Local Plans Set For Summer Fun-Time

With school closing last week and summer vacation time beginning for local young people, several adults are contributing much effort and time to making the summer months more enjoyable with many activities planned for pre-schoolers as well as high school age group.

Theme for the summer is "Discovery", and a column will be open to anyone interested in expressing themselves through the paper.

Joe Lane is directing a youth choir and Miss Logan directs the "Peanuts" crew which includes first to third graders.

Each Monday and Thursday from 2 to 5 p. m., youngsters in the age group of 4th grade to 7th are invited to meet at the "Hull House", across from the John Henry home, where games will be played, and an occasional devotional given. A library with books donated by local people, will be open during these hours also and books may be checked out for reading.

Other plans include a swim party each Sunday afternoon for about two hours. After the swim party, the group will return to the church for a sing song.

Two retreats will be held sometime during the summer months at local ranches for young adults in the 9th through 12th grade age group. The retreats will be open to all young people of the community.

Oliver and David Wuest are operating the swimming pool which opens daily at 2 p. m. Wuest said swimming lessons are scheduled to begin in mid-June, with June 14 set as a tentative date for the lessons to start. The pool will be open one night next week, he said, with the day to be posted at the pool.

Several of the churches are planning vacation Bible schools and the First Baptist Church opened a school Monday. A United Vacation Church School is being held next week, beginning Monday at the First Methodist Church, co-sponsored by the Methodist, Presbyterian and Episcopal churches.

Mary Lee Logan of San Angelo has been employed as youth director for the First Baptist Church and is in charge of summer activities. Miss Logan, a psychology major at Angelo State University, plans to study medicine.

She said the youth activity plans are open to all young people in the community and some of the entertainment includes a newspaper for youngsters entitled "The Reconnoitre" to be edited by Mark Parker, with Flaire Lane as co-editor and reporters Cody Savell, Dennis Dunnam, Linda Smith and Marche Lane. The paper will stress a calendar of events, telling what is happening in the individual classes, as well as other news items.

Mrs. Tom Peaslee Recent Graduate Honor Student

Mrs. Tom Peaslee was awarded a Bachelor of Arts degree in Spanish from Southwestern University at Georgetown, May 30. Mrs. Peaslee, the former Deborah Jane Galbreath, was recognized during the exercises as an honor student, graduating Magna Cum Laude.

She was honored at a recent Distinction List Dinner as the girl with the highest average among the graduating senior women.

While attending Southwestern, Deborah was elected to Alpha Chi, national honorary scholarship fraternity, as well as to National Collegiate Players. She was active in the Mask and Wig Club, playing parts in several plays presented at the Alma Thomas Theater, and serving on the costume crew for three years. Last semester she served as treasurer of the Southwestern Poetry Society.

Mrs. Peaslee, daughter of Mr. and Mrs. Billy Galbreath, was a 1968 graduate of Sonora High School.

Local 4-H Tops Jr. Range Judging

Twenty-four members of the Sutton County and the Crockett County 4-H Clubs participated in the Eldorado Divide Soil Conservation District junior range judging contest at the Walter Pope ranch Saturday.

Individual awards were presented to the winner in the judging contest with the following individuals winning the top ten awards:

First, Bill Finklea, 719 points; second, Sarah Allison, 704; third, Cora Pope, 678; fourth, Larry Finklea, 674; fifth, Sheila Alexander, 654; sixth, Craig Taliaferro, Crockett 4-H; seventh, Cindy Whitehead, Crockett 4-H; eighth, Ray Dunlap, Crockett 4-H; 9th, Marsha Finklea and 10th, Regina Everett, Crockett 4-H.

Unofficial team scores were Sutton #1, Bill Finklea, Sarah Allison, Cora Pope and Sheila Alexander, 2101 points; Crockett #1, 1929 points; Sutton 4-H #2, Larry Finklea, Marsha Finklea, Susan Schwiening and Lorrie Olson, 1840 points; Crockett #2, 992 points; Sutton #3, Renee Rousselot, Julie Carroll and Randy Gillit, 935 points and Crockett #3, 606 points.

John David Cook, Mark Hemphill and Janet Pope also participated in the contest for practice.

Mr. and Mrs. Walter Pope treated the group to a steak lunch following the contest. Bill Roundtree, E. B. Keng, Dr. Bob Ragsdale and Dr. Dan Rogers helped supervise and set up the contest.

Sutton 4-H'ers Sweep San Angelo State Show

Sutton County 4-H'ers swept the State judging contests held in San Angelo, Saturday, May 29, when the annual wool, mohair and range judging events were held.

Results of the judging were as follows:

Wool and Mohair—Senior division:

Individual standings—Cody Dutton, Edwards County, 1 (655 points); Cora Pope, Sutton, 2 (653 points); Louis Rumsey, Kerr, 3 (650 points); Janna Lindig, Bandera, 4 (649 points) and Jimmy Klemstein, Kendall, 5 (646 points).

Sutton County 4-H placed first in team standings with a total of 1924 points. Judging were Sarah Allison (634); Janet Pope (637); Cora Pope (653) and Bill Finklea (626). San Saba County placed second with 1883 points and Bandera County was third with 1879 points.

Judging in the Junior division Larry Finklea placed first with 651 points. Others placing included Maxine Lindig, Bandera, 2 (631); Charley Kuykendall, San Saba, 3 (623); Marsha Finklea, 4 (614) and Susan Schwiening, 5 (609).

Kari Eustace Honor Student

Miss Kari Eustace, who was a sophomore student at Texas Tech University at Lubbock this spring, was named to the dean's honor list.

Miss Eustace is a daughter of Mr. and Mrs. Gus Eustace.

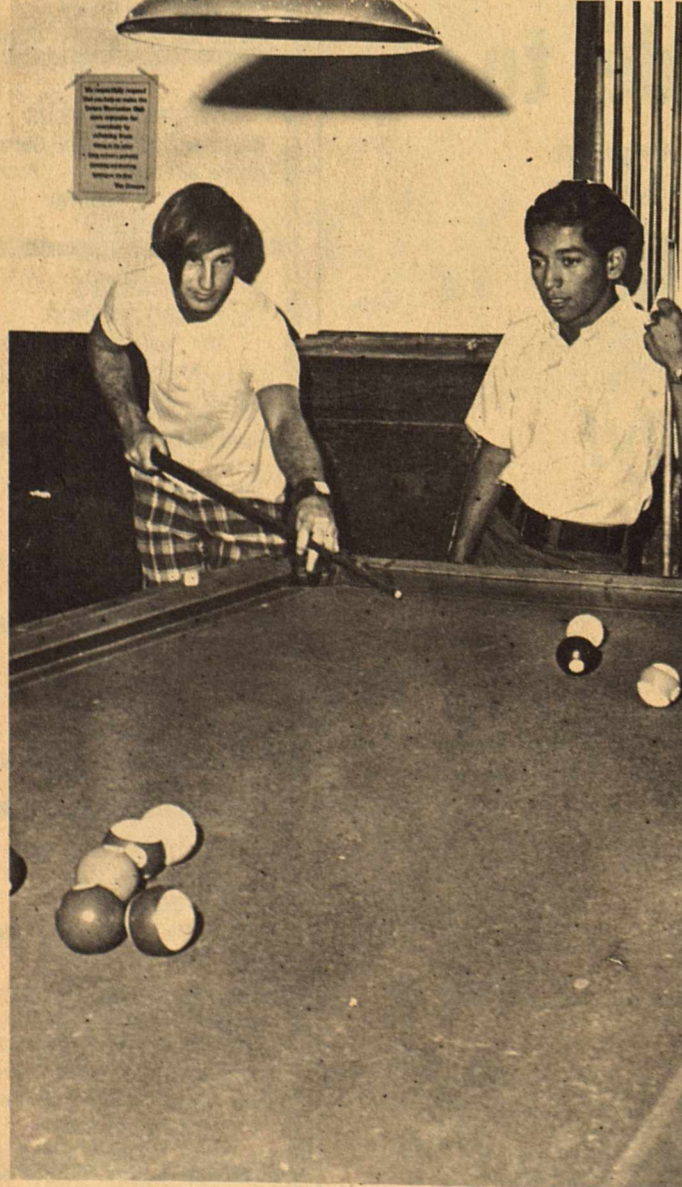

In the senior division, judging Sarah Allison was high individual with 378 points. Placing second was Bill Finklea with 377 points and Cora Pope was fourth place winner with 356 points.

Sutton County 4-H Club again won first place honors with a total of 1111 points with team members S. Allison, B. Finklea and C. Pope. Crockett County was second with 1045 points.

Making the trip with the judging teams were Edgar Glasscock, Mrs. Lawrence Finklea and Mr. and Mrs. Corky Schwiening.

An interesting fact brought out in relation to the 4-H first place win in San Angelo, it was noted that Corky Schwiening, coach of the Wool and Mohair judging team, was a member of the first Sutton 4-H team to win the state contest in 1950.

D. C. Langford, county agent, said this was the first time in the history of the state events that four first places were won by one county in the 4-H state judging.

LARRY BOB MOORE hasn't had much time for pool playing since he took over the management of Sonora Recreation Club. Much work has gone into remodeling the building and in general repairs. The club usually remains open until 10:30 p. m.

12-Unit Apartment Housing Possibility

A San Angelo man is contemplating building a 12-unit apartment dwelling here if sufficient interest is shown by prospective occupants, it was reported by Buster Shroyer, local ranchman and businessman.

Shroyer said if nine prospective tenants were located, the construction would begin. Interested parties should contact Shroyer.

Local Youth Place In Eldorado Horse Show

Pam Powers' Poco Tuffy Red won the Reserve Champion Gelding at the Schleicher County 4-H Club Junior Horse Show May 29.

She also won second in Halter Register Gelding; showmanship, second; western pleasure, junior, second; barrel race, junior, first; goat tying, junior, fourth and pole bending, junior, sixth.

Bob Whitehead with Petre Tomas placed second in the junior barrel racing; second in pole bending and fourth in reining.

Tonia Mittel with Scooter Bee placed third in junior showmanship and first in unregistered mares' halter.

Mike Stewart placed sixth in the junior western pleasure and fourth in junior pole bending event.

Cardinals Lead In League Play

Little League Cardinals, coached by Web Elliott and Jimmy H. Harris, won the first half of play with seven wins and one loss. The Dodgers took second place with 4½ wins and 3½ losses.

The Indians placed third with 2½ wins and 4½ losses and the Colts placed last with one win and six losses.

The Cardinals only loss was to the Dodgers by a score of 5-3 in the first game of the opening of the season.

Second half of Little League play opens tonight (Thursday) with the Colts meeting the Cardinals and the Dodgers challenging the Indians.

Oliver Wuest, director of the Little League group, reports that a two-section water hose is missing from the Little League field. He said the grass is turning brown from lack of water and he hopes the hose will be returned soon.

Mrs. Buddy Brown To Be Installed Worthy Matron

Mrs. Buddy Joe Brown will be installed as Worthy Matron of Sonora Chapter Order of Eastern Star in an open installation at the Masonic Hall Saturday at 8 p. m.

S. M. Loeffler will be installed as Worthy Patron. The public is invited to the installation of the officers who will serve the chapter for a year, said Mrs. Brown.

IT WAS SCHOOL AS USUAL FOR THIS GROUP of children when they were photographed at the First Baptist Church Monday on the opening day of the vacation Bible school being held here this week. Miss Mary Logan, a student at Angelo State University, has charge of the summer recreational program being sponsored by the church for members of the church as well as other youth of the community.

"Grassroots Opinion"

NORWICH, N. Y., CHENANGO UNION: "Enterprise, throughout the world, calling for some form of military action, needed to maintain out prestige among the nations, should be manned by volunteers who yield themselves to such by selecting military service as a career. The need should be sufficiently apparent, the honor of such service should be adequately clear, and the rewards should be as attractive as may be required to attract voluntary participation. To continue the practice of conscription, at a time when no war has been declared either against or by, our nation, is an abuse of the powers of government. It is questionable that under such circumstances, the tacit consent of the people justifies the extension of this action. All of which appears to add up to one proposition which is that it is high time we terminated what we call 'the draft' and put an end to 'selective service'. History indicates that, when a real emergency exists, this authority can be exercised in ample time to meet the situation."

GLASGOW, MO., MISSOURIAN: "Some nursery rhymes mean little to modern kiddies. For instance, there was a time when the 'cow jumped over the moon' would have brought wide-eyed wonder. The modern youngster would probably ask where she blasted off from."

SULLIVAN, ILLINOIS, PROGRESS: "now we have a new ceiling for the National Debt limit---something like \$420 billion. This was

approved by Congress... just in time to 'save' us as the national debt reached the existing ceiling which was \$395 billion. 'Just money', most people will doubtless think. 'We've always had the national debt and we'll always have it' seems to be the usual way of thinking. Furthermore it is something of which the 'in' party is always concerned at Washington--and also something about which no one ever does anything constructive. President Nixon speaks of 'sharing revenue' with the states of our country. What kind of revenue has he to share? The truth of the matter is that all he has to share is this almost \$400 billion which our government already owes."

BRIDGEPORT, ILL., LEADER: "Complaints made easy by the Western Union... if you want to register a complaint or a comment to your Senator, Congressman, the President, Governor, send a personal opinion message for 90 cents. The 15-word message plus your name and address is delivered. The bill comes with your monthly phone charge."

GRAYVILLE, ILL., MERCURY-INDEPENDENT: "No matter how compulsively Americans spend money, it's not likely that they will be able to deplete the government's supply. Printers in the treasury at Washington daily combine 40,000 pounds of paper with two and a half tons of ink to produce \$50 million in currency."

THE DEVILS RIVER PHILOSOPHER SEZ....

He Grows Impatient With The Lack Of Patience Around The Country

Editor's note: The Dry Devil's Philosopher on his bitter-weed ranch on Dry Devil's River has a complaint this week.

Dear editor:

One trouble with this country today is that people are too impatient.

I was reading just last night that when the six-cent postage stamp went to 8 cents, some post offices around the country didn't have any on hand and customers were mad because they had to stick a 6-center on their letters and then add either 2 ones or one 2-center. I guess some people are too busy to be wasting their time like that, but they ought to slow down and realize that the only way the Post Office's Printing Plant in Washington had to get the new stamps out over the country was by mail and naturally that takes quite a while.

Some people are too impatient about getting ahead, forgetting that nowadays a penny saved is only a half-penny earned. Others say that a penny saved sometimes means the sales tax kitty was short-changed.

I know one farm woman who's mad because her husband hasn't planted this year's crop, and another who's mad because hers hasn't planted last year's. You can always find something to get mad about if you work at it.

Miss Vickie Pierce, Ed L. Renfro Marriage Ceremony Held Saturday

Formal candlelight wedding vows were solemnized for Miss Vickie Pierce and Ed Lee Renfro, Saturday, May 29, in the First Baptist Church Chapel of Midland, at 8 p. m.

Parents of the couple are Mr. and Mrs. Glenn Pierce of Midland and Mr. and Mrs. W. W. Renfro.

Dr. L. L. Morriss, church minister, officiated for the double ring ceremony. Miss Doris Bruce of Midland provided organ wedding music and Mrs. Dennie Hays sang "The Twelfth of Never".

Seating the wedding guests were Jerry Reynolds of Lubbock and Kerry Joy.

The church altar was centered with a brass rainbow candelabra holding tall white tapers and entwined with magnolia leaves and white flowers. This was flanked by a pair of brass

cathedral candelabras also holding lighted tapers, magnolia leaves and white flowers. Family pews were marked with aisle posts holding lighted candles and decorated with magnolia leaves and white satin streamers.

Mrs. Charles Napper of Lubbock served as matron of honor and bridesmaids were Miss Vickie Schooley of Andrews and Miss Pamela Pierce of Dallas.

The matron of honor and the bridesmaids wore identical floor length empire styled jumpers, trimmed with Venice, of orchid line. Full pouffed Queen Anne sleeves and ruffled necklines created the white dotted swiss blouses worn with the jumpers. Each carried a colonial nosegay of mixed spring flowers with orchid satin streamers. They wore hairpieces of spring flowers.

Best man was Tony Renfro, brother of the bridegroom. Groomsman were Bill Green of San Angelo, and Emo Black of Dallas.

Flower girls were Amy Wheeler and Lisa Thompson of Andrews. Their dresses were styled identical to those of the bridesmaids. Bandeaux of flowers were worn in their hair, and they carried Juliette baskets of spring flowers.

The bride, given in marriage by her father, chose a gown of imported Chantilly lace over Peau d' Soie. The scalloped empire sculptured bodice featured deep pointed cuffed full bishop sleeves with a seed pearl and sequin encrusted sabrina neckline. A chapel length train fell from the A-line silhouette. A bandeau of organza petals and leaves, scattered with daisy designed Venice lace, created the bride's headpiece and was attached to a three-tiered veil of pure silk English illusion.

Her jewelry was a single strand of pearls given her by the bridegroom. She carried a Mayfair bouquet of stephanotis centered with a purple Cattleya orchid.

Mrs. Pierce chose for her daughter's wedding a dress of mint green lace and silk. She wore matching accessories and a white Cattleya orchid corsage. Mrs. Renfro wore a soft pink fashion with bone accessories and lavender Cattleya orchid.

A reception was held following the ceremony in the church parlor. The bride's table was covered in white satin and net and was centered with a five branched silver candeliece holding lighted tapers and mixed spring flowers. The three tiered wedding cake was topped by a colonnade holding love birds and wedding bells.

Mrs. Bob Wheeler and Mrs. Grant Thompson presided at the bride's table. Miss Suzanne Renfro, sister of the bridegroom registered guests and passed out rice bags. Members of the houseparty wore cymbidium orchid corsages.

The bride changed into a yellow and white pants suit with yellow accessories for the wedding trip.

The couple will be at home in Alpine where they attend Sul Ross State University and the bridegroom is a member

A Bishop Looks At Life Youth Finds God

By Everett H. Jones, Retired Bishop of the Episcopal Church

In recent months newspapers, magazines and television have carried reports of vital religious awakening on the part of youth groups in many parts of the country.

There are interesting similarities in all of these outbreaks of fresh religious zeal. For one thing, they are very loosely linked, if connected at all, with the established church and conventional church activities.

The new revival is deeply involved with Jesus Christ as a person. He is no longer a mythical figure enshrined in a stained-glass window, but an immediate presence. The kids call their experience the "Jesus Movement" and they are not ashamed to be known as "Jesus Freaks".

Everywhere the movement has deep emotional overtones. One writer says "it fuses the promises of the Bible Belt with the subtle, non-verbal vibrations of the subculture of drugs and rock music." Its converts have a contagious enthusiasm; they are ardent evangelists.

Their worship involves many of the recent rock albums such as "Jesus Christ Superstar." In some cases, they go in for glossolalia, or speaking in tongues.

There is an underlying funda-

mentalism and absolutism about their convictions. The Bible is infallible, and it is read and studied for guidance in every life decision. The young people say they are tired of half-way belief and of being told, "But there is another side." They see their new faith not as a rebellion but as the cure of a hunger for absolute truth.

One reporter said, "The parents aren't sure whether they should be enchanted or appalled." They feel the kids have oversimplified religion but they are grateful for something that takes them away from drugs and sex.

Surely there is far more here to cause us to rejoice than to weep. There is much we can learn from this movement as to how we can make church life more real and exciting for the coming generation. Perhaps these young people will restore to us what has been called "the lost radiance of the Christian Religion."

CARD OF THANKS

We wish to express our gratitude for all the kind and thoughtful expressions of love and friendship at our time of sorrow.

Rev. M. Fernandez Attends Seminar

The Rev. Michael Fernandez, St. Ann's Catholic Church, attended a seminar, "The Role of the Priest in the Diagnosis and Treatment of the Hospitalized Sick," at St. John's Hospital in San Angelo, May 25.

The program for priests in the Diocese of San Angelo is the first in a series of such seminars, according to Sister Mary Vincent O'Donnell, administrator of the hospital.

Similar seminars will be scheduled in the future for

ministers of other religious denominations, Sister Mary Vincent said. The programs are designed to acquaint all religious ministers with the hospital's techniques in caring for the sick and how the minister may assist in the care of the sick through spiritual counseling.

Information given in the seminars is applicable to ministers of any faith visiting and counseling the ill in any hospital whether it has religious affiliations or not.

Please the entire family... bring them to the restaurant where dining is a pleasure and the food is excellent.

THURSDAY NIGHTS BRIEF RAINSTORM moved the graduation exercises indoors to the gymnasium. Blustery weather with high winds created too much disturbance to hold the ceremonies on the campus lawn as previously planned. Carol Gay Hardgrave

Nitrogen, Iron Make Green Lawns

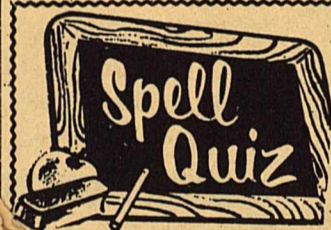

Texas homeowners who have St. Augustine grass or Bermuda grass lawns which are turning yellow instead of growing thick and green should look for nitrogen and iron deficiencies in their soil.

The nitrogen deficiency causes a general yellowing of the lawn while the symptoms of iron deficiencies are yellow, bleached spots in the turf, according to Al Novosad, Extension pasture and turf specialist.

He notes that iron deficiencies develop mainly in alkaline soil and the upper Gulf Coast and parts of East Texas are usually the only regions in the state that don't lack iron.

For the most rapid and effective correction of iron deficiencies, Novosad recommends spray applications of iron chelates or iron sulfate. He points out that soil applications are also helpful, but warns that they may not correct severe iron deficiencies.

phosphorus, and potassium should be applied in the early spring and again in the early fall to eliminate nitrogen deficiencies, he advises. In addition to this he recommends applications of nitrogen as ammonium nitrate or ammonium sulfate at 4-6 week intervals during the growing season.

The additional applications help to maintain vigor, color, and uniform growth of the grass, according to Novosad.

A soil test is extremely helpful in determining exact fertilizer needs, showing the need for lime, and indicating soil salinity problems, but there are some general guidelines to follow in fertilizing St. Augustine grass or Bermuda grass.

Novosad advises that the applications of the complete fertilizers in early spring and fall should be made so that two pounds of nitrogen are applied per 1,000 square feet of lawn area. Examples of such applications would be 20 pounds of 10-5-5 or 17 pounds of 12-12-12 per 1,000 square feet.

The additional applications during the growing season should be made so that approximately one pound of nitrogen is applied per 1,000 square feet in each application, he added.

Examples of proper application would be five pounds of ammonium sulfate (21%) or three pounds of ammonium nitrate (33%) per 1,000 square feet of lawn area.

23-hour service
is not
good enough!

Supplying your electrical needs is a 24-hour a day job. Electricity must be there all the time for whatever your needs.

In your home, electricity is needed constantly to heat water, cook meals and refrigerate foods. It must be there around the clock for your lighting, thermostats, motors and controls.

In local businesses, electricity lights merchandise, cools the store and runs the cash register.

In industry, electricity swaps motor power for muscle power. It runs the assembly line, powers the lathe and controls manufacturing equipment.

The next time you see one of our linemen climbing a pole, think about the people on the other end of those wires who depend on him for 24-hour service.

In the past two weeks only one alarm has been sounded and it was a false alarm turned in by a young boy or girl. 387-2424

Each year the National Fire Protection Association conducts a study of the fires in the United States and Canada that killed three or more people. During 1970 there were 235 such fires, killing 1,116 people.

Residential fires account for the largest number of multiple-death fires, and the largest number of deaths. Of the 702 victims in the U.S. 355 of these were children under the age of 14.

Mrs. Fred Smith Dies After Illness

Mrs. Fred (Oneita T.) Smith of San Angelo died May 24, 1971 in San Angelo Shannon Hospital. She was a sister-in-law to Will Smith, "Bud" Smith, Mrs. Manila Trainer, Mrs. Dorothy Taylor and Mrs. Nell Hollman.

Services were held at 2 p. m. Wednesday in Park Heights Baptist Church, with the Rev. Bobby Eklund, minister, officiating. Burial was in Lawnhaven Cemetery in San Angelo.

She was the daughter of Mr. and Mrs. Fayette Tankersley and the granddaughter of R. F. Tankersley, who settled in what is now Irion County in 1864. Mrs. Smith was born in Sherwood, July 11, 1895. She and her husband, the late Fred Smith, moved to San Angelo from Eldorado several years ago.

Survivors include two sons, Owen Smith of San Angelo and Arthur Smith of El Paso; a daughter, Dorothy, of California; three brothers, Boyce Tankersley, Lake Tankersley and Lowell Tankersley, all of Mertz; five sisters, Mrs. Fay Mason of Arlington, and Mrs. Leta Crawford, Mrs. Verda Shaw, Miss Myra Tankersley and Mrs. Verda Atkinson, all of Mertz; seven grandchildren, a great-grandchild and a number of nieces and nephews.
