FORTY-SECOND WEEK

Preparations Nearing Completion For Annual Community Bible School

The annual Community Vacation Bible School will be held this year Monday, July 24, through Friday, July 28. The school is sponsored each summer by the First Methodist Church, St. John's Episcopal Church and the Presbyterian Church of the Good Shepherd.

Mrs. Jack Kerbow is director of the school which will have classes for three age groups.

Mrs. Doyle V. Morgan will be in charge of the kindergarten De-

partment. Assisting Mrs. Morgan will be Mrs. Tommy Smith, Mrs. Lin Hicks, Jo Ann Lowe and Tomye Lyne Smith.

The Primary Department will be under supervision of Mrs. David D. Shurley. Her assistants will be Mrs. J. L. Steed and Mrs. Marion Elliott.

Mrs. Bill Whitehead will conduct classes for the Junior Department and Kay Campbell will be pianist.

Name - Dropping

By Jo Bess VanderStucken

Prissy Linthicum represented Sonora in the Rocksprings Rodeo last week. Prissy, who will be a senior in Sonora High School next fall, rode in the grand parade preceding the rodeo. She also participated in various events of the rodeo, and came home with a slight head concussion, after spending some time in a Rocksprings hospital. According to Mrs. Katherine Linthicum, Prissy's mother, Prissy is rapidly recovering, and will be able to enter the Sonora Junior Rodeo.

Jimmy Frank Richardson, Johnny Merck, and Jimmy and Zane Powers were among the Sonora young people participating in the Rocksprings Rodeo. They all made a fine showing.

Nadine Berker of Harper is visiting her cousin, Barbara Gatlin, this week. Barbara, who is a spring honor graduate of Sonora schools, plans to leave Sunday for Denton, where she will attend Texas Woman's University as a nursing major. The daughter of Mr. and Mrs. Jimmy Gatlin, Barbara was the recipient of the DAR award and the Jo Ethel Lambert Award, and was a member and officer of the Girls' Athletic Association and the National Honor Society, during her high school career.

Penn Baggett of Ozona and Johnny Morris have recently returned from a fishing trip to Falcon Dam with Johnny's father, James Morris. Sorry to report they caught very few fish. The reason? Word has it that Johnny and Penn spent most of their time in Mexico, and didn't do much fishing.

Few will believe the story going around town about Charlie Howell. Recent guests of Dr. and Mrs. J. F. Howell were their daughter and family, Mr. and Mrs. Jack Allen, Kay, Nancy, Suzanne and Jack, Jr. Charlie, it seems, was the official babysitter, and he kept his young charges quite amused by blowing smoke in a bottle and letting it slowly drift out. The children were awed, and Charlie, we think it's sweet!

Gloria Gonzales is a member of the younger set who chose to work this summer. A spring graduate, she is employed at Westernman's Drug. Louis Perez is also working. Louis, who will be a junior in Sonora High School next fall, has a job at Howell's Home Owned Grocery.

Nancy Anthony, daughter of Mr. and Mrs. W. C. Anthony, and Donna Dunn, daughter of

Sutton 4-H Club

To Have Meeting Friday Night

There will be a meeting of 4H members and parents Friday evening, July 14 at 7:30 at the 4H Club Center. The meeting will concern the annual 4H camping trip Monday, July 17-20, at the A. O. Baker ranch. All members who plan to go should be present, as well as members who plan to exhibit quarter horses in the 1962 County show, or record books in district and state competition this year.

Office Supplies At News Office

Mr. and Mrs. A. C. Dunn, are employed as car hops at the newly-opened Dairy Mart, owned and operated by Edmund Olinick. The girls report that they are thoroughly enjoying their work, but Nancy admits that she got so confused trying to count out change that she actually tipped one of her customers a nickel.

According to letters from Kay Shurley, life at Camp Minnawana in Michigan leave nothing to be desired, except maybe a little sunshine. On the days when it isn't raining, few though they be, Kay goes sailing on Lake Michigan, for she has recently earned her "shipper's right." Kay is the daughter of Mr. and Mrs. Edgar Shurley.

Betty Jack Cooper was a guest last week of Mr. and Mrs. Happy Shahan and family on their ranch at Alamo Village near Brackettville. The daughter of Mrs. Pat Cooper, Betty Jack returned home later in the week to prepare to attend the National Association of Dance and Affiliated Artists School in Houston. This is the fourth consecutive year she has attended the one week school, which offers classes in ballet, tap and modern jazz, taught by internationally-known instructors and artists.

Betty Jack will be one of 250 young people, ranging in ages 13 to 18, participating in the

CEDAR HILL HOMECOMING SCHEDULED SATURDAY

Past students of Cedar Hill school will celebrate their reunion Saturday, July 15, at Camp Allison.

The homecoming will feature a barbeque dinner and a dance Saturday evening from 9 until 1 with music by Bill Murr and his Westerners.

Mrs. J. T. Penick, Longtime Resident, Buried Tuesday

Funeral services were held Tuesday afternoon, July 11, for Mrs. J. T. Penick, 64, in the home of her daughter, Mrs. Henry Greenhill. Mrs. Penick, a long time resident of Sonora, died at her home Monday, July 10, after a brief illness.

She was born Lena Mattie Hardy in Terrell, Texas, October 17, 1896.

Survivors include her husband, her daughter; two brothers, Wilfred Hardy and W. H. Hardy, both of Dallas, and three grandchildren.

Services were conducted by the Rev. Doyle W. Morton, pastor of the First Methodist Church.

Pallbearers were Louie Trainer, John R. McClelland, Harold Garrett, Lea Allison, Sam Allison and Andrew F. Moore.

Interment was in Sonora Cemetery under direction of Ratliff-Kerbow Funeral Home.

Mrs. Marie Graves, Former Resident, Dies In Eldorado

Mrs. Georgia Marie Graves, 46, a resident of Eldorado for 26 years, died at 1 a.m., Saturday at her home after a brief illness. She had recently undergone major surgery.

The former Marie Harrison of Sonora, Mrs. Graves was born August 17, 1914, and was married to Graves, a truck operator of Sabinal in 1935. The couple moved to Eldorado the same year.

Funeral services were held at the Eldorado Church of Christ Sunday, July 9, with H. B. Bilbo, minister, officiating. Burial was in Eldorado Cemetery under the direction of Ratliff-Kerbow Funeral Home.

Survivors include her husband; one daughter, Sheila of Eldorado; her parents, Mr. and Mrs. F. O. Harrison, Sr., of Uvalde; one brother, F. O. Harrison, Jr., of Port Lavaca; and two sisters, Mrs. J. R. Youngblood of Port Lavaca, and Mrs. W. G. Titt of Del Rio.

Mr. and Mrs. J. L. Steed, Pam, Judy and Kim, are vacationing in Houston. They will return to their home here Sunday, July 16.

A summer guest of Mrs. Ruth Leiper is her nephew, George Love, who will be a senior at Sul Ross College, Alpine, next fall. George is presently employed by Carl Cahill.

Second Junior Rodeo Slated Next Thursday - Saturday

HUNT'S ART BAR WINNER AT RUIDOSO DOWNS

Art Bar, a two year old Quarter Horse owned by James Hunt, ran second in the Friday, July 7, races at Ruidoso Downs, New Mexico. Dell Hairpin owned by Alva Simpson of Santa Fe, New Mexico, was first and Miss Peace Bomb owned by Fields and Bolin of Springdale, Arkansas, was third.

Judge Presslar Speaks On FBI At Lions Club

The Sonora Lions Club was entertained at the Tuesday luncheon this week by Judge Steve Presslar of McCamey. Judge Presslar, formerly employed by the FBI, gave an interesting and informative discussion of fingerprinting.

"The FBI came into prominence about 1934 when a wave of bank robberies and kidnappings swept the nation," Judge Presslar said. "The FBI is now a clearing house for the nation's crime, maintaining some 135 million fingerprints."

"Only about four minutes are required to determine whether a fingerprint belongs to a person with a known criminal record. Fingerprints usually reveal the sex and frequently the occupation of the individual," Judge Presslar said.

"Some 1,100 wanted criminals are located every day from fingerprint identification by the FBI. Quite often, a man picked up and fingerprinted for a misdemeanor will turn out to be wanted for a crime committed 20 years earlier."

Presslar went on to say that the FBI maintains a close working relationship with city, county and state law enforcing officers, and actively works against interstate crime.

Leon Neely New President Of Band Parents

Leon Neely was elected president of the high school band parents' club at a recent meeting, according to J. L. Steed, band director.

Other officers chosen to direct the 15 year old organization during the 1961-1962 school year were Mrs. Ed Hawkins, secretary, and Mrs. W. J. Thompson, treasurer. Roy Cooper was re-elected vice president.

Out going officers are president Stanley Mayfield and Mrs. Katherine Linthicum, secretary-treasurer. Both had served for one year.

The purchasing of new band uniforms was one of the biggest projects undertaken last year by the club, which also provided new music and a contra-bass clarinet for the 65-piece band, sponsored trips to Austin and San Antonio and helped finance the annual band banquet.

The band parents sincerely appreciate the generous support given them by the citizens of Sonora, and would like to invite everyone to visit the concession stand during the Sonora Junior Rodeo next Thursday, Friday and Saturday. Everything from hamburgers to peanuts will be served, and your support will help buy two new bass horns and finance various other band activities next year.

City Adding New Pavement, Seal Coating

Recent city improvements include paving and seal coating covering 20 blocks made last week by the Sonora Paving Company, according to R. M. McCarver.

Seal coating was put on the Old Del Rio Highway and on Poplar Street on the old Fort McKavett Road, as well as on Mesquite Street from the wool house to the football field, and on First Street from the Gulf Station to Concho Street and on First Street near the high school gymnasium.

New pavement was laid on the draw street near the Oliver Wuest home, and on Moat Street near the Ed Hawkins home.

Work Progresses On Sonora Caverns

Developments and improvements are being made in the famous Caverns of Sonora.

Work is being done on an exit which will require only a minimum of back tracking. A ditch, from which a 20-foot tunnel will be dug into the Cavern, is practically completed, and a trail from The Bernice Precarious Precipice to the exit will soon be blazed. Hugh Williams of Dallas will be here in December to finish the long tunnel.

A loop at the end of this year's trail will be finished soon, and new sights and more underground marvels can then be viewed.

The Cavern has been rewired with several circuits.

HOME DEDICATED

Dr. Thomas Brewster of San Angelo dedicated the new home of Mrs. Pat Cooper in ceremonies held this week in her home. Pam Jones, daughter of Mr. and Mrs. Sam Jones, Jr., was vocal soloist, and sang two songs, "I Believe" and "God Bless This House."

About 60 guests attended including out of town guests from Austin, Abilene, Brady, San Angelo, Eldorado and Dallas.

Rodeo Queen To Be Announced At Final Events Saturday

New Chutes, More Lights Ready For Rodeo

Preparations for the second annual Sonora Junior Rodeo are being made by the Sonora Park Association's Improvement Committee, which includes Joe Brown Ross, R. M. McCarver, Duke Wilson and Louis Powers.

Four new chutes, which will be directly in front of the grandstand, are being added, as well as new lights around the arena, which is being enlarged and re-worked for the rodeo.

Estimated cost of the project is \$2,000.

Final preparations are being made for the second annual Sutton County Junior Rodeo, which is scheduled for July 20, 21, 22.

Events will be open to both boys and girls, and trophies will be presented to the best all-round cowboy and to the best all-

Saturday Final

Date To Apply For Educational Loan

This Saturday, July 15, is the deadline for students desiring educational loans to make application to the Sutton County Educational Trust. The Rev. Doyle W. Morton, chairman of the Trust's advisory board, reminds students that no application will be accepted after that date.

Applications will be considered by the board at their meeting at the First Methodist Church at one o'clock Tuesday, August 1 and all students who are applying for the first time are required to be at the meeting.

Loan applications should be turned in either to Mr. Morton or to Stanton Bundy, board secretary.

Ozona Holding Junior Rodeo, School Reunion

The Fourth Annual Ozona Junior Rodeo and Homecoming is scheduled for July 13, 14, and 15 this year, and plans are being completed by chairman Vic Montgomery and Oscar Kost, secretary.

Sponsored by the Ozona Lions Club, the AJRA approved rodeo will open with a parade Thursday afternoon at 4:00, will feature dances Thursday and Friday nights, and will be climaxed by the crowning of the Homecoming Queen Saturday night.

Contests in pole bending, bull-riding, calf roping, steer wrestling, barrel racing and ribbon roping will be open to boys and girls of all ages.

Mrs. Fannie Gahagan of Stephenville is in Sonora for an extended summer visit with her daughter and son in law, Mr. and Mrs. George E. (Bud) Smith.

round cowgirl. Last year a wrist watch was awarded to the best all-round cowboy, who was an Abilene contestant. Winners in all events will be awarded a trophy or a belt buckle.

Contests for boys aged 16 to 19 are tie down calf roping, ribbon roping, senior bull dogging, which is a new event, and bull riding, which will be offered in place of last year's steer riding contest.

Boys 19 to 14 may enter the down calf roping, ribbon roping and bull riding. Barrel racing and pole bending are open to boys 12 and under, as well as steer riding, a newly-added contest.

Girls may participate in barrel racing and pole bending 3 age classes, 16 to 19, 13 to 16, and 12 and under, are offered in both events.

A goat sacking contest, which promises to be as much fun for spectators as for contestants, will be open to girls and boys, age 11 or younger.

According to Louis Powers, secretary of the Sonora Park Association, about 200 entries are expected, in contrast to the 120 entries in last year's junior rodeo. Powers expects to receive application blanks from Del Rio, Ozona, Eldorado, Junction, Menard, San Angelo, Coleman, Abilene, Odessa, Big Springs, Pecos, Sterling City, and Rocksprings, as well as other towns in the area.

"I have even received requests for application blanks from out of state boys and girls," Powers asserted. "New Mexico, Oklahoma, Louisiana and Colorado probably be among those represented."

The rodeo will commence with a downtown parade Thursday afternoon at 4:00. Anyone may ride his horse in the parade, and those desiring to do so should be in front of the court house promptly at 3:00 Thursday afternoon.

A concession stand, located next to the grandstand at the race track and sponsored by the Band Parents' Club, will open for the three-day rodeo at 6:00 Thursday afternoon.

There will be a western dance featuring the music of Adolph Hofner Friday and Saturday nights at the 4H Club Center. Everyone is invited and urged to attend.

Official rodeo entry blanks may be obtained from Mrs. Louis Powers or at the Chamber of Commerce office. Entrance deadline is Monday, July 17.

MISS THORP WINS AWARD FOR X-RAY EXHIBIT

Miss Addie Thorp of Fort Worth and formerly of Sonora recently won a third place award for her exhibit at the third international convention of the Society of X-Ray Technicians in Montreal, Canada, June 24-29.

Her X-Ray film, which described "Mammography," is one of several scientific papers Miss Thorp, who is chief technician for the Dr. Tom B. Bond Radiological Group, has written. One of her papers has been published in The X-Ray Technician, national publication of the American Society of X-Ray Technicians.

Little League All-Stars Practicing For Area Playoff Game With Ozona

Sonora Little League All-Stars have begun practice for the area playoff game with Ozona to be held here Monday night, July 24. The first practice was held Wednesday and others are scheduled for Friday and Saturday of this week.

Members of the team as named by managers and officials of the League are Laney Cook, J. V. Cook, Ed Lee Renfro, Frank Fierro, Noe Chavez, Nicky Esquivel, Gary Hardgrave, Fred

dy Benson, Hector Noriega, Dorr Scherz, Lawrence Holland, Johnny Ramos, Alex Castro and Bobby Ramos. Alternates are Brent Johnson and Mike Holley.

League Director Oliver Wuest asks all boys who are not on the All-Star team and who are not now engaged in playoff games to return their uniforms to him or to their team managers as soon as possible.

The Tigers and Cubs are now

engaging in playoff games to determine the League champions. The Tigers won the first half of the season and the Cubs the second half. The Cubs were victorious over the Tigers by 8 to 6 in the first playoff game Tuesday night.

The second game in the playoff is scheduled for eight o'clock tonight. Should the Tigers win, a third game will be played at eight o'clock Monday night, July 17.

HIGHLIGHTS AND SIDELIGHTS FROM THE STATE CAPITOL

By Vern Sanford
Texas Press Association
Texas' tax debate continues.
Not as lively now as during the legislative session—but many voices are being heard.
It's sort of a "speak now or forever hold your peace" period. Some type of tax bill, undoubtedly the biggest in Texas history, will have to be passed in July or August, and those with something to say are rushing to get

in their licks.
Legislators report that the small-scale "great debate" is proving very helpful in stirring up opinions from previously silent constituents. They're hoping to discover enough home district reaction to guide them to a swift, sure solution when they return for the special session July 10.
Eight Central Texas lawmakers, in a reply to Gov. Price

Daniel's report to the people, say that raising \$341,000,000 in new revenue will require a "broad coverage tax."
Although five of the eight voted with the governor during the session, several objected to a "hit and miss" tax approach.
Some say that people in their districts object to selective taxes on grounds that "it's not fair to tax my product and not my neighbor's."
IN THE WIND—A number of new approaches to tax plans already batted around during the regular session are being worked on by lawmakers during this interim. Among plans being

considered are these:
1. By Rep Charles N. Wilson of Trinity (sponsor of the 2 per cent sales tax passed by the House last session)—a new sales tax that would be linked, Siamese twin fashion, with a corporation income tax.
2. By Rep. George T. Hinson of Mineola (a frequent sponsor of legislation favored by the governor)—a 2 per cent tax on everything selling for \$5.00 or more, with the usual food and drug exemptions.
3. By Rep. Ben Atwell of Dallas—selective excise taxes of 2 per cent on a long list of items, but generally exempting the bedrock necessities of life.
NEW COMMITTEE AT WORK—Governor Daniel's new tax study committee, made up mostly of the board chairmen for various state agencies, got off to a diplomatic, soft-voiced

start.
Several lawmakers took a dim view of having "another sturly group," recalling that the last one had come up with a payroll tax plan that never caught fire. Texas voters, they pointed out, selected their legislators to write the tax laws and will hold the legislators responsible for the outcome.
Members of the committee made it clear that they don't intend to dictate to the Legislature. But they do hope to be able to indicate some possible paths of compromise among the various plans for which the legislators have shown favor.
Committee is to meet July 6 to write its report for the special session.
DOWN THE DRAIN?—Some legislators are fretting over the loss in state revenue resulting from the Legislature's failure to pass a tax plan during the

The Devil's River News-Sonora, Texas, Thursday, July 13, 1961
regular session.
Here is the way they see it:
1. Bills passed by a simple majority vote take effect 90 days after the close of the session. If a tax bill had been passed in the regular session, it would have taken effect the last of August and money from it would be accruing September 1 when the new fiscal year begins.
2. If a bill is passed by a simple majority in the special session—say about August 10—it will not take effect until November 10.
3. A \$340,000,000 tax bill covering the 24 month period would raise money at the rate of about \$14,000,000 a month. But between September 1 and November 10, nothing would come in from the new bill. This waiting period of two months, would mean the loss of some \$35,000,000 in state revenue which would have been raised if the same bill had been passed earlier.
Question that immediately

arises is: Can the Legislature pass a tax bill by a two-thirds vote of both houses so that it will go into effect immediately? (As done in 1959.)
Today legislators are dubious. As the new tax bill is expected to affect more items, many Legislators feel that it would be unfair to expect businessmen and store keepers to get ready overnight to charge all sorts of new taxes.

IN THE YEAR OF

May 9, 1896
A summer normal school will be held at Sherwood, beginning June 25. Teachers from Tom Green, Coke, Sterling, Crockett, Runnels, Sutton and other counties have signified their intention to attend. Prof. Glenn of San Angelo, will conduct the school.

The audience at Pedro Ruelas' Mexican show Thursday night, held their breath when Tomas, one of the performers, fell from one of the highest trapezes. He was carried from the ring but was able to be about the next day.

May 16, 1896
Dan Cauthorn's sheep averaged 83 pounds in Chicago and sold at \$3.25 per hundred. They netted Mr. Cauthorn about \$2.10 a head.

At a meeting of the Sonora Fire Department held Tuesday night in the court house, the following officers were elected: J. M. Bell assistant chief, Max Mayer secretary, Steve Murphy treasurer; W. H. Cusenbary, Henry Moon, Felix Vander Stucken auditing committee. The constitution and by-laws were adopted and the Sonora Fire Department of 32 men is now thoroughly organized.

Steve Murphy is a candidate for the office of Tax Assessor of Sutton County. His announcement appears in this issue. It would probably not be in good taste for us to say anything about Steve. As it is he is pretty well known by everyone in Sutton and adjoining counties, and as he has been working for the Devil's River News for the past six years is sufficient guarantee that he is a stayer and if elected will fill the office to the best of his ability.

May 30, 1896
Jim Hallcomb finished putting up 2 1/2 miles of wire fence for N. T. Guest this week.

Ice cream Wednesday, Friday and Sunday nights at R. E. Covington's ice cream parlor, next to Post Office.

The cattlemen of the Sonora country are all, or nearly all, out of debt. Those who are not should sell enough to pay out and then if cattle should go down they will be able to keep what they have.

The many friends of Robert E. Glasscock will be glad to learn that he has recovered from his recent severe illness and is able to be out again. He was in Sonora Thursday.

June 6, 1896
At the meeting of the Dee-Ora Lodge of A. F. and A. Masons of Sonora held in their lodge room in Sonora on May 30th the following officers were elected for the ensuing year:

S. H. Stokes, W.M.; H. G. Colson, S. W.; Max Mayer, J. W.; H. G. Jones, Treas.; R. C. Dawson, Sec.; S. G. Tayloe, S.D.; D. H. Burrough, J.D.; James Hallcomb, Tiler.

FOURTH OF JULY MEETING
At a meeting of the citizens of Sonora held at the court house

Tractors and machinery, drownings, firearms and burns from fires are the leading causes of death on farmland and around farm buildings.

Motor-vehicle accidents are the leading cause of death to farm residents. Across the nation last year, 5,300 deaths and 200,000 disabling injuries to farm residents were caused by motor vehicles.

TEXAS LAWYMEN

Captain Jesse Lee Hall

Special Force
"Strong, just... and fearless..."

Texans in the late 1870's were not surprised when Captain Jesse Lee Hall, of the Ranger Special Force, handed over the notorious bandit, King Fisher. Nor when he broke up the destructive Sutton-Taylor Feud, and settled the hash of a lot of fence cutters. Most Texans already knew about Ranger Hall and a certain one-man clean-up operation. Only 27 years old, shortly after he joined the Force, Hall was placed on detached service... meaning, as usual, one job, one Ranger. The job was Goliad, then a lawless stronghold of escaped convicts, outlaws and murderers. The situation called for strong treatment, which the lone Ranger evidently knew how to apply. The undesirable population got the word. Soon Goliad was once again quiet as a sleeping mouse... Later, after his Ranger days, Captain Hall distinguished himself as the leader of the famous Macabebes Scouts in the Philippine campaigns.

Just as we have always needed the fearless courage and integrity of our lawmen, so do we need industry and commerce. When an industry provides a whole community with payrolls and revenue, relaxation and the pleasure of moderation... it "belongs." In Texas, "Beer Belongs." The United States Brewers Association is constantly working with brewers, wholesalers, retailers and local authorities to assure the sale of beer and ale under pleasant, orderly conditions.

Devil's River Philosopher Worries, But Only A Little, About Reduced Amount Of Soap In Giant-Size Box

Editor's Note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River discusses soap this week. We think that's what he's doing.

Dear editor:

What happens to meat after it leaves a rancher's hands and works its way through the processors to the super-market's counters is one of the weak links in ranching, and I have long contended that where us ranchers are slipping up is in failing to learn how to grow steaks that come up inside a cellophane bag—you can get ten times more for them that way than plain—but what interested me this week about this matter was a hearing before a Congressional committee in Washington.

A bunch of women appeared before the committee and complained that some food packers were outsmarting them, they sell one package of soap labeled Giant-Size containing say two pounds of soap flakes, then run in some more packages alongside them also labeled Giant-Size but containing only a pound and a half, with the rest of the box empty, yet selling for the same price. In their hurry to beat somebody to the check-out counter, some women grab the wrong box without reading the fine print.

And what interested me more about this was the reason these women gave for objecting to this practice. "Such practices," they said, "weaken the reputation of the United States abroad." I don't understand how making a bunch of women mad in the United States by selling them less soap than they think they

Fisher Says That May Adjourn In July

By Congressman O. C. Fisher
 ADJOURNMENT PROSPECTS this year are uncertain. It will depend a lot on what happens in the Senate. If a civil rights hassle develops, as has been indicated, the Senators could easily kill from two to six weeks on that. President Kennedy has urged that the subject be avoided this year, but some Senators from Negro areas are chomping at the bits. Just the effort makes good reading in certain radical newspapers.

Actually, the session could easily be concluded by the end of July. There remains on the agenda only a handful of bills which the leadership considers essential. Among them, not already acted upon, are Federal aid to education, foreign aid, extension of reciprocal trade and compulsory health insurance. The latter is being talked about less

In 1944, the number of fatal accidents to farm residents reached 17,200. Currently, the trend is downward, 11,700 in 1959, the last year for which figures are available.

PERSONALS

Accidents in farm homes over the nation killed 2,700 persons in 1959, says the Texas Farm and Ranch Safety Council.

Farm fires in 1959 resulted in an estimated property loss of \$174 million, according to the U. S. Department of Agriculture.

and may not be pushed at this session. The education bill has already passed the Senate and is now before the House Rules Committee. But two members of that Committee, both Catholics, have rebelled and refused to report the bill unless another is reported at the same time containing aid for parochial schools.

Another strike against the federal aid to education measure developed the other day when a publication put out by the Office of Education came to light. Entitled "A Federal Education Agency for the Future", it is a blue print for federal control Published in April of this year, it has created quite a stir in congressional circles. It is interpreted to be a clincher against the argument that federal control is not intended. And it was prepared and released by an agency of the government that is sponsoring the school aid bill.

MOHAIR PRICES sold during the 1960 marketing year

averaged 89.7 cents per pound, according to figures just released by the USDA. This is 7 per cent less than the 1959 average of 96.4 cents but is 3 per cent more than the 1950-59 average price of 86.9 cents.

Wool did not do quite so well. Prices received for wool during 1960 averaged 42 cents per pound, 3 per cent less than a year earlier and 23 per cent below the 1950-59 average of 54.2 cents per pound.

Rangeland "Dead Spots" On Divide Due To Grubworms, Say Specialists

By E. B. Keng
A number of ranchmen in the Edwards Plateau Soil Conservation District have become concerned with the appearance of small to large "dead spots" on

rangeland. These spots became very evident when they failed to green up following good June rains. The dead spots are being caused by grubworms, which is

the larval form of a small brown beetle called the "Junebug". Most of the damage from grubworms occurs on liveoak divide range sites, or occasionally on deep valley sites.

The Junebug requires part of three years to complete its cycle from egg to grubworm to Junebug. The eggs are laid in the soil, usually by "swarms" of Junebugs, and the young grubworms hatches and starts feeding on grass roots—but little damage is caused the first year.

The worms winter below the freeze line, and the second summer are larger and have a greater appetite for grass roots. They usually produce only weakened plants, however, and their presence is hard to spot. A second winter is spent in the soil, with the large worms requiring a great deal of food. Grass roots are clipped rather evenly from one to two inches below ground level. On many areas the grass—usually curly mesquite—is completely killed.

In April or May of the third year the Junebugs mature and fly away to lay eggs and start the reproduction process again. Practically nothing can be done to economically control grubworms on rangeland. The worms are often mature or the Junebugs gone before the damage is detected. Heavy infestations seem to occur about every 10 to 15 years.

With good range management the denuded spots will "grass over" rapidly after the worms

are gone. The bare spots do encourage the production of bit-terweed where the seed is present.

Grubworm damage can usually be identified by pulling a few dead or dying plants. If the tuft of grass pulls up readily, and the roots are clipped rather uniformly, grubworms in large numbers can generally be found by digging 2 to 3 inches deep.

Masonic Bodies Install Officers Wednesday Night

Officers of Sonora's Chapter and Council Masonic bodies were installed Wednesday. Installed in the top three offices of both bodies were Alvis Johnson, Gene Wallace and Jerry Shurley.

Harold Friess, Deputy Grand High Priest, served as installing officer, and was assisted by E. B. Keng as Marshall. Other appointive officers installed included Gene Shurley, David Shurley, G. G. Bennett, T. K. Nevill, George D. Wallace, T. E. Glasscock, George S. Schwiening, A. E. Prugel, treasurer, and E. B. Keng, secretary, were hold-over officers.

In 1944, the number of fatal accidents to farm residents reached 17,200. Currently, the trend is downward, 11,700 in 1959, the last year for which figures are available.

Accidents in farm homes over the nation killed 2,700 persons in 1959, says the Texas Farm and Ranch Safety Council.

Spotted Light Shower Fall Sunday Morning

Light showers dotted the Sonora area Sunday morning, leaving moisture from a trace to about 1.00 inch. John Irvin King reported 1.15, Wesley Sykes .40; Billy Galbreath good shower; Sonora received .09; John Ward .54; Sol Kelley 1.00.

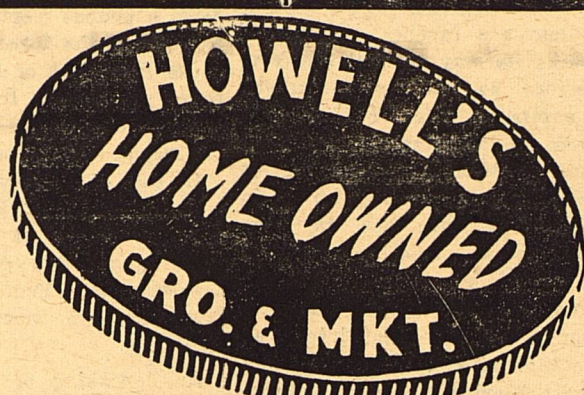

Where it fell, the shower provided good follow up moisture after the June rains. Range vegetation has made remarkable growth during the past three weeks, but more moisture is needed soon to maintain production.

Engagement Announcement

Mr. and Mrs. Don Archer Jones have announced the engagement and approaching marriage of her daughter, Miss Martha Dean Mittel, to M. Lynn Roloff, son of Mr. and Mrs. Melvin L. Roloff of Victoria. The couple will be married here at the First Methodist Church September 2.

Mr. and Mrs. Lee Patrick and Betty Ann attended an annual family reunion last month. About 160 Patricks attended the affair, which was held at Camp Allison.

Mr. and Mrs. Billy Shurley of Marfa were guests of Mr. and Mrs. Edgar Shurley this week.

Miss Mittel is a 1956 graduate of Sonora High School and the University of Texas. Her fiancé is a graduate of Victoria schools and the University of Texas, where he is presently attending law school.

They returned home Tuesday, July 11.

Mr. and Mrs. W. A. McKinnon and grandchildren Tony and Patricia of Waco were Fourth of July guests of Mr. and Mrs. Max G. Hardegree, Mickey and Cathy.

Mr. and Mrs. Monte Yantis, Mrs. Yantis and Mrs. McKinnon are sisters.

THE WOMEN'S PAGE

GIVE BARBECUE SUPPER

Mr. and Mrs. C. E. Taylor were hosts to a barbecue supper party given in their home Sunday evening, July 9.

Seventy-four guests attended including Mr. and Mrs. Royce Regeon, Nannetta and Resa of Big Spring, Mrs. Paul Nixon and Miss Carol Jane Beckett, both of Eldorado.

PERSONALS

Mrs. Clyde Hill was honored with a surprise house warming party Saturday, July 8, given by Mr. and Mrs. C. W. Taylor. Mrs. Ford Allen and Mrs. Taylor served coffee and cake to attending guests.

Out of town guests included Mrs. Hill's sister and husband, Mr. and Mrs. Homer Wood of Big Lake.

Gifts were received from Miss Emma Hamilton and Mrs. Virginia Jones, both of Big Lake, and Mrs. Marie Roberson of El Paso.

Mr. and Mrs. J. W. Elliott and John Webster left Monday for Rockport, where they will join Mr. and Mrs. Marion Elliott and family for a short fishing trip. The group will return to Sonora Saturday.

Weekend guests of The Rev. and Mrs. Allan Guthrie, John and Gil, were Rev. Guthrie's parents, Dr. and Mrs. S. C. Guthrie of Kilgore.

Linda Ann McBride, daughter of Mr. and Mrs. Vestel Askew, and Terry Trainer, daughter of Mr. and Mrs. Louie Trainer, are attending Heart O' the Hills Camp for Junior Girls near Kerrville.

Dessert Bridge Last Wednesday Honors Bride

Miss Martha Jean Valliant, bride-elect of Dean McLain, was honored with a dessert bridge and 42 Party Wednesday, July 5, in the home of Mr. and Mrs. Bryan Hunt. Hostesses were Meses. Albert Ward, James Powell and James Hunt.

Arrangements of spring flowers decorated the party rooms, and green and white, the bride-elect's chosen colors, predominated in the table and house decorations. The 64 guests were served Cherries Jubilee.

In the house party were Meses. Bryan Hunt, Earl Duncan and Rip Ward; and Misses Betsy Ross and Jan Keng. The honoree's mother, Mrs. Roy Valliant, was in the receiving line.

Bridge prizes went to Mrs. Tommy Smith for high; Mrs. John Tedford, who won second high; and Mrs. Lawrence Finklea, who won slam. Mrs. C. E. Browne won the no trump prize, and Mrs. S. M. Loeffler won at 42. Bingo prizes went to Mrs. H. V. Stokes and Mrs. Frank P. Bond.

Miss Emma Hamilton of Big Lake is visiting in Amarillo. She was formerly a teacher in Sonora Schools.

Mr. and Mrs. O. G. Babcock returned this week from a vacation in East Texas, where they visited Dr. and Mrs. Kokernot and family and other relatives.

Dr. C. F. Browne, Tom and Bill Morris left Thursday morning for a fishing trip to the Gulf Coast. The three will be gone about three days.

Mrs. David Shurley has been a guest of her mother, Mrs. Marvin Royster of Laurence, South Carolina, for a few weeks. Her husband recently went to Laurence to accompany Mrs. Shurley home.

Weekend guests of Mrs. Pat Cooper, Betty Jack and Don, were Mr. and Mrs. Jimmy Martin and Molly and Mr. and Mrs. Wayne Haverston and Bob, both of Abilene. Guests this week in the Cooper home were Dr. and Mrs. Thomas Brewster of San Angelo.

Mr. and Mrs. Royce Regeon, Nannetta and Resa, of Ballinger were guests of Mrs. Regeon's parents, Mr. and Mrs. C. W. Taylor, last week. The Regeons are on a vacation which will take them through Temple and Waco, as well as Sonora.

Miss Martha Valliant, Dean McLain Wed In Perryton Rites Sunday, July 9

Miss Martha Valliant, daughter of Mr. and Mrs. Roy Valliant of Sonora, became the bride of Dean McLain, son of Mr. and Mrs. Keith McLain of Perryton, Sunday morning, July 9. The Rev. S. Duane Bruce, pastor of the First Methodist Church of Perryton, read the double ring ceremony in the home of the groom's grandparents, Mr. and Mrs. Sam McLain.

Matron of honor was Mrs. G. K. Rupprecht of Perryton. G. K. Rupprecht was best man.

The bride wore a bone silk sheath designed with a pleated bodice, self-bound round neckline and cap sleeves. The matching waist-length jacket had three-quarter length sleeves. Her hat was a pillbox of pleated

bone chiffon with a short veil. Her other accessories were of bone and she wore a white orchid corsage.

A small reception followed the ceremony.

After a wedding trip to Colorado Springs the couple will be at home in Perryton where her husband is a wheat farmer and the continuity director of a Perryton radio station.

Mrs. McLain is a graduate of Sonora High School and the University of Texas where she was a member of Delta Zeta social sorority. She teaches high school speech and English in Perryton schools. Her husband is a graduate of Perryton High School and the University of Texas.

CARD OF THANKS

Mrs. Jesus Urias wishes to thank all her many friends who have been so kind and thoughtful to her during her recent operation.

'Unsinkable' Titanic Disaster Killed Fewer People Than One Summer's Traffic Crashes

John Jacob Astor donned his formal evening clothes . . . the 8 piece band swung into the strains of "Autumn" . . . the stars shown down on a quiet ocean. Then, the giant "unsinkable" liner, lights suddenly extinguished, sank beneath the water. With her went 1,517 men, women and children. The rich and famous Mr. Astor, the foreign born and little known Mauritz Adahl, the loving, elderly Mr. and Mrs. Isidor Straus (she had refused rescue to stay with her husband) . . . the children, the parents and the newlyweds. The Titanic, then the largest, most luxurious and "safest" ship afloat, was down in the ice-filled Atlantic, taking with her 1,517 souls.

The world rocked with re-
criminations, hearings, accusa-
tions and almost universal grief.

Maritime laws were changed. Famous men committed suicide. Widows, widowers and orphans filled the newspapers with poignant pictures and stories of their irreparable loss. The Titanic sinking was one of three of the greatest "natural" disasters ever experienced by United States Citizens.

Yet a greater, ever-recurring and ever-growing disaster strikes this country every year. Ironically it goes without notice—with no national gnashing of teeth—no remedial

laws. Each summer month—June, July and August, for the past 5 years we have killed more than twice as many people as died on the Titanic. They die not from "natural" disasters, but through man-made mistakes and carelessness on our streets and highways . . . crushed beneath the wheels of trucks, trapped in flaming cars . . . mangled by searing, suddenly accor-
dian-pleated metal. Traffic accidents in the United States in June, July and August of 1959 took the identical number of lives attributed to three of our most dreadful disasters . . . the Titanic, the Galveston tidal wave, and the Johnstown flood. 9,726 men, women and children lot their lives in traffic accidents in those

months. 9,726 men, women and children perished in the three "natural" disasters.
Governor Daniel and local officials and enforcement agencies and citizens have joined hands in support of an international traffic safety campaign, SLOW DOWN AND LIVE. It is the duty of every motorist—of every

pedestrian to join in this effort. SPEED IS OUR NUMBER ONE KILLER. If we all work together . . . if we all SLOW DOWN and if we carry the SLOW DOWN AND LIVE message to our fellow motorist by word of mouth and, most of all by example, we can eliminate disaster from our highways!

New State Law Regulates Foods, Drugs, Cosmetics

Texas consumers of foods, drugs and cosmetics will come out on the long end of an almost completely new state law which goes into effect last next month.

The new law, aimed at consumer protection against adulteration, mislabeling, and false advertising, was passed by the 57th session of the State Legislature with strong support of a major segment of the food, drug, and cosmetics industry.

It becomes effective August 28, and represents the first major overhaul of the State's basic food and drug law in more than 50 years.

State health authorities say the law is as good as is in force anywhere in the nation. It puts Texas on the side of the pro-

ponents of uniformity in state food and drug laws.

The old law made no provision for checking on the wholesomeness of cosmetics, whereas the new act requires truthful advertising, complete labeling as to ingredients, forbids the use of harmful ingredients, and requires that products be produced and held under sanitary conditions.

The law also brings therapeutic devices under control by outlawing worthless contravances such as "cancer belts" and "arthritis rings" and similar quack appliances which take advantage of the desperation of afflicted people.

Under present Texas law the use of certain additives in food or drink is illegal. But after August 28 it will be permissible to use additives to enhance taste, color, texture or preservative qualities of certain foods. However, the burden of proving the additive is not injurious to human health will be on the manufacturer rather than on the enforcement agency as has been the case heretofore.

"Advances in food and drink technology over the past several years indicate a definite place in the food industry for chemical additives," says Joe F. Lakey, director of the State Health Department's food and drug division.

The department takes its task of consumer protection seriously. Lakey says division inspectors had supervised the destruction of 997,978 pounds of food as unfit for human use in the period between September 1, 1958 and August 1, 1960. He listed water, fire, rodent and insect damage as some reasons for condemnations.

To make the transition from the old law to the new one as smooth as possible, the department has already scheduled training sessions for field inspectors to familiarize them with the document they will be working with.

And electric action assures "print perfect" appearance for every word... gives up to 15 clear carbons. See the Electra 12 today.

The Devil's River News

CHAMBER OF COMMERCE COMMENTS

The 4th of July passed without the Carl J. Cahill gang is about a death on the highways of this through hauling the black dirt area. However the nation set a for the greens. Most of the fair-new high. Several hundred So-norans attended the celebration will be cleared soon, SON ALLI-SON IS STILL TAKING NEW MEMBERS.

Brady, some to Fredericksburg and Pecos. It was a dull day in dear ole Sonora. The Rocksprings event broke all records. It was homecoming and several hundred people came from all over the nation, people who at some time had lived in Edwards County. They had a clever parade, all home-spun, clever floats and entries. Prissy Linthicum represented Sonora in the parade while Miss Sonora, Mary John Espy, was attending Waldemar. A good time was had by all at Rocksprings.

PROGRESS: The large, modern home for Mr. and Mrs. Dan Caughtorn is well on its way. This home, across from the Webb Elliott home, will be quite an addition to Sonora. The Dairy Mart is open. Chas. Chamberlain built a unique and attractive structure for this business. It is being operated by Mr. and Mrs. Ed Olinick. The Billy Green windmill shop and sales room is about finished and makes a nice addition to west Sonora. It is across the highway from the Mat Adams Humble Station.

GOLF NEWS: Work on the Sonora Golf Course is progressing nicely. The pipe is all on the ground, six inch pipe has been installed under the highway, the El Paso gang is now welding and preparing to lay the mains and feeder lines and

**Thomas D. Bond
Ordained Deacon
In Uvalde Rites**

Ordination services for Thomas Dudley Bond were held in St. Philip's Episcopal Church Friday, July 7. The Rt. Rev. Everett H. Jones, D. D., Bishop of West Texas, preached the sermon and officiated at the ceremony of ordination to the diaconate.

Rev. Bond, son of Mr. and Mrs. Tom Bond of Uvalde and formerly of Sonora, is a graduate of the University of Texas, served in the Air Force two years, and in June of this year was graduated from the Church Divinity School of the Pacific at Berkeley, California.

Rev. Bond and his wife, the former Celia Pesqueira, and 13 month old daughter, Felicia, will be stationed temporarily at Santa Fe Mission, San Antonio, until he goes as a missionary to the Episcopal district of Mexico City.

Attending Rev. Bond's ordination to the Office of Deacons were his uncle and aunt, Mr. and Mrs. Frank P. Bond of Sonora. Dr. Frank L. Bond of San Antonio also attended. Other Sonorans who attended the evening service were Rev. Lea Roy Aldwell, Dr. and Mrs. W. T. Hardy, Mrs. Carra Simmons, Miss Nan Karnes and J. M. VanderStucken.

Taking part in the service in addition to the candidate, Bishop Jones and the Rev. Beverly M. Boyd, D.D., rector of St. Philip's, were the Rev. Christopher Jones of the Church of the Redeemer, Eagle Pass, and the Rev. Carl E. Jennings, associate rector of St. Mark's Church, San Antonio. Also participating were W. H. Barton, layman of St. Philip's and John Buchanan, who was in charge of the music.

After serving for six months, Rev. Bond will be further examined and then advanced to the next order which is the priesthood.

Mr. and Mrs. Homer Wood of Big Lake were weekend guests of her sister and brother in law, Mr. and Mrs. Clyde Hill.

G. G. Bennett recently left for Port Lavaca, where he will visit his granddaughter.

Mrs. Robert Kelley and son Bobby are in Beaumont visiting her mother, Mrs. Harry Pearson.

Miss Martha Mittel was a guest this week of her grandmother, Mrs. Ella Holiman, of San Angelo.

City. Spot paving is being done over town but one very noticeable improvement is the retopping and seal coating of the street from the Football Field to the Del Rio road. Another good news is that the City has a new mower in operation and is working toward cleaning many unsightly and hazardous spots of weeds.

INDUSTRY: Sonora's newest industry is the Reliable Equipment Co. It manufactures floats for water troughs. E. J. Hardgrave of San Angelo and his sons Bob and Jo of Sonora are owners of this enterprise. Their product is for sale in many places of business.

Industries are few and far between in towns of Sonoras size. Sonora has another one many do not know of. Did you know that E. T. Smith compounds and packages an ant killer that is very popular over West Texas and can be found in most stores?

THE FINISH: The Little League summer program comes to an end this week in Sonora. The play-off with Ozona will be here on July 24th. The summer program has worked out successfully. Good attendance, fine sportsmanship by players and fans and all in all it has been a very worthwhile project.

RECHARGE: During the big rain, a while back, Willie Miers invited this writer out to fish in his big lake. The draw into it had been running some two or three days and the lake was nearly full. It is said that Willie came to town to order some deep sea fishing paraphernalia and went back by the Lake and found it dry. A cave in the bottom of the lake had snapped it dry and the water was well on its way to San Antonio and places east.

RENTALS: Did you know Sonora has 140 pieces of rent property, furnished and unfurnished houses and furnished apartments? Did you realize what an impact on Sonora economy having these properties full makes? Wishful thinking doesn't fill them, you gotta work at it. We appreciate your suggestions.

WONDERFUL: The paving program being carried on by the
