

Broncos Trounce Rankin Red Devils 36-14

Sonora's Broncos turned the bad breaks of the Rankin Red Devils into scores for their fourth season win Friday, October 13, here.

The Broncos racked up 36 points in the first three quarters of play but were unable to score in the last quarter. The Red Devils scored once in the second and third quarters to make the final score 36-14.

Sonora scored early in the first quarter of play after blocking Rankin's fourth-down punt after their first offensive drive bogged down. Guard Manuel Sanchez stopped the kick at the Rankin 40-yard line.

From the 40, Ed Lee Renfro and Ernest Barrera moved the ball to the Rankin 12-yard line. At the 12, the still-injured fullback, Mike Gosney, roared over for the score. Barrera's run was good for the two-point conversion.

The score came within the first six minutes of the quarter. Monte Dillard, Sonora guard,

set up the next Bronco touchdown by recovering a Rankin fumble at the Sonora 18-yard line to stop a serious Red Devil drive.

Short gainers by Renfro, Barrera and Erasmo Lumberas moved the ball to the Rankin three-yard line. Renfro scored from the three but Lumberas' two-point conversion try failed. The score stood at 14-0 with one minute still left in the first quarter.

Rankin got on the scoreboard early in the second quarter when fullback Mike Turner broke away from the Sonora defense and moved to the Sonora 30-yard line. Quarterback Adam Pina clicked with passes to end Billy Bearden at the Sonora seven-yard line and to Carson McCough in the end zone for the score. Their conversion attempt failed making the score 14-6 in the second quarter.

Sonora came right back on a series of passes from quarterback J. V. Cook to Ernest Barrera and back Robert Mata to move from

the Sonora 35-yard line to the Rankin three. Gosney again plunged for the score and Cook to Barrera pass gave the Broncos a two-point conversion, making the score 22-7 with 2:35 left in the first half.

After the kickoff Rankin again had trouble holding on to the ball, giving Robert Mata a chance to make a pass interception at the Sonora 33-yard line. On the first play from scrimmage, Gosney broke loose from the Rankin secondary and moved to the Red Devil five. A pass from Cook to Richard Perez was good for another score, but the conversion attempt failed making the score 28-6 as the half ended.

The last Rankin score came in the opening minutes of the third quarter after a 60-yard passing drive. Adam Pina got close to the Sonora goal after connecting with Booker T. Dixon at the Sonora five. Pina dashed into the end zone for the score. His two-point

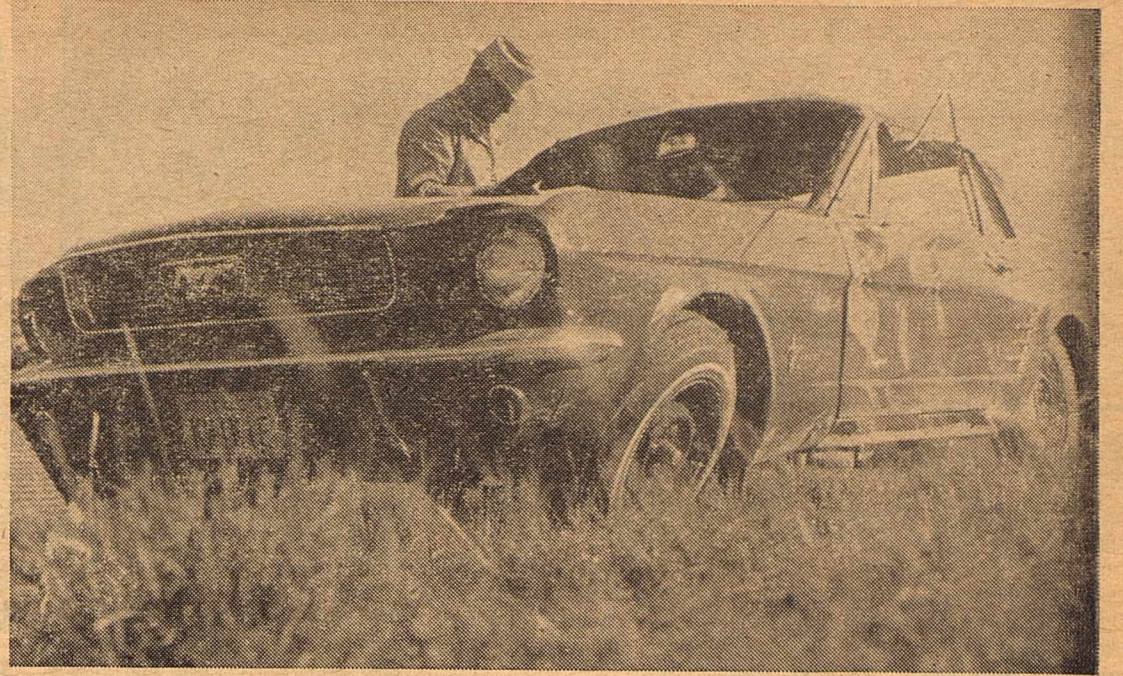

conversion pass to John Smith in the end zone was good to narrow the margin to 28-14.

Even though the Red Devils narrowed the margin, the Broncos were not quite through offensively.

Rankin chose to punt after their set of downs failed to grow into a drive. Robert Mata took the punt at the Sonora 15, and moved 85 yards behind the majority of the Bronco team for the score. Cook tossed another pass to Richard Perez for the conversion to make the final score 36-14. Neither team scored in the fourth quarter.

Next week's game will pit the Broncos against their long-time rivals from Eldorado. The Broncos will meet Eldorado in Eldorado Stadium at 8 p.m., Friday, October 20.

Last week Eldorado was defeated by Iraan 34-7. The Eagles, ranked fourth in District 8-A, were hit hard with graduations last spring, but will have 10 returning lettermen.

A ONE-CAR ACCIDENT 27 miles south of Sonora on the Del Rio highway took the life of a Big Spring woman Wednesday morning shortly after 9. Dead at the scene was Jessie Chavez Olgin, 50, after being thrown from the small red sports car. The 31-year-

old driver, James Roger Avant, of Big Spring, was taken to Hudspeth Memorial Hospital. The car was headed toward Del Rio and appeared to have turned over twice after failing to make a curve.

Sonora TV Service Co. Changes Management

Sonora TV Service Co. formerly owned by Jack Mackey and Edwin Sawyer has changed management.

Glenn Scallorn is president of the new corporation, and stockholders are Bobby Cauthorn, Virgil Cauthorn, Bill Cauthorn, and

Edwin Sawyer. Vernon Cook will be local manager, and Mrs. Bennie McIntyre will be local secretary. Office hours are 8:30 to 5 weekdays and 8:30 to noon Saturday.

In making the announcement of change of management, Scallorn said that he was happy to join the business community of Sonora and that the new company would continue to expand the policies of service and improvement started by the former owners.

O. EUGENE SLATER

Methodist Bishop Guest Minister

O. Eugene Slater, Bishop of the San Antonio-Northwest Texas Area of the Methodist Church, will be guest minister for the morning worship at First Methodist Church Sunday, October 22.

The Rev. Mr. Slater received his formal education at Southern Methodist University and Perkins School of Theology in Dallas. He also holds honorary doctorate degrees from McMurry College in Abilene, Southwestern College and Baker College of Kansas, and Southern Methodist University.

He is married to the former Eva B. Richardson of Dallas and they have two children and three grandchildren.

The bishop has served pastorates in Rochelle, Menard, Ozona, San Antonio, Houston and Amarillo.

He has been bishop since his election in 1960.

In addition to his ministerial duties he has served as an educator and in numerous church organizations.

Antlerless Deer Permits Issued October 20-21 Only

Calvin Van Hoozer warned the ranchers Wednesday that antlerless deer permits would be available to ranchers for only two days this year—Friday and Saturday, October 20 and 21.

He said that this new law passed by the legislature might catch unwary ranchers by surprise, since it is a change from last year's procedure.

The permits will be available for Sutton County ranchers at the Chamber of Commerce building.

THE LIONS CLUB "MYSTERY PACKAGE", a feature of the club's auction sale for the past 29 years, has been returned to the club for auction again this year. Last year's donor was Nathan Donsky of Nathan's Jewelry in San Angelo. He paid \$160 for the package, the highest in its history. Jack Neill, president of First National Bank, has the package safely under lock and key.

Lions Plan Annual Auction For Tuesday, October 24

Inflationary prices have been hitting Sutton County every year about this time of the year since 1938. Now, they will hit with a bang once more on the night of October 24 at the Sutton County 4-H Center.

Buyers at the annual Sonora Lions Club Auction sale make no complaint, however, when they pay \$12.50 for a loaf of homemade bread or \$5 for a quart of shelled pecans. For one night of the year, everybody "eats high on the hog", because purchasers know their money is going for a worthy cause.

The annual affair was begun by the Lions president, the late W. J. Fields, Jr., in June of 1938 in connection with the 4-H Wool Show and was originally called "Trades Day." The first auction was conducted by Col. Nelson

Johnson, auctioneer, and netted the Lions \$1,451.90.

The money raised by the Lions Club has always been used for civic projects and community improvements. Some of the proceeds of the sale has gone to the Boy Scouts, Girl Scouts, aid to the blind and other worthy causes.

Last year's donations brought \$4,759.50 at the fun auction. The items donated and purchased have little relationship to their actual value. Many heads of livestock are donated besides various articles from bonnets to gasoline-tires to spark plugs.

San Angelo merchants have contributed generously to the "buying" end of the sale since its origin. Nathan's Jewelry, Hemphill-Wells, General Telephone Company, Bill's Man Shop, Western Sheet Metal, Coca Cola Bottling

Company, Modern Way Grocery, West Texas Utilities and Roert Massie Furniture all had representatives in Sonora last year and bought at the sale, along with Sonora's merchants and townspeople.

This is the only major fund-raising project sponsored annually by the Sonora Lions Club and is unique in its success and favorable reception by the donors as well as the buyers.

The sale this year will be under the direction of Norman Rousselet, Lion's president.

G. T. RODES HAVE GUESTS

Guests of Mr. and Mrs. G. T. Rode over the weekend were Mr. and Mrs. Brad Henley and children, Dixie, Leddy and Royce of Hubbard and Mr. and Mrs. Roy Lynn Taylor and daughter, Georgie Lynn, of Big Lake.

Bill Green and Evelyn Jane Lowe Awarded Coveted 4-H Gold Stars

The annual Sutton County 4-H Achievement Program was held at the Sutton County 4-H Center, Saturday, October 14.

Outstanding 4-H members, 4-H leaders and friends of 4-H were honored during the program. Evelyn Jane Lowe, daughter of Mrs. A. E. Lowe of Sonora, received the Gold Star Award for being the outstanding 4-H club girl in Sutton County for 1967. Evelyn has been a member of the 4-H Club for six years and has participated in livestock judging and at lamb feeding. She has been secretary of the Junior 4-H Club and has been an active committee member for many 4-H events.

Bill Green, son of Bill Green of Sonora and Mrs. Gloria Green of

San Angelo, received the Gold Star Award for boys. Bill is a nine year veteran of 4-H work and has been a member of three state champion 4-H judging teams. Bill was the 1965 National 4-H Champion Wool judge and was a member of the third place national 4-H wool judging team. He has been a member of the Livestock judging team and has won many honors at local, district and area contests.

Bill has fed and exhibited fat lambs for the past eight years. Other awards were: Outstanding Father: Pete Thompson

An Exercise in Citizenship

The immensity of our governmental apparatus places ever-increasing responsibilities on the people of the state. On November 11, Texans will go to the polls to vote on six new proposed amendments to the Texas Constitution. When new laws are proposed by the legislative bodies of our national state or local governments, the public is often dismayed at the complexity of the propositions. These six proposals are complex; as complex as the society in which we live, but obviously important to certain segments of our population. The average man sometimes thinks that because a proposal is complex and he knows little of the details involved in the laws that he has no responsibility to go to the polls. Here is where the responsibility of citizenship lies. The average man should try to understand and form an opinion of the various proposals and cast his vote for or against them. To actively support or oppose an issue is the average man's way of participating in a democratic government. Some countries have lost their direction as democracies because of the apathy of the average man and his all-too-common philosophy of thinking that his vote will not make any difference. Each one makes a difference. While some people form no opinion on any of a multitude of issues, others form very strict opinions and speak avidly in favor of their convictions. But they don't take the time to record their convictions at the polls. Action always speaks louder than words. The citizen, to maintain a democracy, must record his vote not just talk about his opinion. Action is the very best way to exercise citizenship.

STATE Capital NEWS

By VERN SANFORD

The Constitutional revision commission is busy revising or rewriting the basic document which has governed Texas since 1876.

Before it could start, it rounded out its membership by naming five senators.

Lt. Gov. Preston Smith refused to name the Senators. He says the Commission was not legally authorized. It was created by a simple House resolution and the Senate did not concur.

Senators chosen by the Commission itself were A. M. Aikin of Paris, Grady Hazlewood of Amarillo, J. P. Word of Meridian, Don Kennard of Ft. Worth and Henry Grover of Houston.

Gov. John Connally opened the Commission's meeting by urging its members "to make some very profound recommendations about the structure of Texas government without removing fundamental safeguards."

Connally said the commission should "eliminate those portions (of the Constitution) which are outmoded and no longer applicable."

HURRICANE ACTION—All available federal aid will be sought by Governor Connally for Rio Grande Valley and Texas coastal areas ravaged by Hurricane Buelah.

A PARSON'S EYE-VIEW OF SONORA

BY THE REV. ROSS T. WELCH

It is a great day in the life of a Methodist congregation when the Bishop comes to preach. The Methodists of Sonora will be entertained by their bishop and their district superintendent and their wives at the morning worship next Sunday and at a luncheon in the basement auditorium following the service.

Bishop O. Eugene Slater, head of the San Antonio-Northwest Texas area of the Methodist Church, will bring the message at the worship hour. Mrs. Slater will accompany him.

Bishop Slater began his ministry in this area, serving the churches at Menard and Ozona. The Ozona Methodist Church will have open house for the Slaters later in the afternoon.

Also appearing on the program Sunday morning will be the Rev. Kermit Gibbons, San Angelo district superintendent.

The celebration was planned as a fitting climax to the program of remodeling the interior of the church, recently completed. It will also celebrate the completion of 77 years of service to the people of Sutton County.

Special music for this occasion, including two anthems and organ music, has been prepared under the direction of John Tedford, organist and choir director.

The committee responsible for the remodeling included Robert Hardgrave, Edwin Sawyer, Herman Smith (later replaced by D. C. Langford), Mrs. Ruth Shurley, Mrs. Carl Cahill, Jack Kerbow, chairman of the official board, and the Rev. Ross T. Welch pastor.

A new electronic organ has been provided largely through the memorial funds of the Women's Society of Christian Service.

One feature of the Sunday service will be the presentation of a check to the Bishop representing this church's share in helping restore flood damaged Methodist properties in South Texas.

I don't think I am especially stingy, but there are a few things I just do not like to spend money for (before anyone tells me, I know that is poor grammar). One of my aversions is spending money for cat litter.

Why spend money for cat litter when there is all the great outdoors? A friend of mine said, "I use sawdust." So I decided to try it.

I asked permission at the lumber yard, and 'Yes,' they would be glad to have me gather up sawdust at one of their saws.

There was precious little sawdust left in the box, so I decided to crawl in and sweep it out. In the process I hung my trousers on a nail and tore a big "L" in them. There went several bags of litter.

My only consolation is that those trousers match the jacket I left in Italy last summer.

It looks as though we may have to finish the season with the 'B' squad. Injuries continue to plague our first string boys. We had such a good season last year, it is hard to comprehend the number of serious injuries that have come to our boys already this year.

And the same thing is happening to our college boys. Both Bert Bloodworth and Laney Cook were injured last week. I know they both want to be in good shape when they play against each other.

It may seem a little strange to Bert, who has been protecting Laney all these years, to be trying to smear him before he gets a pass away.

Meanwhile back at the ranch—we have to go over and try out Eldorado's new gridiron. As usual they will be gunning for us—straining for an up-set. We hope the 'B' squad gets to play again—and does as well as I did against Rankin.

When Hunt and Morgan (or Morgan and Hunt) put their insurance office in the historic old saloon last summer, they went first class and installed central heating and air conditioning. All went well until it got a bit chilly this week and Doyle started to turn on the heat. The gas had never been connected. (I wish I had my pay cut, this is not intended as an advertisement for any electric utilities system).

If you missed the annual 4-H Awards Dinner last Saturday night, you really missed something. You will get the story somewhere else in this issue but here are a few sidelights.

Clint apologized for being a little nervous, due to an accident at the football concession stand last Friday night. A heavy oven door blew open and injured Nina.

This caused Clint to miss his first football game in several years. Nina was badly bruised, but so very grateful that her clothing did not catch on fire. We have all read so much in recent years about sweaters made of flammable materials and the resulting tragedies when those who wore them came in contact with open flames.

There were probably no prouder persons at the banquet than Mr. and Mrs. O. L. Richardson.

Clint properly gave credit to a number of unpaid adult leaders whose tireless efforts working with the youngsters have made possible a successful and impressive record this year. What Clint left unsaid was that it is the genius of good leadership for a county agent to get that many good laymen to work with him for the welfare of their children and their neighbors' children.

Six women from Ozona joined the golf auxiliary members for a dutch lunch at the Commercial Cafe October 10. The Ozonans were Pat Barbee, Billie Jean Baggett, Eileen Mahon, Joan Nicholas, Ella Clegg and Mary Webster. After lunch the members and their guests went to the golf course to play a round of golf.

Winners of the "blind partners with handicaps" were Sammie Esy and Jo Neville with a combined score of 157. The best putter for the day was Peggy Trainer with a total of 30 putts for eighteen holes. Yvonne Carrol had forty-four putts for eighteen holes. This was the worst putting of the day. Billie Jean Baggett shot the best round of golf for the day with a net score of sixty-seven.

Buddy Brown's tee shot on No. 2 tee box hit a rock in the bottom of the draw, bounced back over his head, and landed across the highway.

Yvonne Carroll's tee shot from the men's tee box on No. 9 went over the green.

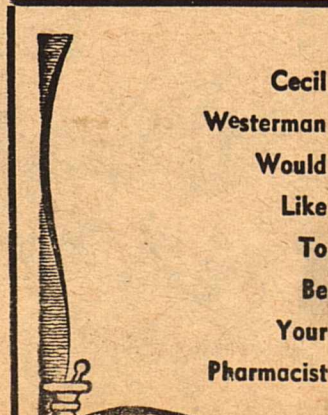

A special thanks to Peggy Elliott for refreshments October 10.

Pauline Luttrell's game is coming along real good—sometimes she has extra help crossing the draws.

Hey! Where were all those new football recruits Friday night!!!

Agriculture Program Allocated \$32, 144

The Agricultural Conservation Program for Sutton County for the program year of 1968 has been allocated \$32,144, according to Mrs. Marie K. Aldwell, office manager for the Agricultural Stabilization and Conservation Service here. She said emphasis will be placed on sharing the cost of programs with ranchers and farmers to protect and conserve agricultural lands and water resources.

Notice!

Hunting season is just around the corner, and processing the great number of deer brought in by hunters usually strains our capacity to fill orders for custom processing of meats.

We urge you to anticipate your needs and order promptly so that we may complete your processing before hunting season opens.

THANK YOU!

Absentee Voting on Amendments Scheduled for Monday, October 23

Absentee voting on six proposed amendments to the Texas Constitution will begin Monday, October 23. Necessary forms for casting absentee ballots are available at the office of Erma Lee Turner, County Clerk.

The election will be held Saturday, November 11. According to Mrs. Turner, all four precincts will vote at the courthouse only. Several changes have been made in the voting laws for the state according to the Secretary of the State, John L. Hill.

In all primary, special, and other elections where political party columns do not appear on the ballot, the voter is to place an "X" beside the name or issue he favors. In the past all undesired candidates or proposals were scratched off of the voter's ballot.

When voting, any voter may ask for assistance from an election judge so long as the voter does not receive actual preparation of ballot. Election officers are required to use the English language while carrying out their duties but may give instructions through another language himself or through an interpreter if requested by the voter.

Well six weeks tests are finally over with. Wednesday was report card day.

A few of the college kids were home for the weekend including Allen Hearn, Joe Moore, Wade Stokes, Jimmy Trainer and Bert Bloodworth. Bill Elliott brought his room-mate home with him and they were at the game Friday. The twirlers performed at the pep rally Friday afternoon. J. V. Cook and Tim Thorp were the football captains for the Rankin game.

—SHS—

Mike Holley has moved back to Sonora. We are glad you are back, Mike.

The school paper will be handed out this week or next week. This will be the second edition.

—SHS—

Laney Cook has made freshmen team quarterback at Baylor Uni-

versity. He plays defensive safety. He has some torn ligaments in his knee but it is not too serious an injury.

Bert Bloodworth made the freshmen team at A&M and plays defensive tackle. He dislocated his shoulder and will not be able to play for about two weeks.

Everyone was glad to see David Wuest back at school again Friday. He was injured in the Junction game.

There was a dance at the Parish Hall Friday night after the game. Refreshments were served and the dance was over at 12.

—SHS—

By the way, did anyone see Dr. Browne and Alex Castro almost get tackled on the sideline Friday night?

Sonora beat Rankin 36-14 Friday night. We play Eldorado Friday. Beat Eldorado!!!!

Firemen's Corner

The Hill Country Firemen's Association, consisting of members from twenty towns, held its fall convention in the Ozona high school auditorium October 14.

High points of the morning session was a report by Elsworth Greer, fourth vice president of the State Firemen's & Fire Marshall's Association, on the activities of the executive board and a speech by the Honorable Hilary P. Doran state representative from this district, covering the highlights of the work of the 60th session of the Texas State Legislature. Of special interest to the firemen was the news that the legislature had acted on the pension fund for paid firemen. Also, Doran said that the legislature realized that there was a definite need for a plan to benefit the survivors of volunteer firemen in case death occurred in the line of duty.

During the afternoon session Mr. George Woody, training chief from Midland, gave a fire prevention demonstration.

The results of the afternoon pumper races were as follows:

Six-man pumper team:
1. Brownwood, 20.9; 2. Early, 22.4; 3. Eden, 22.6

Three-man race:
1. Santa Anna, 12.2; 2. Del Rio, 12.2 (run off); 3. Eden, 12.5.

One-man race:
1. Brownwood, 13.7; 2. Del Rio, 13.8; 3. Sonora, 13.8

Men's water polo:
1. Brownwood; 2. Ballinger.

Ladies pumper race:
1. Sonora, 20.8; 2. Santa Anna, 21.3; 3. Ballinger, 41.8

Ladies water polo:
1. Eldorado; 2. Eden.

Ladies nozzle race:
1. Belle Harris, Eldorado, 3.6;

Santos Lopez Gets Presidential Citation

Jose Santos Lopez received a certificate of appreciation from President Lyndon B. Johnson.

The presidential citation has been awarded for his service as Local Board Member on the draft board serving Sutton, Schleicher, Crockett, Edwards and Kimble counties. Lopez has served five years, performing his duties without monetary compensation, as a public service.

Bill Tittle, chairman of the board, representing the president at the request of Colonel Morris S. Schwartz, state Selective Service director, presented the certificate.

The ceremony was held in the local board office at Sonora, October 10.

The certificate has also been signed by Governor John Connally, Lt. Gen. Lewis B. Hershey, director of Selective Service and Colonel Schwartz.

ACS Names Browne New Director

Sixty-two directors, 39 physicians and 23 laymen were elected at the 22nd annual meeting of the American Cancer Society, Texas Division, in Houston.

Dr. Charles L. Browne is one of the new directors.

These newly named Directors-at-Large will serve for the coming year with 42 district directors who were elected last June to represent specific county groups throughout Texas.

In addition to the election of Dr. Browne, Sutton County was named in the top ten counties having the largest amount of funds donated per capita. Sutton ranked eighth in the less populous county category.

Three Men Elected To ASC Committee

Three Sonora men have been elected to county committee of the Agricultural Stabilization and Conservation Service for 1967-68 year.

They are Bill Morriss, chairman; W. L. (Bud) Whitehead, vice chairman; and Edwin Sawyer, regular member. Alternates are Philip Jacoby and George Wallace.

Whitehead was elected to a three year term and Wallace and Jacoby were elected to one year terms. Morriss and Sawyer were chosen to complete their two year and one year terms of office.

The county committee is responsible for the local administration of national farm programs within the county, which encourages conservation and increases ranch-farm returns.

Consignments Sale Offered Monday With L&L Opening

A new business, the L&L Shoppe, will open Monday in the bakery building next to Piggly Wiggly. Operated by Louise Radle and Lillian Fisher, the business will sell useful household items on a consignment.

Mrs. Radle said Wednesday they would be receiving items and getting ready Thursday and Friday for Monday's opening. She explained that small appliances, lamps, records, clothing, small furniture items, baby beds, and many other items of value would be on sale and urged people to bring in items for consignment.

Coffee and cookies will be served Monday.

REDUCE CAVITIES

Phosphate-treated cereals reduce dental decay, according to dentistry researchers. In a study of 500 school children, divided into two groups, the group receiving cereal with small amounts of sodium dihydrogen phosphate added had 20 to 40 percent fewer cavities than the group which ate cereal without phosphate. Researchers say phosphate acts on the system rather than in direct contact with the teeth.
