Jurors Selected In Accident Case

A suit styled Nobbs & Pantelas Vs Thomas J. Wall began Tuesday when court convened before District Judge Charles Sherrill of Fort Stockton.

The suit was brought from reports of an accident that reportedly occurred in the vicinity of the Park Inn Cafe on US Highway 290, February 15, 1966.

Jurors selected to hear the case included Wilma T. Jones. Anna Eustace, Elodia J. Flores, Mrs. Harold Schwiening, Jr., Mary Lynn Gosney, Mrs. H.C. Kirby, D. C. Langford, Bettye K. Hardegree, Warren Hemphill, in land for leasing to the office. Robert Hillman Brown, George D. Wallace and James E. Mor-

The worth, Jr., president of the local weight limit of carcass lambs wildlife association, will also appear on the program.

Income from the deer herd in Sutton County has become one market lambs. The shearing of the major sources of income to local ranchers along with sheep, Angora goats and cattle. will be October 30 at the 4-H area of Texas, the Texas Agricultural Extension Service in cooperation with other agencies is attempting to conduct educational programs throughout the area that will aid ranchers in determing how to manage their ranges, domestic livestock and wildlife for increased net income, said Langford.

All local ranchers and other interested persons are urged to attend the seminar.

Mark Hemphill To Head 4-H'ers

Junior members of the Sutton County 4-H Club elected officers Wednesday with the following slate of officers being elected for the 1971-72 year: president, Mark Hemphill; vice president, Randy Gillit; secretary, Lorie Olson and reporter, Jane Wallace.

Senior 4-H club members elected Billie Ann Stewart, secretary to replace Sarah Allison. Cora Pope was elected reporter to replace Billie Ann and Bill Finklea was elected parliamentarian to replace Cora. Bill is the only boy who is an officer in the senior 4-H club which had an all girl slate of officers prior to Sarah Allison's resignation to attend school away from home.

4-H members also elected the 4-H beau, 4-H sweetheart, outstanding 4-H contributor and outstanding 4-H father and mother. The names of the honorees will be announced when they receive special recognition at the 4-H achievement program in October.

Livestock judges were selected for the 4-H Livestock Show which has been tentatively scheduled for January 14-15. If current plans develop the market lamb show will be Friday afternoon, January 14, the breeding sheep, Angora goat and cattle show will be Saturday morning followed by a barbecue lunch and the auction sale of market lambs at noon Saturday.

Rule changes of interest to boys and girls who plan to feed lambs are-The trimmed or blocked

classes of club lambs have been has been increased to 115 pounds. At least two weight classes will be provided for both finewool and crossbred date of all lambs that will be exhibited at the local show Center. In order to be eligible to exhibit in the local show all lambs must be shorn on this date and no trimming behind the head will be permitted until after the county show. Live judging for the carcass lamb show will be at the 4-H Center, Monday, January 10. A general rule was added that

applies to all 4-H exhibitors. All 4-H exhibitors must be present at the county show to exhibit their animals unless they are excused by the County Agent. Other 4-H activities which

were discussed included the 4-H achievement program to be held in October, and the District 7 Gold Star Banquet which will be held in San Angelo, November 3.

Fling Ding Club **Plans Meeting**

The annual membership meeting held by members of the Fling Ding Club has been set for Wednesday at 7 p.m. at the golf clubhouse.

At the September 22 meeting an election of new officers, the election of five new directors and old and new business will be discussed, said Bob Teaff, president of the organi-

John Bailey Dies After Illness

Graveside services were held, for John Bailey at Sonora Cemetery Wednesday. Mr. Bailey was born April 1, 1890, and died in Hudspeth Hospital September 14, 1971. He had lived here for the past

several years and was a laborer. He has no known survivors.

Producers who are donating livestock for the Lions Auction to be held September 28, are advised that livestock to be slaughtered should be taken to the Branding Iron Wednesdays and Fridays. Ranchmen who plan to donate goats for the barbecue are also asked to take the animals to the locker plant on those days:

Fields scored from the three yard line. Mata's kick was good 14 14 First Downs 255

Bronco fans was off to a thrill packed start Friday night when Sonora played host to the Coahoma Bulldogs of District 5AA, and won the game by a score Sonora kicked of to Coahoma

to get things underway andheld the Bulldogs to a fourth and 13 on the first series of downs. The Broncos had the ball for the first time on their own 40-yard line and were forced to kick with a fourth and short yardage situation.

The Coahoma Bulldogs had the ball for their second possession on their own 25 yard line after the punt by Tryon Fields. This was the start of a 75 yard drive that ended with Donnie Buchanan, 180-pound Bulldog fullback scoring the first TD of the evening. Wendell Walker scored the 2 point conversion and Coahoma led 8-0 with three minutes and 20 seconds left in the first quarter.

The Broncos returned the kickoff to their own 37 yard line and from there mounted a drive that brought the first quarter to an end with the Broncos on Coahomas one yard line. This drive was kept alive by nice runs by Steve Street and an overall team effort in blocking.

SECOND QUARTER Fields scored on the first play of the second quarter. A two point attempt failed and the score was 8-6.

After Henry Mata's kick and one first down Sonora covered the first of four Coahoma fumbles on the Bulldog 32 yard line, drove the ball down to the six yard line where Milton Noel scored the Broncos second touchdown. Matas point after was good and the score midway of the second quarter was 13-

The Sonora defense held Coahoma to a fourth and 12 and Coahoma kicked the ball out of bounds on the 44-yard line. Using the talents of S. Street, Rick Street and Noel, the Broncos made two first downs. gained 15 yards on a Bulldog penalty and set up their third TD with a pass from quarterand with two minutes remaining in the first half the socre

was 20-8. Coahoma gained a second wind on the kickoff following Sonora's third TD. They ran the ball back to the Bronco 24 yard line with the runner being caught from behind by Bruce Baldwin, and helped by a 15 yard penalty to have a first and 10 on the 9. With a pass to score of 6-0. the split-end coming back across and a 2-point conversion, it was then 20-16-all

this in only 30 seconds. SECOND HALF The pace had to slow down during the third quarter. Neither team could mount a serious threat. The Bronco defense did cover two Bulldog fumbles but were not able to capitalize on either of them.

In the final period Sonora did move down to the Coahoma 10 yard line but were held on downs. In turn Coahoma mounted a final drive that ended with yet another fumble

being covered by the Broncos. With two minutes left in the game the Broncos took over on their own 7-yard line and with hard running by Noel they were able to make the first down and then run out the clock. COACH SCOGGINS

In a Monday morning interview head coach Bill Scoggins said, "I was so pleased with the overall team effort-their spirited attitude in not giving up. It wasn't until I viewed the film that I realized what a strong, rangy quick team Coa-

homa had". Coach Scoggins also said he wanted to mention the outstanding job the line did on offense - "Trainer, Cole, R. Hill. Eustace and Gutierrez—all did their job well".

'Defensively we still need a lot of work, but Coahoma did their job well and ran the wishbone T about as well as you could expect from high school athletes", he added.

JUNCTION EAGLES NEXT The Broncos will have the second test of the season next Friday night when they host the Junction Eagles.

OTHER GAMES-In Junction last Thursday, the 'B' team won by a score of 12-0; 8th grade won by 20-0, and the 7th grade team lost by a

Editorials-Features-Columns

The most effective single force in building a good community is a good newspaper.

Sept. 19-25 National Highway Week

Highway Week-and the theme; "Roads and Streets-Backbone of Total Transporation," reminds us how important the more than 70 thousand miles of the Texas highway network are to the State.

In Texas, about 26 hundred communities have no mode of transportation available, other than highways. Every day, just about every Texan drives on highways or, as a consumer, uses products or services delivered over the roads.

Today the family car is used in almost every phase of family life. It is used to go to church, to the bank, drive-in theaters and restaurants, parks and play grounds.

Other drive-in services available to the family include laundries, dry cleaners, beverage and grocery stores, car washes, mail and library depositries and some 700 miles of boxes and tax offices.

The average passenger car is driven 9,582 miles a year. Sixty-six percent of this mileage is "necessity" use-earning a living, going to a doctor or

dentist, shopping and the like. The largest single use of the average automobile is in transporting workers to and from their jobs. More than eight of 10 workers rely on the automobile to go to and from their

Almost 355 thousand migratory farm workers depend upon automotive transporation to go where they are needed, when they are needed, to help cultivate and harvest the nation's

ammortasation

the Interstate Highway System es-one of every six-are in the than pay for the investment. By completion in the late 1970s, total cost of the Interstate program is estimated at \$70 billion, mainly because of savings in driving and accident costs.

For every five miles of Interstate Highway completed, one life a year is saved--every year. When completed, it is estimated the system will save more than 8,000 lives annually. Despite dramatic growth in

urban areas, the Texas Highway Department must serve a paradox of population. Almost one-third of Texas' 254 counties are classified by

the U.S. Rureau of the Census

Through the years, members of the Texas Highway Commis sion have guided development of a balanced program concept. This policy has as its goal "total highway service for all Texans.

More than 39 thousand miles of Farm to Market and Ranch to Market facilities are in service now. This mileage alone exceeds the total State systems of all the New England states combined.

Today, Texans enjoy the largest system of toll free roads in the world. More than 70 thousand miles of the nation's finest roads and highways form the "Backbone of Total Transportation" in Texas and are essential to the continued growth of the State.

That's exactly what it said, and I believe it's worse than the other practice they have over there, you know, locking up your opponent if you win the election. After all, it's :45 p.m., Order Eastern Star. sort of a universal habit not to care much what happens to a defeated candidate, regardless of what country he gets beat in. How many defeated candidates for vice president can vou name?

But can you imagine what would happen to a candidate in the United States if he was limited to five handshakes in one place?

I have never understood it, but it's pretty well established that the candidate who shakes the most hands gets the most votes, makes no difference what office he's running for or whatever other qualifications the office demands. An American running in Vietnam, left handclasp-less, would collapse in frustration from sheer lack of a platform.

Has Congress looked into the matter of how many returning Vietnam veterans have picked up this no-handshaking habit? It may be all right to Vietnamize Vietnam, but you introduce that handshake limitation over here and you'll

wreck our political system. In fact, the handshake is such an effective medium for getting elected, even more effective than television which charges big for its services, that I don't see why the voters don't catch on and cash in on it. Charge say 15 cents per handshake, and double if he gets to you twice at the same

Why should the most effective medium for getting elected, owned entirely by the people, allow candidates to use its services scott free?

Yours faithfully,

Band News

Chairmen for the Band Booster concession stand this Friday for the Junction game are Mr. and Mrs. Bill Means. Other boosters working this game are Mrs. Ann Feagin, Mr. and Mrs. Gene Gonzales, Mr. and Mrs. Carl . Hard, Mr. and Mrs. John W. Joy, Mr. and Mrs. Felipe Leyva, Mr. and Mrs. Ben Gilly, Mrs. Santos Hernandez

Sandwiches will be donated by Feagin, Hard and Joy. Cupcakes are being donated by

Gilly, Gonzales and Leyva.

The Thursday night 'B' team game with Ozona begins at :30. The concession stand will be open and sandwiches will be donated for it by the Glen Chadwicks, Nelson Stubblefields and Hershel Davenports.

Boosters are reminded again to be at the stand by 6 p.m. on the night they are scheduled remain in the stand for the duration of the game in order to be ready to serve the fans.

Also, as stated in letter sent to boosters if the food donations or time scheduled for them to work is inconvenient, please arrange to trade with someone. If you do not it makes it hard on the others working and is less successful for the Band. Everyone must do his share or the project will not work.

Gamma Phi Group Has Meeting

The Gamma Phi Chapter of the Delta Kappa Gamma Society met Saturday in the home of Mrs. Ken McAllister.

The business hour was presided over by Mrs. Leonard Dielsi, president. During the business hour plans were discussed for the chapters participation in the Regional meeting to be held October 9 in Eagle Pass.

Mrs. George Johnson of Rocksprings was in charge of the program.

Refreshments were served by Mmes. McAllister, Leo J. Wilson, Andrew Moore and Edgar Glasscock to members attending from Rocksprings, Del Rio

Eayle Hamilton, Terry Hines Wedding Vows Exchanged

the First United Methodist Church Saturday united Miss Norma Gayle Hamilton and Terry Hines of Robert Lee in marriage. The Rev. John Weston officiated at the double ring rites.

Parents of the couple are Mr. and Mrs. Clayton Hamilton and Mr. and Mrs. Truman Hines of Robert Lee.

The bride, given in marriage by her father, chose a full ength gown of dacron polyester organza created with pearled Chantilace outlining the oval neckline. The lace and pearl trim was repeated in the empire bodice, A-line skirt and full sleeves. She carried a cas-

A five o'clock wedding at | cade bouquet of white orchids with showers of stephanotis and

Attending the bride as maid of honor was Miss Vickie Hardgrave and bridesmaids were Miss Trisha Hamilton, cousin of the bride of Austin, Miss Debbie Hines, sister of the bridegroom of Robert Lee, and Miss Kay Kerbow.

The bridesmaids wore identical dresses of blue-green brocade featuring an empire waist and trimmed with blue velvet ribbon. They chose green accessories and carried colonial bouquets of blue and green carnations with green velvet streamers.

Decorations in the church included an arch covered with lemon leaves and white carnations. Baskets of blue and green carnations were used and lemon leaves covered the altar rail.

The bridegroom's father served as best man and groomsmen were Steve Rives of Robert Lee, unior Barnes of Lueders and brother of the bride, Dick Hamilton of San Marcos.

Mrs. Leo J. Wilson provided traditional wedding music at the organ.

Immediately following the wedding a reception was held at the Sonora Golf Clubhouse. In the houseparty were Mmes. George Wallace, Jack Kerbow, Arthur Burgoyne, George Hamilton, Oliver Wuest, W.W. Renfro, Buster Shroyer and Misses Carol Hardgrave, Linda

Hamilton and Tyra Hamilton. The bride, a graduate of Sonora High School, attended Angelo State University. The bridegroom is a graduate of Robert Lee High School and attended Angelo State University. After a short wedding trip the couple will be at home in San Angelo.

Out-of-town guests at the wedding included Mr. and Mrs. Steve Rives, Mr. and Mrs. Arthur Burgoyne and Cliff of Port Lavaca, Mrs. R.M. Burgoyne and Mrs. Tom Scaperlanda of San Antonio, Mr. and Mrs. George Hamilton, Trisha and Tyra of Austin, and

Terry Hann and Mr. and Mrs. R.B. Lange of San Angelo, Mr. and Mrs. Ben Bessent, Mr. and Mrs. Dale Wojtek and Mr. and Mrs. Arthur Runnion all of Robert Lee, and Mr. and Mrs. U.E. Rogers and Clay Holland, both of Menard.

Traffic Regulations Have Many Changes

A report on the Uniform Act Regulating Traffic on Highways has been submitted by highway patrolman Larry Hill for the purpose of familiarizing operators of vehicles and devices upon a highway.

Hill said a great many changes have been made in the act, as well as numerous additions, some of which are being given here that would be most likely adaptable to this area.

Under Article VII pert aining to turning and starting and signals on stopping and turning in regards to 'right turns', the act states that both the approach for a right turn and a right turn shall be made as close as practicable to the right-hand curb or edge of the roadway.

The driver of a vehicle intending to turn left at any intersection shall approach the intersection in the extreme left Rousselot and Mrs. Gary Derrick hand lane lawfully available to traffic moving in such direction upon the roadway being entered. Whenever practicable the left turn shall be made in that portion of the intersection to the left of the center of the intersection.

In turning, no person shall so turn any vehicle without giving an appropriate signal in the manner provided, such as, a right turn or left turn signal

shall be given continuously during not less than 100 feet traveled by the vehicle before turning.

In addition no person shall stop or suddenly decrease the speed of a vehicle without first giving an appropriate signal, when there is opportunity to give such

signal. A new law affecting right-ofway warns drivers of a vehicle about to enter or cross a highway from an alley, building, private road or driveway shall yield the right-of-way to all vehicles approaching on the highway to be entered.

Covered in Article XIII, under miscellaneous rules, persons are warned that in leaving vehicles unattended, they must stop the engine, lock the ignition, remove the key from the ignition and effectively set the brake thereon, and when standing upon any grade, turning the front wheels to the curb or side of the highway.

Additional information will be given next week.

AN ACT relating to the recording and re-recording of livestock brands and marks; and declaring an emergency: the community's first news-

OF TEXAS: Section 1. (a) This Act shall apply to every county in this State. In all the counties each owner of any livestock mentioned in Chapter 1 of Title 121 of the Revised Civil Statutes of 1925 shall within six months after this Act takes effect have his mark and brand for such stock recorded in the office of the county clerk of the county. These owners shall record the marks and brands whether the brands and marks

have been previously recorded right to have his mark and brand recorded in his name records of the county first recorded the brand and mark in the county, or in event it can not be ascertained from the records who first recorded the brand and mark in the county, then the person who has been using such mark and brand the longest shall have the right to have the brand and mark recorded in his name. (c) After the expiration of six months from the effective date of September 1, 1971 of this Act, all records of marks and brands now in existance in the County shall no longer have any force or effect and after Bloodworth and people like the expiration of six months from the date of September to make it happen.

recording marks and brands in the county. Sec. 2. All Brands and marks registered under the provisions of this Act shall be re-registered every 10 years in the manner prescribed in Section 1 of this Act.

1, 1971, only the records made

after this Act takes effect shall

be examined or considered in

Erma Lee Turner, County Clerk Sutton County, Texas

News", and this is the article, in part, as it appeared in that newspaper.

The Bloodworths first came to Ruidoso in 1938 with their children to spend their vacation. They immediately decided white. that this was the place for them and set about trying to buy a cabin. Unfortunately, their efforts were fruitless and it wasn't until 1939 they were able to purchase a cabin. With their children, Kyda, Bettye, B. Hal and L.P., Jr., they came to Ruidoso nearly every weekend during the war, becoming more and more fond of the mountains. And so it was, that no one was too surprised when, after the war, they decided to make Ruidoso their home. Both boys served in the Air Corps and Mr. Bloodworth had served as State Provost Marshall and now they were ready to give their service to the struggling village they now

called home. Ruidoso was so desperately in need of many public services they hardly knew where to begin, but begin they did and their perserverance and enthusiasm couldn't help but be catching and it wasn't long before the entire town was back-

ing them in their efforts. In May of 1946, they founded BE IT ENACTED BY THE paper, The Ruidoso News, and LEGISLATURE OF THE STATE within seven years they had the largest circulation of any weekly newspaper in the state. Mr. Bloodworth served as manager of the Chamber of Commerce in 1946 and was instrumental in bringing the State Lions Convention to Ruidoso for the first

Mrs. Bloodworth was just as active as her husband. While she was chairman of the city planning board, she was named chairman of a committee to raise money to build the community's first hospital. With her leadership the committee banded the townspeople together and came up with the much (b) The owner shall have the needed \$15,000 and in 1949,

the hospital became a reality. Mrs. Bloodworth also served who according to the present the community as president of the First High School Parent-Teachers Association and was president of the Business and Professional Women's Club when the B. & P. W. made the first signs for the village. The women worked at night making about 20 signs for the major streets in the village and the

Lions club put them in place. The Bloodworths were also charter members of the Community Methodist Church and so the story goes -on and on. All you need do is look around at the Ruidoso of today and there you will find your happy ending, thanks to Ida and Lloyd them-people who cared enough

Mrs. Bloodworth now has ten grandchildren and eight greatgrandchildren and spends about seven months out of the year in Ruidoso. The rest of the year she spends on the ranch west of town with her son, L.P. and his family.

Bodies of poet William Blake and his wife lie in pauper's grave in Buyhills fields, Fins-

ildlife Notes

by E.B. Keng, SCS Technician Blackbuck antelope and axis deer from India; Aoudad and zebra from Africa; sika deer from Manchuria; Russian Boar from Europe! These and many other exotic game species were studied when a number of local ranchmen toured the famous YO ranch near Kerrville last week.

Starting over 20 years ago, Charles Schreiner has established large herds of blackbuck antelope, axis and fallow deer, aoudad, Mouflon and Corsican sheep. All of these species are hunted commercially on the YO ranch, some throughout the

Many other species of exotics are being raised, with new imports being constantly added. Limited herds of zebra, eland, and oryx are found. New species being tried include sable antelope, barasingha deer, greater kudu, ibex and dama gazelle. Ibex are being successfully crossed with Spanish goats. In addition to exotic and native game, Schreiner also has a beautiful herd of longhorn cattle. The Russian boar is raised in captivity, though some 15,000 wild animals are estimated to roam the hill country. Other animals being raised in captivity on the ranch include a few jaguar and native bobcat. Four exotic species may be seen by the hundreds on the YO ranch—blackbuck antelope, axis, sika and fallow deer, and Mouflon sheep. The axis deer is profusely dappled with white spots. Antlers grow up to three feet in length and usually have only three tines per side. Fallow deer come with palmate homs -like a moose-and three color phases: brown, spotted and

The YO has a good variety of exotic sheep, with the Mouflon, and brown, black and snow white Corsicans. The large numbers of exotics, and the fact that some unknown species from any of four continents may be behind the next bush. makes a tour of the YO a most delightful experience.

Sutton county ranchmen making the tour included George Brockman, James Hunt, Norman Rousselot and Bill Wade. hey were accompanied by D. C. Langford, Jim Gray and

Many new homes are built without enough wiring to meet certain electrical growth. It is relatively inexpensive to include enough wiring for future growth when the home is built. Rewiring later can be costly.

Adequate wiring includes a properly sized electrical service entrance or fuse box, large enough to handle present and future growth. Adequate wiring includes enough circuits-as well as outlets-to let you use electricity conveniently and safely. Adequate wiring includes extra circuits and outlets to let you grow,

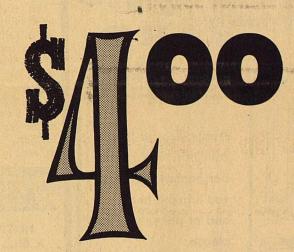

As your supplier of electricity, we urge you to avoid the inconvenience and expense of inadequate wiring. Before you build, buy or remodel insist on adequate wiring.

The Speech Club held tryouts Tuesday for this years talent show. The show, directed by Mr. Buchanan, is to be entitled praises I have go out to our "Love", and will consist of musical numbers from well-Christ Superstar" and "Mame". The speech club meets every Tuesday at 6:30 in the auditori- just great. The majorettes put on a good show and their selecum. New members are welcomed.

-SHS-

The GAA's met last Tuesday to elect a treasurer and the cheerleaders went over some of the new yells they learned at this year are: president, Janet Pope, vice president, Billie Ann Stewart, secretary, Molly Sawyer and treasurer, Debra Behrens.

-SHS-

This years first pep rally was held Friday afternoon in the new gym. Mr. McAllister gave a short talk, the boys were introduced and the cheerleaders led the student body in a number of yells. The men teachers were presented with Bronco ties from the Homemaking department, while the Band provided stirring music. Everyone expressed their appreciation for the team, cheerleaders and Band with much cheering and applause.

-SHS-

The Bronco Band put on an outstanding half-time show Friday night for all the Bronco and Bulldog fans. The show consisted of a number of precision drills executed to the tune of various marches. The band was featuring the twirlers who performed to "I Dig Rock and Roll Music", a modern piece with a rock beat. The fans showed their appreciation with cheering and applause and even Mr. Butterfield feels that the group looks better than they did at the end of the season last year.

-SHS-

The 7th, 8th and "B" teams traveled to Junction last Thursday and returned with several victories. The Eagles topped our 7th grade 6-0, our 8th grade scored 20 points and the Eagles 0, and the 'B' team scored 12 points while the Eagles made none.

The 7th and 8th or: will be playing in Ozona Thursday, the 16th at 5:00 and 6:30, while the 'B'team will play here at 6:30.

-SHS-The varsity began their new season by out-shining the Coahoma Bulldogs with a score of 20-16 last Friday evening. Tryon Fields made 2 of our touchdowns and Milton Noel made the other, with Henry Mata scoring the 2 extra points.

Coach Scoggins felt that the Broncos were doing very well to beat Coahoma, who has a really good ball program, and that every boy gave fourth 100% of his ability and effort against the Bulldogs.

The Broncos will play the Junction Eagles here at 8 p.m. Friday, Sept. 17, with a victory dance scheduled afterwards in the Parish Hall. Everyone is encouraged to come out and support the home team during what is expected to be another successful season.

man's most valuable assets - we think it is prime collateral. In the past 54 years the Federal Land Bank of Houston has made almost 200,000 loans on Texas farms and ranches.

In other words, we specialize in making farm and ranch real estate loans long term loans with prepayment privileges.

BANKING...

ELECTRONICALLY!

We think you're worth something very special! That's why we have converted all checking accounts, savings and certificates of deposit to electronic data processing.

> For years we handled and sorted thousands and thousands of checks and deposit slips by hand. Our people who did this were exceptional in their ability to perform such tedious work with a minimum of errors.

> > However, as our workload increased, it became more difficult to get this job done quickly and accurately by hand. Therefore the move to the computer. It can do in minutes the tedious jobs that previously took hours and hours by human hand and eye.

Electronic data processing (DDA) will enable us to establish a greater economy of operation. Simply stated, if we can hold down the cost of operation, service charges can remain at their present levels. Electronic data processing will enable us to give you even better service . . . faster ... at the present costs.

If you have any questions, please ask our officers. They'll be pleased to have the opportunity of talking with you.
