FORTIETH WEEK

Odds And Ends

Sonora's "Cave By Mail" campaign is gaining momentum every day. Those postcards are really selling and most folks are buying a bunch to send to their friends and relatives.

We'd like to suggest that everyone take their Christmas card list and send one of these cards to every name on it. People will appreciate being remembered in July and will love seeing just what the Caverns of Sonora have to offer.

If you doubt that the word about the Caverns has been getting around just mention the cave to visitors from out-of-town. They'll tell you they've heard about it and are anxious to know more.

Personally, we're excited. The portion of the cave which will be open this year is so much more beautiful than you can see anywhere else that you hate to come out into the sunlight again.

The walks are smooth and easy to follow, there's no feeling of being cramped and views in all directions make you stop and gasp.

Saturday, July 16, will find the cave open and Jim and Jack ready to show you through. It will be open every day until December and we expect the boys to be doing a land-office business.

LARRY BOB MOORE GETS SPORTSMANSHIP AWARD

Larry Bob Moore, son of Mr. and Mrs. Herman E. Moore, received the Sportsmanship Award for the junior division of baseball camp. The award is given each year at the camp which is located near Meridian, Texas.

Sutton Bond Sales 21.7% 1960 Quota, Says Jack Neill

During the first five months of this year the citizens of Sutton County purchased \$17,393 in Series E and H United States Savings Bonds. This announcement was made by George H. (Jack) Neill Chairman of Sutton County Savings Bonds Committee.

"We have now achieved 21.7% of our 1960 goal of \$80,000," Chairman Neill reported. Texas sales for the first five months of this year were \$69,824,409, which represents 42.2% of the 1960 goal of \$165,500,000. May sales in Texas totaled \$12,341, 632, which is \$1,049,468 greater than sales in the same months during 1959.

Mr. and Mrs. Curtis Nicholas and granddaughter, Vicki Jo Nicholas, and Alice Lee Duncan spent Wednesday through Saturday of last week in Fort Worth.

July 15 Deadline To Apply For Educational Loans

Friday, July 15 is the deadline for students to apply for educational loans under the Sutton County Educational Trust. By that date all applications must be in the hands of the Trust's advisory committee. These applications should be turned in to either the Rev. William T. Mitschke or to Stanton Bundy.

These applications, to cover the fall term of college only, will be considered by the advisory board at its July 26 meeting at the Methodist Church. Recommendations to the trustees will be made at this meeting.

Mr. and Mrs. George H. Neill had as holiday guests their daughter and family, Mr. and Mrs. Richard Cooper and Elizabeth Jane of San Antonio.

Mr. and Mrs. Robert Kelley, Jr., left Tuesday for a vacation trip to Las Vegas, Nevada.

HAVE FAMILY REUNION

Members of the Patrick family held their annual reunion last weekend at Allison Park on the North Llano. There were 146 members of the family present. Oldest family member present was Rufe Everett of Ozona.

Church services were held at the park Sunday morning.

Ranchmen Will Receive \$333,312 Wool Payments

Tigers First, Yands Second

By James Stewart

The Evans Foodway Tigers picked up two wins by whipping the First National Bank Yankees and the Commercial Cafe Cubs last week. The Tigers' record is now five wins and no losses. The Tigers beat the Cubs 6 to 5 and the Yanks 15 to 3. Mike Sims, Gary McGilvray, Noe Chavez and Johnny and Bobby Ramos have led the Tigers to both of their victories this week.

The Yankees cop second place with a three and two record. They beat the J & S Motors Giants 12 to 9 and lost to the Tigers 15 to 3. Mike Wuest, Ben Perez, Hector Noriega and Mario Sanchez sparked the Yanks in both games.

The Cubs hold down third place with a two and three record. They beat the Giants 15 to 1 and lost to the Tigers 6 to 5. Abel Fierro hit his first home run for the Cubs Thursday.

The Giants are in last place with a 0 and 4 record. They lost to the Cubs 15 to 1 and to the Yanks 12 to 9. Eddie Howell and Brent Johnson have been the stalwarts for the Giants.

Sutton County ranchmen will receive a total of \$333,312.20 in incentive payments on wool and unshorn lambs, according to Mrs. Marie K. Ellis, local manager of the Sutton County Agricultural Stabilization and Conservation office. The figure is based on a payment rate of 43.2 percent on wool sales for 1959 and 75 cents per hundredweight on unshorn lamb sales.

County payments on wool will total \$308,605.24. This figure is based on the 43.2 percent payment of 1959's wool clip sales of \$755,987.21 less the one cent per pound for product promotion.

Payments on unshorn lambs will amount to \$24,706.96, based on the 75 cents per cwt payment on 3,529,575 pounds of lambs sold by county ranchmen in 1959, less five percent for product promotion or \$1,764.78.

No payments will be made on mohair this year the market price of mohair remains above the base rate set for incentive payments.

Mrs. Ellis stated that ranchmen may pick up their checks at the local ASC office beginning Friday, July 8. Those unclaimed within a week will be mailed to the ranchers.

New Band Uniforms On Display At Bank; Fund Drive Underway

The new red and white all-wool uniforms being purchased for the Sonora Bronco Band are on display at the First National Bank. The Western style uniforms have been ordered by the Band Parents Club, sponsoring organization.

The club plans to finance the \$5,000 uniforms by staging a benefit dance Friday night at the

4-H Club Center. Tickets may be purchased from any band member. Other plans include conducting the concession stand during the first week of operation of the Caverns of Sonora.

Donations toward the purchase are both needed and welcomed, a spokesman for the club said Wednesday, and may be made at the First National Bank.

Little League All-Stars Selected To Meet Ozona There On July 21

Managers and officials of the Sonora Little League this week announced names of players who had been selected by vote to appear on the local All-Star team.

Fourteen boys aged 11 and 12 were elected to the team and two were named as alternates. Team members are Mario Frank Ortega, Michael Wuest, Freddy Gandar, Mike Sims, Noe Chavez, Laney Cook, Eddie Howell, Gary McGilvray, Johnny Ramos, Abelardo Fierro, Jr., Cornelio Hernandez, Jessie Villarreal, Jr., Hector Noriega and Duane Cox. Freddy Benson and Dorr Scherz are alternates.

League Director Oliver Wuest

emphasized that all boys on the All-Star team must turn in their birth certificates to him at once.

The area League play will begin Thursday night, July 21, with Sonora meeting Ozona at Ozona at 8 o'clock. Other area games scheduled for that weekend include Reagan vs Rankin, McCamey vs Crane, and Pecos vs Fort Stockton. Midkiff drew a bye. The second round of play will begin July 28 with finals scheduled for July 29.

Managers of the two top-ranking local teams will manage the Sonora All-Stars. Local umpires will be Jackie Sharp and Jessie Villarreal.

Plans Complete For Cave Opening July 16 Dedication Day July 23

Plans have been completed for the opening and dedication weekends of the Caverns of Sonora. The new scenic attraction will be open for public viewing beginning Saturday, July 16, with developers Jim Papadakis and Jack Burch conducting visitors on a 90-minute of the fantastically beautiful cavern.

Friday and Saturday, July 22 and 23, have been designated as dedication weekend with members of the Texas press and state dignitaries as honor guests. Plans for the weekend include a Friday preview for newsmen who are expected from all parts of the state. Friday evening will see a

press party for invited guests in the cavern's "Press Room" and a chuckwagon supper served at the picnic area. Dedication of the cavern will be held at 11 o'clock Saturday morning and will be followed by a barbecue lunch.

Some 800 newspapers, radio and television stations have been extended an invitation by the Sonora Chamber of Commerce through Texas Press Association President L. B. Smith of Brady who plans to be present.

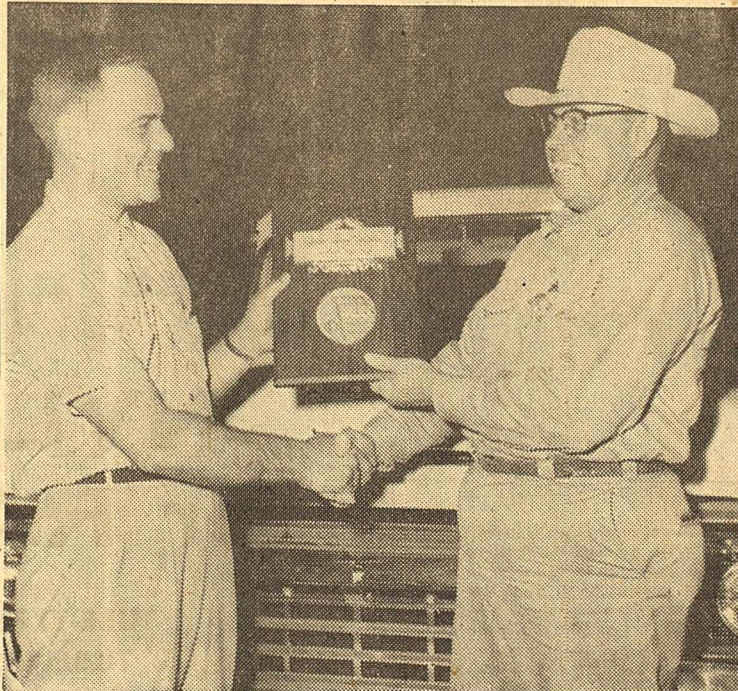

An intensive publicity campaign is being conducted with all major newspapers, television and radio stations receiving press kits containing photographs and in-

formation sheets pertinent to the caverns and their scheduled opening.

A large billboard has been erected at the intersection of U. S. Highway 290 and Ranch Road 1989 eight miles west of Sonora. Right-of-way fencing is nearing completion on the cave road off RR 1989.

Sales of postcards showing 3 scenes in the cavern have been mushrooming, according to Chamber of Commerce Manager H.V. (Azie) Stokes. Many Sonora

people are using the cards for personal correspondence and still more postcards are available at the Chamber office.

Pictured here is Joe Hull of Sonora Motor Company receiving a plaque commemorating the firm's 45 years as Goodyear Tire Dealer. Presenting the plaque is Pat Coyan, field representative for Goodyear Tire and Rubber Co.

Ozona Man Sutton County's First Traffic Victim For 1960

Ernesto Martinez, 29, of Ozona became Sutton County's first traffic fatality of 1960 as a result of a one-car accident 20 miles south of Sonora on U. S. Highway 277.

The accident occurred about 7:45 Sunday evening, July 3, when the 1955 Chevrolet which Martinez was driving ran off the shoulder and the drive lost control. The car turned over several times.

Injured in the accident were Federico Longoria, 50, and Jose Maldonado, 40, both of Ozona.

Injured in another accident which occurred about 12:30 Monday morning, July 4, was Rogene Dye, 18, of Coleman. Miss Dye was a passenger in the 1959 Dodge driven by Frank Nicholas Taylor, 24, also of Coleman. Taylor stated he fell asleep and the car ran off an embankment on the left side of the road about five miles north of Sonora on U. S. 277. The other passengers in the car escaped injury.

Sonora Scouts Receive Awards At Lions Club

Scoutmaster Herbert Fields presented awards to Scouts of B.S.A. Troop 19 at Tuesday's meeting of the Sonora Lions Club this week. The Troop is sponsored by the service organization and Fields reported a membership of 41 Scouts, nine of whom will attend the Jamboree in Colorado Springs, Colorado.

Receiving Second Class Badges were Joe Moore, Eddie Howell, Lawrence Holland, Gaddy Lyles and Charlie Hopf. Bobby Kelley and Jerry Shurley received First Class Badges.

John Eaton presented Star Scout awards to Gil Allison, Bill Elliott and Dick Hardgrave.

Billy Dee Drennan of Texarkana was the only guest present.

The three Nance daughters, Melissa, Melinda and Susan will visit with their grandparents, Mr. and Mrs. Mack Beall in Odessa while their parents are away.

HOSPITAL AUXILIARY TO MEET MONDAY

The Auxiliary of Hudspeith Memorial Hospital will meet Monday afternoon, July 11, at the fellowship Hall of the First Methodist Church.

Mrs. O. G. Babcock, president, announced the meeting and urged all members to be present.

Holiday guests of Mr. and Mrs. Rex Merriman were Merriman's sister and family, Mr. and Mrs. Monroe Voight and children of Midland.

Sutton County Designated Pilot Area In Nationwide Standard Soil Survey

Sutton County is being used as one of the pilot areas of the country in a nationwide standard soil survey. Some 165,000 acres have been surveyed to date. Upon completion of the project, a map and description of soils will be published. Maps of individual ranches will be made available to the landowner only.

The standard soil survey shows the delineations of soils into various kinds or series. Slope,

Mrs. Ray Baker and Mary Faye will spend this weekend in Georgetown where they will visit Jim Ray Baker.

erosion condition, topography and permeability is also shown.

The primary use of the soil survey is in determining the capabilities and natural limitation of the land, according to Dewayne McAndrew, soil scientist of the Soil Conservation Service who is making the survey. The survey shows types and phases of soils which have defined characteristics. From these characteristics detailed predictions of the behavior of a soil under different management systems can be made. With this information, it is possible for a farm or ranch operator, with assistance from an SCS technician, to formulate a long term conservation plan for the ranch.

In planning, the operator and the technician consider the enterprise combinations that are adapted to the farm or ranch as a whole, their economic feasibility, and the resources and desires of the ranch operator.

Other agencies also make use of soil surveys. The Farmers Home Administration and other loan agencies use the soil survey to make appraisals for loans. An accurate soil survey with ratings of the individual soil types and phases furnishes the best basis for estimating the production of a farm and its basic long-time value.

Soil surveys are being used widely in engineering design. Facts about soils are needed to predict their behavior when used for earthen dams and foundation material for highways and airports.

The Experiment Station used the soil survey in many types of research. The Extension Service, Forest Service and other agencies concerned with land management use this type of information. Other users are prospective farm and ranch buyers, realtors, city governments, and watershed planning parties.

Fire Marshal Urges Citizens Clean Up City

Fire Marshal John A. Martin, Jr., this week urged all citizens of Sonora to concentrate their efforts toward maintaining clean premises in an attempt to curb chances of grass fires which have been breaking out fairly frequently recently.

"Another hot and dry summer is on us with lots of long, dry grass all over town," Martin said. "Let's all clean up our property and keep down the very possible danger of expensive and disastrous fire losses."

Devil's River Philosopher Amazed To Find Russian Farming Subject To Weather, The Same As Ours Is

Editor's Note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River makes a discovery about Russian farming, his letter this week indicates.

Dear editor:
As I understand it, the Russians are experts when it comes to propaganda, they let the outside world know only exactly what it wants to know about what's going on behind the Iron Curtain, no more and no less, everything is thought out years

in advance, and everything runs like clockwork.

Well, I have always felt that regardless of what information the Russians put out, they must be human beings the same as the rest of us, their pickups must get flats and bust gaskets the same as ours, and this opinion has now been confirmed again.

Last night I read in a newspaper which I found alongside my road out here yesterday morning, I guess somebody had run out of beer cans to throw

out and had to resort to a newspaper to keep his arm in practice, that the weather in Russia has cut the crop prospects over there.

Obviously, the Russian propaganda system is breaking down. You mean to say Russian agriculture is subject to the whims of nature the same as my ranch out here?

According to this article, Spring in Russia this year was could, dry and windy, and the autumn before was extremely dry, with the results that dust storms have been blowing, grain crops are light, and distress

slaughtering of livestock has been necessary.

I don't say this gloatingly, I don't like to see anybody, even a Russian, try to ranch in a drouth, but what I can't understand is how the Russian leaders with all their propaganda expertise slipped up and allowed this news to get out. What they ought to have been saying was that Russian agriculture is booming, they've got so much grain they're figuring on shipping a lot of it by rocket to the moon as a stockpile for the colonists they expect to have there as soon as they push the right button.

I'm afraid though that Communist farming, like any other kind, still depends on the weather. It's not always a satisfactory ar-

rangement, but hasn't anybody invented a substitute yet. Yours faithfully, J. A.

YOUR MINISTER SAYS

By Rev. Doyle W. Morton

Saint Paul said "If any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new." (II Corinthians 5:17) We are constantly seeking new worlds-geographical, mental and spiritual. We often become attached to the new because it's the latest. Paul was speaking of a new creature, not as we think of it, but because it brings freshness and power to our lives. The new call of duty challenges the person who walks day by day with Christ. The new power of love is expressed in the presence of hate. The freshness of serving others helps overcome indifference. When we are in Christ, we can see our set-backs as challenges to be Christian. There have an infinite number of sunrises, yet, we are thrilled when we see a beautiful sun-rise. It is just as thrilling to see some person who is a new creature

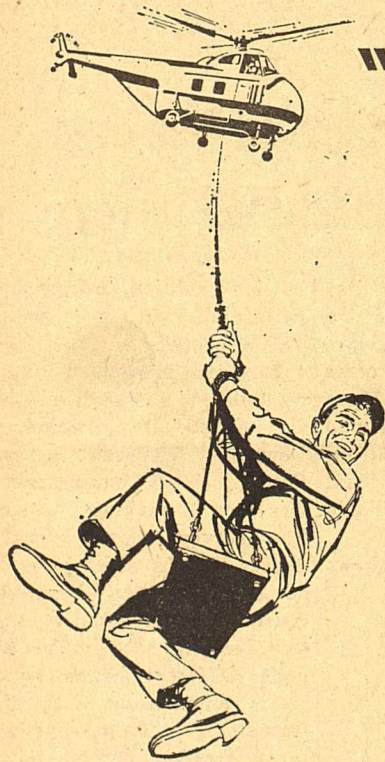

in Christ. Let us each seek to become new creatures in Christ.

The Devil's River News-Sonora, Texas, Thursday, July 7, 1960

Not only is there more to see in Texas, but Texas also provides the best avenues to get there.

Texas has more private roads than any state in the Union. Today there are 1,591 miles of superb divided concrete highways. The total will reach 2,700 by 1975.

Truly, there's more to see in Texas—and you can see it better.

Stone house over 500 years old in Texas?

Yep, in our Texas panhandle. Nope they don't build 'em like they used to any more.

These were built by the Pueblo Indians and were discovered in 1907. You can see them today just 18 miles southeast of Perryton.

thundering "Remember the Alamo", defeated the Mexican Army of Santa Anna?

Today this San Jacinto Battleground, just east of Houston, is a beautiful sight to behold.

On this "Battleground of Victory" there now stands the world's tallest stone monument. You can take an elevator up the 570-foot massive, air-conditioned, giant edifice and survey the entire battlefield.

A huge 35-foot, 220-ton "Star of Texas" rests atop the monument. It is as impressive as the majestic state it represents.

Scenic, quaint, metropolitan, recreational capital, year 'round weather—these words, true as they

are, just don't describe San Antonio adequately.

This historic city has a little of everything.

It's the home of the Alamo and has many old and famous missions.

It's America's Venice, too. You can glide down the San Antonio River that meanders through the city. Your gondola or cycleboat will take you along the same river banks where a quite Indian village once stood. You'll see beautiful semi-tropical plants and flowers. You can stop off at a sidewalk cafe for an adventure in exotic foods, too.

Better plan a long stay in San Antonio. There's so much to see that you'll never want to leave.

FATAL ACCIDENTS 6 DATE FATALITIES 6 DATE DEATHLESS DAYS

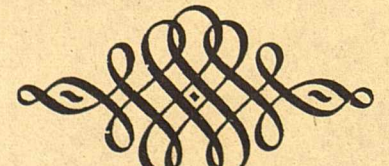

THE DEADLY TRUTH—About traffic safety in Texas in 1959 was that only one day in the whole year was free of traffic deaths. In 1958, there were five "Deathless Days" in Texas, four in 1957, five in 1956, three in 1955. If more Texans will drive in such a way that their cars are never involved in a crash which takes a human life, then Texas can record more "Deathless Days." Will YOU drive so that the Fourth of July holiday will add a "Deathless Day" to the Texas traffic calendar? (Official 1959 Texas Traffic Death Calendar Compiled by Statistical Services, Texas Department of Public Safety and Reproduced by the Governor's Highway Safety Commission, Austin, Texas.)

CBS FILMS PLANNING A new-type private-eye series, 36 Maiden Lane, starring Scott McKay as an insurance investigator and Diana van der Vlis as his secretary.

Frank Sinatra
... new series

Irwin Bazelon, who composed the score for NBC's "What Makes Sammy Run?" specials, wrote the special musical background for the series... Milton Berle has signed the papers to return to TV on a weekly basis — as emcee of NBC's expanded Jackpot Bowling show, set for Monday nights, 10:30 to 11 P.M., starting in mid-September... Spike Jones has been set as Ann Sothern's summer replacement as of Aug. 1... Singer Tony Bennett soon shoots a test film in Europe for a projected series, The World of Music, which he co-wrote with Frank Sinatra... Gene (Bat Masterson) Barry stars in "Destry Rides Again" for eight weeks in Las Vegas, starting in late July.

NBC RESCHEDULED THIS IS YOUR LIFE next fall to the Sunday night half-hour following Loretta Young... The Lawless Years returns to NBC Thursday nights at 10:30 with all new episodes. The network feels the success of ABC's The Untouchables, dealing with a similar period, might rub off on Lawless Years... Nanette Fabray will do a straight dramatic role, her first, in MGM's new feature, "Go Naked in the World"... Eddie Albert heads up a new talent scouts format starting on CBS in early August while Danny Thomas vacations for nine weeks... There's a plan afoot to film several Alfred Hitchcock Presents episodes in color for next season... Hennessey's summer replacement will be a number of unsold test films... Tonsorial note: Dwayne (Dobie Gillis) Hickman goes from blonde to brunette next season.

GINGER ROGERS HAS SIGNED A contract with 20th Century-Fox to star in every episode of a new series, the format of which has not yet been announced. Test film will be produced early this summer... Jack Benny is already in production with eight filmed shows for next season. The rest of his schedule will be divided between live and tape... Bing Crosby is planning a 90-minute special for ABC next season, "Winning of the West," featuring 20 or 30 top stars doing walk-on bits a la Mike Todd's "Around the World in 80 Days" movie. Show is budgeted at \$750,000... Crosby's first hour-long special is now set for Oct. 5... NBC plans to air a series of summer repeats of selected shows from both Sunday Showcase and Project 20... Wagon Train is now renewed and fully sponsored for its fourth cross-country trek by way of NBC.

Devil's River Philosopher Claims He Sits On His Porch Instead Of His Sprayer To Aid His Prestige

Editor's Note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River tackles international affairs this week, and probably comes out the loser.

Dear Editor:
I've got a neighbor out here who's a sorehead. Nothing ever suits him.

Take the matter of President Eisenhower's cancelled trip to Japan. He claimed riding down the main street of a world capital in an open automobile is no way to solve the world's problems, and if he wanted to talk to the Japanese Premier, send a plane over there after him and bring him to Washington, where crowds are friendly and don't sit down in the middle of the street. Or call him up on the telephone and save gas.

This neighbor doesn't understand international affairs. He doesn't understand prestige.

As I understand it, a lot of people throughout the world attach a lot of importance to prestige, and I wish I could get people in this vicinity to thinking the same way.

For example, take me. I'm constantly thinking of my prestige. Many's the time I could have been out with my sprayer, going up one fence and down another trying to kill hoarhound, but I didn't. I sat on the front porch, working on my prestige. I've got sense enough to know if I was out there in the hot sun, people driving by would say, Look at him, out there in this weather, he must be mighty hard up, things must be shaky with his financial standing, must be overdrawn.

Weren't going to catch me risking that sort of reputation. I just set aside my personal considerations and ambitions and stayed in the shade on the porch, so thinking people could say, now there's a financially secure man.

But what happens? People around here don't take the international view of things, they drive right on by and say, look at him sitting there, no wonder he has hoarhound in his wool, no wonder he can't make ends meet.

There's no hope for the world as long as it take this backward view. I've been working on my prestige for years, but haven't brought very many people around to my way of thinking. It's not my fault, it's theirs. If they don't want to operate on the international level, let 'em stay provincial.

Yours faithfully,
J. A.

Yvonne Davis, Victor Meitzen Wed In Church Rites Friday Afternoon

Miss Yvonne Davis, daughter of Mr. and Mrs. Louis Davis, became the bride of Victor C. Meitzen, son of Mr. and Mrs. Logan H. Meitzen of Anahuac, Friday afternoon, July 1. Father Godfrey Blank, O.F.M., performed the marriage ceremony and sang high mass at St. Ann's Catholic Church.

Given in marriage by her father, the bride chose a gown of pure white French chantilly lace and tulle. Hand-clipped lace edged the tiny collar and outlined the illusion shoulder line and long tapered sleeves. The waistline was elongated and pointed and the softly gathered lace overskirt cascaded a tulle panel in front and to the floor in back. The bodice and sleeves were caught with tiny satin buttons. Her veil of crystal tulle fell from a queen's cap of Alencon lace with seed pearl and mother-of-pearl sequin trim. She carried a white prayerbook topped with phalaenopsis orchids and a shower of stephanotis.

Miss Mary Davis attended her sister as maid of honor. Bridesmaids were Miss Sally Rundquist of Houston and Miss Sue Green-

hill, the bride's cousin. Flower girl was Beth Davis, sister of the bride. Their street-length dresses were of Nile green organza fashioned with scoop necklines and cap sleeves. White and green daisy embroidery accented the wide hemline. The narrow green velvet sashes terminated in flat bows and streamers to the hem. They wore wide-brimmed hats of the organza trimmed with clusters of white daisies and carried colonial bouquets of white carnations. The flower girl wore a bandeau of organza and daisies and carried a basket of white petals.

Warren Howell of Amarillo was best man and groomsmen were Don Sparks of Amarillo and Herb Cleveland of Fort Worth. Rodney Davis and Dan Eaton were ushers.

Wedding music was presented by Miss Irene Davis, sister of the bride, and Mrs. R. Q. Harris accompanied the nuptial mass.

A reception was held at the home of the bride's parents following the ceremony. The five-tiered wedding cake centered the bride's table which was laid with a cloth of white net over Nile

green. Mrs. W. L. Davis, the bride's grandmother, served the cake and Mrs. Henry Greenhill, aunt of the bride, served punch. Miss Maxine Davis, a sister of the bride, registered guests.

Other members of the house-party were Meses L. E. Johnson, Jr., Clayton Hamilton, Jack E. Mackey, Albert C. Ward, George D. Wallace, Tommy Smith, Jerry N. Shurley, Charles F. Browne and Frank P. Bond and Miss Wandá Sue Mackey.

Mrs. Meitzen is a graduate of Sonora schools and attended the University of Texas where she was a pledge of Pi Beta Phi sorority. She was a former duchess to the court of Miss Mohair, was active in national Future Homemakers Association affairs and was a member of the National Honor Society.

Her husband is salutatorian of his graduating class at Angleton High School and will receive his degree in petroleum engineering from the University of Texas in August. He was a member of Tau Beta Pi, honorary engineering fraternity, and Delta Upsilon social fraternity.

The couple will be at home in Eureka, Kansas where the bridegroom is employed as a petroleum engineer.

Junior Rodeo Scheduled Here August 19 And 20

Sonora's first annual Junior Rodeo has been scheduled for Friday and Saturday, August 19 and 20, under the sponsorship of the Sonora Park and Horse Show Association. The rodeo, approved by the American Junior Rodeo Association, will have events for both boys and girls in three age groups.

For boys aged 16 to 19 there will be tie-down calf roping, ribbon roping and steer riding. Boys aged 13 to 16 will also be eligible for these events in their age group. Boys 12 years of age and under will participate in barrel racing, pole bending and goat sacking.

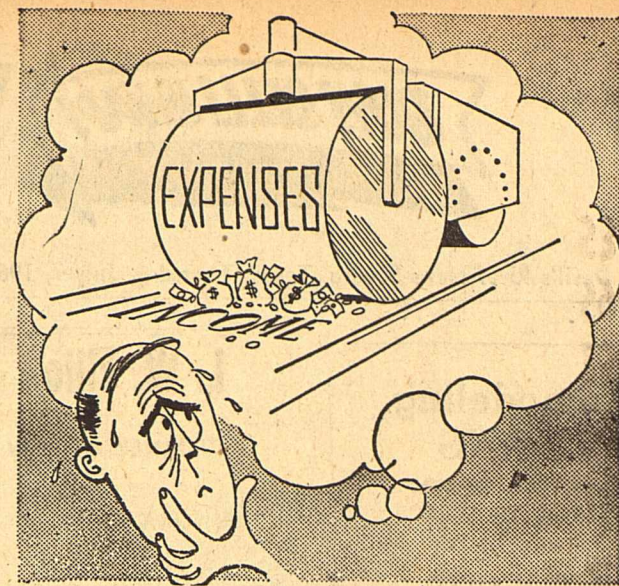

Girls events will be barrel racing and pole bending in divisions for contestants aged 12 and under, 13 to 16, and 16 to 19.

Louis Powers is chairman for the event and Howard Westfall will be head judge.

Applications are being accepted at the Sonora Chamber of Commerce office. Deadline for entering is Friday, August 12.

ATTEND BAPTIST CAMP
The Rev. Alvin Loiry accompanied seven boys to the Baptist R. A. encampment at Brownwood Monday. The group will remain through Thursday.

Assistants are Gene McCarver and Franklin Neely. Campers are Gary McGilvray, Wiley Blake-way, Al Letsinger, Jim Germany and Calvin Sanders.
