Hospital Auxiliaries Plan District Meet

The annual meeting of District II, Area 3, Texas Association of Hospital Auxiliaries, Inc., will be held here September 22, with the morning session starting with registration and coffee at the new Hudspeth Nursing Home from 9:30 a. m. to 11 a. m. The State president, Mrs. Weldon G. Kolb, will speak at this session.

An interesting day-long program has been planned according to Mrs. Charles F. Browne, councilwoman for the area. Hosting the meeting will be the Lillian M. Hudspeth Memorial Hospital Auxiliary.

Representatives from hospitals and auxiliaries are expected from the 26 counties comprising the area. Special guests for the day will include the state president, Mrs. Kolb of La Marque; Mrs. E. M. Kendall, the second vice-president from Amarillo; the president-elect, Mrs. Joe A. Tate of Corsicana, and the immediate past-president, Mrs. J. H. Nail of Abilene.

A noon luncheon is planned at St. Ann's Catholic Church Parish Hall. Alton Pearson, administrator at the Baptist Memorial Geriatric Center, San Angelo, will be the speaker. He plans to speak on "The Value of Hospital Auxiliaries", drawing on his wide experience in working with the volunteers who comprise the hospital auxiliaries. Pearson came to San Angelo last October after serving for sixteen years as administrator at the Baptist Memorial Hospital of Waco. Prior to that he served as an executive with the Texas Hospital Association.

The theme of the meeting is "The Gifts We Give" and to accent this theme, members of the Hudspeth Hospital Auxiliary have made outstanding Christmas ornaments to be given as door prizes. Other door prizes have been donated by local merchants.

Each year the state president selects a particular phase of the work that she would like to stress for the year. Mrs. Kolb has selected "Serve With Awareness of Public Relations". This will be the topic of a panel discussion following the luncheon. Mrs. Cliff M. Epps will serve as moderator.

The panel members include Dr. Charles F. Browne, local physician, speaking from the physician's viewpoint; Robert Vemor, administrator of Hudspeth Hospital, speaking from the viewpoint of the hospital administrator, and Mrs. Robert M. Perry of San Angelo, instructor of Gray Ladies at Goodfellow Field, speaking from the viewpoint of the volunteer.

Adjournment is planned for 2:30 p. m., followed by a special tour of the Caverns of Sonora for guests interested in seeing the caverns.

Area persons interested in attending the meeting are invited and may make reservations by contacting Mrs. Browne, 807 S. Concho, or Mrs. R. L. Hardgrave, 201 Edgemont Rd. Reservations deadline is September 17, and the fee of \$3 per person includes the luncheon.

Mrs. Ed Wall, 70 Dies After Illness

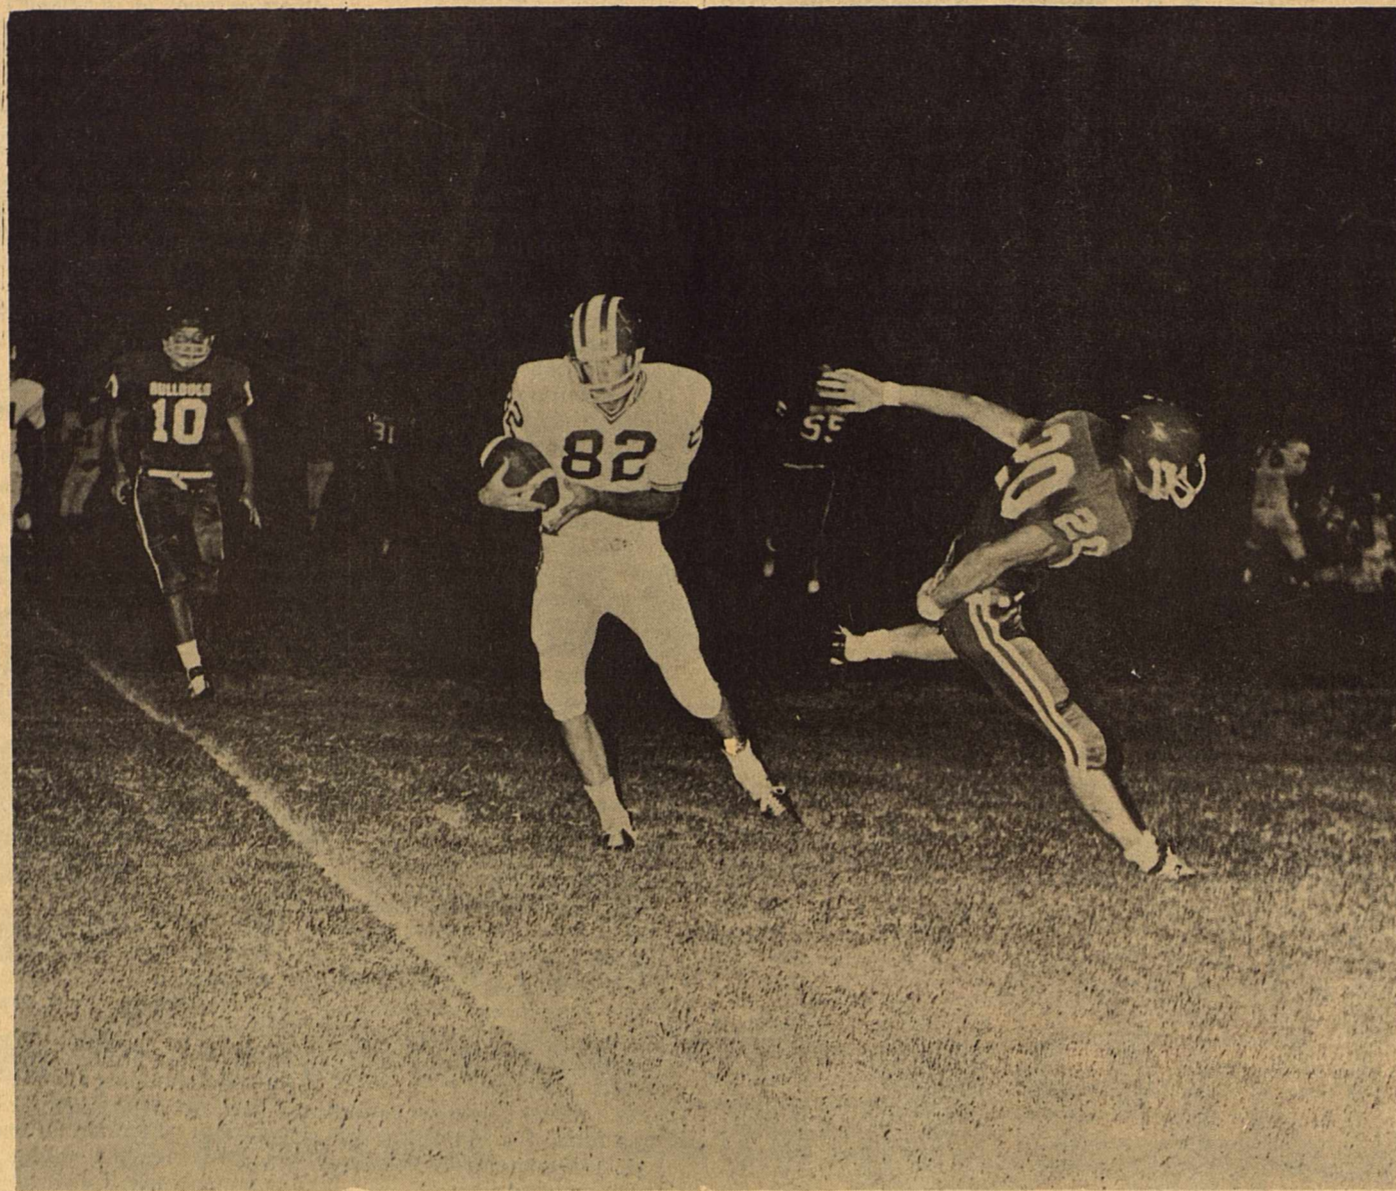

Mrs. Ed (Nellie Kay) Wall, 70, died September 12, 1970, in Ward Memorial Hospital in Monahans.

Services were held at the First Baptist Church with the Rev. Clifton Hancock, pastor, officiating, Tuesday at 1 p. m.

Mrs. Wall was born November 16, 1889, and was married to R. E. Wall May 20, 1915 in Menard. He died in 1958. She had lived most of her married life here.

Survivors include six sons, Aaron Wall of Cottonwood, R. E. Wall of Alliance, Ohio, Robert Wall of Dumas, Eddie Wall of Ozona, E. W. Wall and Lincoln Wall; three daughters, Mrs. Burt Otts of Monahans, Mrs. Myron Olson of Somerset and Mrs. Mandy Simmons.

Pallbearers were Francis Archer, Lester Archer, Horace Hill, Charles Goodson, Phillip Cooper, and Frank Carlisle of Monahans.

BRONCO MIKE TAYLOR caught this pass from quarterback Eddie Sutton and went on for pay dirt, when the Coahoma Bulldogs failed to catch him. Sonora won the game by a score of 37-8.

defeating the AA school in their season opener in Coahoma last Friday. Sonora Broncos will travel to Junction, this Friday and will meet the Eagles at 8 p. m. for the second game this season.

Firemen Submit Plans For Retirement Annuity

Darcy Carroll, fire marshal, met with mayor Norman Rousselot and commissioners W. B. McMillan and Walter Pope Monday, to discuss an adoption for retirement pay for volunteer county firemen. Carroll said officials of the fire department have agreed that certain requirements must be met before firemen are eligible for the retirement pay, and they include that firemen must attend 25% of the fires occurring, and 40% of the drills yearly.

A retirement pay of \$25 per month is being considered when firemen reach the age of 65, and who have twenty years of service in the department. An agreement will be drawn between the city and county commissioners with each gov-

erning body to contribute \$900 yearly to the fund.

Carroll also noted that fire prevention week is October 4-10. Mayor Rousselot said he has received several letters from the state fire marshal commending Carroll for his work.

OTHER BUSINESS --James T. Hunt met with the commission to present five proposals for annexation of his personal property to the city, along with a request for some property to be removed from the city limits. He plans to meet with the commission again and present plans and specifications for the development of the property, some of which is located near the hospital, football field, along with other sites.

Lions Auction Sale Committees Named For Annual October Event

The Lions Auction Sale committees for the October 6 annual sale will be headed by Leo Merrill, as chairman.

Other committees and members include: Merchandise Solicitation (local): Hershel Davenport, Joe Lane, Doyle Morgan, Darcy Carroll and Doug Hill.

Livestock Solicitation: Salty Barton, George Brockman, George Wallace and J. D. Cook. Auction Sale (Ring): Herbert Fields, Lin Hicks and Jimmy H. Harris.

Bookkeeping: Lea Roy and Marie Aldwell, Warren Hemphill and E. B. Keng.

Out of town solicitation: Jimmy H. Harris, Norm Rousselot, Jamie Parker, Walter Pope and A. E. Prugel.

Barbecue Meal (plan and serve)

Sonora Motor Co. Sets Open House

The 1971 Ford cars and trucks will be shown at Sonora Motor Company all day Friday, September 18, according to Joe Hull.

Free prizes, refreshments and favors will be available for those who attend the open house.

According to Hull, anyone desiring to do so may test drive any of these new cars or pickups on that day.

Booster Club Elects Officers

Officers were elected at the last Booster club meeting and a time change for meetings was established.

The group will meet at 7:30 p. m. Tuesday in the school cafeteria. Boosters formerly met Monday nights, but this year members voted the change to Tuesday.

Elected as president was Glen Richardson with Dick Street to serve as vice president. Jimmy H. Harris will serve as secretary and directors are Milton Cavanaugh, George Wallace, Bill Savell and J. W. Sutton.

Broncos Bruise Bulldogs

By KAY KERBOW

The Sonora Broncos opened their 1970 season with an impressive 37-8 victory over AA pre-season favorites, the Coahoma Bulldogs. The offensive unit awed the crowd of spectators with dazzling and breathtaking plays while the defense played a reliable, steady game.

After several punt exchanges, Bronco quarterback Eddie Sutton hit his favorite receiver, end Mike Taylor with a 25-yard pass with six minutes remaining in the first quarter to get the Sonora unit rolling. Taylor made the point after good and as the clock ran out to end the first quarter, the Broncos led by a 7-0 count.

Coahoma could not sustain a drive and was forced to punt to the visitors. Halfback James Noel surprised everyone watching from the stands and the Bulldog defense, too, as he threw half the field length to find Arnold Samaniego open in the end zone for a scoring strike. Taylor toed a perfect extra point to make the score 14-0 in favor of Sonora.

The Broncos took a comfortable 22-8 lead to the field house when Sutton again hit Taylor with a touchdown strike and Milton Noel added a two-point conversion. The Coahoma Bulldog's solo score came when Wendell Walker returned a punt 45 yards to score and quarterback Donnie Buchanan made the two point conversion attempt successful.

Returning in the third quarter to add two more scores to their previous ones, Bronco Taylor caught his third Sutton pass, this one for 30 yards, and Milton Noel ran over the conver-

sion to give Sonora a 30-8 lead. Minutes later Noel romped seven yards to the final touchdown and Taylor again made good the PAT, giving the Broncos a 37-8 win in their first showing.

The defense easily handled the Coahoma offense by forcing fumbles and pass interceptions. Key interceptions were made by Samaniego and Sammy Perez to end threatening Coahoma drives. The entire defensive line did an outstanding job containing the larger Coahoma offense.

Tackles Scott Shurley and Gene Trainer, nose man Tony Renfro, linebackers Kerry Joy and Lupe Espinosa, and the

entire secondary composed of Samaniego, Perez, Jimmy Cade and Rick Street deserve mention for their fine performances.

The offensive line of Joy, Renfro, Shurley, Trainer, Joe Eustace, and Richard Bernal also made a good showing for the Bronco team. Halfback Scott Jacoby made valuable yardage during clinch situations enabling several Bronco scores to be made.

The Broncos will travel to Junction Friday to test the Eagles in a contest to begin at 8 p. m.

Score by quarters:
Sonora 7 15 15 0 - 37.
Coahoma 0 8 0 0 - 8

School Trustees Okay Tax Roll

School trustees for Sonora Independent School District approved the tax roll of \$32,260,945 for Sutton County, and set September 1, as the date for school tax payments to begin hereafter.

August bills in the amount of \$9,647.84 were approved for payment.

A bid of \$864.50 was accepted from Wallas Renfro, for remodeling a room adjacent to the tax office for use as the superintendent's office. A \$96 bid for electrical work in the room was also accepted. The purchase of counters for use in the tax office was discussed and approved.

Ken McAllister, superintendent of schools, said an average of 441 students have been eating the noon meal at the cafeteria since September 2. Twenty-six pupils are eating under the free lunch program provided for those who meet the necessary requirements.

A request was made by Chapo Samaniego and Jessie Favela, representing St. Ann's Catholic Church, for the use of Elliott School by the church for a four-day retreat and Biblical study for young men of the church.

The board approved the request with the understanding that

any expenses incurred will be paid by St. Ann's, and they will also assume responsibility for cleaning the building, and returning it in good condition.

VANDALISM AT ELLIOTT

Some damage has been done to windows at Elliott School, said McAllister. Some broken windows will have to be replaced at an approximate cost of \$40 per window. The school which was closed at the end of the 1970 spring semester, was not re-opened this fall; however, McAllister said plans are being formulated for the building to be occupied during the coming spring semester. It is hoped that a vocational school can be opened and the building used for this purpose.

KINDERGARTENERS

Due to a larger number of kindergarteners attending than the number anticipated, the classes are being divided into morning and afternoon sessions. McAllister said letters have been mailed to all parents of kindergarteners asking them to state a preference for morning or afternoon attendance. The group will then be broken down into smaller classes, and the requests followed if possible.

Mrs. Dave Porter and Mrs. Leo Merrill are kindergarten teachers.

Sonoran's Sister Dies At Ft. Stockton

Mrs. Lela Hailey, 72, sister of Dave Locklin, died September 10, in Memorial Hospital at Fort Stockton, after an illness.

Services were held at 10 a. m. September 10, in Fort Stockton Funeral Home Chapel with a 2:30 p. m. graveside service at Sherwood Cemetery, Sherwood.

Mrs. Hailey was born October 31, 1897 in Sherwood and was a retired civil service employee. She had lived in Fort Stockton 11 years, moving there from San Diego, California. She was a member of the First Christian Church.

Other survivors include two sons, O. B. Page of Abilene and Donald Roy Page of Euless; two daughters, Mrs. C. H. Clark of Sacramento, California and Mrs. Dennis Barnard of Sacramento; two other brothers, Dee Locklin of McCamey and Elmer Earl Locklin of Hitchcock; four grandchildren and two great-grandchildren.

Local 4H's Win Contests Meet

Three Sutton County 4-H Club members entered record books in the District 6, 4-H record book contests held at Fort Stockton. 4-H members from the twenty-two county district competed in the event.

Glen Davis placed first in the Senior Horse Record Division, and Janet Pope placed first in the Senior Conservation of Natural Resources Record Division. Both of these records will represent District 6 in the State 4-H record book contests at College Station.

Cora Pope placed first in the Junior Sheep and Wool record contest.

EXCITEMENT REIGNS as students prepare for the Coahoma-Sonora football game last Friday. The halls are covered with signs boosting the team on to victory. Janet Pope, Marilyn Morgan, Kelley Sue Sentell, Cindy Cavanaugh, June Alexander and Jessie McCutchen, along with many high schoolers, hurry to meet

classes. Students find it hard to concentrate Fridays, and look forward eagerly to the fun and excitement of following the team to the games. This week the Broncos meet the Junction Eagles at Junction stadium, Friday night at 8 p. m.

The Devil's River News

Editorials-Features-Columns

The most effective single force in building a good community is a good newspaper.

Grassroots Opinion

TOWNSEND, MONT., STAR: "The average 18-year-old cannot remember when there was no television. To him, nothing is true—nothing has happened—unless he sees it on TV. Today's youth has parents and grandparents who base knowledge and experience on an entirely different set of values. They grew up reading carefully ordered words. They were mature before being bombarded by... on-the-scene news, glamorous entertainment, violence in the raw, provocative commercials, and fantasy formats. The older generation brings to its evaluation a cause and effect realism. Youth's desires are not bounded by what can or cannot be. They have no built-in timer that says 'work and save and wait.' The poor see into the homes of the rich. The uneducated opt for the status of those who have arrived. Television has brought actuality into the home. What young people see is fact for them. It is simply a matter of the age of the viewer as to what is seen and what message received."

EARTH, TEXAS, NEWS-SUN: "Columnists and commentators have called the non-activist bulk of our citizens by many names... One such name is the 'average' American, but that doesn't seem just right, because the 'average' of anything is only the worst of the good and the best of the worst... Others have referred to us as the 'silent' Americans, but with more and more of us standing up and speaking out against the destructive elements in our society, we are not so silent as we once were... so that name doesn't quite fit us either. The majority in this country should be called 'Middle Americans' because we are, indeed, in the middle; caught between the politicians who spend, spend, spend... and the non-producers who take, take, take... which means, of course, that we have to work, work, work, so we can pay, pay, pay!"

THORP, WISC., COURIER: "We humans have been so preoccupied with watching the price of everything else go up that we have failed to notice that the price of us has gone up too. Just 30 years ago chemicals in the human body had a commercial value of about 98 cents... Today, experts say, those chemicals are worth about \$800. Now no matter how modest he may be, anyone who owns a body has to be at least proud of something like this. Any body that contains chemicals which have increased in value by 800 percent can't be all bad."

PUNXSUTAWNEY, PA., SPIRIT: "On campuses all over the nation bands of students have assaulted flagpoles with little opposition as they sought to dishonor the American Flag to satisfy their thirst for attention. Nor so at San Diego State College. Standing between the flag and students who wanted to lower it was the imposing figure of the college's football center, Bill Pierson. 'I was born under that flag, I fought for that flag and I'm going to college today because of what it represents,' he explained. Pierson stood his ground for three hours. The flag waved on. How sad it is that principles which mean so much to so many are defended by so few. Surely students who share Pierson's convictions will not let him stand alone."

MORRIS, MINN., TRIBUNE: "Speaking of vacations, a former pack-and-a-half a day... smoker is taking his wife and two daughters on a five-week tour of West Europe on money he saved since he quit smoking 17 years ago. When he quit smoking in 1953, he started depositing 20 cents a day, the price of a pack then, in a fruit jar. It grew to \$2,445, including \$437 in interest, by this year. Now aren't you guys ashamed of yourselves, denying your wives and children a trip like that?"

Washington Newsletter

By O. C. Fisher

At a Black Panther convention in Philadelphia recently, the 5,000 delegates assembled there were exhorted by a leader to get guns and kill peace officers.

This brazen declaration of war against law and order calls for renewed vigilance, stronger laws, more rigid enforcement by officers armed and prepared to shoot and kill when prudence and necessity requires it. Pampering and coddling of criminals have encouraged the Panther and other lawless movements.

The Congress has enacted two anti-crime laws this year, and another one which hopefully might help the situation—where federal jurisdiction is applicable—is in the works.

A member of the Chicago 7 who was convicted in Chicago for conspiring to cross State lines to violate an anti-riot law, recently set the tone of a new wave of lawlessness when he said in a speech at Columbia University:

"The 60's was a time of sit-ins, the 70's will be a time to burn the banks."

Various criminal groups have been pulled together in what is called the "New Left"—a sordid combination that is organized, trained and armed to perpetrate their infamous deeds. These include the Weatherman faction of the Students for a Democratic Society (SDS) the Revolutionary Youth Movement, the Pro-Peking Progressive Labor Party, and others who collaborate with the Black Panthers and other extremists in a campaign of class warfare and guerilla terrorism. They follow the Communist line. They encourage dissent, discord, and defiance at all levels of society.

In a recent 15-month period of a total of 4,330 bombings an 1,475 attempted bombings were reported.

It follows that every available weapon—including more rigid enforcement and an aroused demonstration of public indignation—must be employed in the war against the enemies of organized society.

Let's Start A Campaign To Keep City People From Moving To Country

Editor's note: The Devil's River Philosopher on his bitterweed ranch on Dry Devil's River seems alarmed over the census report. Dear editor:

I have been reading the census figures for the whole country and find them almost completely alarming.

While the total population is increasing, some of the big cities are losing people, some of them as much as 15 percent, and you know what that means. It means they're moving out to the suburbs.

Now that in itself is all right, I never could see why people wanted to crowd up in inner cities, after all, the country is now safe from Indian attacks, no use in everybody huddling up inside the fort, but if you look ahead you know what's going to happen. The people who over-crowded the inner cities will before long over-crowd the suburbs. They're just moving from one un-liveable spot to another.

So what's going to happen? Some real estate man, when his suburban development gets choked up, is going to start saying, "Look, the place to live is out in the country. Plenty of fresh air, room for kids to run, no traffic congestion, no smog, etc. Get out of the un-liveable suburbs and move to the country. Now I've got this tract of land about 20 miles out..."

This is what's alarming about the whole thing and if our country people are smart we'll start a campaign to frighten the people away.

Point out for example, that country living is exaggerated. Water wells are always going dry, water pumps break down right when you have guests, septic tanks clog up, snakes and other varmints are dangerous, you have to gravel your own road, you're too far from the fire station and besides there aren't any fire plugs, if you think it's hard to get a re-

pairman in town try to get one in the country, there aren't any neighborhood schools, there aren't even very many neighbors, you'll get lonesome out there, you're ten times as far from your job or the supermarket, there aren't any buses or taxis, there's no garbage pick-up, no home-delivery of newspapers, say, the last thing you want to do is move to the country. Life is miserable out there. Stay miserable where you are and save the cost of moving.

Yours faithfully,
J. A.

First use of the Railway suspension bridge at Niagara Falls was in 1855.

Miss Judy Berry Marries John Bagley of Marfa

Miss Judy Beth Berry, granddaughter of Mrs. Ben Berry, and John Robert Bagley exchanged wedding vows in the Northside Baptist Church in Fort Stockton, August 29. The Rev. Jimmy Wayne, pastor of the First United Methodist Church of Alpine, officiated at the double ring ceremony.

The bride is the daughter of Mrs. A. W. Martin, Jr., of Fort Stockton and the late Mr. Leo Berry, and the bridegroom's parents are Mr. and Mrs. C. L. Bagley, Jr., of Marfa.

The bride, who was given in marriage by her stepfather, A. W. Martin, Jr., wore a street length gown of white

embroidered lace, styled with a swing skirt and matching overblouse. Her shoulder length veil and blusher of illusion fell from a small headpiece of flowers, and she carried a cascade bouquet of white carnations.

The bride's only attendant was her sister, Mrs. Johnny Mayberry of Pecos. William Evan Bagley of Marfa served as his brother's best man, and ushers were Mike Anthony of Marfa and Charles Blackwell of Fort Stockton.

Following the wedding, a reception was held in the fellowship hall of the church. Miss Jane Bagley, sister of the bridegroom served the three-tiered wedding cake, and his other sister, Miss Joan Bagley, served lime punch.

After a short wedding trip, the couple is at home in Alpine. Mrs. Bagley, who is a graduate of Fort Stockton High School, is completing her course at the Alpine School of Vocational Nursing. The bridegroom was graduated from Marfa High School and is presently a senior student at Sul Ross State University.

Mrs. Berry attended the wedding of her granddaughter, as well as guests from San Antonio, Beeville, Ozona, Odessa, Henderson, Midland, Marfa, and Bartlesville, Oklahoma.

Just Arrived

Spec. 4 and Mrs. Wayne McKay are parents of a son, James Stewart born September 13, 1970. He weighed 5 pounds and 15 ounces.

Maternal grandparents are Mr. and Mrs. Stewart Slatton and paternal grandmother is Mrs. John Pro of Pomona, Calif. Maternal great-grandmother is Mrs. Bertha Lenz Key of Cisco. Spec. 4 McKay is stationed in Vietnam.

Homemakers Nutrition Recipes

(Editor's note: This is another in the series of recipes presented by Mrs. A. E. Prugel, homemaking teacher, helping the homemaker prepare low-cost, nutritious meals.)

Grits is an economical food which is often overlooked by the budget conscious homemaker. They furnish carbohydrate for energy and can be used to stretch other protein foods. Here are three recipes to start you off. By adding imagination many variations can be created. For 6 servings:

- 5 cups boiling water, 1 teaspoon salt, 1 cup hominy grits, either regular or quick cooking grits.
- 1. Bring water and salt to brisk boil in large pan.
- 2. Stir grits slowly into boiling water; return to boil.
- 3. Reduce heat, cover and cook slowly for 25 to 30 minutes, stirring occasionally. (for quick grits, decrease water to 4 cups. Cook 2½ to 5 min-utes)

Serve with milk and sugar for cereal.

Recipe Number 2:
Pour cooked grits into loaf pan, then cover and refrigerate several hours or overnight. Cut into slices about ¼ inch thick. Fry in small amount of oleo until golden brown, about 10 minutes per side. Serve hot with syrup, honey or molasses or serve with eggs.

Baked Grits:
5 cups water, 1 teaspoon salt, 1 cup grits, ½ pound cheese, either garlic cheese or cheddar cheese thinly sliced, ½ cup milk, either reconstituted dry milk or diluted evaporated milk.

Prepare grits as above. Make layers of cooked grits and cheese in greased 5 cup baking dish. Pour milk over top; sprinkle with bread crumbs. Bake in preheated slow oven (325 degrees F.) about 20 minutes.

Variations: Sprinkle chopped ham, tuna, cooked vegetables between layers.

MISS VERA BETH WADE

Miss Vera Wade To Wed Preston Joy in October Rites

Mr. and Mrs. Bill Wade announce the engagement and approaching marriage of their

daughter, Vera Elizabeth, to William Preston Joy, son of Mr. and Mrs. H. O. Joy of Roosevelt.

The couple plan to marry October 10, at the First United Methodist Church.

Miss Wade is a 1969 graduate of Sonora High School and attended Angelo State University. Joy, a graduate of Junction High School, plans to continue his studies at Angelo State University during the spring semester.

John Silva Move To South America

Mrs. John Silva, daughter of Mrs. Marcos Perez, is teaching fifth grade and serving as principal at the American Cooperative School in Paramaribo, Suriname, South America.

Mrs. Silva is a graduate of Southwest Texas State University with a bachelor's degree in education.

Her husband graduated from Texas A&M University with a degree in mechanical engineering, and is associated in Suriname with the Aluminum Company of America.

The Silvas were transferred to South America last December.

Les Whitehead Chosen Southwest Texas Strutter

Miss Lesa Whitehead, former drum majorette of Sonora High School, has been named one of Southwest Texas Strutters. The one hundred girls chosen are members of the Southwest Texas State College girl's precision-dance team unit of the band organization of the San Marcos college.

The spirited, high-kicking strutters are known to millions through numerous nationwide television network performances and featured appearances at events of local, state and national importance.

Miss Whitehead is the daughter of Mr. and Mrs. Bill Whitehead, and the granddaughter of Mrs. Dorothy Taylor.

Airplane service was begun between New York and Chicago in 1919.

Talking it over

Some of the key moments in our education are those times when we discussed with someone older the interesting things we learn.

But, to speak frankly about religious education today, one of the serious handicaps facing boys and girls who are sent (not brought) to church is that they have little opportunity to "talk it over" at home.

Moral and spiritual growth is nurtured by family discussion of the truths taught in classroom and pulpit. But this presumes that parents and children together are sharing the experiences of worshipping God and studying the Christian Faith. Candidly, too, it presumes that the parents will be the pace-setters . . . advanced enough in their own religious growth to answer simple, urgent questions.

It was always fun to tell "Sis" what we had learned at school. But, remember, it was Dad and Mother we counted on when we couldn't find the answers!

For your children's sake — and your own — attend church regularly.

Accent On Health

The home has been the subject of poets and songsters for ages, and the words to such songs as "Home Sweet Home" bring wistful memories to those old enough to remember them. But to those in the fields of public health and safety, "Home Sweet Home" is a place where accidents occur all too often, says the Texas State Department of Health.

One of the big home hazards of today is in the field of poisonings. More than a half-million children will swallow poison this year in the United States and 90 percent of all cases reported will involve children under the age of five.

Children are the greatest victims of accidental poisoning because of their inquisitive nature. Closets and cupboards are great places to hide and investigate. A child will taste, bite and swallow anything he can reach, and teething time calls for chewing on furniture, toys and window sills.

Not only children but adults, too, are subject to poisoning. Take a look around your home and what do you find? You normally think of insecticides, rat killers and some rug cleaners as poison. But do you realize that many of the time

saving and labor saving substances under your kitchen sink, in your bathroom, in your garage and in your workshop or basement can be deadly? Your medicine closet is particularly dangerous.

The kitchen is perhaps the biggest threat. The oven cleaner, drain cleaner, bleach, dishwashing compounds and furniture polishes are everyday household products which may make your home more attractive and lighten your work load. But they can be deadly if misused.

In the garage or attic, many of us store paint remover, paint thinner, kerosene and other solvents and cleaners. Although essential in home maintenance, these products can cause injury or death when accidentally taken by a child. Some fumes are extremely harmful.

Medicine cabinets contain liquids and pills which are modern miracles when taken as prescribed. But the same medicinal preparations that cure when taken as prescribed can kill or make a child deathly ill.

To help poison proof your home, there are some steps you can take. 1) Store all medicines and household products in locked cabinets; 2) Clean out medicine cabinets regularly; 3) Don't put hazardous objects in soft drink bottle but keep them in their containers; 4) don't leave any medicines, cleaning compounds, insecticides or fuel oils where children can get to them; 5) don't use lead-based paints on toys or furniture.

"Safety First" is more than just a slogan when applied to your home, which can be a booby-trap unless precautions are taken in advance.

THE FAMILY LAWYER

No Questions Asked

Many a conscientious husband seeks peace of mind by buying life insurance to protect his family in case he dies.

But he may also have a nagging worry: will the insurance company really pay off when the time comes, or will it find some flaw making the policy null and void?

To cut this worry to a minimum, most policies now contain what is known as an "incontestable clause." Under this clause, after a stated period (usually two years), the insurance company can no longer raise technical objections about the validity of the policy. It must generally pay off "with no questions asked."

Suppose, for example, that a man applying for insurance fails to mention the fact that he has a drinking problem. And suppose, after his death, the insurance company finds out about it. Under the incontestable clause, the company could not raise this point to escape paying the insurance to the widow.

In fact, the incontestable clause applies in most states even if the applicant told a deliberate lie. Take this case:

A man filling out an insurance application was asked if he was in good health. He said he was—even though he knew he had serious heart trouble.

After his death, the insurance company tried to cancel the policy on grounds of fraud. But a court ruled that, despite the fraud, the company would still have to pay off—because more than two years had gone by. As one judge explained:

"Even though dishonest people are given advantages under incontestable clauses, still the sense of security given to the great majority of honest policyholders makes it worth the cost."

But not even an incontestable clause will help if the fraud involves the very existence of the policy. Thus:

A man suffering from tuberculosis managed to get life insurance by sending a healthy friend to take the medical examination for him. After the man died, the insurance company found out about the trick and denied liability.

The widow tried to rely on the incontestable clause, but a court ruled that there had never been an insurance contract in the first place. The court said that on one basic fact, the identity of the insured person, there was never a "meeting of the minds."

Shades of The Times

If you put up window shades just to keep out light and curious glances you're out of step with the times. New shades such as these from Newell Companies with embossed burlap patterns are designed to be seen from the inside too. New shade colors and patterns compliment the most modern or conventional furniture and floor covering styles. They are part of the total room decor. For a further excitement, buy self-adhering shade trim and add your own personal touch.

Absentee Ballot Application Begins

Any qualified Texas voter eligible to cast an absentee ballot by mail may now make application to his county clerk for an absentee ballot for the November 3 general election.

In order to vote absentee by mail in this election, a voter must: 1) be unable to appear Nov. 3 at the polling place because of sickness or physical disability; or 2) expect to be absent from his county of residence on Nov. 3 and during the county clerk's office hours throughout the period Oct. 14-Oct. 30, inclusive.

All applications for absentee ballots must be received in the county clerk's office not later than October 30.

Details as to absentee voting procedure may be obtained from a voter's county clerk. Generally, these provisions apply:

A voter applying for an absentee ballot by reason of sickness or physical disability must mail his application to the county clerk. It should be accompanied by the voter's registration certificate, and by a certificate

of a duly licensed physician, chiropractor or accredited Christian Science practitioner certifying to the voter's illness or physical disability.

A voter desiring to vote absentee by reason of absence from this county may either deliver or mail his application for absentee ballot to Erma Lee Turner, county clerk. In the application, the voter must state that he expects to be absent from the county on election day and during the clerk's regular office hours for the entire period of personal appearance absentee voting (Oct. 14-Oct. 30). The absentee ballot then must be mailed to the voter at an address outside his county of residence. Also, the envelope in which the voter returns the ballot must be post-marked from a point outside his county of residence.

Voter registration in Texas this year hit an all-time high of 4,150,645. On Nov. 3, voters will express their preference in state, district and local races, as well as on seven proposed state constitutional amendments.

A&M Meat Scientists Test Meat

The thumb, according to Webster's New International Dictionary, is the short and thick first of most preaxial digit of the human hand, differing from the other fingers in having but two phalanges and in having greater freedom of movement.

The thumb is used for many purposes, but who would believe that a thumb would inspire the development of an electronic device to test the tenderness of meat?

"Greek restaurateurs developed a method whereby beef tenderness could be determined

subjectively," Dr. Gary C. Smith, associate professor of animal science, Texas A&M University, explained. "They would push their thumb into the ribeye of a carcass, and according to the resistance encountered, would rate it according to its tenderness or toughness."

Dr. Leo Hansen of the Armour and Co. Research and Development Center, Oakbrook, Ill.,

Letter TO THE Editor

(Editor's Note: The following letter to publisher, Doyle Morgan, was received in the news office recently. Miss Hamilton, taught second grade in Sonora, for several years.) Dear Mr. Morgan: Enclosed is check for \$4.35 for a year's subscription to the Devil's River News.

I wish you success as Publisher of The Devil's River News.

I am hoping the Sonora High School Broncos will have another successful year.

Thank you. Sincerely, Emma Hamilton, Amarillo

A LOOK AT
CAPITOL HILL
WITH
Dick
Gill
YOUR CONGRESSMAN

FOR THE '70s
AND BEYOND

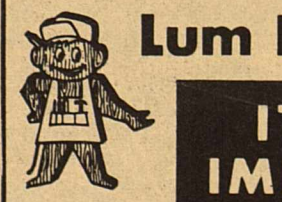

In light of the recent series of airplane hijackings, tempers are running high on Capitol Hill. The spectacle of American citizens—bruised, bloodied, frightened—American property worth millions wantonly destroyed is disgusting. In a recent telegram to President Nixon, I called for:

Moving strong military forces close to where the hostages are now being held. If a single U.S. citizen is harmed, our military reprisal should be swift and devastating.

Immediate cessation of diplomatic relations with every nation involved in the latest skyjackings, and the imposition of economic sanctions on these same nations, including: Totally withdrawing any and all U.S. economic aid; a total economic embargo; and forceful action to exact reparations for any U.S. property destroyed or stolen.

Even more important, however, is how we deal with the threat of future hijackings. If armed security guards on international flights are necessary, so be it. At any rate, one of my first actions as a Congressman would be to introduce and fight for such legislation as necessary to halt hijackings once and for all.

Pd. Pol. Adv., Gill-for-Congress Comm., Dale Dorn Chmn.

Whiskey Hill acts as navigator while Jackie Sharp does the piloting in Sunday's sudden rain storm.

Green News

by Jo & Monica

"When the rains came! Sunday, everyone ran for the clubhouse patio."

A general meeting for all club members was held Wednesday, September 9. Five new directors were elected. They were Earl Johnson, Dub Black, Jerry Balch, Sammy Espy and Monica Davis. Outgoing directors were W. B. McMillan, Jimmy Harris, Jo Hardgrave, Cullen Luttrell and Tommy Thop. Directors who were retained were Mickey Powers, Bob Snodgrass, James D. Trainor, Jackie Sharp, Lea Allison and Dennie Hays.

The primary discussion at the meeting was to build new rest rooms on the upper side of the course. It is a project we have all been wanting done, and we are now able to go on with the plans. That's great. We now also have 127 members in the Club.

Don't forget, new and old directors—we have a meeting Wednesday at 7:30 p. m. at the Club House. New officers for the year are to be elected.

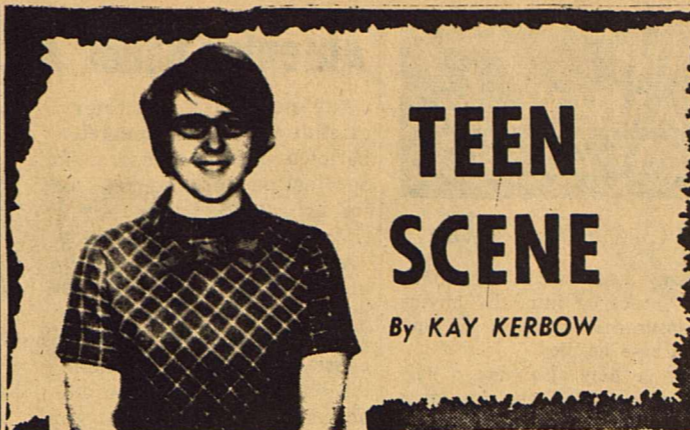

Have you ever seen a lonely golf course? Well, Tuesday, the day after our two day Labor Day Tournament, well honestly, if a course could sigh or cry, it was doing so—not a soul around, no one. You know I don't think the turkeys, bob whites, or even a jack rabbit was on hand. I mean, that's powerful lonesome.

—GN—
And the rains finally came! Sunday afternoon we had a downpour. Golfers from all over the course were really racing for the clubhouse. It looked as if they were dragging guys and gals, you never saw. For a soaker like that, we'll wait for our game.

Jo Neville, Sammy Espy, Wanda Cahill, Ernestine Hext, Bobby Fawcett and Lucille McMillan will be going to Ballinger for a ladies tournament this week. Good luck, girls!

—GN—
San Angelo is having their annual Fiesta Tournament at the Country Club this Saturday and Sunday. Some of our golf club members will be attending.

—GN—
We have a new member in the club. Joe Stewart. Welcome! We are so glad to have you with us.

TEEN SCENE

By KAY KERBOW

The Broncos again surprised the experts as they defeated the host Coahoma Bulldogs, 37-8. They play in Junction stadium Friday night when they meet the Junction Eagles in a contest, which over the last several years has become more or less a grudge battle.

—SHS—
The "B" team will travel to Ozona to test the "B" Lions in their first game of the season. "B" Broncos have looked extremely good in their two scrimmages with McCreary and Iran. "B" teamers to watch include backs Steve Street, Freddie Virgen, Wesley Richardson and John Weston and linemen Martin Beckham, Glen Davis, Wade Richardson, Ladd Turner, Jack Sykes, Willie Fay and Jimmy Galindo. The "B" team is important to a good football system as it gives the younger, inexperienced boys a chance to learn and improve their skills. Your support will be greatly appreciated.

—SHS—
With the game against Coahoma settling the peak of football fever brought by the first game, things in SHS have calmed quite a bit—for now anyway! But tomorrow brings another football Friday, so the accompanying nervousness, anticipation, and jitters will make the halls loud and classes will seem twice as long. SHS students live from Friday to Friday!

—SHS—
James Noel missed his calling. Instead of playing halfback on a football team, James should be pitching for a baseball club. At least, that's the consensus of opinion around school after James' touchdown "pitch" to Arnold Samaniego. James' form is to be envied by all baseball pitchers. Why, he even has the kick of his leg and follow through used by the pros. Eat your heart out, Bob Gipson!

—SHS—
An active speech club was organized last Tuesday night under the direction of speech and

English teacher, James Buchanan. Two school plays have been planned for the year, and work will begin immediately on the talent show presented annually at the Halloween carnival.

Many speech meets are scheduled for the year so the members of this club are in for a lot of work to be rewarded by much more fun.

—SHS—
The Student Council, in their meeting last week, have made some suggestions for conduct of students and spectators at athletic events concerning Sonora High School.

- 1) Every fan, including students and adults, should show respect during the prayer, the National Anthem and BOTH school songs.
- 2) Every individual should learn the words to the Star Spangled Banner, school song and the fight song and SING THEM.
- 3) All Sonora High School and Junior High students should sit in the section provided for them near the band.

Band Parents Open Concession Stand

Hershel Davenport, president of the band parents club, announced that the concession stand will be open Thursday night during the seven and eight grade football games. Sandwiches, cokes and popcorn will be available during the Ozona vs Sonora games.

"MAKE IT YOURSELF WITH WOOL" CONTEST TO OPEN Guacho pants, ponchos, midis, maxis! Sew yourself the new look. Enter the Make It Yourself With Wool contest. Your entry must be of 100% American loomed wool, advises Mrs. A. E. Prugel, Homemaking teacher. The district contest will be December 5, in Junction, and the deadline for entering is November 21, Mrs. Prugel added.

- 4) Refrain from such practices as throwing ice, rocks, etc. at any time.
- 5) The student body should yell for Sonora, but not against the opposing team. This includes such things as not "booming".
- 6) ALWAYS show respect to the referees whether or not you agree with their decisions.
- 7) It is important for every student to impress upon his parents and adult friends the importance of good sportsmanship.
- 8) There are litter barrels provided for waste disposal. USE THEM!
- 9) It is a district rule that no spectator should run onto the football field after the game, including the band. It is permissible to occupy the end zone at the end of the game to meet the team, but it is not permissible to occupy the end zone at any other time during the game.
- 10) Don't take a negative attitude. Your conduct will be reflected by others. Conduct yourself in such a way that it will reflect honor on yourself, your school and your community.

L. W. ELLIOTT SCHOOL has been the object of some vandalism recently. Some window breakage has occurred at the school, and damage to these windows is a source of expense to the citizens of the community, as replacement is set at about \$40 per window. It is hoped that anyone seen damaging the school will be reported to school officials.

Taxpayers Reminded School Taxes Payable At New Office Location

The Sonora Independent School District Tax office has mailed 2,399 tax statements for the year 1970 to all known property owners within the Sonora Independent School District (Sutton County).

All property owners within the school district owe taxes, and failure to receive a tax statement does not allow the tax office to waive penalty, interest, and cost, said Carroll King, business manager. "If you have not received your tax

statement please call 387-2944 ask for tax office, and a check will be made to locate it," King said. Some loan companies request direct mailing to them for some statements, while others will be mailed to the property owners, he added.

Description of the property on which persons pay taxes appears on the statement, and should be checked with deed records if there is a doubt about the property. The address shown on the statement is the

mailing address.

Payments may be made at the school tax office in the Junior High School building on College Street or may be mailed to "School Tax Office, P.O. Box 456, Sonora, 76950". Make checks payable to "Sonora Independent School District" and pay the amount shown on each statement, as no discounts are allowed on school taxes, King advised.

All 1970 and all delinquent taxes are payable beginning September 1. "Due to added expenses an early payment is appreciated," King said.

FEDERAL TAX COLLECTIONS

In a recent report on federal tax collections the Internal Revenue Service says that the total Internal Revenue collections for the United States in the calendar year 1969 was \$195,141,923,000. Texas tax collections ran more than \$8 billion for the first time.

Collections in the Dallas District, covering our area in northern Texas, amounted to \$3,593,898,000, of which \$2,791,651,000 came from individual income and employment taxes. Since each of us must pay about 1/5 of our total pay as our share of our country's cost, it is obvious that taxes are and will continue to be very important to us.

Friday nights are football nights and Hurry-Up box lunches are a must. Just call 387-3314.

"Miss America" Contestant During 1967 Speech Meet

Miss Phyllis George of Denton, who was named "Miss America" at Atlantic City, New Jersey, Saturday, was a visitor here and a contestant in the 1967 Speech Meet. Smith Neal, high school English teacher, and a longtime co-director of Sonora speech meets, recalled that Miss George had participated in the prose reading event, as well as humorous declamation and dramatic interpretation. She was also in Denton's one-act play.

Miss George won third place in the humorous declamation and was named to the all-star cast for her role in the one-act play. The 1967 meet was held February 24-25.

7th, 8th Graders To Meet Ozona

Members of the seventh and eighth grade football teams will meet Ozona in play here Thursday (today) at Bronco Stadium, with the first game scheduled to begin at 5 p.m. Twenty-four boys make up the 7th grade team and captains for the Ozona game will be Mike Street and Larry Finklea. Coaches are Bob Snodgrass and Ray Mason.

Eighth graders will meet the Ozona boys at 6:30 p.m. for their opening game of the season. Captains for the game are Paul Browne, Gabriel Espinosa and Mark Parker. Managers are Roy Adkins and Kevin Taylor. Oliver Wuest and John Partin are coaches for the Sonora team.

Twenty-six boys are on the eighth grade roster, and the backfield averages 121 pounds per man, with the line averaging 121 pounds per player.

O. C. FISHER TO BE LIONS CLUB SPEAKER

Honorable O. C. Fisher, congressman, will be the speaker at the September 22 luncheon for the Downtown Lions Club.

continued from page 1

--Jimmy H. Harris, city manager, and probably one of the power plant operators, will attend a Fairbanks-Morse school near Chicago, October 19-23. The school is being conducted by Fairbanks-Morse to better acquaint personnel with the power generating equipment.

--The final bill of \$28, at the Little League ball park was voted to be paid out of the general fund, due to current depletion of Little League funds.

--Accounts payable in the amount of \$5,647.54, were approved.

Phone news to 387-2222.

Coffee Break by Shirley Hill

Hope just a few of my readers missed me last week. As you know last Monday was a holiday and things around here were just too hectic to write a column. But I will continue writing every week, hoping my readers will continue to call in and give all the news.

—SKH—

Mrs. Charles F. Browne has been elected president of a unique painting society, formed by four women who are interested in art, and who get together each Wednesday to spend the day painting. Their slogan is "goof off the day in an artistic way". Mrs. Armer Earwood is program chairman, and other members are Mrs. Perry J. C. Byars and Mrs. Robert Tindall, both of San Angelo. The women alternate weekly as hostesses for the group, who enjoy the day promoting their artistic talents.

—SKH—

Mr. and Mrs. John McClelland, Jr and Trey of Houston and Miss Jan McClelland of Kerrville visited with their parents, Mr. and Mrs. John McClelland, Sr., recently.

Mr. and Mrs. John Merck and Rachael of San Angelo visited with Mr. and Mrs. Lea Allison and Sara, and Mr. and Mrs. Jake Merck, Sunday.

Mr. and Mrs. Alton Tuckness of California, visited Mr. and Mrs. A. C. Hudson Sunday afternoon on their way to Columbus.

Visiting Mrs. Juliet Driskell over the Labor Day holidays were her grandson and family, Mr. and Mrs. Thomas R. Driskell of Austin, and Mr. and Mrs. James Rice of San Angelo. Mrs. Rice and Mrs. Driskell were roommates at North Texas State University in Denton.

Mr. and Mrs. M. F. Wright of Tuscon, Arizona, were here last week visiting Mr. and Mrs. Joe F. Logan. Mrs. Wright is the daughter of Mrs. Logan.

Visiting in the home of the Rev. and Mrs. Lea Roy Aldwell were the Rev. and Mrs. Jake

Billingsley and Carroll of Austin, and Mrs. Lois M. Matthews and daughter, Beth Ann, of San Antonio.

FIREMEN'S AUXILIARY Mrs. Cashes Taylor was hostess to members of the Firemen's Auxiliary September 8 at the fire hall. A business meeting was held and plans were made to attend the District Firemen's Convention to be held in Winters, October 10.

Forty-two was played after the business meeting by Mmes. Lester Byer, C. W. Cockrell, Gene West, E. L. Harrell, Ervin Willman, E. J. Wipff, Vernon Humphreys and Luther Creek. Mrs. West won high; Mrs. Willman, low; Mrs. Humphreys, 84 and Mrs. Byer, bingo.

Refreshments of sandwiches, cookies, punch and watermelon were served.

—SKH—

Mrs. W. B. McMillan and her sisters, Mrs. H. E. Wright and Mrs. Walter Chadwell, both of Junction, have returned from a vacation trip to Oklahoma City to visit Mr. and Mrs. Tom O'Brien.

Mr. and Mrs. O. L. Richardson, Sr., spent the weekend with their grandson, Michael Richardson, and attended the dedication ceremonies for the opening of the new band hall. They also attended installation ceremonies for A&M's new president, Dr. Jack H. Williams. While at College Station, the Richardsons attended the A&M-Wichita State University football game. Michael, a distinguished student, is a senior physicist student at A&M.

Joe Richard Lancaster of Dallas visited his parents, Mr. and Mrs. A. C. Hudson, over the weekend.

Mr. and Mrs. O. L. Richardson, Sr., spent the weekend with their grandson, Michael Richardson, and attended the dedication ceremonies for the opening of the new band hall.
