THIRTY-SEVENTH WEEK

## Wool And Mohair Mobile Lab To Be Here For 25th Wool Show

For the first time in Texas, the mobile wool and mohair laboratory equipped by the Agricultural Marketing Service will be set up in the Sonora Wool and Mohair Company warehouse here June 12 through 14.

The laboratory will be used and displayed in connection with the 25th annual Sonora Wool and Mohair Show and second annual National 4-H Wool Judging Contest held in the firm's warehouses.

Elroy M. Pohle and Henry Keller, both international specialists in wool and mohair grades and standards, will accompany the lab from its home base in Denver, Colorado.

Of interest to the public will be a demonstration showing the sampling and testing for clean wool fiber present, fineness-grade, staple length, color of scoured wool and such.

Work of the U. S. Department of Agriculture's Wool Laboratory at Denver, which Pohle heads, deals with standardization of wool, wool top, mohair and mohair top grades, methods of test,

and clean yield activities basic to marketing. Emphasis is placed on sampling, development of suitable tools and techniques, test methods, and the development of objective definitions of wool-value factors that always have been rather elusively described.

## John S. Otey Assumes Duties At Good Shepherd

John S. Otey has assumed duties as student pastor at the Church of the Good Shepherd, Presbyterian U. S., for the summer months. Mr. Otey will be a senior student at Austin Presbyterian Seminary in Austin next fall.

Mr. John S. Otey

He and his wife, the former Miss Jerry Aline Hodges, are both natives of Port Arthur. They and their three children, Cathy, six, Carole, four, and David, three, are at home in the Presbyterian manse.

Nancy Jane Reed who has been attending Texas Woman's University in Denton will spend the summer here with her parents, Mr. and Mrs. Frank Reed.

Mr. and Mrs. J. W. Joy, Lesa and Tobin and Mr. and Mrs. Artie Joy have as their guest Kerry Lynn Joy of Graford.

Jan Keng, who received her degree from the University of Texas last month, is visiting here with her parents, Mr. and Mrs. E. B. Keng.

## PERSONALS

Curt Schwiening, Jr. of Junction and Aline Schwiening of Austin spent the weekend here with their parents, Mr. and Mrs. Curt Schwiening.

## Only One Way To Find Out If Maggots Are Really Screwworms

Are they really screwworms? The only sure way to identify a screwworm is to collect maggots for microscopic examination by a specialist. This is why livestock producers are asked to collect worms from every infested livestock wound.

Success of the eradication program will depend, in part, on positive identification of as many cases as possible. These records are vital in the day-by-day execution of the program. Cooperation in Sutton County to date has been excellent, but County Agent Langford also stressed the importance of continued cooperation.

Although the largest number of wounds infested with maggots are infested by those of the true screwworm, other kinds of maggots may be involved. This has been confusing to some producers.

The true screwworm is only one of a large group of flies, most of which are referred to as common blow flies. However, screwworm maggots infest only the wounds of living warm-blooded animals.

Some of the maggots infesting

wounds may be maggots which breed primarily in carcasses. When they are found in living animals, carcass-breeding maggots are usually found feeding on soiled wool or in wounds containing decaying blood and tissue.

The true screwworm is distinguished from common blow fly maggots by two dark parallel air tubes. These tubes are readily visible in full-grown maggots of the screwworm but are scarcely visible in the maggots of other blow flies. Screwworms have a pinkish tinge when they have completed feeding and are about ready to leave the wound. Most common blow fly maggots have white, yellow, or gray colors.

However, microscopic examination by a specialist is the only sure means of identification. Producers should continue to collect 10 or more worms from deep in each wound and take them to their county agent, vocational agricultural teacher or local livestock inspector.

76 cases of screwworms had been confirmed in Sutton County as of May 19.

## Final Rites For Mrs. T. E. Glasscock Held Friday

Funeral services for Mrs. Travis E. Glasscock, 39, were held Friday morning, June 1, at the First Baptist Church here with the Rev. Alvin Loiry, pastor, officiating. Mrs. Glasscock died at Hudspeth Memorial Hospital Thursday, May 31, after an extended illness.

Born Ina Ella Archer June 12, 1922, she was the daughter of Mr. and Mrs. George Wesley Archer, Sr., longtime Sutton County residents. She attended local schools and was married to Travis E. Glasscock September 5, 1939 in Sonora.

She was a member of the Baptist Church and was active in work with Cub Scout and Girl Scouts. She was a member of the Order of the Eastern Star and had served as Worthy Matron of the Sonora Chapter. Mrs. Glasscock was instrumental in organization of the Rainbow Girls chapter here, was one of the first board members and was Mother Advisor for two years.

Survivors include her husband; one son, Bill, who will enter Sonora High School in the fall; two daughters, Mrs. Billy Bob Ellingson of Minot, North Dakota, and Marion T. Glasscock, also a high school student; her mother, Mrs. G. W. Archer, Sr. of Sonora; six brothers, Duard Archer of San Angelo, G. W. Archer, Jr. of Marfa, Edward Archer of Boise, Idaho and Dorsey Archer, Francis Archer and Lester Archer, all of Sonora; and one sister, Mrs. Stella Smith of San Angelo.

Funeral services were held Sunday afternoon, June 3, in Coggin Avenue Baptist Church in Brownwood for Joe P. Allen, 68. Allen died Saturday, June 2, in a Brownwood hospital after a lengthy illness.

He was born in Hope, Arkansas and had made his home in Brownwood for the past 32 years. He was an employee of the City of Brownwood for 15 years prior to his retirement recently.

Survivors include his wife; one daughter, Mrs. R. T. (Jack) Bullion of Brownwood; one sister, Mrs. William Darby of Couer-d'Alene, Idaho; three brothers, Monroe Allen of Bangs, Ludlow Allen of Indian Creek and Ford Allen of Sonora; and two grandchildren.

Burial was in Greenleaf Cemetery at Brownwood.

## TSGRA Ladies To Have Big Part In Galveston Meet

Members of the Women's Auxiliary to the Texas Sheep and Goat Raisers' Association are to play a big part in the summer quarterly directors meeting of the Association June 10-11 in Galveston. Headquarters are to be at the Hotel Galvez.

Among the features of the meeting will be a lamb luncheon for club women of the Gulf Coast with the auxiliary as host. Miss Carolyn Barre, Miss Wool of America, and Miss Carlene Brown, Miss Mohair, will model light-weight and sheer wool and mohair garments.

Of particular interest to producers will be a panel discussion on transportation. Galveston civic leaders and officials of the Port of Galveston are particularly interested in export of mohair and wool and have arranged for five top authorities on transportation from Houston and Galveston to take part in the discussion Monday morning, June 11.

"In addition to our regular business, reports on various legislative activities at the national level and reports from committees we hope to make this a sort of promotional meeting," said Tom Wallace, executive secretary of the TSGRA. "There are a million and half people in the Galveston-Houston area who are potential consumers of lamb and mutton."

E. G. Cauble, Jr. of Big Lake, president of the association, said it is anticipated that about 200 persons will attend the business sessions. Committee meetings are set for 9:30 Monday morning and the general session will be at one o'clock Monday afternoon.

# 25th Annual Wool & Mohair Show To Start Wednesday

## WEATHER

Saturday, June 2	1.00 85 60
Sunday, June 3	T 83 62
Monday, June 4	0 89 65
Tuesday, June 5	T 88 71

Precipitation for May .78; For June 1.67; for the year, 7.56.

The Sonora Lions Club's 25th Annual Wool and Mohair Show will get underway here Wednesday, June 13, with entries of wool and mohair due in the warehouse of Sonora Wool and Mohair Company by five o'clock Tuesday afternoon, June 12.

Entries received as of Wednesday at the woolhouse indicated that there will be an unusually large number of bags of wool in this year's show and advance information showed that mohair entries will be coming from more counties over the state than ever before. Single fleeces of wool were about the same as this time last year.

Increased in both the local and

National judging contests has been indicated and County Agent D. C. Langford reported that he expects a large number of entries in all phases of the judging events, with two or three teams expected from New Mexico in the National 4-H Wool Judging Contest.

Each year since 1949 the Sutton County 4-H Club has received the trophy at the best all round club and has five times been overall high team, although Ozona FFA took this honor in 1957 and 1960 and Crockett County 4-H in 1958 and 1961.

Overall high individual awards have been won locally by Oscar Lee Carpenter in 1950, Carlos Loeffler in 1953, Gene Brodhead

in 1956, Claire Jones in 1957, and John Paul Friess in 1960 and 1961.

Junior Championships for bags of wool have stayed consistently in the county since 1949 with Connie Mack Locklin, Nancy Hunt (now Mrs. James L. Powell), Claire and Cleve T. Jones, Curt Schwiening, Jr., Joe and John Paul Friess, Dick McMillan (twice), Ray Glasscock and Chris Berger showing the championship bags.

As for single wool fleeces, Junior Championships have gone to Nancy Hunt in 1950, Rodney Davis 1952, Connie Mack Locklin 1953 and 1954, Jan Vander Stucken 1956, Anna Rose Glasscock (now Mrs. Billy Gillet) in 1957, Jack David Wardlaw 1959, and Chris Berger 1960 and 1961.

Since 1949 when Joe David Ross exhibited the Junior Grand Champion Mohair Fleece, the award has gone out of the county, four times each to Bandera and Menard, twice to Kimble, and once each to Harper and Medina.

In the National 4-H Wool Judging Contest, held for the first time last year, the Sutton County 4-H team of John Paul Friess, Dick McMillan, Cleve T. Jones III and Preston Neely was first place team. Second was Bandera County. Crockett County was third, Guadalupe County, N. M., fourth, San Saba County fifth and Lea County, N. M. sixth. Overall high individual was Cleve T. Jones III.

In local judging, Bandera 4-H won first in Livestock, Crockett County 4-H in Wool and Mohair divisions and in Range Management.

Last year's adult championship awards went to W. L. (Tom) Davis for the Grand Champion Fleece of Wool, Armer Earwood for the Grand Champion Bag of Wool, and Rodney Davis for the Grand Champion Fleece of Mohair.

A new award will be presented this year for the first time. It is the Joe Berger Memorial Trophy to be presented by Mrs. Joe Berger and Mr. and Mrs. W. F. Berger, in memory of the late Joe Berger, to the Premier Junior Exhibitor of the Show. The trophy must be returned each year until it has been won three times by the same individual, after which it becomes their permanent property. Members of the immediate Joe Berger family are not eligible to win the trophy.

## Connally, Smith, Carr, Bean, Cooper Carry Election Runoff Ballot

## Sonoran's Brother Buried Sunday At Brownwood

Funeral services were held Sunday afternoon, June 3, in Coggin Avenue Baptist Church in Brownwood for Joe P. Allen, 68. Allen died Saturday, June 2, in a Brownwood hospital after a lengthy illness.

He was born in Hope, Arkansas and had made his home in Brownwood for the past 32 years. He was an employee of the City of Brownwood for 15 years prior to his retirement recently.

Survivors include his wife; one daughter, Mrs. R. T. (Jack) Bullion of Brownwood; one sister, Mrs. William Darby of Couer-d'Alene, Idaho; three brothers, Monroe Allen of Bangs, Ludlow Allen of Indian Creek and Ford Allen of Sonora; and two grandchildren.

Burial was in Greenleaf Cemetery at Brownwood.

## Savings Bond Sales In County Only 16.5% Quota

April Savings Bonds sales in Sutton County were \$525.00, according to George H. (Jack) Neill, chairman of the Sutton County Savings Bonds committee. During the first four months of this year the citizens of this county purchased \$13,192 in Savings Bonds. This represents 16.5 percent of the 1962 goal of \$80,000.00.

Sales in Texas for the four month period, January through April, were \$53,240,439, which represents 71 percent of the Freedom Bond Drive goal of \$75,000,000.

## PERSONALS

Weekend guests of Mr. and Mrs. Jim Luckie were Mr. and Mrs. Louis Laskie, Gordon and Kim of Utah and Mr. and Mrs. Vernon Luckie, Larry, Gwen and Hilton of Midkiff.

## SUBSCRIBE TO THE NEWS

A reception by the Galveston hosts and other entertainment is planned for Monday evening for the West Texas delegates.

Sutton County Democrats turned out in Saturday's Democratic primary run-off. Votes elected incumbent Alfred Cooper as Justice of the Peace in the only local race, and gave the majority of votes to John Connally for Governor, Preston Smith for Lieutenant Governor, Waggoner Carr for Attorney General, and Woodrow Wilson Bean for Congressman-At-Large. Bean was the only candidate preferred by Sutton County voters who did not carry the state.

Complete figures in the election tally were as follows: For Governor: John Connally 464, Don Yarbrough 207. For Lieutenant Governor: Preston Smith 502, James A. (Jimmy) Turman, 183. For Attorney General: Wag-

goner Carr 448, Tom Reavley 231. For Congress-At-Large: Woodrow Wilson Bean 445, Joe Pool 219. For Justice of the Peace: Alfred Cooper 401, Elmo Johnson 293.

## METHODIST YOUTH GROUP FROM DALLAS TOURS CAVE

The Rev. A. H. Logan, Dallas Methodist pastor, accompanied a group of 53 young people from his church to Sonora Wednesday. The group were served a barbecue supper at the ranch home of Rev. Logan's father, Joe Logan, and spent the night at the Western Motel. They were to tour the Caverns of Sonora Thursday morning.

Jerry Baldwin is home for the summer from Southwest Texas State College in San Marcos.

## Mrs. Browne Holds Lucky Ticket In Saturday's Bonus Drawing

## Annual Tax Equalization Sessions Set

Equalization Boards will be in regular sessions for the purpose of determining, fixing and equalizing value of any and all taxable property with Sutton County and Sonora next week.

The County Board of Equalization will convene at nine o'clock Wednesday morning, June 13, at the courthouse and the Sonora Independent School District Board of Equalization will be in session beginning at two o'clock Wednesday afternoon. The City Board of Equalization and the City Tax Valuator will meet in the City Hall beginning at nine o'clock Thursday morning, June 14. All persons interested or having business with these Boards should be present.

Thirteen building permits have been issued for home and business construction and addition to existing buildings by the City of Sonora since March 16, 1962.

They include: Granville Barker, new residence; Barrow Jewell, expansion; James H. Skinner, new residence; Felipe Leiva, new residence; A. G. Gonzales, addition of a room to residence; Eugene Benson, carport addition; Frank Adkins, new residence; Robert R. Mata, permit to move display house to his property; A. M. Cunningham, addition to residence; Francis Archer, addition of room to residence; Wm. Cameron and Co., new display residence; Mrs. Selma Wyatt, new residence, and Mrs. Rena Trainer, addition of room to residence.

## City Issues 13 Building Permits Since Mid-March

Thirteen building permits have been issued for home and business construction and addition to existing buildings by the City of Sonora since March 16, 1962.

They include: Granville Barker, new residence; Barrow Jewell, expansion; James H. Skinner, new residence; Felipe Leiva, new residence; A. G. Gonzales, addition of a room to residence; Eugene Benson, carport addition; Frank Adkins, new residence; Robert R. Mata, permit to move display house to his property; A. M. Cunningham, addition to residence; Francis Archer, addition of room to residence; Wm. Cameron and Co., new display residence; Mrs. Selma Wyatt, new residence, and Mrs. Rena Trainer, addition of room to residence.

## Lions Roar

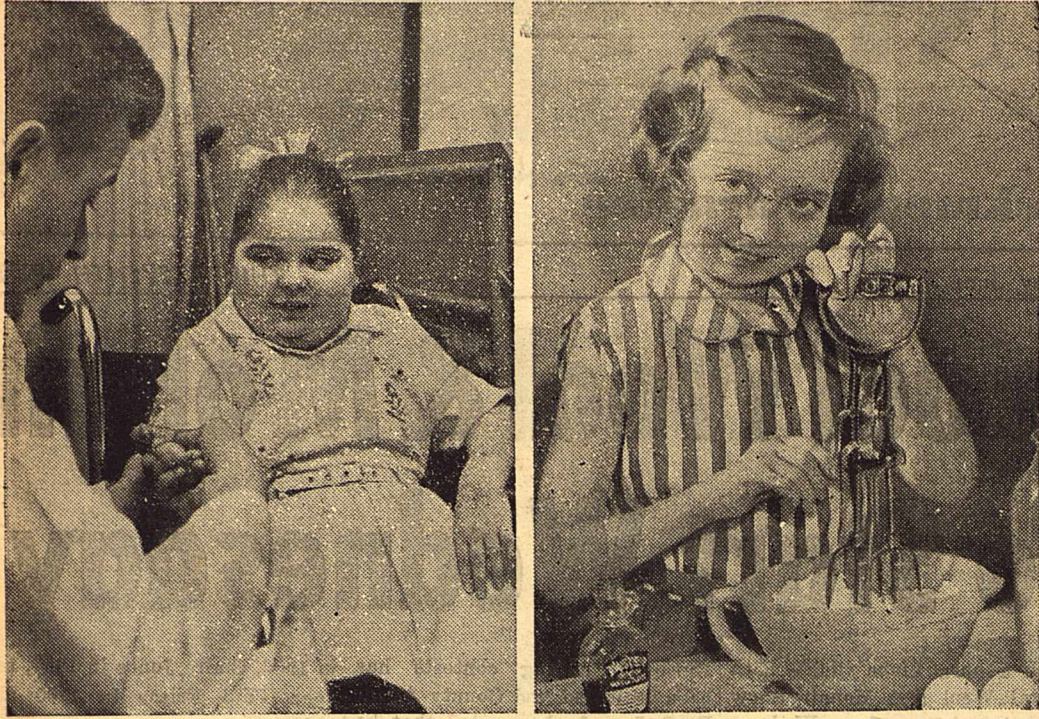

At their Tuesday luncheon meeting at the First Methodist Church this week, members of the Sonora Lions Club heard Lion E. B. Keng give an illustrated commentary on his recent trip to Washington, D. C. Keng showed slides which illustrated the trip which Keng and D. C. Langford made to the nation's capitol last month. Both received awards from the United States Department of Agriculture.

Directors of the organization met following the membership meeting. Two guests, Pete Logan, and Ronald Mull of DeLeon, were present.

Mr. and Mrs. George Smith and Eddie have as their guest Smith's mother, Mrs. Mary Smith of San Angelo.

# Jamee Gaining in Arthritis Fight

Jamee Scholl, 9 years, of Rochester, N. Y. (left), as she looked about a year ago. Note "moon face" effect. Jamee is home today (right) after treatment at the March of Dimes-supported Arthritis Study Center, University of Rochester Medical School.

Gloom—heartbreak—despair. These were nine-year-old Jamee Scholl's feelings for so many of the long months of her battle with arthritis. She was at least 60 pounds overweight and could scarcely recognize herself in the mirror.

Once a gay and carefree little girl, Jamee's unbearable pains and changed appearance had turned her into a surly and hostile child.

But, as the accompanying "before-and-after" photos suggest, Jamee's progress so far makes her future look quite encouraging.

Much of the transformation of Jamee took place at the March of Dimes-supported Arthritis Clinical Study Center, University of Rochester Medical School, where the blue-eyed child was first hospitalized in January, 1959. Her pains from rheumatoid arthritis, felt in almost every part of her body, were of such severity that Jamee spent most of her time crying—even screaming with pain.

For nearly two years, the child's doctors were compelled to administer cortisone, one of the steroid hormones, to reduce the intolerable pain Jamee was undergoing. In many cases of rheumatoid arthritis, cortisone serves to reduce inflammation. It often restores at least some mobility in the joints which, in turn means that the indispensable exercises of physical therapy can begin.

**Drug Had Side Effects**

Unfortunately, cortisone in the large doses Jamee required for relief sometimes has its drawbacks. Side effects in her case included a "moon face" appearance.

Specialists at the March of Dimes-supported clinic treated Jamee with intensive physical and hydrotherapy (exercise baths in swirling water), and carefully regulated her diet. Gradually the little girl's cruel pains decreased, permitting a reduction in the cortisone dosage. The swollen "moon face," which had so distressed the child, began to diminish. Her weight came down from an incredible 118 pounds to a normal 54 pounds. Muscle strength and joint motion increased. This meant more weight-bearing ability and, thus, occasional escape from bed and wheel chair.

**Jamee Returns Home**

Jamee's hospitalization ended. But continuing home therapy was indispensable. The Monroe County (N. Y.) chapter of The National Foundation-March of Dimes provided for twice-a-day visits by a physical therapist and also supplied a hot-pack machine. Since both of Jamee's parents have been ill, a "homemaker" was recruited to help with the domestic chores.

Today, Jamee looks into her mirror without terror, loathing or pain. She no longer sees a frightening reflection. She sees a pretty and winning child, home at last with those she loves.

## HIGH LIGHTS AND SIDELIGHTS FROM THE STATE CAPITOL

By Vern Sanford  
Texas Press Association

Crooked-hole well-drilling is the big news at the Capitol.

More than \$3,000,000 in penalties is asked by Atty. Gen. Will Wilson in the first suit brought by the state following "crooked-hole" investigations in the East Texas Oil Field. Suit contends that six oil wells were drilled in such a direction that they wound up under someone else's land.

Operators plugged two of them before Texas Railroad Commission engineers could check to see if the holes were straight or crooked.

Suit asked \$1,000 a day for each day of operation of each well. Over a two-year period, this come to \$3,442,000.

Commission engineers plan to check more than 1,000 wells.

Humble Oil and Refining Com-

pany brought a civil suit against another group of oil operators. Humble says that the operators' crooked wells ended under an Humble lease and have been draining off Humble's oil.

**SAFETY IN AGE**—If you live to be 100, you'll be safe from death by accidents.

State Health Department statistics reveal that not a single Texan over 100 years of age died in an accident in 1960.

Statistics also reveal that there's something to what they say about Texas weather. Deaths from extreme heat and from freezing both were reported during the year.

Biggest killer for all age groups, except those under one and over 75, is the highway accident.

In the home, fire and explosion are the biggest killers. Falls are in third place.

Home ranks next to the highway as the scene of most accident deaths.

**MENTAL PATIENT CLINIC**—Board for State Hospitals and Special Schools is expected to act within the next week or two on whether to select a site in the Lower Rio Grande Valley or in the Beaumont area for an outpatient clinic for discharged mental patients.

Dr. C. J. Rullman, state director of mental health and hospitals, said the Board already had chosen the Fort Worth area for one of the two clinics authorized by the last Legislature.

"Second will be established in South Texas," he added. Sites are being considered at Beaumont and Brownsville-Harlingen.

Such clinics now are operating in Houston, San Antonio and Dallas.

**PARK PATRONAGE GAINS**—State Parks system is showing substantial gains in patronage as compared with last year.

Bill M. Collins, executive director for the Parks Board, said that increases in the number of visitors particularly were noticeable at Garner State Park in Southwest Texas, Lake Corpus Christi Park, Palo Duro Canyon Park in the Panhandle, Bentsen Park on the Rio Grande border, and Kerrville and Buescher parks.

Total visitors in April, latest figures available, were 681,871, compared with 590,133 in the same month a year ago.

**DOVE HUNTING SEASON**—Texas will have representatives at the national dove conference in Washington on June 26 when length and dates of the 1962

## Voter Literacy Test Bill Bad Says Fisher

By Congressman O. C. Fisher

BY A MARGIN OF 53 TO 43 the Senate voted against cutting off debate on a bill to outlaw literacy tests for voters by the various states. It is considered likely that will end the fight for this "civil rights" measure at this session.

The literacy test bill (a brainchild of Bobby Kennedy) was bad for two reasons. First, it was of very doubtful constitutionality because the Constitution says the States determine the qualification of voters. Secondly, even if constitutional it proposed to establish the 6th grade as the test, which would be highly speculative. Some 6th graders would be well qualified as voters, others might not be.

**ALREADY THIS YEAR** the Senate has killed a month debating "civil rights" measures, and this may mean a long, weary session, which could and should end in July this year. But the politicians are prone to develop election-year jitters when they see a chance to capture a batch of gullible colored and liberal votes by grabbing the "civil rights" torch and trying to start a parade. They exploit that old issue to the limit. Last year—not being an election year—there was little said or done on the subject. But this year—being an election year—it's a different story.

**SPEED IS STILL** the No. 1 killer on the Nation's highways, according to an analysis of 1961 traffic accidents. Fast driving caused 33.3% of the deaths and 37.5% of the injuries last year. And approximately 83% of the accidents were the results of driving recklessness, carelessness or mistakes. Thus, the human factor in highway safety remains the big problem to be reckoned with.

A total of 10,260 men, women and children met violent deaths last year in crashes directly attributable to excessive speed. And 946,000 persons were crippled or otherwise injured in speeding accidents during the

hunting seasons will be discussed.

H. D. Dodgen, executive secretary of the State Game and Fish Commission, reports the outlook favorable for a good dove crop in Texas—both morning and whitewing doves.

**VACATION READING STIMULATED**—Fourth annual "Texas Reading Club"—designed to encourage an interest in reading among youngsters—during their summer vacation—is under way.

Sponsored by the Texas State Library and participating libraries in 89 cities and towns, the program enrolled more than 16,000 young people this year. Harold J. Marburger, director of rural library services, State Library, described the reading club as the largest of its kind in the nation.

Youths who read 12 books on their reading level before August 31 will receive a reading certificate signed by Marburger and Dr. Dorman H. Winfrey, director and librarian, State Library.

In addition, all youngsters who enroll will receive a "reading log" to keep a record of books completed during the program.

Books in many instances are being furnished by the State Library through inter-library loan, bookmobiles, multi-county regional libraries and through the loan of books as an extension service from the library field ser-

Sara Stewart, who attends Southern Methodist University in Dallas, will spend the summer here with her family, Mr. and Mrs. James N. Stewart and James, Jr.

**SUBSCRIBE TO THE NEWS**

year. The death list from all causes included 37,600 names while 3 million others were injured.

This is a sad and sordid record—and one that calls for more than a casual glance from those who drive automobiles. Would it help if each morning every drive should resolve: "ON THIS DAY there will be no traffic accident, so far as I am concerned"?

**TWICE AS MUCH COOLING**

with the patented advantages of

## PARAMOUNT COOLERS

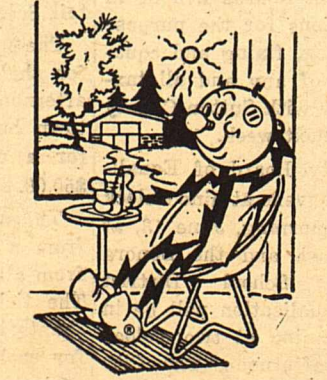

Yes! This famous Paramount 5000 c.f.m. evaporative cooler gives you up to twice as much cooling because of these patented features:

- Many coolers lose as much as 70% of cooling efficiency because dust, dirt and salts clog the filters. Patented No-Clog Sta-Fresh Filters are guaranteed clog-proof, assuring 100% cooling efficiency all summer long.
- Filters saturated with water become heavy and often sag and settle from the top, drawing hot, unfiltered, uncooled air into the cooler which may create as much as a 70% cooling loss. Patented Grip-Lock Filter Holders are guaranteed to prevent sagging and settling of filters assuring 100% cool, clean, filtered air.
- Without correct water trough adjustment, sections of the filters remain dry, resulting in substantial cooling loss and costly service expense. Patented Free-Flo Visible Water Troughs with external adjustment assure 100% saturation, and 100% cooling for the entire life of the cooler.
- Added feature—Patented Window Closing Attachment lets you close and lock your window. Eliminates entry of dust, rain and drafts into your home.

# THEN AND NOW

This picture of the Mayer Brothers building was taken probably in 1893. This was just prior to the time when one of the store clerks, E. F. VanderStucken, purchased the business. The late Mr. VanderStucken developed the business into one of the most widely known in West Texas.

The store expanded under his management until it included the buildings now occupied by Joseph's Department Store, Howell's Home-Owned Grocery and Market, the old postoffice building, Sonora Electric and the office of Jerry N. Shurley, attorney. Much of the original stonework still stands and forms portions of the walls of the present buildings.

Mr. and Mrs. Calvin S. Howell are shown in their Howell's Home-Owned Grocery and Market which now occupies a portion of the former VanderStucken Building. The Howells are currently celebrating the second anniversary of their business. The family, Calvin, Mary Ann, sons Eddie and Jimmy and daughter Prissy, came to Sonora from Ballinger in January 1960.

Howell has made extensive improvements to the store including the addition of display space, several cases for frozen foods, meats and produce, and enlargement of floor space. He is very active in community affairs, currently serving as a director of the Chamber of Commerce and a member of its Retail Sales Committee, vice-president of the Bronco Booster Club, and a member of the Sonora Lions Club. He is a member of the Presbyterian Church of the Good Shepherd of which he is a deacon and teaches the Pioneer Sunday School class.

In 1962 as in 1900 Sonora merchants and businessmen are devoting their time and talents to building a larger and more progressive home town. They are always striving to offer their customers the latest and best merchandise at the lowest possible prices.

Sonora's 75-year history has been one of merchants and ranchmen co-operating to establish and maintain fine schools, good Churches, active civic and charitable organizations and a reputation for friendliness and hospitality.

Club members present were Mes. Fred Adkins, Doyle W. Morgan, Jerry Hopkins, Ralph P. Mayer, W. L. Morriss, Albert C. Ward, Ralph J. Finkler, Steed, Granger and Harris.

Guests included Mes. Cleveland Nance, Joe Nance, Norman W. Rousselot, Nolan W. Johnson, W. A. McCoy, Tommy Smith, James Hunt, A. E. Lowe, Hamilton and Shurley.

**THE WOMEN'S PAGE**

**Miss Elaine Luttrell Becomes Bride Of  
Kyle Donaldson In Church Rites June 2**

Miss Jerre Elaine Luttrell and Kyle Donaldson of Eldorado were married Saturday evening, June 2, in the First Baptist Church by the Rev. Alvin L. Loiry, pastor.

The bride is the daughter of Mr. and Mrs. J. C. Luttrell. The bridegroom's parents are Mr. and Mrs. Russell Donaldson of Eldorado.

Miss Katherine Adams was maid of honor and Mrs. Joe B. Luttrell, sister-in-law of the bride, was bridesmaid. They wore street-length gowns of blue organza over blue taffeta fashioned with boat necklines and fitted, sleeveless bodices. They wore bandeaux of white Marguerite daisies and carried colonial bouquets of feathered white carnations.

Mrs. Katharine Linthicum, organist, presented traditional nuptial music and accompanied Miss Priscilla Linthicum, vocalist.

Joe B. Luttrell, brother of the bride, attended the groom as best man, Adrain McCoy was groomsmen and assisted Jimmy D. Smith as usher.

Given in marriage by her father, the bride wore a gown of white peau de faille designed with a Sabrina neckline and short sleeves. Tiny selfcovered buttons extended down the back of the bodice. The skirt was fashioned on princess lines with inserts of Alencon lace and extended into a chapel train. Her full circular veil cascaded from a tiara of pearls and iridescent sequins. She carried a white orchid with stephanotis shower on a white Bible.

Following the ceremony a reception was held in the fellowship hall of the church. The bride's table was covered with a white linen cloth and centered with an arrangement of white gladioli in a crystal bowl flanked by crystal candelabra. The three-tiered cake was at one end of the table and the punch service at the other. Misses Barbara Wright, Gail Rode and Mary Ciel Hawkins alternated at serving and Misses Anita Thompson and Betty Ann Patrick registered guests.

**Dean Blair Pittmans At Home  
In Menard After May 26 Ceremony**

Mr. and Mrs. Dean Blair Pittman, Jr. are at home in Menard following their marriage here Saturday, evening, May 26. The Rev. Don Campbell, pastor of the First Christian Church of Menard, performed the ceremony in the Palace of the Angels in the Caverns of Sonora.

Mrs. Pittman, the former Miss Carlene Brummett, is the daughter of Mr. and Mrs. James Brummett of Menard and Sonora, and her husband's parents are Mr. and Mrs. Dean Blair Pittman, Sr. of Fort Worth.

Miss Sue Pittman of Fort Worth, sister of the groom, was the bride's only attendant. The groom's father served as best man.

Given in marriage by her father, the bride wore a gown of white lace over white satin with seed pearls embroidered on the bodice. Her short veil was attached to a tiara of seed pearls. She carried a bouquet of white roses on a white satin prayer book.

A wedding reception was held in the ranch home of Mr. and Mrs. B. R. Jennings, uncle and aunt of the bride. Miss Nina Jennings served the four tiered cake and Miss Pittman presided at the punch bowl. Mrs. E. J. Ify of Sabinal registered guests.

The couple left for a wedding trip to Carlsbad, New Mexico, Oklahoma, Colorado and Kansas. Mrs. Pittman is a 1962 graduate of Menard High School. Her husband attended Fort Worth

schools and Texas Christian University.

**Ladies Interested  
In Garden Club  
To Meet June 15**

A group of women met last week in the home of Mrs. Charles F. Browne to discuss the organization of a garden club. After studying the varied activities of such a club, it was decided that there is a real need for such an organization in Sonora.

Activities will include the study of horticulture and flower arranging under qualified instructors. Projects will include civic beautification, flower shows, litter bug campaigns, plant exchanges, conservation of plants and wildflowers and many others.

This will be a work and study organization rather than a social club.

Women interested in such a club are invited to attend the organizational meeting at 3:30 Friday afternoon, June 15, in the Browne home. Further information may be had by calling Mrs. D. W. Reiley or Mrs. Jack Mackey.

**REHEARSAL DINNER**

Among pre-nuptial courtesies extended Miss Elaine Luttrell and Kyle Donaldson was a rehearsal supper at the Commercial Cafe Friday evening, June 1, with Mr. and Mrs. Russell Donaldson of Eldorado, parents of the groom, as hosts.

Places were laid for the honorees, Mr. and Mrs. J. C. Luttrell, parents of the bride, the Rev. and Mrs. Alvin L. Loiry, Mr. and Mrs. Joe B. Luttrell, Mrs. Katharine Linthicum, Miss Katherine Adams, Miss Priscilla Linthicum, Jimmy D. Smith and Adrain McCoy.

**ENTERTAIN WITH  
SWIMMING PARTY**

Janice Letsinger and Janice Dunn entertained a group of about 30 junior high school and freshmen with a swimming and dancing party at the swimming pool Saturday evening. The occasion was in honor of Janice's 14th birthday and and farewell party for Janet Johnson and Susan Allison who are leaving for six weeks.

Refreshments of sandwiches, cookies and bottled drinks were served.

Patsy Garrett is home for the summer from Abilene Christian College.

**Miss Mary Jack Puckett Bride Of  
Robert O. Johnson Wednesday, June 6**

Mrs. Robert O'Brien Johnson

Miss Mary Jack Puckett became the bride of Ensign Robert O'Brien Johnson, U.S.N., son of Mr. and Mrs. Howard O'Brien Johnson of Austin, in a ceremony read at eight o'clock Wednesday evening, June 6, by the Rev. Henry Clay T. Puckett, father of the bride, in St. John's Episcopal Church in McAllen.

The Rev. and Mrs. Puckett were hosts at a reception at McAllen Country Club.

Miss Nancy Claire Eppright of Austin was maid of honor. Miss Rebecca Claire Puckett, sister of the bride, was junior bridesmaid and bridesmaids were Miss Tom Elaine Espy of Sonora, Miss Harriet Schoch of Dallas and Miss Vivien Franklin of Wimberly. Rebecca King of Mission, cousin of the bride, was flower girl.

The bride's attendants wore gowns of Persian rose silk mist taffeta designed with floor-length "A" skirts, scoop necklines and short sleeves. Their headresses were circlet bows of the taffeta. They wore matching silk slippers and short white kid gloves and carried colonial bouquets of pink roses and baby's breath with Persian rose ribbon streamers.

Given in marriage by her grandfather, Ephraim F. King of Marfa, the bride wore a gown worn by her mother at her own wedding. Made of handembroidered candelight net from China over delustered satin, it was fashioned

with a straight panel in front with sides and back of the skirt gathered full into a chapel train. The shoulder-length veil of the Johnson of Austin, in a ceremony read at eight o'clock Wednesday evening, June 6, by the Rev. Henry Clay T. Puckett, father of the bride, in St. John's Episcopal Church in McAllen.

Stanley Carruth of Austin attended the groom as best man. Groomsmen were Billy Don Hulm of Wills Point, Ensign Roy E. Miller and Lieutenant Frank M. Shallene, both of Austin. Ushers, also of Austin were Michael Moehlman and William W. Brewer.

Robert G. Lovell, Jr. was crucifer, James and Richard Schutz were flag bearers and candlelighters were Richard and Gerald Livingood of Mission.

At the reception, the bride's table was laid with a white cloth and skirted with white organdy. Centering the table was an arrangement of pink and white roses and white stock surrounding crystal candelabrum with crystal prisms.

The houseparty included Messrs. and Mes. F. E. Butler, Bobby Etchison, Bill Meyers, J. W. Fields, Ben Givens, Robert G. Lovell and Miss Frances Lovell, all of McAllen; Mr. and Mrs. Neal P. King, uncle and aunt of the bride, and Mr. and Mrs. Vernon B. Hill, of Mission; Mr. and Mrs. J. N. Carlisle, uncle and aunt of the groom, and Misses Jane, Kay and Anne Carlisle of Austin; Mr. and Mrs. Lea Allison and Dr. and Mrs. Charles F. Browne of Sonora; also Mrs. Frank R. Summers of Houston, Mrs. J. W. Brown of Austin, Mrs. J. M. Fowlkes of Marfa and Mr. and Mrs. Leland McCullough, Sr., of Pharr.

When the couple left on a wedding trip to New Orleans, the bride wore a mocha blue Italian silk suit with white and blue print blouse, a blue straw hat, and white patent shoes and bag. Her corsage was a white cimbidium orchid.

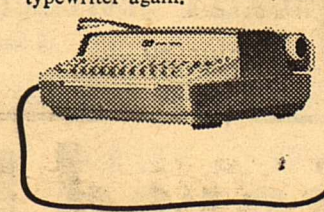

Mrs. Johnson attended Sonora schools, St. Agnes Episcopal School and Hammond High School in Alexandria, Virginia. She is a May graduate of the University of Texas with the degree of Bachelor of Arts in English literature. While at the University she was a member of Kappa Kappa Gamma, social sorority.

Her husband attended Austin High School and the University of Texas, where he was graduated ampla cum laude with the Bachelor of Science degree in aerospace engineering. He was a member of Tau Beta Pi, honorary engineering fraternity; Gamma Tau, honorary aerospace engineering fraternity; and was awarded the American Legion Trophy, Society of American Engineers Award, the Jesse Jones Award, and was Naval ROTC battalion student commandant.

The couple will be at home at Pensacola, Florida, where Ensign Johnson is attached to the U. S. Naval Air Station.

**NEW!  
Electric  
Hand-  
writing  
(like this)**

Here's a new idea for you. Team up Smith-Corona's beautiful Artistic Script and their electric portable! You have electric handwriting... neat, readable, personal. An electric portable gives an expert's touch. Type every letter with the same blackness. No jumbled letters, no jumpy lines, no uneven spacing. And you can make ten carbons without pounding. There are 5 repeat actions... for rows of underlines, dashes, dots, spaces and the letter "X". Hold down the key - electricity repeats them automatically. Try the Smith-Corona... world's first electric portable. You'll never type on a manual typewriter again.

The Devil's River News-Sonora, Texas, Thursday, June 7, 1962

**Devil's River Philosopher Claims Ranchers Can Stand Stock Market Fluctuations Better Than Tycoons**

Editor's Note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River looks at the stock market this week, from quite a distance.  
 Dear editor:

I know ranchers aren't supposed to be as, well, let's say, mentally alert as big business men, they're supposed to use brawn more than brain, but sometimes I wonder.

For instance, when the stock market took a nose-dive recently, what happened? Why, big business men all over the country began shuddering, members of the Stock Exchange got jittery, the newspapers were full of expert advice and explanations, and people began wondering if the bottom was going to fall out of things. Is this another 1929? they asked.

Some people with stocks even became a little panicky, and the more worried they got the more they sold. "Why, just thing," one man complained, "yesterday my stock was worth \$70 a share. Now it's worth \$40." He was

litter law are necessary to stop the litterbug. Strict law enforcement helps to some extent, but it is almost impossible to stop littering by patrolling "heavy litter" areas. The trend, and some feel the only solution to the problem, is toward education of the public through mass media and through programs sponsored by the Texas Highway Department, civic clubs and other organizations.

plenty worried.  
 But here's the point. Every time somebody sold a stock, somebody else bought it, and after it was all over the stocks apparently climbed back up to about where they were before. People were kicking themselves at first for not selling sooner, then kicking themselves for having sold.

Business people ought to associate with ranchers more and they'd come to learn how to be calm under such situations. It happens all the time in ranching. Many's the time I've had stock in the pasture I figured was worth so much money, only to find out when I hauled it to market it was worth 30 percent less. Every rancher knows what it is to have a steer worth \$100 today and \$70 tomorrow.

If ranchers got panicky under such a situation, they'd stay that way most of the time. Wild fluctuations in the stock market may run big business men berserk, but fluctuations in livestock prices are as ordinary to a rancher as dry weather when he needs a rain and rainy weather when he needs sunshine.

On top of this, most of the losses in the stock market are paper losses, a stock will keep, it's not like a lamb that's ready for market. In ranching, the losses aren't paper losses. This doesn't necessarily prove that ranchers are smarter. They just don't scare so easy.  
 Yours faithfully,  
 J. A.

**Litterbugs Cost Texas Taxpayers Millions Annually**

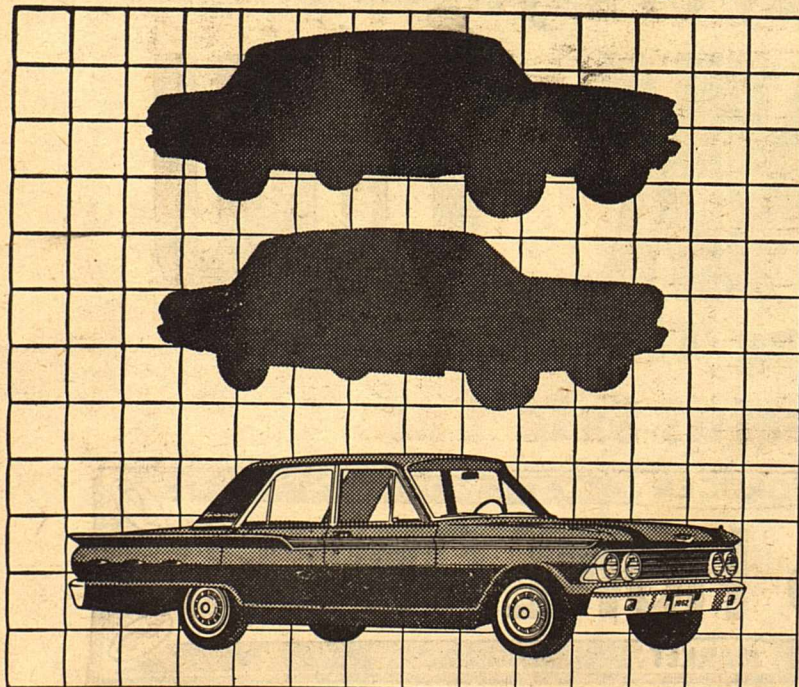

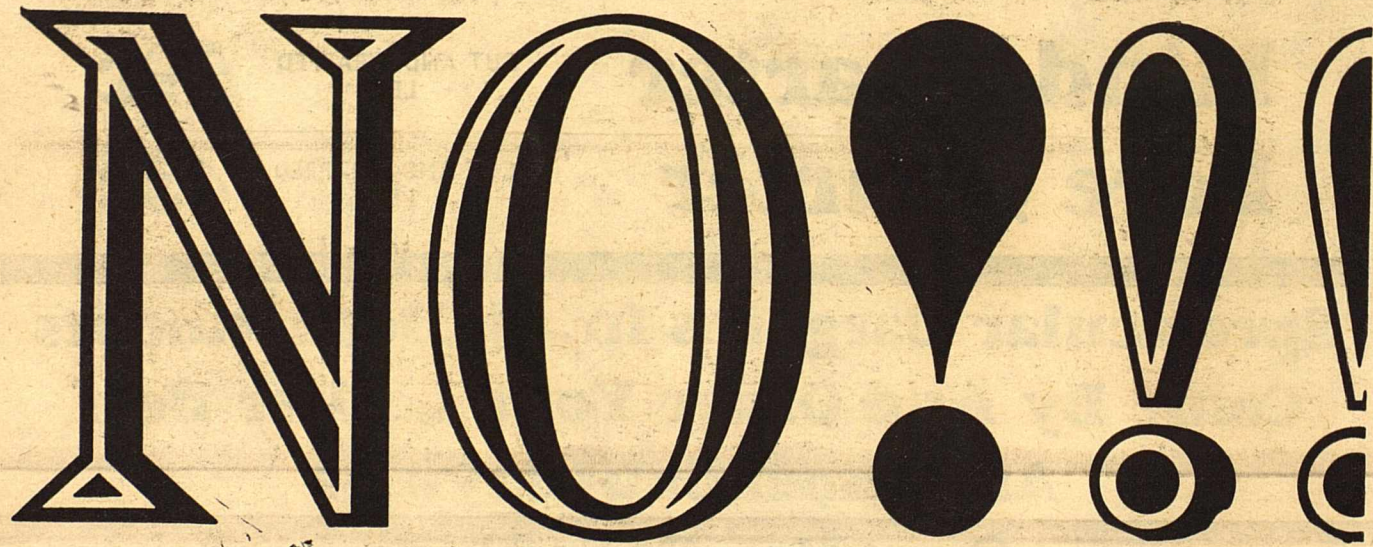

Almost two million dollars—funds that could have built 72 miles of farm to market roads or 24 miles of two-lane primary highways—had to be spent by the Texas Highway Department to remove litter from the highway and repair vandalism damage last year.

This is much like a man throwing trash in his own yard and then paying someone to pick it up, for Texas motorists are covering the "front yards" of their state with a trail of trash and then "footing the bill" to have it cleaned up. Last year the Highway Department had to spend \$1,344,000 to remove this unsightly and unsanitary mess from the roadsides.

In addition, sign vandalism accounted for another \$385,900. Other vandalism totaled \$70,000 bringing the total for litter removal and vandalism to \$1,799,900.

Vandalism, according to the Highway Department classification, covers such items as damaging and destroying signs and sign supports, marking on structures, and damaging safety rest

Does Ford Fairlane's "compact" price mean it's a compact car?

**Rambler is a compact!**  
 The experts classify cars by wheelbase. Anything under 114-inch wheelbase is a compact. The biggest Rambler's wheelbase is only 108 inches!

**Chevy II is a compact!**  
 Chevy II tries to sound like a middle-size car . . . but its wheelbase is only 110 inches!

**Our Ford Fairlane is right between the compacts and the big cars—gives you compact price with big-car room and ride!**

Fairlane's wheelbase is a full 115.5 inches. From bumper to bumper, Fairlane measures 197.6 inches . . . 14.6 inches longer than Chevy II . . . 7.6 inches longer than the longest Rambler. Fairlane is as roomy inside as most of the cars on the road today . . . and rides more smoothly than most. Yet it's a foot shorter . . . easier to park than the big cars . . . less gas-wasting bulk. Look at the facts, and you, too, will go Fairlane. Come size it up today.

**DO YOU DO BUSINESS LOCALLY? IF YOU DO, YOU SHOULD Advertise Regularly In This Newspaper BECAUSE**

1. Our circulation is local. People who read this newspaper are your best customers.
2. Our circulation is paid in advance. Thus, people who get the paper read and respect it. They show they do by paying for it and sharing it with their neighbors.
3. This paper contains news vital to local residents and available nowhere else.
4. This paper is not so large that your advertisement will be "buried" in it.
5. The "long life" of weekly newspaper readership is an established fact. Papers are still being bought over the counter several days after publication, until the next issue comes out. Thus, your ad has a longer time which to be read.
6. This paper is published just before the weekend, at a perfect time for readership results.
7. Space cost is reasonable—much lower than any other method of getting your message to the public.

## ANNOUNCEMENTS

### CARD OF THANKS

To My Sutton County Friends: It would be impossible to express my appreciation for the trust you have placed in me by re-electing me Justice of the Peace. I can only say that I will attempt to justify your confidence in me by devoting myself to the service of all the people of this county. You can be sure you will have my fullest co-operation in all matters under my jurisdiction and that I will strive to make these next four years the best I have served.  
Alfred Cooper.

### CARD OF THANKS

Un Anuncio A Todos Mis Amigos: No es posible a expresar mi apreciacion por la fe que me han puesto por su voto en mi eleccion a la posicion de Justicia de la Paz por esta ciudad. No puedo decir mas que yo voy a tratar a justificar su confianza por mi devocion a la servicia de todas personas. De veras, toda la gente va a tener toda mi cooperacion en todas cosas en mi jurisdiccion, y yo voy a trabajar para hacer los cuatro anos proximos los mas mejores de mi servicio. Muchas gracias, amigos, por su lealidad.  
Alfred Cooper.

## Edwards Plateau Soil Conservation District News

By E. B. Keng  
Soil Conservation Service

Mesquite control with 2-4-5T is in progress in the Edwards Plateau Soil Conservation District. R. A. Halbert has sprayed 3,177 acres, and acreages have been treated on the Bill Tittle, Joe Logan, Robert Pfluger, and George Brockman ranches.

Success in control of mesquite by aerial spraying depends to a large extent on the growing condition of the plants. Spraying is only effective when mesquite has had adequate moisture to produce a good leaf crop, and the leaves are soft and barely mature.

"An examination of mesquite south and west of Sonora prior to rains last Thursday and Friday indicated that dry winds had hardened the leaves and some wilting was evident. These leaves would be knocked off too quickly by spray, before the chemical could be translocated into the trunk and roots. Experimental results indicate that these trees would sprout quickly, and a good top kill would not be obtained," said E. B. Keng, Soil Conservation Service technician.

Mesquite north and east of Sonora, where April showers were heavier, appeared to be in suitable condition for spraying-even before last week's rains. With the recent moisture of 1.5 to 2 inches most mesquite in the Sonora area will green up and be suitable for control with aerial spray for a few more days. With continued dry weather mesquite should be sprayed before June 15, or the treatment should be delayed until next spring.

Ranchmen who plan to control mesquite with ground equipment can continue the treatment over a longer period. More chemical and oil can be applied with ground equipment, and the lower trunk should be well soaked.

Mesquite has spread very rapidly since the long drought, and is becoming a severe problem on many ranches. Each ranchman should make plans to treat some 15-25 per cent of his infected range each year. The aerial spray method, under suitable conditions, gives a good top

kill that lasts 5 to 7 years before re-treatment is necessary.

Cost of control by aerial spraying is around \$3.00 per acre. Cost-sharing of about \$1.50 per acre (up to \$1,000) is available from the Sutton County ASC office.

Mr. and Mrs. D. L. Locklin have as their guests, Mr. and Mrs. T. Locklin and daughter of La Marque.

## LOCAL NEWS BRIEFS

Mr. and Mrs. R. S. Teaff, Carl and Trouba have had as their guests Mrs. Lawrence Molohan and Denise of Grand Junction. They are en route to Australia where they will join Molohan who is in the oil drilling business there.

Johnny Fields and Charlie Howell have arrived from the University of Mississippi to spend the summer vacation with their families, Mr. and Mrs. Herbert Fields, Corky and Tryon, and Dr. and Mrs. J. F. Howell.

Patsy Garrett is home for the summer from Abilene Christian College.

## Sutton County Receives Commendation For Deathless Traffic Record In 1961

Sutton County was one of only 14 counties in Texas with a record of no traffic deaths during 1961, according to information compiled by the Texas Department of Public Safety. In recognition of this fine record, County Judge J. W. Elliott recently received the following letter from Governor Price Daniel:

Dear Judge Elliott: I take pleasure in enclosing the Award announced for your city at the annual convention of the Governor's Highway Safety Conference in Dallas.

Please accept my sincere thanks for the fine contribution you have been making and continue to make in behalf of traffic safety in Texas. With your assistance, we have been able to save several hundred lives in

## LOCAL NEWS BRIEFS

Dr. and Mrs. William Hodges have returned to their home in Port Arthur after a brief visit with their son-in-law and family, Mr. and Mrs. John S. Otey, Cathy, Carole and David.

Mrs. Horace B. Rees of Big Lake, Mrs. Muriel Hamilton and Mrs. Juliet Driskell attended the funeral of their sister-in-law, Mrs. Hal F. Holland, in Junction last Friday afternoon.

Mr. and Mrs. Melvin Shroyer and Annette and their niece, Melva Ray Shroyer, have returned from Phoenix, Arizona where they visited Shroyer's brother, Raymond Shroyer.

Texas traffic during the past five years, and this award is a means of expressing my gratitude for your interest and cooperation in this great public service. Kindest personal regards. Sincerely yours, Price Daniel.

The award bears the following inscriptions:

WHEREAS, the Governor's Highway Safety Commission, other State Agencies and Departments, Local Traffic Safety Councils and Law Enforcement Agencies, and thousands of individual citizens have, for the fifth consecutive year, continued their Statewide crusade to reduce traffic deaths on Texas streets and highways, and

WHEREAS, final figures for 1961 show that the Texas traffic death toll was one of the smallest in twelve years and the traffic death rate was the smallest in Texas history, and

WHEREAS, special recognition is deserved by those who excelled in the Statewide program;

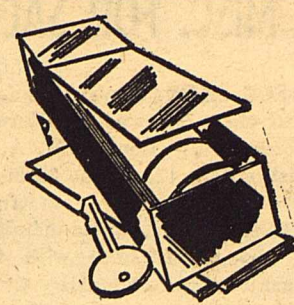

NOW, THEREFORE, BE IT KNOWN that Sutton County is
