Five Directors went off the Board of Directors and the five new directors voted in were Herbert Fields, L. P. Bloodworth Jr., Bill Stewart, Jack H. Sharp and Sammy J. Espy. The board of directors and new officers held a meeting October 18, and tentatively set the dance for a Saturday in the month of February, pending the engagement of an orchestra.

A request was made to any person who has newspaper clippings, pictures, or old invitations of past dances to contact Mrs. Joseph Vander Stucken, who is compiling a scrap book of the formation and past dances of the Club. Membership dues were increased at the membership meeting to \$35 per member to offset the increased cost of the dances. The club has 135 members.

Bank. All interested boys and girls between the ages of eight and 18 are encouraged to participate in the program.

The purpose of the lamb carcass show is to assist in training 4-H members and ranchers to produce a more acceptable lamb for market. This lamb should have a high dressing percentage, have a high percentage of leg and loin, have highly palatable meat, reach correct finish at a desirable weight and age and utilize a minimum amount of feed.

RULES REGARDING CARCASS SHOW:
... There will be two classes of carcass lambs. One for finewool lambs and one for finewool cross lambs. Lambs must comply with general show rule 6.

... Ten lambs in each class will be placed one through ten on foot, slaughtered and the carcasses will be placed one through ten based on the carcass evaluation procedures developed at Texas A&M University.

... Each 4-H club member may enter four crossbred and four finewool lambs in the carcass classes. (Few lambs may show in the carcass and in the local lamb show.) The judges will go through pens and select the top carcass lamb for each 4-H member to be placed in holding racks for final judging.

... Each 4-H club member who gets a lamb slaughtered may enter one carcass in the regular club lamb sale. The carcasses will be sold by the head on the same basis as the regular sale lambs.

... If a 4-H member should have two carcass lambs slaughtered, the extra carcass may be sold at market price.

... The on-foot classes will be judged Monday, January 8, at 3:45 p. m. at the 4-H Center.

... Lambs must weigh between 75 and 115 pounds at the weighing before the judging on Monday, January 8, 1973, to be eligible for the carcass show.

... Lambs will be ear tagged, weighed and sheared at the 4-H Center, Saturday. Some of the rules for the market lamb classes to be held in conjunction with the lamb carcass show include:

... Lambs that are sheared and weighed for the carcass lamb show will be eligible to compete in the market lamb classes Friday, January 13. (This includes all lambs not selected for slaughter.)

... Lambs may be selected any time prior to October 28. ... Tail docking etc. should be done prior to October 28, so that wounds will be healed and not affect the gain of lambs.

... Lambs will be weighed on Monday, January 8, 1973, prior to the judging of carcass lambs so that gain records can be determined.

... No trimming of lambs behind the head will be permitted after October 30.

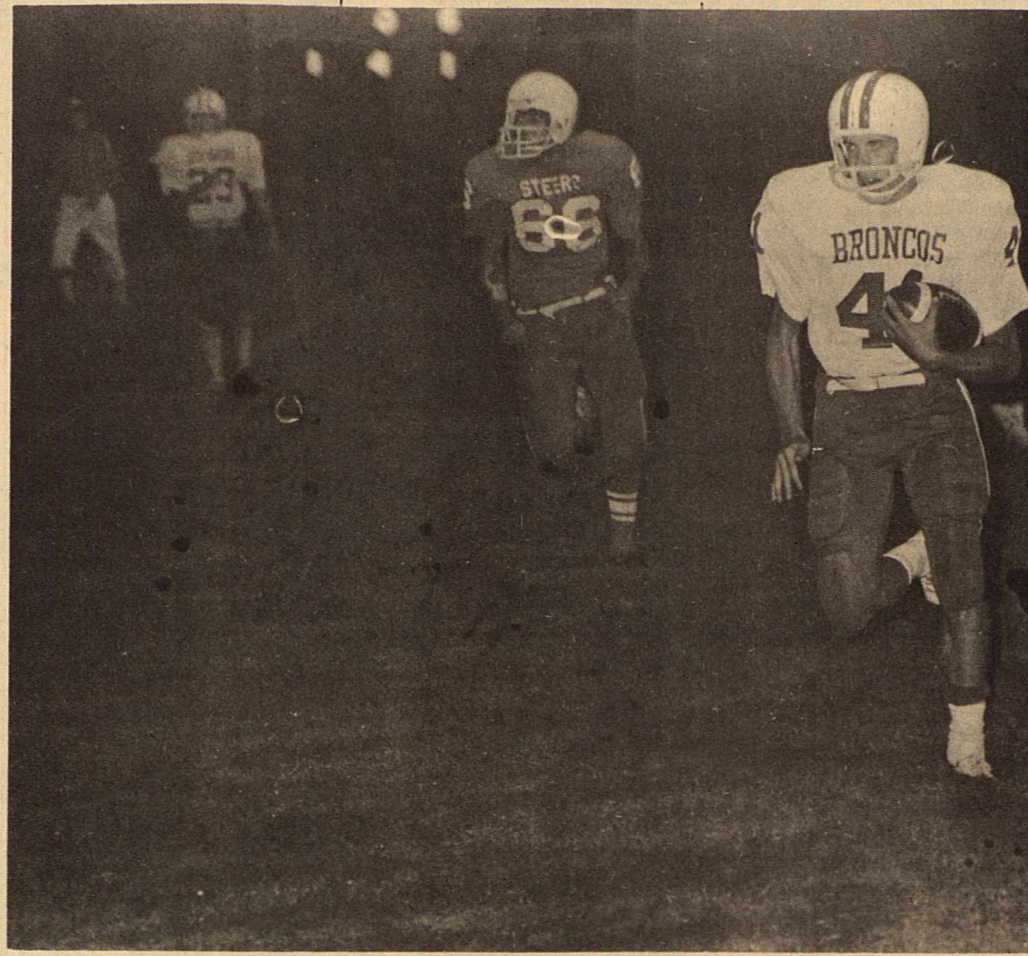

... Trophies will be awarded the Champion crossbred and Champion finewool market lambs.

... 4-H members may feed a ration of their choice.

Additional information may be obtained from Langford.

THE BRONCOS RAMBLED OVER THE ROBERT Lee Steers last Friday 34-0. Here Wade Richardson is shown after he fielded the punt on his own 35 and dashed 65 yards to "pay mud" (the field was too muddy, for dirt). Bruce Kerbow ran the 2-point conversion giving the Broncos a

28-0 lead in the second half. Sonora Broncos will meet the Wall Hawks Friday night at 7:30 at Bronco Stadium. One of the stronger contenders in the district, the game should provide great excitement for football fans.

Broncos Trample Steers

The Sonora Broncos kept a perfect record for district play by defeating the Robert Lee Steers 34-0 Friday night in rain soaked Robert Lee.

Sonora won the toss and used only three minutes of playing time in scoring the first TD. Taking over on their own 24 the Broncos quickly moved up the field making four first downs on the 76-yard drive. Steve Street rambled 43 yards on the scoring play. The PAT failed.

The Steers could not move the ball after the kick and were forced to punt. Wade Richardson fielded the punt on his own 35 and dashed 65 to "pay mud". Rousselot passed to Street for two points and an early 14-point lead.

On the Steers next possession John Weston intercepted a pass and set up Tryon Fields' 15-

yard touchdown run. The PAT failed and the Broncos held a 20-0 lead through the second quarter.

SECOND HALF
Second half action started with the Broncos kicking to Robert Lee. The Steers fumbled on their third play and the Broncos

It's That Time Again--Time To Move Backward!

Saturday midnight will be that time again when we get all confused and began changing clocks back to what many feel they should have been all the time. This happens the last Sunday in October, so that is this Sunday.

For those who get tired of changing their clocks twice yearly, it might help to write to the Congressmen in this district.

If you want to write try getting a letter to Sen. W. E. (Pete) Snelson at 319 N. Colorado St., Midland, or to Representative Hilary Doran in Del Rio, and let them know how you feel about it. In the meantime, don't forget to run your clock back—otherwise you could be an hour early to church Sunday morning!

covered the ball on the Steer's 35. Sonora carried down to the three where Street carried in. Bruce Kerbow ran the two point conversion, giving the Broncos a 28-0 lead.

After the kick, the Steers still were unable to make a first down and were forced to punt. From his own 40-yard line Rousselot passed to Paul Browne for 60 yards and the final TD. The PAT failed, and the score remained 34-0.

Muscular Dystrophy Campaign Set

Local volunteer marchers will conduct a house-to-house appeal for funds to fight Muscular Dystrophy and related neuro-muscular diseases November 6. Warren C. Hemphill has been named campaign treasurer for the Sonora 1972 March Against Dystrophy.

Hemphill said, "The drive here is part of the annual nationwide effort to fight Muscular Dystrophy. In the interest of public service and for the convenience of the volunteer marchers and donors, the First National Bank will act as depository for the campaign."

Muscular Dystrophy is the devastating crippling of young adults. The thousands of Texas residents afflicted by MD need your help as the majority will not grow to maturity unless a cure is found.

GRASSROOTS OPINIONS

FLORENCE, ALA., HERALD: "A visitor to the United States from abroad had become deeply impressed by the very important political campaign now in progress throughout the country. In conversation with a distinguished officeholder he stated that he was much impressed by the extreme generosity displayed mutually by the gentlemen who designate themselves as Democrats and Republicans. Being somewhat surprised at the visitor's comments, the politician said: 'I don't quite see where you get that generosity idea.' 'Why, my friend' the visitor began, 'I am surprised that you should fail to note how industriously each party points

out to the other exactly where it is making its most serious mistakes."

MOVILLE, IOWA, RECORD: "One snowflake doesn't amount to much, but a whole skyful of them falling can stop a train. Successful lives... and even empires have been built on the same homespun philosophy."

THERMOPOLIS, WYO. INDEPENDENT RECORD: "We have another important election-year fact. The city of New York has a special department that is charged with the responsibility of cleaning up after 'relieved' dogs. In 1969 the budget for that department exceeded one million dollars. Some of our politicians might keep that in mind."

MIDDLETOWN, PA., JED-NOTA: "The men and women who have reached a high degree of success in the great things of the world have been people who have studied themselves. They learned how to strengthen their weak points, cultivate their capabilities, and arouse their efforts to become something worthwhile in life, they have developed strong characters which enabled them to reach the top of the ladder in their particular line."

BROOKVILLE, PA., AMERICAN: "We live in a fast-moving world and few are able to retain the simple, fundamental values in dealings with their fellowmen. The dollar is tremendously important. The urge to follow the crowd is often almost irresistible, the

urge to deviate from the truth powerful. Yet the great men and women of achievement are usually those who retain simple, basic virtues. They dare disagree with the crowd. They speak the truth when it's unpopular. How about you?"

NEWTON, MISS., RECORD: "A columnist in Life Magazine proposes a fad of silence. Since most of us talk too much and say too little, he suggests a time of silence would have medical as well as psychic benefits. Prolonged silence, he suggests, could reduce the volume of noise, and induce great peace and euphoria. The lesson is that there are times when man doesn't need words for understanding."

THE DEVIL'S RIVER PHILOSOPHER SEZ.....

He Tackles, But Then Gives Up, The Problem Of Big Cities' Financial Ills

Editor's note: The Devil's River Philosopher on his bitterweed ranch on Dry Devils River struggles with another problem this week, without finding an answer.

Dear editor:

According to an article I found in a newspaper yesterday the cities of the United States spent one and a quarter billion more dollars than they took in last year.

Revenues of all city governments in the country totaled 37.4 billion dollars last year, a gain of 4.7 billion over the previous year, but the cities spent 39.1 billion. In other words, they're going in the hole.

I got to thinking. That's exactly the shape farmers were in when there used to be a farm problem. It was costing them more to produce a crop than the crop was bringing in, and the problem was wrestled with on all levels until it finally was whipped.

The way it was whipped was simple: farmers mostly just disappeared. From 55 percent of the population they dwindled to 40 percent, then to 20 percent, and now, finally, they're down to less than 7 percent.

When you're only 7 percent

of the total population, with only 7 percent of the vote, you're no longer a problem.

Now with cities, I don't know. If they're taking in more money than ever before and still not making ends meet and still not meeting the needs of their citizens, the supposition might be, let nature take its course, what worked with the farm problem ought to work with the city problem, but there are some perplexing questions going unanswered.

For example, what do you do with a city that gives up? Tell its citizens to move to town and get a job? With an abandoned farm, you can always put it in grass and run cattle on it, but with a city, there's so much pavement and cement I'd feel sorry for the man who tried to graze it. Oh, there're some lawns you might run goats on, and backyard swimming pools would make fairly good stock tanks, but on the whole I'd say the range conditions in San Antonio or Dallas would be of a very poor quality and hardly worth fencing.

I'm sorry, I just don't have the answer to this problem. I will try to work on it some more later.

Yours faithfully,
J. A.

GUESS WHO!

Have you ever seen this face when he wasn't smiling? Any time you saw this happy face, all the years he spent growing up here... bet you never saw him when he wasn't smiling. Isn't that a great thing to be able to say about a person? Last weeks 'guess who' was the Rev. John M. Weston, as many of you guessed.

Goodin - Wallace Vows Held In Hereford Church

Autumn shades of gold, bronze and teal blue appeared in the floral background for the marriage service of Miss Ginger Lynn Goodin of Hereford and Joe Neal Wallace, solemnized Saturday evening, October 21, 1972, in the fellowship hall of First Baptist Church of Hereford.
 Dr. Gerald Mann, pastor, conducted the ceremony at an altar where candle light gleamed on bronze and yellow daisy chrysanthemums, copper pom-poms and yellow gladiolas. Candelabra were based in green foliage and more greenery was arranged around the white bench where the couple knelt for the benediction.
 Parents of the couple are Mr. and Mrs. Calvin Goodin of Hereford, and Mr. and Mrs. George Wallace.
 Miss Vickie Samford of Lockney was Miss Goodin's maid of honor and Miss Jane Wallace, sister of the bridegroom was bridesmaid. Ray King of Higgins, best man, and the bride's brother, Gary Goodin, attended the bridegroom.
 Ushering guests were Brian Goodin and David Wallace, brothers of the couple, Steve Whitaker and Greg Whitaker, cousins of the bride.
 Sheri Whitaker was the flower girl; a younger brother of the bridegroom, Drew Wallace, carried the rings.
 Mrs. Gene Streun played an organ prelude and the marches, and accompanied Misses Mona Gale Gibson and Carol Scott. Daisy lace edged the wedding ring neckline of the bride's satin gown, outlined a panel on the bodice and circled the natural waistline and toetip hemline. Bishop sleeves were also trimmed with touches of the lace, and it edged the veil. The bride's gown was fashioned and home sewn by her mother.
 Spreading into a chapel train, the illusion veil was attached to a lace headpiece above the bride's forehead. Her bouquet was a cascade of white carnations with a cluster of white roses in the center. She wore her grandmother's sapphire lavaliere.
 The maid of honor was dressed in teal blue, the bridesmaid in bronze. Their satin frocks were in the same style of the bride's and their corsage bouquets of bronze and yellow chrysanthemums.
 Bride's and attendants' bouquets were laid at the base of gold candelabra on the table at the reception, which was held in the church hall. Mrs. Rick Renart of Dumas served the wedding cake, and Miss Judy Roberson the punch.
 Miss Donnell Benefield assisted and Miss Martha Ann McBride was at the guest registry.
 Mrs. Wallace has attended West Texas State University a year since her graduation from Hereford High School and is a member of Lamba Chi Alpha Crescents.
 Employed with Pitman West in Hereford, Wallace is a 1972 graduate of Texas State Technical Institute at Amarillo and of Sonora High School.
 INFORMAL SUPPER
 A number of guests from other cities attended the wedding. After the reception there was an informal supper in the Goodin home for family members and those visitors.

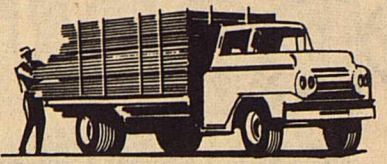

Organization Plans Christmas Seal Mail Campaign

Christmas seals are now being delivered to local residents. The mailing marks the annual Christmas seal campaign kick-off throughout the 32 West Texas counties of the Big Country Area of the Texas Tuberculosis and Respiratory Disease Association.
 According to Dr. C. F. Browne and Mrs. Dennis Dunnam, BCA board members, the slogan "There's More To Do—Give More to Christmas Seals," is especially fitting. Donations from the seals "give the gift of life and breath in the year-round fight against emphysema, tuberculosis and other respiratory diseases. In addition, the seals spread good cheer in the holiday season through their uses on holiday cards and packages."
 Dr. Browne and Mrs. Dunnam noted that monies received are spent in research and health education. Emphysema, a chronic respiratory disease, is second among disabilities for which workers are awarded Social Security benefits. Bronchitis, emphysema and asthma combined rank ninth among causes of disease deaths, with emphysema being the fastest growing cause of death in this country.
 Headquarters for the Big Country Area—TTRDA are in San Angelo. Further information on the activities and programs of the Christmas Seal association is available by writing P. O. Box 1022, San Angelo, 76901.

If You Lived Here...

... how would that affect the state of the nation, and the course of history?

We should thank God for the responsibilities we DON'T HAVE, and then seek His strength in fulfilling those we have. It may be the by-product of democracy, but we often become too engrossed in the responsibilities of others—not enough in our own!

If I have a home and a family, it is part of a community, and my community part of a nation, and my nation part of a world. Then, for my abilities, my task may be as great as that of the President of the United States.

It was a president who said he had been driven to his knees many times by the knowledge that his strength was insufficient for the day.

We all have days like that—most of the time!

TEEN SCENE

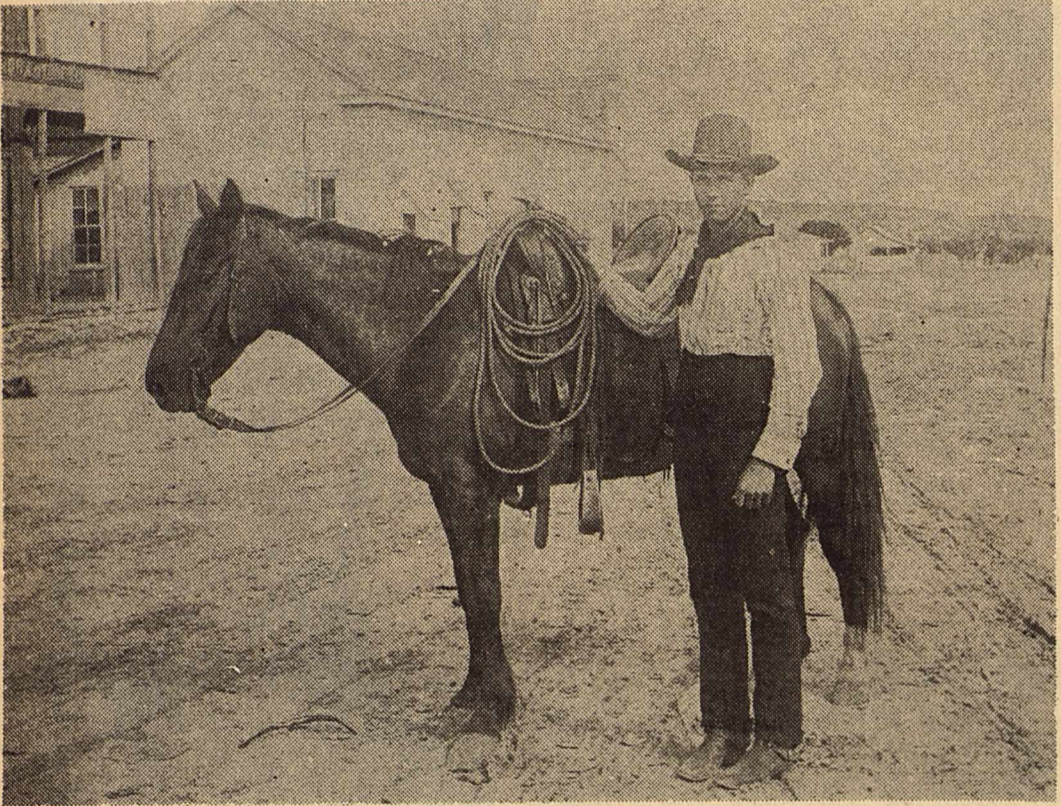

By Carol Weston

The Broncos galloped over the Robert Lee Steers last Friday evening for their second district victory. The game ended with a score of 34 to 0.
 Injuries have begun to heal and illnesses to decrease which contributed a good deal to the way the boys played against Robert Lee. Head coach J. T. Hill thought that the defense did a really great job. They gave up only 54 total yards and no first downs. The offense was good in spurts, but not quite as consistent as they could have been.
 The Broncos performed very well against Robert Lee, under the uncomfortable weather conditions and recorded a first for this year when a Steer punt was returned 65-yards to the

end zone for a touchdown.
 The Broncos will play Wall in Sonora this Friday evening, beginning at 7:30.
 —SHS—
 Last Thursday was a victorious one for both the Broncos and the Colts as they played in Mason. The 8th grade Colts defeated the Cowpunchers 14 to 8; and the 7th grade Colts scored a great victory of 29 to 6 against the Mason 7th grade team.
 The Junior Varsity ran over the Cowpunchers with a final score of 35 to 21.
 This Thursday the Colts will play Big Lake here in two games, beginning at 5:30 and 7. The Junior Varsity will play in Big Lake, beginning at 6:

30.
 —SHS—
 Due to the excessively wet weather this weekend the Bronco Band was unable to march in the Angelo State University Homecoming Parade and game. They have been preparing for the halftime show they will present at marching contests on the seventeenth of November.
 —SHS—
 This Friday evening the Band will crown the 1972-73 Band Sweetheart. The following girls have been nominated by the band members and will be voted on during the week: Glenna Chadwick, Janice Nance, Becki Hard, Bonnie Perez, Cindy Cavaness and Melissa Gibbs.
 —SHS—
 Terri Means and Carol Weston have been selected as Outstanding Bronco Bandmen of the Week.
 —SHS—
 This years annuals have now gone on sale. The cost will be \$7 without a plastic cover or \$7.50 with the cover. Down payment on the \$7 annual will be \$3.50, and \$4 for the \$7.50 annual.
 The Bronco will have a brown leather cover and will not be available with the students' names.
 —SHS—
 Evangelina Pimentel was chosen Miss F.H.A. for 1972-73 by the members of the Future Homemakers of America and the faculty. Joe Gutierrez was chosen F.H.A. Beau by the members. Other nominees for Miss F.H.A. were Emily Brown, Lilia Castro and Irma Velardez.
 —SHS—
 The annual Halloween Carnival will be held next Tuesday, October 31. The carnival, as usual, will be held in the streets of downtown Sonora, beginning with the Spook Parade at 4:30. The carnival is the only major fund raising drive for the entire school during the course of the year, and each class and organization will have a booth.
 The Seniors are sponsoring the concession stand; the Juniors, the raffle and dart throw; Sophomores, the football throw and golf and Freshmen, the baseball throw.
 A new idea that was derived by the choir is a type of wagon train for the younger children that attend the carnival. The choir will also sponsor the sponge throw. Among the other booths will be the Band's coin throw and the Girls' Athletic Association cake walk.
 —SHS—
 This year the Juniors are going to raffle a rifle and a \$50 gift certificate, redeemable by any merchant in Sonora. Tickets can be purchased from any member of the Junior class for a dollar.
 Once again the Speech and Drama Department has come up with a fantastic production for the Halloween Carnival. The show, entitled "Politics" is directed by Mr. John Tedford and will be performed by a cast of about 40.
 With election time so near, this musical spoof on politics will poke fun at political campaigning and the various ways that candidates go about drumming up votes. The production will be 30 minutes long and will be shown in the basement of the First United Methodist Church several times.
 Tickets for the show may be purchased from any speech club member at the price of 50¢ for students and children and \$1 for adults. Don't miss seeing this performance at least once as it will provide a great deal of entertainment for every member of the family.
