NINETEENTH WEEK

AN EDITORIAL—

No! You Can't Vote

There is a resolution in committee over in Austin right now to divide Texas into two states. And you can't do a thing about it. No, you can't vote. You can't vote on this or any other issue that may come up this year. You can't vote unless your poll tax is paid by 5:00 p.m. next Thursday, January 31.

Sutton County has well over 800 citizens of voting age. Only 300 are registered and ready to vote today. If a referendum came up at this point one-third of the citizenry would decide for the whole of Sutton County.

This is oligarchy—by default. Rule of the many by the few, is not to be tolerated in a free society. . . . least of all because of neglect and indifference. Your vote counts the same as the next one unless you don't cast it. This you cannot do without registering by paying your poll tax.

Poll tax positively has not been abolished in this state. It is still a voting pre-requisite for any election here.

Whether you want Texas to stand, united or divided, don't let it go by default.

ATTEND NWGA MEETING

Sonora was well-represented at the Las Vegas, Nevada convention of the National Wool Growers Association January 20-January 23. Sonorans attending the annual convention included Messrs. and Mmes. Bryan Hunt, Fred T. Earwood, Vestel Askew, Lee B. Fawcett, W. B. McMillan, Lea Allison, Robert Kelley, Jr., Walter C. Pope III, Ralph P. Mayer and Joe B. Ross.

NO INJURIES REPORTED IN MINOR COLLISION

A two car collision occurred Monday morning at 8:05 at the intersection of Chestnut Street and Highway 290.

Efrain Martinez of Sonora was on Chestnut crossing 290 when he struck the side of the car driven by Essie H. Easley of Eldorado. Total property damage was approximately \$500. Neither driver reported injuries.

Points For Polio Cage Game Slated Next Thursday

"The nice guys are bound to finish first in our basketball game, because with each point scored dollars will be collected to help the thousands of Americans disabled by birth defects, arthritis and polio," Bill Whitehead, campaign chairman of the 25th Anniversary March of Dimes, said this week.

The Points for Polio Basketball Game will be held at four o'clock Tuesday afternoon, January 29, with Sonora and Alpine meeting in a conference game at the Sonora High School gymnasium.

"This will be an exciting match on its own merits," Whitehead said, "but I think the fans will enjoy it even more knowing that children handicapped by birth defects, arthritis and polio will benefit."

"Our theme is 'Give for the Life of a Child'," he said, "and I am sure everyone will enjoy pledging to the 'Points for Polio' drive."

Sutton County has obtained in past years more than \$5,000.00 from the National Foundation to handle local polio cases. One case is being handled at the present time and funds are needed to care for this case and others that might arise.

"When you are asked to sign up for 'Points for Polio,' we hope that you can say yes," Whitehead concluded.

Dr. and Mrs. Frank Howell, Jr., of San Antonio are vacationing in Colorado at a skiing resort, while sons Jack and Clem are spending the weekend in Big Spring. The entire family will visit with Dr. and Mrs. J. F. Howell this weekend.

4-H Quarter Horse Show Postponed To This Saturday

Sutton County 4-H'ers will show their Quarter Horse colts at the Sonora Park and Horse Show Association grandstand at two o'clock Saturday afternoon, January 26. The show was postponed from its originally scheduled January 19 date because of extreme cold weather.

Entering colts in the show will be Kelly Sue Sentell, Ed Lee Renfro, Janet Pope, Molly Morris, Scott Shurley, Dick Karnee, Jerry Shurley, Jr., Mark Shurley, Jimmy Frank Richardson, Jessie Lem Johnson, Tom Giasscock, Debbie Galbreath, Cindy Galbreath, Allison Espy, Candace Cauthorn and Bloodworth Brothers.

Trophies to be presented include Champion Quarter Horse Filly Colt, Sonora Park and Horse Show Association; Champion Quarter Horse Stud Colt, Sonora Park and Horse Show Association; Grand Champion Quarter Horse, Mr. and Mrs. L. P. Bloodworth, Jr. Ribbons will be awarded by the Sonora Lions Club.

Mrs. Grant Newell has returned to Cincinnati, Ohio after a two-weeks visit here with her husband's mother, Mrs. L. C. Newell.

Extreme Cold Doesn't Interfere With Success Of 4-H Show And Sale

22 Local 4-H'ers Have Entries In Fort Worth Show

A total of 22 Sutton County 4-H members will exhibit 72 animals in competition at the 1963 Fort Worth Stock Show, January 25 through February 3, Livestock Superintendent W. A. (Bill) King has reported.

Exhibitors and their entries are: Tom Glasscock, 12 sheep; Chris Berger, 13 sheep and one lamb; Tryon Fields, one lamb;

One of the season's coldest spells failed to dampen spirits at Saturday's 16th annual Sutton County 4-H Club Livestock Show and Sale. Only interference the weather gave with the show was the enforced postponement of the Quarter Horse Class which will be held at two o'clock Saturday afternoon, January 26, at the Sonora Park and Horse Show Association grandstand.

The serving of the traditional barbecue in the evening instead of at noon as in former years was well received and an almost capacity crowd was on hand for the supper and sale which followed. Another innovation was the serving of both barbecued and smoked lamb, using lamb

furnished through the assistance of Mrs. Ralph P. Mayer, lamb promotion chairman of the Ladies' Auxiliary of the Texas Sheep and Goat Raisers' Association. Funds were available through the American Sheep Producers Council.

The sale brought in a total of \$3,881.35 of which \$2,631.75 went to members and 1,249.60 to the club treasury. The Chinese Auction added \$2,750.00 to club funds.

Lambs sold at auction this year averaged \$102.14 per head or \$1.11 per pound.

Lamb buyers included Aldwell Brothers, W. B. McMillan, Lea Allison, Stockmen's Feed Company, Fred T. Earwood, Sonora Feed and Supply, West Tex-

as Utilities Company, First National Bank, Rev. Lea Roy Aldwell, Sonora Wool and Mohair Company, Fort Terrett Ranch, Bryan Hunt, Thorp's Laun-Dry, John I. King, Wm. Cameron and Company, Walter Pope, A. S. Locke, C. T. Jones, Ben F. Meckel and Foxworth-Galbraith.

Out-of-town buyers were Junction Stockyards of Junction and Ace Builders, Barnes and Company, Nathan's Jewelers, Anchor Serum Company, Bill's Man's Shop, Gandy's Creamery, South-west Salt and Supply, "M" System Stores, Robert Massie Company, General Telephone Company, Hemphill-Wells Company, and Producers Auction Company, all of San Angelo.

"Hoss" Cartwright, Former SHS Teacher, To Get TPA's Texan Of The Year Award

Dan Blocker, former Sonora High School speech teacher and a really "big" man, will be the recipient of the Texas Press Association's 1963 "Texan-of-the-Year" award.

Announcement of his selection has been made by George Baker, president of the newspaper association and publisher of the Fort Stockton Pioneer.

The presentation to Dan Blocker, 300-pound co-star of the NBC-TV show Bonanza, will be made at TPA's Mid-Winter Meeting at the El Tropicano Hotel in San Antonio on Saturday evening, January 26.

Blocker, known on TV as Hoss Cartwright, was born in Bowie County, Texas on December 10, 1929. He grew up in the Texas

by the time he entered grade school. He became known among his friends as "The Big". At age ten he worked alongside grown men at grain elevators and could whip any of the local toughs, regardless of their age.

Despite his extraordinary strength, Dan Blocker had other ideas than pushing around as a strong man. When 12 years old he enrolled in Texas Military Institute at San Antonio. At that time he weighed 200 pounds and stood six feet tall.

From the military institute he went to Hardin-Simmons University in Abilene for a semester, then to Sul Ross State College at Alpine, on a football scholarship, to major in physical education.

He changed his major to drama before he was graduated in 1950. From Alpine he went to Boston for summer stock. Then, as did most young men of his time, Blocker received greetings from The President and went overseas for a whirl at Korea.

When he finished his army hitch, he came home with the stripes of a first sergeant, to further impress Dolphia Parker, his college sweetheart. They were married on August 25, 1952. They now have four children, twin girls and two boys.

Blocker returned to Sul Ross shortly after his marriage to work on his master's degree. He left classes for one year to teach in the high school here. Upon receiving his Master's degree in drama and English, he taught school at Carlsbad, New Mexico.

In 1956, he went to Los Angeles for graduate work at UCLA. Almost immediately he was chosen for a feature role in a Gunsmoke episode, where he made more money in four days than in a month of teaching.

Since that time his rise to stardom has been rapid. He has played in many significant TV roles and today has top billing with Bonanza.

The Texas Press Association, on behalf of its 76 members dailies and 432 weeklies, has presented "Top Texan" awards on two previous occasions. In 1961 the honor went to Paul Richards of baseball fame, a native of Waxahachie, who at the time was manager of the top-ranking Baltimore Orioles. Last year the "Texan of the Year" award went to Van Cliburn, world renowned pianist from Kilgore, Texas.

Selection of the "Texan of the Year" is made from nominations by Texas editors and publishers. Nominees must be well known Texans, outside the field of politics, now residing beyond the borders of the state, but bringing fame to the state by outstanding accomplishments in their chosen fields of endeavor.

City's 1962 Fiscal Year Shows Growth, Improvements, Progress

Over the nation, indignant citizens are fighting annexation and accompanying high tax rates by confiscatory city governments. Not so in our town, where during 1962 several property owners asked to have their land annexed. They found the low tax rate, the favorable key insurance rate and the available and planned conveniences outweigh any absorbed disadvantages.

Sonora for the past three years has enjoyed a tax rate of \$1.20 per hundred. The rate is 30 cents lower than allowed under general law, coupled with a 45 percent evaluation of property. The city is due a decrease in

key insurance rate. The state insurance board is granting the decrease due to strict enforcement of electrical ordinances. The city and merchants share the cost of employing a nightwatchman, who patrols the downtown fire zone. The night patrol lowers the key rate for the entire city. The city paid firemen's expenses to the Texas A. & M. College workshop, also a contributing factor to the lowered key fire insurance rate.

The city has witnessed \$280,528 worth of residential growth in 19 new residential permits with 33 remodeling and additions permits since October

Mothers Agree "Marching" Pays By Raising Funds For Children

Is it worth it for a woman to take time out to volunteer as a Marching Mother for the March of Dimes?

"Absolutely," says Mrs. Bill Whitehead, Sutton County Mothers' March chairman, "because your time is invested in the most precious of human beings - a child."

"Mothers' march funds will aid children right here in our own county who have birth defects, arthritis or polio patients. These funds will help our children get the best, most up-to-date medical care available. This patient aid program is being expanded to include a growing number of treatment centers financed by the National Foundation-March of Dimes."

Hundreds of research scientists, financed by the March, will be working for every family in seeking clues for prevention and

cure of birth defects and arthritis. Funds are still needed to help victims of polio.

Some of the funds are to be used for the building of The Salk Institute for Biological Studies in San Diego, where viruses from the common cold on up will be studied.

Mothers who are willing to march for this cause are asked to call Mrs. Bill Whitehead at 22691 or Mrs. Glen Richardson at 21631.

BAYLOR GRADUATE IS NEW ELLIOTT TEACHER

Miss Cynthia Porter has been elected by the board of education of the Sonora Public Schools to teach in the L. W. Elliott Elementary School. Miss Porter, a mid-semester graduate of Baylor University, will fill the post created by the resignation of Mrs. Margie Evans.

6th Junior High Tournament Scheduled To Open Friday

Ten schools will compete in the Sixth Annual Sonora Junior High School Basketball Tournament slated here in Sonora for January 25 and 26 with Oliver Wuest as Tournament Director.

Coach Wuest, local Junior High mentor, predicts this tournament will be worth seeing. With complete honesty, Wuest says Del Rio's G. Salmon is about as astounding as a player can get in statistics and performance. The 14-year-old Eighth Grader towers an inch over the six-foot mark and recently scored 38 points in less than one half-time of play.

Heightwise, Salmon is the tallest player listed in the tournament

with Junction's mighty 12-year-old Seventh Grader, C. Chandler measuring 4 and one-half feet for the counterbalancing statistic. The ten teams consist of Sixth, Seventh and Eighth Graders ranging in age from 12 to 15.

Del Rio's defending champs meet Big Lake's runners up at 6:30 p.m. this Friday, followed by Sonora and Junction at 7:45. The tournament play opens Friday when Eldorado and Barnhart meet at 2:00 p.m. Lamar versus Iraan follows at 3:15 with Christoval and Ozona at 4:30 p.m.

Saturday's first playoff is at 9:00 a.m. with the championship game set for 8:00 p.m., followed

by awards presentation. Team trophies will be presented for championship, runner-up and consolation. Six all-tournament team awards and an outstanding player award will be made. Last year's high point player of the tournament was Mike Wann of Rocksprings, while Mike Sims of Sonora was 1962 Outstanding Player.

A concession stand will be operated for spectators' convenience. Tickets will be bought from any Sonora Junior High student. Individual game tickets are 50 cents. All-games tournament tickets are \$2.

"There lay a raw egg right on the living room rug, the bright-eyed yolk staring me in the face," declared the mother of five. "And nobody did it."

"Who laid this egg?" she might as well have asked. "I didn't. I didn't. I didn't" always comes in chorus. And you are never so angry about the crime as all this nobody-did-it.

Overheard: A newcomer discussing the merits of smoked leg of lamb. It does have a good flavor. So does lamb shoulder roast, cooked, meaty side up, a-top carrots, potatoes, eggplant, onions and whole tomatoes plus parsley, bay leaf and a clove or two of garlic. Cook, covered, in a 400 degree oven for a couple of hours. Remove roaster lid for half hour or 'till the roast is brown. Serve in chunks on a heated platter with gravy, the vegetables and hot biscuits, made with buttermilk with both soda and baking powder.

Did you know baking powder doesn't get old? It only settles. If you always stir and lift from the bottom of the can you should get bubbly results. Add a pinch of baking powder when mixing potato cakes or croquettes for more bubbly results. If I sound like a TV commercial, chalk it up to being in the business too long. It's hard to shift to soft sell out here, where people buy what they please and you couldn't fool 'em if you tried.

Seasoned advertising men say more word art and sound effects go into radio than any other medium. We half believe this, the latter half. Newspapers can create sound effects only in the mind's ear, but the Kansas City Star once did an Armour's Ham ad with small effects. It worked, too. The dogs ate the papers. If the Devil ever hits the post office smelling like leg of lamb, mark it up to Texas Sheep and Goat Raisers, affectionately . . . and otherwise . . . called the Sheep-herders.

Annette Johnson, Bride To Be Honored With Tea

Miss Annette Johnson, bride-elect of David B. Archer, was honored with a gift tea in the home of Mrs. Norman W. Roussetot Thursday afternoon, January 17. Co-hostesses with Mrs. Roussetot were Mmes. Clayton Hamilton, Jack Kerbow, D. C. Langford, W. A. McCoy, Cleveland Nance, Robert Pfluger, Wallas W. Renfro, Jerry N. Shurley, Tommy Smith, Bill Tittle, George Wallace and Louis Wardlaw.

Guests were received by the honoree; her mother, Mrs. Nolan W. Johnson, and the mother of the bridegroom-elect, Mrs. Francis Archer.

The serving table was laid with an embroidered cloth and centered with an arrangement of white carnations, blue Dutch iris and blue lovebirds. Other arrangements were in blue and white, the bride's chosen colors. Approximately 100 guests called during the afternoon.

The Auxiliary Bridge and Golf Club held its monthly luncheon at the Commercial Cafe last Wednesday. Hostesses for luncheon and bridge were Barbara (Mrs. Armer) Earwood, Billie (Mrs. Clarence) Cockrell and Jane (Mrs. Milton) Cavaness. Bridge winners were Mary (Mrs. George) Barrow, slam; Monica (Mrs. Louis) Davis, high; and Joyce (Mrs. Fred) Kemper, bingo.

There were six tables of bridge and ten golfers. Mrs. Bobby (Mrs. Lee) Fawcett came out with the low gross in the Ladies Golf and Jerry (Mrs. Bill) Tittle with low net. Each golfer gave a penny a point to the March of Dimes.

That reminds me, I mentioned the golf chairmen a couple of weeks ago and failed to get our favorite golf partner's name—Jerry Tittle. Sorry, Jerry. Every time I think about out "last" golf game I can hear Jerry saying, "Oh, don't hurry now Betty. All the others finished about three hours ago and we won't have to play so fast on six, seven, eight and nine."

Lots of excitement at the course Tuesday afternoon. A play-off for the 375 revolving trophy. Friday afternoon W. J. Thompson won the trophy and despite challenges from Doyle Morgan, John McClelland and Clayton Hamilton Thompson refused to play golf Saturday, Sunday and Monday. Heard that he told them it was too cold to play golf and their response was that Thompson just sat home all week-end with the trophy.

Play-off group Tuesday afternoon included Morgan, McClelland, "Patch" Cochran, Thompson and Bob Snodgrass. Snodgrass was Morgan's caddy. When I noted that the caddy wasn't carrying golf clubs, etc. I posted the question to Morgan about his caddy's previous training. Morgan answered, "Snodgrass only works in an advisory capacity." Also, we found out why Thompson was so proud of the trophy. It is new, sort of. The original trophy had a bettered football on it. It has been remodeled and a golf club substituted for the football.

Sunday afternoon: Norm Roussetot and daughters Michelle and Renee; Mr. and Mrs. Jack Mackey; Father and son, Reggie and Jimmy Trainer; Mr. and Mrs. John McClelland.

Tuesday: Talked to Handy Wuest. He said, "I'm just practicing my putting by myself, and that's my brother David; and my Daddy, Coach Wuest, over there practicing their drives by themselves; and I have some more brothers but they aren't golfing today."

Monday afternoon golf groups: Dick McMillan and Calvin Berry; Threesome J. W. Neville, Lonnie Taylor and Jerry Hopkins. Dick made a pretty approach shot on Number Six. He shot a 48. Didn't get to talk to Calvin.

Pipes at the course were repaired by D. L. Fisher, Ben Gilly, Vernon Rogers and E. L. Brown. Didn't get the names of others who helped out with this. Many thanks to the welders for needed and appreciated work they did.

Art Club Moves Into Building

The Art Club had its regular meeting the evening of January 21 in the home of the president, Mrs. John A. Martin, Jr. A business session was held in which Mrs. O. G. Babcock was appointed chairman of a nominating committee to submit names for 1963 officer election.

Art Club headquarters have been moved into the Prospect Street home of the Savell estate. The Club has been given the use of the property and are planning extensive activities. A kiln is to be installed for ceramic work. A kitchen with a water supply and space for exhibits and other projects are available. A new year-book and 1963 projects will be finalized, pending officer election.

YOUR MINISTER SAYS

By Rev. Doyle W. Morton
Pastor First Methodist Church

In his old age Joshua called to the people of Israel to Shechem and said to them, "Choose this day whom you will serve." Joshua made the people face one of the most difficult problems of the human race. They had passed through the wilderness, had crossed the Jordan River, and were reasonably well situated in the Promised Land. By giving in a little here and there, they would soon drift into the paganism of their neighbors.

They were called upon to choose between God and paganism. The choice had to be made. They could not just drift along.

We are called upon to make choices each day. We cannot simply drift along in life. We think the choices are difficult, but it is more difficult for the

person who attempts to "straddle the fence." It is difficult to live by half-choices. We need to choose Christ as our standard and make all other choices as Christians. Christ helps us see the issues more clearly. We see that we are living for today, and for eternity. Let us make Christian choices each day, remembering the words of Jesus, "If any man would come after me, let him deny himself and take up his cross daily and follow me." Luke 9:23.

County Judge Appoints County Historical Group

The appointment of a County Historical Survey Committee was announced this week by J. W. Elliott, County Judge of Sutton County.

Members of the Sutton County Historical Survey Committee selected for a two-year term are Mrs. Myrtle Sellman, Mrs. Stanton Bundy, Mrs. R. C. Vears, Mrs. B. H. Cusenbary, John Eaton and Joe B. Ross, all of Sonora.

The County Committee will be concerned with historic buildings, museum pieces, markers and records of the county.

The Texas State Historical Survey Committee works to coordinate the historical preservation work accomplished on the local level with programs carried on the state level. Currently County Historical Survey Committees are locating and marking graves of Civil War Veterans and sponsoring Historical Building Medallions to be placed on historic structures.

HIGH LIGHTS AND SIDELIGHTS FROM THE STATE CAPITOL

By Vern Sanford
Texas Press Association
Serving as Governor of Texas should be a snap for John Connally.

Any man who can wage a rigorous, 12 months campaign for Governor, such as he has done, reorganize the state government, plan and participate in all the ceremonies he has been through since his election and inauguration, and assume all the allied responsibilities related thereto... should find the task of being governor a cinch.

It seemed like half of Texas was in Austin to see the first mass turnover in state government since Jimmy Allred took over from "Ma" Ferguson in 1935.

Man of the hour was, of course, John Connally! Bus loads of people, both from his old hometown of Floresville and his latest hometown of Fort Worth, came to Austin for the festivities that surrounded his inauguration as governor.

Most of them were here by inauguration even when nearly 5,000 people packed Austin's Municipal Auditorium for the Democrat's "Victory Dinner," rated as the biggest seated dinner in the state's history. It was sponsored by the State Democratic Executive Committee. At \$25 a plate, it netted the party \$100,000 and put it on its feet, well-heeled.

Inauguration Day led off

with an interdenominational prayer breakfast and the dignity of the day carried over to the high-noon swearing-in ceremony in front of the State Capitol.

Some 5,000 people clustered on the capitol lawn as Governor Connally and Lieutenant Governor Preston Smith solemnly took their oaths of office from Chief Justice Robert W. Calvert of the State Supreme Court.

Both Connally and Smith expressed a sincerity of purpose and a real desire to work with the 58th Legislature in pushing progress for the state... while holding down spending.

Throughout Inaugural Day, Texas' two top men kept popping up in unexpected places—arriving early for ceremonies and dropping in at events related to the inauguration. They shook every extended hand and signed as many autographs as time allowed.

At seven in the evening they took their places, alongside their wives, in a Capitol rotunda receiving line and shook thousands more hands with unremitting enthusiasm.

When Governor Connally presented his plan for progress to a joint meeting of Senate and House members, on the following day, he was met with applause that many legislators felt never had been equaled.

Majority of the legislators said that they felt they could support him "most of the way."

All praised his "tremendous grasp of state government," and said if there were differences between the governor and the legislature, such differences could be worked out.

Many were pleased to see Connally urge the strengthening of family sanctity laws. He recommended: An end to common-law marriages; a 90-day waiting period for divorces, prohibiting remarriages until six months after a divorce; and requiring both parents to appear in court when a divorce involves children.

His views on upgrading higher education were approved almost unanimously. But there was quite a bit of disapproval of his proposal to combine the Game and Fish Commission and the State Parks Board. Opposition was based largely on the idea that the Game and Fish Commission would suffer.

EQUAL RIGHTS—The perennial battle for women's equal rights will hit the limelight in the Texas Senate early in the 58th Legislative session.

Senate constitutional amendments committee set public hearing for 7 p.m., January 30, on a proposal to give women equal legal rights. Proposed constitutional amendment was submitted by Senators W. T. Moore of Bryan and Bill Patman of Galveston.

VOTE AGE TARGET—Rep. V. E. "Red" Berry of San Antonio wants the minimum voting age in Texas lowered to 18 years. Berry has filed a bill which would propose a constitutional amendment allowing the Legislature to make the change.

Present law requires voters to be 21 years of age.

You may wear a number nine shoe at home when pounding the pavements on a city street, but don't make the mistake of starting out on a 10 to 20 mile hike over rough terrain wearing your usual footwear.

Especially is this true when carrying a pack or if the ground is rocky and uneven.

Hard walking causes feet to swell, so choose a hunting shoe or boot at least a size larger in length and width.

Shotgun Slings-

Sportsmen in the U. S. might well take a tip from hunters in Europe and attach slings to their shotguns.

Slings can be fixed so they are easily carried in the pocket when not needed. Then, should it be necessary to wade streams, travel over rough country, or perform other stunts that call for free hands, sling can be quickly attached.

Such a carrying strap can come in mighty handy for other purposes also.

Beer Can Target-

If you can't afford a commercial beer can hurler, how about improving one of your own?

This can be done by tying a can to the line of your spin casting rig, or bait casting outfit.

Stand behind the shooter and cast the can forward over his shoulder into the air. Change the direction of cast for variety.

Cast of over 100 feet can be made this way.

You'll find it lots of fun.

Slowing Down Fast Dog-

There are many ways of slowing down a fast hunting dog.

When training your bird dog pup, if you find he ranges too far afield in his eagerness, an easy way to slow him down is to tie a bicycle inner tube drag the ground.

Tube will throw him when he runs too fast, but if he trots slowly, it will not.

Pup will soon wise up.

Fast Crow Shooting-

For downright good hunting,

try crow shooting. It's snappy and fast, literally crackling with action.

Find where the critters feed, or roost, then set up your blind in the nearest cedar clump, or other natural cover.

Throw the first birds you kill in front of the blind.

Be sure you have plenty of shells or cartridges!

Damage Done By Shot-

Many hunters are either too lazy, too negligent, or don't care enough to clean their game promptly after shooting it. This holds doubly true in warm weather.

Failure to promptly clean birds or other game can result in flavor-spoilage of meat due to shot bruising.

Field dressing is messy, it's inconvenient, but it sure means better meat on the table after you get home.

Clip Dog's Nails-

Unless a hunting dog gets all the exercise nature intended, his nails will grow too long.

This is most likely to occur during the summer months.

When you notice his nails are getting too long, take time to cut off the dead ends with ordinary nail clippers. Otherwise the pouch may be badly crippled by the time hunting season rolls round.

Chasing Skunks From Camp-

When skunks are hanging around camp, they can be chased away by throwing several handfuls of mothballs around the camp area.

Toss balls in every direction, and use as many as possible.

If the job is well done the skunks will leave the vicinity.

Removing Skunk Odor-

Sportsmen often have the misfortune to run over a skunk, or come so near to it that the animal sprays the car.

If the noxious odor is not removed soon, the odor will stay on the car for months.

Should this misfortune happen to you, dissolve a couple of cups of mustard powder in hot water. Use an old mop, or an old

M-G-M FILMED WHERE IT HAPPENED!
ESCAPE FROM EAST BERLIN
Wednesday, Thursday, Friday

Scanning The Movies This Week

Football Highlights of 1962 pairs with "THE SAVAGE GUNS" for the weekend double feature in Sonora. And Paquita Rico, voted Spain's most beautiful actress, pairs with Don Taylor in this Civil War Mexico-Arizona badlands explosive drama. Oddly, Miss Rico does not share her husband's pacifist principles when they face loss of their home and happiness in "THE SAVAGE GUNS."

"SAYONARA" is a Japanese good-bye. "SAYONARA" is an Irving Berlin song. "SAYONARA" is a love story written by James Michner. Marlon Brando is the American Air Force ace with whom a Japanese troupe performer falls in love. Mikiyo Taka is the young actress. Red Buttons and Miyoshi Umekia both won Academy Awards in their supporting roles.

Could be this film story is mild auto-biographical, as Michner did, in fact, divorce his American wife to marry an Oriental. Rumor has it the American woman played golf too much. And not so much rumor at that. Came straight from a Navy family who knew the Michners "over there."

From the wild west to Japan and back around the globe to "ESCAPE FROM EAST BERLIN". The film drama depicts a group escaping via a tunnel dug under the infamous Wall. Erwin Becker, an East German who led an actual escape, was the adviser of this film, shot entirely

Bronc Cagers Split Two Games At Ozona Tourney

Sonora High School took their opening game of last weekend's Ozona Basketball Tournament only to lose their second-round play with tournament champion Abilene Christian High School.

The Broncs defeated the Ozona B squad 38-22 Thursday afternoon with Bill Elliott pacing the win with 13 points. Tommy Dock Raye had seven and Maxie Delrie six. Childress led the losses with nine.

Sonora took an early lead which they never lost, scoring 9 points in the opening period to Ozona 6. In the second quarter they scored 16 points to Ozona's 4 to end the half 25-10. Each team scored six in the third period and Sonora hit 7 in the final quarter to the losses' 6.

The ACHS-Sonora game was truly one of the high points of the tourney. Abilene's Smith tallied 23 points while Primo Gonzales led the Broncos with 18. Johnny Glasscock had 16 and Tino Noriega 12. Half-time score was 36-33 for ASHS. In the fourth the Broncs came from behind to tie the game up 51-51 and still later held the Abilene five to 61-60 only to see ACHS rack up five more points and the game.

Sonora's Primo Gonzales was named to the All-Tournament Team which also included Carl Burkhart of ACHS, Ray Adams and Johnny Howard of Big Lake, Leroy Cooper and Rodney Stewart of Ozona, Pat Kvapil and Johnny Story of Miles, John McGregor of Eldorado and Randy Gray of Wall.

in the Western Zone of Berlin not too far from the Communists' noses. Becker had spent most of his life under the regime; he had refused to become a cog in the totalitarian machine. When the Wall went up flanked by barbed wire and patrolled by trigger-happy "Vopos", Becker knew the Wall was meant to keep him in, not the West out. Early in 1962 Becker took 28 East Berliners through a tunnel under the wall. He then supervised each detail of filming for MGM to insure authenticity. Don Murray and Christine Kaufmann star in the Escape film.

Driver Injured When Tire Truck Overturns Here

A single vehicle accident occurred this past Wednesday at 7:30 p.m., when Richard Henderson overturned a three-ton Good-year Tire truck on U. S. 277, south of town.

The 42-year-old Negro driver had just left a tavern and was still on the shoulder, 50 yards away, when he overturned. Henderson of 401 West Avenue L, San Angelo was treated at the local hospital for a broken left hip. He was removed to a San Angelo hospital by ambulance. Approximately \$200 property damage was the result.

Coin Box Robbed At St. Ann's

Someone in Sonora was poorer than a church mouse this week. Someone took money from a candlelight stand in St. Ann's Catholic Church before 3:30 p.m. Sunday, January 20.

The collection box supposedly contained about two dollars in coins. It had been pried open and the money removed. The Rev. Cyril Hermann discovered and reported the theft.

Anyone who has any knowledge that might relate to this small, but ugly theft should step forward and tell the local authorities. The source of the information will positively not be revealed.

Devil's River Philosopher Warns Newspaper Strike Should Be Ended Before It Gets Embarrassing

Editor's Note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River takes an odd view this week, which we are printing only in the interest of freedom of the press.

Dear editor: I have a ticklish subject to discuss this week, as you will see when you read a little further.

As I understand it, New York City has been without any newspapers for over a month now due to a strike, and it is my opinion the thing ought to be settled quickly before it's too late. The reason it ought to be set-

tled is that if it's not, those New York publishers may find themselves in the same boat with us ranchers—they may find there were too many in the first place.

Understand, I'm not saying the nine dailies in New York aren't needed, still at the same time, the last thing a newspaper wants to do is to give its readers an opportunity to get along without it. A newspaper is a valuable asset to a town, don't see many good towns without one, but it's a truth that should be hammered away at constantly, not put to a month-long newspaper-less test just to find out. It's sort of like a man

with a good job in a big company. He's needed all right, he earns his salary, but it's not a good idea to take off for six months to prove how essential he is. The firm might survive without him.

Ranchers know they're essential if the country is to keep eating, but you aren't going to catch me shutting down this bitterweed ranch to put the thing to a test.

By the way, to change the subject, did you know that Mr. Khrushchev is now wearing shirts with French cuff links and has his son-in-law on the government payroll? And that Castro is still smoking long cigars and eating well, regardless of how the rest of the Cubans are making out? Human nature is hard to put down, when it can get its hands on the money.

Yours faithfully,
J. A.

1961. During the same period the city has issued 204 electrical permits and 55 plumbing permits. Paving extensions total 3,700 feet, including widening of Prospect Avenue. Street maintenance for the past fiscal year totals \$2,599. Distribution lines on electrical extensions accounted for \$5,845, while sewage extension subtracted \$2,912. \$1,800 went to the fire department. The power plant shows a 35 percent profit, according to R. M. McCarver superintendent of utilities, who says \$2,800 went into the general fund from the city-owned utilities.

Sonora enjoys a low tax rate because water and electric department proceeds supplement the tax intake of about \$30,000. Collections are not 100 percent with nine percent delinquent. Electrical rates have not changed in the city since 1942;

nor have water rates, since 1939. The current sewage rate increase is the first since 1949. The new rate of \$2 per residence for one bath and \$1 for each additional bath with businesses assessed a minimum charge of \$2.50, was a must. "The sewage increases would have been necessary," Mrs. Davie H. Taylor, city secretary, emphasized, "even without the projected sewage improvements." The new plan was overwhelmingly approved by voting property owners with only ten dissenting votes. The sewage fund, according to Mrs. Taylor, has been operating in the red, requiring transfers from the general fund.

Under the modern set-up a man will be at the sewage disposal plant most of the time. The system is to be more efficient. No raw sewage will be dumped in the draws. This will, of course, involve costs for building and operation. The city is currently advertising for bids, which will be opened on February 5 with work to start 10 to 20 days thereafter.

Mrs. Taylor says the city books are open to anyone who cares to come in and sit down and look over the facts. These are some of the fiscal facts of 1962. These are some of the reasons owners with property

adjacent to the city limits were brought in by ordinances at their requests. Annexed property includes: Lots 3 and 4 in the Bud Smith addition, 1 and 2 block C1 on Cemetery Road and Lot 3 on the Louis Davis block.

School Census Now Underway

Sonora schools are in the process of taking the school census. All children who will be six on September 1, 1963 must be placed on the school census. All children born between September 1, 1945 and September 1, 1957 must be enumerated on the current census.

Sonora schools have taken most of the needed information this past week. If by chance a child has been missed, parents should immediately call Ralph J. Finklea at 22051, or Doyle V. Morgan at 27181, or Troy W. Selzer at 26081.

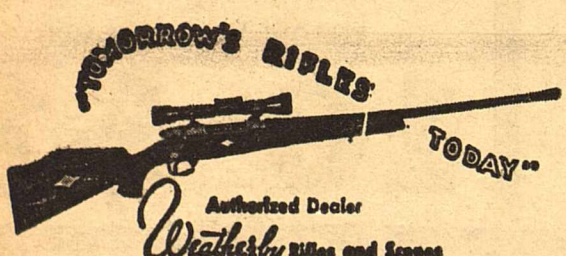

Broncs Trop Two To Stanton Tuesday

Sonora Bronco cagers lost their conference opener with district-leading Stanton on the Buffaloes' home court Tuesday night. The varsity took a 76-56 drubbing while the freshmen were downed 71-35.

Primo Gonzales led scoring for the Broncos with 15, Johnny Glasscock and Tino Noriega had 13 each and Bill Elliott 12. Bob Stephenson paced Stanton with 24 and Bud Glaspie had 23.

The Broncs travel to McCamey this Friday night but have two home games scheduled next week.

Tuesday afternoon Sonora vs Alpine here with the freshmen game called for 2:30 and the varsity for four o'clock. Friday night, February 1, the Broncs meet 7AA favorite Crane here. The freshman teams meet at 6:30 and varsity at eight o'clock.

FACTS ABOUT CREEP - FEEDING CALVES

A DEVELOPING CALF NEEDS AN INCREASING AMOUNT OF NUTRITION. OFTEN, UNFAVORABLE PASTURE CONDITIONS CUT OFF SUPPLY OF MILK FROM THE MOTHER COW WHEN THE CALF NEEDS IT MOST! CREEP FEEDING HELPS OVERCOME THIS. PURINA CREEP FEEDING DEMONSTRATIONS THROUGHOUT THE UNITED STATES SHOWED THESE BENEFITS FROM CREEP FEEDING PURINA:

1. INCREASED WEIGHT: Creep-fed calves in all areas made extra gains (up to 75 lbs. per calf).
2. UPGRADING: Creep-fed calves graded higher .34% more Choice and Good.
3. COW CONDITION: Extra weight on brood cows when their calves were weaned averaged 44 1/2 pounds. This extra beef was not marketed, but it helped carry cows through the next winter and greatly increased the conception rate.
