

BRONCO END DENNIS SCHMIDT (left) and Eagle end Bradley dance around a loose aerial in the regional championship game Saturday. The pass, thrown by J. V. Cook to Schmidt, was deflected by Bradley and fell incomplete. Photo by Stockton

ED LEE RENFRO SCAMPERS for a short gain early in the Sonora-Seagraves tilt behind the blocking of Mark Jacoby. Renfro was injured and sat out two full quarters. He saw little action in the fourth quarter and with injuries to fullback Mike Gosney and Richard Perez the Broncos were unable to score.

SEAGRAVES WINS 21-0

Broncos Finish Season With Loss to Seagraves

The Sonora Broncos drive for another Class A State Championship night in San Angelo's Bobcat Stadium by the Seagraves Eagles. Early in the game it was evident that the Broncos were to be plagued by defeating injuries.

The most costly injury was the loss of all-state halfback Ed Lee Renfro. Renfro suffered an injury to his left ankle on one of his first carries of the game. The injury kept Renfro out of the game for two full quarters and nullified his offensive attack for the night.

Fullback Mike Gosney received a bad knee injury and End Richard Perez suffered a hip injury. Loss of key players gave the Seagraves Eagles the needed edge to blank the Broncos 21-0 in the regional contest.

The Eagles strong offense gained 287 yards rushing and were the possessors of the football and the clock throughout the battle. Linebacker Jim Pillow was a great threat to J. V. Cook's passing. Sonora managed only seven first downs and 79 yards rushing in the contest. Mike Bagley the 200-pound Eagle fullback was a threat to the Bronco defense as he managed to gain yardage when it was needed for the Seagraves team.

The first score for Seagraves came after 15 plays and 80 yards of driving through the Bronco defense. This drive took six minutes of playing time in the first quarter. Halfback Dean Allen ran into the end zone from eight yards out after six seconds of the second quarter had elapsed. Bagley had picked up 35 yards to keep the touchdown drive going.

The second Eagle touchdown was set up by Jim Hoover with a punt return of 70 yards. Mark Jacoby stopped Hoover at the 20-yard line to halt the touchdown. Three plays later, however, Bagley went over for the touchdown from 4 yards.

Playcourt Finished

Construction on the outdoor playcourt at L. W. Elliott Elementary School has been completed and is now in use. According to principal Gary Gardner the area is suitable for basketball, volleyball, shuffleboard and tennis.

Mike Gosney fumbled the kickoff at the 27-yard line. The ball was recovered by Harley Bradley at the Sonora 31 with 2:12 showing. Erasmo Lumbreras then intercepted Seagrave's first pass of the contest at the 10. Seagraves was able to mount up a 14-0 margin in the first half of play.

Monte Dillard recovered a Seagraves fumble at the 20 to set up the Broncos deepest penetration of the second half. Barrera was unable to gain yardage before Renfro gained four yards to the 16. He then moved to the 13 to set up a fourth and three yard situation.

Basketball Begins

Basketball season will come to Sonora's Broncos on the heels of football season.

The first season game will be played by the junior high team against Ozona December 4 in Ozona. High School competition will begin December 12 with the Broncos meeting Brady there.

Game times will be 8 p.m., for the varsity games and 6:15 for B-team games. The seventh grade will begin their games at 5:14 p.m., followed by the eighth grade competition.

The first tournament will be San Angelo's BCD tournament December 23-29.

A complete basketball schedule will be published later.

Mohair Recieves Renewed Attention

Mohair is drawing renewed attention in the Boston and East Coast textile trade, Al Dishman of Uvalde told the Mohair Council of America executive committee in San Angelo. Dishman, council vice president, had just returned from a fact-finding trip to mills and fashion centers.

"Mohair is in the clothing lines for fall and winter of 1968," he said. "Practically every mill that can use mohair is attempting to do so."

He found many users "cautiously optimistic" about mohair's possible resurgence from a low-price situation that has brought economic difficulties to Texas Angora goat raisers. A large tonnage of Texas mohair has been sold in recent weeks, though at prices most growers would consider greatly depressed. Dishman said the Council's promotional activities have helped call attention to the quantity and competitive prices available.

"I found people up there talking mohair who haven't spoken the word in years," he commented. "We've at least stirred them up."

The council's funds come from mohair producers themselves through a 1 1/2-cents-a-pound deduction from their mohair incentive payments.

Methodist Home Stock Donations Being Accepted

Pat Reardon points out that this time of year the First Methodist church puts on a drive for funds for the Methodist Mission and Methodist Children's Home in Waco. Arrangements have been made for Sonora Livestock Exchange Co. to accept donations of spare sheep, goats, and livestock, sell them without commission, and turn the money over to the fund.

Reardon said that ranchers who would prefer to make a contribution of livestock rather than money, this would be a convenient way to donate toward the Methodist charities.

Cook's pass went incomplete and Seagraves controlled the football.

A fumble two plays later gave Sonora another chance. But the offensive try failed as four incomplete passes fell to the ground.

The Eagles then gained the football and lost no time in making their last addition to the scoreboard.

The final score of the night came after a 65-yard touchdown drive with 8:30 left in the game.

Fullback Bagley carried for 13 yards and halfback Francis aided with 26 yards. Halfback Dean Allen then broke for 27 yards and the touchdown. The third of three P.A.T. attempts was successful and Seagraves led with 7:10 left in the ballgame.

Seagraves will go on to meet Sudan for the quarter-final championship.

Road Construction Begins in Sulton

The Texas Highway Department has announced a construction project on U. S. Highway 277, from 1.4 mile south of Sonora to Edwards County line (sections), a distance of 6.5 miles. The construction consists of grading, structures, and surfacing.

The Texas Highway Department and the contractor, Werneburg Construction Co. of Austin, stated that construction began November 16, 1967 and will be completed by September, 1968.

R. A. McCulloch, supervising resident engineer, in charge of construction on this project, stated that traffic will be routed through construction and on short detours at structure sites. There will be adequate barricades and warning signs prominently displayed, but the motorists should be extremely cautious when passing through the area as it will be heavily traveled by large construction equipment.

A temporary speed zone of 40 m.p.h. will be established on the project. Cooperation of the public is requested in obeying all traffic signals and warning signs.

Sonoran Named To "Who's Who" For Colleges

Carla Whitworth, a Sonora High graduate, is among 38 students named to represent North Texas State University in the 1968 edition of "Who's Who Among Students in American Universities and Colleges."

The honor group was selected from a student body of 14,589. Dr. J. J. Spurlock, vice-president of academic affairs, announced last week.

They earned the honor on the basis of high scholastic standing and participation in activities such as student government, publications, debate, music, art, drama, athletics, ROTC and campus organizations.

Miss Whitworth, daughter of Mr. and Mrs. Colon L. Whitworth, is a junior government major. She is a member of Zeta Tau Alpha, national social sorority; Debate Club; and Pi Kappa Delta, national forensic society. She is also a member of Meritum, senior women's honor society.

Linda Sue Smith, daughter of Mrs. and Mrs. Joe Neil Smith, returned home this weekend after a short visit with her grandparents, Mr. and Mrs. Gordon Smith of San Marcos.

BUTLERS VISIT HERE

Thanksgiving guests in the home of the Ralph Finkleas were her parents, Dr. and Mrs. D. C. Butler of Commerce and an aunt, Elizabeth Goodman of Greenville.

Soil Conservationist Outlines Importance of Farm-City Week

by E. B. Keng, SCS Technician

The designation of a National Farm-City Week emphasizes the interdependence of rural and urban people. The importance of this relationship is growing rapidly, with the tremendous increase in population.

Only seven per cent of today's 200 million people live on the land. The contribution of this seven per cent to the welfare of the nation

is enormous, and far out of proportion to the small number of rural people. Most of the nation's food and shelter and much of its clothing is produced on farm and ranch land.

A new demand on the land — recreation — is growing rapidly, paralleling the population explosion. Pollution of air in many large cities is increasing the recreation pressure from people who want to get out on the land to enjoy fresh air and the beauty of nature.

The increased emphasis on rural-urban interdependence places greater responsibility on farmers and ranchmen to apply needed soil, water, plant and wildlife conservation measures. Rural and city people alike benefit when natural resources are protected and used wisely.

Most conservation practices in the Edwards Plateau soil and water conservation district directly benefit wildlife, particularly through improved food production. Ranchmen are encouraged to leave adequate brush cover for deer and turkey by selective cutting and leaving lanes or corridors for wildlife protection.

Sonoran Named Heart Chairman

Mrs. E. D. Shurley has been appointed chairman of the Sutton County Heart Association it was announced today by Dr. Julian H. Acker, president of Texas Heart Association. She operates the Ruth Shurley Jewelry and is also a rancher.

Mrs. Shurley said she thinks it important to acquaint the citizens of Sutton County with the availability of educational films, pamphlets and community services through the Heart Association. Also services will be available on a year-round basis and she would welcome volunteers who wish to participate.

February of 1968 will be Heart Month and Heart Sunday will be observed as the high point of the month-long Heart Fund campaign. Proceeds are used to support research, educational and community service activities of the Sutton County Heart Association, the only voluntary health agency devoted exclusively to heart and circulation which are responsible for more than one-half of all deaths in this county.

Mr. and Mrs. W. L. Fisher spent the Thanksgiving holidays in Alpine with Denzel and Linda Fisher.

Gary McGilvray, sophomore University of Texas student, was home for the holidays.

FINKLEAS HAVE GUESTS

Recent guests of the Lawrence Finkleas and Ralph Finkleas were Mr. and Mrs. Ralph Finklea Sr. of Raymondville.

Thousands of farm ponds constructed over the nation benefit waterfowl, as well as making an important contribution to recreation with fish production and picnicking sites. Farm windbreaks, strip cropping, and wildlife food plantings improve habitat conditions for game birds in many farming areas.

Soil Conservation Service technicians are working with owners and operators of agricultural land to encourage wise and productive use of soil, water and other renewable resources. The importance of an economically sound family-farm agriculture and a beautiful countryside is emphasized by the designation of Farm-City Week.

Soil Conservation Service technicians are working with owners and operators of agricultural land to encourage wise and productive use of soil, water and other renewable resources. Sonora's 'Oldest' Minister, Arno Melz, Accepts Ministry of Iowa Church

Sonora's "oldest" minister has accepted a new position as minister of Christ Lutheran Church in Waterloo, Iowa, and will deliver his farewell service at Hope Lutheran Church here December 10.

On the offensive first team were Perez, Renfro, Tom Trainer, Bill Green and Mike Gosney. Monte Dillard and Ernest Barrera were named to the second team.

Defensive players are Perez, Renfro, Monte Dillard, Royce Mearns and Manuel Sanchez.

On the second team defensively are Tom Trainer, Mike Gosney and J. V. Cook.

Ten Broncos Make All-District Team

Sonora's bi-district champion Broncos have posted 10 players to the All-District team.

Nino Perez and Ed Lee Renfro were named to both the first team defensive and offensive unit.

On the offensive first team were Perez, Renfro, Tom Trainer, Bill Green and Mike Gosney. Monte Dillard and Ernest Barrera were named to the second team.

Defensive players are Perez, Renfro, Monte Dillard, Royce Mearns and Manuel Sanchez.

On the second team defensively are Tom Trainer, Mike Gosney and J. V. Cook.

CINDERS

by Jim Barnett

Citizens with a desire to air their opinions often turn to the local newspaper and their letter to editor column for wide-spread results.

A letter to the Houston Chronicle recently expressed the writer's opinion on many subjects. The writer, Elton Wilborn Sr., titled his letter "How Nice it Will Be When . . ."

Wilborn wrote, "The hippies will bathe, Castro will discover the razor, Nasser will have dinner with Moshe Dayan and the Russians will take up golf."

"Governor Wallace and the top klansmen will join the NAACP, the Black Muslims will join the Council of Churches, Ramblers will outsell Chevrolets, Governor Connally will be buddies with Senator Yarborough and De Gaulle will praise the United States."

"West Point will be co-ed, helmets will leave something to the imagination, TV commercials will be quieter, Ed Sullivan will retire and Marshall Dillon will marry Kitty."

"Drivers will learn courtesy to others, school administrators will learn that haircuts don't deter the ability to learn and college students will learn that a university has a faculty and staff to run the school so they can devote their time to books, girls and the cafeteria."

Now that's what I call a letter to the editor.

Artist to Exhibit At Woman's Club

Franklin Walker, artist, of San Angelo, will have a private showing of his pictures for members of the Sonora Woman's Club at their meeting Thursday, December 7.

Mrs. Lowell Hankins of Rock-springs will be the guest speaker at the meeting and the Christmas theme will be carried out in the program and decorations.

Mrs. Bill Morriss, president of the club, says that Walker's paintings will be shown to the public at the Club Library on Saturday, December 9 from 2-5 p.m.

COURT OF HONOR participants in the November 21 Boy Scout program at the First Methodist Church are (first row) Dennis Dean, Alan Thorn, Teddy Coker, Ted Turner, (second row) Bradley Thorn, Jim Hoover, Dennis Tate, Sam Thompson, Tryon Fields, Taylor Jones, (third row) Joe Ray Wilson, Glenn Pettiet, Mike Richardson, Bill Thompson, Bobby Humphreys, and Horace Humphreys.

The Fading West Texas Town

Some 270 towns in West Texas will simply fade from the map within the next 15 years. The estimate is shocking to think about, but has been studied by people who know about the growth trends, and lack of them, of towns in Texas.

The average citizen may breathe deeply and say, "I wonder which towns they are talking about, because I'm sure mine won't be one of them." The fact is it could be any of the towns in Texas, including Sonora.

Poets Corner

"OLD BLUE"
 by Adele Doran

I rode into town on Wednesday afternoon
 Thought that I'd be going back home,
 And it'd be very soon.
 Don't know what I went for
 Know I never got it
 What I got was bang-up job
 And a hole in my pocket.

Old Blue, you ole cuss
 I'm gonna ride you or I'll bust
 Hold my charge, sure need some
 reins
 He got loose, but that cayuse I'm
 gonna ride.

He tried to throw me running
 The wheel was in my hand
 And then I seen it coming
 That ditch was right at hand.
 Stopped at Pappy John's
 Thought I'd have a quick beer or
 two
 But I couldn't drink it for the mud
 Had me covered through and th-
 rough.

Woke up in the Shannon
 Feeling kind of hurt
 Couldn't figure what was wrong
 Until I saw a nurse.
 Saw four good-looking doctors
 Running all around
 As it turned out they all were mine
 And I was four floors off the gr-
 ound.

Poor old Blue's in the junkyard
 And I'm due back in surgery
 Guess they'll get me all patched
 up
 In two weeks or three.
 But I've still got ole Green
 Hope he rides better than Blue
 Give me about another week
 And I'll be seeing you.

DATES AND EVENTS FROM YESTERYEARS

December 5, 1857
 Engineering personnel of the SCS flood prevention planning unit at Brownwood were in Sonora this week making preliminary examination of possible structure locations on Dry Devil's River.

Sutton County agent D. C. Langford has been named assistant superintendent for the sheep, goat, wool and mohair department of the San Antonio Livestock Show.

The 1957 Bronco basketball team started off the season with a boom here Thursday, defeating Christoval 37-27.

December 5, 1947
 R. A. Halbert was named president of the newly chartered Lillian M. Hudspeth Hospital corporation at a board of directors meeting Monday at First National Bank.

After a week of moderately cool and cloudy weather, a strong south wind brought in .33 inches of rain to the north and south portions of town.

B. M. Halbert Jr., has been elected president of the Sonora Park Association. W. L. Miers will serve as vice president.

December 3, 1937
 With Sutton County rainfall for the year less than half of that in 1936, the month of November failed to help much in bringing the precipitation record to the 1936 mark of 27.97 inches.

Work on the improvements to the City water system expansion will begin December 10.

Sam Hull, Ford dealer, expects to receive today or tomorrow the 1938 Ford V-type models.

65 Years Ago
 R. F. Halbert bought from W. S. Butler of Crockett County 900 sheep for \$2 a head.

Leo Callan of Menardville, the society man of the Callan family, kept up his record as a masher while in Sonora. The girls think he is so pretty. Poor things.

Sim White bought Jeff Russell's Wolf Water Hole ranch and well for \$1000. The deal included the lease on 212 sections of land.

Mr. and Mrs. Roy Swain of Houston, Jim Ray (Butch) Baker of San Angelo and Mr. and Mrs. Lonnie Boyd and son, Danny, of Menard spent the Thanksgiving holidays with Mr. and Mrs. Lewis Stockton and Austin.

Just back from a week-long vacation on Lake Buchanan are the E. I. Brownings.

A PARSON'S EYE-VIEW OF SONORA

BY THE REV. ROSS T. WELCH

The winning streak had to end somewhere, so it ended Saturday night. Several thousand fans were disappointed, some—who had bets riding on the outcome—were more than disappointed. Some of our outstanding players were injured. Yet it was not all bad.

I never felt a deeper sense of admiration and appreciation for the Bronco football team than I did for our boys Saturday night. With their key men sidelined and their offensive thrust blunted, they continued to play heads-up football until the whistle blew to end the game.

Few schools will ever match the record the Broncos and their coaches have gained the past three years: one perfect season, advancing to regional play-off the other two seasons; losing only three games; placing a number of players on all-state and all-district rosters; and sending graduates up to various colleges to take their places among the best.

The community salutes you and wants you to know we are proud of you and of your record and of the recognition you have brought to Sonora.

Now, we can turn our minds to basketball. Since we are initiating a beautiful new gymnasium and a brand-new basketball coach, we hope we do as well in this sport as in football.

I have heard that J. V. has already received an offer to attend one of our outstanding military academies on a basketball scholarship. That is pretty good, remembering that J. V. had to spend most of his junior year basketball on crutches.

I get amused at these advertisements that brag about cigarettes that are 101 millimeters long and last for seven minutes. I want to tell you about a cigarette that was much shorter, but has lasted nearly fifty years.

When I was six years old and in the second grade I undertook the manly (I thought) art of learning to smoke cigarettes. No one in my family smoked so I had no ready access to smoking tobacco. I settled for a cheap and available substitute—cedar bark.

One afternoon in the winter of that school year, Albert Martin, who later lost his life at Pearl Harbor, and I were walking home from school through a pasture belonging to Albert's grandfather. Our older siblings were walking down the road a quarter of a mile away.

It looked like a favorable time to take a smoke. We tore cigarette papers from our school tablets, got cedar bark from a fence post and shredded it between our fingers, rolled it all up and pasted it with generous portions of saliva.

The wind was rather brisk and lighting the soggy smokes presented a problem. We were also short on matches. Several matches fizzled and blew out in the wind. We were down to our last match and a little desperate when I conceived a brilliant idea.

Buffalo grass grew in bunches several inches high all around and since it was after frost, the grass would burn like a torch. Why not use our last match to set a tuft of grass on fire, light both our cigarettes—then stomp out the fire?

We dropped our knees, dropped a blazing match into a bunch of dry grass and proceeded with the difficult task of trying to light damp cedar-bark cigarettes in the illusive flames of the burning grass, without at the same time setting our clothes or hair on fire.

Before we realized what was happening, the wind caught the flames and they were racing across the prairie. My heavy mackinaw coat that had felt so good when we started forth at dawn was tied to my book satchel. I grabbed it up and started fighting the flames.

If we had both worked at it, I think the two of us could have extinguished the fire in a short time, but my companion was crying and running toward his grandfather's house. Fortunately my older brothers saw my predicament and came running to assist me in beating out the prairie fire after only two or three acres were burned.

I expected a good whipping when I got home, for my mother was not one to spare the rod. But she knew when to whip and when not to whip. This time she talked to me very quietly and sincerely about the cost and the danger of smoking. "Before you form the habit," she suggested, "why don't you resolve not to smoke any more?"

That was good, sound, practical advice. It has saved me hundreds of dollars, hundreds of hours of time, a cigarette cough and possible lung cancer. My smoking friends may out-live me, and they may have many lovely things, purchased with coupons from their packs of cigarettes; but I shall always feel that Providence did me a good turn in providing an impressive demonstration that nipped my smoking career in the bud.

It was not very long, it did not have much quality, I am not sure I ever got it lighted, but that cigarette has lasted nearly fifty years.

I have never lighted another cigarette for myself.

Hope everybody enjoyed the turkey hash.

I have decided dentists are a lot like prospectors, when they start digging, they are looking for gold.

I have several small New Testaments in Spanish, ordered during the week of the Bible display by a lady whose name I have misplaced. Will someone please clue me in so that I can make delivery.

CLASSIC GUIDELINES

Do live in hearts we leave behind is not to die.

Mrs. Cleve Jones Jr. entertain- ed the Saturday Night Bridge Club in her home. Members present were Mr. and Mrs. Harold Friess, Mr. and Ms. Howard Kirby, Mr. and Mrs. E. B. Keng, Mr. and Mrs. A. E. Prugel, Mr. and Mrs. Edwin Sawyer and Mrs. E. D. Shurley. Mrs. A. C. Elliott was a guest. E. B. Keng won high for club, Harold Friess won the travel- ing prize, Mr. and Mrs. Prugel both won bingo prizes and Mrs. Elliott won the guest prize.

Tuesday Night Bridge Club

Mrs. Bob Vicars entertained the Tuesday Night Bridge Club in her home, November 21. A salad plate was served. Club members pre- sent were Mmes. W. O. Crites, Arthur Carroll, Cleve Jones, Jr., L. W. Johnson, Jr., E. D. Shurley, R. A. Halbert, Louie Trainer, Belle Steen, P. J. Taylor, Earl Duncan and Ernest McClelland. Guests were Mmes. Frankie Gibson, Eul- lah Newell, Pauline Thompson, George Wynn, Collier Shurley and E. H. Brown of Anna. Mrs. Mc- Clelland won high for club, Mrs. Gibson won high for guests, Mrs.

Carroll won the slam prize, Mrs. Johnson won bingo for club and Mrs. Collier Shurley won bingo for guests.

—HMc—

Cleve T. Jones III was home visiting his mother, Mrs. Cleve T. Jones Jr. over the Thanksgiving holidays.

Miss Carla Whitworth visited her family, Mr. and Mrs. Leroy Whit- worth, Stephen and David and her grandparents, Mr. and Mrs. Hub Hale over the holidays.

Gil Trainer was here for the holi- days from T.C.U. visiting his par- ents, Mr. and Mrs. James Trainer.

Wade Stokes was home from A.S.C. visiting his family, M. H. Stokes, M. M. Stokes and his grand- mother, Mrs. Lucille Hutcherson.

Mrs. Sim Glascock left Wednes- day for McAllen to visit her son and family, Mr. and Mrs. Wilborn Glascock, Mary Lu, Bonnie and Bobbie.

Mrs. Miers Savell returned Fri- day from Colorado where she has been visiting her daughter and family, Mr. and Mrs. Charles Shan- non, Matt and Savell.

—HMc—

Mr. and Mrs. Calvin Van Hoozer, Mark, Tammy and Marla were in Kerrville visiting Calvin's family over the holidays.

Mr. and Mrs. Buck Bloodworth and Tra Park of Dallas visited Buck's parents, Mr. and Mrs. L. P. Bloodworth, Bert and Lee over the weekend.

Mr. and Mrs. Bob Nevill of Fort Worth were visiting their parents over the Thanksgiving holidays.

Mrs. Jack David Wardlaw of San Angelo visited her mother, Mrs. L. E. Johnson Jr. and Mr. and Mrs. Mack Cauthorn over the week- end.

Mr. and Ms. Harold Garrett were in San Angelo this weekend visit- ing their daughter and family, Mr. and Mrs. Glen Swafford, Carter and Garrett.

Mr. and Mrs. Roy Cooper of Junction and Miss Debbie Cooper of Houston visited Mr. and Mrs. Alfred Cooper and Mr. and Mrs. Dave Locklin over the holidays.

Mr. and Mrs. Penn Baggett of Austin visited her father, Dan Cauthorn over the holidays. Thank- s-giving day they all went to Rankin to have Thanksgiving dinner with Mr. and Mrs. Charles Aiken.

Mr. and Mrs. Curt Schwiening of Junction and Airman First Class Curt Schwiening Jr. visited in So- nora Saturday.

Moore, Allen Set Annual Production Angus Bull Sale

Two hundred Angus bulls, 18 to 30 months old, will be offered be- ginning at noon, December 4, at Producers Livestock Auction Com- pany in San Angelo when Moore's Ranch of Eldorado and Herman Allen of Christoval hold their sev- enteenth annual Angus bull pro- duction sale. Otis Deal is guest consignor.

Allen says that the bulls were raised in West Texas and devel- oped in rocky pastures. This, he says, assures the producer of bulls ready for service. Breeding of the ani- mals has a 20-year background of culling for top producers, and the animals are guaranteed to be sat- isfactory breeders.

Following the bull sale 135 regis- tered Angus heifers will be offer- ed. Most will sell open, though a few will have calves by sale date. All heifers will carry the same breeding as bulls offered in the sale.

"Gleaners" Class Meets at Nances

The Gleaners Sunday school class of the First Baptist Church met November 21 at the home of Mrs. Cleveland Nance. Assisting Mrs. Nance as hostesses were Mrs. Nolan Johnson and Mrs. Leon Neely. Mrs. Rip Ward gave the devo- tional and after the meeting re- freshments of pumpkin pie, apple pie and chocolate cake were served. Other class members at the party were Mmes. E. B. Keng, David Williams, Pete Thompson, J. W. Sutton, Horace Hill and Joe Neil Smith.

Mr. and Mrs. David L. Smith, Lesa and Beth of Corpus Christi, John David Fields of Georgetown and Ronnie Croom of Houston were guests of Mr. and Mrs. John Fields during the holidays.

Just Arrived

Mr. and Mrs. Joe Preston Neely are parents of a son, Joe Preston Neely Jr., born November 26 in Port Arthur. The baby weighed 6 pounds thirteen ounces.

Mr. and Mrs. Edwin Sawyer are the maternal grandparents and Mr. and Mrs. Preston Neely are the paternal grandparents.

Seventeenth Annual

Angus Bull Production Sale Producers Livestock Auction Company

December 4, 1967
San Angelo, Texas
12:00 Noon

This year we will offer 200 Angus Bulls, all 18 to 30 months old, raised in West Texas and developed in rocky pastures, which assures the producer of bulls ready for service. Breeding of these bulls cannot be excelled anywhere, for we have over the past 20 years, culled our cow herds for top producers before mating them with herd bulls from the best blood lines in the United States. We invite you to see them and make comparison. They are GUARANTEED to be satisfactory BREEDERS.

Moore's Ranch
Eldorado, Texas

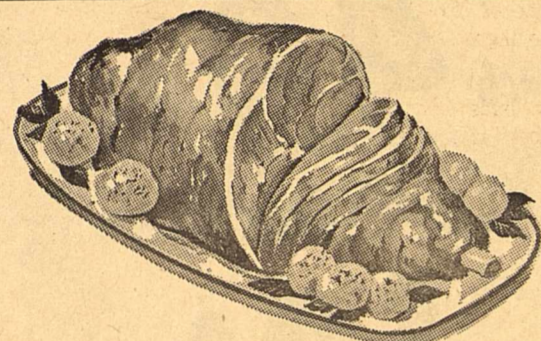

Herman Allen
Christoval, Texas

Guest Consignor: Otis Deal, Mertzon, Texas

Following the Bull Sale we will offer 135 Registered Angus Heifers. Most of the heifers will sell open, though a few of them should have calves by sale date. All of these heifers carry the same breeding as bulls offered in the sale.

7-at-7 Club Meets at Joe Smith Home

Mr. and Mrs. Joe Neil Smith hosted the 7-at-7 Bridge Club November 18 in their home.

High club was won by Mr. and Mrs. Bill Savell. The traveling prize was won by Mr. and Mrs. Joe Lane and Mr. and Mrs. James Alexander won the bingo prize.

Mr. and Mrs. Jimmy H. Harris and Mr. and Mrs. Raymond Mittel of Eldorado, also attended the party.

The Smiths served pecan pie and coffee.

Teen Scene

by Georganne Schwiening

The Thanksgiving holidays sure did fly by. Here it is already report card time again. Report cards came out on Wednesday.

Last Wednesday night the Elks Club held a dance for the teenagers. It lasted from eight until twelve.

The Library Club is making plans for the Christmas dance they are going to have. It will be sometime in December.

Plans for the Peppermint Ball are also getting underway. It will be December 29 and will last from 8 until 12. Leonard King will play for the dance.

Articles for the school paper were supposed to be turned in Monday.

There were several college kids at the game Saturday night. Among the ones who were there were Eddie Howell, Prissy Howell, Mike Wuest, Jimmy Trainer, Jim Fish, Ray Glasscock, Anita Bassham and Bert Bloodworth.

I also saw several kids in Sonora during the holidays—Louis Wardlaw, Eddie Sawyer, Al Letsinger, Robert Brown, Brent Johnson, Jan McClelland, Nedra Raye, Yvonne Young and Laney Cook.

The choir practiced on Tuesday and Wednesday of this week. They will sing at P-TA next Tuesday.

We are proud of our football team for going as far as they did.

We are also proud of our band for their halftime performances. Rhonda Hopkins performed and was a living doll.

Visiting Mrs. Rena Trainer during the holidays were Mr. and Mrs. Howard Peters, Tony Sue and Lana John of Kemah; Don and David Stallings of Pasadena; Mr. and Mrs. Jimmy Nunley of Rocksprings and Kenny Nunley of Ft. Worth.

Jim Barnett, Devil editor, visited his parents, Mr. and Mrs. James Barnett of Houston, and Mr. and Mrs. J. L. Hailey of Sealy over the holidays.

Kaye Ellis and her guest, Marcia Munsen of Austin, were here over Thanksgiving to visit Mr. and Mrs. Lea Roy Aldwell.

This Newspaper carries more local advertising than any other publication in the world.

Person-to-person... that's us! You and the Devil's River News.

EIGHTY-THREE SONS of Elegance 29 of Mangatoro (above) will be among the more than 150 service-age bulls on sale at the Alamo Angus Ranch's annual production sale December 6. The sale will be held at the ranch 8 miles west of San Antonio on U.S. 90 and will begin at noon. Catalogs are available from Jim Warnke, Rt. 9, Box 306, San Antonio, 78211.

How To Become A Christian

Dear Catholic Friend,

You ask which church is the early church. Answer: The only church spoken of in the Bible, the Church of Christ, the one founded on the name of the only begotten Son, the one who preaches the gospel of repentance and remission of sin by baptism in Jesus Christ name.

You ask what church took the place of your church if it is not the early church. Answer: None. The Church of Christ was founded on the word of God. Read Revelations 11.

Last week I gave you some history. If you will read farther into history you will find that the 1260 years which I spoke to you about in my last letter, mean that the two witnesses, which are the two testaments, the old and the new, will be persecuted for that period of time, 1260 years. Then the two testaments which testify of the Church will be killed and will lie in the street for three and one half years, meaning that the two witnesses, the word of God, will be refused for a period of three and one half years. After three and one half years it shall rise again with power and inspiration and shall be exalted to Heaven, and the city of sin shall be overthrown, meaning that the word of God will come back in power after three and one half years.

If you will read D'Aubine's Reformation Vol. 1, P. 42, you will find where in A.D. 533 Justinian, the ruler of the eastern half of the Roman empire world, the ruler of the countries where the Churches still protested against the arrogant claims of Rome, bestowed upon the Pope the title of Rector Ecclesiae, or Lord of the church, Justinian the ruler of the land in A.D. 533 gave title to the Catholic Church, not Christ or Peter.

Also if you will continue to read you will find that for exactly 1260 years from A.D. 533 to 1793 years there was a great war made against the word of God, the two witnesses, that ended in France in A.D. 1793, in which they decreed that France would not worship Gods by reason of Liberty. Atheism became the law of the state. This is the meaning of the verse 7, "and shall overcome them, and kill them".

Verse 11 "and after three and one half days (years) the Spirit of life from God entered back into them, and they stood upon their feet; and great fear came upon them that saw them". And so it was that this Atheist period only lasted for three and one half years and the French regained their senses and repealed their laws and Christianity became the state religion.

It was about this time that a great movement began to circulate the Bible. The Bible had been taken partly from the Catholics and parts had been found in various other ways and the truth was being spread through the world. This brings us to about the beginning of the Millennial 1000 years. We do not know whether this means exactly 1000 years or if in symbolic it means a year for a day. But we do know that the

other churches and the Kings of other nations will not have any power to rule over the Church of Christ for this length of time and that with the work of God and the Spirit of truth we will destroy the Beast and False Prophet.

As you said, some church must have been the right church because Christ said His church would endure and the Gates of Hell shall not prevail against it and that He would be with it until the end of the world. If you will watch, even now, you will see a great turmoil brewing in other churches and they are losing ground, but the Church of Christ is growing and overcoming the Beast and False Prophet very rapidly as the last census on church growth showed that the Church of Christ was nearly 5 percent in growth while the nearest church to us was a bare 2 percent.

Friend why not come to the Church of Christ, and go all the way back to the day of Pentecost and worship with us as the apostles did in the beginning. The Churches of Christ welcomes you.

Ben Perkins, Box 1008, Sonora, Texas. (Adv.)

LETTERS TO THE EDITOR

Dear Mr. and Mrs. King:
 My Uncle, Leslie Adams, of Brawley, Calif., told me of your special Jubilee issue dated August 19, 1965, which was \$1.50 at the time. I am very much interested in having a copy or two (whatever the \$3 enclosed will cover) as my father was Ica C. Adams and my grandmother and grandfather Alice and Charles Francis Adams.
 I visited Sonora as a child with my family and someday I hope to go there again. It was so wonderful to see the Jubilee issue and the wonderful writeup that you gave on our family and the part they played in establishing Sonora. I will be most grateful to you if it's possible to send me the papers as I think they will mean a great deal to my children as well as myself.
 Sincerely, Mrs. R. J. Crowley,
 1045 Cascade Drive, Menlo Park, California, 94025
 (Editor's note: Copies of the special 100-page Jubilee issue are still available for \$1 in our office or \$1.50 mailed anywhere in the U.S.)

Former Sonora Athlete, Eddie Howell Breaks Rushing Record at SWTSC

Former Sonora High School athlete Eddie Howell has come into his own as a varsity football player at Southwest Texas State College in San Marcos.

A freshman in eligibility, the 180 pound halfback broke a long-standing school record for yards rushing in a single game against East Texas State University at San Marcos recently.

Howell rushed for 192 yards in 17 carries to break the record of 181 yards set by SWT Bobcat Leo Chafin against Texas A&I in 1952. The record stood against all comers for 15 years before the stocky youngster bettered it during his first year on the Bobcat's varsity squad.

Last year, the former Bronco was red-shirted by Bobcat head coach Bill Miller in order to give Howell a year to mature and acquire more experience before he began his varsity career this fall.

This year, Howell has been playing in the number two spot behind all-Lone Star Conference back Reece Morrison.

Morrison was injured during the Bobcat's homecoming tilt against McMurry on October 23, and Howell has seen plenty of action while Morrison overcomes his injury.

Besides setting a new school record for rushing yardage during a single game, Howell exploded for three touchdowns on runs of 45, seven and 53 yards and ran for a two-point conversion following his last TD in the East Texas game.

Incidentally, the Southwest Texans won the match 48-26 and remain undefeated with a season record of nine wins and no losses. Presently, SWT is ranked No. 1 in the nation in NAIA.

For the year, Howell has a total of 355 yards rushing and has scored 38 points. He is second in total scoring behind David Morrison who has 103 points this season.

Howell's rushing average of 7.1 yards per carry puts him second to Davis Morrison again with a 7.2 average.

Miller has reportedly been grooming Howell to replace Reece Morrison who is a senior this year at the San Marcos school.

Majoring in physical education, Howell was a three-sport letterman for Sonora High School and was named third-team all-state in football as a Senior in 1965.

Card of Thanks

Your visits, cards, flowers and everything you did for me while I was in the hospital was very much appreciated. Thanks to the nurses and Dr. Howell for their good care.
 Mrs. Lillie Merriman 1p12

CANDLE IN THE NIGHT
 There is something about a candle . . . something about a flame . . . something about fire itself . . . that has fascinated man throughout the centuries. Despite the fact that you can translate fire, these days, into a known chemical formula, it is still a mystery, a wonder, and sometimes a fear.
 It is an elemental thing that this little girl is studying as she watches the candle flicker. And, like so many of the elemental things—like Nature itself, and like Faith, for that matter—it is awesome.
 Faith, too, is a mystery and a wonder. Yet the only fear that Faith engenders is the fear, deep within one's heart, that it might be lost.
 So that this essential ingredient of life does not elude you and does not diminish during misfortune, make it a habit of attending the church of your choice regularly. Here you will be given spiritual strength and inspiration and kindle the mystery of love and joy within your heart.

Congratulations Broncos

Bi-District Champions

Congratulations Broncos! Your teamwork and your devotion to the game of football has been a fine example of how a good team should work together. We have enjoyed following your progress during this exciting football season and extend our congratulations on such a successful record of accomplishments on the field of play. You have given us a season of thrills that will be remembered for many a year.

Kimble Erects Historical Marker

An official Texas historical marker for the Four-mile Dam in Kimble County will be dedicated Sunday November 26, at 2 p.m. in the courthouse at Junction. Mrs. Joe Felps, chairman of Kimble Historical Survey Committee will emcee the program, and the dedicatory address will be given by Robert I. Wilson of Kerrville. He will be introduced by Walker Ragsdale. Mayor Walter P. Hendrix will make the welcome address, and Guss Bannowsky will give the invocation. Mrs. Harold Dutton will speak on the "Importance of Preserving Local History". Mr. and Mrs. Gordon Smith and Mr. and Mrs. Vann Miller were guests of Mr. and Mrs. Joe Neil Smith over the holidays.

U. S. Border Patrol Seeks Applications

The U. S. Border Patrol of the Immigration and Naturalization Service has an urgent need for a large number of physically fit young men desiring a career in Federal law enforcement work. This is a career opportunity for those who like action and outdoor work. The Border Patrol is the armed, uniformed enforcement branch of the Immigration and Naturalization Service. Its purpose is to detect and prevent the smuggling and the illegal entry of aliens into the United States and to apprehend those guilty of such violations. The job is both arduous and dangerous. Officers are required to work irregular hours, under all weather conditions, and must be available to work in any section

of the country. The duties demand mental alertness as well as exceptional physical vigor and stamina. No experience is required for these positions. To qualify, applicants must pass a written test of verbal abilities, judgment, and aptitude for learning a foreign language. Candidates who pass the written test will be called for oral interviews in the order of their standing on the list. The oral interview is designed to determine if the applicant has the personal qualities needed for the work. Candidates must also pass a rigid physical examination.

The entrance salary of an Immigration Patrol Inspector is \$6451 a year. After satisfactorily completing a year of intensive training, a new officer's salary is raised to \$7,303. Further advancement can be achieved through regular within service promotions.

Applications are now being accepted for the civil service examination for Immigration Patrol Inspector which will be held on January 27, 1968. Additional examinations are scheduled for April. However, those wishing to be tested in January must submit their applications before December 8, 1967. Full information is given in Announcement No. WA-7-16 which may be secured from the nearest post office or from any office of the Service. Applications should be submitted to the Interagency Board of U. S. Civil Service Examiners for Washington, D. C., 1900 E Street, N. W., Washington, D. C. 20415.

ONE OF THE YOUNGEST HUNTERS to bag a buck this season is Theresa K. Adams, 6, daughter of Mr. and Mrs. Tommy Adams. The 56-pound buck was shot on the Terry Baker ranch.

Legal Notice

Public notice of the requirements for recordation and limitation of certain claims of water rights.

Notice is here given as required by Section 4 of the Water Rights Adjudication Act of 1967 (Article 7542a, Vernon's Civil Statutes) that all claims of riparian water rights, all claims under Article 7500a, Revised Civil Statutes of Texas, 1925, to impound, divert or use public waters for other than domestic and livestock purposes for which no permit has been issued, all claims of water rights under the Irrigation Acts of 1889 and 1895 which were not filed with the State Board of Water Engineers in accordance with the Irrigation Act of 1913, as amended, and all other claims of water rights other than claims under permits and certified filings, must be recorded with the Texas Water Rights Commission. Section 4 does not apply to use of water for domestic and livestock purposes as the same is defined by Commission Rules.

On or before September 1, 1969, every person claiming any water right to which Section 4 applies shall file with the Commission a sworn statement setting forth the nature of the claim of water right. Claims to which the Section applies shall be recognized only if valid under existing law and only to the extent of actual application of water to beneficial use without waste during any calendar year from 1963 to 1967, inclusive. However, in any case where any claimant of a riparian right has prior to August 28, 1967, commenced or completed the construction of works designed to apply a greater quantity of water to beneficial use, such right shall be recognized to the extent of the maximum amount of water actually applied to beneficial use without waste during any calendar year from 1963 to 1970, inclusive; provided an additional sworn statement is filed on or before July 1, 1971. Failure to file

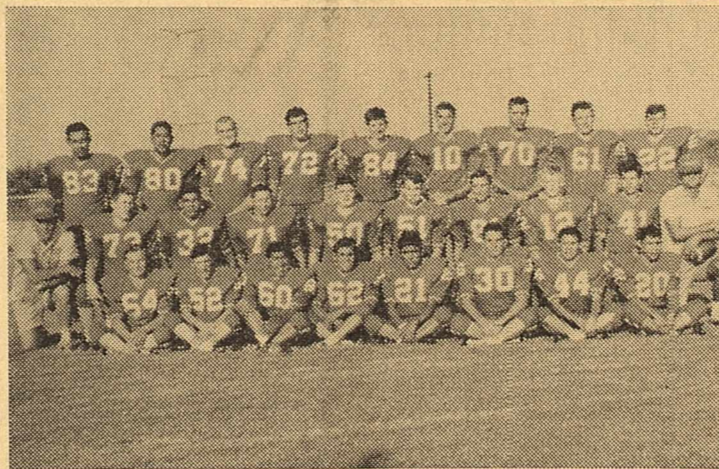

the sworn statement or statements in substantial compliance with Section 4 shall extinguish and bar any claim of water right to which the Section applies.

Instructions and forms for recording claims may be obtained without cost from the Texas Water Rights Commission, P.O. Box 123-96, Capitol Station, Austin, Texas 78711.

Joe D. Carter, Chairman
TEXAS WATER RIGHTS
COMMISSION

Underground Blast Due Next Week

The Project Gasbuggy underground nuclear detonation readiness date has been rescheduled for Wednesday, December 6, 1967. The 26-kiloton explosion is part of an experiment being conducted near Farmington, New Mexico, to study the technical and economic feasibility of stimulating natural gas production and ultimate recovery from formations of low permeability.

8x10 COLOR PICTURES of the Bi-District Champion Sonora Bronco Football Team are now on sale at the Devil's River News. These prints are professionally printed and reflect quality workmanship, yet cost is only \$4.50 per print. Be sure to get your copy while our supply lasts. You'll enjoy having this print.
