1961 Seniors Now In Many Walks Of Life In Armed Services, Schools, Or Working

Wondering what is happening to the members of the Senior Class of 1961? Of its 41 graduates 27 are either in college or receiving some type of advanced training, six are in the armed services, two are housewives and six are employed either locally or out of town.

Working in Sonora are Gloria Bolt, Sam Caldwell and Everado Castro. Joe Garcia is employed in California, Roxie Glasscock in San Angelo and Gene Henderson is with a seismograph crew which is in the Houston area.

Applying their home economics training are Gloria Gonzales, now Mrs. Vivian Vasquez, and Dorothy Harris, now Mrs. Emmett Wilson.

With the service are: Oscar Bermea, U. S. Air Force, leaving for England; Rojello Caranza, U. S. Air Force at Amarillo; Israel Leija, U. S. Navy Band at Washington, D. C.; Charlie Smith, U. S. Army, Fort Riley, Kansas; Curt Schwiening, Jr., U. S. Army, Fort Ord, California; Mack Mayhew, U. S. Army, Fort Riley, Kansas.

Red Cross Drive For Carla Victims Over Top Here

Sutton County Red Cross fund chairman Mrs. Nelson Stubblefield announced this week that the county has met its special fund quota of \$649.00 for aid to victims of Hurricane Carla which ravaged the Texas coast last month.

"I am very proud of the people of Sutton County for the promptness with which they answered the call for additional funds," Mrs. Stubblefield said, "and am very grateful for their co-operation in filling our quota."

Funds have been mailed to the American Red Cross but any additional donations will be forwarded at once.

CUB PACK MEETING SET MONDAY NIGHT

Cub Scouts of Sonora Pack 19, their leaders and parents will have a pack meeting at 7:30 Tuesday night, October 10, at the Methodist Church. The Den led by Mrs. H. V. Humphreys and Mrs. Alanson Brown will present a skit.

All boys entering Cub Scouting for the first time will be inducted into Cubbing.

Bob Allison, 47, Former Sonoran Buried Saturday

Word has been received here of the death of Bob Allison, formerly of Sonora, September 27 in Spokane, Washington. Allison, who was 47 years old, was buried September 30.

Survivors include his wife, the former Miss Sara Ory of Sonora, and three children.

B's Defeat Eldorado, Colts Lose First In Thursday Games

The Sonora High School "B" team maintained its undefeated record for the year by downing the Eldorado "B" squad 12 to 6 here Thursday night. It was the third victory of the year for the Sonora team which also lost no games last year.

The Junior High Colts suffered their first loss at the hands of the Eldorado Eaglets 32 to 6 there Thursday night. It was the Eaglets third win this year.

This Thursday night, the "B" team meets Junction there while the Colts will host Big Lake.

Law enforcement officers from 21 counties comprising the West Central Texas Peace Officers Association will meet in Sonora Thursday, October 5. Between 150 and 200 persons are expected to begin registering at the 4-H Club center at 8:30 with meetings scheduled to begin at 9:30.

Speakers for the meeting will include Sutton County Attorney Jerry N. Shurley; Bill Kavanaugh of Austin, administrative assistant with the Department of Public Safety; Speedy Martin of Austin, with the legal document section of the DPS; and Ernest Duke of Fort Worth, acting secretary-manager of the Texas and South-western Cattle Raisers Association. Subjects to be discussed include livestock theft, civil defense and proposed legislation.

Election of officers will take place immediately following registration. The Sonora Chamber

of Commerce will be host to lawmen and their families at a barbecue lunch.

Following adjournment which is expected to take place about three o'clock Thursday afternoon, Sheriff Herman Moore will conduct guests on a tour of the Caverns of Sonora.

Present officers of the organization are Schleicher County Sheriff Orval Edmiston of Eldorado, president; Howard County Sheriff Miller Harris of Big Spring, first vice-president and Coke County office deputy Jean Mathis of Robert Lee, secretary.

Directors are Coke County Sheriff Melvin Childress of Robert Lee; Moore; Constable Red Williams of Abilene; Chief of Police Raymond Grover of Coleman; Harris; District Attorney Weldon Kirk of Sweetwater, and Constable Jack Davis of Abilene.

Door prizes furnished by Sonora merchants will be awarded during the day.

Lions Hear Talk On Communism At Tuesday Meet

Colonel M. R. Kinsler, technical advisor at Ozona Radar Station, was the main speaker at Tuesday's luncheon meeting of the Sonora Lions Club. He spoke on Communism and the threat it poses in America today.

Asking the question, "Why do we need to be concerned with internal Communism?", Kinsler said that the Russians claim to be working toward Communism through Socialism. He quoted Russian Premier Nikita Khrushchev as saying that the grandchildren of this generation of Americans will be living under Socialism.

Socialism, Kinsler stated, in turn leads rapidly to Communism through suppression of individual initiative and through in exchange for the father image of the Soviet Republic.

Survival is the most basic instinct of man, he continued, and we must arouse this instinct in the American public.

He cited Plato as the first advocate of pure Communism and included in a history of the idealism its trial in the Jamestown Colony in early American history, also in the first year of the establishment of the Plymouth Colony. In both cases Commun-

SGT. MIGUEL IBARRA, JR. ON NATO EXERCISE

Army Sergeant First Class Miguel C. Ibarra, Jr., whose parents live in Sonora, recently participated with other 32nd Signal Battalion Headquarters Company personnel in Checkmate, a NATO tactical training exercise conducted in Europe.

Sergeant Ibarra and members of his unit were joined in the simulated combat exercise by NATO troops from Great Britain, France, Germany and Belgium. The exercise was designed to test procedures for joint combat operations.

Ibarra, supply sergeant in the company in Darmstadt, Germany, entered the Army in 1952 and arrived overseas on this tour of duty in June 1959.

He is a 1950 graduate of Sonora High School.

ism was abandoned in order to avert starvation.

Russia, he continued has made 1,000 agreements with United States and has violated all but three of them, this according to the Committee on Communism of the American Bar Association. "What," Kinsler asked, "can we expect of future 'scraps of paper'?"

Colonel Kinsler concluded by recommending two books on Communism, "A Primer On Communism" and J. Edgar Hoover's recent best-seller, "Masters Of Deceit".

Bronco Boosters Asked To Form Football Caravans

Sonora football fans are being asked to form motor caravans for the two out of town conference games to be played this season. Fans are requested to decorate their cars and to gather at the band hall to follow the band bus to the Ozona and Big Lake games.

Time of departure will be announced in this paper on the Thursday before each of the games.

HOSPITAL AUXILIARY TO MEET MONDAY

The Lillian M. Hudspeth Hospital Auxiliary will hold its regular monthly meeting at three o'clock Monday afternoon, October 9, at the fellowship hall of the First Methodist Church.

Mrs. Walter Anthony has returned to her home here after a visit in Port Stockton with Mr. and Mrs. Wallace Anthony and Judy Nell.

Sp/4 Roland Drennan of Fort Hood spent the weekend here with his parents, Mr. and Mrs. Jack Drennan.

PTA Style Show Very Successful

L. P. (Broderick) Bloodworth as the "imminent" fashion designer and his staff of "trained" professional (male) models gave a glance at things to come in the fashion world in a PTA-sponsored fashion and variety show at the high school auditorium Saturday night.

Models were Jim Hugh (Fifi) Richardson, Albert (Winnie) Ward, Jack (Carla) Kerbow, Lacy (Stephanie) Steed, Dennie (Henie) Hays, Dick (Penelope) Black, Bob (Snookie) Snodgrass, Luther (Wilhelmina) Walker, David (Hedda) Shurley, Harold (Schotzie) Scherz, Ralph (Rose) Finklea, Norman (Robyn) Rousset, Rex (Loretta) Lowe, Bob (Ginger) McMillan, Smith (Nellita) Neil and Doyle (Dollie) Morgan.

Talent, furnished by The Corlettes, traveling troupe from Lower Slobbovia included the song and dance team of Irene Davis and Jo Ann Lowe, a trio of Jan McClelland, Jane Loiry and Pam Jones, pantomimist Loise Fields, dancer Debbie Cooper and chorus, the two piano team of John Tedford and Doris Rousset and organist Millard Allen.

Aline Schwiening left last week for Austin where she will be employed at St. David's Hospital.

G. H. Hall spent last weekend in Arlington with his son-in-law and daughter, Mr. and Mrs. Jimmy Sloan.

Broncs Travel To Rankin Friday To Meet Formidable Red Devils

Sonora High School's Broncos will meet their most formidable foe to date in the 1961 football season when they travel to Rankin Friday night to challenge the Rankin Red Devils.

The Red Devils have a season record of one win, two losses and one tie, that in their season opener with Big Lake 8 and 8. They lost to Class AA Crane 25 to 16 and to state-ranked Eldorado 16 to 6 but swamped Ozona 34 to 16 last week on the Lions

home field. Rankin fields a heavy team, especially in the backfield where 180-pound Quarterback Bucky Scarborough is a leading rusher and passer, teaming his passing with End Ernest Clay and Backs Lonnie Ferrell, Jimmy Linticum and little but fast Tom Aguilar.

Likely starters for Sonora will be Backs Primo Gonzales, Lester Schmidt, Johnny Morris or Danny Rutherford and Julio

Samaniego; Ends Augustine Chavez and Arthur Bermea, Tackles Douglas Wood and Luis Perez, Guards Preston Neely and Bob Nevill and Center George Roberson.

Other 8-A teams will also be playing this Friday night with Ozona meeting Sanderson, Junction playing Mason, Eldorado taking on Robert Lee and Big Lake facing Iraan.

It was the Bucks fourth loss this year.

In the first quarter, Quarterback Primo Gonzales completed a 25-yard pass to Halfback Johnny Morris for the opening touchdown, then carried the ball across the goal stripe for the two bouns points.

In the second period, Gonzales connected again, this time with Halfback Julio Samaniego who ran 40 yards to rack up the score. Shortly after, Gonzales took the ball on his own 11 yardline, running it back the needed 89 yards for the third Bronco touchdown. He also kicked the extra point.

Still later in the second quarter Gonzales pass to End Arthur Bermea who continued for 25 necessary yards and the Broncos' fourth touchdown.

Alpine's only score came in the third quarter when Halfback

Elijio Leyva intercepted a Sonora pass on the Broncos' 47 yardline, carrying all the way. Halfback Alfredo Espinosa carried for the two conversion points.

Statistics: First Downs, Sonora 17, Alpine 5; Yards gained rushing, Sonora 166, Alpine 104; Sonora completed 7 of 14 attempted passes for a total yardage of 98, Alpine completed 2 of 10 for 15 yards; Sonora lost ran 40 yards to rack up the score. Shortly after, Gonzales took the ball on his own 11 yardline, running it back the needed 89 yards for the third Bronco touchdown. He also kicked the extra point.

Elsewhere in District 8-A, Ozona lost to Rankin 16 to 34, Junction downed Sabinal 13 to 6, Eldorado swamped Rockspurs 40 to 6 and Big Lake defeated Coahoma 22 to 15.

37 5 Year-Olds Start Classes At New Elliott Kindergarden

The kindergarten and pre-first grade class at L. W. Elliott School began its studies in the newly renovated classroom Wednesday morning with Mrs. Wesley Sykes and 37 five-year-olds in attendance. Several more children are on a list, waiting a chance to enroll.

The new pre-school program is sponsored by the school's Parent-Teacher Association of which Mrs. Alfred Bermea is president. Serving on the planning committee with Mrs. Bermea and school principal Troy W. Selzer were Ralph Gonzales, Mrs. Pedro Chavez, Mrs. Pedro Samaniego, Sam Perez, Isael Perez and Mrs. Beatriz Artiga.

The school room has been painted and scrubbed, new curtains are hanging over freshly washed windows and everything is spotless and cheerful for the new class. Much of the work of painting and cleaning has been

done by PTA members after regular work hours, with many persons working until late in the night to get things ready for the opening day. The First Methodist Church donated furniture for use by the children.

Parents spending many hours of work on the school room have been Ralph Gonzales, Isael Perez, Mario Duran, Pedro Chavez, Peter Virgen, Felipe Virgen, Alex Gonzales, Jesus Gomez, Pedro Samaniego and Mmes. Peter Virgen, Maria S. Chavez, Emma Gomez, Lalo Martinez, Fidencia G. Pena, Alex Gonzales, Esperanza Gonzales, Natividad Arredondo, Jesus Noriega and Pedro Samaniego.

Material for curtains was donated by Mrs. Peter Virgen, and Mrs. Maria S. Chavez assisted in making them. Rods were contributed by Mrs. Felipe Virgen and Marciano Hernandez. Mrs. Chavez and Mrs. Peter Virgen hung

the curtains.

Present for the first day of classes were students Diana Arredondo, Guadalupe Avila, Norma Gloria Avila, Eriberto Bernal, Ramiro Chavez, Mario Duran, Kelly Esquivel, Baldo Z. Favela, Jose Jaime Favela, Oscar Galindo, Elias Gomez, Alex Gonzales, Anna Maria Gonzales, Melinda Rose Gonzales, Isabel Guerra.

All Texas Air Tour Due To RON Here Sunday Night

Members of the All Texas Air Tour will begin landing at Sonora Municipal Airport, Joe Berger Field, about four o'clock Sunday afternoon, October 8. Small craft from some 20 states and Mexico, besides a large number of Texas flyers, will put down on the local landing strip to Remain Over Night in Sonora.

The group will be entertained with a barbecue at the Lea Al-

lison ranch Sunday night and will spend the night in Sonora, leaving Monday morning for the remainder of the tour which include other overnight stops in Carlsbad, New Mexico, Plainview, Denton, Lufkin, and Galveston before ending at Austin on October 17.

The tour traditionally originates in Temple, starting on October 7 and will RON in Harlingen

that night.

This will be the third year the tour has put down in Sonora, but will be the first time a RON has been scheduled for the town.

Purpose of the annual tour is to point up the safety of mass movement, the utility of small aircraft, betterment of "Good Neighbor Relations", and to publicize the "March of Dimes". Sponsors of the Tour are: Tex-

as State Aviation Association, Texas Private Flyers Association, Texas Flying Farmers and Ranchers, Texas Ninety-Niners, Texas Wing of the Civil Air Patrol, and the Texas Aeronautics Commission.

A number of Sonora flyers plan to join the group at Harlingen and fly in to Sonora with them.

**Devil's River Philosopher Will
Renew His Subscription If It's
Not Contrary To World Opinion**

Editor's Note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River said, World opinion will examine world opinion in his letter this week.

Dear editor:
Every once in a while you hear a world leader—although I'd like to say before I go any further that I don't know what a world leader is, the direction the world's going these days, I don't know of anybody who'd like to be accused of leading it—at any rate, you hear one of them say action of this or that nature will be condemned by world opinion, or endorsed by world opinion. I don't know what they're talking about.

Well, she's been testing them right and left for the past few weeks and whatever the world's opinion of her is, it hasn't put a stop to the tests. It's my opinion that it's not world opinion but Khrushchev's opinion and his staff's opinion that decide how many tests are going to be made.

Understand, I'm not in favor of Russia's testing these bombs, as far as I can tell they work too satisfactorily already, the world now has enough bombs on hand to supply the equivalent of ten tons of TNT for each man, wo-

man and child on earth, which as far as I'm concerned is plenty for me, somebody sure has over-rated me, I ain't that indestructible, but so far in the history of man world opinion has been one of the most ineffective weapons imaginable against a dictator bent on holding on to his job.

It's a shame, too. Nothing would suit me more than to decline to get on my horse and start work on account of it might be contrary to world opinion. I can see real advantage in going into the bank and announcing I'd better not pay off my note on account of world opinion already claims America is too rich and I don't want to add any fuel to that flame.

World opinion some day may be an effective weapon, but right now there are too many countries where you can get into office without being elected.

When my subscription to The Devil comes due, send me a bill and I'll check with world opinion to see if I ought to pay it.

Yours faithfully,
J. A.

"Take It With You" Says Highway Dept.

"You can't take it with you." That's the thoughtless attitude of the "litterbug," who leaves a trail of trash behind on Texas highways and Roadside Parks.

The Texas Highway Department asks that you do "take it with you" when traveling, said State Highway Engineer D. C. Greer.

"Summer is the time of year when Texans and their families enjoy the outdoors to the fullest," Greer noted. "We encourage motorists to enjoy using our highways and Roadside Parks—but please leave them clean for the enjoyment of others."

Greer urged motorists to follow these simple rules to stamp out litter:

Set a good example for your children and neighbors by always

disposing of trash in a proper receptacle and carrying a litter-bag in your car.

Aid your local civic organizations in making people aware of the need to keep Texas highways beautiful by "stowing" trash, not throwing it.

Enjoy the picnicking facilities of Roadside Parks but leave them clean for the next visitor.

Greer commented that a large percentage of the litterbugs are not out of state tourists but are Texas residents. "I am afraid that many of our litterbugs are local citizens," he said. "They simply do not think of the consequences of throwing out an empty pack of cigarettes, a napkin, or a bottle and how these items, multiplied by the thousands of motorists who use our highways each day, can destroy the scenic qualities of our highway network."

He pinpointed bottles as the "triple threat" of highway litter.

"First, they are the hardest items to pick up among the lit-

ter; second, they often break when thrown from a car window and can cause slashed automobile tires or injuries to people who step on them; third, they can be the origin of grass fires caused by the summer sun's rays."

He said the litter problem is especially acute in Texas' 1,000 Roadside Parks during the summer months when they are heavily used. "We provide disposal units at these parks and ask that they be used."

Rich new styling with Jet-smooth ride '62 CHEVROLET

Think of just about everything you ever wanted in a car—and darned if this one doesn't have it! A road-gentling Jet-smooth ride. New choice of V8 skedaddle. Beauty that stays beautiful—right down to new rust-resisting front fender underskirts.

This one may have you asking, "How did Chevrolet do it?" There's a new V8 choice ranging all the way from a standard 283-cubic-inch sizzler to two 409-cubic-inch powerhouses. And there's that '62 Jet-smooth ride with a supple Full Coil spring at each wheel and well over 700 body and chassis sound insulators and cushioners.

There are longer lived mufflers for all engines. A Grand Canyon of a trunk. Magic-Mirror finish. And, well, we could write a book about it all. Matter of fact, your Chevrolet dealer's got it all down on paper. Get a fill-in from him now.

Six Pronghorns Gift From Texas Flown To Italy,

Six Texas pronghorn antelope left by air September 20 for Italy. They were accompanied by Fred W. Stark, director of the San Antonio Zoo and Aquarium. A trio of antelope will be presented to both Rome and

Naples zoos.

Through a request from Howard Dodgen, executive secretary of the Game and Fish Commission, to Governor Price Daniel, a letter of official sponsorship from Texas was carried to Italy by Stark.

Stark is the director of the San Antonio Zoo and Aquarium, and long has been interested in the extension of international zoological cooperation.

In a letter to the Game Commission, Professor Dr. Raffaele Anatriello, administrator of the provincial project, pointed out their interest in having the pronghorns, which would be one of the most specific North American animals, in the Italian zoological gardens.

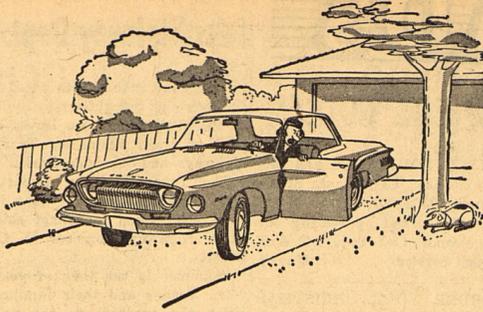

The zoological garden in Rome is celebrating its 50th anniversary this year. The International Union of Directors of Zoological Gardens will be in session there from September 24 to September 30, according to Dr. Adriano Monarca, sub-commissioner of the zoological garden in Rome.

Sheep And Lamb Industry Growing Item In Texas

Sheep and lamb slaughter is becoming a more important item in Texas each year. In 1960, only 4 percent of the U. S. commercial slaughter could be accounted for by Texas, but by 1960 this figure had increased to 8 percent of the total, says Ed Uvacek, extension livestock marketing specialist.

Continuing this trend, federally inspected slaughter of sheep and lamb during the first half of 1961 has far exceeded slaughter for the same period of 1960. The principal gain occurred in the South Central region showing a 33 percent increase over the first quarter of 1960, while the U.S. as a whole showed only a 10 percent increase. Heavy slaughter during these months was also evident in the Mountain and West North Central areas of the country, continues Uvacek. Forecasts indicate slaughter will continue close to last year's levels for the rest of the year. South Central slaughter, however, will probably drop lower during the July-September quarter.

Since 1957, January 1 inventories of sheep and lambs on Texas farms have increased 37 percent and now total 6.2 million head. This increase represents a reversal of the trend

"Get in here you coward."

Commission Eyes Hurricane Damage To Wildlife

ecology on the Texas Gulf coast is now being surveyed by crews of the Texas Game and Fish Commission, according to W. J. Cutbirth, Jr., director of administrative service of the Game and Fish Commission.

Because of disrupted communications, only partial information has been available, covering damages to Commission properties as a result of Carla. It is known definitely that the marine laboratory at Seabrook was totally demolished, with loss of all laboratory and office equipment. Files, however, concerning shell deposits and sales were rescued before the full force of the hurricane hit.

started in the mid 1940's when there was a nationwide shift out of the sheep business.

This year, Texas sheep received the highest condition rating ever for a July 1. The Western Range states showed sheep conditions averaging the same as last year's level, and slightly better than last month.

With a reasonably strong slaughter yet to come and an already depressed market, the outlook is for seasonally lower prices into the fall with some possible improvement late in the year, says Uvacek. Live lamb prices will probably be slightly below the corresponding year's levels in the fall and feeder prices are also expected to be forced down by these low slaughter lamb prices.

PERSONALS

Mary Wilson, a student at Southern Methodist University, Dallas, spent last weekend here with her parents, Mr. and Mrs. Duke Wilson.

Bobby Sosa, son of Mr. and Mrs. Eddie Sosa, is attending Tarleton State College at Stephenville.

Jimmy Cahill returned to Texas Technological College at Lubbock Sunday after spending the weekend here with his family, Mr. and Mrs. Carl J. Cahill and Diana.

Only slight damage was done to the marine laboratory building at Rockport, and other smaller structures belonging to the Commission up and down the coast were only slightly damaged. It is not known yet just how many boats have been lost, because many of the boats were taken to higher ground by wardens and biologists.

Inspections also are being made of fish passes, and the extent of damage to them. There is also an indication that some additional passes may have been opened through Matagorda Island.

Tremendous damage was done to wildlife habitat along the entire coastline. Heavy rains inundated rice fields and pasturelands the entire length of the coast. For instance, it was reported that a person could go by boat all the way from Eagle Lake to the Gulf of Mexico. The wind and rains threatened all the unharvested rice fields near the coastal area.

So far, there has been no report of any heavy fish loss, but this too is being further checked.

I Give You Texas

By Boyce House

A businessman in New Orleans said to a visitor from Chicago, "I would be glad to have you as my guest tomorrow at the New Orleans Chamber of Commerce Membership Council; we have a speaker from Texas."

The visitor said, "Thank you, but I don't believe I'll go."

The businessman went on, "His name is Boyce House." The Chicagoan shouted, "Yes, I'll go! He's my cousin."

Which was a fact. His name was Karl Gillespie and he hadn't seen each other in over 40 years.

Incidentally, when the invitation to make the speech was accepted, I assumed it was a small organization. On the train en route, I read the information and found that the editor of "Look" and Secretary of the Army Pace were among recent visitors and that, the week before, General Lawton Collins, chief of staff, was the speaker.

I figured that an unknown from Texas would be no attraction in the face of such "names." The meeting was in the ballroom of the Roosevelt Hotel and they had

to crowd in extra tables to accommodate the crowd.

Thing was—they had been hearing so many world figures on world problems that, for a change, they welcomed somebody—even a Texan!—who had no message but was just trying to give a few laughs.

My cousin Karl and I had a happy reunion in charming New Orleans. We talked about boyhood events and scenes. He was my host at dinner in a famous restaurant and, because I knew a former Texas newspaper couple who lived in the French Quarter, Karl and I had the privilege of visiting the historic, picturesque mansion. Though a frequent visitor to New Orleans, my cousin had never been in one of the old houses before.

A few months afterward, a letter came, telling that Karl had died. Life has its splashes of sunshine and its gray shadows.

Ford introduces for 1962 two distinguished new series: Galaxie & Galaxie/500

Enduring elegance... with the power to please

With Thunderbird styling . . . Thunderbird power . . . and quality craftsmanship that sets a new industry standard . . . the 1962 Ford Galaxies give you every essential feature of far costlier luxury cars.

Swift as a rumor, silent as a secret, Galaxie '62 has the timeless distinction and talent for travel of the Thunderbird that inspired it. Every quick quiet mile whispers: here is a new standard of quality. And every luxurious detail confirms it. This is the car that introduces twice-a-year maintenance. Routine service is

reduced to 80,000 miles on many items such as major lubrications, twice a year or 6,000 miles on the rest. We suggest you see the new Galaxie and Galaxie/500 (shown above) for yourself. We are confident you will agree: it's pointless to pay more—or settle for less.

Screw Worm Project Needs \$3 Million

The eradication of one of the ranchmen's greatest problems, screw worms, may soon be within reach of the ranchers of Sutton County with the formation of the Southwest Animal Research foundation in Fort Worth.

Purpose of the foundation is to raise \$3 million to start a plant to raise sterile flies which breed the damaging parasite. A program such as this has been very successful in Fla. and from the Mississippi Valley eastward to Florida. Florida has had no screw worms for three years except for a small outbreak this summer, originating in Texas cattle imported to Florida.

The savings in livestock losses will pay for the program

7:15 p.m. over KENS, San Antonio-680.

many times, the Foundation says. The Foundation is asking every ranchman to donate a minimum of 50 cents per animal unit of livestock run. In Sutton County this would amount to about \$85,000 raised on the approximately 67,500 animal units in the county.

If funds are raised by January 1, 1962, the Foundation hopes to have the program underway to the extent that there will be appreciable relief from screw worms next summer.

The Sutton County committee working with the Foundation will contact ranchmen and will conduct a special meeting on November 14 at which time full details of the program will be outlined and all questions answered, according to Ralph P. (Buddy) Mayer, committee chairman. Serving with Mayer are Bill Morris, W. B. McMillan and Stanton Bundy.

Punt, Pass, Kick Competition Set Saturday Morning

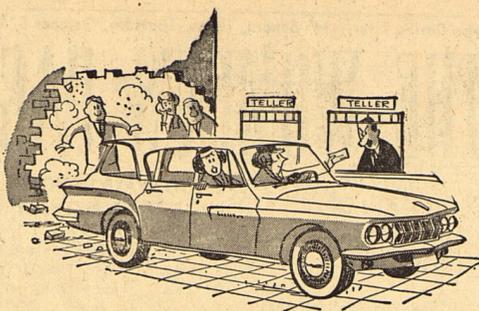

Practice time is nearly over for the boys from the Sonora area who will be competing Saturday morning, October 7, in the first Punt, Pass and Kick competition.

The public is invited to Bronco Stadium to watch grade school boys aged 6 through 10 test their skills in punting, passing and place-kicking footballs. Entrants will receive one point for each foot the ball travels through the air, and will lose one point for each foot the ball lands on either side of a center line.

John Bell, Director of Competition, said each ball would be marked at the spot where it lands, and that distances immediately would be measured by the judges. He pointed out that boys would be competing against others in their age groups only, thus preventing unequal competition.

Judges for the unique competition, designed to offer all boys the opportunity to take part in football activity, will be Tommy Smith, Pat Brown and J. D. Ingram.

In case of ties in the competition for the first second and third place winners in each age group, the competition will be repeated by those boys. First prizes will be football uniforms, second prizes will be warm-up jackets, and third prizes will be
