Price—10¢

OZONA LIONS FOUND IT HARD TO STOP Tryon Fields (30), Steve Street, Milton Noel, Henry Mata and other Broncos in the exciting game Friday night. The Lions handed Sonora Broncos their only defeat last year, going over them by two points. This year's Broncos evened the score when they defeated the Lions 10-8 before a capacity crowd in the Lions' Stadium.

Broncos Roar Over Lions

Sonora Broncos won a well-deserved victory over the Ozona Lions Friday night by a score of 10-8. The 2-point margin doesn't tell the story as well as the statistics. The strong Bronco defensive unit held the highly regarded Lions to only 7 first downs and 116 yards, while the talented Bronco offense was rolling up 14 first downs with a 275 total yardage.

The second time Sonora had the ball they moved from their own 25-yard line to the Lions 32 with a very consistent ground attack. A 15-yard holding penalty made it first and 25 from the Ozona 47 yard line. Steve Street carried for 15, Tryon Fields for 5 and Milton Noel for 20, which set up the first score of the evening when Street scored from seven yards out. Henry Mata's kick was good making the score 7-0 with 2½ minutes remaining in the first quarter.

Sonora's defense held Ozona to a fourth and six after the kickoff. Street fielded the Lion punt on his own 25 and thrilled the Bronco fans with a spectacular 75-yard return. This display of broken-field running and blocking was called back by a clipping penalty.

The first quarter ended with Sonora on their own 25. They moved the ball to the 47-yard line where Ozona covered a Bronco fumble. From this point the Lions moved down the field on fine runs by Ruben Tambunga. Quarterback Sewell scored from six yards out on a bootleg to the left. Sewell then passed for

two points to end Ricky Webster on a fake kick. The Lions went ahead 8-7.

SECOND HALF

The defensive units of both teams performed well during the third quarter. Sonora did move into Ozona territory with a jump pass from Rousselot to tight-end Richard Bernal. This set up a Mata field goal attempt from 40 yards out which was short.

With eight minutes left in

Mat Adams Attends Justice Of Peace Instruction School

Mat Adams, local Justice of the Peace, has returned from a 3-day Justice of the Peace Seminar in Lubbock. The seminar is compulsory for those elected to the office of Justice of the Peace, unless they have served for a period of eight years.

The forty-hour classroom instruction is a study being conducted by the Criminal Justice Planning Board through Texas A&M University. Five of the seminars are being held in various areas of Texas. The seminar Adams attended was for officials in North and West Texas, and 172 persons attended. Instructors from throughout the state presided over the sessions for which the peace justices, following another session in February, will receive certificate credit. Ira E. Scott, chief of the Police Training Division at A&M headed the courses in Lubbock.

the game, Sonora moved to the Ozona 7-yard line. Mata scored the winning points with a 20-yard field goal. Sonora held on downs and took over on their own 30-yard line with 2½ minutes left in the game.

Meeting Planned To Protest Railway Abandonment

Concerned citizens are planning to hold a meeting Friday at 1:15 p.m. at the First National Bank for the purpose of discussing the position of Sonora in regards to protesting the abandonment of Santa Fe railroad service into Sonora.

A petition of protest has been sent to the railroad.

Businessmen, along with the Chamber of Commerce and the City Council have protested the abandonment, and are holding a meeting to organize their presentation at a hearing planned in San Angelo, October 18.

Maxine Locklin To Attend Abilene WTU Conference

The 17th annual Women's Conference of West Texas Utilities will be held in Abilene, Monday. Mrs. Dave Locklin of the local WTU office plans to attend.

Purpose of the conference is two fold, says co-chairman Mary Wilkerson of Abilene. It is designed to keep the women employees informed about company work and services, and to bring the women into the home offices so they will not lose touch with each other and the progress within the company.

They picked up two first downs in running out the clock. Final score—Sonora 10—Ozona 8.

STATISTICS:		
SONORA		OZONA
14	First downs	7
230	Rushing yards	115
46	Passing yards	0
2-5	Passes	0-5
3-27	Punts	5-40
4-60	Penalties	6-50

Coach Bill Scoggins made no attempt to hide his jubilation and personal pride in the entire team and their efforts in defeating four good solid football teams this season.

Scoggins said, "I have been very pleased with quarterback Rousselot in his play selection and running the team. Our offensive and defensive linemen Joe Eustace, Mike Dillard, Tim Cole, John Beckham, Gene Trainer, Frank Taylor, Ladd Turner and Joe Gutierrez have done yeoman service all year".

Ross Simmentals Top San Antonio Sale Held Oct. 1

Texas first Simmental Association sale held in San Antonio, October 1, found Joe David Ross topping the sale with three commercial cows with calves by side, bred back, and averaging \$1575. This was the top price paid in the commercial cows division.

Animals at the sale were either one-half Simmental, or commercial cattle of different breeds bred to Simmental artificially. The 21 bulls sold at the sale averaged \$570; the 24 one-half breed heifers averaged \$515; the 29 open one-half breed Simmental heifers averaged \$760 and 129 commercial cows, bred to Simmental bulls, averaged \$520, Dr. Ross reported.

Sutton County ranchmen making purchases at the sale included Robert Allison, who bought a bred Simmental heifer, and Billie Galbreath, who bought the high-selling Hereford-Simmental bull.

Final Rites Held For Eusebio Baltazar

Mr. Eusebio Baltazar, 76, died at 2 a.m. September 29, 1971, in Hudspeth Memorial Hospital.

Services were held at 5 p.m. Friday at St. Ann's Catholic Church with the Rev. Michael Fernandez officiating. Burial was in Sonora Cemetery directed by Ratliff-Kerbow Funeral Home.

Mr. Baltazar was born December 15, 1894, in Uvalde. A World War I veteran, he was married to Manuela Guerra January 30, 1926 here. He was a sheep shearer and had lived in Sutton County since 1926.

Survivors include his wife; five daughters, Mrs. Catarina Salas of Del Rio, Mrs. Jesus Flores of Rocksprings, Miss Odella Baltazar of Austin, Mrs. Joe Porras of Ozona and Mrs. Augustina Artega; a brother, Ben Martinez and 10 grandchildren.

"Exotic Cattle" Field Day Set In County October 18

The American Breeders Service is sponsoring a Sutton County "Exotic Cattle" Field Day Monday, October 18, beginning at 9 a.m. The tour will begin at Sonora Veterinary

Clinic, then go to Robert Zapata's.

The group will go to the Robert Allison ranch on the Ozona highway, where a noon meal will be served for \$1.

From there they will visit the Jerry Johnson ranch.

Breeds of cattle represented will include Simmental, Limousin, Charolais, Hereford and Angus. Cattle will be brought in from Eldorado, Ozona Mountain Home and several local ranches.

Dr. Carl Menzies, newly appointed superintendent of San Angelo Research Center and J.P. Smith, western states fieldman for American Breeders Service will talk briefly on artificial insemination and beef production.

The tour is open to all interested persons.

Railroad Hearing Set October 18 In San Angelo

The Interstate Commerce Commission has notified the county and city that the hearing on the abandonment of Santa Fe Railway from San Angelo to Sonora will be held at 9:30 a.m., October 18 on the second floor of the Central National Bank building in San Angelo.

Any and all shippers and all other persons interested in seeing that the railroad is not abandoned, should appear at the hearing in order to present their arguments for the refusal or the acceptance of the railroad's application for abandonment, said County Judge J. W. Elliott.

Tax Office Workers Attend Workshop

Employees in the office of Herman E. Moore, Tax Assessor and Collector, attended a workshop at the Tom Green County Courthouse Monday. Mrs. Lottie H. Adkins and Mrs. Lester Byer attended the meeting, which was held for the purpose of acquainting office workers with the new registration system.

The House Bill, passed by the 62nd Texas Legislature, pertains to registration of truck-tractors or commercial motor vehicle combinations. As a result of this Bill, truck-tractors in excess of one ton and trucks which pull semitrailers in excess of 6,000 pounds, in most cases will be registered with a combination plate on the pulling unit with a \$15 "token trailer" registration on the trailer.

Woman's Club Sets Clothing Sale

Sonora Woman's Club members are holding a clothing sale Monday and Tuesday in the Hull Building, next door to Sonora Motor Company.

The sale, an annual affair, is being conducted to raise funds for the Library.

Members are asked to bring clothing for the sale Friday and Saturday, October 8-9, during the hours of 2 to 5 p.m. to the Hull building, said Mrs. Edwin Sawyer.

THIRTEEN JUNIOR GIRL SCOUTS from Troop 79 attended Autumn Action in Junction, Saturday and Sunday. It was held at the Texas Tech Center, which was the old Texas A&M Adjunct. The girls enjoyed folk dancing, Mexican dancing, singing, hiking and meeting 400 other Scouts from the El Camino Girl Scout Council (which includes 18 counties). Attending from here were

Mrs. Mickey Powers, Field Advisor, Mrs. Robert McGee, troop leader, Carla Thorp, Lesa Wright, Pam Powers, Denise Cook, Marga Lopez and Nicola Thom, all shown on the back row, reading left to right. On the first row are Verna Dubose, Christela Salinas, Toni Lee, June Wall, Brenda Carroll, Julie Harris and Tricia Parker.

The Devil's River News

Published in Sonora, Texas - "The Capital of the Stockman's Paradise"

Editorials-Features-Columns

The most effective single force in building a good community is a good newspaper.

"Grassroots Opinion"

NEDERLAND, TEXAS, MIDCOUNTY REVIEW: "For nearly 30 years, Uncle Sugar up Washington, D.C. way has tried to reduce farm output to certain levels—and has failed... but he isn't supposed to deny anyone his 'rights' nor be concerned about his own safety or welfare. Strange how so much is expected from an individual who is considered an oppressor by so many who consider themselves to be the intellectuals of our age."

LENNOX, S. D., INDEPENDENT: "Feel for the policeman! If he over-reacts he is hated, and if he doesn't react enough he is despised. He is supposed to be a mind reader, a fortune teller, a fix-it man and the lord protector of all... but he isn't supposed to deny anyone his 'rights' nor be concerned about his own safety or welfare. Strange how so much is expected from an individual who is considered an oppressor by so many who consider themselves to be the intellectuals of our age."

PORTLAND, ORE., DAILY JOURNAL OF COMMERCE: "As to the impact of the four-day week on the economy, the top executives' views are mixed. Some believe the effect would be definitely negative. Others think it would not hurt overall, if it were implemented properly, not installed too hastily and with necessary adjustments in labor practices... Some business leaders rightfully expressed the concern that unless productivity was maintained, the shorter workweek would adversely affect the nation's already weakening position in world trade."

HARMONY, MINN., NEWS: "Over a cup of coffee we made conversation with a man who spent

20 years of his life in Rochester. We asked him what influence the old Dr. Mayo had on the lives of his two famous surgeon sons, Drs. William and Charles Mayo. Without hesitation, he said: The old man taught his sons to work. "That tells the story in a few words. It's still good advice to any family. So, while we're erecting memorials for the Mayo brothers, let's put in a few plugs for the old-fashioned gentlemen, who taught their sons to work."

EVERETT, WASH., HERALD: "The U. S. Postal Rate Commission is being asked to establish a special low mailing charge for political publications, ostensibly to provide a greater equity in the elective process. At best, this is a backdoor approach to the U. S. Treasury, an effort to circumvent direct subsidies. At the least, it is asking the victim of unwanted political mail to subsidize his own unwanted political mail."
PARIS, TENN., POST-INTELLIGENCER: "A California West Point graduate has become the first graduate of the Academy to receive an honorable discharge from the Army on the ground of conscientious objection. He was a first lieutenant and had undergone Ranger and paratroop training but had never been in combat. This seems a rather dubious distinction, not because he is an objector to military duty on conscientious grounds, but because he went to a military academy for four years and accepted a college education at taxpayers' expense."

OCTOBER 5, 1961
Members of the All Texas Air Tour will begin landing at Sonora Municipal Airport about 4 Sunday. Small craft from some 20 states and Mexico, will put down and spend the night. Sonora Broncos took their fifth victory in as many tries this season, downing the Alpine Bucks 27-8. Quarterback for the game was Primo Gonzales. Bobby Sosa is attending Tarleton State College at Stephenville. Aline Schwiening left last week for Austin where she will be employed at St. David's Hospital. G.H. Hall spent last weekend in Arlington with his son-in-law, and daughter, Mr. and Mrs. Jimmy Sloan. L.P. (Broderick) Bloodworth as the "imminent" fashion designer and his staff of "trained" professional (male) models gave a glance at things to come in the fashion world in a PTA-sponsored fashion and variety show at the high school auditorium Saturday night.

OCTOBER 5, 1951
From the 'Son-of-a-gun' column: When we get to thinking about our State Highway Department we are reminded of the story of the pauper's funeral. The preacher uttered a few proper prayers and then asked if any of those present had anything to say for the deceased. Silence ensued for awhile, but finally a tall gentleman, bent-gallon hat in hand, stepped forward and said, "I wasn't acquainted with our departed brother, but since we're all gathered here, I would like to say a few words on the Great State of Texas". That's the way we feel about the Highway Department--its works is one of the reasons Texas is the greatest state in the union. Ervin Willman was elected president of the Fire Department Wednesday night, and Artie Joy was named vice president. Mr. and Mrs. H.C. Kiser and Mr. and Mrs. Carl Harris honored Miss Jayne Kiser on her eighteenth birthday with a surprise supper held at Simmons Park Monday at 6 o'clock. Sam Allison, Jerry Pope of Abilene and Dale Reed of Houston are leaving for a hunting trip to Colorado.

OCTOBER 11, 1941
Mrs. Jack Mann and Mrs. J. A. Ward visited in San Angelo Tuesday. Saturday afternoon the Sonora Broncos clashed with the Eldorado Eagles in a terrific grid battle. The outwheeled Broncos were defeated 14-0. John Eaton has the distinction of having the first house to be hooked up to the new light plant. Wires from the plant were run to his house Wednesday afternoon. Hub Hale challenged and defeated Luke Hudson last week and Hudson challenged and defeated Curtis Nichols, in the Sonora Golf Club's ladder play. The Sutton County 4-H Club met Tuesday in the Science room of the high school to elect officers. Glen Richardson was elected president; Gene Alley, vice president; Eugene Shurley, secretary-treasurer and Wilfred Berger, reporter. Sonora's second automobile accident of the week occurred Thursday night during the three-inch rain, when a car containing Claude Campbell of Brownwood and an unidentified man ran off the street into the Lowrey Draw crossing by the double turn on the Del Rio Highway, and was washed to a place behind Brown's Cafe. V.A. Rouché left Tuesday for Fort Bliss, where he will be in

training. **62 YEARS AGO** Miss Sophie Vander Stucken is the guest of Mr. and Mrs. W. L. Aldwell this week. Al Haley of Del Rio was in Sonora Monday shaking hands with his old friends. Miss Tora Smith will leave for the J. N. Ross ranch where she will again teach the Ross children. Miss Lucille Grimland will teach the D. Wallace children at the ranch this session. G. W. Sofge and Fred Trainer have taken charge of the Sonora Restaurant and will run it in first class order. Give them a trial. Miss Lela Wyatt will leave next week for the Arthur Stuart ranch where she will teach this session. Miss Jessie Smith who taught successfully last session at Owensville, will teach at G. C. Earwoods in Edwards County this year. C. F. Adams is expecting to leave shortly on a prospecting trip to Old Mexico. Mr. Adams is without doubt one of the best judges of livestock in Texas and should he decide to locate in Mexico it would not be long before he was heard from as a success. R. Walter Davis and daughter Miss Winnie, were in Sonora Tuesday visiting and shopping. Miss Winnie had been the guest of relatives for several days.

81 YEARS AGO W.R. Rudicil, our obliging assessor, returned from a pleasure trip to Austin. He was accompanied by his sister, Bill says there is no place like home and was glad to get back to Sonora. Lumber! Lumber! Piles of lumber wanted in Sonora, the center of the Stockman's Paradise. C.G. Cooper, the well driller, was in town Wednesday. He has just finished drilling a well on his ranch. The citizens' well on Main Street will be in working order today. A protracted meeting will be held in Sonora beginning September the first, by Rev. Mr. Cunningham, Baptist minister. W.C. Woener, late of Sonora, has purchased the Brown lunch stand at the Diamond Saloon. Persons owing Searcy Baker will please settle at once or make some satisfactory arrangements.—Searcy Baker. Mrs. Max Mayer has gone to Emerald to visit her parents. Mr. Couch, brother of S.F. Couch, of Eureka, Crockett County, fell off a windmill tower Tuesday and was seriously injured. Dr. Jones of Sonora was in attendance of him. N.N. Staggs, the well driller, returned from San Angelo Tuesday. He says things are very dull there.

He Has Some Sage Advice For People Who Want To Leave The U. S.

Editor's note: The Dry Devil's Philosopher on his bitterweed ranch on Dry Devil's River has some reflections on the state of the United States this week, approximately. Dear editor: A man who can't find something to complain about in this country just isn't trying, but some people, according to an article I read in a newspaper last night when I found out the new television season is about the same as the last one, have so much to complain about they'd like to move out. Twelve percent of the population, according to a Gallup

poll, would like to pull up stakes and move to another country. They say there's too much pollution, too much inflation, too much social unrest, etc. in the United States. I got to thinking. Where would they go, for example, to escape pollution? There's not a major river in the world that isn't polluted from the Thames in England to the Rhine in Germany to the Seine in France. The Nile, the Danube, you name it, it's polluted. Why, I read just last night that the once beautiful lakes of Switzerland are so polluted all swimming has been banned and circuses won't even let their elephants wash off in them. How about inflation? According to figures I've got right here in front of me, in the last five years inflation in the U.S. has increased living costs 25 percent. In Japan the increase has been 30 percent, in England 32 percent, in Brazil 40 percent. Rents have risen 40 percent in France, meat has gone up 58 percent in England, 33 percent in Australia. Hospital costs have skyrocketed all over the world except in some parts of Africa where they don't have any hospitals. And so it goes. Anybody hunting for a pollution-free, inflation-free country isn't left with much outside the moon, and it might be well to remember automobiles up there cost 8 million dollars a piece. However, say these Americans who want to leave the country do happen to locate a place that meets their standards, a country with no pollution, no inflation, no social unrest... just about a perfect place. Before they pull up stakes, unplug their T.V. and start to move there, they may be ought to first find out if that country would have them. Yours faithfully, J.A.

FRANK ADKINS SONORA

last Thursday with more victories to add to their continually growing list. The Jr. High won by a score of 32 to 6 and the Junior Varsity won by 24 to 0.

The Junior High will be playing Ozona here this Thursday, the 7th grade beginning at 5 p. m. and the 8th around 6:30. The Junior Varsity will play Ozona beginning at 6:30.

—SHS—
The Broncos obtained their fourth victory of the season last Friday night when they tipped the Ozona Lions with a score of 10 to 8. It was a hard fought ball game on the part of both teams.

Sonora had a good many big plays in the offense. Although the boys didn't handle Ozona's stunt defense too well, they were able to move the ball on the Lions.

On the defense, Milton Noel, and Tryon Fields stood out as linebackers. Backs Steve Street, Wesley Richardson and Rick Street also stood out Friday with all of the backs running hard and the lead backs doing very well on the option. Mark Rouselot called a fine game and the secondary also did well.

Coach Scoggins was especially proud of Henry Mata for staying so cool under a great deal of pressure in the execution of his 20 yard field goal.

Although the Lions made us look fairly bad several times the Broncos were able to overcome them, with another really great effort on the part of everyone.

The Broncos will be playing Rankin this Friday at the home field at 8 p. m. Everyone come out and support them as they cool off the Red Devils.

Firemen's Corner

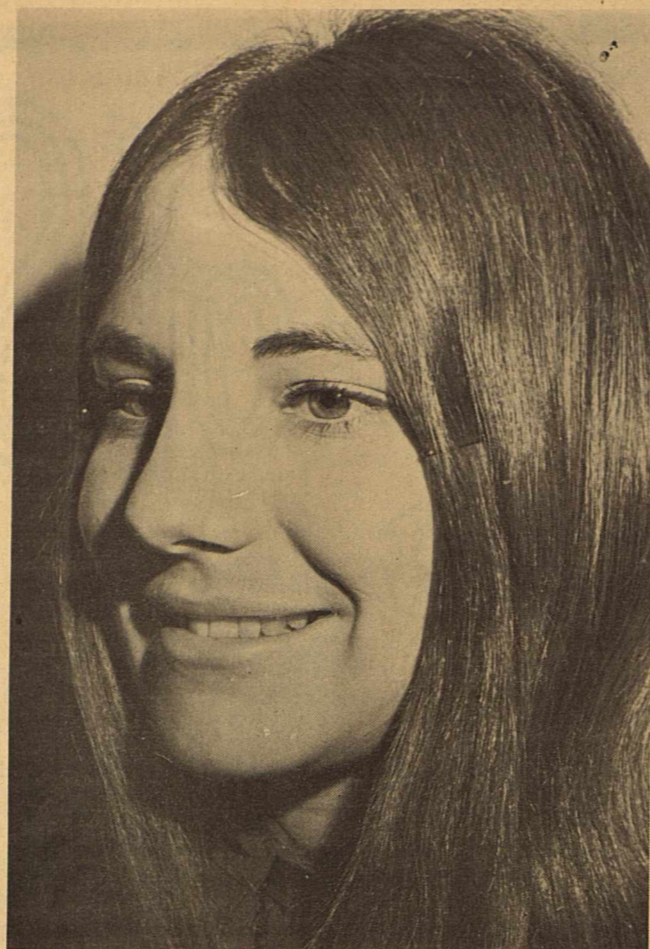

by YVONNE CARROLL
The firemen and their families plan to attend the Hill Country district convention in Coleman, Saturday, October 9.

387-2424
October 8-9 is Fire Prevention Week. This is the 50th anniversary. Despite all efforts in the prevention of fires there is an increase in the number of lives lost, and the amount of property lost each year.

387-2424
The fire department wishes to thank everyone for their donations at the Lion's Auction Sale.

387-2424
Darcy Carroll and Gene West attended the Arson Conference in Abilene, September 27-28.

Miss Becky Tittle Plans To Wed Bill Glascock

Mr. and Mrs. Bill D. Tittle have announced the engagement of their daughter, Becky Lynne, to William Travis Glascock, son of Mr. and Mrs. Travis E. Glascock of Mertzon. The engaged couple plan to marry November 13 at the First United Methodist Church.

The bride is a 1971 graduate of Sonora High School and her fiancé is a 1966 graduate of Sonora High School.

Band Director Receives Note With Words Of Praise

John Butterfield, local band director received this letter after the fine performance of the band and the football team in Ozona Friday night.

Butterfield thought this note should be shared with the many individuals who were part of these teams.

He also stated that receiving this note along with words of encouragement from others was what made his job and that of others on the faculty seem worthwhile.

Sincerely,
Jean Thompson

Heart Memorials

The following memorial contributions to the American Heart Association have been made recently to the local chapter, according to Mrs. Lea Roy Aldwell, secretary of the local association:

In memory of Mrs. John Dillard by Mr. and Mrs. W. H. Barker.

In memory of Mrs. Beulah Cook by Mr. and Mrs. W. H. Barker and Mr. and Mrs. Carl Cahill.

In memory of Mr. Ben Mittel by Mr. and Mrs. John Eaton and Dr. and Mrs. Tom White.

In memory of Mrs. Albert Owens by Doris and Theo Cahill.

In memory of Mrs. M. A. Straughan by Mr. and Mrs. Bob Vicars and Mr. and Mrs. Carl Cahill.

In memory of Jacob D. Kuykendall by Mr. and Mrs. W. H. Barker.

In memory of Mr. A. B. Smithwick by Mr. and Mrs. Claude Roth, Mr. and Mrs. D. Edmiston and Mr. and Mrs. R. T. McDaniel.

In memory of Mr. Westbrook by Mr. and Mrs. Bob Vicars.

In memory of Mrs. Stella Reynolds by Mr. and Mrs. Bob Vicars.

In memory of Mr. W. L. Davis and Mr. W. F. Berger by Mr. and Mrs. A. Fred Spinks.

In memory of Mr. W. F. Berger by Mr. and Mrs. Bob Vicars, Mr. and Mrs. Bill Wade and John, Mr. and Mrs. Carl Cahill, Mr. and Mrs. George M. Russell and Mr. and Mrs. Jo W. Hardgrave and family.

Save Worm-Eaten Pecan Trees With Liquid Feeds

Pecan trees that have been defoliated by worms can be saved by liquid feeding in the ground. The leaves normally make and store food for the winter during the fall. The worms, by eating the leaves, deprive the trees of the stored food, thus making them weak. A hard freeze will kill the terminal growth and in some cases the whole tree. Next year's pecan crop will be severely damaged or lost.

Saunders Spraying Service has the equipment to force liquid feed into the ground under high pressure. This feed is immediately available to the roots and will off-set the loss of food caused by worm defoliation.

Band News

The Band Concession stand will be open Thursday night for the 7th and 8th grade games with Ozona. Parents donating sandwiches are Mr. and Mrs. Mendez, Mr. and Mrs. Pete Virgen and the Rev. and Mrs. John Weston.

Mr. and Mrs. Virgen are chairmen for the varsity game Friday night with Rankin.

Parents working in the stand that night are Mrs. Bonnie Garmon, Mr. and Mrs. Cleveland Nance, Mr. and Mrs. Herman Gabezueta, Mr. and Mrs. Salome Perez, Mr. and Mrs. Nelson Stubblefield, Mr. and Mrs. E. L. Harrell, Mr. and Mrs. Pete Samaniego, Mrs. Santos Hernandez and Fred Adkins.

Sandwiches will be donated by the Samaniegos, Mrs. Garmon and Adkins. Cupcakes will be donated by the Harrells, Gabezueta and Perez. Some parents have expressed the desire to donate popcorn balls, brownies or candied apples instead of cupcakes. Any of these would be just fine.

Green News

Ten ladies went to San Angelo Tuesday to attend the San Angelo Women's Partnership Tournament.

Sonora players did real well in the tournament with eight of the ten placing. Bobbie Fawcett and Sannie Espy were first place winners in the first flight and Wanda Cahill and Ernestine Hext placed third in the flight.

Marilyn Bloodworth and Mur-

iel Brown won first place honors in the third flight, with Jo Neville and Lucille McMillan placing third in the same flight. Mary Barrow and Ann Herrmann also played in the tournament.

—GN—
George Johnson and J. W. Neville were in Sweetwater Saturday and Sunday, and won the first flight honors in the tournament held there.

LIGHTED WINDOWS

It's after hours. Yet most of the windows are bright. Perhaps the cleaning crew is at work, or a few executives catching up on their mail.

Whatever the reason, the lighted windows glow with purpose. The dark windows are blank, austere and forbidding. What difference one flick of a light switch can make!

People are like the windows of this building. Some, radiant with the joy of living, find days full, happy and useful. They are fun to be around. Others, gloomy and sad, find life lonely and meaningless. Their company is tedious.

What makes the difference? Where can you turn if life seems troublesome? You can't flick a switch to change an attitude.

The secret is in your church. Worship and study there, and welcome the living presence of God into your heart and mind. Your whole life will be lighted and your days filled with new happiness.

A Bishop Looks at Life Faith Alive

By Everett H. Jones, Retired Bishop of the Episcopal Church

The problem in the religious world today is not that we need more churches, but that we need more life in the churches we have.

This is another way of saying it is not enough for a person to profess to have Christian faith; the question is whether this faith is a radiant, sustaining and transforming reality in his life.

In an effort to develop new spiritual vitality, leaders of the Church are giving much thought to proposals for what is called "Christian renewal."

One such program which is gaining momentum in many parts of the country is called "Faith Alive."

This movement takes the form of weekend conferences conducted by visiting teams of lay people who share with a congregation how God is working in their lives in specific down-to-earth ways. The visitors encourage members of the host church to tell their own experiences of life in Christ. As part of their own commitment the visitors travel at

their own expense and accept food and lodging in the homes of church families.

A typical "Faith Alive" weekend begins on Friday evening with a parish supper at which there is group singing and where several visitors give short talks. Then the meeting breaks up into smaller groups for discussion led by the visitors. The day-time sessions on Saturday are held in private homes. On Sunday morning the conference leader speaks at the services, and there is usually an opportunity for re-commitment of individuals to Christ.

The strength of the movement comes from its emphasis on lay leadership and participation, its stress on witness to personal experience rather than on theological discourse, and its break-up of the congregation into smaller, more intimate units.

One enthusiastic participant reported: "For me it was a return to the kind of spiritual excitement found in the pages of the New Testament."

Cemetery Group Needs Funds

The Cedar Hill Cemetery Association has purchased a riding mower in order to keep the cemetery in good condition, said Lester Shroyer.

The cemetery is located on the North Llano and men of the area have been taking care of weed and grass cutting. Recent heavy rains have caused the growth of these weeds to increase so rapidly the men were unable to keep them down with small mowers, Shroyer said.

The association is asking for donations from those persons who have relatives buried in the cemetery in order that they may pay for the mower, which cost around \$500. If sufficient money is donated association members hope to eventually place a small building on the premises to house the mower and small tools used in keeping the grounds clear.

Donations may be mailed to Junction National Bank, Junction with checks made payable to Cedar Hill Cemetery Association. All bills payable by the association are paid by check, co-signed by Shroyer, Dutch Joy and Elba Adams.

LEGAL NOTICE

NO. 322

NOTICE ON PETITION FOR PACKAGE STORE PERMIT: The State of Texas County of Sutton

Robert E. Corbell has filed a petition with the County Judge of Sutton County, on the 6th day of October 1971, for a PACKAGE STORE PERMIT and makes, under oath, the following representation: 1. The name under which the business is to be operated is BRUSHY TOP 2. Address or location, 9 miles North of the Courthouse on West Side of U.S. Highway 277, Sonora, Sutton County 3. Mailing address, Box 172, Eldorado, Texas 76936.

5. That the business is owned by an individual. 6. That reference is hereby made to the original applicant now on file for further information.

Wherefore applicant prays that lawful notice of this application be given and that on hearing hereof the Court authorizes the issuance of a license or permit as herein set out.

Said application will be heard by the County Judge on the 14th day of October, 1971, at 1:00 o'clock p.m. at the Courthouse of said County in Sonora, Texas.

Any citizen shall be permitted to contest the facts stated in the said petition and applicant's rights to secure a license-permit upon giving security for all costs which will be incurred in such suit, should the same be decided in favor of the applicant.

Witness my hand and official seal at Sonora, Texas, this 6th day of October, 1971.

Erma Lee Turner Clerk of County Court Sutton County, Texas

Order From The DEVIL'S RIVER NEWS

THE FAMILY LAWYER

Civil Rights For Cinderella?

At first glance, Mr. Harrison's will seemed plain enough. It left his entire estate to his "children," a word that obviously included his own three daughters. But did it also include his stepdaughter, the child of his second wife?

After a court hearing, the judge decided that the stepdaughter was just out of luck. He said the word "children" did not include stepchildren unless the will expressly or impliedly said so.

Two new studies of intensive rotation systems on the Station were explained by Dr. Leo B. Merrill, in charge. A seven pasture system places all of the livestock in one pasture for 21 days, while the other six pastures rest. Following grazing each pasture is completely rested for 126 days before being grazed again.

A four pasture system grazes all livestock on one pasture for four months, followed by one year rest. Both of the intensive systems look very good at this time.

The group were accompanied on the tour by Dr. Charlie Fisher, head of Texas A&M's brush research program. Dr. Bob Ragsdale, Extension range specialist also accompanied the group.

Following the tour directors of the Edwards Plateau soil and water conservation district served a barbecue meal. At an election to select a director for Zone 3 of the District, Vestel Askew was reelected.

Furthermore, especially in the newer fields of law, there is a growing tendency—sometimes by specific statutory enactment—to place stepchildren on an equal footing with natural children. Consider this case:

A factory worker was killed in an industrial accident. When his family put in a claim for workmen's compensation, the company readily agreed to pay the victim's widow and young son. But it refused to pay anything to his stepdaughter, even though she had been living for years as a regular member of the family.

However, when the matter was tested in court, the judge took note of the humanitarian purpose of the modern workmen's compensation system.

"Compensation is not inheritance," he said. "Its purpose is to give relief to dependents of one killed in industry." Thereupon the court ordered the company to pay a full share of compensation to the stepdaughter, since she 1) did indeed need relief and 2) was indeed a dependent.

Brush Control Study Made

by E. B. Keng, SCS Technician Approximately 25 local ranchmen and range technicians plowed through wet rangeland to study progress in brush control and range management at the Experiment Station Monday.

With the heavy September rains followed by current moisture, vegetation on the Station has made remarkable improvement. Pastures where brush was dozed or mowed in the spring, followed by range seeding, now have solid stands of grass.

Two new studies of intensive rotation systems on the Station were explained by Dr. Leo B. Merrill, in charge. A seven pasture system places all of the livestock in one pasture for 21 days, while the other six pastures rest. Following grazing each pasture is completely rested for 126 days before being grazed again.

A four pasture system grazes all livestock on one pasture for four months, followed by one year rest. Both of the intensive systems look very good at this time.

The group were accompanied on the tour by Dr. Charlie Fisher, head of Texas A&M's brush research program. Dr. Bob Ragsdale, Extension range specialist also accompanied the group.

Following the tour directors of the Edwards Plateau soil and water conservation district served a barbecue meal. At an election to select a director for Zone 3 of the District, Vestel Askew was reelected.

National Newspaper Week Observed October 10 to 16

The week of October 10-16 is National Newspaper Week. This is the one time during the year when the more than 9,000 weekly and daily newspapers of the nation join hands, as a group, and make a concerted effort to promote a better understanding of newspapers and the vital role they play in preserving the great American way of life, which we cherish.

Newspaper Week was instituted nationally in 1940, and is sponsored annually by Newspaper Association Managers, Inc., a nationwide organization of state, regional, and national press association managers.

"Newspapers - Growing with America" is the theme for this year's observance.

Newspaper Week is one of the more significant of the many special weeks observed in this country. It is one which seemingly at first glance is important to only one kind of business, but actually it is of major importance to every citizen.

This week is not primarily set aside for newspapers to indulge in self-praise, but it is a time to remind readers of the fact that growth in this free nation goes hand in hand with growth in its free press.

It was Eugene Fitch Ware who said: "No town can hope prosperity and trade, unless the press shall vigorously aid."

Snips, Quips, And Lifts

by LOTTIE LEE BAKER

—A good man is like a good watch: open face, busy hands, well-regulated, full of good works.

—The time for learning is about an hour before your ignorance taught you an expensive lesson.

—It's easy to have a balanced personality. Just forget your troubles.

—To err is human, but to divine how a computer erred is really divine.

—Some doctors believe in shock treatments—they are mailed out the first of every month.

—Some people are like blisters. They show up when the work is done.

—He who hesitates cannot leave the freeway.

There had been a long dry spell and two cowboys were discussing the lack of grass.

"How bad are things over at your ranch?" asked one.

"Really tough", said the other. "Over there our cattle are so thin that we can brand two at a time by using carbon paper."

—A good job is one which is more interesting than a vacation.

—A budget is wonderful, it helps you to learn how much you spend and how little you earn.

—Whenever a man finds nothing to be thankful for, he has to reach up to touch bottom.

—Fame is the fragrance of heroic deeds.

—Don't let your pride get in-

flated. You might have to swallow it someday.

—Most people who slap us on the back expect us to cough up something.

—Nothing good was ever achieved without enthusiasm.

A LIFT FOR THE WEEK
If you can't see the bright side, polish the dull side.

SUPPORT THE HOME TEAM

THE WINNING FIELD GOAL comes off the toe of Henry Mata as Mark Rousselot held the ball in the waning moments of Friday night's encounter with Ozona. The Broncos were behind 8-7

when Mata kicked the 20-yard field goal to push the Broncos ahead 10-8. The strong defensive line held the Lions scoreless for the rest of the game, and Sonora emerged victorious.

Sonora Rolls Over Eldorado

The 'B' team rolled over the Eldorado 'B' team last Thursday 24-0. Sonora received the kick-off and marched down field 60 yards, but a fumble on the two-yard line quickly cancelled the drive.

Neither team had a sustained drive until the second quarter

when Paul Browne threw a long touchdown pass to split-end Juan Perez. Browne ran for the extra point which was good. The score stood 8-0 at half-time.

SECOND HALF

Eldorado received the ball on the second half kick-off. They were unable to get the first down and were forced to punt. The punt was blocked and Jack Sykes recovered the ball in the end zone for a TD. The extra point was good for two points.

Joseph Noel then went in at fullback and on ten consecutive running plays scored. The conversion was blocked. Sonora's defense led by Harris, Mitchell, Guterrez and Stewart held Eldorado's offense from getting anywhere near the Sonora goal line. The final score was Sonora 24, Eldorado 0.

Sonora meets Ozona tonight in Ozona at 7:30.

MRS. JUANITA SHURLEY

Colts Trample Eldorado Thursday

by M. STREET & L. ROGERS

The 8th grade Colts met Eldorado last Thursday in Eldorado and dealt the Eagles a crushing defeat by a score of 32-6.

In the first quarter neither team reached the goal line. Larry Finklea ran 45 yards in the second period for the first score. The two point conversion failed.

After Sonora regained possession of the ball, a pass from Hector Perez to Frank Gallegos put another six points on the scoreboard. The conversion was unsuccessful.

Finklea scampered 40 yards for his second TD of the night. The conversion was good as Oscar Galindo ran the two yards. The half ended with the score 20-0 in favor of Sonora.

Finklea intercepted a Bosman pass and returned it to the 15-yard line of Eldorado. Perez ran the rest of the way for the Colts fourth TD. The conversion again failed.

A 15-yard pass play from Perez to Mike Street made the last score of the game for the Colts.

Eldorado made their only score in the game on a short run. Their conversion attempt failed.

The Colts will meet Ozona here tonight (Thursday). 7th GRADERS IDLE

The Sonora 7th Graders were idle last Thursday, since Eldorado does not have a 7th grade team. Hard and exacting practice continued as the Colts prepare to meet Ozona.

Coffee Break

by Shirley Hill

Tuesday marks the 479th year since Christopher Columbus discovered this great land of ours—America. Columbus must have felt much like our first astronaut on the moon those many years ago when he first set foot on this foreign soil.

We have certainly changed the face of this great country since then. We have succeeded in polluting the water, the soil and the very air we breathe. Seems impossible to us in this land of plenty that one day we may be without a drink of water.

Webster defines "pollute" as to make or render unclean; to defile; desecrate; profane. We can think of many means of pollution—those of the heart, the soul and even those of our state and government offices.

But even in this polluted country, not many of us would really change our American citizenship for those offered by any other country in the world.

Sutton 4-H'ers Exhibit Winners At New Mexico Show

Debbie Howard and Du Ray Smith, local Sutton County 4-H Club members exhibited prize winning Rambouillet wool fleeces at the New Mexico State Fair at Albuquerque, New Mexico, recently.

Miss Howard exhibited the Reserve Champion Breed Fleece, the first and fourth place Rambouillet ram fleeces, and the first and second place Rambouillet ewe fleeces.

Smith exhibited the third place Rambouillet ram fleece and the third place Rambouillet ewe fleece.

Miss Howard will exhibit her first place Rambouillet ewe and ram fleeces in the National Western Wool Show in Denver, Colorado, in January.

Sutton 4-H'ers Attend Ballinger Council Meeting

Ruth Ella Wallace, Cora Pope and Bill Finklea represented the Sutton County 4-H Club at the District 7 4-H council meeting in Ballinger Saturday.

This was the first meeting of Sutton County 4-H members in District 7 since Sutton County was transferred to Extension Service District 7, with headquarters in San Angelo October 1.

Plans were made for coming 4-H activities during the year in District 7. Each county reported on 4-H activities that have been conducted in their various counties during the past six months, and on projected plans for the next year.

Corky Schwiening, president of the Sutton County 4-H Parents Club attended the District 7 adult leaders association meeting. This group represents District 7 4-H activities and helps plan 4-H events. County Agent D. C. Langford attended the meetings with the group.

Traffic Regulations

Numerous changes have been made in the traffic safety laws, and some of the more significant ones in the Uniform Act Regulating Traffic on Highways have been submitted by patrolman Larry Hill.

The law states that equipment necessary on every passenger car includes: horn, windshield wiper, mirror, seat belts (if anchorage was part of manufacturer's original equipment), brakes (service) (parking), muffler, exhaust emission system (beginning with 1968 models, if equipped) and

Beam indicator (beginning with 1948 models), tail lamps (2): (1) if 1959 model or earlier, stop lamps (2): (1) if 1959 model or earlier, license plate lamp, rear red reflectors (2), directional signals (beginning with 1960 models) See 69(b) and head lamps (2).

—Passenger car 80 inches or more in width require directional signals regardless of year model.

—Passenger car towing a house trailer must carry at least three flares and three red burning fuses, or three red electric lanterns, or three red emergency reflectors.

The same regulations cover every pickup, panel, bus or truck under 80 inches wide. Additional information on all these and other regulations may be obtained from the local Department of Public Safety.

A reception honoring Mrs. Ida Bloodworth, Grand Marshal of the 1971 Aspermade in Ruidoso, N.M., is being planned by her family. The event will be held October 9 in the Whitehead cabin in Ruidoso. All friends are invited to call. Hosts will be Mr. and Mrs. L. P. Bloodworth, Jr., Mr. and Mrs. George Dennis of Albuquerque, Mr. and Mrs. Dan Reinhardt, Jr., of Fabens—daughters of Mrs. Bloodworth—and a niece, Mrs. John M. Jones of Del Rio.

Mr. and Mrs. Palmer West of Eldorado visited Mr. and Mrs. Cashes Taylor over the weekend, Mrs. West and Mrs. Taylor are sisters.

Mr. and Mrs. Carl Cahill visited their daughter and family, Mr. and Mrs. Richard Stanley in Dalhart over the weekend.

Jan McClelland visited with her parents, Mr. and Mrs. John McClelland, last weekend.

Visiting the W. E. McClellands over the weekend were Mr. and Mrs. George Thompson and

children of Sweetwater. Dr. and Mrs. Lonnie Pollard attended a Lay Witness Mission in El Paso last weekend. Mr. and Mrs. Giles Hill of San Angelo were Sonora visitors Friday and Saturday.

Doc Scott and Boyd Lovelace, two ex-Sonorans were in Sonora Monday visiting with friends. Mrs. Richard Olson and children, Laurie and Eric have moved into their new home they purchased from the E. L. Dumlaps on Allen Street.

DUPLICATE BRIDGE
In duplicate bridge play Monday night at the Sonora Golf clubhouse, Dr. and Mrs. Wayne Herrmann were first place winners; winning second were Mrs. Elnora Love of Eldorado and Miss Vivian Means; third and fourth place winners, tying, were Mrs. Buddy Brown and Mrs. Hillman Brown and Jan Mobley and Diane Barfield of Eldorado.

Mrs. Marvin C. Perry of Amarillo arrived Monday to visit with her parents and brother, Mr. and Mrs. Hershel Davenport and Matt. She will be here about a week.

Cleveland Nance, Jr. was home from Texas Tech over the weekend visiting with his parents, Mr. and Mrs. Cleveland Nance. Saturday the family attended the wedding in

McCamey of Miss Lee Nance Moss and Michael Hodges. Miss Moss is the granddaughter of Mr. and Mrs. R. G. Nance of San Angelo. Cleveland, Jr., served as an usher in his cousin's wedding. Returning home with the Nances was Bob Moss of McCamey who was enroute to Big Spring, where he attends Howard County Junior College. Mr. and Mrs. George Phillips

and Jack Pfister returned home from a trip to What Cheer, Iowa, the hometown of Mr. Phillips. A family reunion was held during their visit, attended also by a brother from Wisconsin and one from the hometown. Visiting in the news office recently was Mrs. D.Q. Adams and Miss Viola Adams of the Camp Allison community, along with Mrs. Les Malmstrom.

I HAVE LEASED SAUNDERS FLOWER SHOP And Assumed Managership October 1.

The shop will continue on the same policies as with Winnie Saunders. It will be my pleasure to help all former and new customers.

Mrs. Helen Perez, who has been an employee for a number of years will remain in the same position.

Sincerely,
Win Saunders

dial sunshine every day... with an electric clothes dryer!

■ Your permanent-press fabrics last longer and stay pressed longer when dried indoors. And, their gentle cool-down cycle action protects special fabric finishes . . . lets them perform better.

■ Get control. Get an electric clothes dryer and have cleaner, brighter washdays.

With an electric clothes dryer, you select the day for washday, not the weather-man. There is no waiting for rain to stop or clouds to go away. You can wash any day . . . not just sunny days. And, you can dry clothes day or night.

■ An electric clothes dryer will stretch your clothes budget, too. You get those dirty clothes out of the clothes basket and back in the closet more quickly.
