SECOND WEEK

Johnny Merck, halfback for the Sonora Junior High School football team, is shown here as he crossed the Big Lake goal line after a 43-yard gallop. The local gridders won by a 28 to 6 margin.

Services Held For John Alfred Sykes, 85 Wednesday, October 14 Here

Funeral services for John Alfred Sykes, 85, early day Sutton County resident and prominent ranchman, were held at the First Methodist Church here Wednesday afternoon, Rev. Doyle W. Morton, pastor of the church, and Mr. Robert W. Marshall, minister

all of Sonora; Mrs. Beatrice Simon of La Juanta, Colorado, and Mrs. W. K. Barnes of Junction; one sister, Mrs. Annie Meacham of Oregon; 18 grandchildren and 16 great-grandchildren.

Pallbearers were George H. Neill, L. R. Valliant, W. L. Davis, and George Schwiening, all of Sonora; Clay Holland of Junction, Merlin Rogers, Henry Murr and Frank Pullen.

Rev. Wm. M. Scott New Chaplain At Corsicana Home

Rev. William M. (Bill) Scott of Sonora, son of Mr. and Mrs. M. C. Scott, has assumed his duties as chaplain of the Corsicana State Home, Rev. Scott, 24, is succeeding Rev. Jack Kyle Daniels who resigned. Currently Rev. Scott is working on his masters degree at Southwestern Baptist Theological Seminary

Born May 29, 1874 in Uvalde, Mr. Sykes was the son of Mr. and Mrs. Albert J. Sykes. With his family he moved to Pecan Springs Ranch in Sutton County in 1876 and had ranched there since that time. He attended schools in Uvalde and John W. Weacock School in San Antonio.

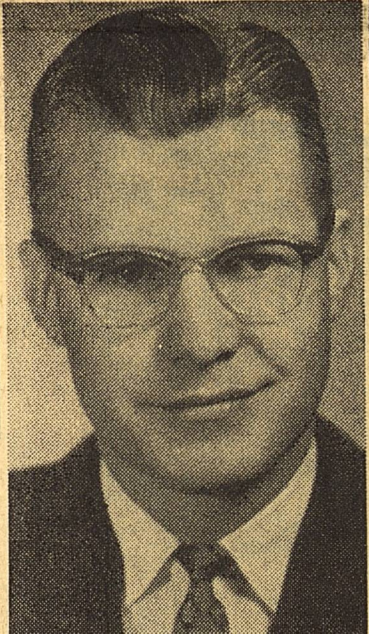

In 1897 he and the former Miss Carrie Jones were married in Uvalde.

Mr. Sykes was a Methodist and a member of the Fort McKavett Masonic Lodge and the Sonora chapter.

Survivors include his wife; two sons, Jack Sykes of Junction and Wesley Sykes of Sonora; five daughters, Mrs. Jim Luckie, Mrs. Artie Joy and Mrs. G. T. Rode,

Rev. Kollmeyer Guest Preacher For Lutherans Sunday

The Rev. Glen C. Kollmeyer of Trinity Lutheran Church in San Angelo will be the guest preacher for Hope Lutheran Church's Mission Festival on Sunday, October

Rev. Glen C. Kollmeyer

18, 4:00 p.m., to be held at St. John's Episcopal Church.

Pastor Kollmeyer began his ministry in Odesa, in 1947. In 1951 he came to serve his present parish in San Angelo. He serves as Circuit Counselor for all the Lutheran Churches in Circuit five.

On Mission Festival Sunday the church gives special attention to missions over and above the regular. The offering will be sent to world missions.

Pastor Kollmeyer's sermon theme for this special service is: "The Greater Work for Jesus."

The ladies of Hope Church have planned a special meal for the Mission Festival. The meal will be served immediately after the service to members and guests.

An invitation is extended to all to attend the service, meal, and fellowship at the first annual Mission Festival of Hope Lutheran Church.

PERSONALS

Mrs. Bell Gibson of Chicago is a recent guest of Mr. and Mrs. Terry Baker, Mrs. C. D. Wyatt, and Mrs. Claude Baker.

Mr. and Mrs. John McClelland and Camille Luckett went to Lubbock last weekend where they visited Johnny McClelland, and attended the Texas Tech-TCU game.

Notice

The Sonora PTA will sponsor a chicken-spagetti supper at the Central Elementary Cafeteria before the Menard game. The supper will be served from 5 to 7 p.m. Adult plates will be \$1.25 and all school students plates will be 50c. Please help support the PTA by attending the supper.

MRS. SARA SCHWIENING NAMED DIRECTOR OF TAHA

Mrs. Sara Schwiening attended a two-day workshop of the Texas Association of Hospital Accountants in San Antonio October 12 and 13. At the workshop meeting Mrs. Schwiening was elected to be a director of the TAHA.

Last Week's Scores

Scores in the games featured in last week's football contest were as follows:

San Felipe 21 over Sonora 8; Ozona 41 over Sanderson 0; Burnett 44 over Junction 14; Menard 41 over Robert Lee 0; Iraan 16 over Big Lake 12.

Eldorado 35 over Trent 14; San Angelo 28 over El Paso Austin 6; Seymour 6 tie Crozier Tech 6; Denver City 35 over Seagraves 0; Carrizo Springs 20 over Hondo 14.

A. & M. 28 over Houston 6; Arkansas 23 over Baylor 7; Rice 13 tie Florida 13; SMU 23 over Missouri 2; TCU 14 over Texas Tech 8.

Texas 19 over Oklahoma 12; Wake Forest 10 over Maryland 7; North Carolina 19 over South Carolina 6; Furman 8 over William and Mary 7; Utah 20 over Brigham Young 8.

Game Of The Year To Be Played Friday

Stores To Close

Friday At 5 O'Clock For Ozona Game

Many of the Sonora merchants will close at 5 o'clock Friday afternoon due to the Ozona football game which most of the Bronco Boosters will be going to see.

By closing the stores at 5 most of the last minute rush traffic will be cut out. This will greatly reduce the possibility of an accident as everyone will have sufficient time to get to the game without having to drive too fast.

Calvary Church Dedication Set For October 18

The Calvary Baptist Church will be dedicated October 18 at 2 p.m. Dr. Clifford Nelson, district missionary, will be the principal speaker. A roll call of members will be one of the features of the program.

The Sonora Broncos will take on the Ozona Lions in Ozona Friday night in the first conference game of the 1959 season. Always a hard fought game, this year's Sonora-Ozona game may well determine the championship of Class 8-A football.

The Broncos go into the game with a record of three losses, one tie and two victories while the Lions have a tally of two losses and three wins.

Starting lineup for the Broncos was not available at press time but it is presumed that it will be essentially the same as in last week's game with the possible exception of Center Curt Schwiening who suffered a sprained ankle in last week's game with San Felipe.

Ends: Jerry Potmesil and Gene Brodhead; Tackles, Steve Figh and Douglas Wood; Guards, Jimmy Cahill and Domingo Gutierrez, Center, George Robertson; Backs, Ben Castillo, Luther Chalk, Jerry Baldwin and Alfred Sykes.

This church was organized June 14, 1959 by O. D. Henley and has just recently been completed with new pews and pulpit furniture. The present pastor of the church is Rev. Lonnie A. Baker.

Everyone Invited To Pep Rally Friday Afternoon

The pep rally for the Ozona game will held in the high school gym at 3 p.m. Friday. Everyone is invited to attend so that the Broncos will have the support that they need.

This Week's Winners

Winners in last week's football contest are as follows:

First Place, \$25.00
Carl W. Jones, Alice Lee Duncan.

Second Place \$15.00
Cleveland Nance, Frank Ferro, Mrs. C. M. Martinez, James Stewart, Estella Guajardo, Sam Caldwell, Vivian Vasquez, Onesimo Arredondo, and Pete Martinez, Jr.

Third Place \$10.00
Victoria Rometa, Veterans Class, Dick Hamilton, Bill Ferro, Bill McClelland, Hazel McClelland, James Trainer, Alicia Vizgen, Jessie Villarreal, Herman Moore, Jr., Flano P. Duran, Efrain Porras, Hilberto Avila, Efrain Martinez, Tomas Santos, Melvin Glascock, John R. McClelland, Jack Russell, Mrs. H. V. Morris, J. E. Eldridge, W. J. Thompson, Pauline Thompson, Irma Flores, Mary Ruth McGilvray, H. E. Moore, Sr., W. F. Berger, Isael Perez, Henri Berlango, Jim Brown, Jesus Ramos, Jr., Maria D. Arredondo, and Bobby Sosa.

Rains Up To 4.20 Tuesday; Oct. Total Near Record High

Heavy rains again blanketed most of the Sonora area Tuesday morning, as rains of up to 4.20 inches brought the October total to a near record high.

Rainfall was lighter in the western side of Sutton County, varying from .60 to slightly over an inch. This area, however, recorded very heavy rains last week.

Heaviest rainfall occurred southeast and northeast of Sonora, where last weeks rains were rather light. The Sonora woolhouse recorded 2.40, bringing the

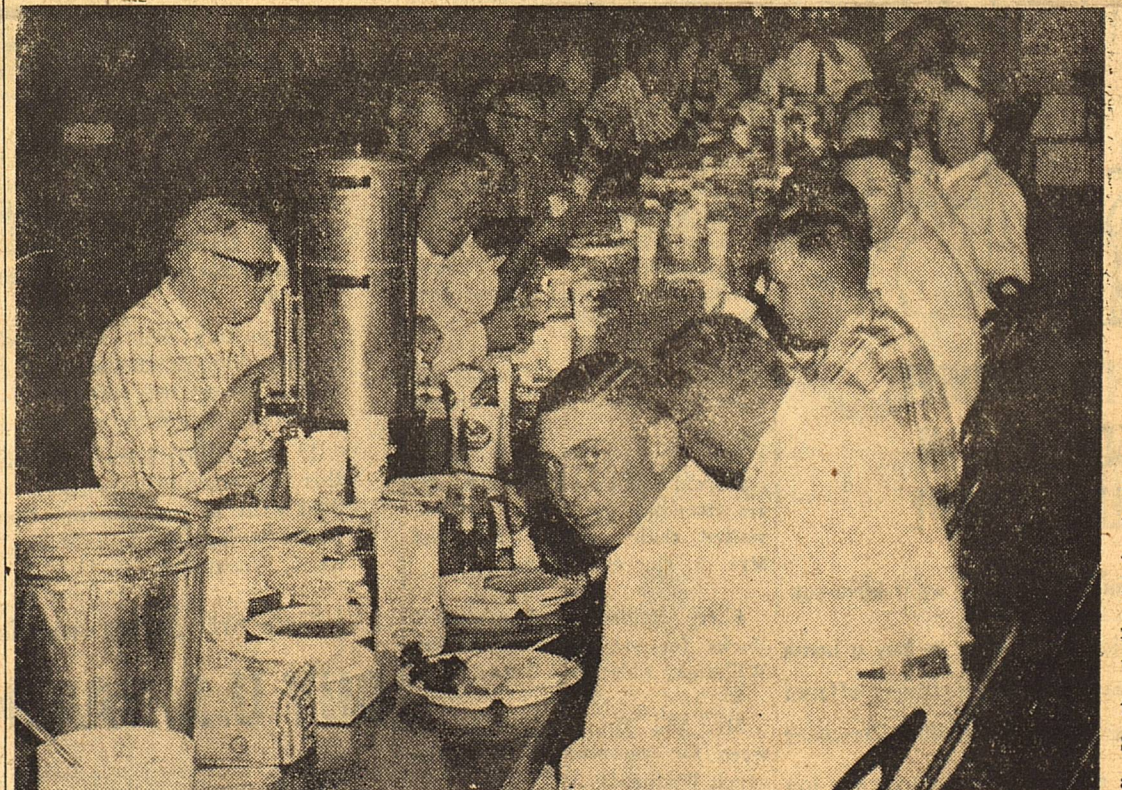

October total to slightly under 8:00 inches.

Representative rainfall data collected by SCS technicians included W. L. Davis 2.15; Frank Bond 2.50; Ed Shurley (Byrd) 1.50; J. V. Alley 2.20; Fred Earwood 3.00; W. L. Miers 2.50; Moore and Neill (Thorp) 1.20; Mrs. Paul Turney 4.20; Harold Friess .80; Mayer ranch .60; Joe Logan 1.65; Miers Savell .75; Jack Turney 3.50; W. F. Berger 1.80.

Sediment pools on all flood prevention structures caught runoff water. The core trench at Site 11 on the W. A. Miers ranch, which is 20 feet deep and approximately one fourth mile long, filled with water for the second time in 10 days.

Practically no damage occurred to the uncompleted structures. Several rays delay will be necessary to allow the sites to dry enough to permit resumption of work.

C of C SCS Host Range Tour Group At Barbecue Wednesday Night

Shown here is a view of the crowd attending last Wednesday night's barbecue for member of the Range Tour Group sponsored by the San Antonio Chamber of Commerce. Hosts to the barbecue and reception were the Sonora Chamber of Commerce and the Edwards Plateau Soil Conservation District.

The range tour last Wednesday was sponsored by the Brush Control and Range Management Committee of the San Antonio Chamber of Commerce. There were 33 members in the party.

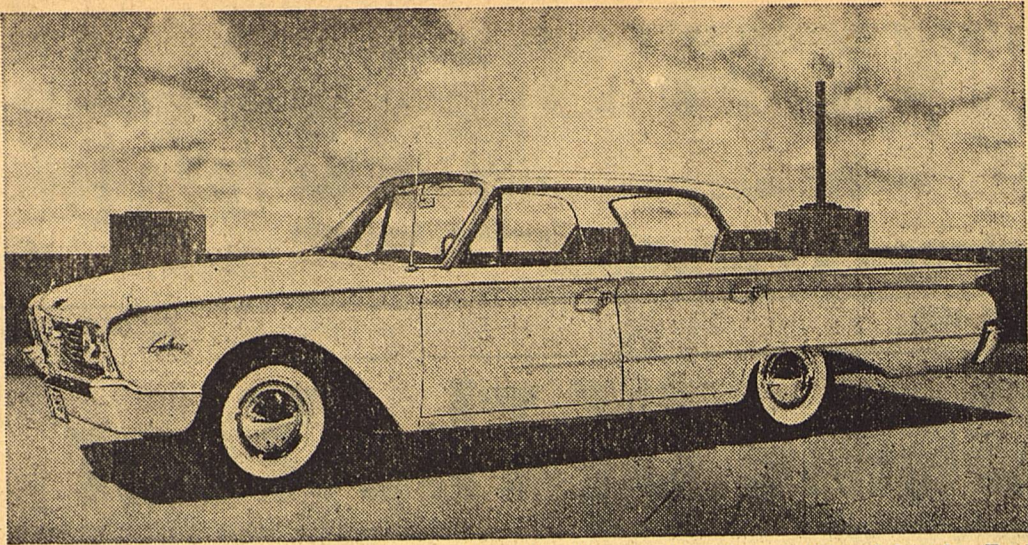

The group visited the experiment station where they had lunch and then went on the Mack Cauthorn headquarters ranch and the Rip Ward and Clara Allison ranches.

Wednesday night they were entertained with a barbecue dinner at the Sonora Wool and Mohair Co. They were served by the Chamber of Commerce. Various members of the tour spoke briefly: Among them was John C. White, and representative from the Texas Land Office, the State Soil Conservation Service office, and many prominent agriculturists and businessmen from the San Antonio area.

Mayor Gay Copeland welcomed the guests and presided.

NOTICE

Football contest prize money will be held for one week only. If you have not claimed your winnings by Thursday following the issue in which winners were announced, unclaimed money will be given to the Boy Scouts.

This 1960 Ford Galaxie Town Victoria shares the all-new styling characteristics of the other Ford models, yet bears unmistakable resemblance to the elegant Thunderbird profile. The new Galaxie is one inch lower than the 1959 model, but has more interior room for six big persons than ever before. The Galaxie also is available as a two- or four-door sedan. All Fords for 1960 have the slim-line, forward sloping front roof pillar that eliminates the "dog leg" for easier entry.

Precautions Given For Safe Handling Of Firearms

Carrying, possession and the sale of firearms is, for the most part, governed by law. But it is difficult to legislate against carelessness, yet it is carelessness that is responsible for the most firearms injuries and fatalities.

Almost half of all fatal firearms accidents occur in the home. These generally happen when preparing to clean guns or pistols, in dropping a gun or knocking it off a support, in showing the "unloaded" gun, or in actual horseplay.

One of the greatest hazards from firearms comes from leaving them loaded and in places where they are accessible to everyone—including children.

Other precautions are:

1. Always treat a gun as though it were loaded until you have proved that it is not; and never aim unless you intend to fire. Put firearms away unloaded, dismantled, with all ammunition in a locked chest.
2. Before a person is allowed to handle firearms alone he should be taught how to use them on a well-protected range under competent instruction.
3. When buying ammunition, care should be taken to make sure that it is suitable for the gun in which it is to be used.
4. With many accidental deaths and serious injuries resulting from the mishandling of revolvers and guns, it is possible that the hazard created to members of the household may outweigh

Texas Is Also Bat Capital Of The Nation

"In the limestone regions of Central Texas there lives a bat species known to mammologists as *Tadarida brasiliensis*. Their incredible numbers give Texas undisputed claim to the title of bat capital of the nation," writes Grant H. Burton in the September issue of *TEXAS GAME AND FISH*, the monthly magazine published by the Texas Game and Fish Commission. Burton, State Department of Health, describes the small

their protective value as defense weapons.

5. Loaded guns should not be leaned against trees, fences, walls, or other objects, they should not be left attended.
6. When carrying a loaded gun, it should be kept on "safety" and carried in such a way that if the "safety" fails, no injury will result.
7. When climbing with a gun over or through obstacles, such as fallen trees and fences, "break" the gun or open the breech and put the gun over the obstacle first.
8. Be sure of your target before you pull the trigger, and never shoot at a flat, hard surface or the surface of water.
9. It is also important to know the maximum range of the gun you are using so that your shooting will be kept within safe limits.
10. All hunters should know the laws regarding hunting and the use of firearms.

mammal as one having a dark grey coat of downy fur, commonly called the "Mexican Free-tailed" bat.

Across the border, in Mexico, live the vampire, or blood-lapping bats," he writes. From 1908-1920, the vampires caused an epidemic of rabies which began in southern Brazil and spread through Argentina, Uruguay, and Paraguay, wiping out whole herds of cattle.

The vampire's possible relationship to the insect and fruit eating bats of Texas, according to the author, is causing considerable worry. Texas' insect eating bat population runs into the uncountable millions, most of them living close together in massive colonies. When a single one of these bats gets infected with rabies, the disease may quickly spread throughout the whole colony and subsequently into other colonies and other species.

"As for the threat this situation poses for humanity," he points out, "instances of unprovoked rabid bat attacks have been extremely rare."

Other interesting articles in the issue include two on white-winged doves, one on stocking bass in the fall, bow fishing, and an annual summary of the hunting seasons.

It's time enough to say it when you know it to be true.

YEARS PAST

October 9, 1931
VICARS FIRST TO PAY CITY TAXES FOR '31.

Bob Vicars was the first Sonora taxpayer to meet his obligations to the city for the current year. City tax notices were mailed Wednesday of this week by George E. Smith, city manager, and Vicars paid off promptly, in the sum of 87 cents.

Joe Hull and John Eaton followed in the order named, and when the total was computed it was found that the city was four whole dollars and sixty-one cents richer than before.

S. R. Hull, manager of the Sonora Motor Co., announced Thursday that free dances would be given Monday and Tuesday nights of next week following the free picture show of the Ford manufacturing plants.

Immediately after the close of the show each night, the front showroom will be cleared of chairs and dancing will begin at 10 o'clock.

Mrs. Clyde Gardner, who has been absent from her position with E. F. VanderStucken and Co., Inc., for several weeks following a major operation, returned to the store the first of the month, relieving miss Joanna Stokes, who has replaced her during her absence.

Dr. A. G. Blanton attended the doctor's meeting in San Angelo Tuesday.

Harold and Lester Garrett, who are attending the Junction school, visited their parents, Mr. and Mrs. A. Garrett, Sunday.

Forty Registered Rambouillet Bucks for sale at \$12.00. John Williams, Eldorado, Texas.

Mr. and Mrs. Jack Wardlaw were Sonora visitors from the ranch Wednesday.

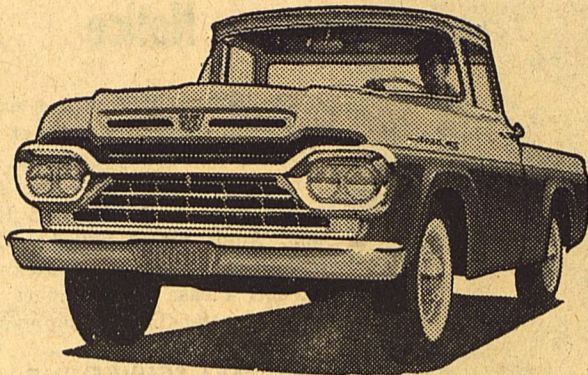

Mmes. W. D. Wallace, J. D. Wallace, Libb Wallace and R. D. Wallace spent the day in San Angelo.

They're here!

LOWEST-PRICED LIGHT AND MEDIUM TRUCKS

The Devil's River News

What did Susan learn in school today?

Did she learn the values of thrift and responsibility? How to make dimes and quarters add up to dollars?

These are some of the valuable lessons your child can learn through the U. S. Treasury's School Savings Program.

By putting their dimes and quarters into U. S. Savings Stamps, thousands of American children are saving toward the purchase of U. S. Savings Bonds — one of the best investments any of us can make.

If your child's school isn't already participating in this important program, you can help get it started. Just write to your Savings Bonds State Director, or to the Savings Bond Division, U. S. Treasury Department, Washington 25, D. C.

Help Strengthen America's Peace Power

BUY U.S. SAVINGS BONDS

OUR TOWN IS STRONGER ECONOMICALLY BECAUSE OF U.S. SAVINGS BONDS

Take a look around our town! Don't you see all the signs of a strong economy? How about that mechanic down the street who just opened his own garage, the neighbor who's sending his son through medical school? All those homes being started, those bright new cars everywhere?

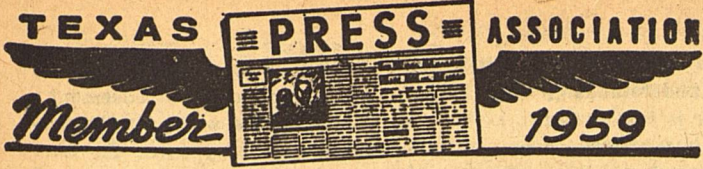

Do you ever stop to wonder how much of this prosperity was made possible by U. S. Savings Bonds? The fact is that all over America more people are saving more money than ever before in history. Today, for instance, over 40 million Americans own nearly 43 billion dollars in U. S. Savings Bonds! Why? Because they're one of the world's safest, surest investments—and one of the easiest ways to save ever devised!

Payroll Savings is painless saving!

The way to save for Bonds regularly and automatically is through the Payroll Savings Plan. Just sign up where you work—and any amount you wish will be put away for you. You'll be amazed how fast it will add up—building a backlog of security for you and your family—strengthening the economy of your town and our country. If you haven't already, why not sign up for Payroll Savings today?

Big Quail Crop May Result In Earlier Season

Many Texans may have the opportunity of shooting quail 30 days before the regular open season this year, according to H.D. Dodgen, executive secretary of the Game and Fish Commission.

He says he will recommend to the Commission meeting in Austin October 23, that quail season be opened in a number of counties under regulatory authority effective November 1, and extending to January 16. The season under the general laws is December 1 to January 16.

However, reports from over the State indicate a tremendous quail population in some areas this year. Biologists on the

ground recognize that there will be a heavy die-off because of lack of food unless many of the birds are harvested. In some of these areas some of the birds already are competing with rodents for food. Many towns in south-west Texas report that quail are coming on to the lawns in the city, looking for grass seed.

Biologists attending public hearings in regulatory areas have all heard the report of the excessive quail population in many counties.

There was a heavy quail population in Texas last year, and the die-off was unusually large because of rodent competition. From all indications, there is a heavier crop of birds this year, and it is the desire of the quail authorities to permit the harvest of these birds wherever possible, according to the executive secretary.

A smile will add to your face value.

Devil's River Philosopher Glad To Learn Some Of Those Quiz Folks Just Ordinary After All

Editor's Note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River views the quiz show scandals this week.

Dear editor: I'm not exactly a television fan, television programs don't turn up out here like newspapers, people

interested in reading in a newspaper I borrowed out of my neighbor's mail box yesterday that Congress has been investigating the quiz programs which were so popular last year on television.

As I understand it, several contestants have testified that the quiz programs were rigged, that the answers were given to them before they went on the air. Now this has struck some people as outrageous, they think something ought to be done to the television producers who worked such a fraud on the public.

I disagree with this attitude completely. Personally, I am very satisfied to learn that some of the contestants claim they were given the answers ahead of time.

I watched those people rattle off answers to almost impossible question, week after week, and their vast store of knowledge was making people like you and me, at least me, feel inferior. It just wasn't human to have that many facts crammed in your head.

It's a pleasure to me to get this thing brought to light.

As for working a fraud on the public, that's an unpleasant thing, but let's not carry our outrage too far. Congress doesn't want to get too energetic about it. People demand a certain amount of fraud in their entertainment and possibly in their politics.

Nearly everybody knows the gunmen in TV westerns use blanks. There never was a woman's hat that some man wouldn't brag on, and everybody knows there are some hats that the only way you can brag on them is to lie.

There's nothing wrong with hokum, as long as the people know it's hokum. Congressmen know that, especially do Congressmen know that.

Yours faithfully, J. A.

Irish-Michigan Game On TV Oct. 17

A live telecast of the Notre Dame-Michigan State game and broadcasts of four Southwest Conference games will highlight the Humble Co. football coverage Saturday.

The Notre Dame-Michigan State telecast will originate in East Lansing, Michigan. Lindsey Nelson and Red Grange will describe the action and color beginning at 12:15 p.m. over WOAI-TV, San Antonio.

The TCU-Texas A. & M. game will be broadcast from Fort Worth by Kern Tips and Alec Chesser. Radio time will be 1:45 p.m. over KENS, San Antonio.

The Texas-Arkansas game will be broadcast from Little Rock by Bob Walker and Eddie Hill. Radio time will be 7:45 p.m. over KTSA, San Antonio.

The Baylor-Texas Tech game will be broadcast from Waco by Eddie Barker and Jim Wiggins. Radio time will be 7:45 p.m. over KITE, San Antonio.

The Rice-SMU game will be broadcast from Houston by Ves Box and John Smith. Radio time will be 7:45 p.m. over KRLL, Dallas, KGKL, San Angelo and WOAI, San Antonio.

Mrs. Lee McLaury and daughter, Mrs. Kathleen Rose, have returned from a trip to Amarillo, where they visited relatives and friends.

Friday October 16, ... Saturday, October 17, ...

Agr. Comm. White Tells Of Tour In Sutton County

By John C. White, Commissioner Improving the grazing ratio from one animal on 30 acres up to one for each five or 10 acres in a two-year period at an average cost of \$12 per acre may seem not only amazing, but downright unbelievable.

Yet those of us who made a two-day fall range tour in South-west Texas last week, sponsored by the farm and ranch committee of the San Antonio Chamber of Commerce, not only saw this miracle in process of accomplishment but were shown the beginnings of even greater plans.

The tour took us from San Antonio west to Sonora, then almost due south to Del Rio and from there back to San Antonio, through areas of rock-ridden brushland that used to provide—and to a large extent, still do—grazing as sparse as can be found anywhere in Texas. The trip was made on the heels of a weekend of rains that amounted to 15 or 16 inches in some stretches of an area where the average annual rainfall is only 22 inches, and we were able to view at first hand what conservation of water and soil can really mean.

In Sutton County, Dr. Leo B. Merrill, director of the Texas Agriculture Experiment Station at Sonora, showed us a sample of what can be done by means of rootplowing and seeding on what had been a barren 68-acre tract at the station. In two years, this tract has produced a lush growth of blue panic grass, along with native can bluestem and sideoats grama capable of grazing one animal to three acres.

Miss Janice Sykes spent last weekend in Lubbock where she attended the homecoming of the first graduating class of Lubbock Christian College.

AIR TOUR

The Sonora Chamber of Commerce played host to the occupants of approximately 35 airplanes Thursday, October 8. The occasion was the All-Texas Air Tour event which takes place annually. The group was met and greeted by Mayor Gay Copeland, the airport committee, and local citizens.

The first planes began arriving about 10:45 in the morning and upon arrival were served coffee and doughnuts by the Lions Club. There were members of the group from all over the United States, including Illinois, Kansas, Ohio, Wisconsin, Minnesota, California, Indiana, Louisiana, Missouri, and all parts of Texas. Many of them

were here last year for the event when the Sonora Lions Club served them a barbecue dinner. After about an hour's rest the group resumed their flight and headed for Fort Clark Ranch, near Brackettville, where they were to have lunch.

This group of adventurists spent one night in Marfa and plan to spend the next night in Eagle Pass. Others are welcome to join the group at any time and anyone may leave whenever they desire.

Mr. and Mrs. Tommy Ray Adams spent last weekend in Sonora visiting their parents, Mr. and Mrs. Matt Adams and Mr. and Mrs. Gomer Minnick.

Home Accidents Kill More Tots Than Any Disease

Be it ever so humble, there's no

Mr. and Mrs. W. J. Thompson went to Menard last weekend to visit Mrs. Thompson's mother, Mrs. John F. Decker, and other relatives and friends.

Mrs. A. W. Awalt spent last weekend with her brother, Preston Prater and family of Killeen.

Mrs. Wess Hill went to Andrews last weekend to visit with her son, George Ed Hill.

place like home—despite the accident statistics.

The statistics might make you wonder about "home, sweet home."

1. Home accidents kill more children 1-4 years of age than any disease.
2. Home falls take 12,000 lives a year.
3. Home fires and other burns take the lives of 5,500 persons annually.

4. Accidental poisoning in the home claims 1,000 victims a year. Home accidents kill 27,000 persons a year, and injure more than four million, in the U. S. Home accidents in Texas alone claimed the lives of 1,202 persons and injured more than 72,000.

In view of these facts you may well be concerned with the safety of your home.

But when you stop and consider the great number of hours spent

in the home, the statistics are more understandable even if the danger is just as real.

A hazard-free home results from practicing the safe way of doing things. You'll soon do them automatically and here are some suggested danger signals to watch out for in the home:

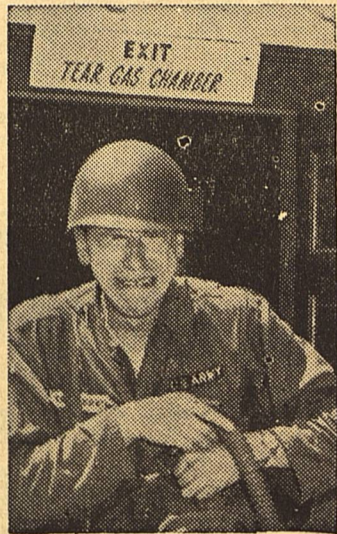

1. Water or grease on the kitchen floor.
2. An unlighted stair, or toys and boxes piled on stair steps.

3. Oily rags or papers left in a corner or garage or basement.
4. Dull knives, which are dangerous because they force the user to apply too much pressure, and because most people don't have the proper respect for them.
5. Pots on the stove, the handles turned out for little hands to grab.
6. Rubbing alcohol, candy-coated laxatives and aspirin left for small children to sample.

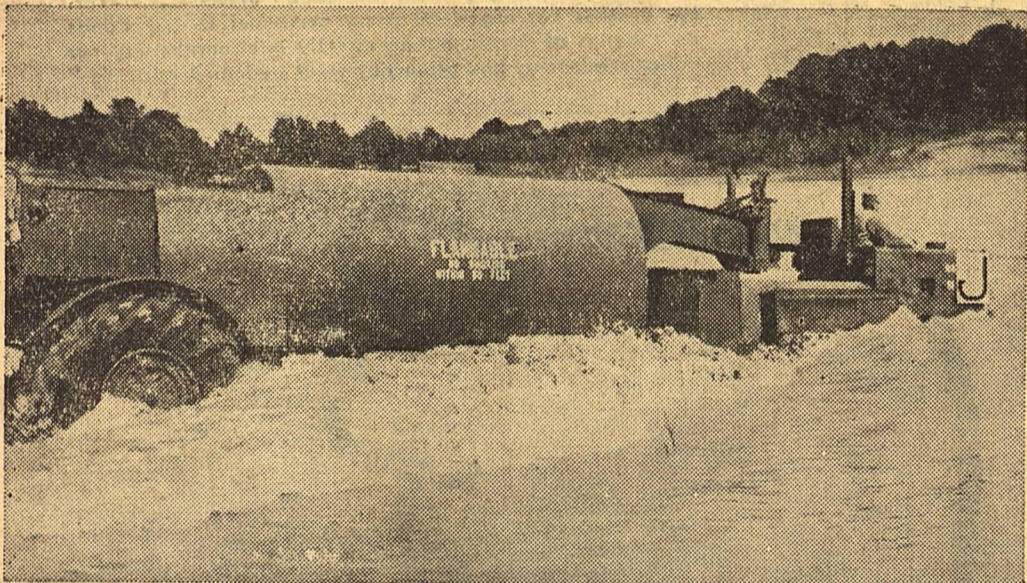

Army

SETAF SETDOWN—U.S. Army helicopters of the Southern European Task Force (SETAF) airlift allied members of the Italian Julia Brigade to the top of Mt. San Simeone in a joint Italian-American maneuver in Northern Italy. Our "First Line of Defense—U.S. Army Deployed Forces," work in close coordination with NATO nations' military in bolstering defense of the Free World.

Army

"NOR ALL YOUR TEARS wash out a word of it." Omar the Tentmaker's centuries old line still holds true for the training in chemical, biological and radiological warfare being given modern Army trainees. This basic infantryman at Fort Dix, N. J., has just learned his lesson well. Briefly removing the mask while still in the tear-gas chamber "sells" the soldier on the effectiveness of his protective equipment.

Army

WITH THE BEST VEHICLES of the past no longer capable of meeting many military requirements for off-road movement, the modern U.S. Army has devised the "GOER" concept of logistical vehicles—placing less dependence on roads and bridges. "GOER" refers to exoskeletal design (the lobster is an example) which

stresses the skin of the vehicle rather than a frame with body added, providing less dead weight and more floatability. Here a GOER gasoline truck ignores bridging in a stream crossing. Not yet in production, the prototypes promise fantastic future mobility for the 900,000-man Army needed for national defense.

WIDER HELICOPTER HORIZONS—This artist's sketch of the modern Army's HU-1 "Iroquois" helicopter shows it being used as a "test bed" as both electronic and human factor engineers use it to test Army-Navy Instrumentation Program (ANIP)-developed theories and apparatus. Insert circle

shows ANIP display being tested with radar mapping information presented on bottom half and forward looking obstacle information displayed on top half of console. Airborne radar unit built by Bendix-Pacific is shown on top cabin of the Bell "bird."

Brownes Attend GOP Meeting

Dr. and Mrs. Charles F. Brown attended the Republican State Executive meeting in Fort Worth last week. The Brownes attended various meetings all day Thursday. At a reception that followed the events of the day Vice-President and Mrs. Nixon were introduced. Mrs. Nixon was honored with a breakfast Friday morning which approximately 18 women attended.

Also attending the meeting from Sonora were Mr. and Mrs.

Mr. and Mrs. Roy Pope had as their guests this past weekend Mr. and Mrs. Otto Hobbs and family of Uvalde.

Misses Addah Wardlaw and Wanda Mackey, both attending the University of Texas, were home last weekend visiting their parents, Mr. and Mrs. Jack Mackey and Mr. and Mrs. Jack Wardlaw.

Always do right. This will gratify some people, and will astonish the rest.

Norman Rousellot and Ralph Mayer. Mr. and Mrs. Robert Mayer attended from San Angelo.

Gift Tea Honors Miss Ann Morris Saturday, Oct. 10

Miss Ann Morris, bride-elect of W. H. Hill, was honored with a gift tea at the Methodist Church Saturday afternoon, October 10. Hostesses were Mes. T.E. Glasscock, Carl J. Cahill, Jerry N. Shurley, J. Ed Hawkins, L. P. Lyles, Harold Scherz, Elmer Wilson, Max G. Hardegree, Dick Black, Jack Wardlaw, Joe Neil Smith and Francis Archer.

Receiving guests with the honoree were her mother, Mrs. R. S. Teaff, her grandmothers, Mrs. Fred Ross of San Antonio and Mrs. H. V. Morris, her great-grandmother, Mrs. Nell Roueche, the mother of the bridegroom-elect, Mrs. Sadie Archer, and the groom's grandmother, Mrs. G. W. Archer, Sr.

The tea table was laid with a white linen damask cloth centered with an arrangement of red carnations in a crystal brandy snuffer. Mrs. Billy Bob Ellingson of San Angelo and Miss Rita Lee alternated at the coffee service while Mrs. Jack Johnson of Ozona and Miss Janis Sykes served the cake. Misses Janie Faye Hill and Marion T. Glasscock registered guests.

Mrs. James Wilson and Mrs. Alfred Schwiening, Jr., provided a background of piano music during the afternoon.

HOSPITAL AUXILIARY MEETS MONDAY AFTERNOON

The Lillian M. Hudspeth Hospital Auxiliary held their October meeting in the parlor of the Methodist Church Monday. Mrs. J. F. Howell was the presiding officer. The meeting was opened by the group which gave the Lords Prayer in unison.

G. M. Owens, Hospital Administrator, spoke briefly and made suggestions as to probable projects for the Hospital Auxiliary.

Mrs. O. G. Babcock, who has recently returned from a trip to Africa, told of her observations in connection with hospitals, health, and sanitation conditions. She stated that the later was in some respects comparable to the United States at the time of her childhood.

Committee chairmen gave their reports. It was voted to buy two arrangements of artificial flowers for use in the two reception rooms of the hospital.

Mrs. Juliet Driskell closed the meeting with a prayer.

Refreshments were served by Mrs. A. W. Awalt and Mrs. Dock Rape to the following members: Mes. J. E. Eldridge, Lem E. Johnson, Sr., Monte Yantes, Dock Rape, O. G. Babcock, W. L. Davis, C. W. Taylor, Juliet Driskell, Herman Smith, Alvis Johnson, C. M. Epps, J. F. Howell. There were two guests present, G. M. Owens and Mrs. McReynolds.

Retail Merchants Committee Meets To Discuss Christmas Promotion Plans

The retail merchants committee met last Thursday night in the Chamber of Commerce office. These merchants consist chiefly of those who do the largest volume of selling during the

Christmas season. There were various matters discussed including the plans for the annual "Buy at Home" Christmas promotion.

The street decorations were also discussed and it was decided that new ones will be bought this year. They will be put up Decem-

ber 1. The Lions will have Santa Clause on the Courthouse square and give prizes for the best commercial decorations and also the best residential decorations.

The general Christmas program entertainment was discussed and stores will remain open at night as usual.

There is to be a meeting next Thursday, October 22 to complete plans.

News From SHS Library Club

By Nancy Reed

Ninety new books are now on the shelves of the Sonora High School Library. Many of these books were given in memory of E. A. Brodhead, and some are replacements of old books. The bulletin board of the library displays the titles of the new books. Since September 1, 1959, 212 books have been checked out of the library. Fiction, biography, and literature were the leaders in the reading groups.

The officers of the Library Club for this year are Barbara Gatiin, president; Linda Spragins, vice-president; Gerry Mayfield, secretary; Olivia Noriega, treasurer; Nancy Reed, reporter; and Jerry Potmesil, custodian.

KAY KISER ATTENDING SWTSC AT SAN MARCOS

Kay Kiser, daughter of Mr. and Mrs. Harry Kiser of Sonora, is one of a record 2,433 students registered for the fall term at Southwest Texas State College.

Clem Jones, SWTSC registrar, said the enrollment exceeds by 5.4 percent last year's record registration of 2,306 students.

Miss Kiser is a junior elementary education major at SWT.

Interest Rates Increase On Bonds

Never before have United States Savings Bonds been so attractive to investors and small savers alike. There has been a one-half per cent increase in interest rates on old and new Series E and H Savings Bonds.

Forty million people automatically benefit from the recent legislation passed by Congress because that many hold outstanding bonds in the amount of \$42.6 billion. For the first time, the hike in rates applies to old series E and H Savings Bonds, as well as those being bought currently. So, it will be to the advantage of most bond owners to hold onto their old bonds, thus automatically receiving the benefit of the increase.

The new law does two things: (1) it provides that all Savings Bonds bought on and after June 1 draw 3 3/4 per cent interest when held to maturity, and (2) it increases by at least one-half of one percent the interest return on all outstanding E and H bonds, regardless of their age, for the period from June 1, 1959, to their maturity. In addition, the Treasury has promised a 10-year extension privilege for all E bonds, both old and new.

Because of these things the public is encouraged to do two things: keep holding their old bonds, and keep on buying the new ones. This is the finest Savings Bonds package ever offered.

Crisp styling and air-cooled engine in CHEVROLET'S COMPACT CORVAIR

An aluminum, air-cooled engine mounted at the rear is among a multitude of mechanical features Chevrolet has originated for its all-new Corvair. A car that seems small only when you park it, the Corvair boasts "big car" roominess and performance due to a long-term engineer-

ing study of compact design. Low, fleet styling in accord with American tastes, a unique suspension system and unitized body-frame construction are among other features in the six-passenger four-door sedan. All 1960 Chevrolet cars will be on display in dealer showrooms on October 2.

San Felipe Mustangs Race Over Broncs 21-8 In Last Week's Grid Game Here

The San Felipe Mustangs proved to be just a little faster than the Sonora Broncs here last Friday night. The final score was San Felipe 21 and Sonora 8.

The first quarter of this game was uneventful as far as scores go but in the second quarter the Mustangs managed to rake up 13 points.

The third quarter seemed to offer nothing but fumbles, however, the fourth quarter seemed to offer a little hope for the Broncs even though they aren't in top

shape due to injuries. San Felipe made their third and final TD in this quarter and Sonora quickly followed up with a 58-yard scoring play for a touchdown made Alfred Sykes. This TD was made in only two plays and was closed with a pass from Jerry Baldwin to Gene Brodhead for the conversion.

Ben Castillo picked up a San Felipe punt toward the end of the game and raced 70 yards to a touchdown that was not allowed.

SHS Reports 98% Attendance

J. L. Alderdice, high school principal, reports that the Sonora High School had a 98% perfect attendance record for the first six weeks of school. This includes the freshman through senior classes and is the best attendance record reported in the past three or four years.

This is contributed to the fact that the school spirit and moral is much higher this year than it has been in the past two or three years.

C of C Committee Calls Meeting On Brucellosis

A meeting concerning brucellosis has been called by the agriculture committee of the Chamber of Commerce for Monday evening, October 26, at 7:15 p.m. in the Central Elementary Auditorium. Ralph P. Mayer will preside as chairman and James T. Hunt is vice-chairman.

There will be a general discussion of the state wide program which is underway. Ranchmen and those with associated interests are asked to attend. Representatives of State Livestock Health Board and Livestock Sanitation Commission will be present to discuss the matter and advise.

Texas Commissioner of Agriculture John C. White is shown here at the barbecue and reception given by the Sonora Chamber of Commerce Wednesday night at the Sonora Wool and Mohair Warehouse. White was a member of the range tour which visited here last week under the sponsorship of the agriculture committee of the San Antonio Chamber of Commerce.

Range Group Inspect Brush Control On Experiment Station and Ranches Here

By E. B. Keng
Some 35 members of the San Antonio Chamber of Commerce, Commissioner of Agriculture John C. White, Dr. R. E. Patterson, vice-chancellor of Texas A. & M. College, and others inspected brush control work in the Sonora area last week.

The group met at the Sonora Ranch Experiment Station where root plowing and seeding on a rocky low stony hill site was observed. Good stands of sorghum alnum, blue panic and native grasses have been obtained. Yields of sorghum alnum have been phenomenal this year, and the results during subsequent years should be watched closely by ranchmen.

Some 800 acres of root plowing on the Mack Cauthorn ranch was visited. The area was plowed in 1958, but very spotted stands of blue panic were obtained. Native grasses are coming back on the area, however, and with continued good management, should soon cover the land.

On the Rip Ward ranch the group saw 200 acres of formerly heavy mesquite which was plowed and seeded to sideoats and blue grama. KR bluestem and blue panic in 1956. Though grassrecovery was slow for three years, the area is now covered with an excellent stand of good grasses.

On the Clara Allison ranch some 300 acres of deep divide root plowing was observed. Sorghum alnum and blue panic were planted, with a small proportion of native grasses. Growth and yield of sorghum alnum and blue panic has been excellent during 1958 and 1959.

Brush kills from root plowing have been very good, but results from reseeding have been spotted to date. Further research and trials are needed to perfect a planting method that will result in more reliable grass stands in the Edwards Plateau area.

Sorghum alnum, with favorable rainfall in 1958 and 1959, has produced unbelievable yields. The ability of this grass to survive and produce during less favorable years is still undetermined.

Where heavy stands of mesquite brush have invaded deep soil areas, and are seriously competing with grass, control by root plowing and seeding should be strongly considered. From some 18 root plowing and seeding trials in the Edwards Plateau SCD SCS technicians believe that the

Mrs. Algerene Martin and children of Fort Worth were recent guests in the home of Mr. and Mrs. Dick Morrison. Mrs. Martin is Mrs. Morrison's sister.

Mrs. Hi Eastland of Sonora spent last week in Del Rio visiting her daughter and son-in-law, Mr. and Mrs. Byron Newby, and her grandson and his wife, Dr. and Mrs. Hi Eastland Newby.

LIONS ROAR

Ralph White of the Soil Conservation Service was a guest of Sonora Lions at their regular Tuesday luncheon meeting this week at the Methodist Church.

There was no program but Cheerleaders Mary Wilson and Claire Jones invited all Lions to attend the pregame Pep Rally to be held at the gymnasium at 3 o'clock Friday afternoon. They also invited all fans to join in the fan line which will form on the field at Ozona.

Lion Hillman D. Brown urged all members of the Lions house numbering committee to complete their parts of the project.

Mr. and Mrs. George Phillips of Berryville, Arkansas, spent last weekend visiting with Mrs. Beulah Pfeister, Mr. and Mrs. W. R. Barnes and Mr. and Mrs. Jack Pfeister.
