

The most beautiful cavern in the world will serve a dual purpose in the near future. Conservation of the 60-million-year-old formations has been the primary concern of the Cavern's directors. Conservation of human life in the event of nuclear war will be a new function of the Cavern. Photo By Lovelace

The Auditorium Room of the Caverns of Sonora will certainly be one area of the cavern to serve ideally as a shelter from nuclear fallout. This room is spacious as indicated by comparative size of the figures in the background. The Auditorium Room is 120 feet underground and can be reached from the entrance in less than five minutes. Photo By Lovelace.

Caverns To Add Facilities Lease Fallout Shelter Space

Sutton County residents will be given the opportunity in the very near future to lease, on a 50-year basis, natural 100 percent protection against nuclear fallout. Plans are being developed rapidly to adapt the dormant or dry portions of the Caverns into a fallout shelter.

Since nuclear and Civil Defense authorities agree that a two-week shelter period is necessary to assure human survival in the event of nuclear attack, facilities will be made available to protect those in the Cavern for a minimum of two weeks.

The Cavern has already been classified as maximum fallout-proof by the U. S. Corps of Engineers and the Civil Defense Authority.

In order to adapt the cave to this use, the following facilities must be provided:

- Adequate restrooms with above ground sewage disposal; an underground well equipped with pumps and storage to assure an uncontaminated water supply; auxiliary power systems to function in the event of surface power failures; emergency medical facilities and supplies; adequate space for storage of food, and ample parking facilities.

Identification Cards

Individual space holders will receive identification cards containing the following information: name, date of birth, occupation, blood type, handicaps or infirmities, sensitivity to drugs, and area assignments within the cavern.

Facilities

In the event of nuclear attack affecting this area of West Texas those persons holding these identification cards will be admitted first and the remaining space then made available to the general public. Civil Defense authorities have set the maximum capacity of the Cavern for this purpose at 7,900 persons.

"Co-op" Survival

The offer of this co-operative type of survival assurance, the first of its kind, may well set a pattern to be used in other areas of the nation.

Shelter space is now available for residents of Sutton County for a limited time. Later, space will be offered to persons living within an area which will allow for three or four hours of travel time to reach the Cavern.

Lloyd D. Ochsner, Sonoran's Father, Buried At Eldorado

Funeral services for Lloyd Dorr Ochsner, 58, were held Tuesday morning, November 13, at the Rock Church of Christ in Eldorado, Mr. Dwain Ramsey of San Angelo Church of Christ minister, officiated with the Rev. Allan Guthrie, assistant pastor of the First Presbyterian Church of San Angelo, assisting. Ochsner, Santa Fe railway agent in Eldorado for the past 20 years, died suddenly at his home there Sunday, November 11.

Born April 16, 1904 in Wyandotte, Missouri, Ochsner was the son of the late George and Pearl Congdon Ochsner, members of families originally settling that area. He and his twin brother, Lucian, went to work for Santa Fe in Missouri in 1923. Ochsner came to Texas in 1925 and was carried to the former Miss Jewel Shelton of Lockney in 1926.

They moved to Eldorado from Tulia in 1942. Ochsner had been a ham radio operator since 1935, serving in many emergencies and relaying messages when necessary. He later developed a radio and television repair service which he operated in his spare time until his death. He was a member of the Baptist Church and was a charter and active member of the Sonora Golf Club.

Survivors include his wife; one daughter, Mrs. Harold Scherz of Sonora; two sons, John Dorr Ochsner and George S. Ochsner, both of Midland; his twin brother, Lucian Ochsner of Sweetwater; one sister, Mrs. Jim Shultz of Little Rock, Arkansas; and five grandchildren including Dorr and Drew Scherz of Sonora.

Pallbearers were E. H. Topliffe, Joe Christian, Alvin Farris, Gene McCalla, Jo Ed Hill, Bennie Harkey and Leslie Baker, all of

Community Thanksgiving Services Set At First Baptist Church Wednesday Night

Traditional Community-wide Thanksgiving services, sponsored by the Sonora Ministerial Alliance, will be held at 7:30 Wednesday evening, November 21, at the First Baptist Church. The Rev. Doyle W. Morton, pastor of the First Methodist Church, will deliver the sermon and other Alliance members will assist in the services.

John R. Tedford, Jr. will direct the choir and all persons in the community interested in singing with this group are requested to contact Tedford.

The offering will go to Church World Service.

Sanderson Man Escapes Injury In One-Car Wreck

The overturned mystery automobile, discovered out on the Junction highway last Thursday morning, belonged to Harry Eaken, 61, of Sanderson.

Eaken said he was alone, lost control of the car, which rolled into a ditch broadside, turning over one and a half times. He told Texas Highway Patrolman Les Strawn on Monday of this week that he believed the steering locked.

The car was a total loss, but bruises seemed to be the extent of the driver's injuries. He said he had safety belts installed but had not had them fastened at the time. Eaken reported that someone had picked him up and took him to Sheffield, where he was able to get a ride to his home. It had not occurred to the Sanderson man that an unreported accident would set off a wave of wonderment and concern among citizens and news-law people.

Liquor Store Robbery, Eldorado Car Theft Keep Area Lawmen Busy Friday Night

Alert citizens and lawmen can sometimes smell a robbery. And that's the way it happened in Sonora last Friday, when Barker's Liquor Store was robbed of \$80 at 9:30 p.m.

An observer in the same business neighborhood had notified authorities earlier in the evening that the area was being cased for burglary or hold-up. Several businesses, still open, were warned.

When the Barkers reported the robbery, roadblocks were thrown up and three Dallas men were returned from Del Rio by Sutton County Sheriff Herman E. Moore and Texas Ranger L. H. Purvis. Charged with armed robbery and held on bond of \$3,500 each were: Jimmy Don Adams, Billy James Curtis, and Steven Timothy John.

At about the same time, a car was stolen in Eldorado by two Houston men on their way home. Game Warden Billy Works and Schleicher County Sheriff Orvil Edmiston followed them and the men abandoned the car on Highway 277 South. Bobby John Manning, age 28, was caught carrying his golf clubs.

Earl Dean Fleming, 22, caught a ride the last mile into Sonora and boarded a bus here early Saturday morning. He had been hesitant to buy a ticket in the station and he fitted the hunted description. Fleming, picked up in Kerrville, was brought back to Eldorado by Sheriff Orvil Edmiston and Sonora Marshal Allen Groda.

After posting bond Sunday morning, Manning told the Devil's River News that he and Fleming had about \$400 between them, that he had courtesy cards and a good credit rating, that he owned another car and a home in Houston and could have written a check to get home when his car gave way in Eldorado Friday night. He said Fleming, whom he had known intermittently for two years and with whom he had worked for the past three weeks, had said he was going to try to borrow a car. Manning said he knew the car was stolen and was aware immediately that they were followed when they left Eldorado. He said he was cold and tired and returned to the highway, after the chase, hoping he would be found. Unshaven and tired when he was released Sunday morning, the man sent his wife, an expectant mother, away while he told of the futile theft.

SMU's Hayden Frey To Be Speaker At Booster Banquet

Hayden Frey, Southern Methodist University coach, is to be guest speaker at the Bronco Booster Club Football banquet, set for Monday night, December 17.

Plans were announced by Booster president Calvin Howell and the directors. Committees are to be appointed soon.

Ballinger Firm Gets Contract For Ranch Road 1989

A contract for four miles of construction on RM Road 1989 in Sutton County has been awarded to a Ballinger firm, it was announced in Austin this week by the State Highway Commission.

F. A. Seidel submitted the low bid of \$81,522 on the project. Grading, structures, base and surfacing from 5.7 miles southwest of U. S. 290 eight miles west of Sonora to southwest a distance of four miles is expected to take 80 working days, according to J. A. Snell, District Highway Engineer at San Angelo.

Robert A. McCulloch, Resident Engineer at Sonora will be in active charge of the project while it is under construction.

Barbara Wright, a student at Tarleton State College, Stephenville, spent last weekend here with her parents, Mr. and Mrs. J. B. Wright.

Robert Pfluger brought back a real trophy from a recent hunting trip to Cokerville, Wyoming. The 212-pound buck had eight-point antlers and a 26-inch spread. With Pfluger were Billy Galbreath, Sears Sentell, Charles Ray Pfluger and Allan Dunbar of Rocksprings and Bill Pfluger of Eden.

Out Of County Hunters Eligible For Merchants' Prizes In 9 Categories

Sonora merchants and the Chamber of Commerce have worked out attractive prizes for out-of-county deer hunters.

Following are donors and deer prizes: Barrow Jewelry and Sporting Goods—an engraved trophy for the best all-around deer in points, spread and weight; Foxworth-Galbraith Lumber Co. (hunter must register before)—two-burner Coleman lantern for widest spread, five boxes of rifle ammunition for most points; Lambert's Grocery-Station—wrist watch for first deer brought in for storage, radio for heaviest deer for storage, K4 Weaver Scope for deer with most points for storage; Sonora Food Locker offers free processing and a bonus smoked turkey for the first deer brought in, a \$25 Savings Bond for the heaviest deer brought in by a boy or girl hunter 14 years old or under; and Sonora Chamber of Commerce offers a \$50 Savings Bond for the first deer by an out-of-county hunter, delivered to a local processing plant.

C of C Planning Trophy Awards For Out Of Town Hunters

An annual \$500,000 hunting business for Sutton County ranchmen and businesses is the plan being worked out by the Sonora Chamber of Commerce and merchants.

Prizes are to be awarded for the first legal buck brought in, for the most points, the widest spread, the heaviest deer and for the one deer accumulating the most points in all categories. Prizes are to be awarded to out of county hunters only. Signs are being displayed in participating merchants' windows.

More Sutton County land is available to hunters this year than ever before due to the oversupply of game, and the size of the game is attractive this year, according to local ranchmen.

Ranchers Hear Wildlife Program At Farm-City Night Tuesday

Norwell Wallace, Information and Education Officer of Texas Game and Fish in San Angelo, and Ed Cooper of Texas A. & M. Extension Service spoke to Sutton County ranchmen and their families at the second annual wildlife barbecue, held Tuesday evening November 13 at the 4-H Club Center.

About 230 people heard the worthwhile information given by the two men preparing land-owners for deer season opening Friday, November 16. Land-owners were advised to issue written leases with their desired restrictions included. Norwell Wallace pointed out that a Brazos County landowner had issued day leases selling the privilege to hunt, because he had realized his range condition would not support all the game.

Chito Fierro Wins \$10 First Prize In Last Week's Football Contest

Winners in last week's guessing contest were as follows:

First Prize, \$10.00
Chito Fierro.

Second Prize, \$5.00
To be divided between Peggy Sharp and Chito Fierro.

Third Prize, \$2.50
To be divided between Angie Moore, Gaddy Lyles, Dick Hamilton, Dorr Scherz, Cleveland Nance and Tommy Glasscock.

Bolivian Speaker At 4-H Meeting

Ed Soliz, sheep and range specialist from Bolivia, South America showed slides of his country to the Sutton County 4-H and parents club meeting, held at the 4-H Center on November 7.

Soliz presented the club with a miniature Devil Dance Mask. The South American dancers, wearing this type mask which weighs between 50 to 60 pounds, perform three to four hours without stopping, according to Soliz.

County Agent D. C. Langford announced that all 4-H record books for projects completed in 1962 are due November 20. Plans were discussed for participation in major stock shows and final arrangements were made for the 4-H banquet to be held on December 1, when the Hon. O. C. Fisher, U. S. Representative, will be the speaker.

Last Week Scores

Scores of the games featured in last week's football guessing contest were as follows:

Crane 21 over Sonora 0; Stanton 27 over Alpine 0; Plans 8 over Wink 0; Sanderson 12 over Iraan 6; Haskell 20 over Hamlin 6.

Rocksprings 42 over Lytle 14; Eldorado 45 over Ozona 20; Ballinger 8 over Stamford 0; San Angelo 38 over Midland Lee 0; Menard 82 over Eden 48.

Arkansas 28 over Rice 14; Texas 27 over Baylor 12; Texas A. & M. 12 over SMU 7; Boston College 42 over Texas Tech 13; LSU 5 over TCU 0.

Texas-Western 21 over New Mexico A. & M. 0; Houston 35 over Tulsa 31; North Texas 20 over West Texas State 13; Arlington State 7 over Hardin-Simmons 6; ACC 14 over McMurry 12.

YOUR MINISTER SAYS

By Rev. Arno H. Melz, Pastor Hope Lutheran Church
 Paul warns us in 1 Thessalonians 5:19 to "Quench not the Spirit."

We live in a community which is noted for its friendly atmosphere. There is cause for local pride, for people are quick to welcome strangers and make them feel at home. Newcomers are quickly introduced into the organizations of the community, and no one remains a stranger long.

There is a special visitor in our midst whom some have not met and others have met and turned their backs on. Only a small part of the people have welcomed this visitor into their homes and hearts. This visitor is the Holy Spirit, the third person of the True God. The people who welcome the Holy Spirit into their hearts do so by hearing and reading the Word of God. We are told in 2 Thess. 2:14 "He called you by our Gospel." People who have not heard the Word of God or neglect their church attendance are not giving the Holy Spirit a chance to enter their hearts. They have closed the door in His face.

It is important that we receive the Holy Spirit for Paul warns, "No man can say that Jesus is the Lord but by the Holy Spirit." (1 Cor. 12) Faith in Jesus is the only way to be saved. "Neither is there salvation in any other; for there is none other name under heaven given among men whereby we must be saved." (Acts 4:12) Faith in Christ given us by the Holy Spirit dwelling in our hearts is our key to heaven. This can not be gained through money or personal merit. Each person must accept Christ as the only means of being redeemed from his sins. "None of them can by any means redeem his brother nor give to God a ransom for him, for the redemption of their soul is precious." (Ps. 49:7,8).

If you consider the redemption of your soul precious, then quench not the Spirit. Allow the Holy Spirit to dwell in your heart, and continue to strengthen

your faith in Jesus your Savior. The Spirit works through the Word of God when it is taught, preached or read. Quench not the Spirit, read your Bible today and pray for the guidance of the Holy Ghost. Quench not the Spirit, attend a Bible teaching church each Sunday. Quench not the Spirit. Amen!

5 SWC Grid Games On Radio Saturday

Five Southwest Conference football games will be broadcast over radio Saturday and the Purdue-Minnesota game will be telecast live.

The Arkansas-SMU game will be broadcast from War Memorial Stadium, Little Rock by Glenn Brown and Stan McKenzie. Broadcast time will be 1:45 p.m. over KWFR, San Angelo-1260 and KMAC, San Antonio-630.

The Baylor-Air Force Academy game will be broadcast from Falcon Stadium, USAF Academy, Colorado, by Jim Wiggins and Dave Smith. Broadcast time will be 2:15 p.m. over KITE, San Antonio-930.

The Rice-Texas A & M game will be broadcast from Rice Stadium, Houston, by Ves Box and John Smith. Broadcast time will be 1:45 p.m. over KGKL, San Angelo-960 and KENS, San Antonio-680.

The TCU-Texas game will be broadcast from TCU-Amon Carter Stadium, Fort Worth by Kern Tips and Alec Chesser. Broadcast time will be 1:45 p.m. over KPEP, San Angelo-1420; WFAA-WBAP, Dallas-Ft. Worth 820, and WOAI, San Antonio-1200.

The Texas Tech-Colorado game will be broadcast from Jones Stadium in Lubbock by Eddie Hill and Jack Dale. Broadcast time will be 1:45 p.m. over KAPE, San Antonio-1480.

The Purdue-Minnesota game will be telecast by Bill Fleming and Johnny Lajack. Television time will be 1:00 p.m. over KCTV, San Angelo and KENS-TV, San Antonio.

Mr. and Mrs. L. P. Bloodworth, Jr., Buck, Bert and Lee attended the roping in San Angelo Saturday.

TEMPLE TAGS

"GREATEST INVENTION SINCE THE BRANDING IRON"

For cattle—hogs—sheep—goats

15 colors make identifying separating and culling easy.

Solid tough weather resistant life-time plastic. Easy to install.

GOOD-BYE TO SORE EARS

Temple Tags won't hang up and tear out and have no sharp corners or sharp edges to keep the ear sore, irritated and infected.

By using all 15 colors and one or both ears, you can work out over 200 different combinations for identification. Colors easy to see even at a distance.

Names or numbers will not rub off . . . years later, stock wearing Temple Tags are easily identified.

A must if you are keeping production records.

Temple Tags come in 15 different colors. The color or scheme can be used in a dozen different ways. By using a different color each year, a rancher can tell, at a glance, how old an animal is. By using color, you can separate families, strains, high or low producers, culls, etc. Turn them all out together, and when you want to separate them—there they are. The color goes completely through the tag, not just painted on the outside. They will not discolor or fade, and will last the life of the animal. Names, letters and numbers are printed free on both sides. Ideal for custom feeders or where performance records are kept.

HIGH LIGHTS AND SIDELIGHTS FROM THE STATE CAPITOL

By Vern Sanford
Texas Press Association
Republicans have turned Texas into a two-party state.

The heavy vote for Jack Cox against John Connally, election of two members to the national House of Representatives and seven members to the Texas House, plus substantial Republican votes in nearly all areas, are being interpreted by many State Capitol observers as meaning that never again will the Democratic nomination be "tantamount to election."

Dallas County elected every Republican candidate for county and legislative office they had on their ballot, and gave Cox a 25,000-vote lead over Connally. Tarrant and Harris were close. Bexar, El Paso, Travis and Nueces, the next four of the big counties went Democratic.

Unofficial and incomplete returns indicate that Connally carried 204 counties and Cox carried 50. But it was the substantial Cox votes in the 204 counties he lost which make this election significant.

Connally is conferring with legislators and with state boards and commissions. He will not make complete budget recommendations, since outgoing Gov. Price Daniel is required, under the Constitution, to make budget recommendations to the Legislature in January.

But Connally will make his own budget proposals in his message to the Legislature.

Industrialization, tourism, education and water conservation are the areas of state activity which Connally stressed most in his campaign. He will propose the creation of a Bureau of Commerce to take over tourist and industry-attracting.

The new governor, with a 120-000-vote margin of victory under

Dallas, Kerr, Bexar, Pecos, his belt, said he holds no ill will toward areas which voted against him, that he will be governor for Republicans as well as Democrats.

Main areas where the Republicans ran strong were in the oil areas of West and East Texas, in the major cities, and in the Panhandle. They elected local officials in Midland, Ector, Smith, Hutchinson, Zavala and Randall Counties.

CAMPAIGNS TOO LONG—After the longest political campaign in Texas history there is a desire—on the part of many candidates, newspaper reporters who travel with the candidates, and the voting public—to return to the shorter campaign periods.

The old late-in-July, late-in-August and early-in-November voting months were far less strenuous than the present early-in-May, early-in-June and early-in-November dates.

Campaigning in the heat of the summer now is very much preferred over the cold winter months and the long, tedious battle period that extends from December to November.

Don't be surprised if there is a big demand to return to the old election dates. They consumed only about 120 days, compared with this year's long, drawn-out, pace-killing, man-killing, more-than-300-day battle.

Governor-Elect John Connally has been quoted as saying he would favor moving the primary elections to August or September, as they are in most two-party states.

Under the present system the various party organizations close shop during the summer. Then it becomes necessary to re-organize and re-vitalize each setup for the General Election campaign. Heretofore the momentum generated carried them through to the

Devil's River Philosopher Favors Government Experiment Of Bringing Weather Forecasters Close To Home

Editor's Note: The Devil's River Philosopher on his bitter-wood ranch on Devil's River discusses international affairs and discusses the weather this week. Dear editor:

Some people don't think the world makes any progress, but it does.

For example, take weather forecasting. A while back a little shower caught us out in the open without a raincoat and I got soaking wet. What I was doing was changing the props from the north side to the south side on a fence of mine. You'd think a fence would lean in the same direction all the time but mine leans one way a while then leans the other, and it keeps a man pretty busy sighting down it to see which side to put the props on.

At any rate, the day had been clear and sunny until I suddenly November election. They got it all done in one big swoop.

Another reason for reverting to the old dates is that the cost of maintaining a long campaign naturally is much greater than the expense involved in a short one.

STINSON HIRED—Texas Tourist Council hired an executive vice-president, Bill Stinson, a member of governor-elect John Connally's campaign staff.

Stinson, former public relations director for the Gunter Hotel in San Antonio, will open an office in Austin soon.

FARM INCOME DOWN—Between 1929 and 1961, farmers' and farm laborers' incomes showed a percentage decrease of 12.8 per cent, according to the bureau of Business Research.

Percentages are up in mining, contract construction, manufacturing and retail trade, but down in transportation, property income and proprietors' income.

ly looked up to discover a cloud had turned up and rain was pouring down.

After I got home and dried out I pulled out a newspaper I'd been saving for a rainy day which is a lot easier than cash and read a long article on a new experiment in weather forecasting.

According to it, the government is experimenting with more community forecasting stations. It's one thing, it said, to get the weather report for a general area covering a fourth of the state, but what ranchers need is a station that'll forecast the weather right at home.

This will be a great improvement and a sample of progress. I don't mean to say the local station will be any more accurate than the big-city station, when you're living on a globe that's traveling through space as fast and far as this one is every 24 hours, it's possible to predict what the weather ought to be tomorrow but a lot easier to tell what it was yesterday and a man is still going to get caught in a rain, but the progress comes in being able to pinpoint the blame.

There's very little satisfaction in getting mad at an anonymous weather bureau in a nearby city, but when somebody living in your own community says it's going to be clear tomorrow on your own ranch and it rains, you've got something to go on. You can call the bureaucrat up and tell him what you think.

In many cases, forecasting the weather is like predicting who's going to win a football game or an election. People read it, but the best way to find out is to wait and see, with the assurance that whatever it is, half the people are going to be disappointed.

Yours faithfully,
J. A.

F.O.A.B.

SONORA MOTOR CO.

Sonora, Texas

It happened 100 YEARS ago

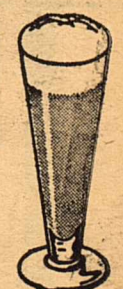

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862... the same year that

IN TEXAS... the entire state waited, with hopes and prayers, for news of Terry's Texas Rangers, beloved for their courage, daring and skill as fighters. With Albert Sidney Johnston in Kentucky, in and out of Tennessee with Nathan Bedford Forrest, into Georgia with Fighting Joe Wheeler... where there was a battle to be won for the South, the Rangers were there!

And then, as now, beer was the traditional beverage of moderation—light, sparkling refreshment that adds a touch of Southwestern hospitality to any occasion. Texans have always enjoyed the good fellowship that goes with every glass.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality, and propriety wherever beer and ale are served.

Texas Division UNITED STATES BREWERS ASSOCIATION, INC. Austin

By Lindy Groda

We are taking up poetry, not because we even like it—and least of all our own—but because poets are the best world travelers these days. Robert Frost and Secretary of Interior Udall just returned from “dam inspections” in Russia.

Now the Secretary and Poet Archibald MacLeish are down in Bogota, Columbia, where the streets ring with rhyme and even the laws are written in iambic pentameter. Right off, we can't think what Udall could be doing in Bogota. I do remember about 15 years ago, a friend of mine journeyed to Bogota with the then Secretary of State Marshall and a large group. The Communists were so bold there then that the American State Department stayed in hiding during the entire stay to escape gunfire and violence. But that was 15 years ago; Bogota is probably quieter now and a dandy place for poets and the U. S. Department of Interior, founded to handle domestic interests. And that's why we are taking up poetry.

Poet means travel in almost any language. Take Russia's angry young poet, Yevgeny Yevtushenko, who recently told Robert Frost in Moscow, “The Communist Manifesto is a marvelous poem.” Shortly afterward, Yevtushenko showed up in Cuba working on a movie scenario about the Cuban revolution. He wrote a sad poem about a Cuban mother who lost her husband, who fought bravely with Castro against Batista. Then her son was killed fighting to repeal the U. S. Central Intelligence Agency's Bay of Pigs invasion. In despair, the mother camps near her son's beach grave and the poem ends: “The sea . . . from whence the murders come. I know—that they may still come . . . Happy American mother, do you see this Cuban mother?”

Yes, Yevtushenko, we see this mother and we could tell her to stop worrying. The American president has given his word that murders will not come out of the sea . . . if Russian missiles go. Oh Cuban mother, that this was a hollow promise based on

THE WOMEN'S PAGE

Congratulations To These New Parents

Mr. and Mrs. Charles T. Land have announced the birth of a seven-pound three-ounce son Tuesday, November 13, at Hudspeth Memorial Hospital.

The new baby is welcomed by a sister, Connie, nine, and a brother, Mike, who is nearly three.

Grandparents are Mr. and Mrs. E. H. Roberts of Odessa and Mr. and Mrs. Ross Land of Richland Springs. Mrs. Ed Rainey of San Saba is the great-grandmother.

CONGRATULATE THE NEWS

a hollow premise . . . is nothing. Rest easy, oh angry young man, who cut his teeth on poetry called the Communist Manifesto, laid down so long ago by Karl Marx, a man who did not believe in Christ, but whose people had him “baptized a Christian” for political reasons.

Long ago, I interviewed an ex-Castro man's wife. Her husband had been with Castro against Batista, and he tried to tell this country what Castro was before any of us were ready to believe it. This man was ready to organize and fight Castro-independent of the U.S.—in 1960-61. I looked the woman up, wanting to find a rabble rouser, wanting to find someone I would not believe. She was a well-groomed, soft-spoken woman, who believed in her husband. I did believe her, and I have often wondered what happened to her husband and his lost cause. I have wondered if he was in the Bay of Pigs failure. Yes, Cuban mother, we have known sorrow, too. For President Kennedy denied those men air cover, after it had been promised. He let Castro win . . . it was John Kennedy's last minute decision . . . and it's not ours to reason why . . . into the island of death rode the fourteen hundred . . . theirs to do and die . . . because somebody blundered.

Now an honorable man has pledged an honorable nation to a no-invasion policy on a condition we are not able to check. Even if we could check top soil, a former Castroite speleologist says the island is alive with caves armed to the hilt with missiles warfare.

More truth than poetry:
Cuban quarantine—
Missiles go
Underground, unseen.
And it could be so!

MONDAY NIGHT CLUB MEETS AT MORRIS HOME

The Monday Night Bridge Club met with Mrs. James Morris as hostess in her home on November 12.

Mrs. Francis Archer was a guest. Members present were Mrs. Joe Berger who won the cut prize, Mrs. Frances Gibson, Mrs. Ted Letsinger, Mrs. R. B. Kelley who held high score, Mrs. Robert Kelley who won the traveling prize, and Mrs. H. V. Morris.

Coconut pie and coffee were served.

-GREEN NEWS-

By Betty Jones

DANCE—sponsored by the Sonora Golf Club Auxiliary—FRIDAY, NOVEMBER 23. MUSIC BY ADOLPH HOFFNER at the 4-H Center. In July we mentioned a social affair the Golf Auxiliary was planning which would be an occasion to remember. The DANCE is it. Many plans have been made to make this the very best for all of you. If you have not bought your ticket, contact a member of the club or Pauline Thompson. July was also the month that L. P. Bloodworth gave us a bit of news and asked us not to put it in Green News until a later date. Well, it hasn't been easy, but the time is almost here. Fact is, if you are at the dance—Keep reading, L. P.—I didn't finish the sentence.

-GN-

There were 153 registered golfers at the local course this week. Saturday, Sunday and Monday were golf days for many, there were golfers everywhere you looked. Lady golfers were out Tuesday afternoon for a little practice before Wednesday's golf at monthly meeting of Bridge and Golf Club.

-GN-

Hostesses for the luncheon at Bridge and Golf Club Auxiliary meeting were Mary Barrow, Wanda Allison and Jym Adamson. More about this next week.

-GN-

Talked to Louise Morriss and found out that Bill has challenged Reggie Trainer and Reggie has challenged Bill. This has been going on for a couple of weeks so the results of all this may be the beginning of another of our friendly golf grudge games.

-GN-

The pitching and putting greens are in good shape.

-GN-

The ladder the men have been talking about is not to be taken literally. I wondered why some of them had gotten so upset over a ladder. It's the flight ladder, and if you want to observe some discussions and games not on a teacher-pupil level, just be around the golf shop any afternoon.

-GN-

A few of the ladder flight twosomes—Dr. Browne and Dan Taiclet; Raymond Morgan and Lee Fawcett; Louis Davis and Jack Mackey.

-GN-

Junior golfer Lawrence Holland must have been the winner when he played with Jack Adkins and John Bell or maybe they just thought he wanted a chocolate milkshake after the game.

-GN-

Milton Cavaness played Saturday afternoon. We asked, “What did you hoot?” “Everything but a good golf score.”

His wife, Jane, was planning a Sunday afternoon of golf because Milton had almost volunteered to baby-sit.

-GN-

Monday afternoon there were around 15 Brownies enjoying the park at the course. Leaders for this third year group are Jerry Tittle and Mary Morton.

-GN-

SOCIAL SECURITY FIELD MAN DUE HERE AGAIN DEC. 14

Paul McCowen, Social Security Field Representative of the San Angelo District Office said he talked to about eight persons during his scheduled visit to So-

School Favorites Mr. and Miss SHS Named By Students

Students at Sonora High School last week elected all-School Favorites and Mr. and Miss SHS from candidates nominated by individual classes.

All-School Favorites named by popular vote were Alice Lee Duncan, daughter of Mr. and Mrs. Earl Duncan, and Ronnie Cox, son of Mr. and Mrs. J. G. Cox. Both are seniors.

Mr. and Miss SHS are Bob Nevill, son of Mr. and Mrs. T. K. Nevill, and Francine Fields, daughter of Mrs. W. J. Fields, Jr. They are also seniors.

Candidates for All-School favorites were Jan McClelland and Johnny Merck, juniors; Peggy Lynn Grobe and John David Fields, sophomores, and Susan Allison and Eddie Howell, freshmen.

Mr. and Miss SHS nominees were Gil Trainer and Diana Cahill, juniors; Vance Everett and Allison Espy, sophomores, and Carl Teaff and Janie Letsinger, freshmen.

MRS. KELLEY ENTERTAINS PASTIME CLUB THURSDAY

Mrs. R. B. Kelley entertained the Pastime 42 Club in her home on November 8.

Guests were Mrs. Belle Steen, Mrs. Maude Posey who held high guest score, and Mrs. Ida Mae Kerbow. Members were Mrs. O. G. Babcock, Mrs. Joe Berger, Mrs. Lee Labenske, Mrs. Charlie Hull, Mrs. Robert Rees, Mrs. C. E. Stites who held low score, and Mmes. Laura Trainer and Rose Thorp who tied for high club score.

Gingerbread and coffee were served.

FIRE AUXILIARY MEETS AT FIRE HALL WEDNESDAY

Mrs. Fred Adkins was hostess to the Ladies Auxiliary of the Sonora Volunteer Fire Department on Wednesday evening, November 14 in the Fire Hall.

Mrs. C. W. Taylor won high at 42, and Mrs. Frank Adkins held high bridge score. A business session was held afterward. A gift was presented to the outgoing president, Mrs. John A. Martin, Jr. Food was collected for a Thanksgiving basket, being prepared for a needy family. Coffee and cookies were served.

Jacob C. Turner To Preach Sunday At Good Shepherd

Jacob C. Turner, student at Austin Presbyterian Theological Seminary in Austin, will be guest pastor for the Roosevelt and Sonora Presbyterian Churches Sunday, November 18. He will preach the eleven o'clock Sunday morning service at the Church of the Good Shepherd here and the seven o'clock evening service at Roosevelt church.

Turner has a bachelor of arts degree from Arkansas College in Batesville, Arkansas and has attended Southwestern at Memphis in Memphis, Tennessee. He was president of Alpha Chi, national honorary scholastic fraternity; a member of the choir, and a vice-president of the Student Christian Federation. He was named to Who's Who in American Colleges and Universities.

He is married to the former Barbara Ann Buford of Forrest City, Arkansas. Turner has his church membership in the first Presbyterian Church of Warren, Arkansas.

ALICE LEE DUNCAN VOTED FOR ALL-DISTRICT HONORS

Alice Lee Duncan, a senior at Sonora High School, placed first chair solo clarinet in the All-District Band in competition at Stephenville High School Saturday, November 10. Thirty high schools were represented at the

nora Friday, November 9.

McGowen will be at the Sutton County Courthouse on the second Friday of each month from 9:30 to 11:30 a.m. to handle any social security matter in the area. His next scheduled visit to Sonora is December 14.

Newcomer Insect Damaging Trees

Mrs. Charles F. Browne, president of the Sonora Garden Club, warns home owners of the appearance in this area this fall of twig girdlers, large black bugs which cut off branches and twigs of trees.

The twig girdlers apparently prefer Mimosa trees and can cause extensive damage to these and other trees by cutting off branches of up to two inches in diameter.

She warns people who find these twigs and branches in their yards to burn them, since it is in the fallen branch that the insects' eggs are laid and in which they hatch out. Garden experts in this area expect an even greater incidence of the pest next year.

SECOND YEAR BROWNIES TOUR COUNTY JAIL

Brownie Troop No. 75 toured the Sutton County Jail on Wednesday afternoon, November 14 during their regular meeting.

Sixteen girls made the tour. Brownie Kelly Sue Sentell served refreshments. Troop 75 director, Mrs. Jerry Hopkins, chaperoned the group assisted by Brownie mothers.

The Troop is enjoying a successful season. They were guests of Radio Station KCKG on the afternoon of November 7.

Hospital Group Plans Gift For Each First-Born

The Lillian Hudspeth Memorial Hospital Auxiliary met in the parlor of the Methodist Church Monday afternoon, November 12 with Mrs. J. E. Eldridge presiding. Mrs. W. L. Davis gave a Thanksgiving meditation.

The Treasurer's report showed \$159.17 in the general fund, \$586 in the memorial fund on November 1. A committee report showed ten dozen cancer dressings made and that Girl Scouts made tray favors for the hospital trays. Reported also, were magazine deliveries to the hospital.

The Auxiliary voted to give a silver dollar to the first-born child in families represented at the hospital from this time on.

A social hour was held after the business session with Mrs. C. A. Tyler and Mrs. J. E. Eldridge as hostesses. Cake and coffee were served.

EATON ATTENDS MEETING OF CROCKETT HISTORICAL ASSOCIATION OCTOBER 30

Sutton County historian John Eaton attended the Crockett County Historical Society meeting in Ozona in the museum on October 30.

Millard Cope, publisher of the San Angelo Standard Times, spoke on the work of the Texas State Historical Survey Committee of which Cope is a member. He said 500 medallions have been placed on historical spots in Texas. Cope gave former governor Allan Shivers credit for putting over the historical markers program.

Eaton observed that the Crockett County Society, started in 1939, is very much further advanced than the Sutton County society.

Too Late To Classify

The City of Sonora, Texas, is taking applications for night-watching job. Interested parties may file application at office of City Secretary. tfn 9.

Middle-aged single lady would like home on ranch. Can keep house, cook. References. Go anywhere. Box 4894, Midland or call Mutual 2-6634. E to E.

event.

Alice Lee, daughter of Mr. and Mrs. Earl Duncan, was also featured in “Five Mellow Winds”, a tribute to Glenn Miller feature of the All-District concert band at the high school auditorium that evening.

The 44-voice McMurry College Chanters, now making one of their two annual singing tours, will be singing at the First Methodist Church here at 7:30 Sunday evening, November 18. Shown here are student section leaders (left to right): Larry Marshall, bass section; Linda Schubert, soprano; Jane Griffin, alto; and Reggie Brown, tenors.

Broncs Travel To Stanton Friday For Final Game Of Season

Friday night will find the Sonora Broncos playing their final football game of the season against the Stanton Buffaloes in Stanton.

The Broncos have a season record of five wins, four losses while the Buffaloes have a four-five record. In district competition, the Broncos have two wins and one loss and the Buffaloes

one win for two losses. The two teams have played four of the same opponents with these results: Big Lake 14, Sonora 13; Big Lake 28, Stanton 6; Crane 21, Sonora 0; Crane 13, Stanton 0; Sonora 23, McCamey 0; McCamey 26, Stanton 15; Stanton 27, Alpine 0; Sonora 27, Alpine 0.

Stanton's eleven will outweigh the Sonora team considerably and the Broncos will be relying on speed, which is the Buffaloes' short suit. Out of this week's game will be Fullback Danny Rutherford, who was injured in last week's game with Crane.

Probable offensive starters for the Buffaloes will be Buddy Gaspie at quarterback; Dewey Anderson, fullback; Joe Williams and Ted Stewart or David Hodges, halfbacks; Ronnie McReynolds and Bob Stephenson, ends; Mike Sorley and Ben Mott, tackles; Bill Grave and Donnie Polson, guards, and Mack Mathis, center.

The likely starting lineup for the Broncos will include Primo Gonzales, quarterback; John D. Fields, fullback; Johnny Merck and Julio Samaniego, halfbacks; Arthur Bermea and Gil Trainer, ends; Louis Perez and Alfred Perez, tackles; Bob Nevill and Pat Castro, guards, and Buck Bloodworth, center.

Hospital Notes

Patients receiving treatment at Hudspeth Memorial Hospital during the period from Wednesday, November 7, through Tuesday, November 13:

- Juliet Driskell
 - Mamie Smith, Eldorado
 - Mary Heflin
 - Tom Henderson, Eldorado
 - Eugene Reyna

Sutton County Residents

The Caverns of Sonora proposes to turn the dormant and habitable part of the cave into a fall-out shelter for the people of this area.

In order to accomplish this the following facilities must be provided:

- (1) Adequate rest room facilities with above-ground sewage disposal fields.
- (2) Adequate underground water supply and storage.
- (3) Auxiliary power system.
- (4) Emergency medical facilities.
- (5) Emergency medical supplies.
- (6) 100 percent fall-out protection through installation of protective doors, vents and filters.
- (7) New wide entrance into the cavern to expedite safe entry into and evacuation from cave.
- (8) Adequate food storage space.
- (9) Adequate parking facilities.
- (10) Individual membership identification cards which will contain the following information: Name, date of birth, occupation, blood type, handicaps or infirmities, sensitivity to drugs, fall-out area assignment (within cave).

The Caverns of Sonora proposes to lease shelter space to individuals on a 50-year basis in order to finance construction and installations required to meet Civil Defense standards and specifications.

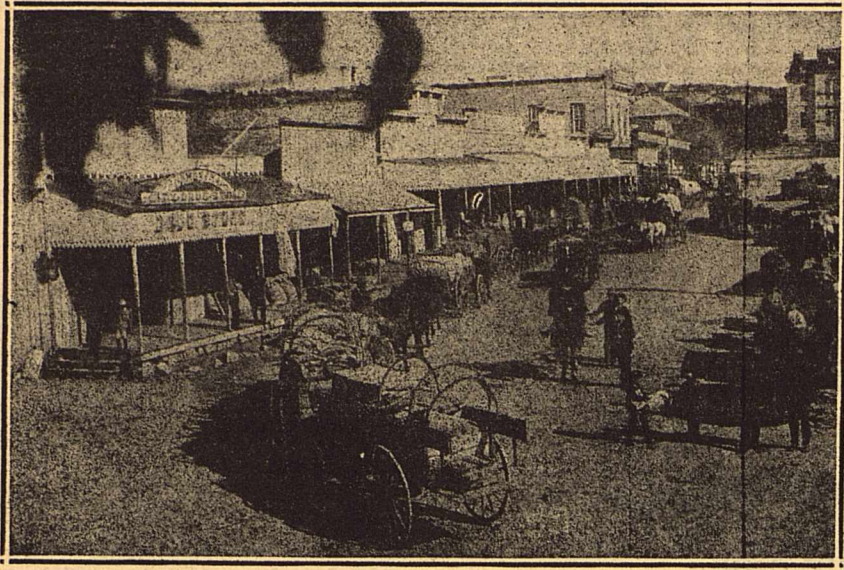

Shelter space is now being offered for sale to Sutton County residents. After a limited time this offer will be extended to surrounding towns until available space is filled.

Information sheets are available at:

R. S. Teaff Oil Company
Sonora Chamber of Commerce
The Devil's River News

CAVERNS OF SONORA

THEN AND NOW

Here are the freight wagons bringing merchandise to downtown Sonora in the early 1900's. Pictured are the drug store, Hamilton Grocery, Mayer Brothers, the Craddock Building and the old Decker Hotel. Miss Nettie Word recalls that people used to leave their hacks and horses next door to the Decker while they shopped. The old hotel site is undergoing the metamorphosis involved in emerging a full-blown sunken garden.

The old Dew Drop Inn is gone, but Sutton Countians still gather for a cup of coffee on the same ground, now Barrow Jewelry and Sporting Goods Store. Pictured is George Barrow, who has been a Sonora businessman for over 33 years. He came here from Coleman and was a watchmaker in the old A & W Drug Store. Barrow, who has worked on watches since he was 12 years old, took training in South Bend, Indiana in the days when watchmakers did, in fact, make the parts they used in repairs.

The best service and merchandise at sensible prices is the aim of Sonora businessmen.

Sutton County has long enjoyed cooperation between ranchmen and businesses in maintaining churches, superb schools, effective civic and charitable organizations with 75 year old reputation for friendliness and hospitality

The Siamese cat, a favorite with Americans, was imported into the United States about 1895 from England. It had been imported into England from Siam (Thailand) about ten years earlier.

The cheetah is the only member of the cat family that does not have retractable claws. All the rest of the cat family can extend them or draw them back at will. Cats have 18 claws, five on each forefoot and four on each hind foot.

In the cat family, the number of young in each litter varies from two to seven, depending on the species. Lions rarely have more than two or three young at a time. The house cat averages four in a litter and there can be two litters a year.

THROUGHOUT THE CENTER OF THE SOUTHWEST IN CONTROL ROOMS LIKE THIS, THERE'S AN...

INCREASING FLOW OF ELECTRICITY

The demand for electricity in our service area is growing rapidly. The reason is simple — there are more people, more businesses, more industries coming here into the Center of the Southwest.

That is why we are investing millions in new electric generating capacity and in new distribution facilities to keep pace with this area's exciting growth.

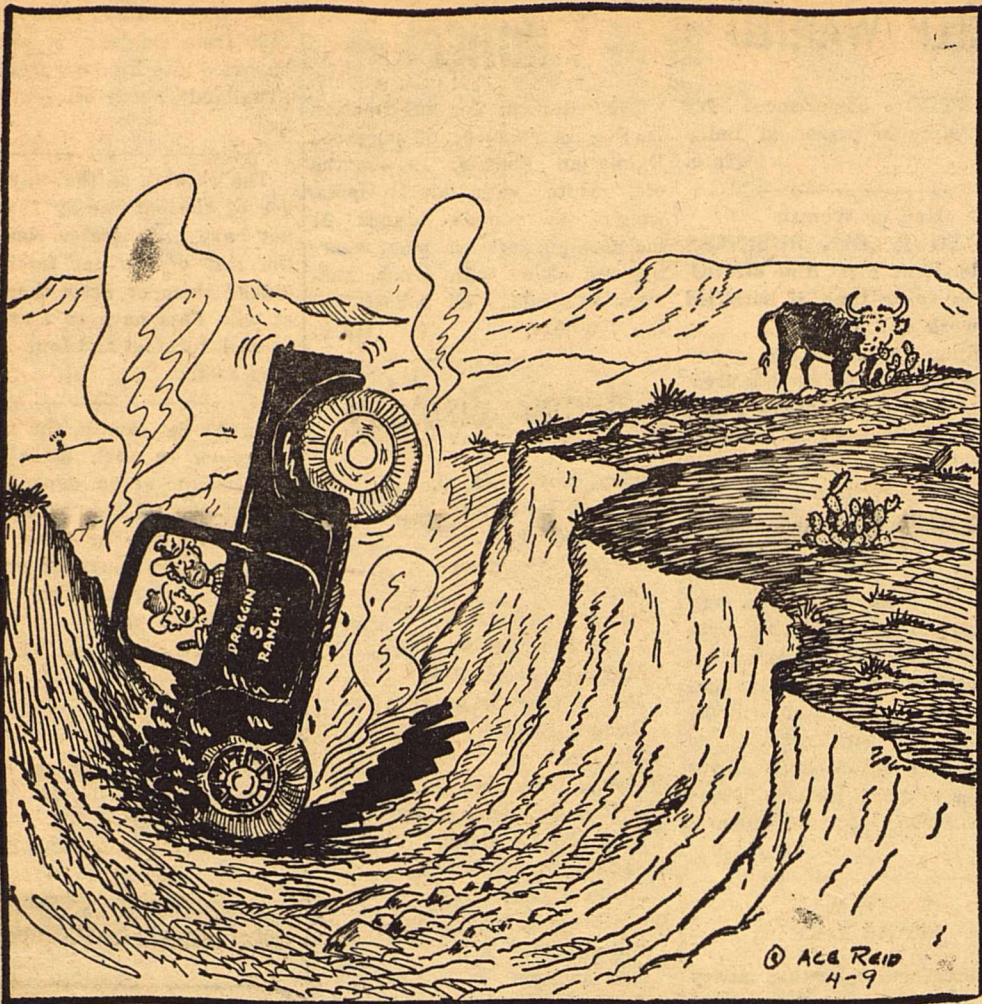

But of more significance, this fact explains why we are planning vast additional expenditures in anticipation of even greater growth to come.

Because the Southwest is growing 25% faster than the Nation, we are convinced that our service area — the Center of the Southwest — faces GROWTH UNLIMITED.

CENTER OF THE SOUTHWEST

SONORA WOOL & MOHAIR COMPANY
HANDLING TEXAS' FINEST WOOL AND MOHAIR

Continued From Front Page at two-mile intervals. Dr. Burnett requests local ranchers to send him weekly reports for the period from Octo-

bert 21 through November 17 with the following information: number of screwworm cases, specie of animal infected, location of ranch, number of animals

in herd reported on, it cattle-the number of newborn calves, whether there was any late shearing of sheep and goats and date of shearing. Dr. Burnett would like to have these reports sent every week to him at Box 232, Kerrville. The information is important in checking the effectiveness of the sterile fly dropping activity in this area.

Leo B. Merrill, conservation range specialist at Sub-Station 14 near here, tells ranchmen of the range improvements being observed in experiments conducted at the station. Sutton County ranchmen in the picture, taken at last Wednesday's Field Day, are Alvis Johnson, Frank P. Bond and Lee Fawcett.

SONORA FEED & SUPPLY

CHECKERBOARD

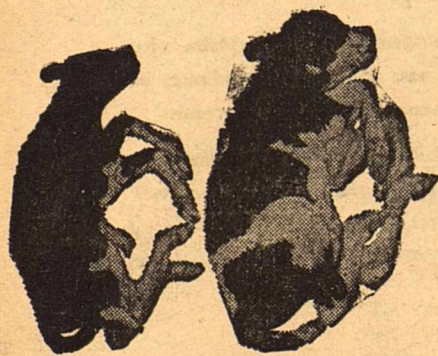

service bulletin

HERE'S HOW CALF EMBRYOS GROW ...

- Wt. 1 mo. — 1 gram
- Wt. 2 mo. — .1 lb.
- Wt. 3 mo. — .6 lb.
- Wt. 4 mo. — 2.6 lbs.
- Wt. 5 mo. — 6.5 lbs.
- Wt. 6 mo. — 28.1 lbs.
- Wt. 7 mo. — 43.2 lbs.
- Wt. 8 mo. — 76 lbs.
- Wt. 9 mo. — 110 lbs.

NOTE THAT 2/3 OF THE GROWTH IS MADE IN THE LAST 60 DAYS

That's why it's so important to feed the dry cow a ration that has what it takes to help the cow grow and drop a husky calf and maintain her own body condition, too.

During 34 years of research Purina has developed a special dry cow feed, Purina D & F Chow. Tests show properly fed dry cows can produce up to a ton more milk when they freshen.

Next time you're in the store ask us to tell you more about Purina's proved, profitable Dry Cow Program.

Crane Still Leading 7-AA Conference As Broncos Suffer 21-0 Defeat Friday

The Sonora Broncos took their first defeat in conference play at the hands of the favored Crane Golden Cranes 21-0 Friday night. The Broncos played a hard defensive first quarter, holding the Golden Cranes scoreless; however, the second period saw Crane back David Williams receive a pass off the arm of Calvin Kirkham and carry over from the four for the first tally. Williams

also kicked the extra point. In the second half Kirkham set up the second touchdown with a pass to end Philip Thompson on the Sonora four and Thompson crossed the goal line. Williams kicked was good. The third Crane touchdown came Kirkham going over from the one yardline. Williams kick was good again. Statistics: Yards rushing, Sonora 94, Crane 237; First Downs,

Sonora 7, Crane 25; Passes, Sonora completed two of six attempts for a gain of 15 yards, Crane completed eight of 15 for 136; Punts, Sonora eight for 34-yard average, Crane two 33; Sonora did not fumble, Crane lost the ball on three fumbles; Penalties, Sonora two for 10 yards, Crane four for 40.

Virgin Islands Resident Picks Sonora For Home

Carl Spafford, former resident of Christiansted on the island of St. Croix, Virgin Islands, said he picked Sonora on the throw of a dark at the map. It landed on Sonora, he liked the name (means peaceful in French) and came here to stay.

Spafford came here last Tuesday and went to work for a local restaurant immediately. The Canadian-born widower says his parents and children are still in the Islands. He was a resident at the time the Virgin Islands were bought by this country. He became a citizen in this way.

The new Sonoran says the Islands, manned mostly by Americans, have retained a strong British influence. Many of the natives, who are of mixed Indian and white blood and have the appearance of dark-skinned Caucasians, speak with a British accent.

Spafford says most of the plantations have been leased by large United States sugar and candy

manufacturers. A large American jet base has changed the labor picture a little with pay scales of 90 cents to \$1.10 per hour dangled before natives that have worked in the canefields and lived on about 80 or 90 cents a day. He said he knew of no labor union influence there as yet. "This is a town that will not let you be a stranger," the new resident said. "Sonora is a pretty sounding name and the town measures up."

Sutton Bond Sales Reach 41.7% Quota Says Geo. H. Neill

George H. (Jack) Neill, chairman of the Sutton County savings bonds committee has announced that Savings Bond sales in Sutton County totaled \$3,538.00 during September. For the first nine months of 1952 sales were \$33,325.00 or 41.7 percent of the county's quota of \$80,000.00.

Texas Savings Bond sales for the first nine months totaled \$111,734,186.00. This figure represents 67.7 percent of the state's 1952 goal of \$165.1 million.
