

## WHITTLIN'

By DOLPH MOTEN

There's a need for more houses in Bovina, the real estate people tell us.

Houses for rent or for sale are in demand, according to reports. Most in demand for purchasing are those which require a down payment of \$1000 or so, our informants explain.

Apparently there's a profit opportunity here. And more important, there's a way to make Bovina a better and bigger town.

We'd like to see some progress made in this direction, needless to say.

Too often, though, people who have the money to do things like this don't think as column writers do. And maybe for good reason.

It's just an idea on our part, and not even an original one, as we've already admitted.

It's a fact, though, that a rent house vacant is next to impossible to find on any given day and the houses for sale in the under-\$15,000 category with reasonable down payments are almost as scarce as hen's teeth.

We'll admit we'd rather live and work in a town which didn't have a lot of vacant houses. Still, we feel the community is losing some population which it is naturally entitled to because of a lack of housing.

Opportunity's knocking. Bovina needs to answer it.

There's no extra charge for that bit of business advice. It's yours just for the normal \$2.50 per year subscription price or the 10 cent individual copy price.

Since we help promote the Bovina Businesses football contest, we probably shouldn't admit this.

But, the interest in the contest continues to be amazing. A total of 180 entered last week, the first contest of the '68 football season. That was some 40 more than a year ago.

The interest continues to build. We think that the peak is yet to be reached, frankly.

We remember back in the beginning of the contest, in the early '60's, one of the most avid players --- and most all who enter football contest are that --- complained because we encouraged people to enter.

"I'll have a better chance to win if you won't get so many people in," he complained.

His thinking was probably correct, but his attitude was wrong to suit us.

Incidentally, the season is still young, of course, so the picks are easy again this week. Everyone is therefore given a good chance to continue to a good start toward the Cotton Bowl trip grand prize.

There's nothing difficult about picking the winners. Just remember as you go along that there will be a few upsets along, pick 'em, and make plans for the January 1 trip and who you'll take with you.

Besides the trip, you can win \$5 a week between now and then to use as extra expense money.

Seriously, winning the football contest, like most others, requires a combination of knowledge and luck. Most people who have won will admit that if you pin them down.

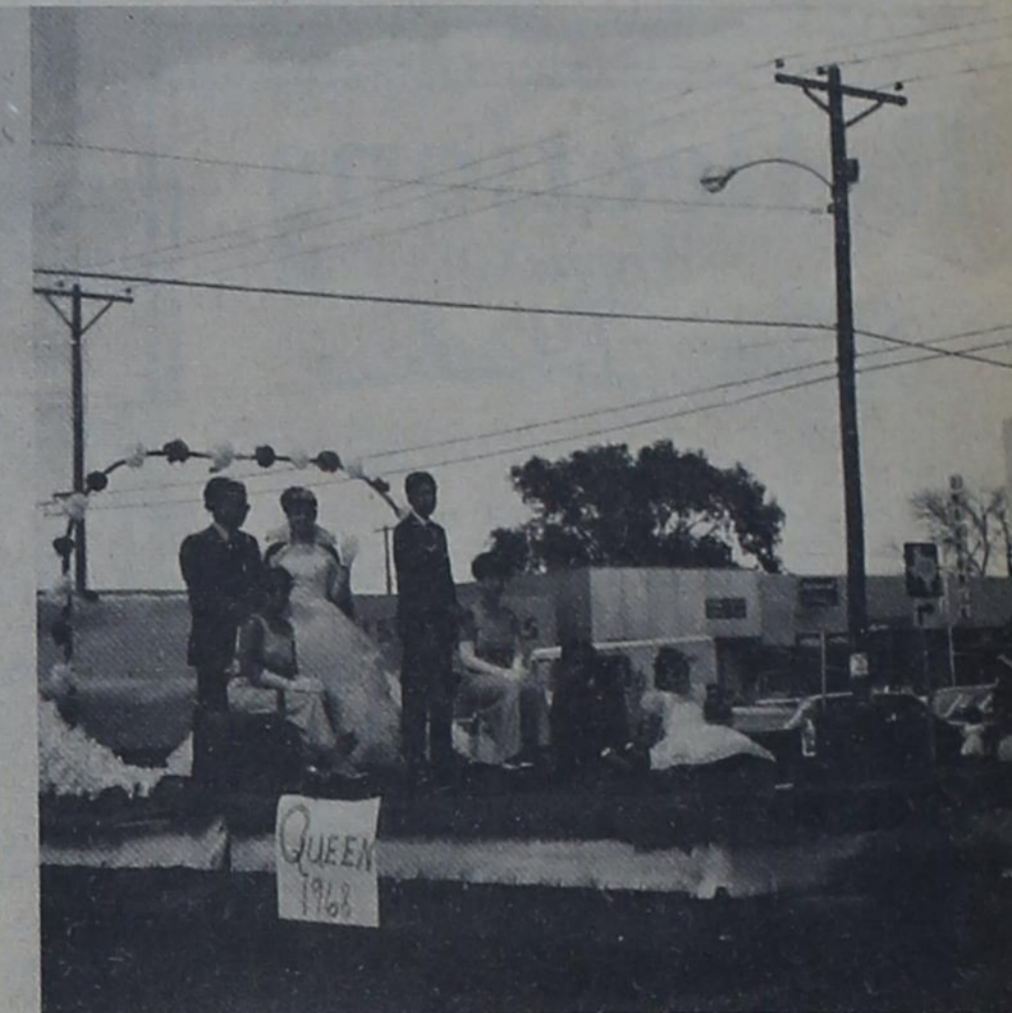

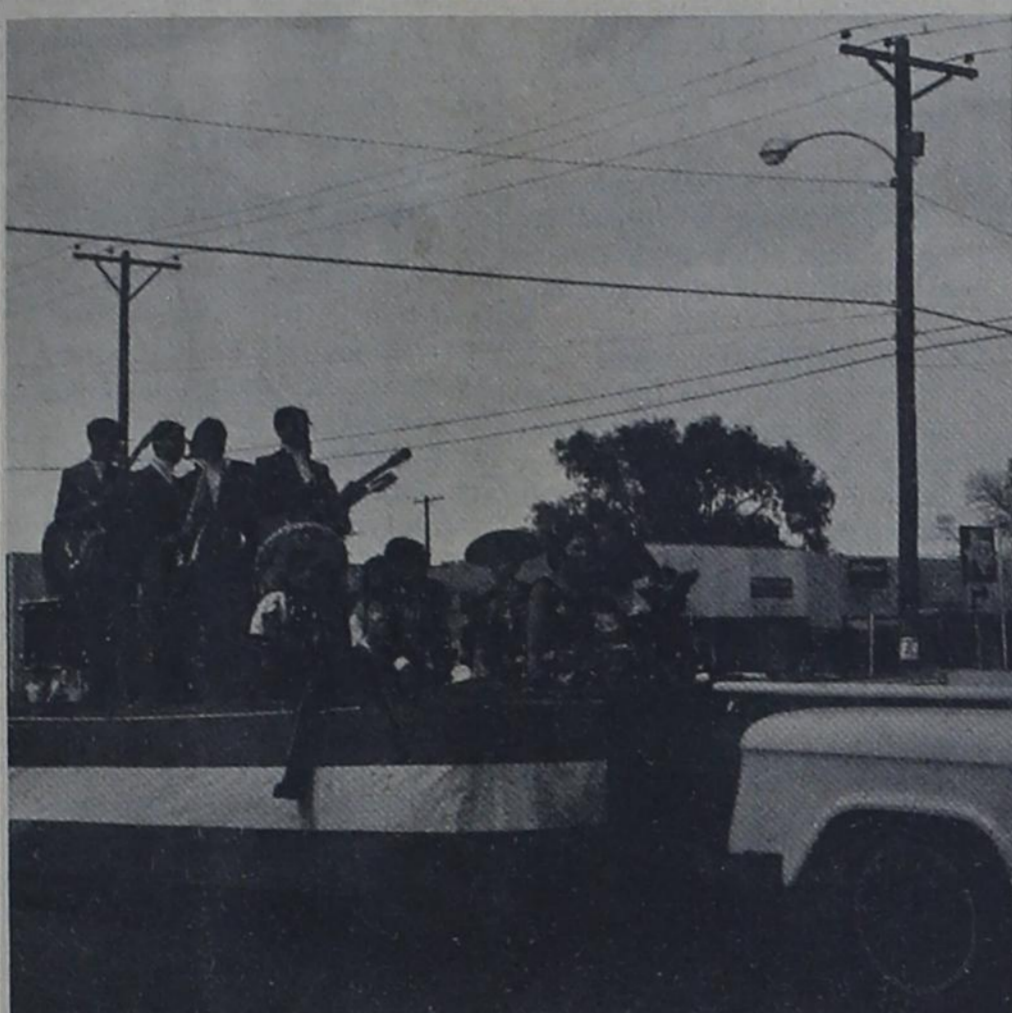

A percentage of about 75 is all that's required to win the overall contest. That means picking only an average of 7.5 winners from the 10 games over the 13-week period.

That doesn't sound overly difficult. But it is more so than it sounds.

With the general election less than two months away, it seems from here that more decisions need to be made by voters about how they'll cast their ballots.

At this point, and in this area, the overall feelings of the people are hard to determine. The third party candidacy of G. C. Wallace from Alabama muddles the water and has a tendency to keep the people, some of them, from facing the real issues.

"This is a strange political year," the big boys keep saying and writing. We'll go along.

CELEBRATES MEXICAN INDEPENDENCE -- A three day Mexican Fiesta Saturday, Sunday and Monday was climaxed with a parade here Monday afternoon. One float carried "Ricky and the Rickitiers" and a group of young people dressed in native costume. The parade was led by Bovina Roping Club and other riders, while the 1968 Queen, Irma Quilantan, was the center of attraction on the float carrying the Fiesta royalty. Dances were held each of the three nights on Eighth Street, along with horsemen contests and Mexican bingo.

180 Enter --

## Ola Lee Jones Wins 1st Week's Contest

With 180 football fans entering the Bovina Businesses Cotton Bowl Football Contest during its first week in 1968, Mrs. Ola Lee Jones emerged the winner by predicting 10 games correctly and coming closest to the tie-breaking score.

Second place winner is Lea Looney, who also named 10 winners. Kenny Stone placed third with nine correct. Both are students in Bovina High School.

The first three winners were recipients of \$5, \$3 and \$1 weekly prize.

At the end of the 13-week contest, the grand prize winner will receive a trip for two to the Cotton Bowl game in Dallas. The prize includes two tickets to the

football game, room reservations and \$55 for other expenses.

Entries in the first week this year topped last year's initial week by 40, showing greater in-

terest in the contest over the Bovina area.

Of those entering this year, two picked 10 winners; 13 named nine; 44 picked eight; 55 picked seven; 43 named six; 16

chose five; six named four winners; and one turned in a blank entry for a zero.

Complete weekly tabulations are on display in the office of The Bovina Blade. All those entering the contest may keep a close check on the running scores. In addition, all entries each week are kept for reference in case of a question in the contest.

The Bovina Businesses Cotton Bowl Football Contest is sponsored this year by 10 area business institutions, Gaines Hardware Co., Oklahoma Lane Farm Supply, Charles Oil Co., Sherley Grain Co., First State Bank of Bovina, Bovina Gin Co., Dean McCallum Agency, Bonds Oil Co., Bovina Wheat Growers, Inc. and Birkelbach Machine and Pump.

Games being played each week are placed in each of the advertisements on the contest page. Entrants must pick a winner and write the prediction beside the advertiser's name on the entry blank. In addition, a tie-breaking score must be entered predicting the outcome of the current Bovina game.

WINS \$5 -- Mrs. Ola Lee Jones got off to an excellent start in the 1968 Bovina Businesses Cotton Bowl Football Contest by submitting a perfect entry. She named all 10 winners in the first week of the 13-week event.

## Christian's Farm Sale Set Tuesday

An auction sale of farm equipment is scheduled at Oklahoma Lane Tuesday afternoon.

Equipment owned by Wendol Christian will be sold including tractors, combines, cotton strippers and many other farm machinery items.

The sale is being conducted by Bartlett and Potts Auction Service of Bovina and Friona.

Auctioneers will be Houston Bartlett of Bovina and Larry Potts of Friona. Clerk of the sale will be Gerald Floyd of Friona.

Christian has rented his farm.

The sale will be at Oklahoma Lane Farm Supply and Gin and will begin at 1 p.m.

The items to be sold are published in an advertisement in this issue of The Blade.

## SWPS Award To McDaniel

Lewis McDaniel, Bovina manager for Southwestern Public Service Co., will receive an award for 10 years of service with the company tomorrow (Thursday) night at a banquet in Plainview. The banquet is in honor of 55 Plains division employees of the company.

McDaniel will receive his award from Roy Tolk, president of the electric company.

A total of 311 employees with a combined service of 4590 years will be honored at awards dinners this year throughout the SWPS service area, which covers 45,000 square miles.

McDaniel began his career with the company in December of '57 in Littlefield. He moved to Bovina in February of this year from Dimmitt.

## Panhandle South Plains Fair --

## Pam Grissom Named Festival Sweetheart

LUBBOCK -- Pam Grissom, 16-year-old daughter of Mr. and Mrs. Leonard L. Grissom of Bovina, has been named sweetheart of the 15th annual West Texas Twirling Festival, a feature of the Panhandle South Plains Fair, by Pat Boone, the 1968 stage headliner.

The festival, expected to draw several hundred contestants from the Southwest area, is scheduled on the last day of the week-long fair run, Sept. 23-28.

Runnersup, in order of their finish, were Penny Baker, 16, daughter of Mr. and Mrs. E. B. Baker, Seminole; and Melissa Flemings, 16, daughter of Mr. and Mrs. Harold M. Flemings, 3405 53rd St., Lubbock.

Pam will reign throughout the fair and will ride as one of six

honored beauties in the Parade of Bands, which will kick off

the exposition at 10 a.m. Sept. 23.

She is a junior at Bovina High School, where she has been head twirler for three years. Pam also is a member of the varsity girls' basketball team, tennis team, was secretary of the freshman class, a student council representative, Future Farmers of America Plow Girl, ideal freshman girl, best all-around sophomore, most beautiful junior, Bovina Bull Town Days queen and has won numerous riding and twirling events. She and her family attend United Methodist Church in Bovina.

Contestants were judged from full-length photographs submitted to the motion picture,

(Continued on Page 2)

PAM GRISSOM

FIRST BALE -- Billy Harbison and Ovid Lawlis, left, ginned the first bale of 1968 cotton at Lawlis Gin Co. Friday, after it was hand pulled from land farmed by Charles Hawkins, right.

Brings 50 Cents --

## First Cotton Bale Ginned Here Friday

First bale of 1968 cotton was delivered to the front of First State Bank of Bovina Friday afternoon, three weeks earlier than the first bale was produced in 1967.

Charles Hawkins, who farms west of Bovina on the Clifton Carraway place, raised the cotton. It was hand pulled Thursday and ginned at Lawlis Gin Co. Friday.

The first bale was pulled from six and one-half acres planted the last week in April with Paymaster 111. The land had been prewatered once and was not watered again during the growing season.

Lawlis Gin Co. bought the bale at 50 cents per pound, owner Ovid Lawlis said. The bale weighed 500 pounds and produced 800 pounds of seed.

The middling cotton has a staple length of one inch, Lawlis said.

## Farm Bureau Meeting Set In Bovina

The annual county convention of Parmer County Farm Bureau has been scheduled for this Friday at 8 p.m.

The event will be held in the Bovina Schools cafeteria, according to Harry Hamilton, president of the organization.

The first bale of cotton this year is not earlier than usual, according to reports. The 1967 bale was about two weeks late.

Hawkins farms nearly a section of land in the Bovina area, including a half section of his own, quarter section two miles of town on which the first bale

of cotton was pulled, and helps farm a quarter belonging to his father.

Cotton on the Carraway quarter received hail damage on Sept. 3, when leaves were stripped from the plants. Apparently, however, the cotton was not greatly damaged, judging from the grade of the first bale.

## By School Board --

## Game Parking Policy Made

School board of Bovina Independent School District held its regular meeting Monday night, but little business was transacted, according to L. F. Jacobs, superintendent.

Mrs. David Wines was approved as the new supervisor of the school cafeteria, succeeding Mrs. Gene Ezell, who served in that capacity 12 years.

Mrs. Wines has worked in the lunch room here about 15 years.

Other action concerned parking cars at home football games.

Gates will be open between the hours of 4 and 5 p.m. the afternoons of home games for those who wish to park their cars in a good place, Jacobs said. Charge for parking cars during that hour will be 50 cents. At 5 p.m. the gate will close

and will re-open at 6:45 p.m. Those parking cars after that time will not be charged for car admission.

## Rummage Sales Begin

Rummage sales are being held again this year by Bovina Woman's Study Club.

The sales will be conducted each Saturday in the old Charles Oil Company building on Main Street, according to members of the Study Club. The first day of sales was held Saturday.

Anyone having rummage to donate for the sales should contact a member of the Study Club. A note will also be attached to the door giving information for leaving rummage.

# Reflections

From  
*The Blade*

TEN YEARS AGO  
 September 17, 1958

Hub's "Death Corner," the intersection of Highways 84 and 214, was the scene of a grinding crash again Monday morning about 7:30, but fortunately this time there were no deaths.

In an effort to raise money, members of the junior class are selling their time and energy next Saturday. They report that they are open to any kind of work -- washing dishes, cleaning house, mowing lawns, etc.

Grand opening of the Super Saveway will be Thursday, Friday and Saturday.

The store, Bovina's newest business venture, got the doors open Friday of last week, and began to make its acquaintance with Bovina shoppers.

The high-stepping Bovina Colts romped over the Farwell Yearlings Monday night 22-2.

Coach Bobby Wills' Bovina Mustangs are seeking their first win of the season Friday night at 8 when they meet Whitharral on the opponents' field.

Mr. and Mrs. Nickl Foster were host and hostess to a steak fry Tuesday evening, Sept. 9. Members of the Bovina Town and Country Club and their husbands were guests.

The home of Mrs. Elmer Lowrie was the site of a regular, semi-monthly meeting of the Bovina Thrifty Club Wednesday of last week.

Members of the Bovina Woman's Study Club met Thursday at 1 p.m. for a luncheon in Bovina Restaurant. It was the first meeting of the season for the organization and Mrs. Rouel Barron, president, presided.

SIX YARS AGO  
 September 19, 1962

Parmer County's first 1962 cotton was ginned in Bovina Thursday. Tom Ware delivered the season's first bale to Bovina Gin Co., where it was ginned shortly before noon Thursday.

Interest continues to run high in Bovina Businesses 1962 Football Contest as 132 entries were submitted last week.

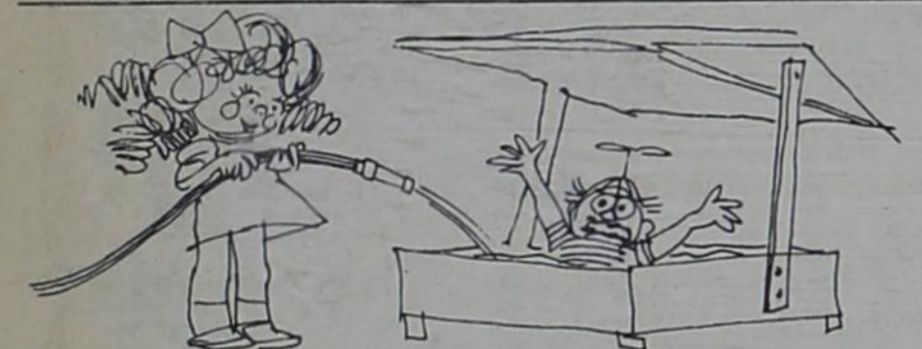

Patsy Sherrill had the nearest perfect entry blank. She named nine of 10 correct winners, as did 11 other entrants. Mrs. Sherrill was closer to the tie-breaker score than any of the others who had nine right.

Some 700 farmers in four counties of West Texas and Eastern New Mexico have signed declarations of their intentions to grow more than 70,000 acres of sugar beets to supply a beet sugar processing facility proposed for construction by the Holly Sugar Corporation in the Hereford-Dimmitt area of West Texas.

Farwell Steers continued their football mastery over Bovina Mustangs in a non-district class between the Parmer County rival there Friday night as they took a hard-fought 18-14 win from the maroon and white.

An all-day prayer retreat and luncheon highlighted week-long activities of WMU last week at First Baptist Church.

Bovina Lions conducted another successful broom sale Friday. Gross income succeeded the \$1000 mark, Lions President Roy Crawford announces.

STORIES about people being sucked down into quicksand are a lot of malarkey according to a Georgia Tech engineer. Natural quicksand is a rare occurrence, he says, and that which seems to appear as foundations are being dug is actually the result of poor excavation procedures. Any sand can become quicksand when water is added to it faster than it can drain away.

**First State Bank Presents -- COW POKES** By Ace Reid

"Shore it ain't rained fer 6 months, but imagine how you'd complain it it jst rained fer that long!"

**SPEAKS TO WOMEN** -- Cagle Davis, representative of the National Diabetes Association spoke to members of Bovina Woman's Study Club here Thursday, urging their support of testing programs and a fund raising drive. Also speaking was Mrs. Cricket Taylor, Parmer County Home Demonstration Agent.

**Pam Grissom --**  
 (Continued from Page 1)

television and recording star, who autographed and attached personal messages to all of the entries.

Boone will appear throughout the week-long run with the Baja Marimba Band, humorist Don Rice, twirler-juggler Diane Shelton, and Richard Hayman and his orchestra.

Performances are slated at 3 p.m. on Monday, Friday and Saturday and at 7:30 p.m. daily in Fair Park Coliseum. Tickets are priced at \$2, \$2.50, \$3 and \$3.50, and children 12 years and under will be admitted to matinees for one-half price. All tickets purchased prior to Sept. 23 will be accompanied by free gate admission passes.

Tickets may be obtained at the coliseum box office, and at Pioneer Hotel. Mail order requests also are being accepted by the fair association at P. O. Box 208, Lubbock, 79408.

More than 300 twirlers are expected to register for the festival. Competition for ribbons and trophies is scheduled in all age divisions. Lubbock city-county champions and Miss West Texas Majorette also will be named during the competition.

**For Adults --**

## Diabetes Test Set Sept. 29

An adult testing program for diabetes will be held in Bovina Sunday, Sept. 29, from 2 to 6 p.m. in the Bovina Schools, according to Cagle Davis, representative of the National Diabetes Association, and Mrs. Earl Stevenson, Parmer County chairman.

All adults, those citizens above school age, may participate in the testing program. There will be no charge made for the test, Mrs. Stevenson said.

At a program just completed at Gruver, 11 positive tests were found from 90 adults. A smaller percentage is expected in tests made of about 600 school children Monday and Tuesday.

The National Diabetes Association states that "diabetes is the seventh leading cause of death, and the second leading cause of blindness in the United States. It also is a major factor of heart disease. Only two million people have been diagnosed as diabetics. For every known

diabetic there is at least one unknown diabetic."

The testing program here will be supported and sponsored by Bovina Lions Club and Bovina Woman's Study Club. Members will assist with the testing.

A fund-raising drive for the National Diabetes Association will also be held. Details will be announced later.

## On The Farm In Parmer County

By RONNY McNUTT  
 County Agent

**COUNTY FARM TOUR**

Those of you not attending the second annual Parmer County Farm Tour on September 11 missed an interesting and worthwhile tour. A total of 16 stops were made over the county. Various operations and management techniques were observed.

\*\*\*\*\*

Dewayne and Bill Johnson of Oklahoma Lane 4-H exhibited their Angus steer at the Amarillo Fair this past Saturday.

\*\*\*\*\*

orandum should accompany the sample listing the name of the owner, the mailing address, location of the farm or ranch, and type of animal from which the tick or ticks were removed.

As an aid, the vials used for submitting screwworm samples for identification could be utilized. They are available at the County Agent's office.

Because of the importance and urgency of this sampling program, all cattle and horse owners in Parmer County are asked to closely observe their animals for tick infestation and submit to the Austin Laboratory specimens if and when discovered. Wheat grazing season will be here very soon and these cattle coming from different areas of the county should be closely observed for ticks.

**BE ON WATCH**

Fever ticks have been found outside the South Texas Quarantine Zone, according to Dr. James B. Henderson, Executive Director, Texas Animal Health Commission, Austin. Dr. Henderson has asked stockmen to send a sample of ticks found on either cattle or horses to a regulatory laboratory for identification.

The importance of the samples cannot be overemphasized, and it is urged that stockmen throughout the State cooperate.

Ticks should be placed in a vial of commercial alcohol and mailed to the State-Federal Laboratory, Third Floor, Western Republic Life Building, Austin, Texas 78701. A label or mem-

**TREES FOR WINDBREAK**

If you are interested in planting trees around your farmstead or homestead for a windbreak, it is time to order these trees from the Texas Forest Service.

The Texas Forest Service has available some 10 or 20 different trees or shrubs for wind protection. The price per 100 trees for all species is \$1.50. No order for less than a total 100 trees will be accepted. You

can order trees in multiples of 50. If you place your order before October 1, 2 per cent sales tax must be paid. After October 1 sales tax increases to 3 per cent. So get your orders in by October 1 to take advantage of this savings.

Shipments will be made between mid-January and Mid-February and the first week in March.

Application forms for these trees are available at the County Extension Agents office at the Courthouse in Farwell.

The six leading species of seedling trees distributed in Parmer County in 1967 was red cedar (by far the leading species), cottonwood, ponderosa, catalpa, Austrian and Chinese elm.

**MARKET COMMENTS**

At the 1968 Summer Outlook Conference at Bozeman, Montana, representatives from all of the Western and Great Plains States met to either offer or hear the livestock and grain forecasts for the future. Both USDA outlook people and the State Extension specialists attended the meeting and the general consensus of the discussing yielded this:

In general, larger cash receipts for livestock and livestock products are expected for the next year. Supplies of fed cattle, hogs and chickens are likely to be larger. More available feed and thus a better product/feed ratio, however, together with an anticipated well maintained demand could cause some price strength during the coming year for turkey, eggs, fed beef, lamb, and milk.

# FARM SALE

## Tuesday, Sept. 24, 1968

1:00 p.m. -- Located 6 miles south of Bovina, Texas, on Farm to Market 1731 or 6 miles north of Lariat on 1731 at the Oklahoma Lane Gin Co.

As I am quitting farming and renting my farm, I will sell the following at public auction:

- TRACTORS and COMBINES**
- 1-1963 Model 830 Case Tractor, Diesel
  - 1-1960 Model 800 Case Tractor, Diesel with Case-O-Matic
  - 1-Haggie Highboy 8-row Sprayer and 6-row Topper
  - 1-1962 Model 100 Case Combine with Cab. (Good condition)
  - 1-1960 Model 1000 Case Combine COTTON STRIPPERS
  - 1-1966 Model HP50 Hesston Self-Propelled Brush Stripper, like new
  - 1-1963 Model Hesston Brush Cotton Stripper - Tractor mounted
  - 1-Model 201 Case 2-row Stripper
  - 2-IHC Cotton Strippers
  - 3-Model 77 John Deere Strippers
- FARM MACHINERY**
- 1-JD Roller Packer - Like new

For New Texans --

# Vote Application Deadline Nears

County Clerk Bonnie Warren has issued a reminder that new residents of Texas who wish to vote in the presidential election this year must apply for a ballot at the county clerk's office by 12 o'clock on Saturday, September 12.

The reminder is for voters who will have lived in Texas more than 60 days but less than a year on next November 5, general election day. This is the first time that residents of less than a year will be able to vote in a Texas presidential election.

## Lions Net \$189 During Broom Sale

Bovina Lions Club sold a total of \$728 in merchandise at its annual broom sale here Friday, according to the president of the organization, J. E. Sherrill.

Of this amount, the club's commission was 26 percent, or \$189.28.

The Lions will use the money to finance projects in Bovina during the year.

The sale is located in downtown Bovina. The merchandise each year is furnished by Texas Lighthouse for the Blind in Fort Worth. Members of the club here conduct the sales.

SOLD! -- Bovina Lions Club member H. J. Charles makes a sale Friday to Mrs. A. M. Wilson and Mrs. Vernon Willard during the club's annual broom sale. Looking on are children, Becky Fowler and Karl Willard, along with Justice of the Peace Wilbur Charles.

One Killed --

# 16 Accidents During August

The Texas Highway Patrol investigated 16 accidents on rural highways in Parmer County during the month of August, according to Sergeant W. E. Wells, Highway Patrol supervisor of this area.

These crashes resulted in one person killed, eight persons injured and an estimated property damage of \$10,107.

The rural traffic accident summary for this county during the first eight months of 1968 shows a total of 88 accidents resulting in four persons killed, 57 persons injured, and an estimated property damage of \$58,637.

September first marked the beginning of the 1969 Motor Vehicle Inspection period. Motorists are urged to have their vehicles inspected during routine visits to garages and thereby eliminate the necessity of having to wait in line at a later date for an inspection sticker.

The Sergeant stated, "With the hard summer driving coming to an end, Fall is an excellent time to have vehicles safety checked for the winter months ahead."

Spring Tackle "Training" Anglers can take a tip from the pre-season warmups and training now underway in the baseball camps.

Seeing that equipment functions perfectly is just as important to a fisherman as good physical condition is to a touted 20-game winner or the team's "big stick."

Getting gear in shape after a winter's layoff is vital to the success of early trips afloat, say the authorities at Mercury Outboards. If you don't, you're likely to discover all sorts of problems... and all at the wrong time.

SGT. AND MRS. LARRY DEAN MAYHEW

## Dean Mayhew, Barbara Allen Nuptial Vows Exchanged Here

Miss Barbara Sue Allen and Sgt. Larry Dean Mayhew exchanged marriage vows at 3 p.m. September 7 in First Baptist Church of Bovina.

Rev. Ken Moore read the double ring ceremony before an archway of greenery. The kneeling bench was flanked by baskets of golden pom-poms and fall flowers.

The bride is the daughter of Mr. and Mrs. Roy Allen of Bovina. Parents of the bridegroom are Mr. and Mrs. W. C. Mayhew of Gruver, formerly of Bovina.

Traditional wedding music was provided by Mrs. Doris Wilson, organist, who accompanied Miss Linda Langford of Dimmitt, who sang "Whither Thou Goest," "Always" and "The Wedding Prayer."

Given in marriage by her father, the bride wore a formal gown of white velvet designed with a slight A-line skirt and appliqued with seed pearls and white Indian beads. Her three-tiered waist-length veil fell from a headpiece covered with velvet and accented with tiny seed pearls. The ensemble was designed by the bride and made by her mother.

She carried a bouquet of gold

pom-poms centered with a white orchid and tied with gold streamers atop a lace covered Bible.

Following tradition, the bride wore, on a gold bracelet, the wedding rings of her mother and grandmother for something old; her wedding ensemble, something new; a Bible, something borrowed from her grandmother; a blue sapphire drop necklace, gift from the bridegroom, and a blue garter; and pennies in her shoe minted in the couple's birthdates.

Miss Marilyn Allen, sister of the bride, was maid of honor. Bridesmaids were Misses Cindy Crump and Vicki Kunselman, both of Bovina. Miss Regena Hall of Gruver, niece of the bridegroom, was junior bridesmaid. They wore gold street length A-line dresses. Their headpieces were matching gold attached to gold rings. Each carried a long stemmed yellow rose.

At the altar, the bride presented a long-stemmed yellow rose to both mothers.

Ken Horn of Plainview served as best man. Groomsmen were Roy Mayhew and Bill Mayhew, brothers of the bridegroom of Gruver.

Buddy Hutto of Bovina was ringbearer. Serving as ushers were Billy J. Charles and Johnie Hugh Horn, both of Bovina. The bride's mother wore a beige knit dress with brown accessories and a green orchid corsage. The bridegroom's

Miss Nancy Fowler left last week for Levelland where she is attending South Plains Junior College as a freshman. She is the daughter of Mr. and Mrs. Lonnie Fowler.

### A STERLING TIP

In modern table settings, silver is placed on the table in order of use. Required are only the pieces that will actually be used, except for the knife, which is always in place. Allow about 24 inches for each individual setting and line up your silver about one inch from the table's edge, according to experts at Sears, which offers a novel bonus plan in sterling silver place settings.

## Of Interest To THE WOMEN

### 'Money Management' Program Initiates Study Club Year

Mrs. Arnold Hromas, new president of Bovina Woman's Study Club, presided at the first meeting of the year Thursday afternoon in the clubhouse. "Money Management" was the topic of the program presented the group by Mrs. Cricket Taylor, Parmer County home demonstration agent. She said, "The planning of the use of the family's income is the best way to give each member an equal advantage. This is one of the keys to success for couples starting life together."

In addition she set forth rules to set up a money management program.

Cagle Davis, representative of National Diabetes Associa-

tion, spoke to the club women and asked their help in supporting a testing program here and helping with a fund drive.

Mrs. Earl Stevenson was appointed chairman of the fund drive. Those who will help with the testing program are Mmes.

Rouel Barron, A. E. Crump, Charles Ross, Floyd Damron and Leslie McCain.

Other business included making plans for the annual rummage sales.

The club was asked to consider ideas for a new civic improvement to be adopted for the next two years. The Bovina Medical Center was the club's project the past two years.

Hostesses at the Thursday meeting were Mrs. Travis Dyer and Mrs. Mac Glasscock.

Attending were Mmes. Barron, H. D. Bradshaw, J. R. Caldwell, Jack Clayton, Jimmie Clements, Roy Dodson, Dyer, Damron, Glasscock, Hromas, Henry Ivy, Ovid Lawlis, Reagan Looney, Ronald Minyen, Earl Richards, Amos Steelman, Billie Sudderth, Leon Ware, Earl Whitten, W. E. Williams, J. B. Fowler, Ken Moore and L. F. Jacobs.

### Girl Born To Simmons

Sgt. and Mrs. Roger L. Simmons of Tampa, Fla. are parents of a daughter born there Sept. 16.

The mother is the former Miss Patricia Crook, daughter of Mr. and Mrs. F. M. Crook of Bovina.

The new arrival was named Linda Ann. She weighed seven pounds, three ounces.

Sgt. Simmons is a member of the U. S. Air Force.

### Square Dance Here Thursday

Bovina's square dance club has changed its meetings to the first and third Thursday nights of each month for the duration of football season, according to Mrs. Jon Lin Riddle.

The group will meet this Thursday at 8 p.m. in the American Legion Hall. Friday nights are the regular meeting times.

A class for square dancers is also being organized. Those interested may contact Mrs. Riddle or Mrs. J. D. Adams.

### Son Born To Sernas

Pfc. and Mrs. Luis Serna, Jr. are the parents of a son born at 4:38 p.m. Wednesday, Sept. 11, in Parmer County Community Hospital. He weighed seven pounds, four ounces and has been named Luis III.

Grandparents are Mr. and Mrs. Luis Serna, Sr. of Bovina, Mrs. Elizabeth Brito of Bovina and Paul Aragon of Friona. The new arrival has two great-grandmothers, Mrs. S.A. Brito of Bovina and Mrs. Juanita Serna of Weslaco.

## Scoopin' By Pat Jacobs

Have you noticed the new Texas driver's licenses do not contain certain information that the old ones did?

No longer does the license give the weight or hair color of the holder. Course, it's obvious that both change more often than the license is renewed.

Then, too, with the new pictures, it isn't necessary to write "none" under color of hair in certain cases.

We're convinced that Texas does everything in a bigger way than any other state. That includes production of flies.

During a particularly bad spell of mosquitoes in Colorado this summer, one native remarked, "Now, show me a mosquito from Texas bigger than these."

"Why, dang," the Texas fisherman replied, "I thought that was a gnat." Then he pulled a beat-up looking trout fly called "mosquito" from his fishing hat, stretched it to its full three-quarters of an inch and said, "I've been using Texas mosquitoes for bait."

There is a difference in flies, though. In Texas they are alive.

It is shocking, but not surprising, that the East is discovering what the South has known since Little Rock, Ark. -- that news coverage by television and most of the press has been slanted to sway opinion of the American public, thereby making more news.

It finally has become so obvious -- after Washington, D. C. and Chicago -- that news slanting is no longer being ignored.

It's about time the American people demand a little integrity from their news reporters. It would be nice, for a change, if Walter Cronkite, Huntley and Brinkley, etc. would report all of the story.

And it is nice to live in a town with clean, decently-dressed teenagers.

### Mrs. Newberry Honored By WSES

A luncheon and general meeting of the Woman's Society of Christian Service of the United Methodist Church was held Tuesday of last week.

Highlighting the day was the presentation of an honorary life membership to Mrs. Mable Newberry. The honor was bestowed by Mrs. Billie Sudderth on behalf of the Marzie Lynn Circle.

Mrs. L. M. Grissom and Mrs.

George Turner were hostesses for the luncheon, attended by 18 women representing three circles of WSES in Bovina.

Mrs. Lonnie Fowler led the program by presenting a report on the school of Christian missions which she attended in

July. A preview of three studies were presented, including "New Form of Missions," by Mmes. John Dixon, Durward Bell, A. M. Wilson and Earl Ware; "Southeast Asia," Mrs. J. B. Fowler; and the Bible study on the Book of John, Mrs. Sudderth.

The meditation on "Worship and Service" was presented by Mrs. Leon Ware.

Closing the meeting was the service of dedication in which all participated. Mrs. P. O. Dixon gave the benediction.

### Shower Held Here Friday

A shower honoring Mrs. Don Bandy and her daughter, Tobrina Dawn, was held Friday in the Community Room of First State Bank.

Pink lemonade, coffee, cake, nuts and mints were served from silver and crystal appointments. A pink floral centerpiece completed the decor.

Hostesses were Mmes. Virginia Morris, Tish Morris, Lavonia Hawkins, Dorothy Stone, Shirley Peacock, LaVerne Thatcher, Rete Sikes and Pauline Beavers.

# Will your water heater's next birthday be a happy one?

It's not uncommon for a water heater to reach the age of retirement on its 10th birthday. Some may just dribble water... others rupture with resulting damage and yet others fail to put out as much hot water as they did in their youthful years.

If your water heater is approaching its 10th birthday then it's time you talked to your Public Service manager about the value of a modern electric replacement.

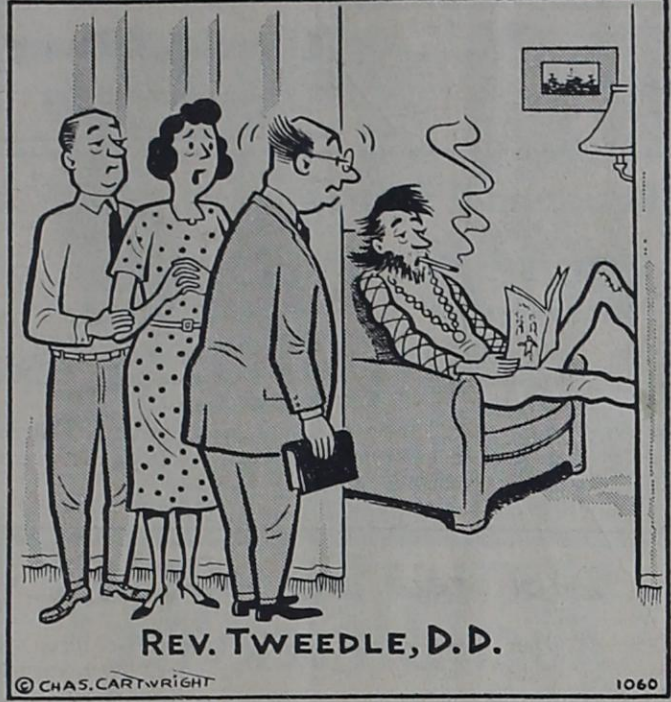

And, incidentally, should an electric water heater ever need servicing, your Public Service manager will take care of it for you.

# Bovina Area Churches Welcome You!

## Church Chuckles by CARTWRIGHT

REV. TWEEDLE, D.D.

"You may as well know what you're in for. When he burned his draft card, the President sent him a thank-you note!"

### The Charted Way

Often in a storm it is a ship's navigator who spells the great difference between salvation and destruction. We as human kind often have trouble finding our way, though we needent. Only those who are without an efficient navigator need worry.

Can it be, my friend that you have a navigator you have never consulted? Perhaps there is one who is waiting to be your savior; to save your life from shipwreck amid the storms of anxiety, suffering and death.

Many a sad faced individual have I seen, striving alone without help, who if endowed with some higher guidance in life, would have been a blessing to all. Yet they are doomed to sail aimlessly through a meaningless void, in search of that vain image of a golden port more elusive than Poe's Lost City of El Dorado.

The great Pilot of which we will now speak charted a perfect course many lifetimes ago. Let it suffice for us to recall the words of the Apostle Peter. Our Pilot "verily was foreordained before the foundation of the world but was manifest in these last times for you," (1 Peter 1:20)

But what is this charted way? Jesus saith unto You, My Friend, "I am the way, the truth, and the life: no man cometh unto the father but by me," (John 14:6) Come to Jesus my friend and hear Him say in the words of an old hymn, "Fear not, I will pilot thee".

In Texas --

# FHA Plans Action For Rural Housing

L. J. Cappelman, Texas State Director of the Farmers Home Administration, said today he had been notified by Secretary of Agriculture Orville L. Freeman of the rural housing and rural community planning features of the newly enacted 1968 Housing Act.

The Act was signed into law on August 1 by President Johnson.

Secretary Freeman's statement pointed out the new housing program is part of the President's drive to remove all substandard housing in the nation within a decade, including the 3 million substandard houses that exist today in rural America.

Freeman announced that benefits of the new Housing and Urban Development Act will be channeled into Texas rural areas through the 138 local county offices of the Farmers Home Administration, and through the rural system of Technical Action Panels.

The Farmers Home Administration, a Department of Agriculture supervised credit agency for housing, farming, and community facilities, carries on rural housing programs, established by the new act and previous legislation, for farmers and for other people in the countryside and in rural towns of up to 5,500 population.

New housing services under the act will include --

\*Housing loan interest supplement payments for families with incomes too low to meet in full the amortized loan payments on individual rural housing loans.

\*Interest supplement on loans to develop nonprofit rental and cooperative housing for low-income people.

\*Financing support for "self-help" housing projects for low-

income families including grants to nonprofit organizations for the development and supervision of "self-help" housing projects and loans to nonprofit organizations to buy and develop land to be used as building sites.

\*Housing and training facilities for rural job trainees and their families.

\*Expanded housing credit for city people who work in rural areas.

\*Loans for the purchase of building sites for farm-labor housing.

Freeman announced that the interest-supplement program for individual borrowers under the Farmers Home Administration authority (Title X of the Act) will be placed in effect immediately. Individual loans may be made for up to 33 years, loans for rental and cooperative housing may be made payable over periods up to 50 years.

The interest-supplement program for rural nonprofit rental housing organizations and cooperatives of low-income families will take effect when administrative arrangements are completed. The new provisions for job-trainee and self-help housing assistance will not take effect until funds are appropriated.

The interest-supplement plan seeks to put adequate housing within reach of lower-income families by reducing their loan or rent payments. The supplement payments will be made by the Federal Government.

A minimum requirement is that a home-ownership borrower who does not have enough income to pay his loan installments in full will pay at least the amount that would be due if the interest rate were one per cent.

The actual amount that a low-income family will need to pay will depend on its income and the size of the family.

Freeman said the new Act will facilitate a back-to-the-country movement by city dwellers who work in rural areas. They no longer will be required to own rural homesites in order to be eligible for Farmers Home Administration rural housing loans to build homes where they work. They also will now be able to buy an existing home in a rural area.

The Act also eliminates an old provision that any tenant admitted to a Farmers Home Administration-financed rental unit, or any new member of a rural housing co-op, must already be a rural resident. In the future, low-income city dwellers who work in rural localities may move directly from the city into Farmers Home Administration-financed rental or co-op units.

Technical Action Panels, which include top local representatives of WSDA agencies that have local offices in rural areas, will help rural communities gain access to all provisions of the new housing legislation that can be adapted for use in small towns.

For further information regarding the new housing authorizations of the Farmers Home Administration, contact Billy R. Boling, Farmer County Supervisor at 708 Avenue A, Farwell.

# CONTEST

FOOTBALL

You May Win Weekly Prizes  
Of \$5-\$3-\$1

PLUS The Grand Prize ---  
An Expense-Paid \* Trip For Two To The Cotton Bowl

★ Expenses include two tickets to Cotton Bowl game, paid hotel reservations for two and \$55 for food and traveling expenses.

It's Fun - It's Easy -  
You May Win!  
Enter This Week And  
Every Week -  
All You Have To Do Is Pick  
The Winners. There's Nothing  
To Buy!

## Contest Rules

1. There are 10 football games listed in ads on this page.
2. Pick the team you think will win in each game and place the WINNER'S NAME beside same advertiser's name in the contest entry blank at bottom right of this ad.
3. Pick the score of the tie breaker game and place your guess in the appropriate blanks on the entry. The tie breaker game will not count on your won-lost record. It will be used only in case of a tie.
4. Winners will be named by the Monday following the contest deadline each Friday and they will be named by Sunday, if possible. Cash prizes of \$5 for first, \$3 for second, and third prize of \$1 will be awarded.
5. Tabulations of individual entrants will be kept all season and at the end of the season a grand prize winner will be named. Grand prize winner will receive two free tickets to Cotton Bowl game plus hotel, food and traveling expenses to Dallas and the January 1, 1969 football classic.
6. There is nothing to buy. No requirements other than to bring the entry blank, filled out, to The Blade office by 5 p.m. or postmarked by 5 p.m. Friday.
7. Only one entry blank may be submitted per individual. If more than one blank is submitted by an individual, all will be disqualified.
8. Tabulations will be available for public inspection. Members of Blade staff will serve as judges for contest.
9. Contestants must be 10 years old or older.
10. Everyone, except employees of this newspaper and their families, is eligible to enter.

Score 26-16 --

# Ponies Kick Amherst In Season Opener

The Bovina Mustangs kicked the Amherst Bulldogs, 26-16, here Friday night in the season opener for both teams.

Bovina dominated the game throughout, but had to come from behind on two occasions to earn the non-district win.

The Mustangs iced the game away in the fourth period as they regained the lead, 20-16, on a 16-yard scoring effort by Quarterback Stuart McMeans with 11:27 remaining to be played in the game.

Some five playing minutes later --- the next time the Ponies had possession of the ball --- they had an insurance TD on a one yard plunge by Fullback Royce Sisk. That boosted the

score to 26-16 and ended the point-making for the night.

The Mustangs were, however, knocking on touchdown door when the final gun sounded. They had a second down on the one yard line when time ran out.

Bovina's first score came on the Mustangs' first offensive effort. Bovina kicked off to the Bulldogs to begin the melee. On their second play from scrimmage, the Bulldogs fumbled. Rodney Murphy's recovery gave the Ponies possession at the Amherst 36. McMeans then skirted right end for the score and it appeared that it would be

an easy night for the hometown boys.

Jackie Hall's attempted place kick for the extra point, after a five yard penalty, was short and left the score at 6-0.

The Bulldogs had plenty of bite left in them, however, as the Mustangs quickly learned. Taking the following kickoff, the 'Dogs charged for the go-ahead TD and extra points in eight plays. Quarterback Royce McAdams, Amherst's talented leader, brought the kickoff back to the 44. He then set up the touchdown on a 22 yard pass to End Mickey John-

son which gave the visitors a first down at the Bovina two yard line. McAdams scored on the first play from there and then passed to Johnson for the extras to make the score 6-8 Amherst.

That lead was short-lived as Bovina marched right back downfield to get the advantage back.

Phil Sorley returned the kickoff from the 20 to the 46. The second Bovina score came 10 plays later with Halfbacks Ronny Dyer and Danny Stanberry and Sisk taking turns lugging the leather. Sisk made the score on a four-yard dart with 2:04 remaining in the first quarter.

McMeans tacked on the two extra points on a keeper play around right end. That made the score 14-8 and it stayed that way through the second quarter.

The Mustangs kept the Bulldogs at bay during the second period and made only one threat of their own. A 10-play drive bogged down at the Amherst 18-yard line midway through the period and the visitors took over on downs.

The Mustangs received the second half kickoff, but fumbled on the first scrimmage play. Amherst recovered on the Bovina 34. With that advantage the representatives of District 5-B scored in five plays. McAdams made the TD on a seven yard run and then passed again to Johnson for the extras to make the score 14-16.

Some anxious moments for Bovina fans followed as the possibility that their team would be upset loomed.

Murphy returned the following kickoff 33 yards from the 20 to the Amherst 27. Seven plays later, though, the ball was lost on downs at the 27.

Following an exchange of punts, McAdams was forced to fumble by a hard-charging Mustang defense. Stanberry recovered at the Bulldog 22 to set the stage for McMeans' second scoring scamper of the night.

For their final TD, the Mustangs marched 46 yards to paydirt in nine plays. The last score came with 6:58 remaining to play.

Bovina controlled the ball most of the remaining minutes and the lead wasn't in danger during that time.

McMeans and Sisk led the ballcarriers with 80 and 81 yards respectively. McMeans carried 10 times and Sisk 19. Stanberry made 59 yards in 15 trips and Dyer had 54 yards in a like number.

McMeans threw two passes, both incomplete.

## Forms Pep Club --

# Jr. Hi Names Cheerleaders

Junior High cheerleaders were named and a Junior High Pep Club organized last week in the Bovina Schools, according to Richard Roberts, principal.

Debra Sorley, Janee Russell, eighth graders, Nancy Hutto, Darla Hawkins and Terri Willard, seventh graders, are the cheerleaders. Miss Sorley was named head cheerleader by the group.

Boys and girls in sixth, seventh and eighth grades organized a Pep Club with mem-

bership set at 50 cents each. The dues will permit members to enter home town Junior High football games at no cost and will also allow for one bus trip to an out-of-town game, Roberts said.

The organization will require no uniforms, Roberts continued, but members will sit together at the ball games in the cheering section.

This is the first time the Junior High students have had a Pep Club in Bovina.

**At Home In Parmer County**

By CRICKET B. TAYLOR  
County HD Agent

Two delegates from Parmer County Home Demonstration Club Council, Mrs. Cordie Potts, Rhea Home Demonstration Club, and Mrs. Joel White from Oklahoma Lane Club, are attending Texas Home Demonstration Association Convention in McAllen, this week. On their return, they will spend a day at Hemis Fair enroute home.

Home Demonstration Club meetings will be getting underway this month also. A program on "Line and Design to Flatter the Figure," will be presented for this meeting. This should be of special interest to all women and girls for what woman isn't interested in looking her best in these new fall colors?

price we'll pay for the video telephone!

Replacement of foundation garment with leotards of stretch nylon. It will be possible to heat or cool these body stockings by a mechanism charged from a wristwatch-sized power cell, so we are told.

Goodbye heavy winter coats, hello all-weather comfort! Sounds fantastic doesn't it -- but so did the airplane when the Wright brothers thought up the idea. Wonders truly never cease in this fast moving world.

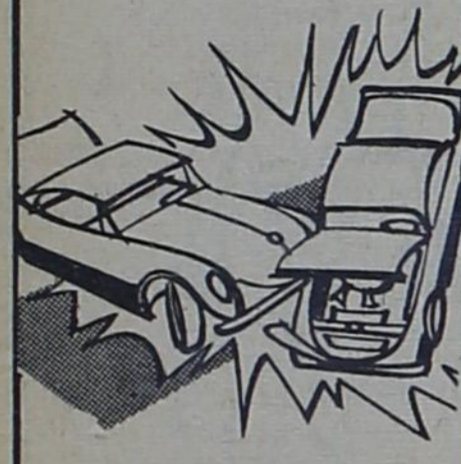

**BETTER BREAKFAST MONTH**

Eating a good breakfast results in better school records, according to research made on this subject. Studies show that during the late morning hours, students who had a good breakfast turned out more work, were quicker in their mental and physical reactions, and did not tire as easily as those who ate no breakfast or had only unsweetened coffee.

If junior is expected to make good grades, then "Mom" will see that he gets a good breakfast of citrus fruits, melons, strawberries, tomato juice or cereal products with milk -- or meat and eggs. Children need milk in addition to that on cereal. This is a good time for adults to get some of their daily milk requirement too.

Homemakers will do well to resolve now to make breakfast an important meal for the family, if they expect children to bring home good grades.

Thursday: Hamburgers, lettuce, tomatoes, onions, pickles, buttered corn, milk, applesauce cake.

Friday: Tuna pie, spinach, apple, pineapple and cheese salad, rolls, butter, milk, apricots.

## Next Mustang Opponent, Happy --

# Cowboys Riding High After Turkey Feast

The Happy Cowboys, a long-time rival, play host to the Bovina Mustangs in the second game of the 1968 football season Friday night.

Kickoff time is 8 p.m. for the tilt between the two Class A clubs.

Happy and Bovina built up their rivalry when they were both members of the same Class B loop and on many occasions the winner of the game was the eventual champion of the district.

Time moved the teams into different leagues, but the rivalry has remained. This year, the Cowboys have rejoined the Mustangs in Class A, but the two teams are still in different districts.

The Cowboys celebrated their advancement into Class A last week with a run-away, one-sided verdict over the Turkey Turks, 56-6.

They feature a set of strong, fast backs, according to Mustang Mentor Roy Stone.

Stone says, "We'll have to contain their speed if we beat them. They like to run wide and we'll have to stop that. Their passing is fair."

In regard to last week's tilt with Amherst, Stone thought his team "played a pretty good game." Work on stopping outside running is needed, he pointed out. "This caused us some trouble in the Amherst game."

"Our offense moved the ball well the first and second times we had the ball," he commented, "but fell apart the third time because of penalties."

Stone was pleased with the punt and kickoff tandem of Phil Sorley and Rodney Murphy. "These boys did real well," he said, "and their efforts gave us good field position during the game."

Stone was also pleased with the blocking of the right side of the line, Bobby Redden, Steve Pierson and Murphy.

A good game can be expected each time Bovina and Happy teams get on the field together and the same holds true this year.

The Bovina club came out of the Amherst game in good physical condition and the same lineup is expected to start in the Happy fray.

**BEST SALESMAN --** Buddy Clements, freshman FFA Chapter member, received a \$22 Winchester last week after selling the most magazines in a project sponsored by "Progressive Farmer." He also won two weekly prizes, a knife and a wallet. Buddy is the son of Mr. and Mrs. Jimmy Clements. John Paul Jones, left, is sponsor of the FFA Chapter here.

## For Year --

# Murphy Heads Booster Club

Bovina Mustang Booster Club elected officers at an organizational meeting Tuesday night in the library of the high school.

Don Murphy is the new president, succeeding J. D. Kirkpatrick. Johnnie Horn is vice president and Jerry Burnett is secretary-treasurer, succeeding Roy Allen.

The club requested that mem-

bership salesmen turn in the names of members of the Boosters at the same time their dues are turned in so that a complete roll will be available.

"Bovina Mustang" decals will be ordered for automobile windows and sold in the area for \$1 each.

Boosters also voted to remodel the photographer's booth on top of the pressbox at Mustang Field, making it the same size as the pressbox, Horn, Allen and Pat Kunselman make up the committee for improving the booth.

## National Highway Week Set

National Highway Week is Sunday Sept. 22, through Friday, Sept. 27, according to Weldon Moody, maintenance foreman of the Texas Highway Department headquarters for Parmer County in Bovina.

Officers and facilities at the headquarters here will be open and a special invitation is extended to the public to visit the facilities during National Highway Week, Moody said.

Bob Fillpot underwent surgery Tuesday morning in High Plains Baptist Hospital in Amarillo.

## FHA Region Meeting Set

A bi-district meeting of the Farmers Home Administration will be held in Amarillo Sept. 24 and 25, according to Parmer County Supervisor Billy R. Boling.

Information obtained at a regional meeting held in St. Louis on how to check the flow of rural people into urban areas will be discussed by the State Office staff. Wayne Nelson, President of the Young Farmers Association of Texas, will be a guest speaker.

The local Farmers Home Administration office will be closed from Sept. 24 to 26, because of the meeting. Those attending from Farwell will be Mrs. Wilma L. Moseley and Billy R. Boling.

Boling said that through 138 county offices, the Farmers Home Administration in Texas will loan about \$130 million to rural families and communities this fiscal year.

Pfc. Luis Serna, Jr. is home on leave from Korea, where he has been stationed several months with the U. S. Army. He will return to Korea about Sept. 29.

Last year, about \$60 million was loaned for operating expenses. Over 4,100 rural Texans received loans to improve or construct homes. More than 660 farmers became land owners through the FHA Farm Ownership loan program, and nearly 250 Texas communities received FHA loans to build or expand water systems, sewer systems, recreation projects, and grazing associations.
