## Two Weekends of Racing Begin Saturday With Trials For \$20,000 Futurity

The starting gun will sound at 1:30 p.m. Saturday, April 23, signaling the opening of the annual Spring Race Meet at Sonora Park.

Initial races of the four-day meet sponsored by the Sonora Park and Horse Show Association will be the trials for the West Texas Quarter Horse Futurity. From some 56 eligible, 10 colts will be selected April 23 to run in the futurity with an estimated purs of \$20,000 April 30.

The 330-yard race open to registered two-year-old quarter horses has been staged in Sonora for the past seven years by the Quarter Horse Association of West Texas. The colts are nominated for the contest a year in advance. Among Sutton County horses entered this year are R. W. Wallace and James Hunt's Top Gainer and Willie Miers' My Texas Straw.

Record time for the race is 17:19, set in 1964 by Sagey's Folly, owned by John A. Bauchman of Seguin.

The 1:30 post time is earlier than in past years, points out Lin Hicks, president of the Park Association. Races began at 2 p.m. last year.

Eight to ten races are planned

each day of the meet, April 23-24 and April 30 and May 1. Ten blankets are among prizes to be awarded to winners during the two weekends.

Dances are planned at the 4-H Center for the two Saturday nights. The Bob Hudnall band of Odessa

will play April 23, and the Lloyd Mitchell band of Rocksprings will furnish music April 30.

Officers of the Park Association are Hicks, president; James Hunt, first vice-president; Louis Powers, second vice-president; Jimmy H. Harris, secretary; and Joe B. Ross, treasurer.

## Colts Cop Track Title

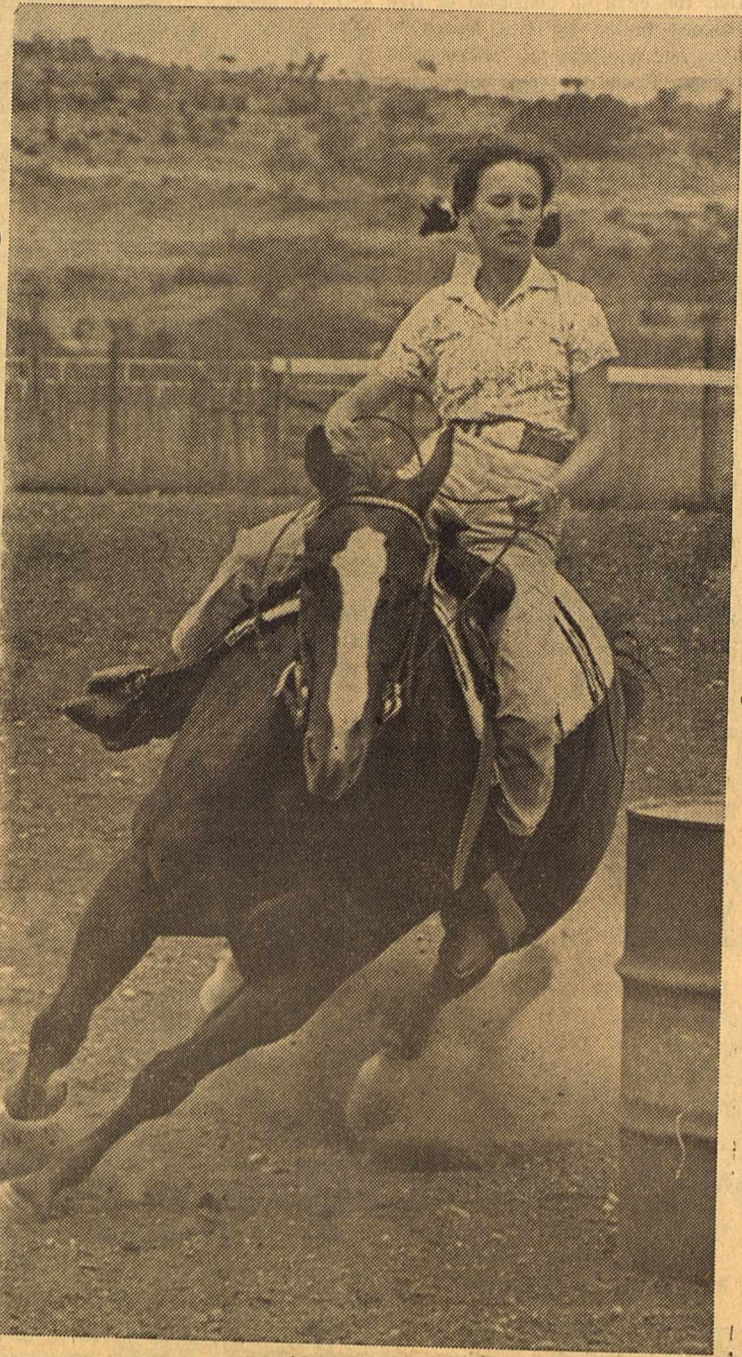

by Gary McGilvray  
The Sonora junior high track team came up with a total of 27 points to outdistance its competitors and win the District 8-A junior high track crown at Ozona Saturday.

Barry Black paced the Colts in winning both the shot put and the discus. The winning tosses were 41 feet, 9 inches and 127 feet, 9 inches, respectively.

Others placing for Sonora were David Wuest, 2nd place in discus and 4th in shot put; Robert Mata, 3rd in 330-yard dash and 4th in 100-yard dash; Richard Gonzales, 3rd in 100-yard low hurdles; Erasmo Lumbreas, 4th in broad jump;

and Papo Sanchez, 4th in pole vault. The 880-yard relay team composed of Dwayne Davis, Wuest, Lumbreas and Gonzales took second place while the 440-yard relay team of Gonzales, Davis, Lumbreas, and Mata took third place.

The final team totals of the junior high meet were as follows: Sonora 27, Eldorado 22, Junction 21, and Big Lake 17.

ROUNDING THE BARREL is Debbie Galbreath at the Sutton County Junior Horse Show here Saturday. Miss Galbreath won two first places in halter classes, three second places in performance classes, and the showmanship award, and her Little Dandy Bee was judged champion mare and All-Round Horse of the show.

## Rufus R. Peeples Dies in Mexia; Rites Held Saturday

Rufus R. Peeples, father of Dr. Gray Peeples, died at his Mexia home Thursday, April 14, after suffering an apparent heart attack.

Funeral services were held Saturday at 3 p.m. in the First Methodist Church in Mexia. Burial was in Mexia City Cemetery.

A 1928 graduate of Texas A&M, Mr. Peeples, 59, was a widely known cattleman of Tehuacana and Mexia. He had served on the A&M board of directors and had headed the university's Association of Former Students. He was a past president of the Texas Angus Breeders Association and was a member of the board of directors of the Texas and Southwestern Cattle Raisers Association.

An official of the Chamber of Commerce and a member of the First Methodist Board of Stewards at Mexia, Mr. Peeples was a candidate for Limestone County judge at the time of his death.

Survivors include his wife; a daughter, Charlotte Peeples, a student at the University of Texas; two sons, Dr. Peeples of Sonora and Roddy Peeples of Midland; a sister, Mrs. W. P. Whaley of Dallas; and three grandchildren.

## Mrs. Jimenez Dies In Kermit April 13

Mrs. Lio Madres Jimenez, mother of Candelario Jimenez, died Wednesday, April 13, in Winkler Memorial Hospital in Kermit.

She was born in Mexico in 1884. Rosary was held Thursday, April 14, and funeral services were held at 10 a.m. Friday in St. Joseph's Catholic Church in Kermit with burial in Kermit Cemetery.

Other survivors include 7 grandchildren, 29 great grandchildren, and a great great grandchild.

ness and Mrs. Jackie Sharp, winners; Mrs. Marjorie Baker and Mrs. Holly Baker of Del Rio, runners-up.

## Funeral Rites Held For John Smith, Former Sonoran

Funeral services for John Smith of San Angelo, brother of Bill Smith, were held Saturday in San Angelo.

Mr. Smith, a wholesale distributor for the San Angelo Standard-Times, died early Wednesday morning, April 13, after suffering a heart attack while on his route.

The son of the late Mr. and Mrs. Isaac Smith, he was born in Junction Dec. 22, 1907, and lived there until 1910, when he moved to Sonora with his family. He attended Sonora and San Angelo schools.

In 1922 he moved to San Angelo, and he began working for the Standard-Times in the circulation department in 1928. He was employed in the mail room as a route supervisor and worked with area circulation agents.

After 21 years he left the newspaper and became a dock superintendent for Sunset Motor Lines. He began distributing the paper on the city newsstand delivery routes in 1964.

He married Elizabeth Jennings Nov. 8, 1931, in San Angelo. He was a member of the First Methodist Church in San Angelo.

Survivors include his wife; two sons, Larry R. Smith of San Angelo and Airman First Class Ronald Smith, stationed in Thailand; two brothers, Carroll Smith of Big Spring and Bill Smith; three sisters, Mrs. Authur Sitas and Mrs. Rob Bricker, both of San Angelo, and Mrs. A. J. Willeke of Odessa, and three grandchildren.

## Voters' Passage Of Bond Issue Holds Key To School Improvement

Sutton County voters will go to the polls April 26 to vote on a bond issue for the Sonora Independent School District for the first time in 18 years.

Polls will open at 8 a.m. and close at 7 p.m. at the county courthouse.

Voters must be qualified resident property taxpaying voters of the Sonora Independent School District of Sutton County who own taxable property in the school district and have duly rendered same for taxation.

The Sonora School Board has concluded that the \$450,000 bond issue is necessary to strengthen, modernize, and repair present school facilities so that Sutton County youngsters may leave the Sonora school system better prepared for the requirements of a changing world.

The last time a bond election was called was in 1948, when \$475,000 was voted to build Central Elementary School, eight apartments for teachers, and several new classrooms at L. W. Elliott Elementary School. The \$200,000 plus indebtedness remaining on this issue will be retired in 1973.

Should it pass, the new bond issue would consist of five divisions, each of which would be used for general improvement and updating of Sonora schools. Costs have been compiled by an experienced firm of architects who would draw the final plans and supervise the work, if approved.

The proposal includes two new classrooms to be built at Elliott School along with remodeling of the homemaking room into a library, reworking the heating system, re-lighting classrooms, and pavement of a portion of the playground. Estimated cost for this long-needed construction and remodeling is \$52,000.

Modernization of the high school would call for re-lighting classrooms after ceilings are lowered with acoustical material. Rest rooms would be modernized, new lockers would be installed, and necessary improvements in the heating system would be made at a proposed cost of \$55,000.

Four completely new facilities to be built would be accessible to all schools in the system. These include a new multi-purpose gymnasium, a new band hall and related facilities, new science facilities and equipment, and new home-making facilities. Estimated cost of these new buildings is \$295,000.

## J. H. Harris Heads Newly Elected Lion Officers

Jimmy Harris as president heads the list of newly elected officers for 1966-67 for the Downtown Lions Club. The new officers were elected at the weekly meeting Tuesday of the Lions Club.

Other officers chosen were Norm Rousselot, first vice-president; Gene Wallace, second vice-president; John T. King, third vice-president; A. E. Prugel, secretary-treasurer; Doyle Morgan, lion tamer; and Ralph Finklea, tail twister.

The directors, also elected at the meeting, are Warren Hemphill, George Brockman, and W. F. Berger.

## Petit Jury Slated To Hear 3 Cases

Three civil cases have been placed on the court docket to be heard by petit jury here Tuesday, April 26.

Cases scheduled are Saunders vs Pacific Finance et al, Jungk vs Miller, and Beadman vs Maryland Casualty. Jurors have been called to report at 1:30 p.m.

### OPINION AND ANALYSIS

and the buildings will be placed near the site of the tennis courts. The tennis courts would be relocated between the administration building and the home economics cottage at a cost of \$8,000.

The remaining \$40,000 is designated for miscellaneous costs with provisions for contingencies.

The possibility of putting some of these facilities underground, to provide a shelter area, has been explored and will continue to be discussed before final plans are made.

Although enrollment in the Sonora public schools has remained fairly constant over the past few years, buildings and facilities have aged, and the need for new construction is evident. No major building has been constructed nor bond issue voted since 1948, and the newest building was erected in 1938. Since that time, however, three new classrooms have been added at the Elliott School, a new field house has been constructed, several rooms have been remodeled, the shop has been enlarged, and various other improvements made. All these were accomplished without

increase in taxes.

Sutton Countians now are paying taxes at a rate of \$1.50 per \$100 assessed valuation. With approval of the bond issue, the total school taxes would increase about 14% percent or about 22 cents per \$100 assessed valuation. Considering county, state, and school taxes, however the total percentage would be far less. Then, too, local and state taxes are deductible for federal tax purposes, which further decreases the burden.

Quality education, once a luxury, is now a necessity.

To assure the boys and girls of the Sonora Independent School District an equal start with other boys and girls, the voter of Sutton County must vote FOR both propositions on the ballot. The Maintenance Tax Levy must pass so that the tax rate may be raised above the present \$1.50, and the Bond Issue must pass so that the School Board can carry out this needed work.

If you are a taxpayer and a qualified voter, the Devil's River News urges you to go to the polls on April 26 and vote "FOR" both propositions. Urge your neighbors to do the same.

## Varied Thundershowers Light Hail Pelt Area

by E. B. Keng  
Soil Conservation Service

April thundershowers moved across a portion of the Sonora area Sunday afternoon, dropping moisture that varied from a trace to nearly two inches.

The rainfall around Sonora was of high intensity, and heavy runoff occurred on closely grazed rangelands. Light hail accompanied the storm, but no damage was reported.

Damage did occur from a heavy rain and hail storm which covered a narrow area along the Sutton-Edwards county line on April 13. Roof damage at the Experiment Station was heavy. Some of the hailstones measured over three inches in diameter. Rains of up to 2.80 inches on the J. A. Cauthorn ranch produced flash flooding. The storm moved from west to east and covered only a narrow strip of country.

Sunday's rainfall covered much of the Edwards Plateau soil conservation district, but many areas received less than one half inch. Moisture is badly needed to encourage spring growth of range vegetation, and to produce adequate mesquite leaf growth for favorable chemical control.

Representative rainfall reports for April 17, collected by the Soil Conservation Service, included V. J. Casscock .80; Paul Turney .40; Ben Cusenbary 1.65; John Fields

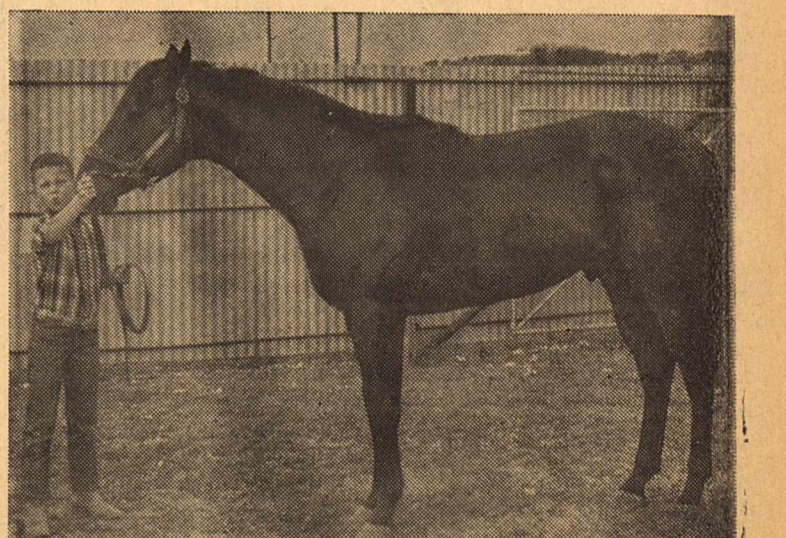

1.70; Harold Friess .50; Herbert Fields 1.22; Jack Mann 1.30; Lea Allison 1.50; Bud Whitehead .50; Joe M. VanderStucken 1.50; George Brockman .30; Lin Hicks .50 to .80; Bryan Hunt 1.50 to 1.80; Billy Frank Turney .50; Fort Terrett .50; Alvis Johnson 1.50; Gene Wallace .50; Buster Shroyer .50; Experiment Station .30; George Wallace .80; Jerry Johnson .80; James Hunt 1.17 to 1.30; Joe Logan 1.08 to 1.72; W. L. Miers .83 to .91; Stella Keene .91 to 1.01; Hunt & Neill Hospital 1.02; Thomas Morris 1.00.

## Voters May Cast Absentee Ballots Through May 3

The absentee balloting period for the first primary began this week.

Monday, April 18, was the first day for voting in person at the office of the county clerk. The absentee voting period will end May 3, and the first primary election will be held May 7.

Other dates marked on the political calendar are April 27, the final day for candidates in the May 7 primary to file sworn expense statements, and May 14, when county conventions will be held to elect delegates to the state political convention.

LINDSEY PAUL HICKS shows Double Exposure, the first-place stallion foaled in 1964 and champion stallion of the junior horse show held here Saturday. Lindsey Paul is the son of Mr. and Mrs. Lin Hicks.

## HALF-PAST TEEN

### Roosevelt Woman Recalls Arrival In Ox Drawn Wagon

Mrs. Quincy Adams recently looked back to the early days, recalling when she arrived in Menardville in a wagon caravan in 1897. Now of Roosevelt, she is the mother of Mrs. Leslie Malmstrom and Mrs. Willie Andrews.

In a feature story in the Menard News recently Mrs. Adams told that the caravan consisted of five wagons pulled by two teams of oxen and one team of "willow-tail" ponies. Each ox team pulled two wagons, one trailed behind the other.

Mrs. Adams still remembers how uncomfortable she felt when her father pulled the wagons into a half-circle to accommodate a photographer. She was then Ella Holmig, 15 years old.

The Alvin Holmig family, including five children, was seeking a new home after leaving Llano County. Holmig, a blacksmith, had made the wagons which contained household goods, feed, seed, poultry, and blacksmith tools. An older boy and a hired hand drove 100 head of cattle around the town while the wagons went through.

**MOVED BY OX WAGON**—Mrs. Quincy Adams of Roosevelt shows the ox bell worn by the lead steer of her father's team when the Alvin Holmig Family moved west in 1897, from Llano County to Kimble County.

**Season with Flair**  
 Baked fish fillets take on special appeal when they're served with a sauce of cream of shrimp soup (frozen) thinned with a bit of cream. A sprinkling of Parmesan cheese adds still another gourmet touch.

Have you ever glazed pork with melted currant or apple jelly? Add cinnamon, nutmeg or cloves to the jelly if you'd like even more flavor in it. These may also be used on the pork ribs—spare-ribs, country-style or back.

A touch of mace and a bit of honey will put rice pudding into a class of special desserts.

Omelets have many varieties, so add some rice, mustard and grated Cheddar cheese to your next one. Serve with soy sauce, if you want it Chinese-style.

Serve on a bed of rice? Think how delicious that rice will be if it has some chopped spinach added to it with a dash of nutmeg for flavor. Can you imagine this with a creamed shrimp? Of course!

Make your beef hash with onion. Use either the chopped variety or onion soup if you need the moisture. Serve with a topper of chili sauce.

### Fifth Birthday Celebrated Friday By David Jennings

Mrs. Reed Jennings entertained her son, David, with a party on his fifth birthday last Friday.

Guests included Denise and Eric Neal, Drew McMinn, Jennie Wilson, Bret Baldwin, Pat Street, Rex Martin Lowe, John Webster and Emily Elliott, and Steve and Larry Jennings.

### \$600 Million Spent by Tourists

The Texas Highway Department's annual survey of the travel industry shows a record 12,688,000 out-of-state persons traveling by automobile visited the State last year. A second record was set as this group's expenditures reached the \$613,148,000 mark, a 16.8 percent increase over 1964.

While the total visitors represented an impressive eight percent gain over last year, the biggest plus for Texas was in their total expenditures. The fact that the average visitor remained in Texas a full one-half day longer than in 1964 accounted for a large portion of the \$88 million increase.

## Mrs. Gandhi Puzzles J. A.

Editor's note: The Devil's River Philosopher on his bitterweed ranch on Devil's River touches on a point that we don't understand either.

Dear editor:  
 The trouble with picking up two newspapers instead of one is that it frequently leads to confusion.

For example, in one paper I found out here yesterday I read an account of Mrs. Indira Gandhi's visit to the United States in her job as Prime Minister of India to discuss world affairs and possibly step up the amount of grain the U.S. is sending over there.

In a speech she made at the White House she said India is staying neutral in the nuclear arms race, that while her country has the brains, the techniques, and the capacity to make nuclear bombs if it sets its mind to it, it has decided not to.

In another paper I found, apparently blown against the same fence by the same wind, an article explained how the United States is sending agricultural experts to India to try to teach that country's 60 million farmers how to produce more.

This is what's confusing about getting too many facts at one time. If India has the capacity to produce something as complex and expensive as a guided missile if it wants to, it seems to me it'd use some of that capacity to produce a little more grain. Launching a tractor isn't any harder than launching a rocket, and you can do the former on a cloudy day. Looks like India would drop its program of providing guided walking plows for its farmers and get into the tractor age. I believe any man who could build a guided missile could operate a tractor.

As I understand it, the American farmer is now growing enough for himself and 33 other people. If the 60 million farmers in India did as well, they'd produce enough for nearly 2 billion people, which is five times that country's population, and would result in grain-hungry Prime Ministers visiting there, instead of the other way around.

All this proves is that a man with two newspapers sometimes can be twice as confused as the man with one.

Yours faithfully,  
 J. A.

**WHO ALL'S WHO?** This week's Teen Scene mystery photo shows a group of girls, now three seniors and a junior. Two of the seniors have blond hair, and one is a twirler, while the other is a cheerleader. The other senior, a brunette, has held many school honors. The junior has dark brown hair.

## Teen Scene

By Margaret Bundy

Last weekend saw several people leaving town. Wade Stokes and Libb Wallace were down on the river fishing. Gail Espy and Cee Wee Johnson spent the weekend in Del Rio visiting Jamie Lois Taylor. Susan Prugel and Kathy Grelle spent the weekend in San Angelo. Has anyone noticed their new sunbans—or would you call them sunburns?

Carl Teaff, Jerry Shurley, and Mike Wuest were in Eldorado at the spring formal there Saturday night. Speaking of dances, the juniors are busy preparing for the Jr.-Sr. Banquet and Prom that will be held next weekend.

Debbie Galbreath was the top winner of the horse show Saturday. Her horses won two firsts in the halter classes, and three second places in the performance classes. Other Sonora owners who placed were Jerry Shurley, Tony Renfro, Mike Boatright, and Lee Bloodworth.

Al Elliott, Monty Dillard, Kathryn Grelle, and Bill Green have been riding go-carts around town lately.

The time is coming up for elections for various offices for the coming year. Cheerleader elections were held Wednesday. Next Wednesday, elections will be held for Student Council officers for the coming year.

Bryan Grelle left Saturday for Fort Gordon in Augusta, Georgia. Last week's "Who's Who" was Gary Hardgrave.

The district track meet was held Saturday in Ozona. The Broncos won the meet with 117½ points. Eddie Howell placed first in the 100-yard dash, and Ed Lee won fourth in that event. Mario Sanchez placed fifth in the 380-yard run; Tony Martinez won fourth in the mile run. Ben Perez won first in the 180-yard low hurdles; Laney Cook won second in the same event. Laney also won first in the 120-yard high hurdles, and Mike Wuest won fifth. Mike also won third in the shot put and fifth in the discus. Noe Chavez won second in the pole vault. Mike Wuest tied for first place in the high jump. Laney Cook placed second in the broad jump, Ed Lee Renfro placed third, and Eddie Howell tied for sixth. Ben Perez, Eddie Howell, Noe Chavez,

# GREEN NEWS

by Lunetta Morgan  
Well, another tournament behind us. It must have been a howling success. Did you ever hear 64 women all talking at once?  
GN

First we want to thank Rusty Horton of San Angelo and Lee Fawcett for doing such a good job of running the tournament. If we start trying to name and thank all the others, we will leave out some, but we do appreciate Honey Hicks, Mrs. Halbert, Mrs. Shurley, Mrs. King, and Mrs. Vicars for coming out and helping.  
GN

We are proud of our Sonora winners. There was one in every flight. It just goes to show you we had the advantage of our home course. Jo and Peggy were first-time winners. Rumors were going around that if they didn't win, they were going to buy a trophy.  
GN  
Recent eagles were Oliver Wuest and John Bell. And speaking of Oliver, he must have been taking lessons from the pros. We hear that he has no troubles at all in driving number three green.  
GN

The School Golfing team did not do so good at Ozona this week. But after all it is their first year, and we are behind them all the way. One of these days, we will probably be saying, "We knew them when."  
GN

Believe it or Not: Shorty Taylor used to caddie for Mrs. Powell of San Angelo, long, long years ago. Mrs. Powell and Mrs. Adams won

the Championship flight.  
GN  
Now it can be told. Golfers do other things other than golf: they turkey watch.  
Last year, several turkey hens raised their broods on the driving range. Every day someone had seen them and counted them. For one, Dr. Howell drove out every afternoon to check on them. They were safe as if they had roosted on Nolan Johnson's front porch. After all, they only had around 75 self-appointed game wardens watching them.  
Sometimes they ventured down as far as number one green. Several Sundays ago, they were seen behind number three, next to the draw, and as they cleared the fence in flight, someone counted 55 turkeys. A night or two later, they were seen roosting in the trees on the lawn of T. A. Williams' home across from Elliott Motor Company. After that, they were seen in the trees around the sunken gardens. We hope that they tire of town life and decide to move back to the country.  
GN

J. W. Neville, who is an A golfer says, "A good putt is one that passes the cup". We disagree with him. We think that a good putt is one that plunks, plunks right in the hole.  
GN  
Tournament dates for the Women: April 23, Del Rio; April 30, McCamey, and May 3, Kerrville.

## Tea Compliments Miss Mears Sat. At Willman Home

Yellow and white spring flowers decorated the Ervin Willman home Saturday evening, when Miss Elaine Mears was complimented with a tea.  
Miss Mears is the bride-elect of Perry Don Free of Eldorado.

Hosting the party along with Mrs. Willman were Mmes. Fred Adkins, Albert Everett, Harold Garrett, Dave Locklin, and Curt Schwiening. The serving table was ornamented with an arrangement of miniature yellow mums, net and tapers.  
Guests were greeted by Mrs. Willman, the honoree, Mrs. Freeman Mears, and Mrs. Virgil Free of Eldorado.

Mrs. Marvin McAngus Jr. of Eldorado was at the guest register, and Misses Jeanette and Janelle Free of Abilene, sisters of the prospective bridegroom, served punch, coffee, and cookies.  
Miss Vivian Mears assisted in the houseparty, and Mrs. Jackie Sharp provided background music at the piano.  
About 50 guests called.

**TEACHERS REAPPOINTED**  
All teachers of the Sonora school system were reappointed at a meeting of the school board Wednesday, April 13.

Mr. and Mrs. Cashes Taylor visited Mr. and Mrs. Royce Regeon, Mrs. Eulah Regeon, Nannetta, Reesa, and Rhonda Sunday. Regeon had been a patient at Santa Rosa Hospital in San Antonio since last Thursday. His condition is greatly improved, Mrs. Taylor says.

The Rev. and Mrs. H. R. Pace of Freeport are the parents of a son, Robert Frederick, born April 18. He weighs 9 pounds, 1 ounce. Robert Frederick has a brother, Dolph, 1 year old.  
Cliff Johnson is grandfather of the baby, and Mrs. G. W. Archer Sr. is great grandmother.

### SONORA ART CLUB

Mrs. Billie Wright Taylor was installed as president of the Sonora Art Club when the organization met Monday night at the Art Building.

Mrs. O. G. Babcock and Mrs. R. B. Kelley Sr., hostesses, served coffee and cookies.

Mrs. Ben Cusenbary, current president, installed Mrs. Taylor and other new officers, including Mrs. Grace Irvin, vice-president, and Mrs. Horace Hill, secretary-treasurer.

A donation to the Sunken Garden was approved, and the annual Blind Auction to be held in May was discussed.

A paper on community beautification written by Mrs. A. W. Awalt was read to the club.

Mr. and Mrs. Boyd Lovelace and their granddaughter Bonnie McGara, visited Mr. and Mrs. Joe Seale and children in Gainesville over the Easter holidays. While the Lovelaces were there, a tornado with winds of more than 80 miles per hour struck. About \$250,000 damage to the large boats on Lake Texoma was reported, and numerous homes and trees were damaged. Mrs. Lovelace said they were able to stay in a storm cellar.

Robert Smith, electricians mate in the U.S. Navy, is home on a 10-day leave. He is stationed at Vallejo, Calif.

Mrs. Lee Labenske and Mrs. Karen Peterson are in the hospital. Lois Duncan is sick with the flu. Dr. and Mrs. J. F. Howell returned Sunday from Austin, where Mrs. Louie Trainer is home from the hospital. Glad you are better, Dr. Howell attended a medical meeting.

### Elliott To Compete For Decathlon Title

Bill Elliott, Sonora's state champion track star of last year, will be one of nine athletes competing in the 41st Kansas Relays in Lawrence, Kansas, for the decathlon title this weekend.

Elliott, along with the first, second, third, and fourth place finishers of last year, will compete in 100, 400, and 1,500-meter races, 110-meter hurdles, broad jump, high jump, shot put, discus, javelin, and pole vault.

In meets earlier this year Elliott, who is a freshman at the University of Texas, has placed in the high jump, broad jump, javelin, and hurdles. This meet will be his first try at the decathlon.

He is the son of Mr. and Mrs. Marion Elliott.

The Bond Issue To Finance Needed Building Improvements Proposed  
(Both Issues Must Be Passed In Order To Sell And Finance The Proposed Bonds)

Sonora's Old Junior High Building was constructed in 1904 and a new wing was added in 1914.

Sonora High School was built in 1931.

Elliott Elementary was built in 1936.

Our Gym was built in 1938.

Central Elementary was built in 1948 and other facilities improved when voters approved a \$475,000 bond issue.

Your School Board now urges you to approve a \$450,000 bond issue . . .

- To insure that Sutton County children have a quality education—a necessity in today's technical and complicated world
- To attract and hold good teachers

Additional information is available at the office of the Superintendent of Schools.

### Tax Structure . . .

Present school tax is \$1.50 per \$100 assessed valuation, and with the bond issue passed the new rate would be \$1.75 or less.

### Benefits and Costs . . .

L. W. Elliott Elementary School remodeling and additions	\$52,000
High School Building improvements	55,000
New Arts and Science Facilities—	
New Multi-Purpose Gym	295,000
Moving Tennis Court	8,000
Miscellaneous Costs	40,000

Although enrollment has remained fairly constant in recent years, buildings and facilities have aged while teaching demands have increased.

Your School Board urges you to take into account the demands of our society on today's students and VOTE FOR both propositions on the School Bond Election Ballot.

### Historical Markers To Be Dedicated In Junction Sunday

Dedication ceremonies for a Confederate Memorial marker for Col. John Griffith and a Texas Historical marker for Fort McKavett to Fort Clark Military Road will be held in Junction on Sunday, April 24, at 2 p.m. in the county courtroom.

County Judge Walter W. Leamons will be master of ceremonies, and Mrs. L. E. Dudley of Abilene, vice-president of Texas Historical Survey Committee, will be guest speaker.

History of Col. Griffith (1831-1889) will be given by Mrs. Joe Felps, chairman of Kimble Historical Survey Committee. Confederate officer in the Civil War, Col. Griffith was an example of those leaders who came to Texas after the War to get a new start and became outstanding citizens. He settled at Buffalo Gap and helped organize Taylor County in 1878, then moved to Kimble in 1881. The marker is on Courthouse square.

Walker Ragsdale, landmarks committee chairman, will relate the history of the military road, sometimes called Mackenzie Trail, as Col. Ranald Mackenzie's troops used the road during their raids against hostile Indians. From Fort Terrett, this road in 1852 led south to Fort Clark and north to Fort McKavett. Selected because of availability of water, the road served as a freight and mail route when forts were reactivated in 1868. After abandonment of forts in 1883, ranchers drove cattle to market over parts of the road. The marker is on Highway 290 near Roosevelt.

After the dedication service, the markers will be unveiled. The public is invited to the program and unveiling ceremonies.

### Leaflet Carries Message of Hope Concerning Cancer

"Hope is in the air concerning cancer. 1,400,000 Americans now alive have been cured!"

This is the message contained in an American Cancer Society leaflet which is being distributed this month by Cancer Crusade volunteers.

The leaflet, entitled "Cancer and You: Facts That May Help Save Your Life," gives life-saving knowledge about cancer.

The leaflet lists several means of being on guard against cancer. It says an annual health checkup by a physician is "the best defense against cancer. It can lead to early detection and treatment...and add years to your life." The folder warns against lung cancer, which is increasing at a rapid rate.

## Mrs. Simmons Hosts Jim Fish Nominated for Awards Program Pastime 42 Club

Mrs. C. E. Stites won high score among club members, and Mrs. Wallace Wartenbach received high score among guests when the Pastime 42 Club was entertained Thursday by Mrs. Auther Simmons.

Winner of the traveling prize was Mrs. Belle Steen, and Mrs. Karen Peterson received low score.

Others attending the party included Mrs. O. G. Babcock, Maymie Brown, B. W. Hutcherson, Jim Cauthorn, Beulah Cook, Buddy Joe Brown, and Joe Hull.

Mrs. Simmons served punch and cookies to her guests.

Jim Fish, a Sonora High School junior, has been nominated for the annual Achievement Awards Program, sponsored by the National Council of Teachers of English (NCTE). The son of Mr. and Mrs. Frank Fish, Jim recently won first place in the Conservation essay contest. His three-year high school record shows no grade below 90 in academic subjects.

He is currently president of the student body.

For the ninth year, NCTE is conducting the national Awards competition to grant recognition to outstanding high school seniors for excellence in English. The writing abilities and literary awareness of each nominee will be judged by local and state committees, and NCTE will announce the winners in December.

The winners' names will be sent to every U.S. college and university director of admissions, English department chairman, governor, representative in Congress and state superintendent of schools with

the recommendation that these students be considered for scholarship assistance.

Most Awards finalists report that they have been admitted to one of the colleges of their choice, and many have been given direct scholarship assistance.

According to James R. Squire, executive secretary of NCTE, the Achievement Awards Program is part of a comprehensive program undertaken by the Council in cooperation with American high schools to encourage improvement in English language and literature at all grade levels. By stimulating interest in English studies and by supporting the improved instruction in English, NCTE seeks to contribute to an educational program of excellence.

## Medical Staff Reappointed Here

Members of the medical staff were reappointed at the annual meeting of Lillian M. Hudspeth Memorial Hospital recently.

Reappointed were C. F. Browne, M.D., J. F. Howell, M.D., and E. F. Vernzobre, M.D., of Eldorado. The doctors of Ozona were renamed to the courtesy staff, and 12 San Angelo doctors were reappointed to the consulting staff.

Annual reappointment of doctors to the medical staff represents a change in policy recommended by the American Hospital Association and the Texas Hospital Association. In the past Hudspeth Memorial Hospital's policy held that a doctor once appointed to the staff remained on it as long as he practiced in the area.

Another item of business included on the agenda at the annual meeting was the review and adoption of standards for accepting Medicare patients.

## Briscoe Receives Job Advancement

Harold R. Briscoe, area engineer in Midland for Dowell Division of the Dow Chemical Co., has been advanced to district sales engineer, according to J. A. Harmon, district manager.

With Dowell since 1951, Briscoe served in various engineering and management positions in Wichita Falls, San Angelo, Alice, Devine, Jourdanon, Houston, Abilene and Midland. He was in the general office personnel department in Tulsa from 1955 to 1960, then moved to Glenville, W. Va., as operations manager. He returned to Texas in 1961 and has been in his present position since June 1964.

He received his degree in petroleum engineering from the University of Texas in 1951.

Mr. and Mrs. Briscoe have four children. He is the son of Mrs. George W. Phillips, Berryville, Ark., formerly of Sonora.

## J. Lanes Entertain Seven at Seven

Mr. and Mrs. Joe Lane were hosts to the Seven at Seven Bridge Club in their home Saturday night.

Prizewinners in bridge play included Mr. and Mrs. Jamie Parker, member high score, and Mr. and Mrs. Rex Lowe, guest high score. Mr. and Mrs. Bill Morriss were awarded guest bingo prize, and Mr. and Mrs. Jimmy H. Harris received the bingo prize among members. Mr. and Mrs. Jerry Hopkins won the traveling prize.

Also attending the party were Mr. and Mrs. Joe Neil Smith, Mr. and Mrs. Bill Savell, and Mr. and Mrs. James Alexander.

The Lanes served Brazilian chifon pie, coffee, tea, and punch to their guests.

## Melz Attends District Convention

The Rev. Arno Melz, pastor of Hope Lutheran Church, attended the Texas District Convention of the Lutheran Church, Missouri Synod, in Fort Worth April 11-15.

Keynote speaker of the convention was the Rev. Carl A. Heckmann, president of the district. He centered his remarks on the declaration, "We are gathered in the beautiful city of Fort Worth to go forward together and to hear God's call to greater commitment and dedication."

*A Good Mind*

"Let this mind be in you, which was also in Christ Jesus."  
—Philippians 2:5

Have you ever given thought to the expression which points out that "what you think you are"?

Think happy thoughts and your attitude toward life is certain to be brighter and cheerful. Look for gloom and you will find it.

It follows that our life becomes enriched when we turn our thoughts to God, when we keep in mind the high example of the dedicated life of Christ upon earth.

Keep God in your life, every day.

**Broncos Nab District Win  
From Co-favorite Ozona**

by Gary McGilvray  
The Sonora Bronco track team racked up 117½ points in winning its third track meet of the season—perhaps the most important one, as it was the District 8-A track meet.

This victory marks the first time in over a decade that a Bronco track team has won the District 8-A meet. The Broncos, however, did win the District 7-AA meet in 1963, when Sonora moved to Class AA for two years.

In confiscating the meet from co-favorite Ozona, Sonora's 440-yard relay team placed first with a 45.3 clocking. The team was composed of Eddie Howell, Ben Perez, Ed Lee Renfro, and Noe Chavez. Ozona tallied 106 in the meet.

Howell and Perez were also able to place first in individual events. Howell ran a 10.1 100-yard dash, and Perez finished the 180-yard low hurdles ahead of the field with a time of 20 seconds flat. Howell also tied for sixth place in the broad jump.

Laney Cook took another first place for Sonora as he set a new record of 14.9 in the 120-yard high hurdles. Cook placed second behind Perez in the low hurdles and also nabbed second in the broad jump.

Mike Wuest took the other first place for Sonora when deadlocked for first in the high jump with Big Lake's Richard McCreavy. The height was 5 feet 8 inches. Wuest also won third place in the shot put, fifth in the discus, and fifth in the high hurdles.

Others garnering points for Sonora were Renfro, who placed fourth in the 100-yard dash and third in the broad jump; Chavez, who copped second place in the pole vault; Tony Martinez, who took fourth in the mile run; and Mario Sanchez, who finished fifth in the 880-yard run.

All first and second place winners qualify for the regional track and field meet in Lubbock April 22 and 23.

Those from Sonora who will compete include the following: the 440-yard relay team, Howell in the 100-yard dash, Cook in the 180-yard low hurdles, 120-yard high hurdles and Perez in the 180-yard low hurdles, Chavez in the pole vault, and Wuest in the high jump.

First and second place winners in the regional meet will qualify broad jump, Perez in the 180-yard for the state meet in Austin.

**Sheep Field Day  
Slated April 28**

The annual sheep field day at the A&M Ranch Experiment Station south of Sonora is set to begin at 10 a.m. April 28.

Informal inspection of the animal husbandry research projects and ram testing pens is scheduled during the morning, and a "dutch" barbecue lunch will be served by the Sutton County 4-H Club.

The formal program, to begin at 1 p.m., will consist of talks concerning ram testing and its place in the sheep industry, 1966 ram test results, animal husbandry research and a report on current activities of the Texas Sheep and Goat Raisers' Association, according to James W. Menzies, assistant animal husbandman.
