SIXTY SIXTH YEAR

Sonora, Texas, Friday, June 22, 1956

THIRTY-SEVENTH WEEK

ODDS & ENDS

A very welcome visitor to the office this week was John Eaton, electrician of sorts and unquestioned source of county history. We were very pleased to see John looking so well and feeling like offering his advice on various topics.

Another authority on local history, Dee Word, brought in a picture taken in Sonora in 1897 or 1898, showing members of the fire department practicing with new hose equipment. Among the firemen were T. D. Newell, Charlie Collins and Jim Keene. Children watching included Mason and Austin Rountree and Mr. Word, complete in black felt hat, knee pants, stockings and high-top shoes.

When the County's history is finally written some day one of the major developments will undoubtedly be our fine Wool Show. This annual event has proven to be a trend-setter, encouraging the youth of this and other counties in the production of top-quality wool and mohair.

The sponsors and workers with the show deserve a tremendous ovation for the many hours they have devoted to the event during the past years. Their faith in the possibilities of this show has been more than rewarded, we are sure, by the inspiration it has given to the young people who are tomorrow's (and today's) ranchers.

Yanks On Top As Little League Closes First Half Of 1956 Season

By Ben Castillo, Jr.

YANKS EDGE CUBS 10-9. The Yanks, after trailing for the first three innings, blew the game wide open in the fourth Wednesday when they paraded eleven men to the plate, scoring six runs on only two hits. The Cubs rallied in the sixth for four runs but fell short.

Juan Ramos, pitching for the Yanks allowed seven hits, struck out eight and walked seven. West and Woodburn, pitching for the Cubs, allowed eight hits, struck out six and walked four.

D. Archer and A. Bermea led the Yanks' attack with two hits each. S. Sosa got two hits for the Cubs and West smacked his second home run of the season.

YANKS WHIP TIGERS, WIN FIRST HALF. The powerful Yanks behind the magnificent two hit hurling of A. Bermea beat the Tigers eight to four Friday night, to win the first half of the Little League season.

The Yanks scored all of their runs in the third and fourth innings. The Tigers' runs came in as a result of grand-slam homer by P. Gonzalez.

Bermea, having magnificent control, struck out fourteen batters and walked four. P. Gonzalez and R. Reyna, pitching for the Tigers, allowed seven hits, struck out eight and walked four.

Archer and Hernandez led the Yanks with two hits each. Gonzalez got two hits, one a grand-slam homer, his first of the season.

CUBS BEAT GIANTS 16-14. The Cubs beat the Giants in a wild ball game Saturday which was called after 4½ innings of play because

of lateness.

The Giants scored 10 runs in the third but that wasn't enough to beat the Cubs who score six runs in the third and five in the fourth.

Cub pitchers J. Glascock and West allowed five hits, struck out seven but walked 13 men. J. Flores and R. Moore, pitching for the Giants, allowed nine hits and struck out four but walked 14 batters.

TIGERS EDGE CUBS. The Tigers, playing heads up ball and P. Gonzalez, pitching a good game edged the Cubs 5 to 4 Monday night. The Tigers' winning run came in the sixth when Brown drew a walk, stole second and scored when the right fielder dropped R. Badillo's fly.

Gonzalez struck out 13 and walked two. G. West, also pitching a four hitter, struck out 11 and walked 6.

B. Castillo led the Tigers with two hits and G. West and P. Neely each got two hits for the Cubs.

The win placed the Tigers in second place for the First Half.

FIELDS HOME DAMAGED BY FRIDAY NIGHT FIRE

Sonora Volunteer Firemen were called to the home of Mr. and Mrs. W. J. Fields, Jr., about 9:30 Friday night to help control a fire which had started from electric wiring in the den.

The Fields discovered the fire when they returned home after spending the day at their ranch.

Fire damage was limited to the room in which the blaze started but smoke damage to other rooms was extensive.

Eldorado Eagles Favorites In District 6-A 1956 Football

By Joe Turner

Here is the factual, non-argumentative report of 6-A ball as I see it:

The 1956 race in the 6-A circuit may develop into one of the most hotly contested championship chases in the district's history.

Key factors which indicate a wide open chase include the loss by Ozona, who won the championship last year, of eight regulars and the wealth of top-flight material that Eldorado and Menard will have for the fall of '56. Eldorado is loaded with big three-year veterans and rates the favorite's role, a dubious distinction that W. A. Algoood of the Eagles undoubtedly does not appreciate too much.

If Eldorado cannot be regarded as a shoo-in for the title, the only reason the voting is not unanimous is because of "Pete" Hickman's potent Lions who clawed their way through last season without a setback. Hickman quietly, objectively, with humanity but without emotionalism has been telling various reporters of the prowess of his Lions.

The sly old fox of the river country, Guy Wheeler, has departed for higher ground. Genial, likeable Big Bill Humphrey, his assistant for two years, has assumed the leadership of the Yellow Jackets and will switch to the "T". While Menard lost a supply of talent, there's still a good supply of capable hands available.

"Barty" Barton is starting his second year at the helm of the Junction Eagles but faces a big problem in the plugging of graduation holes in the line to pave the way for the league's fastest backfield. He has a wealth of material to choose from and if capable replacements can be found, the Eagles could be flying high.

Sonora will have to be classed as the darkhorse in the rank. Talent is running a little thin and

we are suffering from inexperience. We could upset a favored opponent or two, but are hardly in the same class with Eldorado, Ozona and Menard.

Gene Henderson To Coach Bobcat Backfield For '56

Daniel Eugene Henderson, formerly of Sonora High School and a graduate of Texas A. & M., became the new backfield mentor for Refugio High School last week, it was announced by E. M. Brice, Supt. of Schools.

Henderson, highly recommended by Coach Paul "Bear" Bryant, Athletic Director and Head Football Coach at A. & M.

Bryant says, "Gene is an outstanding athlete and can do anything in the athletic field. He is a nature young man and is well grounded in backfield fundamentals and techniques, having played both quarter and halfback for the Aggies".

Henderson will teach general science and biology next fall, having outstanding credits and a strong minor in the field.

Gene's high school athletic career above many accomplishments. He lettered 3 years in football and was an all-district back in 1950. Also, he lettered 2 years each in basketball, baseball and track while at Sonora. In 1951, he won state in the discus throw and was a member of the doubles tennis team which won the district. His high school background gives him excellent knowledge of most of the major sports, having participated in five.

After finishing high school, Coach Henderson worked for a year before entering San Angelo Junior College. In 1952, he was an all-conference fullback and led the conference in rushing with an 8.4 yard average for the sea-

Junior Grand Champion Fleece was exhibited at the Lions Club 19th Annual Wool Show by Jan Vander Stucken, 16 year old daughter of Mr. and Mrs. J. M. Vander Stucken of Sonora. Jan is pictured here with her grand champion fleece from a yearling Rambouillet ewe and her champion fleece from a registered yearling Rambouillet ram.

Fred T. Earwood and son Armer Earwood took three grand championships in this week's wool show. Fred exhibited the Grand Champion Single Wool Fleece while Armer showed the Grand Champion Single Mohair Fleece and the Grand Champion Bag of Wool. Armer's daughter, Elsie (not pictured) won fourth place for her bag of twelve months wool from aged ewes.

Gun Club Slates Show, Shoot For 2 P. M. Sunday

The Sonora Gun Club will hold a matched shooting and field day at two o'clock Sunday afternoon, June 24, with skeet, trap, rifle and side arms events scheduled. Proceeds will go to the Junior Gun Club for buying additional equipment.

A drawing will be held for a .22 rifle and a gun show is also slated for the afternoon, with antique guns to be exhibited as well as the latest models.

A barbecue supper will be served at six o'clock and members are asked to furnish salads and desserts.

The public is cordially invited to attend the event which will be held at the club range on the Stanley Mayfield ranch.

Moore Services In Granbury Sunday, June 17

Funeral services for Mrs. J.H. Moore, 84, who died in Granbury Friday, June 15, were held at the Church of Christ in Granbury Sunday. Burial was in Mount Pleasant Cemetery.

Mrs. Moore is survived by two sons, eight grandchildren and two great-grandchildren. Herman E. Moore of Sonora, a grandson, attended the services.

MARTHA VALLIANT LEAVES

Martha Jean Valliant, who was appointed to membership in the Plymouth Drama Festival, will leave today, for Plymouth, Mass. where she will begin work with the group Monday, June 26.

Mr. and Mrs. Duke Wilson, Mr. and Mrs. Stanley Mayfield, Mr. and Mrs. L. E. Johnson, Jr., Mrs. Wesley Young and daughters, Yvonne, Jetty and Cecilia and Sarah Lou Hardy spent last Sunday at Heart 'O the Hills Camp near Kerrville the guests of Mary Wilson, Gerry Mayfield and Jo Aiddah Johnson.

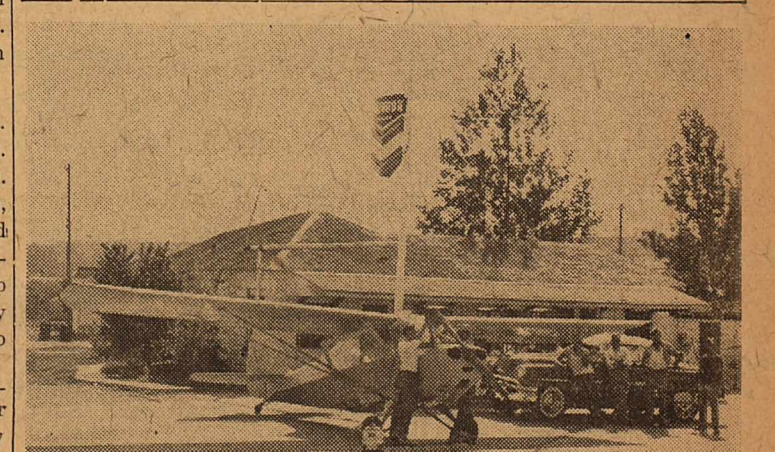

Browne where a barbecue supper will be served. Sutton County Republicans are especially invited to attend and serve as host to out of town visitors. Those who plan to attend are urged to contact Mrs. Browne for supper reservations.

This promises to be an interesting and stimulating meeting with an opportunity for everyone to "take the stamp" and make a speech as well as to have any political questions answered.

GOP Leaders To Meet Here Tues.

Republican leaders of Senatorial District 25 have been invited to meet in Sonora on Tuesday, June 26, for the purpose of mapping the local campaigns for the coming Presidential Election in November. There are 20 counties in District 25 and it is anticipated that each county will be represented at this meeting. The meeting will be held at the Courthouse at 4:00 p.m. and will be conducted by Miss Ziggy Hunter from the Republican State Headquarters in Houston.

Following the meeting, there will be an informal get together at the home of Mrs. Charles F.

Certainly not the first but the most pointed proof that Sonora has need of a municipal airport was evidenced last week when pilot Dogie Stockman and passenger Ellis S. Reynolds, both of the Flying S Ranch, Villa Rica, Georgia, made a re-fueling stop at Sharp's Drive Inn.

The pair mistook the stretch of highway now under construction near the drive-in for a landing strip and were very complimentary about the condition of the runway. After putting some automobile gasoline in their tank and getting road maps the sight-seeing Georgians resumed their flight, stopping at the Junction Municipal Airfield for airplane gas and aerial maps. Looking Through The Windows Of Life

By W. H. Marshall

How to outwit our low moods is a serious undertaking, but one that needs to be done every time we get into a slump. Something has gone wrong when we find ourselves in a low mood. The thing to do is to face facts and try to see what has happened with us. Every time the thing that has happened is on the inside, and we let it happen. When we get into a low mood we become subject to many temptations. We become critical of our friends and caustic in our judgments. We are apt to withdraw upon ourselves, or we vent our evil mood upon those who deserve better treatment at our hands.

The secret of outwitting our moods lies in realizing they are creatures of our own spirits, that they can be mastered by our own efforts and not as a result of some influence or force from the outside. Don't look for the devil in the other fellow, look for him in your own heart, when you do that you make a good start to clean up your low moods.

Of course, as I have said before, there is that person who is always right and every body else is wrong. There is not much hope for that type of person ever reforming. They seem to be born out of sorts with the world and every thing in the world. It is no little job to clean house on the inside. Some people get joy out of trying to clean the other fellow's house while his falls down for the reason that he thinks it needs no inside repair.

There are some things no one else in the world can do for us, and mastering our moods is one of them. A minute or two withdrawn from the work of the day can be regained many times over by an improved spirit that results from the respite.

To outwit our low moods fix the mind on something wholesome and happy. Stop finding fault with people. Make up your mind that you are too big for that. Be honest. Clean house inside first. Do a real cleaning job, not halfway. Do a REAL clean up job on YOURSELF, then you have made the first start to outwit your low moods, and low moods can be called by another name—it is just plain littleness. And it is just as true with me as it is with you. Low moods can also be nothing but a bid for sympathy we don't deserve. Low moods can also be a refuge for our cowardice.

We are all subject to low

moods, but we don't have to be taken in by our low moods. We can, if we will, master our low moods. That is a much finer and manlier way than to let our low moods capture us.

Fix the mind on something wholesome and happy. Don't be a servant to low moods. Be what you were meant to be—a person, not a mouse.

Nothing comes to us without a fight, that is, the worthwhile things in life must be fought for. We are here to master life and not to let life master us. There are some things we cannot do without, and common sense is one of them, and we better turn loose the idea that no one can be right but ME. The question I like to ask myself once and a while is: Will I be missed very much after I have left this old world.

Goethe said, "What is not fully understood is not possessed." Let us walk around that fact for a while and see if it will make a change in our moods.

Cynthia Hall, Albert Ward To Wed
In Church Rites Here August 31

The engagement and approaching marriage of Miss Cynthia Ann Hall to Albert Cauthorn Ward was announced at a tea given by Mrs. Bryan Hunt Saturday afternoon June 16, from four to six o'clock.

Brilliant red and ivory, chosen colors of the bride-elect, were featured throughout the house. The serving table, covered with a sheer linen cloth over red and centered with a large design in red and ivory, made on styrofoam, featured a picture frame containing an arrangement of gaily carnations and a Manzanita branch holding a red straw nest with the announcement "To be occupied by the Wards August 31." Two red lovebirds on a branch below the nest held angel feathers with the names "Lovebird Cynthia" in their beaks.

The register table was centered with pictures of the couple in identical gold frames. Placed in front of the pictures were a pair of kissing angles. Gaiety carnations were used to complete the arrangement.

In the receiving line were Mrs. Hunt, Mrs. Jo Bell, aunt of the bride-elect, Miss Hall, Mrs. Ward, Mrs. Cauthorn, Miss Carolyn Hall, sister of the bride-elect, Mrs. Frank Turney and Mrs. F. T. Earwood.

Included in the house party were Mrs. W. H. Dameron, Mrs. W. R. Cusenbary, Mrs. Edgar Shurley, Mrs. Ella Wallace, Mrs. G. H. Neill, Mrs. E. B. Keng, Mrs. John Ward, Mrs. Paul Turney, Mrs. Harold Friess, Mrs. J. T. Ratliff, Mrs. H. V. Stokes, of Uvalde, Mrs. Roy Valliant, Mrs. Ben Cusenbary and Mrs. Armer Earwood.

Also in the house party were Misses Sue Greenhill, Claire Jones, Yvonne Davis, Sue Ann Stokes of Uvalde, Martha Jean Valliant, Elsie Earwood, Nancy Hunt and Mary Jo Ward of Ozona.

Miss Hall is the daughter of G. H. Hall and the late Mrs. Hall of Sonora. She is a 1956 graduate of Sonora High School.

Mr. Ward is the son of Mr. and Mrs. Rip Ward and the grandson of Mr. and Mrs. J. A. Cauthorn, all of Sonora. He is a graduate of Sonora High School and is now a sophomore at Baylor University in Waco. The couple plans to attend school there next fall.

Mrs. A. E. Newton feted her daughter, Sandra Lou, on her tenth birthday, Wednesday, June 13, with a tacky party at her home.

First prize was awarded to Debra Cooper for being best dressed for the occasion. Miniature cupie dolls were given as favors. A lawn supper with birthday cake and punch were served.

Attending were Carla Whitworth, Betty Jack Cooper, Rebecca Babb, Kay Campbell, Diana Cahill, Joyce Hearn, Debra Cooper, Sandra Kay Glasscock and Judy McCalmont.

The Wesleyan Service Guild met in the home of Mrs. J. F. Howell last week with Mrs. Oliver Wuest and Mrs. A. E. Newton as co hostesses. Mixed summer flowers made the decorations and a dessert plate was served.

The meeting was presided over by the president, Mrs. A.E. Newton. Mrs. Zelpha Wheelis conducted the program with "Widening Fellowship in Your Community" as her topic. Mrs. Clayton Hamilton, Mrs. James Wilson and Mrs. J. Wray Campbell had parts on the program. Pals revealed names and exchanged gifts, and names were drawn for another six months.

Mrs. G. G. Bennett returned Thursday from a week's visit with her sister, Mrs. Artie Smith in Brownwood.

Sue Ann Stephen of San Antonio is spending part of her vacation with her uncle and aunt, Mr. and Mrs. V. J. Glasscock, on the ranch.

Eldorado Success - Excavating equipment for the Schleicher County's new swimming pool was brought to the site in west Eldorado Tuesday of last week, and dirt moving operations are under way. County officials state that it is hoped to have the pool in operation by August.

Menard News - Work started this week on the new postoffice building and the new structure for Bean's Drug Store. In the near future, within the next week or two, we hope to obtain an architect's drawing for the entire plans-this will be done as a public service to the sidewalk superintendents, of course.

Fort Stockton Pioneer - Bustling Comansa is a busy community these days as farmers irrigate and cultivate their cotton and prepare for harvest of the first large scale truck corps in the rich new farming area of Northwest Pecos County.

Numbers of men are used for turning cantaloupes on the vines already bearing sizable melons on the Davis farm, where Winsett of Pecos has 320 acres growing rapidly. Another big-money crop, on the Davis farm, nearing the harvest stage is 180 acres of onions which are expected to be ready for harvest in the next two weeks. Carrots and lettuce also are planned in the area on a commercial scale.

Ozona Stockman - A five-hour battle by fire fighters from Ozona finally brought under control shortly before dark a range fire on the Bill Childress ranch of Ozona Wednesday afternoon.

Two fire trucks from Ozona Volunteer Fire Department, with a dozen or so men, responded to an alarm from the ranch. The blaze consumed an unestimated number of acres of cedar, sotol and grass. The terrifically hot fire generated by the cedar and sotol fuel presented an unusual problem for the local fire fighters.

Soil Conservation

By E. B. Keng

Soil Conservation Service

Leo Merrill, Charles Davenport and E. B. Keng attended a field tour near Big Spring, sponsored by the Texas Section, American Society of Range Management, last Friday. The tour was held in the Dick Simpson and Tom Good ranch near Vealmoor.

The 29,000 acre cattle ranch is stocked yearlong with approximately 15 mother cows per section, and calves and steers are stocked each winter to bring the stocking rate to about 40 animal units per section if current grass production permits. In spite of drought which has plagued the area for several years substantial range improvement was observed. An abundant stand of Arizona cottontop was seeding in all of the low spots. Vine-mesquite, cane bluestem, buffalograss and sideoats grama were making good growth also. Shallow hills and ridges were supporting a good cover of black, blue, sideoats and hairy grama, and mesa dropseed. Mr. Simpson is a strong believer in mesquite control. Most of the Simpson and Good ranches were sprayed with 2-4-D some two or three years ago. All mesquite tops were killed and some

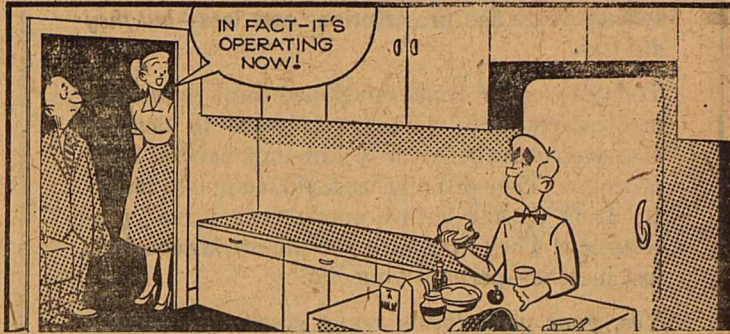

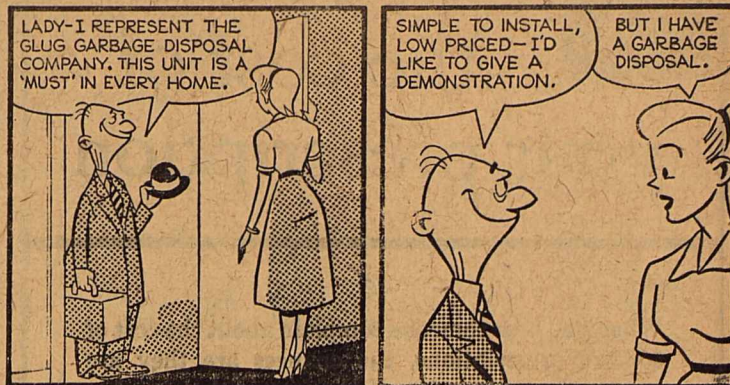

15 to 40 per cent of the roots were dead. The reduced brush competition, coupled with proper stocking and deferred grazing has resulted in a great improvement in range condition.

A one section pasture observed was stocked with 101 heifers and 15 cows from October 1 to May 10. The heifers gained 176 pounds per head, and produced 35.4 pounds of beef per acre—a very good record. From February to May the cattle received 3 pounds of 20 percent range cubes every other day.

Simpson has had excellent results from planting blue panic grass in old fields. The grass furnished lots of grazing and cattle made good gains. Blue panic is very drought resistant and is adapted over most of Texas.

- Q—Does the Federal government still distribute free surplus property to state and local units of Government? If so what kind of property?**
A—Yes, the Federal government still distributes this surplus property when available to educational and public health agencies of state and local governments and to eligible non-profit health and educational institutions. During January, February and March this year, surplus property valued at \$57,723,722, was so distributed. It included such items as buildings suitable for college dormitory or faculty housing; motor vehicles, hospital, school and office furniture; hand and machine tools; motion picture projectors; laboratory equipment; and school and office supplies. Included among the property transferred was school and hospital building sites, valued at more than \$3 million.
- Q—Do I have to own a farm outright in order to qualify for institutional on-farm training under the Korean GI bill?**
A—It is not necessary that you own the farm outright. But you must have full control of it, either by leasing the land, or having a management agreement or some other tenure arrangement.
- Q—How fast is reforestation proceeding?**
A—In addition to federal planting on government lands, the nation's forest industries planted about 240 million seedlings on their lands in 1955.
- Q—Can you give me the actual difference between a Senator and a Congressman?**
A—A United States Senator is an official of the United States Government. Insofar as his duty is concerned, he is NOT the Senator from a given state. He is supposed to legislate for all 48 states. It is for this reason that United States Senators are limited to two from each state, regardless of size or populations. The official title for Congressmen is "Representative in Congress." He represents the people in his congressional district. Numbers range from one in Wyoming to 43 in New York, on a population basis.

Rx the truth about the cost of your prescription

When you hear someone complain about the cost of today's prescriptions, the chances are they are considering only a few of the facts. It's true that twenty years ago prescriptions cost less—but they did less.

Today's wonder drugs, developed through modern medical research, actually do more to destroy disease-causing germs or to stimulate natural body processes. They often bring rapid, complete recovery from disease with a single "expensive" prescription! They may save you misery, discomfort, lost income—perhaps your life.

Yes, your prescription really costs little because it does so much!

son. He was also the leading scorer with 58 points, leading punter, punt returner, and kickoff return man. That same year Gene was voted the "Most Valuable Player" for the San Angelo Rams.

In 1954, the new Bobcat Coach, made the second All-Texas team at quarterback, was leading scorer with 45 points, and captained the ball club.

Upon completing his Junior College work, Gene enrolled at Texas A. & M. in 1954, where he played under "Bear Bryant". He was the leading Aggie punter that year and also scored the first touchdown under the Bryant regime, against Texas Tech.

Lettering at halfback for the Maroon and White in 1955, Henderson was one of the leading kickers in the Southwest Conference. He also lettered in track that same year.

Coach Henderson graduated May 25, with a bachelor of science degree in physical education, minoring in biology and history. He is 23, married, and has two children. His wife, Carnie Sue, along with a daughter Genie Sue, and son Chris, will move to Refugio sometime this week. They are members of the Methodist Church.
