FIVE GENERATIONS OF SONORANS! The eldest, Mrs. Ella Wallace, holds the youngest, month-old Zane Teutsch. The baby's mother

is Mrs. Kenneth Teutsch (left). The third generation is represented by Mrs. Libby Jo Lowe (right). Standing is her father, Libb Wallace.

Broncos Defeat Canutillo 47-0, Face Seagraves In Regional Tilt

Sonora's Broncos proved that rating systems don't mean a thing, and being a six-point underdog means even less.

The second place Canutillo Eagles learned the same lesson the hard way, falling to the Broncos 47-0 in the bi-district game Friday, November 17.

Canutillo came into the tilt with a perfect season record of 10 wins. They gave up only 31 points during the regular season and scored 371 points. The Broncos lost their first game to Ballinger, marring a perfect season.

The First Score

The Broncos halted an early first quarter Canutillo drive at the Canutillo 32-yard line by breaking up a fourth down pass play and gaining possession of the ball.

Quick openers by halfbacks, Ernest Barrera and Ed Lee Renfro moved the ball to the Canutillo 20-yard line. A pitchout from quarterback J. V. Cook to Ed Lee Renfro at the left sideline broke the

fleet halfback into the open for the score. Renfro kicked the extra point to make the score 7-0 within the first four minutes of play.

Renfro Intercepts

Canutillo, trying to get their highly-touted aerial game going, dropped a stray pass into the hands of defensive back Renfro. The interception came on the first play after Sonora kicked off to Canutillo following their score.

Sonora quickly went to the air with a completion of a J. V. Cook to Barrera aerial which moved the Broncos to the Canutillo 16-yard line.

Barrera rammed the line to the Eagle 12 and Renfro swept right end for the score. End Dennis Schmidt made the extra point to post a 14-0 figure on the scoreboard with 6:30 left in the first quarter.

Mata Intercepts

After the kickoff, the Eagle's strong passing game began to click. Quarterback Louie Payan moved his team to the Sonora 18-yard line on a 52 yard drive. At the 18, Payan's next pass was snagged by defensive back Robert Mata and run back to the Sonora 12-yard line to kill the scoring threat.

Green's Defensive Score

Sonora found the Canutillo defense tightening up and were forced to punt on fourth down and long yardage. The kick carried to the Canutillo four-yard line and was picked up by David Payan. Center Bill Green swooped down on the 140-pound Eagle and drove him back into the end zone for a two-point touchback. The play came in the early minutes of the second quarter.

Renfro's Runback

After the touchback Canutillo elected to punt the free-kick from their own 20-yard line. The kick carried to the Sonora 40-yard line and the waiting hands of Renfro. Renfro picked the ball up, waited and burst for the right sideline as the defense closed in. Renfro went all the way and was not touched until he neared the goal. Schmidt's kick made the score 23-0 with eight minutes still left in the half.

Razzle Dazzle

Again the Eagles tried to gain through the air, only to have another pass intercepted, this one by linebacker Manuel Sanchez. Sanchez took the ball at the Canutillo 25 and ran it back to the Canutillo 30-yard line. The Broncos came out of the huddle to try the half-back pass that was successful against the Iraan Braves last week.

ook pitched out to Renfro and he passed to Barrera far behind the Eagle defenders for the score. Schmidt's kick advanced the score to 30-0 and ended the first half scoring.

Second Half

Canutillo kicked off to get the second half under way. Their kick was short and picked up by Tom Trainer at the Sonora 41. Renfro moved to the Canutillo 33 on a quick opener followed by Barrera on the next play to the Eagle 23. Richard Perez opened the defensive backfield with a good block to set Barrera free. But it was all in vain. Canutillo intercepted a Cook to Nino Perez pass to cancel the Bronco drive.

Canutillo, sparked by the interception was able to move to the

Sonora eight yard line under quarterback Arturo Lopez, but Robert Mata picked off another aerial at the Sonora two-yard line.

98-Yard Runback

Mata ran back the interception 98 yards for the score. Renfro's kick was good, making the score 37-0.

The following set of downs for Canutillo were marked with disaster. They suffered three setbacks by Tom and Mitch Trainer and Mike Gosney and were forced to give up the ball at the Canutillo 33-yard line.

On three plays, Barrera, Renfro and Gosney moved to the Canutillo 14-yard line. Renfro carried to the four followed with another scoring run. Renfro's kick was good for 44-0 lead.

The last score of the ball game came on a field goal by Renfro. After moving to the Canutillo 14 on another drive, Renfro sailed his kick into the darkness away from the field to end the scoring.

Seagraves Next

Sonora's win over Canutillo for bi-district honors will pit them against Seagraves, winners of District 5-A, who defeated Aspermont 40-14 in the bi-district tilt between Districts 5-A and 6-A.

Sonora met Seagraves in the regional contest last year and defeated them 36-0 to move into the quarterfinals against White Deer.

Seagraves has maintained their state-wide ranking throughout the season. Pre-season ratings placed them in second spot. They are now ranked first. Sonora, now ranked second, began the season in fifth place.

The game is scheduled for 7:30 p.m., Saturday, in San Angelo's Bobcat Stadium.

Sonoran's Unit Wins AF Award

Master Sergeant James R. Caldwell, son of Mr. and Mrs. James R. Caldwell, is a member of the U.S. Air Force defense organization that has been selected as best in the United States.

Sergeant Caldwell is assigned to the Air Defense Command's (ADC) 26th Air Division that has won the coveted General Frederic H. Smith Trophy. The trophy, which honors a former Air Force vice chief of staff now retired from active duty, was presented at division headquarters, Adair Air Force Station, Oregon, Nov. 7.

The sergeant is a radar superintendent with the 77th Radar Squadron at Klamath Air Force Station, California.

Sergeant Caldwell, who served during the Korean War, is a 1950 graduate of Sonora High School. He received his associate degree in 1952 from Tarleton State College, Stephenville, Texas, and also attended the University of Texas. His wife is the former Ingrid Guenther.

Bronco Band Wins Honors In UIL Marching Contest

The Bronco band won second division honors in the University Interscholastic League marching contest held last Saturday in Coleman.

Band director Charles Brown said that bands do not compete directly against each other but against standards set up by the UIL.

According to the UIL rules a division II rating is equivalent to an "excellent performance of distinctive quality."

CINDERS

by Jim Barnett

The 100-year-old diplomatic battle over the disputed land in El Paso, known as "El Chamizal" has finally been settled.

The history of the dispute goes back to 1864 when a flood on the Rio Grande changed the course of the river where it divides El Paso and Ciudad Juarez.

The United States had claimed the land since that time although Mexico contended the land was rightfully theirs despite the natural changing of the river bed.

Officially the transfer treaty was approved by the U.S. and Mexican Senates in 1963. A ceremony last month made the transfer of "El Chamizal's" 437 acres official.

Senator John Tower of Texas has attacked Secretary of Defense, Robert McNamara, for what he calls "unconcern."

The attack comes from McNamara's statements in regard to the alleged orbital nuclear bomb, developed by the Soviet Union.

McNamara is reported to have said he is "not concerned" with the concept of an orbital bomb and that it is a Soviet "mistake."

Tower feels the mistake is being unconcerned and said that he, for one, "is very concerned."

Sonora Landmark Being Torn Down

A Sonora landmark, the old General Telephone Exchange building, is being torn down and will be replaced by a lawn area.

According to Birl Dillard of General Telephone, the building is not needed any longer in the operation of the company. He said that at one time the building had housed the exchange equipment, business offices and the manager's residence.

The building was used later for a work area and for storage. The garage of the building will be maintained, however, and utilized for a work and storage area.

he band made third division honors last year. Third division, he said, is an average performance "showing accomplishment and merited promise." The only bands in the region winning the coveted division I rating were from Eldorado and Sanderson. The division rating indicates "the best conceivable performance."

Sonora's band made a higher rating than all of the other schools in District 8-A except for Eldorado, Sanderson and Iraan, which also had a division II rating.

In the twirling contest held in conjunction with the marching contest, Carol Adamson and Trouba Teaff won important awards.

Miss Adamson was awarded a gold medal for her class I first division performance. Brown explained that the girls compete in much the same way that bands do, with each performance being based on a standard set by UIL.

Trouba Teaff was awarded a bronze medal for her first division, class III solo performance.

Brown said that the division indicates the quality of the performance just like bands and the class indicates the grade of school that the competitor is enrolled. All

sophomores, juniors and seniors must participate in class I. Freshman girls or under compete in classes II and III.

Sonora's band has not participated in any of the group band contests prior to 1966. The band placed in division III last year.

Sonorans Awarded Pecan Show Honors

Two Sutton Countians, W. L. (Tom) Davis and Alvis Johnson, took high honors in the Kimble County Pecan Show held last week in Junction.

Davis won the reserve champion award for his shelling Brake entry. He also took second place in the Steward pecan senior division, first place in the senior division for variety seedlings, and first place for native shelling pecans in the senior division.

Johnson won first place in the senior division for Alexander pecans and third place for seniors in the Steward class.

More than 200 entries were judged in the show.

Fort Worth Man Dies in Hunting Accident Here

A deer hunter was killed in an accident Sunday, November 19, on a ranch owned by Mrs. L. E. Johnson Jr., in the southern portion of the county.

The hunter, George Box, 34, of Bedford was killed when he stepped out of the cab of a pickup truck in which he was a passenger.

According to game warden Nolan Johnson, the fatal shot was fired by Tommy Dieterich, 14, of Fort Worth. Johnson said the accident apparently occurred when the truck stopped after spotting a deer. He said that Dieterich apparently was aiming his rifle from the rear of the truck and fired just as Box opened the door of the pickup and stood up. The shot struck Box in the back of the head.

Johnson reported that there was a near fatal hunting accident on the Cleve Jones ranch also. He said that a hunter fell out of a tree when a rotten branch broke. Johnson said the hunter's rifle was loaded and that when he hit the ground the firearm discharged. The hunter said that he felt the burning powder from the shot on his face as the bullet narrowly missed his head.

Buck A. Skains To Leave Vietnam

Buck A. Skains, son of Mr. and Mrs. L. E. Skains, who has been stationed in Vietnam since September 13, 1966, will leave Vietnam December 13 for a 30-day leave at home and assignment in the U.S.

Skains has recently been promoted to Specialist E-5, which was his third promotion since arriving in Vietnam.

Four Licensed Vocational Nurses Graduated in Parish Hall Ceremonies

Four licensed vocational nurses were graduated in ceremonies at St. John's parish hall November 16. They are Jonnie Morman, Carmina Trevino, Beverly Valliant, and Irma Flores. Presenting awards to the L.V.N.s was Mrs. Lolita Branham, R.N., instructor of the L.V.N. school.

Mrs. Phyllis Montgomery, R.N., presented awards to Candy Strippers who had been serving in a volunteer training program at Hudspeth Memorial Hospital.

They are Rebecca Urias, Susan Hill, Marie Espinosa, Elaine Dempsey, Edna Gonzales, Martha Sue Page, Dale Montgomery, Mary

Many ranchmen in the Edwards Plateau soil and water conservation district have recently expressed concern over the current abundance of grassburrs on rangeland. The dry summer, followed by good September rains, provided ideal conditions for a bumper grassburr crop.

Grassburrs have been around and spreading for many years. Much seed was brought in with hay during the 1951-57 drought. Vehicles and livestock scatter seeds from roadsides and denuded areas around watering places.

The grassburr is an annual grass plant, and it cannot compete successfully with good native perennial grasses. There are many shallow soil areas, however, where soil depth will not support a good stand of perennial grass. It is there that grassburrs—and bitterweed—can become pests that are hard to cope with.

Disturbed areas along roads are favorite places for grassburrs, where extra water is usually contributed from the roadway. Seeds produced here are often picked up by tires and carried to new locations.

Because of the substantial damage to wool and mohair, many ranchmen are waging a battle against grassburrs. There is no easy, cheap, or exclusively preferred method of eradication. Some ranchmen are using heavy applications of diesel oil—with or without the addition of 2-4-5T. Some follow the diesel oiling with a pear burner. Some ranchmen pull or hoe grassburrs and burn the plants.

Other ranchmen have advanced the theory of heavy grazing to force livestock to "eat the grassburrs up." This method worked in reverse—the more severely the plant is grazed the closer to the ground it will produce seed. The heavy grazing will further reduce

the good grass competition and more grassburrs—and other worthless plants—will be the result.

The method selected for control will vary with individual ranches and conditions. "The one most important element of control for all ranches is to maintain a healthy stand of good native perennial grasses", said E. B. Keng, Soil Conservation Service range specialist.

If plants are in small patches, oiling and pulling or burning may be indicated. A pear burner alone will burn off the "stickers" and greatly reducing spreading and wool damage—but will not kill the viability of all the seed. Heavy oil applications or soil sterilants will "kill" the ground for an extended period, and grassburrs might be the first plant back.

A reception followed.

FOUR SONORA WOMEN were recently installed as Licensed Vocational Nurses at graduation exercises November 16 at the Parish Hall. Carmina Trevino, Jonnie Morman, Beverly Valliant, and Irma Flores are shown receiving pens from Mrs. Lolita Branham, instructor of the L.V.N. school.

Amendment Voting

It should be pointed out to voters that an Amendment Election such as the one Texans had November 11 actually is the ONLY true election we have. It is the one and only time a voter can individually and independently approve or dis-

approve of a proposed law. In all other elections he votes for someone whom he feels thinks as he does.

But he's often fooled. In balloting on a constitutional change he is voting for or against the law itself.

The Devil's River Philosopher sez: Public Opinion Polls Seem Like One Of the Best Business Opportunities

Editor's note: the Devil's River Philosopher on his bitterweed ranch on Dry Devil's River offers us a business proposition this week which we'll have to decline.

Dear editor: Why don't you and me go into the public opinion poll business? I got this idea last night while I was looking over a copy of the Standard-Times which my dog dragged into the yard yesterday afternoon and left there un-torn, didn't like the taste of it, I guess, although I don't know why, you ought to see some of the bones he chews on.

At any rate, over on an inside page there was the result of the latest Gallup Poll. After surveying people clear across the nation, the Poll discovered that the "most urgent problem facing the average man and his family today is money." Of all family problems, it found, "the high cost of living overshadows all other worries of the American people today."

This is the reason you and me ought to start our own public opinion poll. I could have discovered the same results without interviewing a single person or using even a 5-cent stamp, and if you can sell the poll to other newspapers, everything we take in will be net profit, and I can sure use my

A PARSON'S EYE-VIEW OF SONORA

BY THE REV. ROSS T. WELCH

Well what do you know? We have another letter. It does not indicate the number of miles, but someone is going to have to be far away to out distance this one. It comes from Colombia, S.A. Here 'tis:
 Dear Rev. Welch,
 "Today is Sunday and chow was just served. The mail came and in my mail was a new issue of the 'Devil's River News.' This issue is only about a week or so old. What I want to say is that it has been a wonderful moment every time I get my new issue. Please thank Mr. King for me.

I went to San Antonio last week and was properly impressed by the beauty of the autumn leaves in the Hill Country. It seems the leaves are more colorful than usual this year, and there were many instances of breath-taking beauty. But when we drove back into Sonora, I realized that we have a pretty lively display of all colors ourselves.

about the proposal to build a domed city somewhere in the northern part of the nation which will accommodate one-fourth of a million people under the dome? It would have a controlled temperature and atmosphere and people could live in perpetual springtime. It would probably be lighted so one could scarcely tell night from day. We should have anticipated this when they developed the shopping malls with dozens of stores opening on a mall with controlled atmosphere, and when Houston erected her domed stadium. Domed cities where people grow like greenhouse plants might be all right for those who never had to get outside, but what of those who occasionally had to travel outside the dome and face the raw and bitter cold of a Minnesota winter? How will they fare? It will probably not be long until some Houston oil man builds a dome over Manhattan Island and charges rent to everyone who lives or works there. Where will it go from there?

I would like to tell you that I have enjoyed your view of my home town, the local scores (Broncos) and all other very interesting events."

PRAYER FOR THANKSGIVING
 Lord, make us thankful
 In more than words—
 And for more than things;
 Make us deeply grateful
 For the unearned blessings
 Which thy Spirit brings—
 To hearts which answer
 With dedicated love
 When thy recurring springs
 Call us from dormant winters
 Of unforgiven sins
 And give our spirits wings.
 R.T.W.

He explained that his wife, who lives in Bogota, receives the paper first, then forwards it to him where he works—in the jungle. He concludes: "God bless you and keep your pencil sharp... Armando Reyna"

Some school teachers were arguing the other day over which form is correct: "The majority is men" or "The majority are men."

I KNOW Armando appreciates the News because he has it sent to him 'Air Mail' every week; and we want Armando to know we appreciate his writing. If any of his friends care to write to him, I have his address.

Some were saying, "Since men is plural, majority has to be plural and would require a plural verb." If 'men' were the subject, it would be correct to say, "Men are in the majority." But 'majority' is the subject and is singular. It is easier to see if one inserts two additional words that do not change the meaning—"the majority is (composed of) men."

I think it will be quite a while before they build a dome over Sutton County—and that is just as well. What with controlled temperatures in homes, places of business and automobiles, most of us are about as soft as we need to be. When they get all the nearby cities domed, we might sell them some fresh air to make them livable.

STATE Capital NEWS

By VERN SANFORD

Gov. John Connally did what very few people in your capital city expected him to do when he announced that he would not be a candidate for re-election in 1968.

About the only person who really felt that he would not run, and said so, was Lt. Gov. Preston Smith, an already-announced candidate for Governor.

Connally's declaration brought forth many reactions. Republicans felt it would add impetus to their 1968 campaign plans... which seem to include former attorney general Will Wilson in the governor's race.

Conservatives began a sudden guessing game, with former attorney general Waggoner Carr apparently high on their potential list. But not all have given up on Connally. They point out that the filing deadline is not until February 15.

Anyway, 1968 promises to be one of those years when cowboys and Indians both may bite the dust.

It is a little sad to see a team with a perfect season record so definitely outclassed. After the first two scores, they hurt their game by playing desperation ball. Two scoring threats were broken up by pass interceptions.

The couple on my left had driven over from Rocksprings to watch the game. About the third quarter, the lady said, 'I wish I had not come. I wanted Sonora to win, but I also wanted to see a ball game.'

We have heard criticism from several sources recently about the reporting of our football games—not enough publicity given to the boys who do the bone-crushing jobs of making it possible for the ball carriers or the pass receivers to get down field toward the goal line.

Admitted that it may not be exactly fair to all concerned, let me say a word in defense of the press. They have a limited amount of space to report any game. They make mention of all the fine blocking or even of the strategy used to execute a play. They have to tell about the people who advance the ball or kick PAT's or field goals.

Thanks to the excellent coaching our boys receive, most of the time they seem to both know and do. Too bad they cannot all get equal credit; but I am glad the boys on the field are not playing for the headlines. That can ruin a team quicker than nearly anything. I would not have mentioned this except to defend the sports writers who, on this paper at least try very hard to give everyone credit.

Staff aides told the Board that they figured it would take three-tenths of a cent per kilowatt hour to pay for power to bring water needed into West and South Texas. Board members indicated they feared that the estimate was too low.

Aides calculated it would cost \$1,810,000,000, to deliver three million acre-feet of water a year to Cooper Reservoir in West Texas to irrigate 1,500,000 acres.

Mrs. Albert Ward Presents Review At El Concho Club

About 40 members and guests heard a review of Eliethe Hamilton Kirkland's book, "Love Is A Wild Assault," when the El Concho Study Club of Christoval met recently.

Mrs. Albert Ward, member of the Sonora Woman's Club, presented the review. She was introduced by Mrs. Lewis Hale, president of the Heart of Texas District.

Mrs. Sam Calhoun presided at the annual Thanksgiving luncheon meeting held at the Anson Club Hall in connection with the club's observance of "Texas Day." About 40 members and guests attended, including Mrs. Robert Pfluger of San Angelo, formerly of Sonora, and Mrs. Robert Kelley Jr., of Ft. McKavett and Sonora.

Mrs. Rodney Dowdy, also a member of the Sonora Woman's Club, will present a Christmas program for the Christoval club in December.

MISS BARBARA JANE STAPP

Barbara Jane Stapp, Wesley Sykes Announce Plans for Junction Wedding

Mrs. Candace Jackson and Jack Stapp of Junction announce the engagement and approaching marriage of their daughter, Barbara Jane Stapp, to Wesley Alfred Sykes, son of Mrs. and Mrs. J. W. Sykes of Sonora.

Miss Stapp is a graduate of Junction High School and attended Nixon Clay Business School. Alfred Sykes is a graduate of Sonora High School and attended Southwest Texas College at San Marcos.

The wedding date has been set for December 27 at the 10th Street Church of Christ in Junction with Davis Murr, uncle of Miss Stapp, officiating.

Lucinda Lambert and Carl Martin Announce December Wedding Plans

Mr. and Mrs. Jeff Lambert announce the engagement and approaching marriage of their daughter, Lucinda Lou, to Carl Louis Martin, son of Mr. and Mrs. Carl Martin Jr., is a graduate of Menard High School and is presently a junior at Texas A&M College.

Miss Lambert is a graduate of Sonora High School and Durham's Business College at Waco. A December wedding is planned.

HOSPITAL NEWS

Patients receiving treatment at Rose Thorp Hudspeth Memorial Hospital during the period from Tuesday, November 14, to Monday, November 20, include the following:

- Linda Esquivel*
- A. J. Mann, Eldorado
- Walter Taylor, Eldorado
- Frank Van Horn, Eldorado
- Doroteo Castro*
- Reba Hudson*
- James Nairn, Ozona*
- Melinda Chipman, Ozona*
- Lea Posey, Christoval*

CATCH US WHILE WE'RE CATCHING UP!

We lost 61 days of business due to the strike. We're going to make up for lost time with Better Deals on Better Idea Fords!

1968 FORD

Quiet. Strong. Beautiful. A great road car.

21 models, headed by LTD's, XL fastbacks, and Country Squires—only cars in their class with strong die-cast grilles and disappearing headlamps standard. Power front disc brakes when you order power brakes, and SelectShift Cruise-O-Matic—the only 3-speed transmission that works automatically and manually with every engine.

1968 LTD by Ford . . . 2-Door Hardtop

Only MUSTANG makes it happen!

Mustang, the great original! In three fabulous versions—hardtop, fastback, and convertible. Only Mustang gives you all these standard features: bucket seats, stick shift, new louvered hood with integral turn indicators. Plus options that let you design your own sporty car or luxury car.

1968 Mustang Hardtop

Ford's newest bright idea! TORINO

Six racy new intermediates featuring a fastback GT that seats six!

A whole new series. Six! 2-door hardtops with a choice of formal or fastback styling. 4-door sedans. GT's. Convertible. Each with the luxury ride of 116-in. wheelbase. Plus a Torino wagon and eight other Fairlanes with Torino-inspired styling.

1968 Torino GT Fastback

You won't find all these Better Ideas anywhere else!

Better ideas for Thunderbird: Choose a 2-door Hardtop, 2-door Landau, or the first 6-passenger Thunderbird ever, the 4-door Landau! Better ideas for Falcon: Room for six, (more room than any other compact built), power to spare, real trunk space, seven models. Better ideas for convenience. Options like an automatic ride control system. All-season Select-Aire Conditioner, 7-position Tilt Steering Wheel. Better ideas in style: Only Ford in its class has as standard equipment a die-cast grille for XL, LTD and Ford Country Squire, with disappearing headlamps. And lots more. Better ideas

for performance: V-8 power from a new 302 to a whopping 427-cu. in. with hydraulic valve lifters. A 3- or 4-speed stick shift on most V-8's, SelectShift on all engines. Better ideas for wagons: Ford, the Wagonmaster, has the widest choice of wagons, and all the better wagon ideas: Dual-facing rear seats. And there's still more. Like Ford's exclusive Twice-a-Year Maintenance, and a wide array of new Ford Motor Company Lifeguard Design Safety Features. See your Ford Dealer now.

POETS CORNER

Welcome deer hunters, we're glad you're here
Our town's not big, but we do have some deer
We have cafes, stores, motels, and shows
A gas station or two who never do close
Our people are friendly, we bet you'll agree
Those who come for one week, usually stay three
This is the home of Hoss, of Bonanza fame,
He once was our coach, football, his game
But when he hunted, he bagged his deer
We hope you do too, and come back next year!!!
Mrs. Ben Perkins

Srips, Quips, And Lifts

THANKSGIVING
Particularly at the Thanksgiving season we can recognize the truth imbedded in the Old-World proverb, "I complained because I had no shoes, until I met a man who had no feet." Though in our own eyes we may appear to have been overlooked by life's beneficences, all about us are others who have less reason to be thankful.
—An egotist is one who thinks if he hadn't been born, people would wonder why.
—The average person who hollers for justice thinks it is spelled m-e-r-c-y.
—From a schoolboy's exam paper: "Matterhorn was a horn blown

by the ancients when anthing was the matter."
—The two greatest highway menaces are drivers 25 going 65 and drivers 65 going 25.
—With our jet planes how can there be a distant relative anymore?
—If the craze for speed reading continues, someone will advocate a law against reckless reading.
—Prosperity is only an instrument to be used; not a God to be worshipped.
—A man's character is like a fence; it can't be strengthened by whitewash.
—Successful courtship once depended a great deal upon what a fellow sent a girl; now it depends on how.
—When your outgo exceeds your income your upkeep may be your downfall.
—You can't make dollars by depositing quarters in an easy chair.
—Income Tax: The fine for reckless thriving.
—There are two kinds of people—good and bad. The classifying is done by the good.
—The acid test of a man's religion is his Monday behavior.
—Tact is the ability to keep your mouth shut before someone else wants to.
A LIFT FOR THE WEEK
There is some consolation in the fact if your dreams haven't come true, neither have your nightmares.

GREEN NEWS

The ladies auxiliary luncheon was hosted by Nova Olenick and Yvonne Carroll November 15 at the Commercial. Thirteen members attended. After the luncheon, eight members played golf. Sammie Esby won the "recall." In "recall" play a "mulligan" on each hole is allowed.
GN—
Jo Neville shot the best round of the month. This runs from one luncheon date to the next. Jo shot a 95 and with her handicap this gave her a 67.
GN—
The "Turkey Tournament" was held Sunday, November 19. Winning first place with a total of 117 points was the team of Carroll Rat-

Firemen's Corner

Mrs. Kyle Donaldson hosted the ladies auxiliary at the fire hall November 14. Fifteen members and one guest, Mrs. Dick Morrison, played bingo. Refreshments were chips, dips, pumpkin pie, coffee and tea.
387-2424
The firemen had a special meeting November 15. They will meet again November 23.
387-2424
The annual New Year's Eve Dance, sponsored by the firemen, will be held December 30, at the 4-H Barn. Music will be supplied by Dick Sykes and his orchestra. The dance will be from 9 till 1. Tickets will be available from members of the fire department.

Dear Customers:

I have been in the hospital in San Angelo for the past two weeks and it will be another three weeks before I am able to serve you again as I have for the past 30 years. We at Ramirez Boot Shop appreciate your business and look forward to serving your needs again beginning about December 13.

**Thank You

TEEN SCENE

Well, here it is already six weeks test time again. The first, second and third period classes were on Monday and the fourth, fifth and sixth period classes will be on Tuesday.
The school paper came out last week. It contained quite a lot of news.
These weeks sure have flown by. Here it is already time for the Thanksgiving holidays. We get out Wednesday afternoon.
—SHS—
Wow! Did we come out Bi-District Champions! Everyone at the dance was happy again. Freddie Gandar, Mike Gilly, Mike Richardson and Al Elliott furnished the music—while they took a little time off, Bill Green and Ed Lee Renfro played.
We were even entertained by Mike Gosney, Tom Trainer and David Wuest. Why have you been hiding your talents, boys?
—SHS—
We can hardly keep our minds on tests this week with a Regional game coming up Saturday night in San Angelo. Everyone has football fever! And why not? We are headed for another State championship.

Card of Thanks

Thanks to my many friends and relative for the many visits, cards and letters received while at the Hospital and at home—also from my Sunday school class, Eastern Star and Masonic Lodge. Thanks for the many visits from the ministers of Sonora and to Dr. Browne. May God bless you all.
Joe F. Logan 1c11

How To Become A Christian
Dear Catholic Friend,
Do not be deceived for I am not against Catholic people. It is my desire to bring the truth to all people that they may become Christian and be my brothers and sisters in Christ.
You said that the true Church should be an apostolic one, and as near as the Bible teaches what you believe is apostolic, the Church of Christ is, since the twelve apostles are the ones that founded it on the only name worthy, Jesus Christ. The bible does not say anything about apostolic church.
If there is such a thing as one of the apostles founding a church in Rome other than the Church of Christ, then it would have been Paul for he is the one Christ sent to Rome, not Peter. Paul however does not say anything about any other church, other than the "Churches of Christ salute you." (Rom. 16:16) and he calls it the church of God in several places, the church of the First Born. Never is another church mentioned in all the Bible by name. Read Rev. 20:4.
You said where is this universal church that the apostles started on the day of Pentecost. It is the same church of Christ that I worship in today. It is universal because we go back to the New Testament days and worship in the same manner that the apostles worshipped, speaking where the Bible speaks and silent where the Bible is silent.
You say, which of the protestant churches can claim the title of The Church. None. Do not confuse us with being protestant, we are not Catholic, Protestant, Jew, Greek, Mormon, or any thing but what Christ called us, Christians.
You say, what is my belief? I believe that Jesus Christ is the Son of God, the living God, I believe that He died on Calvary's cross for the purpose that He gave himself, Luke 24:46,47, "Thus it is written and thus it behooved Christ to suffer and be raised from the dead on the third day: and that repentance and remission of sin be preached in His name among all nations, beginning at Jerusalem. In Jerusalem when the gospel of repentance and remission of sin was preached on the first day of Pentecost, Peter and the rest were asked (Acts 2:37) "men and brethren what must we do?" And verse 38 Peter said, "repent and be baptized, every one of you for the forgiveness of your sins, and you shall receive the gift of the Holy Spirit."
Paul said Galatians 3:27 "For as many of you have been baptized into Christ have put on Christ." This is one of many scriptures that make me believe that when I am baptized into Christ, I have put on His body and as the scriptures says, Col. 1:18 "and he is the head of the body, the church," so I am in His Church. Again, Col. 1:24, "for His body's sake, which is his church."
I believe that Christ is the head of the church because Paul said, Eph. 1:22,23 "and gave him to be the head over all things to the church, which is his body."
This again is reason for universalism in the Church of Christ, for we are the only church in all the world that has no other doctrine or creed, or method of worship but the Holy Bible. The Bible is the word of God, and the word is Christ, John 1:14 "and the word was made flesh, and dwelt among us, (and we beheld His glory, the glory as of the only begotten of the Father) full of grace and truth."
You say that you are happy in your religion. You would not have written to me if you were happy. You are in doubt and that is not of faith. You would not ask to hear the answer to your questions if you were satisfied. You are not saved and even nature itself tells you this. Come to Jesus my friend, and he will save you. I as a servant can do no more than teach you the Word and baptize you into Jesus name for the forgiveness of your repented sins, where you will receive the gift of the Holy Spirit, but you have to do the work, it is your soul.
My door is always open to those who desire to know Christ.
Ben Perkins, Box 1008, Sonora-Texas. (Adv.)

Just Arrived

Captain and Mrs. John Dan Eaton of Fort Hood are parents of a daughter, Terissa Lee, born November 21. She weighed 6 pounds and eleven ounces.
Mr. and Mrs. John Eaton are the paternal grandparents and Mrs. J. D. Eaton of San Angelo is the paternal great-grandmother.
HOWELLS HOLIDAY GUESTS
Dr. and Mrs. J. F. Howell will have their children, Mr. and Mrs. Jack Allen, Kay, Nancy, Suzanne and Brent of Perryton, and Dr. and Mrs. J. F. Howell, Jr., Jack, Clem, Lesley and Henry Smith of Amarillo for the Thanksgiving holidays.
The family will all be here except for their son, Charlie, who will be on a field trip off the coast of California with the Texas Tech Biology department group.

Your Questions on the Draft . . .

Editor's note: Below are questions now being asked at draft boards. The answers are by Col. Morris S. Schwartz, State Selective Service Director, 209 W. Ninth St., Austin, Texas 78701. He will welcome your questions.

Q—Recently I married a widow with a child. At the time of our marriage I had a II-A occupational deferment. Should I now be reclassified by my local board?

A—Yes, if you are maintaining a bona fide family relationship in your home with the child, provided you're not a physician, or one of certain other medical specialists,

or a student deferred in II-S after June 30, 1967. If you qualify for both III-A and II-A, II-A will take precedence.

Q—I have been ordered to report for a preinduction examination by my local board. What is the minimum time I have before being inducted?

A—You get at least 21 days after your local board mails you a Statement of Acceptability (DD Form 62), which your board sends you after your examination. You may get more time, of course.

Q—When I reach my 18th birthday this month, I will be in college 500 miles away from home. Must I go home to register?

A—No. You may register at any of more than 4,000 draft boards throughout the country. Consult the telephone directory, or the college registrar's office to find the address of the board nearest you. By calling at that board and giving your home address, you may complete your registration card, which will be sent to the board having jurisdiction over your home. This will always be your local board.

OUTDOORS IN TEXAS

BY VERN SANFORD

Some people say they don't care for venison. Complaint usually is that they do not like the "gamey taste."

Most people blame the meat itself, rather than the way it is handled or prepared.

When fixed correctly, venison is delicious, and most people find it difficult to tell the difference between it and beefsteak.

Many factors are involved in preparing venison that is delicious. In a booklet titled "Wild Game Care and Cooking," put out by the Texas Agricultural Extension Service of Texas A&M University, it is pointed out that "the success of cooked game depends to a great extent on the treatment the animal received when killed."

Deer should be dressed immediately after the kill. The longer the shot-up innards remain inside the cavity, the more tainted the meat becomes.

kin on the carcass to protect the meat from contamination until it is butchered.

When taking the deer carcass home, do not expose the meat to motor heat or exhaust fumes. Wrap the meat loosely and transport it on top of the car, the bed of a pick-up truck or the car trunk.

As for cooking, the authors explain that young and tender game is best cooked by dry heat such as roasting, broiling, pan-broiling and frying. Dry heat preserves flavor and insures tenderness. Basting with additional fat may be necessary if the meat is lean.

Old and less tender game is best when cooked by moist heat such as braising, stewing and simmering. Swiss steaks and pot roasts are cooked by braising. Add a small amount of liquid to the meat which is cooked in a covered container. Stews, fricasses and boiled game are prepared by simmering (not at boiling point) in hot liquid which partially or completely covers the meat. With moisture, the high temperature necessary to soften the connective tissues can be obtained.

One recipe from the booklet (which, incidentally, can be obtained from your county agent) is for venison swiss steak. To prepare this dish, you'll need 1 and one-half pounds round venison steak, three large onions, one medium stalk celery, one cup tomatoes, two tablespoons Worcestershire sauce, and salt and pepper.

The steak should be about 1 1/2 inches thick. Dredge with flour and season with salt and pepper; brown in fat on both sides. Add the other ingredients. Cover tightly and cook at 350 degrees F. or over low heat on top of range until tender (about 1 1/2 hours). Remove meat to platter and make a gravy from drippings in the pan. Serves four.

Most people simply gut the deer, wash it out thoroughly and hang it in a convenient place until it can be taken home or to a locker plant.

Authors of "Wild Game Care and Cooking" recommend the following things to improve the quality of wild meat:

Cut away all tainted or mutilated portions of meat. Do not wash the carcass. To clean, wipe the carcass with a clean cloth. Remove hair and any debris that adheres to the meat. Skir and quarter the carcass for more rapid cooling, if possible. Otherwise, do hang the carcass outside at night and wrap it in a large sack, tarp or game bag in the shade or indoors during the day. Protect the meat from flies and moisture. Many hunters prefer to leave the

Austin Firm Gets Highway Contract

Contracts for highway construction projects in the San Angelo district have been awarded by the State Highway Commission at its October meeting, according to District Highway Engineer J. A. Snell.

Grading, structures, flexible base and two-course surface treatment will be done on 6.8 miles of US 277 in Sutton County from south of Sonora to the Edwards County Line. The contractor is Werneburg Construction Co. of Austin with the low bid of \$561,909. The project will take approximately 160 working days for completion and will be under the supervision of Resident Engineer Robert A. McCulloch of Sonora.

How much corn in a cornfield?

Bobby was raised in the city. It wasn't until recently that he had ever set foot in a cornfield.

Oh, he'd seen hundreds of cornfields from the window of a speeding car. And, shopping with Mother at the market, he'd seen the golden ears peeping through their green jackets.

But when we visited the Stoner's farm Bobby actually set foot in a cornfield. And Bobby looked at our host as though he were a millionaire.

"Gosh, Mr. Stoner," he said, "God sure gave you a lot of corn."

The other day we had a note from the Stoners inviting us to have Thanksgiving dinner with them.

"Please bring Bobby along," they wrote. "He helped us appreciate just how much corn there is in a cornfield—and where it comes from."

World's Fare

By Wick Fowler
Denton Record-Chronicle
News analysts say Korygin and Castro had a disagreement during their Havana talks. Probably be-

cause Castro demanded more powder for his muskets. Really, senator, the cost of cutting back the high crime increase should be charged against the U.S. Supreme Court Budget.

The cost of living index is going out of sight this winter, now that the deer season has been extended two days.

The housing cabinet officer says cities are in danger of folding up. Unless, of course, they get a lot more folding money.

Why not name LBJ's 10 per cent surtax the minitax? It's pretty high.

The Justice Department believes it is not a violation of law to advocate overthrow of the government until the job is completed.

The proposed tax surcharge is merely a tax on taxes—and not the taxis you ride in.

Looking Back

By Sonora Motor Co.

JOE HULL (left) and all of his Pennsylvania relatives pause at this season of Thanksgiving to wish to you and yours the best of everything. Sonora Motor Company is proud to be of service to the fine people of Sutton

County, furnishing them with Ford cars and trucks and genuine Ford parts and service. Next time you are in the market for a new car or truck be sure to come to the friendly folks at Sonora Motor Company.

HONORS FOR THE BIGGEST BUCK reported in Sutton County thus far go to Dave Beckham, 14, of Richardson. Young Beckham took the deer with one shot on the Bill Stewart ranch. The animal weighed 132-pounds, field dressed, and sported eight point antlers. Dave was hunting with father, Joe Beckham

Legal Notice

Public notice of the requirements for recordation and limitation of certain claims of water rights.

Notice is here given as required by Section 4 of the Water Rights Adjudication Act of 1967 (Article 7542a, Vernon's Civil Statutes) that all claims of riparian water rights, all claims under Article 7500a, Revised Civil Statutes of Texas, 1925, to impound, divert or use public waters for other than domestic and livestock purposes for which no permit has been issued, all

claims of water rights under the Irrigation Acts of 1889 and 1895 which were not filed with the State Board of Water Engineers in accordance with the Irrigation Act of 1913, as amended, and all other claims of water rights other than claims under permits and certified filings, must be recorded with the Texas Water Rights Commission. Section 4 does not apply to use of water for domestic and livestock purposes as the same is defined by Commission Rules.

On or before September 1, 1969, every person claiming any water right to which Section 4 applies shall file with the Commission a sworn statement setting forth the nature of the claim of water right. Claims to which the Section applies shall be recognized only if valid under existing law and only to the extent of actual application of water to beneficial use without waste during any calendar year from 1963 to 1967, inclusive. However, in any case where any claimant of a riparian right has prior to August 28, 1967, commenced or completed the construction of works designed to apply a greater quantity of water to beneficial use, such right shall be recognized to the extent of the maximum amount of water actually applied to beneficial use without waste during any calendar year from 1963 to 1970, inclusive; provided an additional sworn statement is filed on or before July 1, 1971. Failure to file the sworn statement or statements in substantial compliance with Section 4 shall extinguish and bar any claim of water right to which the Section applies.

Instructions and forms for recording claims may be obtained without cost from the Texas Water Rights Commission, P.O. Box 123-96, Capitol Station, Austin, Texas 78711.
Joe D. Carter, Chairman

THANKSGIVING

1967

A time to pause and say "Thank You"

Our Pilgrim Forefathers conceived Thanksgiving as a day to stop and take stock of all the good things in life. They had, as we do today, a constant threat of upheaval. They too were beset by problems—economic, political—big and small—but they found time, once each year, to thank God and thank each other for all the good things they enjoyed.

We at the First National Bank of Sonora are thankful for the city, state and nation in which we are privileged to live.

We are thankful, for the opportunity we have of being a part of a thriving community and for you, our friends and customers, whom we are privileged to serve. We pledge our continued efforts to be worthy of your patronage.
