

Experiment Station Team To Demonstrate Ram Performance Tests At Field Days

Sutton County sheep raisers can learn how to establish their own performance-testing program at one of three "traveling field days" soon to be conducted by Experiment Station and Extension personnel, according to County Agent D. C. Langford.

Importance of performance testing is emphasized by results obtained at the Sonora Experiment Station on the two rams shown in the accompanying photograph. Overall appearance of the two-year-olds is very much alike, but beauty is only skin deep, Langford pointed out.

Ram A, held by Fred R. Campbell, animal husbandman, left, produced 11 pounds of clean wool while Ram B, held by Dr. W. T. Hardy, Station superintendent, produced only 7.9 pounds. Staple length for Ram A was 4.42, while Ram B measured 3.61 inches. Ram A's Selection Index Score totaled 78.5 compared to 66.9 for Ram B. Scores for other rams in last year's tests ranged from a low

of 43.0 to a high of 82.7.

First of the field day programs is slated for Coleman's rodeo grounds on Monday, April 30. The second will be held at the Agricultural Center in Kerrville on Wednesday, May 2, and the last will be held in Ozona at the 4-H and FFA Show Barn. All events will begin at ten o'clock in the morning and a Dutch-treat barbecue lunch will be served at noon.

Several pairs of rams which resemble each other in general appearance but differ in performance records will be shown. Appearing on the programs with Campbell and Dr. Hardy are Dr. O. D. Butler, head of the Department of Animal Husbandry at Texas A. & M. College; Dr. J. M. Shelton, McGregor; James A. Gray, San Angelo, and commercial breeders J. M. Auld, Jr. of Mountain Home, Carl Martin of Menard and Phillip Robbins of Fort Stockton.

All local producers are invited to attend one of the field day programs.

Fred R. Campbell and Dr. W. T. Hardy

Little League Practice Now Underway With Team Assignments Complete

Little League baseball practice is getting underway with team assignments made and managers beginning to shape up their teams for the May 8 double-header opener.

Playing for the Yankees, managed by Buddy Brown and Cleveland Nance, will be Tommy Glasscock, Elpidio Torres, Jr., Richard Perez, Thurston McCutchen, Erasmo Lumberas, Sammy Martinez, David Wuest, Ruben Chavez, Ramiro Martinez, Ramiro Gandar, Cleveland Nance, Henry Perez, Danny Carrillo, Robert Duran and Carlos Gomez.

Cubs, under the tutelage of Vernon Cook, are Alex Castro, Arturo Gonzales, J. V. Cook, Robert Mata, Mike Richardson, Jess David Cook, Dale Selzer, Ramiro Perez, Humberto Villarreal, Greg

Everett, Ricky Hill and Frank Halbert.

Comprising the Tigers, managed by J. D. Ingram, George Smith and Nick Esquivel, are Manuel Sanchez, Richard Bermea, Seferino Perez, Nicky Esquivel, Barry Black, Israel Sanchez, Bill Green, Jackie Bricker, Dwayne Davis, Sandy Ingram, Sonny Pavila, Henri Berlanga, Tom Green, Richard Bernal, Ronnie Baltazar, Arnoldo Samaniego and William Bricker.

The Giants, coached by Bobby Joe Granger, Norman W. Rousset and Marciano Hernandez, Jr., are Tony Martinez, Billy Wayne Smith, Steve Thorp, Mike Holley, Monte Dillard, Richard Cox, Jessie Martinez, Mitch Trainer, Willie Gutierrez, Francisco Guerra, Linos Martinez,

JIMMY CAHILL PLEDGES KAPPA ALPHA AT TECH

Jimmy Cahill, son of Mr. and Mrs. Carl J. Cahill of Sonora, has been pledged to Kappa Alpha social fraternity at Texas Technological College, Lubbock, Texas where he is a freshman student.

Jimmy is one of 240 men pledging the 11 social fraternities at the college.

G.E. (Robbie) Creagh Buried Here Wed. April 18

Graveside services were held for George E. (Robbie) Creagh, 60, Sonora theatre operator, Wednesday afternoon, April 18, with the Rev. Cyril Hermann, O.F.M., of St. Ann's Catholic Church officiating. Creagh died Tuesday morning, April 17, in a San Antonio hospital after a brief illness.

Born May 22, 1901 in Breckenridge he was the son of the late Mr. and Mrs. William Creagh. He came to Sonora about 15 years ago and had been operator of the Bronco and La Vista Theatres for the past several years.

Survivors include one sister, Mrs. E. O. Box of Ada, Oklahoma; two brothers, J. S. Creagh and Andrew Creagh, both of Breckenridge; and a number of nephews and nieces including Mrs. Albert Ward of Sonora and Mrs. Jimmy Sloan of Arlington.

Pallbearers were Nelson Stubblefield, Louie Trainer, Henry Greenhill, James D. Trainer, Thomas B. Thorp and John McClelland.

Arrangements were under direction of Ratliff-Kerbow Funeral Home.

Screwworm Inspection Station To Be Set Up Here After Confirmed Outbreak

25th Annual Wool And Mohair Show Slated In June With Judging Contest

By D. C. Langford

The 25th annual Sonora Wool and Mohair Show will be held June 12, 13 and 14 at the Sonora Wool and Mohair Company. The show, featuring "The National 4-H Wool Judging Contest", is sponsored each year by the Sonora Lions Club.

Ranchers and junior exhibitors are encouraged to save their top wool and mohair fleeces and bays of wool for this annual event that has grown to be the largest wool and mohair show in the nation.

Classes are provided for both junior and adult producers. Each exhibitor may enter two wool or mohair fleeces in each single fleece class and one bag of wool in each bag class.

Wool classes are for strictly finewool fleeces and include separate divisions for fleeces from range finewool sheep, registered Rambouillet sheep and registered Delaine sheep. Classes are provided for yearling ewe, aged ewe, yearling ram, and aged ram fleeces for each division.

Mohair classes are for both registered and range mohair fleeces and include classes for doe kids, aged does, buck kids and aged bucks in both the junior and adult shows.

Bag classes include yearling ewe, aged ewe and eight-month ewe wool in both junior and adult divisions. The adult division also includes bag classes for 12-months aged ram wool and for eight-months aged ram wool.

The Sonora Wool and Mohair Show has established the reputation of being the outstanding show of its kind in the U. S. and this reputation can be maintained and improved through your support of the show by exhibiting your top fleeces and bags.

For information concerning the show, contact the Sonora Wool and Mohair Company or County Agent D. C. Langford.

Due to the recent screwworm outbreak in Sutton County, a livestock inspection station is being set up near Sonora to check all livestock moving North and West of Sonora. All ranchers loading stock south of Sonora for shipment North or West of Sonora should contact a veterinarian or livestock inspector to inspect their stock before it is loaded at the ranch. Veterinarians or inspectors will issue permits to owners enabling the owners to move the livestock through inspection stations without having livestock inspected at the station.

If a suspected case of worms is found in livestock on a truck without a permit livestock will be unloaded and sprayed before it can be moved on to their destination.

Ranchers in this area may contact Livestock Inspector Elby Hutto at phone number 28531, Dr. Joe David Ross or other State or Federal Inspectors working in the county to inspect their livestock at the ranch before it is loaded on trucks.

Ranchmen are urged to continue to combat screwworms by taking the following important measures:

Dr. D. C. Butler To Preach Sunday For Presbyterians

The Rev. Doctor D. C. Butler of Commerce will be guest preacher at the Church of the Good Shepherd, Presbyterian U. S., for Easter services Sunday morning, April 22. Dr. Butler, father of Mrs. Ralph J. Finklea, will preach on "The New Communion in the Kingdom."

He is a graduate of Austin College at Sherman, Princeton University and holds the degree of Doctor of Philosophy in Theology from the University of Edinburgh, Scotland. He served as a missionary in China for five years and is now professor of English at East Texas State College at Commerce.

The sacrament of the Lord's Supper will be observed and special music presented by Mrs. Katharine Linthicum and Mrs. D. L. Locklin.

The congregation of the church invites the community to attend.

1. Inspect all livestock frequently for wounds and possible screwworm infestations.
 2. When infested wounds are found, collect and submit worms to local authorities (County Agent, Livestock Inspectors, ASC Office or Chamber of Commerce office) for identification. Treat animals with an approved insecticide.
 3. Load no animals on trucks for shipment without contacting Livestock Inspector or local veterinarian to inspect stock and issue permits.
 4. Cooperate with Inspectors operating livestock inspection station by having your truckers stop and show permits on your livestock.
 5. Take all precautionary measures possible to prevent a screwworm outbreak on your ranch by spraying or treating all shearing cuts on sheep after shearing and by spraying all other classes of livestock with a recommended insecticide.
- Air release of sterile flies produced at Kerrville began in Sutton County last week in order to bring the screwworm outbreak under control. The release of these sterile flies is being concentrated in the area on and around ranches where known screwworm cases are found so it is important that all worm cases be reported.
- Ranchers are urged to obtain kits for reporting screwworm cases at the Sonora Wool and Mohair Company, Chamber of Commerce office, ASC Office, County Agent's Office or from a Livestock Inspector.
- State and Federal inspectors will be calling on local ranchers to explain the screwworm program and to assist with the control program when screwworm outbreaks occur.

TO ATTEND CONFERENCE

The Rev. William Petzke, pastor of Hope Lutheran Church, will be in Austin Monday through Thursday of next week attending a pastors' and teachers' conference to be held at Concordia College.

Lea Allison and Sears Sentell spent last weekend in El Paso where they attended a flying clinic.

Services Pend For Thomas G. Cooper In Glendale, Calif.

Funeral arrangements are pending in Glendale, California, for Thomas G. Cooper, 59, former Sonora resident. Cooper died at his home in Glendale Monday of an apparent heart attack.

Born in Sonora March 1, 1903, he was the son of the late Mr. and Mrs. H. P. (Don) Cooper, pioneer Sutton County residents. He attended Sonora schools and made his home here following his graduation, later moving to San Angelo where he lived for about four years. In 1929 he moved to California where he had lived since then.

Survivors include his wife; one son, Don T. Cooper of Glendale; one brother, Alfred Cooper of Sonora, and one sister, Mrs. Edith Phillips of Alpine.

Burial will be in Glendale.

Cancer Crusade Nears Halfway Mark With \$448 Of \$900 Pledge Donated

The American Cancer Society's 1962 Crusade moved ahead in Sutton County with excellent results, according to Mrs. W. B. McMillan, Crusade chairman.

The chairman reported that as of Monday, April 16, the people of Sutton County had contributed \$448.00 toward the county's pledge of \$900.00.

With a record number of volunteers distributing educational literature and soliciting funds for the Society's programs of research, education and service, Mrs. McMillan said that 1962 promises to set an all time high in:

1. The number of people in the county who have learned how to help protect themselves against

Sonny Perez, Mike Dillard, Bobby Granger, David Holley, Arnold Mendez and Juventino Dominguez.

Five From SHS To State UIL Meet In Austin May 5

Five Sonora High School students will participate in State finals in University of Texas Interscholastic League events to be held in Austin Friday and Saturday, May 4 and 5.

Taking part in literary events will be Betty Ann Patrick who won first place in prose reading in the April 14 Regional meet in Lubbock. The debate team of Debra Cooper and Carla Whitworth placed second in Regional but are not eligible for State competition. No results were available at press time on Irene Davis who competed in typing and Shirley Crawford who was a number sense contestant.

In track events the Mile Relay team of Buck Bloodworth, Danny Rutherford, Primo Gonzales and Julio Samaniego were first place winners and will compete in State. Primo Gonzales who ran second in the 880-yard run at

Annual Spring Race Meet Futurity To Open April 28

Area Aggies To Muster Here Saturday Night

Sutton, Schleicher and Edwards County Aggies will hold their annual Muster at seven o'clock Saturday evening, April 21, in the fellowship hall of the First Methodist Church.

Purpose of the Muster is to renew acquaintances, call the roll of Aggies who have died since the last muster and to pay homage to those who fought at the Battle of San Jacinto.

Refreshments of cake and coffee will be served Aggies and their families by members of the A. and M. Mothers Club.

George Brockman is chairman of the 1962 Muster.

Lubbock will be eligible for state competition. Bobby Castillo was sixth in the same event but will not compete in State.

Junior High Track Team 2nd In District

Sonora Junior High School's track and field team took second place team honors at the district meet held in Ozona recently. Eldorado Junior High was first with 41 points, Sonora second with 28 3/4, Junction third with 22, Ozona fourth with 11 and Big Lake fifth with 7 1/4.

Pat Brown took four first places, running the 100-yard dash in 11.1, the 50-yard dash in 6.4, the 22-yard dash in 24.6 and throwing the discus 40' 9". Arthur Gandar clocked 13.4 for third place in the low hurdles and Eddie Howell was fourth with 13.5. In the high jump Mike Sims and Bill Glasscock tied for fourth in the broad jump.

Community Good Friday Services Scheduled April 20 At Calvary Baptist

Central Students Have Track Meet

Central Elementary School held a track meet for the fifth, sixth and seventh grades this week.

Seventh grade boys won first place with 100 points, the fifth grade boys were second with 46 and the sixth grade boys third with 24 points.

Seventh grade girls were also first with 82 points, fifth grade girls second with 38 and sixth grade girls third with 28 points.

Full results of the meet will appear in next week's paper.

Sara Stewart Receives Award

Sara Su Stewart, daughter of Mr. and Mrs. James N. Stewart of Sonora, was named recipient of the Dorothy Amann Sophomore Award in Honors Day observances at Southern Methodist University, Dallas.

The award, a hand-made silver pin, is given annually to the sophomore girl with the highest scholastic average.

Sara is a geology major.

HIGH LIGHTS AND SIDELIGHTS FROM THE STATE CAPITOL

By Vern Sanford
Texas Press Association

At a joint meeting of the Governor's Highway Safety conference and the Texas Safety Association, Gov. Price Daniel said that good traffic safety legislation still is lacking because citizens "have never taken enough time and trouble to tell their legislators exactly what they want."

He said that five bills which have failed to pass will be introduced in the January session, "regardless of the identity of your next governor." These concern:

1. State financing to pay the salaries of driver-education

teachers in public schools.

2. Complete revision of the driver-licensing law.
3. A chemical test law for use in cases of driving while intoxicated—designed to free the innocent and provide medical evidence against the guilty.
4. Adequate city and county traffic courts of record to handle traffic cases with efficiency and justice.
5. Authorization for additional highway patrolmen and additional pay for Department of Public Safety personnel.

Although the Legislature lately approved 51 additional highway patrolmen, a \$300 increase in pay and set a floor of \$4,947 annual salary, the governor reported the patrol still is 150 men short of its authorized strength of 804. He feels the pay hike was insufficient.

VOTERS LIST—Comptroller Bob Calvert added up the poll taxes and exemptions sent in by the counties and found 2,355,159 Texans qualified to vote.

This is an increase of 300,000 from 1958, the last non-presidential election year. But it is virtually the same as the number of qualified voters in 1952.

Still holding the record is 1960 with 2,599,924 Texans qualified to vote.

TEACHERS QUIZZED—Texas school teachers are pretty good at answering their examinations.

Texas Education Agency sent out questionnaires to about 95,000 school people. They expected a 30 per cent return but 92,000 answered.

Questions were part of a Texas Legislative Council study of Teacher training.

Results will be fed through computers to give lawmakers an idea of what school people think about the way public schools are run and how teachers are trained.

WATER LOANS HIT—The state will borrow another \$15,000,000 on April 19 to help local water districts, river authorities and cities on their water projects.

Texas Water Development Board has the authority to borrow up to \$100,000,000 for this purpose.

Its first bond issue of \$10,000,000 is nearly used up in four loans. Soon another \$15,000,000 worth of bonds will be sold.

Major project helped so far by this state program is the Toledo Bend reservoir on the Sabine River near Newton. It will get a \$15,000,000 loan over the next four years.

PADRE STUDY—Herb Petry, chairman of a special committee to study the various proposals for making Padre Island a recreation area, said the committee will have a meeting in April to decide on its recommendations.

Governor Daniel appointed the committee after differences developed as to whether Padre Island should be turned into a recreation area by the federal or state government.

A bill in Congress has authorized federal purchase of a large part of the island as a national seashore area. But the bill has not passed the House of Representatives because South Texas Congressmen favor a smaller area, if any at all.

GI FARMS—Veterans Land Board has sold 20 repossessed GI farms for \$19,000 more than it had invested in them.

But it turned down bids on a Grayson County tract which drew 33 bidders.

Board tried, but failed, to put

Insects One Of Oldest Enemies Of Mankind

Mankind is poised to begin the annual grudge fight with insect hordes that flourish in the warmth of spring and summer.

Inevitably the insect will lose as mankind—armed with noxious sprays and dusts and aerosol mists—seeks to ward off the bites and stings and the destruction of his food and clothing and home.

Only by constant fighting has humanity been able to hold its precarious own against more than one million different insect species which inhabit the world. Some 6,000-7,000 new species are identified each year to lengthen the list of known kinds. The United States is inhabited by approximately 600 injurious species, some of them vectors of human disease.

The vast majority of insects are neutral or indifferent where man is concerned, apparently content to let humanity go its way and demanding the same privilege. Others are highly beneficial, feeding on noxious weeds or troublesome insects, or pollinating crops. At least 50 different seed and fruit crops would be barren without insect pollinizers.

On the other hand, to fix a price on depredations of harmful insect varieties, you have to re-gear your thinking or get lost in a maze of zeros. Just counting field crops and stored grains, they wreck a yearly havoc of \$4 billion in the U. S. alone.

Flies, fleas and mosquitoes were and still are behind some of the most calamitous scourges the human race has ever endured, including plague, malaria, yellow fever and others.

The fact that most insecticides are toxic for humans as well as

Shooting Preserve Owners Reminded To Send Reports

Holders of the 1961-62 shooting preserve licenses have been reminded that they are required to send in their report on the operation of the shooting preserve by May 1, 1962. This announcement was made by Howard D. Dodgen, executive secretary of the Game and Fish Commission, on April 1, 1962.

At the time the license was issued to shooting preserve operators, a record book was issued which contained spaces for keeping the required records.

These record books may be mailed to the Game and Fish Commission, Walton State Building, in Austin, or they can be handed to the local game warden or biologist. If the record books have already been turned in to an official of the Game and Fish Commission, this request may be disregarded.

When all the record books are in, tabulations will be run on last season's kills of game species.

insects has caused some apprehension. It is true that people who use them carelessly do run real risks. But there is no evidence to suggest the general population is being insidiously poisoned.

A detailed study into the extent to which widespread use of agricultural insecticides might adversely affect the health of humans and domestic animals is scheduled to begin in coming weeks, under auspices of the Texas State Department of Health and Texas A. and M. College.

Insecticides, despite their great value as weapons against insects, are only supplements to other control activities, the most important of which is proper personal and community sanitation.

PERSONALS

Mrs. Stanley Mayfield and Seco have been visiting in San Angelo with her brother, Jimmy Cranford.

Sara Stewart, who attend Southern Methodist University in Dallas, is expected home over the Easter holidays for a visit with her parents, Mr. and Mrs. James N. Stewart and James, Jr.

Mr. and Mrs. George Johnson and son Greg of Del Rio were weekend guests of her parents, Mr. and Mrs. Cecil Westerman.

Bird Collecting Permits Not Valid In Closed Season

Holders of scientific collecting permits along the Texas coast have been advised by the Game and Fish Commission that these permits are not valid on Galveston Island during the period from April 6 to May 10, 1962.

"Any collection of migratory birds made on Galveston Island during this period will be in violation of the terms of your scientific collecting permit, and will be subject to appropriate action," said J. B. Phillips, law enforcement coordinator.

This close-down was designed to protect certain relatively scarce species in the area.

Migratory bird collecting requires a permit to be issued by the Game and Fish Commission. They are for scientific purposes only.

CARD OF THANKS

Words cannot express my gratitude to each and every one who, through thoughtfulness and consideration, have helped to make these days pass more pleasantly; but I'd like to say to each of you a sincere thank you anyway. For every visit, cards, flowers, gifts and the expert medical and hospital care received I am truly grateful. God bless you all.

Rena M. Elliott. 1 to 30.

SPECIAL

FOR SALE: House and lot near school. Duke Wilson. Phone 25381. 3 to 29.

YEARS AGO

April 13, 1907

DANTE The imported French Coach stallion has been purchased by an association of citizens of Sonora and the blood of this noble animal will leave an imprint of himself and illustrious ancestors on the horses of the Sonora Country for generations to come.

This magnificent specimen of the greatest of the World's horse family, is in color a black pointed dapple bay, 17 hands and weighs 1,300. He is perfect in style, color, action and disposition. He is the pick of twelve sent to Texas by the firm of McLaughlin and Sons of Columbus, Ohio, and this twelve was sent for introduction purposes out of the December 1906 importation of 102 French Coach stallions.

The Sonora Country is the best natural horse country in the world and there is nothing too good for our people.

The Sonora Imported Horse Association that has purchased this horse is composed of Geo. S. Allison, J. S. Allison, J. G. Barton, E. S. Long, W. A. A. Berry and Jas. Cornell.

The following are the officers: J. S. Allison, president and treasurer; W. A. A. Berry, secretary.

Charlie Blake killed a big wolf in his yard Monday night. Charlie thinks it was looking for some of Uncle John Swinburn's wolf guns.

Lee Aldwell who has been attending the A. and M. College arrived home Saturday on a visit to his parents, Mr. and Mrs. W. L. Aldwell.

PERSONALS

Mr. and Mrs. A. C. Elliott and Mrs. W. T. McQuary had as a recent guest Mrs. Elliott's brother, W. A. McQuary who recently completed ten years of service with the United States Department of Health and Welfare in the South American countries.

Mrs. Frank Turney has returned home after an extended visit with Mr. and Mrs. Sam Lloyd in Fort Stockton.

L. D. Hollmig underwent surgery in a Houston hospital last week.

Miss Wanda Shelnutt had as guests last weekend her parents, Mr. and Mrs. Shelnutt of Baird.

Tom Elaine Espy, a student at Southern Methodist University, Dallas, will spend the Easter holidays here with her mother and sister, Mrs. Howard D. Espy and Mary John.

Mrs. James Morris visited with relatives in Carrizo Springs last week.

Hepatitis Cases In Texas Show Increase In 1961

A rising tide of hepatitis, sometimes called "yellow jaundice", engulfed 3,155 Texans last year, a 38 percent increase in cases compared to the 1960 rate.

Cases of both serum and infectious hepatitis are included in those figures.

Infectious hepatitis has been rising throughout the Nation for the past two years. In Texas, cases reported during 1961 exceeded any other 12-month period since the State Department of Health began keeping records on the affliction in 1952.

The reason or the present upsurge is not known. Public health physicians say the disease seems to attack relatively large numbers of people—mostly youngsters and young adults—in regular cycles.

The elusive hepatitis virus attacks only humans. No other animals is known to be susceptible. Infectious hepatitis—the virus of which is present in both blood and body wastes of patients—is usually spread by close contact with patients or carrier, and perhaps in contaminated food or water. Serum hepatitis produces almost identical symptoms but the virus is found only in the patient's blood.

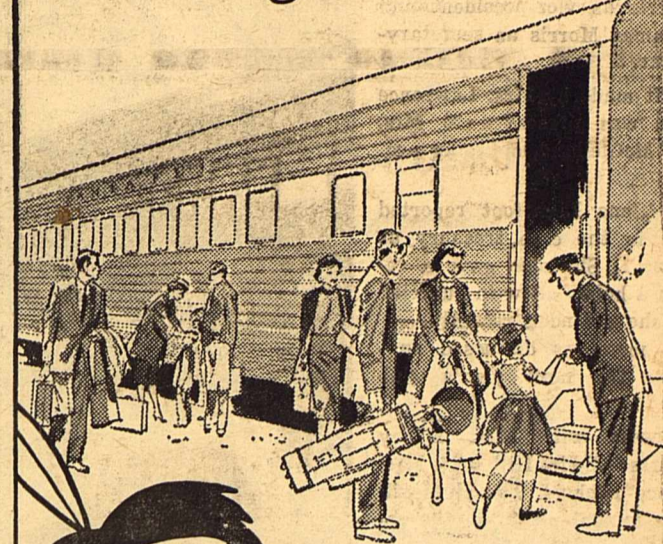

Most cases of infectious hepatitis occur among children and young adults, but people of all ages are susceptible. Fortunately, the disease is rarely fatal. Doctors report that the death rate seldom exceeds two percent, even in epidemics.

Victims usually begin feeling sick three or four weeks after exposure. They usually lose their appetite, feel fatigued and weary. They might be severely nauseated, and will feel aky and sore. A sensation of heaviness may be felt in the stomach.

One of the most prominent symptoms is a yellow discoloration—known as jaundice—of the skin and whites of the eyes. But some persons never show such discoloration, and children sometimes contract the disease without showing any of the typical symptoms.

Having one bout with infectious hepatitis usually, but not always, insures against a second one. In any suspected case, a physician should be called at once. Bed rest and adequate diet are necessary to an uncomplicated recovery. The most efficient tools for preventing infectious hepatitis are good personal hygiene, hand-washing before eating or preparing food, and a high level of community sanitation. Contacts of known cases should see their family physician as promptly as possible after exposure to see if injections of immune serum globulin are advisable for passive protection.

Planning a vacation?

Go Santa Fe ...all the way

Go now—pay later. Terms, if you wish, that are as comfortable to take as the trip itself.

Family Fare Plan. Traveling with your family on a Santa Fe streamliner is fun—and it's economical too, with this money-saving plan.

Free travel information. See your Santa Fe agent for free information, vacation literature, and help with your travel plans.

ULTRA-LUXURIOUS

1962 Frigidaire Frost-Proof

REFRIGERATOR

- Exclusive Frigidaire Frost-Proof system stops freezer frost completely. No defrosting, ever!
- Instant ice service. Flip-Quick Ice Ejector pops out cubes at a touch. Server stores 80 cubes.
- Enormous Freezer stores 152 pounds in safe, zero zone cold—2 Roll-To-You baskets!
- Loaded with luxury features. Picture Window Hydrator for farm-fresh produce. Meat Tender stores more than 10 pounds of fresh meat. Butter Conditioner, too!

Famed Frigidaire Dependability!

4 Colors or White

Why put up with the mess and work of defrosting? Your beautiful new Frigidaire Frost-Proof Refrigerator-Freezer prevents frost from beginning to form. Hidden entirely away from view is the Frigidaire Frost Forbider that gets rid of frost in the freezer before it forms.

No, you'll never see frost on food packages or on the walls of your Frigidaire Frost-Proof Refrigerator-Freezer, ever.

Prevents frost even in heavily-loaded freezer space under severest climate conditions.

Live Better ELECTRICALLY!

Mrs. Johnny Martin Installed Head Of Sonora Art Club

Mrs. O. G. Babcock installed new officers of the Sonora Art Club at its regular meeting at the home of Mrs. Robert Kelley, Sr. Monday evening, April 16. Mrs. John A. Martin, Jr. was installed as new president, Mrs. H. V. Morris as vice-president and Mrs. James Morris as secretary-treasurer.

A gift made by Mrs. Lawrence Nichols was presented to Mrs. Ernest McClelland, outgoing president.

Mrs. Gene Lightfoot reported \$107.81 in the club treasury as of April 1. She also gave a report on a hobby show in Junction which she attended recently.

Club members discussed suggestions for next year's club work.

Hostesses with Mrs. Kelley were Mrs. Clyde Hill and Mrs. Lawrence Nichols. The club will hold its annual picnic on the regular May meeting date.

MRS. TITTLE ENTERTAINS TWICE TUESDAY CLUB

Members and guests of the Twice Tuesday Club were entertained by Mrs. Bill Tittle at her ranch home last week. Spring flowers decorated the party rooms.

Mrs. Lawrence Finklea won high score prize for guests and Mrs. W. A. McCoy for club members. Mrs. Robert Pfluger won the slam prize and Mrs. James Hunt won at bingo.

Refreshments of a sandwich plate and coffee were served to Mmes. Nolan W. Johnson, D. C. Langford, Cleveland Nance, Tommy Smith, Hunt, McCoy, Pfluger and Finklea.

Wedding Plans Revealed

Miss Mary Jack Puckett

The Rev. and Mrs. Henry Clay Tompkins Puckett of McAllen, formerly of Sonora, have announced the engagement of their daughter, Miss Mary Jack Puckett, to Robert O'Brien Johnson of Austin, son of Mr. and Mrs. Howard O'Brien Johnson of Austin.

MRS. RICHARDSON HOSTESS TO CLUB 13 THURSDAY

Mrs. Glen Richardson entertained members and one guest of Club 13 at her home last Thursday afternoon. Spring flowers were used in decorating and refreshments of strawberry shortcake and coffee were served.

Both Miss Puckett and her fiancé will receive their degrees from the University of Texas in June, and their wedding will take place at St. John's Episcopal Church in McAllen June 6.

Mrs. Ed Grobe held high score and Mrs. Rex W. Lowe second high. Mrs. Carl J. Cahill won at bingo.

Others present included Mmes. Lin Hicks, A. E. Lowe, Gene Wallace, R. W. Wallace, George Wallace, J. W. Neville, Cecil Westerman, Harold Scherz and Gene Shurley.

THE WOMEN'S PAGE

PASTIME 42 CLUB MEETS AT HULL HOME THURSDAY

Mrs. Charlie Hull entertained members and guests of the Pastime 42 Club at her home last Thursday afternoon. Arrangements of bluebonnets were used in decorating and refreshments of cake and sherbet were served.

Mrs. Collier Shurley held high score for guests and Mrs. Rose Thorp, Mrs. Robert Rees and Mrs. T. W. Sandherr tied for high member. Mrs. A. W. Awalt won consolation for guests and Mrs. Lee Labenske for club members.

Club members present were Mmes. Joe Berger, Ella Wallace, R. B. Kelley, O. G. Babcock, Laura Trainer, C. E. Stites, Jim Cauthorn, Thorp, Rees, Sandherr and Labenske.

Guests included Mmes. Maysie Brown, Wallace Wartenbach, Karen Peterson, Awalt and Shurley.

Mrs. Fred Ross of San Antonio visited here this week with her mother, Mrs. Neil Rouche, and her daughter and family, Mr. and Mrs. R. S. Teaff, Carl and Trouba.

Recent guests of Mrs. Rena Trainer were her son and daughter-in-law, Mr. and Mrs. Fred Trainer of Pasadena. The Fred Trainers and their sons, Fred, Jr. and D. C. recently bought a ranch near San Antonio where they plan to spend a lot of time.

Mr. and Mrs. W. J. Thompson attended the annual convention of the Gulf Coast Lumbermen's Association in Austin last weekend.

Congratulations To These New Parents

It. Col. and Mrs. Jimmie Taylor of Plattsmouth, Nebraska have announced the birth of a daughter, Toni Lee, on Monday, April 2, in a Plattsmouth hospital.

Toni Lee is welcomed by four brothers and three sisters. She is the niece of Mr. and Mrs. Cashes Taylor of Sonora.

MRS. HOWELL ENTERTAINS JUST US CLUB MONDAY

Arrangements of spring garden flowers decorated the party rooms when Mrs. J. F. Howell entertained members and guests of the Just Us Club at her home Monday afternoon.

Mrs. Jim Holley held high score for guests and Mrs. R. A. Halbert for club members. Mrs. Jerry Hopkins won the slam prize and bingo prizes went to Mrs. Albert Ward for guests and Mrs. G. A. Wynn for members.

Refreshments of a salad plate and coffee were served to the following guests: Mmes. Rex W. Lowe, James Hunt, Bob McMinn, Jimmy H. Harris, Bill Morris, Albert Ward and Jerry Hopkins; and club members Mmes. Ed C. Mayfield, J. S. Glasscock, Leo B. Merrill, Alice S. Jones, C. A. Tyler, Libb Wallace, G. A. Wynn and R. A. Halbert.

Mrs. John F. Hagen has returned to her home in Albuquerque, New Mexico after a 3-week visit here with her mother, Mrs. Stella Keene.

Engagement Announced

Miss Tom Elaine Espy

The engagement of Miss Tom Elaine Espy, daughter of Mrs. Howard D. Espy of Sonora and the late Mr. Espy, to Walter Linn Whitehead of Del Rio and Sonora, son of Mr. and Mrs. Walter Roland Whitehead, has been announced by the mother of the bride-elect.

ATTEND BRIDGE PARTY AT MENARD SATURDAY

Eight Sonora ladies were among those taking part in a four-city all-day tournament at Menard Country Club last Saturday. The team of Mrs. Collier Shurley and Mrs. R. A. Halbert won high in the afternoon session and Mrs. Robert Kelley, Jr. won at bingo. Junction players won the morning session and held overall high score for the day.

Luncheon was served to some 30 ladies from Eldorado, Menard, Junction and Sonora. Those attending from Sonora besides those named were Mmes. P. J. Taylor, Robert Kelley, Sr., James Morris, H. V. Morris and Belle Steen.

FIRST BAPTIST CHURCH HAS FAMILY NIGHT

The regular monthly Family Night supper and related activities were held at the First Baptist Church Wednesday evening, April 11.

Sunbeams were directed by Mrs. Rex Lowe, Girls' Auxiliary by Mrs. Bill Morriss, Young Women's Auxiliary by Mrs. Joe Nance, and Royal Ambassadors by Clarence Key. Mrs. Rip Ward, assisted by Mrs. J. W. Sutton and Mrs. Alvie Brewer, led the Women's Missionary Union with Mrs. Bob Painter as soloist.

E. E. Bradford of San Angelo, president of the Concho Valley Association Brotherhood, and Rev. Floyd Ellington of Hillcrest Baptist Church led the Baptist Brotherhood. The Rev. Ellington was principal speaker.

The church holds its family night supper and program the second Wednesday night of each month.

A late summer wedding is planned with the ceremony to take place at St. John's Episcopal Church here.

Miss Espy is a graduate of Sonora High School and will be a May graduate of Southern Methodist University, Dallas. Her fiancé is a graduate of San Marcos Academy and attended Texas Technological College, Lubbock. He is engaged in ranching at Sonora and Del Rio.

English Music

Featured Thursday At Music Club

International music was the program theme at the Thursday night, April 12, meeting of the Sonora Music Club at the home of Mrs. Jym Adamson. Mrs. Adamson and Mrs. R. Q. Harris, Jr. presented a program of organ music emphasizing English music from early religious and folk music through modern day compositions. The girls' choir of St. Ann's Catholic Church sang several songs of English origin.

Mrs. Norman W. Rousset, president, presided over the business meeting. Mrs. Dennie L. Hays was elected to membership in the club.

Hostesses for the evening were Mrs. Adamson, Mrs. J. A. Lettinger and Mrs. Marie K. Ellis.

SONORA, TEXAS

Thank you, Texas Newspapers!

For 20 years, Texas newspapers have been giving the government free space in which to advertise U. S. Savings Bonds.

You've seen the ads: you save more than money with U. S. Savings Bonds. Those ads have sold an impressive number of bonds in Texas, bonds that have helped, and are helping, your government defend freedom at a precarious moment in history, when freedom is in desperate need of defending.

When you buy these bonds you serve well the cause of liberty. You enable your country to build up her own defenses without doing damage to her economy. You insure the future for this and succeeding generations.

The space occupied by the ads that sold those bonds was donated to your government — and that means to you — by the newspapers of Texas.

We thought you'd like to know.

"The public-spirited newspapers of Texas have made an important contribution to the well-being of this country,"

says Ed Gossett, Co-Chairman of the Texas State Savings Bond Committee.

"We are happy to salute the generous newspapers of this State. They have done their part, and more, in giving the public an understanding of the importance of Savings Bonds — to individual buyers, and to the cause of freedom. And they have certainly made this Committee's job easier."

Miss Nancy Friend, Ozona Student Named Miss Mohair Elect Of 1962

Miss Nancy Friend, Miss Mohair Elect

Miss Nancy Friend of Ozona, a freshman at Texas Technological College, Lubbock, has been named Miss Mohair of 1962-63 by the Texas Angora Goat Raisers' Association. Miss Friend has been chosen to represent the Mohair industry as its official ambassador and will begin her reign immediately after her coronation August 2, in Fredericksburg. Selected from a court of 20 entrants, Miss Friend was sponsored by the Ozona Lions Club in the Miss Mohair contest held last August in Fredericksburg. She is the daughter of Mr. and Mrs. Bill Friend of Ozona, formerly of Sonora.

The new Miss Mohair is an 18-year-old green-eyed brunette, 5' 5" tall with a winning smile that matches her outstanding personality. She is a graduate of Ozona High School.

At Texas Tech she is majoring in elementary education, is a pledge of Zeta Tau Alpha social sorority and was named Pledge Sweetheart of Sigma Alpha Epsilon fraternity in January.

Her program will be under the direction of a committee selected by the Women's Auxiliary of the Texas Sheep and Goat Raisers' Association. This committee will function under the supervision of Mrs. James Baggett of Ozona, Auxiliary president, with Armer F. Earwood of Sonora, chairman of the TAGRA Miss Mohair Committee, assisting in an advisory capacity.

The Miss Mohair program and contest is entering its 18th year and was originated by the TAGRA, appropriately since Texas produces more than 40 percent of the world's mohair. Miss Friend will serve as Miss Mohair Elect until the reign of the present title holder, Miss Carlene Brown of Brady is concluded in August.

Rosa DeHoyas
Elizabeth Powell, Eldorado
Juanita Garcia, Eldorado

Patients dismissed during the same period:
Gladys Reiley
Maria E. Gonzales, Bronte

Darrell Royal, UT Football Coach, To Dedicate Boys Ranch Buildings

Darrell Royal, University of Texas head football mentor named 1961 Coach of the Year by the American Football Writers' Association, will be the principal speaker at the annual field day at West Texas Boys' Ranch near Tankersley Saturday, May 26.

Royal, entering his sixth season at the Longhorn helm, will give the dedicatory address for two new dormitories and a new chapel to be opened officially that day. Each dormitory will house half of the ranch's 64 boys.

The young Longhorn coach in just five years brought Texas back from its worst season to national prominence and four bowl appearances in five seasons. Royal came to Texas from the University of Washington. He was an All-American quarterback under Bud Wilkinson at

the University of Oklahoma but in 1958 led the Longhorns to their first victory over the Sooners since 1951. The five-year regime was climaxed last January 1 with the thrilling 12-7 upset over Ole Miss in the Cotton Bowl.

The dedication speech is scheduled at 12:30 with a barbecue dinner to follow at which Royal will also speak. For the Ranch it will be a big day. Farm implement dealers from West Texas each contribute machinery of all types to the field day activities.

Some projects completed in the past as a result of field day activities include the Ranch's air strip, a 3,000 x 150' stretch which will be extended this year; clearing for the rodeo grounds and construction of cross fences

Calvary, the name of the site of Christ's Crucifixion, comes from the Latin word for skull. The place may have gotten the name from its shape, from skulls seen there in ancient times, or from a legend that the skull of Adam was buried there. No one knows the actual site of Calvary, but tradition places it where the Church of the Holy

on pasture land; a steel pipeline for irrigation from Spring Creek to Ranch headquarters; a stock pond; root plowing 50 acres and planting grass in crop land fields.

Activity May 26 will include some chaining of mesquite along with a demonstration of aerial spraying of mesquite.

The public is invited to the field day activities and to the barbecue.

Sepulchre now stands. Maundy Thursday is believed to get its name from Christ's commandment — mandatum, in Latin — to His followers. During the Last Supper He said, "A new commandment I give unto you: that ye love one another."

Easter guests of Mr. and Mrs. Lea Allison, Susan and Sarah will be their son and daughter-in-law, Mr. and Mrs. Pascal Allison of Austin, and Mrs. Pascal Allison's parents, Mr. and Mrs. Eugene A. White and children of Hutchinson, Kansas.

Mr. and Mrs. Frank P. Bond will spend the Easter weekend in San Antonio visiting their son, Dr. Frank L. Bond.

WANTED BY THE FBI

Eugene Francis Newman

Newman is the alleged machine gun-carrying leader of a gang that attempted the robbery of an armored car carrying \$498,500 in American and Canadian currency in Buffalo, New York, on August 3, 1955. He and his associates, wearing silk stocking masks, engaged in a running gun battle with the truck's guards and Buffalo Police, and a machine gun bullet, allegedly fired by Newman, seriously wounded a guard. Two bandits were quickly apprehended but Newman remains at large.

A complaint, filed before a U.S. Commissioner of Buffalo, New York, on August 5, 1955, charges Newman with fleeing the State of New York to avoid prosecution for robbery. Heavily armed, with a violent temper, Newman has previously been convicted for theft of Government property, interstate transportation of a stolen motor vehicle, petty larceny, and burglary.

He is a white American, reportedly born on October 3, 1928, at Brooklyn, New York, who is 5'8" tall, weighs 170 to 180 pounds, has blond hair, blue eyes, a medium build, and medium complexion.

He has scars near his right eye, on the back of his right hand and on the center of his left cheek. A birthmark appears on his upper left arm and a mole on his left index finger. Tattoos include the name "Danny" and a heart on the outside of his right forearm, and the number "13" within a dotted circle on the back of his left hand. He has worked as a bricklayer, clerk, construction worker, counterman, and laborer.

Consider extremely dangerous. Please immediately notify the nearest FBI Office of any information concerning his whereabouts. 670 632468-2

Bells Figure In Easter Legends

Yes, Virginia, there is an Easter bunny . . . but sometimes, he's a bell.

According to one European legend, church bells, which do not ring from Good Friday to Easter, fly to Rome. On their way back, they drop eggs for children to find.

Bells have always been closely associated with religious observances. Long before Christ, high priests of the Israelites wore bells as a protection against evil spirits. Since the 500's

Mrs. R. G. Nance
Amy Sexton
Mrs. Edmund Olinick

Arouse 'Em With Noise

In hot weather when the big bass are too lazy to rise to your lures, try buzzing over the good spots in your motor boat for 10 or 15 minutes to "wake" 'em up and start 'em moving about. This often works.

To Keep Line Out of Prop

Fishing lines often foul in the propeller's blade or the shaft when you're trolling.

Do away with this aggravation by running the motor in reverse and trolling with the line trailing over the bow of the boat.

When Crickets Begin To Die

Hot weather often takes the life out of live crickets.

Whip this dilemma by once in a while dipping the sack or bucket over the side of the boat for a moment.

Drain off the water, and you will find the crickets take on new life.

Keep Worms From Drying Out

Hot sun is hard on fishing worms.

Keep them from dying out by placing a piece of wet sponge rubber in the top of the can, over the dirt.

Sponge is easy to remove to rebait, but it keeps the dirt and worms cool and moist.

Winter Tip On Worm Care

Instead of using can containers for worms when fishing on a cold winter day, try putting dirt and worms in a plastic bag of the sort used to wrap food products.

You will find this keep the worms warm and squirming.

Fresh Butter In Camp

Butter can be a problem in camp. Refrigeration isn't al-

ways possible.

To keep butter fresh without refrigeration place butter in a glass jar having a screw top. Fill the jar with a strong solution of salt brine, then tighten the lid.

Butter will keep fresh and sweet until used.

Camp Fire Deflector

To deflect campfire heat in the direction of your choosing, cover a large cooking grill with aluminum foil and use it as a reflector.

This also will direct heat from the campfire into the tent opening when added warmth is needed at night.

Clay Keeps Minnows Alive

Clay flowerpots are easily broken.

Don't throw away the pieces. Save the fragments for future fishing trips.

These clay chips tossed into your minnow bucket now and then will help keep your bait alive. The slow release of trapped air in the clay does the job.

Drying Rubber Boots

When the inside of your rubber footwear gets cold and wet, you can do a quick and safe drying-out job by inserting in them a lighted light bulb.

Use one like the mechanics use, with the protective wire screen.

Catching Crickets

It's easy to catch crickets for bait if you will turn a bucket upside down in the grass just before turning in at night.

Prop the edge of the bucket off the ground with a couple of sticks.

During the night the crickets will creep inside the bucket.

They will be ready for harvesting first thing in the morning.

More Mileage From Ice Chest

To keep your ice chest cold much longer, in camp or boat, slice a hunk of dry ice about two inches thick to fit the bottom of the chest.

Wrap the dry ice in tough paper, put it in the bottom of the chest and cover it with a couple inches of cracked ice.

Right Lures For White Bass

There always will be controversy over what lure to use, and when.

With white bass, however, the choice is pretty clear. Deep running, light covered lures, such as yellow or white, consistently bring in the whites.

However, of all the lures the

silver or gold spoons top the heap.

Sewing On Buttons

One of the most aggravating of minor accidents is having a button pop off your fishing or hunting clothes.

This can be prevented by sewing all such buttons on sportswear with tough dental thread. Buttons secured with this floss usually say put till clothes wear out.

Clue To Good Fishing
Cut open the first fish you catch and find out what it has been feeding on.

This one clue may mean the difference between a full stringer or an empty one.

If artificial bait is being used, match the lure as nearly as possible with the contents of the fish's stomach.

This procedure will pay off in bigger catches.

Two Piano Team**

Mrs. Norman W. Rousselot and
John R. Tedford, Jr. presented a
program of two-piano team has
made several appearances here
and was recently the out-of town
guest attraction at the San An-
gelo Philharmonic Society.

President E. B. Keng presided
over the business meeting at
which the nominating report
made its recommendations for
nominations for officers for the
coming year. Recommendations
were as follows: For president,
Jack Kerbow; for first vice-pre-
sident, Rex W. Lowe; for sec-
ond vice-president, D. C. Lang-
ford; for Lion Tamer, Herbert
Fields; for Tail Twister, Albert
Ward, and for secretary-treas-
urer, A. E. Prugel.

**Junction's Annual
Easter Pageant
Slated Saturday**

Junction's 12th Annual Easter
Pageant will be presented next
Saturday, night April 21, at ten
o'clock on the eve before Easter
Sunday, in a natural amphithe-
atre on the hillside below The
Everburning Cross, one mile

Recommendations for new di-
rectors are John R. Tedford, Jr.,
Leo B. Merrill and Doyle V. Mor-
gan, and for director to represent
the Club in Crippled Children's
Camp work, Ralph J. Finklea.

Holdover directors are Leon
Neely, G. H. Davis and Bill Ste-
wart.
Guests present were Les Strawn
and Robert Smith.

Office Supplies At News Office

southeast of Junction.

Presentation is by some 80
Kimbale County people, all lay-
men, women and children in
colorful costumes typical of the
dress of Biblical times. Here they
will re-enact Jesus Christ's last
days on earth, so timed that the
scene of the Ascension will take
place shortly after midnight on
Easter morn.

The spectacle will be present-
ed in pantomime, supported from
a broadcasting booth by readers
and background music. A dozen
stages have been arranged along
the rugged rocks of the hillside,
and changes of scene are effected
by the shifting of flood and spot
lights.

In 1951 a group of about 20
inspired people enacted the first
Pageant from a single stage.
From year to year the spectacle
has grown in scope and attend-
ance. Last year over 6,500 people
came from far and near.

The Pageant is sponsored by
Junction Men's Bible Class, a
non-sectarian organization. Park-
