SONORA BRONCO MILTON NOEL (23) is surrounded by Yellowjackets during the game Friday night. Noel and Lupe Espinosa made a good showing in the game as fill-in fullbacks for the injured Kerry Joy. Friday night the Broncos will face

the Mason Punchers in Bronco Stadium. The Punchers, along with the Junction Eagles and the Eldorado Eagles, are all going to try to stop the Broncos district title hopes.

## Broncos Win First District Game

By Robert Griffith

The Sonora Broncos look forward to a long awaited clash with the rival Mason Punchers this week after a resounding victory over the Menard Yellowjackets in their first district game

Friday night in Menard. The Broncos easily overpowered the Yellowjackets and totaled 42 points before the final buzzer sounded. Menard went scoreless.

The Sonora attack was spearheaded by the running efforts of Milton Noel and Lupe Espinosa, fill-in fullbacks for the injured Kerry Joy, and of halfbacks Scott Jacoby and James Noel. All four boys repeatedly broke through the Menard line for substantial gains. Quarterback David Wuest did his part with one TD and seven PAT's.

In the first quarter the Yellowjackets defense was successful in containing the Sonora offense until, with 35 seconds left, Bronco James Noel galloped in for the goal from three yards out. The PAT was good.

Sonora scored once in the second quarter on a quarterback sneak by Wuest, who also added the extra point.

The Broncos broke down the Menard defense in the third quarter, and it was easy going from then on. Milton Noel scored twice

in the quarter, once on a four yard run early in the quarter and again minutes later. Both PAT's were good.

Sonora again scored twice in the fourth period. Lupe Espinosa

scored from the one-yard line, and only a short time later, Sammy Perez picked up the final touchdown on a run from three yards out. Wuest's two kicks were successful.

## Heavy Rains Fall Over Wide Area

By E. B. Keng

Heavy rains fell over a wide area October 12, with as much as 7.0 inches reported on the

W. L. Miers Black Ranch. Draws were running in many areas—some for the first time in many months. Devils River was reported to be on a 15 foot rise. The North Llano River was running at Fort Terrett.

## STATEMENT TO STUDENTS

Mrs. Ed H. Grobe, executive secretary of the local draft board issued the following statement to students:

"All 1969 high school graduates attending college must request a student deferment in writing or by signing USSS Form 104, Request for Undergraduate Student Deferment and request his college or university to furnish this office with a College Student Certificate that is, if he wishes to be deferred as a college student."

## Sonora To Remain Class-A School

Sonora will remain a Class A school for another two years, according to information from the University Interscholastic League.

The State Executive Committee of the interscholastic league was guided by three factors in making the assignments concerning the 1970 football schedule. These factors were (1) enrollment in the last four high school grades, (2)

## Ambulance Problem Considered At Joint Meeting Thursday

A special joint meeting to consider the problem Sutton County is soon to be facing regarding ambulance service.

Both City and County Commissioners, along with City Manager, Jimmy H. Harris, Mayor Norman Rousselot and County Judge, J. W. Elliott were in attendance at the meeting held Thursday morning, October 16 in the county judge's office in the courthouse.

At a previous meeting of County Commissioners, Darcy Carroll, co-owner of the ambulance serv-

ice had stated the service was not showing enough profit for him and his partner, Louis Olenick, to keep the ambulance available for Sonora. At this time Carroll said financial assistance of at least \$200 per month from the county and or the city would be needed to keep the service in the county.

In answer to this the governing bodies offered to buy a new ambulance and lease it to Carroll and Olenick for \$1 per year. Most major expenses and repairs and the insurance coverage on the vehicle would be included. In this proposal Carroll and Olenick would agree to pay all minor expenses on the vehicle such as oil, gas, batteries, tires, etc., and sign a contract to keep the ambulance running for a period of three to five years, to be determined later.

At this time the offer is being considered by the ambulance operators, and no decision has been

reached.

Carroll and Lester Byer purchased the ambulance from Jack Kerbow in 1968. Byer later relinquished his interest to Olenick and explained that he and Carroll had never taken money out of the business. Instead, they applied income to a note against the ambulance.

County financial assistance of

\$50 monthly began after Carroll and Olenick approached the commissioners about their unprofitable operation.

Though the solution to the problem of ambulance service has not been found, both city and county officials agree that the cost of any subsidy will be shared equally by county and city.

## Grand Jury Hands Down Indictments

Four indictments were handed down when the grand jury met Tuesday.

Sammy Robinson, 19, was indicted for robbery by assault against Trinidad Ramirez. Robinson is now in the Sutton County jail after being released to local officers from Mason County jail. Robinson will have to be examined by a psychiatrist before standing trial, as he has been in a mental hospital.

Two indictments of forgery and passing were issued, one to a woman whose name is being withheld until the indictment is served, and the other indictments was against Ronnie Bussey. Bussey, about 23, is from Odessa.

Benigno Huerta Gomez was indicted on a charge of assault with a prohibited weapon.

## ELDORADO GAME ADVANCED

Eldorado will play Eden Thursday night so that Eagle fans can see the Sonora-Mason game.

## Church Dedication Set For Saturday

Everyone is invited to attend the opening of the new Cedar Hill's Church of Christ Saturday, October 25. A barbecue supper will be held in Camp Allison at 6 p.m., with the women bringing cakes and salads for the evening meal. Following the barbecue there will be a short service and singing in the new church.

Travis Williamson, father of Dr. Ron Williamson, will hold the service. Williamson is called the home minister by members of the Cedar Hill's Church, this church does not have a regular minister. The building is made out of logs from Colorado.

## District Court Tries Three Cases Tuesday

Three cases were tried in District Court Tuesday.

Benigno Huerta Gomez was indicted on the charge of assault with a prohibited weapon, against Reynaldo Perez, an employee on the Ruth Espy ranch. Gomez, a Mexican national, had worked on the Espy ranch previously. He had returned and asked to see Mrs. Espy about work and Perez refused, saying there was no work available. Gomez pulled a gun and shot three times at Perez. The next day Gomez showed up at the Gene Wallace ranch and asked him to call Mrs. Espy. Wallace called her and received word of what had occurred the day before. Gomez was apprehended at the Wallace ranch by Pryce Taylor, with the gun still in his possession. The court sen-

stated Gomez to two years in a state correction institute.

Ronnie Bussey, was assessed a \$100 fine and given a 2-year probation sentence.

Reynaldo M. Nesmith was tried on a charge of DWI subsequent offense and was given a 2-year probation sentence.

## LORDAN IN CUSTODY

David Spicer Lordan is in San Francisco, Calif., in custody of the police department and is awaiting extradition proceedings. He faces charges of forgery and jail breaking (a felony) upon his return. Herman Moore, sheriff, expects to make the trip to get him. Lordan says he waited on the Arrendando family and the man who brought them to town. The next day four members of the family were found slain on the Bud Whitehead ranch south of Sonora.

## CINDERS

By John T. King

The fire truck fund of Sonora Volunteer Fire Department is nudging the halfway point. Goal of the department for replacing trucks used in fighting range grass fires is \$15,000, and \$7,454 has been raised to date.

The plan of the department is to use the money and some of the present equipment to complete two trucks specially designed to fight Sutton County range fires. This summer's heavy use of the county fire trucks made it doubtful that some of them could be used successfully next year, and brought to light the necessity to buy new, more reliable equipment.

### A Bishop Looks at Life Man Needs Hope

By Everett H. Jones, Retired Bishop of the Episcopal Church

During the summer, I talked to a young college professor about the so-called youth rebellion. He pointed out to me that due to the development of the atomic bomb and the continued proliferation of nuclear weapons, many young people of today simply do not believe there is any future. Therefore, they are ready for any protest or demonstration that will give excitement to the present moment, for that is all there is.

This analysis of our current situation raises the questions: Can man live only in the present? Can he live without hope?

It is the traditional Christian consensus that man is amphibious, i.e. he lives in two worlds, the temporal and the eternal. He has one foot on earth, and one in heaven. As Tennyson put it, "Man partly is, and wholly hopes to be." Many of our experiences in this life are fragmentary, incomplete, and disappointing; we are surrounded by sorrow and tragedy. Something deep within us tells us there is more—there is a future that will set the present right.

Christian hope is not just wishful thinking. It is not whistling in the dark. It is not an exalted faith in man's victorious power and or skill. It is, rather, an inevitable corollary of a man's faith in God. It is a confident attitude

toward the future based on the fact that God is, that He is a God of love and goodwill, and that He is still the ruler of the universe which He has made. It is the result of believing in the God revealed by Christ. It is taking Christ at his word when he said, "He that hath seen me hath seen the Father." (St. John 14:9)

The novelist Saul Bellow said: "This generation thinks that nothing faithful, vulnerable, fragile can be durable or have any true power. Death waits for these things as a cement floor waits for a dropping light bulb." Until we get beyond this thinking to a recovery of hope, we shall not strive for the highest ideals or reach our own highest development. Man is so made that he needs hope just as he needs bread.

Lightly brown mushrooms in butter or margarine, add freshly cooked green beans, toss. Nice change.

#### Card Of Thanks

My sincerest thanks to friends, neighbors and the hospital staff who were so thoughtful during my recent stay in the hospital.

"CLIMBING OKRA" covers this fence in the garden of Clint Kniffen. The plant is edible and compares to zucchini squash. It grows on vines such as these to large sizes, but Kniffen says the best size to eat is a pod about 10 inches long and an inch in diameter. The Kniffens were given the seed by a former resident, Mrs. Jim Fitzgerald. Several of the pods are being allowed to go to seed in order that the Kniffens can give friends a start of the plant.

#### CLIPPED LIFE

A survey by the house journal of Lloyd's Bank of England on the fate of 100,000 paper clips showed that 14,163 were twisted or broken, during phone calls, 17,200 were used as makeshift bra and suspender hooks; 5,434 became tooth picks; 5,308 were used as nail cleaners; 3,196 became pipe cleaners; 19,143 serv-

ed as chips for card games; thousands were dropped on the floor and swept away, and only 20,000 were used to clip papers together.

### EAST, WEST LOVE IS BEST

Sue and Lee were only names to me when I first saw their picture. Incredible — that the children I now mother tenderly, once were strangers!

It seems only yesterday Dan wrote he was bringing them home. How frantic I was with worry and self-doubt. Could I love, as my own, children with slanted eyes and tinted skins? Would I fail them? Could I fulfill Dan's faith in me? We had been longing for children, true — but not foreigners!

In desperation, I called my pastor. Calmly and with understanding, he spoke to me of God's love as the common denominator of all nationalities.

And so from the moment I saw them, Sue and Lee have been our own, bringing laughter and joy without measure.

How grateful I am for God and His Church and the wisdom they teach—in Christ there is no East nor West. Without this truth my arms might still be empty.

### Daylight Saving Time To End Sunday

Sunday is the day everyone has been looking forward to since last spring. Turn your clock back

one hour Saturday night. Daylight saving time is over for a few months. As dark as it is every morning maybe the adjustment will come easy this fall. Most people say it takes awhile to get adjusted to sleeping later in the morning but some never did get used to getting up an hour earlier so they should not have a problem October 26.

### Teutsch Trains Kentucky Winner

Miss Brazos Bar, trained by Kenneth Teutsch, won the Kentucky Quarter Horse Futurity at Latonia Race Track, Florence, Kentucky Saturday night. Miss Brazos Bar ran the 400 yard, \$55,000 race in 20.60 seconds. The two year old filly owned by Ray Sandras, Channelview, outran a field of such horses as Good Bird Bars owned by J. L. Hankins, Rocksprings, Cuter Yet and Miss Three Wars.

Mr. and Mrs. Kenneth Teutsch and Zane have been in Kentucky a month and will go to Columbus, Ohio to race for a week before returning to Texas. Mrs. Teutsch is the daughter of Mrs. Libbye Lowe.

### 7th Grade Colts Win Again 30-0

By Mark Milliken  
Bob Whitehead

The game between the Junction Eagles and the Sonora Colts was another victory for the Colts. The 7th grades first touchdown came when Juan Perez caught a quarterback reverse pass for the first of 2 touchdowns. Gabreial Espinosa made the extra points and the score was 8-0.

The Colts kicked an on-side kick and recovered the football. The second touchdown came when Espinosa broke loose and scored from about the 50 yard line. Alan Harris scored the extra points for the Colts.

At half time the score was 16-0 in favor of the Colts. In the third quarter the Colts received and Paul Browne ran the ball back to about the 40 yard line. The Colts then ran the wing right 48 to set up another quarterback reverse pass. The pass to Perez was another touchdown for the Colts. The try for the extra points was good and the score was 24-0. In the fourth quarter Paul Browne intercepted a pass and ran the ball from the 40 yard line to the end zone.

The final score was Colts 30, Junction 0. The Colts will play Mason tonight.

### 8th Grade Colts Hang Tough

By David Wallace

Thursday night happened to be an unlucky night for the 8th grade Colts. In the first quarter, Junction battled their way to the Colts five yard line. One of the most exciting points of the game came when Junction was pushed back for a loss of 45 yards. The Bandits then punted to Bruce Kerbow on the Colts two yard line and he was dragged down in the end zone for a safety. When the quarter ended the score was 2-0 in Junction's favor.

The Colts held on and kept Junction from scoring until 2:43 seconds were left in the half. Junction rallied and at the end of the half the score was 8-0. From then on the game was a defensive deadlock with neither team scoring.

Defense standouts for the Colts were Rex Taliaferro, Willie Fay, Ladd Turner, Jack Sykes, and Henry Mata.

The Colts meet Mason Thursday night in Bronco Stadium.

JOHN MARTIN BECKHAM killed this antelope on the Mimms Ranch near Marfa October 11. He and Harold Schwiening made the trip over the weekend.

### Bandits Defeat Sonora "B" Team 8-6

Thursday night found the "B" team playing on their home field against the Junction Bandits, where they were defeated by a close score of 8-6.

In the first quarter, the Bandit's Carl Chandler, exploded for two touchdowns only to have both called back for clipping penalties against the Junction team. As the third period got underway Chandler scored again, this time adding the extra points to make the score 8-0.

It looked as though the Broncos would remain scoreless as the clock ticked away, but seconds before the buzzer sounded, Freddie Gonzales scampered over from 15 yards out to change the score to 8-6.

The extra point try failed and the final score showed the Bandits ahead by 2 points.

The "B" team will be in Mason Thursday night to test their B team.
