EIGHTEENTH WEEK

4-H'ers Will Exhibit 239 Animals In Saturday's Livestock Show

A total of 160 fat lambs, nine fat steers, 20 quarterhorse colts and 50 breeding sheep will be exhibited in the 16th annual Sutton County 4-H Livestock Show, according to County Agent D. C. Langford.

Exhibiting lambs will be John Friess, Roger Langford, Joe Wallace, Libb Mills Wallace, Gil Trainer, Mitch Trainer, Cleveland Nance, Mark Jacoby, Scott Jacoby, Chris Berger, Herbert Fields, Jr., Tryon Fields, Bill Thompson, Sam Thompson, Robert Brown, Missy Brown, Jo Ann Lowe, Evelyn Jane Lowe, Jimmy Wilson, John K. Wilson, Ed Lee Renfro, Tony Renfro, Ray Glasscock, Steve Thorp, Tim Thorp, Martha Love, Royce Mears.

Also Larry Shroyer, Bill Green, Tom Green, Lee Bloodworth, Bert Bloodworth, Buck Bloodworth, Tom Glasscock, Ted Fish, Elsie Earwood and Bill Glasscock. Fat steers will be shown by Betty Jack Cooper, John Adams and Libb Mills Wallace. John Adams will also exhibit a Charo-

lais heifer. Quarterhorse colts will be exhibited by Bloodworth Brothers, Candace Cauthorn, Allison Espy, Cindy Galbreath, Debbie Galbreath, Tom Glasscock, Jessie Lem Johnson, Jimmy Frank Richardson, Mark Shurley, Jerry Shurley, Jr., Dick Karnes, Scott Shurley, Molly Morris, Janet Pope, Ed Lee Renfro and Kelley Sue Sentell.

Exhibiting breeding sheep will be Ray Glasscock, Bill Glasscock, Tom Glasscock, Scott Jacoby, Mark Jacoby, Ted Fish, Jim Fish and Chris Berger.

16th Annual 4-H Show And Sale To Be Held Here Saturday

Ranchers Reminded Doe Permit Books Due February 1

Ranchmen are reminded that Friday, February 1, is the deadline for turning in doe permits to the local representatives of the Texas Game and Fish Commission. Permits may be turned in to Calvin Van Hoozer or may be left at the Chamber of Commerce office. Ranchmen desiring to mail in their permits may address them to Van Hoozer at Post Office Box 132, Sonora, Texas.

ATTEND CHURCH SUNDAY

Poll Tax Sales Lagging Badly

Only 263 poll taxes have been paid so far this year, according to Mrs. Zilpha Wheelis, chief office deputy in the Tax Assessor-Collector's office. Deadline for poll tax payment is Thursday, January 31.

Poll tax payment are usually slow this year, Mrs. Wheelis said, possibly due to the fact that no regular elections fall in 1963. However, there is always the possibility of special elections being called and every Sutton County voter is urged to pay his poll tax so that he may have a voice in any election.

FORMER SONORANS VISIT

Four former Sonorans visited with old-time friends here Saturday.

They were Mrs. P. M. Riddick and Mrs. H. G. Jugerins of Corpus Christi and Mrs. Ethel Wallace and Mrs. Carl Brumfield of Uvalde. Mrs. Riddick and Mrs. Jugerins are the former Misses Ella and Ruth Mayfield; Mrs. Wallace and Mrs. Brumfield are the former Misses Ethel and Ida Palmer.

HAVE HOLIDAY GUESTS

The W. L. Aldwell home was opened during the holidays by Mr. and Mrs. T. A. Williams.

Guests were Mr. and Mrs. Vaughn Johansen and three children. Mrs. Johansen is the former Miss Margie Reed Nesbitt of Sonora. Also visiting were Mr. and Mrs. Gene McPherson and children of San Antonio. Mrs. McPherson is the former Miss Winnie Lee Williams. Lea Aldwell of San Angelo and Mr. and Mrs. Marvin Calvert of Jackson, Mississippi were also among the guests.

The family home is traditionally opened by the Williams during Thanksgiving and Christmas for homecoming.

Mr. and Mrs. Sam E. Jones, Jr. attended the inauguration in Austin this week.

A free barbecue supper to be served at six o'clock Saturday night will follow judging in the 16th annual Sutton County 4-H

C. M. Jousan, Jr. To Preach Sunday At Good Shepherd

Clarence Mike Jousan, Jr., senior student at Austin Presbyterian Theological Seminary in Austin, will be guest pastor at the Sonora and Roosevelt Presbyterian Churches Sunday, January 20. He will preach at the eleven o'clock morning service at the Church of the Good Shepherd in Sonora and at the seven o'clock evening service in Roosevelt.

Jousan received a bachelor of arts degree from Austin College in Sherman in 1959. He was president of the Student Body and was elected to "Who's Who in American Colleges and Universities" for two years.

During the summer of 1960 he served as assistant pastor at St. Luke's Presbyterian Church in Houston. He has his church membership in the La Marque Presbyterian Church.

Lee Fawcett returned Friday from a business trip to Missouri.

Club Livestock Show and Auction. Sale of stock and the traditional Chinese Auction will be held after the supper at the 4-H Center. Awards will also be presented at this time.

In former years, the barbecue has been served at noon but since the show has expanded with the addition of several classes of livestock and grown with increased number of exhibitors, 4-H leaders feel that the supper will be a better arrangement.

The show itself will get underway at eight o'clock Saturday morning with sifting of fat lambs and showing of breeding sheep. Fat lambs will show at 9:30 and steers at 1:30 Saturday afternoon. Quarter horse colts will be exhibited at 2:30.

Pete Jacoby of Ozona and W. G. Goodwin of Eldorado will sift lambs and judge showmanship. Vernon Jones of Mountain Home will judge breeding sheep and commercial ewe lambs. Dub Day of Rankin will judge fat steers and fat lambs and Paul Perner of Ozona will judge Quarter horses.

"Colonel" Willard Jordan of Mason will act as auctioneer at the sale and Chinese Auction.

Those persons interested in 4-H Club work who will be unable to attend the show and sale may leave their bids or contributions with H. V. (Buzzie) Stokes at the Chamber of Commerce office.

March Of Dimes Underway Here With Bill Whitehead Chairman

Broncos Split Two, Win Over Mason Lose To Big Lake

Sonora High School cagers tallied one win and one loss in games Friday night in Mason and Tuesday night here. The Broncos pushed past the Mason Cowpunchers 53-50 Friday night in a fourth-quarter rally that saw Sonora overcome a three-point deficit by scoring 17 points while holding Mason to 11.

Mason took a seven point lead in the first quarter and led 24-21 at half time. Each team scored 15 points in the third period. Bill Elliott sparked the Broncos with 16 while Terry McMillan led Mason's scorers with 23 points.

Sonora's "B" squad won their game 41-35.

Tuesday night's game with Big Lake was a 62-61 squeaker with the Broncos scoring 22 points in a frantic last-quarter effort that fell one point shy of going overtime. Primo Gonzales' final shot ringed the basket twice before falling. Big Lake held at 15-13 lead at the end of the first period of play and was leading 35-37 at halftime.

The Owls scored 18 points to Sonora's 12 in the third quarter to lead 53 to 39. In the final quarter, the Broncos rampaged, scoring 22 points while allowing only nine. Primo Gonzales led Bronco scoring with 17 points. Johnny Glasscock had 16 and Tino Noriega hit 15. Roy Lee

A mountain of coins given "For the Life of a Child" became the goal of Sutton County following distribution of 1963 March of Dimes coin collectors to stores, restaurants, offices and other locations.

Sutton County campaign director Bill Whitehead said the theme of the 25th anniversary January March of Dimes expresses the need and the reason. "We need dimes and dollars to provide medical care for thousands of children crippled and disabled by birth defects and arthritis as well as to meet needs for polio victims."

The campaign director pointed out that 250,000 American infants are born each year with significant birth defects. The March of Dimes research proposes to find ways to prevent these abnormalities. "And too many of these children are just not getting the medical care they need for the chance to grow into productive citizens."

Whitehead urges Sutton Countians to "Give for the life of a child."

Adams and Bill Ashcroft paced Big Lake with 19 each.

Sonora's "B" team lost 59-40 with Mike Sims hitting 22 for Sonora. Big Lake's Howard Young had 19.

This weekend finds the Broncos in Ozona for the Ozona Invitational Tournament. The Broncos play their first game at one o'clock Thursday afternoon, meeting the Ozona "B" team. Winner plays the winner of the Iraan-Abilene Christian High School game at one o'clock Friday afternoon.

License Plates Go On Sale Here February 1

Motor vehicle license plates for 1963 will go on sale at the office of the Sutton County Tax Assessor-Collector on Friday, February 1, according to Mrs. Zilpha Wheelis, chief office deputy. The 1963 plates will be white with black numerals as opposed to the 1962 black with white.

Numbers assigned to Sutton County passenger cars will bear the prefix KA and numbers from KA 3000 to KA4299. Farm trucks will be numbers 8P6700 to 8P6999. Commercial trucks will be 2N2775 to 2N3299; truck tractors J25756 to J25795; and trailers B64700 to B64899.

Mrs. Wheelis asks Sutton Countians to purchase their new plates as soon after the first of February as possible in order to avoid rush and inconvenience as the April 1 deadline approaches.

First Baptist Plans Survey During February

The First Baptist Church will begin a religious survey of the city of Sonora on February 17.

Members of the church will call on every family. Information obtained will be shared with the other denominations.

PVT. HERVEY GOMEZ ENDS 8-WEEK ARTILLERY SCHOOL

Army Private Hervey T. Gomez, 22, son of Mr. and Mrs. Rafael Gomez of Sonora, recently completed eight weeks of advanced individual artillery training as a cannoneer at the Artillery and Missile Center, Fort Sill, Oklahoma.

Gomez entered the Army last August and completed basic training at Fort Polk, Louisiana. He is a 1960 graduate of Sonora High School and attended San Angelo College.

Fling Ding Club Elects Officers

W. F. Berger was elected president of the Fling Ding Club at the annual membership meeting held Monday night, January 14, at the 4-H Center. L. P. Bloodworth, Jr., was elected vice-president and H. V. (Buzzie) Stokes secretary.

Also elected were five new directors to replace those whose terms expire this year. Named were D. C. Langford, J. W. Elliott, Louie Trainer, Norman W. Rousselot and Mrs. Glen Richardson. Holdover directors are Bryan Hunt, Jimmy Hugh Harris, Mrs. G. C. Allison, G. C. (Son) Allison, Mrs. Carl Cahill, Fred T. Earwood, Son Whitehead, Dr. Charles F. Browne, Thomas B. Thorp and Raymond Morgan.

Chevron Station Reports Robbery

Cigarettes and cash were stolen from a machine outside the local Chevron station during the early morning hours of January 12.

The lock was popped open and the contents of the cigarette machine removed. This is the second minor robbery on the outside of the Chevron station in the last few months. One decisive bit of evidence turned up Monday night in this thievery case.

Albert and Alfred Sykes, who are attending Eastern New Mexico University, spent the weekend here with their family, Mr. and Mrs. Wesley Sykes, Janis and Jack Martin.

ATTEND CHURCH SUNDAY

Baaa! Baaa!

Twenty-two lambs repeated the offense of going astray on U. S. Highway 277 in violation of a Texas State law, carrying a maximum penalty of \$200. The owner, Andrew Fay, plead guilty to a charge of permitting his stock to run at large and paid a fine and costs totaling \$21 in justice court here Saturday.

Complaints had been made during the holidays when the same sheep were running loose on the highways. The owner was located and cautioned at that time.

PERSONALS

Lt. Col. Savel L. Sharp of San Antonio spent the weekend here visiting relatives and friends.

Johnny Morris, student at Texas Tech, has returned to Lubbock after a weekend visit with his family, Mr. and Mrs. James E. Morris and Jimmy.

Mr. and Mrs. W. H. Hill left last week for Dallas where they will make their home.

6th Junior High Cage Tournament Scheduled Here January 25-26

Sonora Junior High will host nine basketball teams January 25 and 26 in the sixth annual Junior High Tournament to be held at the school gymnasium. Guest teams will include Del Rio, Ozona, Eldorado, Junction, Iraan, Lamar of Del Rio, Barnhart, Christoval and Big Lake.

Pre-tournament favorites are Eldorado, Del Rio and Big Lake with Del Rio the defending champion.

Play will get underway at two o'clock Friday afternoon, January 25, and additional sessions are scheduled for Friday night, Saturday morning, Saturday

afternoon and Saturday night. Awards will be made following the championship game Saturday night. They will include championship, runner-up and consolation trophies, six All-Tournament Team awards and an Outstanding Player trophy. Special coaches' awards will also be given.

Tickets are on sale and may be obtained from any seventh or eighth grade student. Tournament tickets are \$2.00 each and individual session tickets are 50 cents.

Members of the host team are Jimmy Trainer, Benjy Perez,

Laney Cook, Brent Johnson, David Moody, Alan Hearn, Al Letsinger and Bary Hardgrave, all eighth-graders; and Richard Cox, Steven Whitworth, Michael Redman, Tim Thorp, Mark Shurley, J. V. Cook, Tommy Glasscock and Dick Hamilton, seventh-graders.

Tournament director and junior high coach Oliver Wuest extends a special invitation to the community to attend this annual event. A concession stand will be in operation and everyone is invited to take their coffee-break and enjoy a basketball game at the same time.

Sutton County 4-H placed 9 of the 10 allowable lamb entries in the top 17 in the Odessa Livestock Show held January 2. Left to right: Scott Jacoby with the Grand Champion Fat Lamb, Royce Mears holding third place lamb, Martha Love with Scott's 10th place winner, Ray Glasscock holding second place lamb and Mark Jacoby holding fourth place lamb.

Geological Survey Underway In Sutton With USGS Preparing Topographic Maps

The science of photogrammetry may not be listed in the dictionary, but its forerunner is very much in evidence in Sutton County. The preliminaries of the science of producing a precise map of uniform scale from photographs are being accomplished by five U. S. Geological Survey engineers with field headquarters in Sonora.

The engineers, working under Project Engineer Joseph C. Horton, are establishing elevations and positions on pre-selected images on aerial photos. They are establishing mathematical values for the selected photogram points in relation to distance north from the equator and distance west of the zero meridian of the earth. The end results, a topographic map, will be

compiled with precision instruments by people in Denver.

Elevations are being established by precision leveling along state and U. S. roads, and by plane table and Alidade on secondary and private ranch roads. The positions are to be established through use of electronic instruments mounted on forty foot towers, to be used only after the lambing and kidding season is over.

A topographic map is a graphic representation of the top of the ground, with every physical feature depicted minutely. Topographic maps, made by the U. S. G.S., are called quadrangle maps because they are bounded by lines of latitude and longitude rather than civil boundaries.

HIGH LIGHTS AND SIDELIGHTS FROM THE STATE CAPITOL

By Vern Sanford
Texas Press Association
The ordeal of the "black beans" has been repeated in the Texas Senate, although without the usual dire consequences.
Texas' Constitution requires "choice by lots" every ten years to determine which members of the Senate shall begin the decennial with two year terms and which shall receive four year terms.

Among those whom the fate of the "black bean" drawing decreed must run again next spring, if they are to remain more than two years in the Senate, were veterans George Moffett, Dorsey Hardeman, Charles F. Herring, Frank Owen III, Bruce A. Reagan and William T. Moore.
Other returning senators with half-term assignments were Gal-
loway Calhoun, Jr., Martin Dies, Jr., Abraham Kazan, Jr., David

Ratliff and A. R. Schwartz.
Freshmen senators who got the two-year terms were H. H. Blanchard, Don Kennard, Jack Strong and J. P. Word.
Returning senators who held onto four-year terms were A. M. Aikin, Jr., Mrs. Neveille H. Colson, Tom Creighton, Louis Crump, Grady Hazelwood, Culp Krueger, George Parkhouse, William N. Patman, Andy Rogers and Franklin Spears.
New members drawing full terms were James S. Bates, Criss Cole, Ralph Hall, D. Roy Harrington, Walter Richter and Murray Watson.
However, there is a possi-

bility that a constitutional amendment and new redistricting act may require election of all senators again next year.
COIN TOSS CHOICE—Selection of the president pro tempore of the Texas Senate was determined by the toss of a coin.
Senator Martin Dies, Jr. of Lufkin won over Senator Louis Crump of San Saba when the pair decided to flip a coin for the position, rather than to oppose each other.
Customarily, the selection is made on the basis of seniority.
In this instance, Dies and Crump had equal seniority.
"BIG-COLLEGE" V O T E

WANTED—Senator W. T. Moore of Bryan says he will introduce legislation requiring a vote of the people before a four year state-supported college can be created.
70 MPH SPEED LIMIT—Rep. Forrest Harding of San Angelo will introduce a bill to increase the maximum speed limit on Texas' highways to 70 miles per hour.
"OLD FOLK" MARCH—Texas legislators have received a petition which says old folks of the state will camp on the Capitol lawn until they get higher pensions.
The printed petition was signed by Russell Jack Ballard. He identified himself as president of the Good Citizens league of Texas, Wichita Falls.
CHILD CONTROL—A House committee seeking economy in state government has recommended stricter regulation over state aid for illegitimate dependent children.
The Committee on Saving Taxes adopted a sub-committee report bearing this recommendation, after argument over whether such aid encourages illegitimacy.
PHONE RATE FIGHT ENDS—A phone rate dispute, between the City of Weslaco and General Telephone Company of the Southwest, ended in the Texas Supreme Court. Court upheld the city's right to set local rates and the phone company's right to set rates for long distance calls within Texas.
Controversy began three years ago when General Telephone sought an injunction to keep Weslaco's city commission from setting local rates which the firm considered too low; and to keep the city from establishing intrastate call rates on the same basis as that set by the Federal Communications Commission.
It often costs more to call someone in a city within the state than it does to call the same distance, or even farther, to someone in another state.
Supreme Court upheld a decision made by the 4th Court of Civil Appeals.
CONVICTION UPHELD—Brady land promoter B. R. Sheffield has lost another round in his battle to shed his land scandal conviction.
Texas Court of Criminal Appeals has upheld his conviction on charges relating to the Texas veterans land scandals.
DEFICIT AT \$53,300,000—State Treasurer Jesse James reported the State General Revenue Fund at a \$53,300,000 deficit on December 31, 1962.
This figure was \$18,400,000 more than that reported in November, James said.

Teen Talk Translators Needed For Events in March of Dimes

What's a gym jam? A Salk hop? A sock shuffle? Do you give up? Want a translation?

All three are names of dances that will be held by teenagers across the country this January in honor of the 25th Anniversary March of Dimes.

The authority for this information is a blonde, hazel-eyed beauty who is national chairman for the Teen Age Program (TAP) of The National Foundation-March of Dimes.

She's Suzie Willett, 18, Wilmington, Del., a freshman at Russell Sage College, Troy, N.Y., where she is studying nursing. She became a March of Dimes volunteer several years ago because she "wanted to help people."

An enthusiastic worker, she traveled the state of Delaware and showed high school students how they could help carry out the March of Dimes programs to fight birth defects, arthritis and polio—a trio of cripples of concern to young people as well as to older age groups.

Is Top Tap

This fall and winter, as the top TAP, she's been corresponding and talking with teens all over the country, advising them how they can make themselves useful in March of Dimes activities in their home towns.

"Just about all the teens I've met in my travels for the March of Dimes really want to do something constructive," Suzie says. "Most of them join TAP groups because this gives them an opportunity to contribute to the life of their community."

"There have been several national surveys which show that Dr. Jonas Salk, who developed the killed-virus polio vaccine solely with March of Dimes support, is a hero to teens. It's easy to see why. Dr. Salk is a dedicated man, absorbed in his humanitarian work. Teens are very idealistic and they gladly give their reward to anyone who earns it, going to be a nurse because a career that in-

Suzie Willett, 18, Wilmington, Del., is national chairman of the Teen Age Program (TAP) for the 25th Anniversary March of Dimes held, as always, during the month of January.

volves doing something necessary and useful. I've worked as a hospital volunteer and I know that I'll be happy helping patients who can't help themselves."

Suzie, the daughter of Dr. and Mrs. Albert V. Willett, Jr., spent last summer as a Candy Stripe volunteer in Delaware Hospital in Wilmington. Her father, a chemist, is an executive with the Du Pont Company.

"I'm aware that occasionally a tiny minority of teens get into trouble and make headlines," Suzie says. "but I'll bet that if they found work which they enjoyed, even this small fraction would stay out of trouble. I think that most of all, a teenager wants to feel respected and needed. I guess in that sense, we're no different from anyone else."

Popular Events Planned

From telephone and letter surveys among TAPs all over the country, Suzie reports that the following TAP activities are shaping up as the most

popular benefits for the 1963 March of Dimes:

- Dances head the list, ranging from informal sock hops to Silver Anniversary Balls, glittering events which call for formal gowns and gardenias.

- Street sales—there seems to be an endless supply of items which TAPs plan to sell. These include tiny plastic Rainbows, Crutches, balloons, lollipops, peanuts, donuts and carnations, among dozens of other products.

- Auctions—club members auction off their services to the highest bidder for a day or an afternoon, working as secretaries, baby sitters, shoe shiners and the like.

"I'm thrilled that TAPs are so willing to pitch in and work for the March of Dimes," Suzie says. "This just proves one thing I've felt for some time—most of today's teens are idealistic, and they are searching for ways to express their idealism."

OFFICIAL RECORDS

Justice of Peace Court Alfred Cooper, presiding December 23, 1962

Larry Lyn George, charged with speeding 75 in a 55 mph zone, paid fine of \$1.50 and costs. Total of \$16.50.

December 22, 1962

Jack Lloyd Harry, charged with speeding 75 in a 55 mph zone, paid fine of \$26.

Bill Munoz, Jr., charged with being drunk, paid \$21, total fine and costs.

December 24, 1962

Juan Saldano Avila, charged with speeding 75 in a 55 mph zone, paid total fine and costs of \$17.

William Durriett Lowe, charged with passing in a no passing zone, paid total fine and costs of \$17.

December 26, 1962

Robert Young, charged with being drunk in a public place, was given 10 days in jail in lieu of fine and costs totaling \$21.

Charles Dan Seabolt, charged with following too close. Fine and costs set, total \$17.

Candi Robledo, charged with no operators license. Fine and costs set, total of \$17.

December 22, 1962

Candelano M. Landin, Jr., charged with being drunk, was fined with costs, a total of \$21.

December 24, 1962

Nelson Ruden Mays, charged with failure to appear, fine and costs set at a total of \$26.

James Ray Savage, charged with failure to appear. Fine and costs set at a total of \$26.

December 19, 1962

J. D. Walker, charged with

being drunk, fine and costs set at a total of \$45. Given 12 days in jail with right to leave town.

December 29, 1962 Elizabeth C. Mayfield, charged with no operator's license, by Jim Harvey. Dismissed.

Gency Madison Archer, expired operator's license. Placed in hand of Jim Harvey, who made the charge.

Excell White, charged with no operators license. No disposition. Abel Lora Lopez, drunk in an auto, paid fine and costs, a total of \$77.20.

December 22, 1962 Domingo Rodriguez, charged with vagrancy, given 10 days or \$21, the total amount of the costs and fine.

January 6, 1963 Carlos Alvarado Vargas, charged with disturbing the peace. No disposition.

Blas Alvarado Vargas, charged with disturbing the peace. No disposition.

Milo Reyna, charged with disturbing the peace, was fined \$200 with costs, a total of \$219.50. To jail.

Enrique Noragia, charged with disturbing the peace, was fined \$200 with costs, a total of \$219.50. To jail.

January 7, 1963 John Garcia Lopez, charged with disturbing the peace. Pending.

January 6, 1963 Emmitt Joe York, charged with being drunk, paid fine and costs a total of \$21.

Noel Davis Graves, charged with over gross weight, fine and costs total set at \$41.

January 8, 1963 Richard Thomas, charged with possession of an untaged deer. Total fine and costs equaled \$48.

Sutton County Court Judge J. W. Elliott presiding December 29, 1962

Edgar Samuel Quade, charged with driving while intoxicated, paid fine and costs, a total of \$77.70.

Devil's River Philosopher Joins In Move For Tax Cut, But Not Just On Washington Level

Editor's Note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River joins the tax discussion this week, his letter reveals.

Dear editor: In nearly every newspaper or magazine I've gotten my hands on lately there has been a bunch of articles on the prospects for a tax cut this year.

According to the experts, a tax cut will stimulate business, increase capital and initiative,

and produce more rather than less revenue for the government in the long run. I don't know how this will work, but if the government believes it can get more money out of me by taking less, I'm willing to enter into the experiment.

As I understand it, the present income tax system is riddled with loop holes and a drive may be made by Congress to close them up. My position is that I'm in favor of either closing them or having them pointed out. I'm opposed to all loop holes I don't know anything about and can't take advantage of.

However, I have given the tax cut idea some thought and I'm afraid the experts are victims of a blind-spot. They're spending all their time on Federal tax cuts, which everybody is in favor of, but when the rate goes down on the Federal level, what's going to keep it from going up on the state and local level? This advanced idea that a government can get more revenue by taxing less may not have trickled down to the lower levels yet.

It may take years for Congress to unsnarl the present income tax regulations, but in the meantime I have a handy solution to tide us over. Just give everybody a ten per cent cut in his taxes, from top to bottom. I guarantee I will take my ten per cent and stimulate business with it.

I know a lot of people will say all we'd be doing is piling up a debt for our grandchildren, but what makes you think our grandchildren won't be smart enough to have grandchildren of their own?

Yours faithfully,
J. A.

TRAVEL

NAVY

As a Navy man you'll have a chance to travel with the fleet and visit such far off places as Singapore and Bangkok... Paris and Vienna. And once you've anchored in the harbor, you're off in a speedy liberty boat, bound for shore to visit lands you've always wanted to see. And best of all, a sailor is at home anywhere in the world... a man of the world... a man with a career that combines responsibility and satisfaction with travel and adventure.

Superior ride and performance. For example, \$10 million was poured into the development of the Super-Torque Ford's incredibly smooth new ride. Additional millions went to design 6- and 8-cylinder engines that let you choose sensational performance or sparing gas economy... all with minimum maintenance.

More care-free driving. Millions more were spent to perfect Ford's twice-a-year or 6,000-mile maintenance features... now in all Fords and Falcons*. You save time and money. Example: you roll 36,000 miles between major chassis lube!

Greater safety. Brakes adjust themselves when necessary. Roofs are reinforced. Doors have safety locks.

Added luxury. Richer, longer lasting upholsteries. Carpeting that wears up to twice as long as in some cars. Improved insulation insures a quieter ride.

Smarter styling. Ford's Thunderbird-inspired lines have set the trend that the whole industry now follows!

Greater resale value. From the big, important items like specially galvanized vital underbody parts and long-life batteries... to the "tremendous trifles" such as extended-life light bulbs and stainless steel exterior screws... your Ford or Falcon will stand up better over the years. Will be worth more when time comes to trade.

And don't forget—Ford Dealers are quality dealers! We want to keep you happy after you buy... and this is your finest guarantee of value!

OES INSTRUCTION SCHOOL ATTENDED BY SONORANS

A school of instruction for the Order of the Eastern Star was held in Big Lake January 10 with approximately 108 members present from chapters in Eldorado, Ozona, Rankin, McCamey, Fort McKavett, Menard, Sonora and Big Lake. Mrs. Thelma McReynolds, Worthy Grand Matron, and Hal Burnett, Worthy Grand Patron, were present as well as other Grand Officers of the Order.

S. M. Loeffler of Sonora was master of ceremonies for a banquet at which a program was presented with Mrs. Dennie L. Hays, Mrs. A. E. Prugel and Mrs. James Wilson of Sonora participating. Mrs. David D. Shurley was in charge of the welfare program held at the Big Lake Lodge following the banquet. She was assisted by Mrs.

HOSPITAL AUXILIARY MEETS JANUARY 14

The Hudspeth Hospital Auxiliary met Monday afternoon, January 14, at the First Methodist Church with Mrs. J. E. Eldridge presiding.

Mrs. W. L. Davis gave the meditation. Mrs. Paul Boland was welcomed as a new member.

The auxiliary voted to give a memorial for Mrs. Virgie Beh-

S. M. Loeffler and David D. Shurley.

After the completion of the program a picture of the Eastern Star Home was presented the Worthy Grand Matron by the artist, Mrs. Mary Schwiening Johnson. The picture was presented on behalf of the Sonora and Ozona chapters.

MRS. WARD LEADS WMU ROYAL SERVICE PROGRAM

"Expansion for an Enlarged

Ministry" was the subject of the program of the WMU at the First Baptist Church on family night January 9.

Mrs. Rip Ward was in charge of the program, assisted by Mmes. W. O. Crites, Collier Shurley, Ted Letsinger, Wallace Wartenbach, Smith Neal, Laura Odom, and M. F. Daughtry.

WMU attendance for the evening was 29, while a total of 95 were present for family night.

After the program, Mrs. W. L. Davis and Mrs. Bailey Renfro were hostesses for a social hour.

THE WOMEN' PAGE

MRS. BERGER ENTERTAINS MONDAY NIGHT CLUB

Mrs. Joe Berger entertained the Monday Night Club this week in her home on January 14.

Guests were Mrs. George Wynn who held high score and Mrs. Collier Shurley. Members present were Mrs. J. P. Smith who won slam prize; Mrs. Virgil Potter, bingo; Mrs. R. B. Kelley, low; Mrs. Robert V. Kelley, high; and Mmes. Frances Gibson, H. V. Morris, Howard Kirby, Lee Patrick, Ted Letsinger and Francis Archer.

Refreshments were apple pie and coffee.

Sonora Girl Scouts, Brownies Taking Orders For Cookies

Sonora Girl Scouts and Brownies will take orders for cookies in the annual Girl Scout Cookie Sale from Friday, January 1, through Monday, January 28. Cookies will be delivered March 1 through March 9.

Cookies sell for 50 cents per box with 5 cents from each box sold going to the local troop. Forty-five percent of the profit from the sale will go toward improvements at Camp Jo-Jan-Van.

Anyone who would like to buy cookies and who is not contacted by one of the local girls may contact Mrs. Louis J. Wardlaw U.

Members present were Mrs. Ed Grobe who held high club score, Mrs. Lin Hicks who won bingo prize, Mrs. R. W. Wallace who won traveling prize, Mrs. Carl Cahill, Mrs. Rex Lowe, Mrs. Shelley Lowe, Mrs. Glen Richardson, Mrs. Harold Scherz, Mrs. Gene Wallace and Mrs. Leroy Whitworth.

La Diabla

By Lindy Groda

Wall Street Journal comment on the Billie Sol case: "To be fair about it all, in a day when workers get paid for not working and farmers for not farming, it almost seems natural to get paid for a fertilizer tank that is not there." This respectable newspaper treated the scandal as though the "country boy simply outwitted the city slickers." He is and he did, but it's much more than that. Still, I always feel sorry for poor Billie Sol. Not just because of his name. He could have been a dignified William Solomon, but he wasn't. He could have been honest, but he wasn't. Apparently, he robbed the robbers. And this makes him no less a thief. If I lie to a liar, it doesn't make me any less one. That Estes took advantage of a system we have all allowed, does not leave him guiltless.

But then, he never said he was. His court answers mostly didn't seem to try to make someone else guilty. He always seemed to say, "Yes, I have done wrong, but if you allow my businesses to stay open, the people will not lose any money." He didn't blame the White House or the Agriculture Department. Most of us would have. Most of us could not meet our bills, if our planned loans and incomes were withdrawn. Plenty of men have gone into business, and stayed there, by bluffing about their assets, until finally it was not bluff. But because someone else lies or steals does not excuse me or you. Fighting fire with brimstone is not a moral concept . . . even in business.

There's something I've always wondered about. Last spring at the same time the Justice Department was raising cane with U. S. Steel for trying to raise prices, they were after Estes because he lowered prices . . . too low . . . so farmers could buy enough fertilizer to raise cane and grain and other things . . . to fill Billie Sol's elevators.

So I'm sorry for Estes, and U. S. Steel for opposite reasons, and I'm just as sorry for the Dr. Dunn over in Pecos, who owned an interest in the newspaper that first exposed Estes. Who knows if Dr. Dunn was barred from the Pecos Hospital because a Negro patient kissed him? Or a White patient? Or was it because of the Estes scandal that came home to roost in some odd spots? Or was it just plain because this Dr. Dunn was a John Birch? You wonder if the day may come when even doctors who are not Birchers or newspaper owners may be picked off, one by one, until the medical profession is subservient to something called public health. There's something unhealthy here . . . something rotten in the cotton . . . besides Billie S.

This is not meant to be a defense of Estes or Dunn or John Birch. I don't know Estes. I don't know Dr. Dunn. I didn't know John Birch, who was a Baptist missionary, brutally killed by Chinese communists. I do not defend, I'm not hero enough for that. I simply say, if I can read and interpret, that all three men have been somewhat wronged during life. I say further, "This is not the end." For God does not settle everything in court today. As Theodore Roosevelt once said, "Sometimes things are decided by whether the judge comes down heads or tails." I'm not disrespectful. Earthly judges have a hard job. Particularly campaigning ones . . .

I'm reminded of a little boy, campaigning for his dad, a minor judgeship in city. The boy was cards heartily vote for my dad. We are going. He was elected. They needed it. They were Catholic. They were young. They had seven children, then.

How your country puts your savings to work for your future

Saving money is a lot more rewarding when you know you're saving for something nice. A long vacation trip, for example. Or your child's college education.

Today you can help save something else with your dollars at the same time, and that's freedom.

That's the big reason why so many Americans buy U.S. Savings Bonds these days. Bonds not only guarantee you, at maturity, 33 1/3% more dollars than you save up—while they're

growing, the government uses your dollars to assure the defense of freedom. With Bonds, you save money now, and also help protect your freedom to spend it as you choose later on.

If you agree these are worthwhile returns on an investment,

Better than money? Money alone can't make your future secure. You need the freedom to enjoy it, too. With Bonds you save both.

why not make it a \$100.00 Bond next time? Cost: just \$75.00.

This man claims communism will outstrip us economically. One way to prove him wrong is by building our own economic strength—individually and nationally.

 PHARMACY

Prescriptions—the modern way to get your medicines

The use of prescriptions for the orderly dispensing of medicines has multiplied during the past few years. There is sound reason for this trend.

"On prescription" is the right way for you to acquire medicines. They will be exactly right for the condition being treated. Dosage and strength will be specified. Fine ingredients, such as the products of Parke, Davis & Company, and other manufacturers, will be used.

For your health's sake, see your doctor promptly when you are sick. Bring his prescriptions to our Pharmacy for dependable compounding service.

WESTERMAN DRUG
 Cecil Westerman would like to be your pharmacist.

Scanning The Movies This Week

Randolph Scott rides again in "BUCHANAN RIDES ALONE" as a double feature with George Montgomery in "WATUSI."

"REQUIEM FOR A HEAVYWEIGHT" is not repeat, not a fight picture. Neither is it one to which fight fans will be allergic. Jack Dempsey plays himself in this one, and Barney Ross is in the cast. Anthony Quinn plays a fighter who has absorbed too many punches and can't find work. Ex-manager Jackie Gleason, threatened by gangsters, offers the ex-pug on a sacrificial wrestling mat for quick money. Quinn shows a strange, almost misguided loyalty to his ex-manager. Mickey Rooney is superb as Quinn's trainer and Julie Harris equally so as the social worker who tries to help Quinn.

"REQUIEM FOR A HEAVYWEIGHT" was written for the screen by Rod Serling with concise understanding of human values and failings. It is movie-making at its best, a family picture that has something for all ages.

Biologist George Rowe journeys to the Tiburon Islands in search of strange mammals. He finds them in "THE MERMAIDS OF TIBURON." Diane Webber leads him through beautiful under sea channels to a cave, the dwelling place of mermaids and rare fire pearls. There is some dynamiting with murder in mind. The mermaids handle this in their own way.

"THE DAY THE EARTH CAUGHT FIRE" shows what would happen if nuclear war should jar the earth off its axis, out of orbit and finally careening toward the sun. Of course, all navigation is thrown off, climatic upheavals follow, while a big city newspaper authentically covers it all. A former engineer and commercial artist, Australian-born Leo McKern stars with Janet Munro and Edward Judd. Ex-editor Arthur Christiansen serves as technical adviser and plays the role of editor.

Marlon Brando says a film hello to Sonora with a Japanese goodbye, called "SAYONARA." Tell you next week about goodbye.

Too Late To Classify LEGAL NOTICES

NOTICE TO CONTRACTORS
 Sealed proposals for constructing two sanitary sewerage facility projects will be received at the office of the City Secretary, Sonora, Texas, until 1:30 o'clock p.m., February 5, 1963, and then publicly opened and read. Either or both the projects, which are listed below, may be bid:

1. Gravity flow and force main sewerage line and appurtenances and approximately: 2700 LF 12" 3770 LF 10" 3170 LF 8" 10,000 LF 6"
2. New Sewage Treatment Plant and Lift Station.

Bidders must submit a bond, cashier's or certified check for

5% of the amount bid as a guarantee that the bidder will enter into the contract under the conditions set forth within ten (10) days after notice of award of contract. A performance bond equal to the amount of the contract will be required. The minimum wages which shall apply on this work are the established rates for this area, as determined by the U. S. Secretary of Labor under the Davis-Bacon Act and set forth in the specifications. A bidder may be required to submit a statement of his experience, financial resources and equipment before award of contract. The City reserves the right to reject any or all bids or to award the projects to the bidder or bidders as considered of most advantage to the City. Plans and Specifications may be inspected at the office of the City

Secretary, Sonora, Texas or Hasie and Green and Associates office in Lubbock, Texas. Plans and Specifications may be obtained at the office of Hasie and Green and Associates, P. O. Box 1139, Lubbock Texas, upon a deposit of twenty-five dollars (\$25.00), which will be refunded to each actual bidder upon return of the plans and specification. Seventeen and one-half dollars (\$17.50) will be refunded to non-bidders upon return of the documents. Proposals are available without charge.

Baby Sitting Major Industry Among Teenagers

One of the chief contributors to modern American society is the institution known as baby sitting. One noted authority estimated 35 percent of the buying power attributed to teenagers probably comes from baby sitting salaries.

It wasn't too long ago, that unless mother and father had a handy grandma around, they stayed home or took the children with them. Just as freedom has come to other oppressed groups—grandparents no longer get stuck endlessly, because more often than not, they are also out enjoying themselves.

As a result baby sitting has grown into what amounts to a major industry—practiced, all too often, by inexperienced and sometimes unqualified young people.

Whether the youngsters are six months old or 10 years old, parents leaving them want to know the sitter is someone they can trust.

It must be someone the parents know is responsible and sufficiently mature, one who will like the child and get along with him. This calls for a study of the sitter's references if he or she is not already well known to the family.

To be in charge of one or more children and the home they live in is a serious business. Careful arrangements need to be made between the parents and the baby sitter.

Both the parents and baby sitter have obligations in preparing and carrying out the agreement.

Parents should make the request well in advance. A thorough briefing should be made to the sitter—preferably written—explaining where the parents will be including phone numbers, and the expected time of return.

Here's Your 1962-63 Cage Schedule

Sonora High School's head basketball coach Bob Painter this week released the school's basketball schedule for the 1962-63 season:

Friday, January 11, Mason, there.

Tuesday, January 15, Big Lake, here.

January 17 through 19, Ozona Tournament.

Tuesday, January 22, Stanton, there.*

Friday, January 25, McCamey, there.*

Tuesday, January 29, Alpine, here.*

Friday, February 1, Crane here.*

Friday, February 8, Stanton, here.*

Tuesday, February 12, McCamey, here.*

Friday, February 15, Alpine, there.*

Tuesday, February 19, Crane, there.*

*District Games.

All pre-conference games are scheduled for eight o'clock in the evening. All conference games other than those with Stanton and Alpine will start at eight. The Stanton and Alpine games will begin at four o'clock in the afternoon. "B" squad games begin approximately an hour and a half before the varsity games.

The sitter should meet the child while he is awake, especially on the first visit. The layout of the home should be explained and emergency numbers listed.

The sitter should be alerted for expected visitors or deliveries otherwise the doors and windows should remain locked. Finally the parents should have the correct change available to avoid confusion and provide safe transportation home.

The sitter's responsibilities are similar. She should keep awake—even if parents allow napping, follow parents' views on TV, phone, snacks and visitors, and make periodic checks quietly on sleeping children.

Full information on food, habits, rituals and nicknames should be obtained. Sitters should understand basic first aid and learn to suspect illness in a child. Safety should be a sitter's first consideration.

Take Care Of Gunstock-

You are lucky if you have a fine gunstock—one that has been carefully treated with linseed oil by the manufacturer.

Take care of your fine stock by giving it the same loving care the gunsmith gave it.

After each hunting trip carefully rub down with linseed oil. Rub oil in for at least a half hour, then wipe surplus oil off and briskly polish stock with soft clean cloth.

Training Dog To Heel—The job of training your bird dog to heel—one of the first lessons—is not too difficult.

You can make the job even easier if you will strap a belt around your leg just above the knee.

Snap a short leash from the dog's collar to the belt. Every time the pooch tries to walk ahead slap his nose.

He'll soon learn to walk beside you like a gentleman.

Campfire Cooking-

Cooking over a campfire in the open is both a pleasure and a necessity if you are far from civilization.

Some sportsmen prefer gas-line stoves, but dyed-in-the-wool outdoorsmen find no substitute for the open campfire.

There is one serious drawback to open fire cooking—the sooty, greasy pots and pans to be scrubbed bright after each meal.

Present your pots and pans from getting sooty by using the aluminum plates that come with ready-to-serve frozen foods. Save such pans and take them with you on your trip. Put one under each pot or pan use.

Aluminum plates will take care of the soot, leaving pots sparkling clean.

Pillow Slip Pac kBags-

Tough, pliable plastic slip covers that slide over pillows make splendid bags to carry all sorts of small stuff in on camping and hunting trips.

Not only do they keep your stuff dry, but you don't have to open the bags to see what's inside.

Need Hot Water Quickly?

When a fisherman needs hot water in a hurry and can't take the time to build a fire to heat it, he can start up his outboard motor, idle it, and hold a bucket under the hot water stream at the outlet.

He can get any amount of hot water he needs—and it is plenty hot.

Tip For Bass-Buggers-

You don't have to stop fishing at sunset. You can get in 50 or 60 more casts with that fly rod if you will dab a little phosphorescent paint on the front of your bug or fly. The paint makes it easy to follow the path of your bait in the failing light.

Shipping Your Oars-

Often you must ship your oars in a hurry when landing a big fish. This makes an awful racket, splashes water everywhere, and frequently barks your shins.

You won't have to ship oars if you prepare a little beforehand.

Before going out next time, cover about 10 inches of heavy steel wire with rubber hose. Bend it in an "S" shape. Make a couple and hang one to each oarlock, or over the side of the gunwale.

They will support the weight of the oar blade without getting in the way of landing the fish, making shipping unnecessary.

Care Of Your Feet-

There are several precautions every fisherman should take in the care of his feet.

Wear only well-fitting, fairly-new socks, and socks with no rough seams or darned places.

If your feet are tender, dust them and your socks with foot powder, often.

Wash your feet each night after fishing—and change socks. Wool socks are easily washed in luke warm water. Clean socks are very important.

O. C. Fisher Tells Of Packing House Rules Committee

By Congressman O. C. Fisher

BY A COALITION of 28 Republicans and liberal democrats, the House last week began the new session by packing the House Rules Committee, designed to help force spending and welfare measures to passage. The Committee, which under existing law has 12 members—8 Democrats and 4 Republicans, has shown too much independence in past years, and so the coalition decided to up that number to 10 Democrats and 6 Republicans.

The two additional Democrats, who have been on the Committee the past two years on a temporary basis, are devout liberals who are beholden to do whatever they are told to do.

Two years ago, when the temporary packing took place, 7 Texans joined in promoting the liberal cause. This time there

were 9 of us, thus picking up two—Casey of Houston and Foreman of Odessa. Joe Pool of Dallas, the new Congressman at large, lined up with the liberals.

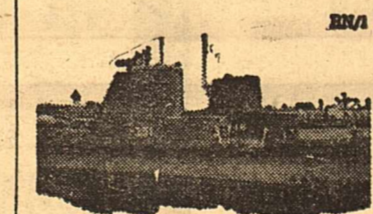

But while the liberals are gloating over the victory, it may not indicate the support for free spending and new welfare programs as appears on the face of it. The 10-member Georgia delegation, for example, voted solidly for the packing this time, whereas only two voted for it two years ago. It was reported that the switch was made in a deal to get liberals to vote for a Georgia member to be placed on the Ways and Means Committee. That is the one committee in the House whose membership is chosen by popular vote of the members.

Yet, ordinarily most of the Georgia delegation are fairly conservative. And tremendous pressure was put on some other members respecting committee assignments and other benefits the leadership dangled before them.

THERE WAS NO SECRET about the motives of the packing move. It was made clear that the liberal forces are going all out to force through the medicare bill, federal aid to education, a depression-type Civilian Conservation Corps, and a parade of new social welfare proposals.

VERY ONE OF THE 21 major liberal-radical organizations in the country urged the packing. Headed by the NAACP, the ADA, the AFL-CIO, the Civil Liberties Union, and 17 others, the organized drive was quite devastating—and apparently very effective.

It remains to be seen how effective the same groups will be in influencing the members who lined up with them in this instance. In any event there are sure to be some lively scraps in the months ahead.

YOUR MINISTER SAYS

By Rev. Doyle W. Morton

When questions about what is of value today are raised we would do well to think of what Jesus said, "Heaven and earth shall pass away, but my words will not pass away." Luke 21:33.

In a changing world we find something to which we can hold. The words of Jesus tell us about God and about God's concern for us. They tell us that we can trust God. They tell us that God sent Jesus Christ into the world to become our Saviour. They tell us how Jesus Christ loved people, how he healed the sick, how he forgave sinners and restored

them to Godly living, how he taught them about righteous living. When our hearts are heavy Jesus promised to be with us. When life on earth is ended, Jesus promised a place with God.

People of all ages have found that these words of Jesus are true. When their world crumbled about them, they have found new strength in the words of Jesus Christ. We would do well to think about the many words of Jesus and apply them to our own lives. They are eternal, but they have personal meaning for each one of us. Let us make them the rule of our lives.

Birth Defects from Thalidomide Spur Mothers in March of Dimes

Grave concern about the widespread problem of birth defects, recently spotlighted by tragic infant deformities caused by the drug, thalidomide, will inspire some two million Marching Mothers to seek their neighbors' support for the 1963 March of Dimes during the last week in January.

For volunteers in the Mothers' March, this concern is not a recent development. The National Foundation-March of Dimes, which observes its 25th anniversary this year, began to attack the long-neglected field of birth defects back in 1938.

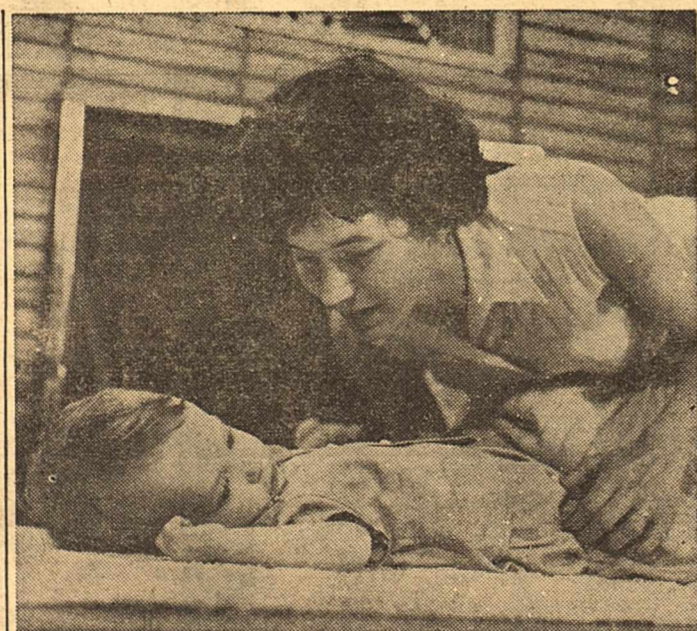

Then, as now, medical authorities recognized that birth defects, in hundreds of disabling forms, overshadow all other child health problems. Every year, more than 21,000 deaths throughout the United States are caused by defective prenatal development. Every year, more than a quarter of a million babies survive despite significant defects.

To bring expert help to such children all over America, The National Foundation-March of Dimes—which helped conquer paralytic polio by totally supporting the development of the Salk and Sabin vaccines—now has a treatment program well under way.

Also in 1958, the March of Dimes organization initiated a program in the field of arthritis—equally neglected and shrugged off by the public as an inevitable hazard of aging, despite the fact that its severest form strikes children and young adults with alarming frequency.

This year, Marching Mothers will proudly report to their neighbors that a nationwide network of March of Dimes-financed study and treatment centers for birth defects and arthritis is operating at full capacity. Nearly 50 such centers are now open in communities across the country—double the number that were in existence just a year ago, and only the beginning of the network envisioned.

In addition, seven respiratory centers are maintained for

WHY IT IS WORTH IT—Marching Mothers believe every child's birthright entitles him to a full, useful life. They will brave the elements late in January to seek public support for the March of Dimes which finances treatment centers and research for victims of birth defects and crippling arthritis.

polio victims for whom the vaccines came too late. Aid for thousands of polio patients is still a prime responsibility of the March of Dimes.

The birth defects and arthritis centers supported by March of Dimes contributions emphasize early and correct diagnosis, which is the key to effective treatment and rehabilitation. Such detection and care requires the skills of many different specialists, all working together with patient and family.

Until the development of the March of Dimes program, such top-quality attention was generally available only in large medical centers. The families of children afflicted with these crippling have often had to settle for less than the best because facilities were lacking or inaccessible.

The tiny victims of disease and deformity who are born today must rely on current medical knowledge to detect

abnormal conditions in time for proper treatment—or on "repair work" to correct disability. Wonders can be, and often are, accomplished.

But the ideal solution—that of preventing disability or warding it off at the very beginning of life itself—is the goal of research scientists whose work is supported by March of Dimes grants. They are adding constantly to the treasury of medical knowledge of how best to treat and, ultimately, to prevent crippling conditions that take such a grim toll of our children's health.

As they pin on their badges bearing the symbolic "Golden Key of Hope," Mothers' March volunteers are convinced that a concerted effort of the public in partnership with science—as persistent as the program that triumphed over polio—can speed the day when the problems of birth defects and arthritis will be solved.

LEGAL NOTICES

AN ORDINANCE AMENDING THE PLUMBING ORDINANCE OF THE CITY OF SONORA, TEXAS, PASSED MARCH 1, 1948, AS AMENDED ON MAY 22, 1958, AND AS AMENDED DECEMBER 4, 1961, SETTING FORTH THE CHARGES FOR THE USE OF THE SEWER SYSTEM, AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF SONORA, TEXAS:

SECTION 1. Section 27 of the plumbing ordinance of the City of Sonora, Texas, adopted on March 1, 1948, is amended to hereafter read as follows:

"Section 27. The following shall be charged for use of the sewer system and same shall be due and payable by persons occupying the premises on which sewer connection is located or guaranteed by property owners, to-wit: Business houses, including Barber and Beauty Shops, minimum charge one set \$2.50; \$1.00 for each additional set or part of set; wash racks \$4.00 per unit; hotels, motels and trailer courts \$1.00 per unit; residences, \$2.00 for one bath, and \$1.00 for each additional bath or partial bath; special rate of 50c per commode shall be applied to the following institutions: Court House and Jail, Schools and Churches.

Special rates, depending on the demand, for manufacturers, abattoirs, or special businesses not covered in above, shall be set by the City Commission."

SECTION 2. The fact that the present charges for the use of the sewer system are greatly inadequate for the operation of the sewer system creates an

The Devil's River News-Sonora, Texas, Thursday, January 17, 1963

emergency requiring the suspension of the rule that ordinances shall be read at three meetings of the City Commission; and said rule is therefore hereby suspended, and this ordinance is put upon its final reading and passed by a vote unanimously, and this ordinance shall be effective from and after its passage, and it is so ordered.

Passed, Approved and Adopted, this 7th day of January, 1963.

A. E. Prugel,
Mayor of the City of Sonora, Texas.

(SEAL)
ATTEST:
Davie H. Taylor,
City Secretary. 1 to 18.

NOTICE OF SEALED BID SALE January 7, 1963. Pursuant to authority contained in Section 6331 of the Internal Revenue Code, the following described property has been seized for non-payment of delinquent internal revenue taxes due from W. D. Kring, Sonora, Texas. The property will be sold in accordance with the provisions of Section 6335 of the Internal Revenue Code and the regulations thereunder, at public sale under sealed bids which will be opened on the 30th day of January, 1963, at 11:00 A.M., at County Judge's Office, County Courthouse, Sonora, Sutton County, Texas. All that certain tract, lot, or parcel of land situated, lying and being in the County of Sutton, State of Texas, known and described as follows, to-wit: All of Lot No. 12, in Block 28, or sometimes known as 28-E of the town of Sonora, Texas and being in size 50 by 120 feet fronting 50 feet on East Second Street, and 120 feet on Prospect Avenue, and reference is here made to the map of said town of Sonora, now on file in the Clerk's office of Sutton County, Texas, for a more full and complete description of said lot. Only the right, title, and interest of W. D. Kring, Sonora, Texas in and to the property is offered for sale. Prospective bidders are requested to write or call in person at the office of the District Director at Room 202, Radford Building, 951 North 3rd Street, Abilene, Texas for the purpose of securing Internal Revenue Service Form 2222, Sealed Bid For Purchase of Seized Property, and for information concerning inspection of the property. Bids must be sub-

GROWTH

key word for 1963

The southwestern area served by General Telephone is one of the Nation's fastest growing regions.

This basic fact causes us to greet the new year with enthusiasm and eagerness.

Since we grow with the area we serve, our long range plans are designed to measure and meet the growing needs of the growing Southwest.

These plans prove our faith in the region, and back our pledge to keep pace with it.

Wool Growers Meet January 20-23

The nation's sheep producers, determined to maintain their hard-won hold on improved economic conditions, have booked experts on every phase of the industry for the 98th annual convention of the National Wool Growers Association in Las Vegas, Nevada Sunday, January 20 through Wednesday, January 23.

Production, marketing, taxes, research, domestic and interna-

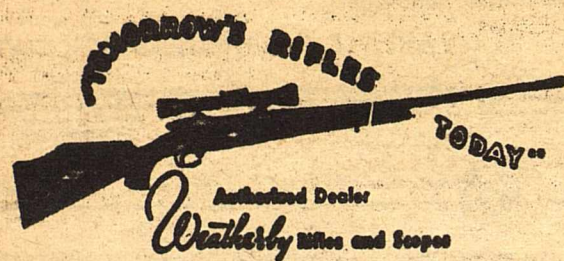

tional influences are all on the agenda, along with brief fun sessions and Women's Auxiliary events including finals of the Make-It-Yourself With Wool contest Monday night.

Congressman Harold D. Cooley will keynote the convention on January 21. The address "Selling Wool to the World" by William J. Vines, Managing Director International Wool Secretariat, London, England, is expected to get top attention.

Second general sessions Tuesday, January 22, will feature E. William Anderson, president of the American Society of Range

Management; H. R. Glasscock, Jr., speaking on "The Wilderness Which Will Endure"; Stephen H. Hart on "What's New in Livestock Taxation"; and Jack Minnoch on "Opportunities Unlimited."

The fourth and final day will see Washington D. C. Attorney J. A. Crowder discussing "The President's Textile Program and the Wool Industry." Richard Goodrich, president of the Boston Wool Trade Association will talk on improved packaging. President James L. Powell of the Texas Sheep and Goat Raisers' Association, will report on the National Livestock Forum.

That's why it's so important to feed the dry cow a ration that has what it takes to help the cow grow and drop a husky calf and maintain her own body condition, too.

During 34 years of research Purina has developed a special dry cow feed, Purina D & F Chow. Tests show properly fed dry cows can produce up to a ton more milk when they freshen.

Next time you're in the store ask us to tell you more about Purina's proved, profitable Dry Cow Program.

-GREEN NEWS-

By Betty Jones
Just heard a "bounce off" story about our 20's and 30's Green News. Remember the one about Johnny Hamby "throwing" the golf ball onto the fairway for his iron shot? It seems that every time one of these golfers told about Johnny's throw, the distance increased. At first, the story was that he threw the ball 75 yards but after a couple of weeks of "telling" it was a 175-

Continued From Front Page

Quadrangle maps, as published by the U.S.G.S., show all roads, buildings, streams, lakes, windmills, property fence lines, county and municipal boundaries, plus available names of these and other features. The Department of Interior says these maps are to be the base planning maps for all future agricultural, municipal, mineral and industrial development of a region. The military also uses such topographic maps in defense plans.

It is planned to have the entire nation mapped into quadrangles within 15 years. At present, 33 projects such as the one here are under way in Texas alone. The local project area includes the east half of Sutton County, the Southeast quarter of Schleicher County, south three miles into Edwards County, east seven miles into Kimble County and a small part of southwest Menard County. Total area of the project is 1,285 square miles.

The Geological Survey is appreciative of the cooperation and friendliness of the people of this area. Project engineer Horton says, "We expect to be every bit as cooperative by letting you know in advance when we need to enter your property, on what part of the ranch we need elevations and positions, and how long we expect to be on the property."

Mrs. Dorothy Dullnig of Sierra Blanca spent several days last week visiting with friends here.

yard drive (sorry, I mean "throw").

Naturally there were those who said, "impossible", "maybe", "that's right". To settle this the town turned out for the golf ball throwing that was staged on Main Street.

"Bronc" Wilson and Bill Barnes climbed through the scuttle-hole at the First National Bank to get to their judging seats on top of the Bank. "Bud" Smith (pitcher for the local baseball team) stood in front of the present Piggly Wiggly Grocery. "Bronc" and Bill were to inform townspeople if the golf ball cleared the bank roof.

Result? The golf ball DID clear the roof, so Johnny's Golf Throw remained in top spot as the best throw of the season.

Jim Attaway started to work as Sonora Golf Club manager the same day Mother Nature decided to hel pout with another hazard for Number Three green. Did you see the "Winter Wonderland"? Solid ice in front of Number Three green.

January 9 golf group: Connie Shipman and May Jordan of McCamey, Lunetta Morgan, Bobby Fawcett, Betty Stewart and Sammie Espy. Connie shot a 46 and May a 51.

John McClelland found a golf tee on Main Street. He remarked that he thought our golfers were carrying things a little far if they had started practicing drives on Main Street.

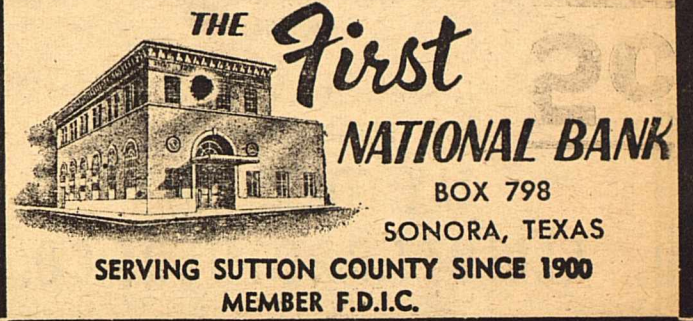

Five lengths of pipe were frozen at the course this week.

Pro-pointer—215 from "Golf" magazine, by Frank Phillips (Australian Open winner). The idea is to concentrate on the smoothness of the swing rather than power. The critical area for achieving this smoothness is the first two feet of the backswing. Hit it half as hard, and it will go twice as far.
