

Former Resident Lewis L. White Buried At Ozona

Funeral services for Lewis L. White, who was killed in a car accident near Palermo, Sicily Saturday, April 20, were held at Rix Funeral Home in Odesa Wednesday, May 1.

Mrs. White, who was with him, was not seriously injured.

Mr. White was employed with the Delta Gulf Drilling Company in Palermo, Sicily. He and his family lived in Sonora for about four years.

Mothers Of Preschool Kids To Meet Friday

Mothers of children who will enter school for the first time next September are urged to meet at the school cafeteria Friday morning at nine o'clock.

Elementary School Principal Rex Lowe says this is a most important meeting, since the number of children to enter school next year will determine whether one or two sections of the first grade will be taught.

Survivors include his wife; one daughter, Mrs. Delores Birt of Palermo, Sicily; one son, Jerry White of Camp Pendleton, California.

Mules To Meet Robert Lee

The Sonora Mules will meet the Robert Lee Rabbit-Twisters here on Allison Field Sunday afternoon, according to Pat Lyles, team manager. Game time is 2:30 p.m.

This is the second game of the league season and the Mules remain undefeated. Last Sunday's game with Kirby of San Angelo was called because of rain.

Interest Runs High As Gas Co's Begin Expansion Activities Here

El Paso Natural Receives Permit From Power Comm.

Approval of El Paso Natural Gas Company's \$105,000,000 expansion program has been received from the Federal Power Commission and pipe for the pipelines to be constructed in Sutton County may begin to arrive in Sonora this summer. However, the bulk of pipe required will not arrive until last September or early October. This pipe has been on order for more than nine months.

Be Prepared In An Emergency Know Your Civil Defense Signals

The civil defense warning system sounded Thursday night to warn citizens of possible tornadoes in the Sonora area. The Tornado Alert signal of one long blast followed by three short blasts was sounded upon orders from the Civil Defense Administration as storms boiled up in West Texas, causing torrential downpours and some wind and storm damage.

Lt. Col. Sharp Home From Overseas Duty

The 100th Air Refueling Squadron returned April 11 from a routine Strategic Air Command overseas exercise.

The first aircraft of the KC-97 squadron, commanded by Lt. Col. Savell L. Sharp, touched down after successfully completing approximately three months temporary duty at an overseas base.

During the temporary duty, the 100th helped refuel the B-52 Stratofortress from Castle AFB, California, on their record shattering flight around the world. The Stratofortresses, through the aid of in-flight refueling, girded the globe in 47 hours and 19 minutes.

According to reliable sources, El Paso Natural requires facilities in Sonora for unloading 100 miles of pipe. Since local gathering line will consume only 56 miles of pipe, it may be assumed Sonora will be construction headquarters for this end of the main line project.

El Paso Natural Gas Co. has agreed to lease from Wesley C. Young and Carl J. Cahill some 20 acres of land for the purpose of building warehouse and equipment sheds. Officials of the company have indicated that 12 permanent homes will be built at the compressor station and dehydrating plant west of town.

Some signal as the Tornado Warning, and means "protect yourself".

Three one-minute blasts with two one-minute silences between--Bombing Attack All Clear. Danger is past.

Pioneer Gathering To Start Building Program Soon

Wesley C. Young and Carl J. Cahill have offered Pioneer Gathering System, branch of Amarillo Gas Company, a long-term lease on approximately 15 acres of land to house the company's offices and equipment warehouse to be constructed in Sonora.

The plot is located south of the railroad east of the train station, and is part of a plot of some 35 acres recently purchased by Young and Cahill from A. B. Hightower.

Construction on the warehouse should begin in the very near future, it is reported. Permission for the line project construction is expected momentarily from the Federal Power Commission.

The offices and warehouse to be erected will serve as headquarters for the gathering company's activities in this area and will serve the Sonora, Vinegaroon and probably the Huldale fields.

Officials of the company in town the first part of the week on a good will and business visit included C. H. Hinton, president and consultant of Management Service Corporation division of Pioneer; C. W. Pankratz, vice-president of Pioneer; Jim Weymouth, head of Pioneer's Right-of-way Department; R. M. Currie, vice-president and treasurer Pioneer Natural Gas Co.; W. L. Smith, treasurer, Pioneer Production Corp.; B. P. Smith, president, Pioneer Gathering System.

Wettest April In County's Record Boosts Ranches And Ranchers Spirits

The wettest April in Sutton County's record has given a welcome boost to rangelands. During the 11 day period from April 19 to 29 most ranches received from four to eight inches-in many instances more rainfall than fell during the entire year of 1956.

The government weather gauge recorded 10.46 inches of rain in Sonora for the first four months of 1957 as compared with 8.21 inches for the entire year 1956, according to Mrs. R. M. McCarver, official weather observer.

Lowrey Dray and the Dry Devil's River have been running most of the past week. Though

considerable runoff has occurred, much of the rain was absorbed by the bone dry rangeland. Moisture has penetrated grasslands from six inches to over three feet, depending upon cover and soil depth.

With abundant moisture and 10 days of cloudy weather grasses and weeds are growing rapidly. Many young seedlings are sprouting and should rapidly get established.

Rainfall Friday varied from .20 in the Experiment Station area to 1.90 on the Mayer ranch. Slow rain Saturday and most of Sunday covered most of the area with from one to three inches.

Hail damaged fruit on the Ben Cusenbary ranch Saturday, and moderate hail was reported by Harold Friess and Libb Wallace.

Rainfall totals for April 19 to 29 include:

Edgar Shurley (home)	4.11
Edgar Shurley (Byrd)	5.00
Edwards Plateau Trial Area	3.66
Sonora Woolhouse	5.51
W. L. (Tom) Davis	5.38
George Brockman	4.49
Harold Schwiening	6.60
Gene Wallace	3.60
J. A. Cauthorn	4.90
Joe Logan	6.75
Frank Bond	7.30
Leonard Gibbs	4.48

Broncos To Austin This Weekend For State Track And Field Events

Odds And Ends

R. S. Weddle, editor of the Menard News, came forth with an article on the rains and their consequences. In his weekly column "Wool Gathering" Weddle brought out several points which can apply to Sonora and her two draws as well as to Menard and the San Saba. Here it is and we've substituted Sonora for Menard:

Bronco Track Coach Joe Turner (right) mans the stop watch for Preston Love (center) and Gildardo Favila (center) as they run the 440-yard dash. Love is rated fourth in state in the event with a time of 52 seconds--only one second from first place. And Preston stands a good chance of bringing home the title.

"When it rains it pours.

"This well-worn statement was well emphasized during the last week, as torrential downpours put Lowrey and Devil's Draws on a rampage twice.

"Many who have felt the pinch of seven years of drought stood on the bridge last week as the muddy water swirled around and rued the fact that so much water was passing through without doing any good.

"It's a pity all this water couldn't have been bottled up and saved for use during the next long dry spell.

"But the floods which Sutton County has experienced this year, as well as in previous years--as well as the drought itself--have their brighter side.

"The have brought our needs more sharply into focus. And they have strengthened our claim that something needs to be done, that almost any governmental expenditure for impounding surface water in this county would be more than justified.

"Several persons have told us that the tendency in the past has been to minimize the damages from the floods, to count the damage to roads, fences and water gaps as just part of the game.

"But now is not the time to minimize. It is the time to add up all the factors--lost top soil, damaged roads, fences and buildings, livestock losses--to show the true picture of what flood waters can do, and have done, to Sutton County.

"And to show the county has suffered from lack of water for want of dams to keep the water where it falls."

for the state title are Sonora and Junction, from the same district and the same region. Junction is a slight favorite for the leadery slot with Stinnett playing a close second, each team expected to amass about 32 points. Sonora stands third with a chance of 24 points. White Oak should stack up about 21 points for fourth. However, qualifications could change for or against Sonora and the Broncos could sweep the title with a tremendous showing in all events.

This is the first opportunity in many years for Sonora to make a state showing and Coach Joe Turner points out that a trip to Austin to watch the Broncos would be a real show.

Finals in all events will begin at one o'clock Saturday afternoon and will run on a schedule of one event every five minutes so that the entire meet will be

Methodist Bishop To Consecrate New Parsonage At Services Sunday

Bishop A. Frank Smith of Houston will deliver the morning sermon and direct consecration services for the new parsonage at the First Methodist Church here Sunday, May 5.

The consecration services will follow immediately the bishop's sermon and will be a part of the morning worship service. Dr. L. Eugene Harris, district superintendent, will introduce Bishop Smith.

Open house will be held at the parsonage from one to three o'clock Sunday afternoon. Visitors are cordially invited to attend at Cusenbary and Mrs. G. H. Davis.

Finished at four o'clock.

State meet points are amassed on the following basis:

In open events: first, 10 points; second, eight; third, six; fourth, five; fifth, two; sixth, one.

tend both the consecration service and the open house.

The new parsonage was completed early this year as a portion of the Church's building expansion program which included a new wing to the education building.

Members of the parsonage building committee included E. A. Brodhead, Herman Smith, Joe Berger, Edwin Sawyer, S. M. Loeffler, Rev. W. H. Marshall, Mrs. May B. Sawyer, Mrs. W. R.

SAMANIEGO INFANT HOME FROM GONZALES

Bobby Samaniego, two year old son of Mr. and Mrs. Pedro Samaniego of Sonora, has been discharged from Gonzales Warm Springs Rehabilitation Foundation.

Bobby, who is a polio victim, have been undergoing rehabilitation treatment at the Foundation.

Heading for state meet in Austin this weekend are (left to right) Broncos Pete Badillo, pole vault; Gildardo Favila, sprint relay; Preston Love, 440-yard dash; Vivian Vasquez, sprint relay; George Johnson, sprint relay, 100-yard dash, broad jump, shot put and possibly discus; Tommy Ray Adams, sprint relay, and Harold (Pee Wee) Garrett, sprint relay. Garrett gave up his qualification for the 100-yard dash to enable Badillo to enter in pole vault.

Coach Joe Turner stands in the background. Turner says the Broncos have a chance to make an excellent showing this year.

and Reed of James Bowie with an even 21 feet.

Johnson is a member of the Bronco Sprint Relay Team which ranks seventh. Other members of the team are Harold Garrett, Tommy Ray Adams and Vivian Vasquez. Turner did not know at press time if Johnson will enter the discus event.

Garrett has relinquished his qualification in the 100-yard dash event so that Pete Badillo can take over with the pole vault. Pete has recorded a height of 12' 1", second in pre-meet events, topped only by Force of O'Brien who has vaulted a height of 12' 2".

Preston Love has fourth fastest qualifying time in the state in the 440-yard dash with a time of 52 flat. Hunt of Gaston ran the event in 51 seconds in district meet under ideal weather conditions but in regional, under the same conditions which Loce competed under for his 52, Hunt recorded only 52.4.

Based on pre-meet figures, two of the top teams in contention

**Edwards Plateau
Soil Conservation
District News**

By E. B. Keng
Soil Conservation Service

The short supply of grass seed available for 1957 planting is almost exhausted. Some 12 to 15 ranchmen have seed to plant approximately 1,100 acres of native grasses.

Sideoats grama is the principal grass in short supply, however supplies of Texas grown KR bluestem, blue grama, and buffalograss are difficult to obtain. Experience has proved that Texas grown seed of native grasses are much more successful than northern grown seed. Grass seed should not be moved over 150 miles south or west of the place they were grown.

Unless additional native grass seed of good quality can be located, some 1,500 acres of soil bank fields in the Edwards Plateau SCD will be planted in cane or sudan this year. If a good dead litter cover can be produced in which to drill native grass in 1958 the seedlings should have a better chance for success. The dead litter holds the water, reduces weed competition, and protects the young plants from spring winds.

Ranchmen will receive \$1.60 per acre for bedding land, and \$1.60 per acre for planting, plus approximately 80 per cent of the litter crop seed.

A cultivated plant called proso millet, or hog millet is being tried in the Edwards Plateau SCD for the first time.

Mr. and Mrs. Jesse Green Barton purchased some seed and gave some to George Brockman, Sam Allison, Cleve Jones, Fred Earwood and others. The grass crop is related to our native vime-squite, Hall's panic, and other panic grasses. It has been grown to a limited extent for forage in northeastern states, and is used for food in Europe.

The plant will be tried here as a wildlife food. The round, yellow seeds resemble millet, but are about the size of buckshot. It the plant can be grown successfully the seed should be very desirable for quail and turkeys.

**Cow's "Cancer Eye"
May Hold Clue To
Cancer In Humans**

"Cancer eye" costs Texas cattlemen enormous fortunes each year.

Texas scientists are trying to find the cause of this peculiar condition, which is 10,000 times as common in cattle as in man. A successful study would not only save cattlemen great sums each year but also might throw light on the genesis of all cancers, including those of man.

Among the clues are: (1) The cancers occur most often on eyes and eyelids which do not contain much pigment--indicating that the

sun's rays may play a role; (2) the lack of pigmentation seems to be inherited--involving genes and breeding; and (3) the ever-present possibility of a virus is being investigated.

Help Texas scientists fight cancer. Contribute to the American Cancer Society's annual fund drive.

Mrs. Lona Murchison of San Angelo was a recent guest of her sister, Mrs. Jane Hamilton.

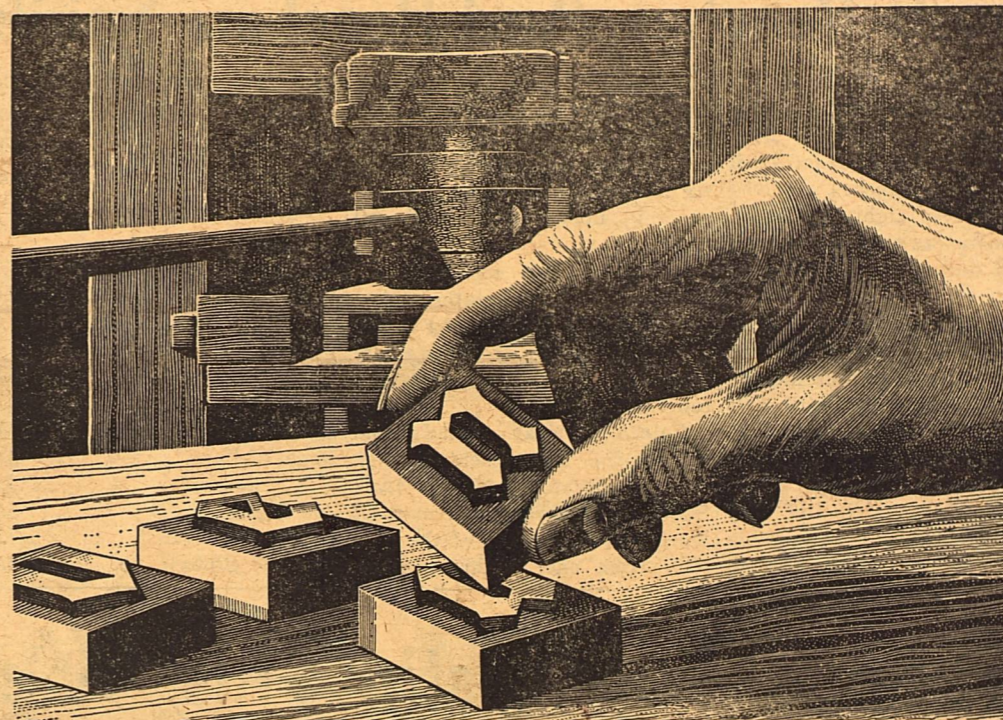

Mrs. Charlie Bishop of Junction visited friends and relatives in Sonora this week.

Mr. and Mrs. Hillman Brown, Robert and Melissa, and Mrs. Joe Hull went to San Antonio Sunday and were accompanied home by Mrs. Auther Simmons, who had eye surgery there recently. Mrs. Simmons believes the operation was very successful.

Green and Lock Sponsor News-Reporting Bill

A bill to assure the right of press, TV and radio representatives to attend and report county, precinct and state political conventions is before the Texas Legislature. Introducing the bill in the House is Rep. Howard Green of Fort Worth (left). Sponsoring the legislation in the Senate is Sen. Otis Lock of Lufkin (right). Green's bill is HB 108. Lock's is SB 94. This legislation is one of the 15 "Better Government" bills advocated by the Texas Press Association in a campaign for open meetings and full accounting of public funds.

SPARKS FOR MINDS

ALMOST five centuries ago, Gutenberg's invention of movable type started a revolution. It has been going on ever since.

For five times five centuries--and eons before--a few men were the privileged rulers--by accident of birth or of circumstance. The people were subjects, supporting those thus kept in authority.

However, movable type, by cutting the cost of printing, began the process of making knowledge more widely available. People's understanding then grew. Sparks of hope were awakened in the minds of men. When it became apparent to entrenched authority that permitting wide dissemination of information and ideas might in time destroy their securities, censorship was exercised.

In a search for greater freedom, men of many

faces and creeds crossed the ocean to establish homes on this continent. They and their children founded here a nation dedicated to a new principle: government by the people, and for the people. And knowing that liberty could be overthrown only by subduing freedom of speech and the press, they provided further that this basic freedom should never be abridged.

That system of government created an opportunity for all men to advance, limited only by their efforts. In but a few generations it won for this people a higher standard of living and of human welfare than had ever before been dreamed possible.

America's freedom of the press has proved to the world that the patriotic instinct of an informed plain people can be relied on to govern wisely and well.

DEVIL'S RIVER NEWS - Sonora, Texas, Thursday, May 2, 1957

Mrs. Potmesil To Head Tri-County PTA Council

The Tri-County Parent-Teacher Assn. council elected officers at a meeting here April 11. Mrs. Frank Potmesil was named president with Mrs. Herbert Fields serving with her as vice-president; Roy Killingworth of Ozona, secretary; Mrs. A. D. Williams of Eldorado, treasurer; Mrs. Edwin M. Jackson of Eldorado, parliamentarian; Mrs. Palmer West of Eldorado, historian; E. A. Brodhead, program chairman, and Mrs. Robert Kelley, publication chairman. Nominating committee was composed of Mrs. Fields, Frank Janes of Ozona, and Mrs. Thompson, Jr.

Members of 2SC Tri-County PTA were guests of Sonora schools for a luncheon following the business session. A post executive meeting was held following the regular session.

A school of instruction was held

Mr. and Mrs. Earl Merck of Fort Worth visited friends and relatives in Sonora during the Easter holidays.

Mr. and Mrs. A. W. Awalt visited their son and daughter-in-law, Mr. and Mrs. Sid Awalt, in San Angelo Sunday.

Mr. and Mrs. Sid Awalt enjoyed the Easter services conducted by Rev. A. L. Loeffler in Bronte Sunday.

Rev. and Mrs. Alanson Brown have as their guest, Mrs. Brown's mother, Mrs. B. W. Fink of Oakton, Va.

Mrs. Muriel Hamilton was called to Austin Saturday where her son, George, underwent surgery at Holy Cross Hospital. He is reported to be doing nicely.

in Ozona Tuesday conducted by Mrs. W. S. Pickett of Corn City, state field worker, assisted by Mrs. Harold C. Green of Water Valley, District 6 President.

Mrs. Robert Kelley and Mrs. Frank Potmesil attended this meeting.

Sonora FHA Girls At State Meeting

Mrs. Dudley Hambright and Mrs. Louis Davis accompanied FHA girls to Dallas to attend the state meeting which took place Friday and Saturday.

Girls who received State degrees at this meeting were Yvonne Davis, Nancy Wilson, Ann Morris, Addah Wardlaw, Elodia Flores, Vicki Archer and Janelle Mayhew. These girls were passed on for degrees at the meeting in Big Spring in March. Yvonne Davis was run as area nominee for vice-president and Alice Lee Daughtrey attended as a voting delegate. The theme topic used at this meeting was "Youth Shows the Way."

Miss Hambright and the FHA girls wish to express their appreciation to Mr. and Mrs. Duke Wilson and the PTA for their cooperation and financial aid needed to make this trip.

Some of the the college students seen at home for the Easter vacation included Joe David and Betsy Ross, Darcy Carroll, Rus Chalk, Jack and Bill Ratliff, Robert Hardgrave, Oscar Lee Carpenter, Turney Friess, John Stanley Hamby, Martha Jean Valliant and Billy Scott.

Shirley Pope, T. S. Thompson To Wed May 25

Miss Shirley Raye Pope

Mr. and Mrs. Roy A. Pope of Sonora have announced the engagement and approaching marriage of the daughter, Shirley Raye, to T. G. Thompson, Jr., son of Mr. and Mrs. T. G. Thompson of St. Jo.

Miss Pope is a graduate of Sonora High School and Western Union Telegraph School in Oklahoma City, Okla.

Mr. Thompson is a graduate of St. Jo High School, attended Midwestern University in Wichita Falls and served five years with the United States Navy.

The wedding will be solemnized on Saturday, May 25, in the First Baptist Church of Kerrville.

MRS. STITES ENTERTAINS PASTIME CLUB THURSDAY

Mrs. C. E. Stites was hostess to the Pastime Club in her home last Thursday afternoon. Arrangements of spring flowers decorated the party rooms and a dessert plate and tea were served.

Mrs. Lee Labenske won high club score and Mrs. Karen Peterson won high guest score.

Also attending were Mmes. R. B. Kelley, Tom Sandherr, Rose Thorp, J. W. Trainer, O. G. Babcock, Joe Berger, Charles Hull, Theresa Friend, Maysie Brown and Ella Wallace.

TWICE TUESDAY CLUB MEETS AT NANCE HOME

Arrangements of wild honeysuckle were featured in the decorating scheme when Mrs. Joe Nance entertained the Twice Tuesday Club in her home last week. A dessert course and coffee were served.

Mrs. W. A. McCoy and Mrs. George Hamilton won high score prizes and Mrs. Tommy Smith won second high score prize. Mrs. Jack Kerbow won the consolation prize and Mrs. Bill Tittle won at bingo.

Others who attended included Mmes. Francis Archer, Clayton Hamilton, Nolan Johnson, Reggie Trainer, Cleveland Nance, George Wallace and David Shurley.

Mrs. Robert Rees returned home Friday after a two weeks visit with relatives in Houston and San Antonio.

Mr. and Mrs. Frankie Franks and daughters, Mae and Betty, of Victoria spent last weekend here the guests of his mother, Mrs. Fannie Franks.

MRS. HALBERT HOSTESS

Mrs. Robert Halbert entertained with a bridge party at her home last Thursday afternoon. Arrangements of mixed spring flowers were featured in the decorating scheme. A dessert course and coffee were served.

Mrs. R. G. Nance won high score prize, Mrs. W. O. Crites won the slam prize and Mrs. Henry Decker won the bingo prize.

Others who attended included Mmes. Arthur Carroll, John Bell, Earl Duncan, Louie Trainer, L. E. Johnson, Sr., Ernest McClelland, R. C. Vicars, P. J. Taylor and Belle Steen.

Mrs. Tom Driskell has as her guest her cousin, Mrs. Helen Murphy, who arrived from Bakersfield, California Sunday. Mrs. Murphy was accompanied by her son, Bob Jackson, who has a host of friends in Sonora. Bob attended school here and was a graduate in the class of '38.

Mrs. Margaret Dungan spent several days in Sonora last week the guest of her parents, Mr. and Mrs. R. L. Hallum.

Congratulations

Mr. and Mrs. Jack Russell Drennan are the parents of a son, Gregory Allen, who was born Sunday, April 28, in Fort Smith Arkansas, and weighed 6 pounds and 14 ounces.

Grandparents are Mr. and Mrs. Jack Drennan of Sonora and Mr. and Mrs. A. E. Sanders of Durant, Oklahoma. Mr. and Mrs. O. E. Merriman and Mrs. Fannie Franks are his great-grandparents.

Mr. and Mrs. John Franklin Howell, Jr., have announced the birth of a son, John Franklin Howell III, who was born April 29, at Oschner Foundation Hospital in New Orleans, and weighed 7 pounds.

Grandparents are Dr. and Mrs. J. F. Howell of Sonora and Mr. and Mrs. H. W. Smith of Big Spring. Mrs. W. L. Smith of Fort Worth is his great-grandmother.

Rodney Davis, Tommy Espy, John Ed Neville, and Freddy Fields, a cast of 23 others will be seen in the comedy. The production has been directed by James G. Robbins and its settings designed by him also.

"Teahouse" Is Story Of Okinawa Occupation

With Butch Baker and Shannon Ratliff in the leading roles, "The Teahouse of the August Moon", the world famous comedy about American occupation troops in Okinawa, will be given at the Sonora High School Auditorium May 9 and 10.

Shannon Ratliff will be seen as Sakini the Okinawan interpreter and skillful arranger-of-everything, who personifies the wry attitude of his countrymen to their conquerors' efforts to bring them salvation. He explains that Chinese pirates in the 14th century, English missionaries in the 16th century, Japanese warlords in the 18th century, and the American Marines in the 20th century have always brought culture to Okinawans, so they've never had to leave home for it.

Butch Baker will portray the conscientious American Army captain who tries to bring American democracy, education and prosperity to one small village in Okinawa until he is instead converted to the graces of oriental culture.

Jay Wray Campbell will be an Army psychiatrist sent to rescue the derelict captain, but who also goes native in turn, to the indignation of the commanding colonel--to be played by Frank Joe Potmesil--who insists on strictly applying Plan B as devised by far-away Washington.

Jan Keng will have the leading feminine role of a charming geisha girl whom villagers "give" to the confused captain when he tries to introduce them to the blessings of western ways.

In addition to the leading roles being played by Preston Love,

Bronco Band Has Annual Banquet

The Sonora Bronco Band sponsored the annual banquet Thursday night in the Central Elementary School Cafeteria. Guests were served by Band Mother, Mrs. W. T. Hardy, Mrs. Lewis Spraggins, Mrs. Ed Hawkins, Mrs. Gomer Minnick, Mrs. Joseph Vander Stucken Mrs. T. R. Chappell and Mrs. Alfred Schwiening, Jr.

Guests were Mr. and Mrs. E. A. Brodhead, Mr. and Mrs. Earl Smith, Mr. and Mrs. A. C. Hart and Shannon Ratliff. Jan Keng and Shannon Ratliff showed films of the European trip they made last summer.

The cafeteria was decorated in school colors with arrangements of spring flowers. An all school dance followed the banquet.

R. J. Benson expects to leave shortly for Goldthwaite, where he will open a Singer sewing machine agency.

George Morris, Jr., came over

from McKavett Thursday to take in the calico ball.

Old Alcalde Roberts has announced himself as a candidate for Governor of Texas. Wants to restore Texas to a Pay-as-you-go basis. The announcement has created a sensation.

Get More DOLLARS from Grass

A familiar call or a honk from the jeep bring cattle arunnin' when Purina Range Checkers are fed. Cattle need 'em too, when range is sparse and dry.

Purina Range Checkers have carbohydrates for heat and energy, body-building protein, vitamins and minerals for health and reproduction. They're economical, too. Come in and see us for your winter feed needs.

... and don't forget those early calves. Creep feeding pays off in added weight at weaning time and higher prices per pound. By creep feeding you save wear and tear on the mother cow and leave her in better condition for breeding season. This means a larger calf crop for you.

Easy to feed

POSTAL PILEUP . . . Whole nation presented scenes like this when Postmaster General Summerfield canceled Saturday mail delivery after House appropriations committee cut off \$47,000,000 he requested.

How Beautiful Is The Rain

I saw it rain--in Texas. Not an unrecalling, half-hearted effort, but the real McCoy. I saw it rain. It happened on Easter Sunday, in Kimble County. The thunder roared, the lightning flashed, and the rain poured. It was a frog strangler. At ten o'clock at night Mr. Hunsucher, with the State Highway Department, (who doesn't observe the 8-hour day) came to my brother's house to use the 'hone. He was out in-

TEC Personnel To Hold Meetings On Bracero Problem

A representative from the Texas Employment Commission will be in Ozona at the Courthouse, May 1 at 10:00 a.m. and in Junction, May 3 at 9:30 a.m. at the Kimble County Courthouse. It will be to the advantage of all ranchers who contract Braceros or contemplate contracting Braceros to be present at either of these meetings.

Certain information will be given these ranchers regarding contracting and the responsibility under the Mexican National Program. Information will also be given to the ranchers regarding the new Housing Statement that has to be submitted in contracting or being renewed or when additional Braceros are contracted.

Ranchers not present at this meeting will very likely have to contact San Angelo, Texas Employment Commission office before they will be able to extend contracts or contract new Braceros.

Mr. and Mrs. Raymond Mittel and daughter, Theresa, of Brian were guests of her parents, Mr. and Mrs. Jack Drennan, during the Easter holidays.

Mrs. J. S. Glasscock, who underwent major surgery at Methodist Hospital in Houston Thursday, is improving. Her husband and her daughter, Mrs. Russell Oliver are there with her.

Will the party who removed the purple kangaroo from the court house lawn Friday, please leave at News Office. No questions asked.

your brain budget

- Actaeon was (a) a sailor; (b) huntsman; (c) architect.
- Ameliorate means (a) freeze up; (b) grow better; (c) cease growing.
- Raptorial means (a) living on prey; (b) indexed; (c) expressive.

ANSWERS
1. Huntsman.
2. Grow better.
3. Living on prey.

Looking Through The Windows Of Life

By W. H. Marshall

Quotes: Obstinacy is will asserting itself without being able to justify itself. It is persistence without a reasonable motive. It is the tenacity of self-love substituted for

gram officiating. After the ceremony a dance and reception were tendered the happy couple by their friends in the hall. Everything passed off pleasantly. -61-

After spending a busy week at Sonora, Dr. Cash returned to his home in Mason. He will revisit us about the 15th, and remain till May 30th. All persons in need of dental work will please call on him during his next visit. Gas used for painless extracting. -61-

that of reason and conscience. Obstinacy is the strength of the weak. Firmness founded upon principle; upon truth and right, order and law, duty and generosity, is the obstinacy of sages. -Lavater.

Obstinacy and vehemency in opinion are the surest proofs of stupidity. -Barton.

Obstinacy and heat in argument are surest proofs of folly. Is there anything so stubborn, obstinate, disdainful, contemplative, grave, or serious, as an ass? -Montaigne.

Obstinacy is ever most positive when it is most in the wrong. -Mad. Necker.

Obstinacy and contention are common qualities, most appearing in, and best becoming, a mean and illiterate soul. -Montaigne.

We never live; we are always in the expectation of living. -Voltaire.

Life is hardly respectable if it has no generous task, no duties or affections that constitute a necessity of existence. Every man's task is his life-preserver. -Emerson.

Life is fruitful in the ratio in which it is laid out in noble action or patient perseverance. -Lid-don.

A man is no more than his meanest act. -W.H.M.

Liberty to do right is the true and only liberty. -W.H.M.

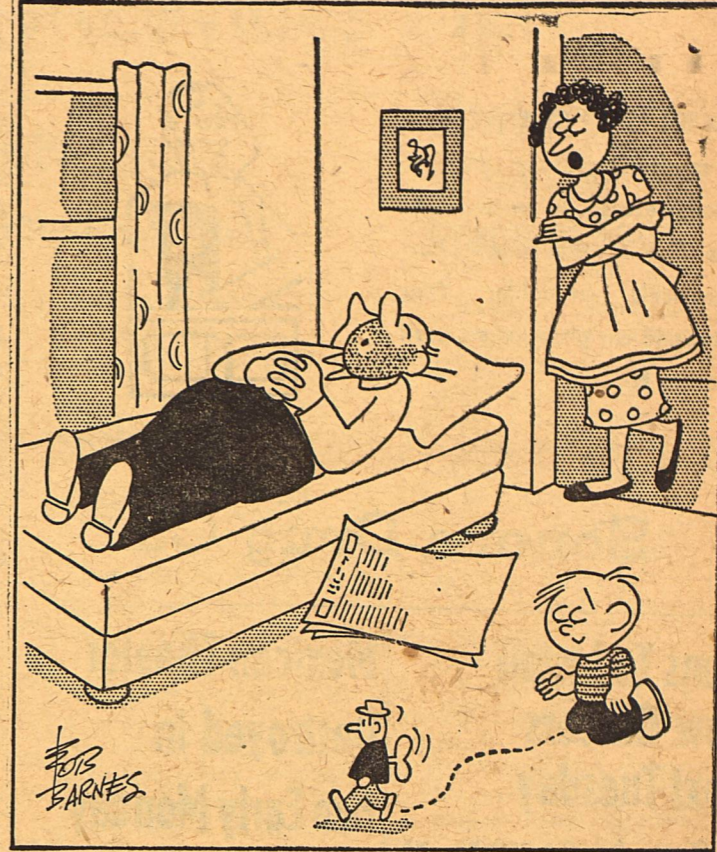

61 YEARS AGO

W. M. Kelso, the accomodating manager of the Junction City mail line, was in Sonora Friday. Mr. Kelso who, by the way, is a cousin to Judge Winchester Kelso, says his line is now prepared to attend to the wants of the patrons of the line in the matter of express par-

cels, etc. They also make good time and are prepared to carry passengers. -61-

Tom Taylor's little boy started to jump out of the hack as they were nearing Junction to attend the wedding of Henry Taylor, Wednesday. The child's foot caught and in falling his arm was broken.

Cadillac

Listen to What Its Silence Says!

Ever hear a motor car tell its own story?

Well, just get behind the wheel of a new 1957 Cadillac-head for your favorite stretch of highway-and listen!

Of course, the truth of the matter is that you won't actually hear anything. For a 1957 Cadillac in operation is as quiet as human skill and ingenuity can make it.

But imagine, if you will, all the wonderful things the car will be telling you through the voice of its own silence!

First of all, it will speak-and most eloquently so-of the soundness of Cadillac styling. For the car is so scientifically designed that even the onrushing wind is reduced to a gentle whisper.

It will tell you of the genius of Cadillac engineering. For every aspect of the car's brilliant performance goes about its work in soundless harmony.

And it will reveal the care and the skill of Cadillac craftsmanship. For even when it travels the most neglected of byways, the car remains wonderfully silent.

If you have yet to sit at the wheel of a 1957 Cadillac and hear this wonderful story for yourself, then we urge you to delay no longer in doing so.

We hope you will visit your Cadillac dealer soon-spend an hour on the highway-and listen to the most eloquent message a motor car ever delivered on its own behalf!

Lions To Install New Officers Next Tuesday

Officers for the coming year will be installed at next Tuesday's meeting of the Sonora Lions Club. Clayton Hamilton, current first vice-president, will become president of the civic club for the next year.

Other officers to be installed include Hillman D. Brown, first vice-president; Harold Scherz, second vice-president; Joe Nance, Lion Tamer; Jack Kerbow, Tail Twister and A. E. Prugel, secretary-treasurer.

New directors to take office for the next two years are Cecil C. West, John Bunnell and Cecil Westerman. Holdover directors whose terms expire in 1958 are George H. (Jack) Neill, Joe Berger and Edwin Sawyer.

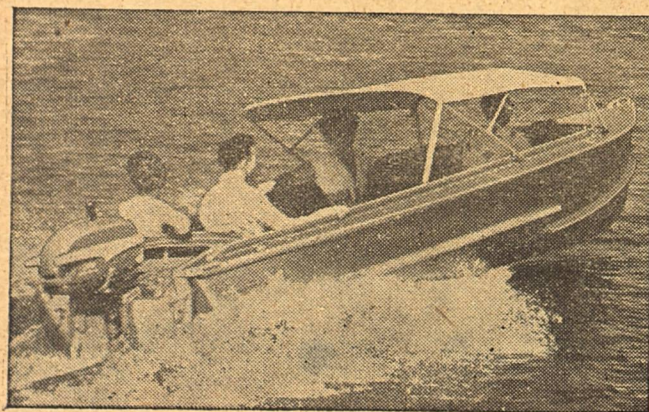

Mrs. Algerene Martin of Fort

Mexican Theater Destroyed In Fire Early Monday

The Mexican Theatre, owned by Marcos Perez and Miguel Sanchez, was completely destroyed by fire early Monday morning. Fire Chief Lee Patrick said the Sonora Volunteer Fire Department answered a call to the building, one block east of St. Ann's Catholic Church, about 4:30 o'clock Monday morning.

Cause of the fire was undetermined but the interior was completely gutted and the outside walls collapsing before the alarm was turned in. The building was not insured.

Worth spent the Easter weekend in Sonora with her sister and family, Mr. and Mrs. Dick Morrison and Janet.

Every CRESTLINER outboard is designed to give superior performance . . . smoother riding, better speed, safer operation, maximum safety. Hard temper aluminum and finest craftsmanship assure rugged durability and long life. No need for painting, reduces upkeep to an absolute minimum. Come in . . . see why one of the eighteen CRESTLINER models is your best boating buy. See why CRESTLINER is America's finest aluminum watercraft.

Experiment Station Plans Weigh Day Saturday, May 4,

The annual "Sheep Field Day" at the Texas Agricultural Experiment Station at Sonora is scheduled for Saturday, May 4, Dr. W. T. Hardy, superintendent, has announced. The event will begin at 10 o'clock Saturday morning.

Walter F. Hodde, Marketing Specialist of the Farmer Cooperative Service USDA, Washington, will be principal speaker, Dr. Hardy said. His discussion of "Some Good Opportunities in Wool Marketing" will be followed with a question and answer session.

Other speakers on the program will be Dr. R. D. Turk, head of Texas A. & M.'s Department of Veterinary Parasitology; Dr. Charles W. Livingston, assistant veterinarian at the Sonora Station who will discuss "Immunization of Lambs Against Bluetongue"; and Maurice Shelton, assistant animal husbandman who will discuss performance of lambs on test at the station.

The morning activity will include visits to the pen where lambs have been on a 224-day performance test. Barbecue dinner will be served at noon.

Tea Tuesday To Honor Teachers, PTA Life Members

Members of the Sutton County Chapter of the Parent-Teachers Association will be hosts Tuesday afternoon to a tea honoring life members and faculty members. New officers will be installed at the tea which is scheduled for 2:45 o'clock, at the school cafeteria.

By D. C. Langford
Sutton County 4-H Club Judging teams participated in three contests in San Angelo Saturday, April 27, and won two first places and one second place team awards. The Senior Range Judging Team composed of Freddy Fields, Gene Brodhead, Jack Baker and Pascal Allison won first place. Freddy was high individual.

The Junior Range Judging team composed of Preston Neely, Dick McMillan, John Friess and Cleve T. Jones also won first with Preston, Dick and John taking first, second and third high individual awards.

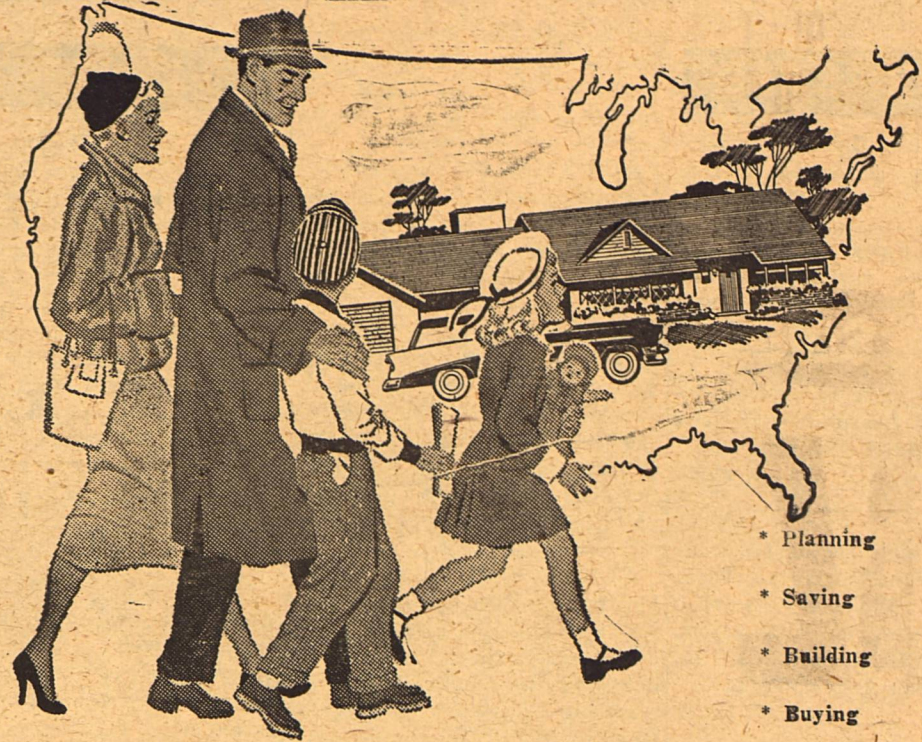

In Senior grass judging the Sutton County team of Claire Jones, Rodney Davis, Joe Friess and Tommy Love placed second with Tommy placing third high individual.

George Ed Hill also attended the contest and participated in the livestock judging contest. Parents and leaders who accompanied the 4-H members were Mr. and Mrs. W. B. McMillan, Mrs. Alice Jones, Harold Friess and D. C. Langford.

Sutton County 4-H judging teams will participate in the Ozona Range Judging Contests May 18, the State Wool and Mohair Judging Contest June 8, the State Range Judging Contest June 10, the Junction Wool, Mohair and Plant Judging Contests June 15 and the Sonora Wool and Mohair Show Judging Contests June 19.

Mrs. James Baggett of Ozona, district vice-president, will install the following new officers: Mrs. Duke Wilson, president; Mrs. Robert Kelley, Jr., first vice-president; Mrs. Marion Elliott, second vice-president; Mrs. W. A. McCoy, secretary; Mrs. Allie McBride, treasurer; Mrs. Edgard Shurley parliamentarian; Mrs. Herbert Fields, historian, and Mrs. Ralph Finklea, publicity chairman.

YOU PLAY AN IMPORTANT PART IN AMERICA'S PROGRESS!

Banking Locally Helps Your Community's Progress

To Many Americans, progress means industry, building, science and financial gains. But progress means people, too! You're the people who help the community grow by saving for the future, building better homes and expanding business. Our business is to help you progress.
