Gene Lightfoot Services Thursday

Funeral services will be held Thursday for Gene Lightfoot, a former Sonora resident. Mr. Lightfoot died October 29, 1969 in a Junction Hospital after a short illness.

Services will be held at 3 p.m., in the First United Methodist Church with the Rev. John Weston, officiating.

Masonic graveside services will be held in the Sonora Cemetery under the direction of Ratliff-Kerbow Funeral Home.

Mr. Lightfoot married Vida Anderson in Junction in 1923. They moved to Sonora in 1927 and he made his home here until after her death. He was a carpenter while living in Sutton County but had been engaged in the ranching business in Kimble County.

Mrs. Walter Trees Buried Saturday

Services for former Sonora resident, Mrs. Walter Trees, 44, were held Saturday, October 25, 1969 in the First Baptist Church of Del Rio. Burial was in the Lawnhaven Cemetery of Del Rio.

Survivors include her husband, Walter Trees, two daughters and two grandchildren.

Attending the services from Sonora were Mr. and Mrs. E. B. Keng, Mr. and Mrs. Rip Ward, Mrs. J. A. Cauthorn, and Mr. and Mrs. Bill Johns. Also Mr. and Mrs. Carl Peoples of Ft. Stockton, formerly of Sonora. Mrs. Peoples and Mrs. Trees were cousins.

Louis A. Merriman Buried Monday

Louis A. (Geetie) Merriman, 85, died early Sunday morning in a nursing home in San Antonio. Mr. Merriman had been a resident of the home the past two years.

He is survived by a sister, Mrs. Belle Binyon of New Mexico and a nephew, Rex Merriman.

Graveside services were held in the Sonora Cemetery at 2 p.m., Monday, October 27, 1969, with the Rev. John Weston officiating.

Mr. Merriman moved to Sutton County in 1909 and was a ranch worker until retirement.

Halloween Carnival Opens Tonight Spook Parade Starts At 5 P. M.

The annual Halloween Carnival will be held tonight. Presentation of the queen and her court will start the festivities. Sarah Allison will represent the freshmen; Jessie McCutchen, the sophomores; Missy Brown, the juniors and Anna Marie Fernandez, the seniors.

The spook parade will march down Main Street at 5 p.m. Prizes will be offered in three categories for the goblins and witches, with prizes in each group of the funniest, spookiest and most original costume. Then these children will be judged for over-all

SONORA BRONCO JAMES NOEL (21) is carrying the football behind David Wuest (12). Mason Punchers grabbing for Noel are Jeff Grote (86) and Marty Walker (77). Sonora

Broncos defeated the Punchers and now face Junction and Eldorado teams in their bid for another district title.

Broncos Win 3-0 Game Over Mason

The Sonora Broncos fought the Mason Punchers to a standstill for three and three quarter quarters Friday night before finding the combination that put them on the scoreboard. The game ended in a 3-0 victory for the Broncos, who now occupy first place in district 8-A with the Junction Eagles. Their district record stands at 2-0, while Mason is 1-1.

The first half was a tight defensive battle. Each team had five possessions, and Mason succeeded in penetrating into Sonora territory three times, but the Bronco defense, led by Erasmo Lumberras, Sammy Perez, Barry Black, Jesso Cook, and Isael Sanchez put down each threat.

Sonora was never able to get past their opponents' 48 yard line in the first two quarters, though the offense collected 71 yards on the rushing of fullback Kerry Joy and of halfback James Noel. The defense held Mason to 17 yards rushing in the half, but was less effective against the passing of the Mason quarterback.

The Punchers started off the third quarter strong and drove into Bronco territory on two occasions.

Sonora gained the momentum, though, when Dow Nobles fumbled a Sonora punt on his own 15 and the ball was recovered by the Broncos on the 20. Sonora took the ball to the 16 yard line where

they in turn fumbled the ball into the hands of Mason guard Rex Hoffman.

The Punchers weren't able to move the ball and were forced to punt. The 19 yard kick put Sonora in possession on the 44.

It seemed once again that the Broncos would be unable to move the ball against the Mason defense until quarterback Eddie Sutton came to the rescue with a long pass completion to end Lumberras for a first down. He followed with another long aerial seconds later and the Broncos ended up on the Mason 10 yard line with a fourth and six situation. Bronco coach, Jerry Hopkins elected to go for the field goal. David Wuest toed the ball through the uprights from 27 yards out and Sonora had all the score they needed to wrap it up. Mason gained possession and on the first play quarterback McDonald was thrown for a seven yard loss by Isael Sanchez. He then went to the air only to have Bronco Jess Cook intercept his second pass of the evening.

Sonora took over with 2:02 remaining and ran off 1:30 before returning the ball to the Punchers who only had time for two plays before the buzzer sounded. Mason was dealt a bad break in the first quarter when starting quarterback Karl Willman suffered a damaged vertebrae. He sat out the remaining three quar-

ters and was replaced by sophomore Bobby McDonald, a south-paw passer.

McDonald led the Punchers to 161 yards total offense, 114 on the ground and 64 in the air. Halfback Skeeter Martin led the rushers with 83 yards on 18 carries.

Sonora ended the game with 149 total yards with Kerry Joy running for 52 yards in 15 attempts. Passing yardage for Sonora totaled 35 yards.

The Broncos invade Eden this Friday looking for a third district win against the Bulldogs, winless so far this season.

Residents Of Loma Alto Accept Proposal Of City Commission

About sixty residents of the Loma Alto area met with the city commission and Jimmy Harris, city manager, last week to discuss the possibility of making sewer service available to Loma Alto residents.

The proposal offered by the city council stated that residents of Loma Alto, who live outside the city limits, would pay an additional \$1 per month city sewer fee for the privilege of being on the city sewer system. There will be no additional fee charged the

residents of Loma Alto for the hook-up.

Thirty-five signed for the sewer that night, after the city presented the proposal to the people. Harris said that the work of laying the line would be started just as soon as sixty people signed and agreed to pay the additional \$1 per month.

Connecting onto the city sewer system is something residents of Loma Alto have sought for a long time and now the possibility is here.

Lone Star Gas Seeks Higher City Rates

Lone Star Gas today asked the city of Sonora to increase local residential and commercial natural gas rates, "seeking to enable the company to earn a reasonable rate of return on the fair value of properties used in rendering public service."

The application for rate increase, the first major request since 1953 based on an income deficiency in the Sonora distribution system, listed increased cost of gas, higher property and equipment costs, increased wages and salaries, higher interest rate on borrowed money and increased taxes as primary reasons for the deficiency.

The company indicated that it had used every means available to avoid a request for rate increase, but said inflationary pressures not under the company's control necessitated the application.

"Obviously our wish to keep gas rates low must be balanced with the economic pressures we face," R. E. Day, regional man-

ager in charge of the Sonora operation, said. "These pressures can no longer be offset in any other way."

Approval of the company's application would increase the average monthly residential gas bill by approximately 80c.

Lone Star Gas serves 800 customers in Sonora.

Scouts Bake Sale Planned Saturday

The Boy Scouts will have a bake sale downtown Saturday, November 1, according to Jimmy Cahill, scoutmaster.

The scouts had a very successful bird hunt on Mrs. John Cauthorn ranch last Saturday. The boys killed 73 birds. Billy Wright Taylor and Cahill took the boys hunting.

Boys interested in becoming Boy Scouts are welcome to attend the meeting every Wednesday night at the Scout Hall.

Pre-Season Hunting Party Scheduled For November 4

To get everyone in the mood for hunting season, the ninth annual Pre-Season Hunting Party is scheduled for Tuesday, November 4, at the 4-H Center.

Each year the party is held prior to the opening of hunting season. Saturday, November 8, marks the opening this year.

This party is held each year for the Sutton County land owners, hunters who lease their land and members of the three sponsoring groups and their wives.

A game supper is planned this year. Wild turkey, venison, dove, quail, javelina, exotic sheep barbecue, carrito and rattlesnake chips, all native to Sutton County, will be served at 6 p.m.

The program will feature Art Weikum of Augusta, Montana. He will show slides of hunting and fishing in his state.

Sponsoring the party and game dinner are the Edwards Plateau

Game and Wildlife Association, Downtown Lions Club and the Chamber of Commerce.

Valuable door prizes will be given during the evening. Some of these are a deer rifle, scope, binoculars, a \$25 savings bond and a lantern.

The Edwards Plateau Game and Wildlife Association was form-

ed over thirty years ago. The idea for the party comes from this organization which has operated continuously on a membership fee of \$1. Dues go to finance any wildlife problem that may arise in the area.

There will be no meeting of the Downtown Lions Club at noon Tuesday.

Sutton County Received Heavy Rains During The Month Of October

Unusually heavy October rains fell in Sutton and surrounding areas during the past several days. Sonora residents were awakened early Monday morning by a push of polar air which was accompanied by torrential rainfall. Hail broke windows on the Wallas Renfro ranch, and was also reported to be heavy in northern Val Verde County.

Starting about noon Tuesday, heavy rains fell in Sonora and covered most of the county. Many draws were running moderately—some for the first time this year. Flood control structures on Dry Devil's River and Lowrey Draw were all receiving some runoff.

Lester Byer, Agriculture Research Service, reported late Tuesday evening that water was nine feet deep in Site 13 near the hospital, and four feet deep at Site 10 on the Ada Wynn ranch. Water was already running through the automatic draw-down pipes at Sites 11 and 12 on the W. L. Miers ranch.

Though the long time October average rainfall is 2.25 inches, very heavy rains have occasionally occurred. In 1930 the Experiment Station measured 12.8 inches, and 8.44 inches fell in 1957. Fall rains have produced good vegetation growth on most Sutton county ranches, and runoff will be greatly reduced.

The abundant rainfall should insure a bumper crop of annual weeds and Texas wintergrass. The average first killing frost is about November 15, which could provide some valuable growing weather. Many weather "prognosticators" are predicting an early and severe winter.

Representative rainfall reports

from Monday's storm included Lee Foster .6 to .9; Harold Friess 1.80; Jamie Parker .6 - 1.5; Corky Schwiening 1.9; John Mittel 1.0; Bud Halbert 1.5; John Ward 2.8; Mrs. Paul Turney 1.1; W. L. Davis 1.5; George Wallace 1.35; Thomas Morris 2.0; George Brockman 1.3; and Gene Wallace 1.2 to 1.65. Approximately 3.00 inches fell at Sonora Tuesday afternoon and night.

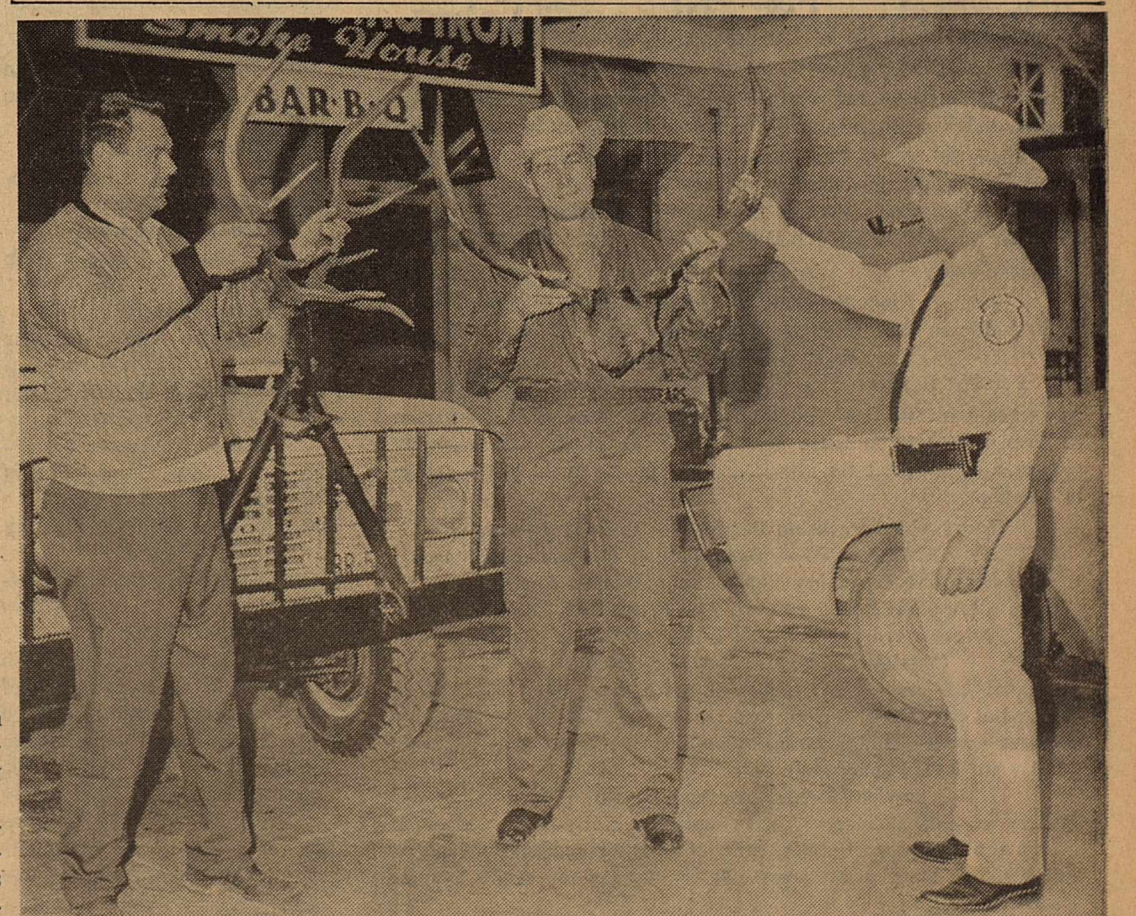

Vander Stucken Funeral Held

Services for Henry Louis Vander Stucken, 97, were held Saturday October 25, in Mission Funeral Home Chapel with burial in Pioneer Rest Cemetery of Menard. The Rev. Norman Griffith officiated at the services.

Mr. Vander Stucken was born March 10, 1872. He was married to Elva Harris in Menard where he had lived for 85 years. He died Thursday, October 23, 1969 in a rest home in Menard.

He was employed by Llano Engineering Co., and Valesco Engineering Co., was a merchant and became manager of the Menard Wool and Mohair Commission Co., from which he retired in 1949 following 30 years of service. He was a member of the Masonic Lodge.

Survivors include four nephews, E. F. VanderStucken of Princeton, N. J., Frank VanderStucken of Orange, George Brockman and Joseph VanderStucken and two nieces, Mrs. John Armstrong of Las Cruces, N. M., and Mrs. Dottie Brown of Orange.

DISPLAYING THE HORNS from elks killed on a hunting trip near Pagosa Springs, Col., are Wilfred Berger and Clint Langford. Points on elk are counted on one side of the horn, and these racks display 5 and 4 points. Inspecting the tag is Nolan Johnson, game warden. Other Sonorans hunting out of state include Herbert Fields, Dick Black, Jamie Parker, Bill Savell, Jerry Don Balch and Salty Barton.

Need-To-Know About Drug Abuse:

Facts and Fiction About Marihuana

Nearly everyone has heard fables, fictions, or fallacies about marihuana, perhaps like these: "Smoke pot and you wind up hooked on heroin — man, it's cleaner than alcohol—it's the first step right into the psycho ward—There's just no reason to keep it illegal—Why doesn't anyone tell the truth about marihuana?"

None of these statements is based on scientific fact, but on half-fact or misinformation.

The first statement, although wrong, stems from some studies showing that sizeable percentages of heroin addicts previously smoked marihuana (pot). The reverse is not necessarily true, although this adds no reasoning to the side of those who favor unrestricted marihuana.

Alcohol and marihuana are not comparable, as far as No. 2 goes. Moreover, the long-term effects of marihuana smoking are simply not known as yet.

As to No. 3, scientists have not proven that marihuana is a direct cause of mental illness. Nor have they proved that it prevents mental disorders or helps mental health.

There are some reasons on the legal side for restrictions on marihuana, as, for example, the indisputable fact that science does not know very much about it. It does not appear, moreover, that mass, permissive, total population usage of an unknown but powerful mind-affecting drug is rational.

"Why doesn't anyone tell the truth about marihuana?"

This despairing kind of cry is perhaps based on confusion brought about by those who favor taking all shackles off marihuana and who disseminate misinformation or slanted material rather than objective information.

Here are some facts about this controversial substance, entirely

and young needs to know have already been established. Here are some questions often asked and answers to them.

What is marihuana?

Marihuana—also spelled marijuana—is a drug found in a plant (cannabis sativa) that grows in mild climate countries all around the world. Some of its nicknames are pot, grass, weed, and Mary Jane.

How is it used?

For use as a drug, the leaves and flowers are usually dried and crushed or chopped into small pieces. This green-colored product is rolled and smoked in cigarettes or pipes or can be sniffed or taken in food. Its sweetish odor is easily recognized. The smoke is harsh; it smells like burnt rope or dried grasses.

Is marihuana used for medical purposes?

No. It has no known use in modern medicine. There are medical research studies seeking scientific information on it, but it is not used to treat or cure illness.

Statements that marihuana is "medically safe" are not supported by scientific evidence.

Do we know what marihuana does to the mind and body?

We do not know the physical affects fully. Long-term effects are absolutely unknown. The kind of research needed to learn the results of continued use has not yet been done. It is getting underway now, however, as pointed out.

Does marihuana affect judgement?

Yes, but not favorably. A person using marihuana finds it harder to make decisions that require clear thinking. He is open more easily to other people's suggestions. Doing anything that takes good reflexes and clear thinking is affected. It is, for example, dangerous to drive while under the influence of marihuana, just as it is with alcohol.

What are the laws?

There are Federal and State laws—and international laws—dealing with marihuana. Possession or sale of it in the U. S. is a felony under Federal law. Many states deal with marihuana as severely as if it were a narcotic.

Many feel that the laws should be changed; many others do not. In any case, young and old alike should know these and other facts.

National Institute of Mental Health

The little research that has been done in the U. S., and there has not been a great deal anywhere in the world, has principally used marihuana seized by the Federal Bureau of Narcotics and Dangerous Drugs which was supplied to qualified researchers.

But all natural marihuana is of uncertain potency, and seized materials are frequently unrefined and impure. Reliable research, whether in test tubes and analytic machines, on animals, or on man, can only be conducted if the drug is standardized, the potency constant.

The scientist, in a word, has to have a uniform substance to study if he is to produce results and accurate findings of value.

This long-standing problem seems at last to have been largely solved. National Institute of Mental Health research grantees and others have succeeded in isolating a number of compounds in cannabis, the plant from which marihuana cigarette material comes.

In addition, they have determined the exact structure of tetrahydrocannabinol (THC), the probable main, active principle of marihuana. Thus, the protection of uniform, synthetic or man-made marihuana is now possible.

With this compound, THC, sometimes called "liquid marihuana," scientists can at last run controlled, uniform experiments.

Very early work showed that the compound would be useful not only in laboratory studies but also in careful investigations in humans.

Basic research using synthetic marihuana compounds, along with a broad spectrum of clinical studies, is being supported and stimulated by the National Institute of Mental Health. This is a part of an invigorated attack on narcotic and drug abuse through research, training, services, and education.

Some other facts about marihuana which every citizen, old

Sailors' Snack: Cereal Boats

Puffed rice candy makes appealing placecards and favors for a child's party. Shape the chewy, tasty cereal candy into tiny boats, then add wood masts and paper sails. The puffed rice candy can be tinted with any desired food coloring to fit the party theme or a youngster's whim. Fill the boats with candy and nuts and you're set for smooth sailing on the summer party course. And when the "cargo" is gone, the boats are delicious snacks, too.

SAILBOAT PLACECARDS
 Makes 8 placecards

6 cups puffed rice
 3 tablespoons butter or margarine
 4 cups miniature marshmallows
 1 teaspoon vanilla

1/2 teaspoon food coloring
 8 wooden ice cream sticks or skewers
 8 paper "sails"

Heat puffed rice in shallow baking pan in preheated moderate oven (350°F.) about 10 minutes. Pour into greased large bowl. Melt butter and marshmallows in top of double boiler over boiling water, stirring occasionally until smooth. Stir in vanilla and food coloring. Pour over puffed rice, stirring until evenly coated.

With greased hands, quickly shape mixture to form eight 4-1/2-inch long sailboats, using about 1 cup mixture for each. Make an oblong cavity down the center of each boat, by building up sides and ends. Firmly pack the bottom of each cavity.

Insert a stick into the end of each boat for a "mast." Print name on each paper "sail"; glue a "sail" to each "mast." Let boats stand at least 30 minutes or until set. Fill with candy and nuts.

DATES AND EVENTS FROM YESTERYEARS

October 27, 1939
 The new Vinson Laundry and Dry cleaning establishment has been installed in the Morris Building on the West Main Street.

A ceremony read in the Asbury Methodist Church in El Paso united in marriage Miss Betty Jo Bloodworth and Don E. Reinhart, Jr., both of El Paso. Mrs. Reinhart is the daughter of Mr. and Mrs. Lloyd P. Bloodworth of El Paso and the granddaughter of B. M. Halbert of this city.

Mr. and Mrs. Ed C. Mayfield and Mrs. A. G. Blanton were guests of Mrs. Edna C. Beam last weekend in San Antonio. On Sunday they spent the day on Mrs. Beam's 300-acre ranch near Bandera, which she recently purchased.

FOR SALE — Slightly used phonograph records, 25¢—all makes at City Variety Store.

Jim Sessums, of the Sessums ranch about twenty miles southwest of Sonora, was badly burned early this morning when gasoline exploded as he was filling a tank by the light of a lantern.

"Three Live Ghosts" will come to town just in time for Halloween. The Lions Club is to present a lively three-act comedy by that name Monday night, October 30.

October 28, 1949
 Mrs. Joseph VanderStucken attended a party in Junction last week honoring her niece, Miss Nancy Spiller, whose engagement to Bill Tatum of Mineral Wells was recently announced.

Mr. and Mrs. Clayton Hamilton and Mrs. and Mrs. Bill Smith will attend the Sul Ross-Texas A&I game in Alpine tomorrow.

Mrs. Smith's son, Dickie Street, will probably see action. Last week against Corpus Christi, Street made an 86-yard run for one of the two Lobos scores.

Miss Peggy Ann Willman, the daughter of Mr. and Mrs. Ervin Willman, drum major with the Bronco Band, was named Band Sweetheart during the half-time ceremonies Friday night. Sonora beat the Eldorado Eagles 7 to 10 in that game.

Attending the Sixth District Convention of the Texas Federation of Music Clubs today and tomorrow at Brady are Mrs. A. E. Wells, delegate from the Sonora Music Club, and Mrs. Louie Trainer, Mrs. George Barrow and Mrs. A. E. Prugel. Mrs. Trainer is district treasurer. Mrs. Prugel will play the violin in the memorial program and concert.

Charles E. Bein of Harper is here visiting his daughters, Mrs.

Our Newsletter
 By O. C. Fisher

Reflecting growing public concern regarding the course of the war in Vietnam and the tempo to end it, a large number of Americans picked October 15 as a day to exercise their right of dissent.

Actually, the protesters can hardly expect our government to follow their demands—that of immediate unconditional withdrawal of all American troops from South Vietnam. To follow such a course would be foolhardy, regardless of what one may think of our involvement there.

President Nixon, who by the Constitution is our Commander-in-Chief, has announced a plan of gradual disengagement, as replacements of South Vietnamese are trained and equipped to take over the burden of the war. That being our nation's policy, it shall in my judgement have the full support of all Americans.

There is a right way and a wrong way to express legitimate dissent. But, as I see it, in time of war when our troops are being killed and our flag attacked, no American has a moral right to voice dissent in a manner calculated to give aid and comfort to the enemy.

Progress is being made in pursuance of the President's plans. Already more than 97 percent of South Vietnamese troops have been equipped with our superior M-16 rifles. More than half of the Mekong Delta area is now under military control of the South, and their air force is taking over much of the air support, and will do more as pilots are trained.

Indeed, there are very knowledgeable military people who believe we are, in a sense, winning the war against Communist aggressors. Their losses have been astronomical. During the war more than 550,000 Communists have been killed—by actual head count. And there must have been more. Despite these heavy losses the enemy, apparently inspired greatly by the anti-war clamor in this country, keep pouring on more troops to the fray.

Now, of all times, we need to close rank and give full support to the American withdrawal-replacement plan.

154 Registrants Were Classified By Local Draft Board October 14th

The local draft board classified 154 registrants at the regular meeting Tuesday, October 14. Six were classified in Class I-A; 13 in Class I-Y; one in Class I-C Ind.; seven in Class III-A; seven in Class I-C Enl; four in Class I-D; seven in Class I-S(H); eight in Class II-A, 52 in Class II-S, ten in Class IV-A; 38 in Class V-A and one classified as deceased.

Classified V-A were Cristino G. Avila, David M. Powell, R. J. Menchaca, Claude M. Alexander, Jr., Simon L. Alaman, Harold A. Schweining, Jr., Edward C. Gibson, Norman K. Farmer, Marvin H. Gausemeier, Manuel S. Cortez, James D. Abbott, Also Tyree D. Hardy, Felipe S. Bernal, Walker B. Ragsdale, Fred T. Gillaspay, Clark W. Bierschwald, Hector G. Garcia, Robert V. Scott, William M. Scott, Also Miguel S. Soto, John T. Ratliff, Jr., Kenneth W. Whitehead, Jesus L. Guerra, Francisco T. Jimenez, Earl C. Lynn, Walter W. Leamons, Benigno Gandar, Donald F. Cooper,

Also Vincent F. Vega, William Schneemann, James O. Haire, Allen L. Smith, Michael A. Fritz, Thomas H. Williams, Arthur C. Bermea,

Also Charles E. Bingham, Olan R. Raley, George L. Roberson Classified deceased was: Nepo Martinez

Joe David Nance was on the honor roll the first six-weeks. Joe David is a sophomore in Sonora High School.

Sweet potato pie is almost here. Add a cup of drained crushed pineapple to the custard of your next one. Good!

THE DEVIL'S RIVER PHILOSOPHER SEZ

He Tries To Understand What Our Foreign Policy Is, Without Success

Editor's note: The Devil's River Philosopher on his bitterweed ranch on Dry Devil's River this week discusses foreign policy. That's what he says he's doing.

Dear editor:

Among the many things I've never been able to get a good grip on is what this country's foreign policy is, makes no difference what administration I was bewildered under, but I got a glimmer of what part of it is right now in a newspaper I was reading last night to see what the five-day weather forecast was and was feeling pretty good about it till I discovered the paper was four weeks old.

Our foreign policy, like the weather, may have changed since then, but at that time, according to this article, our policy is the Vietnamization of Vietnam.

This is something you can get hold of, and I'm in favor of it. I'm not only in favor of the Vietnamization of Vietnam, I'm in favor of the Australization of Australia, the Russianization of Russia, the Germanization of Germany, the Londonization of London, the Mongolization of Mongolia and all of other places I can't spell.

I go even further. I'm in favor of the Washingtonization of Washington, and getting all the mileage out of this foreign policy I can, the Sonoraization of Sonora.

Actually, this is the foreign policy I've been practicing myself out here on this bitterweed ranch just being myself. I tried

Granville Barker and Mrs. Nelson Stubblefield.

October 29, 1959
 Sutton County ranchmen meeting in the auditorium of Central Elementary School, Monday night voted unanimously to take steps toward having the county certified as a Brucellosis Control Area.

Mr. and Mrs. Jack Turney of Quemado are the parents of a baby born October 27. Paul Emery weighed seven pounds and six ounces. Grandparents are Mrs. Paul Turney and Mrs. Emery Davis of Del Rio.

Mr. and Mrs. Joe Friess were in Sonora visiting their friends and parents, Mr. and Mrs. Harold Friess and Mr. and Mrs. Ed Hawkins.

Joe Luttrell and Johnny McClelland were home from Texas Tech in Lubbock last weekend for a visit with their parents, Mr. and Mrs. Cullen Luttrell and Mr. and Mrs. John McClelland.

J. Wray Campbell has been appointed as a crew leader for the 1959 Census of Agriculture. Campbell will direct a force of census takers who will canvass all farms in Schleicher, Sutton and Val Verde Counties. The field canvass will start on November 18, 1959.

65 Years Ago
 Mr. and Mrs. Joe Turney left for Comstock Tuesday on a visit to Mrs. Turney's mother.

E. F. Vander Stucken, president and general manager of the general mercantile firm of E. F. Vander Stucken Co., returned Sunday from a purchasing and business trip to St. Louis, New York and eastern markets.

Mr. and Mrs. J. W. Mayfield came up from their ranch on Devil's River Wednesday to see the roping and to attend to some business.

Jackson Hall was the scene of three highly enjoyable and largely attended hops this week. Wednesday night the crowd was not large, but Thursday night was an overflow affair and Friday night the dancers were almost as numerous.

Mr. and Mrs. Marion Adams of London, Kimble County, left for their home Monday after they spent about a week in Sonora visiting friends and relatives.

TEEN SCENE

By KAY KERBOW

The powerful Broncos proved to one and all that they still have the skill to win district and possibly another state title. Big Reds showed Mason how it should be done and put a damper on their champ dreams by a 3-0 count in an exciting, nerve tingling cliff hanger.

To see the tears in the Bronco fans eyes, you would think the Reds lost. Students and fans were crying, slapping each other on the back, embracing each other and screaming in tearful ecstasy. The Sonora team is 2-0 in district play, as is Junction. Mason and Eldorado are tied at a 1-1 count.

The Broncos play the winless Eden Bulldogs in Eden Friday night, but all eyes will be turned toward Eldorado as the Eagles play host to the Junction Eagles. A win for Junction would virtually eliminate Eldorado's hope for district honors. A win for Eldorado would hurt Junction's chances unmeasurably, so this is a battle to the line for both teams.

The Jr. High Colts will miss the Halloween Carnival because of a game to be played with Big Lake in Big Lake. The "B" team is idle because of carnival activities.

— SHS —

The Halloween parade begins at 5 p.m. Participants from preschool through sixth grade are eligible. Contestants will be judged with prizes being given in three categories; most original, funniest, and spookiest. The winners of each age group will be judged against each other to give three overall winners.

The speech club is once again presenting a talent show. This year's performance will be broadcasted by station KOOK and is entitled "The Weekly Reruns." It is considered very entertaining, so it's worth your time to attend. Miss Jan Brown is the head of the talented cast—oh, she's also head of the not so talented members too.

The senior class is in charge of the concession stand. The juniors will have a golf putting booth. Sacks of cookies and cupcakes will be awarded as prizes to the lucky(?) winners. If the juniors themselves made

the prizes, maybe the winners are the losers.

The sophomores are having a dart throw. Cookies, etc., will be given to the balloon bursters.

Who knows what the freshmen will come up with. You guessed it—the sponge throw.

Seniors here's your chance to wipe the silly grins off the freshmen's face.

The band, Industrial Arts Club and G. A. A.'s will also have booths.

Hospital News

Patients receiving treatment at Hudspeth Memorial Hospital during the period from Tuesday, October 21 through Monday, October 27 include the following:

- Lupe Gamez
- Myrl Alley
- Earl Duncan
- Nancy Doran, Eldorado

- Guadalupe Samaniego *
- Karl D. Wilman, Mason *
- Eddie Custer *
- Fred Nichols
- Nell Holman *
- Rosa DeHoyas *
- Cleofas Espinosa *
- Lester Garrett *
- Bobbie Fawcett *

*Patients dismissed during the same period.

Saint Ann's Recaps

By Monica Davis

Saint Ann's festival and tamale sale was quite an event, thanks to the wonderful cooperation of the people of Sonora. The tamale sale Saturday went very well; as did the Mexican dinner and fun fest Sunday.

We especially want to thank merchants and individuals who were so generous with donations for prizes.

As we have so often stated, if it were not for the wonderful cooperation of all of Sonora, our beautiful church would not be possible.

Father Michael Fernandez was in Dallas last week for the formal installation of Bishop Tschoepe as the fifth bishop of the Dallas diocese. Father Fernandez met our new bishop for the San Angelo diocese, the most Rev. Steven A. Leven, who comes to us from the San Antonio Diocese.

The ladies of the altar society had their monthly communion Sunday. A meeting was held immediately after seven o'clock Mass. They plan to have another tamale sale on Saturday, November 15 and a barbeque dinner Sunday, November 16, plus their regular fun and fest games.

Mr. and Mrs. E. B. Keng visited their daughter and family, Mrs. T. O. Warner, last weekend. While there they were guests of Superintendent and Mrs. Norman Davis for supper, prior to the Kennedy - Goliad football game.

Guests in the home of Mrs. Robert Rees last weekend were her son and daughter-in-law, Mr. and Mrs. Horace Rees of Big Lake; her daughter, Mrs. Maggie Chapman, and her granddaughter and family, Mr. and Mrs. O. Brigman and Gary.

GLORIA ANN HERRERA

Engagement Told

Mr. and Mrs. Pablo Herrera of Dallas, announce the engagement of their daughter, Gloria Ann, to Sgt. Ray Sanchez, U.S. M.C. Sanchez is the son of Mr. and Mrs. Roman Sanchez.

The couple will be married November 8 in Dallas.

Miss Herrera is a 1966 graduate of North Dallas High School and is presently employed in Dallas.

Sgt. Sanchez is a 1965 graduate of Sonora High School and is home on leave from the U.S.M.C., and will report to North Carolina the last of November.

Just Arrived

Mr. and Mrs. Walter L. Whitehead announce the arrival of a daughter, Kelly, born October 17, 1969. Kelly weighed 8 pounds and 12 ounces. The Whiteheads have two other children Espy 5 and Lea 3. Grandmothers are Mrs. W. R. Whitehead of Del Rio and Mrs. Howard Espy.

Band News

By Eddy Smith

The Bronco Band marched and played from the gym to the football stadium to greet the Mason Punters.

Local scouts Teddy Coker, Paul Browne, Jerry Johns, and Johnny Humphreys raised the flag while "The Star Spangled Banner" was being played.

The cheerleaders and band leaders did Sonora's special yell and song.

At half time the band formed diamonds and an S for Sonora and played several marches.

Mason arrived at 7 p.m., at Bronco Stadium with four bus loads of band and pep squad students. Mason's band was No. 1 at contest last year.

The band will travel to Eden Halloween night for the third district game at 7:30.

Janet Pope and Roger Langford Receive 1969 4-H Awards

The annual Sutton County 4-H achievement program was held at the Sutton County 4-H Center, Tuesday, October 28.

Outstanding 4-H members, 4-H leaders and friends of 4-H were honored during the program.

Patrolman Bob Williams, member of the Department of Public Safety from Odessa, was the speaker.

Janet Pope, daughter of Mr. and Mrs. Walter Pope, received the Gold Star Award for being the outstanding 4-H club girl in Sutton County for 1969.

Janet has been a member of the 4-H club for 6 years and has participated in judging, horse projects, sheep projects and range projects. Outstanding honors won include:

member of first place plant judging teams at the Houston and San Angelo Fat Stock Shows, member of Junior State 4-H range team, member of Senior State team, exhibited the grand champion bag and fleece of wool at the Sonora Wool and Mohair Show, won first place in the Texas Sheep and Goat Raisers' state-wide 4-H range management record book contest.

Janet is also a junior leader in plant and range judging.

Roger Langford, son of Mr. and Mrs. Clint Langford, received the Gold Star Award for boys. Roger has participated in judging and fat lamb projects for eight years. Outstanding honors include member of junior and senior over-all high judging teams at the Sonora Wool and Mohair Show,

member of the junior 4-H state championship range team, member of the Senior State Champion Grass Team, member of the National Champion 4-H Wool team, exhibited the champion crossbred carcass lamb and the reserve champion finewool lamb at the San Antonio Fat Stock Show and was selected as one of five outstanding range campers at the Texas section range camp at Junction. He also served as a junior leader in judging and fat lamb projects.

Other awards include:

Outstanding 4-H Mother - Mrs. Billie Galbreath
Outstanding 4-H Father - Bill Whitehead
4-H Sweetheart - Susan Stewart
4-H Beau - Ted Fish

Achievement Awards - John D. Cook, Cora Pope, Bill Finklea and Sheila Alexander
Conservation Awards - Wade Richardson, Wesley Richardson, Sarah Allison and Cleveland Nance

Leadership - Kerry Joy, Ruthie Wallace, Rick Street and June Alexander
Agricultural Awards - Mark Rousselot, Larry Finklea, Steve Street and Will Wallace
Horse Awards - Mike Stewart, Maggie Galbreath, Glen Davis and Bob Whitehead
Public Speaking - Scott Jacoby and Lesa White-

Mark Jacoby Receives Earwood Memorial Trophy

Mark Jacoby, son of Mr. and Mrs. Philip Jacoby, was recipient of the memorial trophy, honoring the late Mr. Fred Earwood. This trophy is given in memory of Mr. Earwood for his many years of unselfish leadership in the sheep and Angora goat industry and for his encouragement of youth to participate in education-

al programs related to conservation and livestock production.

This trophy was made available to the Sutton County 4-H program by an anonymous donor.

The purpose of the trophy is to encourage Sutton County 4-H Club members to develop leadership qualities and to in turn encourage other Sutton County youth to participate in the local 4-H program. The trophy is permanently rotating and will remain in the trophy case at the 4-H Center with each year's honoree's name being engraved on it. A replica of the rotating trophy will be presented to the boy or girl who receives this honor each year. An anonymous committee will select the 4-H member to receive this honor.

Mark has participated in all phases of 4-H work in Sutton County for 10 years; served as president of the Sutton County

4-H Club for three years; served as chairman of the District 6 4-H Council; served on the State 4-H Council and won many honors in judging and with his 4-H projects. Mark also received the J. T. Rutherford Achievement Award in 1968 for compiling the outstanding boys 4-H record in District 6. He is a freshman at Texas Tech.

ELK OFFICER TO TALK

Charles Oldburg, vice president to Texas Elk Association of the southwest district, will be the featured speaker at the November 2 meeting of the Sonora Elks, according to James Morris.

A Bishop Looks at Life Gandhi Speaks To Us

By Everett H. Jones, Retired Bishop of the Episcopal Church

All over the world during this month of October there have been celebrations of the 100th anniversary of the birth of Mahatma Gandhi. Not only was Gandhi the outstanding person in the shaping of modern India, but his influence has been deep and far-reaching in every corner of the globe. Much that he had to say during his lifetime is just as relevant these twenty-one years after his death. Listen, for example, to these typical quotations:

"If I had to face the Sermon on the Mount and my own interpretation of it, I should say 'Oh yes, I am a Christian.'—But much of that which passes for Christianity is a negation of the Sermon on the Mount.

"Means are not to be distinguished from ends. If violent

means are used there will be a bad result. The terms are convertible. No good act can produce an evil result. Evil means, even for a good end, produce evil results.

"A man who aspires after truth cannot afford to keep out of any field of life. That is why my devotion to truth has drawn me into the field of politics; and I can say, without the slightest hesitation and yet in all humility, that those who say that religion has nothing to do with politics do not know what religion means.

"There is no defeat in the confession of one's error. The confession itself is a victory.

"All criminals should be treated as patients, and the jails should be hospitals admitting this kind of patient for treatment and cure.

"A small body of determined spirits fired by an unquenchable faith in their mission can alter the course of history.

"Let us all be brave enough to die the death of a martyr, but let no one lust for martyrdom."

NOBODY LOVES ME

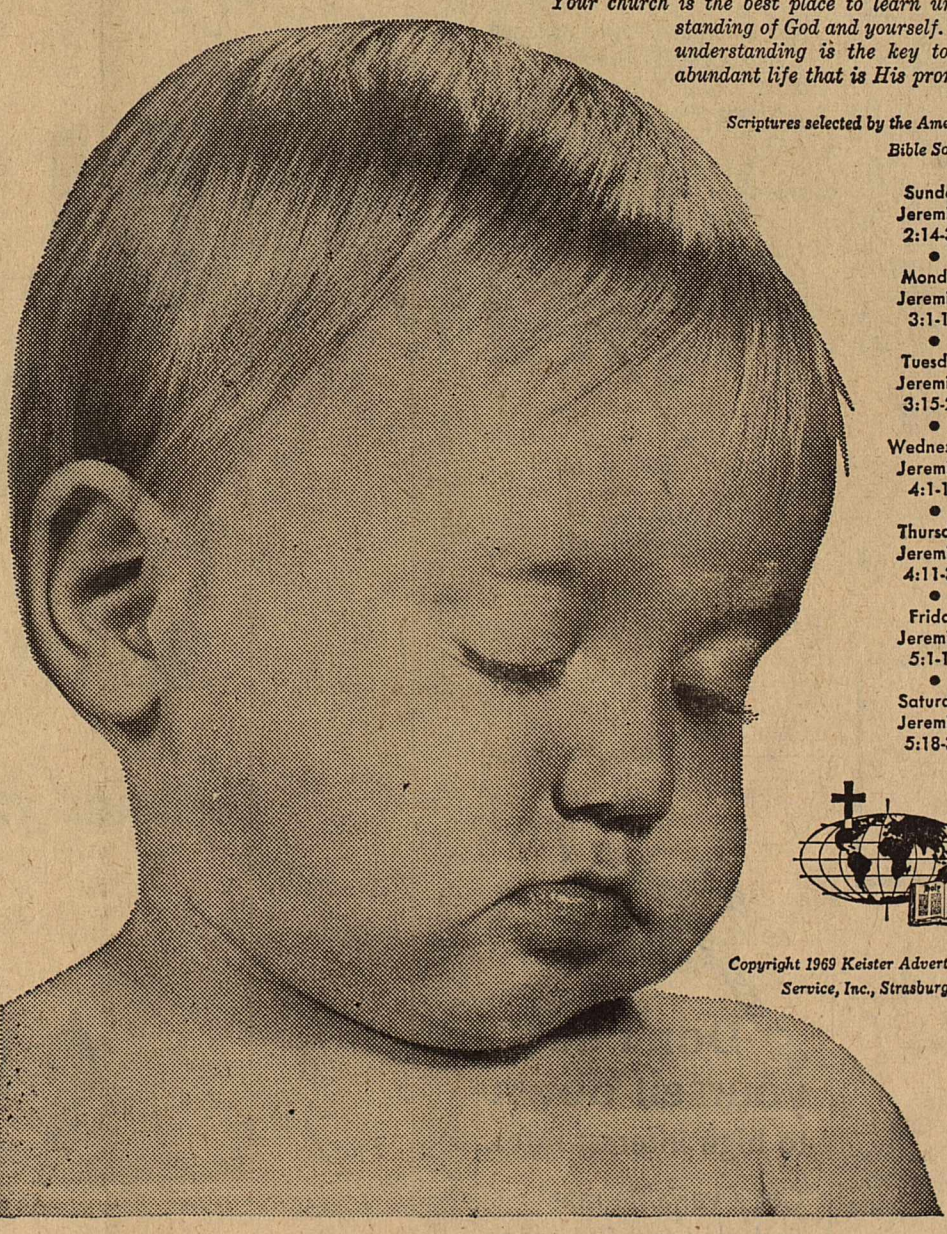

Mark sat in the middle of the hospital ward, looking scared and lonely. All around, other babies were being hugged and cooed at by their visitors.

He couldn't know we'd stopped to get his clothes and that today he'd be going home. His understanding of the situation was limited. But then he saw us, and he laughed and held out his arms, loneliness and fear forgotten.

Sometimes life makes us feel lost and lonely. Perhaps a business fails, a son is unreliable, a new job overwhelms or a loved one's gone. When we can't see our way, where can we turn?

God is our Comforter. Whatever our problem, there is guidance and help in His word.

Your church is the best place to learn understanding of God and yourself. This understanding is the key to the abundant life that is His promise.

Local Teacher Affends Meeting

Miss Betty Barton, local delegate, attended the Texas State Teachers Association Convention held in San Antonio last week.

Governor Preston Smith was one of the key speakers. He spoke on Quality Education. In his speech at the Convention Center Governor Smith said, "If we want good education we will have to pay for it." He referred to the 61st legislature as the education legislature.

The House of Delegates met in two sessions Saturday, discussed the TSTA constitution and voted on new proposals.

A I Training School To Be Held In San Angelo November 3-6

The second annual A I Training School class of the American Breeders Service will be conducted in San Angelo November 3-6, according to Wardell J. Toenjes. For further information concerning the school see the ad in this issue of the Devil.

The new style of animal has more length and muscle—muscles that ripple and bulge. This type of animal produces a carcass with a higher percent cutability.

Cutability is not new, but until recently it has received very little attention. Numerous examples are available to exemplify that two steers that weigh and grade the same are not necessarily worth the same amount of money in actual red meat sold. It is common to find differences in value from \$20 to \$50 per animal and differences of \$100 to \$150 have been published. Cutability is the term used for the estimate of the percentage of actual meat in a beef carcass.

The USDA has developed a cutability formula to estimate the percent of boneless, closely trimmed retail cuts from the round, rib, loin and chuck. This does not consider the entire carcass; it does consider the four most valuable wholesale cuts which represent more than 80 percent of the retail value of a carcass. The average cutability using this system is approximately 49 percent. Based on the current market prices March 1, 1968, the retail value of a carcass is increased

approximately \$6 for each increase of one percent in cutability.

The average for all steers is 49 percent cutability, with 55 percent cutability being the highest.

There are four major economically important traits to be considered in beef cattle — weaning weight, feedlot gain, cutability and mothering ability (milk). Only one bull out of 1,000 is outstanding in the ability to transmit two of these traits.

Because so few bull will qualify in meeting these new standards, cattlemen are turning to the use of artificial insemination.

The demand of cattlemen wanting to learn how to breed their own cattle the A I way is so great that American Breeders Service averages more than one A I Training School a day in the U.S. American Breeders Service has trained thousands of cattlemen, and women to breed their own cattle.

Sonorans Mother Dies in Abilene

The mother of Mrs. Clifton Hancock died in an Abilene Hospital Tuesday, October 28, 1969.

Services are to be held Thursday in Clyde, under the direction of Bailey Funeral Home.

Mrs. Hancock is the wife of the Rev. Clifton Hancock, pastor of First Baptist Church.

Report By Pollard

James Pollard, principal of high school, said he attended several of the general sessions at the recent meeting for The Texas Association of Secondary School Principals in Corpus Christi.

The group discussions meetings were of the most interest to Pollard, who said, "Since the Sonora Schools will be undergoing an accreditation visit this year I found the discussions on Review of Accreditation Standards especially interesting and helpful."

Appeal Issued To Keep P-TA Here

(Editor's Note: Mrs. Herbert Fields, District 6 chairman for International Relations of the Parent Teacher Association, provided the following article in hopes of arousing interest in continuing the Sonora Parent Teacher Association. A vote will be taken at the November 4 meeting on whether to disband the association.)

A PLEA FOR HELP
I have been thrown off the cliff and am being kicked to death! Please help me live!!

I have been a part of your school and community for half a century but now I am being killed for lack of interested parents. I need members who are interested in keeping me active and alive for the sake of their children's welfare. I need parents who are willing to fight for good schools and quality education everywhere.

In the past I have tried to be a good friend, doing everything in my power to "save the day" for your public schools. I have been available these many years

as a contact with your school and your teachers.

I know I have not been a perfect organization, but when I am gone what contact with the school will you have?

At the October meeting a referendum vote to keep me active was taken and I was voted inactive—"Thrown over the cliff!"

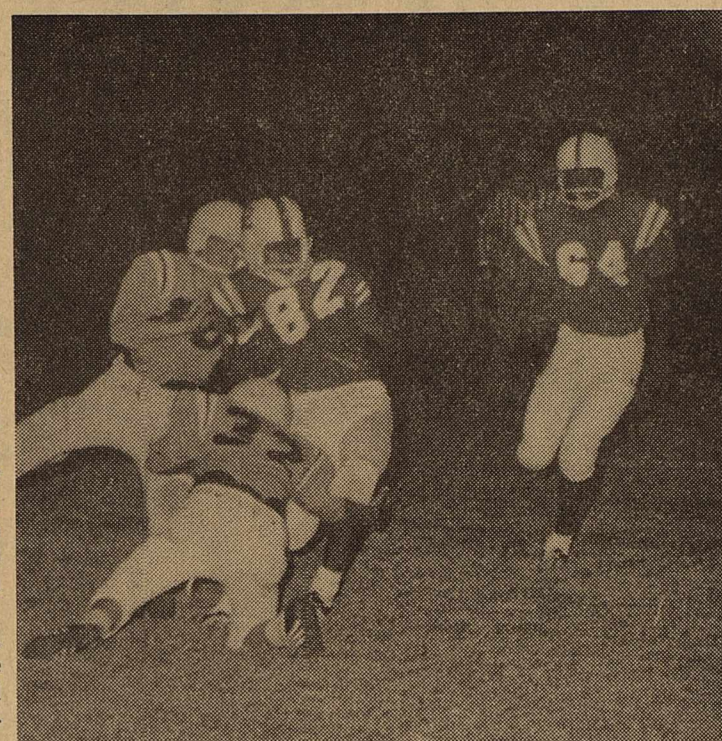

At the November 4 meeting, a vote will be taken to disband me forever. I can only be saved by people who are interested in paying their dues and keeping me alive. Keeping me alive will be a challenge, and it will mean work for all. I need officers and leaders who are willing to breath life into me again.

For the sake of your school, your community and for the welfare of your children and all children please come to the November 4 meeting at 2:45 at the Central Elementary School and vote for me. Pick me up, doctor my wounds and I will be your servant again.

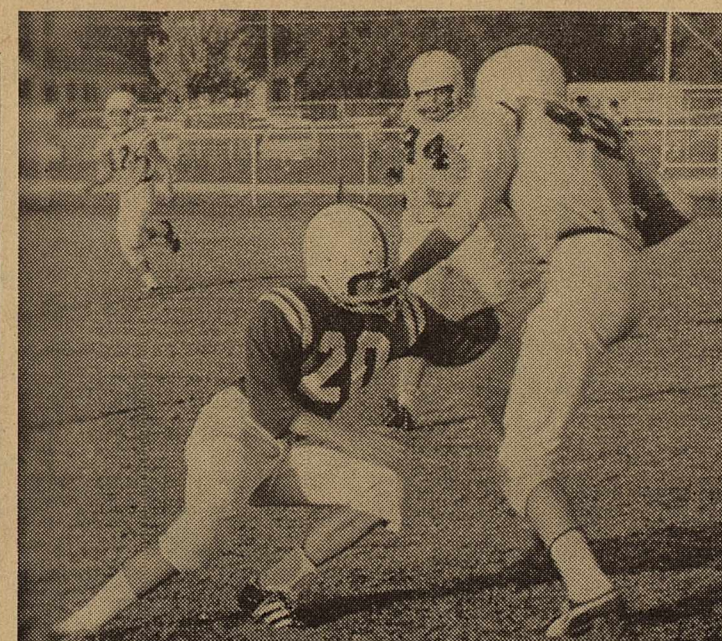

—Sonora Parent Teacher Association

TRYON FIELDS (21) is receiving a pass from Jimmy Cade in the Sonora "B" team game against the Junction Bandits.

JUNIOR HIGH 8th grade Colts, Enrique Mata (82) carrying the football and Willie Fay (64) coming to his aid, are trying to put their team on top in the tight game against Junction.

SEEING ACTION in a recent game is Keith Kniffen (20). Keith plays in the backfield for the 7th grade Colts. The Colts won the game over Junction 30-0.

Sonora 8th Grade Romps Over Mason

By Mark Wilkinson and Dary
The Colts made it 4 wins this season by romping over the Mason 8th graders by a score of 46-6 Thursday at Bronco Stadium.

The Colts got on top early in the first quarter when Freddy Virgen scored on 3 plays with a 50 yard drive. Virgen scored the extra points. Bruce Kerbow then drew blood on a two yard plunge to set the Colts ahead 14-0. The extra point attempt failed as the quarter ended.

In the second quarter Virgen scored again, running 30 yards to paydirt. David Wallace added the extra points. The first half ended with the Colts ahead 22-0.

On the kickoff in the second half, Henry Mata raced 70 yards for another Colts score. The PAT failed. The Colts, hungry for another touchdown, scored on a brilliant 50 yard run by Bruce Kerbow. The try for extra points failed. Later in the quarter David Wallace scampered 15 yards for a touchdown, failing to make the extra points.

In the fourth quarter it was almost a defensive deadlock. Sonora marched to the Punter

20 yard line, but after two plays the Colts had been penalized to the 50 yard line. With fourth down and long yardage, Henry Mata brought down a 45 yard pass and sprinted the ball in from the five yard line. The only Mason score came in the fourth quarter when the Mason quarterback threw a long pass to left end.

Highlights of the game came when Larry Cade caught a fumbled Sonora punt and ran toward the goal Sonora was defending. Kerbow kept the Puncers from scoring again when he recovered a fumble on Sonora's two yard line. One play from scrimmage, following the fumble, Freddy Virgen ran 68 yards setting up a Sonora touchdown.

The 7th and 8th graders will travel to Big Lake this week to face the Owls. In preceding games against the Owl teams, both Colt teams were successful.

Punchers Ride Bronco "B" Team

By Rick Hill

Thursday night in Mason was a bleak night as the Punchers rode the Bronco defense for four second half touchdowns to win 26-0.

The first half went scoreless as neither team managed to pose any scoring threat, while the second half showed the exact opposite.

A scoreless first half managed to ignite the Punchers to four quick touchdowns.

"B" team Broncos failed to score, possibly because of the injured personnel which seriously hampered the Bronco game.

Sonora's "B" team will see action in two weeks in Junction.

Legal Notice

NOTICE OF BID
SEALED BIDS WILL BE RECEIVED IN THE OFFICE OF THE SUPERINTENDENT OF SCHOOLS on November 10, 1969, at 12:30 p.m., on a 1958, rated 36 passenger Chevrolet School bus. This equipment may be seen at the Sonora Schools. Bid proposals may be secured by contacting Ken McAllister, Superintendent of Schools, Sonora, Texas.

7th Graders Win Fifth Game Of Season

By Steven Boyd

The 7th grade Colts made it five wins in a row Thursday night when they defeated the Mason Punchers 34-0.

Keith Kniffen surprised the defense with a reverse and scored the first touchdown. Gabe Espinosa powered over the middle for the extra points.

Alan Thorn kicked an on-side kick but Mason darted in to recover the ball. The Sonora line, Mark Parker, John Lopez, Donald Thompson, and Albert DeHoyas pushed the Punchers back and forced them to punt. The

Colts took charge, moved the ball for necessary yardage and Alan Harris scored on the reverse play. The extra point try was good.

The third score came as Paul Browne went in for the TD, but the try for the extra point was unsuccessful.

Juan Perez took a nice long pass and ran 32 yards for an exciting touchdown play.

The Mason club was never able to put together a scoring play as the Colts defense contained them on every thrust. Baldo Favela capped the Colt scoring with a sprint into the end zone.
