The Devil's River News-Sonora, Texas, Thursday, October 4, 1962

THIRD WEEK

Bronco End Arthur Bermea, in the end zone, catches a pass off the arm of Quarterback Primo Gonzales. Big Lake backs Charles Millwee and Bruce Colvin show the type defense typical of Friday night's game.

### Citizens Hear Of Sewage Needs Bond Vote Scheduled Saturday

#### Hill Country Firemen's Association To Hold Convention Here October 13

Volunteer firemen from 18 West Texas towns will meet here Saturday, October 13, for the Hill Country Firemen's Association convention. Fire departments to be represented are Ballinger, Bangs, Bronte, Brownwood, Coleman, Eden, Eldorado, Junction, Mason, Melvin, Menard, Miles, Ozona, Paint Rock, Santa Anna, Sonora and Winters. Registration will begin at 8 o'clock Saturday morning and the meeting will be called to order at the 4-H Center at nine

o'clock by H. E. Moore, president of the local fire department. Sonora Mayor A. E. Prugel will welcome the group and Bill Selby of Ballinger, first vice-president of the Association, will give the response. HCFA President Jack Sneed of Coleman will conduct the business session. A thirty-minute program of entertainment under direction of John R. Tedford, Jr., will be presented for visitors and will be followed by an address by car-

George Green, senior member of Hassie and Green, Lubbock engineering firm, described the inadequacy of the Sonora sewage system to citizens Tuesday, October 2 at the elementary school.

Green pointed out that the present plant was designed to hold wastes to be treated for at least one and a half hours, but because of the overload, retention time is about 20 minutes. In a plant built for 1,000 and serving over 2,600, there is very little treatment of the sewage, according to Green. The engineer showed a map and gave figures in a breakdown that brought the total cost of the system to be built to approximately \$240,690. Financing is to be covered by a federal grant of \$51,990 and a general obligation bond issue for \$200,000 to be voted on by Sonora residents on Saturday, October 6.

ing from stagnant water over town, unrelated to the present sewer plant.

The engineering firm representative brought out that water time building in Sonora is sought after over other areas, and that this is a good time to let contracts. With an approval vote in Saturday's election, the plant could be completed in a few months, he said, at costs perhaps lower than his firm's estimates.

Mayor A. E. Prugel, chairman of the meeting, was asked what he would do if the bond issue vote failed. He said it was the Commission's responsibility to bring its studied recommendations on the sewage system to the people's attention. He drew laughter from the crowd when he said they had hoped to get a plan for about \$50,000. Commissioner W. B. McMillan said he was glad that the people, themselves, would decide the outcome.

Someone from the audience asked if the state board of health could force the city to do something about the unsanitary condition. Bryan Hunt spoke from the audience, "We don't want to have to be made to do something we should do anyway." He asked the Commission if planning for a population of 5,000 is far-range enough for Sonora and if water trunk lines are adequate to support the projected system. The Commission answered both affirmatively.

Commissioner Fred T. Earwood said when he learned raw sewage was pouring out of the plant, he worried and felt it should be carried to the people. Earwood said anyone wanting to explore this problem before voting should go out and observe the present plant's handling of the sewer load.

Some wells outside of the city have been found to be contaminated from an undetermined source, according to utilities manager R. M. McCarver. Green said Sutton County's fractured limestone make-up and underground water is conducive to well contamination.

#### Dennie Hays Only First Prize Winner Second, Third Prizes To Be Divided

Winners in last week's football guessing contest were as follows:

- First Prize, \$10.00  
Dennie L. Hays.
- Second Prize, \$5.00  
To be divided between: Concha Avendano, Bailey A. Rogers of Eldorado, Peggy Sharp, Marciano Hernandez, Jr., Beto Perez and David Hernandez.
- Third Prize, \$2.50  
To be divided between: Joe Neil Smith, Dick Hamilton, Clarence Key, Billy Gonzales, Melvin Glascock, Mrs. Bill Semmler, Jack Sharp, George Hernandez, Rex W. Lowe, Alfred Perez, Bo Wester of San Angelo and George Johnson.

### All But Handful Of Sutton Producers Have Contributed Screwworm Fund

The Southwest Animal Health Research Foundation is to begin a drive during the week of October 15-20 to try to raise the balance of the \$3 million they have pledged for the screwworm eradication program. To date only \$1.7 million has been raised.

In Sutton County, the local committee has raised a little more than \$28,000 toward a \$30,000 quota. This amount was contributed by 123 producers in the county. There are only 15 or

WEATHER

Wednesday, Sept. 26	.04	79	62
Thursday, Sept. 27	.05	69	54
Friday, Sept. 28	0	80	49
Saturday, Sept. 29	0	84	59
Sunday, Sept. 30	0	90	61
Monday, Oct. 1	0	84	59
Tuesday, Oct. 2	0	82	46

20 producers who have not contributed and it is the hope of the local committee that those producers who have not yet sent in their contributions will do so immediately, and make Sutton County a 100 percent participation county.

If the screwworm eradication program is to be successful, every livestock raiser in the Southwest must do his fair share. We must raise this \$1.3 million or we stand to lose the \$1.7 million that has already been raised and it can only be done by everyone doing his part.

#### Local GOP Plans Headquarters Here

Desmond Barry, Republican candidate for congressman-at-large will be in Sonora Friday, October 12 at 3 p.m. to open up Sutton County Republican headquarters office in the old Sonora Pharmacy building.

Anyone interested in helping in the new headquarters office should meet at the old pharmacy at 5 p.m., Monday, October 8. The office will be open daily and interested citizens are invited to serve by Sutton County Republican campaign chairman, Norman Rousselot.

Herman Moore, a student at Abilene Christian College, will be home for a weekend visit with his family, Mr. and Mrs. H. E. Moore and Larry Bob.

### All-Texas Air Tour To Lunch Here Wednesday, As C of C Guests

#### Caverns Photos Win 3 Prizes

A picture of a little spire starglite in the Caverns of Sonora won first place in the 15th International Salon of Speleological Photographic Art in Custer S.D.

The photographer was George Gray of West Texas Utilities Company personnel department in Abilene. Gray is chairman of the Abilene Grotto of cave explorers and is a past vice-chairman of the state organization.

The All-Texas Air Tour will be guests of the Sonora Chamber of Commerce for a luncheon here at the local airport, Wednesday, October 10.

This is the 15th annual flying tour in which 16 states have participants this year, who will be flying for a week on their good neighbor tour. They will leave Sonora Wednesday and

spend the night in Del Rio. The All-Texas Air Tour, made up of flyers from all over the nation, visited the Caverns of Sonora on their 1960 tour. Last year, they were entertained with a dance and supper at the Lea Allison ranch.

Gray took second place in the contest with his shot of a tight spot in Felton Cave. His shot of Sonora Caverns' famous "Butterfly" helectite won honorable mention.

### Ozona Arriving Friday Night For Game At Bronco Stadium

Long-time district 8-A competitors, the Sonora Broncos and Ozona Lions will meet here Friday night for a non-conference football tilt. The Broncos enter the game with a 2-2 record for the season while Ozona's three games show a 1-1-1 record. Sonora has won over Iraan and Menard while dropping two to Eldorado and Big Lake. Ozona tied their opener with McCamey, downed Bronte, and last week fell to the Rocksprings Angoras.

In size, the two teams are very well matched, with the Broncos having a slight edge in the backfield weight-wise but lacking

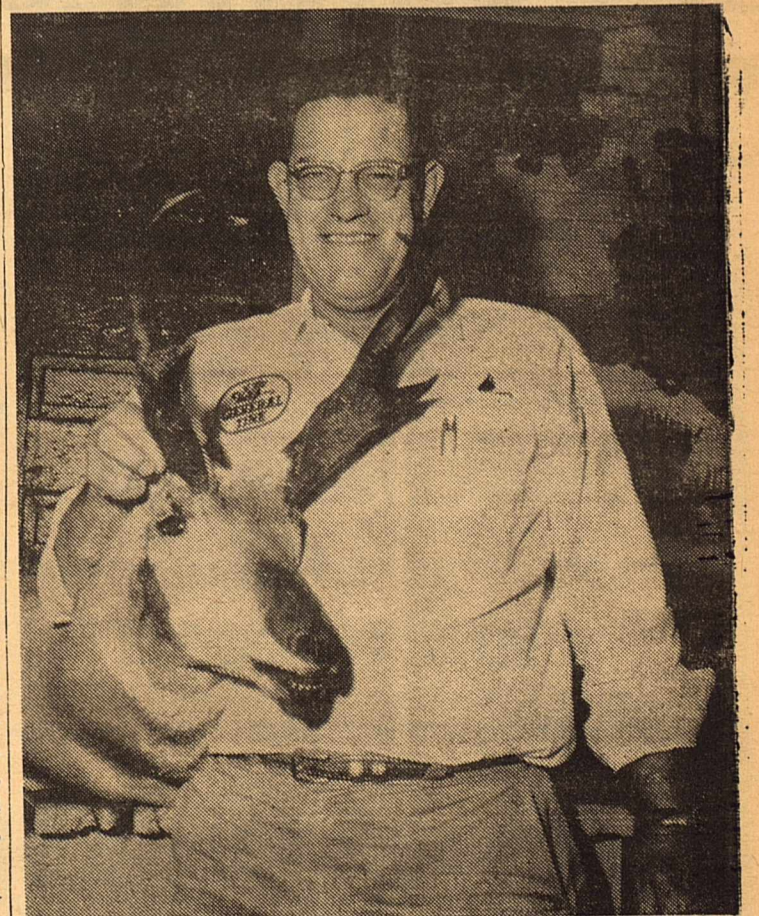

two main backs Halfback Julio Samaniego, who sustained a cracked collarbone in last week's game, and Fullback Danny Rutherford, still nursing a foot fracture from the Menard game. Also out will be Tackle Louis Perez. Defensive halfback Larry Bob Moore will see some service in spite of an elbow injury received in practice this week.

Likely starters for the Lions will be: Quarterback, Leroy Cooper; Halfbacks, Pete Montgomery and Richard Vargas; Fullback, Bernabe Villarreal; Ends, Bryan Montgomery and Billy Bowman; Tackles, Penn Baggett and Brent Moore;

Guards Joel Huff and Robert Cox, and Center, Pete Garza.

Probable offensive starters for the Broncos will be Arthur Bermea and Mike St. Clair at ends, Alfred Perez and Joe Moore at Tackles, Bob Nevill and Pat Castro at guards, Buck Bloodworth at center; Primo Gonzales, quarterback; John David Fields, fullback; and Johnny Merck and Jim Brown or Bobby Castillo, halfbacks.

Other teams in District 7-AA will play as follows: McCamey vs Wink, Alpine vs Marfa, Crane vs Fort Stockton, and Stanton vs Seagraves.

R. S. Teaff has every reason to smile over this near-record antelope he bagged on a hunting trip to Far West Texas last weekend. Other members of the party, Stanley Mayfield, John L. Miller, and H. V. Burk, had almost as good luck.

#### Odds And Ends

Fort Stockton really turned all-out to make for a successful meeting of the Texas Sheep and Goat Raisers' Association last weekend. Jerry Puckett, as chairman of arrangements for the event, did a magnificent job. His wife, Jane, who headed up the committee in charge of the women's meetings did an equally good job.

All committee meetings Friday afternoon were in air-conditioned rooms—as a matter of fact all committee meetings Friday afternoon were in the air-conditioned bank, with the exception of one. The Livestock Theft committee met at the air-conditioned school. These bankers are taking no chances!

Edwin Sawyer, Joe Brown Ross and Dr. W. T. Hardy drove out to the meeting Saturday morning, in Edwin's car. He had a heck of a time getting them to pay their part of the expenses after they got a good look at the Cox stickers on Edwin's car.

Nothing to do? Friday night is the traditional Sonora-Ozona football game, here. It should be a good one. Two schools have been involved in trying to heat each other for more years than anyone we know of can remember. The teams are fairly evenly matched and in a Sonora-Ozona game—anything can happen!

This Saturday, one of the most important city elections in years—that in which voters will decide whether to float bonds to finance a sewage disposal system. If you are eligible, go to City Hall Saturday and vote your conviction.

Sunday? World-Wide Communion Sunday. Plan to go to the church you prefer. And take your family and a friend.

Wednesday we'll be greeting the All-Texas Air Tour. This will be the third consecutive year this group has touched down at Sonora Municipal Airport. They do enjoy stopping here and we do enjoy having them.

The Lillian M. Hudspeth Memorial Hospital Auxiliary will meet at 3:00 p.m., Monday, October 8 in the home of Mrs. E. E. Sawyer.

SUBSCRIBE TO THE NEWS

Independence Day in 1923 was a torrid one, but note the white shirts and ties. The tent in the middle of the street and the flags were part of the celebration. The absence of paved streets and the board sidewalks were the norm for Sonora 39 years ago. Utility lines and the tin Lizzies show modernism was already on the march. About 1929 the board walks came up, as the old yielded itself to the new. This same year, the only pharmacy still operating in Sonora was organized. About this same time, somewhere on the globe a young pharmacist was graduating destined for a future in Sonora . . . one day.

# THEN AND NOW

Out where Westerman's begins . . . is out where western hospitality starts. When a stranger comes to Sonora, he knows right away. For Westerman gives the whole outside of his store to let anyone know, "Cecil Westerman would like to be your pharmacist." He gives the whole inside of the store with his staff to let everyone know he means every word of it. Westerman bought the store in 1953 and came here that year from Big Spring. His hobbies range in the extremes of growing roses to exploring explosive Confederate History.

In 1962 as in 1900 Sonora merchants and businessmen are devoting their time and talents to building a larger and more progressive home town. They are always striving to offer their customers the latest and best merchandise at the lowest possible prices.

Sonora's 75-year history has been one of merchants and ranchmen co-operating to establish and maintain fine schools, good Churches, active civic and charitable organizations and a reputation for friendliness and hospitality.

The new silhouette of the Cadillac Coupe de Ville for 1963 results from this new roof design. It combines a more sporty look with an air of formality and is responsible for an additional seven inches in the rear deck which adds greatly to the appearance of greater length. In actuality the Coupe de Ville is only one inch longer than last year at 223 inches. The framed-in back window is 38 per cent smaller in overall area.

## Booster Club Slates Drive For Members

Members of the Bronco Booster Club heard a financial report and a report from the membership committee which showed a total of 158 members as of the Monday night meeting. President Calvin Howell said Tuesday that the organization will hold an all-out membership drive in an effort to meet the 250-member goal set for the year. Howell also reported that the camera purchased by the organization is expected to be here in time for use in filming the Big Lake game. It was also decided by the

club that handling of the chain and down-box would be the responsibility of the organization in all future home games. Scouting reports on Big Lake were heard and the film of the Menard game. Dr. Charles F. Browne gave a brief report on recent injuries to members of the team.

## CADILLAC—A NEW STANDARD OF EXCELLENCE IN 1963

This is the look of leadership for 1963—bold new elegance of design and brilliant new excellence of craftsmanship.

More than one hundred and fifty major advancements embrace every aspect of exterior and interior styling . . . body construction . . . chassis design . . . and appointments. And the most improved engine in fourteen years resides beneath the sweeping expanse of hood. All this, together with a unique new true-center drive line, makes the 1963 Cadillac smoother, quieter and more efficient than ever.

There are twelve new models in 1963, including two dramatically styled coupes, the distinguished Sixty Special and the world-renowned Eldorado. Each has the widest choice of colors, fabrics, leathers and options in Cadillac history.

There is a very easy, quick way to confirm all this. Visit your Authorized Cadillac Dealer for a firsthand inspection and for an hour behind the wheel. Why not do it before the week goes by? We know you'll agree that in 1963 Cadillac sets new standards of excellence.

## Patsy Ann Garrett, Dan Carter Cauthorn Married In Church Rites Here Sept. 22

Miss Patsy Ann Garrett, daughter of Mr. and Mrs. Harold Garrett, became the bride of Dan Carter Cauthorn, son of Mr. and Mrs. Dan Cauthorn, in ceremonies at St. John's Episcopal Church Saturday evening, September 22. The double-ring ceremony was read by Mr. Pat Stephenson, Odessa Church of Christ minister.

Mrs. James Wilson, organist, presented the wedding music and accompanied Miss Jane Berry of Waco, soloist.

Given in marriage by her father, the bride wore a gown of white silk peau de soie featuring a redingote effect. Alencon net embellished with jeweled lace appliques outlined the skirt front overlays and the sculptured neckline and trimmed the bodice. Soft pleats formed the back fullness in the skirt which extended to a chapel-length train. Her elbow-length veil of bridal illusion was attached to a coronet of seedpearls. She carried a cascade bouquet of gardenias and stephanotis.

Miss Mary Adele Wilson was maid of honor and bridesmaids were Miss Candace Cauthorn, sister of the groom; Miss Cindy Lambert, cousin of the bride; Miss Debra Cooper and Miss Darlene Barton of Denver, Colorado. Susan Scott was flowergirl.

The attendants' dresses were of turquoise silk organza and were fashioned with scoop necklines, fitted bodices and cap sleeves. The street-length skirts featured a wrap-around effect accented

with side bows at the waistline. Turquoise satin bows held brief veils of the turquoise. They carried white arm baskets of white mums and pink Frenched carnations. The maid of honor's white basket was filled with white mums and carnations.

Dan Cauthorn attended his son as best man. Groomsmen were Penn Baggett of Ozona, David Wilson of Mertzon, cousin of the groom, Mickey Powers and Zane Powers.

A reception followed at St. John's Parish Hall. The bride's table was laid with a white cloth and centered with a five-branch crystal candelabra arranged with white pom mums and garlands of smilax which extended onto the cloth. The punch table held a smaller candelabra with the pom mums and smilax garlands.

Serving guests were aunts of the groom, Mrs. I. W. Ellis of San Angelo and Mrs. Charles C. Aiken and Mrs. D. J. Wilson of Mertzon, Mrs. John Cauthorn and Mrs. Rip Ward, and the bride's aunt, Mrs. Jeff Lambert. Other members of the house-party were Mrs. Harold Lewis Garrett, Mrs. Albert C. Ward, Mrs. Jimmy Hugh Harris and Misses Nancy Wilson, Janis Sykes, Francine Fields, Betty Jack Cooper, Claire Jones, Nanette Stokes and Sarah Lu Hardy.

Mrs. Cauthorn is a graduate of Sonora High School and attended Abilene Christian College where she was a member of the "Choraliers", college choral group. Her husband, also a graduate of local schools, attended Sul Ross State College, Abilene.

After a brief wedding trip, the couple is at home on the Cauthorn ranch.

### MRS. GROBE ENTERTAINS CLUB 13 THURSDAY

Mrs. Ed Grobe entertained Club 13 at bridge last Thursday, September 27 in her home.

Chrysanthemums and dwarf zinnias formed the decorations. A dessert plate was served.

Mrs. Harold Scherz held high score; Mrs. Gene Wallace won slam prize; and Mrs. Glen Richardson, bingo.

Other members present were Mes. Lin Hicks, Carl Cahill, Rex Lowe, A. E. Lowe, J. W. Neville, Gene Shurley, R. W. Wallace, Cecil Westerman and Leroy Whitworth.

### Garden Club Outlines Plans For Coming Year

The Sonora Garden Club met Tuesday afternoon in the home of Mrs. Joe Berger for their Charter Day meeting, with Mrs. Charles Browne, president, presiding.

Mrs. Dantes Relley, program chairman, gave the schedule for the coming year. Mrs. Lloyd Sherill of Ozona spoke on the activities of the Ozona Garden Club.

The constitution of the Sonora Garden Club was discussed and the coming year's program was outlined. Plans were made to visit the Ozona gardens next week.

### PASTIME 42 CLUB MEETS AT HULL HOME THURSDAY

Mrs. Charlie Hull entertained the Pastime 42 Club at her ranch home last Thursday afternoon.

Mrs. Lee Labenske won club high and Mrs. C. E. Stites, club low. Other members present were Mes. Joe Berger, O. G. Babcock, R. B. Kelley, Tom Sandherr, Laura Trainer, Robert Rees and Rose Thorp.

Guests were Mes. R. G. Nance, Karen Peterson, Belle Steen, and Wallace Wartenbach. Mrs. M. C. Scott and Mrs. J. C. Stephen tied for high guest score. Mrs. Collier Shurley held low guest score.

Apple pie and coffee were served.

Texas Republican Gubernatorial Candidate Jack Cox is pictured here with the Young Texas Guard of Honor which greeted him on his arrival at Sonora Municipal Airport, Joe Berger Field, last Wednesday night. The candidate spoke to about 300 people who assembled at the airport.

Lorie Powell, daughter of Mr. and Mrs. James L. Powell, returned to her home near Fort McKavett last week after spending several days here with her grandparents, Mr. and Mrs. Bryan Hunt.

Among those attending the quarterly meeting of the Texas Sheep and Goat Raisers' Association in Fort Stockton last week-end were Mr. and Mrs. Bryan Hunt, Mr. and Mrs. Vestel Askew, Mr. and Mrs. Stanton Bundy, Edwin Sawyer, Joe B. Ross and Dr. W. T. Hardy.

Mrs. Ralph Finklea attended funeral services for her grandfather, R. C. Goodman, in Terrell Wednesday.

### Sonora Art Club Invites Entries In Hobby Show

The Sonora Art Club invites any hobby exhibitor to enter a Hobby Show, scheduled for 1:00 to 5:00 p.m., Sunday, October 28 at the Episcopal Parish House.

Mrs. John A. Martin, Jr., president of the club, welcomes anyone in Sutton County or surrounding areas to bring their hobby displays, clearly marked, to the Parish House by 4 p.m., Saturday, September 27 for entry in the show. Every age group and every type hobbyist is invited to participate.

Mr. and Mrs. James Baggett of Ozona were Sonora visitors Tuesday.

Mr. and Mrs. Clayton Bray have returned to their home in Dallas after a two-week visit here with Mrs. Bray's mother, Mrs. Sam Hull.

## La Diabla

By Lindy Groda

We stole the San Angelo Standard's Coffee Break head last week just like they stole our name. Now we are so conscience-stricken that we sunk to like tactics, we've changed our name. Coffee Break has gone into hiding behind the Devil's pitchfork. La Diabla we are this time, La Diabla we will stay. If our name is lifted this time, we intend to be worse than a witch, who got off the wrong side of her broomstick.

A local teenager asked his mother if she would join the new drag racing club. She said she had belonged to it for the last five years, that she might as well make it official.

If we believed in women voting, we'd run out and vote after looking at the persuasive student council signs in the school halls. One has a picture of a rabbit sighing, "Just because I'm not people they won't let me vote for Monte."

Another says, "Vote for Dick or you'll be sick." A forlorn figure lies in bed with a thermometer registering the maximum. He did not vote for Dick, of course.

The signs impress us, as does the quiet, orderly school. Ditto, the cafeteria where the food is way above average.

This has been a season of community gatherings. First, the Lions Auction, followed by the PTA-Lions banquet and the Jack Cox barbecue, plus the sewage bond meeting this past Tuesday. Arno Melz, local Lutheran minister, said the women here will probably want to serve a meal and get up and make a thirty-minute speech afterward. Not a bad idea, at all. In fact, most families could use a thirty-minute speech from mama . . . just on the subject of keeping the bathroom straight . . . if mama could hold her audience.

Philosopher Will Durant once said that you can tell what a family is by the way they keep the bathroom. Straight, clean, orderly, considerate? He was right.

Last week we wrote something about equal legal rights for women. We referred specifically to Don Yarborough and John Connally, still in the governor race. We were in for an awakening. Everybody in every race under the sun stands for equal legal rights for women. In fact, everybody is looking so hard for equality en masse we are forgetting to make ourselves as individuals equal to anything above the accepted norm.

Subscribe To The News

Mr. and Mrs. Gene Lightfoot and Nolan Gilliam of Junction were in Sonora Wednesday.

against the haves, black against white.

In a socialistic society man and woman are made equal by law. In Cuba, the children are put in camps or schools according to ability (legal equality?). The mother is free and equal to work in the sugar cane or at any man's job. As socialism advances in a country, the God-devil concept is removed. There is no right; there is no wrong. The woman is not even bound by marriage. She enjoys complete legal equality with the male. Bunk! I enjoy being a girl from the right to cry to crazy hats.

... so let the wives be (subject) to their husbands in EVERY thing." Galatians 5:24. Read the whole chapter and let it come as a slow shock.

In every thing . . . hardly means . . . in every thing except the things Yarborough, Connally, Stacy or Cox can get us out of legally.

If a woman can't convince her husband and she feels she needs a law that will allow her to go into business, sign a note, or buy property without her husband's consent, there is already a legal way to discontinue marriage. No one ever, ever earns the right to dissolve a marriage; but a woman who is not in subjection to her husband in EVERY way has already dissolved the marriage.

Marriage is oneness, and a law that even implies to a woman that she can ever go against her own husband is evil, conceived by good-intentioned men who are thoughtlessly trying to glean votes.

The lack of a strong father has brought on broken marriages and child delinquency. The woman, who is just a little afraid of her husband and sets that example for her children, is a happier woman.

The Creator's arrangement was a perfect one. It is we mortals who bring on the imperfection. Women, let's nip this one in the Texas bud and tell all the politicians . . . those running, those standing still, and those falling back . . . let's tell them politely, "No, thank you. Don't you dare try to give me equality. I enjoy being a girl."

This column is open as long as needed for women to send their views on this subject, anonymous or identified. We will tabulate the views and forward them on to Jack Cox and to John Connally. Both are campaigning equally hard for equal legal rights for women. Whoever is the next Texas governor, he will know Sonora is down here and that its women do or do not want to be legally equal with their men.

GOVERNOR PRICE DANIEL hands his proclamation of National Fire Prevention Week, October 7 to 13, to Fire Chief W. E. Zorn of Del Rio, Texas. Zorn is president of the State Firemen's and Fire Marshals' Association of Texas. Members of the state board of insurance, the state fire marshal and Austin fire marshal look on while the governor serves the proclamation.

## Devil's River Philosopher Comes Out In Favor Of Primitive Ranching And Also For Primitive Warfare

Editor's Note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River defends his ranching methods in his letter this week.

Dear editor:  
A lot of people think if something isn't modern it isn't any good, and if you want to run

down a rancher, for example, all you have to do is say he hasn't got his ranching up on the modern level. That's supposed to bowl him over.

Well, I'll tell you, I haven't got anything against modern ranching, it seems to work for some of my neighbors, they can swing as good a loan at the bank as anybody, but I was reading an article last night about farming and ranching in backward areas of the world by a university professor who is just back from a long tour and he said primitive ranching has its points.

"They're still using the ranching methods they've been using for more than 10,000 years," he said, "and while nobody gets rich, it feeds and clothes more than half the people of the world."

Also, there's another point about primitive methods, the ranch and farm population outnumbered the city population by three to one. Now with modern methods, city people outnumber farmers and ranchers nine to one.

## YOUR MINISTER SAYS

By Rev. Bob Brackney, pastor, First Baptist Church SIN? or SIN.

The subject of sin is a much debated one. Some people deny the reality of sin, but to do so is to deceive themselves (I John 1:8) and to make a liar of God (1:10). Others laugh at sin, but the Bible says, "Fools make a mock at sin". Still others take pride in their sin (Isa. 3:9). The most dangerous attitude toward sin is to tone down its awfulness. Psychology calls sin maladjustment; ethics suggests that it is a moral lapse; biology regards it as a stumbling in the upward progress of the human race. Paul said in Romans that all have sinned and come short of the glory of God (3:23). It is well to remember that the occasion of man's sin grew out of the nature of man himself.

Several Hebrew and Greek

works are used to refer to sin, but the basic words are "hata" (Hebrew) and "hamartano" (Greek), both meaning to miss the mark. The basic elements in sin are God's will and man's transgression of that will. Man measures or weighs sin. We tend to categorize sins as bad and not so bad, but to God all crossing of his will is sin. We call some men murderers and others liars; God calls both sinners. The ground out of which sin comes is selfishness.

In regard to the author of evil and sin, it is well to consider the reality of angelic beings. Some would insist that belief in angels is merely a carry-over from heathen and primitive beliefs, since such beliefs were held by all ancient peoples; but universality does not mean a false belief. The Bible clearly teaches the existence of created beings (Psalms

148:2-5, Genesis 18:2, Matthew 1:20). The word "angel" simply means messenger. The Bible speaks of fallen angels: The angels were created as holy beings. Jude speaks of angels which kept not their first estate (6); Peter spoke of angels that sinned and were cast down to Hell to be bound in chains of darkness, to be reserved unto judgment (2 Peter 2:4). The arch-demon is called Satan (adversary or accuser) or devil (slanderer). In contempt for paganism, the Jews also called him Beelzebub (Matt. 10:25). He is pictured as the slanderer of God (Gen. 3:1-7) and man (Job 1). He is our enemy (Matt 13:39), adversary (I Peter 5:8), hinderer (I Thess. 2:18), and accuser (Rev. 12:10). He is the leader of a host of Demons (Mark 5:9, Eph. 2:2; 6:12), and with them will be cast into a lake of fire (Matt. 25:41). All last sinners are children of their father, the devil (John 8:44).

To reject the reality or seek to tone down the awfulness of sin is to reject God's word and sin in itself. To reject the author of sin and enemy of God is to disbelieve God's word and thus sin against Him.

Or take primitive war. Every nation on earth is now spending all it can get hold of to modernize war, but there's a whole lot to be said for the old-fashioned way. I'll admit a guided missile has more tail fins on it than a bow and arrow, it's speedier, trimmer, employs more people to operate it, drains off more tax dollars, and overall is more stylish and modern, but there's a whole lot to be said for a bow and arrow. If that's all Khrushchev had, it sure would solve the Russian problem, and I doubt if Congress would be passing resolutions against the shipment of tommyhawks to Cuba.

Don't run down the primitive rancher. He may hold the world's future in his hands. Every survival shelter ought to contain a good cow pony and a strong woman to ride it.

Yours faithfully,  
J. A.

## Today—Wide-Track Pontiac '63

Obvious, isn't it, that Pontiac's come up with another beauty this year. Fresh ever-and-under headlights, clean profile—but you can see that. There's a wider Wide-Track,

too, and a full line of Trophy V-8's. [That ought to be enough to make those other cars turn green.] And we haven't mentioned such happy touches as self-adjusting

brakes. So what, pray tell, could be keeping you from a new Pontiac of your own? A small suggestion. Don't run down to see one. Gallop! **Wide-Track Pontiac**

**J & S Motors Concho & Plumb Sonora, Texas**

Chevrolet's parade of new products for 1963 includes four lines. Heading the list, which will be announced on September 28, is the luxurious Impala Sport Coupe (bottom), Chevy II 4-Door Sedan (left center), Corvair Monza Club Coupe (right center), and the new and startling Corvette Sting Ray Sport Coupe, the epitome of advanced styling. Chevrolet's wide choice of passenger cars includes 33 models in addition to 6 variations with special optional power-train combinations.

### HIGH LIGHTS AND SIDELIGHTS FROM THE STATE CAPITOL

By Vern Sanford  
Texas Press Association  
Rules to prevent future crooked oil wells are being hammered out by the Texas Railroad Commission.

Chairman Bill Murray and Commissioner Ben Ramsey laid out a proposal for tougher rules. Oil industry spokesmen split down the middle on the proposed rules. They say it is not possible to drill a vertical hole without greatly adding to the cost.

Commission took proposals of its own staff and of the industry under study after a long hearing. Ramsey said the Commission should not add to industry's drilling costs, because the public pays them all.

But it was clear that the Commission now will crack down to make sure wells do not stray under property lines. SLANT OIL WELL SURVEYS—Major and independent oil producers have contributed a total of \$306,709 for surveys to find "slanted" wells in Texas fields, Attorney General Wilson disclosed.

All but \$40,000 has been used. Surveys to date have revealed 138 deviated wells in the East Texas Field, 14 in Hawkins, one in Quitman and one in Friendwood.

The Railroad Commission plans to run inclination surveys on the remaining wells which are suspect—between 200 and 300 in the East Texas Field alone, Wilson said.

ISLAND PARK—Land Commissioner Jerry Sadler plans to fight the proposed bill to create

a National Seashore Area on Padre Island when it comes before the State Legislature in 1963.

Congress voted the long-debated bill, but Texas legislators will have to approve the project. Sadler contends that the Federal government will be grabbing a lot of state oil under Laguna Madre. Sponsors retort that this isn't so—that the U. S. law specifically provides that oil rights are to be retained by present surface owners.

PARKING—Parking around the State Capitol always has been a problem.

It's even more so since several new state office buildings have concentrated state employment in the Capitol area. Much of the available space is kept reserved for parking by State Officials.

Now Attorney Gen. Will Wilson has ruled that the State Board of Control, which is the housekeeping agency around the Capitol, has no authority to regulate parking.

Board members had hoped to find they had the authority under an old law on horses.

But Capitol parking regulations by the Board of Control is illegal, Wilson's ruling said. So far, the Legislature never has authorized the board to regulate parking.

PROPERTY TAX HEARING—Texas Commission on State and Local Tax Policy will hold a public hearing in Austin on Friday, November 9, on property taxes. Announcement came from Senator George Parkhouse of Dallas commission chairman.

Hearing will begin at 2 p.m. in Room 644 of the Texas Employment Commission building. Anyone wishing to testify is requested to inform the tax policy group in writing to Drawer C, Capitol Station, Austin.

Parkhouse said the Commission will consider a tax which now raises \$800,000,000 a year in the State.

The Tax Policy Commission, created by the Legislature in 1959, is scheduled to make its final reports to the new Legislature in January.

EDUCATION COMMITTEE—Texas State Committee on Public Education will meet in Austin on Sunday, September 30.

Two of the speakers will be Dr. Irby B. Carruth, superintendent of schools in Austin and president of the American Association of School Administrators, and Dr. J. W. Edgar, Texas Commissioner of Education.

Their talks will be followed by comments and questions from committee members.

SCHOOL INTERGRATION—School boards cannot integrate without a court order or an election, rules Attorney General Wilson.

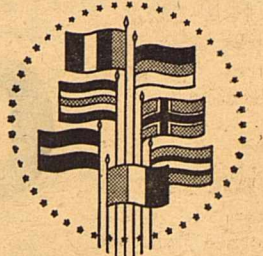

The opinion went to Dr. J. W. Edgar, State Commission of Education, on a question raised by the Yoakum School Board.

## "Jerusalem" Film Scheduled Oct. 6 At First Baptist

"Jerusalem," a film narrated by Evangelist Billy Graham, will be shown in the Sonora First Baptist Church at 7:30 p.m., Saturday, October 6.

The hour long motion picture, filmed in color, won the American Film Festival's Golden Reel Award in the "Church at Work" Category. Dramatic vignettes provide effective transition sequences beginning with the Conquest of the Promised Land, continuing to the present dilemma of the divided city.

The public is cordially invited by the congregation of the First Baptist Church to share the viewing of this outstanding film.

HANDLING TEXAS' FINEST WOOL AND MOHAIR

### Broncs Bow To Big Lake Owls 14-13 In Football Thriller Here Friday

Sonora High School's Broncos lost their second game of the season Friday night in a hard-fought game with Big Lake High School which saw the Owls go home with a 14-13 victory.

Scoring came in the opening and final period of play with the intervening quarters given largely to a strenuous defense battle. Big Lake opened the scoring in the first quarter with Quarterback Mike Holmes ending a 60-yard drive on a keeper around end from the 20 yardline. The try for bonus points was no good.

#### -GREEN NEWS-

By Betty Jones

Around 150 golfers registered this week at the golf course.

-GN-

W. J. Thompson has recovered from his broken ribs and is back in the golf game. His sick leave from the golf course didn't seem to hurt his score.

-GN-

Calvin Howell says he always uses two teaspoons of golf in his coffee at George Barrow's.

-GN-

According to Golf Club President Son Allison, by-laws and amendments were adopted at the last club meeting. They are now in the process of receiving return letters about directors.

-GN-

Doyle Morgan had been missed by his golfing friends John McClelland and Clayton Hamilton for around ten days. They welcomed him back this week. Ask Clayton and John about the results of this week's game with Doyle. Allow a half-hour.

-GN-

Mrs. Edith Cook of Junction told Mrs. Dantes Reiley that Sonora really had a fine golf course and she had certainly enjoyed playing on it. Mrs. Reiley said she had heard the same report from other Junction friends.

-GN-

Clayton Hamilton has made a suggestion for directors to consider. That all left-handed golfers pay double green fees. If you wave at Clayton, use your right hand. (Clayton shot a 89 this week.)

-GN-

We still need some more playground equipment at the club's picnic grounds. If you have any that your child no longer uses, please call Lions Club President Jack Kerbow.

-GN-

Precious twosome Monday afternoon-Gail Allison and Linda McBride.

-GN-

Heard that Doyle Morgan is another golfer who uses the "Golfing Gizmo" for practice at home.

Minutes later, Sonora retaliated, ending a 45-yard drive on an 18-yard pass from Quarterback Primo Gonzales to End Arthur Bermea in the end zone. Gonzales' kick was good and Sonora led 7 to 6.

After a scoreless two quarters, Big Lake began a hard drive from their own 45 yardline with Fullback Tommy Franklin going over from the one to score and carrying for the two extra points.

Shortly after, and with only seconds to play Gonzales drove over from the two yardline culminating a drive beginning on the Bronco 48. With a scant five seconds remaining, the try for extra point failed.

Statistics: Yards Rushing, Sonora 177, Big Lake 221; First Downs, Sonora 16, Big Lake 15; Passing: Sonora completed 5 of 12 attempts for 60 yards, Big Lake 3 of 8 for 33; Penalties, Sonora 4 for 30, Big Lake 35; Punts: Sonora 3 for a 28-yard average, Big Lake 4 for 28; Fumbles: Sonora, 2, both recovered, Big Lake 0.

In other District 7-AA games, Alpine lost to Rankin 14-0; Crane lost to Pecos 7-13, McCamey beat Iraan 35-12 and Stanton lost to Fort Stockton 14-12.

### Rev. Norman Dow To Preach Sunday For Presbyterians

The Rev. Norman D. Dow, Jr., head librarian and assistant professor of bibliography at Austin Presbyterian Theological Seminary in Austin since 1951, will be guest pastor at the Sonora and Roosevelt Presbyterian Churches. He will preach at the Church of the Good Shepherd here at eleven o'clock Sunday morning, October 7, and in Roosevelt at seven o'clock in the evening.

A native of San Antonio, he graduated from the University of

Texas with a bachelor of arts degree in English, a master of arts degree in Greek, and a Master of Library Science degree.

He also holds a bachelor of divinity degree and a master of theology degree from Austin Seminary where he was awarded the Alumni Graduate Study Fellowship.

He has held pastorates at Bartlett and Premont, has served as president of the Library Section of the Presbyterian Educational Association of the South, has been editor of the "Presbyterian," published by the Library
