CATTLE RAISERS NAME NEW LEADERS

TSCRA OFFICERS — New officers of the Texas and Southwestern Cattle Raisers Association, elected at the group's 83rd annual convention in Austin March 23, are, left to right: Leo Welder, Victoria, 1st vice president; Dolph Briscoe, Jr., Uvalde, president; Fred Korth, Fort Worth, treasurer; and Fred R. Wulff, Jr., Brady, 2nd vice president. Briscoe, at 37, is believed to be the youngest president ever to head the 10,000-member association.

Boys' Ranch Field Day Set April 2, Local "Week" To Be Scheduled Later

Eddie Parker of Sutton County is shown working on his current project in the shop of Boys' Ranch of West Texas near Tankersly, Texas. Eddie has been at the Ranch almost two years and is receiving all the benefits the Ranch offers its boys.

Preliminary plans for a Boys' Ranch Week in Sutton County were formulated at a meeting March 24. Sutton County is one of seven counties in the Boys' Ranch District VI which once a year set aside a definite time to recognize Boys' Ranch of West Texas.

During this week, special efforts are made to publicize the Ranch and solicit funds. Special programs will be held with the civic clubs to familiarize the citizens with Ranch program. No definite dates for the Week have been set but the latter part of April has been tentatively.

Sutton County now has one boy at the Ranch and the Ranch stands ready to accept any other Sutton County boy who needs to be at the Ranch. Ralph P. Mayer is county chairman and J. M. VanderStucken is a member of the executive board.

The Ranch will hold its annual Field Day Saturday, April 2, and expects more than 2,500 West Texans to be present. More than 20 implement companies will equipment on exhibition valued at

nearly one million dollars and this equipment will be put to useful work with volunteers. Everyone is invited to attend.

Martha Mittel On Honor Roll At Texas U

Martha D. Mittel, daughter of Mrs. Don Jones of Sonora, has been listed as an honor student in the College of Arts and Sciences of the University of Texas as for the fall semester.

She was listed as "Magna Cum Laude" by Dean J. Alton Burdine of the College of Arts and Sciences.

HEART FUND MEMORIALS FOR MARCH RECEIVED

Memorial gifts to the Heart Fund as announced by local treasurer Mrs. Marie K. Ellis for the month of March were:

In memory of Oscar H. Wright by Mr. and Mrs. Ben H. Cusenbary.

Funeral Rites For Mrs. Susie Blanton Held Wednesday

Funeral services for Mrs. Susie Blanton, 70, former Sonora resident, were held at the First Methodist Church here Wednesday morning, March 30, with the Rev. Doyle W. Morton, pastor, officiating. Mrs. Blanton died Saturday night, March 26, en route from her home in Sanderson to a Fort Stockton hospital.

Born Susie Vivian Creamer near Russellville, Alabama August 24, 1889, she was married to the late Dr. A. G. Blanton in Haleyville, Alabama in 1906. They came to Robert Lee in 1914 and later lived in Bronte and Ozona before moving to Sonora in 1919. Dr. Blanton was killed in an automobile accident in 1934.

Mrs. Blanton had made her home for the past several years with a daughter, Mrs. Ben Martin, at Sanderson.

She is survived by one son, Dewitt C. Blanton of Dallas; two daughters, Mrs. Martin, and Mrs. James V. Weber of Stuart, Florida; one sister, Mrs. J. T. Houston of San Angelo; an aunt, Mrs. S. J. Barnett of Birmingham, Alabama; three grandchildren and two great-grandchildren.

Pallbearers were John A. Ward, Jr.; Fred T. Earwood, J. M. VanderStucken, Bryan Hunt, George H. Neill, Edwin Sawyer, Sam Allison and Stanley Mayfield.

Graveside services and burial were in Fairmount Cemetery, San Angelo, Wednesday afternoon. All arrangements were by Ratliff-Kerbow Funeral Home.

El Paso Natural Reports Record Sales, Earnings

Record Sales and Earnings of El Paso Natural Gas Company in the final quarter of 1959 indicate "A trend toward higher earnings in 1960," President Paul Kayser predicted in the Company's annual report to stockholders.

Kayser also reported that El Paso's natural gas reserves reached a record high in 1959. Three trillion cubic feet of gas were added during the year, bringing total reserves at the end of 1959 to an estimated 40.5 trillion cubic feet.

Fred T. Earwood and Stanley Mayfield attended the quarterly directors meeting of the Texas Sheep and Goat Raisers Association in Brownwood Saturday.

Everybody Stand Up And Be Counted 1960 Census Taking Starts Friday

March 20-26 Designated Wildlife Week

March 20-26 has been designated as National Wildlife Week. Wildlife is becoming increasingly important as a source of income in the Edwards Plateau Soil Conservation District.

Ten years ago hardly a half dozen ranchmen leased hunting rights, while in the past season the Chamber of Commerce estimates that total income from hunting approximated \$120,000.

In Kimple County records kept of 582,366 acres in game preserves showed that \$400,000 was received for 3,492 deer killed. According to a study made by Dr. Dick Davis, Texas A. & M. College biologist, the 3,492 deer represented only a 6 percent harvest of the total deer herd on the area.

Considering five deer as an animal unit (equivalent to 1 cow, 5 sheep or 6 goats) the estimated deer herd of about 12,000 animal units on the preserves returned a gross income of some \$33 per animal unit with only a 6 percent harvest. Dr. Davis points out that if the harvest could be increased to 30 percent (which biologists think would be safe), the gross income per animal unit of deer would be approximately \$165. This gross return would exceed the normal income per animal unit of domestic livestock.

The importance of food and cover in deer and turkey management cannot be overemphasized. In grazing studies at the Ranch Experiment Station, Leo Merrill has observed that deer leave the heavy grazed goat and sheep pastures, and concentrate on the light and moderately grazed pastures.

Deer were abundant in the Sonora area in early days, but became almost extinct from approximately 1910 to 1920 or later. J. A. Cauthorn, who has ranged in this area since 1887, reports that for many years the sight of a deer was very unusual.

Several factors undoubtedly influenced temporary disappearance of deer. Yearlong hunting of deer for food was practiced. Brush was scarce, and heavy stocking with sheep and goats offered severe competition for deer food and cover. Disease may have played an important part in reducing numbers, along with other unknown factors.

With an invasion of liveoak brush for abundant cover, and much lighter grazing pressure during the past 20 years, deer have returned in abundant numbers. In fact, many ranchmen are beginning to think that deer may become a serious problem in ranch operations.

The logical solution to the problem appears to be an adjustment in domestic livestock numbers, taking into consideration the number of deer being grazed. Heavier hunting of both sexes of deer would help control numbers and keep the financial return from the ranch at a high level.

Increased production of desirable vegetation is not only essential for livestock and deer, but benefits wild turkey as well. With good food and cover during the past two years the turkey population in the Edwards Plateau SCD has increased tremendously.

"Water-Key to Your Survival" is the theme of National Wildlife Week. Fortunately, the program of range improvement being carried on by most ranchmen in the Edwards Plateau SCD will not only protect our precious water supply-but will benefit domestic livestock and wildlife as well.

Mrs. Lois W. Young and the enumerators under her supervision in a three county area will begin their work with the 1960 Census of Population and Housing on the night of March 31. At this time, all transients will be counted. This census operation, known as "T-night" will find the workers counting the persons in hotels, motels and other large transient places during the night of March 31. They will be on hand during that evening to assist transients in filling out the forms.

The census proper will get underway Friday morning, April

1, with the Sutton County workers stopping at every house in Sonora and in the county. Householders will not have any difficulty identifying the takers when they start their rounds since each census taker will be provided with a red, white, and blue identification card to be worn on the lapel. This card bears the seal of the Department of Commerce and the words "Census Enumerator, Official Credential" are printed across its face. Persons purporting to be Census takers who do not have this identification should be reported immediately to the local district Census office.

Census takers will be further identified by the portfolio containing their supplies. The portfolio is brown and bears the legend, "1960 Census of the United States", printed in green ink.

The Sonora Chamber of Commerce is sponsoring a contest designed to stimulate interest in the decennial count. The person guessing nearest to the official count for the population of Sonora will receive a \$50 savings bond. Only one entry per person is permitted.

It is emphasized that all information given to census enumerators is strictly confidential and may not be used by any government agency other than the Bureau of the Census. Information may not be given to the Internal Revenue Department, Department of Immigration or any other government agency. Stiff penalties are provided for violation of confidence on the part of any census worker.

Annual Cancer Fund Drive Slated To Begin April 1, Chairmen Named

The Sutton County Chapter of the American Cancer Society will launch its annual fund raising drive here Friday, April 1, Mrs. Alvis Johnson, drive chairman announced this week.

Area chairmen for the drive have been named by Mrs. Johnson and chairmen are in the process of obtaining volunteers for the intensive house to house canvass.

Chairmen are Mrs. W. B. McMillan, Mrs. Lewis Spraggins, Mrs. R. V. Cook, Mrs. Melvin Hearn, Mrs. Myrtle Sellman, Mrs.

B. H. Cusenbary, Mrs. Hub Hale, Mrs. Ernest McClelland, Pete Virgen, Candelario Jimenez, Isael Perez, Mrs. Joe Hull, Mrs. J. Wray Campbell, Mrs. Raymond Morgan, and Mrs. Billy Green.

The drive is scheduled to run through the month of April which has been proclaimed National Cancer Month by President Eisenhower.

"We will appreciate all volunteers, suggestions, aid, and contributions," Mrs. Johnson said.

Broncos Take Second Place Honors In Eldorado Relays Tuesday

Sonora's track and field team took second place in Tuesday's Plateau Relays in Eldorado. The Sonora team racked up 93 points to first place Ozona's 148.9 points. Junction was third with 76½ points, Eldorado fourth with 73 1/5, Menard fifth with 52½, Coahoma sixth with 23 1/5, Iraan seventh with 22, Big Lake eighth with 18, Rocksprings ninth with 14, Mertzon tenth with 14, Robert Lee eleventh with 5 and Christoval twelfth with 1.

Only first place won by the Broncos was the mile relay with

Ram Castillo, Ben Castillo, Julio Samaniego and George Roberson turning in the winning time of 3:39.0. This shaved their winning time in the Sonora Relays here March 19 by about three seconds.

Other places won by the Sonora team were David Archer, second in shot put; Gonzales second, Chavez fourth and Bermea sixth in the 880-yard run; second in 770-yard relay; Castillo third in 440-yard dash; Garcia second, Gomez third and Castillo fourth in the mile run.

Absentee Polls Close With Only Two Votes

At the close of absentee voting polls Tuesday for the election of two members of the Sonora school board, only two ballots had been cast. The election has been called for Saturday, April 2. Names appearing on the ballot are those of R. S. Teaff for re-election and Harold Friess. Friess seeks the post formerly held by Lea Allison who did not ask re-election.

Absentee voting in the municipal election slated for Tuesday, April 5, closes Friday, April 1 at City Hall. As of Wednesday no absentee votes had been cast. Names on the ballot are those of Gay Copeland for mayor and A. B. Hightower and W. B. McMillan for commissioners.

Pallbearers for Mrs. John Wilson who was buried here last Thursday were A. W. Awalt, Seth Prater, Andrew Moore, C. W. Taylor, Glen Hay and S. M. Loefler.

Sutton Bond Sales 8.1% 1960 Quota, Says Neill

An increase of 4% in February marked the second time this year that Savings Bond sales in Texas have been greater than sales in the same month in 1959 according to George H. Neill, Chairman of the Sutton County Saving Bonds Committee.

February sales in Texas totaled \$15,506,998 for the first two months of this year amounting to \$32,044,765 or 19.4% of the 1960 goal. Total bond purchases in Sutton County for January and February were \$6,455 which represents 8.1% of the 1960 goal.

Slow, soaking rainfall blanketed the Sonora area Friday, March 25, bringing promise of abundant spring vegetation.

Rainfall varied from .80 inch at Sonora to 1.40 on the J. A. Cauthorn ranch. Most ranchmen received about an inch of moisture.

The precipitation was badly needed to give the heavy weed crop and grass some top moisture to start spring growth. The last rainfall of significance was an inch on February 2. Ranchmen were jubilant over Friday's fine rain, and could see an end to one of the coldest late winters on record.

With a few days of warm weather, plus the excellent moisture conditions, vegetation will make rapid growth. The lush crop of tallow weeds and other winter annual weeds, which have hugged the ground all winter, will quickly produce a seed crop. Shinoak brush, very late in leafing out, should green up rapidly.

Representative rainfall reports gathered by E. B. Keng, Soil Conservation Service, include Ben Cusenbary 1.30; Robert Pfluger 1.10; Ed Shurley .97; Mrs. Mae B. Sawyer .96; Rip Ward .80; Harold Friess 1.00; George Brockman 1.00; G. H. Davis (Site 8) 1.01; Edwin Sawyer 1.10; and Sonora Woolhouse .80.

Robert Hardgrave New Member Of Phi Beta Kappa

Robert L. Hardgrave, University of Texas student from Sonora, is a new member of Phi Beta Kappa, highest honorary society in the field of arts and sciences.

Hardgrave, a senior majoring in government, is a member of Phi Eta Sigma, national honorary fraternity to which he was elected for high freshman grades, and Pi Sigma Alpha, honorary government and political science fraternity. He is also a member of the University debate team and has received a Rotary Fellowship for overseas study and a Woodrow Wilson scholarship for advanced study.

He is the son of Mr. and Mrs. R. L. Hardgrave of Sonora.

Guests of Mr. and Mrs. Calvin Howell Tuesday were Mrs. Ralph Payette and Mrs. Lamar Fuqua of Ballinger and Mr. and Mrs. Jack Brunson and children of Presidio.

Little League Plans To Be Made At Special Meeting Next Thursday

SHS Clarinetists Win 5 Medals In Regional Band

Three Sonora band students brought home five first division medals from regional band competition in Abilene last weekend.

The clarinet trio of Jo Bess VanderStucken, Alice Lee Duncan and Carla Whitworth was awarded a first place and each received medals. Jo Bess and Alice Lee each received first place medals for their clarinet solos. They were accompanied by Mrs. James Wilson, pianist.

Band Director J. L. Steed and Mrs. Steed accompanied the students to the meet.

Sonora's Little League season for 1960 will begin to be formulated at a meeting of all persons interested in the summer program for boys aged eight to 12.

The meeting will be held at 7:30 Thursday night, April 7, in the woodworking shop at the high school.

Officers for the league will be elected and it will be decided whether there will be four or five teams in the league this summer.

A schedule will be adopted and time and dates will be set. Managers will also be appointed and other decisions made in this most important meeting of the league year.

Present league officers are Harold Scherz, president; John Bell, vice-president, and Clayton Hamilton, secretary-treasurer.

Everyone interested in league activities is urged to be present.

Red Cross Drive Still \$183 Short As Campaign Ends

As the Sutton County Red Cross Fund Drive closed officially March 31, the drive for funds was still \$183 short of its 1960 goal, Mrs. Nelson Stubblefield, drive chairman, said.

Quota for this year was set at \$840 and as of Wednesday only \$657 in contributions had been received. This marks the first time in several years the county has fallen short of its quota, Mrs. Stubblefield said.

Donation, which are tax deductible, may still be made to Mrs. Stubblefield or to any of the employees of First National Bank.

TWO SONORA STUDENTS ON UT REVUE STAFF

Sue Greenhill and Martha Mittel University of Texas students from Sonora, have been named staff members for the University of Texas Roundup revue April 2. The revue will be held on the last day of the Roundup weekend, and the 1960-61 University Sweetheart will be presented at

that time. The weekend also will consist of the Texas Relays, a parade, a barbecue, and the Roundup ball which follows the revue.

Mrs. Herbert Fields, Mrs. E. D. Shurley, Mrs. W. A. McCoy and Mrs. Jerry Shurley attended the District 6 PTA convention in Brackettville Wednesday.

Mrs. R. A. Halbert won the prize for high score for guests, Mrs. R. C. Vicars held high club score, Mrs. W. A. Carroll won the slam prize and Mrs. P. J. Taylor won at bingo.

Guests attending were Meses. J. P. Smith, H. V. Morris, Collier Shurley, Cleveland Nance and

Lions Club Hears Musical Program

Three instrumental music students at Sonora High School presented a program of clarinet music at the Tuesday meeting of the Sonora Lions Club at the Methodist Church this week.

A trio composed of Jo Bess VanderStucken, Alice Lee Duncan and Carla Whitworth played selections which won them a first division award in regional band competition last weekend in Abilene.

Prize-winning solos were performed by Jo Bess and Alice Lee.

The club's nominating committee comprised of all past club presidents, Hillman D. Brown chairman, met following the noon hour and will present their report next week.

Vice-president E. B. Keng presided over the business meeting in the absence of President Harold Scherz.

Mrs. Fred Ross returned Saturday to her home in San Antonio after spending several days here with her mother, Mrs. Neil Roueche, and her daughter and family, Mr. and Mrs. R. S. Teaff, Carl and Trouba.

Under 5, Over 15 "Soft Spots" In Polio Vaccination

The under five and over 15 age groups are polio vaccination "soft spots" in Texas.

A recent State Health Department check of polio immunization levels in several typical Texas communities shows school age children are well protected but that vaccinations are lagging among youngsters under five and persons over 15.

"Immunizations must continue without letup if the disease is ever to be really conquered," State Health Commissioner J. E. Peavy says.

The record shows that persons who have not taken the series of three protective shots are 90 percent more vulnerable to paralytic polio than their neighbors who have completed the series.

Dr. Peavy's note of caution comes just in advance of the Texas polio season. According to the pattern of past years, the season is due to get underway about the middle of April.

Medical authorities agree that the most beneficial time to begin the shots is in advance of the annual rise in polio case rates.

Persons who have not yet begun the shots should start them immediately, the health commissioner emphasized. Persons now due for their third shot should take it without fail.

A booster shot a year or so after the third shot has been recommended by leading specialists. It should be administered at the discretion of the family's physician.

"Community campaigns should be aimed to known 'soft spots'—the age groups under five and over 15," Dr. Peavy stresses.

Statistics are available to show that almost twice as many cases of polio occurred in the United States during 1959 as during 1958. Health and medical officials have made it clear that the increase did not indicate a failure of the vaccine, but rather indicated a failure on the part of people to get their shots.

Of the 526 cases diagnosed in Texas last year, nine out of 10 had not had the basic three shots recommended for maximum protection. More than half of last year's victims were under five. Three-fourths of them had not had a single dose of vaccine.

"The higher the level of polio protection through vaccination in a given community, the better chance that community has of escaping a polio outbreak," Dr. Peavy asserts.

Miss Linda Link, James T. Hunt To Be Married In Late Summer

ENGAGEMENT ANNOUNCED—Mr. and Mrs. Henry Hillary Link of Weslaco have announced the engagement of their daughter Linda to James T. Hunt, son of Mr. and Mrs. Bryan Hunt of Sonora. Miss Link will be a June graduate of the University of Texas where she is a member of Pi Beta Phi sorority. Hunt is a graduate of the University of Texas where he was a member of Phi Gamma Delta. A garden wedding is planned for August 13.

A tea to announce the engagement of Miss Linda Link, daughter of Mr. and Mrs. Henry Hillary Link of Weslaco, to James Hunt, son of Mr. and Mrs. Bryan Hunt of Sonora, was given Saturday afternoon, March 25, by her aunt, Mrs. Mumpford Wilson of San Antonio and Mrs. John Jones of La Feria in Mrs. Jones's home.

In the receiving line were the honoree, her mother, Mrs. Hunt, and the hostesses.

The living room mantel held a tree fashioned of Cymbidium orchids in an antique brass epergne. Standing at the base of the tree was a small Meissen figurine spinning love messages. Hanging in the tree was a small scroll with the legend "Linda and James-August 13th".

A nine branch silver candleholder stood at one end of the table, forming the apex of the design. Under each candle a small nosegay of orchid carnations was centered with a pink sweetheart rose sparkled with rhinestones. A bridal bouquet lay at the base, the streamers reaching to the opposite end of the table where punch was served from a purple crystal punch bowl by Mrs. James Powell of Menard, alternating with Miss Nancy Malons of Progress.

Coffee was served from a low table in the living room.

The guest book was placed on a table in the sun room by a bubbling fountain containing blue water lilies.

Congratulations To These New Parents

Mr. and Mrs. O. L. Richardson, Jr., of Bogota, Colombia are the parents of a son, John Patrick born Monday, March 14 at St. Luke's Episcopal Hospital in Houston and weighing seven pounds, two ounces.

Welcoming the new arrival are two brothers, Mike, eight, and Dan, three, and one sister, Patti, six.

Grandparents are Mr. and Mrs. O. L. Richardson, Sr., of Sonora and Mr. and Mrs. W. T. Hughes of Angleton.

BARBECUE SATURDAY

HONORS SAM LOGANS

Mr. and Mrs. Joe F. Logan entertained their children at a barbecue supper Saturday night, March 26. Honored at the supper were their son Sam Logan and his family who plan to leave for Afghanistan about April 1.

Attending were Marvin Logan and son Pete; Dr. and Mrs. Joe B. Logan, Rick and Sharon of Ozona; Dr. and Mrs. A. O. Brink and Arthur; Mrs. Dorothy Baker, Betty Ann Patrick, Mrs. Belle Kirkpatrick, Miss Eunice Goodall, Mr. and Mrs. Ross Goodall and the honorees, Mr. and Mrs. Sam Logan, Linda, Jane and Sammie.

Another son and his wife, the Rev. and Mrs. A. H. Logan of Dallas were unable to attend due to illness.

CHAMBER OF COMMERCE COMMENTS

Our answer to all these, "People are funny, they just love to be gypped." Now if you don't agree just take inventory. How often are you the sucker? We

are guilty. 4-H BARN: The 70 x 70 tile building for the 4-H Club is nearing completion. Wallace Renfro and his crew are putting on the finishing touches this week. A lot of people in this town have a lot of insidious plans for this building and some of them might win. It is truly a nice structure and stands to serve the community well. Just think, its entire cost was paid by the suckers, or rather those whose names were called at the two last Chinese Auctions. What a cute and

CAVERN: Work is progressing nicely on the CAVERNS OF SONORA, the million dollar attraction near here. The opening has been made head-high to the ground floor, steps are now being installed, the house is being plumbed in, the water well is drilling down and electricity is on the ground and in the Cave. Much work has been done but this is only the beginning. The Cavern hopes to open in July at which time Sonora plans to blow the lid off with a grand opening.

Get License Before Fishing, Warns Warden

A few days of sunshine has doubled the number of fishermen on the lakes and streams of Texas, according to the director of law enforcement of the game and Fish Commission.

"Wardens checking these fishermen find that most of them have their licenses," the director said. "A few, however, have put off buying their fishing licenses and it is necessary to charge them with violation."

Fishing licenses are required of all persons, except those under 16 or over 65 years, fishing with rod and reel in any Texas waters.

Non-residents pay the same fee for their license as Texans—\$2.15 which permits fishing in either fresh or salt water.

"Visitors to Texas are appreciative of this license," the director said. "Most states charge a much higher price for non-resident fishing privileges. As a result of our minimum priced licenses, we get many fishing visitors in the state."

Fishing licenses can be bought from most sporting goods stores, the county clerks and game and fish commission offices in the major Texas cities.
