SIXTY SEVENTH YEAR

Sonora, Texas, Friday, October 26, 1956

FOURTH WEEK

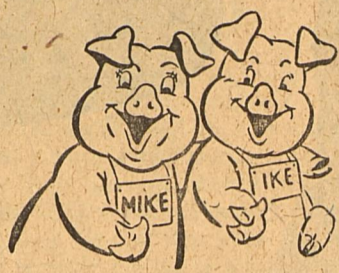

Galindo, number 25, goes over for the touchdown that told the story against Ozona Friday night.

Galindo's crossing the goal line came as the result of a pass from

George Johnson which Sam ran the necessary 15 yards.

### Reservists Now Eligible For Officer School

Major John Sponenburgh, Unit Advisor, United States Army Reserve, San Angelo Area, announced today that Army Reservists may now attend officer candidate school to become commissioned officers in the Army Reserve. Persons interested in further details should contact his office by letter or visit the local Reserve unit, Company B, 830th Engineer Aviation Battalion, which meets each Tuesday night at 7:30 p.m. at the USAR Training Center in Sonora.

To qualify, reservists must be 18½ to 27½ years of age at time of enrollment, in either enlisted or warrant officer grade, not on active duty, and possess a high school education or the equivalent. Prerequisites consist of basic military training and one year of satisfactory service in an Active Reserve status to include attendance at one annual field training period of two weeks duration.

### LIONS ROAR

Sonora Explorer Scouts gave an account of their canoe trip into Canada to Lions Club members at the regular meeting Tuesday at the Methodist Church.

Nine members of the local Explorer group made the trip into the wilderness area north of Ely, Minnesota along with 20 other men from the Concho Boy Scout Council. The expedition was based at Moose Lake, and made the 100-mile trip into Superior National Forest, Ontario, Canada. The area covers some 5,000 square miles and contains about 1,500 lakes.

Rus Chalk served as crew chief. John Ed Neville was quartermaster and he described his duties as quartermaster.

Freddy Fields was chief cook, with two assistants.

Butch Baker was navigation officer and sanitary engineer.

All the Explorers mentioned the mosquitoes they encountered. Butch's description: "Canadian mosquitoes look like Texas dragonflies."

Lion E. A. Brodhead, who accompanied the group, was in

In the first game of the conference season Friday night, the Sonora Broncos squeezed past the high-geared Ozona Lions 21 to 19. It was touch-and-go from the beginning with the Ozona team fired up to stop the Bronco's winning streak, and almost doing it.

Midway in the first period Ozona recovered a Sonora fumble on the 40 yardline. A pass from Sutton to Williams was complete to the 30 and Babb carried for two yards. Martinez took over for four yards and Sutton for another eight. Martinez then carried to the one and Babb went over for the score. Sutton's kick was good for the extra point and the score stood at 7 to 0 for Ozona.

In the second quarter it was the Broncos' turn with Neville recovering an Ozona fumble. Johnson took the ball around right end for 12 yards. His pass to Wall was incomplete. Johnson then ran through both teams for the score and Johnson's extra point was good and the half ended with the game tied 7 to 7.

Another Ozona fumble on the 10 yardline was recovered by the Broncos in the third quarter. Johnson's pass to Ratliff was incomplete but on the next play Johnson ran up the middle for the necessary 10 yards and the score stood 13 to 7. The point after was good and Sonora led 14 to 7.

Then the Lions took to the air, after taking over on the 45. A Sutton-to-Williams pass was

complete for six yards, another from Sutton to Young was good for five. Then Sutton carried for six yards. A pass intended for Young was incomplete and Sutton elected to carry for nine, and then one. A pass from Sutton to Williams was good for the touchdown. The try for extra point was no good and the Broncos maintained a slender lead of 14 to 13.

In the fourth quarter Johnson intercepted an Ozona pass and carried to the Sonora 15. Wall carried for two yards, then a pass from Johnson to Galindo was good for the touchdown. The PAT was good and the score stood 21 to 13.

Martinez carried the kickoff to the 50 yardline where a pass from Sutton to Williams was good for 48 yards, to the Bronco two. Sutton carried over in two plays to raise the score to 21 to 19. Extra point was blocked.

Final statistics showed: First downs: Sonora, 9, Ozona 13; Yards rushing: Sonora 240, Ozona 238; Yards passing: Sonora 62, Ozona 117; Passes completed: Sonora 6 out of 11, Ozona, 8 out of 17; Passes intercepted: Sonora, two; Ozona, two; Fumbles lost: Sonora, four, Ozona, three; Penalties: Sonora five for 55 yards, Ozona three for 30 yards; Punts: Sonora 4 for an average of 43.7, Ozona, five for an average of 27.4.

### Here Is Your Grid Schedule For 1956

The Bronco Football schedule for the remainder of the season is as follows:

Oct. 19, Ozona (here),  
 Oct. 26, Junction (there).  
 Nov. 2, Menard (there).  
 Nov. 16, Eldorado (here).  
 The "B" team schedule for the rest of the season is:

Oct. 4, Del Rio (here).  
 Oct. 11, Junction (there).  
 Oct. 18, Iraan (there).  
 Nov. 3, Lakeview (there).  
 Nov. 8, Iraan (here).

### Ranchers Eligible For Soil Bank In Conservation Reserve Program

November 30, 1956, is the final date for putting acreage into the Conservation Reserve part of the Soil Bank Program. Tillable soil which has had some litter crop, such as grain sorghum, cane, oats, etc., and was in regular crop rotation during the first year of the contract period will be eligible for conservation reserve. Acreage that would have been put in a litter crop but, due to drought conditions, was not planted is also eligible for conservation reserve contracts, with

approval of the County ASC Committee.

Contracts may be made for not less than five years, including 1956, and not more than 11 years.

A producer who wishes to participate in the Conservation Reserve Program will sign a contract in which he agrees to remove land from production of crops and devote it exclusively to conservation uses. This land is called the conservation reserve. The producer may be paid up to 80 per cent of cost to establish a protective cover of grasses and legumes or certain other conservation practices. Sutton County producers will also receive an annual payment of \$11.00 per acre and a minimum of \$3.30 per acre to compensate for keeping the land out of production.

Producers must also agree to establish and/or maintain the protective cover or some other approved conservation practice on designated acres; not to harvest any crop from these acres during the contract period; to limit the acreage on the farm to what are called "soil bank base crops." The producer is responsible for controlling the spread of noxious weeds on conservation reserve acreage: cocklebur, indigo Japanese bur, and sunflower. Applications to include 1956 will be taken until November 30 and until March 15 for the year 1957.

Teague, Crane; Lanham, Riley, Fort Worth.

Lloyd Mitchell, Rocksprings; Troy Fort and Olin Young, Lovington, New Mex.; Tuffy Cooper and Jimmy Cooper, Monument, New Mexico; George Epperson, Cherokee; Toots Mansfield, Big Spring; Sonny Davis, Kenna, New Mexico; J. D. Armstrong, Big Lake; Jess Goodspeed, Watumka, Oklahoma; Lee Cockrell, Pampa; Buddy Neal, Van Horn; Earl Teague, Camp Wood, and John D. Hollyman, Corona, New Mexico.

Also slated for this year's event is an open ladies' barrel race. Entry fee will be \$10.00.

Ropings will start at 1:30 Saturday and Sunday afternoons with each participant roping four calves daily. Admission will be \$1.50 for adults and 50 cents for children.

### PVT. DURAN COMPLETES CHEMICAL ENTRY COURSE

Pvt. Willie T. Duran, son of Mr. and Mrs. Santos C. Duran, Sonora, Texas, recently completed the chemical enlisted entry course at the Army's Chemical Corps School, Fort McClellan, Alabama.

The nine-week course gave Duran instruction in chemical decontamination, smoke generation and equipment repair.

The 22-year-old soldier entered the Army in May 1956 and received basic training at Fort Chaffee, Arkansas.

### Entries Complete For November Matched Roping Contest Here

Entries in the matched roping contest to be held here Saturday and Sunday, November 3 and 4, are complete and entrants have paid their \$100.00 entry fees.

Twenty-five of the nation's top ropers are scheduled to take part in the second annual event sponsored by the Sonora Park and Horse Show Association. They include: Bud Smith, James Leonard, Clifton Lowry, Jim Bob Altizer and Johnny Leonard, Del Rio; Jack Riggs, Dryden; Bill

### W. A. Morriss Buried Tuesday In San Antonio

Funeral services for Will A. Morriss, 76, were held from his home in San Antonio Tuesday afternoon with Dr. George Mauze, pastor of the First Presbyterian Church in San Antonio, officiating.

Morriss died Sunday after a long illness. He was a member of the law firm of Morriss, Morriss, Boatwright and Lewis of San Antonio and was a widely known trial lawyer.

He is survived by his wife; one son, Will A. Morriss, Jr.; two grandchildren; one sister, Mrs. O. T. Anderson of Olney, and a number of nieces and nephews including Thomas A. Morriss of Sonora.

Mr. and Mrs. Thomas Morriss attended the services Tuesday.

## Junction Eagles To Host Broncos Tonight's Second Conference Game

Coach Joe Turner's Broncos head away from their home field this week to meet Coach Jack Hoggett's Eagles in Junction.

The Eagles have had a non-too-successful pre-season record but proved their potentialities by leading the Menard Yellow-jackets through the first three quarters of last week's game. Only with a fourth quarter rally did the Menard team take the

game.

Standouts for the Eagles include Backs Espinosa, Mansfield, Cavaness and Loeffler, and line-men Cardwell, Haines, Adams, Coney, Goodman, Brown and Schoolcraft. Charlie Fox, an Eagle standby will be out of service again this week, recovering from an appendectomy.

Offensive starters for the Broncos will be Ratliff and Love

at ends; Smith and Ibarra at tackle; Adams and Neville, guards; Anthony at center, and the offensive backs will be Johnson, Vasquez, Galindo and Wall.

Defensive starters include Neville, Smith, Love, Adams, Vasquez and Johnson plus Castro and Gonzales at guard, Fish at tackle and Soso and Garrett in the backfield.

Game time is 7:30.

### ODDS & ENDS

We heard some cheering news from E. S. Mayer Wednesday afternoon. He knows where some good cheap hay can be had. Edwin has just gotten back from a trip to Missouri where he went to hunt hay and found it-but it comes from California.

This dealer in Missouri bought some 2,000 tons of the California alfalfa and is asking \$28.00 a ton. F. O. B. California. Edwin thinks that with hay certificates and the forth-coming reduced freight rates it should cost Sutton County ranchers about \$34.00.

If you're interested, Edwin can give you the information you need.

The season's first northern came whistling in this morning (Thursday) and, like everyone else, we were not glad to see it. There was quite a rush at the various cleaners' with everyone wanting their winter clothes out of storage and we'd be willing to bet there was more than one housewife rummaging through the storage bags in the back closet.

We pass this one along from "The Furrow":

Farmer, attending conference on national farm policies: "Gentlemen, I came here three days ago, puzzled and discouraged. Now, after three days and two nights of discussion and speeches, I'm not only puzzled and discouraged-I'm confused and be-

wildered."

Glancing through the "Inter-scholastic Leaguer" we came across an article by Dr. Rhea Williams, state athletic director, which contained plenty of food for thought. Here's an excerpt:

"Your community is on display each time your school athletic team visits another community to participate in an athletic contest. The conduct and appearance of your band, pep squad, coaches, players and visiting spectators represent your community, and if their conduct is not of the proper type, then it is easy for other people to assume this improper action exemplifies your community."

"No better public relations is available to your entire community than proper action on the part of your athletic squads when they visit other communities. By a concerted effort on the part of all concerned your athletic teams can be, and should be, the best public relations media for good in your community."

Our boys have consistently shown themselves good ambassadors for Sonora. Let's back them up in our next out of town games.

### BETSY ROSS NAMED TO UT WOMEN'S TENNIS CLUB

Racket Club, University of Texas women's tennis organization, has announced the election of officers and 21 new members.

New members include Betsy Ross of Sonora. Betsy, a sophomore student, is the daughter of Mr. and Mrs. Joe Brown Ross.

### Attend Some Church Sunday!

### HARDGRAVE FINALIST IN UT ORATORICAL CONTEST

Robert L. Hardgrave, University of Texas student from Sonora, is a finalist in the Oratorical Association campaign-speaking contest.

Hardgrave, freshman government student, is the son of Mr. and Mrs. R. L. Hardgrave.

charge of the program.

### Welfare Council Is Collecting Toys, Clothing

Clothing and toys are being collected by the Community Welfare Council of Sonora for distribution among the needy in the community. Usable clothing, in condition to be worn, is needed now to be placed among families with children in need of warm school clothing. Garments are stored and disbursed as required from the school building.

Toys are being included in this year's drive. Old toys which your children have tired of or outgrown may bring a great deal of happiness to less fortunate youngsters at Christmas.

Articles for the Welfare Council may be left at Sonora Gas Co. For further information contact Mrs. F. L. McKinney, Mrs. Wilfred Berger, Mrs. Francis Archer or Rev. Alanson Brown.

## Annual Halloween Carnival Set For Wednesday Night Down Town

Wednesday night, October 31 the Sonora High School and Central Elementary School will combine to hold their annual Halloween Carnival.

Highlight of the evening will be the coronation of the Halloween Queen. Candidates for the honor are chosen by popular vote of the individual classes and final selection is made by penny votes. Boxes for votes are placed around town. Funds go to the High School Student Council for their activities.

Candidates for Queen this year are Vicki Archer, senior; Yvonne Davis, junior; Betty Sue Fields, sophomore; Jo Anne Capps, freshman; Annette Johnson, eighth grade.

Following the Queen's coronation, the carnival will be officially opened with classes and other school organizations sponsoring booths.

The Elementary School will have their customary Country Store and Fish Pond. Seniors will again be in charge of the concession stand and the juniors will raffle off a pistol, an electric blanket and an electric skillet. Sophomores will present a side show of novelty numbers with singing and dancing and the

freshmen will conduct a ring toss booth. The eighth grade will have a fortune telling booth. FHA girls will have a mystery man with carnival-goers buying chances to identify him. Clues are: As a Bronco booster he rates A-1. And he always like to have some fun, jolly, good natured and never blue. He always takes a moment to chat with you. A Sonora citizen with kids in school. He strictly abides by the Golden Rule. Big hearted and generous. A loyal fan you are well acquainted with the Mystery Man!

The GAA's will again sponsor a cake walk, the band will have a bingo stand with prizes donated by merchants and individuals, and the Library Club will sell chances to guess the number of beans in a pot.

The area on Concho Street from the Main Street intersection to the end of the block by Sonora Grocery and Sonora Motor Co. will be roped off to allow space for activities.

Prizes will be given for the best-dressed spooks, with participants in the contest divided according to grades and ages.

The carnival will begin with a parade from the Courthouse to the reviewing stand at 6:30 p.m.

THIS IS THE SEVENTH IN A SERIES OF BOOSTER PAGES FEATURING MEMBERS OF THE SONORA BRONCO FOOTBALL TEAM

Bill Fish is the 175 pound tackle who is showing his worth on the defensive lineup for the Broncos. A junior, Fish wears number 17 jersey. Fish was unable to see service early in the season but is in good shape now to take part in conference play.

Photo by Lovelace.

Bill Fish

Wallace Anthony

Wallace Anthony, number 27, is the 145 pound center who does a bang up job of snapping. Often giving away as much as 75 pounds to his opposite number, Anthony has been a mainstay on the Bronco offensive. He is a one year letterman.

Photo by Lovelace.

Luther Chalk, weighing in at 150 pounds is the freshman end who is seeing plenty of action as a reserve. Chalk's number 18 jersey should be in evidence plenty during the next three years.

Photo by Lovelace.

Luther Chalk

SHE KNOWS... IT'S FEEDING TIME!

This cow's telling you something you probably know... it's time to start feeding. Grass is brown, tough, and doesn't have much food value.

She'd like Purina Range Checkers. They're easy to feed, tasty, contain a variety of proteins and carbohydrates and carry vitamins and minerals that the tough grass doesn't have.

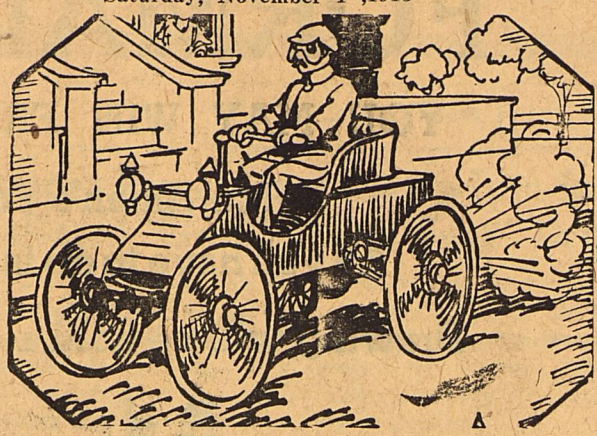

Next time you're in town, drop in and let us tell you more about Purina Range Checkers. They're proved right, made right, priced right.

Sonora Feed and Supply

The Devil's River News

Published in Sonora, Texas - "The Capital of the Stockman's Paradise" Saturday, November 1, 1913

43 YEARS AGO

Ab McKnight, who is conducting successfully the Sonora Cotton Gin, reports 80 bales this week.

A mass meeting of citizens will be held at the First National Bank Wednesday night next to take action on the matter of water for fire protection.

Born on Wednesday, October 29, 1913, to Mr. and Mrs. Ed Pfister, Jr., a girl.

The Guild of the Episcopal Church will have charge of the picture show on Thanksgiving evening beginning promptly at 8 o'clock.

Married at the home of the bride's mother, Mrs. Sallie Laxson, in west Sonora Sunday evening, Miss Winnie B. Laxson and William Wilson Kessler of Crockett County, Justice of the Peace Bart DeWitt officiating.

The Mexican school has an attendance of about 20 pupils. The patrons of the school are well pleased with the teaching of Mrs. D. Word.

The Methodist conference at San Antonio returned Rev. J. D. Worrell to the pastorate at Sonora. This will be Rev. Worrell's fourth year here.

James Pharis has accepted a position as manager of the sheep and goat department of the Fort Terrett Ranch.

George S. Allison was in Sonora this week and bought his third car load of Page wire from A. S. Basil for his wolf proof fencing improvement.

Mrs. James Green and son, Sam, left for Marfa last Monday on a visit to Dred and John Green.

Henry Wilson bought five sections in the Vander Stucken ranch near the Merck place at \$5 per acre.

Steve Brown is home from Corpus Christi and will probably attend the Sonora school.

NAVY ANNOUNCES EXAMS FOR AIR SPECIALISTS

The Navy Department has announced open competitive examinations for airway operation specialists at the Corpus Christi, Texas, Naval Air Station and other federal agencies in the State of Texas.

The positions, which involve control of aircraft operations in the vicinity of airports, pay starting salaries of \$5,915 and \$6,390 per year, depending on the applicant's experience in the airway operations field.

Application forms and information may be obtained from the Post Office, Sonora, Texas.

MIKE ELLIS BREAKS FOOT

Michael Ellis, son of Mrs. Marie K. Ellis, sustained a broken foot in a fall at his home Sunday night. X-rays showed the outside bone in the foot to be shattered.

Mr. and Mrs. Wayne Ogden and O. C. Ogden visited relatives in San Angelo this week.

San Angelo music has been engaged for the Thanksgiving ball on the night of Friday, November 28. A large attendance is expected from the neighboring towns and ranches and the committee in charge will see that every thing is in order for the occasion.

Ira Glasscock of Sonora bought from S. G. Taylor of San Antonio his 13 section ranch 27 miles southwest of Sonora at \$4.75 per acre. The ranch is now leased by H. Eastland and Mr. Glasscock will not get possession until May 1.

T. D. Word and son, H. O. Word, were in Sonora this week from their ranches in Crockett and Sutton counties.

W. J. Fields is having his home east of Sonora remodeled, extended and improved. The work is being done by Ab McKnight.

Mr. and Mrs. Thomas Bond entertained a number of friends Saturday last in their usual well known hospitable manner.

Civil Service Jobs Open For Engineers

A continuing need for engineers and junior scientists in government agencies in Texas is pointed up by new examination announcements issued by the Eighth U.S. Civil Service Regional Office in Dallas.

"The Federal service provides greater opportunities for career-minded engineers and scientists today than at any time in history," Regional Director W. V. Gill stated. "Government activities in these fields are concerned

primarily with the nation's welfare and defense. It would be difficult to find an area of professional service which assures a more satisfying or worthwhile life's work."

Employment opportunities exist in all the major branches of professional engineering. Junior scientists are needed in the fields of chemistry, mathematics, metallurgy, physics, and electronics.

Application forms and full information may be obtained by writing the Eighth U.S. Civil Service Regional Office, 114 Commerce Street, Dallas 2, Texas.

Mrs. Jim Cauthorn visited with her mother, Mrs. Clyde Earwood, in Del Rio Saturday.

(Pol. Adv. Paid for by W. Lee O'Daniel)

Never before in history has anything

built by man traveled so far in so short a time

—by land or sea!

An announcement of decisive importance to anyone about to buy a new automobile

The most exhaustive endurance test ever given an automobile has just been completed by two stock '57 Fords—identical in every respect with cars now being offered by Ford Dealers.

Under the supervision of the United States Auto Club and the Federation Internationale de Automobile, each of these two '57 Fords traveled 50,000 miles in less than 20 days. Ford No. 1 averaged 108.16 mph for the entire run... Ford No. 2, over 107 mph. These averages include time for all pit stops.

In all, the '57 Ford smashed 458 national and international records.

This test was run on the Bonneville Salt Flats in Utah... it was the longest left turn in history.

A car, like a man, is known by its deeds, not words.

That is why, we at Ford, despite our confidence in our '57 cars, let their deeds of accomplishment speak for themselves.

Therefore, we engaged an independent engineering organization to test our '57 cars more thoroughly than any other cars have ever been tested before—in this country or abroad.

We provided them with '57 Fords—cars identical with those now offered by Ford Dealers. The rest we left up to them.

Here is what they did:

They took these cars to the Salt Flats at Bonneville, Utah.

Here, twelve of the world's greatest drivers took over.

In relays they drove these cars night and day for a distance greater than twice around the world... a distance equal

to 5 years of normal driving.

Not in all history has a man-built machine traveled so far in so short a time—by land or sea!

But this was not a test of speed—but of endurance of the "Inner Ford." A trial to take the measure of Thunderbird Y-block V-8 power without qualification of any kind. A test of running gear—of brakes, of materials in body and chassis. Of steering and roadability, yes, and comfort, too!

A test, indeed, such as no other cars have ever undergone, let alone successfully concluded.

Surely they have told you, in decisive terms, that they are worth more when you buy... and when you sell!

Your Ford Dealer will gladly place at your disposal the new kind of Ford that means a new kind of value for your car—buying dollar—the greatest the world has ever seen.

### LEGAL NOTICES

**THE STATE OF TEXAS**  
TO: Amanda V. Bean, and unknown husband, if any, and her and his unknown heirs and legal representatives.

**GREETING:**  
You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this citation, the same being Monday the 19th day of November, 1956, at or before 10 A. M. o'clock A. M., before the District Court of Sutton County, at the Court House in Sonora, Texas.

Said plaintiff's petition was filed on the 3rd day of October, 1956. The file number of said suit being No. 1206.

The names of the parties in said suit are Alton B. Hightower, plaintiff, and each and all of you, the above named persons to whom this citation is addressed, defendants.

The nature of said suit being substantially as follows, to-wit: Plaintiff alleges that he is the owner in fee simple of the following described land in Sutton County, Texas.

Being part of Survey 85, Block B, HE&WT Ry Co. Survey in Sutton County, Texas, and being described by metes and bounds as follows, to-wit:

Beginning at the SE corner of a survey of 13.7 acre tract out of said Survey 85 conveyed to L. N. Halbert by R. W. Callahan, et al, dated September 31, 1892, recorded in Volume 1, Page 463, Sutton County Deed Records, from whence a love oak 8" bears North 19 deg. E 192 feet, said live oak being marked H;

Thence S 60 deg. W 718 feet to a pin for the NW corner of this survey;

Thence S 30 deg. E 141.5 feet to an iron pin for the SW corner of this survey;

Thence N 60 deg. E to the center of road through the Amanda Bean Survey;

Thence in a Northerly direction along the center of said road to the place of beginning.

And on September 1, 1956 was in possession of said land and that on the same day the defendants unlawfully entered upon said land, dispossessed plaintiff therefrom and now unlawfully withhold same from plaintiff;

That plaintiff, and those whose title he holds, on said date had had peaceable, continuous and adverse possession under the 3, 5 and 10 year statutes of limitation of Texas, also complying with all requirements of said statutes, for the length of time required by law under each statute, and specially pleads said statutes of limitation in support of his title. Plaintiff sues for title and possession of said premises and general relief and said suit is brought in trespass to try title. If this citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 2nd day of October, 1956.

Given under my hand and seal of said Court, at office in Sonora, Texas, this the 2nd day of October, 1956.

(Seal) **F. L. McKinney**  
District Clerk, Sutton County, Texas.

Mr. and Mrs. Royce Regeon and daughter, Nanetta Lavon, are in Sonora this week the guests of their parents, Mr. and Mrs. C. W. Taylor and Mrs. Beula Regeon.

**Sonora Woman's Club To Join In National "Get Out The Vote" Drive**

The Sonora Woman's Club will take an active part in getting voters to the polls in November 6's general election. Mrs. J. F. Howell, chairman of the club's Community Service Committee, announced this week that transportation will be furnished for voters who desire it and baby sitters will be available to care for children while mothers cast their ballots.  
Sutton County's 952 poll tax holders and exempted voters will be contacted and reminded of the voting date.

The club is undertaking this service as a part of the General Federation of Women's Clubs project to interest voters in taking an active role in the national election.

**MRS. NANCE ENTERTAINS TUESDAY NIGHT CLUB**

Mrs. R. G. Nance was hostess to the Tuesday Night Bridge Club in her home this week. Arrangements of dahlias, chrysanthemums and pyroantha decorated the party rooms and cookies and coffee were served.  
Prizes went to Mrs. P. J. Taylor for high score, Mrs. L. E. Johnson, Sr. for slam and Mrs. Louie Trainer for bingo.  
Others who attended included Mmes. John Bell, George Barrow, Arthur Carroll, W. O. Crites, Henry Decker, Earl Duncan, Ernest McClelland and Belle Steen.

**IDLE HOUR CLUB MEETS AT HARDY HOME TUESDAY**

Fall Garden flowers decorated the party rooms Tuesday afternoon when Mrs. W. T. Hardy entertained the Idle Hour Bridge Club in her home. A salad plate was served at the tea hour.  
Mrs. L. E. Johnson, Sr. and Mrs. Robert Halbert won the high score prizes and Mrs. Ben Cusenbary and Mrs. T. A. Williams won the second high score prizes. Bingo prizes went to Mrs. N. B. Wilson and Mrs. Johnnie Hamby.  
Others who attended included Mmes. Ella Wallace, Sterling Baker, G. H. Davis, Joe Brown Ross, Edwin Shelton, E. E. Sawyer, Maurice Mayer, Leo Merrill, and Frank Bond.

**Music Clubs Of District 6 To Meet Here**

The annual convention of District 6 of the Texas Federated Music Clubs will be held here November 9 and 10 with members of the Sonora Music Club as hostesses.

A business meeting will be held Friday morning, November 9 with district officers in charge.

Friday evening a fine arts program is scheduled with musical numbers to be presented by choral groups from various junior colleges. Everyone is invited to attend this program which will be presented in the Central Elementary School auditorium.

Saturday will be Junior Music Club Day and vocal and instrumental numbers will be presented by outstanding musicians from the junior groups. Those interested are invited to attend.

**ENTERTAIN WITH BRIDGE PARTY THURSDAY**

Mrs. E. S. Mayer, Mrs. Robert Mayer and Mrs. N. W. Rousselot entertained with fourteen tables of bridge and two tables of tea guests at the Sonora Woman's Club last Thursday afternoon. The Halloween theme was used in decorating scheme. The center table held an arrangement of fruits flanked by tapers and bronze and yellow pom pom chrysanthemums completed the decorations. A luncheon plate was served.

Mrs. Charles F. Browne won the high score prize and Mrs. Sterling Baker won second high score prize. Bingo prizes went to Mrs. J. A. Cauthorn and Mrs. Ripward. Mrs. C. W. McBride won

**DELTA KAPPA GAMMA HAS REGIONAL MEET IN DEL RIO**

The Regional meeting of Delta Kappa Gamma Society, District 15, was held Saturday, October 21, in the new Junior High School in Del Rio, with Miss Ruth Livingston of Marfa, presiding.

Those attending from Sonora were Mrs. E. A. Brodhead, Mrs. A. E. Newton, Mrs. Morgan Davis, Mrs. Monte Kirkland, Mrs. Edgar Shurley, Mrs. Carl Jones and Mrs. Autrey Bridges. They reported a most profitable meeting.

Mr. and Mrs. Roy Coker spent last weekend in Junction visiting friends.

the slam prize and Mrs. R. C. Vicars won the consolation prize.

**LAFF OF THE WEEK**

"Glaston is doing a good job pushing turkey sandwiches, today..."

**MRS. THORP ENTERTAINS THURSDAY BRIDGE CLUB**

Mrs. Rose Thorp was hostess to the Thursday Bridge Club in her home last week. Potted plants decorated the party rooms and a salad plate and tea were served.

Mrs. O. G. Baacock and Mrs. J. P. Smith won high score prizes and Mrs. R. V. Cook won the consolation prize.

Others who attended were Mmes. J. W. Trainer, C. E. Stites, Auther Simmons, Joe Berger, Lee Labenske, Tom Sandherr, Robert Rees, Nellie Allen and Theresa Friend.

**METHODIST WOMEN WILL OBSERVE WEEK OF PRAYER**

The Women's Society of Christian Service and the Wesleyan Service Guild will observe Week of Prayer with a program at the Methodist Church at three o'clock Sunday afternoon, October 28.

Mr. and Mrs. Robert Halbert of Miller, Mo. arrived last Friday for a visit with their daughters and families, Mr. and Mrs. Lee Fawcett and Mrs. C. W. McBride.

**Congratulations TO THESE NEW PARENTS**

Mr. and Mrs. David Shurley have announced the birth of a son, Marvin Foster, who was born October 20, in Hudspeth Memorial Hospital and weighed 7 pounds and 8 ounces.

Marvin Foster has one sister, Derry Lynn. His grandparents are Mr. and Mrs. Collier Shurley and Mr. and Mrs. M. E. Royster of Laurens, South Carolina.

**Mrs. D. C. Langford Hostess To Twice Tuesday Club**

Mrs. D. C. Langford carried out the Halloween theme in decorating when she entertained the Twice Tuesday Bridge Club in her home this week. Pumpkin pie and coffee were served.

Mrs. George Wallace and Mrs. Shelley Lowe won high score prizes. Mrs. J. W. Neville won the slam prize, Mrs. Reggie Trainer won the bingo prize and Mrs. Clayton Hamilton won the deuce prize.

Those attending were Mmes. Nolan Johnson, Tommy Smith, W. A. McCoy, Cleveland Nance, Joe Nance, J. W. Pepper, Jr., Bill Whitehead, H. M. Smith, Lowe, Wallace, Neville, Trainer and Hamilton.

Mrs. R. V. Cook spent the weekend in San Angelo with her mother, Mrs. J. W. Turner. Mrs. Turner, who suffered a fractured wrist at her home last week, accompanied Mrs. Cook home for a visit.

**MRS. MERRILL HOSTESS TO A. & M. MOTHERS' CLUB**

Mrs. Leo Merrill was hostess to the A. & M. Mothers Club with a covered dish luncheon at her home on the Experiment Station last week.

Mrs. Merrill presided over a business session at which time a report was given on the A. & M. Mothers' Club of Sonora Loan Fund.

Those who attended were Mmes. Thomas Morris, Maurice Shelton, W. T. Hardy, Joe Brown Ross, Jack Grafa, Gene Shurley, C. W. Taylor and O. L. Richardson, Sr.

METHODISTS TO HAVE GUEST SPEAKER SUNDAY

Mr. Robert Knight of Austin, an outstanding Methodist Lay Speaker, will bring the message Sunday morning at the 10:50 service. Everyone is cordially invited to hear Mr. Knight.

Lamb is nutritious.

Looking Through The Windows Of Life

By W. H. Marshall

By Dr. John F. Anderson, Jr., Pastor, First Presbyterian Church Dallas, Texas

I am the offering plate in your church. Have you ever wondered what I would say if I could talk? I do have a chance to get a good look at every face in church, you know.

Oh, yes, I can talk! So can the money you put in me. Just last Sunday someone dropped in a \$20 gold piece—the first I've ever seen, incidentally. One of the nickles immediately recognized it.

"Hello, friend, I haven't seen you since we were in the mint in Denver. Where have you been?"

"Oh," boasted the gold piece, "I've been on the gambling tables in Las Vegas, in the pockets of a West Texas cattleman, and in the jeweled purse of one of Dallas' wealthiest widows. What have you been doing?"

"Well," murmured the nickel, "I haven't been doing anything very exciting. But I can say one thing; I haven't missed church in ten years."

More than that happened last Sunday. As the officer handed me to the first man in the row, he jumped in supposed surprise and frantically began fumbling for his wallet. Seeing he was 'holding up the show,' so to speak, he handed me on empty to the lady next to him with a feeble smile of apology because he was not prepared.

She dropped in thirty-two cents. As I looked up at her, I wondered why she looked so sad. That "my fair lady" hat must have cost at least thirty-two dollars. Maybe she doesn't think she is getting her money's worth out of life.

Next to her was a woman who wouldn't even look down at me. She quickly passed me to the next hand without putting anything in, as if to say "Don't interrupt my meditation. This unspiritual activity in church annoys me."

The young boy dropped in a dime. Not much, perhaps, but I

Eldorado Success —

Rains—the slow, soaking, gently falling kind—started last Wednesday night to cover dry Schleicher County with moisture raining over 1 1/2 inches, and continued to fall Thursday morning.

Irrigated cotton, in the height of the picking season, will be damaged in grade and staple, but farmers are rejoicing any way over the rains.

McCamey News —

Postmaster R. A. Johnson announced this week that he had been informed that city mail delivery service had been approved for McCamey.

A letter from George A. Gray, Regional Director of the Post Office Department's Dallas Office said, in part:

It has been determined that city delivery service will be established in Big Lake and McCamey, but the date for the establishment has not yet been set.

Fort Stockton Pioneer —

Pecos County, the southernmost of those making up the fabulous oil-producing Permian Basin of West Texas and eastern New Mexico, is a considerably more important factor in the overall economy of Texas than its sparse population would indicate.

With an estimated 12,000 people

spread over the second biggest county in the world, the county ranks seventh in all-time oil production in a state whose principal economic prop has been the oil and gas industry.

Kerrville Mountain Sun —

The Texas Fish and Game Department took the first steps toward restocking the Guadalupe River Wednesday afternoon when 20,000 fingerling catfish arrived from the Possum Kingdom Fish Hatchery for release in Kerr County.

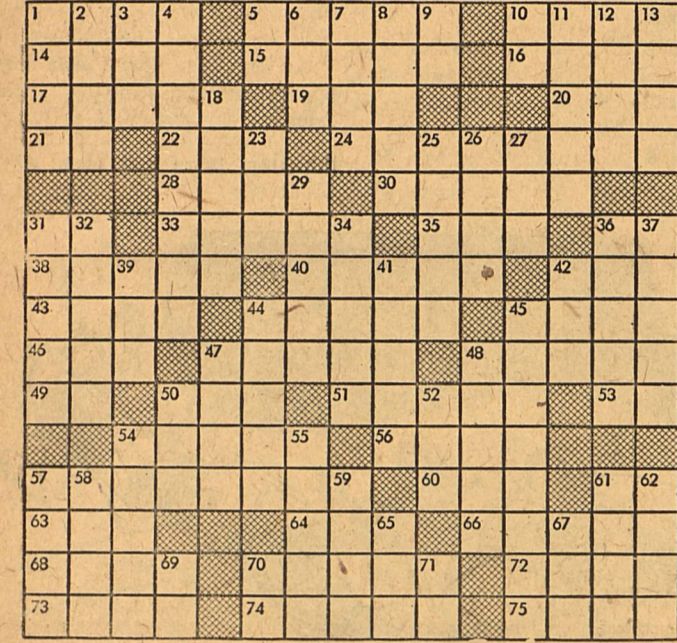

Hatchery for release in Kerr County.

Mr. and Mrs. Alvis Johnson are spending two weeks in Whittier, California visiting their son and family, Dr. and Mrs. R. W. Johnson.

Mr. and Mrs. Wayne Ogden arrived last week for a two week's visit here with his father, O. C. Ogden. They plan to leave Sunday for Houston.

HERE'S HOW TO ASSURE GOOD GOVERNMENT IN TEXAS. WRITE-IN FOR GOVERNOR W. Lee O'Daniel. SCRATCH ALL OTHER CANDIDATES! Write In the Name W. LEE O'DANIEL

## Doleful Senators Due Shock When Ike Wins, Fears Doc

One of the strongest Eisenhower men in our town is Doc Brown. Doc says he just can't put up with Stevenson's socialized medicine program; there are a lot of other things he doesn't like about Adlai, but that one is enough for him, he says. Doc is a pretty outspoken cuss, but he's a good doctor. At least, he's the best one in town, being the only one, and our people always call him when they get sick whether they like his politics or not.

The other day several of us were standing around in front of the post office, talking politics—some Eisenhower men and some for Stevenson—when Doc walked up looking glum. One of the Stevenson men said: "Hey, Doc, what's the trouble, did Ike just call you in some bad news?"

Doc Brown said no, he hadn't heard from Ike this week, but he was worried.

"Not about Ike, you understand," he told the Stevenson fellow. "Ike has got it made. Even the Stevenson people are beginning to admit that. Poor old Adlai isn't going to get any farther in this race than he could throw Kefauver's coonskin cap with the tail cut off."

"The ones I am worried about are these out-of-state senators who are coming down here to Texas to tell us how to vote. I sure feel sorry for those boys. It must be tough to face life with their attitude."

"To hear them tell it, this country is in a terrible shape. All the farmers are starving, all

the businessmen are going broke, and all the working people are just barely making enough to keep body and soul together. The only reason some little country doesn't step in and whip us tomorrow is that they know they can just wait a few days and the United States will fold up of its own accord. That's what I understand from listening to the visiting senators.

"Of course, they know how to correct the situation overnight. Elect Adlai, and let him abolish the draft and do away with the H-bomb, and let Estes establish the Atlantic Union which he has made speeches about all over the country, and everything will be all right."

"These things are too important, of course, for these senators to waste time telling us Texans why they voted against the Texas tidelands bill."

"As a medical man, I am worried about the great shock these senators are going to get, after the election is over and Ike is re-elected and this country keeps on being peaceful, prosperous and progressive. It's liable to put them all in bed."

And Doc Brown walked on off, shaking his head. Of course, the Stevenson man caught on that Doc was hurrahing him, and he didn't like it much, but he'll still have to call him the next time one of the kids gets the croup, because like I said he's the only doctor in town.

Yours Truly,

Jex

(Pol. adv. paid for by Texas Democrats for Eisenhower Weldon Hart, Director.)

## Edwards Plateau Soil Conservation District News

By E. B. Keng

### Soil Conservation Service

Rainfall covered most of the Edwards Plateau SCD last week, dropping needed moisture in amounts varying from less than one inch to approximately four inches. Heaviest rainfall was reported west and northwest of Sonora, with light showers in the south and southeast part of the district.

Rainfall intensity varied from gentle showers on Monday and Thursday to torrential downpours that produced extremely fast runoff. Drought induced bare rangeland soaked up little moisture, while areas protected by grass cover stored moisture 8-12 inches deep.

The root plowed land on the Edwards Plateau SCD trial area and on the Rip Ward ranch held the two inch rainfall without any runoff. Many grass seedlings of red grama, buffelgrass and blue panicum have appeared, along with many weed seedlings. Follow-up rains and late frost will be necessary to insure survival of the grass plants.

Many ranchmen have expressed disappointment at the slow response of grass following last week's rain. There are several important reasons why growth is very slow.

Ranges having little or no old

grass cover soaked up little of the rain. Even slow rain on bare ground seals the soil surface and trickles down the slope. Areas having good cover have produced approximately two inches of new growth, while closely grazed areas are barely greening up.

The drought has severely weakened the root system of grasses that are still alive. More rain and rest will be necessary to permit these grasses to regain vigor. Green leaves must be allowed to grow and remain on plants to permit manufacture of food and development of new roots.

Cool nights retard grass growth is much more rapid with warm nights and adequate moisture.

The value of leaving some ungrazed plant growth on the land to trap the next rain cannot be over emphasized. If rangelands are to recover from the drought grazing management must permit the growth and accumulation of plant litter.

Billie Wright Taylor, who is with the Rotary Engineering Company, moved from Garber, Oklahoma to Meeker, Colorado and is now party chief on a well at Lovington, New Mexico.

## Here! New Task-Force 57 Chevrolet Trucks!

Performance-proved in a history-making test on the ALCAN Highway to Alaska

The Alcan Highway is the road where trucks grow old before their time. The road where gravel endlessly sledgemothers the life out of trucks. Where a fog of superfine dust chokes engines, and vicious ruts subject chassis to months of wear in a few hundred miles.

Six new '57 Chevrolet trucks, heavily loaded with cargo, roared north from Dawson Creek, B.C., through 1,520 miles of mountains and mire, rain and hail to Fairbanks, Alaska. Running around the clock, they made this tortuous trip—normally a 72-hour run—in less than 45 hours. As a special test during the run, two of the trucks went the entire distance without once having their engines stopped!

Come in and see how well these new Alcan champs measure up to your job.

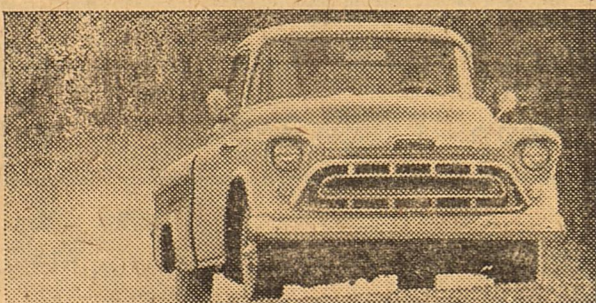

### FIRST WITH THE MOST MODERN FEATURES:

New 283-cubic-inch Taskmaster V8 is standard in Series 5000, 7000 and 8000, optional in Series 6000 at extra cost. Horsepower ranges up to 210 in Chevrolet's complete line-up of modern V8 and 6 truck engines.

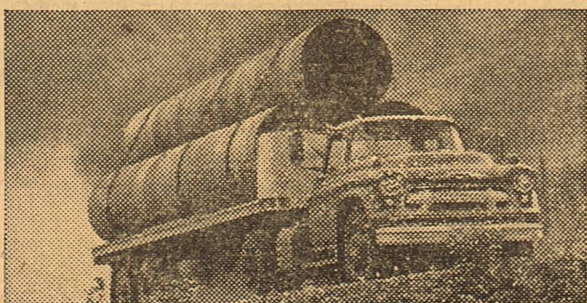

Revolutionary Powermatic Transmission—exclusive with Chevrolet trucks! This six-speed automatic, designed specifically for heavy-duty hauling, is an extra-cost option in Series 5000 and 6000 and all heavy-duty truck models. Hydra-Matic is offered in 3000 and 4000 Series models at extra cost.

L.C.F. models outdate C.O.E. trucks in every way; yet offer all the traditional C.O.E. advantages.

Heavyweight Champs with Triple-Torque tandem are rated at 32,000 lbs. GVW, 50,000 lbs. GCW. Special features include built-in 3-speed power divider.

Alcan fleet reports up to 18.17 miles per gallon! That's the mileage reported by the Cameo Carrier, with Thriftmaster 6 and Overdrive (optional at extra cost).

All the way in DRIVE range with Powermatic! This Powermatic-equipped 10000 Series tractor traveled the Alcan Highway in a single forward-speed range!

**Changes In Social Security Explained**

(Editor's Note: This is the first in a series of stories on the 1956 Amendments to the Social Security Act, prepared for this paper by Ed Bowers, Manager of the San Angelo district office. Readers may want to clip these articles and thus have a complete file on what the new law does and does not provide.)

Congress deliberated for almost two years before making changes in the Social Security Act which became law when President Eisenhower signed the bill on August 1, 1956.

The far-reaching changes in the law will affect every American family. This series of short articles is intended to give you information that will enable you to determine the importance of the Amendments of 1956, to you and your family.

Retirement and family insurance payments will be payable beginning with November of this year to women at age 62. The benefits for women workers and the wives of retired workers will be at a reduced rate before age 65. Payments to widows and the dependent mothers of deceased workers will be paid at age 62 without a reduction.

Another important change in the law provides for the payment of disability insurance at age 50 to those who become unable to work because of extended sickness or accident. These payments will first be paid for July 1957, to those over age 50, who have had extensive social security coverage.

Lawyers, dentists, osteopaths, veterinarians, and chiropractors, are now under the law in 1956, like other self-employed persons. Self-employed medical doctors are still excluded. Members of the armed forces of the United States will be covered by the law like others employees on January 1, 1957. Important changes were also made in the law as it applies to farmers and agricultural workers.

These, and other interesting provisions of the amended law, will be explained in detail in this series. In the next article, you can read about the new benefits for women under the subject-Reduced Age for Women.

Mr. and Mrs. T. A. Williams of San Antonio arrived last week for a two week's visit with friends and relatives in Sonora.

Mr. and Mrs. R. S. Teaff, Mr. and Mrs. Carl Cahill and E. L. Harrell spent ten day in Cortez, Colorado, on a hunting expedition.

Mrs. Vernon Hamilton and Mrs. Pete Skains attended the baking demonstration held at Stephen F. Austin School in San Angelo last Saturday.

Guests in the home of Dr. and Mrs. J. F. Howell this week are Mrs. Howell's sisters and brother-in-law, Mr. and Mrs. Sam B. Hammond of Itta Bena, Mississippi, Mrs. Guy Coleman of Winona, Mississippi, and Mrs. Glen Johnson of Kilmichael, Mississippi.

**Satisfied With Your Community?**

College Station, Oct. 25. -What is your community like? Is it the sort of place where families enjoy living? Are school, church, health and recreation facilities adequate? Or do you often hear people say, "Our community is dying. . . if something could only be done about it."

In 1956 more than 900 Texas communities "did something about it." One hundred and eighty-seven of these were enrolled in the Rural Neighborhood Progress contests sponsored by the Agricultural Extension Service and the Farmer Stockman Magazine. . . Deadline for enrollment in the contest for '57 is December 31.

Some groups centered their interest around social activities such as recreation, church, school and drives for public facilities. Still others began by improving their homes, farms and ranches. Some organized to improve health conditions and services. In every case, as other needs arose, the programs were expanded to include more activities.
