The Devil's River News-Sonora, Texas, Thursday, January 12, 1961

SIXTEENTH WEEK

Jan. Already One Of Wettest With Rains Up To 3.50

Rainfall again made big news in Sonora and surrounding areas last week, when rains on Friday and Saturday left from 1.5 to 3.5 inches in rangelands.

The slow rain soaked into the soil, and hillsides were seeping moisture. Rainfall already received makes the current month one of the five wettest January's on record. Following good December moisture ranchmen are looking forward to a good spring.

Representative rainfall reports gathered by E. B. Keng, SCS include George Wallace 2.00; W. B. McMillan (Edwards Co.) 3.00-Schleicher Co. 3.50; Jack Turney 3.00; J. A. Cauthorn 2.30; A. A. Moore 1.90-2.20; Harold Friess 2.00; Travis Glasscock 3.50; Vestal Askew 2.20; Sonora Woolhouse 2.10.

Joe Logan 2.60; Thomas Morris 2.20; Frank Bond 1.80-2.90; Jo Hardgrave 2.30; Bill Stewart 1.75; W. F. Berger home 2.05-O'Leary 2.20; Shurley Bros. 3.50; George Brockman 1.52; Edgar Shurley 2.35; Tom Davis 2.63; Herbert Fields 1.54 and Ben Mittel 1.80.

A Soil Conservation Service rain gage on the Herbert Fields ranch received 12.89 for 1960; Jo

Hardgrave measured 15.10; and Bill Stewart received 22.00.

The heavy rains have slowed progress on the three flood prevention dams under construction, but all are expected to be completed before flood producing rains normally fall. Site 4 on the Ben Mittel ranch should be completed by February 1; Site 2 on the R. D. Johnson ranch by March 15; and Site 3 on the Mittel ranch should be finished in April. Sites 1 and 4 are nearly completed now and would give maximum protection in event of a flood.

Odds And Ends

Basketball season is in full swing now and conference play starts for the Broncos this Friday night. They'll be taking on the Junction Eagles and the game should really be a thriller. These two teams met at the Big Lake tournament and it took some overtime play before the Broncos finally downed the Eagles.

Oliver West is finishing up the ground work for the Junior High basketball tournament and it promises to be the best yet.

Mid-term exams in high school have kept family schedules somewhat more "flexible" this week.

4-H Livestock Show and Sale come off Saturday, January 21. It's the first time Clint Langford and his 4-H'ers haven't had to worry about the weather keeping folks at home. With the new 4-H building they're set up come rain, snow, sleet, or sunshine.

That far-away look in the eyes of businessmen last week meant they were taking inventory. Almost everybody has finished.

We swiped this out of the "Texas Outlook", the magazine published by the Texas State Teachers' Association:

Two Hollywood film producers were making a war epic and decided to use armies of extras for the battle scenes, 5,000 men on one side and 4,000 on the other.

"That's colossal," said the first producer. "But when the shooting is finished, we have to pay 9,000 men. How about that?"

"A cinch," answered the second producer. "In the last battle we use real bullets."

Mr. and Mrs. Alfred Schwiening were honored Sunday afternoon, January 1 with an open house in observance of their 50th wedding anniversary December 30.

PTA Dads Hear Civil Defense Talk At Tuesday Night Men's Meeting

Approximately 70 men attended a civil defense meeting Tuesday evening and heard Ralph Mock, Texas Education Agency representative from Austin, outline some of the dangers of radioactive fallout from atomic and hydrogen bombs.

Mock pointed out that blast and heat from a hydrogen bomb would kill or inflict severe flesh burns within a radius of about 30 miles from the center. Unless proper precautions are taken, radioactive fallout can kill half the people up to 175 miles downwind from the blast.

He emphasized that proper shelters should be constructed and complete food, water and sanitary facilities provided to maintain each family for two weeks. The radioactive fallout from a bomb

gradually subsides, but approximately two weeks is needed before a person can safely leave a shelter for even a short period of time.

In the question and answer period following Mock's talk, it was emphasized that Sonora should revitalize its defense organization to be ready for a natural disaster or an enemy attack. It was pointed out that Sonora is in the Bexar County "Escapee Area". R. M. McCarver, who invited Mock to speak here, and Boyd W. Lovelace answered questions pertinent to civil defense.

Pie and coffee were served to guests by the Sonora PTA which sponsored the meeting. Ralph J. Finklea served as master of ceremonies.

CORRECTION

In last week's paper an account of the death of Mrs. Bell Brady gave an erroneous date. Mrs. Brady, mother of Mrs. Bob Behrens of Sonora, died December 23 and funeral services were held in Arkansas on December 25, instead of January 1.

The Devil's River News regrets the error and extends apologies for the error.

Services For C. W. Wardlaw Held Wednesday

Funeral services for C. W. (Dink) Wardlaw, 46, prominent Del Rio rancher and warehouseman, were held Wednesday afternoon, January 11, at the First Methodist Church of Del Rio. Wardlaw died at Hudepeth Memorial Hospital here Tuesday afternoon, January 10, after being stricken with a heart attack near Sonora as he was en route to Ballinger to attend the funeral of an uncle.

The son of Mrs. L. S. Wardlaw of Del Rio and the late Mr. Wardlaw, he would have been named to the presidency of the Texas Sheep and Goat Raisers' Association later this year.

He is survived by his wife; his mother; three daughters, Nan,

4th Annual Junior High Cage Tourney Scheduled For January 28-28 Here

Sonora's fourth annual Junior High School Basketball Tournament is scheduled for Thursday, Friday and Saturday, January 26, 27, 28 this year, according to Oliver West, tournament director.

Eleven teams will participate in this year's tournament. Entries are Lee, Edison and Lakeview of San Angelo, Big Lake, Iraan, Del Rio, Menard, Junction, Eldorado, Ozona and host Sonora.

Ozona is the defending champion. Second and third places in last year's event went to Lee of San Angelo and Lakeview of San Angelo. Del Rio was the champion in 1958, first year of the tournament, and Lee of San Angelo copped the crown in 1959.

Team trophies will be awarded championship, second place, consolation and fourth place teams. Eight all-tournament player trophies will be awarded and one outstanding all-tournament trophy. Coaches awards will also be presented this year. Sponsors for the tournament are the seventh and eighth grades.

Tickets will go on sale Monday at \$2.00 for the entire tournament or 50 cents per session. The current schedule calls for six sessions. Finals will be held Saturday night, January 28, with the consolation match slated for seven o'clock and the championship bout for eight o'clock.

LIONS ROAR

A movie "In Your Defense" was shown to members of the Sonora Lions Club at their regular Tuesday luncheon at the Methodist Church this week. Doyle Graham of Lubbock was a guest.

Announcement was made of the district basketball game to be played with Junction here Friday night. Lions were also reminded of the PTA men's night Tuesday night.

WHITSITT LEAVING

Howell Whitsitt, range conservationist with the Soil Conservation Service here for the past two years, has resigned to accept a position with a San Angelo real estate firm.

Linda and Mimi; a son, Martin; two sisters, Mrs. Lyster Brumley and Mrs. Lloyd Carter of Del Rio, and one brother, W. H. Wardlaw of Del Rio.

SHS Places 3 In All-State Band To Top Entries

Sonora High School placed more students in All-State Band than any other school in Region II at Saturday's regional band competition in Abilene last weekend.

Only five schools in this region had students to qualify for the event. San Angelo qualified two, Snyder one, Coleman one, Winters one and Sonora three.

First chair first clarinet, Alice Lee Duncan third chair first Jo Bess VanderStucken rated clarinet and Ronnie Cox first chair contra-bass clarinet.

Also placing in All-Region Band but not all-state was Barbara Holland, an eighth grader, placing 14th chair out of approximately 100 players.

Broncos To Meet Junction Here In District Cage Opener Friday

The Sonora Broncos entered the Big Lake tournament the past weekend and made it to the consolation finals. This 24-team tournament is one of the largest in West Texas. Fort Stockton won the tournament this year by defeating Big Lake in the finals Saturday night.

For the consolation championship Lakeview beat Sonora in a double overtime. The final score was 43-45. With seven seconds to go in the game, Gene West stole the ball and passed to Primo Gonzales for two points which sent the game into the first overtime. The Broncos had a chance to win the game with a last second shot

in the first overtime, but the shot was missed. The second overtime was a sudden death affair which means that the first team to score two points wins the game. Again the Broncos had a chance to win. Sonora controlled the tip and worked for one shot. The shot rimmed the basket and Lakeview controlled the rebound. The taller Chiefs shot the ball three times, rebounding each time, and finally made the game-winning basket. It was a hard game for the Broncos to lose.

This was not the only close game for Sonora in the tournament. In all Sonora played five games. Monahans defeated them

the first game by a score of 52 to 34. The Sonora defeated Stanton, Junction and Coahoma before bowing to Lakeview in the finals. The Broncos beat Stanton 40 to 36 Friday morning. Friday night they defeated Junction in an overtime game. Final score in the game was 49 to 46. In this game Primo Gonzales score 14 points, Gene West 11, and Bob Nevill played his best game of the season and scored 13 points. In the overtime Nevill scored two free throws to put the game on ice. Saturday morning the Broncos played their best game of the tournament and beat Coahoma 55 to 51. Gene West played an

outstanding game and scored 30 points in the game.

The Broncos next game will be here in Sonora Friday night against the Junction Eagles. This is the first district game of the season. It should be a good one since the Broncos just edged them in an overtime at the tournament. From the results of the Big Lake tournament, Big Lake seems to be the team to beat for district honors. The Owls looked very strong and balanced during the meet. They went to the finals before losing to a big Fort Stockton team. The Ozona team also looked strong.

Precipitation for Jan. 1961, 1.90.

FIRE MONDAY NOON RESULTS IN NO DAMAGE

Sonora firemen answered a call about noon Monday, January 10. The fire, which did no appreciable damage, was in the service garage of J & S Motors.

The fire resulted from a broken fuel line in a truck which was being repaired. Gasoline leaking from the broken line ignited, causing the fire which was quickly controlled.

County Officials Take Oath At Monday Meeting

New county officials were sworn in to office by Clerk F. L. McKinney at Monday's meeting of the County Commissioners Court. Sworn in were County Attorney Jerry N. Shurley; County Treasurer Mrs. B. W. Hutcherson; Constable Precinct 1, W. C. Bricker, Sr.; Travis E. Glasscock, commissioner Precinct 1, and Estes Adams, commissioner Precinct 3.

Other members of the Court present were County Judge J. W. Elliott and Commissioners Collier Shurley and R. L. Hardgrave. Aside from swearing in new officials, only routine business was transacted.

Sheep, Lambs, Wool Increase In Texas Says Article

Texas sheep, lambs and wool are again on the increase, according to an article by Fredolin Kaderli, research associate with the Bureau of Business Research of the University of Texas.

In his article, Kaderli says that Texas is the largest sheep and lamb producing state in the nation. At the beginning of 1960, there were approximately 6,074,000 sheep and lambs valued at \$87,727,000 on farms and ranches in the state according to the Texas Crop and Livestock Reporting Service. The percentage of sheep and lambs on Texas farms and ranches in relation to the United States total has shown a steady increase since

1957. Previous to that, sheep and lamb numbers had been decreasing in the state due to the prolonged drought conditions that prevailed over Texas for several years. In January 1957, the 4.7 million sheep and lambs in Texas constituted approximately 15.4 percent of the U.S. total and were roughly twice that of California, the next largest sheep state. At the beginning of 1960, the 6,074,000 sheep and lambs on farms and ranches in Texas constituted about 18 percent of the 33,621,000 sheep and lambs in the nation as a whole.

In July 1960, the Texas lamb crop (including lambs born in the spring of '60 plus a few the previous winter) totaled 3,167,000 head. This was up five percent from the like 1959 period and was the largest lamb crop since 1950.

The increase in sheep numbers has meant greater wool production. A recent survey conducted by the Texas Wool and Mohair Warehouseman's Association indicated that Texas wool growers increased their 1960 yield 17.0 percent over 1959 but their income from this year's clip won't average the 50 cents per pound

14th 4-H Show And Sale To Be Held Here Jan. 21

By D. C. Langford

The 14th annual Sutton County 4-H Livestock Show and Sale will be held at the 4-H Club Center Saturday, January 21.

4-H members will exhibit 130 fat lambs, 36 registered breeding sheep, 30 commercial ewe lambs, six commercial ram lambs and eight steers.

Vernon Jones, manager of the YO ranch at Mountain Home, will judge the breeding sheep and Wm. (Dub) Day, county agent from Rankin, will judge fat steers and fat lambs. W. G. Godwin, county agent from Eldorado, will judge showmanship and sift show animals.

The show schedule will be as follows: Breeding sheep show, 8:00 a.m.; Fat lamb show 9:30 a.m.; Free Barbecue 12:00 noon; Fat steer show 1:00 p.m.; Sale 2:00 p.m.; and presentation of awards 3:00 p.m.

The entire show and sale will be held inside the new 4-H Center which is heated so that everyone can enjoy the show regardless of the weather.

The 4-H Club sincerely hopes that everyone will come out and see the first show to be held in its new building which has been made possible through the generous contributions of the people of Sonora and the surrounding area.

The Devil's River Philosopher Differs With Neighbor Who Finds Outlook For New Year On The Gloomy Side

Editor's Note: The Devil's River Philosopher on his bitterweed ranch on Devil's River sounds an optimistic note for the new year, his letter this week reveals. This may be cause for worry.

Dear editor:
With a new year at hand, I stopped by a neighbor's house to wish him a happy new year and borrow a pipe wrench, but he didn't seem in the mood for either one.

Said he'd been reading the papers lately during the holidays and watching television and had about come to the conclusion the world's not going to make it.

"Russia is arming to the teeth" he said, "Cuba is joining up with the Communists, France is having all kinds of trouble, the Middle East is always having trouble, there's all kinds of trouble in Africa, Germany is divided in half, the United States

HIGH LIGHTS AND SIDELIGHTS FROM THE STATE CAPITOL

By Vern Sanford
Texas Press Association

Texas motorists soon will be "seeing red" when they approach highway construction projects. State Highway Department announced that the signalmen who direct traffic around construction projects will start wearing fluorescent red nylon vests and waving flags of the same bright material. Use of the new material has been adopted as an additional safety measure since it will be more visible, day and night. At night, flares will be used also.

Same signals will be used by the flagmen. Flag-holding arm fully extended horizontally means "stop." Movement of the flagman's free arm means "proceed."

LAKE SUCCEEDS STEAKLEY—P. Frank Lake is new secretary of state, succeeding Zollie Steakley.

Steakley was appointed associate justice of the State Supreme Court.

Lake served as assistant secretary of state under Steakley for the past four years. An attorney, he formerly lived in Tyler. He is a lieutenant colonel in the Marine Corps Reserve, retired; married and the father of four children.

POLL TAXES DUE—Texans have until January 31 to pay the poll tax that will enable them to vote in 1961 elections.

Despite 1961's being an off-year, a major election will be held this year. U. S. Senator Lyndon B. Johnson ended his 12 year career in the Senate by submitting his resignation to Gov. Price Daniel on the opening day

of Congress.

Daniel appointed William A. Blakley of Dallas to serve until a successor is elected this spring. A special election to fill the office for the remainder of the term will be held April 4. If no candidate receives a majority in the first election, a run off will be held from 30 to 40 days later.

In the last special senatorial election in April, 1957, there were 23 candidates. Same sort of crowded field is expected this year with enough activity to give every poll tax payer his \$1.75 worth.

INAUGURATION CEREMONY—Tuesday, January 17, Gov. Price Daniel and Lt. Gov. Ben Ramsey will be inaugurated. Since it is a third term for Governor Daniel and a sixth for Lieutenant Governor Ramsey, it will be "one of the simplest inaugurations in years," according to the Governor's office. No parade is planned.

NEW INSURANCE CHAIRMAN—Former Dist. Judge Thomas C. Ferguson of Burnet has been named chairman of the State Insurance Board by Governor Daniel.

Ferguson succeeds another district judge, Penn J. Jackson, who has returned to his bench in Cleburne.

New board chairman is also a former newspaperman, deputy district clerk, member of the Texas House of Representatives, mayor of Burnet and county judge. As he begins his service on the Insurance Board, one of the most pressing problems before it is whether to revise auto insurance rates.

The Devil's River Philosopher Feels Both Man And Insects Will Stay Around, Despite The Big Odds

Editor's Note: The Devil's River Philosopher on his bitterweed ranch on Devil's River strikes a confident note this week, or at least it sounds like it.

Dear editor:
Here 1961 is barely underway and already the experts are predicting mournful things for the new year.

For example, according to an article I read last night in a section of a newspaper I had left over after I got through wrapping some Christmas presents in the rest of it, the world now has enough atomic bombs to wipe itself out four or five times. The United States has 50,000 more atomic bombing ability now than it had when it dropped that first bomb on Hiroshima, Russia has an untold amount of the things, France set off its first bombs just the other day, England has quite a few bombs it, borrowed from us, Red China is expected to have the bomb before long, and possibly five or six other countries.

One expert added that sooner or later, some of these bombs are going off, and not for practice, and when some go off, a lot more will follow. He said the human race couldn't stand it.

Well, I'm not going to predict the future of the world, not when I can't even predict the future of this bitterweed ranch for longer than three months at a time, although whatever confidence I have is based on the assumption the world is better off than this place, yet I don't share the gloom of this expert.

You take insects, for example. I'm not sure that science will

support me when I say people are as smart as insects, but they may be, and if they are, I believe they'll survive. What I mean is, man has been fighting insects for years, and if the insects could read, they'd find out that man now has enough insecticides stockpiled to wipe out all of them, but if the insect population is any less today than it was 50 years ago, I can't tell it. The more you fight them, the stronger they come back.

On the other hand, man may not be as smart as the insects, and with all those atom bombs stockpiled, somebody better keep his fingers crossed.

None the less, I predict me and the Devil's River News both will be on hand a year from now, or at least one of us, and a fifty-fifty chance is anybody can ask.

Yours faithfully,
J. A.

Mrs. Bradford Henley has returned to her home in Hubbard after a two-week visit here with her parents and sister, Mr. and Mrs. G. T. Rode and Gail.

is running short of gold and half our missiles won't fly, looks like people are always at each other's throats and I don't see much hope for the world."

I didn't argue with him, but all this proves is that reading the newspapers only once in a while will ruin a man. You've got to read em every day for years to understand that things are normal. You drop in on the world, so to speak, for a few days at a time in between long sessions of plowing and naturally you're in no mood for being wished a happy new year or asked to lend a pipe wrench.

Out of years of reading about the world, I'd like to point out that its present shape is not much different from what it was last year, the year before, last decade, the decade before, and on back to the time Caesar was writing Latin books for school children. The world has always been in trouble, one way or another, the same as you and me.

The prospects for 1961 are no worse than, and just as good as, the prospects were for 1960, 1959, or any other year on back since calendars were invented.

I don't know any more about what's going to happen in 1961 than the experts who thought they knew what was going to happen in 1960, but whatever happens, I aim to find it interesting. I can get along without that pipe wrench, but unfortunately here comes my neighbor with it now.

Yours faithfully,
J. A.

...the only car in its field beautifully built to go...

miles between lubrications

30,000 is the most famous number of the year. It's every '61 Ford owner's license to save. How can Ford do it? Conventional chassis lubrication fittings have been replaced with metal plugs that help protect each lubrication point against abrasive mud, dirt and dust. And then, for only about \$4 and about 20 minutes your Ford is ready for another 30,000! This is just one of the many ways the '61 Ford is built to take care of itself. Your Ford Dealer can show you more.

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF

Lubricates itself—You'll normally go 30,000 miles between chassis lubrications (which cost only about \$4.00 and take about 20 minutes) because Ford has replaced conventional grease fittings with a sealed-in lubrication system.

Cleans its own oil—You'll go 4,000 miles between oil changes because Ford's Full-Flow oil filter gives you filtration through fibers... trapping more dirt than any other type of filter made.

Adjusts its own brakes—New Truck Size brakes adjust themselves—automatically.

Guards its own muffler—Ford mufflers are double-wrapped and aluminized to last three times as long as ordinary mufflers.

Protects its own body—All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing the body panels beneath the doors.

Takes care of its own finish—Just wash and clean Ford's new Diamond Lustre Finish and it continues to glisten like new. It never needs waxing.

Only **FORD** is beautifully built to take care of itself

TODAY AND TOMORROW
 BY RALF HARDESTER
 Feature Editor TV GUIDE MAGAZINE

A NEW HOUR-LONG FILM series, Patrol Boat 999, dealing with the Coast Guard's efforts in halting rum-running during Prohibition, goes into production in Hollywood in December . . . Milton Berle set for a straight dramatic role in an upcoming Barbara Stanwyck Show episode, "Dear Charley" . . . Henry Clavin, the Sergeant Garcia of Walt Disney's Zorro TV series, bragged during a recent visit to New York that he lost so much weight, he now has to wear padding under his costume. Clavin claims he's shed almost 100 pounds. That brings him down to a trim 265 pounds. . . MGM's long-postponed Father of the Bride has been activated again, this time with Leon (Life with Father) Ames starred . . . James Stewart and his wife Gloria are set for what now has become their annual guest stint on The Jack Benny Show.

Milton Berle
 . . . dramatic role

FAMOUS GHOST STORIES, HALF-HOUR series hosted by Vincent Price, has been bought by ABC films for January syndication, along with a five-minute interview series, The Inquisition, starring Paul Frees, who interviews "the infamous people of history" . . . CBS has plans for an hour-long series, Dr. Pygmalion, based on the career of a plastic surgeon . . . Robert (Track-down) Culp has written a script for The Rifleman, described by star Chuck Connors as one of the series' best. . . Robert Rockwell, last season's Man from Blackhawk, guests on a forthcoming Surf-side Six episode, "Odd Job" . . . Timex planning to sponsor a second edition of England's Bertram Mills Circus this season. The host and network have not been selected yet. Last season, Joe E. Brown hosted the special on ABC.

Robert Horton
 . . . suspended

CBS PLANNING A 90-MINUTE ADAPTA-TION of Saul Levitt's "The Andersonville Trial," a Broadway play last season, as a special for early 1961. Climax! presented a story on the same theme, also written by Levitt, three years ago . . . Crime and Punishment is the title of a new syndicated series to be based on taped interviews with prison inmates . . . Bob Hope has been picked to narrate NBC's "The Will Rogers Story," a Project 20 show scheduled for a late February airing . . . Mickey and Teddy Rooney will play father and son roles in a G.E. Theater episode, "The Money Driver" . . . They probably won't all be photographed under water, but coming up as guests on various episodes of The Aquanauts are Everett Sloan, Thomas Gomez, Paul Henreid and Sam Levene . . . Robert Horton has been suspended for failing to report for a Wagon Train episode. Horton has wanted to break out of the Western mold for a long time.

Woman's Club Sees Caverns Slides At Thursday Meet

H. V. (Buzzie) Stokes, Chamber of Commerce manager, was guest speaker at the Thursday, January 5, meeting of the Sonora Woman's Club. Stokes showed slides of the Caverns of Sonora and gave a resume of community activities during 1960.

Mrs. W. A. Carroll, president, presided over the business meeting. The meeting was opened with the Club Collect, and committee reports were heard. Club members voted to add two shelves to the library and also voted contributions to the Penny Art Fund, Music Fund, Latin-American Scholarship Fund and Woman's Club Maintenance Fund.

At the social hour which closed the meeting refreshments of a salad plate and coffee were served by hostesses Mrs. W. R. Cusenbary, Mrs. William T. Mitschke, Mrs. L. E. Johnson, Sr., and Mrs. W. F. Berger.

LUTHERAN WOMEN MEET ELECT OFFICERS SUNDAY

The Hope Church Lutheran Woman's Missionary League met Sunday at the Lutheran parsonage. Mrs. Robert Pfluger led the opening devotions.

League members formally adopted their constitution at this meeting. Purposes of the newly organized group were listed as: to serve the church in word and deed; and to co-operate in ventures beneficial to the building of God's kingdom. The document was presented by members of the constitution committee: Mrs. Don Hyde, Mrs. Leroy Hanusch and Mrs. Irvin Siverson.

Mrs. Robert Pfluger, Christmas card sales chairman, reported all cards sold.

Mrs. F. A. Hanusch and Mrs. W. R. Hanusch presented the slate of candidates for election. Mrs. Oliver Wuest was elected president; Mrs. William T. Mitschke, vice-president; and Mrs. Irvin Siverson, secretary-treasurer. Officers will be installed formally at the February meeting. Appointed to special committees were Mrs. Carl Appel, Altar Guild chairman, and Mrs. Elgin Schmidt, Sunshine Committee chairman.

Recent guests in the home of Mr. and Mrs. Smith Neal and daughter have been Mrs. Neal's mother, Mrs. Claude Ballew; her aunt, Mrs. Leslie Tomlinson, and her cousin, Pete Thompson, all of Dallas.

LIBRARY CLUB NEWS

By Nancy Reed

"Two Gentle Men" by Marchette Chute, is the story of the lives of George Herbert and Robert Herrick, two beloved English poets of the early seventeenth century.

On the surface, it would be difficult to imagine two lives more dissimilar than those of Herbert and Herrick. The fifth son of an aristocratic English family, George Herbert inherited little except wealthy relatives and a first class mind. After an attempt at politics, Herbert became a country parson. He searched all his life for peace of mind and spirit, his poems reflect his quest.

Robert Herrick was born the son of a prosperous middle-class London goldsmith. Light-hearted by nature, he spent his inheritance in short order and decided to enter the church as an ordained priest. Although he was never a devout Christian nor a faithful parson, Herrick, was happy-so he wrote happy poems.

Marchette Chute says at the end of her brilliant re-creation of their lives, "They were gentle men in an age that was not gentle and they refused to interfere with their neighbors at a time when interference was almost a duty."

I Give You Texas

By Boyce House

The marquee of a motion picture theater at Bastrop a while back read:

Never Steal Anything Small. Jackpot \$370.

The typical Hollywood glamor photo shows a woman with parted lips and eyes half closed. If a man assumed the same expression, everybody would say he looked stupid.

Champ Clark, who was Speaker of the National House of Representatives in Woodrow Wilson administration, said, in his book, that the largest man who ever served in Congress was named Sleicher and he weighed over 400 pounds. Where was the biggest Congressman in history from? Why, Texas, of course.

Janis Sykes from Eastern New Mexico University, Portales, N. Mex.; Alfred Sykes from Otero Junior College, La Junta, Colorado, and Albert Sykes from Tucumcari, New Mexico, were home for Christmas holidays with their parents and brother, Mr. and Mrs. Wesley Sykes and Jack Martin. Albert returned to La Junta with his brother Alfred and will enter college there.

Congratulations To These New Parents

Mr. and Mrs. Smith Neal are the parents of a daughter, Laura Dinese, born Monday, January 2 at Hudspeth Memorial Hospital and weighing five pounds, seven ounces. The baby was the first

To Elaine Espy To Head Sorority At SMU This Year

Tom Elaine Espy, junior student at Southern Methodist University, has been elected president of Pi Beta Phi Sorority at SMU for the coming year.

Miss Espy, an accounting major, is a member of Alpha Lambda Delta, honorary scholastic fraternity; has been on the Dean's List each semester; and was named University Scholar in her sophomore year. She has been a delegate to the SMU Leadership Conference for two years, has served as vice-president of her pledge class, secretary of Snider Hall, and treasurer of Pi Beta Phi. She is a member of Rally Committee, Cogs, and Beta Alpha Psi, accounting fraternity.

She was recently chosen for the modeling squad for the University fashion Committee; and is one of the two students, a girl and a boy, selected to serve on the SMU Faculty Disciplinary Board.

Miss Espy is the daughter of Mrs. Howard Espy of Sonora.

Mrs. Bradford Henley has returned to her home in Hubbard after a two-week visit here with her parents and sister, Mr. and Mrs. G. T. Rode and Gail.

Caesar Wilkins, Jr., of New York, New York.

YOUR MINISTER SAYS

By Rev. William T. Mitschke
In the last portion of the second chapter of Luke we find something of the childhood days of Jesus. Scripture has very few references to our Lord's youth but we are happy for this glimpse into His early life on earth.
The main light shines on Jesus in this section but we do well also to consider the reference which is made concerning the earthly parents of Jesus.
There is no doubt in our mind that the home of Mary and Joseph was a God-fearing home. We know from their reaction to

the angel's announcement, the birth of Jesus, and the flight to Egypt with the Baby Jesus that they were God-fearing, God-loving, and God-serving folks.

Luke 2:41 reads: "Now His parents went to Jerusalem every year at the feast of the pass-over." Tells us something of the spiritual and moral caliber of the home in Nazareth. They rejoiced especially about going this year because Jesus had reached the age of 12. At the age of twelve a Jewish boy would also appear before Zion and become what the Old Testament called "a son of the law."

There is fine example for us in this home in Nazareth. It would be good to read your name in that text describing their home. It would be good to say of you: "And it was your custom to go to church and to take your children with you." That would certainly indicate something of the spiritual and moral caliber of your home.
Christ spent thirty years in private to prepare for three years in public. Preparation is good for us all. There is a good time in the present to prepare for the future. Make yours a Christian home.

LOCAL NEWS BRIEFS

Mrs. Belle Steen arrived home Saturday from San Diego where she had been visiting several weeks with her brother and sister-in-law, Mr. and Mrs. Tom Crawford.
Alvis Johnson is recuperating at home from surgery undergone in a San Angelo hospital last week.
Ernest G. Woodward of San Angelo was a Sunday visitor in the home of his daughter and family, Rev. and Mrs. Allan Guthrie, John and Gil.
Leta Joseph of Dallas was a business visitor in Sonora last week.

I Give You Texas

By Boyce House
There is no accounting for the ways of Hollywood.
When I was out there to serve as technical advisor and writing consultant on "Boom Town," the chief script writer had come up with a scene wherein two brothers, who were shoe-string operators, rushed in and said they had just completed two wildcats as gushers and were in the "big money."

I explained that, in actual life, the shoestringers would have had enough trouble to get up the money for one wildcat, also that the odds were very great against two out of two wildcats hitting oil. Furthermore, the script said this happened in Arizona whereas we up to the very moment when we were having this story conference, no oil had ever been hit anywhere in Arizona—so why not have them drill one wildcat and place it in Wyoming, New Mexico, Arkansas or almost anywhere except Arizona?

But the script stayed "as it was."
People I could get along with-out:
The fellow who "uhs" all through his remarks.
And the guy who asks a question and then doesn't listen to the answer and asks his question again.

Important news for new-car buyers—
THE '61 CHEVY BRINGS JET-SMOOTH TRAVEL DOWN TO EARTH

This is the Impala Sport Coupe—just one of 20 Jet-smooth Chevies!
Better just circle your dealer's block the first time you try a Jet-smooth '61 Chevy. Get anywhere near an open highway and he's liable never to see you again.
What we mean, Chevy's ride whets your yen to travel. Wins you over with its delightful coil-spring smoothness, its hushed comfort and light steering. You find yourself feeling sorry for people who buy higher priced cars, thinking they have to pay premium prices for a luxury ride.
That may have been true at one time, but not any more. Chevrolet's ride, its roadability, just doesn't take second place to anybody's. Drive one soon and see.

HERE'S WHAT GIVES CHEVY ITS JET-SMOOTH RIDE—
Full Coil suspension—Chevy's one of the few cars with a coil spring at every wheel. Precision-balanced wheels—For smoother rolling with less vibration. Sound-hushing insulation—Sheet metal is carefully insulated against drumming and vibration. 51 built-in "shock absorbers"—Cushion the chassis against shock and shake. Live rubber body mountings—Extra-large butyl rubber cushions that further isolate the ride from the road.

See the new Chevrolet cars, Chevy Corvairs and the new Corvette at your local authorized Chevrolet dealer's

Law enforcement officers are excluded from this offer. The information must be furnished to any law enforcement officer or to the Secretary of the Texas Sheep and Goat Raisers Association at its office, Cactus Hotel Annex, San Angelo, Texas. Telephone 6242 or 25612, San Angelo. tfn 25. TEXAS SHEEP & GOAT RAISERS ASSOCIATION

YEARS PAST

February 16, 1895

Don't forget the ball at the courthouse Friday night. Sonora should give a fancy dress, masquerade, domino or phantom ball. Talk it up if you favor the idea.

The commissioners court moved and carried that the patient filed in this court on November 8, 1894, asking change of public road to Junction City, be granted as prayed for in said petition and road overseer of precinct No. 4, be directed to open up said road in accordance hereto.

H. Knusenberger, G. Huber, Horten Allen, A. J. Winkler, and Jess Mayfield were appointed as a committee to review and lay out the Junction City road as petitioned for, and to report at the next regular term.

Born in Sonora on Feb. 14th, 1895 to Mr. and Mrs. Wm. Adams of Edwards County, a boy.

February 23, 1895

Public School News by Miss Mona Rountree:

There are several new pupils this month.

Considering the weather the attendance has been very good the last two weeks.

Served visitors were present at our last exercises.

The exercises in the professor's

room this evening consisted of a debate, an essay by Miss Sadie Douglass, entitled "The Feudal System," and recitations.

The question debated upon was "Resolved: That the Mind of Women is equal to that of Man." The affirmative speakers were Ora Coker, Anna Adams and Will

Wyatt. The negative speakers were Belle Birtrong, Emma Wyatt and Lizzie Bunton. The question was decided in favor of the affirmative.

In Miss Reagan's room the exercises consisted of recitations, and in Miss Thornton's room of a debate, recitations and a song.

January Last Month To Pay City Taxes Without Penalty

Sonora taxpayers are reminded that January is the last month for paying 1960 city taxes without penalty and interest being added.

As of December 31, only 56 percent of municipal taxes had been paid.

Continued From Front Page

of 1959. Figures of the survey showed that Texas growers produced 55,516,215 pounds of wool in 1960, compared with 47,112,321 pounds the previous year, an increase of 8,403,894 pounds.

A PERSONAL MESSAGE

To My Customers

In order to offer the customers of The Sonora Pharmacy a more complete and personal service, I am devoting my entire time to the management of that business.

I have resigned my position with the First National Bank and take this means of expressing my appreciation to the bank officers and employees for the years of pleasant association.

Hoping to be of service to you at Sonora Pharmacy in the near future,

CHARLES L. HAINES

Transition Now On In Washington

By Congressman O. C. Fisher
THIS IS BACK-SLAPPING, job-seeking time in Washington. There is an air of guarded optimism in the transition, which is in keeping with tradition.

On the one hand, many skeptics express approval of the cabinet selections, indicating moderation, stemming chiefly from such choices as Dillon for Treasury and Rusk to head the State Department.

At the same time, eyebrows are raised and doubts expressed over such appointments as youthful and inexperienced Bobby Kennedy for Attorney General and the hords of college professors, mainly from Harvard, who have been placed in key spots, particularly as economic advisors.

"But", you can hear many comments, "maybe it will work out".

ON THE SPENDING SIDE, there is more pessimism in the air. Many budget-busters are dreaming up some spending dillys. A Kennedy-appointed Task Force, headed by free-spending, liberal Senator Douglas of Illinois, himself a former college Professor, in a recent report on how to cope with unemployment, calls for an immediate outlay of \$3 billion in grants, loans, etc.,

affected areas. This could precipitate a run on the treasury because nearly every community in the country at one time or another has unemployment problems.

Another Task Force, headed by Professor Hovde, president of Purdue, demands a federal aid for education program that would cost \$2.5 billion the first year.

In addition, several new bureaus, agencies, and special jobs as "czars", "expeditors", etc., are proposed, somewhat reminiscent of depression's New Deal days.

But much of this must be cleared through Congress, where the real battles will be fought. The radical-liberals in Congress, in both the House and Senate, are presently jockeying for changes in procedural rules which they claim is needed to speed up action on vast and varied spending proposals that are being offered.

If the Congress relaxes its diligence the free spenders could have a field day this year.

Only time will tell. Let us hope that the new President will, with courage, wisdom and foresight, rise to the occasion. He is faced with a very difficult task. It is the duty of every American to support and encourage him when they conscientious can. This is indeed a time for unity.

State DPS Has Vacancies For 72 Qualified Men

Major Wilson E. Speir, commander of the Texas Department of Public Safety, Midland, has announced 72 vacancies are available for qualified young men in the department's uniformed services.

Field service examinations will be given applicants at various locations over the State during February. Application forms and full information can be obtained at any DPS field office or by writing to department headquarters, P. O. Box 4087, Austin.

Qualifications call for a high school education or the equivalent; height not under five feet, eight inches, nor over six feet, four inches; and weight not less than two pounds per inch of height nor more than three pounds per inch of height.

Prospective applicants are urged to get their applications in early. The deadline for receipt of completed forms is February 10, 1961.

Field service examinations for applicants from this area will be held February 16 in San Angelo.
