THIRTY-FIFTH WEEK

Sonora Lions Club Conducting Civic Improvement Survey

The Lions Club committee for civic improvement has this week compiled and distributed a questionnaire to be answered by local merchants, business and professional men. Questionnaires were distributed to some 130 firms and individuals. Results of the questionnaire will be tabulated by the committee which is attempting to arrive at the best means of promoting business growth and civic development in Sonora. The questionnaire read as follows:

1. Do you think there is a co-ordinated effort being made to further business and industrial growth in Sutton County?

Yes No No Opinion

2. Do you believe that everything possible is being done to make Sonora more attractive to potential new residents through the development of recreational facilities (parks, playgrounds, youth activity programs, community center)?

Yes No No Opinion

3. Do you feel that our community needs additional civic and business effort to take advantage of oil and gas development?

Yes No No Opinion

4. Do you believe that community development and improvement can best be handled by the Lions Club through an active committee?

Yes No No Opinion

A. Would you support such an effort financially with a definite commitment for a twelve-month period?

Yes No Undecided

B. Would you give your time as a member of an active committee to take best advantage of the above suggestions?

Yes No Undecided

5. Do you believe that community improvement and development can best be served by forming a new organization whose specific purpose would be to fulfill these aims?

Yes No No Opinion

A. Would you support such an effort financially with a definite commitment for a twelve-month period?

Yes No Undecided

B. Would you give your time as a member of an active committee to take best advantage of the above suggestions?

Yes No Undecided

6. In your opinion, what is the best course for the Lions Club to follow in attempting to develop and expand business and industrial growth?

Race Meet To Open Here Friday, June 14 With Six Races Scheduled Daily

The Sonora Park Association's annual race meet will open here Friday, June 14 for a three-day period. Entries in the event have slowed down due to rains over the country but officials of the association expressed confidence that by opening day a large number of top-notch horses will be on hand to assure spectators a good meet.

Work is continuing toward shaping the race track for the event and indications are that the track, which is well drained, will be in good shape.

About 60 horses have been officially entered for the meet, including some of the race circuit's most outstanding runners. Entries will come from San Antonio, Junction, Brady, Austin, Wichita Falls and Poteet.

Six races will be run daily beginning at two o'clock each afternoon and lasting until about five o'clock.

Added purses in the amount of

Bible School Underway With 130 Enrollees

The interdenominational vacation Bible school, sponsored by the Baptist, Episcopal, Methodist and Presbyterian churches in Sonora, opened Monday morning and will continue through Friday, June 14. About 130 children are enrolled in the school.

Teachers and assistants are as follows: Nursey: Mrs. Jack Kerbow, Mrs. Max Hardegree, Mrs. Clayton Hamilton, Rita Lee and Janice Glascock.

Pre-School: Mrs. Louie Trainer, Mrs. Marion Elliott, Gay

\$1,950 will be offered again this year.

Educational Trust Benefiting Three Sonora College Youths

Two Sutton County students have received loans during the past year through the Sutton County Educational Trust Fund, and at least one more will be added to the student loan list the coming year. Rus Chalk and Eddie Farrell Smith have been attending the University of Texas and Abilene Christian College, respectively, and Lennie Mayhew will attend Sul Ross State College through the use of student loans.

At least 2 more prospects, one in the field of religion and the other in the field of nursing, are being considered by the Trust's advisory council.

Under the private endowment,

which will eventually amount to \$100,000 some \$3,000 per year will be available to applicants who meet the approval of the advisory council. The council's approval will be based on the applicant's character, his need for the loan, his demonstrated abilities and his capacities to benefit from added training. Final approval and decisions as to the amount and extent of assistance lie with the board of trustees.

Primary purpose of the trust is to encourage and assist students desiring to enter ministry, with secondary consideration going to those training for social work, nursing or teaching; third pre-

Potmesil and Sarah Sawyer. Primary: Mrs. Bill Green, Mrs. Louin Martin, Mrs. Bob Odom, Mrs. June Ellis, Gail Rode, Alice Lee Duncan, Ann West, Nancy Prugel, Janie Faye Hill and Barbara Wilson.

Juniors: Mrs. Jo Bell, Mrs. A. E. Newton, Mrs. Bill Lee, Mrs. Margie Evans, Mrs. Rip Ward, Patsy Rode, Edwina Hawkins, Frank Joe Potmesil and Michael Evans.

Jerry Shurley of Austin is visiting friends and relatives in Sonora this week.

Preparations Beginning For 20th Annual Lions Club Wool-Mohair Show June 19-20

The 20th annual Sonora Wool and Mohair Show is only two weeks away and preparations have begun toward receipt of entries in the nationally known exhibition. The show, an all-Texas show for 4-H Clubs, FFA Chapters and adult producers is sponsored each year by the Sonora Lions Club.

Purpose of the show is to en-

J. L. Williams Services Held Friday, May 31

Funeral services for James Lester (Jim) Williams, 72, who died of a heart attack Wednesday, May 29, in Hudspeth Memorial Hospital, were held in the Methodist Church at 4:30 p.m. Friday, with Rev. W. H. Marshall performing the rites. Burial was in the Sonora Cemetery under direction of Ratliff Funeral Home.

Born in Peru, Kansas, March 8, 1885, Mr. Williams came to Sonora from Shreveport, La. eight years ago. He was an independent oil operator, a member of the Methodist Church and a friend to everyone.

Survivors include two daughters, Mrs. G. E. Dixon of Paducah, Kentucky and Mrs. Homer Anderson of Peru, Kansas.

Pallbearers were Vernon Griffin, Bryan Hunt, Bob Teaff, Pat Lyles, Melvin Hearn and Harold Garrett.

Cancer Crusade Tops Quota

Mrs. Alvis Johnson, Cancer Crusade Chairman for Sutton County, reported this week that the county fund drive exceeded the quota of \$1,000 for 1957. A total of \$1,048 was collected by crusade workers.

Memorials given to the Cancer Society may be made to Mrs. Johnson.

Drum Major, Twirlers Named For Bronco Band

Jan Keng will be drum major for the Sonora Bronco Band for the school year 1957 to 1958, according to A. C. Hart, director. Jan was selected in tryouts in Mason on May 20.

Twirlers for next year were chosen by band directors of three San Angelo schools in San Angelo last Thursday. They will be Florrie Mae Minnick, Tom Elaine Espy, Jo Ann Capps and Rex Ann Baker.

May '57 Record Rainfall As Added Showers Raise Total

By E. B. Keng

Following the greatest drought in recorded history in this area, rainfall on May 31 brought a record total for May precipitation--at least for the past 72 years. May totals varied from some 9 to 15 inches. San Angelo's long-time rainfall record shows 13.00 inches in May 1870 and 13.50 inches in May 1884. (Incidentally, it is reasonable to assume that torrential rains recorded in 1884 may have put the driftwood observed by pioneers in 1887 at the liveoak tree near the present courthouse yard.)

The Sonora Experiment Station recorded nine to 10 inches for May; the Woolhouse 10.19; SCD trial area 12.90; Joe Logan 11.85; Glen Lumpkins (Wheat) 12.05.

The total for the year varies from 16 to near 30 inches.

Friday's rainfall varied from 1.10 to 4.50 inches. A few light showers fell Saturday and Sunday, and rains from .30 to 1.80 fell Monday afternoon. Lowrey Draw was on a feeble rise Monday morning from rains of slightly over an inch on the R. A. Halbert ranch. Only a light shower fell in Sonora. Billy Gal-

breath received 1.80 Monday and small draws were over the road at the Mack Cauthorn ranch. Over an inch had fallen at the Buster Shroyer ranch at six o'clock Monday evening.

Extreme rainfall has resulted in the best soil moisture in many years. Bare deep soil areas are wet to 16 inches, and most of the country is soaked to solid rock. Headers run clear water for days after each rain.

Cloudy, wet weather has thrown sheep shearing schedules 30 to 45 days late, and screw worms are reported the "worst ever". Though a few ranchmen are ready to mutter "calfrope", the general attitude as expressed by Joe Logan is "Let 'er slop!"

Rainfall reports gathered by the Soil Conservation Service for the Friday, May 31, rains are as follows:

Harold Friess 2.55; Joe Logan 1.10; Moore and Neill (Thorp) 4.50; Paul Turney 2.20; Fred Earwood 2.65; J. A. Cauthorn 2.50; Sim Glascock 2.10; Thelma Espy 3.60; Edwin Sawyer 2.90; Dorothy Baker 2.70; J. V. Alley 1.70; Sonora Wool and Mohair 1.47; Robert Pfluger 1.90; Ed Mayfield (Lower Ranch) 2.00; Rip Ward 1.45; Wess Hill 3.70;

W. A. Miers 1.90; L. E. Johnson, Jr., 2.00; Wesley Sykes 1.10; Hospital Ranch 1.30; Alvis Johnson 1.65 to 2.60; Robert Hardgrave 1.50; Experiment Station 1.56; John Cauthorn 1.50 to 2.65.

Funeral Services Held Here Friday For Robert Eli Taylor, 85, Sutton Pioneer

Robert Eli Taylor, 85 died Wednesday, May 29, in Memorial Hospital in San Angelo, where he had been a patient three weeks. He underwent surgery at Shannon Hospital six weeks earlier.

Funeral services were held at two p.m. Friday in the Methodist Church with Mr. Bomer Gist of San Antonio and Mr. J. E. L. Harrison, ministers of the Church of Christ, performing the ceremony. Interment was in the Sonora Cemetery under direction of Ratliff Funeral Home.

Born in Jasper County June 29, 1871, Mr. Taylor moved with his family to San Saba County in 1882 and to Sutton County in 1905. He was married to Miss Mattie Altizer in March 1899, and to this union thirteen children were born.

Mr. Taylor, who had ranched in San Saba, Sutton and Iron Counties, organized the Sutton County Protective Assn. and was its president. The organization was dissolved when the Texas Sheep and Goat Raisers Association was formed.

With the late B. M. Halbert, he originated the idea for the ranch experiment station which is located 25 miles south of Sonora. He obtained a promise of \$8,000 from the Legislature provided citizens donated \$2,000. Mr. Taylor gave the first \$100 and with other interested persons

THOMAS MORRISSES ON FARM AND RANCH TOUR

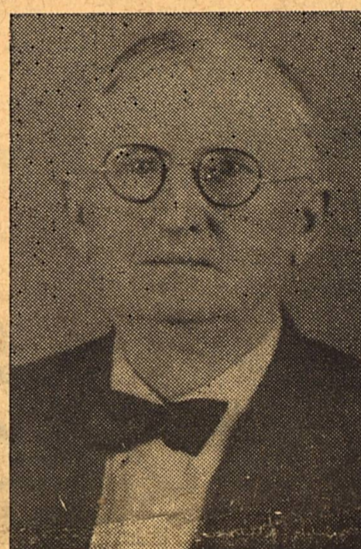

Mr. and Mrs. Thomas Morriss of Sonora are members of a group of more than 200 Texas farmers ranchers and other interested individuals who left June 5 from Dallas Union Station on a two-weeks WFAA Radio Farm and Ranch study tour of the North-eastern United States and Canada.

The show committee is composed of Fred T. Earwood, chairman, Joe M. Vander Stucken, Edwin Sawyer and Bryan Hunt.

Awards are presented to grand champions as follows: Junior Division: Wool Single Fleeces, rosette and trophy cup by Sonora Feed and Supply; Mohair Single Fleeces, rosette and trophy cup by Wm. Cameron Co., Inc.; Bags of Wool, rosette and trophy by Stockmen's Feed Co.; Record Books \$10;

Adult Division: Wool Single Fleece, rotating trophy by First National Bank; Mohair Single Fleece, rotating trophy by Sonora Wool and Mohair Co.; Bags of Wool, rosette and trophy by Sonora Wool and Mohair Co.

Judging Contests: Junior Division: High individual Range Management, copy of "Practical Grassland Management" by Edwards Plateau SCD; High teams and individuals in wool and mohair judging, medals and banners; Best All-Round Club, trophy cup by Sonora National Farm Loan Association.

raised the amount.

Mr. Taylor was a candidate for state representative from the 91st District in 1946. In 1921 and 1922, Mr. Taylor was sent to Washington, D. C., to work for a tariff on wool and mohair.

Mr. Taylor also ranched in New Mexico and was said at one time to have had what was considered the outstanding flock of goats in Texas and New Mexico. He bought his first goat in 1915.

Mr. Taylor was a member of the Church of Christ and the Men's Bible Class in San Angelo.

He is survived by six sons, C. W. Taylor of Sonora, Tom Taylor of Del Rio, R. E. Taylor, Jr., W. A. Taylor and Basil Taylor, all of San Antonio, and Major Jimmie Taylor of Lee's Summit, Mo.; three daughter, Mrs. Sarah McKee of San Angelo, Mrs. Verna Mae Reynolds of Springfield, Ore., and Mrs. Cora Belle Sofge of Mertzson; 20 grand children and 10 great-grand children.

Pallbearers were Bob Young of San Angelo, Alvis Johnson, Bryan Hunt, Oscar Carpenter, W. T. Hardy, Tom Davis, Bud Smith and O. C. Ogden.

Rev. Roehrs To Conduct Services For Lutherans

Lutherans of the area will hold their semi-monthly worship service Sunday, June 9, at four o'clock at St. John's Episcopal Church.

The Reverend Luther Roehrs, pastor of Trinity Lutheran Church, Eden, will bring the message on this Pentecost Sunday under the theme: "The Gift to the Faithful Christian".

Bible Class and Sunday School for all age groups will meet at the parish house at five o'clock.

SANCHEZ INFANT HOME FROM GONZALES

Esmeraldo Sanchez, one year old daughter of Mrs. Enequina Sanchez of Sonora, has been discharged from Gonzales Warm Springs Rehabilitation Foundation. The infant had been undergoing corrective treatment for polio.

Little League Play Opens Tonight With Double Header Scheduled

Joe Nance, secretary-treasurer of the Sonora Little League, released the League's schedule for the summer season this week. Slated to open on Saturday, June 1, rainy weather and a damp field delayed the first game until Thursday, June 6.

Four teams comprise the league again this year. Managers are Charles L. Haines, Giants; W. B. Dillard, Tigers; Reggie Trainer, Yanks, and Leon Neely, Cubs.

Umpires for the season will be James D. Trainer, Glen Hay, Jack Kerbow, Clayton Hamilton, S. M. Kerbow, Vernon Cook, J. W. Neville, Harold Scherz, John Wesley Joy, Cleveland Nance, Francis Archer, Israel Perez, Candelario Jimenez, Joe Neil Smith, Jesus Gomez, Rafael Gonzales, Marion Elliott, Jessie Valarreal, Santana Noriega, James

Wilson, Pat Lyles, Bob Teaff, Hut Moore, Max Hardegree, G. W. Archer, Bill Smith, Sid Rogge, Frank Noriega, E. B. Keng, F. L. McKinney, Billy Green, Gus Flores, Lalo Gonzales, Nick Esquivel, Ray Valadez, Alfred Bermea, and Billy Bob Ellington.

The season's schedule follows: June 6, Yankees vs Tigers, Giants vs Cubs. June 10, Cubs vs Yankees, Tigers vs Giants. June 13, Giants vs Yankees, Tigers vs Cubs. June 17, Yankees vs Tigers, Cubs vs Giants. June 20, Cubs vs Yankees, Giants vs Tigers. June 24, Giants vs Yankees, Cubs vs Tigers. June 27, Giants vs Cubs, Tigers vs Yankees. July 1, Cubs vs Yankees,

Giants vs. Tigers. July 4, Make-up game. July 8, Giants vs. Yankees, Tigers vs. Cubs. July 11, Tigers vs. Yankees, Cubs vs. Giants. July 15, Cubs vs. Yankees, Tigers vs. Giants. July 18, Giants vs. Yankees, Cubs vs. Tigers. July 22, Tigers vs. Yankees, Giants vs. Cubs. July 25, Cubs vs. Yankees, Giants vs. Tigers. July 29, Giants vs. Yankees, Cubs vs. Tigers. August 1, Tigers vs. Yankees, Cubs vs. Giants. August 5, Cubs vs. Yankees, Giants vs. Tigers. August 8, Giants vs. Yankees, Tigers vs. Cubs. August 12, Makeup game. August 15, Makeup game.

Dr. Charles F. Browne spent last weekend in San Antonio on business.

Mrs. Pat Cooper and Betty Jack are in Fort Stockton this week visiting friends.

No More Lessons, No More Books

During the month of June, 38 million young Americans are faced with the problem of reading a portion of their daily living. School is out, and a multitude of youngsters find themselves in our complex society for three months with the problem of proper use of leisure time. "No more lessons, no more books" is an exciting experience for the moment, but soon gives way to the question, "Where do I go and what do I do today?"

The answer to this question has significant implications for young and old alike. All of us must be vitally concerned with the manner in which the young people in our communities use their leisure time during the summer vacation. A few of the more fortunate will share the experience of outdoor living in summer camps. Some will participate in the wholesome activities of boys' clubs or other organized recreational programs. Most of them however, will spend their time in the city streets or in equally undesirable places.

Because we have not made provision for effective education for the worthy use of leisure time, many of them will be involved in unnecessary and unfortunate incidents. There will be traffic accidents, swimming accidents, and shooting accidents. For each such incident there will be community reactions. For each accidental shooting there will be a movement against the ownership and use of firearms. Again, there will be the cry, "There ought to a law!"

Atomic Energy Boon And Peril

For the past two weeks the Senate-House Atomic Energy Committee has been holding hearings in Washington in an attempt to unravel one of the knottiest problems of the day—the dangers of mass radiation exposures in this Atomic Age.

The Committee is interested chiefly in the effects of radioactive "fall-out" from nuclear weapons tests, but there is much more to the story than that. The very nature of radiant energy makes it at once a boon and a peril to human health. Let's look at the "boon" side first.

For 60 years radiating devices in the skilled hands of technicians have been tools of unparalleled importance in diagnosing and treating various diseases. X-ray and fluoroscopic machines actually permit the physician or dentist to "photograph" the interior of the human body, and "aimed" beams of deep penetrating rays - sometimes pushed by 2 million volts of electricity—have long been among the most effective ways of treating disease in practically any body organ.

With the harnessing of the atom, the physician of A. D. 1957

Members of the shooting fraternity have an excellent opportunity and a moral responsibility to render valuable public service. Those of us who believe that reputable citizens have the right to own and use firearms for lawful purposes must let it be known that guns are constructive tools

Mr. and Mrs. Elmer Wilson returned from Houston last week where Mrs. Wilson received a medical check-up.

Billy Wright Taylor of Corpus Christi arrived for the funeral services for his grandfather, R. E. Taylor.

can remove tumors without surgery by using isotopes of radioactive materials, and other tumors can be accurately located with still other isotopes.

These endless advantages are the reasons for possible peril. Radioactivity can accumulate in the body, so little exposures from day to day may add up to big exposures after weeks or months. However, physicians take total exposures into account when they use radiation.

Since last September the State Health Department has controlled radiation exposure by requiring registration of all radiation devices and materials used within the state. So far more than 1,500 devices have been registered, some 1,400 of them in the realm of medical practice and research.

Meanwhile, there are two sources where you can get information on the hazards of excessive radiation—your family physician or the State Health Department. From either you will get some common sense advice, and common sense is the most important commodity in the world today.

which may be used to build healthy minds and bodies, to cement father and son relationships, and to develop self-discipline, initiative, and team spirit in order to mold better citizens and better sportsmen. At the same time, we must stress the need for proper gun handling by everyone in the field, on the range, and in the home. We who own guns must be especially careful at this time of the year to see that they do not get into the hands of untrained children without proper supervision.

Our failure to act now to meet this situation will have harmful results. The National Rifle Association of America has established an excellent Junior program. Shooting clubs and other sportsmen's groups must increase their efforts to encourage youngsters to participate. They must expand their activities in firearms safety education, marksmanship training, and competitive shooting during the school vacation. With a little extra effort on our part, many of these young people will find a new lifetime interest and learn a valuable lesson in the proper use of leisure time. —The American Rifleman.

Bronte Enterprise —

A whopping big number of 1,514 admissions had enjoyed the swimming pool in the new County Park here through Wednesday night. This is an average of 79.68 persons per day who have used the pool.

Aubrey Denman, park caretaker, said the admissions have been made in the following manner: by season pass, 30; by adult tickets, 118, and by student tickets, 666. He said 90 season passes have been sold for \$5.00 each.

Big Bend Sentinel —

The star Procyon is being studied by Dr. Frank N. Edmonds, Jr., University of Texas astronomer.

Dr. Edmonds, who has been conducting research on Procyon for the past year and a half under a University research grant, will obtain spectra of the star using McDonald Observatory's Coude Spectograph.

Dr. Edmonds is seeking to determine the abundance of certain metals on Procyon. His research is one of many efforts being made by astronomers to discover the chemical composition of various stars.

98 Deer In Road Accidents

A new alphabetical name is supplied in the June issue of Texas Game and Fish, in an article by Theron D. Carroll.

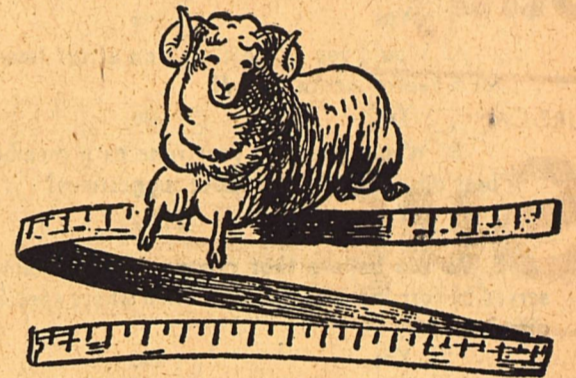

The new name is DOR which means Death On Roadside. Last year, according to the article in the official publication of the Texas Game and Fish Commission, there were 98 deer killed on the roadside in Kimble County. The records were kept by Warden Bob Evins of Junction.

Of the 98 deer killed, 67 or 74 per cent, were does, indicating a heavy sex ratio of does to bucks in Kimble County.

Financially, the damage to each car averaged in excess of \$200, with a total repair bills on 98 cars amounting to \$18,600. Five of the automobiles were not so badly damaged.

Wardens and sportsmen of the area are cooperating to reduce this DOR figure, according to the figure.

Mrs. L. E. Johnson, Jr. will accompany her daughters, Jo Addah, Jessie Lem and Janet to Kerrville Sunday where they will attend Heart O' the Hills Camp for girls.

SONORA'S FIBER

Sonora was established in 1891 with the wool and mohair industry as its foundation. In 1957 Sonora is going strong with this industry as its financial basis.

How do we support this industry that supports us? DO WE.

RIDE ON SONORA'S FIBER? Are our automobiles upholstered in it or in a fabric that supports the chemical industry?

WEAR SONORA'S FIBER? Are our suits and coats made from Sonora's Fiber or from fibers which try (and fail) to meet its superior qualities?

Cadillac

Greatness Is Never Achieved Suddenly!

It has long been true, in the affairs of men, that only time can confirm the gift of greatness.

Artist, statesman, writer, craftsman—each must await the years for the maturity of his talent and for the verdict of his judges.

And as it is in the affairs of men, so it is in the world of commerce. Nothing great was ever created suddenly—whether the product be that of an individual or of an organization.

Here, most certainly, is the very genesis of the unique position which Cadillac currently occupies in the hearts and minds of the world's motorists.

Since the first Cadillac car made its appearance more than fifty-five years ago, it has always been created to a single objective: to make it as fine a motor car as it is possible to produce.

And, without question, the mission and the accomplishment have been one and the same.

The goodness of Cadillac has, in fact, been so apparent over that lengthy span that the Cadillac name stands today as an accepted synonym for quality wherever highways exist.

The pretenders have come—and they have gone. For time is an exacting taskmaster—and only the principles that have created the great Cadillac car and only the devotion that has given it being have been equal to the challenge.

Never has this fact been more deeply etched in the public consciousness than it is during the present automotive year.

If you have yet to take the wheel of a 1957 Cadillac, you should hesitate no longer to visit your authorized Cadillac dealer.

Waiting for you in his showroom is proof beyond doubt that Cadillac is—in fact as in reputation—the Standard of the World!

Hunts Entertain With Barbecue, Dance Saturday

Mr. and Mrs. Bryan Hunt and Nancy entertained with a homecoming barbecue and dance at their ranch home Saturday night honoring James T. Hunt, who has recently been separated from Transportation Corps in Louisiana.

Music was furnished for dancing by the Falstaff Band from San Antonio. Approximately 400 guests attended from Midland, Eldorado, Big Lake, Del Rio, Junction, Cuero, San Angelo, Waco, Rocksprings, Commerce, San Antonio and Austin as well as Sonora.

Coke Party Monday Honors Miss Davis

Mrs. D. C. Langford and Miss Jane Neill complimented Miss Dell Davis, bride elect of John Tedford, with a coke party at the G. H. Neill home Monday. Arrangement of mixed spring flowers decorated the party rooms. A gift was presented to the honoree by the hostesses.

Also attending were Mrs. G. H. Davis, Mrs. Harold Wagner, Mrs. Robert Mayer, Mrs. Dickie Street, Mrs. Bill Hudson, Mrs. Albert Beckman, Mrs. Jackie Sharp, Mrs. G. H. Neill and Miss Nancy Neill.

Emotions Play Important Part In Driving Actions

If we're honest with ourselves, most of us will admit that now and then we get caught up in the tempo of the times. The nervous hurry-for-hurry's sake seems to get into our blood. There's so much pressure, so much tension.

If we happen to be driving a car when we're in one of these moods, the chances are we will set our speed by the inner rhythm of hurry. Emotions are known to play an extremely important part in our driving actions.

The "wrought up" driver, then, can be very dangerous. Fortunately, this mental condition is usually easy to spot. Our driving habits will be characterized by quick starting and stopping, lane hopping, improper passing and other signs of discourteous behavior... especially speeding.

If we find our selves caught up in one of these "frenzies of modern-day living" moods, the best thing to do is either let someone else drive, or relax and correct our own actions.

There is only one safe way to set speed. That is by driving at a speed that is safe for conditions prevailing at the time... conditions of the road, traffic, weather, the mechanical fitness of our car... and with consideration for the other drivers.

Defense Department Number One World Business

The Department of Defense is the biggest business in the world. That fact was faced this past week when the House acted upon the \$36 billion appropriation to pay the nation's defense costs during the next year.

Just where does all that money go? Well, here is a breakdown that may simplify it a bit:

About one-third goes for military pay and allowances. A third goes for hardware—planes, tanks, guns, missiles, etc. The other third goes to operate and maintain the various bases, including civilian pay, water, light, heat, paint.

We maintain 1,068 bases, from small radar outposts to the gigantic bases and depots. Of these 733 are in the U. S., the remainder are outside.

A total of 48,000 airplanes are being operated; 780,000 trucks, cars and jeeps; and nearly 3,000 ships.

The fuel bill alone cost \$1 billion a year—220,000 barrels of fuel.

In addition, the military service have built and they maintain 51,000 miles of roads and

Dell Davis Honored With Kitchen Shower

Mrs. E. S. Mayer, Mrs. Norman Rousselot and Mrs. George Barrow were hostesses to a kitchen shower honoring Dell Davis Saturday morning at the E. S. Mayer ranch home. Red and yellow, the colors chosen by the honoree for her kitchen, predominated in the decorating scheme and arrangements of mixed spring flowers were featured. Approximately 60 guests attended.

LOCAL NEWS BRIEFS

Mrs. Scott Roberts left Monday for her home in Jefferson City, Tenn. accompanied by her father, Dee Word, who will make an extended visit in her home.

Ernest Stephen arrived home from Kingsville last week and expects to remain here with his parents, Mr. and Mrs. J. C. Stephen, until July.

Mrs. Don Nicholas, Nicky and Vicky Jo of McAllen left last week after a visit with her parents, Mr. and Mrs. Granville Barker and Mr. and Mrs. Curtis Nicholas.

Mrs. Robert Kelley left Wednesday for Houston to be with her mother, Mrs. Harry Pearson, who is a patient in Herman Hospital.

Mr. and Mrs. H. L. LeCrone, Nancy and Paul of Tulsa and Mrs. W. T. McQuary of Abilene, who have been guests of Mr. and Mrs. A. C. Elliott, left Wednesday, on a three weeks tour of Florida and other points of interest.

Mr. and Mrs. J. V. Massie and Marie of Waco were the weekend guests of Mr. and Mrs. L. W. Elliott.

Mr. and Mrs. J. V. Alley of Sonora and Mr. and Mrs. Gene Alley of Sterling City returned Tuesday from Lubbock where they attended the graduation exercises in which Derrel Alley received his degree.

streets. That is enough pavement to reach twice around the world. We have built and we maintain 4,500 miles of runway 150 to 200 feet wide. And we operate over 12,000 miles of railway.

Water consumption at these bases amounts to a billion gallons a day.

The military grocery bill is \$650, million a year. This includes 306 millions pounds of flour, 300 million pounds of beef, 107 million pounds of chicken, 68 mil-

LOCAL NEWS BRIEFS

Guests in the home of Mr. and Mrs. G. H. Neill last weekend were Mrs. Neill's sister, Miss Bertha Harris of Cuero, and Guy Benson and Skip Mills of San Antonio.

Mr. and Mrs. H. M. Rousselot left Monday for their home in Palos Verdes Estates, California, after spending the week here with their son and daughter-in-law, Mr. and Mrs. Norman Rosselot.

Mr. and Mrs. Jim Perry have as their guests their daughter and grandchildren, Mrs. Charlene Porter, Kinneith Ray and Barbara Gail, of Reserve, New Mexico.

Mr. and Mrs. J. D. Lowrey had as guests during the weekend Mr. Lowrey's brother and sister-in-law, Mr. and Mrs. W. E. Lowrey of Comanche.

Mr. and Mrs. K. C. Vicars spent several days in San Angelo last week where Vicars received surgery at the Clinic Hospital. His condition is improved.

Cecilia and Yvonne Young will be accompanied by their mother, Mrs. Lois Young, to Kerrville Sunday where they will attend summer camp at Heart O' the Hills Camp for girls.

Mr. and Mrs. Louis Davis, Yvonne, Mary, Irene, Maxine and Beth and Mr. and Mrs. Paul Bolland of El Paso left this week on a two weeks visit to relatives in Rockledge, Florida.

Mr. and Mrs. Glen Green of Baird were the guests of her parents, Mr. and Mrs. Alfred Schwiening, recently. Their nephew, Joe Moore, son of Mr. and Mrs. Hut Moore, returned to Baird with them and will spend two weeks of his vacation there.

Mr. and Mrs. J. W. Pepper returned home Monday after a two weeks visit in Albuquerque, Gallup and Farmington, New Mexico.

Mrs. Irene Arterberry of Dallas is the guest of her son-in-law and daughter, Mr. and Mrs. Alfred Schwiening, Jr.

The Press Battles for its Freedom

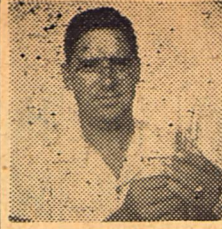

JOHN PETER ZENGER was arrested "for printing and publishing several seditious libels dispersed throughout his journals or newspapers..." Zenger was a New York printer in the days when Governor Cosby ruled the colony. Governor Cosby ruled in such an autocratic, overbearing manner that several indignant citizens started a newspaper to arouse the public against his tyranny. Zenger undertook to publish the newspaper. Zenger was thrown into prison, and his bail was fixed at 800 pounds, a large sum for those days and quite beyond his ability to furnish. He stayed in jail for months, and his situation appeared hopeless. The case finally was called to the attention of Andrew Hamilton, a distinguished Pennsylvania

lawyer, who took up Zenger's cause as a public service. Hamilton forced the case to trial, and his speech to the jury, which led to Zenger's acquittal, is a ringing statement of what the press in America must still vigilantly fight for. All men have the right, Hamilton maintained, "publicly to remonstrate the abuses of power...and to assert with courage the sense they have of the blessing of liberty...and their resolution at all hazards to preserve it." Today in our country encroachments by governments and private interests alike upon freedom of the press are counter to law. Nevertheless, even today the press must battle constantly to keep that freedom intact.

Edwards Plateau Soil Conservation District News

By E. B. Keng
Soil Conservation Service

Some 16 to 20 inches of rain on most of the Edwards Plateau SCD has resulted in the greatest profusion of flowering weeds of many years.

Nature abhors a void, and with continued rainfall the drought-induced bare areas were quickly covered with a multitude of weeds—some good and some bad, but all beneficial in helping to trap the raindrop. Weeds are part of Nature's plan to cover and protect the good earth, and in the absence of grass they quickly form a blanket on the land.

It is most interesting to observe the waves of weeds that have predominated the ever changing scene since the rains. Slow February rains started bitterweed on a grand scale, along with bluecurl phacelia, verbena and a small weed called blunt-leaf pellitory. Engelmann daisy dominated the roadsides.

By the middle of May the pellitory and bluecurls faded and a host of plants came into prominence. Bitterweed, of course, dominated the scene on drought-weakened pastures infested with the pest—even though few seed were produced during the past seven years. Tallow weed, Texas filaree, nama, huiache daisy, and a few bluebonnets and other good weeds were present and made remarkable growth.

During May a host of new plants made their appearance. Yellow flowered plants such as coreopsis, green thread, buffalo bur Roemer senna, coneflower and many pink, yellow and white evening primrose. Horsemint, American basketflower, prickly poppy and the thistles were also abundant.

Sleepy catchfly, a plant seldom

in quantity, has been abundant this year. The stems have small, sticky sections which trap insects. Another uncommon plant is chick-thief mentzelia, which has leaves covered with minute hooks that sometimes trap small turkeys. Hosts of other uncommon plants are appearing, some of which are

devilsclaw, datura of Jimsonweed, and many others.

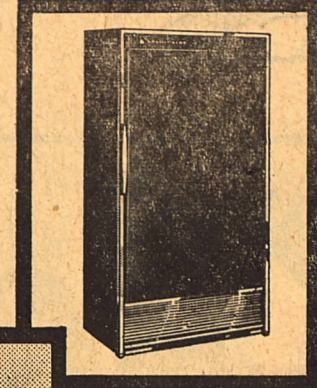

Undesirable weeds, in addition to bitterweed, are also having a field day. Horehound is appearing in record abundance. Sticky floristina, a poisonous plant that seldom gives trouble, is also common. Buffalo bur, broomweed, malta centaurea and grassburs are prevalent.

Many weeds, such as bitterweed, tallow weed, and filaree will soon die, and the grass which has been quietly spreading on

the moist ground will be much more prominent. Sideoats grama, cane bluestem, green sprangletop and Texas cupgrass is beginning to seed. Curlymesquite, buffalo-grass, and vine mesquite are working around the clock to cover the ground.

As the summer progresses, with continued moisture, a changing panorama of colorful plants will steadily unfold. Ranchmen should take advantage of the wonderful opportunity to observe and learn their vegetation.

Jan Keng Wins Scholarship To U. Of Colorado

Jan Keng, daughter of Mr. and Mrs. E. B. Keng, will attend the University of Colorado's annual high school speech institute to be held in Boulder from June 24 to July 19. Jan, one of three students in the United States to receive a scholarship to the institute, was selected on the basis of aptitude and accomplishments in speech and dramatics.

Jim Ray Baker, son of Mr. and Mrs. Ray Baker, and Tom Elaine Espy, daughter of Mr. and Mrs. Howard Espy, will also attend the institute. All three students will be enrolled for courses in dramatics.

CARD OF THANKS

We extend deep appreciation to the many friends and neighbors who did so much for us during our recent bereavement. The many beautiful expressions of sympathy and comfort were most helpful.

The family of Enrique Sanchez.

SCHWIENING REUNION HELD AT FREDERICKSBURG

The descendants of Fritz and Sophie Schwiening held their ninth annual family reunion at Allison Park, June 1 and 2. Mrs. Otto Brockman of Fredericksburg and Alfred Schwiening, Sr. of Sonora, the only direct descendants, were present. Mrs. Brockman was the oldest member of the family present and Darla Sue Moore, daughter of Mr. and Mrs. Hut Moore, was the youngest. Mr. and Mrs. Glen Green of Baird and Mr. and Mrs. Gary Schwiening of Texon came the longest distance.

Barbecue was served both days to approximately 45 members of the family and one guest, Mrs. Irene Arterberry of Dallas. It was decided at a short business session that next year the reunion will be held the first week in June at Allison Park and committees were named to make the arrangements.

Mrs. Chris Wyatt left last week for a visit with her son and daughter-in-law, Mr. and Mrs. Henry Wyatt, in Uvalde.

Mrs. Mans Hoggett of Merton was in Sonora this week visiting her parents, Mr. and Mrs. J. D. Lowrey.

Services Held For Enrique Sanchez

Funeral services for Enrique Sanchez, 75, who died May 24 at the home of his daughter, Mrs. Santos Lopez, after a long illness, were held at the Latin American Baptist Church Saturday, May 25 with the Rev. E. L. Flores performing the rites. A resident of Sonora for the past 45 years, Mr. Sanchez was the former owner and operator of the Commercial Cafe. He is survived by his wife; one son, Estanislao Sanchez, of Phoenix, Arizona; one daughter, Mrs. Santos Lopez of Sonora; two stepsons, Rev. E. L. Flores of Sonora and J. L. Sanchez of San Diego, California; three grandchildren.

The children of R. E. Taylor who were here to attend the funeral service included Mr. and Mrs. R. E. Taylor, Mr. and Mrs. Wm. A. Taylor and Mr. and Mrs. Basil Taylor, all of San Antonio. Major and Mrs. Jimmie Taylor and son of Lee's Summit, Mo., Mr. and Mrs. Tom Taylor and children of Del Rio, Mrs. Sarah McKee and daughters of San Angelo and Mr. and Mrs. H. F. Sofge of Merton.

LIONS ROAR

Possibility of postponement of the 20th annual Sonora Wool and Mohair Show until a later date during the summer was voiced by Clayton Hamilton, president of the Sonora Lions Club, the sponsoring organization, at the club's weekly luncheon meeting Tuesday at the First Methodist Church.

Heavy rains during the normal shearing period for ranchers have delayed shearing schedules all over the area and it is generally believed that not enough fleeces will be available for entry to assure the show's usual success.

Lion Hamilton also announced that the Civic Improvement Committee is in the process of conducting a survey and compiling results.

Joe Nance announced that Little League games will begin Thursday night with 80 active players and additional 15 eight-year-olds who are signed up for practice only.

Guests present included Joe Wilson of Humble's "Texas In Review"; Fred Walker, ranch specialist from College Station, and Russell Painter of Eldorado.

Mrs. Artie Joy and Mrs. A. Z. Joy and daughter Yvette arrived last Thursday from Laramie, Wyoming, where Mrs. Artie Joy had attended graduation exercises at the University of Wyoming. They returned by way of La Junta, Colorado, where they spent three days visiting in the home of C. O. Simon.

Mrs. A. Z. Joy and daughter will remain in Sonora for the month of June while her husband is in Philadelphia.

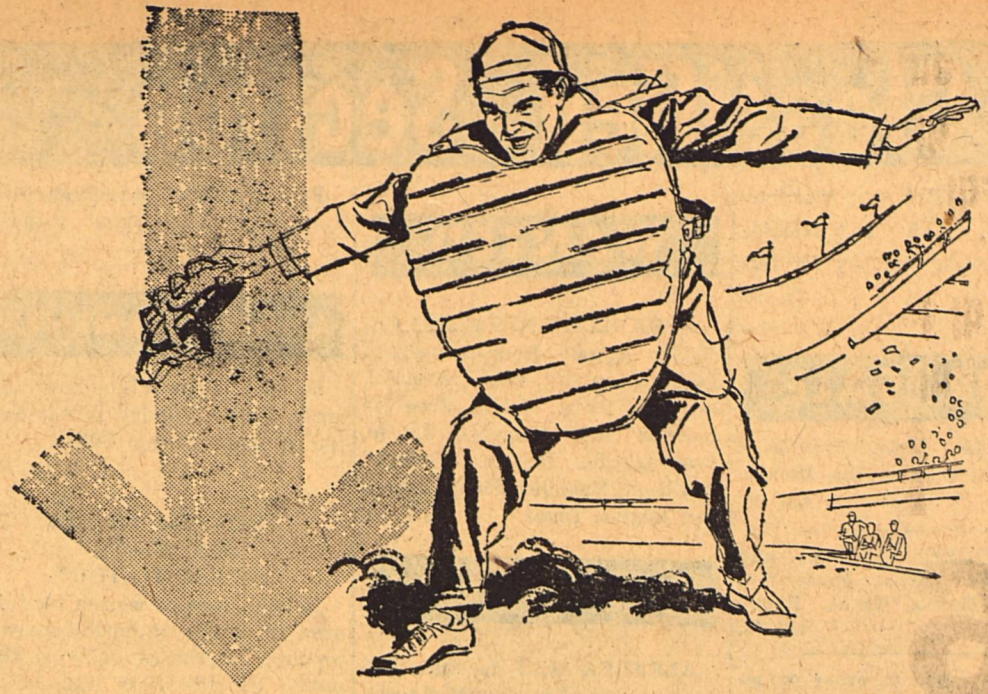

Mr. and Mrs. Ted Letsinger, Janey and Al spent the Memorial weekend visiting Mr. and Mrs. Jim Baldwin in Winters and Mr. and Mrs. Bill Baldwin in Fort Worth.

Mules Rank Third In Concho League; Split Sunday Games

By Pat Lyles

The Sonora Mules moved into third place in the Concho Basin League Sunday by winning over Miles 6 to 4 on a five-hit pitching performance by George Johnson who pitched both ball games. George allowed only three hits in the first game against Kirby. The Mules lost to Kirby 3 to 2. Sonora plays Goodfellow Field here on Allison Field Sunday, June 9, at 2 o'clock.
