Card Features Best Grapplers In The Business In Singles Bouts, Tag Team Match And Battle Royal

Six first rate, muscle-bound maulers of the professional wrestling ring will be imported at considerable cost to the Sonora Lions Club for their big benefit wrestling show Saturday, August 17, at the Bronco Stadium. It promises to be the best-and the roughest-series of wrestling matches yet seen in Sonora.

Starting out the five-event card will be three singles matches after which all six wrestlers will enter the ring for a battle royal, which is nothing but a wild free-for-all; and in the main event the last four men to be eliminated in the battle royal will pair off the two teams for a good old Texas tag team match.

In one of the single matches will be the 245 pound Masked Marvel, El Diablo, who is so far undefeated in Texas matches. His contract states that only in the case that he is defeated in a singles match will he reveal his

identity. His opponent here will be the fast and flashy Cowboy Cody, who promises to rope and hog-tie him before the evening is over.

In another of the singles matches The Shiek, who has just completed a successful tour of California, will tangle with Atlantic City's Bob Gurley, who dropped a close one to World's Champion Lou Thesz in Wichita, Kansas, last year.

Clean, scientific wrestling will prevail when Miguel Aguilar, a young cousin of Rito Romero and outstanding contender for the Junior Heavyweight crown, meets Bill McCallum, who has met great success in the amateur ring while a student at Oklahoma A. & M.

All preliminaries will be one fall with thirty-minute time limits. There will be no time limit on the battle royal or the tag team match.

Odds And Ends

Most of us have lived here all our lives with many families claiming several generations of Sutton Countians. The county has been good to all of us, providing all the necessities of life plus no few luxuries.

Eighty acres of land sought for a site for our much-needed airport is a small expression of gratitude for a life abundant in material things.

One citizen this week seemed to sum it all up. "This town and this county have supported me for 50 years and my people for 50 years before that. We feel we have an obligation to pay."

We've never heard civic duty expressed so strongly.

No, we don't expect something for nothing and neither does the Civil Aeronautics Authority, whose approval we must have if we're to get government participation in this airport.

On the other hand, unlike most government alphabet agencies, the CAA has enough business sense to veto land priced at many times its actual value.

In other words they won't okay land priced at \$1,000 or even \$500 an acre.

One of the greatest phenomena of the professional wrestling ring is that mad meleé, the tag team match, in which the hairy monsters ignore the rule book even more than usual and compete to see who can make the most noise and confusion in the least time. Instead of biting and scratching each other one pair at a time, they are usually all in the ring biting and scratching simultaneously.

But in the Lions Club wrestling show we will be presented with something seldom seen--there will be not four, but SIX men in the ring at once. And they are not going to play a game of marbles either. They are all going to fight--"wrestle" would not be the word--each other at the same time to see who can remain in the ring longest without being pinned, injured, or murdered.

If you can't stand the sight of blood, get a seat on the back row so you won't be able to see it so well. But by no means decide not to come because it will be one of the biggest things that have happened around here in a long time. Of course, the Lions wouldn't be satisfied with just having a battle royal; they'll present a tag team match and three singles bouts on the same card.

Quite by accident, they have really accomplished something.

We are all proud of our Boy Scouts, who were repeatedly complemented on their good behavior while on the Jamboree trip. We are also proud of their inborn instinct for bargaining. How many times have you heard of boys their age having the ingenuity to peddle grass burs as honey toad eggs?

Most outstanding citizen John Eaton was the only person to op-

pose Sonora's having an airport at the public meeting Monday. With the voice of a Lion (he is a Lion, you know) he eloquently pleaded his case. "The airplane is not here to stay," he declared, "it's not reliable or practical. It's impossible to throw your reins over the saddle horn and go on courting. It just won't work."

Sonora Gains Teacher & Loses One; School Days To Start September 2

E. A. Brodhead, Sonora Public Schools Superintendent, has spent little time in his newly completed office lately because he has been running all over the state trying to scare up a full quota of teachers before school starts September 3, the day after labor day. But with all this sweat and strain, he can only break even; for having found a new commercial instructor, he also lost speech and history teacher James G. Robbins.

Robbins is about to complete work on a Master's Degree in Speech and Drama at the University of Colorado at Boulder. After qualifying for the degree, he will travel to Manhattan, Kansas, where he will be an assistant professor of speech and drama at

Kansas State College of Agriculture and applied Science, a school comparable to Texas A. & M. in size and enrollment. He taught at Sonora High School three years.

The new addition to the faculty is Thomas Morris, a graduate of Baylor University, who will handle the commercial work. Last year he taught at Rosebud, Texas, south of Dallas. Previously, he has taught at Nixon-Clay Business School in Waco, which is his original home.

Still needed are a math teacher to replace Robert Williams, a speech-English teacher to replace Robbins, and two elementary school instructors. And Brodhead has only twenty shopping days left before school starts.

A Bright Spot In A Dark Picture

Sixty-nine public minded citizens Monday night unanimously expressed their convictions that Sonora and Sutton County need an airport NOW. Sixty-five were agreed that the needed landing strip should be jointly and equally financed by the City of Sonora and Sutton County. A committee of five was appointed to select a site.

The problem of selecting a site is a monstrous one. Accessibility to Sonora is the prime consideration, our county seat, like many in West Texas, having been located at the juncture of several draws with little or no land suitable for landing strips to be found on its perimeter.

Locations which can be converted to airfield usage are scarce. Landowners are reluctant to part with the small acreage needed for the betterment of the entire county.

But perhaps a note of selflessness has been injected into this effort to lift our feet out of the mire. Sutton County's first lady, Mrs. E. F. Vander Stucken, realizing the importance of progress has made an offer of any suitable acreage, adding that she is aware that her holdings are beyond the acceptable radius. "If more desirable sites are not to be had," she says, "whatever you want is yours."

A sense of history can be the key to the future, if applied now.

F. A. Rogge Rites Held Thursday

Funeral services for Ferdinand Albert Rogge, 68, who died shortly before noon Thursday in Memorial Hospital in San Angelo, were held Saturday at Johnson-Cox Funeral Home with the Rev. Taylor Henley officiating. Burial was in Lawnhaven Memorial Gardens.

A native of Pine Island Station in Jefferson County, Mr. Rogge moved with his family to Nolan County in 1906 and to San Angelo in 1910. He was employed by the San Angelo Telephone Company and later the General Telephone Company. In July 1954 he retired after 35 years of service.

Mr. Rogge was married to Edna Green in San Angelo in 1915. He was a member of the Presbyterian Church and was active for many years in the Lions Club at Rowena and Miles.

Survivors include his wife; three sons, Albert Rogge of San Angelo, Sidney Rogge of Sonora and William H. Rogge of Washington, D. C.; two daughters Mrs. Ida Enochs of San Angelo and Mrs. Doyle Bynum of Big Spring; five brothers and one sister.

Bert Hooper, Mrs. Elsie Sims of Phoenix, Arizona and Mrs. Frank Reed of Sonora.

NOTICE

The new ranch road 864, going from a point four miles south of Sonora on U.S. 290 to Menard, will be completed today August 8, and ready for traffic.

Scattered Showers Over County Wed.

Heavy shower clouds dropped beneficial rains on scattered parts of Sutton County on Wednesday, July 31. Heaviest rainfall occurred in the northeast portion of the county, but ranches west and southwest of Sonora also received good showers.

Rainfall reports of Wednesday's rain include 1.00 on the John Cauthorn ranch; Hospital ranch 1.25; V. J. Glascock 1.10; Thomas Morriss (Webb) .60; Wesley Sawyer .70; Frank Bond .40; Dantes Reiley 4.00; J. V. Alley 2.50; Cleve Jones 1.50 up; Gene Shurley .92; Alfred Schwiening 2 to 3.00 inches; Dub Wallace .50; Mrs. E.E. Sawyer 1.15; and Robert Hardgrave 1.50.

Mrs. Leo Richardson of Iraan and Mr. and Mrs. Harold Dutton of Junction were the guests of Mrs. Dock Rape during the weekend.

People Give Wholehearted Approval, But CAA Frowns On Gold-Plated Land

At a public meeting held at the courthouse Monday sixty-nine local citizens unanimously expressed their feeling that Sonora had pressing need of an airport and voted in favor of joint city-county financing of the project.

The meeting was opened by Vestel Askew, who was promptly elected chairman. He asked for

pros and cons on the question of having an airport; no one objected to the idea, while many made strong cases for having one. A letter was read from an executive of the El Paso natural gas company, who said that there was "an immediate need for an airport in Sonora". He went on to say, "an airport is a must in our operations." Askew pointed out that if action were not taken on this need, El Paso Natural Gas might possibly move their headquarters from Sutton County to an area where an airport is available.

When the question of finances came up, County Judge George Wynn painted a dreary picture of the County's ability to pay for the project. Others present, however expressed the opinion that we could not afford NOT to build an airport.

It was estimated that the entire project would cost about \$100,000. If the Civil Aeronautics Administration approves of the land sight picked, they will finance half of the cost; and our half might be paid by a \$50,000 bond issue (\$25,000 coming from the city and \$25,000 from the county). Those present were unanimously in favor of the county and city each paying half.

Others problems were raised on the question of where the strip might be located. Askew stated that to be effective it should be located within a four mile radius from town, but areas where air field leveling was even possible were painfully few. Further, prices asked for land around that distance from town had been exorbitant and disapproved by the CAA. In contrast, Mrs. E. F. Vander Stucken has graciously offered to donate all the land needed, from her ranch 3 1/2 miles from town.

Askew observed that Goodfellow Air Force Base in San Angelo has been expanding and paying about \$200 per acre for newly acquired land. Locally however asking prices range from \$400 to \$1,000 per acre. The CAA called this all out of reason.

One possibility, although not a pleasant one, is for county officials to condemn the land they wanted and pay for it what they think is a fair price.

The only other concrete action the meeting produced was to appoint a committee consisting of Gay Copeland, Vestel Askew, Stanley Mayfield, Stanton Bundy and R. M. McCarver, to investigate the matter further. The committee was charged with responsibility to make fair offers on possible locations, get CAA approval on action taken, and seek out new possible locations.

The meeting adjourned with a general feeling of good will and determination that Sonora greatly needs an airport for her own progress and prosperity.

Mrs. Jack Thomas To Teach Music

Charming Mrs. Jack Thomas, wife of Sonora's newly acquired game biologist, has long shown an interest in music, which she will teach in both elementary schools next year. She was born in Midland and moved to Mona-

Mrs. Jack Thomas

han when a few months old. At Monahan High School she teamed up with two other young ladies to form a singing trio called The Melody Bells. Together these girls sang their way through high school and college. They all spent their freshman year at Texas Christian University and jointly decided to transfer to Texas Technological College thereafter. Further more, all three got the same degree, Bachelor of Music, and all three decided to become music teachers. They graduated from college in 1956 and each managed to bag a husband within a year of that date. One of Mrs. Thomas's comrades is now teaching at Arlington and the other at College Station.

While in college she was also a member of the college choir and president of Mu Phi Epsilon, a national music fraternity.

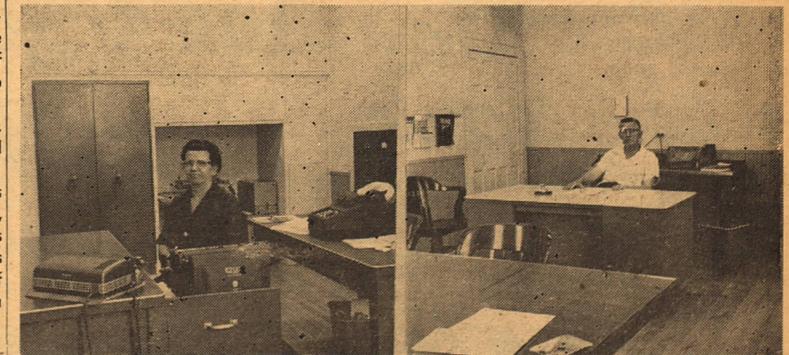

James Storms Buried Monday

Mr. and Mrs. Fred Nichols and Mr. and Mrs. George S. Schwiening attended the funeral services for a relative, Jim Storms, 86, which were held in Brady Monday August 5. Burial was in the Rochelle cemetery.

Mr. Storms, Mrs. Schwiening's grandfather and Mrs. Nichols' brother-in-law, died in Brady Sunday, August 4. He was given a Masonic funeral.

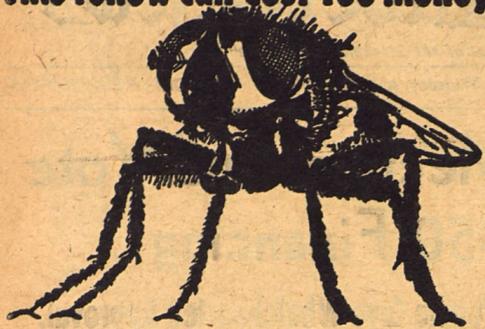

Mr. and Mrs. Stanley Mayfield, Gerry and Seco left last week for their ranch near Timber Lake South Dakota. They went by Castle Rock, South Dakota for a visit with Mr. and Mrs. Sears Sentell and family.

Happily sitting in their new office are Superintendent E. A. Brodhead and his faithful side-kick, Mrs. Oscar Carpenter. The new two-room office with adjacent store room is located in the old school building. Besides making the Superintendent's office more available to the public, it puts Brodhead conveniently between the two school buildings. He invites all to come by and have a look.

Edwards Plateau Soil Conservation District News

By E. B. Keng
Soil Conservation Service

Grasses on the Edwards Plateau SCD trial area at the Herbert Fields ranch have made a rapid comeback after seven years of severe drought.

In 1955 an area pitted and seeded with a mixture of sideoats grama, blue grama, buffelgrass, blue panic and KR bluestem, made an excellent start on 14.75 inches of rain. Most of the rainfall was summer showers and the grass could produce only shallow roots. With only 6.81 inches in 1956 a heavy dieoff of both seeded and native grasses resulted. Heavy rains in April and May of this year revived some of the old plants and sprouted many seedlings, and the grasses have made excellent recovery. A good seed crop has been produced and the grasses have had opportunity to establish a deep root system.

A mixture of grasses grown from seed harvested on the Thomas Morriss ranch near Fort Davis are also growing nicely. Green sprangletop and cane bluestem are doing particularly well. Blue grama is also making good growth and producing seed.

The value of pitting with seeding is being clearly reflected this year. Land seeded but not pitted in 1955 grew only a moderate cover of bitterweed this year, and has very little grass, even with no livestock.

Fall rains are needed to produce a second seed crop and develop enough ground cover to control weeds next spring. Sufficient grass and weed cover is present to make maximum use of any moisture received now.

The trial area has received 21.99 inches of rain in 1957, with 16.94 inches falling in April and May.

Smoking Is First Rate Killer, Says Cancer Society

Half of the men and a fourth of the women of the United States smoke cigarettes daily, according to a recent survey by the U. S. Bureau of Census. These figures accentuate the grimness of the recently validated relationships between cigarette consumption and the general death rate, including dreaded lung cancer. It took the American Cancer Society four years of concentrated study of the smoking habits of 188,000 men to reach these conclusions:

57% greater death rate from diseases of the heart and circulatory system among smokers as compared to non-smokers; a 97% greater cancer death rate; and 186% greater death rate due to pulmonary diseases excluding cancer.

Among men over 50 with a history of regular cigarette smoking, the general death rate is 52% above the death rate for men who have never smoked.

The same study revealed a slight relationship between pipe smoking and lung cancer, and practically no relationship between cigar smoking and lung cancer. Present studies indicate that the reason cigarettes are more important in the cause of lung cancer than either pipes or cigars is that the tars in cigarette smoke is drawn in at much higher temperatures.

The question as to whether men who smoked but quit have a lower death rate than those who have not quit has also been answered statistically. Men who quit ten years before the study showed a death rate almost as low as those who had never smoked.

Should you stop smoking? You must answer that question alone. Ask yourself the fleeting pleasures you get from cigarettes—described as "adult pacifiers" by the late Dr. William Mayo—outweigh the risks involved.

Mr. and Mrs. Lonnie E. Goss announce the engagement and approaching marriage of their daughter, Jean, to Horace E. Hill, son of Giles Hill of Sonora and

Mrs. Nadine Hill of San Angelo. A late summer wedding is planned after which the couple will make their home in Houston where Hill is employed.

Miss Barbara Holt, Ernest Castro, Jr. Wed August 2

The marriage of Miss Barbara Lucille Holt and Ernest Castro, Jr. took place Friday, August 2, in the First Baptist Church of Waller.

The bride is the daughter of Mr. and Mrs. Charles E. Holt of Waller and her husband is the son of Mr. and Mrs. Ernest Castro, Sr. of Sonora.

Mrs. Don Cates of Dallas presented the organ music and Miss Wanda Ward of De Ridder, La., was soloist.

The bride, who was given in marriage by her father, wore a gown of Chantilly lace and tulle, which featured a lace bodice with scalloped neckline and bouffant skirt of pleated tulle and lace. Her veil of illusion was attached to a bandeau of tulle and seed pearls.

Miss Margaret Gilbreath of Waco was maid of honor and bridesmaids were Miss Karen Jones and Mrs. Charles Holt, Jr. Lloyd Marr of Houston was best man, while Don Cates of Dallas and Joe Flood of George West were groomsmen. Stroud Holt and Billy Warren were ushers.

A reception was held on the church lawn.

Mrs. Castro attended Baylor University and her husband is a graduate of Howard Payne College. Following a wedding trip to North Carolina, the couple will live in De Ridder, where the bridegroom is serving as minister of activities in the First Baptist Church.

MRS. KELLEY HOSTESS TO THURSDAY BRIDGE CLUB

Mrs. R. B. Kelley was hostess to the Thursday Bridge Club in her home last week. The party rooms were decorated with arrangements of summer flowers and potted plants and a salad plate and iced tea were served.

High score prizes went to Mrs. Rose Thorp and Mrs. J. P. Smith. Mrs. C. E. Stites won second high score prize and Mrs. R. V. Cook won at bingo.

Also attending were Meses. Joe Berger, Lee Labnske, H. V. Morris, R. G. Nance, Robert Rees, O. G. Babcock, Auther Simmons and Tom Sandherr.

JUST US CLUB MEETS AT HALBERT HOME THIS WEEK

Mrs. R. A. Halbert was hostess to the Just Us Bridge Club in her home this week. She served a dessert plate with coffee.

Also attending were Meses. Rip Ward, George Wynn, Herbert Fields, Thomas Morris, Leo Merrill, R. C. Vicars, P. J. Taylor and L. E. Johnson, Sr.

Miss Jo Vant, Edward Valliant Wed In San Angelo

MRS. JOHNSON ENTERTAINS TUESDAY NIGHT CLUB

Mrs. L. E. Johnson, Sr. entertained the Tuesday Night Bridge Club in the L. E. Johnson, Jr. home last week. Arrangements of summer flowers were featured in the decorating scheme and a dessert course was served.

High score prizes went to Mrs. R. G. Nance and Mrs. Lee Fawcett. Mrs. Louie Trainer won the slam prize and Mrs. John Bell won at bingo.

Others who attended included Meses. George Barrow, Arthur Carroll, Henry Decker, Earl Duncan, Ernest McClelland, Belle Steen, P. J. Taylor, R. C. Vicars, R. A. Halbert, L. E. Johnson, Jr., Allie McBride and H. V. Morris.

To Be Married August 10

Miss Delfina Brown, daughter of Mrs. Jim Brown, Jr. and First Lt. Donald K. Artean of Perrin Air Force Base, Sherman, son of Mr. and Mrs. Horen Artean, Flushing, N.Y., plan to be married Saturday, August 10. Wedding vows will be said in Perrin AFB Chapel.

Mrs. Fannie Franks returned home Sunday after a visit in Victoria with her son and daughter-in-law, Mr. and Mrs. Frank Franks.

Mr. and Mrs. Joseph Vander Stucken, Jan and Jo Bess left Thursday for Colorado to be gone three weeks. Jo Bess will attend the Western State College band school in Gunnison, Colorado.

Mr. and Mrs. W. F. Berger had as their guests last week Mrs. Berger's parents, Mr. and Mrs. Roy Christie of San Marcos.

Miss Jo Vant, daughter of Mr. and Mrs. Sherrell Vant of San Angelo, became the bride of Edward Valliant, son of Mr. and Mrs. Clarence Valliant of Sonora, in a ceremony held in the chapel of the First Christian Church in San Angelo Monday, August 5.

Organ music was presented by Mrs. Spence of San Angelo. The bride, given in marriage by her brother John Vant, wore a floor length gown of white shantung designed with fitted bodice, fastened with small covered buttons and Peter Pan collar encrusted with seed pearls. The long sleeves came to points over the hands and the bodice came to a point in the center front, accenting the fullness of the gathered skirt. Her elbow-length net veil fell from a pearl encrusted tiara. Her bridal bouquet of white was centered with a white orchid.

Mrs. Bill Frank Turney, matron of honor, and Miss Brenda Brown, bridesmaid, both of San Angelo, wore turquoise taffeta dresses with full ballerina length skirts and small turquoise feather hats. Their bouquets featured yellow gladioli.

Don Valliant of Sonora served as his brother's best man and Birl Vern Davis, also of Sonora, was groomsmen. Bobby Kelley of Sonora and Scott Shelton of San Angelo were candle lighters. Ushers were Bill Frank Turney and Birl Vern Davis.

Mrs. Valliant is a graduate of San Angelo High School. She attended San Angelo College and Texas Technological College in Lubbock. Her husband is a graduate of Sonora High School, served in the U.S. Army for three years and attended Texas Technological College.

Devil's River Philosopher Favors Part-Time Farming, Provided No Other Off-Farm Job Is Involved

Editor's note: The Devil's River Philosopher on his bittered grass ranch on the Devil's River has another one of his dreams exploded, his letter this week indicates. He probably has plenty more.

Dear editor: A lot of experts who don't know that the farm problem is sort of like a family problem—you can solve one problem today, but there'll be another one tomorrow—have now come up with another solution.

According to them, the answer to the farm problem is part-time farming.

Now when I first read this, I came to attention. That is, I laid my newspaper down in my lap, rested both arms on my chair and looked out into space.

Part-time farming is what I've been preaching and practicing for years, and I was proud to know the experts in Washington had finally come around to my way of thinking.

But when I returned to my paper and read on, the worse the thing got. Those experts and me are talking about two different things. According to them, part-time farming consists of farming part of the time and working it down the rest of the time. If a man can't make ends meet on the

farm, he can take up the slack by working in town too.

That's not part-time farming that's full-time working.

You might as well suggest that if a man can't make a living working one farm, let him work two. If a bank clerk can't make a living at the bank in the day time, let him take on the job of night watchman too.

There's nothing wrong with part-time farming, but the time to do it is not after you get off work from a job in town.

I know a lot of farmers are doing this, and some of them seem to be making out all right, but the solution just doesn't appeal to me.

What I want the experts to do is tackle the farm problem from within the boundaries of the farm. It doesn't take an expert to tell me if I don't make enough farming, get a job in town, where do you think half the barbers in this country came from? They fled the farm.

I don't know about the rest of the farmers, but what I want is part-time farming with a full-time living. Farming ought to be like a business tycoon going into government service. No conflict of interest. He ought to give up one or the other, according to Congress, and that's the principle I want to approach the farm problem on.

Yours faithfully, J. A.

Test Yourself With TSA's New Safety Quiz

Almost every motorist has, at one time or another, been reasonably well exposed to the good rules of traffic safety. But, unless we constantly "check up" on good-driving habits, they become tarnished with the grime of hazardous carelessness. This 10-question quiz from the Texas Safety Association may help you brighten the best safety device ever put in your car—YOU!

- 1. You are stopped for a red light. When the signal changes, you should: A. honk horn to warn pedestrians, then start at once; B. pull slowly into the crosswalk to nudge pedestrians out of the way; 3. wait until the pedestrians who have started across reach the curb safely before moving your car. 2. Since there is no sidewalk near your house, you should: A. walk with traffic, on the right shoulder of the road; B. walk facing traffic, on the left shoulder of the road; C. walk anywhere you please, after all you pay taxes too. 3. When driving around a curve, you should: A. slow down, depress clutch and coast around it; B. speed up at the beginning of curve and be ready to use brakes if necessary; C. slow your car with the engine before reaching curve, start around and then accelerate just before reaching straightaway. 4. When you come to a railroad crossing, you should: A. stop, then proceed with caution; B. hurry across; C. slow down and look in both directions. 5. When you meet cars at night, you should use: A. bright lights, so you can see other cars clearly; B. parking lights, so others can see you clearly; C. dim lights to avoid blinding other drivers and still be able to see the road ahead. 6. "Riding the clutch" will result in A. better control of car, because you can shift gears quicker; B. excessive clutch wear; C. a savings on gasoline, thus driving costs. 7. Night driving is more hazardous because: A. of poor visibility; B. there are more drunk drivers on the road; C. you get sleepier at night. 8. When planning to turn right, you should: A. give a signal with your stop light; B. drive in extreme right hand lane and give hand or turnlight signal; C. slow down and toot horn. 9. When parking, parallel to curb, on a down-hill grade, it is safer to: A. keep wheels parallel to curb, thus preventing tire wear; B. turn wheel into curb and set hand brake; C. put car in gear and hope nothing happens.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 5, 1957.

HOUSE JOINT RESOLUTION NO. 37 proposing an amendment to Subsection (a) of Section XVI of the Constitution of Texas, relating to establishment of a retirement, disability and death compensation fund for officers and employees of the State.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Subsection (a) of Section XVI of the Constitution of the State of Texas be amended so as to read hereafter as follows:

"Section 62. (a) The Legislature shall have the authority to levy taxes to provide a retirement, disability and death compensation fund for the officers and employees of the State, and may make such regulations, inclusions, exclusions, or classifications of officers and employees of this State as it deems advisable. The Legislature may also include officers and employees of judicial districts of the State who are or have been compensated in whole or in part directly or indirectly by the State and may make such other reasonable inclusions, exclusions, or classifications of officers and employees of this State as it deems advisable. Persons participating in a retirement system created pursuant to Section 48-a of Article III of this Constitution shall not be eligible to participate in the Fund authorized in this Subsection except as otherwise provided herein. The amount contributed by the State to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per centum (5%) of the compensation paid to each such person by the State.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 5, 1957.

HOUSE JOINT RESOLUTION NO. 2 proposing an amendment to Article III, Section 51a of the Constitution of Texas, so as to increase the limit on the maximum monthly payment to needy aged persons from state funds and on the total yearly expenditure out of state funds for assistance to needy aged, needy blind, and needy children; and allocating and supplementing current legislative appropriations, for payment of assistance grants.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 51a of Article III of the Constitution of the State of Texas be amended to read as follows:

"Section 51a. The Legislature shall have the power, by General Laws, to provide, subject to limitations and restrictions herein contained, and such other limitations, restrictions and regulations as may be deemed expedient for assistance to, and for the payment of assistance to: (1) Needy aged persons who are actual bona fide citizens of Texas and who are over the age of sixty-five (65) years; provided that no such assistance shall be paid to any inmate of any state-supported institution, while such inmate, or to any person who shall not have actually resided in Texas for at least five (5) years during the nine (9) years immediately preceding the application for such assistance and who usually for one (1) year immediately preceding such application, provided that the maximum payment per month from state funds shall not be more than Twenty-five Dollars (\$25) per person; and provided further that no payment in excess of Twenty-one Dollars (\$21) shall be paid out of state funds to an individual until and unless such additional amounts are matched by the Federal Government.

(2) Needy blind persons who are actual bona fide citizens of Texas and are over the age of twenty-one (21) years; provided that no such assistance shall be paid to any inmate of any state-supported institution, while such inmate, or to any person who shall not have actually resided in Texas for at least five (5) years during the nine (9) years immediately preceding the application for such assistance.

(3) Needy children who are actual bona fide citizens of Texas and are under the age of sixteen (16) years; provided that no such assistance shall be paid on account of any child over one (1) year old who has not continuously resided in Texas for one (1) year immediately preceding such application.

(4) The Legislature shall have the authority to accept from the Federal Government of the United States such financial aid for the assistance of the needy aged, needy blind, and needy children as such Government may offer available upon such terms and conditions as the Legislature may prescribe, to the various political subdivisions or bodies politic and corporate of the State of Texas including river authorities, conservation and reclamation districts and districts created, organized or authorized to be created or organized under Article XVI, Section 52 or Article III, Section 52, of this Constitution, interstate compact commissions to which the State of Texas is a party, and municipal corporations, in the conservation and development of the water resources of this State, including the control, storage and preservation of its rivers and flood waters and the waters of its rivers and streams, for all useful and lawful purposes, including any system of dams, reservoirs and other water storage projects, including any system necessary for the transportation of water from storage to points of treatment and distribution, including facilities for transporting water therefrom to wholesale purchasers, or for any one or more of such purposes or methods.

"Any or all financial assistance as provided herein shall be repaid with interest upon such terms, conditions and manner of repayment as may be provided by law.

"While any of the bonds authorized by this provision or while any of the bonds that may be authorized by the Legislature under this provision, or the interest on any such bonds, is outstanding and unpaid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount which is sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the sinking fund at the close of the prior fiscal year.

"The Legislature may provide for the investment of moneys available in the Texas Water Development Fund, and the interest and sinking funds established for the payment of bonds issued by the Texas Water Development Board. Income from such investments shall be used for the purposes prescribed by the Legislature. The Legislature may also make appropriations from the General Revenue Fund for paying administrative expenses of the Board.

"From the moneys received by the Texas Water Development Board as repayment of principal for financial assistance or as interest thereon, there shall be deposited in the interest and sinking fund for the bonds authorized by this Section sufficient moneys to pay the interest and principal to become due during the ensuing year and sufficient to establish and maintain a reserve in said fund equal to the average annual principal and interest requirements on all outstanding bonds issued under this Section. If any year prior to December 31, 1952 moneys are received in excess of the foregoing requirements then such excess shall be deposited to the Texas Water Development Fund, and may be used for administrative expenses of the Board and for the same purposes as provided for in this Section.

"Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such laws shall not be void by reason of their anticipatory nature."

Section 2. The foregoing amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at an election to be held on the 5th day of November, 1957, same being the 1st Tuesday after the 1st Monday in said November, 1957, at which election each ballot shall have printed thereon, the following words:

"FOR the amendment to the Constitution of Texas adding a new section to be known as Section 49-c of Article III, authorizing the issuance and sale of Two Hundred Million Dollars (\$200,000,000) in bonds by the State of Texas to create the Texas Water Development Fund to provide financial assistance to certain political subdivisions or bodies politic and corporate of the State of Texas in the conservation and development of the water resources of the State."

"AGAINST the amendment to the Constitution of Texas adding a new section to be known as Section 49-c of Article III, authorizing the issuance and sale of Two Hundred Million Dollars (\$200,000,000) in bonds by the State of Texas to create the Texas Water Development Fund to provide financial assistance to certain political subdivisions or bodies politic and corporate of the State of Texas in the conservation and development of the water resources of the State."

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State. The expense of publication and election for such amendment shall be paid out of the proper appropriation made by law.

"All funds provided from the compensation of such person or by the State of Texas for such Retirement, Disability and Death Compensation Fund, as are received by the Treasury of the State of Texas, shall be invested in bonds of the United States, or in bonds issued by the United States Government, the payment of the principal of and interest on which is guaranteed by the United States; or in such other securities as are now or hereafter may be permitted by law as investments for the Permanent University Fund or for the Permanent School Fund of this State, under the same limitations and restrictions imposed by the Constitution for investment of those funds and subject to such regulations as the Legislature may provide. However, no amount of said Fund shall be kept on hand to meet the immediate payment of the amount of such retirement, disability and death compensation fund for officers and employees of the State."

"Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment, such legislation shall not be invalid by reason of its anticipatory character."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at a special election to be held throughout the State on the first Tuesday after the first Monday in November, 1957, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment amending Subsection (a) of Section 62, Article XVI of the State Constitution, relating to establishment of a retirement, disability and death compensation fund for officers and employees of the State."

"AGAINST the Constitutional Amendment amending Subsection (a) of Section 62, Article XVI of the State Constitution, relating to establishment of a retirement, disability and death compensation fund for officers and employees of the State."

Section 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and the election held as required by the Constitution and laws of this State.

not inconsistent with restrictions hereinafter provided, however, that the amount of such assistance out of state funds to each person assisted shall be increased the amount of money out of federal funds; and provided further, that the total amount of money to be expended out of state funds for assistance to the needy aged, needy blind, and needy children shall never exceed the sum of Forty-seven Million Dollars (\$47,000,000) per year.

"The Legislature shall enact appropriate laws to make lists of the recipients of aid hereunder available for inspection.

"Supplementing legislative appropriations for assistance payments authorized by this section, the following sums are allocated out of the Omnibus Tax Clearance Fund and are appropriated to the State Department of Public Welfare for the period beginning December 1, 1957 and ending August 31, 1959: Five Hundred and Eighty Thousand Dollars (\$490,000) for Old Age Assistance, One Hundred, Seventy-Five Thousand Dollars (\$175,000) for Aid to the Blind, and Five Hundred, Twenty-Five Thousand Dollars (\$525,000) for Aid to Dependent Children. Such allocations and appropriations shall be made available on the basis of equal monthly installments of \$47,000,000 per year to Forty-seven Million Dollars (\$47,000,000) per year, and allocating and supplementing current legislative appropriations, for payment of assistance grants."

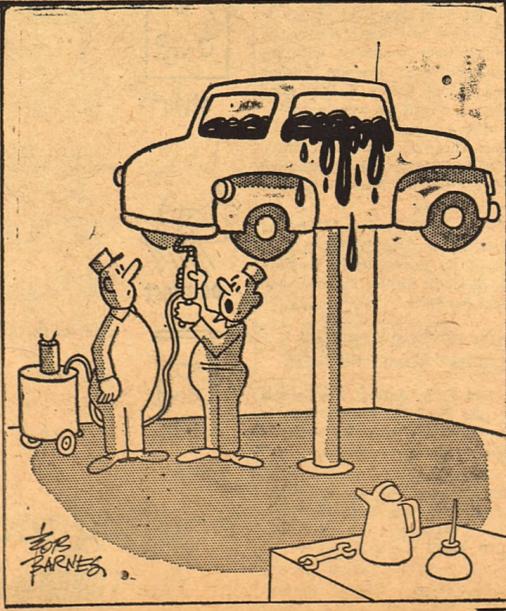

Section 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors of Texas at an election to be held throughout the State of Texas on the 5th day of November, 1957, at which election there shall be printed on each ballot the following clauses:

"FOR the Constitutional Amendment increasing the limit on the maximum monthly payment to needy aged persons from state funds from Twenty Dollars (\$20) per month to Twenty-five Dollars (\$25) per month subject to certain conditions for payment in excess of Twenty-one Dollars (\$21) per month and on the total yearly expenditure out of state funds for assistance to needy aged, needy blind, and needy children from Forty-two Million Dollars (\$42,000,000) per year to Forty-seven Million Dollars (\$47,000,000) per year, and allocating and supplementing current legislative appropriations, for payment of assistance grants."

"AGAINST the Constitutional Amendment increasing the limit on the maximum monthly payment to needy aged persons from state funds from Twenty Dollars (\$20) per month to Twenty-five Dollars (\$25) per month subject to certain conditions for payment in excess of Twenty-one Dollars (\$21) per month and on the total yearly expenditure out of state funds for assistance to needy aged, needy blind, and needy children from Forty-two Million Dollars (\$42,000,000) per year to Forty-seven Million Dollars (\$47,000,000) per year, and allocating and supplementing current legislative appropriations, for payment of assistance grants."

Section 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published as required by the Constitution and laws of this State.

Ranchmen, Farmers Must Ask For Refund Of Federal Gasoline Tax

Farm and ranch operators may now apply for the 3-cent refund of Federal tax on gasoline which was used for agricultural purposes up until June 30, 1957. The refund application must be made on or before September 30, 1957 and only one application is permitted per individual operator.

Form 2240 is the post card type application form which must be used. Ranchmen and farmers who made request for gas tax refund in 1956 had a copy of the 1957 form mailed directly to them. Others may obtain form 2240 at the county agent's office or from the District Director, Internal Revenue Service. All completed forms should be mailed to the same office to which income tax reports are sent.

Some of the farming or agricultural work for which the gas tax refund may be claimed includes: cultivating the soil, or raising or harvesting any agricultural or horticultural commodity including the raising shearing feeding, caring for, training and management of livestock, poultry, furbearing animals and wildlife. For example, gasoline is eligible for refund when it is used on the farm or ranch in managing livestock, deer or other game involved in usual operations. That which is used in highway travel marketing eggs or livestock is not eligible for refund since it was not used "on the farm or ranch."

Fuel used for building terraces, levees or irrigation ditches where this work is done with operator's equipment, is considered used for farming purposes. If you hire an independent contractor to do such work, the gasoline is not so

treated (for farming purposes). Also, fuel used in handling, grading, packing or drying any agricultural or horticultural commodity in its unmanufactured state is eligible for refund claim. The farmer submitting the claim under these conditions must have produced more than one-half of the commodity so handled or treated.

A small supply of Form 2240 is available from the county agent's office and the ASC office for those who have not received one through the mail. Also, if some further information on the gas tax refund is needed, ask for a copy of Publication 308 while in the agent's office.

Remember the deadline date—September 30—for no refund applications will be accepted after this date.

Pensions Paid To Children Of Handicapped

Monthly insurance payments can now be paid to the handicapped son or daughter of a retired or a deceased worker, according to the Social Security Administration.

This is the first year that payments can be made to a dependent child who is incapable of self-support due to a physical or mental disability.

Payments can begin for January of this year to a person of any age who was disabled before he reached age 18. Such payments are made on the social security

61 YEARS AGO

A union church choir was organized in Sonora recently with 26 members. Miss Abbie Miller first organist and Miss Sue Tom second organist. J. W. Keene first chorister and Mark Baugh second chorister. The choir meets for practice every Friday night at the church. A good choir has been needed in Sonora for a long time and it is hoped that the members will attend regularly and make the choir a success. Mr. Keene is taking interest in the work and there will be no doubt that his labors will be rewarded.

a.m. and 7:30 o'clock p.m. Sunday. All are invited to attend.

Mr. and Mrs. Joe North moved into the Gus A. Batts house Friday where they will remain until their own residence is completed.

T. D. Newell has the inside track on marriage licenses and anything pertaining to the clerks office as he is helping S. H. Stokes this week during the rush of business.

Charlie Singleton, while working cattle at the Vermont Ranch in Schleicher County Monday, had the misfortune to have his left leg broken by his horse falling on him. Dr. H. G. Jones of Sonora was sent for and set the wounded member.

Due to delay in the arrival of equipment, the M. & M. Laundromat will not be opening for a few days.

Halbert and Fawcett recently shipped in 150 head of cattle from their ranch in Missouri. Only 120 head remain on the Missouri place, and they plan to disperse those this month. After the sale, Halbert plans to spend most of his time in Sutton County.

Halbert recently bought 171 cows and 157 calves from Newt Potet of San Angelo, who bought them from W. M. Allison of Marfa. He paid \$225 a pair and \$140 for the dry cows. The cows averaged 950 pounds and the calves 350.

Harold Schwiening recently acquired 1,000 lambs from Travis and Edgar Glascock. They averaged 70 pounds and sold for 20 cents.

John Ward sold 70 lambs to Jake Merck at 17 1/2 cents. He also sold to Joe Lindley, San Angelo, a few yearling angus steers weighing 850 pounds for 22 cents and a few angus steer calves at 515 pounds for 25 cents. And Walter J. Merritt and Van Ivy of Mountain Home bought from him a truck load of billies in hair at \$50.00 a head.

C. T. Jones purchased 1,000 head of lambs from Mrs. Sam Brown of Comstock and Mrs. Dorothy Baker at 18 cents.

LIONS ROAR

At the regular Lions Club meeting Tuesday Hillman Brown, substituting for Clayton Hamilton, announced that there were only two weeks until the big wrestling and asked the Lions to remind everybody that tickets were available at the two Drug Stores in Sonora.

Then Herbert Fields and the five Boy Scouts who went on the Valley Forge Jamboree trip recently gave a short program on their activities. After an introduction from Fields the Scouts spoke as follows: Johnny Fields told of experiences in Washington D.C.; Rodney Davis took Valley Forge; Jimmy Cahill, Mt. Vernon; Mike Ellis, New York City; and Charlie Howell, Detroit. Then Fields added that these Scouts plus those from San Angelo were repeatedly complemented by Scout officials, cafe owners, bus drivers, etc. for their exceptionally good behavior. He called them "a credit to this country."

Fields will return next week with films on the trip.

Open season and bag limits in Texas for the 1957 hunting season now have been pretty well established. At a meeting in Austin, the Texas Game and Fish Commission set down the seasons for migratory birds. These will need final approval of the Fish and Wildlife service, which will be forthcoming soon.

Deer season generally begins November 16 and extends through December 31. This is for white-tailed deer, especially in the Hill Country. Turkey season, for the most part, is open at the same time, with one gobbler permitted.

Antlerless deer permits will be available from landowners in certain areas where too many deer are present.

Drawings for permits on the Management Area hunts will be held in October.

The mule deer season West of the Pecos has been set for November 20-27 inclusive.

There will be open dates on antelope in the Trans-Pecos country October 1-3 and October 5-7. This hunting will be by permit. The Panhandle antelope season will be October 14-16 and October 17-19. The hunt will be permitted in defined areas in Hartley and Oldham Counties. Antelope hunters will be selected through a public drawing in Austin.

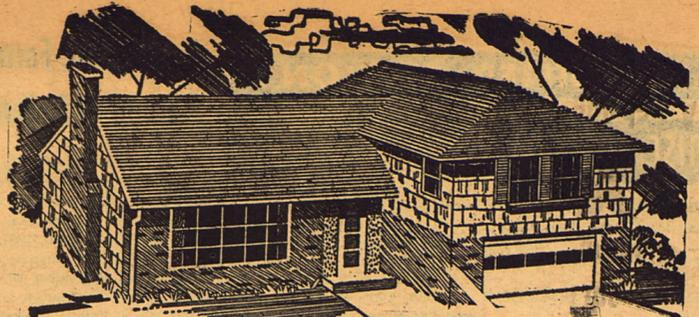

The Panhandle deer and turkey seasons will be November 16-25 inclusive.

Quail season will be December 1, to January 16, generally throughout the state.

The Commission also recommended a whitewing dove season in the Valley to be held on alternate days, September 13, 15, and 16, 12 noon to sunset, with a bag limit of 10 birds in the aggregate, whitewings and mourning doves.

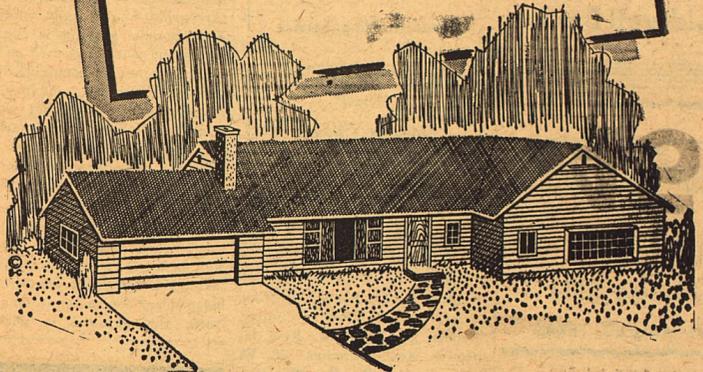

The regular dove season recommended will be for 47 days in the north zone to begin September 1, and 48 days in the south zone, beginning October 1.

The Commission also recommended opening of the duck season this year on the first Friday in November.
