

Chris Berger, nine year old son of Mr. and Mrs. W. F. Berger, proudly displays his championship fleece of wool he showed at the San Antonio Livestock Exposition. Chris also showed first place range finewool yearling ewe fleece, first and second range finewool yearling ram fleeces; second and sixth place range finewool aged ram fleeces, second place group of five fleeces from one breeder.

\$1 Million Ready For Dams If Easements Granted Soon

H. N. Smith, head of the Soil Conservation Service in Texas, advised Sonora flood control leadership this week that \$1,034,555 has been budgeted for construction on Dry Devil's River and Lowrey Draw-provided all easements are obtained within the next few days.

Money Ready For 5 Of 8 Dams
Construction funds for Dry Devil's River had been indicated, but the \$1,034,555 represents a firm commitment on available funds that can be obtained if all easements can be cleared soon. This amount includes \$435,941

which has been earmarked for construction of five dams on Lowrey Draw. The additional \$598,614 now budgeted will build five of the eight dams planned for Dry Devil's River.

Smith also indicated that "there is a good possibility of getting sufficient funds to complete all of the eight dams planned for Dry Devil's River, if easements can be obtained and the local sponsors desire the additional funds."

Easements Before Construction
All easements on Dry Devil's River must be obtained before any construction funds can be allotted, or any construction started. Approximately 50 landowners and oil and gas companies have

given easements to date. All easements have been granted without cost to Sutton County, which is the only way the project could have been obtained. The Federal Government provides construction funds, but local people must obtain all easements, administer contracts, and maintain the completed structures.

In granting an easement to permit construction of dams, landowners retain title to all land. They also retain control of any lake created by the dams, only granting Sutton County the right to maintain the completed structures.

Devil's River News

SIXTY-NINTH YEAR The Devil's River News-Sonora, Texas, Thursday, February 26, 1959 TWENTY-FIRST WEEK

Everyone Invited To Visit Schools During Texas Public School Week

March 2-6 has been designated as Public Schools week—a period in which every citizen is urged to visit a public school.

Superintendent Rex Lowe has cordially invited all Sutton County citizens to visit the local schools next week. School hostesses will be on hand for each room and all visitors will be welcomed.

"Visit A Public School" ribbon will be distributed at the Sonora Lions Club next Tuesday, and at the PTA meeting, reminding parents and others to visit a public school and see "Democracy in Action." J. W. Edgar, Commissioner of Education, says "Rather than have anyone else tell you that the schools are doing a good job, we hope you will go and see for yourself."

Governor Price Daniel, in proclaiming Texas Public Schools Week, made the following statement:

Today, more than ever before, the importance of our schools is being realized by an awakened Nation. A new perspective has been taken on by education, both

in scientific and liberal arts fields.

As we rush to train scientists and place satellites in outer space, however, it is important to remember that our public schools will furnish our leaders of tomorrow with the basic human, moral and spiritual foundations necessary for more advanced training and knowledge.

In an effort to make Texas public schools the finest in the Nation, the citizens of our communities are urged to take an active interest in the school systems and to cooperate with the respective school boards, superintendents, principals and teachers.

For the past nine years Public Schools Week in Texas has been set aside as a special time each year to place increased emphasis on our educational system. Parent visitation is encouraged and each citizen is urged to recognize the tremendous importance of our public schools.

Therefore, I as Governor of Texas, do hereby designate the week of March 2-6, 1959, as PUBLIC SCHOOLS WEEK.

LEA ALLISON PURCHASES 9 ABERDEEN-ANGUS BULLS

Lea Allison of Sonora recently purchased 9 Aberdeen-Angus bulls from Tomlinson Farms, West Frankfort, Illinois.

Sutton 4-H'ers Score In Santone Calf Scramble

Four Sutton County 4-H boys were prize winners in the calf scramble held during the February 22 rodeo performance at the San Antonio stock show. Don Cooper was a first place winner; Tommy Love, second; Steve Fish, third; and Wesley Franks, sixth. Twenty boys took place in each scramble.

Prizes were purchase certificates for livestock ranging from the top award of \$40 down to the sixth through tenth prizes of \$10 each.

These certificates must be used in the purchase of livestock to be used as their 4-H project and title to the livestock passes to the boy after he has demonstrated his interest in caring for it and his ability to follow competent instructions in raising it.

To Judge Goats At Houston Show

Joe Brown Ross of Sonora has been selected to judge the Angora goats at the 1959 Houston Fat Stock Show, February 25 through March 8. This is the first year that Ross has judged the show.

More than 11,000 single entries are expected in the show and premium monies and special

Mammoth Wool Sale Largest In 2 Years

awards amounting to approximately \$220,000 will be awards.

Emery, Russell And Goodrich Pays 50c For 670,000 Pounds Local Wools

What is believed to have been the largest wool sale to a single buyer in over two years was consummated Tuesday when the Sonora Wool and Mohair Company sold to Earnest G. Woodard between 660,000 and 670,000 pounds of graded staple wools. Woodard, of San Angelo, is buyer for Emery, Russell and Goodrich, Boston.

The mammoth sale consisted of graded wools from the 1957 and 1958 clips with the ratio running about 50-50, according to Fred T. Earwood, executive vice-president and manager of the local woolhouse. Earwood speculated that the dirtier and heavier shrinking 1957 clips lowered considerably the price paid for the combined clips. If an attempt were made to value separately the two clips, the 1958 wools would probably be appraised at 53c and the '57 clip at 47c.

This sale virtually "cleans up" all the wools in the local woolhouse and indicates confidence in the future of the wool market by the buying firm.

Little League Future Depends On Tuesday Meeting

There will be a meeting of all persons interested in Little League activities at 7:30 Tuesday night, March 3, at the Sonora Fire Hall. All boys and all parents interested in organizing a league for boys aged nine to 12 are urged by President Ralph P. Mayer to attend.

Mayer emphasized that a minimum of 30 adults will be needed to keep the League in operation and unless these adults are available for help with the League, it will be impossible to continue the Little League program.

Enters Delaines In Houston Show

Anna Rose Glasscock Gillit of Sonora has entered six Delaine sheep in the open division of the 1959 Houston Fat Stock Show to be held February 25 through March 8.

Flood Control Construction Bids To Be Opened March 19

More than two years of planning flood prevention for Sonora was culminated this week when an invitation to bid on construction of the first two dams was mailed to some 75 prospective bidders.

The first construction contract will cover two days on Lowrey Draw, Site 9 on land recently purchased by James and Nancy Hunt, on Site 10 on the ranch owned by Mrs. Ada Wynn.

BIDS TO BE OPENED

Bids will be opened at 10:00 A.M., Thursday, March 19, at the Sonora Courthouse. All bids are made to the Sutton County Commissioners Court, the local

agency charged with administering the contracts.

As soon as possible following opening of the bids a representative of the Commissioners Court and Ralph White, SCS engineer, will inspect the low bidder's financial status and equipment. If it appears that the low bidder is reliable and financially able to construct the dams, he will be awarded the contract. The contractor must start actual construction within 20 days after receiving the contract.

SITE 10 TO COST \$95,000

The structure at Site 9 will be 34 feet high and require 81,038 yards of embankment. The esti-

mated cost of construction is \$48,000. The dam at Site 10 will be 45 feet high, require 165,209 cubic yards of embankment, and is estimated to cost \$95,000. The two structures will impound 2,762 acre feet of water during a severe flood, releasing it within a 10 day period after inflow ceases.

The sediment pool, or area that can hold permanent water, will cover 10 acres at Site 9, and 21 acres at Site 10.

Bids for construction of dams at Sites 11, 12 and 13 on Lowrey Draw are expected to be advertised within the next two or three months.

Mrs. E. F. VanderStucken, Pioneer Sonoran, Buried Here Friday Afternoon

Funeral services for Mrs. E. F. VanderStucken, 83, were held at the family home here Friday afternoon, February 20, with the Rev. Alanson Brown officiating, assisted by the Rev. Lea Roy Aldwell. Mrs. VanderStucken, the widow of a pioneer Sonora merchant and banker, died at Hudspeith Memorial Hospital Wednesday night.

Born Bessie Wyatt, the daughter of the late Mr. and Mrs. E. H. Wyatt, at Hamilton, Texas, June 12, 1875, Mrs. VanderStucken came to Sutton County with her parents, a brother and sister in 1887. The family settled on what is now the Edgar Shurley ranch. En route to school in San Antonio, Mrs. VanderStucken selected the site for the first well to serve Sonora.

She was married to E. F. VanderStucken January 24, 1900, in the town's first large church wedding. Mr. VanderStucken died in 1954.

Mrs. VanderStucken was a member of St. John's Episcopal Church and was a charter member of both the Sonora Woman's Club and the Order of the Eastern Star.

Burial was in Sonora Cemetery under direction of Ratliff-Kerbow Funeral Home. Pallbearers were Bryan Hunt, George H. Neill, Frank P. Bond, George A. Barrow, Fred T. Earwood, John Fields, S. H. Allison, Edwin Sawyer and Joe B. Ross. Named as honorary pallbearers were Lea Aldwell of San Angelo, J. O. Willoughby of Eldorado, Will Wilkinson of Menard, and L. W. Elliott, Arthur Stuart, Ed Mayfield and Sterling Baker all of Sonora.

Texas-NM Joins Humble, El Paso In Granting Dam Site Easements

The final easements required from oil and gas companies to permit construction of 13 flood prevention dams on Dry Devil's River and Lowrey Draw were promised last week.

S. G. Kershner, Vice-President of Texas-New Mexico Pipeline Company, assured Judge J. W. Elliott by telephone that his company would assume the expense of encasing or otherwise taking care of an oil pipeline which crosses the dam at Site 8 on the G. H. Davis ranch. "We get so many requests for roads which cross our lines that we have had to adopt a policy of requiring local people to pay these costs," Kershner stated. "In the

case of Sonora's request for flood protection, however, we have made an exception to our policy and will take care of our line," he added.

A similar commitment was made last week by C. R. Carroters, Humble Pipeline Company official, regarding an easement at Site 7 on the Ben F. Meckel ranch. Humble had previously granted an easement where two oil lines cross the proposed dam at Site 12 on the W. A. Miers ranch.

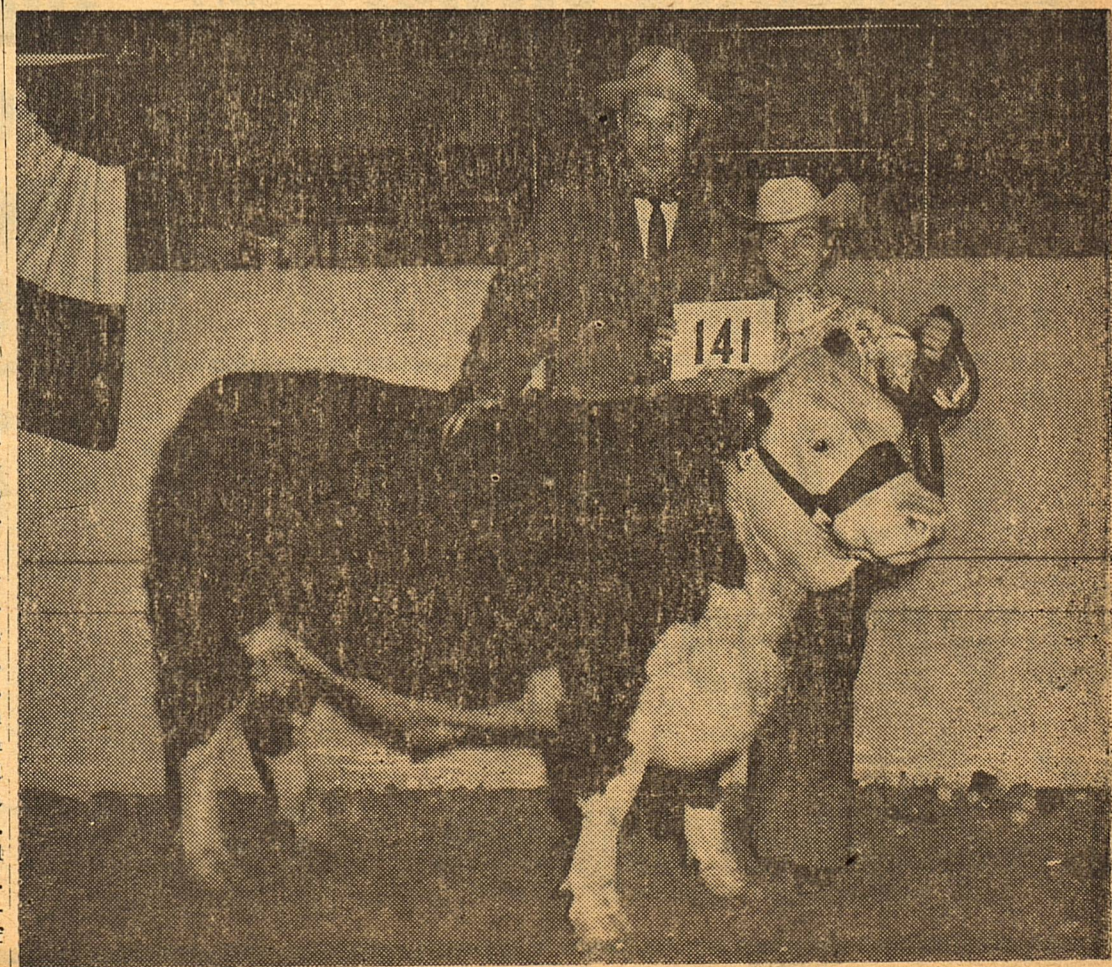

Splendid cooperation has thus been given by all oil and gas companies whose line affected Sonora's flood prevention plan. Had it been necessary for local

sponsors to purchase the eight separate easements required, the resulting bond issue and increased taxes would have made the project prohibitive-until after a severe flood. The two pipeline companies and two gas companies involved have given remarkable consideration for the welfare of Sonora citizens in making adjustments to oil and gas facilities at their own expense.

Lone Star Gas Company is now making plans to reroute the gas line at Site 12. El Paso Natural Gas Company granted permission to temporarily inundate a gas well at Site 8 on the E. M. de

Miss Mary Schwiening entertained a group of five girls at her home Saturday night with a slumber party.

1932
Her guests were the Misses Ella Roe, Margaret Barton, Marie Harrison, Raye Adams, and Francis Trainer.

1932
Cold weather this week interfered with practice for the track and field men who have started the spring training at Sonora High School. Coach A. L. Smith

Pedestrian Wisdom

... Or Wasdom?

Pedestrian wisdom, or pedestrian wisdom; which? This question might be put to pedestrians in most any Texas town or city.

1932
has a sizable aggregation working out, and plans to attend a meet in Menard Saturday of this week.

1932
Joe Logan and his son, Joseph, returned Tuesday from Fort Worth, where they attended the stock show and were joined there Sunday by Sam Logan, who is a student at the Texas Agricultural and Mechanical College, at College Station.

1932

Pedestrian deaths have averaged better than 8,000 annually over the past several years. More than half of the city traffic deaths, nationally, are pedestrians. Most of these tragedies could have been avoided if the victims had heeded traffic signs, signals and markings.

The trouble is that most pedestrians expect drivers to look out for them, while they ignore traffic lights, cross markings and other devices controlling traffic movement. Pedestrians must wake up to their responsibilities if they wish to become older pedestrians.

Some of the worst pedestrian practices are: jay-walking, crossing against signals at intersections, not looking in all directions before crossing and crossing intersections diagonally where there is no special provision for it. Older persons should

not enter an intersection unless they have enough time to cross safely. All pedestrians should look both ways before crossing and should be sure they can be seen by drivers at night.

Knowledge and observance of traffic regulations by both pedestrians and drivers will cut down our accident toll tremendously. Pedestrians are as much a part of today's traffic as motorists and it is to their benefit to learn the basic traffic signs. If pedestrians know what the sign means they will better understand what drivers are expected to do.

But pedestrians cannot depend entirely upon the drivers. They must be prepared for any emergency. The fact that a pedestrian had the right-of-way be of small comfort if he winds up in the hospital.

mark of the world's most advanced range ...and it's GAS

When you see the Gold Star Seal on a modern gas range it means the range, whatever its make, has been awarded this distinction by meeting 28 Gold Star "standards of perfection." The Gold Star is your assurance of the fastest, coolest, cleanest, most carefree cooking. Among these 28 special features are the marvelous Burner-with-a-Brain, interval timer, and self-lighting broiler and oven. Of course, you get the exclusive advantages that only Gas can give, like smokeless closed-door broiling, and no hangover heat. What pleasure and convenience this means! See Gold Star Award Gas Ranges!

At your Gas Range Dealer or LONE STAR GAS COMPANY

PONTIAC NAMED CAR OF THE YEAR

"Pontiac with wide-track wheels is the best combination of ride... handling... performance and styling of any '59 car" —The Editors of Motor Trend Magazine

In making its annual automotive award, the staff of Motor Trend Magazine, leading automotive publication, tests and evaluates all new cars. Here are quotations from the April 1959 issue:

"The stability of the 1959 Pontiac is the outstanding automotive advance of the year. Everyone considering a new car should experience it."

"It's the best balanced passenger car in America. We firmly believe that in moving the wheels farther apart, to develop the widest stance of any American car, Pontiac has created an entirely new sense of balance and handling security."

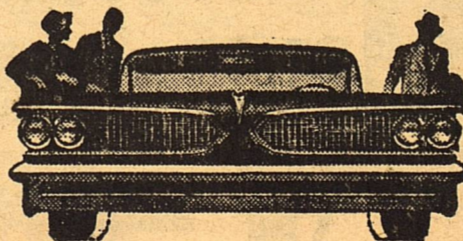

"Pontiac's lines are clean, simple and beautiful. It has a fleet look, a trim appearance. The wide wheel design contributes greatly to its

over-all integrated styling. Any comparison with narrower track cars readily shows the difference."

"For the economy-minded, an efficient new engine. The new 420E Tempest economy engine offers remarkable performance along with exceptionally high mileage while operating on regular grade gasoline."

"Pontiac is again tops in performance, based on our extensive road testing. Acceleration is outstanding, yet the engine is unusually quiet and smooth."

Your nearest Pontiac dealer will be glad to let you road-test this award-winning automobile on your own. You'll see why it's the year's most talked-about car!

THE ONLY CAR WITH WIDE-TRACK WHEELS

Wheels are five inches farther apart. This widens only the stance, not the car. Pontiac takes a better grip on the road, hugs tighter on curves and corners. Sway and lean disappear, ride is smoother, balanced, steadier. Handling is easier. You drive with a new confidence, a comforting security. Pontiac gives you roadability no "narrow gauge" car can offer.

FREE! If you would like a reprint of the complete, illustrated article with all the tests and evaluations on which Motor Trend judges Pontiac "Car of the Year"—see your Pontiac dealer or simply send your name and address on a postcard to Pontiac Motor Division, Department 10, Pontiac, Michigan.

Jo Bess VanderStucken Named To Play First Chair Clarinet In All-State Band

Jo Bess VanderStucken, a sophomore student at Sonora High School, has been awarded the highest honor afforded a Texas clarinetist by being selected to play first chair clarinet in the All-State Band. The honor was the highest yet won by Jo Bess although she holds a long record of recognitions for her six years of band.

Jo Bess was awarded first chair as a result of auditions in band competition on district and regional levels. She was named first chair clarinetist in the district band earlier this year and first chair in the Regional Band.

Forty-eight clarinetists from the 16 regions of Texas competed for the chair won by the Sonora girl.

The daughter of Mr. and Mrs. J. M. VanderStucken, Jo Bess has won three medals in solo and ensemble work and three district patches. For two years she has played first chair clarinet in the district. She has been an officer of the Bronco Band for three years and is now assistant-director.

Jo Bess VanderStucken

During the summer of 1957 she attended music camp in Gunnison, Colorado, playing in the symphonic band there. She has recently been accepted, by audition, to attend the Interlochen, Michigan, camp which is recognized internationally as the largest and finest of its kind.

JONES FAMILY HONORED WITH OPEN HOUSE SUNDAY

Members of the Jones family were honored with open house at the Tom Jones ranch home Sunday afternoon with Mrs. Bernice Sammon as hostess. The rooms were decorated with arrangements of white and red flowers with white predominating.

Claire Jones and Betty Jack Cooper served from a table covered with a Madeira linen cloth and centered with an arrangement of white stock and red carnations flanked by silver candelabra holding white tapers.

Approximately 100 members of the family attended arriving from San Angelo, Brady, Austin, Abilene, Fort Worth, Eldorado and Sonora. Those who attended from Sonora included Mr. and Mrs. Cleve Jones, Mrs. Pat Cooper, Don and Betty Jack, Mrs. Alice Jones, Claire and Cleve T.

Guests in the home of Mr. and Mrs. G. G. Bennett last week included Mr. and Mrs. Eve Strorder and Benny, of Hobbs, New Mexico, Mrs. Victor E. Harbay and daughters, Sandra and Cynthia, of Detroit, Michigan, Mr. and Mrs. Jack VanRenterghem and Bob VanRenterghem, all of San Antonio.

Miss G'Ana Thompson of Sweetwater was the guest of Mr. and Mrs. Ernest McClelland and Bill last weekend.

MRS. McCLELLAND HOSTESS TO TUESDAY NIGHT CLUB

Mrs. Ernest McClelland entertained the Tuesday Night Bridge Club in her home this week. She served a salad and dessert plate with coffee.

High score prizes went to Mrs. R. A. Halbert and Mrs. R. C. Vicars. Mrs. Belle Steen won the slam prize and Mrs. Louie Trainer won at bingo.

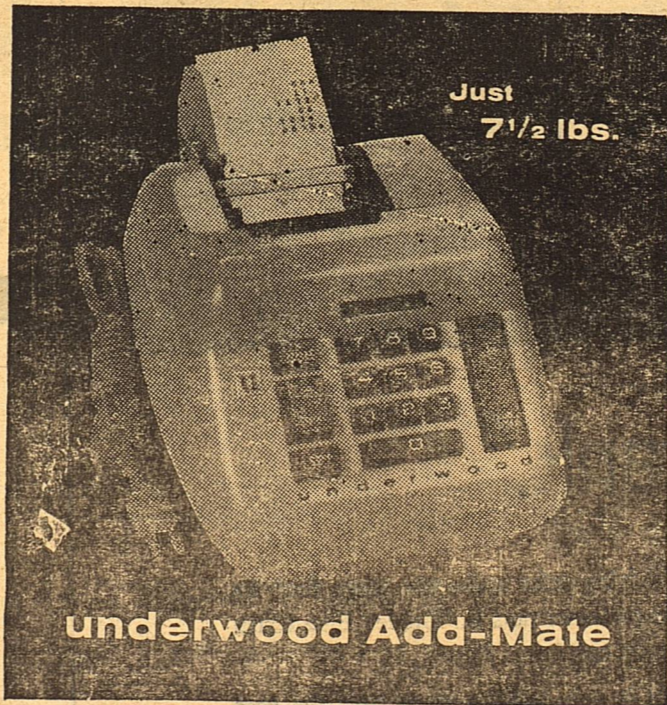

Others who attended included Mmes. J. F. Hamby, Arthur Carroll, W. O. Crites, Henry Decker, Earl Duncan, P. J. Taylor and John Bell.

Mr. and Mrs. Frank Bond spent several days in San Antonio last week.

THE WOMEN'S PAGE

WORLD DAY OF PRAYER OBSERVED FEBRUARY 13

World Day of Prayer, previously proclaimed by Mayor Alfred Schwiene, was observed at the Methodist Church Friday, February 13, with members of the Methodist, Presbyterian, First Baptist and Mexican Baptist Churches participating.

Mrs. A. W. Awalt gave the introductory and Mrs. W. L. Davis conducted a program which was prepared by Mrs. J. C. Stephen, Spiritual Life Chairman. The theme of the program was "Lord I Believe." Mrs. Harold Scherz talked on the special projects which will benefit from the offering. Mrs. Katherine Linthicum was pianist and Mrs. A. C. Elliott was song leader.

FRED ADKINES HONORED WITH HOUSEWARMING

Mr. and Mrs. Fred Adkins were complimented with a surprise house warming Monday morning at their home. Hostesses were Mrs. Joe Hull, Mrs. Buddy Joe Brown, Mrs. Jack Hite, Mrs. F. M. Mayhew and Miss Ruby Lee Crenweige.

The table was centered with an arrangement of mixed flowers in pastel colors and punch and cookies were served. Approximately 75 guests called.

Mrs. F. L. Wise of Sheffield was a recent guest in the home of Mr. and Mrs. Alfred Cooper. Mrs. Wise is Mrs. Cooper's aunt.

Mr. and Mrs. Joe B. Ross are in Houston this week attending the Stock Show. They will visit Mr. and Mrs. L. A. Chastant and children in New Orleans before they return home.

FRIENDSHIP CLASS PARTY HELD THURSDAY NIGHT

Mrs. Joe Hull and Mrs. W. R. Drennan entertained the Friendship Sunday School Class in the Hull home Thursday night with a colonial party. Members of the class came dressed in colonial costumes and were served cherry pie and coffee.

Mrs. R. M. McCarver led the opening prayer and Mrs. Jack Drennan presided during the business session. Mrs. Collier Shurley used the first book of Genesis as a devotional and Mrs. J. P. Smith led the prayer of dismissal.

Mrs. Hull conducted games and contests during the social hour. Fourteen guests were present.

SATURDAY NIGHT CLUB MEETS AT KENG HOME

Mr. and Mrs. E. B. Keng were hosts to the Saturday Night Supper Club in their home Monday night.

High score prizes went to Mrs. Ben Cusenbary and Edwin Sawyer. Mrs. Alice Jones and Ben Cusenbary won bingo prizes.

Attending were Messrs and Mmes. Rip Ward, Edwin Sawyer, A. E. Prugel, Edgar Shurley, Ben Cusenbary and Mrs. Alice Jones.

...with the first full tank."

That's what users say of Golden Esso Extra gasoline . . . and truer words were never spoken!

Golden Esso Extra will improve the performance of *any* car in *any* price class.

It is a modern gasoline of highest octane rating and exceptional purity, formulated with special chemicals from Humble's great Baytown refinery. It gives *superior anti-knock performance*; it *burns cleaner* than any other gasoline; it *eliminates "bucking"* when you start and *"rumble"* as you run; and it adds the *power and response*

that make driving safer and—yes, more fun! As one Humble customer puts it, "Golden Esso Extra wakes up your car!"

The cost is only pennies more than the cost of gasoline in the middle-price range (about a nickel a day on the average), and you get a dividend of improved performance on every mile you travel. *Any* car in *any* price class.

See for yourself—fill up with Golden Esso Extra under your neighbor's Humble sign. *Every time!*

Sheep Council To Meet March 9 In Denver, Colorado

One hundred and thirty-five delegates and directors of the American Sheep Producers Council, representing every sheep producing state in the country, will hold their annual meeting in Denver, Colorado on March 9. On March 10 and 11, the 39 members of the board of directors will meet to review the Council's activities during the past year and to set budget figures for the 1959-60 fiscal year.

The ASPC was activated in September of 1955 under Section 708 of the National Wool Act and provides a method whereby almost every sheepman in the United States contributes funds for a promotion and advertising program of their own to build a sound, self-reliant sheep industry.

G. N. Winder, Colorado sheepman and ASPC president, said promotion and advertising is the only way the sheep industry can build expanded markets for lamb and wool in these days of heavy competition. The sheep industry, through the ASPC, is now doing what other businesses in this country have been doing for a hundred years.

At the present time, the Council is conducting intensive lamb promotion, advertising, and education programs in 20 major markets throughout the country, encouraging greater use of the sheepman's products.

The largest wool advertising and promotion program in history is being conducted by the ASPC and allied wool organizations through the use of full-color ads in national consumer magazines to stimulate interest in wool as a quality product and to educate the consumer as to the advantages of wool.

Of the 3,090 counties in the United States, 3,000 produce sheep. The ASPC is dedicated to help these sheepmen through this self-help program in an effort to build a sound foundation for the future.

Devil's River Philosopher Wanders Into Field Of Education, Leaves If About As Confused As It Was

Editor's Note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River discusses education this week, which is sort of a novelty. Dear editor:

A lot of people are worried these days about the public education system, that is, as I understand it, the adults are pretty well satisfied with the amount of education they have, but are worried about the amount the kids are getting.

What us grownups really want is enough kids with enough scientific education to perfect enough weapons to protect us from the mess we've gotten the world into, and as a result a lot of people are giving a closer look at the schools of this country.

As I understand it, the parents say their kids aren't furnished enough smart teachers, and the teachers say they aren't furnished enough smart kids, and the solutions range all the way from eliminating small schools to raising salaries to putting up more buildings to calling on Congress, provided it doesn't raise taxes.

One solution that I read about

Mr. and Mrs. Edward Valliant of Lubbock were the weekend guests of his parents, Mr. and Mrs. Clarence Valliant.

Mrs. Gene Groom and daughter, Diana, of Fort Worth arrived Sunday for a week's visit with her parents, Mr. and Mrs. John Eaton.

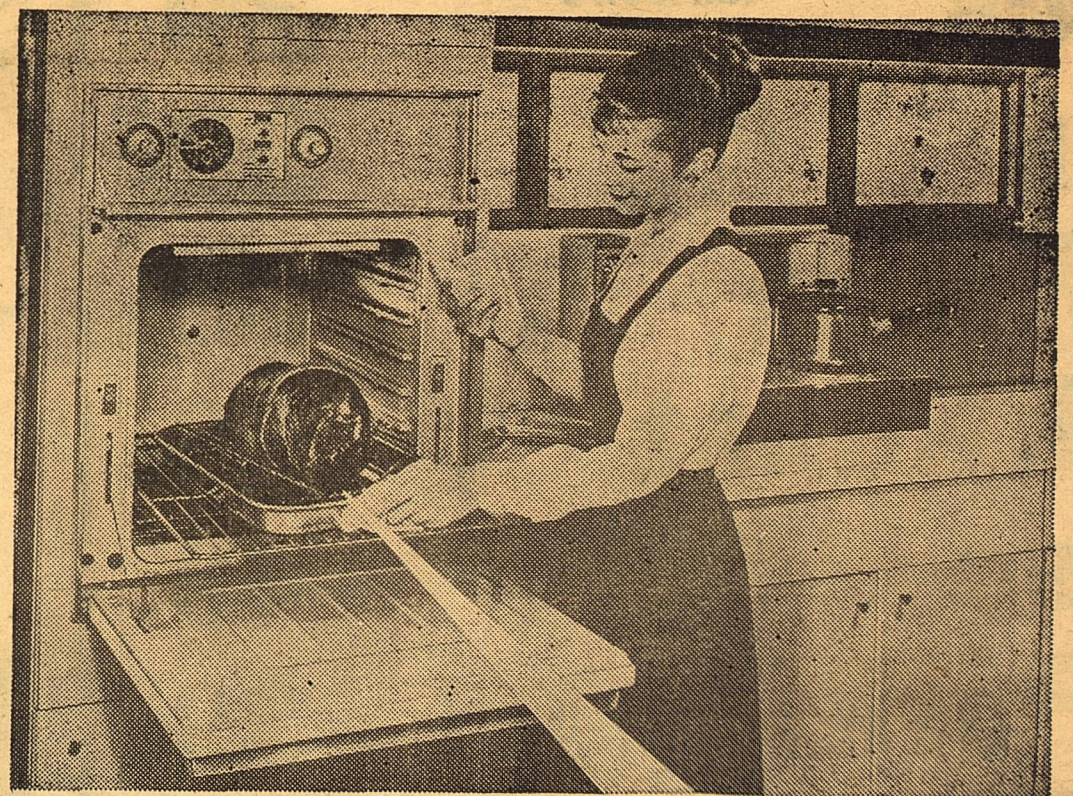

Martha Ann Cooper, daughter of Mr. and Mrs. Raymond Cooper of San Angelo, spent last week here with her grandparents, Mr. and Mrs. Alfred Cooper.

in a newspaper last night said since it is impossible to find enough really excellent teachers to go around so every pupil could have the topnotch authority in every subject, from finger painting to tire changing to mathematics to physics to all the other sciences, arts, literature, etc., the thing to do is to use television. All you'd need is about 25 teachers for the whole country, sitting in a studio in Washington and telecasting to all the school houses in the nation. All the local teachers would have to do is stay in the class rooms to see the picture was in focus, a tube hadn't blown, keep the kids in order, keep them from throwing things through the windows when they're shut, etc. You have to have class rooms, it wouldn't do to let the kids stay at home to watch, or otherwise you couldn't have a PTA or even a pep rally.

As for examinations, the old-fashioned grading system would be thrown out, only the 25 teachers at the top would be qualified to grade, and they'd never get around to grading 15 million papers or whatever the number is, and in its place they'd use a punch-card system. The pupils punch a hole in a card to indicate what answer they think is right, the cards are mailed to Washington, run through a machine just like subscriptions to a mass-circulation are handled, and when you've managed to punch the right number of holes, you're educated and ready to go to work explaining why that last missile never got off the launching pad.

I ain't smart enough to know if this system would work, but if you and me are the products of an older system, we'll have to admit it had some flaws too.

Yours faithfully,
J. A.

Electric COOKING COSTS LESS THAN 3¢ A MEAL

How would you like to walk into your kitchen and have a whole staff of chefs working away for you? Well—that's just about the way you feel, the day you start cooking with a modern Frigidaire electric range. And just think how inexpensive this modern electric cooking really is. It costs less than 3¢ a meal for the average family served by WTU to cook the modern electric way. About \$2.34 per month lets you cook the electric way. Why don't you start today!

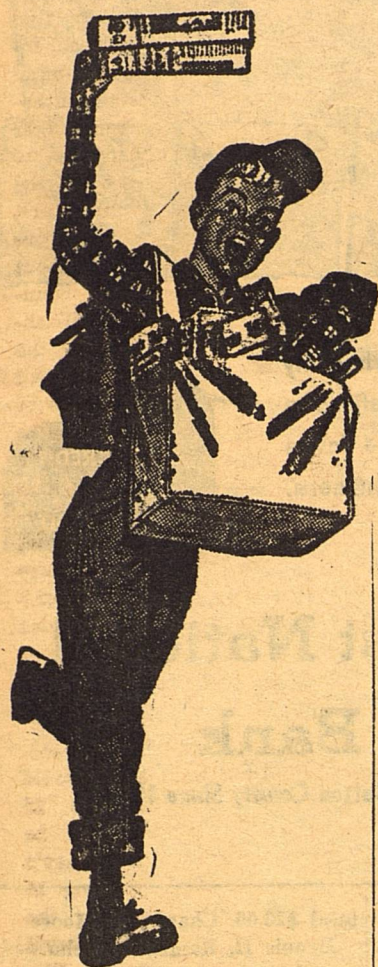

Electricity COSTS SO LITTLE—
YOU CAN USE LOTS OF IT!

**Sutton County Exhibitors Among Tops
At San Antonio Livestock Exposition**

Sutton County exhibitors were among the top winners at the San Antonio Livestock Exposition again this year. For the fourth consecutive year the Sutton 4-H Club was awarded first prize for the best county group of 15 crossbred lambs. The Club also was awarded first place for the neatest exhibit of breeding sheep and goats. Champions shown by county exhibitors included Reserve Champion Angora Buck show by Janet Johnson; Grand Champion Fleeced of Wool shown by Anna Rose Gillit; Champion Fleeced of Range Wool exhibited by Chris Berger. County exhibitors also were awarded the first place county group of eight fleeces of wool and the first place county group of eight fleeces of mohair.

Other results follow:
WOOL SHOW: Anna Rose Gillit: 1st and 2nd place Delaine yearling Ewe fleeces; 1st and 2nd Delaine aged ewe fleeces; 1st and 2nd range finewool aged ewe fleeces; 2nd and 4th range finewool yearling ewe fleeces; first group of five fleeces from one breeder.

Chris Berger: 1st range finewool yearling ewe fleece; 1st and 2nd range finewool yearling ram fleeces; 2nd and 6th range finewool aged ram fleeces; 2nd place group of five fleeces from one breeder.

W. F. Berger showed 5th place range aged finewool ram fleece; Libb Mills Wallace: third and fifth finewool yearling ewe fleeces; Dick McMillan: 1st and 4th finewool aged ram fleeces; W. B. McMillan: 3rd finewool aged ram fleece. Tom Glascock: 2nd and 3rd Rambouillet yearling ewe fleeces.

MOHAIR SHOW: Joe Brown Ross: 4th and 6th place range doe kid; 1st and 2nd registered doe kid; 5th range aged doe; 2nd group of five mohair fleeces. W. L. Davis: 2nd and 3rd range buck kid; 6th range aged doe; 5th range doe kid; Rodney Davis: 6th registered doe kid; 5th group of 5 fleeces of mohair; L. E. Johnson, Jr. 2nd registered aged buck; Jessie Lem Johnson: 2nd registered buck kid.

BREEDING SHEEP AND GOATS: Tom Glascock: 3rd and 4th Rambouillet ram lamb; 10th two-tooth Rambouillet ram; 8th and 9th Rambouillet ewe lamb; 5th and 8th two-tooth Rambouillet ewes; 4th place Get-of-Sire; 3rd premier exhibitor in Junior Rambouillet Show.

Steve Fish, 9th Rambouillet two-tooth ram; Jimmy Frank Richardson, 11th Rambouillet two-tooth ram. Anna Rose Gillit (all Delaines) 1st and 8th two-tooth ewe; 2nd and 5th two-tooth ram; 1st 4-6 tooth ewe; 1st Get-of-Sire; Champion Delaine Ewe, Reserve Champion Delaine Ram. Janet Johnson, 1st Angora buck kid; Jo Addah Johnson: 4th yearling doe; 9th doe kid; Jessie Lem Johnson, 2nd yearling doe; L. E. Johnson, Jr., 7th buck kid, 7th doe kid.

STEERS: Don Cooper, 11th light weight Hereford; Betty

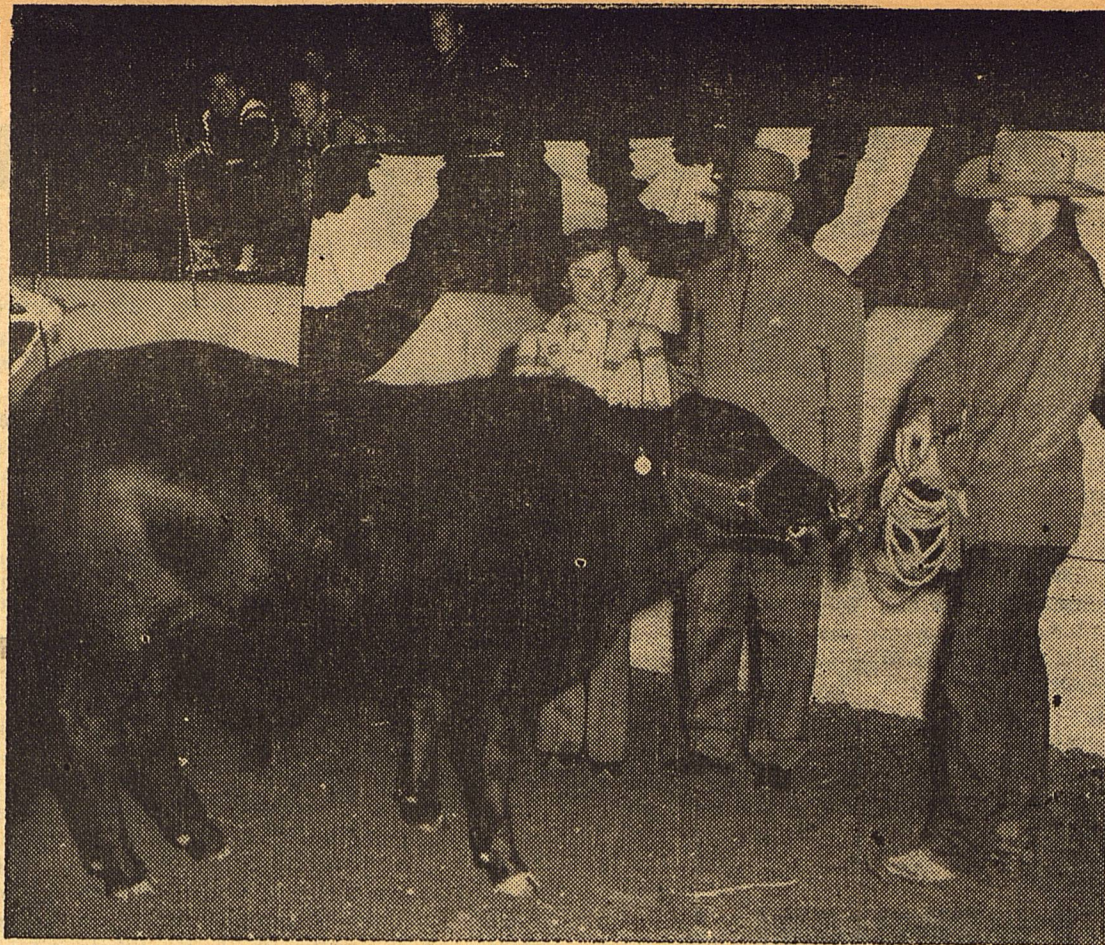

Jack Cooper, 12th heavy weight Hereford; 14th light weight Hereford; 3rd group of three Hereford steers; 4th light Brahman; 6th middleweight Angus.
FAT LAMBS: Finewool Lambs: 4th Martha Love; 16th Mike Ellis, 32nd Tommy Love; 38th Steve Fish; 39th Gene Brodhead; 42nd Herbert Fields, Jr.; 43rd James Nicks; 59th Tommy Love. Third prize county group of 15 finewool lambs.
Crossbred Lambs: 6th, John Friess; 9th Tommy Love; 11th Tommy Love; 17th Johnny Fields; 19th John Friess; 24th John Merck; 27th George Robertson; 30th Tom Glascock.

**Girl Scouts Present
Program At
Lions Club**

The Eighth Grade Girl Scouts entertained members of the Sonora Lions Club with a musical program at the Club's Tuesday luncheon meeting this week. Candace Cauthorn as master of ceremonies introduced the choral group which sang "Peace I Ask of Thee", "Smoke Gets in Your Eyes", and "A Gypsy's Life". Nancy Prugel explained the Girl Scout badges.

Lions President Hillman D. Brown announced that the club will not sponsor the swimming pool this summer since the pool has deteriorated to such an extent that it does not justify repair and cannot be operated in its present condition.

Jack Thomas of the Game and Fish Commission was welcomed as a new member.

Pictured above are Otto A. Koehler, Chairman of the Board and President of the Pearl Brewing Company, Don Cooper and Betty Jack Cooper of Sonora, with Betty Jack's 805 pound Fourth Prize Brahman, which was bought by the Pearl Brewing Company for the premium price of 42 cents per pound at the San Antonio Livestock Exposition Auction Sale.

Continued From Front Page

Berry ranch, locating tanks and heaters on a hillside above high water. El Paso also located roads and relocated a trunk line to miss two structures.

Every effort was made by Soil Conservation Service engineers to miss all oil and gas installations. With the limited number of natural sites available, however, and the necessity for controlling a high percent of floodwater, it was impossible to miss all oil and gas facilities.

The splendid cooperation of oil and gas companies will be appreciated by all Sutton County citizens.

**Baptist Revival
To Begin Sunday**

The First Baptist Church will begin a revival meeting Sunday, March 1, with the Rev. Bob Clements of Clavary Baptist Church, Kingsville, as Evangelist. He will be assisted by Mr. Doyle Smith, song leader, also from Kingsville.

Morning services will be held at 9:30 Monday through Friday and evening services will be held beginning at 7:30 each evening through Sunday, March 8.

The Rev. W. L. Brown, pastor of the church, invites the public to attend.

**Rev. Guthrie
To Head Ministerial
Alliance In 1959**

The Rev. Allan Guthrie will head the Sonora Ministerial Alliance for the coming year. Mr. Guthrie, pastor of the Church of the Good Shepherd, succeeds the Rev. Alanson Brown of St. John's Episcopal Church. The Rev. William Mitschke of Hope Lutheran Church succeeds the Rev. Doyle W. Morton of the First Methodist Church secretary - treasurer.

The Rev. Brown will deliver the Good Friday sermon at the Alliance's annual service Friday afternoon, March 27, to be held at the Methodist Church.
