Heavy finewool lambs: 11th Ray Glasscock, 30th Royce Mearns.

Light crossbred lambs: 3rd Johnny Fields.

Heavy crossbred lambs: 1st Herbert Fields, Jr., 4th Johnny Fields, 13th Johnny Fields, 24th Royce Mearns.

Group of 15 finewool lambs, Sutton County 4-H, fourth place.

A total of 620 lambs were shown in the San Angelo show and 60 of the highest placing

lambs sold at auction. Sutton County 4-H members placed 8 lambs in the auction sale.

Summing up the show year for the local club, members showing at the Kerrville show placed the first five in the commercial ewe division and exhibited the champion Delaine ewe and Champion Delaine sheep as well as the champion commercial ewe. Ray Glasscock was named premier Delaine exhibitor.

At San Antonio 26 of the 30 fat lambs exhibited by the Sutton County group placed in the show and the county group of 15 crossbred lambs won top honors for the sixth consecutive year. Three championships and two reserve championships were won, the first place group of five fleeces came from this county and the first place light Hereford steer was that of Betty Jack Cooper. Ray Glasscock was named premier Delaine exhibitor.

Tom Glasscock showed the reserve champion Rambouillet ewe at El Paso and the Champion Rambouillet ewe at Houston. Jimmy Richardson had the reserve champion Delaine ram in both the junior and open Delaine shows at Houston.

## School Board Absentee Voting Begins March 14

Absentee voting for members of the school board began Monday morning, March 14, in the office of County and District Clerk F. L. McKinney. Qualified voters who will not be in the county at the time of the regular election, Saturday, April 2, may vote absentee ballots at the clerk's office any time before close of the polls on Tuesday, March 29.

Two members of the board are to be selected. R. S. Teaff has filed for re-election and Harold Friess seeks the post formerly held by Lea Allison. Allison did not ask re-election.

## PTA TO HAVE FOOD SALE WEDNESDAY, MARCH 23

The Sonora PTA will hold a cooked food sale at the old Club Cafe building Wednesday, March 23, beginning at ten o'clock.

Cooked foods of all kinds will be offered for sale and coffee will be served.

## Sonoran's Nephew Buried At Temple

Funeral services for A. C. Harold Cartwright, 23, a nephew of Bill Cartwright of Sonora, were held Monday, March 7, at Calvary Baptist Church in Temple. The Rev. Gus Hayworth and Gene Marshall officiated.

Airman Cartwright died at Maguire Air Force Base, New Jersey, March 2 as a result of stab wounds inflicted by two air force men. The pair have been apprehended.

He is survived by his parents, Mr. and Mrs. Albert Cartwright and one brother, Wilburn Cartwright, all of Temple.

Mr. and Mrs. Bill Cartwright and Adrain McCoy attended the services.

## THREE-RING CIRCUS TO PLAY SONORA

Floyd E. Hill, special agent for the Carson and Barnes three-ring wild animal circus was in Sonora last week to complete arrangement for the circus to show here on Saturday, April 23.

## Open House At Local Armory Slated Sunday

An open house will be held at the Armory here Sunday, March 20. Everyone interested in the reserve unit here is invited to attend and Army rations will be served.

Henri Berlanga will be enlisted as an E-5.

This will be an opportunity for anyone who wants to take a ride in the tank and to see new weapons stored at the Armory. Also on display will be the Army new dress greens.

## McCARVER ON COMMITTEE FOR A & M ELECTRIC COURSE

Manager of City Utilities R. M. McCarver is a member of the planning committee for the fifth annual Municipal Electric Short School to be held at Texas A. and M. College March 21 through March 23.

The school, a technical clinic designed to provide advice and assistance to operators of municipal electric systems will feature topics of particular interest to power plant superintendents, operating superintendents and other municipal employees.

## Local Teachers Attend TSTA Angelo Meeting

The Sonora unit of the Texas State Teachers Association was represented at the district meeting of the association in San Angelo last weekend. Delegates from the local group were Mrs. Ruth S. Leiper and Carl W. Jones.

Jones, who is vice-president of the district organization of elementary school principals, was in charge of the program for a luncheon attended by the administrative group.

It was revealed at the San Angelo meeting that 95 percent of all teachers paid their poll taxes for 1960 and that 99.7 percent of the teachers in the state are members of the TSTA. Brownwood was named as the site for next year's meeting.

Attending from the local schools were Mr. and Mrs. Ralph Finklea, Mr. and Mrs. Carl W. Jones, Mrs. Bill McGilvray, Mrs. Frank Rholes, Mrs. Tom Parrisher, Mrs. Margie Evans, Mrs. Andrew Moore, Mrs. Ruth E. White and Miss Margaret Ann Smith.

Officers of the Sonora group are Mrs. Ralph Finklea, president; Miss Anne Palmer, first vice-president; Mrs. Andrew Moore, second vice-president; Mrs. W. H. Dameron, secretary, and Frank Rholes, treasurer.

## Lions Roar

At their regular Tuesday luncheon meeting this week at the Methodist Church, Sonora Lions Club members heard a talk by Johnny Fields, high school student, on recent 4-H Club shows and the progress of the new building.

It was announced that next week's speaker will be Major LeRoy Zunker of Ozona Radar Station.

Guests present were Gus Love of Eldorado, Joe Garcia of Argentina and Dwayne McAndrews.

# 6th Annual Sonora Relays To Open Here Saturday

The 6th Annual Sonora Relays will get underway here at 1:30 Saturday afternoon, March 19, with 19 schools definitely committed to be in attendance. Preliminaries in both track and field events are scheduled for Saturday afternoon with field finals to be held in the afternoon also. Track finals are slated for Saturday night beginning at 7 o'clock.

Events to be held this year include pole vault, high jump, shot put, 120-yard high hurdles, discus, sprint medley relay, 100-yard dash, 880-yard relay, 440-yard dash, 180-yard low hurdles, broad jump, 440-yard relay, 220-yard dash, mile mixed medley, 880-yard run, mile run and mile relay.

Schools to participate are Alpine, Bandera, Coahoma, Bronte, Robert Lee, Southland, Menard, Mason, Mertzon, Rocksprings, Iraan, Stanton, Rochelle, Sanderson, Ozona, Eldorado, Big Lake, Junction and Sonora. All are Class A and Class B schools.

Four records fell in last year's meet. Junction's relay team of McKissack, Willis, Goodman and McDonough set a new time for the mile mixed medley relay of 3:40.2. Adams of Ackerly High set a new time of 2:07.9 for the 880-yard run; Resor of Eldorado lowered the time for the mile run to 5:49.8; and the Eldorado team of Mittel, Runge, Waldren and Sanford set a new time for the mile relay with 4:35.2.

Other records for the yearly event are: Medley Relay, 1:39.4 set by McCulloch, Shaw, Faulks and Collins of San Angelo "B" in 1958; 100-yard dash, 9.8 set by Green of Richland Springs in 1957; high hurdles, 14.8, set by Joe Renfro of Sonora in 1956; 880-yard relay, 1:34.3, set by Junction (Tomlinson, Bowers, Fox and Mansfield) in 1958; 440-yard dash, 51.7, set by Preston Love of Sonora in 1956.

Low hurdles, 20.1, set by Phinney of Coahoma in 1957; sprint relay, 45 flat, set by Junction (Tomlinson, Cavanaugh, Fox and Mansfield) in 1958; 220-yard dash, 21.7, set by Green of Richland Springs in 1957; Shot put, 50' 11" set by Young of Ozona in 1958; pole vault, 12' 1/4", set by Pete Badillo of Sonora in 1956; discus, 149' 1", set by Jacobson of Iraan in 1958; broad jump, 21' 1" set by Cavanaugh of Junction in 1958; high jump, 6, 2", set by Spiser of Eden and Nunly of Brackettville in 1958.

Defending champion Ozona is again favored to win the meet with a strong contender in the hurdles and some well-balanced relay teams. Sonora, Mason, Menard and Eldorado are expected to fight for second place.

With somewhat more favorable weather during the past week, coaches have been able to shape up their squads and, weather permitting, this year's track and field event here is expected to be an unusually good one.

4 on the Ben Mittel ranch is expected to start operations this week.

## Absentee Voting Underway Now At City Hall

Absentee voting in the city election began Wednesday morning, March 16, at the city hall. Persons who are qualified voters and who will not be in the city at the time of the regular call election, Tuesday, April 5, may fill out absentee ballots at the city hall at any time before close of the polls on Friday, April 1.

Voters are to name a mayor and two commissioners. Those who have filed for election, all incumbents, are Gay Copeland for mayor, A. B. Hightower and W. B. McMillan for commissioners.

Participating in this weekend's sixth annual Sonora Relays will be these members of the Sonora High School track and field team. Nineteen teams are expected to compete in this year's meet which has become the largest of its kind in Texas.

## Red Cross Fund Drive Moving Slowly; Less Than Half Of 1960 Quota Raised

### ALICE LEE DUNCAN IN FIRST REGIONAL BAND

Alice Lee Duncan, daughter of Mr. and Mrs. Earl Duncan, took part in regional band competition at Comanche last week. Alice Lee, a freshman at Sonora High School, was placed fifth clarinet in first band.

She will participate in solo competition in Dublin Thursday, March 17.

The Sutton County Red Cross fund drive is lagging behind its goal of \$840, Mrs. Nelson Stubblefield, drive chairman, said this week.

Receipts as of Tuesday had totaled only \$347, Mrs. Stubblefield said. She stated that she plans a more extensive canvass now that more favorable weather appears to be here.

Contributions to the Red Cross are tax deductible and donations may be made to anyone at the First National Bank.

## Flood Control Near Realization As Next-To-Last Bids To Be Let

### TO ATTEND DISTRICT MEET IN COLORADO CITY

Mrs. Armer F. Earwood, Mrs. C. M. Epps, Mrs. W. A. Carroll and Mrs. Robert Kelley, Jr., will attend the convention of District 6, Texas Federated Women's Clubs in Colorado City Friday, March 18.

Mrs. J. F. Howell, president of the Sonora Woman's Club, plans to attend the Thursday meeting of the executive board on Thursday, March 17.

### HOSPITAL AUXILIARY RECEIVES MEMORIALS

The Lillian M. Hudspeth Memorial Hospital Auxiliary has announced the receipts of the following memorial gifts:

In memory of Ed C. Mayfield by the Auxiliary.

In memory of J. A. Sykes by Miss Rostien Goodall.

In memory of Mrs. Marvin Logan by Miss Rostien Goodall.

In memory of Mrs. L. W. Elliott by Mr. and Mrs. J. D. Lowrey, Mr. and Mrs. R. C. Vicars, Mr. and Mrs. L. E. Johnson, Sr., Mr. and Mrs. Hillary Phillips, Mrs. Ed Mayfield, Mrs. Belle Steen and Mr. and Mrs. Joe B. Ross.

In memory of Oscar H. Wright by Mrs. Edith McIlwaine, Miss Frances Gibson, the Auxiliary, Mrs. Robert Rees, Mrs. Dock Rape, the hospital staff, Mr. and Mrs. J. D. Lowrey, Mr. and Mrs. R. C. Vicars, Mr. and Mrs. L. E. Johnson, Sr., Mr. and Mrs. D. L. Locklin and Mr. and Mrs. Alvis Johnson.

J. W. Elliott, Sutton County Judge, received word this week that all is in readiness to prepare bids for construction of the flood prevention dam at Site 1 on the R. D. Johnson ranch, Schleicher County. This will bring under contract 12 of the 13 structures planned for Dry Devil's River and Lowrey Draw.

Site 1 will control drainage from 18 square miles of range-land south and west of Eldorado. The dam will be some 52 feet high, will temporarily impound 5,279 acre feet of floodwater at emergency spillway level, and will contain 227,699 cubic feet of earth and rock fill. The rock-bottomed emergency spillways at each end of the dam are expected to function once in 190 years.

When the contract for Site 1 is awarded in April, only one of the 13 planned structures will remain to be built. Site 3 on the Ben Mittel ranch spans the main

channel of Dry Devil's River. It is expected to be contracted in June or July of this year.

Four of the five structures on Lowrey Draw are complete. Site 11 on the W. A. Miers ranch is rapidly moving toward completion, and would be effective in a major flood at the present time.

Site 9, 10, and 13, which are not blanketed with rock, are being mulched and seeded at the present time. A mixture of side-oats grama, green sprangletop, plains bristlegrass, KR and Caucasian bluestem, and Texas wintergrass is being planted. Prairie hay, at the rate of 5,000 pounds per acre, is being applied to the dam to prevent rill erosion during spring rains.

Construction is well under way at Site 8 on the G. H. Davis ranch, Site 7 on the Ben Meckel ranch, and at Site 5 and 6 on the ranch owned by Mrs. Pearl Martin. The contractor for site 2 on the Homer Byrd ranch, and Site

## Lions Broom Sale Hits All-Time High As Salesmen Gross More Than \$1,300

An all-time high total of \$1,371.75 worth of brooms, mops and allied products manufactured by the blind of Texas was sold by members of the Sonora Lions Club Tuesday.

Six teams from the local service organization covered the business and residential sections of town Tuesday afternoon in their annual sale which provides

funds for the Texas Blind Shops and for the club's local program of aid to the visually handicapped.

Team captains were W. J. Thompson, Charles L. Haines, Jo W. Hardgrave, Jerry N. Shurley and George E. (Bud) Smith. Each captain had several workers and all sections of town were covered.

The Sonora Lions Club's share of the sales total will be \$345.75

or one-fourth of total sales. This will be used by the club in aiding persons who need glasses or any type of visual aid and who cannot otherwise afford it.

Lion Joe Nance who was in charge of the sale was well pleased with the results and expressed appreciation to all Lions who participated, and to all who bought products.

## Odds And Ends

Have you noticed how few people have their 1960 license plates on their cars or trucks? And have you noticed how near it is to March 31, the deadline for buying and attaching the new plate?

Mrs. Zilpha Wheels and Mrs. A. H. Adkins at the court house have noticed. Both say it's the slowest year for license sales they can remember.

-oac-

Some 1,000 license plates for passenger cars are sold over the counter of the Sheriff's Office every year and so far this year, with just 15 days left, only 340 have been sold.

That's roughly one-third of the total to be sold and that ratio seems to be holding true in all categories of tags. Of the 200 farm trucks to be licensed only 72 are entitled to wear the new black plates with white numerals.

Of the 300 commercial trucks, only 111 have been registered.

-oac-

Looks like we'd all better get a wiggle on and head for the courthouse.

Zilpha and Lottie say please bring your title and your 1960 registration receipt-it'll save time for you and for them.

-oac-

SO HURRY, HURRY! And don't forget that April 15 is the last day for getting that vehicle inspection sticker, too.

## Texas Waters Produce More Fish In '58-'59

Nearly 43 million more pounds of marine products were marketed at various ports along the Texas coast during the 1958-59 year than during 1957-58, according to the annual report of the Texas Game and Fish Commission. In '57-'58 some 128 million pounds of fish and shellfish were taken from Texas' coastal waters and sold on retail fish markets.

The Galveston area received the most marketed fish in '58-'59 with over 115 million pounds. The Laguna Madre area handled some 36 million pounds. The Aransas area fishermen harvested about 14½ million pounds while the Matagorda area ac-

## April 15 Deadline For Obtaining Inspection Labels

Col. Homer Garrison, Jr., director of the Texas Department of Public Safety, said today that more than two-million motor vehicles remain to be inspected before the April 15 deadline. He urged all Texas motorists to obtain their new inspection stickers at an early date.

Garrison reported that more than 4,300,000 will be inspected in Texas this year. To date only about half that number have gone through inspection lines at some 4,400 inspection stations located throughout the state.

The DPS director pointed out that inspection stations cannot inspect vehicles during wet, rainy weather, a condition normally prevailing during last winter and early spring. To make sure every vehicle owner is able to obtain his 1960 inspection sticker in time, Garrison suggested that plans be made now to visit an inspection station, before inspection lines grow long.

## I Give You Texas

By Boyce House  
In Kansas City:  
A sign in front of a theater which was showing "The Curse of Frankenstein":  
"It will haunt you forever."  
I murmured, "Thanks for the warning"—and didn't go.  
Another sign in Kansas City: "Mid-Summer Sale-Mixed Drinks at Reduced Prices".  
A placard in a store window had this intriguing bit of information: "Jones Is Delightfully Air-Conditioned." The Jones referred to is a store, not a man.

The first cafeteria I entered, the piped-in music being heard at the moment was "San Antonio Rose" and, during my meal at another cafeteria, I was regaled with "That Good Old Baylor Line". (However, the Kansas Citians probably thought they were hearing "The Good Old Summer Time.")

In one cafeteria, the cashier doesn't use an adding machine;

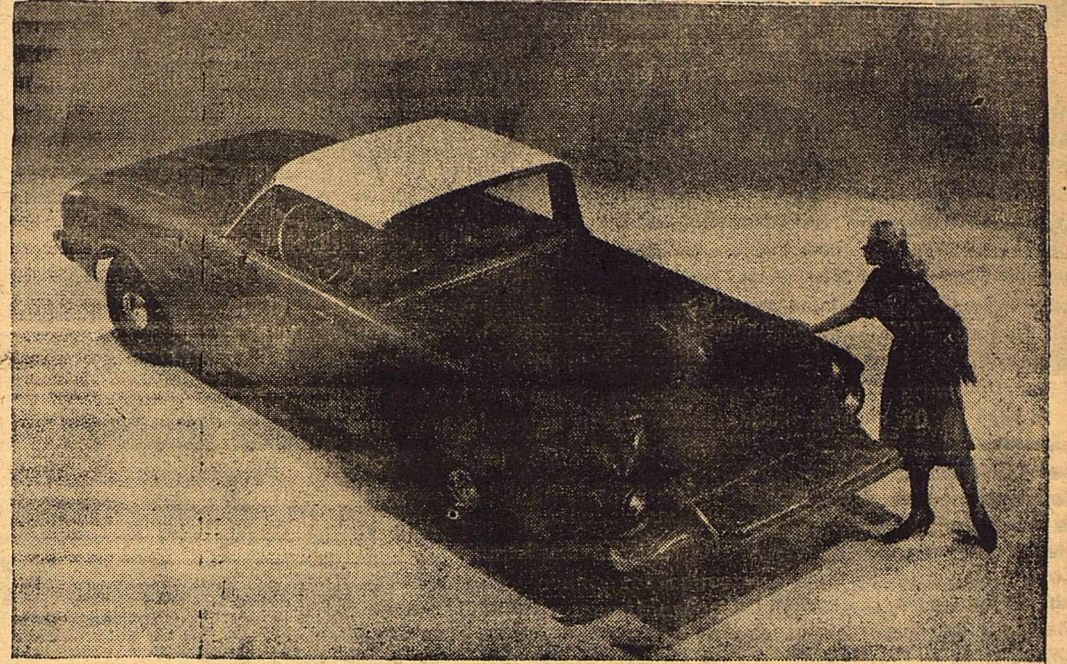

she just looks at the contents of the tray, adds the items in her head and hands you a ticket with the total.

Incidentally, one of these eating establishments has a sign on the stairs, "Use the Hand Rail". As it requires two hands to carry the tray, only an octopus could obey the admonition.

Four strangers (myself among the number) were waiting for a special ball-park bus to see the Kansas City Athletics play but found that the service was not provided that day so we shared

a taxi. One of the three turned out to be from Texas, so we told Texas stories all the way out to the park, which no doubt made a big hit with the two Missourians.

The Texan was an Amarillo banker and I was tempted (but resisted) to ask if he was the Amarillo banker who, so an Amarilloan told me, was responsible for the Palo Duro canyon. You recall the story of course that an Amarillo banker dropped a dime down a prairie-dog hole and dug the canyon, trying to recover the dime.

### Large Numbers Of Wild Birds Are Starving

Thousands of game and song birds are starving in Texas because of the lingering icy weather that has blanketed the State. "Game wardens have reported seeing hundreds of dead or dying robins, too weak to search any longer for insects or seeds," reports the assistant director of law enforcement, Texas Game and Fish Commission.

Few plants produce berries this time of the year. Insects are in hibernation or have been killed out by the freezing cold spells typical in the State the past few months. Many birds have turned to eating things they normally pass by. Others rob protected gardens in desperation.

"These birds need food, and they need it badly," said the assistant director. "Some of them are so weak from starvation that they can't escape even to the greener pastures that lie further south. They're simply doomed without the help of man."

Texasans could help by tossing out a few bread crumbs or sprinkling a handful or two of grain outdoors each day. Most people throw enough scraps into the garbage each day to feed dozens of small undernourished song birds. "Set these scraps aside

### Game Is Valued Each Crop By-Product

"It is difficult to assess an over-all value to fish and game," T. D. Carroll in his interesting article, "Assay on Texas Game," in the March issue of Texas Game and Fish. "The aesthetic, recreational, and biological values are often neglected or considered intangible when the economist views this natural resource."

Carroll, acting director of information and education, Texas Game and Fish Commission, points out that according to the Crossley Survey, 1,625,000 Tex-

ans spent over \$165 million for hunting and fishing in the State in 1955. This is over \$27 million more than the value of 3,882,574 tons of crude gypsum, 3,103,359 tons of clay, 139,396,188 cubic feet of helium, and \$115,000 worth of gem stones produced in the State that same year.

By using the Llano County Deer Count as an example, the author shows that landowners through leases possibly took in some \$346,740 through deer harvests in that county alone. Local

businesses in the county took in a possible \$866,850. "This coupled with the value of deer to the landowners, would give a total of \$1,213,590 realized from the deer harvest in 1959 during the 45-day hunting season in that county," writes the director.

"To consider wildlife as a by-product of the land instead of a valuable crop is a wasteful indulgence enjoyed by those who have no conception of true values of our wildlife resources."

### April 15 Deadline For Obtaining Inspection Labels

Raymond Morgan, owner of Pearl Distributing Co. here, was among those participating in a panel discussion "Distributors' Problems and How to Solve Them" at the Pearl Brewing Company's annual convention.

Mrs. Ed Mayfield has returned home from a visit to San Antonio, Bandera, Sanderson, El Paso and San Angelo. She was accompanied home by her sister, Mrs. Edna Beam of Bandera.

Col. Homer Garrison, Jr., director of the Texas Department of Public Safety, said today that more than two-million motor vehicles remain to be inspected before the April 15 deadline. He urged all Texas motorists to obtain their new inspection stickers at an early date.

Garrison reported that more than 4,300,000 will be inspected in Texas this year. To date only about half that number have gone through inspection lines at some 4,400 inspection stations located throughout the state.

The DPS director pointed out that inspection stations cannot inspect vehicles during wet, rainy weather, a condition normally prevailing during last winter and early spring. To make sure every vehicle owner is able to obtain his 1960 inspection sticker in time, Garrison suggested that plans be made now to visit an inspection station, before inspection lines grow long.

## YOUR MINISTER SAYS

By Rev. Alvin Lotry

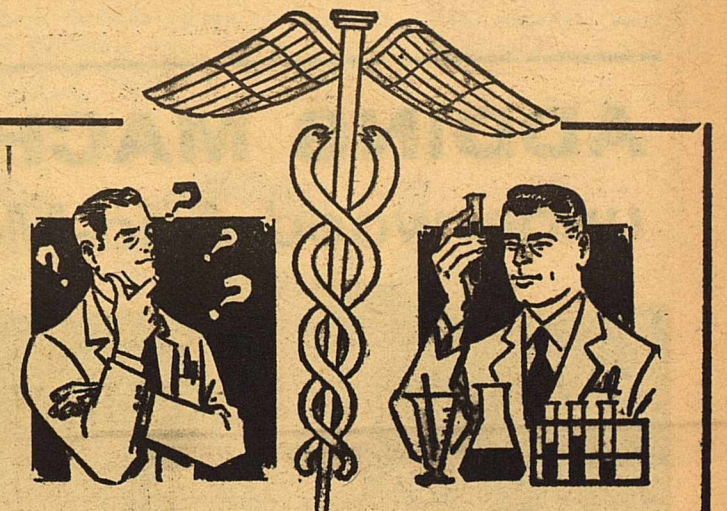

There are times when we emphasize the deity of Christ to the neglect of recognizing his humanity. At this particular time of the calendar year many churches stress the passion of Christ which was suffered by him

on behalf of man. Christ came to seek and to save sinners. That means that he came to be among and acquainted with man. There are some notable illustrations of his seeking the company of man, particularly as he was guest at dinner.

Jesus is seen in the company of outcasts as he is a dinner companion to Levi and a company of publicans and others. The self-righteous and hypocritical scribes and Pharisees condemned him for his action to which he answered, "They that are whole need not a physician; but they that are sick." Jesus knew that to help a sinner was to befriend a sinner.

Jesus saw hope for even the most despised and hated of outcasts. At one other time as Jesus was a dinner guest in the home of Simon the Pharisee, a woman of the street, a harlot, came unto him, uninvited by the host, and in deep repentance and thankfulness bathed the feet of Jesus with her tears. To the criticism of Simon, Jesus answered, "Her sins, which are many, are forgiven; for she loved much; but to whom little is forgiven, the same loveth little." Jesus forgives human frailty.

Perhaps many other occasions could be cited when Jesus sought in his revealed humanity to find a place in lives which were much as ours. However, let us notice two greater teachings. One, as Jesus was host at a dinner, the last Passover that he observed before Calvary, he gave into us in dramatic portrayal the truth of his mission—his body, broken for us, and his blood, shed for the remission of sins. The second teaching reveals into us from beyond Calvary, a desire for our allowing Jesus to come in and sup with us in a relationship which becomes an eternal feast.

## Devil's River Philosopher Discovers Compelling New Reason Why He And Other Ranchers Should Make A Profit

Editor's Note: The Devil's River Philosopher on his bitterweed ranch on Devil's River may be putting an odd twist on a set of figures, his letter this week indicates. We never attempt to correct him.

Dear editor:

When I run out of something to do out here on this bitterweed ranch, and I can do it any time I don't feel like working, I like to amuse myself by reviewing the latest situations on the farm problem.

Last night I got an entirely new slant on the farm problem and its importance. According to an article I read in a newspaper which must have fallen out of an air-

plane, I don't know how else it could have gotten wedged between the forks of a tree ten feet above the ground, that farmers' incomes have dropped twenty per cent in the last two years while their expenses have gone up five per cent.

"The farmers are going bankrupt," the governor of Nebraska said on reading these figures.

Well, lots of farmers and ranchers have been heading toward bankruptcy for years, but as long as they don't actually get there, or they get there but nobody knows it, they seem to keep plugging away.

But what interested me in this report was the reaction of another group of leaders to it.

"Our concern goes deeper than concern for farmers, for merely maintaining the family-size farm," they said. "Many small towns in this nation are dependent on the farmers. If the farmers go broke, what'll happen to these towns?"

But they needn't have stopped there. Look at it this way. Not only are many small towns dependent on the farmers, but many big towns are sort of dependent on small towns, and big cities are dependent on little cities, and Washington is dependent on all of them. And come to think of it, a lot of other nations are depending on Washington.

So, if I lose money out here on this ranch, it's not concern for myself that bothers me. It's an international worry.

Up to now, I figured whether I made any money or not was more or less my worry, plus my banker's, but viewed in this newer light, it's clear that the entire world is depending on me to make a profit, and consequently the farmer's plight is everybody's plight.

I had no idea so much responsibility rested on me, and I will appreciate it if you'll see that Congress helps me make a profit this year. I don't ask this for myself. I'm looking at it internationally.

Yours faithfully,  
J. A.

## Robert Hardgrave, Jr. Named Recipient Of Woodrow Wilson National Fellowship

Robert L. Hardgrave, Jr., son of Mr. and Mrs. R. L. Hardgrave of Sonora, has been awarded a Woodrow Wilson National Fellowship for first-year graduate work leading to careers in college teaching.

Fellowships are \$1,500 each, with dependency allowances for wife and children. The Foundation also pays the fellow's graduate school tuition and fees.

Hardgrave's field of graduate study is South Asia government. Woodrow Wilson Fellows are nominated by faculty members and then go through a careful process of selection, including personal interviews. Most of those selected are in the humanities and social sciences. They may express a preference to attend any graduate school in the U. S. or Canada, subject to review by the Foundation and acceptance by the college or university selected.

**HIGH LIGHTS AND SIDELIGHTS FROM THE STATE CAPITOL**

By Vern Sanford  
Texas Press Association  
**AUSTIN, TEX.**—Texas politicians have been finding it hard to make hay with no sun shining.

A number of statewide candidates are stumping the state, and legislative contenders are getting invitations to speak at rallies and before special groups.

But bad weather and the unaccustomed earliness of this year's election schedule have made it harder for most to get campaigns rolling.

Legislative candidates report they are most often quizzed on whether they favor (1) a teacher pay raise and (2) a general sales tax. "Yes" to the first and "no" to the second are generally regarded as safest answers. But many old hands have misgivings, feeling that the two commitments together may put them in a hard situation come the next session.

**AMENDMENT LINE-UP**—In the hoopla of a presidential campaign year, amendments to the Texas constitution probably will get only secondary attention, though they are of vital importance to all Texans.

Four are to be voted on by the people at the general election Nov. 8. Their order on the ballot, as determined by a drawing conducted by Secretary of State Zolie Steakley, will be:

1. An amendment authorizing the Legislature to create a hospital district in Lamar and Hidalgo Counties and part of Comanche County.

2. An amendment authorizing the Veterans Land Board to issue bonds at 3½ per cent interest instead of the present 3 per cent maximum.

3. An amendment giving members of the Legislature annual salaries of \$4,800 a year and \$12 per day allowances for a 120-day session. Sessions could go no

longer than 140 days.  
4. An amendment authorizing the Legislature to license and regulate lenders and fix maximum rates of interest.

**SCHOOL COSTS JUMP**—A baby boom in the fifties means soaring school bills in the sixties, as indicated by the State Board of Education's 1960-61 estimate.

Board reported that cost of Texas public school program for next year will be \$365,000,000. This is an increase of some \$15,000,000 over the previous year.

Reason for the rise is more children-requiring more teachers, more books, more desks, etc. Total enrollment for next year is expected to be 2,254,574, an increase of more than a half million since the 1954-55 year.

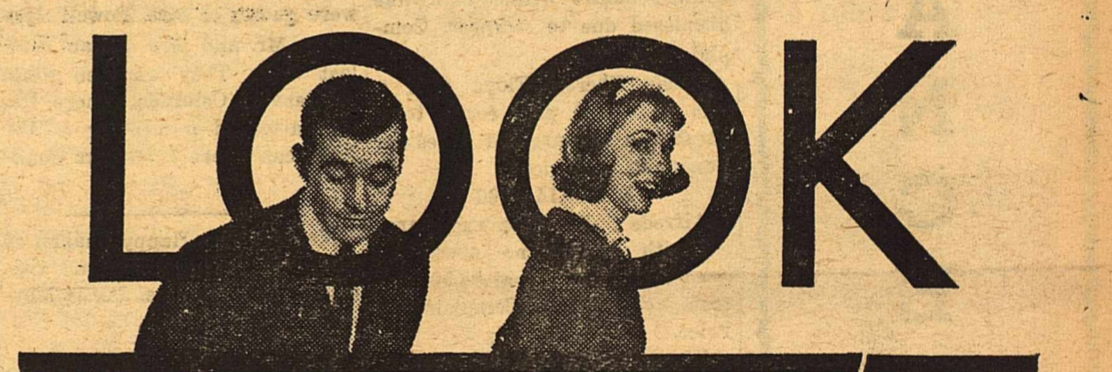

Counties will have to pay \$73,080,000, or 20 per cent of the \$365,000,000 total cost.

**"SLEEPY VILLAGES" GO BIG TIME**—Twenty-one small Texas towns mushroomed into cities during the fifties.

Texas Municipal League reported on towns that had grown 150 per cent or more—some as much as

1,617 per cent.  
Twelve of the 21 big growers are towns near to one of Texas' three largest cities—Dallas, Houston and Fort Worth. Topping the list with runaway expansion were three Dallas County towns—Irvine, up 1,617 per cent; Mesquite, up 1,323 per cent and Farmers Branch, up 1,211 per cent.  
Industrialization was the key to the spectacular growth of most of the 21. In a number of cases, the coming of a single large plant started the boom rolling.  
**TEACHER FUND GROWS**—Texas' teachers retirement fund has increased more than 36 per cent in the past decade, according to State Auditor C. H. Cavness. Cavness reported that at the end of the last fiscal year the fund stood at \$389,341,298. This is \$140,000,000 more than 10 years ago.  
Teachers pay 6 per cent of their earnings up to \$8,400 into the fund. State matches their payments.  
Fund provides for a minimum of \$100 per month retirement pay for teachers and \$75 a month for other school employees. To make the fund grow, it is invested in municipal, state and federal bonds and certain corporate securities under supervision of a board of trustees.
