ELEVENTH WEEK

Irene Davis, 12-year-old daughter of Mr. and Mrs. Louis Davis, joined the "first deer" club by downing a buck a much more experienced hunter would have been mighty proud of. Irene got the nine-pointer Sunday while hunting with her grandfather, W. L. (Tom) Davis on his ranch and we don't know who's proudest, Irene, her dad, or her granddad.

The Meed

There are more than 5,000 children in Texas, each year, who are either born with some tragic deformity; or, who are crippled by disease or accident. Of this total number, more than 3,000 are from families not financially able to pay for corrective treatments at pay hospitals. Therefore each year, 3,000 new cases are created needing medical and surgical treatments such as are provided by the Texas Scottish Rite Hospital for Crippled Children. These services are made available to the needy Texas crippled children through gifts from generous Texans. These gifts come to the Hospital in the form of cash and as bequests made in Last Wills and Testaments (see list herewith.)

SUPPOSE, too, that you were not able financially to pay the hospital, surgical and medical care necessary to rehabilitate your children.

THEN, ALL OF A SUDDEN, the services that would be available to you through this Hospital would become as a wondrous miracle for you . . and you would, most likely, become one of the first to say ...

Bequests in your last will and testament will convey to the Hospital whatever gift you may desire to bequeath. (In connection with living trusts and bequests it is important to consult an attorney.)

Memorials in honor of loved ones through a gift to the Hospital result in both the names of the donor and that of the memorialized one being permanently recorded in the Hospital's memorial records.

A Christmas Message To Texans Who Care:

WHAT'S WITH TEXAS?

Texans send millions of dollars out of Texas each year in response to appeals for support from various charities.

This is very laudable because most of these appeals are sincere and worthy.

However, TEXAS RANKS NEAR THE BOTTOM of all states in providing for its own citizens needing rehabilitation services.

THE REASON: LACK OF PUBLIC SUP-PORT! Surely this is not in the image of true Texans!

CLIP AND MAIL WITH YOUR GIFT TO TEXAS REHABILI-TATION CENTER, P. O. BOX 58, GONZALES, TEXAS

THE TEXAS REHABILITATION CENTER (Gonzales Warm Springs Foundation) is one of the nation's outstanding hospitals specializing in the care of the severely handicapped. TRC urgently needs additional funds with which to carry on its program.

All funds contributed remain in Texas to provide needed services to all Texans, regardless of their age, race, or ability to pay.

Make your own Christmas brighter by sending a contribution to The Texas Rehabilitation Center; P. O. Box 58; Gonzales, Texas.

This message is brought to you with a most sincere wish for a very Merry Christmas and a Happy New Year from
