement from your private physician may be accepted as evidence, but his findings must be verified by an official VA examination.

Q - If a serviceman dies while on active duty, as of what date do indemnity payments to his beneficiaries begin?

A - Indemnity payments begin as of the date of the death of the serviceman.

Q - I am the widow of a World War I veteran, and I am applying for death pension from the VA. As of what date will the payment be effective, assuming VA approves my claim?

A - If you file your claim within one year from the date of your husband's death, the pension payments will begin as of the day following the date of death. If you wait longer than one year to file, the effective date will be the date you filed your application.

Mrs. J. A. Harris was in Big Lake Tuesday through Thursday to be with her husband who is employed there.

#### FARM AND RANCH CASH INCOME SHOWS DECREASE

Farm and ranch cash income in Texas for the first four months of 1953 totaled \$431,994,000, about \$23,000,000 less than the same 1952 period, the Texas Bureau of Business Research reports.

Six commodities brought income increases this year. Wheat income was up 144 per cent, and oats, 75 per cent. Income from sheep and lambs, eggs, poultry and mohair gained from 25 to 3 per cent.

Producers of cottonseed, wool, grain sorghum, cotton, corn, and cattle took the heaviest relative losses. Cotton and cattle producers suffered most in actual dollar losses. Cotton income was down \$7,600,000, and cattle, \$42,500,000.

Mrs. W. R. Nix of Eldorado spent Sunday here with her sister, Mrs. Seleta Felps.

#### Our WASHINGTON Letter

The Supreme Court, Weather, and developments in Korea vied with each other for Washington headlines during the past week. The Supreme Court handed down a decision holding that cafes in Washington must serve whoever comes, regardless of color. It was an old law, enacted during Reconstruction days, and had been completely forgotten until some one ran across it last year. A test case was made. The Court of Appeals held it invalid, but the Supreme Court reversed the Circuit Court of Appeals.

On the weather side, the twisters which struck in Nebraska, Massachusetts, Michigan and Ohio last week brought the total loss in life over the nation this year to 222 with damage exceeding \$300 million. It's been the worst tornado year in modern times, although the worst single year was 1925 when on one day-March 18-a twister swept through Missouri, Illinois and Indiana, killing 689 people. Nevada, where all the atomic tests have been held, oddly enough has reported but one tornado in 72 years.

The recent New England disasters gave rise to much speculation that the series of tornadoes this year had some connection with the A-Bomb tests, and there was some talk of a Congressional investigation. But the atomic scientists and the U. S. Weather Bureau both ridiculed the idea. It would take 1,000 atomic bombs, the Weather Bureau said, to match the energy of a moderate-sized hurricane. Besides, winds stirred up by the last A-test were out of the country long before the most recent tornadoes hit, Dr. Wesler of the Weather Bureau insisted.

But there remains a lot of mystery about the cause of tornadoes, and particularly why so many this Spring during the time when all the bomb tests were going on. The Weather Experts say: "It just happened that way, and the next time it might be the opposite".

The new low cost cotton harvester shown above has been developed by engineers of Dearborn Motors, Birmingham, Mich., to bring mechanical harvesting within reach of thousands of cotton growers who now pick by hand. Using counter-rotating brushes, the Dearborn Cotton Harvester removes both cotton and burrs from the stalk. A blower delivers cotton and burrs to a trailing wagon or to a cotton basket designed for mounting on Ford tractors, blowing out dirt and trash. Weighing only 950 pounds, it harvests up to 1 1/4 acres per hour.

#### Now you get more for your Bond money!

### New law says - U.S. Series E Bonds can earn interest 10 years longer-at 3%

If you invested in U. S. Series E Bonds ten years ago and have held them ever since you'll profit by this new law NOW! For those same Bonds, which you expected to mature finally in 1963 can now earn 3% interest every year for ten more years—till 1963—without your even lifting a finger!

The new extended earning period applies to any Series E Bond—those you already own or those you invest in from now on. What's more, every Series E Bond you get now begins earning interest sooner, and at a higher rate. It matures earlier and averages 3%, compounded semiannually, when held to maturity.

If you wish, you may still cash any Series E Bond at any time after you've owned it for two months. But you'll be wiser to hold your Bonds. Cash in the pocket melts away, too often with nothing to show for it. But cash in Bond savings is always there. And your Bonds should be accidentally lost or destroyed they will be replaced, at full value, with no cost to you.

So if you are not already one of the millions of wise Americans who are investing in a secure future, why not start now? Invest in Savings Bonds today regularly through the Payroll Savings Plan where you work. Thousands say it's the one sure way to save—because it saves something out of every check before you have a chance to spend it.

#### If you want to be paid your interest as current income— Invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semi-annually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

### Now even better! Invest more in Savings Bonds!
