FIFTY-SECOND WEEK

Cool Front Brings Scattered Showers Ranging From Trace To 2.40 Inches

Scattered showers dotted the Sonora area Thursday, September 22, dropping moisture which varied from a trace to 2.40 inches. Most of the heavy showers occurred south and east of Sonora. Rainfall reports, collected by SCS technicians, include the following amounts:

Bobby Martin 1.00; J. A. Cauthorn 1.60 to 2.40; H. T. Espy 2.00; T. A. Morriss up to 2.40; Joe B. Ross 1.50; Travis Glasscock .9; R. A. Halbert .5 to 1.00; W. R. Cusenbary .6; Experiment Station .6 to 1.27; Fred Earwood .70 to 1.70; Jym Adamson 1.30; Sears Sentell .70; Hospital Ranch .25 to .40; Savell ranch .50.

"Rainfall has been extremely variable over the Edwards Plateau SCD this year" observed E. B. Keng, SCS conservationist. Large areas northwest, southwest and northeast of Sonora have received little or no moisture since February or March. Other areas, particularly east and southeast of Sonora have received near normal rainfall.

Leo Merrill, Ranch Experiment Station, reports that there has been more than five inches variation this year in rainfall on different parts of the Station.

With cool nights common to October and November, summer growing grasses would grow slowly, even with rain. Rainfall is badly needed, however, to green up summer grasses, start a vigorous growth of winter growing grasses, and to bring up a good stand of winter growing weeds.

NOTICE

The Band Parents Club meeting originally scheduled for Thursday night, September 29, has been postponed until next week. Exact date and time will be announced later.

District 4 Cancer Society Meeting To Be Held Here Next Tuesday

SCD Zone 2 Landowners To Meet Tuesday

Landowners in Zone 2 of the Edwards Plateau Soil Conservation District will meet at seven o'clock Tuesday night, October 4, at the Sonora Wool and Mohair Company for a barbecue and election of a district supervisor to represent their zone.

Zone 2 includes all land lying west of US Highway 277 and north of the old Juno Road. All landowners owning land in this zone and living in Sutton County will be eligible to vote. Edwin Sawyer, secretary of the board of supervisors, is the current supervisor.

Lions, PTA Honor School Faculty With Annual Barbecue Tuesday Night

A crowd of almost 200 persons were on hand Tuesday night for the annual Lions-PTA barbecue honoring members of the faculty of the Sonora Public Schools.

Delbert Downing, manager of the Midland Chamber of Commerce, was the principal speaker of the evening. Downing spoke on "Teachers Through The Ages", emphasizing the importance of understanding what makes children learn in order to teach most effectively. A very humorous speaker, Downing punctuated his talk with anecdotes in the home-spun vein.

The group assembled in the

auditorium prior to the meal. Harold Scherz led the Pledge of Allegiance and Rex W. Lowe led singing. Invocation was by the Rev. Alanson Brown.

Joe Nance, president of the Sonora Lions Club, acted as master of ceremonies and announced that next Tuesday's Lions meeting will be at the Radar Station with members to leave from the bank at 5:30.

Mrs. Herbert Fields, president of the PTA, introduced 42 faculty members and announced that the PTA meeting will be held next Tuesday afternoon. A hat style show will be on the program and the association will discuss a proposed teen canteen.

H. V. (Buzzie) Stokes, manager of the Sonora Chamber of Commerce, introduced the main speaker.

Visitors in the home of Mrs. Beulah Pfister last weekend were Mr. and Mrs. George Phillips of Berryville, Arkansas; Mr. and Mrs. J. L. Guthals of San Angelo; Mr. and Mrs. Roy Pfister and family, Mr. and Mrs. Willis Pfister and family and Mrs. E. B. Pfister, all of Fort Stockton, and Mrs. Bud Glascock and children.

Mr. and Mrs. John Alexander of Cherokee were Sonora visitors Monday.

Advances in cancer research will be the featured topic at the annual meeting of District Four of the Texas Division American Cancer Society, to be held at the First Methodist Church here Tuesday, October 4.

John T. Mallams, M.D., Associate Professor of Radiology, Southwestern Medical School, Dallas, will give a special report on current progress in the research story at the luncheon session.

During his four years with the Society, Dr. Mallams has served on the Public Education and Medi-

cal Committees of the Dallas County Unit Board of Directors and on the Public Education and on the Public Education and Tumor Clinics of the Texas Division. He also has served as the Director of the Baylor University Medical Center Tumor Clinic. As a practicing Radiologist, Dr. Mallams has had an active interest in Radiological Therapy research and has written numerous articles on this subject.

The annual meeting of the Society's volunteer workers is expected to attract more than 76 delegates from the 17 counties comprising District Four.

The all-day meeting will also feature special group sessions on the work of the Society in the areas of education, campaign and publicity, reports on the cancer control program in each of the counties and in the District, and nomination and election of three directors to represent the District on the state board of directors.

The present District Four Directors are Charles F. Browne, M.D., Durham K. Durham and Mrs. Philip Thompson. Mrs. Thompson will preside at the morning session and Dr. Browne will preside at the luncheon session.

Representatives from Coke, Concho, Crockett, Kimble, Mason, Mills, Reagan, San Saba, Schleicher, Sterling, Sutton and Upton Counties will receive awards for outstanding achievement during the 1960 Crusade, and San Saba, Sterling and Sutton Counties will receive an additional special award for exceeding their minimum shares in the Crusade for the past five consecutive years.

Invocations will be given at the morning and luncheon sessions by Rev. Alanson Brown and Rev. Allan Guthrie, both of Sonora. Charles F. Browne, M.D., will welcome the delegates to Sonora.

The special group sessions on education and on publicity will be conducted by state staff members, Miss Gertrude Linn, Director of Education and R. W. Shafer, District Two Field Representative. Dr. R. M. Cavness, San Angelo College, will serve as special consultant. The session on campaign will be led by Dudley Hafner, the Texas Division Director of Campaign.

Band To Austin In New Uniforms For Band Day

The Bronco Band of Sonora High School will be wearing their new uniforms Friday night when they give a half-time exhibition at the Sonora-Alpine game.

The band will leave early Saturday morning for Austin where they will participate in the annual Band Day at the University of Texas and see the Texas-Texas Tech game. They will return home Sunday. Accompanying them will be Mr. and Mrs. J. L. Steed, Mr. and Mrs. Frank Rhoads and one additional sponsor.

B's And Juniors To Play Del Rio Here Saturday

The "B" squad of Sonora High School will scrimmage the Eldorado "B" here at five o'clock Thursday afternoon, September 29.

They will play the Del Rio "B" here Saturday night following the Colts-Del Rio Juniors at six o'clock.

This is a change in schedule since the Colts were originally slated to play their Del Rio counterparts in Del Rio on Thursday night. The change was made in order to avoid extra travel.

Broncs Maintain Perfect Record By Downing Menard 14-6 Last Week

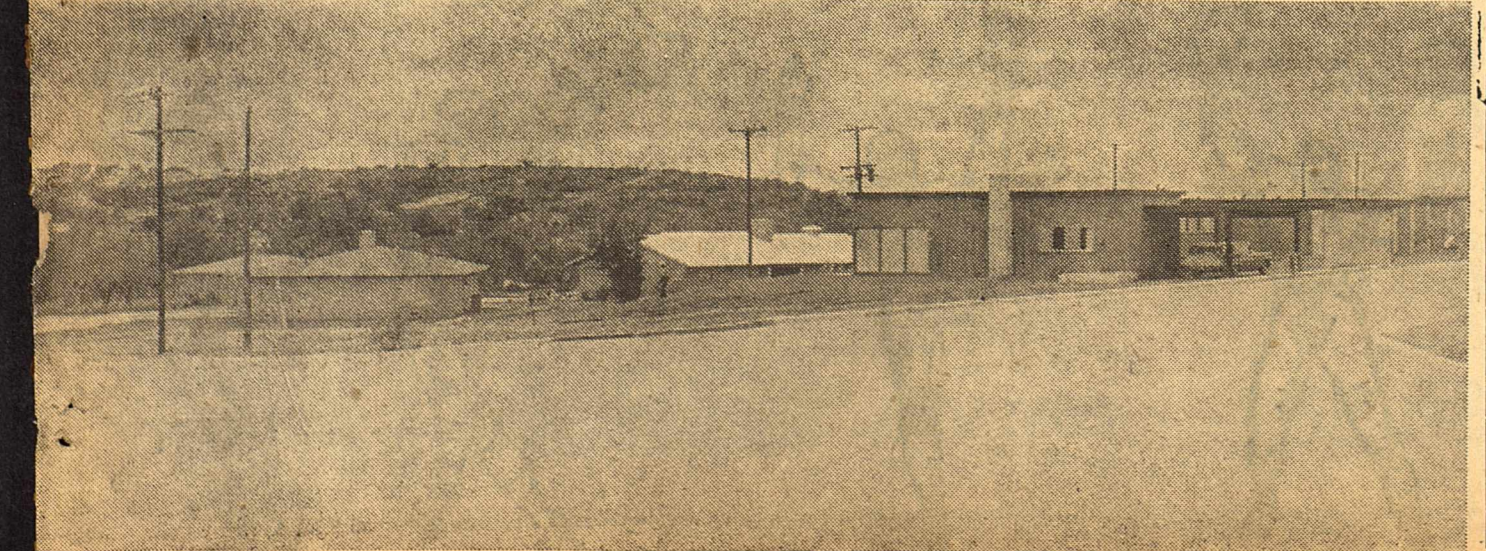

Over the goal line for the two bonus points is Herman Moore, Number 11, (right). Moore's conversion of the second touchdown against Menard Friday night gave the Broncos a 14 to 0 lead later whittled to 14 to 6. Other Broncos pictured, are left to right, Augustin Chavez, (No. 81), Jimmy Cahill (No. 63) and Lester Schmidt (No. 41).

Sonora High School's Broncos defeated the Menard Yellowjackets 14 to 6 in Menard last Friday night to take their fourth victory in as many tries this season. It was Menard's fourth loss. Fumbles were plentiful on the field with each team losing three. Pass interceptions were so a feature of the evening with Sam Castillo snagging three and

Curt Schwiening one. The first tally for the Broncos came in the first quarter with Back Lester Schmidt running off tackle for about 40 yards and across the goal stripe. The conversion try failed.

During the third period of play Bobby Sosa ran a spectacular 62 yards around left end for the second touchdown. Herman Moore

SLUGGERS END SEASON

The Sonora Sluggers finished their first baseball season with a record of 10 losses, 5 wins and 1 tie.

They will go into spring training in April 1961, according to manager Buddy Brown, who says they plan to have a far better team next year and a larger turnout of players.

Perez, Martinez, Trainer, Linthicum Split Top Money In Grid Contest

Winners in last week's football guessing contest were as follows: First Prize, \$10.00

To be divided between Milo Perez, Margot Martinez, Louie Trainer and Susy Linthicum.

Second Prize, \$7.50

To be divided between Efrain Martinez, Mrs. Herman Moore, H. V. Stokes, Lydia Martinez, Louis Perez, Pedro Galindo, Jr., Nelson Guajardo, Dick McMillan, Gus Flores and Kerry Lange.

Third Prize, \$5.00

To be divided between: Oleta Melton, Lemuel Lopez, Mrs. Pat Brown, Marciano Hernandez, Jr., Henri Berlanga, Larry Moore, Nepo Martinez, Allan Guthrie, Susan Mitschke, W. B. Moxley, Bill McGilvray, Maria S. Chavez, Charlie Haines, Chito Fierro, Harold Scherz, Isael A. Perez, Frankie SoRelle, John McClelland and Dale Ingram.

Broncs Meet Bucks Here Friday In Pre-Conference Game

The Alpine Bucks will arrive here tomorrow night to meet the Broncos in their final pre-conference game of the season. The Bucks have a season record of two losses, no wins. They lost last week's game to Van Horn 16 to 14.

The Bucks will be the bigger

team weight-wise, outweighing the Broncos about three pounds to the man. The line will be evenly matched with an average weight of 168 pounds but the Alpine backfield will have a six pound edge on the Sonora backfield. The Bucks backs average 154 to Sonora's 148.

Probable starters for Alpine will be Bart Pate and Gary Clay at ends; Richard Hale and Woody Hitchcock at tackle; Armando Leyva and Charlie Babcock at guards; Joe Molinar at center and Lee Anderson, Pete Hernandez, Manuel Payne and star Frank Bustamente in the backfield.

For the Broncos: Charlie Howell and Augustin Chavez at ends; Steve Fish and Douglas Wood at tackles; Domingo Gutierrez and Jimmy Cahill at guards; Preston Neely at center, and Primo Gonzales, Lester Schmidt, Bobby Sosa and Johnny Fields in the backfield.

Elsewhere in District 8-A this Friday night Junction will meet Sabinal, Eldorado takes on Rock-

springs, Ozona plays Rankin and Big Lake battles Coahoma.

Sutton Bond Sales Reach 29.6% Goal, Reports Neill

Savings Bonds sales in Texas increased 15 percent in August over the same period of 1959, according to a recent report by George H. (Jack) Neill, chairman of Sutton County Savings Bonds Committee.

"August Savings Bonds sales in our county were \$1,869.00. Sales for the first eight months amounted to \$23,673.00 which was 29.6 percent of our county's 1960 goal," Neill reported.

Texas bond sales for the first eight months of the year total \$105,607,518 which represents 63.8 percent of the state goal.

Odds And Ends

DON'T WORRY ABOUT SUPPER FRIDAY NIGHT, MOM! The band parents are planning to serve hamburgers, corn dogs, hot dogs, chili dogs, coffee and soft drinks.

Just relax, get your hamburgers and there won't even be any dishes to wash when you get home!

These school kids' mistakes were swiped and pass on: A spouse is a sort of spice. A parasite is what a man is called who lives in Paris. A brunette is a young bear. The Kodak is the Bible of the Mohammedans.

The Mosaic law orders us to set colored stones in our floors. False doctrines means giving the wrong medicine to the people.

Also swiped these: Girl answering telephone: "Marie isn't in just now. This is 111 pound, five foot three, blonde, blue-eyed sister." One girl to another: "Of course I wouldn't say anything about her unless I could say something good. And, oh boy, is this good."

Devil's River Philosopher Claims New Law On Disc Jockeys Offers Little Relief To Listening Public

Editor's Note: The Devil's Philosopher on his bitterweed ranch on Devil's River discusses popular music this week. We guess that's what he's doing.
Dear editor:

With the world fraught with danger, I feel sort of guilty thinking about something frivolous, but if Congress can do it, I guess I can too.

What I'm talking about is a new bill passed by the last session of Congress and just signed by President Eisenhower making it against the federal law for a radio disc jockey to accept under-cover pay to play a phonograph record over the air.

When I first read this article hurriedly, I thought it meant it was now against the law to play

some of these so-called popular records over the air, and I thought, well, now, Congress is making progress, but when I read it closely I discovered it's still perfectly all right to play the things, just so the record-maker or the songwriter or the publishing company doesn't pay you something extra to do it.

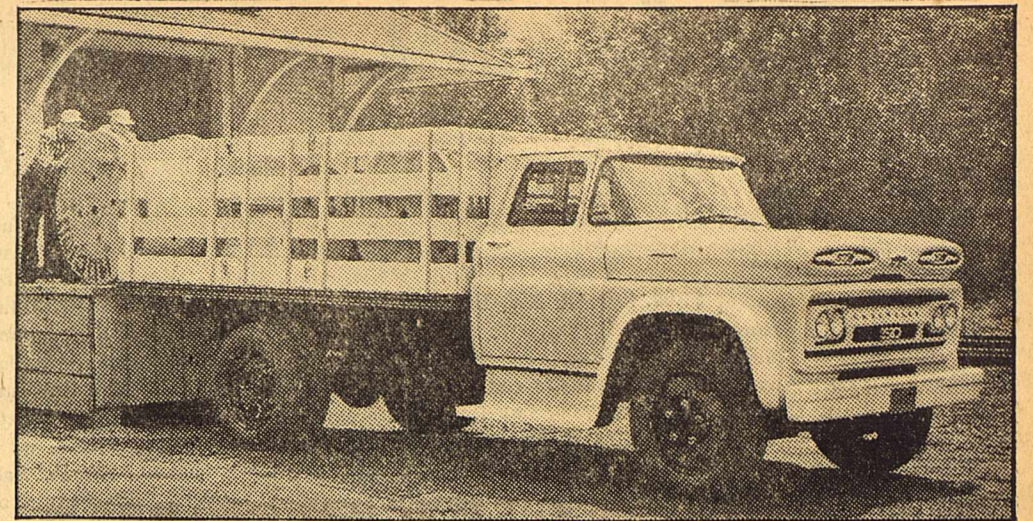

This is not what I call progress. I didn't think the crime was in playing them in the first place, but that's not the way Congress voted. You can still get off scott-free for playing them, provided you do it for nothing.

Congress missed the boat. What it needs is a bill making it against the law to put a nickel in a juke box if what's going

to come out comes out, if you follow me. On the radio, you can turn the thing off while the guitar player hollers for his lost love, but in a cafe, you're stuck.

On the other hand, a lot of people must like these records, and who am I to disagree with them? I don't know any more about music than I do foreign affairs. All I know is that if I was a disc jockey, I'd sure want some extra money to play some of that music over and over, day after day.

Yours faithfully,
J. A.

Continuation of the highly successful suspension system introduced last year, moderate front style changes, and refinements in chassis and cabs mark the 1961 Chevrolet truck line. Proved by one full year of customer use, the suspension features independent front springing with torsion bars and rear coil or variable rate springs. Cab improvements include a smaller floor tunnel in some models for increased leg and foot room, and an optional six-inch thick foam rubber seat.

YOUR MINISTER SAYS

By Rev. Alvin Loiry
There is much speculation and discussion today relative to the proper perspective of the spiritual versus the secular. The question which arises finally is one that asks whether there can be a clearly defined cleavage. In basic principle there are certain fundamental spiritual concepts which claim man's first allegiance. Jesus stated this truth as he admonished his hearers to seek first the kingdom of God (Matt. 6:33). Again he taught his hearers that man has a dual responsibility and allegiance. He specifically taught that man was to honor secular authority while at the same time he was to honor God. This he states as he made the statement concerning our rendering unto Caesar (secular responsibility) that which is Caesar's, and unto God (spiritual responsibility) that which is God's (Matt. 22:21).

I am quite certain that there is not much danger of an over-emphasis of the spiritual to the detriment of the secular. However, I have observed that secular matters quite often are given precedence over spiritual matters. For an individual to do this is an invitation to spiritual disaster. While fleeing religious

indoctrination we support and practice another indoctrination which implies that God does not exist—Jesus Christ does not really matter. You may vehemently deny such a charge, but such a charge is true and substantiated by Jesus himself. Jesus taught that the individual who was not with him was against him and that he that gathereth not with him scattereth abroad (Luke 11:23).

The answer to the question which poses the proper perspective relative to spiritual and secular matters must be found from the experience and testimony of God and history. Both history and the Bible verify the truth that righteousness does exalt a nation and that sin is a reproach upon any people (Proverbs 14:34). The roll call of nations that chose the secular over the spiritual is a roll call of fallen powers. The approach to the proper fulfillment of this dual responsibility is an individual matter. Let us seek to find and honor God with all the heart, soul, mind and strength and our neighbor as ourselves. Let us also realize that secular powers that be are ordained of God and minister for God. Savour all of your judgments with prayer and faith toward God.

Clean Heaters Before Winter, Warns Martin

City Fire Marshal John A. Martin, Jr., this week issued the following reminder to citizens:

"Winter is just around the corner and we will soon need to start our heating systems for the cold season ahead. Let's all clean and check them before firing up. A dirty heater is a fire hazard and millions of dollars and thousands of lives have been lost each year in the nation by people not taking this precaution. "Protect your homes by being careful and clean."

Mr. and Mrs. J. R. Tedford, Sr., of Dallas spent last weekend here visiting their son and family, Mr. and Mrs. John R. Tedford, Jr., and Gregg.

Mr. and Mrs. J. T. Penick spent last weekend in Dallas visiting Mrs. Penick's brothers and wives, Mr. and Mrs. W. B. Hardy and Mr. and Mrs. W. H. Hardy, and in Terrell where they visited her sister in law, Mrs. J. B. Hardy.

Mr. and Mrs. T. L. Harrison have returned from a vacation trip to Overton where they visited Mrs. Harrison's sister, Mrs. C. S. Sutherland and to Temple to visit Harrison's sister, Mrs. B. D. Carter.

vice-president; Cindy Lambert, secretary, and Gary Hardgrave, treasurer.

Seventh Grade, Mr. Walker: Eddie Howell, president; Mickey Hardegree, vice-president, and Janie Letsinger, secretary-treasurer.

PRESBYTERIAN WOMEN MEET TO ORGANIZE

The women of the Church of the Good Shepherd, Presbyterian U.S., met in the home of Mrs. John Cauthorn last Wednesday night to determine the interest in organization of a Women of the Church group. It was decided to hold monthly meetings the second Wednesday evening of each month in the church parlor.

Purpose of the Women of the Church will be to support the work of the church in the way that women are especially suited and to help the women of the church to grow spiritually through regular Bible study.

Officers named were president, Mrs. John Cauthorn; Vice-President and hostess chairman, Mrs. J. W. Neville; Secretary-Treasurer, Mrs. Ruth Leiper; Bible Study Chairman, Mrs. Ralph J. Finklea.

Congratulations To These New Parents

Mr. and Mrs. Bill Ratliff of Fort Worth have announced the birth of a daughter, Sara Elisabeth, born August 15 in Fort Worth and weighing 8 pounds, 1 ounce.

Grandparents are Mr. and Mrs. J. T. Ratliff of Eldorado and Mr. and Mrs. Bob M. Sandlin of Mount Pleasant.

Mr. and Mrs. George Joseph of El Paso have announced the birth of a daughter, Reiley Denise, at Providence Memorial Hospital, El Paso, September 9. The baby weighed seven pounds.

She is welcomed by a sister, Georgette, a year and a half old. Mr. and Mrs. John Reiley of Sonora and Mr. and Mrs. Michael Joseph of El Paso are her grandparents. Mrs. C. D. Wyatt of Sonora is her great-grandmother.

Mrs. Clayton Bray of Fort Worth is visiting here with her mother, Mrs. Sam Hull.

School Receives 50-Star Flag As Gift Of Brownes

Students at Sonora High School last week received a new 50-star United States flag as a gift from Dr. and Mrs. Charles F. Browne. Official acceptance of the gift took place during the morning activity period Friday, September 23 with Johnny Fields and Jimmy Cahill, co-presidents of the Student Council, giving the Pledge of Allegiance and the invocation.

Student Council vice-president Johnny Morris introduced Dr. Browne who made the presentation and made a short talk on the U. S. flag. Explorer Scouts Adrian McCoy and Charlie Smith lowered the old 48-star flag and Dr. Browne raised the new flag while the band played "The Star-Spangled Banner".

Lt. Col. Sharp Assigned To Randolph AFB

Lt. Col. Savell L. Sharp, son of Mrs. Annie Sharp of Sonora, has been assigned to Air Training Command headquarters, Randolph Air Force Base, Texas. He was transferred from Peppercell AFB, Newfoundland.

Assigned to the office of the Deputy Chief of Staff for Plans, Programs and Operations Services, the colonel is serving at the headquarters of one of the nation's largest air commands. ATC operates 25 bases throughout the country and recruits and trains personnel for America's Aerospace Force.

Col. Sharp, a native of Sonora, received his bachelor of science degree in industrial education at Sul Ross State Teachers College, Alpine, in 1939. He entered U.S. military service as an aviation cadet in December 1940. He was commissioned a second lieutenant upon completion of pilot training at Stockton, California, in August 1941.

During World War II, Col. Sharp flew 240 combat hours as a B-25 pilot in the Asiatic-Pacific Theater of Operation.

HERE! '61 CHEVY TRUCKS

WITH WORK-PROVED
INDEPENDENT FRONT SUSPENSION!

Chevy's '61 fleet swings in with a ready-made reputation as the trucks that are worth more because they work more... the latest editions of the haulers that scrapped the I-beam axle and proved the important advantages of independent front suspension!

You'll find new models for '61—long-wheelbase 4-wheel drive units—and thoughtful refinements throughout the line. But the big news for '61 is nailed-down proof (based on owner reports) that Chevy's torsion-spring design is the best thing that's happened to trucks in decades!

With Chevy's independent front suspension and Sturdi-Bilt design, you cruise over trails where other trucks creep. You feel the difference in less wheel fight and vibration. You can see why drivers are happier, why loads are better protected and why the truck itself will stand up to thousands of miles of more work. That goes for any size Chevy, too—pickups, tilt cabs, tandems, all of them.

Check the latest specs with your Chevrolet dealer: capacity, power teams, options. Then, by all means, drive a '61. Once around the block and you'll never be satisfied with a front axle truck again!

WORTH MORE BECAUSE THEY WORK MORE!

Devil's River Philosopher Not Sure He Can Vote Right Enough To Keep World From Collapsing

Editor's Note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River ponders a serious matter this week, his letter reveals. He'll probably get over it.
Dear editor:

There's one thing about history that I've never been able to understand. Well, that's just a manner of saying it, actually there are thousands of things about history I've never understood, and even more I don't even know about, but the thing that I'm referring to now is this:

How is it that a fateful crossroads in history always looms up simultaneously with a Presidential election?

As long as I can remember, I can't recall a time when, every fourth year along in September, the fate of the world wasn't considered to be hanging on the outcome of the election in November.

I don't understand how this comes about, but it does, and what is even more surprising is how the American people always seem to make the right choice. At least they always must have, as so far the world never has collapsed yet after an election in the United States. When I haven't had anything else to do, I've often sat and pondered what would have happened to the

usually bright and charming and the boys were at their best and equal to the occasion. Anyone who has danced in this hall on a pleasant night, can easily imagine what a delightful time the participants had.

April 14, 1894

world if all the defeated candidates for President had been elected and the successful ones had been defeated. I figure the world would have collapsed fifteen or twenty elections ago, but it could have continued to collapse every four years thereafter, is a puzzling thought.

Understand, I'm not belittling the importance of the Presidential race, but I sometimes think the candidates and their supporters get a little out of touch with reality. The world is not nearly as collapsible as some people think.

These are critical times all right, and something ought to be done about it, but so far I haven't been able to find anybody who knows exactly what.

For example, take Cuba and Castro. Up to now, the only thing I've read about the Cuban situation that any expert cares to go on record with is this: The United States takes a very serious view of the Cuban situation.

The only trouble with this is that Castro doesn't seem to take a very serious view of our serious view. This makes the situation even more serious, but no nearer solution. Or take the Congo, or China, etc.

I will do my best in November to keep the world from collapsing when I go to vote, but it's an awful responsibility to put on my shoulders, and I may not have the materials to do it with.

Yours faithfully,
J. A.

STATE FAIR 'SHOWER OF STARS'

Nelson Eddy, Gale Sherwood, Fabian

Brenda Lee, Emmett Kelly, Jimmie Rodgers

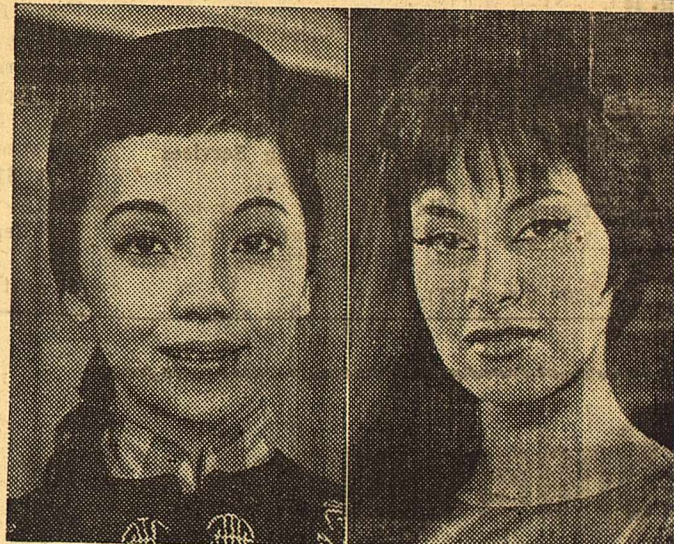

Popular entertainers to be featured on the 1960 State Fair of Texas Diamond Jubilee "Shower of Stars" include: Movie Star Nelson Eddy with Gale Sherwood Monday, Oct. 10; teen-age idols Fabian and Brenda Lee Thursday, Oct. 13; world-famous circus clown Emmett Kelly Friday, Oct. 14, and recording star Jimmie Rodgers Tuesday, Oct. 18. All will appear in the Cotton Bowl.

Antique Dolls To Be Shown At Fair

A fabulous collection of antique dolls will be exhibited in the Women's Building during the 1960 State Fair of Texas, Oct. 8-23. Here Miss Opal Wallace of Dallas shows off some of the dolls from her collection, which is valued at \$3,000 and includes over 200 dolls.

Stars Of 'Flower Drum Song'

Cely Carrillo and Elaine Dunn have starring roles in the production of "Flower Drum Song" at the 1960 State Fair of Texas. The show runs Oct. 7-22. Miss Carrillo plays the unspoiled, naive "picture bride" from China and Miss Dunn is the brash American-born night club entertainer in the Rodgers and Hammerstein musical hit.

Announcing the 1961 Ford...

Beautifully proportioned to the

**CLASSIC
FORD
LOOK**

An honor to be proud of, this is the medal presented by the international fashion authority, Centro per L'Alta Moda Italiana, to the 1961 Ford for functional expression of classic beauty.

The 1961 Ford Galaxie Club Victoria—beautifully built to take care of people

BEAUTIFULLY BUILT TO TAKE CARE OF ITSELF

The 1961 Ford introduces a whole new concept of what a car can do for you... and for itself!

It lubricates itself. New nylon bearings and a newly developed lubricant keep the '61 Ford freshly greased for 30,000 miles. It cleans its own oil. The 1961 Ford's Full-Flow oil filter lets you go 4,000 miles between oil changes.

It adjusts its own brakes. A "mechanical brain" keeps brakes adjusted for the life of the lining.

Rust? Ford's body is specially processed to resist corrosion, even to galvanizing body panels beneath doors.

Ford takes care of itself on the turnpike, too, with a new 390-cu. in. Thunderbird Special V-8 that has all the punch you'll ever need. The 352 Thunderbird Special V-8 and 292 Thunderbird V-8 thrive on regular gas. And, for top economy, you can choose the '61 Mileage Maker Six.

This is the 1961 Ford... beautifully proportioned to the Classic Ford Look... beautifully built to take care of itself.

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF

LUBRICATES ITSELF. You'll normally go 30,000 miles without a chassis lubrication.

CLEANS ITS OWN OIL. You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter.

ADJUSTS ITS OWN BRAKES. New Truck Size brakes adjust themselves automatically.

GUARDS ITS OWN MUFFLER. Ford

mufflers are double-wrapped and aluminized—normally will last three times as long as ordinary mufflers.

PROTECTS ITS OWN BODY. All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing body panels beneath doors.

TAKES CARE OF ITS OWN FINISH. New Diamond Lustre Finish never needs wax.

Company?

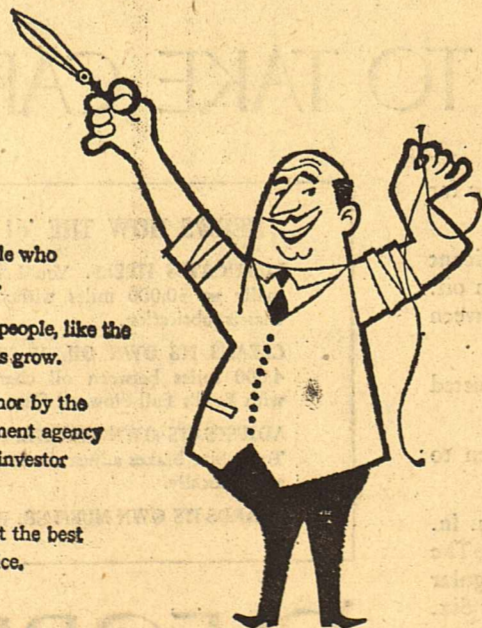

"I do...
it's part of
my investments"

The Tailor is just one of the many people who own the West Texas Utilities Company.

We are owned by people. Thousands of people, like the Tailor, who invest their money to help us grow.

We are not owned or run by the city... nor by the state either. Not by any kind of government agency or co-operative. We are an independent investor owned business.

This is an important reason why you get the best possible electric service at such a low price.

A Flameless Electric Range means a cool clean Kitchen this summer. Economical too... for less than 3¢ the average family served by WTU can cook a complete meal the modern electric way. Ask us about FREE WIRING for your new electric range.
