

# LOCAL AIRFIELD SECURED!

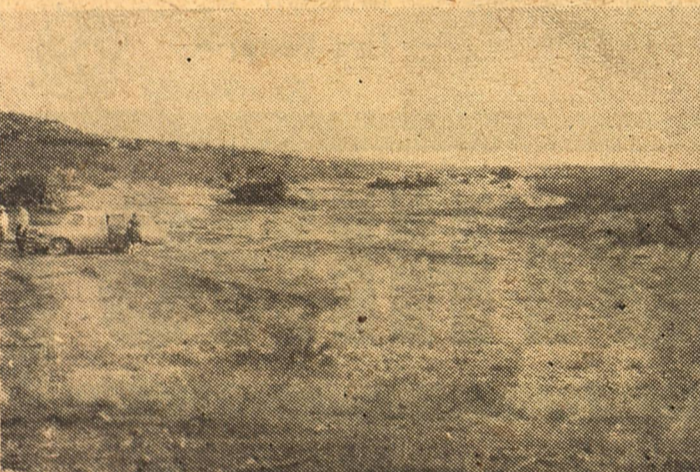

## Birth Of An Airstrip . . .

The first step in obtaining air field facilities for Sonora and Sutton County was made Friday when Joe Berger (center) agreed to make the site available. Vestel Askew (left), airport committee chairman, expresses the committee's gratitude while Gay Copeland (right) committee member, looks over the location.

At eight o'clock Monday morning the Berger property just north of Highway 277 and just east of Highway 290 looked like the above. Mesquite, grass and weeds dominated the picture.

At three o'clock Monday afternoon the same tract was beginning to bear semblance to the landing strip it will soon be. Heavy equipment had been on the job for five hours and brush piles were already beginning to smolder.

## West Texas Utilities Asks \$13,500 To Move Highline Off Airport Location

Officials of West Texas Utilities Co. met Wednesday with the Airport Planning Committee, the City Commission, and County Commissioners and presented their estimate of \$13,464.04 to relocate the Sonora-Ozona highline to clear the proposed airport runway. The move involved approximately three miles of double-post line.

This was the first major obstacle to confront groups working on the airport project. It was felt that this figure was higher than could be met and plans were made immediately to shorten the proposed routing of the relocation project. After several hours of planning this was accomplished

and the length of the proposed new line was cut in half. Estimate of the new routing, calling for only one and a half miles of rerouting, was presented by company officials with a total cost estimate of \$9,100. A spirit of complete cooperation between city and county officials has prevailed from the beginning in an attempt to provide airport facilities without recourse to bond elections which would necessitate higher taxes.

City officials found the way clear to shoulder full cost of relocation. It had been hoped that West Texas Utilities would share costs of moving their line.

## Rt. Rev. Dicus To Make Annual Visitation Here

The Right Reverend R. Earl Dicus, Bishop of the Diocese of West Texas, will make his annual visitation to St. John's Episcopal Church here Sunday, September 29. Bishop Dicus will administer the rite of confirmation on Sunday and will be a guest at the parish dinner to be served in the parish house following the morning service.

## McCAMEY EDITOR CALLS BADGERS ONE OF FINEST IN TEAM HISTORY

By D. Freeman, McCamey News  
This year's edition of the McCamey Badgers is one of the finest teams to wear the orange and black colors. Coach Ray Pope thinks that possibly the lightness of the '57 team may have been a blessing in disguise. It has definitely made for better teamwork. Gone are the 200 pounders from the line. Each member of the team knows that he can not leave the job to someone else. Now each must cover his position. Evidently this teamwork is paying off; they allowed Comanche only 81 yards in the season opener, which McCamey won, 56-12, and held the AAA Ector Eagles from Odessa to 66. McCamey 14, Ector 0. The Comanche Indians outweighed the Badgers better than 20 pounds per man; the Eagles held a seven pound man weight advantage.

As for the probable starters and others expected to see action:  
Billy Ritchie, senior, 165, three-year, letterman, and Kenneth Wallace, senior, 165, two-year letterman, starting as ends. Wallace was out last year because of a back operation (six months in a cast), but the previous year was the top pass receiver of our district. Ritchie is salty and a fairly good receiver.  
Don Martin, senior, 160, two-year letterman, and James Bowden, sophomore, 168, one letter, will fill the guard posts.

## Harrell, Cahill Men Of Action Frown On Delays

Sonora's airstrip got off to a speedy start Monday morning when two men of action, E. L. Harrell and Carl J. Cahill, got things rolling in high gear. The two men were on the job early Monday with bulldozers and other heavy equipment clearing the land for levelling and filling. Harrell, who is chief maintenance engineer for Sutton County, and Cahill, owner of Carl J. Cahill Construction Co., set the pace themselves, riding

## City Buys 175 Acre Airport Site From Joseph F. Berger

their dozers and clearing land. By Wednesday noon the site itself had been staked, the area for the 150 foot runway cleared and raked and dozed brush was smoldering in the clearing. Cahill has indicated he will contribute generously in labor and equipment. Harrell will be in charge of the county's operations on the strip which include paving to be completed in May 1958.

This week Sonora's long-time quest for an airport was ended when F. L. McKinney, representing the local airport committee, reached an agreement with Joe F. Berger for a tract of land lying adjacent to the city limits between the Ozona highway and the San Angelo highway. The property, consisting of approximately 175 acres, was purchased by the City of Sonora for a total of \$20,000—a per acre price of \$114.00. By issuing time warrants to Berger, the City Commission was able to finance

the purchase of the land without recourse to a bond election. The County Commissioners Court has agreed to do all dirt-moving, filling and paving and began work Monday morning with the help of Carl J. Cahill, local contractor, who is contributing labor and equipment. The City and County thus fulfill the wishes expressed by 68 citizens attending the public meeting, who voted unanimously for an airport to be financed equally by Sutton County and the City of Sonora. The airport committee was set up at this meeting, held at the county courthouse on July 9. Vestel Askew, chairman, Gay Copeland, R. M. McCarver, Stanley Mayfield and Stanton Bundy were instructed at that time to investigate all possible airport locations and to negotiate for the purchase of suitable property. The location finally settled upon was described as ideal by the committee after having examined 14 other sites.

## LIONS AUCTION SLATED SATURDAY

The show of the year—the Annual Lions Club Auction—is scheduled for Saturday night, September 28 at the race track. At their annual auction, Lions raise funds for carrying out their work with Boy Scouts and Girl Scouts, maintenance of the swimming pool program. It is the civic club's only fund raising campaign and has raised as much as \$6,500.00 in an evening.

The highlight of the auction comes with the sale of the unknown package. This package was donated in 1945 by Barry Duff and has always remained unopened. Buyers of the package have been Willie Miers, J. M. Vander Stucken, L. W. Elliott and Cecil Westerman. Total funds raised by the sale of this package alone have amounted to \$610. Donors of livestock are requested to deliver their stock to the show grounds Saturday or Friday afternoon. Facilities for caring for animals will be open at that time.

Those contributing other articles for sale are asked to leave them at Sonora Appliance Store where Hillman D. Brown has made space available.

## Berger To Convey 1/4 Minerals

A late development in the airport story came to light Wednesday when Joe F. Berger notified R. M. McCarver, manager of City Utilities, of his desire to include one-quarter mineral rights in the sale of land for an airstrip and community development projects.

Berger stated he felt this would in some measure help finance and hasten Sonora's growth and expansion.

He further stated that he wished to rebate to the airport project the amount received by him from the Texas Highway Department for the new San Angelo highway right-of-way.

## Saturday Night Rain Covers County, Up To 4 Inches

By E. B. Keng  
Widespread rainfall during the night of September 21 marked the official beginning of fall. Though rainfall was very erratic in both intensity and quantity, every ranch received some moisture.

The heaviest precipitation reported was four inches on the Bryan Hunt ranch 15 miles southeast of Sonora, but three or more inches were registered in gauges on the Gene Wallace, Henry Wyatt, Joe B. Ross and Hospital Ranches. Lightest precipitation reported was a half inch by Sim Glasscock; Joe Logan .70, and Cleve Jones .69. The Sonora Wool and Mohair Co. gauge showed 1.65, while other gauges in Sonora reported as much as 2.10.

## WALL-FIELDS COMBINE HOLDS BRAVES TO 6-6 TIE IN IRAAN GAME FRIDAY

The Sonora Broncos maintained their 1957 reputation for surprise by tying the Iraan Braves 6 to 6 in the final quarter of Friday night's game on Brave territory. The previous week the Braves had romped over the Ranklin eleven while the Broncos had bested the Wink Wildcats.

It was Sonora's combination of Allen Wall and Freddie Fields which clicked on the TD pass, a 21-yarder off the arm of Wall good to Fields on the edge of the pay stripe, which tied up the game in the final quarter.

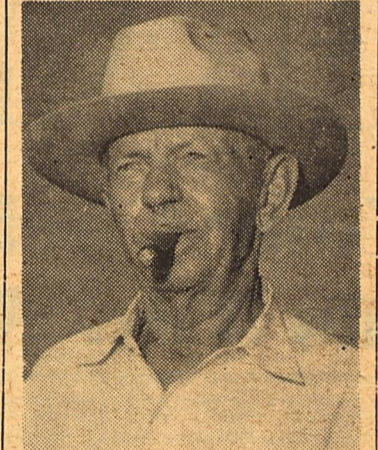

Iraan scored in the opening period with a pass from the Braves' Lindy Lyles to Ronnie Ward setting the scene for Donald Howard's 19-yard run over the goal line. The Braves maintained their six-point lead until the fourth quarter. On the ground, the Broncos stacked up a total of 135 yards rushing to the Braves' 64, but the Iraan team totaled 107 yards in the air to the Sonora team's 60.

Coach Joe Turner and his gridders travel to McCamey Friday where they meet the top-rated Badgers. Probable starters for the Broncos will be: Ends, Freddy Fields and John Ed Neville; Tackles, Bobby Smith and Junior Castro; Guards, Dan Cauthorn and Gene Brodhead; Center, Wallace Anthony; Backfield, Allen Wall, Vivian Vasquez, Eddie Sosa and Sam Galindo.

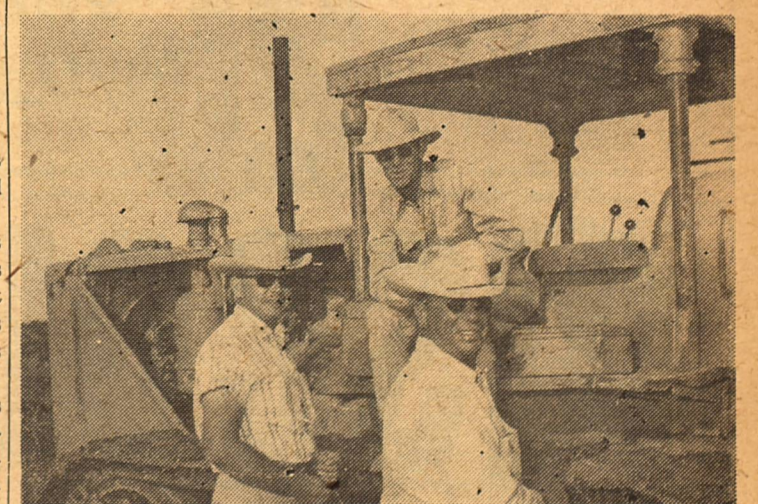

weight—a senior, three letters, who weights 175. He is our top contender for all-state honors. Last week against Ector—on defense—he was in their backfield so much, their QB was practically handing off to him. He is a top broken field runner on offense, has plenty of drive, Fullback.

Hope I don't have to eat too many of my words after our clash tonight with Big Lake.

Those contributing other articles for sale are asked to leave them at Sonora Appliance Store where Hillman D. Brown has made space available.

Joe Berger, Sutton County ranchman, came to the aid of his county and his home town last week by agreeing to sell 175 acres for a much-needed airport. Berger agreed to the sale on the condition that land thus made available be used for community betterment.

Above is one of the dozers responsible for the new look on the airport site. County Maintenance Engineer E. L. Harrell (center), Contractor Carl J. Cahill (left), and Cahill's pusher, Damon Davis (right) manned the bulldozers early Monday morning in an attempt to assure the port's being in operation by Saturday, October 12, date set for Sonora's Oil Progress Week Kickoff Celebration.

DEVIL'S RIVER NEWS

Devil's River Philosopher Differs  
With Expert On Theory Reckless  
Spending Is Cause For Inflation

PHILIP  
Editor's note: The Devil's River Philosopher on his bitterweed ranch on Devil's River considers another angle of inflation in his letter this week, but we doubt if it'll have any effect on the problem, one way or the other.

Dear editor:  
I was reading the other night in a copy of a magazine which some company sent me in the hope I'd subscribe, which on a small scale is about like sending a million dollars to Europe in the hope somebody'll repay it, where an expert in Washington has been studying the problem of inflation and has come up with the notion that the way to cure it is to stop reckless spending.

According to him, the more willing we are to spend, the more willing somebody is to take our money, and this keeps the price of things edging up.

Now I have been giving considerable thought to this idea for the past few days, letting a lot of my farm work slide in the belief whipping inflation is more important to the nation than whipping bitterweed on my ranch, and I'll admit that while I have come to several different conclusions, I'm still just as puzzled as I was when I started.

For example, as far as I know,

reckless spending does cause inflation, however, on the other hand, I know of a lot of cases where reckless spending resulted in a depression, at least for the people doing the spending.

And also, if everybody stopped spending, stores would stop selling, manufacturing plants would stop producing, then stop hiring, and while this would sure whip inflation, it'd result in a depression and whipping good times by substituting hard times is not exactly what me and that expert in Washington had in mind.

To tell the truth, reckless spending is probably what put this country where it is. That is, if the average housewife spent her money 100 percent carefully and for essentials only, most supermarkets could cut their size in half and stock mostly salt, pepper, stew meat, potatoes and molasses. Drygoods stores would be cut down to work pants and gingham dresses, the air-conditioning industry would switch over to palmetto fans, and drug stores would disappear. And you know right off what the eliminating of reckless spending would do to government.

It seems to me, that expert in Washington better try some other plan. He's about to argue himself out of a job.

Yours faithfully,  
J.A.

P.S. Everybody is wondering how this Asian flu got into this country. All I know is it didn't come in on any foreign currency sent in to pay off loans with.

Devil's River News-Sonora, Texas, Thursday, September 26, 1957

## WMU INSTALLS OFFICERS AT MONDAY MEETING

The WMU of the First Baptist Church met Monday morning, September 23, for a business meeting and installation of officers. Mrs. Alvie Brewer, president, presided over the business meeting.

Mrs. Bill Brown installed the following new officers: Mrs. Alvie Brewer, president; Mrs. J.E. Eldridge, enlistment chairman; Mrs. A. C. Elliott, program chairman; Mrs. Bob Odom, secretary-treasurer; Mrs. Roy Rabun, community missions chairman; Mrs. Bill Brown, prayer chairman; Mrs. Rex Lowe, Bible Study chairman; Mrs. Olan Padgett, stewardship chairman; Circle chairmen, Mrs. Jack Drennan, Mrs. Maude Doran and Mrs. Pearl Martin; Young people's councillors, Mrs. J. P. Smith, Mrs. H. K. Lee, Mrs. Roy Cooper, Mrs. Louin Martin and Mrs. Billy Green.

Mrs. Pearl Martin opened the meeting with prayer and Mrs. Rex Lowe was in charge of the devotional. Fourteen members were present.

## MRS. REES ENTERTAINS WITH THURSDAY BRIDGE

Mrs. Robert Rees was hostess to the Thursday Afternoon Club at her home last week. Fall flowers decorated the party rooms and a dessert plate and iced tea were served.

Mrs. J. W. Trainer won high score prize, Mrs. Maysie Brown won high guest, Mrs. C. E. Stites won at Bingo and Mrs. R. V. Kelley won the deute prize.

Others attending were Mmes. Lee Labenske, R. V. Cook, Tom Sandherr, Karen Peterson, Joe Berger, Auther Simmons, O. G. Babcock and Jim Cauthorn.

## Room Mothers Appointed By Club Chairman

Mrs. Roy Cooper, room mother chairman for the Sutton County chapter of the Parent-Teachers Association, this week announced appointment of the following room mothers for Central Elementary school:

First Grade: Mrs. James Wilson, Mrs. W. B. Dillard, Mrs. Charles F. Browne and Mrs. Marion Elliott.

Second Grade: Mrs. V. T. Cook, Mrs. Leroy Whitworth, Mrs. George Schwiening and Mrs. M. M. Morris.

Third Grade: Mrs. Harold Scherz, Mrs. Shelby Kerbow, and Mrs. A. T. Barrett.

Fourth Grade: Mrs. Edwin Sawyer, Mrs. Oliver Wuest and Mrs. A. F. Moffitt.

Fifth Grade: Mrs. Armer Earwood, Mrs. J. Wray Campbell, Mrs. Louis Davis and Mrs. Ray Baker.

Sixth Grade: Mrs. Herbert Fields, Mrs. Carl Cahill and Mrs. John McClelland.

Seventh Grade: Mrs. Mat Adams, Mrs. Dick Morrison, Mrs. F. L. McKinney and Mrs. Gay Copeland.

Kindergarten: Mrs. A. E. Lowe and Mrs. Jim Adamson.

## WANDA GILLUM WINNER IN NATIONAL CONTEST

Wanda Gillum, daughter of Juanita Chadwick of Sonora, has been awarded a prize in a national contest conducted by Reed and Barton, silversmith, this spring for high school seniors girls all over the country, which over 15,000 girls participated.

Before her graduation from high school, Miss Gillum selected her sterling silver pattern.

In a drawing held recently in New York, her entry was selected to receive a sterling silver lapel pin, as an honorable mention prize.

Mr. and Mrs. James B. Pharris are spending the week in Odessa with Mr. and Mrs. Sonny Furgason and Sherry. Mrs. Furgason, a daughter of the Pharris, was to undergo major surgery this week.

## MAX MORRISSES HONORED ON 15TH ANNIVERSARY

Mr. and Mrs. Ed Marek and Mrs. William Hochstatter were hosts in the Marek home Sunday night to a supper honoring Mr. and Mrs. Max Morris on their fifteenth wedding anniversary. A silver chest was presented the honorees by the hosts and guests present.

Following a supper of sandwich loaf, relishes and coffee, Bunko was played with prizes going to Mrs. Roger Stout and Lee Holder.

Those attending were Mr. and Mrs. Roger Stout, Mr. and Mrs. Lee Holder, Mr. and Mrs. Nolan Moore, Mr. and Mrs. Max Morris, Mrs. G. W. Archer and the hosts.

## Hospital Notes

Willie Fay, Eldorado Duard Archer Melva Ray Shroyer, Roosevelt Elaine Luttrell Mrs. Maria Arredondo Mrs. Annie Covey Clara Margaret Schwiening G. W. Archer Mrs. Carrie Hudson Mrs. Shirley Jean Jackson Charles Bein Mrs. Enedina Ramirez Mrs. Delfina Galindo Mrs. Susie Mackey George Ernest Archer Gerry Mayfield Carolyn Hall Mrs. Avis Carroll Mrs. Pearl Crites

DISMISSALS Mrs. Susie Mackey Mrs. Maude Doran Duard Archer G. W. Archer Melva Ray Shroyer Clara Margaret Schwiening Mrs. Enedina Ramirez Pat Cooper Elaine Luttrell Mary Wilson Mrs. Marie Arredondo Willie Fay E. W. Rawls Robert Baker Mrs. Peidad Cerda Floyd Bardwell William Earl Van Dusen

Mrs. Edith Phillips returned to her home in El Paso this week after a visit here with her brothers and their families, Mr. and Mrs. Alfred Cooper and Mr. and Mrs. Pat Cooper, Don and Betty Jack.

Mr. and Mrs. Stanley Mayfield, Gerry and Seco, were in San Angelo last weekend where they had been called on account of the illness of Mrs. Mayfield's mother, Mrs. Johnny Cranford.

Pat McBride left Monday morning for Claremont, California, where he is enrolled in Pomona College.

## Congratulations To These New Parents

Mr. and Mrs. James Carl Morrow of Salem, Illinois, are the parents of a daughter, Valerie Ann, born in Salem Memorial Hospital September 23, and weighing five pounds, 11 ounces. Grandparents are Dr. and Mrs. J. J. Ruiz of Houston and Mrs. Violet Morrow of San Angelo.

## MRS. LETSINGER HOSTESS TO BAPTIST NIGHT CIRCLE

Mrs. Ted Letsinger was hostess to the Business Women's Circle of the First Baptist Church Monday night, September 23, at the church. Mrs. Jack Drennan, president, presided at a short business meeting which was followed by a Royal Services on mission work in Pakistan with Mrs. T. L. Harrison in charge.

Mrs. J. E. Eldridge led the Bible study and dismissed the group with prayer.

The hostess served pie and coffee to Mmes. Manila Trainer, Walter Anthony, Vernon Griffin, T. L. Harrison, J. E. Eldridge and Jack Drennan.

## BAPTISTS TO HAVE SOCIAL WEDNESDAY, OCTOBER 2

A church wide social honoring teachers and officers for the coming year will be held at seven o'clock Wednesday evening, October 2, at the First Baptist Church.

Mrs. R. W. Drennan is chairman of the committee in charge.

Mr. and Mrs. Harold C. Saunders, Jr., spent Sunday visiting her parents, Mr. and Mrs. Dan Auld, on the Auld ranch near Leakey.

## FALL ARRIVED OFFICIALLY SEPTEMBER 22.

## AND WITH IT OUR FIRST NORTHER.

It kind of slipped up on most of us—found us not quite ready. But we are ready to help you get ready for those cold winter nights ahead—and at prices you just won't believe!

## NOTICE

The 4-H Parents Club is sponsoring a bake sale Friday morning, September 27, at nine o'clock at the Old Hamilton Building. Proceeds will be used to finance club projects.

## Elementary School Students To Elect Council Officers

Students at Central Elementary School will elect Student Council officers Friday. Class representatives to the Council are being named this week and the election of officers will follow a week of vigorous campaigning climaxed by stump speeches scheduled for the school's assembly Friday morning.

Candidates for election are: For president, Candace Cauthorn and Larry Bob Moore; Vice-president, Kay Shurley, Mary John Espy, Tommy Dock Rape and Margaret Turner; for secretary, Libb Mill Wallace, Jessie Lem Johnson, Gil Trainer and Cindy Galbreath; for treasurer, Janet Kay Johnson, Francine Fields, Dick McMillan and John David Fields.

Last year's officers were: David Archer, president; Cleve T. Jones III, vice-president; secretary, Irene Davis; treasurer, Sarah Sawyer.

Those attending the TS&GRA meeting in Uvalde last weekend included Mr. and Mrs. W. R. Cusenbary, Mr. and Mrs. Bryan Hunt, James T. Hunt, Lea Allison, Bill Fields, Mr. and Mrs. Fred T. Earwood and Mr. and Mrs. Edwin Mayer.

MC CAMEY**

# SONORA vs MC CAMEY

Weighing in at 200 pounds, Doroteo (Junior) Castro, is proving himself a standby at guard. A one-year letterman, Castro did plenty of duty last year, his first year at the game. He is expected to do plenty of plugging against McCamey Friday night. Number 67.

DOROTEO (JUNIOR) CASTRO

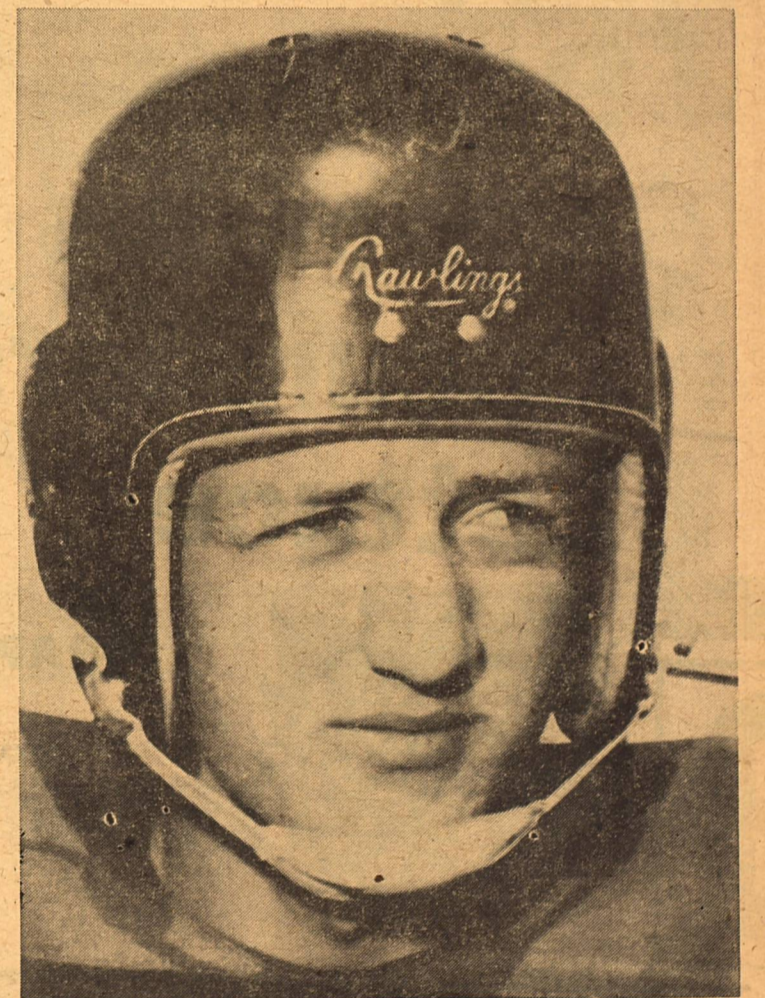

BILL FISH

Big Bill Fish is the 200-pound tackle who is seeing his second year of full-time service for the Sonora Broncos. Wearing Number 72 jersey, Fish is the terror of the opponent's offense and plays a good offensive game himself.

Wallace Anthony is playing his second year as center on the main Bronco force. Tipping the scales at 150 this year, Anthony can hold his own against centers besting him by as much as 40 pounds. He wears number 73 jersey.

WALLACE ANTHONY

**Texas Well Seeded With Flu Virus Says Health Dept.**

Earlier predictions of a widespread Asian influenza epidemic this fall and winter appear to be materializing. Reports of cases coming in from all quarters indicate that Texas has been well "seeded" with the virus.

Only five brief months have passed since late April when the disease was first recognized in Hong Kong. This speed of spread is typical of the illness.

So far, Asian influenza, which is really a new strain of a virus type well known to laboratory technicians, has been comparatively mild. This very fact has caused many people to ask why so much noise is being made about it. There are several good answers.

First, even mild influenza can be disabling for four or five days, followed by a period of lassitude and weakness. If enough people are stricken at the same time, as in an epidemic, medical care facilities may be overtaxed and vital community services may break down.

Second, influenza is always unpredictable. Cases are fre-

(Bud) Smith Wayne Ogden Mrs. Leroy Whitworth

quently complicated by bacterial infections. And, even when uncomplicated, the illness has a particularly dangerous impact on persons suffering from heart ailments or other chronic diseases.

Experience has shown that the average period of a local epidemic is about four weeks, but 80 percent of those who become ill do so within a period of about two weeks. Frequently whole families get sick at the same time so there is no one to care for the sick, to fix meals, or look after family affairs.

Fortunately, with modern epidemiology and laboratory techniques, we are in a better position today to cope with the situation than in 1918. Too, for the first time in history this nation is in the unique position of having already begun production on a vaccine before an anticipated epidemic actually struck. Six drug houses have been licensed to produce the vaccine and are working on around-the-clock schedules. Vaccine will be released as it becomes available.

By Hugh Williamson  
Find a dove hunter and you can quickly organize a debate about open seasons.

For example, take the fellow who goes dove hunting the first part of the season. He gets birds, all report. But a lot of them are small and still have their pinfeathers. That man may say they opened the season too early.

Then you take the fellow who goes out late in the season. The birds are scarce because cooler weather has caused them to move south. This hunter says they opened the season too late.

There's no solution in going out the middle part of the season. Everything depends on the weather and when the birds hatch. These are factors over which the game regulation people have no control.

I have been talking over this situation with some of the game management folks, and they are looking for the answers. They will tell you that the doves are increasing in number, unlike most other game birds and animals. That's because the dove is an adaptable creature. Take away his natural habitat, remove his

watering place, and he'll come nest in your front yard.

Another thing about doves. They may be inclined to nest mainly in the spring, but this home-making and young-raising is likely to go on through the summer and on into the fall, sometimes all year long. So the hunter will get some small birds, no matter what the season.

The government biologists are studying all these angles, and based on what they find there may be changes in dove hunting regulations. Perhaps the season will be lengthened, or the bag limit increased, or both.

As it is now, the U. S. Fish and Wildlife Service sets the length of season. That's because the dove is a migratory bird, and the regulation officials want to give the hunters of all states an equal chance for birds. As far as the seasons dates are concerned, the federals leave that pretty much up to the states.

Add it all up and what you get is the happy fact that doves thrive in spite of drought and high water, and that the outlook for dove hunters is likely to keep getting better and better.

## A Tribute

### To Our Laborers

Sometimes we forget that the unsung man who mixes cement or repairs your motor car is worthy of the highest commendation. Could YOU, the average citizen of this town, handle a trowel or cure the costly ailment of a temperamental car? This requires specialized knowledge and this is the day of highly-trained specialists. The Laboring Man, whatever his calling, is a factor in our community life that cannot be discounted. Look upon him as someone who contributes largely to your modern way of life. Pay him the respect that is due his trade or specialty . . . and remember that he, too, is one of our good citizens!

### Livestock News

Statistics released by the Bureau of Business of the University of Texas indicate that the drought-stricken Texas cattle industry is fast recovering due to spring rains.

Last spring the total number of cattle in the state amounted to an estimated 7,736,000. Although this is below the 1956 figure of 8,501,000, it amounts to a reversal of a seven-year decline, and we can expect to see a steady rise in the future.

The price of cattle was up \$2 to \$3 per 100 pounds from last years at the same time.

There has also been a decrease of 15 percent in the number of cattle on feeder lots for market since 1956.

By June 1 Texas pastures were at 83 percent of their normal condition—a considerable change from last year's 53 percent, and from the fact that 222 of the state's 254 counties were declared drought disaster zones for federal aid in 1956.

Bryan Hunt sold 1,060 mutton

## Hill Country Hunt Hearings Set For October 7

A series of public hearings will be held in the nine counties of the Edwards Plateau area covered by regulatory power of the Game and Fish Commission, October 7. At this time, biologists of the commission will give landowners and sportsmen information on hunting conditions and proposed regulations regarding this year's open season in the counties concerned. The meetings will follow the pattern of those previously held.

The purpose of the meetings is to comply with the statute passed by the last session of the legislature, which prescribes that such meetings be held; and that the Game Commission then set hunting dates as indicated from the results of scientific investigations.

This law became effective August 22. However, in anticipation of its effectiveness the Commission on July 26, went ahead and set up the dates. The Attorney General's office later ruled the action null and void because it was premature.

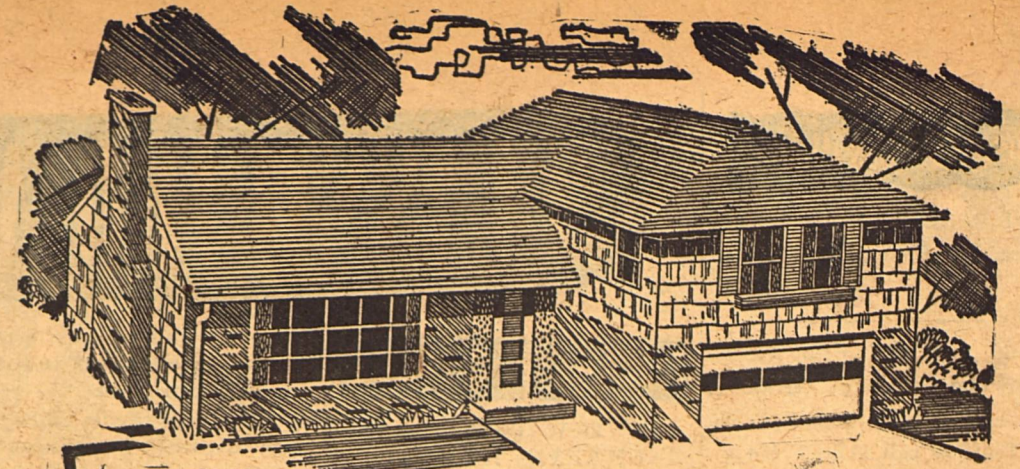

As soon as the hearings are held, it will be necessary for the Game Commission to hold a special meeting and again ratify the action.

The Sutton County meeting will be held at three o'clock Monday, October 7, at the courthouse.

Mr. and Mrs. Lea Allison and Dr. and Mrs. Charles F. Browne left Wednesday for a ten-day vacation in New York City.

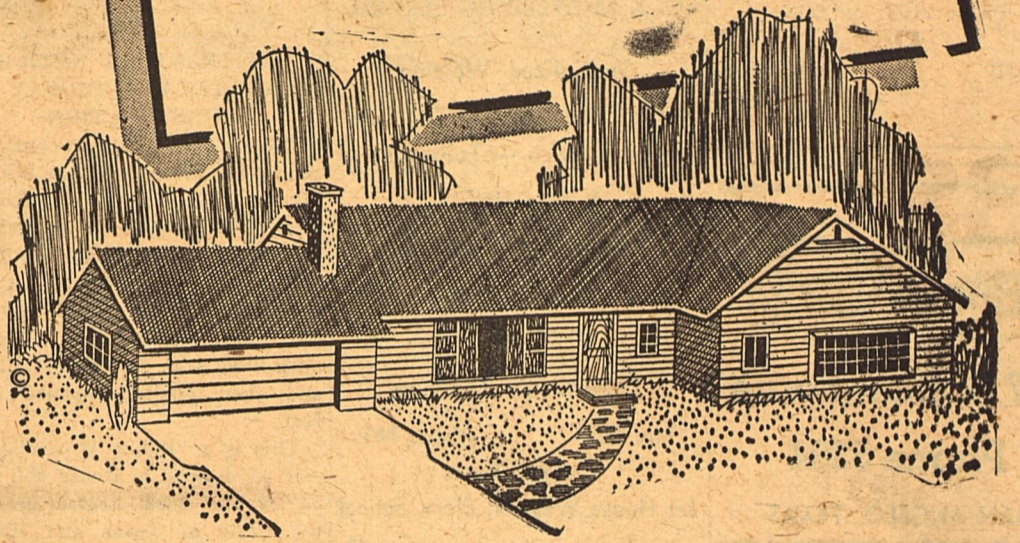

lambs to James A. Gray and 440 to Maurice Cohen at 20 cents. They averaged 74 and a half pounds.

Maurice Cohen recently bought 2,300 lambs from McMillan and Mann, George H. Neill, Andy Moore, Fred and Armer Earwood and the Hospital Ranch at 20 cents.
